RE: Notice of Violation Pursuant to Education Code Section 47607
Highlands Community Charter School

Dear HCCTS Board of Directors and Mr. McGuire:

With this letter, the Twin Rivers Unified School District ("District") Board of Trustees ("Board"), the authorizer for Highlands Community Charter School ("HCCS" or "Charter School"), is providing this Notice of Violation and a reasonable opportunity to remedy the violations stated herein, pursuant to Education Code section 47607 and Title 5, sections 11965 et. seq. of the California Code of Regulations.

In accordance with Title 5, section 11968.5.2(a) and (b), of the California Code of Regulations ("Section 11968.5.2"), the District provides this Notice of Violation to the Charter School's governing body at least seventy-two (72) hours prior to the District's **June 17, 2025**, Board Meeting during which the District's Board of Trustees will consider whether to issue this Notice in accordance with applicable law. In conformity with Section 11968.5.2(a), the Charter School is hereby provided with notice of the following proposed action by the Board:

Physical Address: 5115 Dudley Blvd. • McClellan, CA 95652
Mailing Address: 3222 Winona Way • North Highlands, CA 95660
(916) 566-1600 • FAX (916) 566-1784 • www.trusd.net

PLEASE TAKE NOTICE that at or about **6:00 p.m.** on **June 17, 2025**, the Twin Rivers Unified School District Board of Trustees will hold a board meeting at the District Office, 5115 Dudley Blvd., McClelland Park, California, and consider whether to issue this Notice of Violation under Education Code Section 47607, based upon HCCS' material violations of the conditions, standards, or procedures of its Charter; failure to meet generally accepted accounting principles, or engaged in fiscal mismanagement; and violations of law.

All relevant documents related to the proposed action to issue the Notice of Violation are attached as Exhibits. HCCS is in material violation of the conditions, standards, and procedures set forth in its Charter, has failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement, and is in violation of the law as further described below.

I. BACKGROUND

The Board initially approved the petition for the establishment of HCCS in 2014 for a term running through June 30, 2019. On or about March 5, 2019, the Board conditionally approved the petition to renew HCCS' Charter for a five-year term from July 1, 2019, through June 30, 2024 ("Charter").[1] HCCS is operated and governed independently by Highlands Community Charter and Technical Schools ("HCCTS"), a California nonprofit public benefit corporation, and its Board of Directors.

The District and the Charter School also entered into a Memorandum of Understanding ("MOU") on or about May 19, 2019, to document the arrangement and agreement between the parties regarding HCCS' program, operation, structure, and obligations. Subsequent amendments to the MOU approved by the Board extended its term through June 30, 2027. On or about January 23, 2024, the District and HCCS subsequently agreed to Amendment No. 3 of the MOU ("MOU Amendment No. 3") which, among other things, confirmed the District's authorization of specified locations HCCS had established for charter school operations and made other clarifications regarding the process for approval of any new facility locations, facility safety expectations, and supervisorial oversight.

MOU Amendment No. 3 provides in part:

> "The terms of the MOU are intended by the District and Charter School to become part of the standards and procedures set forth in the Charter School's Charter approved by the District ("Charter"). Along with the Charter, this MOU will govern the relationship between the District and the Charter School regarding the operation of the Charter School. To the extent the terms of the MOU is/are inconsistent with any terms of the Charter, the MOU shall control. In addition, if the Charter is silent on an issue addressed by the MOU, the MOU shall control. As such, any violation of MOU by Charter School that also constitutes grounds for revocation per Education Code section 47607 will be treated and enforced by the District in the same manner, subject to Education

[1] Pursuant to Education Code section 47607.4 (enacted by SB 114), "all charter schools whose term expires on or between January 1, 2022, and June 30, 2025, inclusive, shall have their term extended by two years, and all charter schools whose term expires on or between January 1, 2024, and June 30, 2027, inclusive, shall have their term extended by one additional year." Therefore, HCCS' Charter was automatically extended by three additional years by operation of law and currently expires June 30, 2027.

> Code Section 47607 and applicable implementing regulations, as it would any other violation constituting a ground for revocation." [2] (Emphasis added.)

As the charter authorizer, the District is responsible for overseeing HCCS pursuant to the Education Code. This oversight responsibility is in place to ensure HCCS is operating in compliance with the conditions, standards, or procedures set forth in its Charter, meeting legal requirements of law, meeting and/or pursuing the pupil outcomes identified in its charter, and engaging in sound fiscal practices. (Ed. Code, § 47607(f).) Specifically, Education Code section 47607(f) provides the following:

> A charter may be revoked by the chartering authority if the chartering authority finds, through a showing of substantial evidence, that the charter school did any of the following:
>
> (1) Committed a material violation of any of the conditions, standards, or procedures set forth in the charter.
> (2) Failed to meet or pursue any of the pupil outcomes identified in the charter.
> (3) Failed to meet generally accepted accounting principles or engaged in fiscal mismanagement.
> (4) Violated any law.

This Notice of Violation ("Notice") sets forth:

(1) The Charter School's alleged specific material violations of a condition, standard, or procedure set out in the Charter School's Charter pursuant to Education Code section 47607(f)(1); the Charter School's alleged fiscal mismanagement or specific failure to follow generally accepted accounting principles pursuant to Education Code section 47607(f)(3); and the specific provisions of law that the Charter School allegedly failed to follow pursuant to Education Code section 47607(f)(4), in conformity with Title 5, section 11965(f) of the California Code of Regulations;

(2) All evidence relied upon by the chartering authority in determining the Charter School engaged in any of the acts or omissions identified in Section 47607(f)(1) including the date and duration of the alleged violation(s), showing the violations is/are both material and uncured, and that the alleged violations occurred within a reasonable period of time before a notice of violation is issued; and

(3) The period of time that the chartering authority has concluded is a reasonable period of time for the Charter School to remedy or refute the identified violations. In identifying the time period that will serve as the charter school's reasonable opportunity to remedy the identified violations, the District has considered the amount of time reasonably necessary to remedy each identified violation.

(Title 5, Cal. Code Regs, § 11965(f)(1)-(3).)

---

[2] "Charter School" as used in the MOU Amendment No. 3 collectively refers to Highlands Community Charter and Technical Schools and Highlands Community Charter School.

Accordingly, the District hereby places HCCS on notice that should it fail to submit to the District a detailed, written response addressing each identified violation which shall include the refutation, remedial action taken, or proposed remedial action by the Charter School specific to each alleged violation, on or before **September 26, 2025**, the Board may proceed with the process for revoking HCCS' Charter.

II. VIOLATIONS OF THE CHARTER

HCCS has committed the following material violations of the conditions, standards, or procedures set forth in the Charter and the MOU:

A. Grade Level Changes

Education Code section 47604(a)(4) provides in part: "After receiving approval of its petition, a charter school that proposes to expand operations to one or more additional sites or grade levels shall request a material revision to its charter and shall notify the chartering authority of those additional locations or grade levels."

HCCS' Charter only authorizes the Charter School to provide instruction to students in grades 1, 2, and 12. However, HCCS has operated and received state apportionment for students enrolled in grades 9 and 10 without submitting a material revision request, in violation of its Charter and Education Code § 47604(a)(4).

By correspondence dated August 28, 2024, HCCTS sent a letter to the District stating that HCCS had added grade 9 and 10 through a non-material revision to its Charter based on the approval of District staff on October 29, 2020. The District sent an inquiry to HCCTS on September 30, 2025, requesting evidence to support HCCTS' statement that the District has approved the change in grades through non-material revision. The District reviewed the documentation provided by HCCTS and with correspondence dated February 3, 2025, the District informed the Charter School that it failed to notify the District before changing the approved grade levels. *(See Exhibits A and B.)*

B. Location Changes

On or about January 23, 2024, the District and HCCTS agreed to the MOU Amendment No. 3 which included a list of approved locations for HCCS' charter school operations. The MOU Amendment No. 3 includes the express requirement for HCCS to submit a written request to the District if the "Charter School seeks to establish operations at one or more additional locations(s) or move any of its existing location(s), including satellite facilities or resource centers…" HCCS' enrollment reports submitted beginning with July 2024 through March 2025 reflect students enrolled at locations that are not reflected in the current MOU Amendment No. 3.

In addition, on October 3, 2024, October 17, 2024, and November 7, 2024, the HCCTS Board of Directors approved multiple locations for HCCS operations which are not included in the list of approved locations identified in MOU Amendment No. 3. The District has sent multiple communications regarding HCCTS' addition of locations without submitting a material revision request. In a Notice of Concern and Request for Information dated April 23, 2025, the District outlined specific steps that must be taken to address discrepancies and comply with MOU Amendment No. 3. To date, no material revision request has been submitted for these locations

and HCCS continues to operate at these locations in violation of the MOU Amendment No. 3 and Education Code section 47605(a)(4). *(See Exhibits A, C, and H.)*

Additionally, HCCTS has failed to provide fully executed copies of lease agreements as requested in the District's April 23, 2025, Notice of Concern/Request for Information. As the chartering authority, the District is entitled to information and documentation regarding the Charter School's operations (Ed. Code, § 47604.3). The failure to timely provide such information interferes with the District's oversight obligations

III. VIOLATIONS OF LAW

HCCS has committed the following violations of law:

A. Failure to Submit Annual Independent Audit Report

Education Code section 47064.33(a) requires that all charter schools file certain periodic financial reports, including annual audits. Likewise, section 47064.33(b) recognizes the importance for the charting authority to rely on these and any other financial reports in carrying out its oversight duties and "monitoring the fiscal condition of [a] charter school." (Ed. Code, § 47064.33(b).) Additionally, Education Code section 47605(m) requires charter schools to, "...transmit a copy of its annual, independent financial audit report for the preceding fiscal year...to its chartering authority...by December 15 of each year." HCCTS requested an extension to the December 15, 2024, deadline for submitting its 2023-24 audit report. The District granted an extension until January 15, 2025, but HCCTS failed to meet this deadline.

On March 19, 2025, the District sent a Request for Information requiring HCCTS to submit the annual independent financial audit report no later than March 31, 2025. When HCCTS failed to comply, the District sent a Notice of Concern to HCCTS dated April 7, 2025 and outlined a requirement for HCCTS to submit the annual report by April 18, 2025. A subsequent Notice of Concern was sent to HCCTS on April 24, 2025 requiring HCCTS to submit the report by May 5, 2025. To date HCCTS' audit report has not been submitted to the District. *(See Exhibit D and H.)*

HCCS is in violation of Education Code sections 47604.33 and 47605, and its own Charter, for failing to complete and submit its 2023-24 annual independent audit report to the District. HCCS' failure to provide its annual audit report for 2023-24, hinders the District's ability to properly carry out its duties as charter authorizer to oversee the Charter School's operations and monitor its fiscal condition.

B. Credential Misassignments

Education Code section 47605(l) provides in part: "Teachers in charter schools shall hold the Commission on Teacher Credentialing certificate, permit, or other document required for the teacher's certificated assignment. These documents shall be maintained on file at the charter school and are subject to periodic inspection by the chartering authority."

HCCS has provided instruction to its students using teachers who do not hold the appropriate credential as required by the Education Code. In correspondence dated March 17, 2025, HCCTS represented that Nancy Mora, Credentials Technician from San Diego County Office of

Education ("SDCOE"), provided them with a recommendation that the Adult Education Credentials would be the appropriate credential for HCCTS teachers of record in a general education K-12 assignment. The District inquired with the California Commission on Teacher Credentialing ("CTC") and in correspondence dated March 11, 2025, received clarification confirming that the SDCOE's interpretation was incorrect: "While the credential was not designed only for providing instruction in an adult setting like the Designated Subjects Adult Education teaching credential, both the Multiple Subject and Single Subject teaching credentials authorize teaching in classes for adults in the respective classroom settings…" HCCTS failed to seek guidance from the CTC regarding credential requirements, but instead relied on faulty information from the Ms. Mora resulting in disallowed ADA. *(Exhibit E.)*

C. Failure to Track Minimum Instructional Minutes

Education Code 47612.5(e)(1) states: "For purposes of calculating average daily attendance for classroom-based instruction apportionments, at least 80 percent of the instructional time offered by the charter school shall be at the schoolsite, and the charter school shall require the attendance of all pupils for whom a classroom-based apportionment is claimed at the schoolsite for at least 80 percent of the minimum instructional time required…"

HCCS' average class sizes have far exceeded classroom capacity with averages as high as 227 students. As a result, and as observed by District representatives during site visits and noted as part of the 2024-25 Attendance Audit conducted by CFE Consultant Dennis Snelling, HCCS students were observed arriving and leaving continuously without intending to stay for instruction. It was also observed that students were routinely sent home with packets or instructed to attend only part of the instructional day due to limited classroom capacity. The District believes that these practices resulted in students receiving significantly less than 80% in-person instruction and demonstrates that the HCCS did not require attendance of all pupils. The District authorized 2024-25 Attendance Audit also noted that attendance records were discarded, thereby removing any documented evidence of student attendance, which is necessary to verify the accuracy of enrollment reported for ADA. The above demonstrates HCCS' violation of the law. *(See Exhibit E.)*

D. Violation of WIOA Exclusive Partnership Agreement

During its 2024–25 oversight review, the District discovered that HCCTS had allowed individuals who were not enrolled students to participate in its Career Technical Education (CTE) Truck Driving program. This practice violates the legal requirement that instruction be provided exclusively in partnership with Workforce Innovation and Opportunity Act (WIOA) programs. According to HCCTS, this practice began in 2014 at the direction of a Board member, was supported by the Executive Director, and continued with Board approval through the 2024–25 school year. The issue was previously raised during the 2018 FCMAT audit of HCCS. In a letter dated June 22, 2018, HCCTS asserted that Education Code sections 47612.1(a) and 47605.1 requires a charter school "provide instruction exclusively in partnership with WIOA," but does not require the charter school to "operate exclusively in partnership with" WIOA. While the District agrees with the interpretation of law as outlined by HCCTS in its letter dated June 22, 2018, the practice of providing instruction to non-students as part of HCCTS' partnership

with the Volunteers of America, Local 185 Union, Sacramento County Sheriff's Office, and the Sacramento Police Department, violates this agreement. *(See Exhibit E and H.)*

IV. FISCAL MISMANAGEMENT

HCCS has failed to meet generally accepted accounting principles, and/or engaged in fiscal mismanagement as follows:

A. San Diego Administrative Location

As approved by the HCCTS Board of Directors on or about August 4, 2022, HCCTS secured a site at 406 9th Avenue, Suite 310, San Diego, CA 92101 ("San Diego site"). HCCTS represents that the San Diego site is used for administrative purposes despite having no students in or near the area. However, public records show the location is marketed as luxury office condominiums, with Suite 310 (HCCTS' suite) advertised as having a "dedicated balcony with unparalleled view of Petco Park" and being the highest priced suite among the listed units for this address at the purchase price amount of $725,000.

This costly expenditure of a public funds on an administrative condominium located nowhere near HCCS student locations constitutes fiscal mismanagement of public funds. *(See Exhibit F and H.)*

B. Marysville 2 Location

The "Marysville 2" site at 1431 C Street, Marysville, CA ("Marysville 2"), was identified by HCCTS in both Exhibit B of the approved MOU Amendment No. 3 and a December 29, 2023, site list as a location for HCCS Career Technical Education (CTE) programs. However, during a site visit on March 4, 2024, the District's representative confirmed the site is not an instructional facility but a baseball field and no students were enrolled at the site. Further investigation by the District revealed HCCTS donated $25,000 for upgrades to the field, including $12,500 to sponsor the Marysville Drakes, a privately operated professional baseball team. This use of public funds for a private sports team raises serious concerns about misuse of educational resources.

The District issued a Notice of Concern and request for information on Mach 14, 2024 regarding the baseball field. HCCTS replied on April 5, 2024 stating that the donation was a "sponsorship" and that HCCTS received benefits which were intended to "attract new students". The District issued additional Notices of Concern/Requests for information on June 17, 2024, August 15, 2024, October 1, 2024, and February 19, 2025. HCCTS responded to these communications on July 23, 2024, September 25, 2024, January 14, 2025, and March 21, 2025. HCCTS' January 14, 2025 letters included a copy of a termination agreement between HCCTS and the City of Marysville.

Per a termination agreement HCCTS and the City of Marysville terminated the lease effective November 30, 2024. However, the termination agreement obligates HCCTS to continue paying $33,639.80 in lease payments annually through April 30, 2026. Additionally, HCCTS sold publicly funded equipment (valued at $52,494.34) to the City of Marysville for $1.00 as outlined in the November 30 termination agreement. While HCCTS potentially has the option per the

termination agreement to have the equipment returned if HCCTS leases the Marysville 2 property in the future, the option is subject to agreement by the City. The ongoing lease payments, the disposal of equipment at a nominal price, and the initial misrepresentation of the site's intended use constitutes fiscal mismanagement. *(See Exhibit G.)*

V. CONCLUSION AND REMEDY PERIOD

Please be advised that the District views HCCS' material violations of the conditions, standards, or procedures of its Charter, failure to meet generally accepted accounting principles, or engaged in fiscal mismanagement, and violations of law as grounds to issue this Notice of Violation and the District may pursue further steps towards revocation of the Charter if these violations are not remedied.

Section 11968.5.2(c) describes a charter school governing body's obligation once a Notice of Violation is received:

> Upon receipt of a Notice of Violation, the charter school's governing body, as described in the school's charter, if it chooses to respond, shall take the following actions:
>
> (1) Submit to the chartering authority a detailed, written response addressing each identified violation which shall include the refutation, remedial action taken, or proposed remedial action by the charter school specific to each alleged violation; the written response shall be due by the end of the remedy period identified in the Notice of Violation; and
>
> (2) Attach to its written response supporting evidence of the refutation, remedial action, or proposed remedial action, if any, including written reports, statements, and other appropriate documentation.

The District provides HCCTS with a reasonable remedy period of up to and including **September 26, 2025**, to provide the written response described above.

While the District appreciates and acknowledges HCCTS' responsiveness to various requests for information and notices of concern in other areas over the past twelve months, HCCTS has either failed to remedy multiple areas of concern despite its receipt of multiple information requests and notices of concern from the District or makes promises of future improvements without offering viable plans that either have been implemented or are capable of being implemented by HCCTS.

As a result and since the District views HCCS' material violations of the conditions, standards, or procedures of its Charter and MOU, failure to meet generally accepted accounting principles, or engaged in fiscal mismanagement, and violations of law as grounds for revocation, the District has determined that the point has been reached where it is necessary to initiate the first step in the formal revocation process contained in the Education Code, which is the issuance of a Notice of Violation per Education Code section 47607(g) and Title 5, Cal. Code of Regulations, section 11968.5.2.

Sincerely,

Steve Martinez, Ed. D

Assurances, Affirmations, and Declarations

As the authorized lead petitioner, I hereby certify that the information submitted in petition for renewal of Highlands Community Charter School ("HCCS" or the "Charter School"), located within the boundaries of the Twin Rivers Unified School District ("TRUSD" or the "District") is true to the best of my knowledge and belief; I also certify that this petition does not constitute the conversion of a private school to the status of a public charter school.

Highlands Community Charter School shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter "Ed. Code") § 47605(d)(1).)

- Not charge tuition. (Ed. Code § 47605(d)(1).)

- Not discriminate against any pupil on the basis of the characteristics listed in Ed. Code Section 220 (actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, including immigration status, or association with an individual who has any of the aforementioned characteristics). (Ed. Code § 47605(d)(1).)

- Admit all pupils who wish to attend Charter School (Ed. Code § 47605(d)(2)(A).) unless HCCS receives a greater number of applications than there are spaces for students, in which case it will hold a public random drawing to determine admission. Except as required by Education Code Section 47605(d)(2), admission to HCCS shall not be determined according to the place of residence of the student within the State. Preference in the public random drawing shall be given as required by Education Code Section 47605(d)(2)(B)(i)-(iv). In the event of a drawing, the chartering authority shall make reasonable efforts to accommodate the growth of HCCS in accordance with Education Code Section 47605(d)(2)(C). (Ed. Code § 47605(d)(2)(A)-(C).)

- If a pupil is expelled or leaves Charter School without graduating or completing the school year for any reason, notify the superintendent of the school district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including report cards or a transcript of grades and health information If the pupil is subsequently expelled or leaves the school district without graduating or completing the school year for any reason, the school district shall provide this information to the Charter School within 30 days if the Charter School demonstrates that the pupil had been enrolled in the Charter School. (Ed. Code § 47605(d)(3).)

- Meet all statewide standards and conduct the pupil assessments required pursuant to Education Code section 60605 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. (Ed. Code § 47605(c)(1).)

- Consult, on a regular basis, with Charter School's students and teachers regarding the Charter School's educational programs. (Ed. Code § 47605(c)(2).)

- Adhere to all provisions of federal law related to students with disabilities including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Improvement Act of 2004.

- Meet all requirements for employment set forth in applicable provisions of law, including but not limited to credentials, as necessary. (Title 5 California Code of Regulations § 11967.5.1(f)(5)(C).)

- Ensure that teachers in the Charter School hold a Commission on Teacher Credentialing certificate, permit, or other document equivalent to that which a teacher in other public schools is required to hold. As allowed by statute, flexibility will be given to noncore, noncollege preparatory teachers. (Ed. Code § 47605(l).)

- At all times maintain all necessary and appropriate insurance coverage.

- For each fiscal year, offer, at a minimum, the number of minutes of instruction per grade level as required by Education Code § 47612.5(a)(1)(A)-(D).

- Maintain accurate and contemporaneous written records that document all pupil attendance and make these records available for audit and inspection. (Ed. Code § 47612.5(a).)

- Comply with any applicable jurisdictional limitations to the locations of its facilities. (Ed. Code § 47605; Ed. Code § 47605.1.)

- Comply with all laws establishing the minimum and maximum age for public school enrollment. (Ed. Code §§ 47612(b) and 47610.)

- Comply with all applicable portions of the Elementary and Secondary Education Act ("ESEA'), as reauthorized as the Every Student Succeeds Act ("ESSA").

- Comply with the Public Records Act.

- Comply with the Family Educational Rights and Privacy Act.

- Comply with the Ralph M. Brown Act.

- Meet or exceed the legally required minimum number of school days. (Title 5 California Code of Regulations § 11960.)

Charter School declares that it shall be deemed the exclusive public school employer of Charter School's employees for the purposes of the Educational Employment Relations Act.

Element 1: The Educational Program

The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners. **(Ed. Code § 47605(b)(5)(A)(i).)**

The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals. **(Ed. Code § 47605(b)(5)(A)(ii).)**

If the proposed charter school will serve high school pupils, the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the "A" to "G" admissions criteria may be considered to meet college entrance requirements. **(Ed. Code § 47605(b)(5)(A)(iii).)**

General Information

1.1: General Information Table

GENERAL INFORMATION	
● The contact person for Charter School is:	Murdock Smith
● The contact address for Charter School is:	1333 Grand Ave. Sacramento, CA 95838
● The contact phone number for Charter School is:	916-844-2283
● The address or ZIP Code of the target community to be served by Charter School is:	95838
● This location is in TRUSD Board District:	Yes
● This location is in TRUSD Local District:	Yes
● County-District-School Code	34-76505-0130757
● The grade configuration of Charter School is:	1, 2, 12
● The number of students in the current year is:	1530
● The grade level(s) of the students in the first year are:	1, 2, 12
● Charter School's scheduled first day of instruction in 2019-2020 is:	July 8, 2019
● The enrollment capacity is:	2150
● The type of instructional calendar is:	Multi-track, year-round calendar
● The number of instructional minutes is:	Grades 1 and 2: 50,400 Grade 12: 64,800
● The current bell schedule for Charter School is:	Grades 1 and 2: M, T, W, F: 8:25–12:25/Th: 8:25–11:40 or M, T, W, F:1:00–5:00/Th: 12:10–2:00 or M-F: 5:00–9:00 Grade 12: M, T, W, F: 8:00–3:15/Th: 8:00–2:00
● The term of this Charter shall be from:	July 1, 2019 to June 30, 2024

Community Need for Charter School

Dropouts in the United States

In the United States, a student drops out of high school every nine seconds (Lehr, Johnson, Bremer, Cosio, & Thompson, 2004). That is 7,000 students who drop out of high school every single day. Annually that totals 1.3 million students who fail to graduate (Alliance for Excellent Education, 2011, p. 1). This is especially true of minority students and those who are socioeconomically disadvantaged (Balfanz & Legters, 2004). Non-graduates are far more likely than graduates to be unemployed, to rely on government assistance, or to resort to criminal behavior (Alliance for Excellent Education, 2011). Public high schools in the United States have an 80% graduation rate (Hefling, 2014). However, in large urban school districts that cater to large numbers of children from socioeconomically disadvantaged backgrounds, the graduation rate decreases significantly to 50% (Guryan & Ludwig, n.d.). This has a huge impact on the national, state, and local economy for several reasons, among them, lost tax revenue, higher unemployment rates, dependence on government assistance programs, the community cost of crimes committed, and the cost to incarcerate criminals. By providing access to education and training to students 22 years of age or older, we believe that we will not only improve the lives of our students and their families but also improve the community and the economy. By creating taxpayers, reducing the number of people receiving government assistance, and reducing the number of crimes and criminals, we are improving our community.

Who Is Dropping Out?

A dropout is defined as a student who is between 16-24 years old who is not enrolled in high school and has not earned a high school diploma or an equivalency. According to a study conducted by the National Center for Education Statistics (NCES), when broken down by race and socioeconomic status, minority students and socioeconomically disadvantaged students are dropping out of school at a much higher rate than non-minority students and socioeconomically advantaged students. American Indian students have a dropout rate of 46%; Hispanic and African American students have a dropout rate of 43%; and Asian students have a drop out rate of 17% (Alliance for Excellent Education, 2011, p. 3). Data shows that there is a strong relationship between poverty and high school dropout rates. A study conducted in 2009 showed students from low-income families were five times more likely to drop out of high school than students from high-income families (American Psychological Association, 2012, p. 1). Another study done by the NCES in 2014 concluded that only 2.6% of students who dropped out of high school were from high-income families and 5.4% of students who dropped out of high school were from medium-income families. Of the Hispanic and African American students in the United States, approximately half of them are served by high schools in predominantly low-income neighborhoods where dropout rates fluctuate between 40% and 50% (Balfanz & Legters, 2004). According to the California Department of Education in the 2013-14 school year 56,756 students dropped out of high school in Sacramento and 52,249 dropped out the following school year. Of those who dropped out in the 2013-14 school year, 20.8% were English language learners, 20.3% were black, 18.8% were Native Americans, and 14.4% were socioeconomically disadvantaged.

Dropouts and Lost Tax Revenue

When a student drops out of high school, there is a huge financial impact at the local, state, and national level. Dropout rates lead to lost tax revenues. According to the *New York Post*, every year high school dropouts cost our nation approximately $1.8 billion in lost tax revenue ("High school dropouts cost $1.8 billion every year," 2013). A study on lost tax revenue conducted by Northwestern University found that the estimated cost per high school dropout is $305,000 in potential economic gain through tax revenues to the local, state, and federal governments (Fogg, Harrington, & Khatiwada, 2008, p. vii). If only 50% of the students who dropped out in California's largest metropolitan areas were recovered, it is predicted that the economic benefits to California would be huge. The dropout recovery would invest approximately

$247 million more per year into our local economy. Home sales would increase by 2.92 billion dollars. In California alone, it would increase our state and local tax revenues by $129 million every year (Carter, 2011). As a result, the California Legislature is working to address issues surrounding dropout rates such as providing schools with adequate resources to increase dropout recovery and reduce dropout rates.

Dropouts and Wages

High school graduates and college graduates make significantly more money on average than non-graduates. In 2009, college graduates made an average of $46,930 per year while the average annual wage for a high school graduate was $27,380. The same year, the average annual wage for a high school dropout was $19,540 (Alliance for Excellent Education, 2011, p. 1). Dropouts are three times more likely than college graduates to be unemployed. According to the Georgetown Center on Education and Workforce, 65% of jobs in 2020 will require some form of education.

Dropouts and Crime

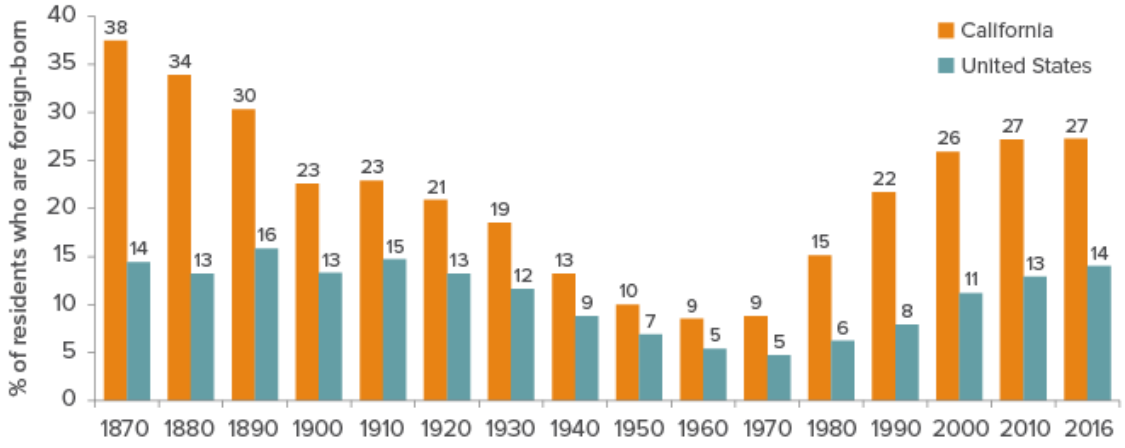
High school dropouts are significantly more likely to be convicted of a crime and to be incarcerated than high school and college graduates. A study in 2007 showed that male dropouts aged 16 to 24 were more than six times as likely to be incarcerated than high school graduates. The same study showed that male dropouts were 63 times more likely to be incarcerated than males with a bachelor's degree (American Psychological Association, 2012). In the United States, an overwhelming number of men in our prison system are high school dropouts. According to the Bureau of Justice Statistics, approximately 68% of inmates do not have a high school diploma (Wolf Harlow, 2003), and more than 40% of inmates have less than a high school education. According to the Alliance for Excellent Education, Americans could save 18.5 billion dollars annually in prison systems simply by reducing high school dropout rates by 5% for men age 20-60 (Dianda, 2008).

Dropouts and Public Assistance

Dropouts are also more likely to receive government assistance than high school and college graduates (American Psychological Association, 2012, p. 6). Given the lower wage earning potential and the higher unemployment rates, many high school dropouts have inadequate income to live on their own or support a family (Sum, Khatiwada, & McLaughlin, 2009, p. 13). Due to these income inadequacies, high school dropouts are more likely to be on public assistance or federal assistance for needy families. "If all single mothers obtained at least a high school education, the annual cost savings would be $3.8 billion" (Dianda, 2008, p. 4).

Immigrants in California

According to the Public Policy Institute of California (PPIC), there are approximately 10 million immigrants in California, which is about one quarter of our state's total population. We have more immigrants in California than in any other state in the nation. According to the US Census, half of all children in California have at least one immigrant parent. Of those immigrants, almost 80% of them are working age adults, and approximately 34% of them do not have a high school diploma. Although immigrants are just as likely to work as Americans, they tend to make 24% less money. It is imperative that these immigrants have the opportunity to access education, learn English, complete their high school diploma, and attend vocational and college training. Research shows that many foreign-born immigrants and minorities have lower high school graduation rates. According to the California Department of Education's Fall 2017 of Ed Facts there were 1,271,150 English language learners in the California public school system., which is 20.4% of the total enrollment in California and 2,637,412 speak a language other than English at home. Below is a graph that shows immigrants living in California and the United States by year from 1870-2016.



(Source: US Census Bureau, Decennial Censuses, and the American Community Survey)

Sacramento and the Twin Rivers Unified School District

In 2002, the Civil Rights Project at Harvard University labeled Sacramento the most diverse city in the United States. According to the 2010 US Census, the Sacramento metropolitan area had 2.7 million people; 45% are white, 27% are Hispanic or Latino, 18% are Asian, 15% are black, 7% identified as two or more races, and the remaining are Pacific Islander and Native American (National Center for Education Statistics, 2014). Demographers expect the minority population to continue to grow in Sacramento and it is estimated that by 2050 Sacramento will grow by 54%. It is estimated that in Sacramento 62% of the population speaks English while 38% are English learners. In Sacramento, our minority populations are more likely to experience poverty than the white population. In Sacramento only 14% of the white population is socioeconomically disadvantaged, compared to 28% of the black population, 27% of the Hispanic population, 26% of the Native population, and 23% of people who identified as two or more races, which are all living in poverty. Approximately 63% of people living in Sacramento are participating in the workforce with employment at 56% and unemployment at 10.5%. Minority groups have higher rates of unemployment with 17% unemployment for our black population, 15% for people who identified as two or more races, and 14% for Native Americans. Level of education is directly related to employment with a positive linear relationship. For people living in Sacramento without a high school education, only 56% of them are employed compared to 70% of high school graduates, 78% with some college, and 87% for those with a bachelor's degree or higher. Within the Twin Rivers Unified School District, 31.7% of students drop out between ninth and twelfth grade with nearly 500 more students who stay enrolled through twelfth grade but do not graduate. According to the 2010 Census, almost 20% of adults living in the Twin Rivers Unified School District do not have a high school diploma or equivalent (Public Policy Institute of California, 2012).

Highlands Community Charter School

Highlands Community Charter Schools offers a quality program of instruction that serves students from a wide range of age, ethnic, cultural and language backgrounds, specifically targeting high school dropouts, parents, immigrants, veterans, former foster youth and ex-offenders. Highlands provides the appropriate primary and secondary career technical education to help students from these groups to succeed. As our mission states, we are "serving the unserved."

At HCCS we understand the community we serve, and we provide that community with educational tools and opportunities. In California, we have a growing immigrant and refugee population. In order for immigrants and English learners to successfully enter the workforce, they need to improve their English.

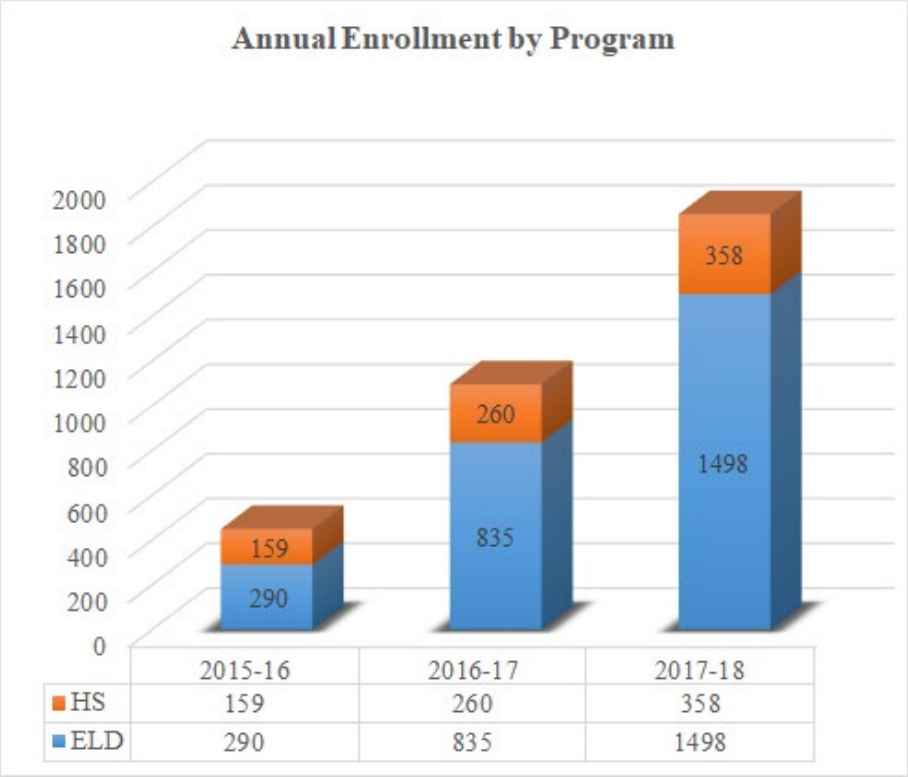
We have an astounding percentage of adults in our community who have been unable to complete a high school diploma or equivalency. At HCCS we love our community, and we believe that by educating adults, we will see economic growth, civic engagement, a reduction in crime, and a reduced number of our community members relying on government assistance. We foresee that we will continue to grow throughout Sacramento and California in order to meet the growing needs of adults in our state and in our community.

1.2: HCCS Term Performance and Meeting the Needs of the Community

Enrollment

At HCCS our enrollment has grown each year since our doors opened. In the 2015–2016 school year, enrollment was 449; in the 2016–2017 school year, enrollment more than doubled to 1,095; and in the 2017–2018 school year, our enrollment grew again to 1,856 students. In the 2017–2018 school year, the student community experienced a shift in our demographics with a large influx of refugees from Afghanistan. Due to this, the previous primary student language of Spanish was replaced by Farsi/Dari. Many of these refugees were not able to access education in their home countries, and their literacy level at entry was very low. In response to this need, we opened sites in their communities and hired paraeducators who are fluent in Farsi, Dari, and Pashto. HCCS responded to this community need by partnering with community-based organizations that provide refugee assistance like International Rescue Committee, World Relief, Opening Doors and Lao Family Community Development, Inc. Our high school program has also experienced steady growth each year. Even with a very strong labor market, students still continue to enroll into the program and graduate.

Below is a graph that shows our annual enrollment for the 2015–16, 2016–17, and 2017–18 school years for both English Language Development ("ELD") and the High School Completion Program:



This shows that the high school program doubled in size in two years from 159 students in the 2015–16 school year to 358 students in the 2017–18 school year. At the same time, the ELD program grew from 290 students in the 2015–16 school year to 1,498 students in the 2017–18 school year.

Enrollment in CTE

Current CTE programs at HCCS are unique in that some of these programs are offered through our school, and some are extended to students by way of partnerships. At HCCS we have Truck Driving, Early Childhood Education, and Entrepreneurship as part of our internal CTE programs. Our external CTE programs are with Cosmo Beauty Academy and Asher College. Cosmetology and Manicuring are both located at Cosmo Beauty Academy. We also partner with Asher College to extend three programs: A+ Information Technology ("IT"), Medical Office Administration, and Office Administration which includes Microsoft Office certifications. Enrollment numbers in each of these programs can be seen below over the past three years.

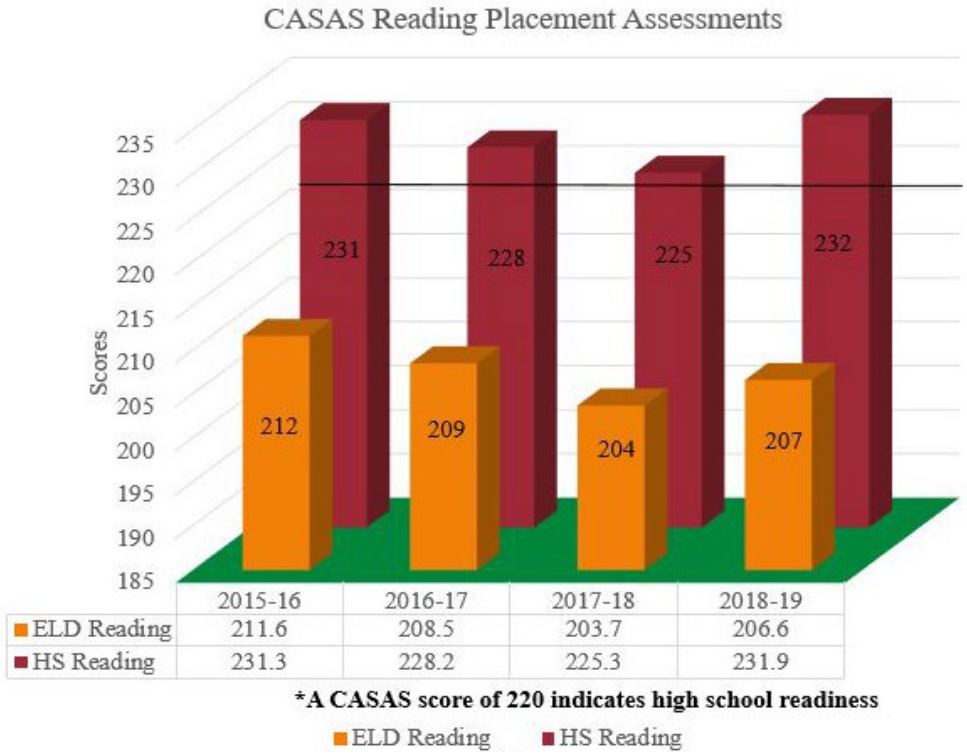
Highlands Community Charter School CTE Program Enrollment

CTE Enrollment				
Program	**15–16**	**16–17**	**17–18**	**Grand Total**
Business	22	30	14	66
Career	159	253	277	689
Early Childhood Education	41	88	88	217
Computer A+ Tech	88	9	13	110
Cosmo Beauty Academy	3	18	25	46
Microsoft Office	41	81	69	191
Truck	140	75	55	270
Grand Total	494	586	649	1729

Assessment

At HCCS we place a high value on student assessment. We use assessments to understand student needs and levels. HCCS also uses assessment to ensure student understanding. The assessment process varies between ELD and high school, but all programs require various assessments during enrollment and throughout the classes/programs. At HCCS our assessment process begins during enrollment and orientation. All new high school students are given a Comprehensive Adult Student Assessment System ("CASAS") reading and math test during their new student orientation. ELD students are also CASAS tested as part of the enrollment process, but ELD students are tested in reading, math, and listening. ELD students are also given an internally normed speaking test and a writing test by a teacher before beginning classes. These assessments are used to place students in the appropriate classes. These CASAS tests, both in ELD and in high school, are the Life Skills Series provided by CASAS. It is imperative that the content of our lessons is meaningful to the students' lives and relevant to our students' goals.

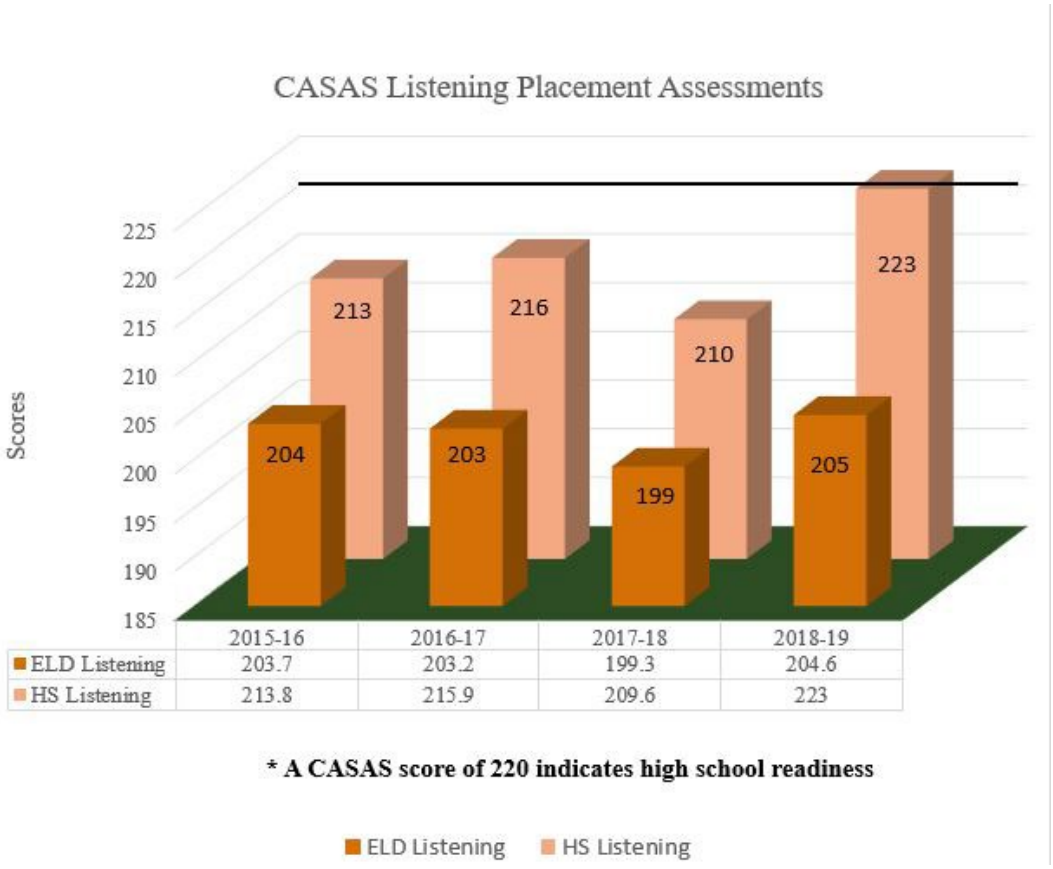
Below is a bar graph that demonstrates CASAS Reading placement assessments for new high school and ELD students for the three previous school years as well as this year:



For high school students, CASAS assessments are very important. High school teachers and counselors use the CASAS Reading score to determine if students need to be placed in a remedial reading class called Reading Skills or if the student needs to work with a Reading Specialist. The score is also used to determine if high school students have reading scores required to enter any of Highlands Community Charter School's Career Technical Education ("CTE") programs. Our high school students averaged an entry CASAS reading score of 231 for the 2015–16 school year, 228 for the 2016–17 school year, and 225 for the 2017–18 school year.

In the ELD program, reading scores (as well as other test scores) are used to place students into the appropriate class level. Our ELD students scored lower on average than the high school students with an average entry CASAS Reading score of 211 for the 2015–16 school year, 208 for the 2016–17 school year, and 203 for the 2017–18 academic year. This average score is largely impacted by the increased number of refugee students HCCS continues to serve. Of the 1,856 students enrolled, 646 are from Afghanistan, Syria, and Iraq. Many of those students enroll into our ELD program with very low rates of English literacy and some without literacy in their first language. These CASAS Reading assessments allow us to identify pre-literacy, non-literacy, and literacy ELD students who need additional support. They also help us to identify the higher level ELD students who are good candidates for the high school/CTE program.

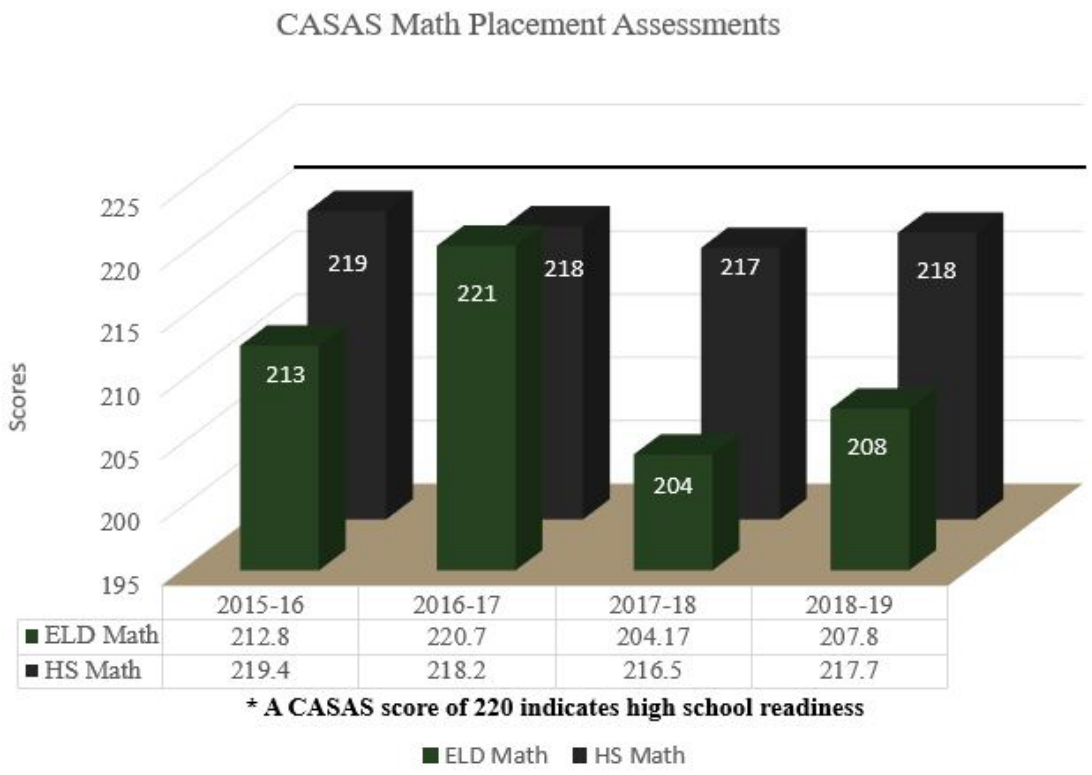
While high school students are not required to take the CASAS Listening assessment, ELD students are. Below is a bar graph that shows the average CASAS listening scores for ELD students over the past three years and what has been gathered for the 2018–19 year so far.



On the CASAS Listening assessment, ELD students had an average score of 203 in the 2015–16 school year, 203 in the 2016–17 school year, 199 for the 2017–18 school year, and 204 for the 2018–19 academic year so far.

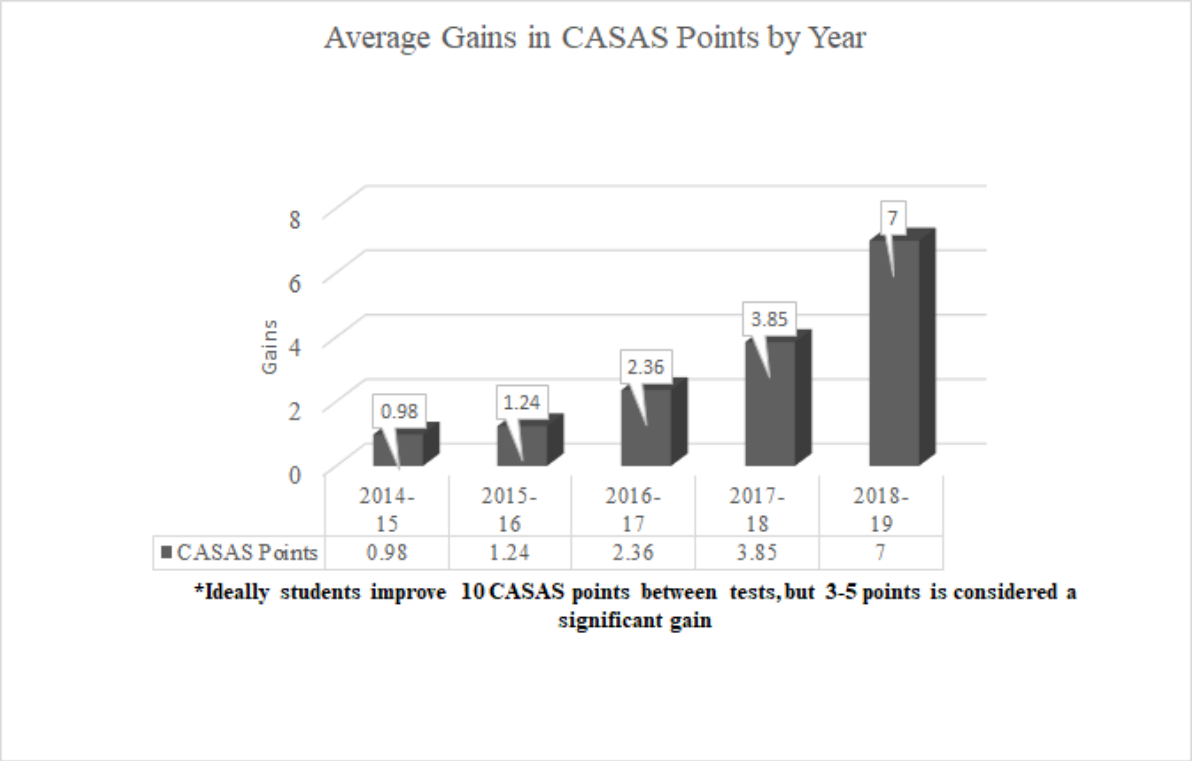
CASAS Math assessments have always been administered to all incoming high school students during the enrollment process, but we have recently made an increased effort to make sure both ELD and high school students are completing the initial CASAS Math placement exam. The assessments are used in conjunction with students' transcripts to determine their level and to place them in the appropriate classes.

Below are the average incoming CASAS Math assessment scores for high school and ELD students by year:

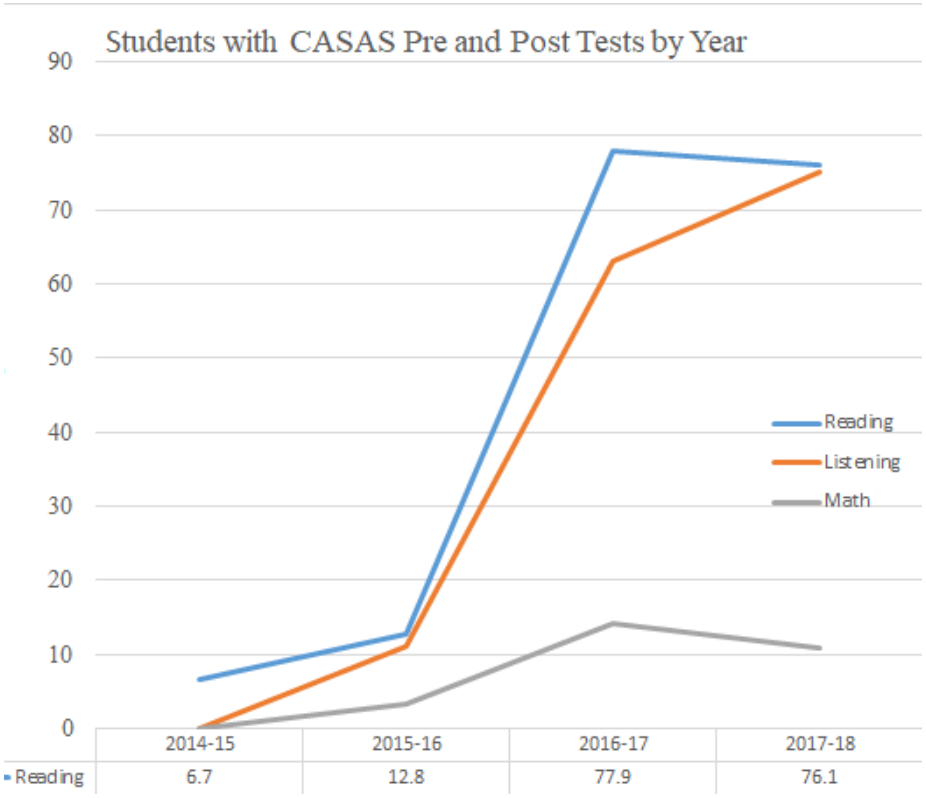


Overall, high school students tend to score higher on CASAS Math assessments, but in the 2016–17 school year, ELD students scored slightly higher with an average first score of 220. During the same school year, the high school students averaged 218. Overall, high school students averaged a CASAS Math pre-test of 218, while ELD students averaged 211.

At HCCS we use CASAS in two primary ways: to assess incoming students for placement and to measure academic progress. Our goal is to have students complete a level between assessments. A complete level is approximately 10 points. If a student came to HCCS and scored 180, they would need 10 points to make it to the next level at 190. However, if a student scored 188, that student would only need a two point gain in order to reach the next level. Below is a graph that depicts our average CASAS gains by year.



Although we have not captured the number of student gains that we would ideally like to see, we have steadily improved each year from only .98 points in the 2014–15 school year to 3.85 in the 2017–18 year. This year we are projecting an average gain of 7 points based on the gains we have for this school year and the five year trend. In order for us to capture our students' gains, it is imperative that our students consistently receive pre- and post-tests. At HCCS we are committed to increasing our level of CASAS assessments. Below is a graph that shows the number of students who received CASAS pre- and post-tests for the last four school years.



In the 2014–15 school year, we had a very low percentage of pre- and post-tests compared to the 2017–18 school year, when for reading and listening, we had pre- and post-tests at 76.1% and 75.2% respectively. This percentage is based on our Average Daily Attendance (ADA). Every year we have improved in reading and listening, even while our enrollment grew expeditiously. The one test in which we need to improve is math. As this graph indicates, we have not made improvements in the number of CASAS pre- and post- math assessments. In prior years, we did not assess our ELD students in math as part of the enrollment process and instead primarily assessed our high school students. Beginning in the 2018–19 school year, both high school and ELD students will be assessed in math as part of the enrollment process.

Teachers, counselors, and proctors do their best to get CASAS pre- and post- tests from every student; unfortunately, we have been unable to get them from every student. By hiring several new proctors, training more teachers and staff, purchasing more laptops to run CASAS, and developing a more rigorous testing schedule, HCCS will provide more succinct data regarding CASAS testing pre- and post-tests in the future.

Grades

At HCCS we have two systems for student grades: one is for ELD students, and one is for high school students. For the ELD students, we use the letter grades M, A, D, and E. M has a Grade Point Average ("GPA") value of four points, A has a value of three points, D has a value of two, and E has a value of one GPA point. The letter grade of M is equivalent to 90% mastery, where E is 80%, D is 70%, and E is 60% or below. In ELD, the M grade is the only grade that demonstrates level mastery and readiness for level promotion.

Grades	Descriptions
M- Meeting	The student is meeting or exceeding standards.
A- Approaching	The student is approaching standards.
D- Developing	The student is developing an understanding of standards.
E- Emerging	The student has an emerging understanding of the standards.

In the 2016–17 school year, ELD students received a total of 1,320 M's and 850 A's for a total of 2,170. For the same year, 121 students earned D's and 32 students earned E's. In the 2017–18 school year, we gave 1,274 students M's, 1,401 students A's, 444 students D's, and 259 E's. So far in the 2018–19 school year, HCCS has only entered grades for one quarter. Last quarter, 288 students earned M's, 484 earned A's, 105 earned D's, and 9 students earned E's.

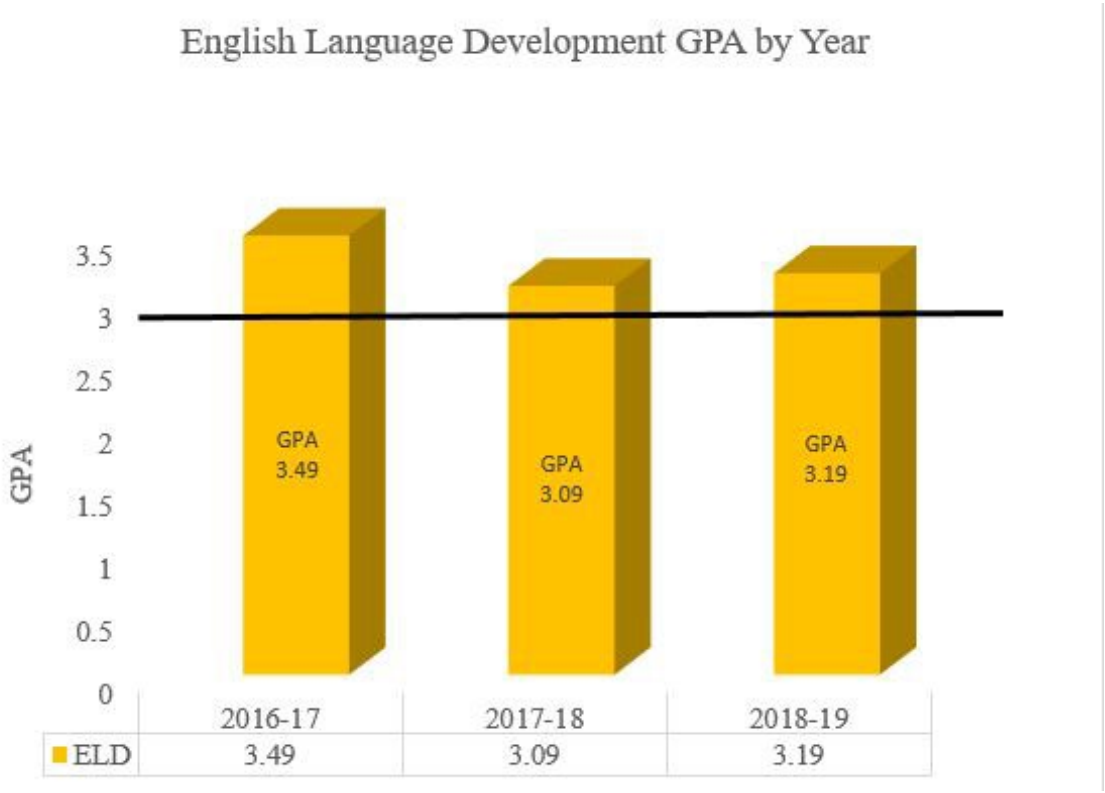
It is important to note that this chart shows the total number of each grade given per academic year. The ELD students are graded in the subjects of reading, writing, speaking, and listening. The CASAS post-tests are also utilized as an external assessment to determine a student's grade.

Below is a bar chart that shows the distribution of ELD grades by percentage and year:
In
the

***Our goal at Highlands is for our students to earn M's and A 's and to maintain a schoolwide GPA of 3.0 or higher**

2016–17 school year, 56% of the ELD students completed a level, and 93% of them received either an M or an A. Only 5% received a D, and 1% received an E. In the 2017–18 school year, 38% of the ELD students completed a level and 79% earned either an M or an A. That same year, 13% of the ELD students earned a D, and 7% earned an E. In the 2018–19 academic year, so far 32% of the ELD students have completed a level and earned an M and 87% have earned either an M or an A. Almost 12% of ELD students earned a D and 1% earned an E.

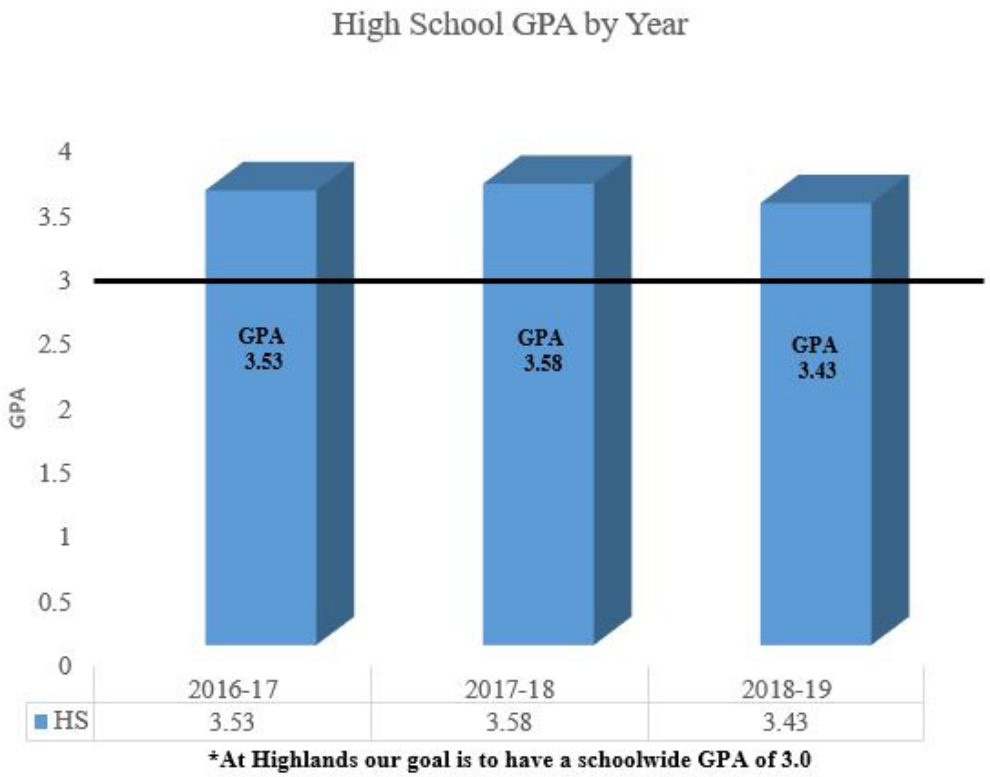
Success and accurate grades for all our students, both ELD and high school, are very important to us. Our goal is to have a schoolwide grade point average of 3.0 or higher. Below is the English Language Development GPA data for the 2016–17, 2017–18, and what has been documented so far in the 2018–19 school year:



Since we implemented the MADE grading system for ELD students in the last quarter of the 2016–17 school year, ELD students have maintained a grade point average of 3.0 or higher. In the 2016–17 school year, ELD students had an average GPA of 3.49. During the 2017–18 school year, ELD students had an average GPA of 3.09, and so far in the 2018–19 academic year, they have an average GPA of 3.19.

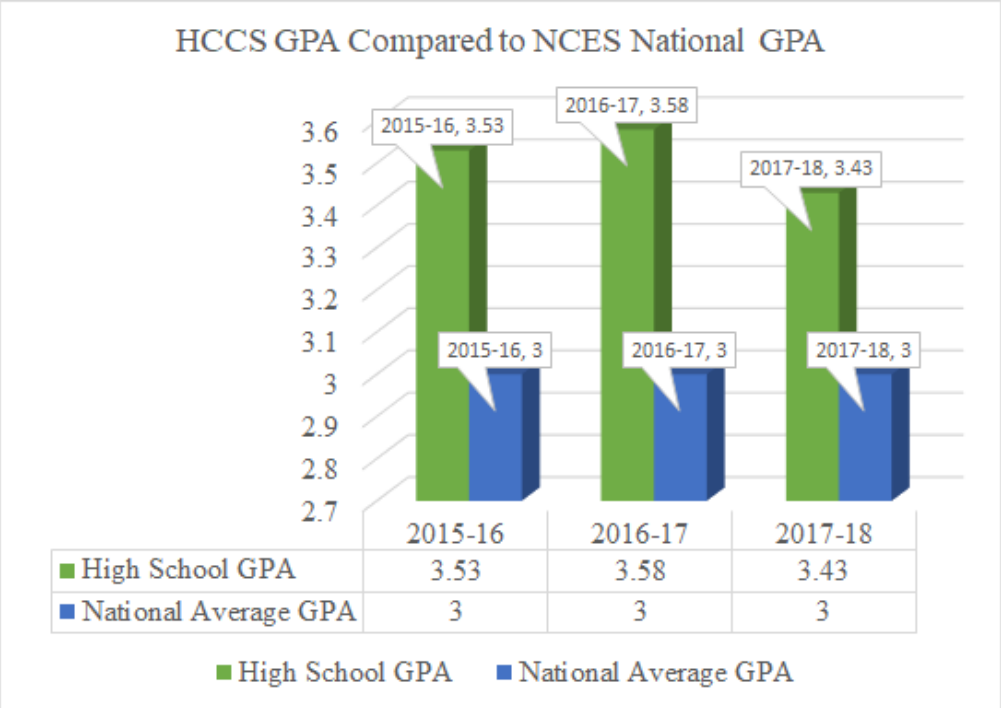
As mentioned before, HCCS's schoolwide goal is to have an average GPA of 3.0 or better for all programs. While all of our programs have achieved this goal for the last three years, the high school students tend to have a higher GPA than the ELD students.

Below is a graph of the High School GPA by year for the past three academic school years:



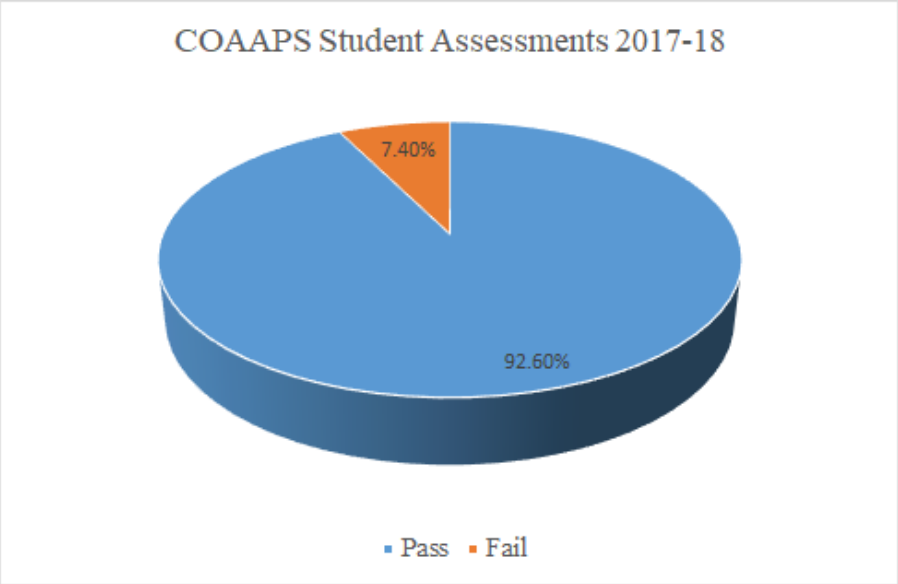
***At Highlands our goal is to have a schoolwide GPA of 3.0**

While the ELD students had an average GPA of 3.49 in the 2016–17 school year, the high school students had an average GPA of 3.53. For the 2017–18 school year, the high school students had an average GPA of 3.58 while the ELD students had a GPA of 3.09—a considerable difference at .49 GPA points. This year the difference in grade point average between ELD and high school students is declining with a smaller gap of .24 GPA points, where high school students have an average GPA of 3.43, and ELD students have an average GPA of 3.19.

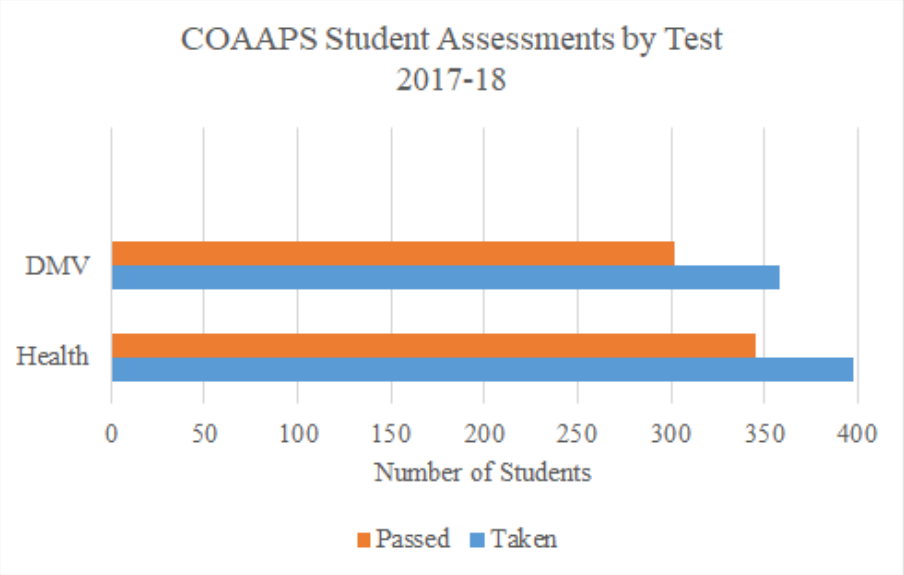


COAAPS Data

In 2016–17, HCCS applied for a Workforce Innovation Opportunity Act ("WIOA") grant and it was awarded for the 2017–18 school year. Then in 2017–18, we began creating EL Civics modules for the students and assessing them on the objectives. For the 2017–18 school year, we selected two themes based on students' greatest needs: community resources (DMV) and health (Healthcare). For the DMV packets, HCCS chose three relevant objectives related to Community Resources (DMV): Reading and Understanding Street Signs (Objectives 12.1, 12.2), Traffic Stops (Objective 12.8), and Citations (Objective 12.10). For Health packets, HCCS chose: Talking to a Doctor (Objectives 28.2, 28.5), Making Doctor Appointments (Objectives 28.4, 28.12), and Completing Medical History Forms (Objective 28.6).



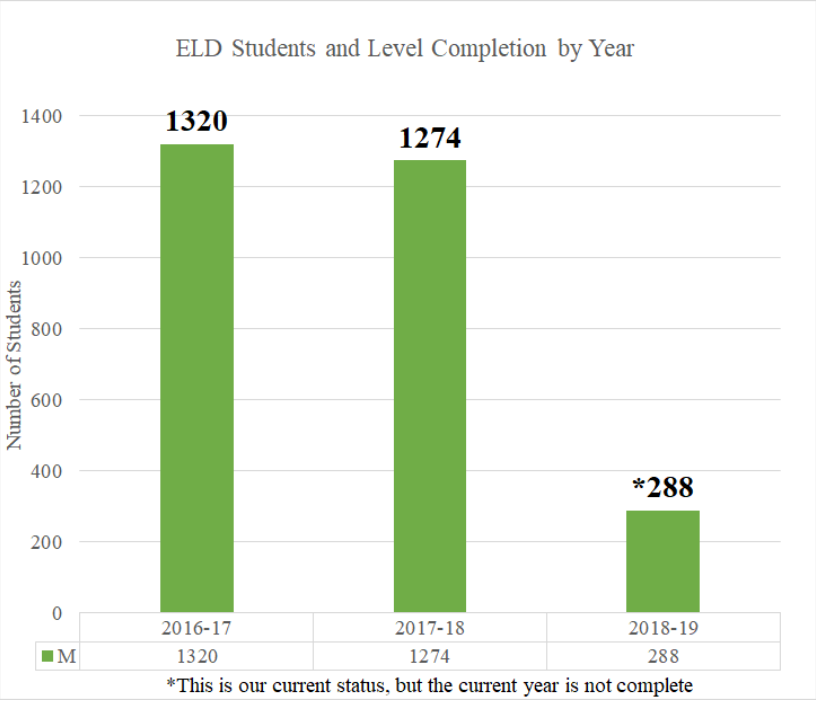
HCCS asked the ELD teachers to choose at least one of the themes based on their students' interests and needs. Overall, these EL Civics materials were taught in 32 classrooms: DMV was taught in 14 classrooms and Health was taught in 18 classrooms. A total of 756 students were assessed. Below is a graph that shows our student learning data for the 2017–18 school year:



Of the 756 students who were assessed, 700 of them passed their assessment. Overall, 92.6% of our students passed while the remaining 7.4% of our students did not. Of the 756 students who were taught EL Civics, 358 students studied DMV and 398 studied Health. Our students did slightly better on their EL Civics Health assessments than on the DMV assessments, but overall our students did very well on both.

Promotion and Graduation

Below is a table that shows the number of ELD students who were promoted for the 2016–17, 2017–18, and so far in the 2018–19 school year in one or more of the following areas: reading, writing, speaking, or listening:

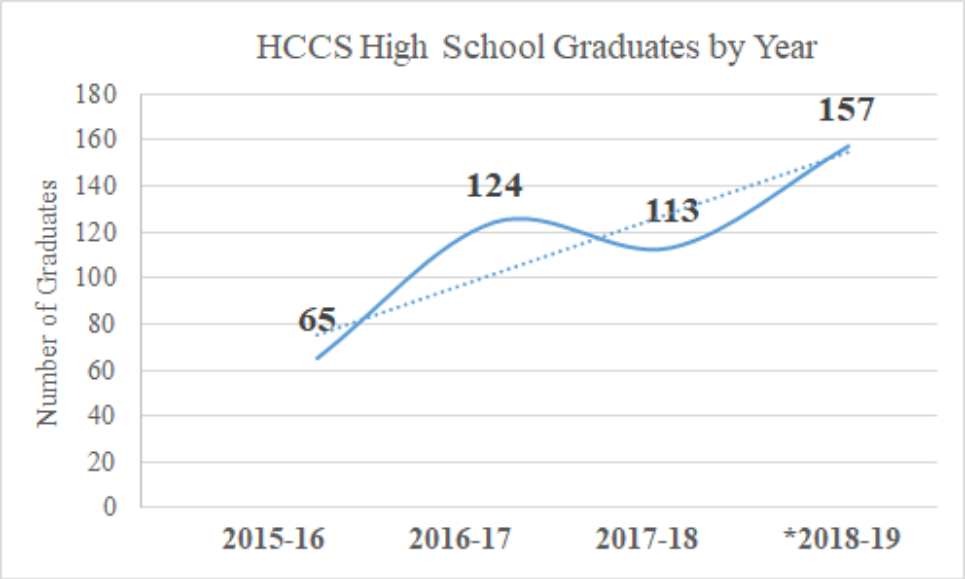


In the 2016–17 school year, 56% of the ELD students completed at least one level compared to 37% in the 2017–18 year, and so far in the 2018–19 school year 288 students have progressed at least one level. At the end of the 2016–17 school year, the grading system was introduced. It is possible that during the first quarter of grading, teachers were still learning to appropriately assign grades. That may have resulted in a high distribution of M grades compared to the 2017–18 school year. We are currently in the second quarter of the 2018–19 school year which explains the low number of M grades and ELD level completions.

High School Graduation Data

Rather than promotion, graduation is the best way to identify course completion for our high school students. At HCCS our graduation day is like a holiday worthy of celebration. It is the culmination of years of hard work, determination, perseverance, and overcoming sometimes very serious hardships. HCCS loves to celebrate student success and provide an opportunity for students' families to celebrate this success as well. When students earn their credits, they may petition for their diploma, and exit as a graduate. Since this happens on a very regular basis, we wanted to provide more than one opportunity a year for students to celebrate and "walk the stage." At HCCS we hold a graduation ceremony every summer and winter. Each year the venue has changed in response to graduation growth. Most recently, we held the Summer 2018 Graduation at The Center at Twenty Three Hundred, which is a venue that holds approximately 500 attendees.

Below is a graph that shows the number of high school graduates per year for the 2015–16, 2016–17, 2017– 18



school years, and our graduation projections for the 2018–19 school year.

***This is projected for the 2018-19 school year based**

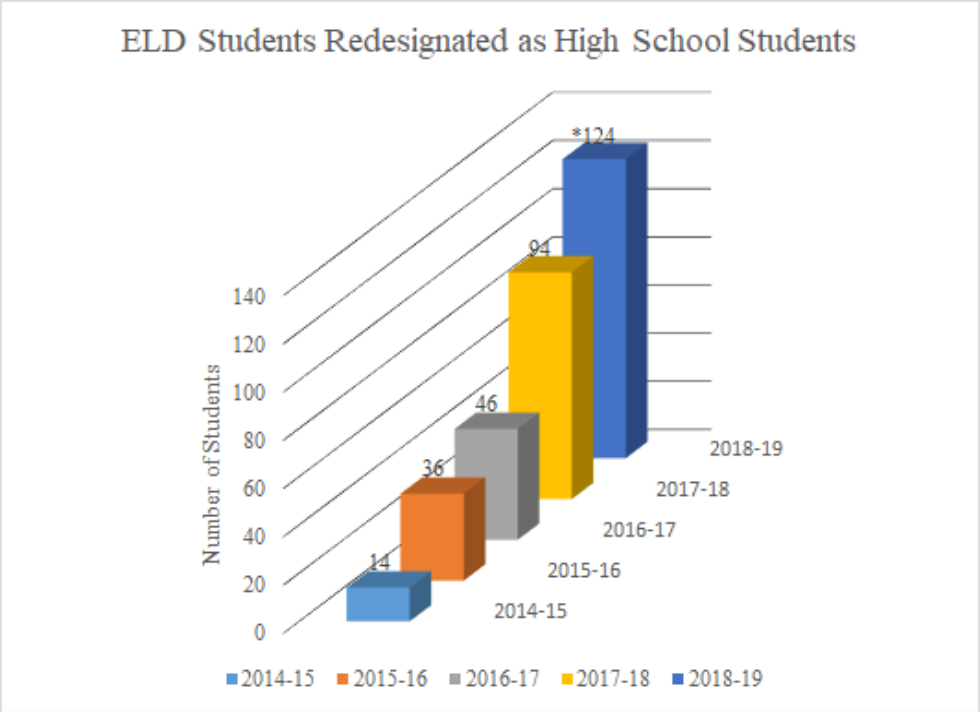
The number of students who graduated from HCCS doubled each year for the first two years and has held steady at about 120 students for the past two school years. In the 2015–16 school year, we had 65 students graduate. There were 124 students who graduated in the 2016–17 school year, and 113 students who graduated in the 2017–18 school year. For the 2018–19 school year, we project that of the 350 students we have enrolled in high school, 157 will graduate.

Re-designation

At HCCS we want to ensure that we are providing our ELD students with all of the tools they need to achieve their goals. One way we do this is by transitioning our ELD students from our English Language Development program into our high school program and re-designating them as high school students.

To be re-designated from ELD to high school, each student should satisfy at least three of the following criteria: a minimum CASAS reading score of 225, CASAS minimum listening score of 225, a minimum CASAS math score of 220, a minimum ELD level 6 equivalent rubric score on the HCCS writing assessment, a minimum ELD level 6 equivalent rubric score on the HCCS speaking assessment, a minimum score of "approaching" on the student ELD portfolio rubric. A teacher recommendation may take the place of an ELD portfolio if a student has not produced a portfolio of work. All new students, who have been in attendance less than one month, or incoming students should use the HCCS writing assessment requirement as one of their three criteria.

Below is a graph that shows the number of our ELD students who have entered our high school program by year:

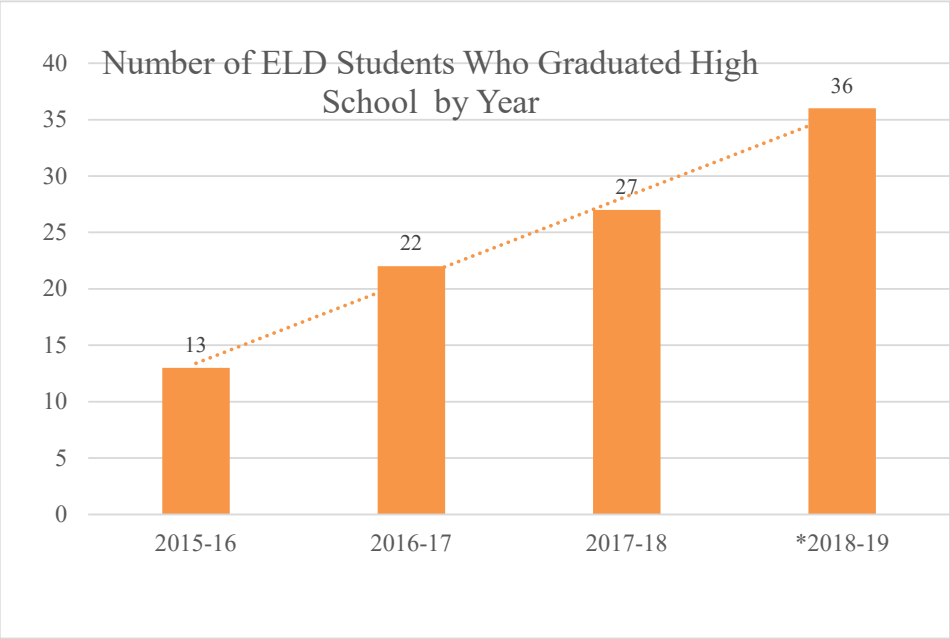


***For the 2018-19 school year this number is projected based on the trend and enrollment**

Since the 2014–15 school year, we have had a steady increase in the number of ELD students who have been reclassified from our ELD program to our high school program. We saw the biggest increase during the 2017–18 school year. So far for the 2018–19 school year, 31 ELD students have been reclassified as high school students. Based on that figure, we are projecting that 124 ELD students will reclassify by the end of the 2018–19 school year.

ELD Graduation Data

Similarly, we have seen a steady increase in the number of ELD students who have graduated from our high school program. From the 2015–16 school year to the 2017–2018 school year, the number of high school graduates more than doubled. Based on the 9 graduates in the first quarter for the current school year, we project 36 students who began instruction at HCCS in our ELD program will graduate from High School this year.



***For the 2018-19 school year this number is projected based on the trend and enrollment**

CTE Programs

HCCS recognizes the importance of a robust Career Technical Education program, especially for students who have been traditionally unserved. Programs have been created with our students in mind. We hope that our programs will lead to livable wage careers. Historically, we have sought to expand our programs based on student needs and interests. For example, when students were interested in entering the medical field, HCCS attempted to create a program that would allow students to gain knowledge and experience in that field. In addition to student needs and interests, HCCS has also looked at local workforce and regional plans to grow its current and future programs.

Community Partnerships

We know that our students have many needs and that we do not possess the resources to address all of them. For that reason, we have developed many community partnerships with other schools and organizations. Since we opened our doors in the 2014–15 school year, we have created 16 partnerships. Through these partnerships we have a wider reach in our community, and our students have increased access to the tools they need to achieve their goals.

External CTE Programs

We are pleased to have six internal CTE programs and two external CTE programs as part of our high school program at HCCS. We know that our students need more than English Language Development and a high school diploma; they need the tools and skills to get a living wage job. One way that we are able to offer state of the art training and programs is through our partnership with Asher College and Cosmo Beauty Academy. At HCCS we are pleased that a total of 1729 students have participated in our career programs, both internal and external.

Asher College

At HCCS we are proud to partner with Asher College, a vocational and trade school in Sacramento that opened in 1989 to provide hands-on training in medical, business, and information technology. Through this program, we are able to offer our students three information technology programs at no cost. These programs include A+ Information Technology, Medical Office Administration, and Office Administration, which includes Microsoft Office Certifications. Since we began our partnership with Asher College, 191 students have taken Microsoft Office and 208 have taken Computer A+ Tech.

Cosmo Beauty Academy

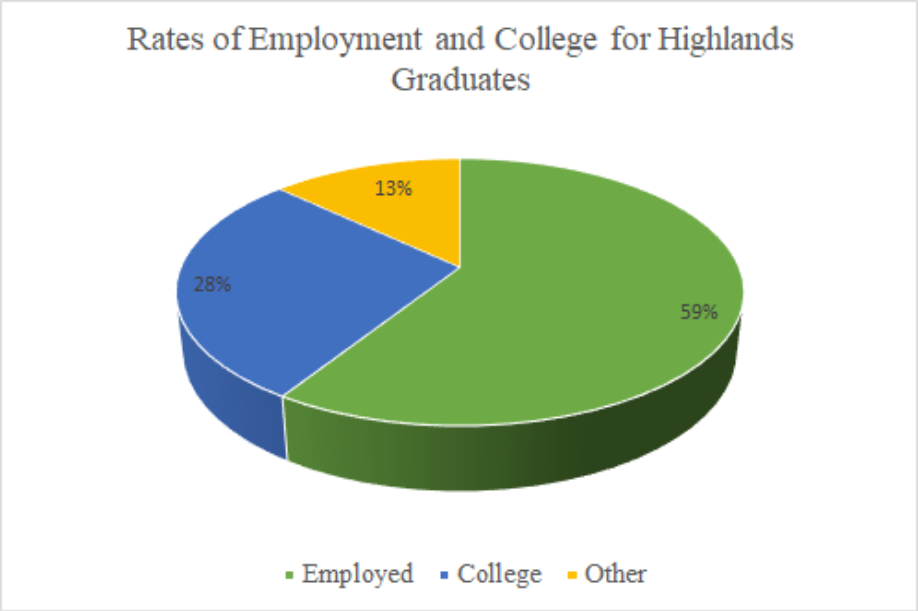
We are also proud to partner with Cosmo Beauty Academy (Cosmo), a vocational beauty school that offers cosmetology, esthetics, and manicuring programs. It first opened in 2007 in Sacramento and is accredited by the Board of Barbering and Cosmetology, the Bureau of Private Postsecondary Education, and the National Accrediting Commission of Career Arts & Sciences. Since we began partnering with Cosmo in the 2015–16 school year, 46 of our students have participated in their program.

Academic Support and Student Support Services

At HCCS we have the unique opportunity to work with adult learners who have faced many challenges and who require both academic and personal support in order to successfully meet their academic and career goals. Over the last five years, our students have demonstrated and communicated the things they need and ways they need to be supported. In response to our students' needs, we have developed several academic services and student support services. Academically, we support our students through our Career Success Center, ELD Navigators, library and reading services, and CTE programs and partnerships, as well as many other academic support services. Our student support services include homeless services, a free clothing closet, and a Civics 101: Rights and Responsibilities class presented by the District Attorney's Office. Our students have faced many academic and personal challenges throughout their educational journeys, and it is truly our pleasure to support them through our educational programs while they achieve their goals. We recognize that our students have many needs. While many of their needs are academic, some are personal. Our student-centered teachers, staff, and counselors interact with our students regularly to understand the areas where they need the most help. We want to improve our students' lives through our services. We have found that many of our students are unable to succeed in their classes when their basic physiological needs are not being satisfied. At HCCS we have created extensive academic and student support services to meet the needs of our student population.

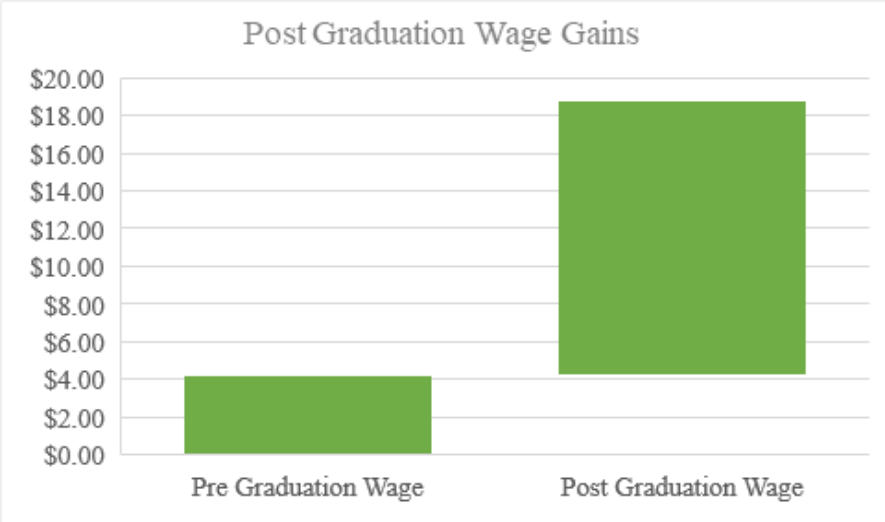
Employment/Wage Gain Data

At HCCS we have contacted over 300 high school/CTE graduates and asked them about their lives and careers after graduation. Below is a pie chart that represents the percentage of high school/CTE graduates who are employed and/or in college and those who are not:



Of the students contacted, 28% are attending community colleges, state colleges, or private colleges while 59% are employed. The remaining 13% were unemployed or not pursuing further education. This means that of the students surveyed, 87% of our graduates are either working or are in college. At HCCS we pride ourselves on turning tax takers into tax payers and helping student create legacies where there may not have been any before.

In addition to employment rates and higher education, we have also collected information on wages. Part of our mission is to build new legacies leading to self-sufficiency and generational change. One of the ways we do this is through wage gains. Below is a graph that compares our students' average wage when they enrolled at HCCS compared to the average wage of our high school graduates.



At HCCS our average graduate wage gain is $10.37 per hour post-graduation. When our students enrolled we documented their wages and then compared them to the wage they were earning after graduating from HCCS. This makes a direct impact on students' abilities to establish self-sufficiency. Our students' prior average wage was very low because many students had never worked or were relying on public assistance. Providing CTE training through the high school program enables students to earn livable wages upon high school completion. Some of our CTE programs, like Truck Driving, have a higher average wage upon completion due to the labor market for that specific occupation. The average wage for a truck driver upon completion of the program is $21.50.

Academic Support Services

Career Success

Our Career Success Center ("CSC") was created in the 2015–16 school year to review our students' resumes. Today we provide many services to our students in order to assist them with finding employment. We currently have four employees who work in our Career Success Center, including two Transition Specialists, a Student Engagement Liaison, and a Career Center Supervisor. The Career Success Center is located at our main campus on Grand Avenue and it's open from 8am to 3pm, Monday through Friday. In addition to our Career Success Center, our support staff organizes workshops and field trips. At our Career Success Center, we accept both walk-ins and appointments and we connect our students to the following services:

- Job fairs
- Job search
- Assistance with CalJOBS
- Application help
- Contacting employers
- Resume and CV writing
- Cover letter writing
- Interview practice and preparation
- Job postings
- On-site interviews and hiring
- Expungements
- Free Application for Federal Student Aid (FAFSA) support
- College campus tours
- One-on-one academic support

At HCCS our students have many goals, but all of them want to improve their lives. We support our students through academic and employment support. For our ex-offenders, we work alongside them to get their records expunged when possible. These services are available to our current ELD and high school students as well as our alumni because, At HCCS "it's never too late." At the beginning of the 2018–19 school year, we began tracking services provided at the Career Success Center, and so far this year, we have seen 191 students in the Center as well in workshops. Here is a breakdown of students using our services:

In July 2018, we began tracking our students' logins to our Career Success Center and workshops. So far this year, the majority of our students visiting the Career Success Center have needed help with their resumes or CVs, at 54%. Resource assistance was the next most common service with 18% of students needing help with resources. Resource assistance refers to resource outsourcing. When students need access to a service that we do not provide, we offer a referral to a partner or an organization equipped to assist our students. Around 14% of our students required general knowledge or support; students often have questions about the types of services offered at our Career Success Center. Next, 10% of our students needed help with housing services while only 4% needed support with expungements.

Expungements

Our expungement process begins at the Career Success Center. Our Career Success Center has employees who are experienced in the expungement process. We have forms and contact information to begin the process. Our staff collaborates with our students to ensure that all of the steps are followed. We will even attend court with our students. We have had many students go through the process and clear their record of DUI's, narcotic offenses, property offenses, and many other criminal cases.

ELD Navigators

At HCCS we have amazing programs and opportunities for our students, and we want to ensure that every student understands all of the services that we provide. With the 24 campuses we currently have and students who speak over 39 languages, there have been some barriers to clear communication. In October 2018 we extended our counseling services to include ELD Navigators. Our Navigators serve a critical role by communicating with our ELD students and providing academic and career support. This program was developed to ensure that all of our students at HCCS have access to all of the community resources, school activities, and support that they need. Our Navigators speak English, Farsi/Dari, Spanish, Russian,

Armenian, and Pashto, and they travel to all of our campuses to present our school's services and programs. Since we've implemented this program, our Navigators have presented in 13 classrooms at eight of our sites. Following their site presentations, our ELD Navigators work one-on-one with our ELD students (in our students' native languages) to address their individual needs.

Library Services

We started our library in September 2016 to provide books to our students. We started the library by taking book donations from various resources throughout Sacramento. When we first started our library, we only had 100 books. Our vision was to have a library conveniently located at our main campus where students of all reading levels could borrow books. Today, we have over 1500 book titles logged into our library system using Book Retriever. We have approximately 15 teachers and 130 students regularly utilizing our library resources. Additionally, we provide access to our books through our Mobile Library, a repurposed RV, which delivers both clothes and books to our off-site locations. We currently have 50 books in the Mobile Library, and more than 300 books are being stored for future off-site delivery. Through the mobile library service we hope to significantly increase the number of teachers and students using our library services.

Reading Services

At HCCS most of our students enroll into our high school program at a remedial reading level and need to improve their reading and literacy skills in order to complete their diploma. Through CASAS reading assessments and teacher recommendations, we realized that our students desperately needed academic support in this area. In the 2015–16 academic school year we implemented two supplemental reading classes for our high school students: Reading Skills I and Reading Skills II. These classes introduce the Systematic Instruction and Phoneme Awareness, Phonics, and Site Words (SIPPS). SIPPS is a foundational reading program that builds reading skills and improves reading comprehension. It is designed for students who struggle with decoding. This program is used as a tool for intervention and assists teachers in helping remedial readers at the K-12 reading level. This class is treated as an elective class and lasts for six weeks. Students could earn up to five credits over the duration of the course. After six weeks of the class, the majority of students showed gains in confidence and in reading level. Students also showed improvements on the Slosson Oral Reading Test. Some students remained in the reading skills class to finish their five credits, and others moved on to complete academic credits. Some students who needed more reading improvement continued in reading skills, moving on to part II.

Then in the 2017–18 school year, we re-evaluated our high school reading program. We realized that we had many high school students struggling in their classes as a result of their reading level, so we decided to expand our remedial reading services. The idea was that if students could improve their reading comprehension, then our other academic high school classes would become more accessible to them. We hired a Reading Specialist in order to help tackle this task. The Reading Specialist travels to our high school sites and works with both individuals and groups who need remedial reading support. Our Reading Specialist has also created a curriculum to combat low literacy. It is focused on: decoding, fluency, spelling, and reading comprehension. We hope that by providing additional academic support to our remedial high school readers, they will have one more tool to succeed and achieve their goals.

<u>Student Support Services</u>

Positive Direction

Positive Direction is a student group that meets weekly at lunch. During this student group, lunch is provided to our students at no cost to them. The primary purpose of this group is to provide our students with strategies for managing stress. This is also a place where we provide tools to our students to help them overcome barriers. It is a confidential place where all of our students are welcome. In addition to managing stress, weekly discussions focus on improving interpersonal communication skills and

nurturing healthy relationships with friends and family. Other topics of discussion include time management skills, study skills, and active listening. Finally, the group also addresses personal issues our students may have, such as coping skills for dealing with anxiety, depression, and past trauma. At HCCS we know that our students have overcome many challenging obstacles before enrolling, and we want to ensure that we are supporting the whole student.

Homeless Services

One of the obstacles that many of our students face is homelessness. While only a small percentage of our students live in shelters, in cars, or on the street, many of them are in transitional or short-term housing, staying with friends or family, or sleeping on couches. To address this need, we created a Homeless Services program as part of our student support services. Through our Homeless Services program, we serve our homeless student population though prevention, early intervention, and emergency support. We coordinate and collaborate with other agencies to connect our students with emergency, short-term housing (such as shelters) and long-term housing solutions. We work in conjunction with Sac Steps Forward to find housing placements and to meet the needs of our homeless students. We believe that by helping our students secure safe housing they can focus on meeting their educational and career goals.

Clothing Closet

One of the services we are very proud of is our Clothing Closet. We began working to open our Clothing Closet in March 2017 to provide our students with free, gently used, professional interview wear for our students with job interviews. In April 2017, we had our grand opening. When we started, we had open hours every morning, at lunch, and an hour in the afternoon. To get things started, our staff and teachers went through their closets and donated everything they could part with. One of our high school students volunteered to wash, dry, hang, and organize all of the donations. Upon her graduation, that student was hired at HCCS and continued to work in that capacity. Although the primary goal was to collect work attire, we accepted every type of clothing, even children's clothes. As the closet grew, we began receiving requests from students for additional products such as diapers and toilet paper. Although our primary goal is to provide clothes, we will take any student request. We frequently receive notifications from our students about household items, strollers, and furniture that our students need. Our students at Grand Avenue were very happy with the service, but due to the limited transportation and mobility of our off-site students, they were unable to access our Clothing Closet. Therefore, in September 2017, we purchased an RV to mobilize our closet and provide access to our students at our off-site locations. Since we started the Clothing Closet, we have served approximately 1800 of our students at 11 of our locations. For many of our students, their inability to purchase professional clothes was a barrier to employment and to ultimately achieving their goals. This is one way we are able to meet some of our students' immediate needs and support them while they actively take steps to improve their lives.

District Attorney's Office: Rights and Responsibilities

In March 2018, we began partnering with the Sacramento County District Attorney's Office, Sacramento County Sheriff's Office, Sacramento Police Department, County Code Enforcement, and the Sacramento City Attorney's Office to provide Civics 101, Rights and Responsibilities to our ELD students. Most of our ELD students are immigrants and refugees who are new to the United States. The class provides an overview of essential laws and practices that protect immigrants in the United States and covers the following topics:

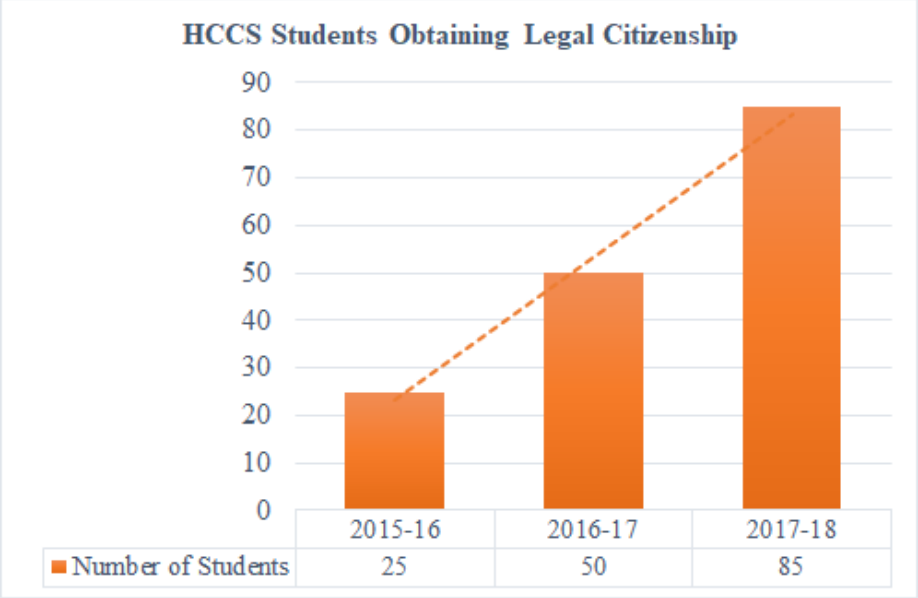
- The First Amendment and the right to assemble peacefully
- The Fourth Amendment and the right to privacy from government intrusion
- The Fifth Amendment and due process
- The criminal justice system in the United States
- Renters' rights and legal actions
- Police and community partnerships

- How to interact with a police officer
- Laws in the United States
- Traffic laws, traffic stops, and citations
- Reporting crimes and emergencies
- When to call 9-1-1 and how to report a non-emergency
- Educational systems, compulsory attendance for K-12 students, and truancy
- Using public transportation (busses and trains)
- Neighborhood watch and community safety

Last year this class was taught in English and translated into six languages. The class will begin again in November 2018 and will be taught through April 2019. We expect 1580 of our ELD students to complete the class in the 2018–19 school year.

Citizenship

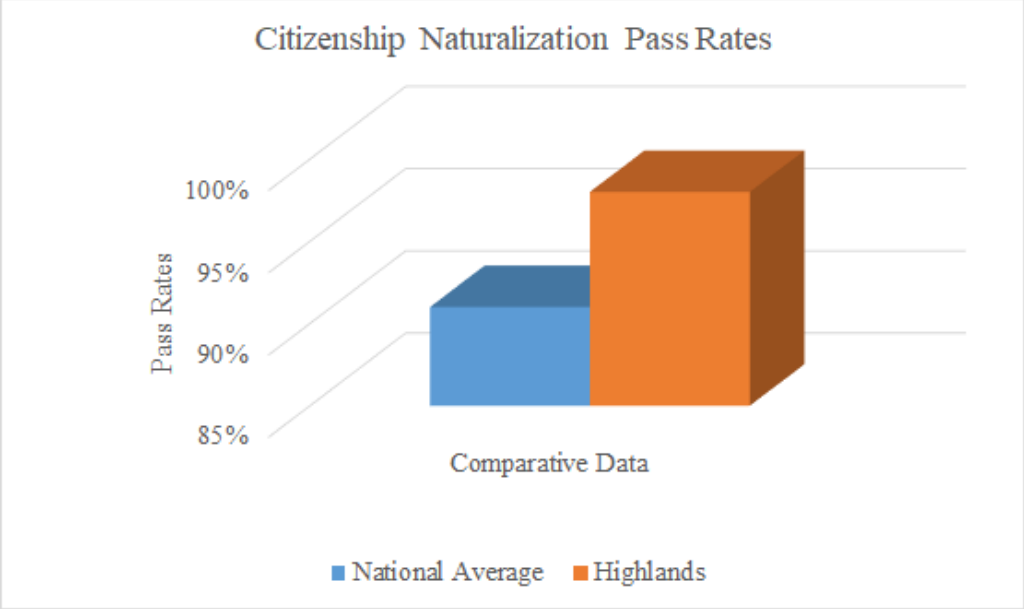
Since 2015, we have served more than 400 students in our Citizenship Preparation classes: 387 of them in the last three years and the 25 who are currently enrolled. In this class, our foreign-born students study and learn how to complete the N-400 application for naturalization and prepare for the United States naturalization interview. Since the interview has two components, Civics and English, the course covers the requirements for both. In Civics, our students learn the principles of American democracy and American government, and their rights and responsibilities as citizens. Our students practice reading, writing, and speaking in English while they role-play and prepare for the interview. Throughout the class, students also have access to legal advising through our community partner, Opening Doors. Below is a graph that shows the number of students who completed the citizenship class and became naturalized, obtaining legal US citizenship through our classes:



Since we started offering citizenship classes through our ELD program, the classes have grown each year. We have had over 400 students enrolled in our classes, but not every student completes the application or has the interview immediately following the course. Above is the data for our students who completed the process immediately following the class. In 2015–16 which was our first year offering the class, we had 25 students become legal citizens. That number doubled to 50 in the 2016–17 school year. Then in the

2017–18 school year, we had 85 students become naturalized legal citizens. For the 2018–19 school year, so far we have had six students become legal citizens. Since we started, that is a total of 166 HCCS students who have become legal citizens through the support of our classes.

At HCCS we are not only proud of the number of students who have become citizens, but we are also very proud of our students' pass rates. The national average is 91% and at HCCS our pass rate is 98%, seven points higher than the national average. With the success of this program, we have decided to expand it for the 2018–19 school year with additional teachers teaching the course and at more of our off-



site locations.

Field Trips

At HCCS our teachers, students, and staff value getting authentic community experiences and actualizing their classroom knowledge in real-life situations. This is reflected in our Local Control Accountability Plan ("LCAP") data and budget. Every year, teachers take our students on engaging and educational trips outside of their traditional learning environments. Past field trips have included:

- Sacramento's State Capitol
- Sacramento Public Libraries
- A tour at Raley Field
- Sacramento River Cats baseball game
- Sacramento City College information sessions
- Resume workshops
- A 4th of July fireworks display in Old Town Sacramento
- The Crocker Art Museum
- Sutter's Fort and the State Indian Museum
- Career fairs
- The Sacramento History Museum
- Lighthouse Charter School
- Mission North Park

- A parenting class hosted by UC Davis' MIND Institute

Hundreds of our students have benefited from these field trips, and they have greatly contributed to our students' learning, cultural awareness, and community involvement and participation. Below you can see a previous ELD Conversation Club at the State Capitol:

Student and Staff Satisfaction Surveys

At HCCS we want to ensure that we are meeting the needs of both our students and staff. In order to understand what we are doing well and where we need to improve, we utilize student and staff satisfaction surveys.

Student Satisfaction

Every year as part of our LCAP we conduct student satisfaction surveys to measure connectedness, student learning, how students view staff, courses, and course materials. The following student satisfaction data is from the 2017–18 LCAP. Of our students, 726 responded in the student satisfaction survey, and the following graphs represent student feedback.

Staff Satisfaction

During the 2018–19 Staff Satisfaction Survey, 130 of our 154 staff were surveyed. The results reflected are the opinions of the 84% of our staff who participated. Of our staff who participated, 98.4% said that they either strongly agree or agree that they are happy with the work that they do while 97% of our staff agreed that we foster a culture of diversity and 94.7% said that they are proud to work for HCCS. Areas where we need to improve are related to technology. Of our staff surveyed, 66.2% said that technology issues are addressed in a timely manner, and 67% agreed that our Information Technology Department was open to employee ideas and suggestions. These surveys are essential to understanding our staffs' needs, and we look forward to improving our school and our staff experience and improving our Information Technology Department.

Challenges

We started HCCS in 2014 in response to the unmet educational needs of adults in our community. On our first day of classes, we started with 7 students and one site, and today we have 2,050 students enrolled and a total of 24 sites. We have grown very quickly, legitimizing how important we are in the communities that we serve. At HCCS we do our best to respond to the needs of our community. We have worked to adapt to the changing needs of our students as our student demographic has shifted from primarily serving ex-offenders in high school to serving immigrants and refugees in English Language Development/Citizenship and high school/CTE. Although we have many points of pride, primarily the success of our students, we recognize that as a school, we have areas where we need to improve.

At HCCS we have faced some obstacles in consistently implementing CASAS pre-tests and post-tests for some of our students at our satellite locations. We have experienced significant growth each year, and we have opened many new sites, which has created the need for a significant level of additional test proctors, computer technology, and internet access to maintain testing consistently. CASAS testing is a standard practice for most schools serving adults in California, it is mandated by WIOA that CASAS assessments are reported for adult participants, and it is one of our standard assessments; therefore, it is imperative that we improve our CASAS assessment practices. At HCCS we have made a significant organizational commitment to improving our testing practices schoolwide. We have increased the number of administrative staff, proctors, and teachers who are CASAS trained, and over the last two school years, we have hired five additional proctors as well as a Lead Proctor. All of our clerical administrative staff are currently CASAS certified. We are currently implementing a new CASAS testing schedule to ensure

that new students are tested each week at our satellite sites as part of their enrollment process and our proctor's CASAS schedule is going to ensure every site is retested every six to eight weeks.

At HCCS we are accountable to the California Department of Education to ensure that our students meet the state's standards. In 2013, the Local Control Funding Formula (LCFF) was adopted by California to ensure accountability using the California School Dashboard. The traditional standards were intended for traditional schools and in many ways fail to understand the needs of alternative students. As a result, California Department of Education recognized alternative accountability measures for alternative schools. In March 2015, we adopted the Alternative Schools Accountability Model (ASAM) and we complied with their requirements. Then the Dashboard Alternative School Status (DASS) replaced the previous ASAM model, and since the beginning of the 2017–18 school year, we have been accountable to the California Department of Education and adhered to the indicators set forth by DASS.

1.3: HCCS Target Student Population

At HCCS our school's target student population is adults who are 22 years and older without a US high school diploma. We specifically serve adults who have been unserved by the traditional educational system in the United States. This includes students who have been unable to complete high school such as young parents and ex-offenders. It also includes English Language Learners such as immigrants and refugees. Our demographic data shows that we have students from 71 countries. The ten most represented countries at HCCS are Afghanistan, Mexico, United States, Ukraine, Russia, China, Vietnam, Syria, Moldova, and El Salvador. Women make up 65% of our student population At HCCS and men make up the remaining 35%.

We have two programs: high school and English Language Development. Career Technical Education (CTE) is part of our high school program and Citizenship is part of ELD program. Our ELD students are classified as elementary education students and are placed into either first or second grade. Our lower level ELD students are categorized as first graders while our higher level ELD students are considered second graders. All of our high school and CTE students are enrolled into grade 12.

Interests

Our students come to HCCS because they want a better life; they want to learn or improve their English; they want to continue their education; or they want a job. At HCCS our students have varied interests and goals. Some of them want to complete our English Language Development program to participate in our community and help their children with homework, while some of our ELD students want to improve their English enough to complete our program and then go to high school and on to college. For our high school students, their interests vary as well. Some of them want to graduate high school and a CTE program. For others, they want to finish high school and then move on to college or a career path. No matter their ultimate goals, all of our students come to HCCS because they want a better life for themselves and their families, and it is our pleasure to support them.

Backgrounds

At HCCS our student population is diverse and so are our students' backgrounds and stories. However, there are some similarities that our students share. Over 90% of our students qualify as socioeconomically disadvantaged.

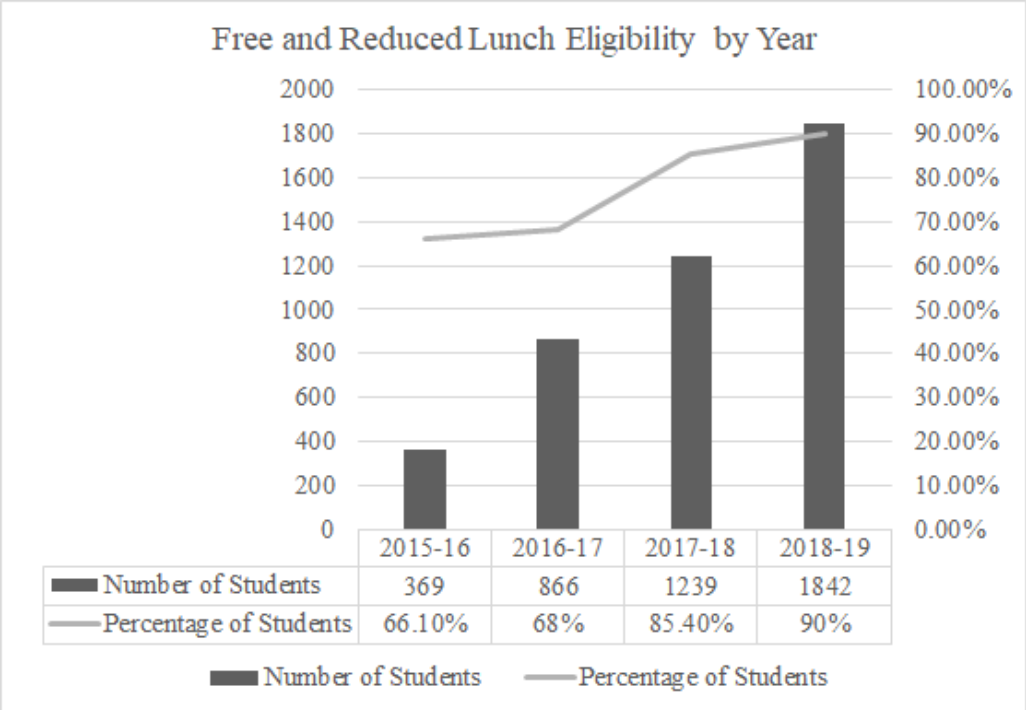
Our refugee students are primarily from Afghanistan, Syria, and Iraq. Men from Afghanistan tend to have a stronger educational and employment background than women and have higher literacy rates. Men also tend to score higher on our initial assessments in reading, writing, speaking, and listening. Many of the

men from Afghanistan were engineers who worked with the US Army and were granted a Special Immigrant Visa because their lives were in danger after working with Americans. This also results in Afghan men having higher fluency in English than women, on average. The majority of women from Afghanistan were stay-at-home mothers, even those who graduated from a university. Most of the women from Afghanistan completed some primary education; although, many are illiterate in their first language, and some had never attended school before coming to HCCS. This is especially true for the women from the rural Southwestern regions of Afghanistan where Pashto is spoken.

Our high school and CTE students come primarily from two groups. Most of them are from the United States with the majority of that group being native to California. These students have a variety of backgrounds from race and ethnicity to academic and behavioral backgrounds. The other main group of high school students are students who come directly from our ELD program. Our students who have attended high schools in the United States had to leave school for many different reasons. Some had to leave to work and contribute to their families at home. Others were suspended or expelled and asked not to return. There were others that left because they found school too difficult or boring. Our ELD students who come to the high school and CTE programs often have different reasons for completing a high school or CTE program. Many of them already have at least a high school diploma from their home country, but they need a United States high school diploma to develop their lives and careers or further their education. There are some ELD students who have very little education from their home countries as well. These students take ELD classes and blossom into students who believe they are capable, and they move on to high school/CTE.

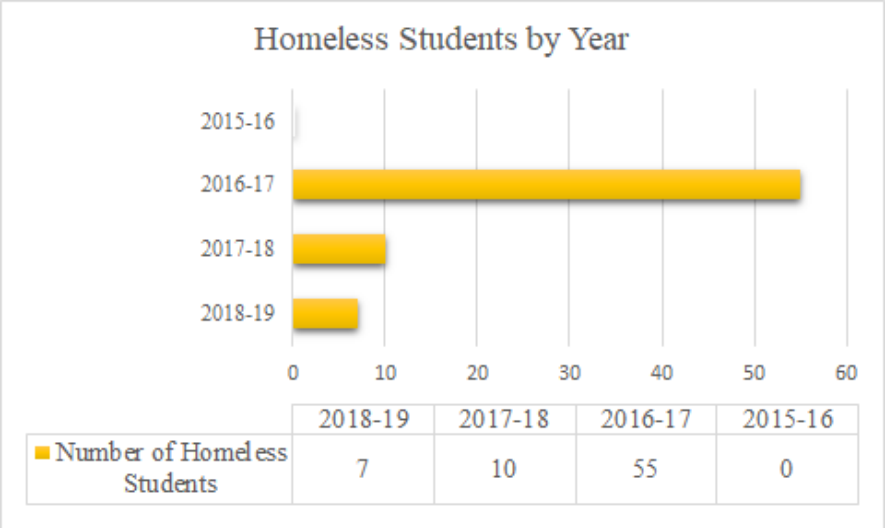
Student Challenges

Our student population is unique and our students face many challenges. The majority of our students are socioeconomically disadvantaged and lack access to reliable transportation, computer technology, and childcare. Below is a graph that shows our students who are eligible for free or reduced lunch:



Our free and reduced lunch eligibility has been tracked in CALPADS over the last four school years and shows that since we first started tracking in the 2015–16 school year, our socioeconomically disadvantaged population has grown both numerically and by percentage of our population. In 2015–16 it is documented that we had 369 students who qualified for free and reduced lunch. Then in the 2016–17 school year, the number increased to 866. In the 2017–18 school year, that number increased by 473 to 1329. In 2015–16, 66% of our students qualified for free and reduced lunch, and we currently have 1842 of 2050 or 90% of our student population qualifying. This data indicates that each year we are serving more students who require access to services.

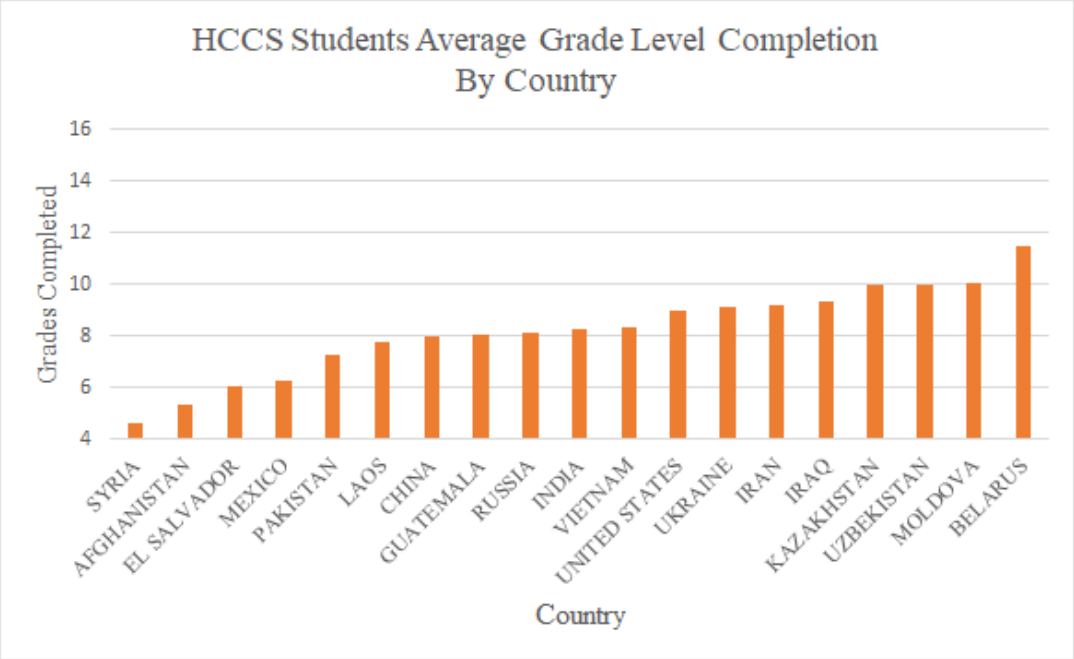
Many of our students have struggled with addiction, homelessness, and the social-emotional impacts of those and many other challenges. Some of our students are ex-offenders. Our students who have been incarcerated face a great deal of adversity re-entering school and trying to find employment and often lack the educational skills they need to succeed in an academic setting. These students are often deficient in academic skills and require remedial courses. Below is a graph that shows the number of homeless students at HCCS:



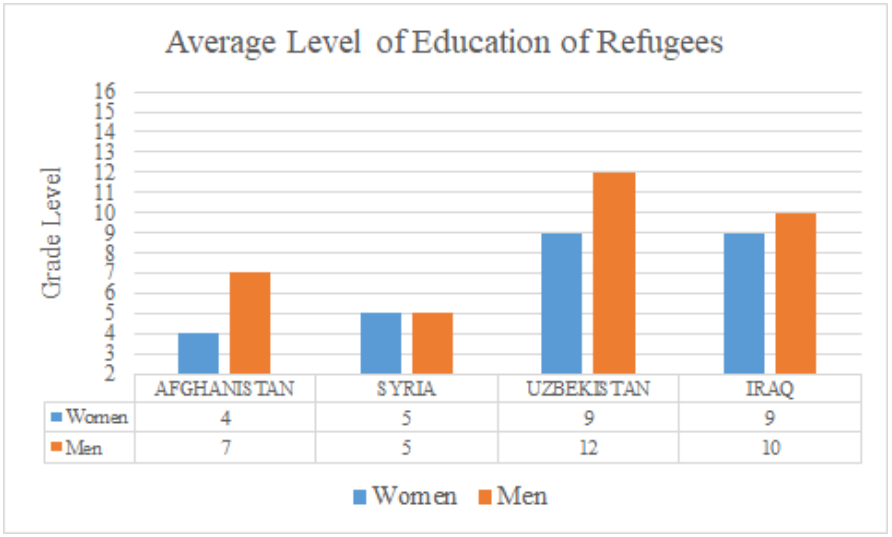
Because of the social stigma associated with homelessness, it is often underreported by students. There is also the critical issue of defining it. For our reporting purposes, we consider a student to be homeless if they are living on the streets, in shelters or cars, or in a temporary living situation without a fixed address. Many of our students who are temporarily staying with friends or family until they can "get on their feet" do not report that they are homeless.

Many of our students also lack access to many basic items such as food, clothing, diapers, books, and school supplies. Our students are also very busy and have a limited amount of free time. Our students are often adults with families, and many of them are employed while juggling several responsibilities.

Our refugee population also faces many challenges. Many of these students come to the United States with very low English fluency, some of whom lack literacy in their first language. Below is a graph that shows our students' average level of education by country:



All of our students come to us with a different level of education, but this is the average level of education of our students by country. It includes students in both our ELD and our high school programs. Our refugee students from Syria and Afghanistan tend to have the lowest level of education on average while our students from Kazakhstan, Uzbekistan, Moldova, and Belarus have the highest average level of education. It is also important to consider that these are averages. Many of our immigrant and refugee students have no formal education, yet some are college graduates. Below is a graph that shows our students' level of education by country and gender for our refugee populations:



At HCCS the majority of our students are English learners. In fact, of the 2,052 enrolled, 1767 qualify as English Learners. Of those students, we have more students from Afghanistan than any other country, and the majority are women. As depicted in the graph, women from Afghanistan come to us with very little formal education. This change in our demographic has led us to increase the number of ELD literacy courses and beginning ELD courses to meet the needs of our students. Both men and women from Syria have very little formal education with an average grade level completed being five years. For our students from Afghanistan and Syria, it is imperative that we provide them with literacy tools because many of these students lack literacy in their native language. Our students from Uzbekistan and Iraq tend to have higher levels of education on average. In Uzbekistan women have an average of 9 years, while men have an average of 12 years. In Iraq women also have an average of 9 years and men have an average of 10.

These students not only struggle with language fluency, but also adapting to the new customs, culture, and meeting their basic needs. The majority of our refugee students depend on the Department of Human Assistance for financial support while they transition from being unemployed to being employed. Many of them also have very large families and struggle to find childcare.

In response to our students' needs and the challenges they face, we provide the following services:

- Free bus passes to our students for each day of attendance
- Access to computers and computer labs
- Free play care for potty-trained, non-school-aged children at Grand Avenue, Maple/St. Rose, Holy Cross and coming soon to Capitol Christian (children must be potty-trained and be up-to-date on immunizations)
- A clothing closet at Grand Avenue and a mobile clothing closet that provides free, gently used clothing to our students
- A small food pantry where students can get free shelf-stable food
- A Homeless Services Program who connecting students to community resources
- A library at Grand Avenue where students can get books
- Counselors who assist students with both academic and personal advising
- Free basic school supplies for all of our students
- A Career Success Center where students can get help with resumes and applications
- Literacy support and remedial reading classes
- ELD Navigators who help our ELD students transition into high school and CTE
- Citizenship classes
- Supplemental services to our students through our community partnerships and external CTE programs such as Asher College and Cosmos Beauty Academy
- Student support groups

Exclusive Partnerships

One way that we meet the needs of our students is through community partnerships. We have exclusive partnerships with Greater Sacramento Urban League (GSUL), Opening Doors, Asian Resources, Inc. (ARI), and Bach Viet. Our partners work to improve educational and employment opportunities in underserved urban communities to enhance the workforce and the local economy. At HCCS we provide instruction to students exclusively in partnership at no cost to our partners or our students. Our partners notify students about opportunities to participate in our program and provide students with details of the terms required for participation. Through these partnerships, we are able to reach more students and have a larger community impact.

Workforce Innovation and Opportunity Act

In 2014, the US Department of Labor signed the Workforce Innovation and Opportunity Act (WIOA) into law, formerly known as the Workforce Investment Act (WIA). It is designed to help job seekers gain access to education, training, and employment and to ultimately help unemployed and underemployed youth, dislocated workers, and workers with disabilities to successfully find jobs. At HCCS we applied for a WIOA grant and received one for the 2017–18 school year and for the 2018–19 school year. We have used this $360,000 grant to fund positions such as the Reading Specialist and test proctors to assist our students in literacy and testing. It provides us additional funding for technology. Last year, we purchased 330 laptops, laptop carts, and computers. This year, we plan to purchase 650 computers. Through our exclusive partnerships and funding, we are able to support our students where they truly need it most: through reading support, assessment, and access to technology.

HCCS complies with Ed. Code 47605.1(g) which requires our charter school provides instruction exclusively in partnership with the federal Workforce Investment Act of 1998 (29 U.S.C. Sec. 2810 et seq.), now known as WIOA. All students may only be admitted under the terms of an exclusive partnership agreement. These partnership agreements have a requirement that students must not qualify for WIOA youth services, which inherently limits students to 22 years of age or older that we may collect apportionment funding.

Under Education Code 47605.1(g), other than being required to have sites in California, there are no other jurisdictional boundaries for campuses of Highlands Community Charter School due to our WIOA exclusive partnership requirement.

1.4: Five-Year Enrollment Rollout Plan

	Enrollment Rollout Plan

	Total	**1850**	**2150**	**2475**	**2850**	**3300**

Goals and Philosophy

1.5: Alignment of Educational Program with Vision/Mission with Student Population

Motto: It's never too late!

Vision: Our vision is to eradicate educational inequality.

Mission: We are a diverse community for social justice, serving the unserved, providing access to education, technology, communication, and employment for 21st century achievers. Through community partnerships, we will build new legacies leading to self-sufficiency and generational change.

Schoolwide Learner Outcomes:

1. Students will demonstrate measurable achievements each term through assessment.
2. Students will make progress toward their career goals.
3. Students will use technology to communicate for personal and academic use.

Our motto is "It's never too late" because at HCCS it isn't too late for our students to achieve their goals. It isn't too late for them to learn English, get a high school diploma, complete one of our career technical education programs, or to start a career. Our students are adults who do not have a US high school diploma and are 22 years old and older. Our students come to us from all over the world and for many of them HCCS is the first school they have ever attended. We support and encourage them that no matter what their educational background is or where they are from, it isn't too late for them to build a better life and future for themselves and their families through our English Language Development and high school/CTE programs.

At HCCS our vision is to eradicate educational inequality. We believe that education is a human right, and we recognize that there is inequality in systems of education not only in our community but also in our country and around the world. There are many factors that contribute to educational inequality. Among them are country of origin, social class, family history and values, and gender. Our students are primarily from economically disadvantaged countries, communities, and families. Our vision is to end inequality for the people who need it the most: those without access to English, good teachers, classes, programs, schools, and technology. We understand the need for equity in education, and we are passionate about our vision and creating equal access.

Our mission states that we are a diverse community for social justice, serving the unserved, providing access to education, technology, communication, and employment for 21st century achievers. Through community partnerships, we will build new legacies leading to self-sufficiency and generational change. At HCCS we are truly a diverse community of staff, teachers, and administrators who are advocates for social change. Our student population is comprised of educationally unserved adult students 22 years old and older without a US high school diploma. Our students are non-native English speakers, immigrants, refugees, the socially and economically disadvantaged, students who have been unserved by the traditional educational system, marginalized groups, ex-offenders, and community members who have been displaced by traditional schools. Although we recognize that our students have many unmet needs, we concentrate our efforts on four critical areas: education, technology, communication, and career readiness. At HCCS we have developed excellent relationships with our community members and other community organizations. Currently, we have 18 community partners who work diligently alongside us to support our students. We believe that by providing access to education and employment, our students are empowered with the resources to become self-sufficient problem-solvers who can break generational cycles of poverty.

At HCCS we have three Schoolwide Learner Outcomes. Our first is that students will demonstrate measurable achievements each term through assessment. Our second is that students will make progress toward their career goals. Our third and final outcome is that students will use technology to communicate for personal and academic use. Many of our students enroll in our programs deficient in English, academic content, verbal and written communication, and technological skills. We are driven to ensure our students make progress in their academic subject areas, employment and career goals, and in their levels of technological ability.

We believe by offering educational programs for adults who are 22 years old and older and do not have a US high school diploma, we are working towards eliminating educational inequality. The programs and classes we offer are in response to the needs of our students and the needs of our community. We are passionate about equity in education and issues surrounding social justice, and we have an important role

to play in rectifying an equitable educational community. At HCCS we believe in our students; we believe in our community; and we believe that "it's never too late."

1.6: Characteristics of an Educated Person in the 21st Century

HCCS holds that an educated person in the 21st century is well-rounded, literate, and balanced in knowledge of core subjects, communication, career readiness, and the use of technology. HCCS students are able to use their intellects to their fullest capacity. Our students become empathetic, collaborative members of the community and are motivated to set and achieve personal, academic, and/or career goals. We develop students who demonstrate proactive empathy towards others through respectful and productive communication. Our teachers guide students to view themselves as global citizens who are empowered and responsible for making positive changes in the world and within the immediate environment. Accordingly, the educated person in California in the 21st century is literate in English and possesses the ability to communicate and function competitively and productively in the workforce and higher education classroom.

Our students seek understanding and peace within a multi-age, multicultural classroom and appreciate and protect the rights of others to do likewise. We proudly participate in helping our students develop personal habits leading to a healthy lifestyle that includes balancing academics, leisure, work, family, and community. Students who have had few opportunities with technology learn how to utilize technology as a tool to succeed within our community.

Our students are SCHOLARS and are proficient in English, Math, Science, and Social Studies/History. As members of the California community, our students communicate effectively and contribute to the world around them. Our students are ready to tackle the challenges and rigor of the college classroom and in many ways are better prepared to share, accept, and challenge new ideas.

Our students are HEALTHY PHYSICAL BEINGS and are knowledgeable of and practice good nutrition, safety, and a healthy lifestyle. We watch them develop habits of physical discipline and health management in ways that provide pleasure, stress release, and fitness.

Our students are COMMUNITY MEMBERS and are able to collaborate with others, cooperate on projects, and manage and resolve conflicts through the communicative tools learned in our classrooms. Our students are motivated and ready to provide meaningful service to others and make significant contributions with developed talents. We proudly send our students into the workforce confident that they will succeed because of the communication, collaboration, and competency they have developed.

Our students are CITIZENS OF THE WORLD and understand the basis of our constitutional democracy and the rights and responsibilities of all, and stay informed on important political, social, and environmental issues. We integrate our very diverse student population within our classrooms and campuses to help develop citizens who are informed regarding other political, social, and cultural systems and who seek to understand and co-exist peacefully.

Our students are MEMBERS OF AN INCREASINGLY TECHNICAL AND INFORMATION-BASED WORLD and, as such, are competent and comfortable using a wide variety of technology as an integral part of life and are open to embracing new alternatives as they become available.

1.7: How Learning Best Occurs

Student learning best occurs at HCCS when our students are successfully connected to the materials and curriculum. Through repetition and exploration, our students explore various concepts and ideas through materials that are designed to promote self-confidence and independence. Students are encouraged to manage and track their own progress by self-checking their work. Tapping into prior knowledge, our students' learning is enriched by the repeated use of materials and reinforcement of familiar content. Teachers blend learning modalities as students learn about Math and Consumer Economics, Life Science, Civics and Consumer Resources, Health and Independent Living, Technology and Computer Literacy, etc. Learning best occurs when our students engage in research and high-level thinking activities. Further, learning is made available as ideas are presented, shared, discussed, and evaluated. Appealing to the whole individual, we place a strong emphasis on creating aesthetically-pleasing classroom environments where students feel safe and secure. Building trust and confidence is another piece that helps connect our students to the materials and curriculum. When our students are offered a safe environment where they can be challenged and successful, they are able to reach their full potentials.

HCCS believes that learning best occurs when:

- students are actively engaged in meaningful tasks,
- a connection is made between what students learn and the real world in which they live,
- individual plans and support is an intrinsic part of the educational program,
- students have some choice in the structure of their own projects and plans,
- work is accomplished individually and as members of a group,
- activities are integrated and meaningful,
- work is developmentally appropriate, leads to success, and is progressively complex,
- meaning is constructed from experiences,
- students are encouraged and expected to learn,
- coaches, mentors, family members, and advocates support the learners,
- students are encouraged to help others learn and to learn from others, and
- students are educated year round.

HCCS is committed to the goal of developing self-motivated, competent, life-long learners. Our curriculum is designed to promote individual initiative, critical thinking, self-reliance, intra- and interpersonal awareness and community involvement.

We incorporate several instructional strategies and learning theories into our teaching practices that are best suited for adults. We recognize that adults have unique learning needs and abilities and we work to engage and challenge our students at every level. Differentiated instruction, content-based instruction, and theme-based instruction ensure that our adult students at different ability levels are engaged. This is important at HCCS because our classes are multi-level. We also use student-centered instructional techniques to ensure that learning objectives are aligned not only to curriculum objectives but also to our students' needs. One key component in student-centered instruction is building on prior knowledge and understanding our students' backgrounds, strengths, and weaknesses. At HCCS our students have very different backgrounds with a variety of skills. It is important that we understand our students' backgrounds, skills, and abilities to help them achieve their goals. We also use project-based learning, a dynamic student-centered approach that engages students to explore real world problems through active learning in long-term, theme-based projects. We engage our students with real and complex problems because our students have real and complex problems. It is imperative that we develop problem-solving and critical thinking skills in our students to ensure that their best learning occurs.

1.8: HCCS Annual Goals and Actions

LCFF STATE PRIORITIES	
GOAL #1	
A reputation in the community for providing quality academic, English language development, and career education to adults who lack a U.S. high school diploma	Related State Priorities: 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5 ☒ 6 ☐ 7 ☐ 8 ☐
	Local Priorities: 1 ☐ 2 ☐
Specific Annual Actions to Achieve Goal	
1. Under the guidance of our Executive Director, HCCS expanded current and new partnerships with Commations unity Based organizations: Asian Resources Inc., Council on American Islamic Relations California, Russian Baptist Church of Bryte, Sacramento Area League of Associated Muslims and the California Black Chamber of Commerce Foundation. 2. HCCS has partnered with various advertising and media outlets such as Afisha Media Group, Jay King, Russian American Media, The Crescent, KSFM, and Ukraine Relief, to reach more potential students. A Back to School open house was held in Fall 2017 to provide resources and information about HCCS and community partners. 3. New student orientation is held weekly at the main campus and some off sites. All new students receive an "It's Never Too Late" t-shirt upon enrollment to promote school unity and pride. Students also receive supplemental supplies in their classroom such as supplies for project-based learning.	
Expected Annual Measurable Outcomes	

Outcome #1: Collaborating with community-based organizations has allowed us to reach students who are in need of quality educational programs. HCCS' ADA is 1250 and has earned an alumni rating of an "A" from former students and graduates' survey.

Metric/Method for Measuring: Average alumni and student rating

Applicable Student Groups	Baseline	2019–2020	2020–2021	2021–2022	2022–2023	2023–2024
All Students schoolwide	1245 students "A" rating	"A" rating	"A" rating	"A" rating	"A" rating	"A" rating

GOAL #2

Provide a great student experience in solving barriers to education such as ability to attend

Specific Annual Actions to Achieve Goal

1. HCCS provides daily bus passes to our students at each of our 23 sites throughout the greater Sacramento region.
2. HCCS has designated a certificated teacher to work part time to coordinate homeless services and housing resources for our student populations.
3. HCCS has placed water dispensers at all of our school sites so students may access filtered hot and cold water throughout the day. Nutritional boxed lunches were provided at numerous sites to our students at no cost throughout the school year.
4. HCCS offers site-based learning with some additional field trips which were paid for from base funds.
5. HCCS partnered with Mental Health California to provide "Mental Health First Aid" training to staff and students. One staff member is attending the California Consortium of Addiction Programs and Professionals (CCAPP) Academy to become a substance abuse specialist and provide support to

students. Four school counselors also provide day-to-day mental health support.

Expected Annual Measurable Outcomes

Outcome #1: HCCS presently provides play care, free bus passes, employment services, mental health resources, housing resources, and clothing closets. Our goal for attendance was 64%, and we are on track to approach 75%.

Metric/Method for Measuring: Average daily attendance (increase by approximately 3% annually)

Applicable Student Groups	Baseline	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024

Specific Annual Actions to Achieve Goal
1. HCCS invested in 21 paraeducators to support all high-needs students. Four full-time and three part-time paraeducators who assist in seven classrooms were added this year. 2. Two Transition Specialists provide comprehensive career coaching services to current students and alumni. Two college transfer fairs with Sacramento City College were held to assist students with their transition to college and navigating financial aid. Four school counselors also work with students on setting goals, career exploration, and other career and college counseling services. 3. Students are recognized for perfect attendance on a weekly basis to promote students persistence. A student rally was held in the spring at the Grand Avenue campus to recognize student achievement. 4. A peer mentor provides follow-up services for our alumni students and provides resources and assistance with transitioning out of high school and into colleges and careers. 5. HCCS provides assistance with exams for California Department of Education Credentialing, Cosmetology, CPR certification for students, Department of Motor Vehicles and Department of Transportation Physical Examination fees for Truck Driving Career Technical Education participants.

Expected Annual Measurable Outcomes
Outcome #1: HCCS has supported student and alumni achievement by investing in additional paraeducators in classrooms and enhanced technology resources. These investments along with other proven investments have allowed our students to exceed our schoolwide GPA goal of 2.77 to 2.44. HCCS is on course to meet our high school graduation goal of 40%. We exceeded our goal of 60% for non-exempt alumni gaining and maintaining employment with 59%. And 19% of our alumni are enrolled in college or post-secondary education which exceeds our goal of 10%. **Metric/Method for Measuring**: Number of students with either clear goals, GPA, graduation rates, alumni employment and college enrollment rates

Applicable Student Groups	**Baseline**	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024

GOAL #4

Students will become productive members of society.	Related State Priorities: 1 ☐ 2 ☐ 3 ☒ 4 ☐ 5 ☐ 6 ☒ 7 ☐ 8 ☐
	Local Priorities: 1 ☐ 2 ☐

Specific Annual Actions to Achieve Goal

1. Students traveled off site to a Winter Festival with their children. They were exposed to different cultures and volunteered with their children and other students' children. Students also received a financial literacy course on-site through Sierra Central Credit Union.
2. Student Leadership meetings are held monthly, and these students are tasked with fundraising, budget advisory, and special events. ELAC and LCAP advisory meetings were held for stakeholder input and feedback.
3. New relationship with federal parole was developed, our Transition Specialists attend on a regular basis and provide services to ex-offenders. Two Transition Specialists also provide ongoing support for our ex-offender students.

Expected Annual Measurable Outcomes

Outcome #1: HCCS provides many activities for students to supplement their education by participating in leadership groups on campus. These include: Student Leadership Committee, Budget Committee, Event Planning Committee, English Language Advisory Committee, and the Community Advisory Council.

Metric/Method for Measuring: The percentage of long-term students participating in service learning, the total number of members of Student Advisory Committees, the suspension and expulsion rates (which will be reflected on its own in the 2019-2020 LCAP), and ex-offender known recidivism rate

Applicable Student Groups	**Baseline**	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024

All Students schoolwide: (Service Learning, Advisory, Suspension, & Expulsion) Ex-offender Students (Recidivism rate)	29% of long-term students participating in service learning @ 1x/year 15 max student members of Student Advisory Committees Suspension rate 0% Expulsion rate 0% Recidivism rate N/A	30% 15 0% 0% N/A	30% 15 0% 0% N/A	30% 15 0% 0% N/A	35% 15 0% 0% N/A	35% 15 0% 0% N/A

Specific Annual Actions to Achieve Goal	

1. No-cost childcare for students was expanded to one site with high school and elementary education. A part-time teacher was hired to provide education and development activities to preschool-aged children.
2. A teacher was hired to provide parent education part time to our elementary English language learners as well as to our high school students.

Expected Annual Measurable Outcomes

Outcome #1: Of the 79% of HCCS's students who have children, 67% are actively parenting. Our expansion of play care programs and summer camp activities provide a rich learning environment while allowing their parents to attend school. HCCS' partners with both Twin Rivers Unified School District and Family Hui program to provide supplemental parent education programs.

Metric/Method for Measuring: The number of HCCS student/parents served and the number of TRUSD parents served

Applicable Student Groups	**Baseline**	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024

Specific Annual Actions to Achieve Goal

1. HCCS has significantly increased our certificated ESL staff and elementary program through base fund expenditures. Supplementary classes such as conversation, computer literacy, and phonics are funded through supplemental and concentrated funds.
2. Our focus as a school has shifted towards transitioning students into our High School Completion program from our ELD program. We continue to provide HiSET instruction at our Maple campus. The instructor at Cosmo Beauty Academy provides instruction in Spanish in all academic subjects to individual students as required.
3. Three Bridge classes are taught to assist English Language Learners with the transition into our High School Completion program. We have 30 students who have been promoted this year. HCCS has also assisted 76 students in obtaining their United States citizenship through our Citizenship English Language Development courses.

Expected Annual Measurable Outcomes

Outcome #1: We exceeded our metrics in elementary English language development: 58% of our ELD learners have made significant learning gains on the Comprehensive Adult Student Assessment System (CASAS) reading assessment, exceeding our goal of 52%. Shifting significant resources and obtaining additional paraeducators has been highly effective.
Metric/Method for Measuring: The percentage of long-term English learners who make "significant progress" (expected 30pt gain annually) on the CASAS Reading, Listening, and Math assessments, HCCS Writing and Speaking assessments and ELD rubrics.

Applicable Student Groups	Baseline	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024

	Local Priorities: 1 ☐ 2 ☐

Specific Annual Actions to Achieve Goal

1. There are 38 teachers in the Designated Subjects credentialing program with the San Diego County Office of Education. Three teachers are also going through the Sacramento County Office of Education Teacher Induction Program. We currently support nine mentors for the Designated Subjects Program and two mentors for the Teacher Induction Program. A teacher on special assignment continues to coordinate and support the mentor teachers.
2. One Thursday per month, two hours are designated for professional development. A three-day professional development session is held twice per year. Staff are surveyed annually to address professional development needs that will be addressed at a professional development retreat. Lead teachers also design and implement professional development for their peers. Teachers attend various technology conferences.

Expected Annual Measurable Outcomes

Outcome #1: HCCS exceeded our goal on teacher credentialing because we recruit highly skilled teachers from the UC and CSU systems. They come to HCCS with master's degrees and a wealth of teaching experience but need their Designated Subjects Credential.

Metric/Method for Measuring: The number of teacher misassignments, the percentage of elementary and secondary teachers without a credential

1.9: How the Goals of the Program Enable Students to Become Self-Motivated, Competent and Lifelong Learners

At HCCS our goals are to enable students to become self-motivated, competent, and lifelong learners. By removing barriers to education, assisting our students in achieving their goals, and in helping our students to obtain livable-wage jobs, we inspire our students and provide the tools for them to be self-motivated. In order for our students to be competent, we support them with materials, resources, and quality instruction. We also support our students to be competent in technology by providing them with access to laptops, computers, and the basic computer skills necessary for the 21st century. For our students who are also parents, we provide free play care for their potty-trained, non-school-aged children. We want our students to be lifelong learners who are great parents, critical thinkers, and problem solvers who are productive and active members of society. To encourage our students in their lifelong learning, we integrate our immigrant population to be part of the United States and part of our community, to learn English, and to become civic-minded people engaged in local events. Additionally, we have provided valuable training such as CPR to ensure lifelong safety. Our goals ensure that we are supporting our students in areas where they need it most by providing access to the tools and resources they need in order to reach their goals.

Instructional Design

1.10: Overall Curricular and Instructional Design Informed by Key Educational Theories and Research

HCCS Curriculum Standards

We are a very unique school in that while we serve adults, we are teaching content at many levels. Within our ELD and high school programs, we teach: reading, writing, speaking, listening, math, science, technology, health, civics, and social science, often integrating several subjects into a single lesson. In order to meet the California Common Core State Standards, ELD standards, and all of the adult education standards, our curriculum was developed and adapted in alignment with seven sets of standards:

- California Common Core State Standards (CCSS)
- California English Language Development Standards (CA ELD)
- California English-as-a-Second-Language Model Standards for Adult Education (CA ESL MSAD)
- Comprehensive Adult Student Assessment Systems (CASAS) content standards and competencies
- Workforce Innovation and Opportunity Act (WIOA)
- Western Association of Schools and Colleges

- National Reporting Systems (NRS) standards for English as a Second Language (ESL) Educational Functioning Level Descriptors

Our content and themes are based primarily on the California Common Core State Standards and the Comprehensive Adult Student Assessment System content standards and competencies. The remaining standards were integrated into the leveled objectives by program and subject. Our curriculum objectives are the foundation of our instruction. Our monthly themes are aligned with CASAS competencies and WIOA's English Language Civics themes and provide additional teaching and learning opportunities in high interest topics related to essential daily tasks and community engagement.

Curriculum Goals and Principles

At Highlands Community Charter School, we understand the importance of providing a curriculum of depth, breadth, and rigor, which is why we develop and adapt curriculum in alignment with the above standards.

We believe that our students are worthy of academic excellence, and we strive to ensure that they believe it as well. More than this, we know that in order to fully live our vision, mission, and motto, the curriculum we deliver to our diverse student population must additionally meet our own internal curricular goals and core curricular principles.

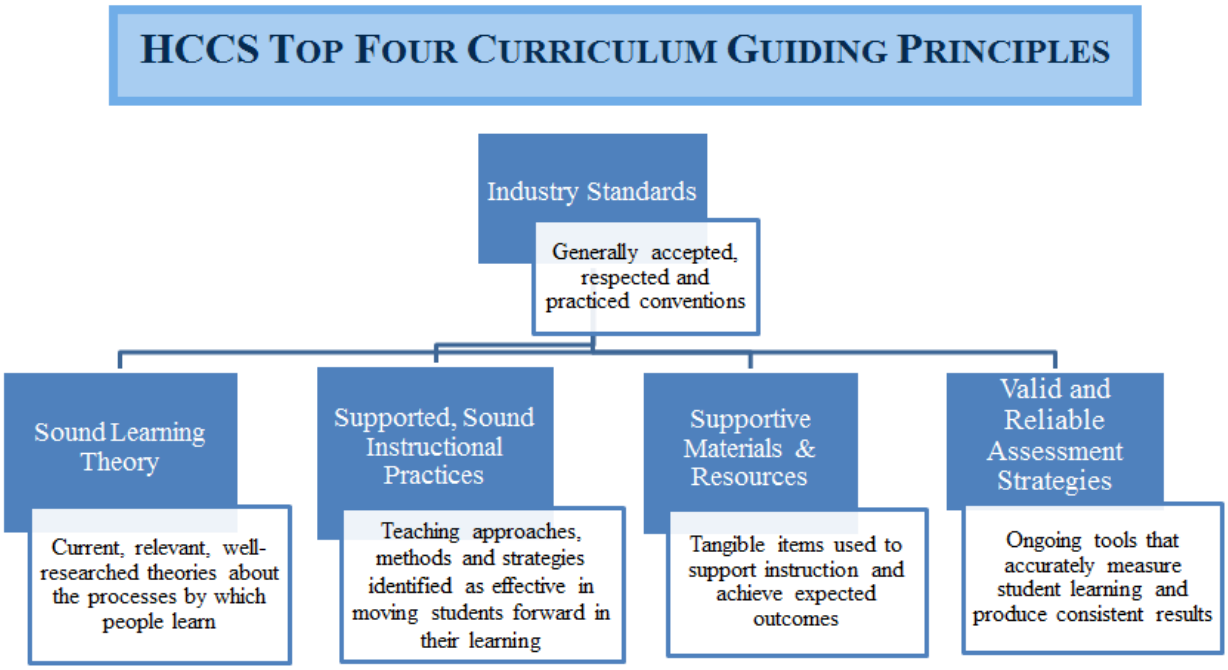
Our HCCS Curricula Goal

At HCCS it is our goal to develop and deliver a curriculum that is:

★ Concise, Balanced, and Accessible without Compromising the Integrity of the Curriculum.

Our Core Curricular Principles

1. Industry Standards: Generally accepted, respected, and practiced teaching conventions
2. Sound Learning Theory: Current, relevant, well–researched theories about the processes by which people learn
3. Supported Sound Instructional Practices: Teaching approaches, methods and strategies identified as effective in moving students forward in their learning
4. Supportive Materials and Resources: Tangible items used to support instruction and achieve expected outcomes
5. Valid and Reliable Assessment Strategies: Ongoing tools that accurately measure student learning and produce consistent results



The Educational Program

Our instructional division is made up of administrators, coordinators, specialists, a counseling team, a teaching team, an assessment team, and an academic support team.

Adult Education Learning Theories

At HCCS we rely on research and educational learning theories in designing our educational programs because we know that our adult students have different needs than students in traditional K-12 schools. In order to meet the diverse needs of our students, we consider adult learning theories, sociocultural theories, differentiated instruction, content-based instruction, theme-based instruction, and student-centered instruction.

According to Malcolm Knowles (1980), there are several key factors that separate children from adults in terms of motivation, experience, readiness, and problem-solving abilities. According to Ryan Tracey in his 2009 article *Adult Learning Principles? Sminciples!,* Malcolm Knowles' theories on adult learners state that, "Adult learners are self-directed, bring experience with them to the learning environment, are ready to learn, are problem-oriented, and are motivated to learn by internal factors." Patricia Cross (1981) characterizes adult learners by motivation, personal characteristics, life circumstances, and focuses on personality differences between adults and children. According to Cross, individual elements that impact adult learners include physiological, sociocultural, and psychological factors. Along with personal elements, Cross emphasizes the impact of full-time versus part-time instruction and whether it's mandatory or voluntary. While Knowles asserts that adult learners are motivated by internal factors, Cross offers several sources of motivation for adult learners including social, external, social welfare, personal achievement, escape, and personal fulfillment. Cross also emphasizes that adults are usually voluntary learners. They are more likely than children to be insecure about their learning, and they usually want to solve their problems.

At HCCS we respect and appreciate that our students are adults and come to us with life experiences, employment, and educational histories. Every single student has unique skills and abilities. Our teachers

and counselors get to know students and their backgrounds in order to understand not only their educational areas for growth but also their goals, motives, and their problems. We know that each student is overcoming a unique set of obstacles. By understanding our students as people, we can work with them to accommodate their learning styles and ultimately assist them in achieving their goals. While some of our students come to us with a great deal of confidence, others need a great deal of encouragement and support in their personal, academic, and career aspirations.

Sociocultural Theories

According to Sociocultural Theory (SCT), social interaction is the foundation of all learning (Walqui, 2008). Sociocultural perspectives in language acquisition emphasize real-word participation with authentic language and activities that occur in everyday life (Zuengler & Miller, 2006). Some of the primary assumptions of Sociocultural Theories are that learning occurs before development, that language is the primary tool for thought (Mitchell, Myles, & Marsden, 2013), that writing and speaking are connected (Lightbrown & Spada, 2012), that mediation is essential to learning (Walqui, 2008), and that concept-based instruction aids learning (Mitchell, Myles, & Marsden, 2013). The Zone of Proximal Development (ZPD) and Scaffolding are two very important concepts in Sociocultural Theory. The ZPD is the stage in which the learner can advance as a result of support (scaffolding) that's provided to them by an interlocutor (Lightbrown & Spada, 2012). Scaffolding is defined as, "a process of setting up" the situation to make the student's entry easy and successful and then gradually pulling back and handing the role to the student so that the student becomes independent enough to handle it (Walqui, 2008). For example, in traditional Sociocultural Theory meaningful interactions take place between an expert (teacher) and a novice (student), where the expert provides the learner with scaffolding during the learner's ZPD.

At HCCS we value meaningful, real world communication, interaction, participation, and authentic language, and we utilize it in our educational programs. We do this in our classrooms and in our community field trips. In our English Language Development program, we emphasize English conversation practice that takes place in real-life scenarios and situations such as at doctor's appointments and hospitals, grocery stores, schools and colleges, libraries, job interviews, the DMV, post office, etc. In our high school English program, our teachers use weekly themes to address real world issues. The problem based lessons are based on our students' needs and current events. These lessons are introduced and students' use role playing, presentations, internet research, and paragraph writing to demonstrate understanding. Our CTE programs strongly emphasize practical hands-on experiences and real-world learning. Truck driving, early childhood education, cosmetology, manicuring, and our computer technology programs all rely on real world practice and problem solving to engage our students.

Our teachers, students, and staff value field trips, and it is reflected in our LCAP data and budget. Many English Language Development, high school, CTE, and Citizenship teachers take our students on engaging and educational trips outside of their traditional learning environments. Past field trips include Sacramento's State Capitol, several Sacramento Public Libraries, Raley Field and a Sacramento River Cats baseball game, Sacramento City College Information sessions, resume workshops, a 4th of July fireworks display in Old Town Sacramento, Crocker Art Museum, Sutter's Fort and Indian Museum, The Sacramento History Museum, Lighthouse Charter School, Mission North Park, a parenting class hosted by UC Davis' MIND Institute, multiple career fairs, and many others. Hundreds of our students have benefited from these field trips, and they have greatly contributed to our students' learning, cultural awareness, community involvement and participation. These field trips and experiences give our students opportunities to interact within our community and learn through meaningful real life experiences.

Differentiated Instruction

Differentiated instruction (also known as differentiated learning) is a teaching framework in which the teacher works to simultaneously address the diverse learning needs of all students in one class (Maloy,

Verock-O'Loughlin, Edwards, & Woolf, 2013). It is commonly used in multi-level classrooms to meet the needs of students with special educational needs, English language learners, and with students who are advanced or in talented and gifted programs. It allows students the opportunity to learn through various avenues and each student has different expectations based on learning styles and abilities. According to the U.S. Department of Education's Literacy Information and Communication System (2012), the design is intended to engage students at a range of different levels with various learning styles and to make learning meaningful for students at every level. According to Carol Ann Tomlinson (2003), differences in student learning exists in four categories: readiness (prior knowledge), interest (curiosity), learning profile (formal or informal), and affect (self-regard). Before teachers can differentiate their lessons, it is imperative that teachers understand their students' levels, abilities, learning styles, interests, strengths, and challenges (Corley, 2005). Once they do, teachers can take a single concept or theme and facilitate learning at a variety of levels. Students can then demonstrate subject mastery in a variety of ways. Differentiated instruction takes many forms, and it requires the strategic use of groups and flexibility. Most of the teacher's work in differentiated instruction occurs before, not during class. The teacher selects a theme and then chooses learner outcomes. In differentiated instruction a teacher might allow students to select their method of assessment and delivery such as writing a paper, giving an oral presentation, making a website, writing a poem, making a storyboard, creating a PowerPoint Presentation or a Prezi, or making a short documentary.

At HCCS we have multi-level adult classes with students of varying abilities in our ELD, high school, CTE, and citizenship programs. Our students speak different languages and come from different countries. Some of our students come to us with advanced degrees from other countries where they were doctors and engineers, and others have had no prior education. In our high school program, some of our students come to us with almost enough credits to graduate, and other students come to our program without any. Every student comes to HCCS at a different level. Each student has their own learning style, interests, and abilities. We recognize the differences in our diverse student population and utilize differentiated instruction to ensure we meet the needs of all our students.

Content-Based Instruction (CBI)

In order to meet the depth, breadth, and rigor set forth in our ambitious schoolwide curriculum objectives that are written in alignment to the multiple sets of standards listed above, we implement content-based instruction practices in our classrooms. At HCCS we make every effort to ensure that students are given ample and meaningful access to content competencies as well as practice with the necessary skills to critically analyze content in which they are exposed. Employing content-based instruction strategies in our classroom is one way our teachers meet the rigorous requirements of our curriculum.

For our ELD learners who are developing foundational, language-domain skills like reading and writing, the role of context is fundamental to supporting their language and literacy development. Content-Based Instruction provides the context rich materials of our content curriculum for their skills development.

Perhaps the most important thing to note is the ever-widening gap in vocabulary that will forever impede the academic progress of ELD learners of all ages. Content-based instruction is one tool we use at Highlands Community Charter School to help bridge the vocabulary gap of our non-native speakers and native non-literate readers alike.

Content-based instruction is founded on important principles, but its success depends on the details of its implementation.

Sound teaching practices that our teachers integrate into content-based instruction classrooms

1. Extended input, meaningful output, and feedback on language and grasp of content
2. Information gathering, processing, and reporting

3. Integrated skills
4. Task-based activities and project work, enhanced by cooperative learning principles
5. Strategy training
6. Visual support
7. Contextualized grammar instruction
8. Culminating synthesis activities

Methods we use to promote the acquisition of content (and language)

- We make sure that our learners consider input from a variety of sources representing diverse perspectives on related subject matter.
- We guide our students in revisiting input for different purposes.
- We ensure that our students have many opportunities to synthesize knowledge that originates from multiple sources.

Approaches we use for building curricular coherence

- We scrutinize the ways we define instructional units – themes are central ideas and topics are subunits of the theme.
- We use planned transitions across topics and across tasks within topics.
- We consider threads – links across themes in curriculum development.

Theme-based Instruction

At HCCS we select monthly, schoolwide themes for our ELD program. Our aim is to engage students at every level using that theme while teachers focus on level appropriate content.

Themes for the 2018–19 school year:

- July- Technology
- August- Goals
- September- Educational systems
- October- Employment
- November- Laws/ Government/ Immigrant Rights
- December- Consumer Economics
- January- Health
- February- Housing
- March- Transportation Systems
- April- Emergencies
- May- Food/ Nutrition
- June- Family/ Parenting/ Family Resources

Student-Centered Instruction

Student-centered instruction is teaching and lesson planning that focuses on students. As teachers, we must get to know our students, their backgrounds, what they know, how they learn, and their goals. Teachers can then design lessons to build on student knowledge and focus on teaching topics that are relevant and meaningful to students. This is especially important in adult education where students are electing to continue their education. We demonstrate student-centered instruction by working with our students to choose topics and themes for each month.

Based on the five assumptions, Knowles also presents the four principles of Andragogy which HCCS also considers when designing curriculum and instruction for our students:

- Adults need to be involved in the planning and evaluation of their instruction

- Experience (including mistakes) proved the basis for learning activities
- Adults are most interested in learning subjects that have immediate relevance and impact to their jobs or personal lives
- Adult learning is problem-centered rather than content-oriented

Although adult learners are responsible for their own decisions, we believe that it is our responsibility to encourage and guide students to make the decisions that are best suited for them. We are confident that all students can learn and grow from our staff who are dedicated to student achievement and building relationships that will last a lifetime. Our ELD and high school programs are essential to the success of our adult learners. Our students have come back to school to change their lives, and we believe that it is our duty to ensure it happens.

1.11: HCCS Curriculum and Instruction

Innovative Curricular Components

Adult Literacy

At HCCS we believe it is imperative for our students to be able to read and write. Without reading and writing skills, they will not be able to achieve their academic or career goals. Many of our students enroll with us at a low reading and writing level. In response to this, we created programs for both our ELD and high school students. We hired a Lead Literacy Teacher and a Reading Specialist, and we created a Remedial Literacy course for our ELD students. This course is intended for students who are progressing in all of their subjects but need support with reading. For our high school students, we created two remedial reading classes. These classes focus on phonemic awareness, sounds, and pronunciation. When classroom teachers notice that a student is falling behind, they are referred to either a specialist or a remedial class. By providing additional literacy support for our students, we ensure that they are able to read and write.

Outcomes-Based Learning

At HCCS we have created extensive curriculum objectives aligned to California Common Core Standards, and we have implemented monthly themes that relate to CASAS competencies and English Language Civics Objectives supported by WIOA. These serve as the foundations of our curriculum. Within our themes, classes, levels, and objectives, we utilize outcomes-based learning. We begin our lessons with a desired outcome and then work with our students to develop the skills they need in order to meet the outcome. This is relevant at every level of instruction in both of our programs. In the ELD program, we focus on tasks such as reading a short book, writing a paragraph, having a short conversation, giving an informal presentation, or completing a job application. In our high school program, we focus on tasks such as reading a novel, writing an essay, having a debate, giving a formal presentation, and completing a college application. In CTE, students demonstrate their understanding based on their respective program. In Truck Driving, students practice safe truck-driving techniques they have learned. At Cosmo Beauty Academy, students demonstrate their learning through the applied practice of the cosmetic and manicuring techniques they have learned. We believe that by ensuring our curriculum objectives are aligned to standards and by using outcomes based learning, all of our students are focused on the immediate learning goals. Our standards are high; the expectations are clear; and we support our students in reaching program and course objectives.

Proficiency Requirements

We believe that we get the best work out of our students when expectations are high. This is why, at HCCS, we ensure that our students are meeting our rigorous standards before they are promoted to the

next level or before they pass a class. Although proficiency requirements are different for our ELD and high school programs, both require students to perform at a high level of mastery. In order for one of our ELD students to complete a level and move up to the next class, they must receive the highest grade available in the course. In our ELD courses, students are eligible to receive one of four grades for each subject: M, A, D, or E. The grade of M indicates that the student is meeting or exceeding the standards and objectives of the class for their level. Until our students have earned this grade, they remain in their class. In our high school program, students are graded on a traditional grading scale of A-F. In order for a student in high school to pass a class, they must earn a C or better. If they do not earn a C or better, the student must complete supplemental assignments to pass the course and earn credits toward graduation.

The grading criteria for our high school students includes successful completion of all coursework, papers, projects, presentations, and end-of-unit tests required in any given course. The grading criteria for ELD students includes CASAS reading and listening assessments as well as the successful completion of all coursework, papers, projects, presentations, tests and end-of-term exams which cover all skills taught. High school and ELD instructors will use rubrics aligned to standards found on the HCCS alignment matrices to guide their grading process of all coursework, papers, projects, presentations, end-of-unit/term exams and final course/level grades.

Student Success

Our students' success is very important to us, and one way we ensure their success is through our student support services. Through our student support services, we offer assistance with classwork, homework, resume writing, job search, job fairs, mock interviews, career advising, FAFSA support, college applications, college advising, housing services, homeless services, and expungements. Over the last year, we have grown and now offer field trips, student support groups, one-on-one college and career advising, and workshops geared toward college and career readiness. Our student success team contacts our high school and CTE graduates to find out whether they are employed or attending college, whether part-time or full-time, and their hourly wage. At HCCS we want all our students and our alumni to be successful.

Intervention and Enrichment

Attendance Policy

At HCCS we say that progress requires commitment and commitment requires attendance. We believe that attendance is crucial for our students' success. When our students are not present in class, we contact them either by email, text, or a phone call. We believe in holding our students accountable and supporting them when they need it. Our paraeducators, teachers, and counselors maintain communication with our students when students are absent. We want to ensure that if our students are having personal hardships, we are supporting them and providing them with every service we have available either at HCCS, at one of our partner organizations, or at an external location.

Homework Policy

At HCCS we believe that level and content appropriate homework improves students' understanding of classwork and improves academic performance. While homework is not required for most of our classes, we do assign up to two hours of optional daily homework for students who want or need supplemental practice. According to our policy, homework is due the class after it was assigned. For example, homework given on Monday is due on Tuesday, and homework given on Friday is due on Monday. Homework is not given to students who are absent for that day. For example, a student who is absent on Tuesday will not be given homework for Tuesday. Students will not be able to get homework from their friend or teacher once the class is over. All homework should be completed by the student. Students can get help with their homework, but family and friends should not write or complete homework for them. All homework should be in the students' handwriting. Also, students can work together after class, but

students should not copy each other. Each student should have their own answers. Cheating will result in no credit for homework for that day.

Independent Study
We believe it is important for our students to have the flexibility, study skills, motivation, and discipline to work and study independently. At HCCS we have two options for students interested in independent study: service-learning and field study.

Service Learning
Service learning is a one-day, independent study option where students volunteer in the community. Examples of appropriate service-learning opportunities include:

- Cleaning up a park or public place
- Working at a local school
- Volunteering at a local hospital
- Working at a local library
- Feeding the homeless
- Reading to children at after school program
- Helping at a cultural event in the community

Service learning is usually offered by teachers at HCCS when there is professional development or teacher training for all teachers. It is an opportunity for students to engage in the community. Students complete a form that includes their personal information and asks for a description of what they did for their service learning. They are also required to have someone verify the number of hours of participation.

Field Study
Field study is an independent study option where students can study for up to seven consecutive days at home and receive classroom credit. In field study, a teacher creates daily work assignments. These work assignments are similar in level and content to traditional coursework and should take approximately the same amount of time to complete as the daily class. If the normal class is one hour, then the teacher provides one hour of work. If the course is four hours, the teacher provides approximately four hours of work for the students to complete at home.

Field study is typically offered to students during times when they are unable to attend class. Common reasons for students to enroll in a field study include but are not limited to the following:

- They are observing an important cultural holiday or celebration.
- They are traveling.
- They have a family emergency.
- They have a medical condition.
- Their children are home from school and they don't have childcare.
- They do not have transportation for a set period of time.
- They have family visiting from overseas

In order for students to participate in field study, they must complete a master agreement and agree to complete the work in a set amount of time. After the field study period is complete, students must turn in the completed work to their teacher. At that time, the teacher checks for completion before giving credit.

Here at HCCS we have a diverse student population that comes to us from all over the world. They have religious holidays that are not recognized by the federal government. We recognize the value of their beliefs and traditions, and we support them by providing the opportunity for them to celebrate their

culture with their families while still continuing their coursework. We also understand that our students have children, families, emergencies, and sometimes situations that do not make it possible them to attend class. While we firmly believe that attendance is crucial for their success, we believe that by providing our students with supplemental materials and work, they do not have to choose between learning and religion or learning and family.

Counseling Services

We are proud to have highly trained, compassionate counselors who support each and every student. Our counselors are able to provide assistance and information on many issues including:

- Family issues
- Personal issues
- Conflict management
- Career counseling
- Substance abuse and recovery
- Student support groups
- Homeless services
- Accessing government programs
- FAFSA
- Parenting and family resources

Our students face many challenges and have many barriers to completing their education and accomplishing their goals. At HCCS our counselors understand our students' needs and assist them by addressing barriers because we want our students to complete their classes and graduate. We believe that by meeting our students where they are, they are more likely to continue and complete their programs to graduate.

1.12: Comprehensive Course List

ELD Course Descriptions

Non-Literacy - Level 0

In this course students will learn the foundational principles of English and basic communication skills. This is a combined skills class where students will work on reading, writing, speaking, and listening. The content of this course is focused on daily living and prepares students for formal and informal social exchanges. Special emphasis is placed on building phonemic awareness, vocabulary building, and sharing personal information.

Literacy - Level 1

In this course students will further develop their reading and writing skills with a strong emphasis on sentence completion and accuracy. Students will delve deeper into grammatical structures of English and will continue to expand their use of verbs. The content of this course focuses on authentic language used in a variety of settings. This course prepares students to communicate during daily events and routine activities.

Beginning Low - Level 2

This course focuses on clear speaking and pronunciation using authentic language. In writing, students focus on spelling and mechanics and legibility while in reading they focus on sight words. Conversationally, the focus is on asking and answering "*Wh*-" questions and comprehending brief messages. During this course, students brainstorm ideas as well as plan and deliver brief oral presentations.

Beginning High - Level 3
In this course students will learn and use a growing number of verb forms, compare and contrast ideas, offer and negotiate meaning using evidence, paraphrase, comprehend morphological changes, and distinguish homophones.

Intermediate Low - Level 4
In this course students will use their reading, writing, and speaking skills to deliver oral presentations. There is a strong emphasis on complex sentences, exchanging ideas, and making connections between joint ideas. During this course, students will read and comprehend moderately complex passages and ideas with specialized vocabulary with the purpose of identifying the main idea. There is a special emphasis on writing well organized summaries.

Intermediate High - Level 5
In this course students will use complex sentence structure and grammar and incorporate supporting opinions into their productive tasks. There is a strong focus on increasingly complex multi-paragraph compositions and referential language as well as understanding detailed instructions. During this course, students are required to draw from personal experiences to infer meaning and to collaborate on projects. This course emphasizes the integration of word processing skills in written communication.

Advanced Low - Level 6
This course is designed to begin developing the foundational skills necessary for academic success in a mainstream high school and even college level class. It focuses on advanced reading and writing strategies and implements technological and research skills. Through thematic readings, students engage in critical evaluations of texts. Special emphasis is placed on writing revisions and feedback, group projects, and presentations.

Advanced High - Level 7
This course is designed to support students who are transferring from the ELD program to high school English. It focuses on improving reading comprehension skills, logical thinking processes, and a broad range of writing skills, from the expository to the creative. It covers the basics of language, literature and written composition. In this course students will explore literature genres, the rules of language, the conventions of grammar, the mechanics of writing, as well as many of the facets of narrative and expository writing. At the completion of this course students, should be ready for high school English.

Citizenship
This course is designed for students to learn the basic knowledge of U.S. government, history, civics, reading, and writing skills and to prepare for, apply for, and pass the USCIS Citizenship Exam. Language functions and language forms are integrated into listening, reading, writing, and speaking activities, all designed to improve the student's ability to take and pass the USCIS exam. Through lectures and individual and pair/group participation, the student is exposed to the language needed to prepare for the reading, writing, and interview portion of the USCIS exam.

High School Course Descriptions

Foundational Mathematics

This course reinforces arithmetic skills, developing the pre-algebra concepts of variable recognition, signed numbers, formulas, and single variable equations. Students will be introduced to algebraic symbolism, simplifying expressions, solutions to elementary equations, and the graphic representations associated with variables.

Pre-Algebra
This course provides an introduction to elementary algebraic concepts while reviewing basic math skills. It is a self-paced course with credits dependent on work completed and concepts mastered. The course first revisits prerequisite skills to ensure students have foundational math concepts that are vital for higher math courses. The course curriculum is closely aligned to California State Math Standards which can be located throughout the textbook throughout each chapter.

Students will learn to think flexibly about relationships among variables, expressions and properties, integers and equations, fractions, decimals, exponents and roots, ratios, rates, proportion and percents, algebra on coordinate plane, geometry basics, and critical thinking with word problems. Students will learn to recognize and understand how to convert fractions to decimals and percents while using these representations in estimation, computations, and applications. Students will investigate and explore mathematical concepts while developing a variety of strategies for analyzing complex situations. The course will show a connection between computational and applied math while making meaningful connections to students' life experiences: calculating discounts, markups, commissions, and profit. Students will evaluate simple and multi-step equations and inequalities while using the correct order of operations when solving numerical and algebraic expressions. Lastly, students will be analyzing situations numerically, graphically, verbally, and symbolically throughout the course.

Algebra 1
Algebra 1 is designed to help provide students with the foundation for all future mathematics courses. Students will explore operations, terms and expressions, equations, polynomials, rational numbers, multiplying and dividing rational expressions, adding and subtracting rational expressions, graphs, systems of equations, and square roots and quadratic equations. Common Core standards are taught and reinforced as the students learn how to apply the concepts in real life situations. Algebraic skills and concepts are developed and used in a variety of problem solving contexts. The course is self-paced with credits dependent on work completed and concepts mastered.

Students will use variables and appropriate operations to write an expression, an equation, an inequality, or a system of equations or inequalities that represent a verbal description. The course will further explore graphing linear functions while noting the vertical change per unit of horizontal change is always the same and know that the ratio (rise over run) is called the slope of the graph. Students will be able to identify a point lies on a line, given an equation of the line, and derive linear equations by using the point-slope formula. Students will be expected to demonstrate skills that will be valuable not only in this course but also in future educational and vocational settings including oral presentations and technology. A primary goal of this course is for students to actively engage in a positive learning experience in which there is increased appreciation and understanding of mathematics.

United States (U.S.) History
This course provides students with an awareness of our national heritage. Students will develop a better and deeper understanding of how our country became what it is today. Students will continue to develop their reading, writing, thinking and research skills with the use of primary and secondary sources.

This course is aligned to the Common Core State Standards for Literacy in History/Social Science, and students will employ the following skills: develop socio-political literacy to understand different political and social systems, the relationship between a culture and its laws, and the differences between

democratic and non-democratic systems; develop an understanding of different cultural values, belief systems, rights, and responsibilities inherent in participatory citizenship; develop analytical, critical thinking, and study skills, which help students understand major national and international dilemmas occurring today.

This course focuses on the study of modern American history and begins with a review of United States history from the nation's beginnings to the start of the 20th century. Connecting with past learning will highlight the initial segment of the class. An in-depth investigation of historical events and periods, the fostering of multicultural awareness, the recognition of ethical, civic, and democratic values present in American history, and the development of a historical perspective in relation to contemporary events represent the major aspects of the course. Literature, music, art, primary readings, videos, simulations and other activities will be used to enhance the subject.

American Government

American Government is a thematic course focused on the origins and structure of the United States government; the nature and function of the executive, legislative, and judicial branches; individual rights and responsibilities within the U.S. legal system; individual and societal roles and responsibilities as citizens functioning within the U.S. political and electoral system; the nature and function of state and local governments; and contrasting U.S. government with other systems of government. American Government is aligned to the Common Core State Standards for Literacy in History/Social Science, and students will demonstrate the following skills: students develop abilities to critically analyze, compare and contrast, and develop and defend opinions and positions, both orally and in writing, on the main areas of course focus.

The goal of this course is to enable a student to have a full understanding of all aspects of American government and its impact on his or her life thus becoming a self-directed, productive achiever who will be a successful and valued member of our community.

World History

This course emphasizes the political, economic, social, and geographic aspects of world history beginning with early democratic development and concluding with modern 21st century issues. Critical thinking skills are emphasized, stressing cause-effect relationships. This course is aligned to the Common Core State Standards for Literacy in History/Social Science, and the curriculum integrates these literacy standards throughout the course.

This course explores how the connection between the past and the future will continue to form our lives. In World History, students recognize the growing interdependence of people and cultures throughout the world. Students trace the rise of democratic ideas and develop an understanding of the historical roots of current world issues, especially as they pertain to international relations. They extrapolate from the American experience that democratic ideals are often achieved at a high price, remain vulnerable, and are not practiced everywhere in the world. Students develop an understanding of current world issues and relate them to their historical, geographical, political, economic, and cultural contexts. Students consider multiple accounts of events in order to understand international relations from a variety of perspectives

Economics

This course will provide students with an understanding of the principles of economics. As students become familiar with how markets work, they will interact with lessons to apply the key microeconomic concepts of supply and demand as well as the role of prices. This course targets important aspects of the world economy, including international trade and global economic challenges, and encourages students to apply the economic way of thinking to a variety of situations relevant to their everyday lives.

Economics is aligned to Common Core State Standards for Literacy in History/Social Science, and students will employ the following skills: interpret and summarize common economic terms, concepts and economic reasoning; explain the elements of America's market economy in a global setting and the influence of the federal government on the American economy; analyze the elements of the U.S. labor market in a global setting; categorize the aggregate economic behavior of the U.S. economy; and synthesize issues of international trade and explain how the U.S. economy affects and is affected by economic forces beyond the United States.

Biology A and Biology B

This two semester course fulfills the Biological Science graduation requirements. This course explores the origins, organization, reproduction, genetics, growth, development, evolution, behavior, and interdependence of living things. This course also includes cellular structure and function, general plant and animal physiology, and taxonomy. Students will work individually and in small groups. Laboratories and other investigations will be performed to supplement and enhance course topics. The goal of this course is to enable a student to have a full understanding of Biological Science as well as its impact on his or her life and thereby become a productive achiever who will be a successful and valued member of our community.

Earth Science

Earth Science is an introductory science course that meets the minimum graduation requirements. It contains components of physics, chemistry, and earth science topics. These topics include the study of atoms, molecules, compounds, chemical reaction, motion, forces, energy, waves, as well as Earth's place in the universe, its composition, and the processes that modify the surface. The goal of this course is to enable a student to have a full understanding of Physical Science and its impact on his or her life.

English A

This class focuses on introducing students to different types of texts: fiction, poetry, non-fiction, plays, etc. and on improving reading comprehension skills, critical thinking processes, and a broad range of writing skills from the expository to the creative. English A covers the basics of language, literature, and written composition as a preparation for the sequential English curriculum. The class covers the genre of literature, the rules of language, the conventions of grammar, the mechanics of writing, as well as many of the facets of narrative and expository writing.

This course calls for students to engage in a range of tasks based on the grade 9-10 ELA Common Core Standards: determine themes and central ideas, analyze character development, author's choice, points of view, interpret, assess, integrate and evaluate, collaborate, adapt, and apply. Students are required to demonstrate the critical thinking, problem solving, and collaboration demanded of 21st century living and learning, with emphasis on meaning making, effective expression, content knowledge, and language development. The course stresses a balanced comprehensive program that develops student ability to read and write, comprehend and compose, appreciate and analyze, and perform and enjoy the language arts. The standards continue to emphasize reading informative texts and literature as well as writing compositions according to major text structures and genres and giving oral presentations.

English B

This course is a continuation of the themes and skills introduced in English A. English B focuses on improving reading comprehension skills, critical thinking processes, and a broad range of writing skills from the expository to the creative. English B continues to expand upon the basics of language, literature, and writing. The class covers the genre of literature, the rules of language, the conventions of grammar, the mechanics of writing, as well as many of the facets of narrative and expository writing.

This course calls for students to engage in a range of tasks based on grade 9-10 ELA Common Core Standards. Students will be able to analyze multiple themes or central ideas, analyze the impact of an author's choice(s), determine meanings of words, analyze multiple interpretations of literature, assess, integrate and evaluate, collaborate, adapt, apply that which requires the critical thinking, problem solving, and collaboration demanded of 21st century living and learning, with emphasis on meaning making, effective expression, content knowledge, and language development. The course stresses a balanced comprehensive program that develops student ability to read and write, comprehend and compose, appreciate and analyze, and perform and enjoy the language arts. The standards continue to emphasize reading informational texts and literature as well as writing compositions according to major text structures and genres and giving oral presentations.

English C
This course is a continuation of the themes and skills introduced in English B. English C focuses on improving reading comprehension skills, critical thinking processes, and a broad range of writing skills, from the expository to the creative. English C continues to expand upon the basics of language, literature, and writing with more depth. It requires the student to read complex texts and write longer essays with more analysis or analysis of more texts than English B. The class covers the genre of literature, the rules of language, the conventions of grammar, the mechanics of writing, as well as many of the facets of narrative and expository writing.

This course calls for students to engage in a range of tasks based on grades 11-12 ELA Common Core Standards. Students will be able to analyze multiple themes or central ideas, analyze the impact of an author's choice(s), determine meanings of words, analyze multiple interpretations of literature, assess, integrate and evaluate, collaborate, adapt, apply that which requires the critical thinking, problem solving, and collaboration demanded of 21st century living and learning, with emphasis on meaning making, effective expression, content knowledge, and language development. The course stresses a balanced comprehensive program that develops student ability to read and write, comprehend and compose, appreciate and analyze, and perform and enjoy the language arts. The standards continue to emphasize reading informational and literary texts as well as writing compositions according to major text structures and genres and giving oral presentations.

CTE and Elective Course Descriptions

Career Readiness

Career Success
The Career Success course focuses on two integrated areas of instruction: career preparedness and technology. Course content ranges from high school and career preparation to computer literacy skills. The area of technology is designed to be interwoven throughout course instruction. Mastery of the content standards provides a strong foundation of student acquisition of the skills, attitudes, and knowledge that enables them to achieve success in school, at work, and across the life span. As part of preparing students to be college and career ready, this course also equips them with the skills needed for the workplace, continuing education, and lifelong learning.

The purpose of this course is for students to be able to demonstrate basic computer skills including typing, email, Google Drive, and internet searching; identify the effects of workplace behaviors; analyze personal skills, interests, and abilities and relate them to current career opportunities; and examine the employment process, including searching for a job, filling out a job application, writing a resume, developing and practicing interview skills, and completing required employment forms.

Personal Finance
This course challenges students to alter their thinking and behavior regarding their personal finances while teaching skills in money management, financial planning, spreadsheets, word processor and presentation software applications. This instructional course provides individuals with exploratory experiences related to personal finance which are designed to change behavior. These experiences explore various financial influences including spending, saving, debt, credit and credit history, investing, mortgages, retirement planning, etc. Students develop spending behaviors and habits that will lead to wealth accumulation. The course also provides exploration in the following areas: mathematical calculations applied to analytical information (spreadsheets), consumer marketing concepts (financial traps), computer literacy, economic concepts, and financial and technological developments.

Literacy Support

Reading Skills I
This is an elective course for the development of reading skills for students whose reading skills are far below high school level (e.g., most students taking this course will be reading at below 6th grade). Emphasis is placed on accelerating student learning so that students will achieve the ability to read at the high school level or make significant strides towards that objective. Skills learned in this class include syllabication, vocabulary acquisition, fluency, speed, and reading comprehension.

Reading for Pleasure
This elective course will help students improve their reading skills as they expand and explore their reading preferences by choosing to read three novels and completing activities based upon their novels. To earn the five credits for this course, the student must read and keep a reading log of three novels that the teacher has approved for the student to read. In addition to the detailed reading log, the student must also complete one project for each novel. This course focuses on Common Core reading standards for grade 9-10.

English Novel Elective
This elective course helps students with critical thinking, literary analysis, and the development of creativity within academic writing. In this course, students pick one of a list of teacher approved novels. They will then use that book to complete the majority of their assignments in the class. The assignments vary from essays to creating projects that use creativity, imagination, and textual examples. Students are also required to keep a reading log journal and complete formal assessments on the reading. They will also do assignments that relate to English but that may not be related to the actual novel that they are reading. The course objectives are based on ELA Common Core Standards for grade 9-10.

Entrepreneurship

Leadership (Beginning)
Understanding and executing principles of leadership is critical for students to improve their opportunities at school, work, and at home. This class explores how focusing on the causes or laws of leadership will improve the outcomes or effects of our leadership efforts. This class is a laboratory where students are taught principles and then given opportunities to discuss, explore, and implement these principles.

In the leadership setting, students are challenged to develop their literacy and vocabulary as they read and discuss various books, articles and videos; enhance their understanding of computer applications (including word-processing and presentation applications); elevate their reading, analytical, and writing skills as they read and compose a book report on a selected leadership book; and expand their presenting

skills as they create and present their findings developed through the book report process. Students will also be expected to improve their teamwork, collaboration, and leadership skills and abilities as they work in small groups to teach leadership concepts to their classmates.

Entrepreneurial Mindset (Intermediate)
The mindset of an entrepreneur is critical to the development of the business concept and the overall success of any business. This class builds on the leadership principles taught in Leadership class and explores the mindsets taught through relevant books, material, and other resources. As students study these texts, their own mindsets and behaviors are challenged and changed. Students realize that their thoughts or mindsets affect their behaviors and ultimately the success of their business concept.

Students will build and develop effective mindsets while they explore their personal business concepts and prepare for developing their business plans in the capstone class (Business Planning). Students will expand and refine the skills they developed in the leadership class as they continue to read, analyze, write, and present materials studies in this course.

Business Planning (Advanced)
Business Planning is the capstone class and applies all of the learning and knowledge learned and developed in the previous classes in the entrepreneurship pathway (i.e. Leadership and Entrepreneurial Mindset). Students in this class will develop and write their own business plans (or an assigned project-based business plan), and as they execute this assignment they will research their business concept, location, product, etc. to determine market demand; brainstorm business names and search the United States Patent and Trade Office (USPTO) and Secretary of State (SOS) of all states to determine uniqueness. They will also research local business requirements, apply for appropriate licenses, explore business entity structures, and determine the most effective entity for business concepts; and file articles of incorporation with the Secretary of State's office. Students will register trademarks and patents with the USPTO. Students will analyze, define, and present startup costs, and research funding requirements and potential funding sources.

Where applicable, potential internships with be developed. Students will utilize a suite of business-essential apps including spreadsheets, word-processing, and presentation programs. Students refine their leadership skills as they present their business plans to classmates and potential investors/partners. These skills, knowledge, and tools will be valuable assets as students launch and lead their business plans to implementation.

Early Childhood Education

Child Psychology (Beginning)
In Child Psychology, students learn theories of historically significant psychologists who laid the foundation for scientific research and a clearer understanding of children and the human mind. This course explores how psychological perspectives influence personality and play a role in human development across the lifespan. Students explore and learn how each stage in human development can and does require specific things for human children to grow up strong and healthy. Students examine how children's behaviors are developed, memories are stored, and language is acquired, and the critical period these things must happen. Students also learn about the symptoms and classifications of psychological disorders, along with the various forms of treatments available. After completing this course, students will be equipped with problem solving strategies and even learn strategies to cope with stress. Practical, everyday application of the content is a focus of this course along with background knowledge in child development and the mind.

Through the use of online software, teacher lectures, and projects this course is designed to promote critical thinking through inquiry, problem solving, and reflection. The course guides students to connect prior knowledge, backgrounds, life experiences, and interests to learning the materials. The students will connect classroom learning to their life experiences and cultural backgrounds. The course supports all students to use first and second language skills to achieve the learning goals. The course uses assessment date to establish learning goals and to plan, differentiate, and modify instruction. Students learn new vocabulary and critical issues of child development through extended video's, open lectures that address emergent literacy, critical period to acquire language, the developmental stages of children, and cutting edge exploration of trauma development in childhood and its effect on children. Students will be gaining emerging knowledge, exploring for increased understanding, applying that knowledge to themselves, integrating their new knowledge with old knowledge, and innovating or becoming creative in their teaching methods with children.

Early Childhood Education (Intermediate)
In Early Childhood Education, students learn more about understanding the childhood experience. Students will create interesting lessons and stimulating learning environments that provide a safe and encouraging experience for children. They will discover how to get children excited about learning, and just as importantly, to feel confident about their abilities; identify good nutrition for children's physical development; analyze and apply how to keep a safe, healthy, and clean childcare environment or preschool classroom; identify the rules and regulations of childcare facilities; develop and implement creative lessons and teach children through play. Students will also learn how to record, observe, and communicate with children; and create a plan for personal and professional growth to set child development goals.

Early Childhood Education (Advanced)
This capstone course prepares students for employment in the care and guidance of young children under the supervision of professional personnel. Instruction includes child growth and development, nutrition, program planning and management, health and safety, guidance, recreational and play activities, child abuse and neglect, developmentally appropriate practices, interpersonal relationships and regulations, operational procedures, emergency and disaster procedures, policies, standards, and licensing, supervision and maintenance of children's environment, professionalism, and classroom management.

Truck Driving

Class A Permit
This basic unit will consist of classroom learning leading to a DMV CDL Class A Permit. Students will take and pass the DMV Class A CDL permit written examination. This course will cover the general knowledge, air brake procedure, and combination. Students will also have the option to become endorsed in doubles and triples, tankers, and hazmat through this course.

Pre-Trip and Inspection (Beginning)
In this beginning course, students will memorize parts of the vehicle by name, learn all internal and external inspections of the vehicle and trailer, and be able to perform/apply leakage tests to the vehicle.

General Skills (Intermediate)
In this intermediate course, students will begin to operate the vehicle under guided supervision. Students will practice straight line backing, offset backing to the right and left, parallel parking on the driver's side and conventional side, and alley docking.

Road and Class A License (Advanced)

In the advanced course, students will learn to shift using a 6-speed, double clutch, brake properly, drive through intersections, drive through urban businesses, change lanes, drive on the expressway/highway, stop/start effectively, drive around curves, cross railroads, correctly maneuver bridges, overpasses, and other signals, and pass a regular traffic check.

Teaching Assistant
Students can earn credit for being a teacher's assistant in which students may assist other students, prepare materials, run copies, or complete other work at the direction of the instructor.

External Partnerships
At HCCS we have partnerships with Asher College and Cosmo Beauty Academy, and each of these partnerships provides its own courses for our students to receive credit and/or certifications. Courses offered at each are listed below.

Asher College Courses
- A+ PC Support Level 1, Level 2
- Career Success Level 2
- Medical Law and Ethics
- Medical Terminology
- Microsoft Excel
- Microsoft Word
- MS Office Essentials
- Office Administration
- Typing Fundamentals

Cosmo Beauty Academy
- Introduction, Level 2, Level 3, Level 4

Updated Course Descriptions
At HCCS we are currently updating and improving our curriculum and course descriptions as part of our Schoolwide Learner Outcomes for our Western Association of Schools and Colleges (WASC) self-study. As an adult serving charter, we do not presently offer any college preparatory A-G courses.

1.13: Instructional Methods and Strategies Used to Deliver the Curriculum

In our mission statement, we assert that we are a diverse community for social justice, serving the unserved, providing access to education, technology, communication, and employment for 21st century achievers. Through community partnerships, we will build new legacies leading to self-sufficiency and generational change. Through our instructional methods, we want to ensure that we are working consistently with our mission and our schoolwide learner outcomes. At HCCS we have three Schoolwide Learner Outcomes. Our first is that students will demonstrate measurable achievements each term through assessment. Our second is that students will make progress toward their career goals. Third, students will use technology to communicate for personal and academic use.

At HCCS we utilize the following instructional methods to ensure exceptional academic performance:
- Standards-based Instruction
- Systematic Instructional Delivery
- Student Engagement
- The systematic use of assessments

- Data-driven Instruction

Standards-based Instruction
At HCCS our curriculum is based on seven sets of standards, with Common Core Standards and CASAS at the foundation. Our teachers use our curriculum objectives within each subject and level to ensure that our standards are met. Lessons are taught based on objectives and monthly themes that integrate high interest topics and content. Formative and summative assessment data is used to measure students' prior knowledge and to ensure that our students are meeting our standards.

Systematic Instructional Design
Clear expectations, consistent policies, and strategic instructional planning and assessment are at the foundation of our educational programs.

Clear Expectations
Clear expectations are imperative for our students to be successful. We believe that by creating clear expectations for behavior, attendance, classroom etiquette, homework, content standards, and assessments, our students become accountable for their own progress and success. Our students are at HCCS because they do not have a US issued high school diploma, and they are 22 years old and older. We know that many of our students were not able to graduate during their first attempt at high school and that the traditional education system did not meet their needs. We also recognize that for some of our ELD students, HCCS is the first school they have ever attended. At HCCS we hold all of our students to high academic performance standards. Through this process, students benefit in the following ways:

- Students are held to high standards.
- Students are expected to meet the curriculum objectives for their level.
- Objectives and outcomes are clear.
- Student feedback is related to specific outcomes.
- Students know what they are expected to learn.
- Students have equal access to learning and learning materials.
- Students learn personal responsibility.

Consistent Policies
Consistent policies are also part of our educational program and are closely tied to clear expectations. At HCCS we have consistent policies for the following processes and programs:

- Enrollment in CalJOBS
- HCCS student registration process
- ELD placement tests
- CASAS assessment
- Attendance policy
- Homework policy
- ELD grading system (MADE)
- High school grading system (A-F)
- ELD level completion
- High school course completion
- Transfer credit evaluation
- ELD to high school re-designation process
- ELL Reclassification process
- Graduation requirements

Because of our student population, we must provide clear expectations and consistent policies to ensure that all of our students clearly understand what they need to do to succeed at HCCS and achieve their goals.

Strategic Instructional Planning and Assessment
Strategic instructional planning and assessment are essential to our instructional success.

Student Engagement
Students learn best when they are present and actively engaged in their learning. We want our students to be passionate, motivated learners who are fully engaged in their educational experience. At HCCS our teachers engage our students intellectually, emotionally, physically, and culturally. Intellectual engagement refers to the academic component of teaching. Emotional engagement refers to the relationship between teachers and students and involves monitoring students' moods and emotions. Physical engagement refers to kinesthetic learning where students engage in physical movements or activities. Cultural engagement refers to incorporating student culture into the classroom in a way that students feel culturally accepted while also learning about the cultures of other students. This is critical for new immigrants and refugees to acclimate into their classroom, school, and community.

Intellectual Engagement
- Academic topics are high interest to the students.
- Learning is relevant to students' daily lives.
- Teachers allow students to make choices about projects.
- Instruction is differentiated for students at different levels.
- Learning is authentic and related to the real world.

Emotional Engagement
- Teachers foster classrooms with positive emotions and unconditional, positive regard.
- Students' moods and emotions are monitored by teachers and counselors.
- Teachers support students with peer groups and counselors.
- Teachers and staff build positive and supportive relationships with students.
- Teachers support students and their goals.

Physical Engagement
- Students are engaged in kinesthetic learning through creating and doing.
- Students move around in class, like walking around to complete an activity.
- Teachers reinforce lessons with body movements, using physical activity.

Cultural Engagement
- Students from different cultures are made to feel welcome and safe.
- Students are taught about cultural norms and laws in the United States.
- Culturally diverse speakers are welcome to share in our classrooms.
- Important documents are translated into students' first language.
- Lessons are created to include a multicultural perspective.

Assessments
At HCCS we use a variety of formal and informal testing measures and assessments to evaluate our students. We begin our assessments during enrollment when students are given a diagnostic test and a CASAS test. During daily classes, our teachers assess students through a variety of ways. At the end of every academic unit, teachers use formal assessments and enter grades. CASAS assessments are also used as a measurement of progress and are administered every six to eight weeks.

The evaluation of student learning has four goals in the following priority:

1. To assist student learning as a diagnostic tool by determining which specific content areas a student has not mastered so they can improve their learning in that specific area.
2. To use aggregated measurements of student learning as part of the measurement of how the school as a whole is performing.
3. To determine if a student has met or exceeded the necessary level of competency to gain formal recognition, such as to complete a level or receive a diploma, licensure, or certification.
4. To determine if the student is underperforming in relation to their peer group and evaluate if intervention supports are required.

When we assess our students it is to better understand what they know. When we have students who cannot pass a class, we find alternative solutions for them. We understand that some students need remedial support and others may need more challenges and opportunities for growth. When our students have not mastered level appropriate standards or objectives, we find alternative teaching methods to deliver the same content. Our teachers understand the importance of both formative and summative assessment in gauging student comprehension.

Data-driven Instruction

In order to improve student learning, we work to understand our students and adapt to the needs of our students. At HCCS we make data-driven decisions and create data-driven instruction. As part of this cyclical process, we collect many forms of raw data. We then analyze it, make instructional decisions, plan, and reflect. Raw data that we consider in our instruction relies heavily on assessment but also includes:

- Program enrollment data
- Enrollment assessment data
- Demographic data
- Student satisfaction surveys
- Student safety data
- Expulsions data
- Homework grades and completion
- CASAS gains reports
- Literacy and reading gains
- Unit assessments and grades
- Level completion data
- High school graduation and retention rates
- CTE graduation and completion rates
- Course GPA
- Attendance data
- Employment and wage gain data
- College entrance information

By analyzing assessments and data, we better understand where our students are from, what experiences they bring with them, what they are able to do, and the gaps in their understanding. At HCCS our teachers and staff understand how assessment and data inform us about our students and areas for us to improve in educating and meeting the needs of our students.

1.14: How the Curriculum Addresses California Content and Performance Standards

At HCCS all of our curricular standards are directly aligned to the California Common Core Standards, California ELD standards, California English-as-a-Second-Language Model Standards for Adults, CASAS competencies, Workforce Innovation and Opportunity Act standards, Western Association of Schools and Colleges, and the National Reporting Systems (NRS) standards for English as a Second Language.

To ensure that all of our students are meeting program, subject, course, and level objectives, each lesson plan is designed with a specific lesson objective. Each daily lesson is part of a weekly lesson plan, which is part of our larger monthly themes. Our monthly themes are essential elements of our annual academic plan. Through the creation and implementation of monthly unit plans, we ensure that all of our students are taught specific content, even if they complete a level or class.

Monthly Unit Plans
In our ELD program, we have theme-based monthly plans that are part of our standards. Each theme has an extensive list of corresponding lesson objectives within the unit. Based on the needs of the students and the level of the class, teachers select the content objectives appropriate for their class based on their curriculum objectives. Teachers also use the themed unit plans as part of their content for teaching other subjects including reading, writing, speaking, listening, math, and technology.

Month	Theme	Topics	Month	Theme	Topics

English Language (EL) Civics Lesson Plans and Assessments
In partnership with the Workforce Innovation and Opportunity Act (WIOA), we teach English Language (EL) Civics lessons which are designed to engage ELD students in civic responsibility through community involvement. These monthly lessons correspond to our monthly unit plans and are tied to leveled assessments. These lessons incorporate high interest content with reading, writing, speaking, and listening tasks as well as role playing activities and games. The EL Civics assessments focus on level appropriate objectives and are differentiated to ensure that students at every level are able to participate.

Professional Development and Lesson Plans
On the second Thursday of every month, our teachers and staff participate in professional development. During this time, teachers gather by program and level. Curriculum planning, lesson planning, materials gathering and sharing, and assessment planning are essential to the successful implementation of our curriculum objectives. During this time, teachers work together to create, gather, and share materials that are aligned to the courses and levels based on the theme or subject. This collaboration of lessons, materials, and assessments are then shared on our Drive to ensure that teachers continue to have access to the shared documents.

1.15: How the Instructional Program Supports the Development of Technology-Related Skills and Technology Use

At HCCS we value and support technology because we understand that it is directly connected to our students' success. Experience, exposure, and proficiency in technology are critically important for our students and for all 21st century learners. Since the beginning of our school, our administration has made technology a priority. In the beginning, we were unable to acquire the newest technology available, and as result, digital literacy was not provided to the extent we would have hoped. We previously accepted refurbished technology in partnership with certain organizations. In a lot of ways, this helped us to ensure that students had access to technology in the early years of the school's development. Since then, technology has been implemented more and more, not only in a wider scope but in a more in-depth way. Our goal is for students to be able to utilize computers in a way that reflects the world in which they live. Since HCCS opened its doors to students in the 2014-15 school year, our technology department has expanded significantly. In the beginning, our Information Technology (IT) department was a one-person

department. One person was enough to cover distribution of technology materials, maintenance, and internet connectivity. We now have a three-person IT team which consists of one IT Manager and two IT Technicians. At HCCS we are proud to say that our computer-to-student ratio is 2:1, and we work each year to upgrade classroom technology. At HCCS we will continue to increase access, improve our technology, and then utilize it in our classrooms.

Technology at Highlands Community Charter School is always evolving to meet both staff and student needs. A little over a year ago, HCCS was inundated with an unreliable network infrastructure. This meant that many employees and students were unable to print, check emails, and use the internet consistently. We remedied this by completely changing the topology of the network. We completely upgraded our hardware and internet services. We were previously plagued with viruses and malware. This was solved with the introduction of Sophos Central. Lastly, most of our computers used by both staff and students were outdated. As was mentioned before, this has become a central focus to replace all student computers with updated laptops and provide all staff with more modern laptops, computers, online programs, and software.

One of our goals is to truly integrate technology into students' lives via classroom lessons, relevant examples, classwork, projects, and helping students to communicate in our modern world. Technology standards and objectives are integrated into our curriculum and are clearly defined for our teachers. Across varying sites, our teachers incorporate technology into their lessons. Our teachers use educational learning videos, tutorials, web-based reading programs, Microsoft Office, and Google Classroom. Teachers model the use of technology in their classrooms and show students how to access and utilize Google docs, emails, etc. Our goal is to have all teachers using and adapting technology to accommodate our students' levels and needs. A new Digital Literacy curriculum is currently being piloted using Northstar Digital Literacy tasks and assessments, and soon it will be incorporated into our ELD and high school programs.

At HCCS we face a complex challenge with technology. Not all of our students, teachers, and sites have the same level of access to technology nor is the same level of technological access possible at all sites. Technology is not limited to computer access, but some sites have more specialized tools than others (e.g., smartboards, document cameras, printers, computer labs, etc.). To combat this issue, teachers encourage students to use their phones to access the internet and to use applications to access email, language applications, such as *Duolingo* and *Pronunciator*, and access classroom materials using Google Classroom. We are currently increasing access to technology at our off-site locations and working to ensure that access is equitable. This means purchasing more updated computers, installing projectors, and training teachers to implement digital literacy.

Our students have varying levels of knowledge and experience with technology. Some of our students are very familiar and comfortable using computers and computer programs. Some of our students have excellent typing skills, experience composing documents, sending emails, surfing the web, etc. while others struggle to turn on a computer. Our plan is to implement digital literacy diagnostic assessments to ensure that all of our students are able to use technology at a basic level for each student's class, and we are working with nationally recognized assessments like the Northstar Digital Literacy Assessment. Technology, academic success, career goals, and social engagement are all important for our students, and we believe that in order for students to be fully successful in the 21st century, they must become digitally literate.

CASAS Computer-based Assessments

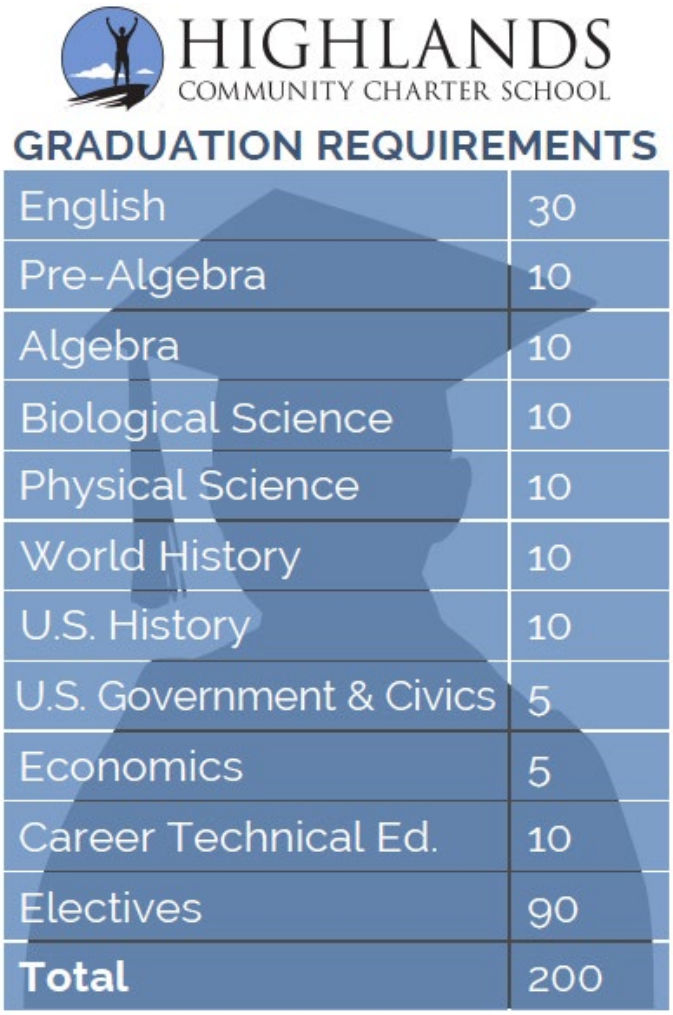
At HCCS we use CASAS computer-based assessments for all of our students in reading, listening, and mathematics. CASAS assessments are standardized tests that are reliable and valid assessments for native and non-native English speakers. The purpose of the assessments is to track student progress over time.

Although the assessment is available as a paper-based assessment, a computer-based assessment, and on the internet, at HCCS we use the computer-based format. We believe that teaching our students to use computers for their standardized tests is a valuable and transferable skill. During CASAS, students practice turning on a computer, opening a program, typing personal information, using a mouse to navigate between screens, opening and closing windows, plugging headphones into a computer, adjusting the volume on their computers, selecting answers, and closing a program. We know how important these skills are for our students, and we support our students while they learn how to complete these basic computer tasks.

1.16: Graduation Requirements

At HCCS we have two primary programs with subgroupings in each. We offer a High School Completion program and an English Language Development (ELD) program. Under the high school program, we have Career Technical Education (CTE) pathways, and we offer a citizenship course under the ELD program. These elements, along with interventions and supplemental offerings, comprise our school's educational program. The high school curriculum at HCCS is based on the California Department of Education graduation requirements. The following chart shows what is required of high school students At HCCS with 200 credits minimum required to graduate.

HCCS' high school students are eligible to graduate when they have been awarded 200 high school credits: 100 Academic, 90 Elective, and 10 Career Technical (CTE) credits. As part of the 200 credits, transfer credits and employment credits count toward this total. High school credits are awarded by 5 credits (in 9 weeks) and 10 credits (in 18 weeks). Currently, high school credits are awarded every nine weeks when students receive grades. During the 2014–15 and 2015–16 school years, high school students received grades every six weeks. During the 2017–18 school year, we transitioned from a six-week grading period to an eight-week grading period. As soon as the high school students complete 200 credits and those credits are verified, students are eligible to



apply for their diploma. After students receive their diploma, they are asked to participate in a graduation ceremony.

Counselors and the registrar work together to compose an educational plan for each student. The registrar and counselors also collaborate to ensure transfer students have received all their previously earned credits. Thus, credits are verified once the registrar receives and processes the students' official transcripts from their previous school(s). Once the counselor is aware of the students' graduation status, counselors schedule students into their respective classes. It should be noted that each student is required to take either Career Success or Leadership in order to ensure their CTE requirements are fulfilled.

Counselors help ensure students will meet graduation requirements by conducting routine check-ins. Over the duration of each check-in, counselors update students on their academic progress; this includes discussing credits earned over the course of the each term. Moreover, each student is provided with an academic progress report. In addition, counselors and students discuss the next class/classes students will enroll into and why. As an adult serving charter, we do not presently offer any college preparatory A-G courses.

Credits Awarded for GED and HiSET

At HCCS most of our students earn credits in two ways: by transferring them from a previous school or by earning them at HCCS through completing courses. However, we sometimes award class credit for students who have passed the GED or HiSET. For the GED, we award credits when students have completed certain sections of the GED where it is appropriate and when it is not prohibited by law. Students are also awarded credits for the HiSET. Students are awarded credits after passing either the English or Spanish version of the test, with the exception of English Language Arts, if the test is taken in Spanish. While students can earn credits, all HiSET students are enrolled in high school, and transcripts are evaluated by HCCS counselors and registrar. Credits are awarded from the HiSET on a case by case basis and are categorized as academic or elective as needed.

1.17: Plan and Timeline for Maintaining Western Association of Schools and Colleges (WASC) Accreditation

Highlands Community Charter School received a 3-year preliminary Western Association of Schools & Colleges (WASC) accreditation in the 2015–16 school year and is currently WASC Accredited through June 30, 2019. HCCS is currently undergoing the Self-Study process to renew the accreditation prior to expiration and has scheduled a seven person team of WASC representatives to visit HCCS's many locations during February of 2019. HCCS has grown exponentially as have our programs, locations, enrollment, and partnerships. Each instance of growth or change was centered on the benefits they would bring to our students. HCCS submitted substantive change reports to WASC in October of 2018, which were accepted.

HCCS school leadership has used the WASC Action Plan and Local Control Accountability Plan (LCAP) to align all student schoolwide goals. Through the implementation of the WASC plan and LCAP, HCCS engages in authentic stakeholder reviews and input on everything from budget and governance to facilities and curriculum. HCCS utilizes its diverse Leadership Cabinets as a critical review group that reviews, informs, and recommends programmatic development and improvement. The mid-year LCAP review, curriculum review, and WASC review act as internally driven programmatic audits assessing progress against designated goals.

1.18: Informing Students about the Transferability of Courses

Students meet with their assigned counselors in one-on-one appointments that are set to make individual course maps and goals. During these individual meetings, the counselor discusses with the student his/her scope and sequence of all requirements and grade equivalents needed to ensure graduation and college acceptance. If a student is not on-target with his/her graduation road map, the counselor also helps amend his/her scope and sequence to earn necessary credit redemptions and all other prerequisites. Our ELD Navigators are bilingual or multilingual and can provide necessary presentations and documents in the appropriate languages. ELD Navigators work with the students individually to educate them according to their individual goals.

Within the context of these relationships and various presentations, students will be informed about the transferability of courses to other high schools and college, including WASC accreditation. As HCCS is not a college preparatory charter school, it will not generally include A-G classes, but students will be informed that, as graduate, they may enroll in a community college or another college that does not require A-G college preparatory courses.

1.19: Transitional Kindergarten

Serving adults ages 22 years and older, Highlands Community Charter School does not provide a Transitional Kindergarten program. However, we do provide Early Childcare Education (ECE) courses as part of our Career Technical Education ECE program. Through this program, our adult students who are interested in Early Childcare Education provide care to non-school-age children of HCCS students in play care at various sites while working toward a Child Development Associate Teaching Credential and/or a State of California in-home Child Care License.

Academic Calendar and Schedules

1.20: School Calendar

The 2019–2020 calendar below indicates the beginning and end of instructional days for students in yellow. Highlighted in red are the student holidays, gray are breaks, and green are teacher work days/non-student days.

12	175	390	46	315	0	0	221	64800	82,740	17,940

1.23: Early College and Middle College

HCCS is not an Early College or Middle College High School. As such, requirements for these programs are not applicable to the educational programs at HCCS.

Professional Development

1.24: Recruiting Qualified Teachers

Highlands Community Charter School recruits highly qualified educators to our community by posting vacant teaching positions on the recruitment website www.edjoin.org, a third party employment entity

used throughout California and the greater United States as a central advertising location for many different educational organizations. Additionally, we attend the annual Teacher Recruitment Fair held each spring at Sacramento State University in order to meet with new teachers beginning their careers in Adult Education. This gives us the opportunity to market our charter school as a competitive organization in which to work. We also send out recruitment flyers to additional institutes of higher education in the surrounding area, per the school's staffing needs.

1.25: Ongoing Professional Development

Recognizing the importance of staff development and teacher training, Highlands Community Charter School honors its staff by providing numerous professional growth/orientation opportunities throughout the year. We give our teachers weekly opportunities to use additional out-of-class time for lesson planning, grading, and preparation. Additionally, we offer monthly workshops, trainings, and collaborative opportunities for each of our employees schoolwide within their departments. Some of these include the following:

- During more than half a dozen Teacher Work Days/Non Student Days, HCCS provides a full day of schoolwide staff professional development, offering sessions addressing such topics as employee benefits, community partnerships, CPR training, sexual harassment training, Safeschools Trainings, Catapult Emergency System training, etc.
- HCCS offers monthly instructional professional development days that feature break-out sessions and workshops led by our Professional Learning Coordinator and Lead Teachers addressing such topics as standards alignment and curriculum, use of instructional approaches, materials and assessments, application of technology in the classroom, cultural awareness, leadership, literacy/pre-literacy, etc.
- In addition, HCCS is committed to providing full-time certificated teachers with funding designated to support his/her participation in the pursuit of additional training, advanced degrees or designations, continuing coursework at the college or university level, or attendance at educational workshops and/or conferences, contingent upon annual budget allocations. Our teachers have attended EdTech, California Association for Bilingual Education (CABE), Positive Behavioral Intervention Systems (PBIS), Systematic Instruction and Phoneme Awareness, Phonics, and Sight Words (SIPPS), California Teachers of English to Speakers of Other Languages (CATESOL), CASAS Institute, and Workforce Investment Opportunity Act conferences.

Professional development and collaboration will continue to be scheduled on a regular and ongoing basis to support teachers and staff throughout their careers at HCCS. In establishing a professional teaching environment, HCCS will continue to ensure collaborative, schoolwide planning time for teachers to design student-focused curriculum, pedagogy, and assessment through which students can make connections and deepen their understanding of concepts and achieve higher levels of academic success.

Moving forward, HCCS will continue to strengthen internal professional development, which will focus on curriculum alignment and teaching strategies/delivery. We plan to begin a structured and supported system for teachers to observe their peers and learn from one another first hand. Additionally, we are in the process of creating a systematic approach to external professional development, which will ensure that each teacher is allotted the same number of conference opportunities throughout the year. HCCS will continue to survey teachers and students' needs, allowing for those results to drive the professional development calendar.

In order to ensure that HCCS teachers are prepared to successfully deliver a rigorous curriculum, we hope to improve upon initial induction as well as ongoing professional development for all teachers in all disciplines. After much internal dialogue and cross-departmental discussion, HCCS created a professional development plan for the 2019–20 school year which will include common themes of curriculum implementation, teaching strategies, and improved communication.

	ELD	HS	CTE	Office
Summer	Curriculum: objectives, materials, lesson plans, rubrics	Collaboration: cross-curricular/team building	Curriculum: align to state mandated requirements	Customer Service: conflict management
Fall	Instructional Strategies: multilevel, differentiation	Leadership: teacher culture, sharing, CTSP	Engagement: student buy-in for CTE programs	Legality: registration, orientation, files, FERPA
Winter	Cultural Competency: teachers and students	Curriculum: standardize, accountability (check-ins)	Integration: high school/CTE course content	Health/Safety: process and protocol clearly delivered
Spring	Classroom Management: techniques, sharing, teams	Grading System: process for credits, progress reports	Relevance: graduation to job market transfer of skills	CASAS/ PowerSchool: training, internally and externally

At Highlands Community Charter School, we recognize the important role new teacher support plays in preparing great teachers for the rest of their careers as educators. It is the mission of the induction team at HCCS to not only provide regular support through mentorship and professional development but also provide new teachers with leadership skills and the opportunity to demonstrate their abilities through systems of professional growth. Partnering with both Sacramento County Office of Education's Induction program for Single and Multi Subject Credentials and the San Diego County Office of Educations' Designated Subjects Credentialing Consortium for CTE and Adult Education Credentials, HCCS facilitates and provides sponsorship through two years of growth and professional learning, covering the cost of tuition, training, and mentor partnerships. Highlands Community Charter School prides itself on helping teachers build lifelong skills both in the classroom and in their long-term professional goals as academic leaders dedicated to the success of students.

Meeting the Needs of All Students

1.26: English Learners

Highlands Community Charter School is committed to all students, including English Language Learners ("ELLs"). HCCS meets all applicable legal requirements for ELLs as it pertains to annual notifications, student identification, placement, program options, ELL and content instruction, teacher qualifications and training, Reclassification to Fluent English Proficient status (RFEP), monitoring and evaluating program effectiveness, and standardized testing requirement. HCCS implements policies to assure proper placement, evaluation, and communication regarding ELLs and their rights.

Identifying English Language Learners
HCCS administers the Home Language Survey ("HLS") upon initial enrollment though our registration forms where students answer the following Home Language Survey questions:

1. Do you speak English fluently?
2. What language did you first learn to speak?
3. What language do you most frequently read/speak at home?

These questions are used to determine a student's home language status as follows:

- *English Only (EO)*
  If the answers to the three questions are "English", the child is classified as English Only.

- *Possible English Language Learner*
  If the answers to any of the three questions on the Home Language Survey indicate a language other than English, or a combination of English and another language, and there is evidence of significant non-English exposure, then the student is assessed using CASAS to measure his or her level of English proficiency. The student is then consulted by a staff member regarding the need to administer the assessment, the results, and the subsequent program placement of the student.

- *Self-Identified English Language Learner*
  If a student initially self-identifies as an ELL, s/he is immediately assessed for English language proficiency for appropriate placement and is automatically placed in an ELD classroom appropriate to his/her level.

Educational Program for English Language Acquisition
As HCCS is required to timely identify potential ELLs and provide them with an effective English language acquisition program that affords meaningful access to the school's academic core curriculum, instructional plans for ELLs are (1) based on sound educational theory; (2) adequately supported with trained teachers and appropriate materials and resources; and (3) periodically evaluated to make sure the program is successful and modified when the program is not successful.

HCCS implements our own English Learner Instructional/Master Plan. The instructional plan encompasses the following, including but not limited to:

- How ELLs' needs will be identified;
- What services will be offered;
- How, where, and by whom the services will be provided;
- How the program for ELLs is evaluated each year and how the results of this assessment will be used to improve those services (annual report of the assessments)

Using Standardized Assessment to Support Student Progress
In accordance with state and federal regulations, students whose HLS indicate that a language other than English is used at home are assessed for their English language proficiency level within 30 calendar days of enrollment. In addition, students are notified of the assessment results and program placement within 30 calendar days of initial enrollment.

Based on a student's overall performance on the CASAS, s/he may be classified as an English Language Learner or an Initially Fluent English Proficient (IFEP) student. Once a student is identified as an ELL, s/he is placed in an ELD class that supports her/his identified level. State and federal guidelines require

each EL to be assessed annually to determine their progress in acquiring English language proficiency; however, at HCCS each student is assessed every six to eight weeks with the CASAS and additional end-of term assessments to capture progression and to advance through program levels efficiently until she/he meets the eligibility criteria and is Reclassified Fluent English Proficient (RFEP).

Strategies for ELL Instruction and Intervention

The instructional design model used at HCCS places heavy emphasis on differentiated instruction to meet the needs of the ELL population based on academic and language readiness. Through the well-defined professional development plan that accompanies this instructional design model, teachers are trained on a variety of instructional strategies to be used specifically with EL students. These strategies include support materials from state adopted materials, academic language scaffolding, and full-time instructional support with our English language learner expert instructional staff. Our Professional Learning Coordinator conducts regular staff development sessions to review current practices and develop strategies for students.

In order for the ELL students to remain current with their peers, HCCS emphasizes alignment to state adopted standards and materials to ensure ELLs have the same core base of knowledge. Additionally, ELLs are provided with supplementary materials to create extensions and scaffolding to the curriculum for better understanding of the materials.

The use of academic language scaffolding demonstrates to ELLs the step-by-step processes to complete tasks on their own. Scaffolding includes several linked strategies including modeling academic language, contextualizing academic language using visuals, gestures, and demonstrations, and using hands-on learning activities that involve academic language.

Process for EL Reclassification

We have developed a process and an accompanying form outlining the criteria for EL reclassification. Specifically, we assess the four components laid out in CDE's guidance:

1. We will continue to assess English language proficiency (ELP), using CASAS (Comprehensive Adult Student Assessment Systems) results, which we obtain every 6-8 weeks from our students. We pair that with internal measures of English language proficiency which are designed around our curriculum and are in turn aligned with state and federal standards.
2. Our ELD teachers use both periodic and end-of-term assessments to review students' mastery of curriculum. Our high school teachers use formal assessments at the end of chapter, unit, and term to assess students' mastery of curriculum.
3. As adults, our students are invited to participate with opinions and consultation regarding their readiness for reclassification. They are advised at the beginning of the year (or upon entry into our ELD program) and then annually of their rights and the process of reclassification.
4. We use PowerSchool and other tracking methods to establish the range of performance by English proficient students, and then use those results to compare with ELs' performance.

Process for Monitoring Progress of ELs and Reclassified (RFEP) Students

We are making substantial improvements to our schoolwide curriculum for ELD classes, our internal assessments and instructors' ability to use them, and our entry and tracking processes for ELs' progress. With these fully in place, we will be better able to track students and obtain more useful data on ELs' progress. The same will be true of reclassified students as they proceed in our programs. Enhanced assessments and tracking, along with our Reclassification Specialist in charge of the reclassification and monitoring processes, will allow us to do more tracking during progress.

Process for Monitoring Progress and Effectiveness of Supports for Long Term English Learners (LTELs) and for Students At-Risk of Becoming LTELs

Given that our program is much shorter than six years, we have not implemented a process for identifying or monitoring the progress of LTELs. Nevertheless, we are improving our methods for identifying and intervening with at-promise students. In our high school program, teachers and counselors have implemented a program to identify students at risk of not making academic progress. This process will help identify students at risk of becoming LTELs. The Reclassification Specialist, working with our data team, will also work within our ELD program to identify students whose progress is slower than expected.

1.27: Students Achieving Above Grade Level

While Highlands Community Charter School does not subscribe to a Gifted and Talented Education (GATE) specific program as we are primarily serving adults who have previously faced many obstacles to achieving academic success, our methodology meets the advanced educational needs of our high achieving students within the regular classroom by tailoring individualized learning plans for each of our students and providing level appropriate content and support. However, we recognize that many of these obstacles are not necessarily intellectual, and as such, we strive to identify and support our high achievers.

With our highly individualized learning plans and differentiated classrooms, identifying high achievers comes naturally as students are able to demonstrate proficiency and progress on a daily basis through one-on-one formative assessments, bi-monthly CASAS assessments, and course completion rates. In HCCS high school classrooms, students are able to progress through course content as quickly as they feel comfortable and are awarded grades and credits upon course completion even though course content is designed to take either nine (9) weeks or eighteen (18) weeks depending on the course. Additionally, all High School students at HCCS are assessed in reading and math every six (6) to eight (8) weeks. In the ELD classroom, students work in multi-level classrooms where their instructors formatively assess them on a daily basis and can freely adjust and deliver content complexity as necessary as multiple levels and content areas are being addressed daily. HCCS ELD students are assessed in reading, listening, and math by CASAS proctors every six (6) to eight (8) weeks. ELD Teachers administer summative assessments at appropriate times during the term, including at the term's end and award progress marks to determine whether individual students are ready to advance to the next level.

Based on these assessments, individualized and small group lesson plans are prepared for each student. Students working above content level are placed in the curriculum at the appropriate level, which allows them to work in a content-accessible environment. For example, a Low Beginning ELD student may be working in the Low Beginning curriculum in Writing but at a High Beginning curriculum level in Reading. This student might change group settings throughout the day to allow for higher stimulation of content through new group settings. This allows for individualized instruction in the coursework area that is appropriate for the student and allows them to work at a pace and in an environment that is most appropriate to their abilities. Students who are advanced in all content areas can work ahead in all coursework, and students who have a specific aptitude in one or two subjects can work ahead in those specific subjects but still receive the time and attention they need for content areas in need of deeper focus. This classroom-based, individualized learning environment allows academically high achieving students to accelerate their learning, propelling them more quickly toward high school completion and diploma obtainment.

Additionally, we currently implement or are working toward the implementation of the following enrichment programs for students who show great aptitude in other areas of the curriculum:

- Our Early Childhood Education (ECE) program students currently use *Edynamic* to access advanced classes and electives. We plan to train teachers on the use and implementation of this resource as an additional tool to support our high achieving students in their academic goals and keep them engaged in their learning throughout their academic careers here at HCCS.
- High achievers may currently choose to become teaching assistants in various elective classes, where they can hone their own academic skills through the guidance they provide other students with the direct support and oversight of the instructor.

By providing individualized programs for high-achieving students, Highlands Community Charter School is able to meet the needs of those students who have a greater aptitude in one specific subject matter area, as well as those students who are high achievers in multiple areas. In this way, all students' needs are being addressed.

1.28: Students Achieving Below Grade Level

Students Achieving Below Grade Level
We choose to serve the unserved and recognize that this means many of our students have struggled with academic achievement in the past. We believe that all of our students are capable of greatness and go through great strides to remove obstacles to their achievement today. Our classrooms, by design, effectively serve students who, historically, are academically low-achieving, as well as those who are academically high-achieving.

Given the vast differences in educational, cultural, socio-economic, geographical, and emotional backgrounds of our students, we know that they will all learn at different paces. In the same way we identify and support our high achieving students, we use highly individualized and differentiated classroom setting and multiple assessment strategies to determine which of our students are in need of additional supports in order for them to successfully achieve their academic goals. Our individualized and differentiated classrooms support students in completing their required coursework and curricular content in a self-paced fashion, allowing them additional class time and instructional support to master curricular content before advancing.

By having a year-round learning program, our students are able to maintain their focus, motivation, and educational momentum with less interference of external distractions that might deter them from returning at summer's end. This promotes in our students a sense of commitment, and we regularly tell them, "Progress requires commitment, and commitment requires attendance." When our students feel committed to their own achievements, this leads to happiness which contributes to great learning environments for all and radiates to the surrounding community.

All of our students have decided to further their education because they desire to learn and produce purposeful, meaningful work in order to better navigate the world around them and participate in the community in contributory ways. When they are able to learn at their own pace, and the teacher, through his/her observations of each student, is able to prepare individualized lessons to meet the needs of the students in his/her classroom, this system has a foundation built on trust and respect of the individual, resulting in community members who make marked impressions on all those who witness success beyond expectations.

Our plan for low academic achievers includes three remediation areas. These include: Student Success Team (SST) plans, access to academic support programs, and the availability of supplemental materials to teachers.

Student Success Team (SST) members identify specific academic areas of need for low achievers and plan interventions that are monitored and reviewed at subsequent meetings. Plans include specific modifications within the classroom, resource materials and referral to supplementary assistance, and programs that target specific academic skills.

Programs, assistance, and services that target the needs of academically low achievers include:

- Reading Specialist
- High School Reading Skills classes
- Multilingual Paraeducators
- Math Paraeducators
- Literacy Classes - our ELD non-literate students, who have had very little, if any, access to written texts in their native languages are provided specialized instruction by Second Language Learner (SLL) literacy specialists.
- SIPPS Reading
- Student Engagement Liaisons

HCCS's curriculum has the flexibility to provide concrete materials for those students who are not ready for more abstract learning. The flexibility of the curriculum also allows for students within a classroom to work at multiple skill levels. Students' individualized work plans are modified to target skill remediation as needed or to provide additional challenges for skills already achieved. In addition to the availability of a wide variety of materials, teachers have access to supplementary materials and support from the Resource Program. Teachers check out materials to target skill areas as needed. They also have access to the Pre-referral Intervention Manual (PRIM), which provides multiple classroom interventions for specific academic areas.

Response to Intervention (RTI)/Student Success Team (SST)
Highlands Community Charter School teachers and staff utilize the Response to Intervention Model (RTI) to address the educational needs of our low achieving students to ensure learning is occurring. Struggling students are identified by procedures established by each school site, including CASAS results, student performance below 70% in a core subject area and/or failing to make adequate progress to next level courses. These students are provided with interventions such as highly qualified, research-based classroom instruction, ongoing student assessment, multilevel and differentiated instruction, and strong student involvement. These services are provided by a variety of personnel, including paraeducators (i.e. teacher assistants) and teachers during a scheduled RTI period. After appropriately utilizing the RTI process, students requiring further modifications other than additional instruction and re-teaching will trigger the Student Study Team (SST).

The SST focuses in-depth on one student at a time and encourages the adult student to participate in finding solutions. The SST uses a systematic problem solving and coordinating approach to assist students, teachers, and staff in seeking positive solutions to concerns that are interfering with success and to maximize student potential. The SST clarifies problems and concerns, develops strategies and organizes resources, provides a system for school accountability, and serves to assist and counsel the parent, teacher, and student. This process informs individual and class wide actions to address issues such as use of classroom resources, behavioral management, and classroom modifications. Many students can benefit from an SST, including those students achieving below or above grade level and students who have experienced emotional trauma, behavioral issues, or language issues.

Anyone who has a concern for a student can refer that student to an SST based on the RTI model for consideration. Our adult students may also self-identify and seek services for themselves. The referring party completes an HCCS SST Referral Form and submits it to the Director of Curriculum and Instruction and the student's counselor, who establishes an SST meeting. Anyone who is connected with that student can be included in the SST to provide information to share about the student's strengths, concerns, and strategies that have been used in the past. These people may include, but are not limited to, teachers, parents, counselors, doctors, administration, social workers, advocates, and law enforcement. Progress on action items is monitored by setting a follow-up SST meeting date within 4-6 weeks of the initial meeting. At the follow-up SST meeting, action items are reviewed, and student progress is discussed. The follow-up SST meeting is documented on the *Student Success Plan Follow Up,* at which time the action plan may need to be modified and additional interventions may be added depending on student progress.

A key goal to the HCCS RTI model is to improve the outcomes for all students. After implementation of an SST plan and follow up, if the problem continues, revisions to the plan may be discussed, or if necessary, a referral for special education or Section 504 assessment might be deemed necessary by the SST.

1.29a: Socioeconomically Disadvantaged/Low Income Students

At Highlands Community Charter School, students from low socioeconomic backgrounds thrive and learn in a nurturing, caring, and collaborative environment. HCCS identifies socioeconomically disadvantaged/low income students upon registration through our Household Income Data Collection form, and the information collected is recorded in our PowerSchool SIS system, allowing HCCS staff to monitor and track students in this subgroup.

As a large majority of our student population are identified as socioeconomically disadvantaged/low income, HCCS provides professional development that is focused on intentional instruction, reflecting a diagnostic approach that is driven by identified instructional needs. HCCS teachers understand the importance of positive teacher-student relationships and how to incorporate continual monitoring and assessment to guide instruction. Students participate in fun academic enrichment activities that are aligned to their level-pacing academic plans and are taught cognitive strategies such as the structure of language, how to establish goal-setting and procedural self-talk, how to sort relevant from irrelevant cues, and how to use mental models. Additionally, in order to meet the economic needs of this subgroup of students, HCCS holds workshops with partners on issues related to economic need.

1.29b: Students with Disabilities

Overview

Highlands Community Charter School will make all necessary arrangements to serve students with disabilities and comply with all applicable federal, state, and school district mandates serving students with disabilities, including but not limited to Section 504 of the Rehabilitation Act ("Section 504"), the Americans with Disabilities Act ("ADA") and the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA").

Highlands Community Charter School is categorized as an independent LEA, serving adults 22 years of age and older and is not required to join a SELPA pursuant to Education Code 47641(a) either on its own or with a grouping of charter school LEA's as a consortium. As such, HCCS does not receive state and

federal revenues in accordance with the SELPA's allocation plan. However, if a student, who previously had an IEP, enrolls at HCCS, a copy of the previous IEP is reviewed to identify specific learning disabilities from the SST to determine if the student is then 504 referable. If HCCS can meet the accommodation requirements from the previous IEP, then these accommodations will be incorporated into an SST as strategies. Any decision to deny or grant an accommodation by the SST shall be made in accordance with the law. Implementation of Special Education service begins with a Response to Intervention and pre-referral remediation and monitoring of low achievers by Student Success Team members. The team identifies problem areas for low achievers and plans interventions that are monitored and reviewed at subsequent meetings. When students do not make satisfactory progress after implementation of remedial programs and strategies, they may be referred for evaluation under Section 504 of the IDEIA.

Students in this subgroup are monitored in the same way as their general education peers except with some accommodations and modifications according to each student's SST or 504. Special education teachers are expected and required to provide progress reports on SST/504 goals at the same frequency in which general education teachers provide report cards and progress reports.

1.30: Students in Other Subgroups

Former Foster Youth

HCCS students are identified as former *Foster Youth* through enrollment applications. HCCS tracks students formerly in foster care through CALPADS. Students' assigned school counselors at HCCS meet the needs of each student individually by providing access to resources (e.g., clothing closet, food pantry) or to partners and mental health providers who are readily available to assist with the mental health needs frequently associated with students formerly from the foster care system. Interventions for students formerly in foster care are provided as needed through an SST (Student Success Team) process, which is provided depending on need based in academic and behavior performance. Additional support is provided to HCCS former Foster Youth through our student meetings and teacher and administrator open door availability. Teachers track how former Foster Youth are performing academically in their SST Action Plans after each benchmark to ensure they are maintaining growth.

Standard English Learners

Standard English Learner (SEL) students who speak African American Vernacular English (AAVE) and Latino American Language have mastered a language variety that is of a non-mainstream form. Each of these varieties is based largely in English vocabulary and grammar but employs its own phonological, lexical, syntactic, discourse, pragmatic, and usage features. These non-mainstream varieties are systematic and highly structured, with explicit rules for forming sounds, words, and sentences and are highly effective and useful as language systems in their communities of practice. The retention and application of the complex linguistic rules of these English varieties generate differences between the students' home speech and the language of the school. SELs are identified through examination of writing samples since SELs tend to write in an oral style that reflects the dialectical variance. Teachers and Specialists meet the needs of this subgroup through daily classroom instruction and support. HCCS provides focused professional development for its instructional team and monitors the progress of students in this subgroup through assessments and tasks that identify features of AAVE and Mexican American English such as students' ability to use context clues, word parts, multiple choice, examining writing samples, and monitoring fluency.

"A Typical Day"

1.31: A Day in the Life of HCCS

Many of our students start their day with their children, getting them ready for school, walking them to school, to the bus stop, or dropping them off in their car. Some of our students bring their small children to school at HCCS with them for play care. For our night classes, our students often arrive at school right after work.

Once our students arrive at school, they go to class, greet their teachers and classmates, enjoy tea or coffee, and settle into class. Days typically start with a warm-up, reading, or discussion to get students' brains warmed up and excited for the day ahead. Our teachers utilize thought provoking subjects to spark our students' intellect.

All of our classrooms utilize technology—many of them in very innovative ways. You may find a teacher utilizing Google Classroom and assigning projects to students which they receive on their personal cell phones. Other classrooms may utilize personal laptops where students can independently research topics, use web-based tools in study groups, or work on their resumes. Each teacher is able to tailor the classroom technology to his/her student population. For our multilevel high school classes, students are grouped at tables by the subject they are currently studying and work as a team towards their projects or work.

One of the most cherished experiences of our students at HCCS is the diversity of our "HCCS family". We have students from over 60 countries who speak 30 different languages. Our students become friends, support systems, mentors, and sometimes family during their time at HCCS. While walking our campus at lunch or break time, you will find diverse groups of students socializing together, laughing, or sharing food. Food is a huge part of the HCCS culture. It brings people together, allows our students to share their culture, and strengthens the relationships of our students.

Our high school students rotate classes based on their credit deficiency and level. A high school student's typical day could start in our English classroom, where they are reading a novel, then go to their pre-algebra or algebra course, where every student who walks through our doors with math anxiety leaves with confidence and appreciation for math, and their day may end in a career success class where they are learning about soft skills, interviewing techniques, and proper career attire.

During their time at HCCS, our students will come into contact with a number of different support personnel from paraeducators in their classrooms who can provide one-on–one assistance to career counselors in the student success center who can assist with record expungement, license reinstatement, and refer students to part-time employment to survive while attending school. Their counselor checks in with them on a regular basis, and our clear connection group provides a weekly support group for students who are dealing with a variety of addictions.

Student Biographies

Lupe Aguilera spent most of her life making noise so that someone would notice her. As a child, who grew up in a family of 14 siblings, Lupe was never given the recognition or support she needed to believe in herself. What's worse is that no one believed her when she told them she was being abused in her own household. "It got to the point where I wanted to just shut myself out. So I got myself into trouble all the time because I felt like my mom wasn't paying attention to me," Lupe said. "I thought if I got into trouble, maybe she would start paying attention to me." When she realized no one was listening, Lupe

said she started to act like the housemaid in order to get herself away from her abuser. She would clean up the five-bedroom, three-bathroom home once a week so that she could get permission to leave for as long as she liked.

Lupe went from couch to couch, family to family, group home to shelter, trying to find someone, anyone who would care. Finally, she found that one person who turned it all around for her, but it wasn't until much later in her life—after she had already had two children of her own. "I was in the shelter with my kids, and I was still messing up—still coming home late and drunk. I couldn't get it right. After a while, the workers at the shelter called me in. They were just tired of me because I couldn't get my shit together," Lupe remembers. They all sat Lupe down at a table and told her that everyone had voted her out, that no one wanted her there anymore, and that they didn't see anything in her. They told Lupe what she had been convincing them of all along—a truth she had believed herself.

"But there was this one guy there. His name was Jeff, and I'm never going to forget hi. He told me, 'I do see something in you, and I think you should stay. I think you should work this program like I know you can.' And ever since he told me that and believed in me, I got my shit together. I think I was just always looking for someone to do that, but I didn't know that it was that I needed," she said. Finding her place in this shelter helped Lupe to understand that when you fall down, it's okay to ask for help getting back up. "When I initially left to join the shelter, I told my parents, who I was living with at the time, that I was going to a hotel because I knew they would disown me if I told them. They had too much pride and thought they could help me themselves. Plus, me living with them was providing them with more disposable income," she said.

But once Lupe broke down and told her parents, the opportunities started opening up. "They were so mad at me," Lupe said as she started to cry. "I just told them that it's good for me and good for my kids and that I'm trying to be something better that I know I can be." Shortly after, Lupe earned a spot in transitional housing and started making strides for herself and her family. She started working full time and attending AA and NA meetings. "I couldn't believe I was making moves without having a partner by my side," Lupe said, "because Mexican women think that we need a partner to be with us because they are going to be our suppliers for everything and that we gotta depend on them, but it's not true. We need to know that we can depend on ourselves."

The outreach that she received through her shelter and those giving back in the community shook Lupe to her core. "It was so crazy—I never knew there were people out there like that. It made me change my ways," she said. Lupe said when she looks back on the years of her life that were spent high, she remembers how desperate she felt and doesn't want to ever return there. "I was going crazy. Like I would see or hear things that weren't even there. I would take so many pills, and I would faint," she said. "I just want to be better. My mom has always been that person who takes advantage of everybody. So I didn't want to be like my mom, and I still don't want to be like my mom. I think that's why I try to do everything I can for my kids now."

Lupe's relationship with her children has evolved greatly over the years, and she has finally won custody of her boys from a relationship which caused her much turmoil in her past. "Going through the custody battle with my kids was so hard because I couldn't read or write. I was constantly using my phone and talking to it to see how things were spelled to write it down on all that formal paperwork. It was hard," Lupe said. "I've come so far, and I won't stand for things anymore. I'm not going to be cleaning up after anyone else for the rest of my life." Now is the time in Lupe's life where she is focused on herself and her family. The first step in that journey was her graduation from Highlands Community Charter School on January 25, 2018. She is also an employee, working in the Clothing Closet and providing resources to those of our students in need. It was Lupe's vision to develop a mobile clothing closet for our school, which has made resources more readily available to those who are not on our main campus.

Brian is a 32 year old who attended 8 different schools from elementary to high school due to behavioral issues. He was given an IEP for his ADHD and never had expectations of success for himself. He dropped out of school in 10th grade, joined a gang, and started selling drugs to buy what his single mother couldn't afford. His choices led him to multiple incarcerations, never working an honest job, and a severe lack of self-confidence. While Brian was on probation, he was referred to a community partner for permanent housing where HCCS provided on-site education. Brian enrolled in our High School Completion program and our Truck Driving program to earn his diploma and Class A License. Brian faced significant challenges with Math and required one-on-one support and instruction. In the past, Brian had significant anxiety and struggles with math. HCCS was able to provide assistance to Brian, and he was able to pass his Algebra class and build his self-confidence and ability to succeed in school. While studying for his high school diploma, he also took our Truck Driving Pathway and earned his Class A License. Passing his Class A Permit test was a huge confidence builder and one of the first successes he's had in his life. This gave him the confidence to learn the skills necessary to pass his behind-the-wheel test and earn his Class A License. With a high school diploma and Class A License under his belt, Brian was able to go out and start his first job. This is a huge accomplishment for Brian! Now, two years later, Brian is still working as a Truck Driver for a local distribution company, earning a livable wage, supporting his family, and giving back to the community.

Shatoya is a 26-year-old high school dropout. She dropped out of school after her mother passed away when Shatoya was in the 11th grade and was placed in foster care. In and out of different homes and dealing with the death of her mother, Shatoya was not able to recover and stay in school. Shatoya lives in the Del Paso Heights neighborhood and was riding the bus one day when she saw a sign for Highlands Community Charter School and decided to stop and see what we had to offer. Shatoya always promised herself that she would earn her diploma for her mom and for herself. She enrolled in school and started the next day. At HCCS Shatoya became very active in student government, tutored her peers, and volunteered with the food distribution program. She earned a 4.0 and had perfect attendance during her time here. The teachers and staff recognized the bright young woman's potential and encouraged her to go to college and continue her education after graduation. Upon graduation, Shatoya enrolled at American River College to become a social worker to help young girls like she once was and change lives. While at American River College, she used her skills and passion from Highlands Community Charter School and assisted in the development of a student food pantry for students. Shatoya earned her associate degree and is currently working for the County of Sacramento while continuing to pursue her education and a bachelor's degree.

Blanca is a mother of 4 and an immigrant from Mexico. She worked at Jack-in-the-Box for 12 years as a manager to support her family. Blanca enrolled in our ELD program to improve her English and get a better job. She entered our program with good speaking and listening skills but needed to improve her reading and writing skills in English. Blanca spent 18 months in our ELD program, moving from Level 3 to Level 7. After completing Level 7, Blanca took our Bridge to high school class and re-designated to our high school program. While attending our High School Completion program, she was able to finally pursue her dream of getting a better job by taking our Early Childhood Education pathway and earning her Child Development Associate Credential. Blanca is currently taking Algebra, Economics, and interning with our Play care program. When Blanca walks the stage to receive her high school diploma with her children and husband in the audience, she will be living out her dream of a better job, showing her kids you can accomplish anything you put your mind to, and creating generational change.

Katya is a 30 year old immigrant from Ukraine where she was a bank manager. Katya came to the United States as an adult with her husband who was a successful lawyer in Ukraine. Katya had a basic understanding of English from her education in Ukraine, but wasn't confident in her speaking skills because of her accent. When Katya and her husband came to the United States, they had $120 and an

empty apartment. Katya's husband worked as a pizza delivery man at night to support their dream of becoming successful in the United States. Katya was able to connect with our student services staff who coordinated a donation of furniture, clothing, kitchen items, and toiletries for their home. Katya enrolled in our High Beginning ELD class and took her studies very seriously. She made a lot of friends from different countries, and they met outside of class for coffee to practice English and explore Sacramento together. Katya moved quickly through the levels and progressed to our ELD Bridge class in one year while also volunteering in a lower level class in the afternoons. Katya's teacher saw her potential, work ethic, and positive attitude and recommended her for a paraeducator position at HCCS for a literacy level course. Katya is now an employee of Highlands Community Charter School and loves giving back, changing lives, and encouraging students on their journey.

Elements 2 & 3: Measurable Pupil Outcomes and Method by which Pupil Progress Toward Outcomes will be Measured

The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the charter school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the charter school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school. **(Ed. Code § 47605(b)(5)(B).)**

The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card. **(Ed. Code § 47605(b)(5)(C).)**

Measurable Goals of the Educational Program

2.1: Description of Measurable Goals and Objectives

HCCS' annual goals and unique educational goals/objectives may be found in *Element 1—1.8: HCCS Annual Goals and Actions*

Measurable Pupil Outcomes: Summative Assessment Performance Targets

2.2: Specific Performance Targets

HCCS' specific performance targets may be found in *Element 1—1.8: HCCS Annual Goals and Actions*

2.3: Plan for Assessing Student Growth and Achievement

HCCS' annual measurable goals may be found in *Element 1—1.8: HCCS Annual Goals and Actions* (IF included in LCFF)

2.4: Other Performance Targets

HCCS' annual measurable goals may be found in *Element 1—1.8: HCCS Annual Goals and Actions* (IF included in LCFF)

Method for Measuring Pupil Progress Toward Outcomes: Formative Assessment

3.1: Monitoring and Measuring Student Progress

Measuring Student Progress
At HCCS our assessment procedures are essential accountability tools and help us to improve instruction and ensure student success. Our assessments and assessment results allow us to measure and track student progress. As we previously discussed in Element l, all of our curriculum objectives and assessments are aligned to the Common Core State Standards. Other formative and summative assessments are intended to assist us in the following areas:

- To inform our teachers of their students' levels and needs
- To ensure teachers recognize both areas of strength and growth and can supplement instruction where it is needed
- To provide our students with meaningful feedback about progress toward goals
- To ensure our school is making progress toward our vision, mission, and schoolwide learner outcomes
- To compare our school's academic performance data with other similar schools

As part of our instructional program, we assess students using a variety of assessment tools, including formal and informal assessments. We believe that all students excel academically when they are held to high standards and that all of our students meet our curriculum standards which we utilize to continuously assess our students' progress.

HCCS Assessments and Frequency

Enrollment Assessment
At HCCS we assess all of our ELD and high school students as part of the enrollment process. The assessment process varies between programs, but both programs assess all incoming students during registration.

ELD Placement Test
For our ELD students, we use two types of assessments. For reading, listening, and math we use CASAS and for writing and speaking we use in-house benchmark assessments designed by our Lead ELD Teachers and approved by our Director of Curriculum and Instruction. Our CASAS assessments are paper-based for our Literacy students and are computer-based for our Beginning Low to Advanced students. For our speaking test, the teacher begins by introducing themselves and asking the student basic conversation questions, such as their name and how to spell it. Then the teacher presents images to the new student and asks leveled questions about the pictures. The purpose of the speaking test is to illicit as much English as possible within the context of the images. If students can appropriately respond to questions, the teacher continues showing images and asking increasingly difficult questions. Students are then given a speaking level based on the test. After the speaking assessment, students are asked to respond to a leveled writing prompt that correlates to the level they received on the speaking test. If the writing prompt is too difficult, the teacher can give them the prompt that is a level below. The purpose of the writing prompt is to get a sample of the writing that represents the students' ability. The writing assessment is then graded, and the student is placed in the appropriate class.

High School Placement Test
For our high school students, we only utilize CASAS assessments as part of our new student enrollment. High school students are assessed in reading and math and placed in classes based on their enrollment

assessments as well as their transcripts. For our ELD students who are moving into our high school program, we assess them in reading, listening, and math to ensure that they are ready to enter high school.

CASAS Assessments

The one assessment tool that is utilized as a universal screener across all programs is the Comprehensive Adult Student Assessment Systems (CASAS). This nationally recognized assessment system integrates Common Core Standards which align to our curriculum in both ELD and high school programs. All students are provided these universal screeners to initially assess placement level and later on to assess learning gains throughout their time at HCCS. Additionally, we use CASAS to track our students' levels and progress through our ELD and High School Completion programs. After the enrollment process, students are CASAS tested on average every 6 to 8 weeks. Our goal is for students to improve by one level per every term, where one level is equal to a minimum of one point and a maximum of ten points.

Teacher Designed Formative Assessments

At HCCS teachers utilize many informal assessment techniques to ensure student learning in the following subjects: reading and vocabulary, writing and grammar, speaking and pronunciation, listening, technology and computer literacy, math and consumer economics, science, history/social science/ community resources/government and law, and health and independent living. Assessment tools used to monitor student progress include:

- Benchmark assessments
- Oral class presentations
- Multimedia presentations
- Journal writing
- Independent class projects
- Essays
- Tests and quizzes
- Daily homework
- Book reports
- Movie reviews
- Portfolios
- Group projects
- Research projects
- Grammar diagnostics
- Reading comprehension checks
- Workbooks

Key Measurement Methods

Measurement Outcome	Method of Measurement	Frequency of Assessment
CASAS Gains	CASAS Reading, Listening, and Math assessments	Every 6 to 8 weeks
ELD Unit Assessments	Theme-based objective assessments	Monthly
ELD Content Mastery	End of term assessments and course grade	At the end of each term
High School Content Mastery	Course assessments and course grades	At the end of every high school course

Evaluation Methods
At HCCS evaluation is based upon a variety of evaluation methods to measure whether students meet requirements; these include teacher evaluation, self-assessment, publisher tests, and samples of work such as homework or portfolios. While course completion does not include an end-of-course evaluation such as a standardized test, many assessment types are implemented. Formative assessments that have been aligned to the state standards for the various units of study for the academic courses are used. For example, our U.S. History course has several standards-aligned units of study, each of which has a schoolwide, formative assessment tool that is used as part of the completion process. At HCCS our students are a very diverse group at varying levels. Through the guidance of our Director of Curriculum and Instruction, we elected to use formative assessment as part of the assessment process and throughout smaller units as a basis for some of the skills assessment. In this manner, we have one form of assessment that we can use to indicate proficiency for smaller units in a course. These formative assessments are only one measure of assessment. Evaluation measures are varied and include projects, teacher evaluations, work samples, etc. At HCCS we evaluate a number of common core standards such as presentation skills in the listening and speaking standards, integration of technology, or demonstration of research skills. One of the primary roles of providing instruction is to evaluate the student's proficiency and skills acquisition, and we use multiple measures of assessment in our courses as part of our course evaluations.

Multiple Assessments
At HCCS we use CASAS scores as one measurement of a student's proficiency and skills attainment; however, they are not the only measure. CASAS scores help us to identify strengths, challenges, and areas of need. As an accountability measure, they are also in alignment with how CASAS scores are used along with the State's accountability indicators.

HCCS utilizes various methodologies to determine students' levels of academic success and, ultimately, their ability to graduate. These evaluations are based upon a variety of evaluation methods to measure whether students meet requirements; these include teacher evaluation, self-assessment, publisher tests, and samples of work such as homework and formative and summative tests and criteria.

The practice of using multiple assessment measures in a classroom is a generally accepted teaching practice. In fact, a teacher who relies solely upon a standardized test does not provide a platform for evaluating a number of Common Core standards such as presentation skills in the listening and speaking standards, integration of technology, or demonstration of research skills. An evaluation of such skills has long been the professional purview of a course's teacher. One of the primary roles of the teacher besides providing instruction is to evaluate the student's proficiency and skills acquisition. Further, the completion of a course by a standardized test is not a requirement for any school for the issuance of the course's credits.

Data Analysis and Reporting

3.2: Plan to Collect, Analyze, Use, and Report Academic Performance and Other Data

At HCCS we use assessment data in four primary ways. First, we want to assist student learning as a diagnostics tool by determining which specific content areas a student has not mastered so they can improve their learning in that specific area. For teachers, this means truly understanding our students' strengths and weaknesses. We want to ensure that if a student is falling behind in an area, we can provide

them with the tools they need. We have paraeducators in English and math and Reading and Literacy Specialists. If we understand where our students need to improve, we can assist them.

Second, we use aggregated measurements of student learning as part of the measurement of how the school as a whole is performing. This is a critical component for our stakeholders. At HCCS we have a team of professionals who analyze academic performance data. We look at everything from enrollment and enrollment assessments to demographic data, CASAS assessments and gains, grades, graduation rates and retention data. By analyzing student learning by year, we see how we are doing by teacher, course, program, and school compared to similar schools.

Third, we use assessment data to determine if a student has met or exceeded the necessary level of competency to gain formal recognition such as to complete a level or receive a diploma, licensure, or certification. In our ELD program, when a student meets all of the content and level objectives with an M, the student completes the level and moves to the next course. CASAS scores and teacher assessments are also considered part of the level completion process. For high school students, they complete courses when they earn a C or higher and have earned the required credits.

Lastly, we use assessments to determine if a student is underperforming in relation to their peer group, and we then evaluate if intervention supports are required or if the student is in the appropriate course. There are times when students are enrolled in courses that they are not able to complete. At HCCS one use of assessment is to ensure that students are appropriately placed. In some instances, it is imperative that a student enrolls in a remedial course to get the academic support they need, while other times the student can get support from their teacher, a paraeducator, or a specialist who will work with the student until they are able to complete course materials and assessments.

Grading, Progress Reporting, and Promotion/Retention

3.3: Grading and Progress Reporting Systems

English Language Development Grades

At HCCS we have two grading systems: one for ELD and one for high school. Our ELD grading system is M, A, D, and E.

M is for a student who is meeting or exceeding standards. This student regularly turns in assignments on time that are of A or B quality. This student would also be eligible to advance to the next level within ELD.

A is for a student who is approaching standards. This student is submitting assignments of average quality much like you would see with a C student. This student is trying but may be struggling with content and needs more time in this level. This student is not eligible for level advancement.

D is for a student who is still developing an understanding of the standards at the time grades are assigned. This student might submit assignments of below average or D quality or might be unable to complete assignments on time because they are new or because the content is too difficult. This student is not eligible for level advancement but may need to be dropped one level for comprehensible input.

E is for a student with emerging understanding of standards. At HCCS this grade is reserved for a student with poor effort to complete assignments. The assignments submitted by this student would be of very poor quality or similar to an F student.

At HCCS we first started the ELD grading system, MADE, at the end of the 2016–17 school year. Prior to the 2016–17 school year, we did not have an ELD grading system in place. It was created to ensure that the ELD students were proficient and meeting each level objective stated within HCCS's ELD curriculum before moving to the next level. It was also created to show ELD level completion, as M indicates that an ELD student is ready to move the next level. ELD students receive grade reports at the end of each term.

High School Grades

For our high school students, we use the traditional grading system A, B, C, D, and F. For GPA points, an A has a value of four points, B has a value of three, C has two, D has one, and F has zero. Although teachers may add a plus or minus to a grade, they do not impact the students' GPA. In high school, students must receive the letter grade of C or better to pass a class or earn credits. If a student receives a grade lower than a C, they must complete alternative assignments until they can get a C or better in the class. During the 2014–15, 2015–16 school years, high School students received grades every six weeks. During the 2017–18 school year, we transitioned from a six week grading period to an eight week grading period. In the 2018–19 school year, we transitioned to a nine week grading period.

Promotions

At HCCS there are two systems to address level promotion and graduation: one for ELD and one for high school. At HCCS our ELD students are promoted to the next level when they have met all of the curriculum objectives for that level and have received the grade of M. For the 2016–17 and the 2017–18 school years, ELD students received grades every 12 weeks and were eligible for level promotion at that time. The grading schedule changed for the 2018–19 school year to every nine weeks. Although ELD students do not earn credits for their classes, our high school students do.

At HCCS all of our high school students are enrolled in our high school program into twelfth grade and remain in the twelfth grade until they are eligible to graduate. While our high school students are not eligible for grade promotion, they are eligible to graduate when they have earned enough credits. Our high school students are eligible to graduate when they have earned 200 high school credits: 100 Academic, 90 Elective, and 10 Career Technical (CTE) credits. As part of the 200 credits, transfer credits and employment credits count toward this total. High school credits are awarded by 5 credits in 9 weeks and 10 credits in 18 weeks. Currently, high school credits are awarded every nine to eighteen weeks at the end of each course when students receive course grades.

Retention

At HCCS we address retention through the development of school-based student engagement systems and strong partnerships that support teaching, learning, and student achievement. These student engagements systems coordinate efforts to strengthen two-way communication between students and the school. We have many professionals who support retention: Navigators, Reclassification Specialist, Reading Specialist, Transition Specialist, and Student Engagement Liaison. This collaboration not only helps student relations but also increases student achievement and retention.

Program Audit

HCCS will compile and provide to TRUSD an annual performance report. This report will, at a minimum, include the following data:

- A summary showing student progress toward the pupil outcomes using data from the assessment instruments.

- A summary of major decisions and policies established by HCCS Board of Directors during the year.
- Data on the level of student involvement in HCCS and summary data from an annual student satisfaction survey.
- Data regarding the number of staff working at HCCS and their qualifications.
- A copy of the HCCS health and safety policies and/or a summary of any major changes to those policies during the year.
- An overview of HCCS admissions practices during the year and data regarding the numbers of students enrolled, the number on waiting lists, and the number of students expelled and/or suspended.
- Analyses of the effectiveness of HCCS's internal and external dispute mechanisms and data on the number and resolution of disputes and complaints.

Element 4: Governance

The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement. **(Ed. Code § 47605(b)(5)(D).)**

Governance Structure

Highlands Community Charter School is a directly funded independent charter school operated by Highlands Community Charter and Technical Schools, a California non-profit public benefit corporation, pursuant to California law. The Charter School agrees to maintain its non-profit public benefit corporation in good standing and "active" status throughout the term of its Charter.

The Charter School is governed by the Highlands Community Charter and Technical School's Board of Directors (the "Board") which is responsible for ensuring progress toward the mission, faithfulness to the charter, and fiscal viability. The Board operates in accordance with its adopted by-laws and delegates management to key HCCS staff, the Executive Director, Director of Curriculum and Instruction, and Chief Operating Officer. The Board is not involved in handling the day-to-day details of running the charter school.

HCCS operates autonomously although in close harmony with Twin Rivers Unified School District, with the exception of the supervisory oversight as required by statute and other contracted services as negotiated between HCCS and TRUSD. Pursuant to California Education Code Section 47604(d), TRUSD will not be liable for the debts and obligations of HCCS, operated by a California public benefit corporation, or for claims arising from the performance of acts, errors, or omissions by HCCS as long as TRUSD has complied with all oversight responsibilities required by law.

4.1: Governance Structure

HCCS agrees and acknowledges that the governing board of HCCS is the sole controlling governing body for the Charter School. The Board of Directors is responsible for governing the Charter School. The Board Members each have a personal fiduciary duty to look out for the long-term well-being of the Charter School. The Board is responsible for addressing major matters including, but not limited to, the governance and operation of Charter School in compliance with applicable law, policy, and the Charter, as they may be amended from time to time; the Charter School's financial management and viability, including but not limited to all expenditures and accounting of all public funds received by or on behalf of the Charter School and its students; setting the Charter School's general policies and overall curriculum policies; approving and monitoring the annual budget and financial procedures; fund-raising; selection, hiring, evaluating, and termination of the Charter School's Executive Director and Compliance Officer; approving personnel policies and monitoring their implementation; establish broad support and future partnerships to further the mission assuring that the Charter School fulfills its charter contract; and, strategic planning.

HCCS has adopted a conflict of interest code which complies with the Political Reform Act, Corporations Code Conflicts of Interest rules, and any charter school specific conflicts of interest regulations. Notwithstanding any rule, regulation, provision, or Corporation Bylaw to the contrary, the HCCS' Board of Directors and the Charter School shall at all times and in all respects comply with all conflict of interests laws generally applicable to the District's Board of Trustees, including but not limited to,

Government Code section 1090 and the Political Reform Act. The responsibilities of the HCCS Board as further outlined in the Bylaws include but are not limited to:

- Uphold the Vision of the Charter School.
- Oversee the implementation of the HCCS's charter.
- Provide notice and hold meetings in compliance with the Brown Act.
- Create and implement goals for the Charter School.
- Ensure compliance with applicable law such as the Public Records Act and policies such as Conflict of Interest Code.
- Provide oversight of instructional programs and materials.
- Approve and provide input for student policies.
- Monitor management of school liabilities, insurance, health, safety and risk-related matters.
- Receive and review quarterly financial reports and the yearly financial audit.
- Work with chief administrator to set goals.
- Enact policies to support the successful operation of HCCS.

The Board may initiate and carry out any program or activity that is not in conflict with or inconsistent with any law and which is not in conflict with the purposes for which charter schools are established, and consistent with the Articles of Incorporation. The Board may execute any powers delegated to it by law, and shall discharge any duty imposed by law upon it and may delegate to an employee of the Charter School any of those duties with the exception of budget approval or revision, approval of the fiscal audit and performance report, and the adoption of Board policies. The Board, however, retains ultimate responsibility over the performance of those powers or duties so delegated. Other key and Executive employee roles and positions seen in the following organizational charts are described below.

Organizational Chart

The Executive Team at Highlands Community Charter School plays a critical role in creating, improving, and maintaining a meaningful learning environment that promotes the academic progress of our students. The executive team includes an Executive Director, Director of Curriculum and Instruction, and the Chief Operations Officer. Through high quality leadership, our executive team successfully develops, implements, and evaluates school systems and policies, including but not limited to finances, assessment, facilities, and accountability measures under the direction of a school board.

Our *Executive Director* assumes administrative responsibility and leadership for the planning, operation, supervision, and evaluation of the education programs, services, and facilities of HCCS and for the performance appraisal of the staff. It is the responsibility of our Executive Director to oversee the school facilities, selection and employment of HCCS personnel, evaluation, promotion, termination or discipline of HCCS personnel, and the preparation and submittal of reports as directed by the Board, to include regular goals and forecasts as directed. The HCCS Executive Director manages the day-to-day operations of HCCS by preparing and submitting required budgets and reports as required by a charter school. Our Executive Director develops partnerships for providing educational services by HCCS, interacts with HCCS accountants and attorneys, and performs other duties lawfully assigned by action of the Board.

The *Director of Curriculum and Instruction* provides leadership and focus for the development, coordination, implementation, and evaluation of instructional quality and content of curriculum and instructional materials, technology infusion, and professional development programs for Highlands Community Charter School.

The *Chief Operations Officer* plans, organizes, monitors, coordinates and supervises a complex system of school operations, including but not limited to: staff evaluations, student engagement, school safety, employee performance, school climate, data analysis and impact on instruction, organizational alignment of curriculum per the Director of Curriculum and Instruction, budget development, professional development for classified employees, leadership training, and community partnerships. The Chief Operations Officer provides leadership in promoting the educational objectives and values of collaborative planning, implementation of the decided curriculum per the Director of Curriculum and Instruction for classified employees, effective instructional practices and support programs and services, and directly supervises HCCS individual department leadership.

In order to ensure that the Board of Directors, officers, management, and employees are in compliance with applicable statutes and regulations, that HCCS policies and procedures are being followed and that behavior in the organization meets the HCCS standards of conduct, HCCS employs a *Compliance Officer* who functions as an independent and objective person who reviews and evaluates compliance issues/concerns within the organization.

Governing Board Composition and Member Selection

4.2: Board Composition

HCCS is governed by a corporate Board of Directors in accordance with its adopted corporate bylaws, which are consistent with the terms of this charter. The Board of Directors has nine (9) voting members, including a TRUSD appointed representative. Each director brings significant experience and strong commitment to the organization. The current HCCS Board of Directors includes:

- Ernie Daniels, Corporate President

- Doyle Radford, Vice President
- Matt Powers, Corporate Secretary
- Sharon Rocco, Board Member
- Rick Jones, Board Member
- Sonja Cameron, Board Member
- Sondra Betancourt, Board Member (TRUSD Representative)
- Kevin Ferreira, Board Member
- Mellonie Yang, Board Member

The Board addresses program concerns regarding the operation and improvement of Highlands Community Charter School. The Board is the final policy-making authority for Highlands Community Charter School. The Board, working with the Executive Director, recommends programs, policies, and schedules designed to meet the evolving educational needs of HCCS students and teachers.

In order to be more inclusive of representation programmatically of our students and community, the board voted and appointed new members Ernie Daniels and Kevin Ferreira in August of 2017, and Mellonie Yang in February of 2019. Mr. Daniels is a longtime community member who has strong ties to the community. He has a very keen sense of awareness of the local populace and serves on a variety of local community organizations. Mr. Ferreira is the President of the Craft Trades of Northern California which include: local iron workers, carpenters, and electricians. The knowledge he possesses in regard to understanding and forming community partnerships with business entities is invaluable. Ms. Yang joins our board with nearly 20 years of public service attorney experience. She is the Senior Staff Attorney for California Department of Correction and Rehabilitation. In her many years of service, she has advocated for public safety and on behalf of victims including elders and children.

As of July of 2017, Ms. Sondra Betancourt joined our Board of Directors by appointment from our authorizer, the TRUSD. Her appointment appropriately addressed the need to ensure that a community member was appointed by the authorizer as the former member that was appointed had previously served as a Board member on the Twin River Unified School District.

The changes in our governance structure have provided a broader scope, depth and level of inclusiveness to how we operate our school as a whole. We represent our community and students with better comprehension. Particularly, with the addition of the appointed representative from our authorizing district, the level of mutual understanding and transparency for both Local Educational Agencies (LEA)s has increased significantly.

4.3 Member Selection

HCCS is governed by the Board of Directors pursuant to the adopted Bylaws, as may be subsequently amended from time to time, which shall be consistent with this charter. The process of selecting members of the Highlands Community Charter School Board of Directors is described in detail in the Bylaws of the organization. All Directors are designated by the existing Board of Directors. As outlined in the Bylaws, Board members serve a term of 3 years. The HCCS Governing Board of Directors will consist of at least three (3) members or up to as many as eleven (11) members. TRUSD may appoint a representative to sit on the Board of Directors. Should the District exercise this right, causing an even number of members, an additional Board member would be designated by the Board. These additional appointed and designated Board members may expand the board past the general limit of 11 members.

Board member candidates may have experience in the following areas:

- K–12 Education
- Finance
- Information Technology
- Law
- Marketing
- Public Policy
- Facilities / Real Estate
- Social Services
- Human Resources
- Child Development
- Non Profit
- Parent / Community

Ideal candidates demonstrate an understanding of, alignment with, and endorsement of the charter and mission of HCCS, possess a willingness to dedicate themselves to ensuring the success of the Charter School, understand the Charter School as a direct-funded, independent charter school authorized by TRUSD, and are able to provide resources or expertise and experience in support of the Charter School and organization.

With retention of General Counsel to advise on conflict matters, along with training available to Board members, HCCS has, and will continue to be proactive to prevent any actual or potential conflicts of interest. HCCS will not enter into any consulting contracts or agreements that are deemed to be a real or potential violation of conflict of interest laws, and our General Counsel will ensure that all Board activities are conducted to prevent such conflicts of interest from arising.

Governance Procedures and Operations

4.4: Meeting Requirements and Procedures

All Board meetings are held in accordance with the Brown Act and are open to the public; each agenda will include time for community input with regards to Highlands Community Charter School. Governing Board meeting agendas are posted at the entrance of the Charter School's main office and on the Highlands Community Charter School website for public viewing 72 hours in advance of any regularly scheduled meeting. Meeting minutes are posted to the HCCS website within 72 hours of approval and are available by public request. Meetings are held at the principal office of HCCS or other locations within California designated by resolution of the HCCS Governing Board of Directors or in the notice of the meeting. The Board meets on a regular basis (e.g., monthly during the school year and as appropriate at other times). Meetings are calendared annually.

4.5: Decision Making Procedures

HCCS retains General Counsel to ensure Brown Act compliance for all HCCS board activities, including decision making procedures. Board members have also been provided with Brown Act reference materials and may participate in yearly meetings held by California Charter Schools Association ("CCSA") and/or Charter Schools Development Center ("CSDC") which feature ethics presentations, including Brown Act and conflict of interest reviews. All Board members are encouraged to participate in such presentations.

A majority of all voting Board members constitutes a quorum for all business transactions except adjournment. Every action taken or decision made by a majority of Board members present at a duly held Board meeting is considered an act of the Board, subject to more stringent provisions of the California Nonprofit Public Benefit Corporation Law, including, without limitation, those provisions relating to:

- approval of contracts or transactions in which a director has a direct or indirect material financial interest,
- approval of certain transactions between corporations having common directorships,
- creation of and appointments to committees of the board, and
- indemnification of directors.

Meetings may be held by telephone or other telecommunications equipment pursuant HCCS Bylaws and in accordance with the terms and provisions of the Ralph M. Brown Act, California Government Code Sections 54950, et seq., as said chapter may be modified by subsequent legislation.

Stakeholder Involvement

4.6: Stakeholder Involvement Plan and Process

It is critical that all students are invested in the success of the Charter School and have a voice in matters critical to the Charter School's success. HCCS believes that student investment is integral to a successful student education, and it is commonly accepted that student involvement can have positive and long-lasting educational results. Therefore, we make every effort to ensure that student input is considered in the Board's decision-making process. To assure the greatest involvement, HCCS provides multiple opportunities for student feedback. We encourage students and staff to attend, speak, and present at Board meetings; we request that students and staff complete various surveys (e.g., English Learner Advisory Committee ("ELAC") surveys, student satisfaction surveys, exit surveys); we proactively reach out to students regularly to encourage them to meet with our counselors to continue discussing their goals and needs; and we are proudly responsive to the feedback we receive.

We encourage and teach our students how to maintain direct influence over the direction of their educational process. Students have equal say, and sometimes, greater say, in their learning according to their academic needs. Our teachers collaborate with students, other teachers, staff, administration, and community partners to determine what new programs and resources would be most beneficial to student achievement and well-being. The birth of our mobile clothing closet, housing resource connections, and ELD Navigators program are all examples of student influence on governance and fiduciary direction of the school.

In planning to draft the LCAP, leadership consults with teachers, administrators, other school personnel, partners, and students in developing the annual update. This feedback is provided during a variety of meetings and discussions schoolwide. Following these meetings, the Executive Director meets with the school leadership team to discuss the changes in the funding formula and how those funds could be used to best meet student needs, after which the Director of Curriculum and Instruction collaborates with the designated coordinator to draft a plan in accordance with State Priorities and local goals. Once decided, the Executive Director and the Director of Curriculum and Instruction meet with school faculty and present State Priorities and the school goals. Goals are then amended based on recommendations provided from the school community. Amended plans are then presented for feedback to staff, students, and all

other interested parties at regularly scheduled meetings. All stakeholders are invited to submit public comment and final plans are approved at a public board meeting. HCCS will consider TRUSD recommendations and comments when drafting its LCAP for the 2019-2020 school year.

Student consultations occur with regular frequency in order to promote student input. We consult students by way of student/teacher collaborations, student/counselor collaborations, email, conventional postal delivery services, phone communication, student surveys, and student participation in school activities. Teachers are consulted regularly through monthly professional development opportunities, instructional collaboration, mentor teaching, email, and staff surveys. Responses gleaned from the student and staff surveys help the Charter School make program modifications to better serve the students.

Other student engagement strategies that we employ include:

- Student education initiative featuring a variety of sessions on topics such as college admissions, financial aid, financial literacy, student rights, etc.
- Posting of Board meeting announcements in the Charter School's main office.
- Translation of student communication materials into Spanish, Russian, Farsi, and Arabic.
- Frequent opportunities for student involvement in Charter School activities.
- Volunteer opportunities on campus.

Additionally, we use our school website to keep our students informed of all upcoming activities, important calendar items, and Board meeting minutes. We promote student involvement by encouraging students to contribute to and drive website content through the sharing of their personal stories which are connected to our website via our Instafeed of social media content.

The Board of Directors may, in its discretion, form Committees, in accordance with the Bylaws and applicable law, to accomplish the objectives and responsibilities of the Board and to ensure that the school achieves its mission and goals.

Element 5: Employee Qualifications

The qualifications to be met by individuals to be employed by the charter school. **(Ed. Code § 47605(b)(5)(E).)**

Overview

HCCS believes that all of its employees play a key role in creating a successful learning environment and will recruit professional, effective, and qualified personnel to serve in administrative, instructional, instructional support, and non-instructional support capacities. All employment is contingent upon successful Live Scan reporting through the Department of Justice and a background/reference check. Additionally, staff working with children or working at a campus site with children shall also maintain: First Aid/Cardiopulmonary Resuscitation ("CPR") Certification as part of our internal practice, and current tuberculosis ("TB") testing or risk assessment. HCCS maintains a drug, alcohol, and smoke-free workplace and campus, enforces all applicable laws and policies against harassment of protected classes, upholds requirements for mandated reporters, and provides appropriate due process for complaints, disputes or grievances involving or affecting staff members. Upon confirmation of employment, all HCCS staff shall complete orientation and training as applicable to their position that supports their willingness and ability to fulfill the responsibilities and duties of their position in accordance with the organization's policies and educational philosophy.

HCCS is independent from TRUSD and any District employees who choose to work at HCCS will resign their status as employees of TRUSD or other school districts and all of their rights and benefits thereof. No person employed by HCCS shall be deemed to be employees of TRUSD for any purpose whatsoever. HCCS employees shall have no employment rights of any kind with TRUSD.

HCCS maintains an Employee Handbook detailing the rights and responsibilities of all HCCS employees and shall comply with all anti-discrimination and sexual harassment employment laws applicable to public agencies. On or before August 1 of each subsequent year, HCCS shall provide TRUSD with two (2) copies of the Employee Handbook. HCCS shall annually update and revise the Employee Handbook to reflect changes in the law and/or policies. HCCS shall be solely responsible for the hiring and compensation of HCCS employees, including but not limited to salary, health benefits, sick leave, vacation, and retirement benefits.

All employees will possess appropriate qualifications according to the HCCS adopted personnel policies and federal and state statutes applicable to charter schools.

Employee Positions and Qualifications

5.1 & 5.2: Employee Positions, Job Descriptions, and Minimum Qualifications

Executive Team

The executive team at Highlands Community Charter School plays a critical role in creating, improving, and maintaining a meaningful learning environment that promotes the academic progress of our students. Through high quality leadership, our executive team successfully develops, implements, and evaluates school systems and policies, including but not limited to finances, assessment, facilities, and accountability measures under the direction of the Board. Our HCCS executive team job descriptions and qualifications are outlined below.

Executive Director
Our *Executive Director* assumes administrative responsibility and leadership for the planning, operation, supervision, and evaluation of the education programs, services, and facilities of HCCS and for the performance appraisal of the staff. It is the responsibility of our Executive Director to oversee the school facilities, selection and employment of HCCS personnel, evaluation, promotion, termination or discipline of HCCS personnel, and the preparation and submittal of reports as directed by the Board, to include regular goals and forecasts as directed. The HCCS Executive Director manages the day-to-day operations of HCCS by preparing and submitting required budgets and reports as required by a charter school. Our Executive Director develops partnerships for providing educational services by HCCS, interacts with HCCS accountants and attorneys, and performs other duties lawfully assigned by action of the Board. Our HCCS Executive Director must minimally possess a bachelor's degree or any experience directly related to the field of work equivalent to a (4) four year degree and program administration and planning experience, preferably with experience in management as an executive officer.

Director of Curriculum and Instruction
The *Director of Curriculum and Instruction* provides leadership and focus for the development, coordination, implementation and evaluation of instructional quality and content of curriculum and instructional materials, technology infusion and professional development programs for Highlands Community Charter School. The Director of Curriculum and Instruction possesses, at a minimum, a bachelor's degree, preferably a master's degree, in a field related to Education, seven (7) years teaching experience in English Language Development, high school core classes or Career Technical Education ("CTE").

Chief Operating Officer
The *Chief Operating Officer* plans, organizes, monitors, coordinates and supervises a complex system of school operations, including but not limited to: staff evaluations, student engagement, school safety, employee performance, school climate, data analysis and impact on instruction, organizational alignment of curriculum per the Director of Curriculum and Instruction, budget development, professional development for classified employees, leadership training and community partnerships. The Chief Operating Officer provides leadership in promoting the educational objectives and values of collaborative planning, implementation of the decided curriculum per the Director of Curriculum and Instruction for classified employees, effective instructional practices and support programs and services, and directly supervises HCCS individual department leadership. The minimum qualifications for this position include any combination equivalent to a four-year degree in business, public administration or a related field, preferably with five years of increasing responsibility and experience in the administration of operational programs in education.

Executive Assistants
HCCS employs executive level support staff members who report directly to their respective Directors. *Executive Assistants* provide administrative support in one-on-one working relationships. The Executive Assistants serve as the primary point of contact for internal and external audiences on all matters pertaining to their Director. The Executive Assistants serve as liaisons to the Board of Directors and senior management and organize and coordinate administrative outreach and external relations efforts. HCCS Executive Assistants demonstrate a high degree of self-directedness, proactive attitudes, sound independent judgment, discretionary decision making, and professional accountability. HCCS Executive Assistants accommodate different work styles, demonstrate sound and consistent judgment, make timely decisions in relatively complex situations, and prioritize among multiple projects. At a minimum, HCCS Executive Assistants have 3 or more years of experience working at a senior and/or administrative level. Possession of an AA/BA or equivalent experience is preferred.

Instructional Division

Highlands Community Charter School recognizes the immense importance of our instructional staff in achieving our mission and the goals set out in our Schoolwide Learning Objectives. Our teachers motivate students and support their achievements while fostering positive, trusting relationships to create a productive learning environment. Our instructional support staff ensure students and teachers are working together in a safe and supportive climate and encourage access to additional resources as necessary. As such, HCCS screens and hires highly qualified staff for our Instructional Division who, under the direction of the Director of Curriculum and Instruction, meet the minimum specified qualifications outlined below.

Administrators

Administrators play a key role in the delivery of quality instruction at Highlands Community Charter School. Our Administrators ensure that educational strategies are in place to support effective learning for all students. They serve as facilitators, guides, and supporters of quality instructional practices in addition to overseeing day-to-day operations and expeditiously making improvements as necessary.

Site Administrators

Highlands Community Charter School employs *Site Administrators* who serve as the operational leaders and administer the site(s), faithfully perform the duties for HCCS in accordance with Board Policies as may be assigned by the Board, and comply with all lawful Board directives, state and federal law, rules, and regulations as they exist or as they are adopted or amended. The HCCS Site Administrators hold bachelor's degrees or an equivalent combination of experience, training, and education with prior experience working in an academic leadership capacity.

Coordinators

Coordinators are an integral part of the academic team, supporting various elements of the instructional program, supervising instructional staff, effectively delivering curriculum through staff training, supporting the achievement of departmental goals, learning outcomes, and benchmarks. Academic coordinators at Highlands Community Charter School are innovative and responsive to student needs. HCCS coordinator position and qualifications follow.

Special Projects Coordinator

To best serve students through an offering of broad course offerings and programs, HCCS employs a *Special Projects Coordinator* to provide leadership and project management to key strategic initiatives in support of quality instruction. The Special Projects Coordinator directs and coordinates the planning, facilitation, and writing of the Local Control Accountability Plan as well as services, accountability, compliance, and other activities connected with targeted academic processes, programs, and projects. In addition, the Special Projects Coordinator reviews and ensures compliance mandates are met for the Workforce Innovation and Opportunity Act ("WIOA") as part of HCCS's ongoing Career and Technology Education programs development, oversees student monitoring, tracking data from internal or external measures to assist second language speakers with achieving reclassification, and understands current practices related to State associated compliance mandates (e.g., Local Control Accountability Plan, WIOA, Categorical programs, and English Language Learners), current requirements for students to achieve graduation eligibility, and matriculation practices related to student credit status agreements with local colleges. The Special Projects Coordinator implements professional learning methods for adult learning, possesses professional presentation skills with small or large group participants and has a proven track record of working successfully with teachers, support staff, and students. The Special Projects Coordinator possesses prior knowledge relating to state mandates such as LCFF-LCAP, WIOA, CTE, is skilled in the use of data management systems, English learner certifications, and has the ability to meet deadlines as articulated by various compliance mandates (e.g., WASC, School Reauthorization, Reclassification).

Professional Learning Coordinator
In addition, supportive efforts include the hiring of a *Professional Learning Coordinator* whose chief responsibility is to coordinate the ELD Program, advise and act in an academic leadership capacity. The Professional Learning Coordinator possesses previous experience coordinating ELD Professional Development and the ability to work with sensitive and confidential information and maintain confidentiality. The HCCS Professional Development Coordinator communicates well with a diverse group of people on a daily basis. Minimum qualifications include 5 years teaching experience and the possession of a valid California teaching credential, the ability to work with sensitive and confidential information and maintain confidentiality and the ability to communicate with a diverse group of people on a daily basis.

Child Development Coordinator
As part of our Early Childhood Education program, our *Child Development Program Coordinator* plans, organizes, and coordinates the Child Development Associate ("CDA") program and the Play Care Program to comply with District, licensing, and other requirements including mandated legal and regulatory provisions; supervises staff assigned to the Center; prepares, recommends, and implements policies, procedures, and operations that pertain to the Child Development Program which includes the CDA credentialing and Play Care Program at all sites. At a minimum, the Child Development Program Coordinator possesses a master's degree from an accredited college/university, preferably in human development, child development, or early childhood education and/or bachelor's degree with a minimum of four (4) years' experience in a child care center environment with increasing supervisory responsibility. The Child Development Program Coordinator has possession of, or eligibility to obtain and retain, a Child Development Program Director Permit issued by the California Commission on Teacher Credentialing; experience in directing a licensed program and the corresponding management experience; and demonstrated sensitivity to and understanding of the diverse academic, socioeconomic, cultural, ethnic, and disability backgrounds of high school students.

Academic Specialists
As part of ongoing and growing efforts to support our instructional team and in order to ensure students are receiving the highest quality instruction and support HCCS can provide, we employ specialists to support school instruction and operations. Each academic specialist candidate possesses the necessary education and professional experience related to their field of specialty to qualify them for the duties and responsibilities of the position. Our specialist positions and qualifications are as follows:

Credentialing and Program Development Specialist:
The Credentialing and Program Development Specialist coordinates and provides analytics, data management, event support, policy and procedure compliance, and technical services to programs such as professional development, curriculum and instruction, and/or sites with standalone, categorical, community-based, or other specially funded education programs that contribute to and encourage attendance and retention for targeted students or groups. The Credentialing and Program Development Specialist is a position that is part of research, data management, analytics, and event support to academic and administrative programs and services, as well as Human Resources. The Credentialing and Program Development Specialist applies program logistics and planning skills along with research, data compilation, and statistical analysis knowledge to provide decision support to a range of programs and services such as those for enhanced learning, professional growth and development, and teacher support. The Credentialing and Program Development Specialist demonstrates success in working with a wide range of stakeholders such as educational oversight agencies, service providers, human resources, school administrators, board of governance, certificated, classified and leadership staff. The Credentialing and Program Development Specialist is responsible for assisting in the hire of new teachers and

confirming/guaranteeing their eligibility to teach by providing credentialing analytics. The position requires a well-developed knowledge of school administrative services, programs for developing and retaining teachers, and services for retaining and engaging students, parents/families, and communities; computers, office productivity applications such as word processing, spreadsheets, and graphics, and specialized data management programs used in education; writing skills to prepare brochures, technical materials, and reports; and human relation skills to make formal presentations, facilitate group processes, and exercise sensitivity to diverse populations. The position requires working knowledge of program goals and objectives, procedures and regulations, the roll of cultural, social, and related activities in student engagement, community demographics; the professional development programs that enhance teaching; and math skills sufficient to read and analyze financial statements. The position requires the ability to carry out all aspects of the job; convert program goals into action plans; evaluate program outcomes; to plan, prioritize, and assign work in order to meet yearly schedules and timelines; facilitate meetings and processes involving diverse groups; maintain confidentiality of private and sensitive information; and secure funding, secure local interagency partnerships, and accomplish goals within financial limitations, maintain productive and cooperative working relationships with others as well as a bachelor's degree or equivalent combination of experience, training, and education with prior experience working in a school setting.

Reclassification Specialist
The *Reclassification Specialist* performs a variety of complex clerical and statistical record keeping duties related to the enrollment, transition, graduation or withdrawal of students including those in special programs, according to established policies and procedures. This individual receives, sets up, and evaluates records, updates files with class credits and grades as needed, evaluates records for compliance with graduation requirements, and maintains and archives academic records. The Reclassification Specialist possesses a high school diploma and college-level coursework in business practices, or equivalent, and three years of progressive experience providing administrative support in records, attendance, and data entry of student information. Additional higher education may substitute for some experience.

Reading Specialist
The *Reading Specialist* works with students who are identified by the Director of Curriculum and Instruction or designee and who have a written 504 plan. The HCCS Reading Specialist provides direct services to these individuals on a one-to-one or group basis. Instruction occurs in an appropriate educational setting and may include the general education classroom. The Reading Specialist, with other Academic Leadership team members, defines specific goals and objectives in the written 504 plan and participates in the annual review, triennial review and any special review of the students' progress. The minimum qualifications that the Reading Specialist possesses are three (3) or more years of teaching experience, including both regular and special education, and a valid and clear teaching credential in either Multi/Single Subjects or Adult Education.

Counseling Team
Our school counselors and other counseling support staff are vital members of the HCCS educational team. We employ counselors to assist each and every student in a multitude of areas including academic achievement, career readiness, and social/emotional health, safety, and development, ensuring our students become productive, well-adjusted participants in the community. Outlined below are the positions and qualifications of our counselors and counseling support staff.

Lead Counselor
The *Lead Counselor* at Highlands Community Charter School manages the Counseling Services Program. This individual provides academic counselor evaluations and program administration while cooperating with the administrative staff in planning curricular programs to meet the needs of students. The HCCS

Lead Counselor prepares publications as required and conducts evaluative studies of the school programs and their effectiveness in achieving student learning outcomes. At a minimum, our Lead Counselor possesses a bachelor's degree, and prior job related experience, preferably with progressively responsible management experience.

ELD Counselor
The *ELD Counselor* oversees advising and/or academic program for the English Language Development Program. The minimum qualifications met by the HCCS ELD Counselor are equivalent to a master's degree and experience in counseling, successful experience working in schools as an outside agent, demonstrated experience in developing and managing complex schedules and using effective interpersonal communication skills.

Counselors
HCCS *Counselors* provide counseling and guidance services to students. The Counselors identify and counsel students with special needs and behavioral, social, and school adjustment problems. HCCS Counselors refer students to other community resources, support groups and social service agencies as appropriate. At a minimum, HCCS Counselors possess a bachelor's degree with a major in School Counseling and two (2) years of experience as a high school counselor.

ELD Navigators
HCCS employs *ELD Navigators* under the direct supervision of the ELD Counselor or designee. The ELD Navigators work with English language learners to deliver assistance in the students' native languages whenever possible while connecting to community and school resources and services. The ELD Navigators provide a means for clear communication for students to receive information regarding school activities, procedures, programs, career technical guidance and services available. At a minimum, ELD Navigators possess a bachelor's degree or an equivalent combination of experience, training, and education with prior experience working in a school setting. HCCS ELD Navigators are bilingual or even multilingual, preferably in Spanish, Farsi, or Slavic dialects.

Teaching Team (Instructional)
At HCCS we know that teachers are the direct line for ensuring that our students are able to achieve the goals set forth in our mission and schoolwide learner outcomes. Therefore, we screen and hire only highly qualified teachers. Teachers are responsible for facilitating a learning environment supportive of California state educational standards and HCCS philosophy. Teachers hold a minimum of a bachelor's degree from a degree granting institution and a valid authorization to serve as a California credentialed teacher from the California Commission on Teacher Credentialing (CCTC). Additionally, all teaching staff meets the highly qualified requirements of the Elementary and Secondary Education Act (ESEA), also known as the Every Student Succeeds Act (ESSA), formerly known as the No Child Left Behind Act (NCLB). Accordingly, HCCS teachers of core academic subjects have:

1. A bachelor's degree from a degree granting college or university,
2. A California State teaching credential, or a University Intern Credential while actively working toward completion of a California State teaching credential, or an appropriate Adult Education or other Designated Subjects credentials, and
3. Demonstrated core academic subject matter competence. Demonstrated core academic subject competence for elementary grades is done through a California Commission on Teacher Credentialing (CCTC) approved subject matter examination or by completing the California High Objective Uniform State Standard of Education ("HOUSSE") certification process. Alternatively, as our classes are organized primarily for adults and constitute alternative curricula in Education Code Section 44865, HCCS teachers may fulfill their highly qualified status via California's Verification Process for Special Settings (VPSS). High school teachers teaching in multiple subjects environments are subject to the same requirements. High School teachers working in

specific subject matter areas are held to the middle/high school requirements of the ESEA/ESSA as follows:

a. Successful completion of the applicable CCTC approved subject matter examination;
b. Completion of a coursework option such as:
    i. a CCTC approved subject matter program;
    ii. a major coinciding with the assigned area of instruction;
    iii. a major equivalent (32 semester units); or
    iv. possession of a graduate degree in the core academic subject area to be taught
c. Normal Board certification in the core academic subject to be taught
d. Completion of the HOUSSE certification process.

California Education Code 44253.1 requires all teachers with a Multi or Single Subject credential serving English Language Learner (ELL) students hold appropriate authorization: CLAD/CTEL/SB 395/AB 2913. While not all HCCS teachers who have Multi and Single Subject credentials instruct ELL students, as a part of HCCS' ongoing commitment to excellence, HCCS strives to prepare every certificated staff member to serve ELL/ELD students by properly equipping teachers with the tools and training needed to serve this high demographic of HCCS students. This commitment and opportunity for professional development is provided both to those holding CLAD certifications through their Multi and Single Subject credentials as well as those who are not required to possess it, such as those with CTE or Designated Subjects credentials. Upon employment, all HCCS certificated staff are offered ELD training and ongoing professional development throughout the year by working with ELD academic leaders and mentors to improve test scores, develop teaching instruction, and identify areas of strengths and weaknesses in student learning. HCCS encourages all certificated staff to complete, update and maintain their ELL authorizations through ongoing education and training, both at the university level and through HCCS professional development.

HCCS key administrative staff will have training to assure understanding in determining the fulfillment of ESEA/ESSA's highly qualified requirements. HCCS teacher credentials are reviewed by the Director of Curriculum and Instruction, the Credentialing Specialist and the Human Resources Generalist annually and on an ongoing basis as needed. These documents shall be maintained on file at HCCS headquarters and shall be subject to periodic inspection by TRUSD.

TRUSD reserves the right to review HCCS hiring decisions to ensure compliance with applicable federal and State mandates regarding highly qualified teachers and to determine whether a teacher is deemed to be appropriately credentialed and "highly qualified." No later than September 1 of each year, HCCS will provide TRUSD proof of employment of appropriately credentialed, "highly qualified" full-time equivalent teachers at HCCS for that school year consistent with the qualification requirements. Flexibility will be given to teachers hired by HCCS for non-core courses as permitted by Education Code section 47605(l).

As a diverse community for social justice serving a diverse population of the formerly unserved, our teachers are specialists in the type of classroom instruction they provide. Our teachers come from a multitude of professional backgrounds in education which ensures that our students are receiving the greatest support available to them. HCCS strives to ensure that all students are provided highly qualified teachers, providing high caliber instruction to meet our learners' needs. Following are job descriptions for the various teaching positions we currently offer, including any additionally required and/or desired qualifications.

Lead Teachers
HCCS *Lead Teachers* provide instructional leadership and serve as a support for teachers and students, in order that they may assist in the building of positive, productive school environments. HCCS Lead

teachers are professionals who have excellent teaching and leadership skills. They draw upon their teaching experience to serve as expert resources, mentors, or counselors for teachers and students and provide input and assistance in the forming of a student-centered learning environment that meets and exceeds the State Core Curriculum Content Standards, following the approved curricula and directives of the school. HCCS Lead Teachers possess valid California teaching credential, three (3) years of successful teaching experience, and a recommendation from an HCCS Administrator.

Site Leads
Site Leads oversee the programs, operations, and personnel for an assigned school, assure safe and positive learning environments for the students and staff, and report to the Director of Curriculum and Instruction regarding site and personnel status. The minimum qualifications our Site Leads meet are five years teaching experience and a valid California teaching credential.

Academic Teachers
HCCS *Academic Teachers* will instruct in one or more core academic subject area(s) and provide related services to adult students. Our teachers must have a strong desire to work with adult students to help them achieve their academic, personal, and professional goals. HCCS Academic teachers use engagement strategies, standards-based lesson plans and curriculum planning with a team. Our teachers participate in site and professional association meetings, develop and implement lessons, keep accurate records and grades, and attend a majority of after-school meetings/events.

English Language Development (ELD) Teachers
Our *English Language Development (ELD) Teachers* create lesson plans to teach non-native speakers to read, write, speak and understand English. They help students learn English grammar, pronunciation and conversational skills. ELD Teachers are expected to improve the reading, writing, listening and speaking skills of the increasing population of global newcomers to HCCS. ELD Teachers plan, implement, monitor, and assess a classroom instructional program. Our ELD teachers possess a Bachelor's degree from an accredited institution, possess or qualify for an Adult Education Elementary and Secondary Basic Skills teaching credential, a Multiple Subject credential, or any Single Subject credential, and have a certification for teaching English Learners (TESOL, TEFL, etc.) and/or a degree (or minor) in teaching English and/or English as a Second Language. ELD teachers at HCCS have taught English as a Second Language for at least 3 years and have the ability to communicate with a diverse group of people on a daily basis.

Career and Technical Education Teachers
The *CTE Teachers: Heavy Truck and Bus* instruct and provide related services to adult students attending the HCCS Heavy-Duty Truck Driving, Bus, and OSHA Forklift program. The HCCS CTE Teachers have, at a minimum, current Class A and Class B driver's licenses, three years of driving experience as a Class "A" Driver, and an appropriate California teaching credential to teach adults the designated trade, technical, or vocational subject assigned to them, which may include but is not limited to, an appropriate Career Technical Education credential, Adult Career Technical Education credential, Vocational credential, or Adult Vocational credential. Per California Education Code Section 47605(l), as a non-core, non-college preparatory instructor.

Early Childhood Education (ECE) Teachers
HCCS *Early Childhood Education (ECE) teachers* perform instructional duties as members of a co-teaching team in a preschool/school age children setting under the direction and supervision if the Child Development Coordinator. ECE teachers collaborate in curriculum, planning, and implementation of related activities. Their work is performed in collaboration with ECE Paraeducators. At a minimum, ECE teachers hold a high school diploma and a current Child Development Teacher Permit from State of California. ECE teachers possess at least one (1) year experience in working with preschool aged

children, formal training in basic first-aid and CPR with a Pediatric Certification, a TB clearance certificate within the last year, state mandated-reporting certificate, and all required immunizations by the State of California.

Paraeducators
HCCS recognizes the value of trained paraprofessional staff (teacher assistant/cultural assistant) in the classroom to aid the teacher in the instruction of students. In response to HCCS' desire to meet the same qualifications as other quality schools, HCCS chooses to adopt the ESEA/ESSA, formerly NCLB, Highly Qualified Paraprofessional provisions as part of the minimum qualifications of this position. HCCS *Paraeducators* assist certificated teacher(s) in the instruction of students placed in regular programs, monitor and report student progress in areas of behavior and performance, and perform clerical and instructional support duties. HCCS Paraeducators have highly proficient oral and written use of the English language.

Early Childhood Education (ECE) Paraeducators
ECE Paraeducators perform instructional duties as members of a co-teach team and collaborate in curriculum, planning, and implementation of related activities. Our ECE Paraeducators work in collaboration and under the general direction of an ECE teacher. All of our paraeducators have a high school diploma, a current Child Development Associate (CDA) or Child Development Associate Credential or a credential approved by the Department of Children and Family Services or State of California Teacher Credentialing as being equivalent to or greater than the Child Development Associate Credential (CDAE), and one (1) year of experience in working with preschool or elementary school-aged children. Additionally, ECE Paraeducators must possess and renew the following prior to expiration and maintain active as a condition of employment:

- A state-awarded associate teacher permit or higher
- TB clearance certificate
- Pediatric CPR and First Aid certificate
- Mandated Reporter certificate

Assessment Team
Assessment is a powerful learning tool that supports student learning, informs teaching practices, and improves the quality of education. As such, we employ a team of test proctors to help enhance learning and education by providing accountability measures during test taking and ensuring academic integrity.

Highlands Community Charter School employs *Lead Proctors* who provide leadership and serve as a support for Test Proctors and students, in order that they may assist in the building of positive, productive school environments. Our Lead Proctors possess a minimum of two (2) years of experience as a proctor, knowledge of CASAS policies, WIOA II Grant, and testing protocol, proficiency in Excel, Word, and TOPS Database, and excellent customer service and ability to pivot.

Test Proctors
HCCS Test Proctors administer assessments and exams, including the CASAS (Comprehensive Adult Student Assessment System). This is done at multiple sites, often requiring transporting laptop computers as part of our mobile testing center. To minimally qualify, our Test Proctors must possess a high school diploma, computer literacy including basic word processing, spreadsheet, and database skills, the vigilance necessary to prevent cheating, the ability to administer testing rules, and the ability to communicate with a diverse group of people on a daily basis. Preferably, ideal candidates possess an associate degree, have test proctoring or similar experience, and are bilingual in both English and one or more of the following languages: Spanish, Russian, Farsi or Arabic. All testing proctors are trained in CASAS with the result being a certificate of training completion. They are provided professional

development and attend a 2-4 week shadow internship. They are also required to attend an annual CASAS conference further allowing them to develop professional competence using CASAS.

Academic Support Team
The Highlands Community Charter School academic support team is essential for the support they offer to our staff, ensuring that our academic operations run efficiently. Our academic support team helps to maximize student success and achievement by enabling all instructional teams to work effectively in delivering schoolwide goals.

Data Analyst and Compliance Officer
The *Data Analyst and Compliance Officer* learns and applies clearly defined program and research design procedures, conducts surveys, designs data structures, analyzes statistical information and coordinates the preparation of data driven reports. The Data Analyst and Compliance Officer's expanded knowledge of research procedures creates the ability to design and coordinate program steps to meet standards and outcomes, as well as perform difficult academic assessments using statistical inferences and research literature prepared by others. At a minimum, the Data Analyst and Compliance Officer has strong and polished interpersonal, written and oral communication skills, is a creative, strategic and analytical thinker with the ability to manage multiple projects, is experienced in developing and managing budgets, hiring, and training, supervising and assessing personnel, is highly organized and able to work well with others, has knowledge of Microsoft Office and Windows based computer application and database management, has previous supervisory experience, and is able to work with a variety of populations, including adults who are in recovery, adults transitioning out of homelessness, and persons in need of our unique academic offerings. Ideally this individual has experience interacting with school boards and community-based organizations.

Registrar
The *Registrar* is responsible for maintaining student records, processing student enrollment, transfers, and withdrawals for the campus. The HCCS Registrar has a high school diploma and 2 years' experience as a Registrar or Office Assistant.

Site Secretary
The *Site Secretary* performs a variety of complex technical and secretarial duties, coordinates the work flow of the school office, provides information and assistance to students, faculty, administrators, staff, and school visitors, and performs public relations and communication services as assigned. At a minimum, the Site secretary is required to have two (2) years secretarial and/or clerical experience, one year of secretarial and/or clerical experience within an educational organization, and an associate degree or higher from an accredited college or university.

Operational Division
The Operational Division at Highlands Community Charter School is fundamental in ensuring that we are able to continuously improve and strategically manage the environment in which effective teaching and learning takes place. Our Operational Division provides support and mobilizes resources schoolwide to ensure efficient planning, application and optimum use of school resources. The HCCS Operations Division provides hands-on support with all aspects of school operations, giving all of HCCS the confidence to move forward with our vision and mission. As such, HCCS screens and hires highly qualified staff for our Operational Division who, under the direction of the Chief Operations Officer, meet the minimum specified qualifications outlined below.

Directors
At Highlands Community Charter School, we understand the vital contributions our Operational Directors make through the leadership they provide. Our Operational Directors exercise this leadership by tirelessly

striving to reach our long-term vision of eradicating educational inequality and promoting student achievement through planning, policy setting, advocacy, and monitoring performance to effectively hold HCCS staff accountable to achieving the goals set in our mission so that each and every student succeeds.

Director of Marketing and Communications
The *Director of Marketing and Communications* is responsible for the overall public communications of HCCS. This includes, but is not limited to, planning, directing, and coordinating the internal and external communications to and from the governing board of directors, and with the public, administration, faculty, and staff. Our Director of Marketing and Communications possesses, at a minimum, any combination equivalent to graduation from a 4-year accredited college with specialization in journalism, English or public relations plus experience in public relations management, public information, public affairs or similar occupations. In this position, the Director of Marketing and Communications has progressively responsible experience, preferably in a supervisory or administrative capacity, conducting complex research and/or media analysis in a major media market with prior on-camera media experience preferred.

Supervisors
Our Supervisors play a key role in helping us reach our mission by setting goals for performance, allocating work, monitoring productivity and compliance, providing leadership, building teamwork, and ensuring workforce involvement.

General Services Supervisor
At HCCS our *General Services Supervisor* plans, organizes, directs, administers, reviews, and evaluates schoolwide facilities, maintenance, operations, and purchasing. This position must also supervise warehouse programs and services encompassing facilities planning, construction and maintenance, hazardous materials management, safety management, property management, architectural services, custodial, grounds maintenance, purchasing/warehouse, and general operational services. In this position, the General Services Supervisor exercises independent authority within the scope of responsibilities. This scope includes supervising appropriate staff working in facilities, maintenance, operations, and purchasing/warehouse. The General Services Supervisor acts as a liaison with other HCCS department directors and various city, county, state, and federal agencies in relation to the facilities, maintenance, operations, and purchasing/warehouse activities at HCCS. The qualifications of our General Services Supervisor include an understanding of principles, methods, and practices of school planning, organization, and direction of custodial operations and facilities planning as well as maintenance and purchasing/warehouse service. In this position they are also qualified to complete budget preparation and control, policies, practices, and procedures pertaining to the maintenance, repair, and operation of building complexes. Knowledge of applicable health and safety regulations, equipment, materials, and supplies used in educational settings are also critical. Additionally, the General Services Supervisor is involved with contract management and administration, both oral and written communication, principles and practices of administration, supervision, training, interpersonal skills, patience, and courtesy. Minimum qualifications include experience with computers and assigned software, environmental, health, and safety knowledge, and knowledge related to the regulation of employees, buildings, and property, technical knowledge, preventive maintenance, materials, equipment, and procedures used in various building construction trades and custodial and grounds service operations.

Independent Studies ("IS") Supervisor
The Highlands Community Charter School *Independent Studies Supervisor* is responsible for all programs that are aligned to an Independent Studies instructional model, including program compliance including attendance, CALPADS reporting, instructional assignment, charter petition, and charter renewal. WASC accreditation, campus/facility management, and fiscal compliance are all conditions to successfully fulfilling the job. The IS Supervisor has the ability to coordinate and manage the

Independent Studies program. This is a classified administrative position that supervises the program on a variety of HCCS campuses and is part of HCCS's high school diploma program. The HCCS Independent Studies Supervisor should possess a BS or BA degree from a recognized college institution in Liberal Studies, Business Administration, or a degree of a similar nature that is in alignment to the job of being an Independent Studies Supervisor. Background knowledge of Independent Study and its components related to State and local measures for accountability are essential. The Independent Studies Supervisor must have a thorough knowledge of school SIS (Student Identification Systems, i.e. Powerschool) and its use for guiding Independent Studies as well as the ability to function independently and effectively. In this position it is essential to meet critical timelines and reporting timelines associated with Independent Study. This person must also have the ability to use technology effectively with regards to communication, record keeping, staff presentations, fiscal accountability, or stated mandated compliance associated with Independent Studies. The IS Supervisor must possess the ability to prepare and lead presentations with staff, administration, community stakeholders, and the Board of Trustees for HCCS as well as a thorough understanding of the compliance regulations governing Independent Studies as a recognized educational alternative. It is also essential for this position to have a thorough knowledge of CALPADS and its use for Independent Study tracking, including student demographics, course completions, and student status toward diploma success. The IS Supervisor can communicate effectively and clearly both orally and in writing with a diverse staff and student population, has a proven track record of leadership practices associated to classified and certificated staff, understands and is prepared to produce all documentation necessary to perform and complete annual audit requirements associated with Independent Study.

Business Services Supervisor
The *Business Services Supervisor* is responsible for all areas relating to accounting, developing and maintaining accounting principles, practices, and procedures to ensure accurate and timely financial statements. Our Business Services Supervisor performs a variety of accounting duties in the processing of payroll, accounts payable, accounts receivable, and purchasing and is qualified through a strong understanding of accounting theory and generally accepted accounting principles. The Business Services Supervisor has a proven work ethic and possesses a can-do attitude and ability to meet assigned deadlines. This person is proficient in Microsoft Excel, Microsoft Office, email systems, and has the ability to communicate with a diverse group of people on a daily basis. Preferable qualifications include 6-8 years accounting/finance experience, specifically within a public or school district setting.

Career Services Supervisor
Our *Career Services Supervisor* assists all students and alumni in the development of career technical education, career identification, job search, and employment opportunities. In addition, the HCCS Career Services Supervisor continually works to expand the scope of services through the implementation of data-driven workshops and the utilization of various internal and external resources. The Career Services Supervisor also aims to accomplish organizational objectives by managing staff and seeking professional development. Our Career Services Supervisor is qualified through experience in planning, organizing, monitoring, implementing, and supporting career services, work experience, and supplementary instruction programs. The Career Services Supervisor also supervises the performance of assigned personnel and communicates effectively both orally and in writing, interpreting, applying, explaining rules, regulations, policies, and procedures. This person is responsible for establishing and maintaining cooperative and effective working relationships, analyzing situations accurately and adopting effective course of actions, meeting schedules and timelines, working independently with little direction, preparing comprehensive narrative and statistical reports, directing the maintenance of a variety of reports and files related to assigned activities, and maintaining consistent, punctual and regular attendance.

Administrative/Office Assistants Supervisor

HCCS employs an *Administrative/Office Assistants Supervisor* who plans, organizes and supervises the activities of assigned administrative and office assistants sections within the established office and school sites as directed. The Administrative/Office Assistants Supervisor is responsible for the maintenance of records, reports, and student filing procedures and analyzes assigned projects. The Administrative Supervisor supervises, reviews, and assigns project functions to administrative staff. At a minimum, the Administrative Office Assistants Supervisor possesses an associate degree or equivalent combination of experience, training, and education with prior experience. Experience working in a school setting preferred, and is bilingual, preferably in one or more of the following languages: Spanish, Farsi, or Slavic dialects.

Managers

Managers at HCCS contribute to the achievement of our mission by arranging various factors of the organization. Managers effectively allocate and integrate resources while motivating HCCS staff in their departments. They also negotiate for resources and other support, providing the assurance that staff and students at Highlands Community Charter School are able to achieve the goals set out in our mission and schoolwide learner outcomes.

Facilities Manager

The *Facilities Manager* coordinates, schedules, and monitors use of school facilities for academic and/or nonacademic events organized by HCCS and the community. The Facilities Manager also performs a variety of logistics support duties such as arranging for space, energy and lighting, staffing and security, food services, and clean-up. The Facilities Manager also prepares specialized records, contracts, and reports for facility use and coordinates with partnering schools to assist in classroom and teacher needs facilitation, and provides a variety of logistics, contracting, and support to scheduling offering school site campuses facilities for use. The position requires a high school diploma or equivalent plus four years of progressively responsible experience in an event or facilities planning environment, an Associate's degree in business, program administration, or equivalent is preferred and may substitute for some experience

IT Manager

Our *IT Manager* maintains and expands our computer networks, manages the WAN, LAN, SAN and EDI computer platforms, while looking for ways to grow our networks in a cost-effective way to meet future needs. The IT Manager is responsible for developing network maintenance and growth plans, creating annual and project budgets, managing the IT staff, and keeping the executive team up to date on the latest networking technologies that could help the Highlands Community Charter School to succeed. At a minimum, the IT Manager possesses a bachelor's degree in Computer Science or related field and 5+ years of experience in information technology management

Operational Specialists

As part of our ongoing and growing efforts to support our operational team and in order to ensure students are receiving the highest quality instruction and support HCCS can provide, we employ specialists to support school instruction and operations. Each operational specialist candidate possesses the necessary education and professional experience related to their field of specialty to qualify them for the duties and responsibilities of the position. Our specialist positions and qualifications are as follows:

Transition Specialists

Transition Specialists at Highlands Community Charter School provide transition and employment services to students and qualified California State and Sacramento County ex-offenders; assist participants with enrollment, making appointments, telephone calls, writing letters and filing forms; and provide individual job development, placement assistance, job coaching, follow-along, and follow-up services. Our Transition Specialists are qualified with one (1) year of experience in career advising and/or job development or closely related field is required, an associate degree or higher from an accredited

college or university, evidence of the ability to type 30 wpm, preferably with experience working with students and/or adults with special needs.

Data Specialist
The *Data Specialist* will be responsible for maintenance of data throughout the systems used by Highlands Community Charter School. The Data Specialist will work with employees, partner organizations, and The California Department of Education (CDE) to ensure proper usage and implementation of data systems used by HCCS. The Data Specialist will be the primary point of contact for all data-related matters for HCCS, including but not limited to audits, CALPADS, and Principle Apportionments. This job requires someone who possesses high attention to detail, good judgment, efficient execution, is highly reliable, and has the ability to quickly learn and implement new technology. The minimum qualifications for this position are an understanding of how to manage a database, proven ability to develop scripts and software, strong problem solving skills, and effective communication skills.

Maintenance Specialist
The *Maintenance Specialist* performs inspections, maintenance, and repairs to ensure that all students, staff, and the community are provided a safe, attractive, clean, and healthy environment for learning and work. The Maintenance Specialist minimum requirements include a high school diploma and certificates pertaining to the trade; holds a license for the type of equipment to be driven, with no serious violations, demonstrates knowledge, a minimum of three years of experience, and proficiency in several areas of maintenance (e.g., plumbing, painting, carpentry, masonry/concrete/tile, window glazing, electrical, mechanical, HVAC systems, roof repair, plastering/spackling, field/playground maintenance, furniture repair, and small engine repair); has excellent integrity and demonstrates good moral character and initiative; exhibits a personality that demonstrates interpersonal skills to relate well with students, staff, administration, and the community; and demonstrates the ability to communicate effectively in English, using proper grammar and vocabulary.

Social Media Specialist
The *Social Media Specialist* position performs professional-level marketing/public relations/social media duties that align with HCCS goals and objectives for student achievement. The Social Media Specialist also actively participates in the creation, design, and production of HCCS publications and manages and develops content for our website and social media. Our Social Media Specialist is a self-starter who thrives in a fast-paced team, has strong organizational skills and enjoys problem solving. Ideally, the Social Media Specialist has a bachelor's degree from an accredited college or university in a field related to marketing, advertising, public relations or communications, five (5) years of experience performing communications/marketing/public relations at the professional level, and has experience in a diverse public education setting. The Social Media Specialist is preferably bilingual in English and 1 other language.

Generalists
HCCS employs ‘Generalists’ who have a diversity of skills and abilities in which they excel and whose knowledge is dispersed over a wide range of subjects. We recognize the value of members of our team being able to see deeper inside this interconnectedness of instruction, operations, and students services and find solutions that help us reach our mission.

Human Resources Generalist
The *Human Resources Generalist* assists managers and supervisors with the interpretation and routine application of District policies, procedures, and appropriate Memorandum of Understanding pertaining to Human Resources. Our Human Resources Generalist responds to requests for documentation related to human resources and risk management activities; assists employees and departments with the interpretation of personnel related procedures; works with hiring authorities to perform all aspects of the

recruitment and hiring process including developing and posting jobs; job announcements, reviews and screens applications; and develops and administers appropriate selection tools while maintaining eligibility lists and fingerprinting. We require that our Human Resources Generalist possesses the equivalent to an Associate's degree in Human Resource Management, Business Administration, Labor Relations or Organizational Leadership and two (2) years increasingly responsible experience performing human resource functions, payroll, or other administrative clerical, financial and/ or statistical record keeping that can be directly related to the essential duties and responsibilities of the classification of Human Resources Specialist. A Bachelor's degree in Human Resource Management, Labor Relations or Organizational Leadership may substitute for the experience requirement. A Bachelor's Degree in one of the relevant fields or a specialized certificate in Labor Relations or Human Resource Management is desirable.

Purchasing Generalist
HCCS employs a *Purchasing Generalist* who has experience with accounts payable, purchasing, general accounting principles, and travel reimbursement processing. Our Purchasing Generalist has excellent organizational and analytical skills to assume general assignments and independently follow through to successful completion; strong interpersonal and oral communication skills to effectively and professionally communicate in person and on the telephone, and give directions to a diverse group of people including faculty, staff, and students; excellent communication skills (oral, written, and interpersonal) to effectively interpret instructions and interact with a wide variety of people in a helpful, effective, and informative manner using tact and diplomacy. The HCCS Purchasing Generalist has demonstrated skills to interpret policies, procedures and requirements and apply to processes and procedures related to research, teaching, the department, school and university; elicit information needed to clarify inquiries and requests; demonstrated computer skills utilizing Microsoft Word, Excel, PowerPoint, Outlook, and Adobe Acrobat, and excellent mathematical skills to accurately complete assigned budgetary, accounting and purchasing tasks bookkeeping, and controlled documents. It is the responsibility of the Purchasing Generalist to track all orders & receipt of goods and work with vendors to resolve any issues or returns, monitor all purchase orders, maintain and use a purchasing card in compliance with HCCS policies and procedures, keep an accurate log, reconcile monthly statements, keep an inventory of goods and distribute goods as requested/needed, provide timely turn-around on all requisitions and purchase orders throughout school, maintain procurement documents in a retrievable manner, maintain useful and up-to-date information relative to the procurement area that may affect centralization or good business practices, confirm that all submitted documentation is accurate and complete, review site policies, operation procedures, work instructions and forms for format consistency, and review documents and written external communication for format, consistency, and compliance with existing procedures. The minimum qualifications for this position include, any equivalent combination of training and experience which provides the required skills, knowledge, and abilities may be considered qualifying at the sole discretion of HCCS, equivalent to an Associate's degree, Trade or Technical School, two (2) years of experience in the purchase of specialized operations of equipment, technical services, or equivalent combination of education and experience, competent with MS excel based and other purchasing systems, and knowledge and skills equivalent to completion of two years of college.

Liaisons
Liaisons at HCCS are an integral part of the positive connections and partnerships we make in the community. HCCS Liaisons aid our communication with the community, prospective partners, former students, and the like to ensure our students, past and present, are connected to what they need.

Community Development Liaisons
Community Development Liaisons at HCCS develop and maintain partnership arrangements with private, public, and voluntary sectors and the local communities to meet the service needs and operations of HCCS. The Community Development Liaisons work consistently to ensure continuous local development

and that all associated processes are accurate, professional, and consistent at all times. Community Development Liaisons contribute to the overall success of HCCS in accordance with our schoolwide learning outcomes, mission, and vision by providing seamless service to clients. Our Community Development Liaisons qualify through work experience in a multicultural environment. They have excellent customer skills with meticulous attention to detail, proven ability to prioritize and work on their own initiative whilst respecting boundaries, excellent networking, and promotional skills, good IT skills, particularly MS Office. Community Development Liaisons have the ability to communicate with a diverse group of people on a daily basis, preferably with experience in community development.

Student Engagement Liaison
The *Student Engagement Liaison* works with students to promote and enhance attendance. The purpose is to determine the cause of student absences and to provide assistance to students to enhance school attendance. The Student Engagement Liaison must have an associate degree or equivalent combination of experience, training, and education with prior experience working in a school setting and be bilingual in a language other than English, preferably in *Spanish, Farsi, Slavic* dialects.

Administrative Support Team
The administrative support team at HCCS is essential in supporting the daily operations of all HCCS sites. With the support of members of this team, staff in all divisions are better able to serve our students and our mission.

Data Technician
The *Data Technician* assists the Data Specialist in maintaining data throughout the systems used by HCCS. The Data Technician provides technical assistance and prepares complex reports and information for the use by HCCS personnel, partner organizations, and the California Department of Education. Data Technicians are highly reliable and have high attention to detail, good judgment, efficient execution, and the ability to learn quickly and implement new technology. At a minimum, Data Technicians should have a high school diploma and an associate/bachelor's degree in an analytical field or at least 2+ years of experience with data systems and/or Student Information Systems, including experience with CALPADS.

Information Technology Technicians
The *Information Technology Technicians* install, configure, update, maintain, and repair computer and microcomputer workstations, network peripherals, and communication systems as well as instruct and coordinate with personnel and perform related and non-related work as required. The position requires a minimum of 2 years recent experience in the computer/technology equipment maintenance field. An Associate's degree in computer science or related technical field is highly desirable.

Custodians
HCCS *Custodians* perform custodial cleaning and replenishment of dispensers for school sites, multi-use, offices, surrounding grounds, and related facilities. In addition to demonstrating the competencies and abilities required of the position, Custodians must work cooperatively and productively with the staff, students, and facility users. Our Custodians are required to have a basic knowledge of the methods, materials, tools, and equipment used in custodial and facility care and cleaning. They should also understand work hazards and safe work techniques, including lifting procedures, chemical reactions and proper safety precautions for use of cleaning substances, and building repairs. Custodians need sufficient reading and writing abilities to read work instructions and document work activity onto standardized forms and sufficient human relations skill to exercise courtesy when dealing with others.

Administrative Assistant II
Administrative Assistant II staff perform highly technical and complex tasks, facilitate and expedite work, and perform other related duties as required. Administrative Assistant II staff serve as assistants to

management with responsibility over a division. All of their duties and responsibilities require a high level of initiative and independent decision-making. At a minimum, Administrative Assistant II staff possess four years of increasingly responsible full-time experience at a level comparable to a school secretary or higher is required or two years as an Administrative Assistant I in a School District and the ability to communicate with a diverse group of people on a daily basis.

Administrative Assistant I
Administrative Assistant I serve as assistants to school administrators and perform complex and highly specialized secretarial and administrative support duties; relieve executive staff of clerical and administrative details; plan, organize, and coordinate office activities, provide administrative details and communication. Administrative Assistant I have experience in the operations, principles, practices, procedures, rules, and methods of the district and assigned office or division, the operation of a computer and assigned software, modern office methods and equipment, computers and application software, accurate record-keeping techniques, correct English usage, grammar, spelling, punctuation and vocabulary, using receptionist and telephone techniques, district organization, operations, policies and objectives, interpret and apply legal mandates, policies, rules and regulations, and operational procedures pertaining to school operation. Administrative Assistant I are able to effectively and efficiently operate computer terminals and computers and utilize application software, compose correspondence independently, establish and maintain comprehensive and accurate files and records and prepare concise and complete reports as required, type 50 words per minute, make mathematical calculations with speed and accuracy, understand and carry out oral and written directions, communicate both orally and in writing in a clear and concise manner, apply policies and procedures related to the assigned duties and responsibilities of the position, establish and maintain cooperative and effective working relationships, and work with discretion and in confidence with student and staff information.

Office Assistants
Office Assistants perform varied secretarial and clerical work functions in support of daily operations. Qualifications include the ability to learn and apply policies, regulations and operational procedures, effectively and efficiently operate computers, utilize application software, establish and maintain comprehensive and accurate files and records, prepare concise and complete reports as required, type 40 words per minute, make mathematical calculations with speed and accuracy, understand and carry out oral and written directions, communicate both orally and in writing in a clear and concise manner, apply policies and procedures related to the assigned duties and responsibilities of the position, establish and maintain cooperative and effective working relationships, work independently with little direction, meet schedules and timelines, compose documents and correspondence, use appropriate spelling, grammar, and punctuation. Office Assistants must also perform correspondence and report writing, use automated record management and filing systems, and telephone techniques. Office Assistants are familiar with modern office practices and procedures including methods and equipment, computers, assigned software, district organization, operations, policies and objectives.

Element 6: Health and Safety Procedures

The procedures that the charter school will follow to ensure the health and safety of pupils and staff. These procedures shall require all of the following

(i) Include the requirement that each employee of the charter school furnish the charter school with a criminal record summary as described in Section 44237.

(ii) The development of a school safety plan, which shall include the safety topics listed in subparagraphs (A) to (H), inclusive of paragraph (2)of subdivision (a)of Section 32282 and procedures for conducting tactical responses to criminal incidents.

(iii) That the school safety plan be reviewed and updated by March 1 of every year by the charter school. **(Ed. Code § 47605(b)(5)(F).)**

6.1: Custodian of Records

HCCS Community Charter School designates the Executive Director to serve as the Charter School's Custodian of Records per California Department of Justice requirements. The Executive Director is confirmed as the Custodian of Records by the California Department of Justice.

6.2: Promoting Student Health and Wellness

HCCS will ensure the safety of the students and staff by complying with all applicable state and federal safety laws. HCCS shall adhere to Board policies pertaining to the safety and health of all employees and students.

Health, Wellness, and Nutrition

HCCS' Health curriculum reflects the California Health Education Content Standards and teaches students about a fit and healthy lifestyle. Because of the diverse cultural backgrounds we serve, it is essential that we put great effort into health education in our classrooms to address the varying and culturally unique health education needs of each student. Many of our students need help navigating and utilizing community resources available to them to access basic health knowledge for developing a healthy lifestyle. Our teachers proudly emphasize health education for our students while our Student Support Services staff continually evaluate and address the needs of our students.

Social and Emotional Support and Guidance

Teachers, counselors, and all other staff who interact with students listen, support, empathize, and guide students towards healthy social and emotional development. Being open-minded, trustworthy, and respectful of our students is imperative to the social and emotional well-being. HCCS also makes every effort possible to identify students in need of mental health services and to make community resource connections with community mental health organizations to offer additional support and services.

Academic, College, and Career Counseling

Counselors meet with students one-on-one throughout the school year to discuss academic progress and set SMART goals (specific, measurable, attainable, relevant, and timely). ELD students also meet with ELD Navigators in groups and individually to discuss general academic topics such as graduation requirements and promotion goals. Counselors offer college and career counseling through individual and group sessions.

Community Partners, Resources, and Referrals

We partner with a variety of community agencies to assist us in meeting our students' and families' varying needs from housing, financial, legal, and immigration services to medical and dental clinics. Our partners include International Refugee Committee ("IRC"), Asian Resources, Inc. ("ARI"), Lao Family Community Development, Greater Sacramento Urban League, La Familia Counseling Center, Inc., to name a few.

Background Checks
HCCS certifies that criminal record summary information has been obtained for all staff prior to employment. Classified staff submit fingerprints to a California and multi-state Live Scan prior to employment. The multi-state search should ensure all convictions are reported. Furthermore, HCCS shall comply with the applicable state and federal laws regarding the fingerprinting and background clearance of employees, contractors, and volunteers prior to engaging in employment, volunteerism, or contract services or any other unsupervised contact with students of the Charter School. The Charter School shall not hire any person, in either a certificated or classified position, who has been convicted of a violent or serious felony except as otherwise provided by the law, pursuant to Education Code Sections 44830.1 and 45122.1. The HCCS Executive Director or appointed confidential designee shall review California Department of Justice and Federal Bureau of Investigation reports on prospective employees, contractors, and volunteers to determine whether an individual may provide service within the Charter School, except with respect to reports relative to her or himself, in which case a confirmed member of the Board or appointed confidential designee will review the respective report. The Executive Director or appointed confidential designee shall monitor compliance with this policy on a continuous and ongoing basis.

Mandated Child Abuse Reporting
All HCCS employees are mandated child abuse reporters and will follow all applicable reporting laws. HCCS provides all employees, and other persons working on behalf of HCCS who are mandated reporters, with annual training on child abuse detection and reporting, which shall occur within the first six weeks of each school year, or within the first six weeks of a person's employment if employed after the beginning of the school year.

Tuberculosis (TB) Risk Assessment and Examination
HCCS shall adhere to existing state laws regarding tuberculosis screening of employees. HCCS requires a tuberculosis risk assessment and , if necessary, examination for all employees working in direct contact with students prior to commencing employment and working with students, and for employees at least once each four years thereafter. Highlands Community Charter School certifies that applicable health record information has been obtained for all relevant employees and volunteers prior to initial employment.

Immunizations
HCCS adheres to all applicable laws and existing Board policy related to legally required immunizations and health related issues for both employees and entering students at HCCS.

CPR/First Aid Training
All designated employees are CPR and First Aid trained as part of internal practice.

Medication in School
The Charter School will adhere to Education Code Section 49423 regarding administration of medication in school. The Charter School will adhere to Education Code Section 49414 regarding epinephrine auto-injectors and training for staff members.

Vision, Hearing, and Scoliosis

Students will be screened for vision, hearing, and scoliosis. The Charter School will adhere to Education Code Section 49450 et seq. as applicable to the grade levels served by the Charter School.

Suicide Prevention Policy
The Charter School shall maintain a policy on student suicide prevention in accordance with Education Code Section 215.

Feminine Hygiene Products
The Charter School will stock at least 50% of its restrooms with feminine hygiene products, and shall not charge students for these products, pursuant to Education Code Section 35292.6.

Nutritionally Adequate Free or Reduced Price Meal
The Charter School shall provide each needy student, as defined in Education Code Section 49552, with one nutritionally adequate free or reduced-price meal, as defined in Education Code Section 49553(a), during each school day, pursuant to Education Code Section 47613.5.

Comprehensive School Safety Plan
The Charter School shall adopt a Comprehensive School Safety Plan, to be reviewed and updated by March 1 of every year, which shall include, but not be limited to: (1) an assessment of the current status of school crime committed on Charter School facilities and at Charter School-related functions; and (2) identifying appropriate strategies and programs that will provide or maintain a high level of school safety and address the Charter School's procedures for complying with applicable laws related to school safety, which shall include the development of all of the following pursuant to Education Code Section 32282(a)(2)(A)-(J):

- child abuse reporting procedures
- routine and emergency disaster procedures
- policies for students who committed an act under Section 48915 and other Charter School-designated serious acts leading to suspension, expulsion, or mandatory expulsion recommendations
- procedures to notify teachers of dangerous students pursuant to Education Code Section 49079
- a discrimination and harassment policy consistent with Education Code Section 200
- provisions of any schoolwide dress code that prohibits students from wearing "gang-related apparel," if applicable
- procedures for safe ingress and egress of pupils, parents, and employees to and from the Charter School
- a safe and orderly environment conductive to learning
- the rules and procedures on Charter School discipline
- procedures for conducting tactical responses to criminal incidents

Emergency Preparedness
Highlands Community Charter School's shall adhere to an Emergency Preparedness Handbook drafted specifically to the needs of the facility in conjunction with law enforcement and the Fire Marshal. This handbook shall include, but not be limited to the following responses: fire, flood, earthquake, terrorist threats, and hostage situations. If assuming a facility that was previously used as a school site, any existing emergency preparedness plan for the school site shall be used as a starting basis for updating the handbook for the Charter School.

Staff shall receive training in emergency response, including appropriate "first responder" training or its equivalent.

Bloodborne Pathogens
Highlands Community Charter School adheres to state and federal standards for dealing with blood borne pathogens and other potentially infectious materials in the workplace. HCCS maintains a written infectious control plan designed to protect employees and students from possible infection due to contact with blood borne viruses, including HIV and hepatitis B virus (HBV). This plan includes the training of staff and is included in the Charter School's Comprehensive School Safety Plan. Whenever exposed to blood or other bodily fluids through injury or accident, staff and students will be directed to follow the latest medical protocol for disinfecting and waste disposal procedures.

Drug Free/Alcohol Free/Smoke Free Environment
HCCS maintains a drug, alcohol, and smoke-free environment (workplace and campus).

Integrated Complaint and Investigation Procedure
HCCS shall utilize a complaint and investigation procedure to centralize all complaints and concerns coming into the Charter School. Under the direction of the Board, the Executive Director shall be responsible for investigation, remediation, and follow-up on matters submitted through this procedure. All issues not resolved by the school site may be resolved at the executive level.

Discrimination and Harassment Policies and Procedures
HCCS is committed to providing a charter school free of discrimination and sexual harassment. There are three components to this commitment. All employees receive and sign an employee handbook annually that informs them of HCCS' sexual harassment policy. Additional site-based sexual harassment training is taught to all staff, and annual training is facilitated through "Safe Schools" an online program. HCCS is also committed to providing a workplace free of discrimination and any harassment based upon the real or perceived characteristics of race, religion, creed, color, gender, gender identity, gender expression, immigration status, nationality, national origin, ancestry, ethnic group identification, age, medical condition, marital status, sexual orientation, sex and pregnancy, physical or mental disability, childbirth or related medical conditions, military and veteran status, denial of family and medial are leave,, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, or any other basis protected by federal, state, local law, ordinance, or regulation. HCCS uses policies adopted by the Board regarding discrimination harassment (including employee to employee, employee to student, student to employee, and student to student misconduct). Misconduct of this nature is very serious and will be addressed in accordance with Board policies. Any complaint of unlawful harassment, discrimination, or sexual harassment, is actively investigated by HCCS, to include, where appropriate, the retention of outside investigators, in accordance with the Charter School's Uniform Complaint Procedure.

School Facility Safety
Highlands Community Charter School complies with Education Code 47610 by either utilizing facilities that are compliant with the Field Act or facilities that are compliant with the California Building Standards Code. HCCS adheres to laws specific to charter schools on the local and state level regarding facilities. HCCS agrees to test sprinkler systems, fire extinguishers, and fire alarms annually at its facilities to ensure that they are maintained in an operable condition at all times.

Title IX

HCCS complies with Education Code Section 221.61 by posting in a prominent and conspicuous location on its web site the following information related to the federal regulations implementing Title IX of the Education Amendments of 1972:

The name and contact information of the Charter School's Title IX Coordinator, including the Title IX Coordinator's phone number and email address.

The rights of the pupil and the public and the responsibilities of the Charter School, which includes, but is not limited to, internet web links to information about those rights and responsibilities located on the website of the Office for Equal Opportunity and the U.S. Department of Education Office of Civil Rights (OCR), and the list of rights specific in Education Code Section 221.8.

A description of how to file a complaint under Title IX, which shall include all of the following:

(a) An explanation of the statute of limitations within which a complaint must be filed after an alleged incident of discrimination has occurred, and how a complaint may be filed beyond the statute of limitations.

(b) An explanation of how the complaint will be investigated and how the complainant may further pursue the complaint, including, but not limited to, web links to this information on the U.S. Department of Education OCR website.

(c) A link to the U.S. Department of Education OCR complaint form, and the contact information for the office, including the phone number and email address for the office.

Element 7: Means to Achieve Racial and Ethnic Balance

The means by which the charter school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted. **(Ed. Code § 47605(b)(5)(G).)**

7.1 & 7.2: Plan for Achieving and Maintaining Racial and Ethnic Balance & How to Reach This Goal

Highlands Community Charter School strives, through recruitment and admissions practices, to achieve a racial and ethnic balance among its students that is reflective of the general population residing within the territorial jurisdiction that it serves. HCCS will include an open enrollment policy. Students are considered for admission to the school without regard to ethnicity, national origin, gender, gender expression, gender identity, disability, sexual orientation or any of the characteristics listed in Education Code Section 220. (actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, including immigration status, or association with an individual who has any of the aforementioned characteristics).

HCCS will implement a coordinated advertising and recruiting strategy that ensures all students are notified about the educational opportunities we offer. These efforts will be on-going, throughout the year. As HCCS is committed to serving all ethnic groups, we use various advertising techniques to recruit students from all backgrounds.

Each year HCCS conducts an analysis of enrollment trends in order to optimize our efforts to recruit and retain students. An informal designated committee, comprised of various stakeholders from the instructional, administrative, and operational sides of the school, meets regularly to discuss a problem solving plan. Using both quantitative and qualitative feedback from the previous year, the plan allows the team to work together to clearly identify enrollment trends and their root causes, determine potential solutions, and generate strategies to successfully implement and track solutions in the upcoming year. Some of valuable sources of data for this exercise come from student satisfaction surveys and non-mandatory exit interviews through which feedback is gathered.

Externally, HCCS addresses retention and attrition through the development of school-based student engagement systems and strong partnerships that support teaching, learning, and student achievement. These student engagements systems coordinate efforts to strengthen two-way communication between students and the school. Some of these systems include our ELD Navigators, Reclassification Specialist, Reading Specialist, Transition Specialist, and Student Engagement Liaison. This collaboration not only helps student relations, but also increases student achievement and hopefully retention.

HCCS will actively recruit adult students from Sacramento County that reflect a diverse student population both with regard to racial and ethnic diversity, but also with regard to socio-economic diversity and English Language Learners. HCCS will implement a student recruitment strategy that includes, but is not necessarily limited to, the following elements to ensure racial and ethnic balance of students that is reflective of the county:

- An enrollment process that is scheduled and adopted to include a timeline that allows for a broad-based recruiting and application process.
- The development of promotional and informational materials that appeal to all of the various racial and ethnic groups represented in the County.

- Distribution of informational materials to community organizations, community religious institutions, and other organizations that serve various racial and ethnic populations, such as the libraries, recreation centers, local businesses, middle schools, and faith based organizations.
- The appropriate development of promotional and informational materials in languages other than English to appeal to limited English proficient populations, including but not limited to Farsi, Spanish, Russian, and Arabic.
- The use of various advertising mediums that allow individuals whose first language is something other than English to obtain information relevant to programs at the school.
- Announcing enrollment and recruiting information in local newspapers, online news sources, and social media. HCCS will continue to add sources to stay current with the latest technologies and trends.
- Presentations at various multicultural events, including community fairs and events.

Element 8: Admission Requirements

Admission policies and procedures, consistent with [Educations Code 47605] subdivision (d). **(Ed. Code § 47605(b)(5)(H).)**

Admission Requirements

8.1: Admission and Enrollment Requirements

Highlands Community Charter School is nonsectarian in its programs, admission policies, and all other operations. HCCS will not discriminate on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code or association with an individual who has any of the aforementioned characteristics [Ref. Education Code § 47605(d)(1)]. HCCS will comply with all laws establishing minimum and maximum age for public school attendance in charter schools. No test or assessment shall be administered to students prior to acceptance and enrollment into HCCS. However, subsequent to acceptance, students are assessed for placement into appropriate class levels for enrollment.

HCCS admits all students who:

- wish to enroll in our academic program,
- we are legally allowed to serve,
- meet the exclusive WIOA agreement requirement of being age 22 and older, and
- submit a timely application.

Education Exclusively in Partnership with the Workforce Investment Opportunity Act (WIOA)
Per Education Code §§ 47612.1 and 47605.1 (g), HCCS provides instruction exclusively in partnership with the Workforce Investment Opportunity Act of 1998 through its partnership agreement with the Greater Sacramento Urban League (GSUL) or other WIOA organization. As such, we only legally serve students who are receiving WIOA funded services and do so under the terms of a Partnership Agreement. HCCS will provide a copy of the Partnership Agreement to the District on or before July 1, 2019.

The GSUL or other WIOA service provider will provide HCCS students with the services specifically outlined in and attached hereto under "Tab 9—Workforce Agreements". HCCS will provide the District with documentation that confirms GSUL or other WIOA service provider is qualified and authorized to provide such services contemplated in the Partnership Agreement.

Not Possessing a U.S. High School Diploma
Students who have a U.S. high school diploma (also known as a "regular high school diploma") will not be admitted to Highlands Community Charter School. Students who possess a GED, CHSPE, foreign credential, or any other alternative degree that is not fully aligned with the academic standards of the State of California, may be admitted.

Student Recruitment

8.2: Recruiting Students with Low Academic Performance, Socioeconomic Disadvantages and Disabilities

Our recruitment efforts reflect our objective nature as a charter school and in no way favor or bias any demographic. When students with Individualized Education Plans ("IEP"s) enroll, it is the school's policy to collect any and all information pertaining to the student's IEP and to assess whether the IEP is transferable to a 504 plan. HCCS is committed to serving academically low-achieving and socioeconomically disadvantaged students to offer them a seamless path to success in employment, higher education, and life. HCCS serves a community where a predominant number of students in our target population qualify for free or reduced-price lunch according to federal guidelines. We are dedicated to making sure that all community members are equally aware of the alternative we are providing to students within the communities we intend to serve.

HCCS conducts student outreach activities throughout the calendar year. A variety of techniques are utilized including posters, flyers, local school visits, community-based organization visits, presentations at various multicultural events, public business tabling (sitting outside markets and other businesses that allow us to pass out flyers to the public) and various advertising, including in local English, Spanish, Farsi, and Russian publications and radio stations. All promotional materials are in various languages, including Spanish, Farsi, Russian, and Arabic, to inform non-English speaking populations about our school.

In order to ensure we attract low-achieving, economically disadvantaged, and special education students, we conduct our outreach in the surrounding communities with similar demographics. Our marketing and recruiting materials highlight that our program is available to all students with a variety of needs and backgrounds. Our recruiting teams are trained to ensure all families are notified that our program currently serves a large population of economically disadvantaged students and that we accept students regardless of past academic performance.

Lottery Preferences and Procedures

8.3: Identification and Rationale of Admission Preferences

If HCCS receives a number of applications that exceeds the number of available spaces, a single public random drawing/lottery will be used to select admitted students, with the exception of existing students, who are guaranteed admission in the following school year. The following enrollment preferences and affirmative action preferences in the case of a public random drawing shall be as follows:

1. All students currently enrolled in HCCS
2. Non-youth residents of the District; as defined by WIOA as those 22 years of age and older
3. All other applicants

At the conclusion of the public random drawing, all students who were not granted admission due to capacity shall be given the option to put their name on a waitlist according to their draw in the lottery.

This waitlist will allow students the option of enrollment if an opening occurs during the current school year at their grade level. In no circumstance will the waitlist carry over to the following school year.

HCCS and the District agree to adhere to the requirements related to admission preferences as set forth in Education Code Section 47605(d)(2)(B)(i)-(iv).

8.4: Implementation of a Public Random Drawing

Open Enrollment Period and Enrollment Procedures
Initial applications are accepted at any time during the school year. The HCCS admission process consists of the completion of both a paper-based and online student registration form and optional attendance at one of our weekly orientations.

Enrollment packets for students who are admitted also gather the following:

- Proof of Immunization
- Proof of Withdrawal from Previous School (such as transcripts)
- Proof of Not Having a U.S. high school diploma
- Home Language Survey
- Completion of Emergency Medical Information Form
- Proof of minimum age requirements, e.g. birth certificate or driver's license
- Release of records
- Any forms required by the Greater Sacramento Urban League or other WIOA partner

Following the open enrollment period each year, applications are counted to determine whether the number of students who wish to attend HCCS have exceeded HCCS's capacity. In the event that this happens, HCCS will hold a public random drawing to determine enrollment with the exception of existing students who are guaranteed enrollment in the following school year. This public random drawing is conducted in a public setting, at a time and place (e.g., the main school site) to be made known in advance to the community. The public random drawing process will be used to determine who will be offered enrollment and the order of the waitlist.

The public shall be notified of the random drawing through written notices posted at the school campus and on our website. Applicants who have completed registration are notified of the lottery via automated and/or personal telephone calls, email notifications, and letters sent to home addresses. If there are more available seats in a grade level than there are applicants, all students who have completed registration will be offered a seat.

At the conclusion of the public random drawing, all students who were not granted admission due to capacity will be given the option to put their name on a waiting list according to their draw in the lottery. This waiting list will allow students the option of enrollment if an opening occurs during the current school year at their grade level. New students will be added to the waiting list on a first come, first served basis. If the waiting list is exhausted, then the school may hold additional random drawings.

Communicating to All Interested Parties
Applications are available digitally online on the Highlands Community Charter School website and hard copies are available at all HCCS sites. Our school advertises the open application period to the surrounding communities and also communicates the timeline, rules, and procedures for the lottery process if necessary. Typical methods for these communications include, but are not limited to, web advertising, newspaper and magazine ads, radio ads, home mailers, and fliers.

Ensuring Fair Execution of Lottery Procedures
The lottery will be coordinated by an individual designated by the Executive Director but moderated by an objective third party (usually a community leader or liaison) in a location open to the public and advertised to the school community. Given the native languages of the anticipated target community, all proceedings will be conducted in English, Spanish, Farsi, Russian, and Arabic, as needed.

The lottery is open to the public and students are encouraged to attend; however, students are not required to be present at the time of the drawing to be eligible for admission. Results are published in English, Spanish, Farsi, Russian, and Arabic, as needed. Results are mailed to all applicants and follow up phone calls are made by the designated Enrollment Team and/or school office staff.

The lottery will be made random through use of numbers assigned to each applicant. All applicant numbers will be published and provided to students before the lottery begins. When a student's number is drawn, both the number and student's name will be announced verbally, and the student will be added to a master list which will be projected for those in attendance. Once all available seats in a grade level have been filled, the designated Enrollment Team will announce to those present that all remaining applicants drawn will be placed on the waitlist for that grade level in the order that they are drawn.

Lottery Time and Location
The random public drawing (lottery) will be held in a public space in the community that is large enough to accommodate all interested students. The lottery process is open to the public. The public is notified of the random drawing through written notices posted at the school campus and on our website. The random public drawing (lottery) will be scheduled in the event that applications for enrollment exceed school capacity. The lottery will be held at a time that is determined to be convenient for the students in our school community to attend.

Waiting List Priorities
A waiting list will be implemented when the number of applications exceeds the enrollment capacity at each grade level. In the event of a lottery, admission to the school will be offered to applicants based on the results of the public random drawing until capacity is reached. All remaining names drawn after capacity for a grade level is reached will be placed on a waiting list in the order they are drawn. New applicants who register after the lottery deadline will be offered a seat if space is available in the grade level they have applied for or added to the waitlist in the order that the application was received. As seats become available in a grade level, the student with the lowest numerical ranking will be offered that seat.

Notifying Students of a Seat Offering
Once a seat becomes available for an applicant who has the lowest numerical ranking on the waiting list, the student will be notified of acceptance within a week of the lottery by the designated Enrollment Team and/or school office staff and must accept enrollment within two weeks of notification by confirming with the school staff their intent to complete the enrollment process and/or submitting a completed enrollment packet. Any families who decline an offered seat or who fail to confirm by the deadline will lose their position to the next applicant on the waiting list. The waiting list is kept on file at the school and is valid for the duration of the school year.

Documenting the Fair Execution of Lottery and Waitlist Procedures
Copies of all registration forms, lottery results, and waiting lists are readily available for inspection at the school office. These records will be maintained by the designated Enrollment Team.

Volunteering at HCCS is not mandatory and is not a condition of admission or continued enrollment at HCCS.

Element 9: Annual Financial Audits

The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority. **(Ed. Code § 47605(b)(5)(I).)**

Annual Audit Procedures

9.1: Contracting with an Independent Auditor

An annual independent fiscal audit of the books and records of HCCS is conducted as required by Education Code Sections 47605(b)(5)(I) and 47605(m). The books and records of HCCS are kept in accordance with generally accepted accounting principles, and as required by applicable law, the audit employs generally accepted accounting procedures. The audit will be conducted in accordance with applicable provisions within the California Code of Regulations governing audits of charter schools as published in the State Controller's K-12 Audit Guide.

9.2: Completing the Audit

It is anticipated that the annual audit will be completed within six months of the close of the fiscal year. A copy of the auditor's findings will be forwarded to TRUSD, the County Superintendent of Schools, the State Controller, and to the CDE by the 15th of December of each year. The Board of Directors will receive and review each year's audit.

9.3: Selecting an Independent Auditor

The auditor will have, at a minimum, a CPA and experience with educational institution accounting requirements and practices and shall be approved by the State Controller on its published list as an educational audit provider. HCCS shall be solely responsible for all costs associated with auditing services. To the extent required under applicable federal law, the audit scope will be expanded to include items and processes specified in applicable Office of Management and Budget Circulars.

9.4: Administering the Resolution Process

The HCCS audit committee will review any audit exceptions or deficiencies and then report to the Board of Directors with recommendations on how to resolve them. The Board will submit a report to TRUSD describing how the exceptions and deficiencies have been corrected by the time of the audit submission, along with supporting documentation. Additionally, HCCS will inform TRUSD of any outstanding exceptions or deficiencies at the time of audit submission and how they will be resolved to the satisfaction of TRUSD along with an anticipated timeline for the same. Typically all audit exceptions or deficiencies will be addressed within six months. Any disputes regarding the resolution of audit exceptions and deficiencies will be referred to the dispute resolution process contained in this charter agreement.

9.5: Submission

The Board of Directors will submit a report to TRUSD regarding how the exceptions and deficiencies have been, or will be, resolved to the satisfaction of TRUSD.

Audit appeals or requests for summary review shall be submitted to the Education Audit Appeals Panel ("EAAP") in accordance with applicable law.

The independent financial audit of HCCS is public record to be provided to the public upon request.

Element 10: Suspension and Expulsion Procedures

The procedures by which pupils can be suspended or expelled from the charter school for disciplinary reasons or otherwise involuntarily removed from the charter school for any reason. These procedures, at a minimum, shall include an explanation of how the charter school will comply with federal and state constitutional procedural and substantive due process requirements that is consistent with all of the following:

(i) For suspensions of fewer than 10 days, provide oral or written notice of the charges against the pupil and, if the pupil denies the charges, an explanation of the evidence that supports the charges and an opportunity for the pupil to present his or her side of the story.

(ii) For suspensions of 10 days or more and all other expulsions for disciplinary reasons, both of the following:

(I) Provide timely, written notice of the charges against the pupil and an explanation of the pupil's basic rights.

(II) Provide a hearing adjudicated by a neutral officer within a reasonable number of days at which the pupil has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the pupil has the right to bring legal counsel or an advocate.

(iii) Contain a clear statement that no pupil shall be involuntarily removed by the charter school for any reason unless the parent or guardian of the pupil has been provided written notice of intent to remove the pupil no less than five school days before the effective date of the action. The written notice shall be in the native language of the pupil or the pupil's parent or guardian or, if the pupil is a foster child or youth or a homeless child or youth, the pupil's educational rights holder, and shall inform him or her of the right to initiate the procedures specified in clause (ii) before the effective date of the action. If the pupil's parent, guardian, or educational rights holder initiates the procedures specified in clause (ii), the pupil shall remain enrolled and shall not be removed until the charter school issues a final decision. For purposes of this clause, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions specified in clauses (i) and (ii). **(Ed. Code § 47605(b)(5)(J).)**

School Climate and Student Discipline System

10.1: HCCS Discipline Philosophy

Highlands Community Charter School prides itself on the meeting of student needs and developing an action plan to address extenuating circumstances as they arise, recognizing that many of our students come to our organization due to hardship that has prevented their educational goals from reaching fulfillment. By addressing the needs of each student head on, we remove the barriers that prevent student success.

HCCS implements a philosophy that all students deserve a second chance by providing services that include individual one-on-one student counseling, a drug and alcohol rehabilitation and prevention support group called Clear Connections that meets twice a week, and a Positive Direction support group that meets once a week which focuses on a different student success theme per month. We also provide services that address criminal history and homelessness if these occurrences impede student attendance. Additional addressing of student needs include a transportation plan for adults who do not have vehicle access to and from school, a clothing and food closet for those students who are lacking basic necessities, and free child care for those students who are not able to attend class due to young children between the ages of 2 and 5 who are not school age eligible.

HCCS encourages the utilization of these services as prevention from student disenrollment, suspension, or expulsion when applicable. Should a disciplinary action be required, Student Success Team meetings (SSTs) and 504 plan meetings (when applicable) are organized to review the student's individual extenuating circumstance which prevents attendance. Counselors, teachers, directors, and other assigned

personnel assist with the addressing of these student needs by creating an action plan for both staff and the student.

School-Wide Positive Behavior Intervention and Support

The Student Success Team (SST) is a problem solving and coordinating structure that assists students, teachers, staff, and community partners to develop positive solutions for maximizing student potential. It provides an opportunity for school staff, the adult student, community agencies, and other important people to present their concerns about an individual student. The SST focuses in-depth on one student at a time, and invites the adult student to participate in finding solutions. Through discussion and study, they plan a positive course of action and assign responsibilities, as well as monitor the results of a student. This process informs individual actions for students, including referral to the formal SST process and class-wide actions to address issues such as use of class resources, behavior management, and classroom modifications.

The following is implemented during the time of behavioral intervention:

- Asset Based Delivery: The SST always starts with a discussion of a student's strengths/assets and develops solutions that build on these strengths
- Problem Solving: The SST gathers background information regarding the student in the areas of school, home, family, health, and collaboratively brainstorms solutions to address areas of concern.
- Service Coordination: An action plan is developed for interventions and supports are implemented designed to address the students' needs; team members are assigned responsibilities for action items.
- Monitor Results: Actions items are monitored and a follow up SST meeting is scheduled to review the results/outcomes of interventions, make adjustments and continue to strategize positive solutions to ensure student success.

The coordination of school, home and community interventions improve student learning, and provide focused, positive support to teachers, students and staff. An SST can help students who are facing significant concerns relating to:

- Academics
- Attendance problems
- Behavioral/emotional issues
- Consideration for 504 services
- Retention
- Health issues (including substance abuse)
- Social adjustment

Tiered Behavior Intervention

Members of a Student Support Team:

- The Adult Student is always invited to participate in the decisions of their own education and goal setting.
- Designated administrator
- Classroom teacher(s)
- Resource personnel or specialists, such as community outreach consults, social workers, probation officers, community resources representatives, or mental health consultant
- Others invited as appropriate

All SST team members are active contributors, and the process defines special roles that some members of the team must fill to achieve the greatest positive outcome. Team members may change roles from one

SST meeting to the next. However, during any meeting each team member's role is clearly defined before the meeting begins and then maintained throughout that meeting.

Facilitator

- This person facilitates the working of the team and is the SST coordinator/leader. The success of the team depends largely on this person, who guides the flow of the meeting, and coordinates logistics before and after the meeting.
- The facilitator directs but does not dominate the SST meetings, eliciting the most helpful contributions of the group and, most important, keeping a positive tone at the meeting.
- The facilitator directs the process with respect for all members and accommodates the needs of the group. The facilitator reassures and supports the efforts of colleagues and students.

Recorder

- The recorder is responsible for documenting the SST meeting discussion, including students' strengths, concerns, interventions, action items and results. The recorder does this by using the *Student Success Plan* form or the *Student Success Plan Follow-up Form.*

Team Member

- An effective team member is a positive contributor to the work of the team. The team members participate but do not control the flow of the meeting. Members come prepared with information about the student. Contributions that address difficult problem areas are positive, looking at constructive solutions, rather than characterizing, blaming, or stereotyping. Interventions are linked to the student's strengths.

The Adult Student as a Team Member

- The Adult student is a full-fledged member of the SST, and they are always included. At the SST the student can share his/her perspective and concerns, contribute critical problem-related information from home, and share effective and ineffective home interventions. Many times, the adult student can clarify questions for the team and participate in the implementation of strategies developed by the whole team.

Outreach to Students

- When connecting with students, care must be taken to ensure the most positive experience possible. Reaching out to and engaging the student is a key element in making the SST process successful. This effort involves much more than sending a written notice of a meeting or making a simple phone call. It involves extending oneself as a representative of the school and serving as a bridge for the student to the classroom and the larger school environment.

- Adult students often resist this engagement. The barriers they present to any involvement may mask deeper fears or concerns. Being a student with school or social concerns can cause the student to have feelings of defensiveness or guilt. Many students may feel they will be unfairly attacked or made to feel worse than they already do in an SST meeting. They may have had former experiences with school meetings that were not successful, or they were not kept well informed, and they may be reluctant to trust another meeting at school.

- Adult students may also have time, work, child care, or transportation issues barring their way to participating in the meeting. The SST process must include support to students to accommodate

these very real issues. Any support provided has both symbolic and concrete meaning to students and contributes to the success of the meeting for both students and team members.

- The person performing the outreach/engagement role must be sensitive to these issues. Information about the purpose of the meeting must be presented with an emphasis on the shared concerns and responsibilities. An explanation of the SST process must be provided, emphasizing that the process is a collaborative strategy that builds upon the student's strengths to attain the highest degree of success for the student. The student must also be given an opportunity to ask any questions or share any concerns s/he may have with the upcoming meeting.

- Adult students may also have time, work, child care, or transportation issues barring their way to participating in the meeting. The SST process must include support to students to accommodate these very real issues. Any support provided has both symbolic and concrete meaning to students and contributes to the success of the meeting for both students and team members.

Restorative Justice Practices
Student Success Team Follow-up Practices: The action plan created at the SST meeting is only as good as the follow-up practices that ensure its implementation.

Steps for Implementation:

1. **Case Management**
   It is very important to clearly define on the *Student Success Plan* who is responsible for each "action item" and to designate the administrator in charge of monitoring the implementation of the plan. This creates an accountability system that is monitored and reviewed when the team comes together again for the Follow-up SST meeting(s).

   Case manager tasks may include:
   - meeting with the student and with the teacher regarding the action plan,
   - making phone calls and/or sending reminder notes to team members regarding action items, and/or
   - helping students and their families follow through with referrals to on-site and community-based services.

2. **Feedback to the Referral Source**
   The administrator, or a designated member, provides the referral source with feedback in a timely manner after the initial SST meeting. Even when the referral source is unable to attend the SST meeting, it is beneficial to involve them in some ownership of the plan, particularly classroom strategies, modifications and adaptations.

3. **Student/Family Support**
   Working with students to be a part of the plan and to undertake actions on their own behalf is an important part of the follow-up. The student has to feel that s/he has some control over their own goals and plans, and that school staff are their allies, rather than the ones who have all the control. During the SST meeting the student is an equal partner in developing the action plan. The assigned administrator or another staff member who has a relationship with the student may want to check in with the student periodically to offer support toward implementing action items.

4. **Follow-Up SST Meetings / Ongoing monitoring of student progress**
   At the end of every initial SST, a follow-up SST meeting date is set, preferably within 4-6 weeks. At the follow-up SST meeting action items are reviewed and student progress is discussed. The

follow-up SST meeting is documented on the *Student Success Plan Follow-up Form*. The action plan may need to be modified and additional interventions added depending on student progress.

Communicating, Teaching, and Modeling: Suspension Alternatives through Professional Development
Staff shall enforce disciplinary rules and procedures fairly and consistently among all students. HCCS staff are trained and annually review in de-escalation strategies for students in crises. These strategies focus on developing relationships with students, identifying and avoiding, when possible, triggers for undesirable behavior, and stabilize students who have been triggered safely through the use of de-escalation techniques.

Discipline includes but is not limited to advising and counseling students, conferring with parents/guardians, detention during and after school hours, community service, use of alternative educational environments, suspension and expulsion.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of this Pupil Suspension and Expulsion Policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom HCCS has a basis of knowledge of a suspected disability pursuant to the IDEIA or who is qualified for services under Section 504 is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education students except when federal and state law mandates additional or different procedures. HCCS will follow all applicable federal and state laws when imposing any form of discipline on a student identified as an individual with disabilities or for whom HCCS has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students and shall notify the District of the same.

No student shall be involuntarily removed by the Charter School for any reason unless the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the student, and shall inform him or her of the right to initiate the procedures specified below for suspensions, before the effective date of the action. If the student initiates the procedures specified below for suspensions, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the suspension and expulsion procedures described below.

In-School Suspension

10.2: Authorization and Implementation of In-School Suspensions

HCCS offers in-school suspension as a means of reducing time missed from learning for behavioral issues. Should the need for in-school suspension arise due to a violation of student conduct violations, as

defined by the Highlands Community Charter School Student Handbook, in-school suspension will be served through the enrollment of and attendance in the Highlands Community Charter School Alternative Education/Independent Study Program. An assigned advisor will work with the student to arrange a schedule for the student to engage in credit recovery and after-school tutoring as needed to ensure she is able to keep up with his/her school work while on suspension. Grounds for in-school suspension shall not exceed grounds for expulsion as defined by the Student Expulsion policy. Notification procedures and the maximum number of days for in-school suspension per incident as well as academic year are the same as out-of-school suspensions.

To ensure that HCCS adequately provide safety for students, staff, and visitors to the school and serve the best interests of students, in-school suspension will not be offered to any student who:

- caused, attempted to cause, threatened to cause, or participated in an act of hate violence,
- engaged in harassment, threats, or intimidation against a pupil or group of pupils or school district personnel, or
- made terrorist threats against school officials or school property, or both.

Grounds for Suspension and Expulsion

10.3: Scope of Disciplinary Jurisdiction

A student may be suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at any time, including but not limited to: a) while on school grounds; b) while going to or coming from school; c) during the lunch period, whether on or off the school campus; d) during, going to, or coming from a school-sponsored activity.

10.4: Suspension Offenses

Discretionary Suspension Offenses
Students may be suspended for any of the following acts when it is determined the student:

A. Caused, attempted to cause, or threatened to cause physical injury to another person.
B. Willfully used force of violence upon the person of another, except self-defense.
C. Unlawfully possessed, used, sold or otherwise furnished, or was under the influence of any controlled substance, as defined in Health and Safety Code 11053-11058, alcoholic beverage, or intoxicant of any kind.
D. Unlawfully offered, arranged, or negotiated to sell any controlled substance as defined in Health and Safety Code Sections 11053-11058, alcoholic beverage or intoxicant of any kind, and then sold, delivered or otherwise furnished to any person another liquid substance or material and represented same as controlled substance, alcoholic beverage, or intoxicant.
E. Committed or attempted to commit robbery or extortion.
F. Caused or attempted to cause damage to school property or private property.
G. Stole or attempted to steal school property or private property.
H. Possessed or used tobacco or products containing tobacco or nicotine products, including but not limited to cigars, cigarettes, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets and betel. This section does not prohibit the use of his or her own prescription products by a student.

I. Committed an obscene act or engaged in habitual profanity or vulgarity.
J. Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia, as defined in Health and Safety Code Section 11014.5.
K. Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, other school officials, or other school personnel engaged in the performance of their duties. No pupil enrolled in grade K-3, inclusive, shall be suspended for conduct described in this provision.
L. Knowingly received stolen school property or private property.
M. Possessed an imitation firearm, i.e.: a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.
N. Committed or attempted to commit a sexual assault as defined in Penal Code Sections 261, 266c, 286, 288, 288a or 289, or committed a sexual battery as defined in Penal Code Section 243.4.
O. Harassed, threatened, or intimidated a student who is a complaining witness or witness in a school disciplinary proceeding for the purpose of preventing that student from being a witness and/or retaliating against that student for being a witness.
P. Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.
Q. Engaged in, or attempted to engage in hazing. For the purposes of this subdivision, "hazing" means a method of initiation or pre-initiation into a student organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective student. For purposes of this section, "hazing" does not include athletic events or school-sanctioned events.
R. Made terroristic threats against school officials and/or school property. For purposes of this section, "terroristic threat" shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars ($1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family's safety, or for the protection of school property, or the personal property of the person threatened or his or her immediate family. Students may be also recommended for expulsion for conduct described in this provision.
S. Committed sexual harassment, as defined in Education Code Section 212.5. For the purposes of this section, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment. This section shall apply to students in any of grades 4 to 12, inclusive. Students may be also recommended for expulsion for conduct described in this provision.
T. Caused, attempted to cause, threaten to cause or participated in an act of hate violence, as defined in subdivision (e) of Section 233 of the Education Code. This section shall apply to students in any of grades 4 to 12, inclusive. Students may be also recommended for expulsion for conduct described in this provision.
U. Intentionally harassed, threatened or intimidated school personnel or volunteers and/or a student or group of students, in a sufficiently severe or pervasive nature, to the extent of having the actual and reasonably expected effect of materially disrupting class work, creating substantial disorder and invading student rights by creating an intimidating or hostile educational environment. This section shall apply to students in any of grades 4 to 12, inclusive. Students may be also recommended for expulsion for conduct described in this provision.

V. Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act (defined as the transmission of a communication, including, but not limited to, a message, text, sound, or image, or a post on a social network Internet Web site, or an act of cyber sexual bullying, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager) directed specifically toward a student or school personnel. "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including acts one or more acts committed by a student or group of students which would be deemed sexual harassment, hate violence or harassment, threats, or intimidation, which are directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:
    a. Placing a reasonable student (defined as a student, including, but is not limited to, a student with exceptional needs, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with exceptional needs) or students in fear of harm to that student's or those students' person or property.
    b. Causing a reasonable student to experience a substantially detrimental effect on his or her physical or mental health.
    c. Causing a reasonable student to experience substantial interference with his or her academic performance.
    d. Causing a reasonable student to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by the Charter School.

W. A student who aids or abets, as defined in Section 31 of the Penal Code, the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, except that a student who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to discipline pursuant to subdivision (A) and (B).

X. Possessed, sold, or otherwise furnished any knife unless, in the case of possession of any object of this type, the student had obtained written permission to possess the item from a certificated school employee, with the Executive Director's and/or Director of Curriculum and Instruction (or assigned designee's) concurrence.

Y. Cheated on school classwork or otherwise has acted in an unethical manner as determined by the Administration based upon school policies and guidelines.

Non-Discretionary Suspension Offenses/Non-Discretionary Expulsion Offenses
Students must be suspended and recommended for expulsion for any of the following acts when it is determined the student:

A. Possessed, sold, or otherwise furnished any firearm unless, in the case of possession of any object of this type, the students had obtained written permission to possess the item from a certificated school employee, with the Executive Director's and/or Director of Curriculum and Instruction (or assigned designee's) concurrence.

10.5: Expulsion Offenses

Mandatory Recommendation for Expulsion
Students must be expelled for any of the following acts when it is determined pursuant to the procedures below that the student:

A. Possessed, sold, or otherwise furnished any firearm, explosive, or other dangerous object unless, in the case of possession of any object of this type, the students had obtained written permission to possess the item from a certificated school employee, with the Executive Director's and/or Director of Curriculum and Instruction (or assigned designee's) concurrence. Possession of an imitation firearm is not an offense for which suspension or expulsion is mandatory.
B. Brandishing a knife at another person.
C. Unlawfully selling a controlled substance listed in Health and Safety Code Section 11053-11058.
D. Committing or attempting to commit a sexual assault or sexual battery as defined in Education Code Section 48900(n).
E. Possession of an explosive.

If it is determined by the Board of Directors that a student has brought a firearm or destructive device, as defined in Section 921 of Title 18 of the United States Code, on to campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994. In such instances, the student shall be provided due process rights of notice and a hearing as required in this policy.

The term "firearm" means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device. Such term does not include an antique firearm.

The term "destructive device" means (A) any explosive, incendiary, or poison gas, including but not limited to: (i) bomb, (ii) grenade, (iii) rocket having a propellant charge of more than four ounces, (iv) missile having an explosive or incendiary charge of more than one-quarter ounce, (v) mine, or (vi) device similar to any of the devices described in the preceding clauses.

A decision to expel a pupil shall be based on a finding that other means of correction are not feasible or have repeatedly failed to bring about proper conduct, or that due to the nature of the act, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

Discretionary Recommendation for Expulsion
Students shall be recommended for expulsion, unless the Executive Director or the Executive Director's designee determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the following acts:

A. Causing serious physical injury to another person, except in self-defense.
B. Possession of any knife or other dangerous object of no reasonable use to the pupil.
C. Unlawfully possessing any controlled substance, as defined in Health and Safety Code Sections 11053-11058 except for either the first offense of possession of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis, or the possession of over-the-counter medication for use by the pupil for medical purposes or medication prescribed for the pupil be a physician.
D. Robbery or extortion.
E. Assault or battery, as defined in Penal Code Sections 240 and 242, upon any Charter School employee.

Out-of-School Suspension Procedures

10.6: Rules and Procedures for Out-of-School Student Suspension

Suspension Authority
HCCS will ensure that the process for investigating incidents and collecting evidence will be fair and thorough before a student is suspended. A student may only be suspended by the Executive Director's and/or Director of Curriculum and Instruction, or in the case of the Executive Director's and Director of Curriculum and Instruction's absence or inability to carry out proper suspension procedures, an assigned designee.

Conference
Suspension will be preceded, if possible, by a conference conducted by the Executive Director's and/or Director of Curriculum and Instruction or an assigned designee with the student and, whenever practical, the teacher, supervisor or Charter School employee who referred the student to the Executive Director's and/or Director of Curriculum and Instruction or assigned designee.

The conference may be omitted if the Executive Director's and/or Director of Curriculum and Instruction or an assigned designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety, or health of students or charter school personnel. If a student is suspended without this conference, the student will be notified of the student's right to return to school for the purpose of a conference.

At the conference, the student will be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension, and the evidence against him or her and will be given a meaningful opportunity to present his or her version and evidence in his or her defense. This conference will be held within two school days, unless the student waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a student for failure to attend a conference with Charter School officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student at the conference.

Student Notification
Students will have due process rights with regards to suspensions and expulsions. At the time of the suspension, an administrator or designee will make a reasonable effort to contact the student by telephone or in person. Initial contact will be followed by a written notice. This notice will state the specific offense(s) committed by the student. In addition, the notice will also state the date and time the student may return to school.

10.7: Maximum Suspension

The length of the suspension will be determined by the Executive Director and/or the Director of Curriculum and Instruction or an assigned designee based on the severity of the offense(s), as evidenced by witness statements, physical evidence, and other relevant factors. For students with IEPs, the students SST team will consult with the Executive Director and/or the Director of Curriculum and Instruction or an assigned designee on additional factors that are relevant to the decision. The length of suspension for students may not exceed a period of 5 consecutive days per suspension. The total number of days for which a student may be suspended from school shall not exceed 20 school days in any school year.

10.8: Meaningful Education for Suspended Students

A student on suspension will be provided meaningful access to education during the term of the suspension. An advisor of the suspended student will collect and provide the student with classroom material and current assignments to be completed at home during the length of the suspension. Missed tests will also be coordinated to be completed either at home or upon return. Written notification listing all required assignments will be given to the student and all needed materials will be left in the front office.

10.9: Suspension Pending the Outcome of an Expulsion Process

Upon a recommendation of Expulsion by the Executive Director and/or the Director of Curriculum and Instruction or Administrative Panel, the student or representative will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing. This determination will be made by the Executive Director and/or the Director of Curriculum and Instruction or Administrative Panel upon either of the following: 1) the student's presence will be disruptive to the education process; or 2) the student poses a threat or danger to others or property. Upon either determination, the student's suspension will be extended pending the results of an expulsion hearing. The maximum number of days a student may be suspended is thirty days (30) unless the expulsion hearing is postponed for good cause, in which case the suspension could be extended further. Procedures for providing a student on suspension with meaningful access to education during the term of the suspension pending the outcome of an expulsion process is outlined above in section 10.8.

Expulsion Procedures

10.10: Rules and Procedures for Student Expulsion

Prior to making an expulsion recommendation, students will be provided adequate notice of the reason for disciplinary actions and a meaningful opportunity to be heard by invitation to a conference to determine if the student should be placed on suspension or if an existing suspension for the student should be extended pending an expulsion hearing. This determination will be made by the Executive Director and/or Director of Curriculum and Instruction (or assigned designee) upon either of the following findings:

- The student's presence will likely be disruptive to the educational process
- The student poses a threat or danger to others or property.

Upon this determination, the student placed on suspension or will have his/her suspension extended pending the results of an expulsion hearing.

Students will be recommended for expulsion if at least one of the following findings may be substantiated:

- Other means of correction are not feasible or have repeatedly failed to bring about proper conduct.
- Due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others.

Authority to Expel

A student may be expelled either by the HCCS Board following a hearing before it or by the HCCS Board upon the recommendation of the Executive Director and/or the Director of Curriculum and Instruction or an Administrative Panel may be assigned by the Board as needed. The Administrative Panel should consist of at least three members who are certificated and neither a teacher of the student nor a Board member of the Charter School's governing board. The Executive Director and/or the Director of Curriculum and Instruction or Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the HCCS Board of Directors shall make the final determination.

Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing will be held within thirty (30) school days after the Executive Director and/or the Director of Curriculum and Instruction or an Administrative Panel or designee determines that the student has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all student confidentiality rules under FERPA) unless the student makes a written request for a public hearing three (3) days prior to the hearing.

Written notice of the hearing shall be forwarded to the student at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The notice shall include:

1. The date and place of the expulsion hearing,
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based,
3. A copy of HCCS disciplinary rules which relate to the alleged violation,
4. Notification of the student's obligation to provide information about the student's status at HCCS to any other school district or school to which the student seeks enrollment,
5. The opportunity for the student to appear in person or to employ and be represented by counsel or a non-attorney advisor,
6. The right to inspect and obtain copies of all documents to be used at the hearing,
7. The opportunity to confront and question all witnesses who testify at the hearing, and
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

Reasonable accommodations, including language support for a student whose has a primary language other than English will be made available at the hearing, upon request.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

HCCS may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the HCCS Board or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time s/he testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. HCCS must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the person or panel conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which s/he may leave the hearing room.
4. The person or panel conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The person or panel conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours s/he is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The person or panel conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, HCCS must present evidence that the witness' presence is both desired by the witness and will be helpful to HCCS. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom s/he believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the student being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

Presentation of Evidence
While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board, Panel or designee determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing. The Decision of the Board is final.

If the Administrative Panel decides not to recommend expulsion, the student shall immediately be returned to his/her educational program.

Written Notice to Expel
The Executive Director and/or the Director of Curriculum and Instruction or an Administrative Panel, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student. This notice shall also include the following: (a) Notice of the specific offense committed by the student; and (b) Notice of the student's obligation to inform any new district in which the student seeks to enroll of the student's status with HCCS.

The Executive Director and/or the Director of Curriculum and Instruction or an Administrative Panel, shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The student's name; and (b) The specific expellable offense committed by the student.

Disciplinary Records
HCCS shall maintain records of all student suspensions and expulsions at HCCS. Such records shall be made available to the authorizer upon request.

No Right to Appeal
The student shall have no right of appeal from expulsion from HCCS as HCCS Board's decision to expel shall be final.

Expelled students/Alternative Education
HCCS shall ensure that students suspended from HCCS are provided with an appropriate alternative educational program (class work and homework assignments, etc.) during the period of the student's suspension from school. Whenever a student is expelled from HCCS, HCCS shall notify the student and the student in writing of the student's duty to attend the public school district in which the residency of either the parent or legal guardian is located. HCCS shall also notify the public school district in which the residency of either the parent or legal guardian is located whenever a student is expelled from HCCS.

10.11: Rehabilitation Plans

Rehabilitation Plans, Criteria, and Expulsion
Students who are expelled from HCCS shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the student may reapply to HCCS for readmission.

Readmission
The decision to readmit a student or to admit a previously expelled student from another school district or charter school shall be in the sole discretion of the Board following a meeting with the Executive Director or designee and the student and guardian or representative to determine whether the student has successfully completed the rehabilitation plan and to determine whether the student poses a threat to others or will be disruptive to the school environment. The Executive Director or designee shall make a recommendation to the Board following the meeting regarding his or her determination. The student's readmission is also contingent upon HCCS capacity at the time the student seeks readmission.

Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities

1. Notification of SELPA

   HCCS shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA of the discipline of any student with a disability or student who HCCS or SELPA would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

   Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's 504 Plan would reflect this change), and to progress toward meeting the goals set out in the student's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment or functional analysis, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

   Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a student with a disability because of a violation of a code of student conduct, HCCS, the parent/guardian (in the case of a minor), and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the student's IEP/504 Plan, any teacher observations, and any relevant information provided by the students to determine:

   a. If the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability; or
   b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If HCCS, the parent (in the case of a minor), and relevant members of the IEP/504 Team determine that either of the above is applicable for the student, the conduct shall be determined to be a manifestation of the student's disability.

If HCCS, the parent (in the case of a minor), and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the student's disability, the IEP/504 Team shall:

c. Conduct a functional behavioral assessment or a functional analysis assessment, and implement a behavioral intervention plan for such student, provided that HCCS had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
d. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the student already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
e. Return the student to the placement from which the student was removed, unless the parent (in the case of a minor) and HCCS agree to a change of placement as part of the modification of the behavioral intervention plan.

If HCCS, the parent (in the case of a minor), and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a result of the failure to implement the IEP/504 Plan, then HCCS may apply the relevant disciplinary procedures to students with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent of a student with a disability who disagrees with any decision regarding placement, or the manifestation determination, or HCCS believes that maintaining the current placement of the student is substantially likely to result in injury to the student or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or HCCS, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, whichever occurs first, unless the parent and HCCS agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the student is substantially likely to result in injury to the student or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a student with a disability to the placement from which the student was removed; or (2) order a change in placement of a student with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such student is substantially likely to result in injury to the student or to others.

5. Special Circumstances

HCCS personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a student with a disability who violates a code of student conduct.

The Executive Director and/or the Director of Curriculum and Instruction or an Administrative Panel, may remove a student to an interim alternative educational setting for not more than forty-five (45) days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEIA and who has violated HCCS disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if HCCS had knowledge that the student was disabled before the behavior occurred.

HCCS shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to HCCS supervisory or administrative personnel, or to one of the student's teachers, that the student is in need of special education or related services.
b. A parent has requested an evaluation of the student.
c. The student's teacher, or other HCCS personnel, has expressed specific concerns about a pattern of behavior demonstrated by the student, directly to the director of special education or to other HCCS supervisory personnel.

If HCCS knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEIA-eligible students with disabilities, including the right to stay-put.

If HCCS had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. HCCS shall conduct an expedited evaluation if requested by the student; however the student shall remain in the education placement determined by HCCS pending the results of the evaluation.

HCCS shall not be deemed to have knowledge of that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

Element 11: Employee Retirement Systems

The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security. **(Ed. Code § 47605(b)(5)(K).)**

11.1-3: Certificated, Classified, and Other Staff Members

All full time certificated employees at Highlands Community Charter School participate in a qualified retirement plan including, but not limited to, State Teachers Retirement System (STRS) or the federal social security system based on their eligibility to participate. HCCS teachers participate in STRS. Non-certificated/classified staff participate in a 401A defined contribution plan.

Employees may have access to other school-sponsored retirement plans and other benefit plans according to policies developed by the Board of Directors and adopted as HCCS employee policies. In the event that the Internal Revenue Service adopts regulations barring non-profit entities from participating in the public-funded retirement plan (STRS), employees will be covered by federal social security and/or an employer-sponsored retirement plan as approved by the HCCS Board of Directors. HCCS will inform all applicants for positions within HCCS of the retirement system options for employees of HCCS and notify all applicants that accepting employment at HCCS may exclude the employee from further coverage in their current retirement system. The Executive Director shall be responsible for ensuring that appropriate arrangements for retirement coverage are made. HCCS will develop a mix of salaries and benefits, commensurate with location and experience, necessary to attract and retain well-trained teachers and staff.

Element 12: Public School Attendance Alternatives

The public school attendance alternatives for students residing within the school district who choose not to attend charter schools. **(Ed. Code § 47605(b)(5)(L).)**

12.1: Informing Students of Public School Attendance Alternatives

No student may be required to attend Highlands Community Charter School. Students who reside within the District who choose not to attend HCCS may attend school according to District policy or at another school district or school within the District in accordance with existing enrollment and transfer policies of their district or county of residence. Each student enrolled in HCCS are informed on admissions forms that the students have no right to admission in a particular school of a local education agency (or program of any local education agency) as a consequence of enrollment in HCCS, except to the extent that such a right is extended by the local education agency.

Element 13: Rights of District Employees

The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school. **(Ed. Code § 47605(b)(5)(M).)**

No public school employee will be required to work at Highlands Community Charter School. Employees of the District who choose to leave the employment of the District to work in the Charter School will have no automatic rights of return to the District after employment by HCCS unless specifically granted by the District through a leave of absence or other agreement or policy of the District as aligned with the collective bargaining agreements of the District.

All employees of HCCS will be considered the exclusive employees of HCCS and not of Twin Rivers (TRUSD), for the purposes of the Education Employment Relations Act, unless otherwise mutually agreed in writing. Employment by HCCS provides no rights of employment at any other entity, including any rights in the case of closure of HCCS.

Element 14: Dispute Resolution Procedures

The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter. **(Ed. Code § 47605(b)(5)(N).)**

14.1: Providing Written Notification

Disputes Arising from within HCCS

It is the intent of Twin Rivers Unified School District (TRUSD) and HCCS that complaints and disputes be resolved quickly and informally in an atmosphere of cooperation whenever possible. If employees are represented by a union, they must first exhaust their internal remedies before filing a grievance.

Complaints regarding the operation of HCCS which do not involve TRUSD liability or issues of student health or safety will be forwarded to HCCS for processing according to procedures adopted by HCCS prior to being addressed by TRUSD. HCCS procedures will include reasonably expeditious time lines and a full opportunity for students who are minors directly affected to express their concerns. TRUSD will not address the dispute if HCCS is able to fully resolve the problem unless HCCS requests TRUSD involvement.

The Charter School shall also maintain a Uniform Complaint Policy and Procedures as required by state law.

Disputes between HCCS and TRUSD

HCCS and TRUSD will always attempt to resolve any disputes amicably and reasonably without resorting to formal procedures.

In the event of any dispute between HCCS and TRUSD, excluding revocation of the Charter but including audit exceptions and deficiencies, the complaining party will prepare a written dispute statement which will be simultaneously submitted to the TRUSD Superintendent or designee and the HCCS Executive Director. The Executive Director and the Superintendent or designee will meet and confer within five (5) business days from the date of receipt of the written dispute statement and attempt to resolve the dispute. In the event that this conference fails to resolve the dispute, each party will identify two members of their respective governing boards who shall meet with the Superintendent or designee and the Executive Director within ten (10) business days and attempt to resolve the dispute. If this joint meeting fails to resolve the dispute, either party will, within five (5) business days following the meeting, submit the matter to the Sacramento County Superintendent of Schools. The parties agree to be bound by the County Superintendent's decision and will indicate as such when submitting the matter to the County Superintendent. If the County Superintendent declines to hear the matter, the parties may agree to submit their dispute to a mutually agreeable, neutral third-party mediator for resolution in accordance with any procedure determined and prescribed by the mediator and agreed to by the parties. Review by the County Superintendent or mediator will be held within forty-five (45) business days of receipt of the initial dispute statement. The cost of the mediator will be equally shared between TRUSD and HCCS. If the parties are unable to resolve the matter before a mutually agreeable mediator, either party may pursue any other remedy available under the law.

Unless directed otherwise, all written dispute notifications between the District and Charter School shall be addressed as follows:

Bill McGuire
Twin Rivers Unified School District

5115 Dudley Blvd.
McClellan, California 95652

Murdock Smith
Highlands Community Charter School

1333 Grand Ave
Sacramento, California 95838

In the event that the TRUSD Board of Trustees believes that the dispute relates to an issue that could lead to revocation of the charter in accordance with Education Code Section 47607, this will be noted in the written dispute statement. However, participation in the dispute resolution procedures outlined in this section shall not be interpreted to impede the TRUSD's ability to proceed with revocation in accordance with Education Code Section 47607 and its implementing regulations.

HCCS shall timely notify TRUSD of any and all complaints filed against HCCS by its employees, students, and vendors, involving violations of the Charter, the MOU, State or federal law, or alleged financial mismanagement.

Revocation Protocol

HCCS and Twin Rivers Unified School District (TRUSD) agree that the dispute resolution procedure set forth above will not apply to any matter that could lead to revocation of the Charter. Prior to revocation of the Charter, TRUSD shall provide HCCS with written notice of its belief and an opportunity to meet with and respond to TRUSD within a reasonable time, which shall be not less than five (5) business days, prior to issuing a written notice to "cure and correct," unless TRUSD determines in writing that the violation constitutes a severe and imminent threat to the health or safety of the pupils in accordance with Education Code section 47607(d) and its implementing regulations. Thereafter, if TRUSD determines that revocation is warranted, it will comply with the procedures set forth in Education Code section 47607.

Element 15: Charter School Closure Procedures

The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records. **(Ed. Code § 47605(b)(5)(O).)**

15.1: Closure Agents

The following procedures shall apply in the event HCCS closes. The following procedures apply regardless of the reason for closure.

Closure of HCCS will be documented by official action of the Board of Directors of HCCS. The action will identify the reason for closure. The official action will also identify an entity and person(s) responsible for closure-related activities. The HCCS Board shall promptly notify (TRUSD), within 10 business days, of the closure and the effective date of the closure. The entity responsible for implementing the closure procedures will be experienced in dissolution and closure of public educational programs and will comply with all legal requirements regarding the confidentiality of student records. The Chair of the Board of Directors will serve as the official contact for purposes of implementing the closure protocol set forth in the Charter and its plan for maintaining and transferring student records, and payment of debts and liabilities and distribution of remaining assets. Closure initiated by the HCCS Board will not take effect before the end of the normal school year in June unless agreed to in writing by TRUSD.

The HCCS Board of Directors will promptly notify students of HCCS, TRUSD, the Sacramento County Office of Education, the Charter School's SELPA, the retirement systems in which HCCS's employees participate (e.g., Public Employees' Retirement System, State Teachers' Retirement System, and federal social security), and the California Department of Education of the closure as well as the effective date of the closure. This notice will also include the name(s) of and contact information for the person(s) to whom reasonable inquiries may be made regarding the closure; the students' school districts of residence; and the manner in which students may obtain copies of their records, including specific information on completed courses and credits that meet graduation requirements.

The HCCS Board of Directors will ensure timely notification to the students of HCCS of the closure and will provide information to assist students in locating suitable alternative programs. This notice will be provided promptly, within ten (10) business days, following the HCCS Board's decision to close HCCS. HCCS will provide TRUSD with all student contact information promptly following such decision.

The HCCS Board of Directors will also develop a list of students in each grade level and the classes they have completed, together with information on each student's districts of residence, which the Board will provide to the entity responsible for closure-related activities.

As applicable, HCCS will provide students and TRUSD with copies of all appropriate student records and will otherwise assist students in transferring to their next school. All transfers of student records will be made in compliance with the Family Educational Rights and Privacy Act ("FERPA") 20 U.S.C. § 1232g. HCCS will store original records of HCCS students in HCCS administrative office until the closure of HCCS. No later than the date of closure, all records will be transferred to TRUSD. If the District will not or cannot store the records, the HCCS will work with the County Office of Education to determine a suitable alternative location for storage.

All state assessment results, special education records, and personnel records will be transferred to and maintained by the entity responsible for closure-related activities in accordance with applicable law.

As soon as is reasonably practical, HCCS will prepare final financial records. Within six (6) months, following the date of closure, final financial records shall be prepared and an independent audit completed. HCCS will pay for the final audit (Reserve Fund). The audit will be prepared according to standards for public school audits by a qualified Certified Public Accountant experienced in public school audits selected by HCCS and will be provided to TRUSD promptly upon its completion. The final audit will include an accounting of all financial assets, including cash and accounts receivable and an inventory of property, equipment, and other items of material value, an accounting of the liabilities, including accounts payable and any reduction in apportionments as a result of audit findings or other investigations, loans, and unpaid staff compensation, and an assessment of the disposition of any restricted funds received by or due to HCCS.

HCCS will complete and file any annual reports required pursuant to Education Code section 47604.33.
On closure of HCCS, all assets of HCCS, including but not limited to all leaseholds, personal property, intellectual property and all ADA apportionments and other revenues generated by students attending HCCS, remain the sole property of the HCCS and shall be distributed in accordance with the Articles of Incorporation upon the dissolution of the non-profit public benefit corporation to another California public educational entity. Any assets acquired from the TRUSD or TRUSD property will be promptly returned upon HCCS closure to the TRUSD. The distribution shall include return of any grant funds and restricted categorical funds to their source in accordance with the terms of the grant or state and federal law, as appropriate, which may include submission of final expenditure reports for entitlement grants and the filing of any required Final Expenditure Reports and Final Performance Reports, as well as the return of any donated materials and property in accordance with any conditions established when the donation of such materials or property was accepted.

On closure, HCCS shall remain solely responsible for all liabilities arising from the operation of HCCS.
Should Highlands Community Charter Schools dissolve as a nonprofit public benefit corporation, the HCCS Board will follow the procedures set forth in the California Corporations Code for the dissolution of a nonprofit public benefit corporation and file all necessary filings with the appropriate state and federal agencies.

HCCS will utilize the reserve fund to undertake any expenses associated with the closure procedures identified above.

Additional Provisions

Facilities

The facilities to be utilized by the charter school. The description of the facilities to be used by the charter school shall specify where the charter school intends to locate. **(Ed. Code § 47605(g).)**

16.1: Facilities Mission

As a public charter school, the HCCS mission is to provide a safe, stimulating, and vibrant student-centered learning community that primarily addresses the academic and transitional needs of students who are credit deficient and seeking a high school diploma. HCCS:

- provides adequate space on site for maintaining current site activities,
- locates near public facilities that offer services that complement the instructional facilities at HCCS such as libraries, parks, and institutional facilities, and
- provides adequate site space to accommodate necessary support functions, such as staff and visitor parking, loading/unloading for student transportation, and useable and safe outdoor and dining areas.

In order to properly meet the facilities needs of HCCS, an understanding of the proposed educational programs, services, and student trends is required. Including classroom space, the square footage calculations include a variety of administrative and clerical spaces, hallways, student/staff break areas, restrooms, custodial closets, storage area and utilities closets.

16.2: Locations

Highlands Community Charter School's main campus is located at 1333 Grand Ave., Sacramento, CA 95838. HCCS students are currently served at 24 locations around the greater Sacramento region. In addition to our main campus, HCCS locations include the following:

- **Asher College, Sacramento Campus.**—1215 Howe Avenue Suite 101, Sacramento, CA 95825
- **Asian Resources, Inc.**—2411 Alhambra Boulevard. #110, Sacramento, CA 95817
- **Asian Resources, Inc. Citrus Heights Center.**—5750 Sunrise Boulevard #100, Citrus Heights, CA 95610
- **Bach Viet Association, Inc**.—1050 Fulton Avenue Suite 110, Sacramento, CA 95825
- **Bethany Slavic Missionary Church**—9880 Jackson Road, Sacramento, CA 95827
- **Capital Christian Center**—9470 Micron Avenue, Sacramento, CA 95827
- **Clayton B. Wire Elementary**—5100 El Paraiso Avenue, Sacramento, CA 95824
- **Cosmo Beauty Academy**—3500 Fulton Avenue, Sacramento, CA 95821
- **Faith Legacy**—3532 Whitney Avenue, Sacramento, CA 95821
- **Greater Sacramento Urban League**—3725 Marysville Boulevard, Sacramento, CA 95838
- **Holy Cross Academy**—800 Todhunter Avenue, W. Sacramento, CA 95606
- **Industrial Park**—8180 Industrial Parkway, Sacramento, CA 95824
- **La Familia Counseling Center, Inc.**—3301 37th Avenue, Sacramento, CA 95824
- **Marconi**—2435 Marconi Avenue, Sacramento, CA 95821
- **Marina Vista: Sacramento Housing and Redevelopment Agency**—30 Seavey Circle, Sacramento, CA 95818
- **McClellan: Extension**—3144 Palm Street, Bldg. 826, McClellan Park, CA 95652

- **National Shrine of Our Lady Of Guadalupe**—711 T Street, Sacramento, CA 95811
- **Opening Doors**—1111 Howe Avenue, Suite 125, Sacramento, CA 95825
- **Saint Anne's Church**—7720 24th Street, Sacramento, CA 95832
- **SALAM Academy**—4541 College Oak Drive, Sacramento, CA 95841
- **St. Matthews Episcopal Church**—2300 Edison Avenue, Sacramento, CA 95821
- **St. Rose Campus**—5961 Franklin Boulevard., Sacramento, CA 95824
- **St. John's Women's Shelter**—8401 Jackson Road, Sacramento, CA 95826
- **The Fountain Of New Life Ministries**—2771 Grove Avenue, Sacramento, CA 95815

HCCS is nonsectarian in its programs, admission policies, and all other operations, even at sites located at religious institutions. All HCCS sites are accessible to students by foot, public transportation, or car. HCCS ensures that the facilities align with all building and fire codes for instructional purposes as provided in Education Code Section 47610. In addition HCCS will alert TRUSD at least 30 days prior to occupancy of every site to be leased, purchased, or controlled by the school for instructional purposes. HCCS will not pursue Proposition 39 facilities from the District.

16.3: Annual Operational Agreement

HCCS and Twin Rivers Unified School District (TRUSD) will negotiate in good faith on an annual basis to develop an Annual Operational Agreement/Memorandum of Understanding establishing the specific financial, operational and service relationship between the two parties. Additionally, it may address other matters of mutual interest not otherwise resolved within the terms of HCCS' Charter.

16.4: Operational Powers and Liabilities

HCCS shall be fiscally responsible for its own operations and shall manage its operations efficiently and economically within the constraints of its annual budget.

HCCS shall have no authority to enter into a contract that would bind Twin Rivers Unified School District (TRUSD) or to extend the credit of TRUSD to any third person or party without the express written consent of TRUSD. HCCS shall clearly indicate to all vendors and other entities and individuals outside TRUSD with which or with whom HCCS enters into an agreement or contract for goods or services that the obligations of HCCS under such an agreement or contract are solely the responsibility of HCCS and are not the responsibility of TRUSD.

Insurance

16.5: Insurance Coverage

HCCS secures and maintains, during the term of the Charter, commercially reasonable general liability, property, errors and omissions, worker's compensation, and other necessary insurance coverage in the amounts specified by the Annual Memorandum of Understanding to protect HCCS from claims that may arise from its operations. Each policy shall include language stating particular who is insured, extent of insurance, locations and operations to which insurance applies, expiration date, to whom cancellation or reduction notice will be sent; and (3) a statement that the District and its officers, employees and agents are named as additional insured.

Coverage amounts will be based on recommendations provided by the District and the Charter School's insurer. The District Board of Education shall be named as an additional insured on all policies of the Charter School. The Charter School will provide copies of certificates of insurance, as provided herein, to the District upon request.

Fiscal Matters

The petitioner or petitioners also shall also be required to provide financial statements that include a proposed first-year operational budget, including startup costs, and cash flow and financial projections for the first three years of operation. **(Ed. Code § 47605(g).)**

16.6: Funding

HCCS receives funding according to the Local Control Funding Formula pursuant to Education Code Section 42238.02(d) and its successors will opt to receive its funding directly from the state. An account for HCCS will be maintained at the Twin Rivers Unified School District (TRUSD). Any funds due to HCCS that flow through TRUSD shall be forwarded to HCCS as soon as practical.

16.7: Fiscal Strength

HCCS has significant financial strength. This strength includes strong financial reserves to ensure smooth cash flow and the meeting of all obligations. Moving forward HCCS will continue to have very strong financials as can be seen in the five-year budget and financial projections under Tab 4.

16.8: Budgets and Cash Flow

A five year budget and financial projections is included under Tab 4. This document is based upon the Local Control Funding Formula and the best estimates of revenues and costs available to HCCS at this time.

16.9: Financial Reporting

HCCS will provide reports to TRUSD as follows as required by Education Code Section 47604.33 and may provide additional fiscal reports as requested by TRUSD:

1. By July 1, a preliminary budget for the current fiscal year. For a charter school in its first year of operation, financial statements submitted with the charter petition pursuant to Education Code Section 47605(g) will satisfy this requirement.
2. By July 1, an annual update (LCAP) required pursuant to Education Code Section 47606.5.
3. By December 15, an interim financial report for the current fiscal year reflecting changes through October 31. Additionally, on December 15, a copy of HCCS's annual, independent financial audit report for the preceding fiscal year shall be delivered to the State Controller, State Department of Education and County Superintendent of Schools.

4. By March 15, a second interim financial report for the current fiscal year reflecting changes through January 31.
5. By September 15, a final unaudited report for the full prior year. The report submitted to HCCS shall include an annual statement of all HCCS's receipts and expenditures for the preceding fiscal year.

For reports 1-4, above, HCCS shall also provide with each financial report supporting and/or back up information, including but not limited to multi-year projections for current and two subsequent years, assumptions used for two subsequent years, explanation for major variances by category between reporting periods, enrollment projection, ADA P2 projection by grade level, COLA & Deficit percentage, calculation used for determining general purpose funding, list of statutory benefit rates, list of H&W rates and number of participants, and number of FTEs for certificated and classified employees for each year.

Pursuant to Education Code Section 47604.3, HCCS shall promptly respond to all reasonable inquiries including, but not limited to, inquiries regarding its financial records, cash flow and budget, and ADA P2 projections from the District. HCCS agrees to and submits to the right of the District to monitor the Charter School's ADA projections and cash flow shortages in order to carry out the District's statutorily required oversight.

16.10: District Reports

Twin Rivers Unified School District (TRUSD) agrees to file all reports specifically required by law pertaining to their role as an authorizing agent to be filed with the California Department of Education or any other State or federal agency by a local educational agency on behalf of HCCS and/or TRUSD. HCCS will promptly provide TRUSD with any information, data, or documentation necessary for TRUSD to timely file such reports in accordance with law. HCCS will be solely responsible for the accuracy of all data submitted to TRUSD. HCCS will be responsible for filing all other reports as may be required by law.

16.11: Attendance Reporting, School Calendar, and Other Data

HCCS will provide Twin Rivers Unified School District (TRUSD) with a copy of the HCCS annual attendance calendar no later than July 1 of each year. HCCS will maintain no less than the minimum number of instructional days and minutes required by the Education Code and/or the California Code of Regulations for each grade level served.

Subject to TRUSD approval, HCCS will establish and maintain an attendance reporting system to record and account for the Charter School's ADA, as defined in Title V California Code of Regulations section 11960. HCCS will timely report ADA figures to TRUSD as necessary to enable the school to receive funding. The Charter School will provide TRUSD with a monthly enrollment report no later than the 15th calendar day of the following attendance month. HCCS will provide all data and reports required by TRUSD in hard copy and electronic data files. HCCS will submit enrollment and demographic information to the California Education Data System (CBEDS), or its successor, the California Student Information System (CSIS), to the extent and in the manner specifically required by law or regulations applicable to charter schools. Upon request, HCCS will provide TRUSD with documentation of the teacher/student ratio for the Charter School. HCCS will also provide TRUSD with amended ADA reports for the 2016-17 school year and all other prior years as recommended by the FCMAT audit report of May 2018.

16.12: Annual Review and Notice to District of Change in Status

HCCS will participate in an annual review conducted by Twin Rivers Unified School District (TRUSD), if any, of all programs offered at the Charter School, including their effectiveness and student achievement. Both parties will act reasonably and in good faith in both the review and the response to the review.

HCCS will provide TRUSD no less than thirty (30) days prior written notice of any actions taken by the Charter School that may and/or will affect and/or change the status of HCCS, and which falls within TRUSD oversight responsibilities. Nothing herein shall preclude the parties from negotiating or amending the charter to include additional services not contemplated by this charter.

16.13: Regulations and Compliance

HCCS will work diligently to comply with all rules and regulations placed upon it by regulatory entities, such that it follows both the letter of the law and the spirit of the law. We recognize that the California legislature enacted charter school law to encourage innovation in the field of education, and thus we will use all authority and ability granted to us as a school to innovate and push beyond the status quo. We will do so responsibly and accountability.

16.14: Technology

HCCS will utilize technology in all aspects of how it functions to lower the cost of education, improve efficiency, and improve the effectiveness of education. Recognizing that there is always a cost-benefit tradeoff when using technology, HCCS will purchase hardware, software, and services based upon the value it brings to the overall learning process.

HCCS will consider the full cost-benefit of technology purchases, including upfront costs, cost of support, cost of modification, and approximate lifespan of the technology, and compare this with the benefits that the technology adds to the educational process and overall system of the school.

Other Clauses and Procedures

16.15: Term of Charter

The term of this charter shall begin on July 1, 2019 and expire June 30, 2024.

16.16: Amendment of Charter

Any amendments to this charter shall be made by the mutual agreement of the governing boards of TRUSD and HCCS. HCCS may present a petition to amend the charter at any time, and TRUSD agrees to

respond to such petitions pursuant to the process and timelines specified in Education Code Section 47605 or its successors.

16.17: Cooperation

Twin Rivers Unified School District (TRUSD) agrees to cooperate with HCCS in all matters related to the implementation of this charter and interactions with the California State Board of Education.

16.18: Severability

The terms of this charter are severable. In the event that any of the provisions are determined to be unenforceable or invalid for any reason, the remainder of the charter shall remain in effect, unless mutually agreed otherwise by the Twin Rivers Unified School District (TRUSD) Board of Trustees and HCCS Board of Directors.

16.19: Administrative Services

The manner in which administrative services of the charter school are to be provided. **(Ed. Code § 47605(g).)**

HCCS conducts or procures all of its own administrative and business services including, but not limited to, academic, special education, financial management, accounts payable/receivable, payroll, human resources, and instructional program development either through its own staff or through an appropriately qualified third-party contractor. All contracts are vetted for conflict of interest as adopted by the HCCS Board of Directors. HCCS provides or procures all administrative services to further ensure high quality services, in a cost-effective manner.

Pursuant to California law, the authorizer will be required to provide oversight and performance monitoring services, including monitoring school and student performance data, reviewing the school's audit reports, performing annual site visits, engaging in any necessary dispute resolution processes, and considering charter amendment and renewal requests. HCCS agrees to and submits to the right of the District to make random visits and inspections in order to carry out its statutorily required oversight in accordance with Education Code Sections 47604.32 and 47607.

16.20: Potential Civil Liability Effects

Potential civil liability effects, if any, upon the charter school and upon the school district. (Ed. Code § 47605(g).)

HCCS is operated by a California non-profit public benefit corporation. This corporation is organized and operated exclusively for charitable purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code and California Revenue and Taxation Code Section 23701(d).

Pursuant to Education Code Section 47604(c), an entity that grants a charter to a charter school operated by a non-profit public benefit corporation shall not be liable for the debts or obligations of the charter school or for claims arising from the performance of acts, errors, or omissions by the charter school if the authority has complied with all oversight responsibilities required by law. HCCS shall work diligently to assist TRUSD in meeting any and all oversight obligations under the law, including monthly meetings, statutory fiscal reporting, or other requested protocol to ensure the District will not be liable for the operation of HCCS.

Further, HCCS and TRUSD have a memorandum of understanding, wherein HCCS indemnifies TRUSD for the actions of HCCS under this charter.

The corporate bylaws of HCCS provide for indemnification of the HCCS Governing Board of Directors, officers, agents, and employees, and HCCS maintains general liability insurance, Board Members and Officers insurance, and fidelity bonding to secure against financial risks.

As stated above, insurance amounts will be determined by recommendation of TRUSD and the TRUSD insurance company for schools of similar size, location, and student population. TRUSD will be named an additional insured on the general liability insurance of HCCS.

The HCCS Board will institute appropriate risk management practices as discussed herein, including screening of employees, establishing codes of conduct for students, and dispute resolution.

16.21: Funding and Oversight Fee

HCCS elects to receive the state aid portion of charter school general-purpose entitlement and categorical block grant funds and any other funding as now computed by the Local Control Funding Formula pursuant to Education Code Section 42238.02 and implemented by Education Code Section 42238.03, and as received by the Charter School for its "Adult Education" programs, directly in accordance with Education Code Section 47651(a)(1). Funds for the Charter School shall be deposited directly into an account for the "Highlands Community Charter School" with the Sacramento County Office of Education ("SCOE"). The SCOE will then remit the funds to the Charter School. The District shall transfer to the Charter School funding in-lieu-of property taxes in accordance with Education Code Section 47635. HCCS recognizes that the District shall have no responsibilities for funding the Charter School beyond that required by law.

The Charter School agrees that all funding received for the Charter School, from any and all sources, including but not limited to all funding sources set forth in this Charter, or other agreement with the District, shall be used exclusively to operate the Charter School, and shall not be used, either directly or indirectly, or by loan or gift, to fund, assist, pay for the debts of, or towards the operation of, any other school or establishment managed, controlled, or operated by the Corporation or Charter School, or operated by its members, officers, agents, servants, and employers, or for any other purpose whatsoever, unless mutually agreed by the parties.

In consideration for the actual costs of supervisorial oversight by the District, the Charter School shall pay an amount not to exceed one percent (1%) of the revenue of the Charter School (hereinafter, the "Oversight Fee") pursuant to Education Code section 47613. "Supervisorial oversight" for purposes of this section shall be limited to those duties listed in Education Code section 47604.32(a)(1) through (5), only. "Revenue" for purposes of this calculation is defined pursuant to Education Code section 47613(f) in the current fiscal year from the local control funding formula calculated pursuant to Education Code sections 42238.02 and 42238.03. "Revenue" for purposes of this calculation shall not include Charter School fund-raising activities, private donations, other public grants, or any other source of income developed by the Charter School.

16:22: Payment Schedule

The Charter School shall pay the supervisorial oversight fee and any other fees in quarterly installments for each school year. The District shall invoice the Charter School for fees due as of September 30, December 31, March 31, and June 30, with invoices to be prepared and submitted by the District to the Charter School within thirty (30) calendar days during the year and by September 15 (when the books are closed) at the end of the year. The Charter School shall pay all invoices within fifteen (15) business days of their issuance by the District. In the event payment is not received within five (5) business days following the payment due date, and/or if such payment is returned or unpaid due to insufficient funds, the Charter School authorizes the District to deduct any such fees or payments from future apportionments or any other monies received by the SCOE and/or District for the Charter School. The District may elect to offset and deduct any such fees from the District in-lieu property tax revenues next payable to the Charter School, in which case the District shall provide the Charter School with a detailed statement showing the amount of any such offset.

Violation of Charter: Grade Levels Not Aligned with Charter

HIGHLANDS
COMMUNITY CHARTER AND TECHNICAL SCHOOLS

August 28, 2024

SENT VIA: EMAIL DELIVERY:
gina.carreon@trusd.net

Gina Carron
Chief Human Resources Official
3222 Winona Way
North Highlands, CA 95660

RE: Request for Response Dated August 5, 2024 Relating to 11th Grade

Dear Ms. Carreon:

This is in response to your August 5, 2024 correspondence to Highlands Community Charter and Technical Schools ("HCCTS"). We understand that the Twin Rivers Unified School District ("District"), as the chartering authority for both Highlands Community Charter School ("HCCS") and California Innovative Career Academy ("CICA"), has requested that HCCTS take the following actions:

- The District requests that HCCTS investigate the necessary steps and support needed to add 11th grade to the High School program.

- The District further requests that HCCTS implement the necessary steps to add 11th grade as soon as practical.

HCCS and CICA have been operated by HCCTS since 2014 and 2019, respectively. Both schools serve adults 22 years of age and older in compliance with the Workforce Innovation and Opportunity Act of 2014 (Pub. L. 113–128, title II, §201.) Both charter documents currently provide for a unique grade level configuration of 1st, 2nd, and 12th grades. Additionally, HCCS and CICA have added grades 9 and 10 to their grade level offerings through a non-material revision to the charter petitions based upon approval of the addition of these grades previously by District staff on October 29, 2020. Upon enrollment, the HCCS charter provides that:

> "Students who are at a high school level (9th through 12th grade) based upon credits and assessment will be assigned to their grade level based upon age. Students who are at a primary school level (8th grade or below) based upon a lack of credits or low assessment

> scores, will be assigned to a grade level based primarily upon assessment."

CICA's charter contains identical language pertaining to grade level assignment after enrollment. Neither charter, therefore, currently requires 11th grade. Additionally, the high school curriculum offered by Highlands Community Charter and Technical School and CICA complies with the California Education Code requirements for graduation (Ed. Code §51225.3.)

The educational program of a California public charter school is defined by its charter petition. (Ed. Code §47605.) The educational programs of HCCS and CICA, as defined in the charters, were developed to meet the needs of the unique student population enrolled in both schools. The educational programs, including a grade configuration that does not include 11th grade, was approved by the District and by virtue of this approval found to be a sound educational program. Furthermore, these educational programs comply with the requirements for graduation. (Ed. Code §51225.3.). As such, HCCTS is not legally required to add an 11th grade to the educational programs of either HCCS or CICA.

Although HCCTS does not have a legal obligation so do so, in an ongoing effort to assuage the District's concerns and demonstrate HCCTS' commitment to proper reporting and progress tracking of students and bolstering the educational program of HCCS and CICA to best serve the needs of every student, HCCTS will add an 11th grade as soon as practical to its educational program subject to approval of both the HCCTS Board and the District. In order to plan and implement an 11th grade to the high school program, HCCTS will need to review and analyze both HCCS and CICA's current educational programs, investigate staffing needs and assessment schedules, and train its team on implementation of these changes. As the District is aware, HCCTS is currently responding to a state audit and two separate audits being conducted by representatives of the District, while continuing to operate its two schools and attempting to implement numerous operational changes to satisfy the District and other stakeholders. Therefore, HCCTS does not have the adequate time or staff capacity to plan and implement a new grade within this academic year.

HCCTS takes the advice of the District staff to add an 11th grade seriously and is committed to adding an 11th grade as soon as practical to its educational program. Assuming the District will confirm that the addition of 11th grade is approved as a non-material revision to the charters for both schools with an implementation date of July 1, 2025 or as part of the charter renewal process before our charters expire on June 30, 2027. HCCTS proposes spending the current academic year planning for the 11th grade configuration change and implementing the change to take effect when possible. This would provide HCCTS with adequate time to properly investigate, plan, and implement the addition of the 11th grade to the high school program. Furthermore, this would ensure that there is not a chaotic disruption to the educational program for students in the middle of an academic year and ensure a successful implementation of a new change. HCCTS appreciates the District's willingness to work with us on DASS metrics that will better capture the progress of students enrolling at Highlands given its high levels of immigrant students who often know little English even though they are classified as high school students. Having these metrics in place before adding the 11th grade will also assist stakeholders by ensuring there is reliable data upon which to evaluate student progress.

We hope that this letter fully addresses the District's requests on this matter and we look forward to hearing from you about our proposed implementation timeline and whether the non-material revision is approved by the District. Should you have any further questions in the meantime, please do not hesitate to contact me.

Sincerely,

Bill McGuire
Executive Director

Good Afternoon,

On page one of the HCCTS response regarding the addition of 11th grade, there was mention that HCCS had approval by *"District Staff on October 29, 2020"* to add grades 9 and 10 through a non-material revision process. Please provide evidence to support this statement.

Thank you.

Subject: Request for Evidence

Dear Ms. Warta,

We have prepared the following response to the TRUSD request for evidence regarding the statement of HCCS approval of adding grades 9 and 10 through a non-material revision process.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

Grades 9 and 10
Before adding grades 9 and 10, HCCS enrolled students in grades 1, 2, and 12. In the 2018-2019 school year, there was political pressure from the capitol to enroll all students in high school following a misunderstanding that HCCS had 40-year-old students enrolled in first and second grades with children. HCCTS serves adult students aged 22 and older. However, our students were never in classes learning with children. To address this, in the 2020-2021 school year, HCCTS added high school grades 9 and 10.

HCCTS communicated with TRUSD via email and phone about these changes on several occasions. TRUSD Administration strongly encouraged the change to a 9-12 grade span to more accurately reflect the students we serve and would not require a material revision to the charter. While HCCTS does not possess email evidence of this exchange on October 29, 2020, these communications are reflected in the 2019-2020 Annual Oversight Report from TRUSD drafted on July 7, 2020. The report, which was drafted by Francie Heim of School Business Solutions, clearly states: "It should be noted that Highlands serves ages 22 and older. Before 2020-21, Highlands classified students for LCFF funding purposes as K-3 or 9-12. Starting in 2020-21, all students are reported as 9-12 for LCFF funding purposes, generating a higher level of funding (approximately $1,000 more per student.)"

Please see an excerpt from the report below. Attached is the complete report by School Business Solutions, TRUSD Oversight consultant, which was provided to HCCTS in July 2020.

It should be noted that Highlands serves age 22 and older. Before 2020-21, HIghlands classified students for LCFF funding purposes as K-3 or 9-12. Starting in 2020-21, all students are reported as 9-12 for LCFF funding purposes, generating a higher level of funding (approximately $1,000 more per student).

Highlands LCFF Funded ADA			
	K-3 ADA	9-12 ADA	Total
2020-21		2,550.00	2,550.00
2019-20	1,750.28	251.05	2,001.33
2018-19	1,178.80	267.09	1,445.89
2017-18	1,003.65	245.26	1,248.91
2016-17	612.79	310.75	923.54
2015-16	216.05	189.06	405.11
2014-15	65.79	170.87	236.66

Please reach out if you have any additional questions.

HIGHLANDS COMMUNITY CHARTER SCHOOL
ANNUAL OVERSIGHT REPORT 2019-20

June 7, 2021

HIGHLANDS COMMUNITY CHARTER SCHOOL OVERSIGHT REPORT

Prepared by Francie Heim, School Business Solutions LLC

This report summarizes the Highlands Community Charter School (Highlands) for 2019-20 school year activities and includes an update on the 2020-21 school year.

Key Data Points	2017-18	2018-19	2019-20
October Enrollment	1,856	1,980	3,336
Socioeconomically Disadvantaged	89.06%	94.70%	92.24%
English Learners	85.88%	87.10%	90.32%

The report will be divided into seven parts and are aligned with TRUSD board policy on charter oversight.

Part 1 Compliance with Legal Requirements (Board Policy)
Part 2 Student Outcomes and LCAP (Board Policy)
Part 3 Fiscal Condition (Board Policy)
Part 4 Key Demographic Data
Part 5 Site Visit Observations
Part 6 Summary
Part 7 Appendix

TWIN RIVERS UNIFIED BOARD POLICY
MONITORING CHARTER SCHOOL PERFORMANCE

The Superintendent or designee shall monitor the charter school to determine whether it **complies with all legal requirements** applicable to charter schools, including making all reports required of charter schools in accordance with Education Code *47604.32*. Any violations of law shall be reported to the Board.

The Board shall monitor each charter school to determine whether it is achieving, both schoolwide and for all groups of students served by the school, the **measurable student outcomes** set forth in the charter. This determination shall be based on the measures specified in the approved charter and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its **local control and accountability plan (LCAP).**

The Board shall **monitor the fiscal condition** of the charter school based on any financial information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, annual update of the school's LCAP, first and second interim financial reports, and final unaudited report for the full prior year. (Education Code *47604.32, 47604.33, 47606.5*)

PART I

Board Policy:
The Superintendent or designee shall monitor the charter school to determine whether it complies with all legal requirements applicable to charter schools, including making all reports required of charter schools in accordance with Education Code 47604.32. Any violations of law shall be reported to the Board.

Highland states they filed all required reports with their office, and there are no known violations of law. TRUSD states that all required reports have been filed, and there are no known items to report.

The annual independent audit for 2019-20 is an unmodified opinion. The audit report did restate the ending fund balance, with a $78K accounts receivable overstatement adjustment for Highlands and $15 K for CA Innovative Career Academy.

PART 2

Board Policy:
The Board shall monitor each charter school to determine whether it is achieving, both schoolwide and for all groups of students served by the school, the measurable student outcomes set forth in the charter. This determination shall be based on the measures specified in the approved charter and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability plan (LCAP).

There are limited ways to measure student outcomes for alternative programs as students do not take the Smarter Balanced Assessments taken in traditional K-12 schools. In March 2019-20, the pandemic resulted in limited data collection and suspended the traditional LCAP process.

Highlands does continue to test students regularly with the CASAS test, which is required as part of the workforce investment grant.

The most recent LCAP (2018-19/2019-20) noted the following:

Goal 1: Improve Academic Performance School-wide.

Outcome: We expect our English Learners (EL) students to make significant progress in the Comprehensive Adult Student Assessment System (CASAS) Reading Assessment, our EL reclassification rate to Re-Designated English Proficient (RFEP) to increase, and 50% of our identified high school students to show increase in their CASAS scores in either ELA or Math. We exceeded our metrics in elementary English language development: 58% of our ELD learners have made significant learning gains on the Comprehensive Adult Student Assessment System (CASAS) reading assessment exceeding our goal of 52%. Shifting significant resources to additional para-educators

has been highly effective. Highlands exceeded our goal on teacher credentialing because we recruit highly skilled teachers from the UC and CSU systems. They come to Highlands with Master's Degrees and a wealth of teaching experience but need their Designated Subjects Credential. The use of our 'Navigators' to assist transition from EL classes to defined high school level courses.

Goal 2: Improve College and Career Preparedness through increased research based practices and strategies with increased career-technical educational (CTE) opportunities for all students.

Outcome: 65% of our eligible students complete a defined College or Career Pathway. This includes expanding our CTE Pathways, thereby, increasing the number of options available to students. Highlands is committed to students' success and providing opportunities to obtain a livable wage lifestyle. Highlands provides classes in child psychology and parent education. The CTE courses available consist of Truck Driving Class A License, Early Childhood Education careers, Microsoft Suite Certification, A+ Information Technology, Medical Office Training, Medical Assisting, Cosmetology, Manicuring, Entrepreneurship and Culinary Arts.

Goal 3: Increase Student Engagement and Enhance School Climate.

Outcome: Highlands has supported student and alumni achievement by investing in additional para-educators in classrooms and enhanced technology resources. These investments along with other proven investments have allowed our students to exceed our school wide GPA goal of 2.77 to 3.44. Highlands is on course to meet our high school graduation goal of 41%. We exceeded our goal of 60% of non-exempt alumni gaining and maintaining employment with 62%. 19% of our alumni are enrolled in college or post-secondary education which exceeds our goal of 10%. Highlands provides many activities for students to supplement their education by participating in leadership groups on campus. These include: Student Leadership Committee, Budget Committee, Event Planning Committee, English Language Advisory Committee, and the Community Advisory Council.

Goal 4: Increase instructional technology use to improve student achievement and career readiness.

Outcome: The number of our students that now have access or use a computer in their daily life is 87%. We increased our overall number of available student computers to 1:4 ratio. The overall goal is to attain a 1:1 level.

Goal 5: Increase stakeholder and community engagement in the students' education and school and community life.

Outcome: Of the 79% of Highlands' students who have children, 67% are actively parenting. Our expansion of play care programs and summer camp activities provide a rich learning environment while allowing their parents to attend school. Highlands' partners with both Twin Rivers Unified School District and Family Hui program to provide supplemental parent education programs.

LCAP

Education Code 47604.32 requires the charter authorizer to review the LCAP as a part of authorizer oversight duties. The TRUSD team has done a review and provided recommendations to Highlands on changes that should be reflected in a revised LCAP (Appendix D). A summary of the LCAP highlights is shown in Appendix C.

Dashboard Alternative School Status (DASS)

In 2013, California's accountability system significantly changed with the adoption of the Local Control Funding Formula (LCFF). This new accountability system, the California School Dashboard (Dashboard), contains state indicators and standards to help identify a school's strengths, weaknesses, and areas in need of improvement. Because these state indicators and standards were developed for traditional (non-alternative) schools, a different measurement tool was needed for Alternative Schools. The Dashboard Alternative School Status (DASS) program replaces the previously administered Alternative Schools Accountability Model (ASAM) and holds alternative schools and alternative schools of choice accountable for modified methods of measurement for accountability indicators, when appropriate.

Highlands DASS 2018-19

Basics: Teachers, Instructional Materials, Facilities	Met
Implementation of Academic Standards	Met
Parent Engagement	Met
Local Climate Survey	Met
Access to a Broad Course of Study	Met
Chronic Absenteeism	88.6% (increase over the PY* 1%)
Suspension Rate	-0-
Graduation Rate	15.3% (decline over the PY 3.5%)
College/Career	-0- Prepared, 1.6% approaching prepared (PY -0- prepared, 13.8% approaching prepared)

*Prior Year (PY)

Highlands notes that the decline in graduation rate is due in part to students transferring to the CA Innovative Career Academy charter in order to complete remaining credits under an independent study setting.

HIGHLANDS COMMUNITY CHARTER SCHOOL
ANNUAL OVERSIGHT REPORT 2019-20

PART 3

Board Policy
The Board shall monitor the fiscal condition of the charter school based on any financial information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, annual update of the school's LCAP, first and second interim financial reports, and final unaudited report for the full prior year. (Education Code *47604.32, 47604.33, 47606.5*)

Highlands was financially solvent at the close of 2019-20. The audit report reflects unrestricted net assets of $1.28 M at the close of 2019-20. The level of borrowing is concerning, with $2.6 M in revenue anticipation notes (RANs) outstanding at the close of 2019-20 and a $3 M PPP (Paycheck Protection Program) loan payable. An additional $ 6.6 M in RANs were issued in 2020-21.

The TRUSD business team, with leadership provided by Kate Ingersoll, does a detailed review of Highlands budget, interim reports, audit, and LCAP.

Cash and Borrowing Notes:

- Highlands ended 2016-17 with a zero cash balance.
- In August 2017, Highlands issued Revenue Anticipation Notes, Series A (RANs) for $2,900,000 at 5% interest, maturing on September 15, 2018.
- In 2017-18, Highlands used a factoring agreement ($750 K) for cash flow, at the cost of $22K.
- In 2018-19, Highlands used a factoring agreement ($8.55M) for cash flow at the cost of $424 K.
- In 2019-20, Highlands paid off the factoring agreement.
- In 2019-20, Highlands/CA Innovative Career Academy issued RANs for $7M with net proceeds of $5,065 M. $1.9 M was to pay off a previous factoring agreement. The total cost of issuance is significant, along with 4% interest.
- In 2019-20, Highlands received a $3 M PPP loan at 1% interest and may be eligible to apply for loan forgiveness.
- **In 2020-21 (August 2020), Highlands/CA Innovative Career Academy issued RANs for $6.6 M with net proceeds of $6.25 M and 4% annual interest.**
- **Highlands provided follow-up information indicating the RAN was paid in full in March 2021. Highlands established a $9 M line of credit to utilize for cash flow.**

2020-21 SECOND INTERIM MULTI-YEAR PROJECTION SUMMARY

Based on data submitted in March 2021 (Second Interim Budget), Highlands projects to be fiscally solvent in 2020-21, 2021-22,2022-23 with a projected ending balance of $10.6 M in 2020-21 (line 7) at approximately 33% of expenditures. A 33% reserve is a greatly improved ending balance over the 2019-20 5% reserve.

	Highlands 2nd Interim MYP	2018-19 Actual	2019-20 Actual	2020-21 2nd Interim	2021-22 MYP	2021-22 MYP

PART 4

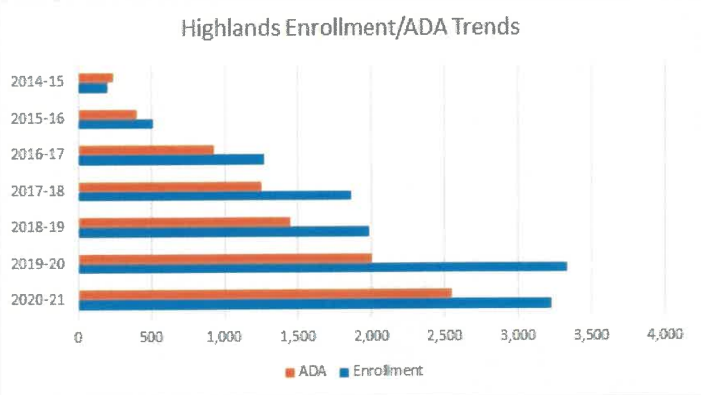
Other Key Data Elements

ADA (AVERAGE DAILY ATTENDANCE)/ENROLLMENT GROWTH OVER TIME

Highlands has grown from 207 students (October 2014 count) to 3,225 students (October 2020 count). Charters are funded based on current year P-2 ADA, a cumulative count of student attendance as of the last full school month ending on or before April 15. ADA is significantly less than ADA.

Due to the pandemic, 2020-21 ADA was frozen at the 2019-20 level with the ability to apply for growth ADA, which is why Highlands increased from 2,001 ADA to 2,550.

Highlands Enrollment ADA Trend			
Academic Year	Enrollment	ADA	ADA as % of Enrollment
2020-21	3,225	2,550	79%
2019-20	3,336	2,001	60%
2018-19	1,980	1,446	73%
2017-18	1,856	1,249	67%
2016-17	1,268	924	73%
2015-16	518	405	78%
2014-15	207	237	114%



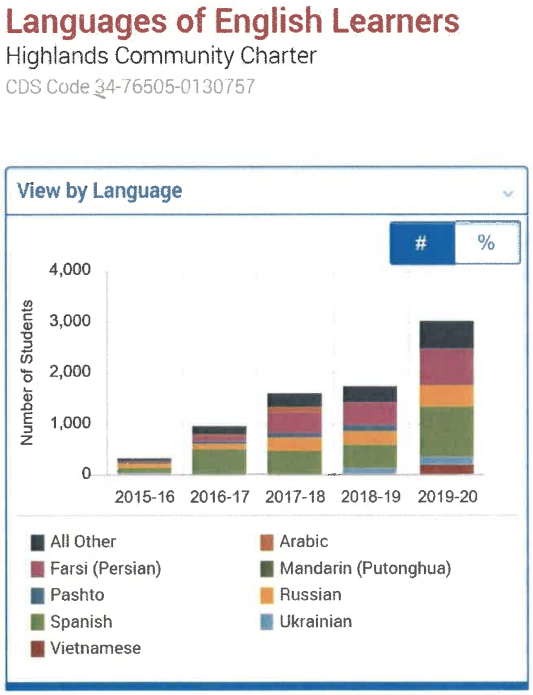
It should be noted that Highlands serves age 22 and older. Before 2020-21, HIghlands classified students for LCFF funding purposes as K-3 or 9-12. Starting in 2020-21, all students are reported as 9-12 for LCFF funding purposes, generating a higher level of funding (approximately $1,000 more per student).

Highlands LCFF Funded ADA			
	K-3 ADA	9-12 ADA	Total
2020-21		2,550.00	2,550.00
2019-20	1,750.28	251.05	2,001.33
2018-19	1,178.80	267.09	1,445.89
2017-18	1,003.65	245.26	1,248.91
2016-17	612.79	310.75	923.54
2015-16	216.05	189.06	405.11
2014-15	65.79	170.87	236.66

ENGLISH LEARNERS

Highlands has 90% of the population identified as English Learners. A 90% identification rate is higher than TRUSD (33%), Sacramento County (17%), and the State (19%). As noted in the chart below, a significant number of languages are represented in the student population.

2019-20 English Learner	English Only (EO)	Initial Fluent English Proficient (IFEP)	English Learner (EL)	Reclassified Fluent English Proficient (RFEP)	TBD	Total	EL as % of Total
Highlands	303	-	3,013	20	-	3,336	90.3%
Twin Rivers Unified	16,549	480	10,834	5,082	63	33,008	32.8%
Sacramento County	164,358	7,485	43,406	34,062	229	249,540	17.4%
State	3,600,001	273,950	1,148,024	1,133,977	7,049	6,163,001	18.6%



UNDUPLICATED PUPIL PERCENTAGE (UPP)

Highlands UPP was 98% in 2019-20. For funding purposes, the UPP calculation used in the LCFF formula is based on a three-year average and is capped at the UPP% of TRUSD.

1	Highlands UPP Count	2015-16	2016-17	2017-18	2018-19	2019-20
2	Total Enrollment	518	1,268	1,856	1,980	3,336
3	Free & Reduced Meal Program	335	810	1,646	1,828	3,077
4	Homeless	-	49	16	7	51
5	Direct Certification	8	21	45	19	8
6	Unduplicated FRPM Eligible Count	336	829	1,653	1,831	3,086

** per 2019-20 audit report*

PART 5

Site Visit Observations

Murdock Smith is the CEO/Director of Highlands and brings a passion and vision to the charter. Mike Reid is the Chief Operations Officer. Mike will be retiring in June 2021, and a leadership reorganization is underway.

Diana Gonsalves is a new addition to the team, serving as the Director of Fiscal Services. The charter continues to contract with Delta Management Solutions for back-office business support. Highlands is reviewing the possibility of bringing all business functions in-house. As requested in our last oversight report, the charter has added a "fiscal transparency" section to the website, providing budget and interim report updates.

Highlands received an outside consultant report (Terry Bradley, SBC) in May 2020. The report's scope was to review the organizational structure with an emphasis on the business services department. The report also requested a follow-up review of the FCMAT extraordinary audit (May 2018). There were many findings and recommendations, and a summary is provided below:

a) Recognition of the increase in student enrollment and a "healthy" general fund reserve.
b) Recognition of the leadership of Murdock (Doc) Smith and his high visibility in the organization
c) Recognition of the Board of Directors in their trust of the leadership team and holding the team accountable.
d) Improved communication among divisions in the organization was recognized. It was also noted that this is an area of continued focus to improve.
e) The utilization of technology should be a priority throughout the charter organization.
f) Based on interviews of HCCS staff, all 19 internal practices identified in the FCMAT extraordinary audit have been addressed. Staff feels the charter is a better organization due to the FCMAT study and will continue to improve as more systems are developed and implemented.
g) Internal controls need to be in place to ensure that only students 22 years of age or older without high school diplomas can register at HCCS. It should be noted that the October 2019 and October 2020 student counts show no student under the age of 22 enrolled.

The report recommended that further areas of focus/study should be:

Development of a succession plan for HCCS leadership positions.
Review of the existing organizational structure.
Completion of a cost/benefit analysis of establishing a "total" business office operation within the structure of HCCS.

No sites were visited this year due to COVID, but several zoom sessions were conducted with the Charter leadership team, and several classes were visited via zoom. The first meeting with Murdock Smith (CEO/Director), Michael Reid, and Charles Patillo was to establish the protocol and plan for zoom visits. After the class zoom visits, a meeting was held with Murdock Smith, Mike Reid, Katrina Tupper (Director of Instruction and Professional Learning), Niccole Scrogins (Director of Curriculum and Program).

The questions guiding the team discussion are shown in Appendix G. A summary of a year in review with challenges and successes is provided below as noted by the leadership team.

At the start of the pandemic, a distance learning specialist group was brought in to train staff and set the stage for remote learning. For some of the clients, a zoom environment improved attendance. Chromebooks, hot spots, Gmail accounts, were provided to students. "Digital navigators" assisted students and staff with technology. If a student was not in contact for five days, there was outreach to ensure students were OK. Food and clothing closets were provided to assist with other needs.

ADA was determined by google classroom, mobile app, zoom attendance, work submitted, and reading program log-ins. Highlands is considered a school of the district for special education purposes, and special education services are provided by TRUSD.

There were many challenges for teachers in adapting to a Zoom environment, but the success was seeing the great work at the end. The silver lining is the push over the finish line for staff and teachers (and students) on digital literacy (Nicole).

Challenges were the personal hardships, and success was the relationships and connections that were made. The silver lining was creating a system and structures for collaboration, with staff reaching out for more professional development opportunities (Katrina).

Challenge was never taking the foot off the accelerator and pivoting, and the success was creating more pathways for students (Mike).

Success was graduation with 138 graduates in January. Challenges were not receiving COVID funding like traditional school districts. The silver lining was the development of a learning management platform in-house. (Doc).

There were some very specific kudos to the TRUSD team:
Kate Ingersoll for working so closely with Diane Gonsalves and the business office team
Lori Grace for ongoing, consistent communication on COVID to the Highlands team that made them feel very supported by the district.
Kristen Coates for reaching out to ensure good communications with the team.
TRUSD police support, specifically noting an incident with an at-risk student, and the collaboration of the Highland team and TRUSD police department that prevented a potential suicide.

I attended the following Zoom classes:

English Learners	10:00 to 11:00	Tuesday16-Mar	7 students attending
English, History,Govnt	11:00 to 12:00	Tuesday16-March	1 student attending
Math	1:30 to 2:30	Tuesday16-Mar	4 students attending
English	6:00 to 7:00	Wednesday17-Mar	16 students attending
CDL Truck Driving	10:00 to 11:00	Thursday18-Mar	11 students attending
Beg English	11:00 to 12:00	Thursday18-Mar	15 students attending
Algebra (CICA)	5:15 to 6:15	Thursday18-Mar	1 student attending

General Impressions:
Teachers used technology appropriately, with some teachers excelling in providing engaging activities. Students were generally adept at using Zoom and had good connectivity. The English Learner classes were particularly engaging. Many of the students were women with small children, and it was a joy to watch their level of engagement in learning English. As noted previously in the report, attendance has improved since transportation, and child care barriers are no longer issues in a Zoom environment.

PART 6

SUMMARY

The Highlands team is passionate about its mission and vision and is committed to its students' success. They serve a diverse group of adults, primarily English Learners, under the Workforce Investment Act. The challenges are many. Chronic absenteeism is high at 88.6%, graduation rates are low at 15.3%, and college/career readiness indicators are -0- prepared and 1.6% approaching prepared (2018-19 data).

Our commendations to Highlands for bringing in an outside consultant to review operations and provide recommendations. The report (May 2020) was reviewed as part of this oversight report. The charter has implanted many of the recommendations.

Highlands should be commended for the quick response to align services to students in a virtual environment back in March 2020. As of this report (May 2021), Highlands is still providing services in a virtual environment.

In 2019-20, adequate controls were in place to ensure all students enrolled were age 22 or more.

Highlands has implemented a prior year recommendation that provides for fiscal transparency, with the website posting budgets and interim reports.

Highlands has been creative in partnering with the community on facilities near where the students and community needs are located. Appendix B provides the most current listing of 35 sites.

A stated concern in the past was a lack of cash flow and budget discipline necessary for a growing organization. Highlands has improved its fund balance. They have discontinued expensive factoring agreements used for cash flow. Highlands indicated that in March 2021, they repaid the RANs and acquired a $9M line of credit to utilize for cash flow purposes. They continue to contract with a charter "back office" for financial support but have added staffing in-house to improve financial/budgeting systems. They are projected to be fiscally solvent in 2019-20 and future years.

There continue to be legislative discussions to limit the ability of Charters to serve adults over the age of 22 and receiving LCFF funding. Highlands has been actively working to ensure legislators and others are aware of the impact of their work in the community.

The Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) Commissioners have determined Highlands Community Charter School (AD - AD) meets the ACS WASC criteria for accreditation and granted a Six-Year Accreditation Status with a Mid-cycle Two-day Visit through June 30, 2025.

PART 7

APPENDIX A HIGHLANDS MISSION/VISION (FROM WEBSITE)

Motto | Vision | Mission

MOTTO: IT'S NEVER TOO LATE!

VISION: TO ERADICATE EDUCATIONAL INEQUALITY.

MISSION:

WE ARE A DIVERSE COMMUNITY FOR SOCIAL JUSTICE, SERVING THE UNSERVED, PROVIDING ACCESS TO EDUCATION, TECHNOLOGY, COMMUNICATION, AND EMPLOYMENT FOR 21ST CENTURY ACHIEVERS. THROUGH COMMUNITY PARTNERSHIPS, WE WILL BUILD NEW LEGACIES LEADING TO SELF-SUFFICIENCY AND GENERATIONAL CHANGE.

SCHOOLWIDE LEARNER OUTCOMES (SLOS):

1. STUDENTS WILL DEMONSTRATE MEASURABLE ACHIEVEMENTS EACH TERM THROUGH ASSESSMENT.

2. STUDENTS WILL MAKE PROGRESS TOWARD THEIR CAREER GOALS.

3. STUDENTS WILL USE TECHNOLOGY TO COMMUNICATE FOR PERSONAL AND ACADEMIC USE.

HIGHLANDS COMMUNITY CHARTER SCHOOL

ANNUAL OVERSIGHT REPORT 2019-20

APPENDIX B

Highlands Community Charter School's main campus is located at 1333 Grand Ave., Sacramento, CA 95838. HCCS students are currently served at 35 locations around the greater Sacramento region.

These sites listed may include jointly utilized California Innovative Career Academy sites.

Per the Charter Petition - All HCCS site are accessible to students by foot, public transportation, or car. HCCS ensures that the facilities align with all building and fire codes for instructional purposes as provided in Education Code Section 47610. In addition, HCCS will alert TRUSD at least 30 days prior to occupancy of every site to be leased, purchased, or controlled by the school for instructional purposes. HCCS will not pursue Proposition 39 facilities from the district.

APPENDIX C

Greatest Progress

At Highlands, we are proud of increasing services to our unduplicated students by leveraging a variety of funding sources. One of our most creative and innovative services continues to be the deployment of a mobile clothes closet and library which was financed through base funding. Many Highlands students live in poverty and for two years now a free clothes closet was established at our main campus to provide clothes to needy students and their families. Due to the overwhelming success of this project and the high demand for these clothes, and to provide access for students at other sites, Highlands purchased an RV which can now take the clothes to students at all 24 auxillary sites. Additionally, as our students have often indicated their desire for books to read at home, the mobile clothes closet is also a mobile lending library. Students can check-out one book, then exchange it for another at a future date, the books are never overdue. This program was initiated with base funds and is popular with all students. In the next school year, we will continue to expand on this resource to offer free clothes and books to our students.

Another very successful Highlands initiative this year was providing free eye exams and free glasses to 72 of our highest needs students. Highlands applied for a grant through Vision Service Plan called "Eyes of Hope" for those who are in need but can't afford the services. Certificates for a free eye exam and a pair of eyeglasses at any doctor in the VSP network are issued to students identified by their teachers to be in need or "desperate" need of glasses. The results were immediate, these students are empowered to fully participate in class because they now see the Board and read without squinting in their classes.

In response to high-needs students requests for increased access to computers, Highlands secured funds from our Workforce Investment Opportunity Act (WIOA) grant, supplemental and concentration funds to purchase 250 additional student computers. Bringing a 2 year total purchase of 535 student laptops/desktops. These are all pre-loaded with support software or programs for student use. Including Google Chrome, Microsoft Office Suite, Ethernet capability and WiFi available access. This has increased significantly our drive to become a 1:1 student to computer available school.

Last year, we had an identified need to improve the English Language Learner reclassification rates. This year we planned to invest $1,100,000.00 dollars of supplemental and concentration funds to provide para-educators for our students with highest needs . This is an additional $770,000.00 dollars toward classroom assistance. When our local indicators, CASAS scores, and student feedback demonstrated the effectiveness of this strategy, administration allocated an additional $490,000.00 to para-educator salary and benefits. As a result, our actual expenditures outpaced our budgeted expenditures and moreover, our student gains and reclassification rates surpassed our original growth goals. With a particular emphasis on 'literacy rates' improving we are striving for providing intensive in-class assistance. This has proven to be an effective strategy for increasing student success. Investment in para-educators for of our English Language Learners and Socioeconomically Dis-advantaged students has contributed to significant gains throughout our student population. Next year we will continue to provide para-educators as supplemental support for our un-duplicated students.

Last year, we identified a need to improve our 7% CTE participation rate from the 2016-17 school year. This year,we doubled the rate and achieved a 14% participation rate. In addition, we were able to more than double the CTE completion rate of long term students. For the 2016-17 school year, the completion rate was 31%. In the 2017-18 school year the CTE completion rate was 64%, exceeding our goal of 45% completion rate. In the 2018-19 school year, we continued to improve our CTE program as our un-duplicated students rely on this program to prepare them for living wage jobs. At the completion of the 2018-19 school year we reached 48% of our students taking and completing a CTE Pathway.

With regard to other outcomes that were significant to our school's success, we were approved by the Twin Rivers Unified School District's Board of Trustees for a full 5 year re-authorization to continue our work as a charter school. In addition, we went through a full review for accreditation with the Western Association of Schools and Colleges and have been granted a 6 year accreditation (the highest accreditation possible) with a 2 day mid-cycle visit. Additionally, we are still a grantee for the Work Force Investment and Opportunity Act (WIOA for $350,000 annually).

Finally, we have grown from 22 learning sites from the 2018-19 school year to almost 30 available learning sites or partnership locations, thus expanding the opportunity for additional students to access the school either locally or regionally.

Greatest Need

There are 5 areas Highlands will focus attention next year to improve our overall results:
1. Improving CTE participation rate: As a non-college prep-school, we meet Ed. Code § 52060(d)(4)(C) through the number of students who participate in and complete career technical education sequences or programs of study that align with state board-approved career technical education standards and frameworks".
While our school offers a range of CTE programs, we believe we must continue to increase the participation rate.
2. Improving career attainment: By having more students complete our CTE programs through improved instruction and follow up, our graduates should be more equipped to obtain livable wage lifestyle.
3. Improving curriculum and instructional materials: We will continue the process of rolling out a new and improved comprehensive curriculum to promote student learning as well as support teachers through coaching, modeling and professional development. We will also continue to provide supplementary resources to support instruction in response to student requests; moreover, research demonstrates that the quality and availability of the instructional materials is important to how well students learn.
4. Expansion of remedial instruction and intervention: We will expand the use of intervention specialists to target students who need additional academic support. We will offer remedial classes and open a tutoring center to help close the achievement gap by building up basic skills in reading, writing, and math.
5. Increasing our identified 'Cohort Graduation Rate' while decreasing the number of students that would be designated as 'Chronically Absent'.

Performance Gaps

Given the nature of our school, there are fewer internal performance gaps than there are performance gaps between our students and the general population. Most of our students enter the Highlands high school program with academic skills that are significantly below grade level in reading, writing and math. We continue to make remedial instructional opportunities available and plan to stay the course to monitor outcomes associated to academic and career-technical advancement. We have seen a greater number of our identified English Learning students make advancement in leveled instruction as well as 'bridging' into high school.
We are continuing to improve our services for all student groups that have additional needs. Those needs include English learners, low income students, disabled students, former foster youth, ex-offenders and homeless to promote their general academic skills. These services unequivocally close the income gap which nearly all our students face. However, with regard to the 2018-19 State Accountability Dashboard, we still have identified an 87% chronic absenteeism rate, an overall cohort graduation rate of 19% and 0% of our students being

APPENDIX D

District LCAP TRUSD Review of the LCAP

The charter expressed appreciation to the district for their suggestions and will use the input to improve future LCAPs but did not update the 2019-20 LCAP with the suggested changes below.

Goals, Actions & Services 2019-20

Page 47 - Goal/Action 1.1 has both boxes marked above and below the OR for if the action is Not including or Including to meet increased or improved services for unduplicated students; determine which one it s and eliminate the verbiage in the other section.

Page 50 – is the increased budget from $250,000 to $1,500,000 for 1.3 realistic?

Goal 2 – 2.1, 2.2, 2.3 & 2.4 all say the action is Not including to meet increased or improved services for unduplicated students. If that is the case, then S/C funds should not be used.

Page 78 - is the increased budget from $60,000 to $600,000 correct? If not then an additional $540,000 needs to be added to the LCAP. If it is, is it realistic? And is it above and beyond the base program since S/C funds are being used?

Demonstration of Increased or Improved Services for Unduplicated Pupils

Page 88 - The S/C Grant funds are about $1 million short from the LCFF calculation and what is in the Adopted Budget. The amount should be $5,570,738 and 35.50%.

APPENDIX E 2018-19 CALIFORNIA DASHBOARD

The complete Dashboard report is included as a component of this report. No dashboards were produced for 2019-20 due to the pandemic.

APPENDIX F BOARD OF DIRECTORS

FROM 2019-20 AUDIT REPORT

HIGHLANDS COMMUNITY CHARTER SCHOOL
AND CALIFORNIA INNOVATIVE CAREER ACADEMY
ORGANIZATION
June 30, 2020

Highlands Community Charter School [Charter #1674], is a kindergarten through grade 12 Charter School and was granted its charter by the Twin Rivers Unified School District on May 1, 2019 expiring June 30, 2024, pursuant to the terms of the Charter School Act of 1992, as amended.

California Innovative Career Academy [Charter #2072], is a kindergarten through grade 12 Charter School and was granted its charter by the Twin Rivers Unified School District on June 26, 2019 expiring June 30, 2024, pursuant to the terms of the Charter School Act of 1992, as amended.

The Board of Directors for the fiscal year ended June 30, 2020 was comprised of the following members:

Name	Office	Term	Term Expiration
Ernie Daniels	Corporate President	3 Years	August 10, 2020
Doyle Radford	Vice-President	3 Years	March 1, 2021
Matt Powers	Corporate Secretary	3 Years	March 1, 2021
Sonja Cameron	Corporate Treasurer	3 Years	March 7, 2022
Sharon Rocco	Director	3 Years	June 7, 2021
Rick Jones	Director	3 Years	June 7, 2021
Mellonie Yang	Director	3 Years	February 7, 2022
Chuck Pattillo	Director	3 Years	February 7, 2022
Sondra Betancourt	Local Education Agency Representative	N/A	N/A

Administration

Name	Position
Murdock Smith	Executive Director/CEO

APPENDIX G

A list of questions was used with the Charter Leadership teams to guide the Zoom meetings as we discussed 2019-20 and 2020-21 operations.

We last met in January/February 2020, and the world has turned upside down since then. We would appreciate the opportunity to hear from you how this past year has impacted you and your site team.

The following questions will help guide the conversation today and are a suggested guideline for discussion:

Describe how you have delivered services to students this past year?

How have you met other student needs – e.g., breakfast and lunches, social/emotional health, internet resources/support, technology?

Describe how you are returning students to the classroom delivery in the coming months – March through June?

What has been your greatest challenge this past year?

What has been your greatest success?

What has been the greatest challenge for your student population? Teachers' most significant challenge?

How have you measured student success?

What has student "Attendance" looked like this past year?

How have students with special needs (IEP) been addressed?

How do you plan to offer remedial support to students who have not had academic success this past year?

What are you most proud of this past year that you and your team have accomplished?

What are lessons learned? What silver lining has come from the pandemic? Are there learnings from this challenge that will change how you deliver instruction in the future?

RE: TRUSD 6/3/24 Request for Information re Exclusion of 11th Grade and Credit Distribution
TRUSD Reply to HCCTS Further Response dated 12/2/24

Dear Mr. McGuire:

As the authorizing entity for the Highlands Community Charter and Technical Schools' (HCCTS), the Twin Rivers Unified School District (District) is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

By correspondence dated June 3, 2024, the District sent a Request for Information to HCCTS regarding the absence of 11th grade in the High School programs for both CICA and HCCTS. The letter also requested information regarding the reason for an uneven distribution of credits between 9th, 10th and 12th grades. By correspondence dated August 28, 2024, HCCTS provided the enclosed response to the District's request for information and requested actions. On October 3, 2024, the District sent a summary of findings based on the review of HCCTS' August 28 reply.

On September 30, 2024, TRUSD Project Manager Sharilyn Warta, sent an email to HCCTS Director of Assessment and Accountability, Melissa Roberson requesting evidence to support the statement included in the August 28, 2024 letter in which HCCTS asserted that they had received approval by "District Staff on October 29, 2020, to add grade 9 and 10 through a non-material revision process".

By correspondence dated December 2, 2024 (enclosed), Ms. Roberson replied to Ms. Warta's email request. The District has reviewed the response and has made the following findings:

1. **Evidence of Prior District Approval for Addition of 9th and 10th Grade**

TRUSD Findings:

- HCCTS asserts that District Administration "strongly encouraged the change to a 9-12 grade span" via email and phone but acknowledges that they do not possess any email evidence of the exchange on October 29, 2020.

- Although HCCTS stated that the 2019-20 Annual Oversight report for HCCTS provides evidence of the District's prior knowledge and approval, the report was compiled during the 2020-21 school year. District annual charter school oversight reports are drafted the following school year to ensure a complete review of the previous year's activities. The report provides further evidence of this compilation timeline by the published date of June 7, 2021, as seen on the top of page one. The District finds that the report provides no evidence that it had prior knowledge of the change in grade span before it was implemented.

- The District further finds the lack of evidence regarding the District's prior knowledge of the addition of 9th and 10th grades has no impact on the determination that the addition of 11th grade requires a material revision as clearly specified in Education Code 47605(a)(4).

Action Required

As stated in the District's correspondence dated October 3, 2024, please provide the District with updates on the progress made toward adding an 11th grade as steps are taken, with a follow-up communication no later than **March 31, 2025.**

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding this information request. Your responses should be directed to the District for my attention. Thank you for your attention to this correspondence and your anticipated cooperation.

Sincerely,

Gina Carreón

RE: Request for Information re Exclusion of 11th Grade and Credit Distribution
TRUSD Reply to HCCTS Further Response dated 2/27/2025

Dear Mr. McGuire:

As the authorizing entity for the Highlands Community Charter School ("HCCS") and California Innovative Career Academy ("CICA") operated by Highlands Community Charter and Technical Schools' ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS regarding compliance with the approved HCCS and CICA Charters, the Memorandum of Understanding between the District and HCCTS regarding each Charter School's operations and oversight, and compliance with laws applicable to charter schools.

By correspondence dated June 3, 2024, the District sent a Request for Information to HCCTS regarding the absence of 11th grade in the High School programs for both California Innovative Career Academy ("CICA") and Highlands Community Charter School ("HCCS"). By correspondence dated August 28, 2024, HCCTS provided the enclosed response to the District's request for information. On October 3, 2024, the District sent a summary of findings based on the review of HCCTS August 28 reply.

On September 30, 2024, TRUSD Project Manager Sharilyn Warta, sent an email to HCCTS Director of Assessment and Accountability, Melissa Roberson requesting evidence to support the statement included in the August 28, 2024, letter in which HCCTS asserted that they received approval by "District Staff on October 29, 2020, to add grade 9 and 10 through a non-material revision process." By correspondence dated December 2, 2024 (enclosed), Ms. Roberson replied to Ms. Warta's email request.

On February 3, 2024 the District replied to HCCTS' December 2 correspondence. Subsequently, on February 27, 2025 HCCTS representatives met with the District for a charter oversight check-in meeting.

During the February 27 meeting, you stated that HCCTS will not be submitting a request for material revision of the HCCS and CICA charters to add 11th grade at this time. Additionally, you stated that it is HCCTS' understanding that the District does not have oversight authority to require this change since 11th grade is not included in the current approved charter.

On March 17, 2025 HCCTS sent the enclosed letter stating that HCCTS is working on a "possible material revision to the HCCS and CICA charters" regarding 11th grade. Outlined below is the District's response to your communications.

District Findings:

- The District acknowledges that 11th grade is not included in the current approved HCCS and CICA charters. The District further finds that the current model, which includes 9th and 10th grades, have not been approved by the District as evidenced by the aforementioned communications.

- The District strongly urges HCCTS to submit requests to the District for material revision of the HCCS and CICA charters to add 9th, 10th, and 11th grades since both HCCS' and CICA's programs are currently inconsistent with the approved charters.

Action Required

- Within ten (**10) calendar days** from the date of this letter, please provide a timeline for when HCCTS expects to take appropriate actions to address the concerns outlined in this communication.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding this information request. Your responses should be directed to the District for my attention. Thank you for your attention to this correspondence and your anticipated cooperation.

Sincerely,

Gina Carreón

HIGHLANDS
COMMUNITY CHARTER AND TECHNICAL SCHOOLS

April 11, 2025

Gina Carreon
Chief Human Resources Official
Twin Rivers Unified School District
5115 Dudley Blvd
McClellan Park, CA 95652

Subject: Request for Information re Exclusion of 11th Grade and Credit Distribution
TRUSD Reply to HCCTS Further Response dated 2/27/2025

Dear Ms. Carreon,

On March 26, 2025, HCCTS received a follow-up letter regarding 11th grade. YM&C, our legal counsel, has reviewed and updated the charter petitions for HCCS and CICA with requirements based on the Education Code. YM&C is working on a material revision to the charter to add grade 11.

HCCTS is reviewing the updated charters received on March 11, 2025, and will provide updates to TRUSD on the progress of this matter.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

HCCTS Grades
Below is a table showing the current grades HCCTS is serving, the grades included in the charter petitions for HCCS and CICA, and the changes we need to make in the MOU:

Charter Petition	Date	Grades Served (According to the Charter)	Grades we are serving	Changes we need to make in the MOU
CICA	June 25, 2019	9-12	9, 10, 12	Clarify grades: 9-12
HCCS (Charter Petition Renewal)	January 14, 2019	1, 2, 12	9, 10, 12	Remove grades: 1, 2 Add grades 9, 10, and 11.

Exhibit C

Violation of the Charter: Adding Locations without Material Revision Request

MEMORANDUM OF UNDERSTANDING
BETWEEN TWIN RIVERS UNIFIED SCHOOL DISTRICT AND
HIGHLANDS COMMUNITY CHARTER AND TECHNICAL SCHOOLS
(Highlands Community Charter School)

AMENDMENT NO. 3

This AMENDMENT NO. 3 ("AMENDMENT NO. 3") to the Memorandum of Understanding ("MOU") entered into by and between the Twin Rivers Unified School District (hereinafter, "District"), a school district organized and existing under the laws of the State of California, and Highlands Community Charter and Technical Schools (hereinafter "Corporation"), a nonprofit public benefit corporation duly organized under the laws of the State of California, operating the Highlands Community Charter School (hereinafter "HCCS"), a public charter school organized and existing under the laws of the State of California (hereinafter Corporation and HCCS collectively referred to as "Charter School"). (District and Charter School are collectively referred to herein as, the "Parties".)

WHEREAS, the Charter petition for the establishment of the Charter School ("Charter") was first authorized by the District in 2014 for a term running through June 30, 2019;

WHEREAS, the Charter School's current Charter term runs through June 30, 2027;

WHEREAS, the Parties previously entered into a Memorandum of Understanding ("MOU") to document the arrangement and agreement between the parties regarding the Charter School's program, operation, structure, and obligations. A copy of the MOU is attached hereto as "Exhibit A," and incorporated herein by reference; and

WHEREAS, pursuant to a prior amendment to the MOU entered into by and between the Parties, the term of the MOU runs through June 30, 2027, and

WHEREAS, the Parties desire to amend the MOU according to the terms of this AMENDMENT NO. 3.

The MOU is hereby amended as follows:

1. The terms of the MOU are intended by the District and Charter School to become part of the standards and procedures set forth in the Charter School's Charter approved by the District ("Charter"). Along with the Charter, this MOU will govern the relationship between the District and the Charter School regarding the operation of the Charter School. To the extent the terms of the MOU is/are inconsistent with any terms of the Charter, the MOU shall control. In addition, if the Charter is silent on an issue addressed by the MOU, the MOU shall control. As such, any violation of MOU by Charter School that also constitutes grounds for revocation per Education Code section 47607 will be treated and enforced by the District in the same manner, subject to Education Code Section 47607 and applicable implementing regulations, as it would any other violation constituting a ground for revocation.

2. Facilities.

a. *Facilities Locations*. In addition to its main campus located at 1333 Grand Avenue, Sacramento, CA 95838, the Charter School is authorized by the District to operate at the locations identified in the Facilities Site List at Exhibit "B" to this AMENDMENT NO. 3.

If Charter School seeks to establish operations at one or more additional locations(s) or move any of its existing location(s), including satellite facilities or resource centers, the Charter School must first submit a written request to the District for approval of the change(s). The written request should include relevant background information regarding the proposed change(s), including, lease agreements, budgetary documentation, and a description of the operations to be established at the location(s), in order for the District to determine whether the proposed change(s) constitutes a material revision requiring District Board approval.

If the District determines that the proposed change(s) does not constitute a material revision, the Charter School may establish operations at the proposed location(s) after receiving prior written approval by the District.

If the District determines that the proposed change(s) does constitute a material revision, then the changes(s) must be approved by the District Board of Trustees before the Charter School may commence operations at the proposed location(s). Implementation of a material revision without the prior approval of the District Board is a material violation of the Charter.

Prior to commencing operations at any new facility location, the Charter School shall obtain appropriate permits from the local public entity with jurisdiction over the issuance of such permits, including building permits, occupancy permits, fire/life safety inspections and conditional use permits, as may be required to ensure the facilities are safe for staff and students. Charter School shall provide the District with documentation demonstrating compliance with all appropriate permits and approvals needed for occupancy and invite the District to visit the Charter School site/facility for an inspection and review prior to the time the Charter School is scheduled to establish operations at the location.

b. *Facility Safety*. Charter School shall comply with Education Code Section 47610 by either utilizing facilities that are compliant with the Field Act or with the California Building Standards Code. All facilities utilized by the Charter School shall meet the requirements of the Americans with Disabilities Act and shall be approved by the local fire marshal for the use intended. The Charter School agrees to ensure sprinkler systems, fire extinguishers, and fire alarms are tested annually at its facilities by a certified third party to ensure that they are maintained in an operable condition at all times. The Charter School shall keep written records of these inspections on file for at least one (1) year after the date of the inspection and provide such records to the District upon request.

c. *Documentation*. The Charter School shall maintain documentation on file or know where to access all local approvals including applicable fire marshal clearances, certificates of occupancy, signed building permit inspections and approved zoning variances, as applicable, for each facility location. Such documentation shall be provided to the District upon request.

3. Supervisorial Oversight Fee. In consideration for the actual costs of supervisorial oversight by the District, the Charter School shall pay an amount not to exceed one percent (1 %) of the revenue of the Charter School (hereinafter, the "Oversight Fee") pursuant to Education Code section 47613. "Revenue of the Charter School" for purposes of this calculation means the amount received in the current fiscal year from the local control funding formula calculated pursuant to Section 42238.02, as implemented by Section 42238.03.

   Charter School and District agree that the "supervisorial oversight" as used in Education Code section 47613 shall include the following:

   (a) Review and revision of the MOU and any subsequent agreements to clarify and interpret the Charter and amendments to the Charter and the relationship between Charter School and the District.

   (b) All activities related to the charter renewal and material revision, and revocation processes, including any process conducted in compliance with Education Code section 47607 related to the issuance of a Notice of Violation or other corrective notice related to Charter School's operations, including document requests, hearings, notices, and investigations, and monitoring efforts to remedy operational problems identified by the District.

   (c) Activities related to monitoring the performance and compliance of Charter School with respect to the terms of its Charter, related agreements, and all applicable laws.

   (d) Review of the Charter School's annual independent fiscal and programmatic audit reports and related processes related to the Charter School's annual audit.

   (e) Completion of the following duties under Education Code section 47604.32:

      (1) Visiting Charter School at least annually.
      (2) Ensuring that Charter School complies with all reports required of charter schools by law.
      (3) Monitoring the fiscal condition of Charter School, including review of annual fiscal audit of the Charter School.
      (4) Providing timely notification to the California Department of Education if any of the following circumstances occur: Renewal of the Charter is granted or denied; the Charter is revoked; or, Charter School ceases operation for any reason.
      (5) Any review of teacher credentials pursuant to Education Code section 47605(l).
      (6) All costs incurred by the District for performance of the requirements specified in Education Code section 47607.3.
      (7) Participation in the dispute resolution process described in the Charter

4. Authority. Each person below warrants and guarantees that she/he is legally authorized to execute this Agreement on behalf of the designated entity and that such execution shall bind the designated entity to the terms of this AMENDMENT NO. 3 subject to approval/ratification by the Parties respective governing boards.

5. Subject to Ratification. This Agreement is subject to the approval/ratification of both the District's Board and the Charter School Board of Directors.

6. Counterparts. This AMENDMENT NO. 3 may be executed in counterparts and be as valid and binding as if all Parties signed the same copy. Signature of copies of this AMENDMENT NO. 3 transmitted by facsimile or electronic mail, and/or signed electronically by either/both Parties, shall have the same force and effect as signature of the original.

IN WITNESS WHEREOF, each of the Parties hereto has duly executed this AMENDMENT NO. 3 as of the dates shown below.

TWIN RIVERS UNIFIED SCHOOL DISTRICT

Dated: 1/23/24

Steve Martinez, Ed.D.
Superintendent

CHARTER SCHOOL

Dated: 1/11/2024

Ernie Daniels
Corporate President, Board of Directors
Highlands Community Charter and Technical Schools

MEMORANDUM OF UNDERSTANDING
BETWEEN THE TWIN RIVERS UNIFIED SCHOOL DISTRICT
AND
HIGHLANDS COMMUNITY CHARTER AND TECHNICAL SCHOOLS

THIS MEMORANDUM OF UNDERSTANDING (hereinafter "MOU") is made and entered into as of this 17st day of June, 2014, by and between the Twin Rivers Unified School District (hereinafter "District"), a school district organized and existing under the laws of the State of California, and Highlands Community Charter and Technical Schools ("Corporation"), a California non-profit public benefit corporation, which operates the Highlands Community Charter School ("HCCS"), a California public charter school (hereinafter Corporation and HCCS collectively referred to as "the Charter School").

WHEREAS, the District's Board of Trustees ("Board") granted the Corporation a Charter to operate HCCS at a public meeting on March 4, 2014, for a term of five (5) school years commencing on July 1, 2014 and ending on June 30, 2019, pursuant to Resolution No. 444 adopted by the Board, attached hereto as "Exhibit A;" and

WHEREAS, the District and the Charter School desire to enter into this MOU to document the arrangement and agreement between the parties regarding HCCS' funding and programs, the District's statutorily prescribed supervisory oversight of the Charter School; and

WHEREAS, the Charter School's program, operation, structure, and obligations in operating the school are set forth in the Charter, attached hereto as "Exhibit B," and incorporated herein by reference; and

NOW THEREFORE, in consideration of the promises, covenants and agreements herein set forth, the District and Charter School hereby agrees as follows:

1. Term. This MOU shall commence on July 1, 2014 and end on June 30, 2015. This MOU is subject to termination for cause, as specified in Paragraph 28, below, including revocation of the Charter as specified in Paragraph 27, below.

2. Renewal. This MOU shall be automatically renewed for an additional fiscal year commencing July 1, 2015, and on July 1 thereafter, unless written notice of intent to terminate or renegotiate is given by either party prior to May 1 in that year, preceding. In no event shall any renewal term extend beyond the maximum term of the Charter granted to the Charter School as determined by action of the Board pursuant to Education Code section 47607.

3. Designation of Charter School. The Charter School shall be responsible for all functions that relate to the educational services, management, and operation of the Charter School, subject to the terms and conditions set forth in this MOU, the Charter, the Charter Schools Act of 1992, and any other applicable federal and/or State laws. The Charter School agrees that all publications of every kind by or for the Charter School shall prominently identify the name of the Charter School as follows: "Highlands Community Charter School."

4. Charter School Authority. The Charter School, in performing its duties and obligations under this MOU and Charter, shall have the power and authority, consistent with

EXHIBIT "A"

HCCS MOU

federal and State law and subject to other terms and conditions of this MOU to: (1) contract for goods and services with the District and/or any qualified third party; (2) prepare a budget; (3) perform personnel services not otherwise provided by the District pursuant to this MOU; (4) procure insurance; (5) lease or otherwise contract with the District or any qualified third party for the use of facilities for school purposes and the operation and maintenance thereof; (6) purchase, lease, or rent furniture, equipment and supplies; (7) accept gifts, donations or grants of any kind in accordance with such conditions prescribed by the donor as are consistent with law and are not contrary to any of the terms of this MOU; (8) perform the business administration of the school; (9) establish and conduct an educational program and curriculum for the Charter School as provided in the Charter; (10) conduct extra and co-curricular activities and programs; (11) conduct professional development for all personnel; (12) select and acquire instructional materials, equipment and supplies; (13) exercise such other powers as are provided for elsewhere in this MOU to the extent consistent with this MOU; and (14) generally, take such other actions as may be necessary and desirable to operate the Charter School.

5. Charter School Governance. The Charter School will be governed by the Corporation's Board of Directors pursuant to the Charter and its bylaws. The Charter School's Executive Director shall meet with the District's Superintendent or designee on a quarterly basis during the school year at a time to be scheduled by the District. The meeting may include, but shall not be limited to, a review of the Charter School's financial standing, enrollment trends, educational programs, API, use of District facilities, etc.

Notwithstanding any rule, regulation, Charter provision, or Corporation Bylaw to the contrary, the Corporation, its Board of Directors, and the Charter School shall at all times and in all respects, comply with the Ralph M. Brown Act, the Public Records Act, and all conflict of interests laws generally applicable to the District's Board of Trustees, including but not limited to, Government Code section 1090 *et seq.* and the Political Reform Act (Gov. Code § 81000 *et seq.*).

6. Facility. The Charter School may use space at a District facility located at 1333 Grand Avenue, Sacramento, CA 95838 (hereinafter the "Facility" or "Site") pursuant to terms and conditions set forth in a Facility Use Agreement. The Charter School shall comply with all State and federal laws regarding the use of the Site as school facilities.

7. Equipment and Materials. The Charter School may use District equipment and materials currently located at the Site pursuant to terms and conditions set forth in the Facility Use Agreement. The Charter School shall be solely responsible for purchasing any other equipment and materials necessary to operate its educational programs. The Charter School shall be solely responsible for maintaining all such equipment and/or materials in good working order and may not use such equipment and/or materials for any personal or private use. The Charter School shall mark and identify, and maintain a written inventory of all such District and Charter School equipment and materials prior to commencing operations in the 2014-15 school year. The written inventory shall be updated and provided to the District annually. The Charter School shall account for all assets obtained in its financial reports.

8. Administrative Services. The Charter School shall be solely responsible for the direct cost of the limited administrative services provided by the District to the Charter School. The Charter School shall contract with a qualified third-party vendor for all other administrative services.

9. Pupil Records. The Charter School shall at all times maintain Charter School pupil records in accordance with any pupil record system utilized by the District, or as agreed upon by the District (such agreement not to be unreasonably withheld) including but not limited to cumulative files, student work portfolios, immunization records, special education files, and/or attendance verification at the school site located within the District. Notwithstanding Education Code section 47610, the Charter School shall voluntarily agree to comply with Education Code sections 49060 through 49079. Charter School pupil records maintained by the Charter School shall be made available for inspection by the District at any time for purposes of verifying that the Charter School is in compliance with all State and federal laws, its Charter, and this MOU.

10. Fingerprint and Criminal Record Summary Services. The Charter School, at its sole cost and expense, shall obtain fingerprint, criminal record summaries and subsequent arrest information for all Charter School employees in positions requiring contact with minor children in accordance with the requirements of Education Code section 44237. The Charter School shall require all its subcontractors and vendors whose duties require contact with Charter School students to submit fingerprints in accordance with Education Code section 45125.1. The Charter School shall require all parent volunteers, who will supervise children outside of the presence of a credentialed employee, to undergo fingerprinting/background checks pursuant to Education Code sections 35021 *et seq.* The Charter School shall notify the District in writing of its compliance with this paragraph. The Charter School shall make Charter School employee and volunteer fingerprint verification information available to the District upon request.

11. Indemnity. Except for claims arising from the District's sole or separate negligence, recklessness or willful misconduct, the Charter School will defend and indemnify the District and its respective directors, officers, employees, agents, and volunteers, from and against any and all actions, suits, claims, demands, losses, costs, or liabilities that actually or allegedly arise in any manner from the Charter School's operations, failure to comply with District child find policies or have its staff trained in such child find policies to identify special needs students, or use and occupancy of the Site. The District, in turn, will defend and indemnify the Charter School and its respective directors, officers, employees, agents, and volunteers, from and against any and all actions, suits, claims, demands, losses, costs, or liabilities that actually or allegedly arise from the District's contractual or legal obligations under this MOU or its sole and separate negligence. The indemnity provisions of this MOU shall survive the expiration or termination of this MOU.

12. Insurance Coverage. The Charter School shall be responsible for obtaining and maintaining all insurance coverage as stated in the Charter.

13. Special Education Services. The Charter School shall be solely responsible for serving the Charter School's special needs students as stated in the Charter.

14. Supervisorial Oversight Fee. In consideration for the actual costs of supervisorial oversight by the District, the Charter School shall pay an amount not to exceed one percent (1%)

of the revenue of the Charter School (hereinafter, the "Oversight Fee") pursuant to Education Code section 47613. "Supervisorial oversight" for purposes of this section shall be limited to those duties listed in Education Code section 47604.32(a) through (e), only. "Revenue" for purposes of this calculation shall include the general-purpose entitlement calculated pursuant to Education Code section 47633 and the categorical block grant calculated pursuant to Education Code section 47634, and any other funding as now computed by the local control funding formula pursuant to Education Code section 42238.02 and implemented by Education Code section 42238.03, and as received by the Charter School for its programs. "Revenue" for purposes of this calculation shall not include Charter School fund-raising activities, private donations, or any other private source of income developed by the Charter School.

15. Direct Funding. The Charter School elects to receive the state aid portion of charter school general-purpose entitlement and categorical block grant funds and any other funding as now computed by the local control funding formula pursuant to Education Code section 42238.02 and implemented by Education Code section 42238.03, and as received by the Charter School for its "Adult Education" programs, directly in accordance with Education Code section 47651(a)(1). Funds for the Charter School shall be deposited directly into an account for the "Highlands Community Charter School" with the Sacramento County Office of Education ("SCOE"). The SCOE will then remit the funds to the Charter School. The District shall transfer to the Charter School funding in-lieu-of property taxes in accordance with Education Code section 47635. The School recognizes that the District shall have no responsibilities for funding the Charter School beyond that required by law.

The Charter School agrees that all funding received for the Charter School, from any and all sources, including but not limited to all funding sources set forth in the Charter or this MOU, or other agreement with the District, shall be used exclusively to operate the "Highlands Community Charter School," and shall not be used, either directly or indirectly, or by loan or gift, to fund, assist, pay for the debts of, or towards the operation of, any other school or establishment managed, controlled, or operated by the Corporation or Charter School, or operated by its members, officers, agents, servants, and employers, or for any other purpose whatsoever.

16. Payment Schedule. The Charter School shall pay the administrative services fees (¶ 8), supervisorial oversight fees (¶ 14), and all other fees in quarterly installments due, respectively, for each school year. The District shall invoice the Charter School for fees due as of September 30, December 31, March 31, and June 30, with invoices to be prepared and submitted by the District to the Charter School within thirty (30) calendar days during the year and by September 15 (when the books are closed) at the end of the year. The Charter School shall pay all invoices within fifteen (15) business days of their issuance by the District. In the event payment is not received within five (5) business days following the payment due date, and/or if such payment is returned or unpaid due to insufficient funds, the Charter School authorizes the District to deduct any such fees or payments from future apportionments or any other monies received by the SCOE and/or District for the Charter School, and the District may also elect to offset and deduct any such fees or payments from in-lieu-of property tax revenues next payable to the Charter School, in which case the District shall provide the Charter School with a detailed statement showing the amount to be deducted prior to any such offset.

17. Mandated Costs. The Charter School shall obtain its claiming number from the State Controller's Office and shall complete and file its own mandated cost reimbursement claims. Monies received from mandated cost reimbursements shall not be included in the definition of "revenue" for purposes of calculating any fee in this MOU. The District shall not charge the Charter School for any cost for which the District may claim a mandated cost.

18. Additional Funding Sources. The Charter School may also receive funding from new or "one-time" funding sources made available to schools or school districts by the State of California to the extent that the Charter School and/or its pupils establish entitlement to any such funds. In the event that such additional funds are misdirected to the District, the District agrees to pass through all such funds to the Charter School within thirty (30) days of receipt, provided that the Charter School has complied with all requirements, restrictions, and/or conditions attached to those funds by the funding source or agency, if any. The Charter School shall hold harmless the District for any repayment of any grants and/or additional funding.

19. Grants. The Charter School and the District will cooperate to identify and apply for grants that meet the mutual goals of the District and the Charter School for development of the Charter School. This provision shall not be construed to limit or otherwise prohibit the exercise of discretion by the District. The District and the Charter School shall be free to engage in other financial transactions such as loans of money and or property back and forth between the two parties, subject to approval by the District Superintendent.

20. Charter School Budget, Reports, and Audits. The Charter School shall prepare and submit to the District the following financial information regarding the Charter School:

A. On or before July 1 of each year, a preliminary budget.

B. On or before December 15, an interim financial report that reflects changes through October 31.

C. On or before March 15, a second interim financial report that reflects changes through January 31.

D. On or before September 15, a final unaudited report for the full prior year.

E. The Charter School shall be solely responsible for all costs associated with auditing and accounting services in addition to those services not provided by the District to the Charter School as set forth in this MOU.

F. The Charter School shall utilize the services of an accounting/auditing firm experienced with school and educational accounting requirements and practices.

For the reports listed under Section 23 A through C above, the Charter School shall also provide with each financial report supporting and/or back up information including but not limited to: MYP for current and two subsequent years; Assumptions used for two subsequent years; Explanation for major variances by category between reporting periods; Enrollment projection; ADA P2 projection by grade level; COLA & Deficit percentage; Calculation used for determining general purpose funding; List of statutory benefit rates; List of

H&W rates and number of participants; and Number of FTEs for certificated and classified employees for each year.

21. District Reports. The District agrees to file all reports specifically required by law to be filed with the California Department of Education or any other State or federal agency by a local educational agency on behalf of the District and/or Charter School. The Charter School shall promptly provide the District with any information, data, or documentation necessary for the District to timely file such reports in accordance with law. The Charter School shall be solely responsible for the accuracy of all data submitted to the District. The Charter School shall be responsible for filing all other reports as may be required by law.

22. Attendance Reporting, School Calendar, and Other Data. The Charter School shall provide the District with a copy of the Charter School's annual attendance calendar no later than July 1, 2014, and by July 1 of each subsequent year shall submit its annual calendar for the upcoming school year for which it is in existence. The Charter School shall maintain no less than the minimum number of instructional days and minutes required by the Education Code and/or the California Code of Regulations for each grade level served.

Subject to District approval, the Charter School shall establish and maintain an attendance reporting system to record and account for the Charter School's ADA, as defined in Title V California Code of Regulations section 11960. The Charter School will timely report ADA figures to the District as necessary to enable the school to receive the funding specified in this MOU. The Charter School shall provide the District with a monthly enrollment report no later than the 15th calendar day of the following attendance month. The Charter School shall provide all data and reports required by the District in hard copy and electronic data files. The Charter School shall submit enrollment and demographic information to the California Education Data System (CBEDS), or its successor, the California Student Information System (CSIS), to the extent and in the manner specifically required by law or regulations applicable to charter schools. Upon request, the Charter School shall provide the District with documentation of the teacher/student ratio for the Charter School.

23. Assessments and State Testing. The Charter School shall establish guidelines and expectations for all student achievement at each grade level and implement assessments that promote successful transition to a traditional school program, or to continue in the Charter School's program. The Charter School shall develop a system of assessment procedures and measurement tools that provide objective, comparable written assessments in order to determine student comprehension of State and District curricular competencies required by law.

The Charter School shall annually notify the District in writing at least thirty (30) calendar days in advance of the date and location of State testing, and the total number of State tests to be administered to Charter School pupils. The Charter School shall provide the District with individual pupil and school-wide State test results. The Charter School shall institute measures to ensure the security of all testing materials.

24. Financial Statements and Records. Upon request, the Charter School shall promptly respond to all District requests for documentation, including any financial records, pursuant to Education Code section 47604.3.

25. Compliance With Other External Source Funding Requirements. The District and Charter School shall comply with all terms and conditions of any other external source funding requirements applicable to funding received by the District on behalf of the Charter School, if any. Upon reasonable advance written request by the District, the Charter School shall provide evidence to the District that the Charter School is in compliance with all such requirements, and shall provide the District, with all reports, data, and information reasonably necessary for the District to meet any reporting, certification, or other requirements for such funding.

26. Dispute Resolution Procedure. In the event of any dispute between the Charter School and the District, excluding revocation of the Charter but including audit exceptions and deficiencies, the complaining party shall prepare a written statement of the dispute which shall be simultaneously submitted to the District Superintendent or designee, and the Charter School's Executive Director. The Executive Director and the Superintendent or designee, shall meet and confer within five (5) business days from the date of receipt of the written statement and attempt to resolve the dispute. In the event the matter is not resolved, the parties shall identify two members of their respective governing boards who shall meet with the Superintendent or designee, and the Executive Director within ten (10) business days and attempt to resolve the dispute. If this meeting fails to resolve the dispute, either party shall, within five (5) business days following the meeting, submit the matter first to the Sacramento County Superintendent of Schools. The parties agree to be bound by the County Superintendent's decision and shall indicate as such when submitting the matter to the County Superintendent. If the County Superintendent declines to hear the matter, the parties may agree to submit their dispute to a mutually agreeable mediator, for resolution in accordance with any procedure determined and prescribed by the mediator and agreed to by the parties. Review by the County Superintendent or mediator to be held no later than forty-five (45) business days of receipt of the initial dispute statement. If the parties are unable to resolve the matter before a mutually agreeable mediator, they may pursue any other remedy available at law. The cost of the mediator shall be equally split between the parties.

The Charter School shall timely notify the District of any and all complaints filed against the Charter School by its employees, students, parents, and vendors, involving violations of the Charter, this MOU, State or federal law, or alleged financial mismanagement.

27. Revocation and Closure Protocol. The District and the Charter School agree that the dispute resolution procedure set forth in Paragraph 26, above, shall not apply to any matter that could lead to revocation of the Charter. Prior to revocation of the Charter, the District shall provide the Charter School with written notice of its belief and an opportunity to meet with and respond to the District within a reasonable time, which shall be not less than five (5) business days, prior to issuing a written notice to "cure and correct," unless the District determines in writing that the violation constitutes a severe and imminent threat to the health or safety of the pupils in accordance with Education Code section 47607(d) and its implementing regulations. Thereafter, if the District determines that revocation is warranted, it shall comply with the procedures set forth in Education Code section 47607.

In the event of revocation or school closure, the Charter School shall ensure that the "Entity" identified in the Charter responsible for implementing the Charter's closure protocol shall be experienced in dissolution and closure of public educational programs and the Entity

shall comply with all legal requirements regarding the confidentiality of student records. The Charter School's Executive Director shall serve as the official contact for purposes of implementing the closure protocol set forth in the Charter and its plan for maintaining and transferring student records, and payment of debts and liabilities and distribution of remaining assets.

Notwithstanding any rule, regulation, Charter provision, Corporation Bylaw or document to the contrary, on closure of HCCS, all assets of HCCS, including but not limited to all leaseholds, and all ADA apportionments and other revenues generated by students attending HCCS, after payment of all debts and liabilities and refunds to applicable agencies, shall revert to the District. Any assets acquired from the District or District property will be promptly returned upon HCCS' closure to the District. The distribution shall include return of any grant funds and restricted categorical funds to their source in accordance with the terms of the grant or state and federal law, as appropriate, which may include submission of final expenditure reports for entitlement grants and the filing of any required Final Expenditure Reports and Final Performance Reports, as well as the return of any donated materials and property in accordance with any conditions established when the donation of such materials or property was accepted.

28. Termination for Cause. The District may terminate any services provided pursuant to this MOU upon failure of the Charter School to pay any amount due under this MOU within sixty (60) days after receipt by Charter School of a District demand for payment and notice of intent to terminate services. Any failure by the Charter School to pay an amount due under this MOU, or other material violation of the terms of this MOU by the Charter School, may constitute grounds for revocation of the Charter in accordance with the provisions of the Charter and the Charter Schools Act, and any such termination or revocation shall be consistent with such provisions, including with respect to notice and an opportunity to cure. In the event of revocation of the Charter, this MOU shall be deemed null and void. .

29. Dispute Resolution. In the event of any dispute, claim, question, or disagreement arising from or relating to this MOU or breach thereof, the parties hereto shall act in good faith to settle the dispute, claim, question, or disagreement in accordance with the dispute resolution process prescribed in Paragraph 26, above.

30. Annual Review and Notice To District Of Change In Status. The Charter School shall participate in an annual review conducted by the District, if any, of all programs offered at the Charter School, including their effectiveness and student achievement. Both parties shall act reasonably and in good faith in both the review and the response to the review.

The Charter School shall provide the District no less than thirty (30) days prior written notice of any actions taken by the Charter School that may and/or will affect and/or change the status of HCCS, and which falls within the District's oversight responsibilities.

The Charter School shall provide all services not expressly indicated herein to be provided by the District. Nothing herein shall preclude the parties from negotiating or amending this MOU to include additional services not contemplated by this MOU.

31. Independent Contractor Status. The parties to this MOU intend that the relationship between them created by this MOU is that of an independent contractor, and not an employer/employee. The District shall deem no agent, employee, or servant of the Charter School to be an employee, agent or servant of the District, except as expressly acknowledged in writing. No agent, employee, or servant of the District shall be deemed to be an employee, agent or servant of the Charter School, except as expressly acknowledged in writing by the Charter School.

32. Construction and Enforcement. This MOU shall be construed and enforced in accordance with the laws of the State of California.

33. Entire MOU. This MOU and any attachments hereto shall constitute the full and complete agreement between the parties hereto. All prior representations and understandings regarding the Charter and Charter School are merged herein and are superseded by this MOU.

34. Amendments. This MOU may be altered, amended, changed, or modified only by agreement in writing executed by the Charter School and the District's duly authorized representative with a specific reference to the Charter, and to this MOU which it alters, amends or modifies.

35. Invalidity of Provisions of this MOU. If, for any reason, any provision hereof shall be determined to be invalid or unenforceable, the validity and effect of the other provisions hereof shall not be affected thereby.

36. Nondiscrimination. The Charter School covenants and agrees that they shall not discriminate against any person or group thereof upon the basis of the characteristics, whether actual or perceived, as listed in Education Code section 220 including but not limited to race, color, religion, gender, ancestry, physical and/or mental disability, marital status or national origin, nationality or ethnicity, sexual orientation, perceived sexual orientation, and/or association with individuals with one or more of the above characteristics in the operation of the Charter School.

37. Assignment. Neither this MOU nor the establishment or operation of the Charter School shall be assigned by the Charter School to any other person or entity without the prior written notice to and consent of the District.

38. No Waiver. No waiver of any provision of this MOU shall be deemed or shall constitute a waiver of any other provision, nor shall such waiver constitute a continuing waiver unless otherwise expressly stated.

39. Survival. All representations, warranties and indemnities made herein shall survive termination of this MOU.

40. Notices. All notices, consents, demands, or other communications for one party or the other required or permitted in this MOU shall be in writing and shall be either personally delivered or sent by a nationally recognized overnight courier, telecopier or by registered or certified U.S. mail, postage prepaid, addressed as set forth below (except that a party may, from time to time, give notice changing the address for this purpose). A notice shall be effective on

the date personally delivered, on the date delivered by a nationally recognized overnight courier, on the date set forth on the receipt of a telecopier or a facsimile, or upon the earlier of the dates set forth on the receipt of registered or certified mail, or on the fifth (5th) day after mailing.

To the Charter School:

Board President
Highlands Community Charter School
1333 Grand Avenue, #B
P.O. Box 38924
Sacramento, CA 95838

RE: Notice of Concern - Facility/Location Changes and MOU Compliance

Dear. Ms. Valdivia and Board Members:

As the authorizing entity for the Highlands Community Charter School ("HCCS") and California Innovative Career Academy ("CICA"), operated by Highlands Community Charter and Technical Schools ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCS and CICA in compliance with its approved Charter, the Memorandum of Understanding ("MOU") regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

On June 4, 2024 Natasha Lutsik, Director of Executive Services, HCCTS called and spoke with Sharilyn Warta, Project Manager, TRUSD regarding the lease expiration of both HCCS McClellan sites located at 3144 Palm St, Building 826, McClellan Park, CA 95652 and 5411 Luce Ave., Unit 242, McClellan Park, CA 95652. Ms. Warta followed-up with Ms. Valdivia and Ms. Lutsik on June 5, 2024 via email and requested an update on the plans and mentioned the likelihood of the need for a Material Revision approval regarding establishment of the new facility.

Ms. Valdivia replied to Ms. Warta's email and confirmed HCCTS' closure of both McClellan sites that have been serving HCCS students and the planned addition of a new facility at 3237 Peacekeeper Way, McClellan Park, CA 95652, commencing with the 2024-25 school year. In Ms. Valdivia's email, she also included a list of three additional HCCS sites that will close on June 30, 2024, as well as two sites that already closed on April 30, 2024, without any notice to the District (see below):

Closing June 30, 2024:
- 701 12th Street, Suite 203, Sacramento, CA 95814
- 6270 Elder Creek Road, Sacramento, CA 95824
- 5750 Sunrise Blvd., Suite 100, Citrus Heights, CA 95610

Closed on April 30, 2024:
- 2325 E. 12th Street, Oakland, CA 94601
- 8480 Edes Avenue, Oakland, CA 94621

Additionally, on June 11, 2024 TRUSD discovered multiple discrepancies between the current HCCS MOU Amendment No. 3 site list and the HCCTS site and resource centers listed on the HCCTS June 6, 2024 Board agenda (see enclosed). The HCCTS School Sites and Resource Centers list from the HCCTS Board agenda did not include the following sites:

- American River (Administrative), 3600 American River Drive, #280, Sacramento, CA 95864
- Arden (Warehouse), 901 Arden Way, Sacramento, CA 95815
- Marysville 2, 5961 Franklin Blvd, Sacramento, CA 95901
- Rosemont (Saint John's), 8401 Jackson Road, Sacramento CA 94806
- South Lake Tahoe, 1041 Lyons Avenue, South Lake Tahoe, CA 96150

The School Sites and Resource Centers list from the Board agenda also had two additional locations/suites of which the District is unaware:

- Hillsdale, 5655 Hillsdale Blvd, Suite 16, Sacramento, CA 95842 ("Hillsdale")
- Howe Avenue, 1111 Howe Avenue, Suite 630, Sacramento CA 95842 ("Howe Avenue")

Regarding the opening of new sites, the District refers you to the parties' enclosed MOU Amendment No. 3, which outline HCCTS' responsibility applicable to both HCCS and CICA regarding the establishment of operations at additional sites or moving existing locations. Specifically, each MOU Amendment No. 3 provides:

"*If Charter School seeks to establish operations at one or more additional locations(s) or move any of its existing location(s), including satellite facilities or resource centers, the Charter School must first submit a written request to the District for approval of the change(s). The written request should include relevant background information regarding the proposed change(s), including, lease agreements, budgetary documentation, and a description of the operations to be established at the location(s), in order for the District to determine whether the proposed change(s) constitutes a material revision requiring District Board approval*."

Upon receipt of a written request, "*the District shall determine whether the proposed change(s) constitutes a material revision requiring District Board approval*." We note and highlight for your attention that the MOU Amendments expressly state, "*Implementation of a material revision without the prior approval of the District Board is a material violation of the Charter*."

To date we have not received a request to establish a new location at 3237 Peacekeeper Way, McClellan Park in accordance with the MOU Amendment requirements referenced above. Should a request be submitted and it be determined that the establishment of this proposed new location requires a material revision of the HCCS Charter, the District is prepared to collaborate with HCCTS in an effort to get the material revision before the TRUSD Board of Trustees for action as soon as practical.

There is also concern HCCTS has established operations at the Hillsdale and Howe Avenue locations referenced above without complying with the terms of the MOU Amendment.

Action Needed:

- Comply with the terms of the MOU Amendment No. 3 (both HCCS and CICA) regarding establishment of operations at any new locations or moving existing locations, including the proposed new location at 3237 Peacekeeper Way.

- Respond to the District's concern regarding the establishment of operations at the Hillsdale and Howe Avenue locations without complying with the terms of the MOU Amendment No. 3.

The District requests that HCCTS respond to the above concerns by no later than **5:00 PM on July 11, 2024**. Your responses should be directed to the District for my attention.

<u>Location Closures.</u>

To effectively conduct the oversight duties as outlined in the Education Code, and to establish clear expectations for HCCTS, the District will be preparing an addendum to the current MOU Amendment No. 3 for HCCS and CICA to include the District's expectations regarding notification of site closures. Both addenda will outline the following expectations:

- HCCTS should notify TRUSD when it intends to close a location at the end of a school/fiscal year or otherwise. This should be done sufficiently in advance of the intended closure and before closure action is taken. (The District requests at least 30 calendar days prior notice)

- As part of this communication to the District, HCCTS should indicate why it is closing the location and describe where (what other HCCS location) students enrolled at the site to be closed will now be housed/enrolled, and include information about how students will be accommodated at that existing site(s).

- Provide Board agenda/minutes indicating the closure(s) were approved by the HCCTS Board.

While we understand that HCCTS does not necessarily need to obtain the District's approval when closing a location, advanced notification is an expectation. Receipt of the above-mentioned information is important for the District's oversight function to monitor each charter school's ability to continue to successfully implement its educational programs and whether each charter school is implementing the educational program and meeting student needs as described in their respective charters.

Until we are able to get an MOU Addendum in place, the District requests that HCCTS begin notifying the District immediately of any anticipated facility closures in the manner outlined above.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Ryan DiGiulio
Chief Business Official, Twin Rivers Unified School District

HIGHLANDS
COMMUNITY CHARTER AND TECHNICAL SCHOOLS

June 28, 2024

Dr. Steven Martinez, Superintendent
Twin Rivers Unified School District
5115 Dudley Blvd
McClellan Park, CA 95652

Dr. Steven Martinez, TRUSD Superintendent:

Subject: Notice of Concern: Opening and Closing Sites

We have prepared the following report in response to the notice of concern regarding the Highlands facilities and sites that were recently opened and closed. It also addresses questions and concerns about our MOUs between TRUSD with Highlands and CICA.

If you have any additional questions or concerns, please do not hesitate to contact me at 916-969-7537 or via email at mayra.valdivia@hccts.org.

Thank you,

Mayra Valdivia
Acting Executive Director
Highlands Community Charter and Technical Schools

Peacekeeper Way

As per the new MOU between TRUSD and Highlands, on June 4, 2024, Natasha Lutsik contacted Shari Warta to notify TRUSD regarding opening a new site. Shari Warta emailed on June 5, 2024, and requested that Highlands notify TRUSD of the potential new site (located at 3237 Peacekeeper Way) in writing via email. Please see the email correspondence below:

From: "Sharilyn.Warta" <Sharilyn.Warta@trusd.net>
Date: June 5, 2024 at 13:45:35 PDT
To: Mayra Valdivia <mayra.valdivia@hccts.org>
Cc: Natasha Lutsik <natasha.lutsik@hccts.org>, "Ryan.DiGiulio" <Ryan.DiGiulio@trusd.net>
Subject: Follow-Up to Phone Conversation

Good Afternoon,

I hope you are doing well and able to stay cool in this hot weather. This email is a follow-up to a conversation I had with Natasha yesterday afternoon. During the phone conversation Natasha informed me that HCCTS will be closing the current "McClellan facility" and securing a new building on the same street. We appreciate this prior notice. I had requested the notification in writing via email, but I figured I'd follow up since we do understand that this is an extremely busy season.

Please email the details of the facility closing and the new building address. Also, please note that new facilities do require a Material Revision. A new address, even with a close location to current facilities does constitute a new facility. We are happy to work with you to identify feasible timelines and construct a plan for the Material Revision.

Natasha also mentioned that there are plans to close other facilities. Please include those details in the email as well.

Thank you.

Shari Warta
Project Manager
Twin Rivers Unified School District
5115 Dudley Boulevard
McClellan, CA 95652

Subject: Re: Follow-Up to Phone Conversation

Hi Shari,

Thank you so much for following up. Please see below for details:

- Our leases for **3144 Palm Street, Building 826, McClellan Park, CA 95652** and **5411 Luce Avenue, Unit 242, McClellan Park, CA 95652** expire on June 30, 2024 and there is no option for extension. After careful consideration and an extensive search, we have found a suitable new location nearby at **3237 Peacekeeper Way, McClellan Park, CA 95652** to relocate our classrooms.

The purpose of the phone call from Highlands to TRUSD on June 4, 2024 and email on June 5, 2024 was to ensure clear communication in accordance with

our updated MOU and ensure the appropriate steps were taken. At that time we hoped to receive any feedback necessary from TRUSD to properly address any additional steps needed to comply with the MOU.

Site Discrepancies

According to the TRUSD Notice of Concern dated June 13, 2024, TRUSD discovered multiple discrepancies between the current HCCS MOU Amendment No. 3 site list and the HCCTS site and resource centers listed on the HCCTS June 6, 2024 Board agenda (see enclosed). Listing resource centers on the Board agenda is so the public can join a live Zoom session to participate in our public board meetings. Each of our school sites and resource centers is also technically a teleconference location as provided by the following language in Education Code 47604.1(c)(3) and (4):

(3) (A) For a governing body of an entity managing one or more charter schools located within the same county, the governing body of the entity managing a charter school shall meet within the physical boundaries of the county in which that charter school or schools are located.

(B) A two-way teleconference location shall be established at each schoolsite and each resource center.

(4) (A) For a governing body of an entity that manages two or more charter schools that are not located in the same county, the governing body of the entity managing the charter schools shall meet within the physical boundaries of the county in which the greatest number of pupils enrolled in those charter schools managed by that entity reside.

(B) A two-way teleconference location shall be established at each schoolsite and each resource center.

(C) The governing body of the entity managing the charter schools shall audio record, video record, or both, all the governing board meetings and post the recordings on each charter school's internet website.

The HCCTS School Sites and Resource Centers listed from the HCCTS Board agenda did not include the following sites:

Site #	Name & Address
1	American River (Administrative) 3600 American River Drive, #280, Sacramento, CA 95864
2	Arden (Warehouse) 901 Arden Way, Sacramento, CA 95815
3	Marysville 2 (Baseball Field) - CTE Not yet open to students 5961 Franklin Blvd, Sacramento, CA 95901
4	Rosemont (Saint John's Women's Shelter) 8401 Jackson Road, Sacramento, CA 94806
5	South Lake Tahoe - Not yet open to students 1041 Lyons Avenue, South Lake Tahoe, CA 96150

The five sites listed above are *not* included in the board packet as resource centers because these sites are *not* open or currently not open to the public. The above locations are as follows:

1. Administrative offices for Highlands employees only
2. Warehouse space for Highlands employees only
3. A baseball field for a CTE program for Field Maintenance opening in 24-25
4. St. John's is a women's shelter that provides refuge for our students who are victims of domestic violence
5. This location has not yet opened (as indicated in the site tracker)

According to the notice of concern sent to Highlands Community Charter School on June 13, 2024, Hillsdale and Howe Avenue locations were not established within the parameters of our MOU. According to our records, these sites were included in the Highlands site Tracker provided to TRUSD on December 29, 2023. Please see the table below, which has been captured from the Highlands Site Tracking document. Both Hillsdale and Howe added an additional room or suite at well-established sites within Highlands, which does not constitute a material revision to the charter.

Agency	Charter School	Site	Grades	Physical Address	Site Contact Person	Site Contact #	Hours of Operation
HCCTS	HCCS	Hillsdale	9, 10, 12	5655 Hillsdale Blvd, Suites 1, 11 & 18, Sacramento, CA 95842	Iryna Yanytska	916-908-9997	8:30 AM - 3:43 PM 8:30 AM - 2:05 PM (Thurs.)
HCCTS	HCCS CICA	Hillsdale	9, 10, 12	5655 Hillsdale Blvd, Suite 9, Sacramento, CA 95842	Bri Larson	916-365-3258	8:30 AM - 4:30 PM
HCCTS	HCCS	Howe Avenue	n/a	1111 Howe Avenue, #115, Sacramento, CA 95825	Katie Rotaru	916-599-3973	8:00 AM - 4:30 PM
HCCTS	HCCS	Howe Avenue	9, 10, 12	1111 Howe Avenue, #655, Sacramento, CA 95825	Khrystsina Talstyka	916-598-3694	8:30 AM-3:43 PM 3:00 PM- 8:00 PM
HCCTS	CICA	Howe Avenue	n/a	1111 Howe Avenue, #630, Sacramento, CA 95825	Bri Larson	916-365-3258	8:30 AM - 4:30 PM

You will also find the TRUSD board minutes and an attachment showing the TRUSD board approval for both Hillsdale and Howe Avenue locations attached.

2024-2025 School Year

Highlands Community Charter School will continue to comply with the MOU and provide TRUSD with a 30-day written notice regarding potential new sites and site closures, explaining why the site is closing and where the students will be redirected.

Regular and Virtual School Board Meeting
01/23/2024 - 05:30 PM
Twin Rivers Unified School District

MEETING MINUTES

SCAN ME

Scan the above QR code with your phone to view this meeting agenda on your phone.

Virtual/Livestream Participation:

Our school board meetings will be livestreamed on the Twin Rivers YouTube channel the day of the board meeting. The video will be launched live five minutes prior to the meeting. The public will be able to provide live comments in a virtual format. Please see Instructions for Leaving Public Comment for directions to pre-register to make a live stream comment. Comments must be submitted by 4:30 P.M. Your comments will be considered at the appropriate time on the agenda.

In-Person Participation:

Members of the public may attend in-person and provide public comment by submitting a green public comment card by 6:30 P.M.

Please Note: If you need a disability-related modification or accommodation, including auxiliary aids or services, to participate in the public meeting, please contact the Superintendent's Office at (916) 566-1745 at least 24 hours before the scheduled Board meeting. [Government Code §54954.2] [Americans with Disabilities Act of 1990, §202.]

The board meeting agenda and supporting documents are available for review on the Twin Rivers Unified School District GAMUT Meetings website. An audio recording of board meetings may be made. Noted on the agenda are approximate times. The Board may adjust the time or sequence of agenda items during the meeting. Regular board meetings shall be adjourned by 10:30 P.M. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and subsequently may be adjourned to a later date (Board Bylaw 9323). Presentations will not be accepted from members of the public at board meetings without prior approval by the Superintendent or Board of Trustees.

Interpreter Services are available in Spanish and Hmong at Board meetings upon request.

---

A. 5:30 P.M. CALL TO ORDER by the President

President Michelle Rivas called the regular and virtual meeting to order at 5:30 p.m., in the Board Room/Zoom.

B. ANNOUNCEMENT OF CLOSED SESSION ITEMS

Board Clerk Christine Jefferson announced closed session items listed on the agenda as follows:

1. Conference with Labor Negotiators [Government Code Section 54957.6] TRUE, CSEA, TRSPA, and Unrepresented Employees - Management, Confidential; Agency Negotiator: Superintendent – Possible Action

2. Public Employee Discipline/Dismissal/Release/Resignation [Government Code Section 54957] Multiple Cases – Possible Action

a. APPROVE Resolution No. 1297 - Resolution of Intent to Dismiss and Immediate Unpaid Suspension

b. APPROVE Resolution No. 1298 - Resolution of Intent to Dismiss and Immediate Unpaid Suspension

3. Conference with Legal Counsel – Anticipated Litigation – Initiation of litigation pursuant to Gov. Code section 54956.9(d)(2): two cases

4. Conference with Real Property Negotiators APN# 201-0320-018 and 019 (Government Code Section 54956.8)

5. Student Expulsion Case #A16-24, #A17-24, #A18-24, #A19-24, #A20-24, #A21-24, #A22-24, #A23-24; Student Expulsion Readmission Cases #A26-22, #A31-23, #A56-23, #A65-23, #A66-23. (Education Code Sections 35146 & 48918).

C. OPPORTUNITY FOR PUBLIC TO ADDRESS BOARD ON CLOSED SESSION ITEMS

President Rivas provided an opportunity for speakers to address the Board under this agenda item prior to the Closed Session, and Trustee Jefferson announced that no public comments were submitted to address the Board.

D. CLOSED SESSION

President Rivas recessed the open session at 5:30 p.m., at which time the Board convened in the Closed Session.

E. 6:30 P.M. RECONVENE

President Rivas reconvened the Open Session at 6:36 p.m.

1. Introduction of Interpreters

The following interpreters introduced themselves: Laura Orozco, Spanish Interpreter; Annie Tch-Thao, Hmong Interpreter.

2. Report Action Taken During Closed Session

Trustee Christine Jefferson reported on the following actions under Closed Session B.2.a and B.2.b:

Action 1 - B.2.a.: Tonight in Closed Session the Board approved Resolution 1297 Intent to Dismiss and Immediate Unpaid Suspension. The vote in this matter was as follows: Ayes - 7, Noes - 0, Absent - 0, Abstain - 0.

Action 2 - B.2.b.: Tonight in Closed Session the Board approved Resolution 1298 Intent to Dismiss and Immediate Unpaid Suspension. The vote in this matter was as follows: Ayes - 6, Noes - 0, Absent - 0, Abstain - 1.

3. Board Action by Separate Vote – Student Expulsion Cases #A16-24, #A17-24, #A18-24, #A19-24, #A20-24, #A21-24, #A22-24, #A23-24; Student Expulsion Readmission Cases #A26-22, #A31-23, #A56-23, #A65-23, #A66-23.

4. Pledge of Allegiance Led by Trustee Michael Baker

Vice President Michael Baker led the Pledge of Allegiance

F. REPORTS

1. Student Board Members

Leah Nelson provided updates regarding Grant Union High School. She reported on the various celebrations that took place before the winter recess. Firstly, the school's Hmong Club hosted a celebration of Hmong New Year which included performances and cultural dances. During the Week of Thanks, students presented Thank You-Grams to teachers and other school staff. The Si Se Puede Club hosted the Posada Celebration. Miss Nelson shared that she enjoyed all the celebrations and the new experiences they brought. In addition to these celebrations, students at Grant also celebrated Winter Spirit Week, which Miss Nelson also enjoyed. In January, Grant hosted the MLK celebration, which began with a march in honor of Dr. Martin Luther King Jr. where the Del Paso Heights community and other community members participated. Miss Nelson mentioned that Grant is preparing for middle school student visits, during which they will showcase the Pacer core values, school spirit, and the campus overall. She also announced the upcoming Valentine's-Grams for February to show appreciation to staff and other students. In terms of upcoming events, Miss Nelson mentioned the basketball celebrations that will take place as the playoff season begins. Grant will also host an assembly to recognize student achievement during the first semester. Miss Nelson also mentioned the financial literacy project she has been a part of and announced that Golden Once Credit Union will be presenting a check to the ASB team to help promote attendance, academic success, and student activities on campus. She extended an invitation to the Board and Superintendent to attend the presentation.

2. Board President

No report.

3. Superintendent

Superintendent Dr. Steve Martinez thanked Miss Nelson for her excellent report and welcomed everyone to the meeting. He shared that over the past weekend, Kindergarten Roundups had been conducted at three schools to help parents of incoming kindergartners with enrollment and provide information regarding the TK and Kindergarten programs and that similar events will continue throughout the spring. Dr. Martinez also expressed his gratitude to the Twin Rivers Police Department for their support during the MLK parade that started at Grant HS and announced that the MLK Committee presented a plaque to Twin Rivers USD for the work being done in the Del Paso Heights community. Trustee Jefferson accepted the award during the MLK celebration in January. The committee recognized the District for the work being done in the community at schools and with students during school and beyond the school day, including co-curricular activities such as sports, arts, and other activities. Dr. Martinez announced that the graduation rate for Twin Rivers was officially at 91.4% and stated that Grant HS's graduation rate was above 90%, he congratulated everyone for their great work. Dr. Martinez highlighted the Dual Enrollment program and the two students from Grant HS who graduated with both a high school diploma and an AA degree last school year. He mentioned the District's goal of having at least 100 students graduate with an AA degree on top of their high school diploma in three years. He shared that over 300 students are currently enrolled in the Dual Enrollment program, which will commence in the springtime, and thanked the counseling team and School Leadership for leading the efforts in enrolling students in the program.

G. PERSONNEL RECOMMENDATIONS

1. APPROVE Personnel Recommendations

A motion was made to approve the Personnel Recommendations

Motion made by: Michael Baker

Motion seconded by: Stacey Bastian
Voting:
Michelle Rivas - Yes
Michael Baker - Yes
Christine Jefferson - Yes
Stacey Bastian - Yes
Basim Elkarra - Yes
Linda Fowler J.D. - Yes
Rebecca Sandoval - Yes

Motion passed by majority vote: 7 - Yes, 0 - No, 0 - Abstain, 0 - Absent

H. RECOGNITION

1. PRESENT AND ADOPT Resolution No. 1293 National African American History Month - February 2024

A motion was made to approve Resolution No, 1293 National African American History Month - February 2024.

Motion made by: Christine Jefferson
Motion seconded by: Basim Elkarra
Voting:
Michelle Rivas - Yes
Michael Baker - Yes
Christine Jefferson - Yes
Stacey Bastian - Yes
Basim Elkarra - Yes
Linda Fowler J.D. - Yes
Rebecca Sandoval - Yes

Motion passed by majority vote: 7 - Yes, 0 - No, 0 - Abstain, 0 - Absent

Trustee Christine Jefferson read Resolution No. 1293 National African American History Month - February 2024.

2. PRESENT AND ADOPT Resolution No. 1294 National School Counseling Week - February 5-9, 2024

A motion was made to approve Resolution No. 1294 National School Counseling Week - February 5-9, 2024

Motion made by: Rebecca Sandoval
Motion seconded by: Linda Fowler J.D.
Voting:
Michelle Rivas - Yes
Michael Baker - Yes

Motion passed by majority vote: 6 - Yes, 0 - No, 0 - Abstain, 1 - Absent

5. APPROVE Routine Construction Contracts $35,000 and Above

6. RATIFY Payment of Salaries and Bills for December 2023

7. APPROVE Out-of-State Travel and Overnight School Sponsored Trips

8. AWARD Contract for Hazardous Waste Disposal & Consulting Services

9. AWARD Contract for the Hagginwood Elementary School Fire Alarm Replacement Project

10. AWARD Contract for the Smythe 7/8 School Clock/Bell/PA Project

11. ADOPT Resolution No. 1289 Authorizing the Purchase of Cafeteria Furniture Solutions

12. APPROVE 2024-2025 Staffing Handbook

Trustee Fowler requested clarification regarding the funding of specific allocations stated in the Staffing Handbook, such as library services and intervention services.

Gina Carreon stated that elementary library media services are provided for schools with an enrollment of 0-500 for 1-3 hours per day.

Dr. Lori Grace stated that the district funds Intervention and MTSS Specialists. A higher intervention ratio is observed at the elementary level.

Trustee Elkarra inquired about intervention allocations, specifically Academic Intervention Specialists. He expressed hope that the specialists would be funded to help schools use their site funds for academic support.

Dr. Grace clarified that Academic Intervention Specialists are funded through Title 1 and site Title 1, rather than the site's general funds.

Trustee Sandoval has requested a separate discussion specifically focused on student interventions.

President Rivas expressed that student interventions would be brought up for a vote to have it as an agenda item.

Trustee Baker expressed that he would approve the handbook but that in the future, he would like to see more funding allocations for elementary school libraries. He suggested that such allocations

would enable the libraries to provide services beyond regular school hours, such as before and after school and during lunchtime.

Dario Gonzalez, Academic Intervention Specialist, spoke about the Staffing Handbook. He praised the incredible programs, interventions, and overall work being done at our school sites to educate and support students. Mr. Gonzalez emphasized that students can benefit from the services proposed in the Staffing Handbook only when they are present at school. He also pointed out that the district does not provide funding for positions whose primary role is to address truancy and chronic absenteeism. Additionally, Mr. Gonzalez specifically addressed Las Palmas and the staffing allocation in the handbook.

13. APPROVE Student Calendars for the 2024-2025, 2025-2026 and 2026-2027 School Years

14. RATIFY Purchase Order Board Report

24. APPROVE California Innovative Career Academy Facilities Use Agreement

25. ADOPT Amendment No. 3 to the California Innovative Career Academy Memorandum of Understanding

26. ADOPT Amendment No. 3 to the Highlands Community Charter School Memorandum of Understanding

Maria Elena, representative of Padres Organized Community, expressed concern of the Padres Organized Community in regard to the extension of the Highlands Community Charter Schools MOU. She also voiced her concerns for the community.

27. ADOPT Resolution No. 1295 Authorizing the Procurement of Replacement Turf via California Multiple Award Schedule Contract for the Rio Linda High School and Highlands High School Baseball-Softball Complexes

28. APPROVE Auction/Disposal/Donation of Surplus Personal Property

29. APPROVE Purchase and Sale Agreement with Sacramento Area Flood Control Agency

30. ADOPT Resolution No. 1299 Declaring Its Intention to Convey an Easement to Sacramento Area Flood Control Agency

31. APPROVE Twin Rivers 2024-2025 High School Course Catalog

Maria Elena, representative of Padres Organized Community, acknowledged the district's efforts to improve the curriculum. However, she expressed concern for students who are monolingual or learning English as a second language. She noted that the California Dashboard lacks information on English Language Learners. Elena emphasized the need for students to have adequate tools to succeed and advance to higher learning.

J. ORAL COMMUNICATIONS - ORGANIZATIONS

1. Employee Organizations

Rebecca LeDoux, TRUE President, cited the legacy of Dr. Martin Luther King, Jr. regarding education and expressed her hopefulness that educators across the District are advocating for educational justice. She expressed her concerns regarding the recent report about a local charter school and the allegations made during the report. She invited the public to visit information at Facebook.com TRUE Association.

K. ORAL COMMUNICATIONS - HEARING OF PUBLIC

Jacob Walker, community member, announced that he was one of the founders of the Highlands Community Charters. He expressed gratitude to the Board and Superintendent for their support during the formation of the charter and specifically thanked the late Bob Bastian for his support of the technical school and expressed that he was glad to see Trustee Stacey Bastian on the Board. However, Mr. Walker alleged that there were violations that occurred after the charter's establishment. He stated that he would be submitting evidence to support his allegations and hoped that the Board would take notice.

Brittoni Ward, TRUE member, expressed her concerns about a recent report on a local charter school, and she spoke about concerns that district educators and the community have voiced to her that we need to prioritize the student's needs.

Jeff Yazel, teacher at Hagginwood Elementary, shared his experience of working in the District. He expressed his concerns about the process for addressing concerns. Additionally, Mr. Yazel shared concerns regarding training.

Maria Elena, representative of Padres Organized Community, mentioned that she is a former member of the District’s Parent Advisory Committee for Native students. She expressed her desire to see Native students complete the A-G requirements, which will prepare them for a four-year university. She stated that even though she doesn't have any students in the District, members of the Padres Organized

Community have shared their concerns with her regarding their students' education. She also voiced her concerns about the report on the local charter school.

Daniel Perez, teacher at Highlands Community Charter Schools, spoke regarding the rate of graduation for his students. He mentioned that he is a lead member of several charter committees and has initiated several new sites for the charter but had concerns regarding the recent report about the charter and the allegations made in the report, and expressed his observations for the need for oversight.

Amanda Aguirre, former Highlands Community Charter Schools (HCCS) teacher, described her assignment at the charter as a teacher and mentor. She described her observation regarding the HCCS administration pertaining to reports submitted regarding attendance and expressed her thoughts on the need for oversight of the charter.

Araceli Perez, community stakeholder, who advocated for the approval of Highlands Community Charter Schools said she did this to support efforts for alternative funding for adult education. Ms. Perez also discussed the funding practices alleged to be followed by the charter and the hiring practices for teachers.

Tara Jacobs, community member, spoke of the allegations made in a recent report about a local charter; she spoke of oversight and concerns of student site council violations.

Anna Aguilar, TRUE member, expressed her concerns about the alleged findings of the recent report on a local charter. She described allegations made in the report and her accounts on charter practices also described in the report.

L. HEARING OF PUBLIC (If Needed)

1. PUBLIC HEARING and ADOPTION of Resolution No. 1296 Authorizing District Staff to Request a Waiver Renewal of a Portion of the Surplus Disposition Process for the Village 13 Property

President Rivas called the Public Hearing at 7:38 p.m. for comments regarding Resolution No. 1296 Authorizing District Staff to Request a Waiver Renewal oa a Portion of the Surplus Disposition Process for the Village 13 Property.

There were no comments.

President Rivas closed the Public Hearing at 7:38 p.m.

A motion was made to adopt Resolution No. 1296 Authorizing District Staff to Request a Waiver Renewal of a Portion of the Surplus Disposition Process for the Village 13 Property.

Motion made by: Michael Baker
Motion seconded by: Linda Fowler J.D.
Voting:
Michelle Rivas - Yes
Michael Baker - Yes
Christine Jefferson - Yes
Stacey Bastian - Yes
Basim Elkarra - Yes
Linda Fowler J.D. - Yes
Rebecca Sandoval - Yes

Motion passed by majority vote: 7 - Yes, 0 - No, 0 - Abstain, 0 - Absent

M. PRESENT/DISCUSS/ACTION - SCHOOL/STAFF

1. PRESENT and ACCEPT the 2022-23 Independent Financial Audit Report

Kate Ingersoll, Executive Director of Fiscal Services, introduced Aspen Cloud Hall, CPA, Senior Manager at Gilbert Associates, Inc. Ms. Hall provided a review of the Twin Rivers Unified School District 2022-2023 Independent Financial Audit Report. There are no internal control or Federal compliance findings. There is one State compliance finding, but there is no financial impact to the District. Ms. Hall commended the Fiscal Services team for the assistance and support provided to the auditors during the internal audit.

A motion was made to accept the 2022-23 Independent Financial Audit Report

Motion made by: Michael Baker
Motion seconded by: Stacey Bastian
Voting:
Michelle Rivas - Yes
Michael Baker - Yes
Christine Jefferson - Yes
Stacey Bastian - Yes
Basim Elkarra - Yes
Linda Fowler J.D. - Abstain
Rebecca Sandoval - Yes

Motion passed by majority vote: 6 - Yes, 0 - No, 1 - Abstain, 0 - Absent

Ms. Hall thanked Kate and the team for their hard work and support throughout the years. She expressed that the district should be proud of Kate and the team's dedication to serving students.

President Rivas thanked Ms. Hall for her kind words and expressed her recognition for the exceptional team the district has. She also acknowledged the yearly recognition received as a result of financial stability and transparency in the budget process. Finally, she thanked Ms. Hall for her auditing services.

2. PRESENT Budget Update on 2024-25 Governor's Budget Proposal

Ryan DiGiulio, Chief Business Official, and Kate Ingersoll, Executive Director of Fiscal Services, provided an update and presentation on the District's current budget and planning for the 2024-2025 budget process. The presentation included reports regarding the Governor's 2024-2025 Budget Proposal–January 2024; the impact to Twin Rivers USD's budget; the next steps and key takeaways; reference for developing the budget; reference for planning, goal setting, and financial policies; reference for understanding California school finance; multiyear projections (MYPs); and reference for monitoring the district's budget. It was reported that the next steps in budget development for 2024-2025 include the completion of staffing meetings with sites and departments, updating the multiyear projections (2023-24 Second Interim Report) to include the key items from The Governor's January Budget Proposal; obtaining sites' and departments' detailed budgets; incorporation of the LCAP; updates from the Governor's May Revise Budget; and the 2024-25 TRUSD Adopted Budget in June.

N. BOARD/SUPERINTENDENT COMMUNICATION

Vice President Baker requested an update on the Citizens Board Oversight Committee's work thus far.

Superintendent Martinez expressed that the District will provide an update with the Board Communication, and Mr. DiGiulio added that the annual report will be presented to the Board during the April Board meeting.

Trustee Rebecca Sandoval has requested that recommendations for approval by the Board for management positions be placed on the agenda as a separate item, in addition to the Board review of management applications with recommendation materials. She also requested a report regarding student discipline.

O. BOARD COMMENTS

Trustee Rebecca Sandoval provided an update on the construction of Joshua House, which is a hospice located near Garden Valley Elementary. She has been actively advocating for the community and the district by requesting updates during City Hall meetings and voicing her concerns about safety measures despite facing opposition. Trustee Sandoval expressed her satisfaction that Dr. Martinez is sending another letter to the City Council to request updates and provide safety plans for students, staff, and the neighborhood.

Trustee Stacey Bastian congratulated the Rio Linda High School wrestling team and expressed that it is great to see our students participating in sports. She also expressed her enjoyment in visiting schools and thanked the teachers, staff, and administrators for their amazing work.

Vice President Baker mentioned that he had the honor of graduating from Foothill High School back in 1997. He also mentioned being the first to jump in the newly-built pool. He expressed his appreciation for everyone's hard work in making the Aquatic Center at Foothill High School a beautiful place. As a parent of a graduating senior and an incoming freshman, he conveyed his gratitude towards the efforts put into it. Moreover, he stated that the neighborhood is thrilled about the upcoming baseball/softball field and eagerly awaits its completion.

Trustee Christine Jefferson expressed her gratitude towards Leah Nelson, a Student Board member representing Grant High School, for her report on Grant and for inviting her to the Golden One presentation. Ms. Jefferson also expressed her pride for Ms. Nelson's accomplishments and commended her for being an "A" student. Furthermore, she thanked the District for the newly opened TK building at Castori, which will serve a lot of students and is an additional bright light in the community. Trustee Jefferson congratulated the cheerleading team for winning a championship and mentioned the award she accepted on behalf of Twin Rivers for all the work the District has accomplished in the community. Finally, she expressed her gratitude towards Grant High School and the Dr. Martin Luther King Committee for the honor.

Trustee Linda Fowler mentioned Dr. Martinez's announcement of a 91.4% graduation rate and expressed her belief that the district should aim for 100%. She congratulated the teachers and administrators for enrolling 304 freshmen in the Dual Enrollment program with American River College, who will contribute to achieving this goal and also have the opportunity to earn college credits. She emphasized that this achievement is something to be proud of, especially for the staff, who are the backbone of providing such opportunities for the students, and stated that the District is on its way to 100%.

President Michelle Rivas commended everyone for the impressive graduation rate achieved. She expressed her appreciation for the collective effort and hard work that led to this success. Furthermore,

she thanked the parents for their unwavering support and acknowledged the Board for their significant contribution. She also highlighted that although the Board may not always agree on everything, their diverse perspectives have a positive impact. President Rivas also expressed her pride in the Board and their accomplishments, professionalism, and for always keeping their focus on the students they were elected to represent.

P. BOARD MEET IN SECOND CLOSED SESSION (If Needed)

A second session was not needed.

Q. CLOSED SESSION

A second session was not needed.

R. RECONVENE IN PUBLIC SESSION

1. Report on Any Action Taken in Closed Session [Government Code Section 54957.1]

A second session was not needed.

2. Announcement of Next Meeting

The Board of Trustees is scheduled to meet again, unless otherwise announced and approved by the Board of Trustees, on Tuesday, February 27, 2024, for a Regular In-Person/Virtual School Board Meeting at 6:00 p.m. (closed session) and 6:30 p.m. (public session) to be held in person at 5115 Dudley Boulevard, Bay A, McClellan Park, CA 95652 and live stream on the Twin Rivers YouTube channel.

S. ADJOURN

There being no other business, President Michelle Rivas adjourned the meeting at 8:29 p.m.

T. January 23, 2024, MULTILINGUAL AGENDA

Note: Agendas for the January 23, 2024, regular and virtual school board meeting were posted and made available in English and Spanish to the public.

Clerk of the Board

MEMORANDUM OF UNDERSTANDING
BETWEEN TWIN RIVERS UNIFIED SCHOOL DISTRICT AND
HIGHLANDS COMMUNITY CHARTER AND TECHNICAL SCHOOLS
(California Innovative Career Academy Charter School)

AMENDMENT NO. 3

This AMENDMENT NO. 3 ("AMENDMENT NO. 3") to the Memorandum of Understanding ("MOU") entered into by and between the Twin Rivers Unified School District (hereinafter, "District"), a school district organized and existing under the laws of the State of California, and Highlands Community Charter and Technical Schools (hereinafter "Corporation"), a nonprofit public benefit corporation duly organized under the laws of the State of California, operating the California Innovative Career Academy (hereinafter "CICA"), a public charter school organized and existing under the laws of the State of California (hereinafter Corporation and CICA collectively referred to as "Charter School"). (District and Charter School are collectively referred to herein as, the "Parties".)

WHEREAS, the Charter petition for the establishment of the Charter School ("Charter") was first authorized by the District in 2019 for a term running through June 30, 2024;

WHEREAS, the Charter School's current Charter term runs through June 30, 2027;

WHEREAS, the Parties previously entered into a Memorandum of Understanding ("MOU") to document the arrangement and agreement between the parties regarding the Charter School's program, operation, structure, and obligations. A copy of the MOU is attached hereto as "Exhibit A," and incorporated herein by reference; and

WHEREAS, pursuant to a prior amendment to the MOU entered into by and between the Parties, the term of the MOU runs through June 30, 2027, and

WHEREAS, the Parties desire to amend the MOU according to the terms of this AMENDMENT NO. 3.

The MOU is hereby amended as follows:

1. The terms of the MOU are intended by the District and Charter School to become part of the standards and procedures set forth in the Charter School's Charter approved by the District ("Charter"). Along with the Charter, this MOU will govern the relationship between the District and the Charter School regarding the operation of the Charter School. To the extent the terms of the MOU is/are inconsistent with any terms of the Charter, the MOU shall control. In addition, if the Charter is silent on an issue addressed by the MOU, the MOU shall control. As such, any violation of MOU by Charter School that also constitutes grounds for revocation per Education Code section 47607 will be treated and enforced by the District in the same manner, subject to Education Code Section 47607 and applicable implementing regulations, as it would any other violation constituting a ground for revocation.

2. Facilities.

a. *Facilities Locations.* In addition to its main campus located at 1333 Grand Avenue, Sacramento, CA 95838, the Charter School is authorized by the District to operate at the locations identified in the Facilities Site List at Exhibit "B" to this AMENDMENT NO. 3.
If Charter School seeks to establish operations at one or more additional locations(s) or move any of its existing location(s), including satellite facilities or resource centers, the Charter School must first submit a written request to the District for approval of the change(s). The written request should include relevant background information regarding the proposed change(s), including, lease agreements, budgetary documentation, and a description of the operations to be established at the location(s), in order for the District to determine whether the proposed change(s) constitutes a material revision requiring District Board approval.

If the District determines that the proposed change(s) does not constitute a material revision, the Charter School may establish operations at the proposed location(s) after receiving prior written approval by the District.

If the District determines that the proposed change(s) does constitute a material revision, then the changes(s) must be approved by the District Board of Trustees before the Charter School may commence operations at the proposed location(s). Implementation of a material revision without the prior approval of the District Board is a material violation of the Charter.

Prior to commencing operations at any new facility location, the Charter School shall obtain appropriate permits from the local public entity with jurisdiction over the issuance of such permits, including building permits, occupancy permits, fire/life safety inspections and conditional use permits, as may be required to ensure the facilities are safe for staff and students. Charter School shall provide the District with documentation demonstrating compliance with all appropriate permits and approvals needed for occupancy and invite the District to visit the Charter School site/facility for an inspection and review prior to the time the Charter School is scheduled to establish operations at the location.

b. *Facility Safety.* Charter School shall comply with Education Code Section 47610 by either utilizing facilities that are compliant with the Field Act or with the California Building Standards Code. All facilities utilized by the Charter School shall meet the requirements of the Americans with Disabilities Act and shall be approved by the local fire marshal for the use intended. The Charter School agrees to ensure sprinkler systems, fire extinguishers, and fire alarms are tested annually at its facilities by a certified third party to ensure that they are maintained in an operable condition at all times. The Charter School shall keep written records of these inspections on file for at least one (1) year after the date of the inspection and provide such records to the District upon request.

c. *Documentation.* The Charter School shall maintain documentation on file or know where to access all local approvals including applicable fire marshal clearances, certificates of occupancy, signed building permit inspections and approved zoning variances, as applicable, for each facility location. Such documentation shall be provided to the District upon request.

3. Supervisorial Oversight Fee. In consideration for the actual costs of supervisorial oversight by the District, the Charter School shall pay an amount not to exceed one percent (1 %) of the revenue of the Charter School (hereinafter, the "Oversight Fee") pursuant to Education Code section 47613. "Revenue of the Charter School" for purposes of this calculation means the amount received in the current fiscal year from the local control funding formula calculated pursuant to Section 42238.02, as implemented by Section 42238.03. Charter School and District agree that the "supervisorial oversight" as used in Education Code section 47613 shall include the following:

   (a) Review and revision of the MOU and any subsequent agreements to clarify and interpret the Charter and amendments to the Charter and the relationship between Charter School and the District.

   (b) All activities related to the charter renewal and material revision, and revocation processes, including any process conducted in compliance with Education Code section 47607 related to the issuance of a Notice of Violation or other corrective notice related to Charter School's operations, including document requests, hearings, notices, and investigations, and monitoring efforts to remedy operational problems identified by the District.

   (c) Activities related to monitoring the performance and compliance of Charter School with respect to the terms of its Charter, related agreements, and all applicable laws.

   (d) Review of the Charter School's annual independent fiscal and programmatic audit reports and related processes related to the Charter School's annual audit.

   (e) Completion of the following duties under Education Code section 47604.32:

      (1) Visiting Charter School at least annually.
      (2) Ensuring that Charter School complies with all reports required of charter schools by law.
      (3) Monitoring the fiscal condition of Charter School, including review of annual fiscal audit of the Charter School.
      (4) Providing timely notification to the California Department of Education if any of the following circumstances occur: Renewal of the Charter is granted or denied; the Charter is revoked; or, Charter School ceases operation for any reason.
      (5) Any review of teacher credentials pursuant to Education Code section 47605(l).
      (6) All costs incurred by the District for performance of the requirements specified in Education Code section 47607.3.
      (7) Participation in the dispute resolution process described in the Charter.

4. Authority. Each person below warrants and guarantees that she/he is legally authorized to execute this Agreement on behalf of the designated entity and that such execution shall bind the designated entity to the terms of this AMENDMENT NO. 3 subject to approval/ ratification by the Parties respective governing boards.

5. Subject to Ratification. This Agreement is subject to the approval/ratification of both the District's Board and the Charter School Board of Directors.

6. Counterparts. This AMENDMENT NO. 3 may be executed in counterparts and be as valid and binding as if all Parties signed the same copy. Signature of copies of this AMENDMENT NO. 3 transmitted by facsimile or electronic mail, and/or signed electronically by either/both Parties, shall have the same force and effect as signature of the original.

IN WITNESS WHEREOF, each of the Parties hereto has duly executed this AMENDMENT NO. 3 as of the dates shown below.

Highlands Community Charter and Technical Schools

EXHIBIT "A"

CICA MOU

MEMORANDUM OF UNDERSTANDING
BETWEEN THE TWIN RIVERS UNIFIED SCHOOL DISTRICT
AND
HIGHLANDS COMMUNITY CHARTER AND TECHNICAL SCHOOLS

THIS MEMORANDUM OF UNDERSTANDING (hereinafter "MOU") is made and entered into as of this 16th day of January, 2020, by and between the Twin Rivers Unified School District (hereinafter "District"), a school district organized and existing under the laws of the State of California, and Highlands Community Charter and Technical Schools ("Corporation"), a California non-profit public benefit corporation, which operates the California Innovative Career Academy ("CICA"), a California public charter school (hereinafter Corporation and CICA collectively referred to as "the Charter School").

WHEREAS, the District' s Board of Trustees ("Board") granted the Corporation a Charter to operate CICA at a public meeting on June 25, 2019, for a term of five (5) school years commencing on July 1, 2019 and ending on June 30, 2024, pursuant to Resolution No. 777 adopted by the Board, attached hereto as "Exhibit A;" and

WHEREAS, the District and the Charter School desire to enter into this MOU to document the arrangement and agreement between the parties regarding CICA's funding and programs, the District's statutorily prescribed supervisory oversight of the Charter School; and

WHEREAS, the Charter School's program, operation, structure, and obligations in operating the school are set forth in the Charter, attached hereto as "Exhibit B," and incorporated herein by reference; and

WHEREAS, the Charter School and District further desire to address any remaining uncorrected language in the Charter, as conditionally approved and required to be corrected by Resolution No. 777, as referenced in Paragraph 3 below; and

NOW THEREFORE, in consideration of the promises, covenants and agreements herein set forth, the District and Charter School hereby agrees as follows:

1. Term. This MOU shall commence on July 1, 2019 and end on June 30, 2024, as specified in Paragraph 2, below. This MOU is subject to termination for cause, as specified in Paragraph 28, below, including revocation of the Charter as specified in Paragraph 27, below.

2. Renewal. This MOU shall be automatically renewed for an additional fiscal year commencing July 1, 2020, and on July 1 thereafter, unless written notice of intent to terminate or renegotiate is given by either party prior to May 1 in that year, preceding. In no event shall any renewal term extend beyond the maximum term of the Charter granted to the Charter School as determined by action of the Board pursuant to Education Code section 47607.

3. Designation of Charter School and Non-Material Revisions to Charter. The Charter School shall be responsible for all functions that relate to the educational services, management, and operation of the Charter School, subject to the terms and conditions set forth in this MOU, the Charter, the Charter Schools Act of 1992, and any other applicable federal and/or State laws. The

Charter School agrees that all publications of every kind by or for the Charter School shall prominently identify the name of the Charter School as follows: "California Innovative Career Academy." The Charter School and District further agree that upon execution of this MOU, the uncorrected language in the Charter as listed in "Exhibit C," attached hereto and incorporated herein by reference, is deemed corrected as stated therein as a non-material revision to the Charter.

4. Charter School Authority. The Charter School, in performing its duties and obligations under this MOU and Charter, shall have the power and authority, consistent with federal and State law and subject to other terms and conditions of this MOU to: (1) contract for goods and services with the District and/or any qualified third party; (2) prepare a budget; (3) perform personnel services not otherwise provided by the District pursuant to this MOU; (4) procure insurance; (5) lease or otherwise contract with the District or any qualified third party for the use of facilities for school purposes and the operation and maintenance thereof; (6) purchase, lease , or rent furniture, equipment and supplies; (7) accept gifts, donations or grants of any kind in accordance with such conditions prescribed by the donor as are consistent with law and are not contrary to any of the terms of this MOU; (8) perform the business administration of the school; (9) establish and conduct an educational program and curriculum for the Charter School as provided in the Charter; (10) conduct extra and co-curricular activities and programs; (11) conduct professional development for all personnel; (12) select and acquire instructional materials, equipment and supplies; (13) exercise such other powers as are provided for elsewhere in this MOU to the extent consistent with this MOU; and (14) generally, take such other actions as may be necessary and desirable to operate the Charter School.

5. Charter School Governance. The Charter School will be governed by the Corporation's Board of Directors pursuant to the Charter and its Bylaws. The Charter School's Executive Director shall meet with the District's Superintendent or designee on a quarterly basis during the school year at a time to be scheduled by the District. The meeting may include, but shall not be limited to, a review of the Charter School's financial standing, enrollment trends, educational programs, API, use of District facilities, etc.

Notwithstanding any rule, regulation, Charter provision, or Corporation Bylaw to the contrary, the Corporation, its Board of Directors, and the Charter School shall at all times and in all respects, comply with the Ralph M. Brown Act, the Public Records Act, and all conflict of interests laws generally applicable to the District's Board of Trustees, including but not limited to, Government Code section 1090 *et seq.* and the Political Reform Act (Gov. Code § 81000 *et seq.).*

6. Facility. The Charter School may use space at a District facility located at 1333 Grand Avenue, Sacramento, CA 95838 (hereinafter the "Facility" or "Site") pursuant to terms and conditions set forth in a Facility Use Agreement. The Charter School shall comply with all State and federal laws regarding the use of the Site as school facilities.

7. Equipment and Materials. The Charter School may use District equipment and materials currently located at the Site pursuant to terms and conditions set forth in the Facility Use Agreement. The Charter School shall be solely responsible for purchasing any other equipment and materials necessary to operate its educational programs. The Charter School shall be solely responsible for maintaining all such equipment and/or materials in good working order and may not use such equipment and/or materials for any personal or private use. The Charter School shall

mark and identify, and maintain a written inventory of all such District and Charter School equipment and materials prior to commencing operations in the 2019-20 school year. The written inventory shall be updated and provided to the District annually. The Charter School shall account for all assets obtained in its financial reports.

8. Administrative Services. The Charter School shall conduct or procure all of its own administrative and business services including, but not limited to, academic, special education, financial management, accounts payable/receivable, payroll, human resources, and instructional program development either through its own staff or through an appropriately qualified third-party contractor.

9. Pupil Records. The Charter School shall at all times maintain Charter School pupil records in accordance with any pupil record system utilized by the District, or as agreed upon by the District (such agreement not to be unreasonably withheld) including but not limited to cumulative files, student work portfolios, immunization records, special education files, and/or attendance verification at the school site located within the District. Notwithstanding Education Code section 47610, the Charter School shall voluntarily agree to comply with Education Code sections 49060 through 49079. Charter School pupil records maintained by the Charter School shall be made available for inspection by the District at any time for purposes of verifying that the Charter School is in compliance with all State and federal laws, its Charter, and this MOU.

10. Fingerprint and Criminal Record Summary Services. The Charter School, at its sole cost and expense, shall obtain fingerprint, criminal record summaries and subsequent arrest information for all Charter School employees prior to employment. The Charter School shall comply with the applicable State and federal laws regarding the fingerprinting and background clearance of employees, contractors, and volunteers prior to engaging in employment, volunteerism, or contract services or any other unsupervised contact with students of the Charter School in accordance with Education Code sections 35021 *et seq.* and 45125.1. The Charter School shall not hire any person, in either a certificated or classified position, who has been convicted of a violent or serious felony except as otherwise provided by the law, pursuant to Education Code Sections 44830.1 and 45122.1. The Charter School shall notify the District in writing of its compliance with this paragraph. The Charter School shall make Charter School employee and volunteer fingerprint verification information available to the District upon request.

11. Indemnity. Except for claims arising from the District's sole or separate negligence, recklessness or willful misconduct, the Charter School will defend and indemnify the District and its respective directors, officers, employees, agents, and volunteers, from and against any and all actions, suits, claims, demands, losses, costs, or liabilities that actually or allegedly arise in any manner from the Charter School' s operations, failure to comply with District child find policies or have its staff trained in such child find policies to identify special needs students, or use and occupancy of the Site. The District, in turn, will defend and indemnify the Charter School and its respective directors, officers, employees, agents, and volunteers, from and against any and all actions, suits, claims, demands, losses, costs, or liabilities that actually or allegedly arise from the District's contractual or legal obligations under this MOU or its sole and separate negligence. The indemnity provisions of this MOU shall survive the expiration or termination of this MOU.

12. Insurance Coverage. The Charter School shall be responsible for obtaining and maintaining all insurance coverage as stated in the Charter. The District will be named an additional insured on the general liability insurance of the Charter School.

13. Special Education Services. The Charter School shall be solely responsible for serving the Charter School's special needs students as stated in the Charter.

14. Supervisorial Oversight Fee. In consideration for the actual costs of supervisorial oversight by the District, the Charter School shall pay an amount not to exceed five percent (5%) of the revenue of the Charter School (hereinafter, the "Oversight Fee") pursuant to Education Code section 47613. "Supervisorial oversight" for purposes of this section shall be limited to those duties listed in Education Code section 47604.32(a)(1) through (5), only. "Revenue" for purposes of this calculation is defined pursuant to Education Code section 47613(f) in the current fiscal year from the local control funding formula calculated pursuant to Education Code sections 42238.02 and 42238.03. "Revenue" for purposes of this calculation shall not include Charter School fund-raising activities, private donations, other public grants, or any other source of income developed by the Charter School.

15. Direct Funding. The Charter School elects to receive the state aid portion of charter school general-purpose entitlement and categorical block grant funds and any other funding as now computed by the local control funding formula pursuant to Education Code section 42238.02 and implemented by Education Code section 42238.03, and as received by the Charter School for its "Adult Education" programs, directly in accordance with Education Code section 47651(a)(1). Funds for the Charter School shall be deposited directly into an account for the " California Innovative Career Academy" with the Sacramento County Office of Education ("SCOE"). The SCOE will then remit the funds to the Charter School. The District shall transfer to the Charter School funding in-lieu-of property taxes in accordance with Education Code section 47635. The School recognizes that the District shall have no responsibilities for funding the Charter School beyond that required by law.

The Charter School agrees that all funding received for the Charter School, from any and all sources, including but not limited to all funding sources set forth in the Charter or this MOU, or other agreement with the District, shall be used exclusively to operate the " California Innovative Career Academy," and shall not be used, either directly or indirectly, or by loan or gift, to fund, assist, pay for the debts of, or towards the operation of, any other school or establishment managed, controlled, or operated by the Corporation or Charter School, or operated by its members, officers, agents, servants, and employers, or for any other purpose whatsoever, unless mutually agreed upon by the parties.

16. Payment Schedule. The Charter School shall pay the supervisorial oversight fee and any other fees in quarterly installments for each school year. The District shall invoice the Charter School for fees due as of September 30, December 31, March 31, and June 30, with invoices to be prepared and submitted by the District to the Charter School within thirty (30) calendar days during the year and by September 15 (when the books are closed) at the end of the year. The Charter School shall pay all invoices within fifteen (15) business days of their issuance by the District. In the event payment is not received within five (5) business days following the payment due date, and/or if such payment is returned or unpaid due to insufficient funds, the

Charter School authorizes the District to deduct any such fees or payments from future apportionments or any other monies received by the SCOE and/or District for the Charter School. The District may elect to offset and deduct any such fees from the District in-lieu property tax revenues next payable to the Charter School, in which case the District shall provide the Charter School with a detailed statement showing the amount of any such offset.

17. Mandated Costs. The Charter School shall obtain its claiming number from the State Controller's Office and shall complete and file its own mandated cost reimbursement claims. Monies received from mandated cost reimbursements shall not be included in the definition of "revenue" for purposes of calculating any fee in this MOU. The District shall not charge the Charter School for any cost for which the District may claim a mandated cost.

18. Additional Funding Sources. The Charter School may also receive funding from new or "one-time" funding sources made available to schools or school districts by the State of California to the extent that the Charter School and/or its pupils establish entitlement to any such funds. In the event that such additional funds are misdirected to the District, the District agrees to pass through all such funds to the Charter School within thirty (30) days of receipt, provided that the Charter School has complied with all requirements, restrictions, and/or conditions attached to those funds by the funding source or agency, if any. The Charter School shall hold harmless the District for any repayment of any grants and/or additional funding.

19. Grants. The Charter School and the District will cooperate to identify and apply for grants that meet the mutual goals of the District and the Charter School for development of the Charter School. This provision shall not be construed to limit or otherwise prohibit the exercise of discretion by the District. The District and the Charter School shall be free to engage in other financial transactions such as loans of money and or property back and forth between the two parties, subject to approval by the District Superintendent.

20. Charter School Budget, Report, and Audits. The Charter School shall prepare and submit to the District the following financial information regarding the Charter School:

a. On or before July 1 of each year, a preliminary budget.

b. On or before July 1 of each year, an annual update (LCAP) required pursuant to Education Code Section 47606.5.

c. On or before December 15 of each year, an interim financial report for the current fiscal year reflecting changes through October 31. Additionally, on December 15, a copy of the Charter School's annual, independent financial audit report for the preceding fiscal year shall be delivered to the State Controller, State Department of Education, and County Superintendent of Schools.

d. On or before March 15 of each year, a second interim financial report for the current fiscal year reflecting changes through January 31.

e. On or before September 15 of each year, a final unaudited report for the full prior year. The report submitted to the Charter School shall include an

annual statement of all the Charter School's receipts and expenditures for the preceding fiscal year.

The Charter School shall be solely responsible for all costs associated with auditing and accounting services in addition to those services not provided by the District to the Charter School as set forth in this MOU. The Charter School shall utilize the services of an auditor who will have, at a minimum, a CPA and experience with school and educational institution accounting requirements and practices, and shall be approved by the State Controller on its published list as an educational audit provider.

For reports (a), (c), (d), and (e), above, the Charter School shall also provide with each financial report supporting and/or back up information, including but not limited to multi-year projections for current and two subsequent years, assumptions used for two subsequent years, explanation for major variances by category between reporting periods, enrollment projection, ADA P2 projection by grade level, COLA & Deficit percentage, calculation used for determining general purpose funding, list of statutory benefit rates, list of H&W rates and number of participants, and number of FTEs for certificated and classified employees for each year.

The Charter School shall promptly respond to all reasonable inquiries including, but not limited to, inquiries regarding its financial records, cash flow and budget, and ADA P2 projections from the District, in accordance with Education Code section 47604.3. The Charter School agrees to and submits to the right of the District to monitor the Charter School's ADA projections and cash flow shortages in order to carry out the District's statutorily required oversight.

21. District Reports. The District agrees to file all reports specifically required by law to be filed with the California Department of Education or any other State or federal agency by a local educational agency on behalf of the District and/or Charter School. The Charter School shall promptly provide the District with any information, data, or documentation necessary for the District to timely file such reports in accordance with law. The Charter School shall be solely responsible for the accuracy of all data submitted to the District. The Charter School shall be responsible for filing all other reports as may be required by law.

22. Attendance Reporting, School Calendar, and Other Data. The Charter School shall provide the District with a copy of the Charter School's annual attendance calendar no later than July 1, 2019, and by July 1 of each subsequent year shall submit its annual calendar for the upcoming school year for which it is in existence. The Charter School shall maintain no less than the minimum number of instructional days and minutes required by the Education Code and/or the California Code of Regulations for each grade level served.

Subject to District approval, the Charter School will establish and maintain an attendance reporting system to record and account for the Charter School's ADA, as defined in Title V California Code of Regulations section 11960. The Charter School will timely report ADA figures to the District as necessary to enable the school to receive funding. The Charter School will provide the District with a monthly enrollment report no later than the 15th calendar day of the following attendance month. The Charter School will provide all data and reports required by the District in hard copy and electronic data files. The Charter School will submit enrollment and demographic information to the California Education Data System (CBEDS), or its successor, the California

Student Information System (CSIS), to the extent and in the manner specifically required by law or regulations applicable to charter schools. Upon request, the Charter School will provide the District with documentation of the teacher/student ratio for the Charter School.

23. Assessments and State Testing. The Charter School shall establish guidelines and expectations for all student achievement at each grade level and implement assessments that promote successful transition to a traditional school program, or to continue in the Charter School's program. The Charter School shall develop and maintain a system of assessment procedures and measurement tools that provide objective, comparable written assessments in order to determine student comprehension of State and District curricular competencies required by law.

The Charter School shall annually notify the District in writing at least thirty (30) calendar days in advance of the date and location of State testing, and the total number of State tests to be administered to Charter School pupils. The Charter School shall provide the District with individual pupil and school-wide State test results. The Charter School shall institute measures to ensure the security of all testing materials.

24. Financial Statements and Records. Upon request, the Charter School shall promptly respond to all District requests for documentation, including any financial records, pursuant to Education Code section 47604.3.

25. Compliance With Other External Source Funding Requirements. The District and Charter School shall comply with all terms and conditions of any other external source funding requirements applicable to funding received by the District on behalf of the Charter School, if any. Upon reasonable advance written request by the District, the Charter School shall provide evidence to the District that the Charter School is in compliance with all such requirements, and shall provide the District, with all reports, data, and information reasonably necessary for the District to meet any reporting, certification, or other requirements for such funding.

26. Dispute Resolution Procedure. In the event of any dispute between the Charter School and the District, excluding revocation of the Charter but including audit exceptions and deficiencies, the complaining party will prepare a written dispute statement which will be simultaneously submitted to the District Superintendent or designee and the Charter School's Executive Director. The Executive Director and the Superintendent or designee will meet and confer within five (5) business days from the date of receipt of the written dispute statement and attempt to resolve the dispute. In the event that this conference fails to resolve the dispute, each party will identify two members of their respective governing boards who shall meet with the Superintendent or designee and the Executive Director within ten (10) business days and attempt to resolve the dispute. If this joint meeting fails to resolve the dispute, either party will, within five (5) business days following the meeting, submit the matter to the Sacramento County Superintendent of Schools. The parties agree to be bound by the County Superintendent's decision and will indicate as such when submitting the matter to the County Superintendent. If the County Superintendent declines to hear the matter, the parties may agree to submit their dispute to a mutually agreeable, neutral third-party mediator for resolution in accordance with any procedure determined and prescribed by the mediator and agreed to by the parties. Review by the County Superintendent or mediator will be held within forty-five (45) business days of receipt of the initial dispute statement. The cost of the mediator will be equally shared between the District and the

Charter School. If the parties are unable to resolve the matter before a mutually agreeable mediator, either party may pursue any other remedy available under the law.

The Charter School shall timely notify the District of any and all complaints filed against the Charter School by its employees, students, parents, and vendors, involving violations of the Charter, this MOU, State or federal law, or alleged financial mismanagement.

In the event of any dispute, claim, question, or disagreement arising from or relating to this MOU or breach thereof, the parties hereto shall act in good faith to settle the dispute, claim, question, or disagreement in accordance with the dispute resolution process prescribed above.

27. Revocation and Closure Protocol. The District and the Charter School agree that the dispute resolution procedure set forth in Paragraph 26, above, shall not apply to any matter that could lead to revocation of the Charter. Prior to revocation of the Charter, the District shall provide the Charter School with written notice of its belief and an opportunity to meet with and respond to the District within a reasonable time, which shall be not less than five (5) business days, prior to issuing a written notice to "cure and correct," unless the District determines in writing that the violation constitutes a severe and imminent threat to the health or safety of the pupils in accordance with Education Code section 47607(d) and its implementing regulations. Thereafter, if the District determines that revocation is warranted, it shall comply with the procedures set forth in Education Code section 47607.

In the event of revocation or school closure, the Charter School shall ensure that the "Entity" identified in the Charter responsible for implementing the Charter's closure protocol shall be experienced in dissolution and closure of public educational programs, and the Entity shall comply with all legal requirements regarding the confidentiality of student records. The Chair of the Charter School's Board of Directors shall serve as the official contact for purposes of implementing the closure protocol set forth in the Charter and its plan for maintaining and transferring student records, and payment of debts and liabilities and distribution of remaining assets.

Notwithstanding any rule, regulation, Charter provision, Corporation Bylaw or document to the contrary, on closure of the Charter School, all assets of the Charter School, including but not limited to all leaseholds, and all ADA apportionments and other revenues generated by students attending the Charter School, after payment of all debts and liabilities and refunds to applicable agencies, shall revert to the Charter School. Any assets acquired from the District or District property will be promptly returned upon the Charter School's closure to the District. The distribution shall include return of any grant funds and restricted categorical funds to their source in accordance with the terms of the grant or State and federal law, as appropriate, which may include submission of final expenditure reports for entitlement grants and the filing of any required Final Expenditure Reports and Final Performance Reports, as well as the return of any donated materials and property in accordance with any conditions established when the donation of such materials or property was accepted.

28. Termination for Cause. The District may terminate any services provided pursuant to this MOU upon failure of the Charter School to pay any amount due under this MOU within sixty (60) days after receipt by Charter School of a District demand for payment and notice of

intent to terminate services. Any failure by the Charter School to pay an amount due under this MOU, or other material violation of the terms of this MOU by the Charter School, may constitute grounds for revocation of the Charter in accordance with the provisions of the Charter and the Charter Schools Act, and any such termination or revocation shall be consistent with such provisions, including with respect to notice and an opportunity to cure. In the event of revocation of the Charter, this MOU shall be deemed null and void.

29. Annual Review and Notice To District Of Change In Status. The Charter School shall participate in an annual review conducted by the District, if any, of all programs offered at the Charter School, including their effectiveness and student achievement. Both parties shall act reasonably and in good faith in both the review and the response to the review.

The Charter School shall provide the District no less than thirty (30) days prior written notice of any actions taken by the Charter School that may and/or will affect and/or change the status of the Charter School, and which falls within the District's oversight responsibilities.

The Charter School shall provide all services not expressly indicated herein to be provided by the District. Nothing herein shall preclude the parties from negotiating or amending this MOU to include additional services not contemplated by this MOU.

30. Independent Contractor Status. The parties to this MOU intend that the relationship between them created by this MOU is that of an independent contractor, and not an employer/employee. The District shall deem no agent, employee, or servant of the Charter School to be an employee, agent or servant of the District, except as expressly acknowledged in writing. No agent, employee, or servant of the District shall be deemed to be an employee, agent or servant of the Charter School, except as expressly acknowledged in writing by the Charter School.

31. Construction and Enforcement. This MOU shall be construed and enforced in accordance with the laws of the State of California.

32. Entire MOU. This MOU and any attachments hereto shall constitute the full and complete agreement between the parties hereto. All prior representations and understandings regarding the Charter and Charter School are merged herein and are superseded by this MOU.

33. Amendments. This MOU may be altered, amended, changed, or modified only by agreement in writing executed by the Charter School and the District's duly authorized representative with a specific reference to the Charter, and to this MOU which it alters, amends or modifies.

34. Invalidity of Provisions of This MOU. If, for any reason, any provision hereof shall be determined to be invalid or unenforceable, the validity and effect of the other provisions hereof shall not be affected thereby.

35. Nondiscrimination. The Charter School covenants and agrees that they shall not discriminate against any person or group thereof upon the basis of the characteristics, whether actual or perceived, as listed in Education Code section 220, including, but not limited to disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in

section 422.55 of the Penal Code, including immigration status, or association with an individual who has any of the aforementioned characteristics in the operation of the Charter School.

36. Assignment. Neither this MOU nor the establishment or operation of the Charter School shall be assigned by the Charter School to any other person or entity without the prior written notice to and consent of the District.

37. No Waiver. No waiver of any provision of this MOU shall be deemed or shall constitute a waiver of any other provision, nor shall such waiver constitute a continuing waiver unless otherwise expressly stated.

38. Survival. All representations, warranties and indemnities made herein shall survive termination of this MOU.

39. Notices. All notices, consents, demands, or other communications for one party or the other required or permitted in this MOU shall be in writing and shall be either personally delivered or sent by a nationally recognized overnight courier, telecopier or by registered or certified U.S. mail, postage prepaid, addressed as set forth below (except that a party may, from time to time, give notice changing the address for this purpose). A notice shall be effective on the date personally delivered, on the date delivered by a nationally recognized overnight courier, on the date set forth on the receipt of a telecopier or a facsimile, or on the earlier of the dates set forth on the receipt of registered or certified mail, or on the fifth (5th) day after mailing.

To the Charter School:

Board President
Highlands Community Charter School
1333 Grand Avenue #B
P.O. Box 38924
Sacramento, CA 95838

MEMORANDUM OF UNDERSTANDING
BETWEEN TWIN RIVERS UNIFIED SCHOOL DISTRICT AND
HIGHLANDS COMMUNITY CHARTER AND TECHNICAL SCHOOLS
(Highlands Community Charter School)

AMENDMENT NO. 3

This AMENDMENT NO. 3 ("AMENDMENT NO. 3") to the Memorandum of Understanding ("MOU") entered into by and between the Twin Rivers Unified School District (hereinafter, "District"), a school district organized and existing under the laws of the State of California, and Highlands Community Charter and Technical Schools (hereinafter "Corporation"), a nonprofit public benefit corporation duly organized under the laws of the State of California, operating the Highlands Community Charter School (hereinafter "HCCS"), a public charter school organized and existing under the laws of the State of California (hereinafter Corporation and HCCS collectively referred to as "Charter School"). (District and Charter School are collectively referred to herein as, the "Parties".)

WHEREAS, the Charter petition for the establishment of the Charter School ("Charter") was first authorized by the District in 2014 for a term running through June 30, 2019;

WHEREAS, the Charter School's current Charter term runs through June 30, 2027;

WHEREAS, the Parties previously entered into a Memorandum of Understanding ("MOU") to document the arrangement and agreement between the parties regarding the Charter School's program, operation, structure, and obligations. A copy of the MOU is attached hereto as "Exhibit A," and incorporated herein by reference; and

WHEREAS, pursuant to a prior amendment to the MOU entered into by and between the Parties, the term of the MOU runs through June 30, 2027, and

WHEREAS, the Parties desire to amend the MOU according to the terms of this AMENDMENT NO. 3.

The MOU is hereby amended as follows:

1. The terms of the MOU are intended by the District and Charter School to become part of the standards and procedures set forth in the Charter School's Charter approved by the District ("Charter"). Along with the Charter, this MOU will govern the relationship between the District and the Charter School regarding the operation of the Charter School. To the extent the terms of the MOU is/are inconsistent with any terms of the Charter, the MOU shall control. In addition, if the Charter is silent on an issue addressed by the MOU, the MOU shall control. As such, any violation of MOU by Charter School that also constitutes grounds for revocation per Education Code section 47607 will be treated and enforced by the District in the same manner, subject to Education Code Section 47607 and applicable implementing regulations, as it would any other violation constituting a ground for revocation.

2. Facilities.

a. *Facilities Locations*. In addition to its main campus located at 1333 Grand Avenue, Sacramento, CA 95838, the Charter School is authorized by the District to operate at the locations identified in the Facilities Site List at Exhibit "B" to this AMENDMENT NO. 3.

If Charter School seeks to establish operations at one or more additional locations(s) or move any of its existing location(s), including satellite facilities or resource centers, the Charter School must first submit a written request to the District for approval of the change(s). The written request should include relevant background information regarding the proposed change(s), including, lease agreements, budgetary documentation, and a description of the operations to be established at the location(s), in order for the District to determine whether the proposed change(s) constitutes a material revision requiring District Board approval.

If the District determines that the proposed change(s) does not constitute a material revision, the Charter School may establish operations at the proposed location(s) after receiving prior written approval by the District.

If the District determines that the proposed change(s) does constitute a material revision, then the changes(s) must be approved by the District Board of Trustees before the Charter School may commence operations at the proposed location(s). Implementation of a material revision without the prior approval of the District Board is a material violation of the Charter.

Prior to commencing operations at any new facility location, the Charter School shall obtain appropriate permits from the local public entity with jurisdiction over the issuance of such permits, including building permits, occupancy permits, fire/life safety inspections and conditional use permits, as may be required to ensure the facilities are safe for staff and students. Charter School shall provide the District with documentation demonstrating compliance with all appropriate permits and approvals needed for occupancy and invite the District to visit the Charter School site/facility for an inspection and review prior to the time the Charter School is scheduled to establish operations at the location.

b. *Facility Safety*. Charter School shall comply with Education Code Section 47610 by either utilizing facilities that are compliant with the Field Act or with the California Building Standards Code. All facilities utilized by the Charter School shall meet the requirements of the Americans with Disabilities Act and shall be approved by the local fire marshal for the use intended. The Charter School agrees to ensure sprinkler systems, fire extinguishers, and fire alarms are tested annually at its facilities by a certified third party to ensure that they are maintained in an operable condition at all times. The Charter School shall keep written records of these inspections on file for at least one (1) year after the date of the inspection and provide such records to the District upon request.

c. *Documentation*. The Charter School shall maintain documentation on file or know where to access all local approvals including applicable fire marshal clearances, certificates of occupancy, signed building permit inspections and approved zoning variances, as applicable, for each facility location. Such documentation shall be provided to the District upon request.

3. Supervisorial Oversight Fee. In consideration for the actual costs of supervisorial oversight by the District, the Charter School shall pay an amount not to exceed one percent (1 %) of the revenue of the Charter School (hereinafter, the "Oversight Fee") pursuant to Education Code section 47613. "Revenue of the Charter School" for purposes of this calculation means the amount received in the current fiscal year from the local control funding formula calculated pursuant to Section 42238.02, as implemented by Section 42238.03.

   Charter School and District agree that the "supervisorial oversight" as used in Education Code section 47613 shall include the following:

   (a) Review and revision of the MOU and any subsequent agreements to clarify and interpret the Charter and amendments to the Charter and the relationship between Charter School and the District.

   (b) All activities related to the charter renewal and material revision, and revocation processes, including any process conducted in compliance with Education Code section 47607 related to the issuance of a Notice of Violation or other corrective notice related to Charter School's operations, including document requests, hearings, notices, and investigations, and monitoring efforts to remedy operational problems identified by the District.

   (c) Activities related to monitoring the performance and compliance of Charter School with respect to the terms of its Charter, related agreements, and all applicable laws.

   (d) Review of the Charter School's annual independent fiscal and programmatic audit reports and related processes related to the Charter School's annual audit.

   (e) Completion of the following duties under Education Code section 47604.32:

      (1) Visiting Charter School at least annually.
      (2) Ensuring that Charter School complies with all reports required of charter schools by law.
      (3) Monitoring the fiscal condition of Charter School, including review of annual fiscal audit of the Charter School.
      (4) Providing timely notification to the California Department of Education if any of the following circumstances occur: Renewal of the Charter is granted or denied; the Charter is revoked; or, Charter School ceases operation for any reason.
      (5) Any review of teacher credentials pursuant to Education Code section 47605(l).
      (6) All costs incurred by the District for performance of the requirements specified in Education Code section 47607.3.
      (7) Participation in the dispute resolution process described in the Charter

4. Authority. Each person below warrants and guarantees that she/he is legally authorized to execute this Agreement on behalf of the designated entity and that such execution shall bind the designated entity to the terms of this AMENDMENT NO. 3 subject to approval/ratification by the Parties respective governing boards.

5. Subject to Ratification. This Agreement is subject to the approval/ratification of both the District's Board and the Charter School Board of Directors.

6. Counterparts. This AMENDMENT NO. 3 may be executed in counterparts and be as valid and binding as if all Parties signed the same copy. Signature of copies of this AMENDMENT NO. 3 transmitted by facsimile or electronic mail, and/or signed electronically by either/both Parties, shall have the same force and effect as signature of the original.

IN WITNESS WHEREOF, each of the Parties hereto has duly executed this AMENDMENT NO. 3 as of the dates shown below.

EXHIBIT "A"

HCCS MOU

MEMORANDUM OF UNDERSTANDING
BETWEEN THE TWIN RIVERS UNIFIED SCHOOL DISTRICT
AND
HIGHLANDS COMMUNITY CHARTER AND TECHNICAL SCHOOLS

THIS MEMORANDUM OF UNDERSTANDING (hereinafter "MOU") is made and entered into as of this 17st day of June, 2014, by and between the Twin Rivers Unified School District (hereinafter "District"), a school district organized and existing under the laws of the State of California, and Highlands Community Charter and Technical Schools ("Corporation"), a California non-profit public benefit corporation, which operates the Highlands Community Charter School ("HCCS"), a California public charter school (hereinafter Corporation and HCCS collectively referred to as "the Charter School").

WHEREAS, the District's Board of Trustees ("Board") granted the Corporation a Charter to operate HCCS at a public meeting on March 4, 2014, for a term of five (5) school years commencing on July 1, 2014 and ending on June 30, 2019, pursuant to Resolution No. 444 adopted by the Board, attached hereto as "Exhibit A;" and

WHEREAS, the District and the Charter School desire to enter into this MOU to document the arrangement and agreement between the parties regarding HCCS' funding and programs, the District's statutorily prescribed supervisory oversight of the Charter School; and

WHEREAS, the Charter School's program, operation, structure, and obligations in operating the school are set forth in the Charter, attached hereto as "Exhibit B," and incorporated herein by reference; and

NOW THEREFORE, in consideration of the promises, covenants and agreements herein set forth, the District and Charter School hereby agrees as follows:

1. Term. This MOU shall commence on July 1, 2014 and end on June 30, 2015. This MOU is subject to termination for cause, as specified in Paragraph 28, below, including revocation of the Charter as specified in Paragraph 27, below.

2. Renewal. This MOU shall be automatically renewed for an additional fiscal year commencing July 1, 2015, and on July 1 thereafter, unless written notice of intent to terminate or renegotiate is given by either party prior to May 1 in that year, preceding. In no event shall any renewal term extend beyond the maximum term of the Charter granted to the Charter School as determined by action of the Board pursuant to Education Code section 47607.

3. Designation of Charter School. The Charter School shall be responsible for all functions that relate to the educational services, management, and operation of the Charter School, subject to the terms and conditions set forth in this MOU, the Charter, the Charter Schools Act of 1992, and any other applicable federal and/or State laws. The Charter School agrees that all publications of every kind by or for the Charter School shall prominently identify the name of the Charter School as follows: "Highlands Community Charter School."

4. Charter School Authority. The Charter School, in performing its duties and obligations under this MOU and Charter, shall have the power and authority, consistent with

federal and State law and subject to other terms and conditions of this MOU to: (1) contract for goods and services with the District and/or any qualified third party; (2) prepare a budget; (3) perform personnel services not otherwise provided by the District pursuant to this MOU; (4) procure insurance; (5) lease or otherwise contract with the District or any qualified third party for the use of facilities for school purposes and the operation and maintenance thereof; (6) purchase, lease, or rent furniture, equipment and supplies; (7) accept gifts, donations or grants of any kind in accordance with such conditions prescribed by the donor as are consistent with law and are not contrary to any of the terms of this MOU; (8) perform the business administration of the school; (9) establish and conduct an educational program and curriculum for the Charter School as provided in the Charter; (10) conduct extra and co-curricular activities and programs; (11) conduct professional development for all personnel; (12) select and acquire instructional materials, equipment and supplies; (13) exercise such other powers as are provided for elsewhere in this MOU to the extent consistent with this MOU; and (14) generally, take such other actions as may be necessary and desirable to operate the Charter School.

5. Charter School Governance. The Charter School will be governed by the Corporation's Board of Directors pursuant to the Charter and its bylaws. The Charter School's Executive Director shall meet with the District's Superintendent or designee on a quarterly basis during the school year at a time to be scheduled by the District. The meeting may include, but shall not be limited to, a review of the Charter School's financial standing, enrollment trends, educational programs, API, use of District facilities, etc.

Notwithstanding any rule, regulation, Charter provision, or Corporation Bylaw to the contrary, the Corporation, its Board of Directors, and the Charter School shall at all times and in all respects, comply with the Ralph M. Brown Act, the Public Records Act, and all conflict of interests laws generally applicable to the District's Board of Trustees, including but not limited to, Government Code section 1090 *et seq.* and the Political Reform Act (Gov. Code § 81000 *et seq.*).

6. Facility. The Charter School may use space at a District facility located at 1333 Grand Avenue, Sacramento, CA 95838 (hereinafter the "Facility" or "Site") pursuant to terms and conditions set forth in a Facility Use Agreement. The Charter School shall comply with all State and federal laws regarding the use of the Site as school facilities.

7. Equipment and Materials. The Charter School may use District equipment and materials currently located at the Site pursuant to terms and conditions set forth in the Facility Use Agreement. The Charter School shall be solely responsible for purchasing any other equipment and materials necessary to operate its educational programs. The Charter School shall be solely responsible for maintaining all such equipment and/or materials in good working order and may not use such equipment and/or materials for any personal or private use. The Charter School shall mark and identify, and maintain a written inventory of all such District and Charter School equipment and materials prior to commencing operations in the 2014-15 school year. The written inventory shall be updated and provided to the District annually. The Charter School shall account for all assets obtained in its financial reports.

8. Administrative Services. The Charter School shall be solely responsible for the direct cost of the limited administrative services provided by the District to the Charter School. The Charter School shall contract with a qualified third-party vendor for all other administrative services.

9. Pupil Records. The Charter School shall at all times maintain Charter School pupil records in accordance with any pupil record system utilized by the District, or as agreed upon by the District (such agreement not to be unreasonably withheld) including but not limited to cumulative files, student work portfolios, immunization records, special education files, and/or attendance verification at the school site located within the District. Notwithstanding Education Code section 47610, the Charter School shall voluntarily agree to comply with Education Code sections 49060 through 49079. Charter School pupil records maintained by the Charter School shall be made available for inspection by the District at any time for purposes of verifying that the Charter School is in compliance with all State and federal laws, its Charter, and this MOU.

10. Fingerprint and Criminal Record Summary Services. The Charter School, at its sole cost and expense, shall obtain fingerprint, criminal record summaries and subsequent arrest information for all Charter School employees in positions requiring contact with minor children in accordance with the requirements of Education Code section 44237. The Charter School shall require all its subcontractors and vendors whose duties require contact with Charter School students to submit fingerprints in accordance with Education Code section 45125.1. The Charter School shall require all parent volunteers, who will supervise children outside of the presence of a credentialed employee, to undergo fingerprinting/background checks pursuant to Education Code sections 35021 *et seq.* The Charter School shall notify the District in writing of its compliance with this paragraph. The Charter School shall make Charter School employee and volunteer fingerprint verification information available to the District upon request.

11. Indemnity. Except for claims arising from the District's sole or separate negligence, recklessness or willful misconduct, the Charter School will defend and indemnify the District and its respective directors, officers, employees, agents, and volunteers, from and against any and all actions, suits, claims, demands, losses, costs, or liabilities that actually or allegedly arise in any manner from the Charter School's operations, failure to comply with District child find policies or have its staff trained in such child find policies to identify special needs students, or use and occupancy of the Site. The District, in turn, will defend and indemnify the Charter School and its respective directors, officers, employees, agents, and volunteers, from and against any and all actions, suits, claims, demands, losses, costs, or liabilities that actually or allegedly arise from the District's contractual or legal obligations under this MOU or its sole and separate negligence. The indemnity provisions of this MOU shall survive the expiration or termination of this MOU.

12. Insurance Coverage. The Charter School shall be responsible for obtaining and maintaining all insurance coverage as stated in the Charter.

13. Special Education Services. The Charter School shall be solely responsible for serving the Charter School's special needs students as stated in the Charter.

14. Supervisorial Oversight Fee. In consideration for the actual costs of supervisorial oversight by the District, the Charter School shall pay an amount not to exceed one percent (1%)

of the revenue of the Charter School (hereinafter, the "Oversight Fee") pursuant to Education Code section 47613. "Supervisorial oversight" for purposes of this section shall be limited to those duties listed in Education Code section 47604.32(a) through (e), only. "Revenue" for purposes of this calculation shall include the general-purpose entitlement calculated pursuant to Education Code section 47633 and the categorical block grant calculated pursuant to Education Code section 47634, and any other funding as now computed by the local control funding formula pursuant to Education Code section 42238.02 and implemented by Education Code section 42238.03, and as received by the Charter School for its programs. "Revenue" for purposes of this calculation shall not include Charter School fund-raising activities, private donations, or any other private source of income developed by the Charter School.

15. Direct Funding. The Charter School elects to receive the state aid portion of charter school general-purpose entitlement and categorical block grant funds and any other funding as now computed by the local control funding formula pursuant to Education Code section 42238.02 and implemented by Education Code section 42238.03, and as received by the Charter School for its "Adult Education" programs, directly in accordance with Education Code section 47651(a)(1). Funds for the Charter School shall be deposited directly into an account for the "Highlands Community Charter School" with the Sacramento County Office of Education ("SCOE"). The SCOE will then remit the funds to the Charter School. The District shall transfer to the Charter School funding in-lieu-of property taxes in accordance with Education Code section 47635. The School recognizes that the District shall have no responsibilities for funding the Charter School beyond that required by law.

The Charter School agrees that all funding received for the Charter School, from any and all sources, including but not limited to all funding sources set forth in the Charter or this MOU, or other agreement with the District, shall be used exclusively to operate the "Highlands Community Charter School," and shall not be used, either directly or indirectly, or by loan or gift, to fund, assist, pay for the debts of, or towards the operation of, any other school or establishment managed, controlled, or operated by the Corporation or Charter School, or operated by its members, officers, agents, servants, and employers, or for any other purpose whatsoever.

16. Payment Schedule. The Charter School shall pay the administrative services fees (¶ 8), supervisorial oversight fees (¶ 14), and all other fees in quarterly installments due, respectively, for each school year. The District shall invoice the Charter School for fees due as of September 30, December 31, March 31, and June 30, with invoices to be prepared and submitted by the District to the Charter School within thirty (30) calendar days during the year and by September 15 (when the books are closed) at the end of the year. The Charter School shall pay all invoices within fifteen (15) business days of their issuance by the District. In the event payment is not received within five (5) business days following the payment due date, and/or if such payment is returned or unpaid due to insufficient funds, the Charter School authorizes the District to deduct any such fees or payments from future apportionments or any other monies received by the SCOE and/or District for the Charter School, and the District may also elect to offset and deduct any such fees or payments from in-lieu-of property tax revenues next payable to the Charter School, in which case the District shall provide the Charter School with a detailed statement showing the amount to be deducted prior to any such offset.

17. Mandated Costs. The Charter School shall obtain its claiming number from the State Controller's Office and shall complete and file its own mandated cost reimbursement claims. Monies received from mandated cost reimbursements shall not be included in the definition of "revenue" for purposes of calculating any fee in this MOU. The District shall not charge the Charter School for any cost for which the District may claim a mandated cost.

18. Additional Funding Sources. The Charter School may also receive funding from new or "one-time" funding sources made available to schools or school districts by the State of California to the extent that the Charter School and/or its pupils establish entitlement to any such funds. In the event that such additional funds are misdirected to the District, the District agrees to pass through all such funds to the Charter School within thirty (30) days of receipt, provided that the Charter School has complied with all requirements, restrictions, and/or conditions attached to those funds by the funding source or agency, if any. The Charter School shall hold harmless the District for any repayment of any grants and/or additional funding.

19. Grants. The Charter School and the District will cooperate to identify and apply for grants that meet the mutual goals of the District and the Charter School for development of the Charter School. This provision shall not be construed to limit or otherwise prohibit the exercise of discretion by the District. The District and the Charter School shall be free to engage in other financial transactions such as loans of money and or property back and forth between the two parties, subject to approval by the District Superintendent.

20. Charter School Budget, Reports, and Audits. The Charter School shall prepare and submit to the District the following financial information regarding the Charter School:

A. On or before July 1 of each year, a preliminary budget.

B. On or before December 15, an interim financial report that reflects changes through October 31.

C. On or before March 15, a second interim financial report that reflects changes through January 31.

D. On or before September 15, a final unaudited report for the full prior year.

E. The Charter School shall be solely responsible for all costs associated with auditing and accounting services in addition to those services not provided by the District to the Charter School as set forth in this MOU.

F. The Charter School shall utilize the services of an accounting/auditing firm experienced with school and educational accounting requirements and practices.

For the reports listed under Section 23 A through C above, the Charter School shall also provide with each financial report supporting and/or back up information including but not limited to: MYP for current and two subsequent years; Assumptions used for two subsequent years; Explanation for major variances by category between reporting periods; Enrollment projection; ADA P2 projection by grade level; COLA & Deficit percentage; Calculation used for determining general purpose funding; List of statutory benefit rates; List of

H&W rates and number of participants; and Number of FTEs for certificated and classified employees for each year.

21. District Reports. The District agrees to file all reports specifically required by law to be filed with the California Department of Education or any other State or federal agency by a local educational agency on behalf of the District and/or Charter School. The Charter School shall promptly provide the District with any information, data, or documentation necessary for the District to timely file such reports in accordance with law. The Charter School shall be solely responsible for the accuracy of all data submitted to the District. The Charter School shall be responsible for filing all other reports as may be required by law.

22. Attendance Reporting, School Calendar, and Other Data. The Charter School shall provide the District with a copy of the Charter School's annual attendance calendar no later than July 1, 2014, and by July 1 of each subsequent year shall submit its annual calendar for the upcoming school year for which it is in existence. The Charter School shall maintain no less than the minimum number of instructional days and minutes required by the Education Code and/or the California Code of Regulations for each grade level served.

Subject to District approval, the Charter School shall establish and maintain an attendance reporting system to record and account for the Charter School's ADA, as defined in Title V California Code of Regulations section 11960. The Charter School will timely report ADA figures to the District as necessary to enable the school to receive the funding specified in this MOU. The Charter School shall provide the District with a monthly enrollment report no later than the 15th calendar day of the following attendance month. The Charter School shall provide all data and reports required by the District in hard copy and electronic data files. The Charter School shall submit enrollment and demographic information to the California Education Data System (CBEDS), or its successor, the California Student Information System (CSIS), to the extent and in the manner specifically required by law or regulations applicable to charter schools. Upon request, the Charter School shall provide the District with documentation of the teacher/student ratio for the Charter School.

23. Assessments and State Testing. The Charter School shall establish guidelines and expectations for all student achievement at each grade level and implement assessments that promote successful transition to a traditional school program, or to continue in the Charter School's program. The Charter School shall develop a system of assessment procedures and measurement tools that provide objective, comparable written assessments in order to determine student comprehension of State and District curricular competencies required by law.

The Charter School shall annually notify the District in writing at least thirty (30) calendar days in advance of the date and location of State testing, and the total number of State tests to be administered to Charter School pupils. The Charter School shall provide the District with individual pupil and school-wide State test results. The Charter School shall institute measures to ensure the security of all testing materials.

24. Financial Statements and Records. Upon request, the Charter School shall promptly respond to all District requests for documentation, including any financial records, pursuant to Education Code section 47604.3.

25. Compliance With Other External Source Funding Requirements. The District and Charter School shall comply with all terms and conditions of any other external source funding requirements applicable to funding received by the District on behalf of the Charter School, if any. Upon reasonable advance written request by the District, the Charter School shall provide evidence to the District that the Charter School is in compliance with all such requirements, and shall provide the District, with all reports, data, and information reasonably necessary for the District to meet any reporting, certification, or other requirements for such funding.

26. Dispute Resolution Procedure. In the event of any dispute between the Charter School and the District, excluding revocation of the Charter but including audit exceptions and deficiencies, the complaining party shall prepare a written statement of the dispute which shall be simultaneously submitted to the District Superintendent or designee, and the Charter School's Executive Director. The Executive Director and the Superintendent or designee, shall meet and confer within five (5) business days from the date of receipt of the written statement and attempt to resolve the dispute. In the event the matter is not resolved, the parties shall identify two members of their respective governing boards who shall meet with the Superintendent or designee, and the Executive Director within ten (10) business days and attempt to resolve the dispute. If this meeting fails to resolve the dispute, either party shall, within five (5) business days following the meeting, submit the matter first to the Sacramento County Superintendent of Schools. The parties agree to be bound by the County Superintendent's decision and shall indicate as such when submitting the matter to the County Superintendent. If the County Superintendent declines to hear the matter, the parties may agree to submit their dispute to a mutually agreeable mediator, for resolution in accordance with any procedure determined and prescribed by the mediator and agreed to by the parties. Review by the County Superintendent or mediator to be held no later than forty-five (45) business days of receipt of the initial dispute statement. If the parties are unable to resolve the matter before a mutually agreeable mediator, they may pursue any other remedy available at law. The cost of the mediator shall be equally split between the parties.

The Charter School shall timely notify the District of any and all complaints filed against the Charter School by its employees, students, parents, and vendors, involving violations of the Charter, this MOU, State or federal law, or alleged financial mismanagement.

27. Revocation and Closure Protocol. The District and the Charter School agree that the dispute resolution procedure set forth in Paragraph 26, above, shall not apply to any matter that could lead to revocation of the Charter. Prior to revocation of the Charter, the District shall provide the Charter School with written notice of its belief and an opportunity to meet with and respond to the District within a reasonable time, which shall be not less than five (5) business days, prior to issuing a written notice to "cure and correct," unless the District determines in writing that the violation constitutes a severe and imminent threat to the health or safety of the pupils in accordance with Education Code section 47607(d) and its implementing regulations. Thereafter, if the District determines that revocation is warranted, it shall comply with the procedures set forth in Education Code section 47607.

In the event of revocation or school closure, the Charter School shall ensure that the "Entity" identified in the Charter responsible for implementing the Charter's closure protocol shall be experienced in dissolution and closure of public educational programs and the Entity

31. Independent Contractor Status. The parties to this MOU intend that the relationship between them created by this MOU is that of an independent contractor, and not an employer/employee. The District shall deem no agent, employee, or servant of the Charter School to be an employee, agent or servant of the District, except as expressly acknowledged in writing. No agent, employee, or servant of the District shall be deemed to be an employee, agent or servant of the Charter School, except as expressly acknowledged in writing by the Charter School.

32. Construction and Enforcement. This MOU shall be construed and enforced in accordance with the laws of the State of California.

33. Entire MOU. This MOU and any attachments hereto shall constitute the full and complete agreement between the parties hereto. All prior representations and understandings regarding the Charter and Charter School are merged herein and are superseded by this MOU.

34. Amendments. This MOU may be altered, amended, changed, or modified only by agreement in writing executed by the Charter School and the District's duly authorized representative with a specific reference to the Charter, and to this MOU which it alters, amends or modifies.

35. Invalidity of Provisions of this MOU. If, for any reason, any provision hereof shall be determined to be invalid or unenforceable, the validity and effect of the other provisions hereof shall not be affected thereby.

36. Nondiscrimination. The Charter School covenants and agrees that they shall not discriminate against any person or group thereof upon the basis of the characteristics, whether actual or perceived, as listed in Education Code section 220 including but not limited to race, color, religion, gender, ancestry, physical and/or mental disability, marital status or national origin, nationality or ethnicity, sexual orientation, perceived sexual orientation, and/or association with individuals with one or more of the above characteristics in the operation of the Charter School.

37. Assignment. Neither this MOU nor the establishment or operation of the Charter School shall be assigned by the Charter School to any other person or entity without the prior written notice to and consent of the District.

38. No Waiver. No waiver of any provision of this MOU shall be deemed or shall constitute a waiver of any other provision, nor shall such waiver constitute a continuing waiver unless otherwise expressly stated.

39. Survival. All representations, warranties and indemnities made herein shall survive termination of this MOU.

40. Notices. All notices, consents, demands, or other communications for one party or the other required or permitted in this MOU shall be in writing and shall be either personally delivered or sent by a nationally recognized overnight courier, telecopier or by registered or certified U.S. mail, postage prepaid, addressed as set forth below (except that a party may, from time to time, give notice changing the address for this purpose). A notice shall be effective on

the date personally delivered, on the date delivered by a nationally recognized overnight courier, on the date set forth on the receipt of a telecopier or a facsimile, or upon the earlier of the dates set forth on the receipt of registered or certified mail, or on the fifth (5th) day after mailing.

To the Charter School:

Board President
Highlands Community Charter School
1333 Grand Avenue, #B
P.O. Box 38924
Sacramento, CA 95838
Facsimile: (916) 471-0552

To the District:

Superintendent
Twin Rivers Unified School District
5115 Dudley Blvd.
McClellan, California 95652
Facsimile: (916) 566-3586

IN WITNESS WHEREOF, the parties hereto have executed this MOU as of the date and year first above written.

RE: Notice of Concern – Facility/Location Changes and MOU Compliance
TRUSD Requests regarding HCCTS' Response Dated June 28, 2024

Dear Mr. McGuire and Board Members:

By correspondence dated June 13, 2024, the Twin Rivers Unified School District (District or TRUSD) sent the above-referenced Notice of Concern to Highlands Community Charter and Technical Schools (HCCTS), identifying several concerns related to the operations of HCCTS, which included advanced notification before closing or opening sites and an discrepancy between the current list of sites as outlined in the MOU Amendment No. 3 for both Highlands Community Charter School (HCCS) and California Innovative Career Academy (CICA).

The District specifically requested the following actions be taken:

- Comply with the terms of the MOU Amendment No. 3 (both HCCS and CICA) regarding establishment of operations at any new locations or moving existing locations, including the proposed new location at 3237 Peacekeeper Way.
- Respond to the District's concern regarding the establishment of operations at the Hillsdale and Howe Avenue locations without complying with the terms of the MOU Amendment No. 3.

Physical Address: 5115 Dudley Blvd. • McClellan, CA 95652
Mailing Address: 3222 Winona Way • North Highlands, CA 95660
(916) 566-1600 • FAX (916) 566-1784 • www.twinriversusd.org

The District's communication also outlined a concern regarding discrepancies between the MOU Amendment No. 3 site list and those listed on the HCCTS June 6, 2024, Board agenda. Additionally, the District communicated that an addendum to the current MOU Amendment No. 3 would be drafted to include the following expectations and requested that HCCTS begin notifying the District of any anticipated facility closures in the manner outlined below:

- HCCTS should notify TRUSD when it intends to close a location at the end of a school/fiscal year or otherwise. This should be done sufficiently in advance of the intended closure and before closure action is taken. (The District requests at least 30 calendar days prior notice.)
- As part of this communication to the District, HCCTS should indicate why it is closing the location and describe where (what other HCCS location) students enrolled at the site to be closed will now be housed/enrolled, and include information about how students will be accommodated at that existing site(s).
- Provide Board agenda/minutes indicating the closure(s) were approved by the HCCTS Board.

By correspondence dated June 28, 2024, HCCTS responded to our above-referenced Notice of Concern with the attached correspondence and information enclosed. Based on our review of the response and information provided, we request the following additional information/explanation be provided:

1. **Compliance with terms of the MOU**

   TRUSD Findings/Information Requests – Action Needed:

   - Although HCCTS' response indicated that the purpose of the communications on June 4, 2024, and June 5, 2024, was to comply with the terms of the current MOU, to date the District has not received a request to establish a new location at 3237 Peacekeeper Way, McClellan Park as required by the MOU Amendment No. 3 for CICA and HCCS.
   - As per the MOU Amendments for both HCCS and CICA, HCCTS needs to provide written request which includes relevant background information including lease agreements, budgetary documentation and a description of the operations to be established at the location.

2. **Hillsdale and Howe Avenue Locations**

   TRUSD Findings/Information Requests – Action Needed:

   - HCCTS indicated that they believe the addition of a suite at an approved location does not constitute a material revision to the charter. While the addition of a suite at a currently approved location may not constitute a material revision, the District reiterates the need for HCCTS to comply with the current MOU Amendment No. 3 and notify TRUSD, in writing of any proposed changes so the District is able to determine whether the proposed changes constitute a material revision. This advanced communication is absolutely necessary for the District to effetely conduct the oversight duties as outlined in the Education Code.

3. **Site List Discrepancies**

   TRUSD Findings:

   - HCCTS' reply sufficiently answers the District's concern regarding the discrepancies on the site lists. No further action on this item is requested at this time.

4. **Advanced Notification Before Site Closures**

   TRUSD Findings

   - HCCTS indicated that they will provide a 30-day written notice regarding "potential new sites and site closures". The District appreciates HCCTS willingness to implement this process which we anticipate memorializing in a further amendment to the HCCS and CICA MOUs. However, the District notes that HCCTS did not provide advanced notification before closing the sites listed below:
     - 2325 E. 12th Street, Oakland, CA 94601
     - 8484 Edes Avenue, Oakland, CA 94621

The District requests that HCCTS respond to the items listed above by no later than 5:00 PM on **September 3, 2024**. Your response should be directed to the District for my attention.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Ryan DiGiulio
Chief Business Official
Twin Rivers Unified School District

McClellan Park, CA 95652

Subject: Facility/Location Changes and MOU Compliance

Dear Ryan DiGiulio, Chief Business Official

We have prepared the following response to the notice of concern dated August 5, 2024 regarding facility and location changes and MOU compliance.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

Peacekeeper Way
On June 5, 2024 HCCTS emailed TRUSD regarding Peacekeeper Way. Peacekeeper Way was also discussed in two phone calls with subsequent written communication via email. In the email it was expressed that HCCTS' previous leases at 3144 Palm Street, Building 826, McClellan Park, CA 95652 and 5411 Luce Avenue, Unite 242, McClellan Park, CA 95652 were set to expire on June 30, 2024 without the option to renew, therefore a search was undertaken for the purpose of relocating classrooms, and 3237 Peacekeeper Way, McClellan Park, CA 95652 was selected.

Hillsdale
HCCTS first secured a lease agreement with the Hillsdale site on August 2, 2022 Hillsdale has been serving students for the past two years and continues to provide classes to students during the 2023-2024 school year. On August 1, 2023, HCCTS expanded the Hillsdale site to meet the growing need for additional office space to accommodate a dedicated marketing office, the Brain Team, CICA office, and a Student Wellness Center.

Howe Avenue
On June 30, 2017, HCCTS secured a lease agreement with the site located at 1111 Howe Avenue. Since then, our students have been attending classes there for 7 years. In 2019, 2021 and 2024, we added additional suites to expand our offices, as new space was needed for our increased number of employees and departments. *All the new suites were opened at an approved location.*

Below are the office spaces that were added:

Suite	Date	Purpose
#115	8/1/2017	Admin space
#445	04/01/2024	Student Services
#455	04/01/2024	Student Services
#505	04/01/2024	HCCS Academics
#550	04/01/2024	HCCS Classroom
#555	04/01/2024	CTE & EI Principals and

		CTE Project Coordinators
#575	04/01/2024	Student Onboarding and Records Department
#595	04/01/2024	Community Schools
#610	04/01/2024	CICA
#630	08/01/2021	CICA Admin space
#645	04/01/2024	Accountability and Assessment Department
#655	11/1/2019	HCCS Classes

HCCTS agrees to provide written notification to the District 30 days in advance of any proposed facility changes so that the District may evaluate whether any proposed actions may constitute a material revision to the charter.

Oakland Site Closures
On April 1, 2024, HCCTS provided a 30-day notice to Kathy Chao Rothberg regarding the termination of the MOUs for the locations at 2325 E. 12th Street, Oakland, CA 94601, and 8484 Edes Avenue, Oakland, CA 94621. The last effective day of this agreement was Tuesday, April 30, 2024.

HCCTS was unable to supply 30-day advance notice of the closures of the locations at 2325 E. 12th Street, Oakland, CA 94601 and 8484 Edes Avenue, Oakland, CA 94621 to TRUSD. These locations were leased on a monthly basis in partnership with Lao Family to provide services to ELD students. In the process of renegotiating the lease, Lao Family asked for a substantial increase in the lease amount. These locations had historically drawn low attendance. Consequently, it became fiscally irresponsible to continue leasing these locations.

Moving Forward 2024-2025
Highlands Community Charter School will continue to improve in the area of communication as it relates to opening and closing sites in seeking TRUSD approval. Attached you will find MOUs for Hillsdale, Howe, and sites in Oakland.

Board Meeting Agenda

Call-in Number: +1 669 900 6833
Meeting ID: 820 0260 9095

DATE & TIME: **Thursday, October 3, 2024 at 2:00 PM**
LOCATION: 1333 Grand Avenue, Building A2, Sacramento, CA 95838

A. CALL TO ORDER AND ROLL CALL

B. ADOPTION OF THE AGENDA

C. FLAG SALUTE

D. HEARING OF PARTIES DESIRING TO ADDRESS THE BOARD

Anyone may address the Board regarding any item within the Board's subject matter jurisdiction. At this point on the agenda, an opportunity is provided for any individual or representative of a group to make statements to the Board regarding any item not listed on the agenda. These presentations are limited to 3 minutes, and the allotted time will not exceed (30) thirty minutes.

E. ACTION ITEMS

1. Contract Approval
   Request the Board to approve contracts over $100,000. The Executive

Director recommends approval.

2. 2024-25 HCCTS Employee Handbook
Request the Board to approve the 2024-25 Employee Handbook. The Executive Director recommends approval.

3. 2024-25 HCCTS Locations Approval
Request the Board to approve the 2024-25 HCCTS Locations. The Executive Director recommends approval.

Supporting documentation was added on October 1, 2024.

F. CONSENT AGENDA ITEMS

All matters listed under the consent agenda are considered by the Board to be routine and will be approved/enacted by the Board in one motion in the form listed below. Unless specifically requested by a Board member for further discussion or to be removed from the agenda, there will be no discussion of these items prior to the Board voting on them. The Executive Director recommends approval of all consent agenda items.

Supporting documentation will be added before the board meeting.

1. Adoption of Minutes
Copies of the minutes of each regular or special meeting of the Board of Directors shall be distributed to Board members with the agenda for the next regular meeting, or as soon as reasonably possible.

Regular Board Meeting Minutes - September 19, 2024

Board Retreat Minutes - August 24, 2024 - Added on October 1, 2024.

2. Adoption of Job Descriptions
The Executive Director has reviewed and recommended the following job descriptions for approval.

Chief Business Official

Alumni External Relations Specialist - Added on October 1, 2024

3. Approval of 2024-25 Leases
Approve the leases for FY 2024-25 over the amount of $250,000.

3237 Peacekeeper Way, McClellan, California 95652

4. Approval of LCAP Changes

Approve the changes as recommended by SCOE and TRUSD.

Supporting documentation was added on October 1, 2024.

5. Adoption of Board Policies
The first reading of these policies was presented to the Board at the previous board meeting.

5144.1 BP Suspension and Expulsion

5125 BP Student Records

6158 BP Independent Study

6. Removal of Board Policies
The first reading of these policies was presented to the Board at the previous board meeting.

5111.1 BP Attendance Jurisdiction

G. FIRST READING OF NEW AND REVISED BOARD POLICIES

The first reading of new and revised board policies is a discussion item only. These policies will be brought back at a later meeting for Board action.

3516 BP School Safety - Emergency Preparedness

6000 BP Instruction: Aims, Concepts, and Roles

4112.9 BP Employee Notifications

4119.23 BP Unauthorized Release of Confidential/ Privileged Information

9270 BP Conflict of Interest Code - Added on October 2, 2024

Bylaws revision as it pertains to the Conflict of Interest Code - Added on October 2, 2024

H. INFORMATION FOR DISCUSSION

1. Employee Benefits Renewal
Adam Miller and Katie Call with HUB will present the 2025 Employee Benefits Renewal package to the Board.

2. Workforce Solutions Update
Director of Workforce Solutions Lars Jorgensen will provide the Board with an update on workforce solutions.

Supporting documentation was added on October 2, 2024.

3. School Safety Plan for Grand Avenue

Safety Generalists Andrew Correa and Tony Torres will present the School Safety Plan for Grand Avenue.

I. BOARD COMMENTS

J. OPPORTUNITY FOR THE PUBLIC TO ADDRESS THE BOARD ON CLOSED SESSION ITEMS

Anyone may address the Board regarding any item on the agenda prior to the Closed Session. Interested persons must submit a request, which is available in card form, before the commencement of the Board Meeting. These presentations are limited to 3 minutes.

K. CLOSED SESSION

1. Conference With Legal Counsel - Anticipated Litigation (Gov. Code Section 54956.9(d)(2).)([1 matter])
2. Public Employee Performance Evaluation (Gov. Code Section 54957(b)(1).)(Executive Director)

L. ANNOUNCEMENT OF ACTION(S) TAKEN DURING CLOSED SESSION

M. NEXT MEETING : October 17, 2024 at 2:00 pm

N. ADJOURNMENT

Note: If you need a disability-related modification or accommodation, including auxiliary aids or services, to participate in the public meeting, please contact the Executive Director at least 24 hours before the scheduled board meeting, [Govt. Code §54954.2] [Americans with Disabilities Act of 1990, §202.] The Executive Director can be reached at (916) 844-2283. If you need a copy of the agenda or any attachments, please contact Natasha Lutsik at (916) 844-2283 or via email at natasha.lutsik@hccts.org.

"IT'S NEVER TOO LATE..."
2024 - 2025
HCCTS Locations Approval
HIGHLANDS
COMMUNITY CHARTER AND TECHNICAL SCHOOLS

Identify Stakeholders for New Site

- A current partner
- Property Managers
- DHA or SETA
- Community Leaders
- Student or staff voice

How Does a Site Qualify for Expansion?

- Use Academic team and enrollment numbers to determine additional space needed
- Classroom sizes are near capacity
- Increase in overall site enrollment
- School ancillary programs are needed
- Use data to establish enrollment growth quarterly
- Track enrollment and attendance trends during the year
- Look for areas of growth with refugee settlement
- Use our partners for settlement information

Where To Open a New Site

- Contact current partners for input
- Student and staff input
- Overcrowding at current site
- Contact Community Leaders
- Partner with new community programs
- Use splatter maps to determine where our students reside

Site Opening Process

- Determine: square footage needed, academic needs (expected # of students and staffing), site safety, parking, ancillary programs, classrooms, office space, site condition including HVAC, electrical, plumbing, flooring and tenant improvements if needed.
- Legal qualifications assessed for a new school site (Fire, Occupancy, Zoning, Permitting, Ca. Ed Code, etc.)
- Approved by HCCTS Board of Directors then notify TRUSD of intent
- Facilities team tour to determine site needs
- Facilities team to introduce timeline for estimated opening date after receiving HCCTS Board of Directors approval and TRUSD approval
    a. Week 1 - assessment, scope of work identified, contract negotiation
    b. Week 2 - tenant improvements start, all departments begin prep, ordering of all equipment, furniture, signs etc.
    c. Week 3,4 - confirmation of tenant improvements completed, all departments completion of work, furnish site
    d. Week 4,5 - Open site

Site Opening Process

- Contract negotiation
- Contract start date (taking into consideration for Tenant Improvements)
- Secure: supplies, furniture, IT equipment, marketing, custodial needs, custodial service, security
- Estimate site budget including lease costs, staffing, utilities ,custodial and security
- If a site needs minimal tenant improvements (paint, floor etc.) it can be available for class in 2-5 weeks. With extensive tenant improvements it may take several months to open

Adding Additional Space at a Current Site

- Facilities team to meet and discuss needs for adding space including all legal qualifications
- Approved by HCCTS Board Of Directors then notify TRUSD of intent
- Identify tenant improvements if needed
- Contract negotiation
- Facilities Team introduced to needs
- Create a timeline for estimated opening date
- Ordering: supplies, furniture, IT equipment, marketing, custodial needs, custodial service, security
- Estimated budget for monthly and yearly costs: including lease, staffing, utilities , custodial, security, etc.
- With space being in an existing site, we anticipate opening within 2-5 weeks.

Determine Reason for Site Closing

- HCCTS, current partner or site owner failure to renew lease
- Current Partner or HCCTS uses 30 day out
- Structure is in disrepair
- Facility condition
- Consolidation of sites
- Fiscal constraints
- Enrollment/ADA in decline
- Cost is not consistent with appraisal comps
- Lease increase

Site Closing Process

- Contact all stakeholders of intentions
- Approved by HCCTS Board Of Directors then notify TRUSD of intent
- Leadership will confer with Facilities Director for closure date
- Notice of closure sent to property owner
- Facilities Team Director coordinates closing with all departments including, IT, maintenance, marketing, safety, academics, finance, SORS, custodial and warehousing
- Facilities walkthrough when vacated

RE: Notice of Concern/Request for Information
10/3/24 HCCTS Board Presentation - Site Location Discrepancies

Dear. Mr. McGuire:

As the authorizing entity for the Highlands Community Charter School ("HCCS" or "Charter School") and California Innovative Career Academy (CICA) operated by Highlands Community Charter and Technical Schools ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS' compliance with its approved Charter, the Memorandum of Understanding between the District and HCCS regarding the Charter School's operations and oversight, and laws applicable to the Charter School's operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

During the October 3, 2024, HCCTS Board meeting a presentation entitled "2024-25 HCCTS Locations Approval" was given. The PowerPoint presentation (see enclosure) included multiple site/location discrepancies from the approved sites listed in MOU Amendment No. 3 for CICA and HCCS.

Specifically, on slides 11 and 12 of the PowerPoint, HCCTS included a total of six (6) locations which CICA is currently operating without District approval. According to the MOU Amendment No. 3, these six locations were designated for HCCS only. Through enrollment reports, HCCTS has indicated that all six of these sites have had enrolled students since as far back as July 2024.

Additionally, on slide 13 of the aforementioned presentation, HCCTS included three (3) CTE locations that are not included in the current MOU Amendment No. 3. The District was not aware of these CTE locations.

At the beginning of the presentation, you stated that this item was "…an attempt to re-approve and ensure that we're disclosing every location that we are at…". The District is alarmed at this statement, as it alludes to the potential that HCCTS is operating at sites that have not been disclosed and/or approved by the District.

When discussing Slide 11, entitled "CICA", the presenter stated, "This slide represents our current charter-wide sites that we currently hold." Of the sites listed on this slide, three (3) have been approved for HCCS in the MOU Amendment No. 3, not CICA. A cross-reference of these three sites with HCCTS enrollment reports reveals that CICA has enrolled students at all three of these HCCS locations:

1. Del Paso 2, 3730 Marysville Blvd, Sacramento, CA 95838
    a. Enrollment reports reflect 16 CICA students enrolled in July 2024, and 15 CICA students enrolled in August and September 2024.
2. Fair Oaks 2, 6110 Fair Oaks Blvd, Unit A, Carmichael, CA 95608
    a. Enrollment reports reflect 1 CICA student enrolled in July 2024, and 15 CICA students enrolled in August and September 2024.
3. SHRA – Marina Vista, 30 Seavey Circle, Sacramento, CA 95818
    a. Enrollment reports reflect 19 CICA students enrolled in August 2024 and 22 CICA students enrolled in September 2024.

Slide 12 of the presentation, entitled "HCCS & CICA Shared Sites" included an additional three locations, which were approved for HCCS in the MOU Amendment No. 3, not CICA. A cross-reference of these three sites with HCCTS enrollment reports reveals that CICA has enrolled students at all three of these HCCS locations:

1. Auburn 2, 7817 Old Auburn Road, Citrus Heights, CA 95610
    a. As a note, the site at this address is titled "Old Auburn" in the MOU Amendment No. 3.
    b. Enrollment reports reflect 16 CICA students enrolled in July 2024, 30 CICA students enrolled in August 2024, and 34 CICA students enrolled in September 2024.
2. Norwood, 431 Hayes Avenue, Sacramento, CA 95838
    a. Enrollment reports reflect 25 CICA student enrolled in July 2024, 29 CICA students enrolled in August 2024, and 28 CICA students enrolled in September 2024.
3. Oak Park, 2520 33rd St, Sacramento, CA 95817
    a. Enrollment reports reflect 113 CICA students enrolled in July 2024, 202 CICA students enrolled in August 2024, and 218 CICA students enrolled in September 2024.

Slide 13 of the presentation, entitled "CTE Programs" included an additional three locations that are not listed in the MOU Amendment No. 3 and for which the District has no knowledge. A cross-reference of these three sites with HCCTS enrollment reports also revealed that HCCTS has enrolled students at two of the three locations.

1. Mixed Institute, 5950 Florin Rd., Unit 103, Sacramento, CA 95823
    a. Enrollment reports reflect 6 CICA student enrolled in July, August and September 2024. The reports also indicate that there were 2 HCCS students enrolled in July

2024, 5 HCCS student in August 2024, and 4 HCCS students enrolled in September 2024.

2. Federico, 1515 Sports Drive, Sacramento, CA 95834
    a. Enrollment reports reflect 4 CICA student enrolled in July 2024, and 2 CICA students enrolled in August and September 2024. The reports also indicate that there were 9 HCCS students enrolled in July 2024, and 12 HCCS student in August and September 2024.
3. Unitek, 4330 Watt Ave, Sacramento CA
    a. No student enrollments reported.

Additionally, on September 17, 2024 and again on October 1, 2024, Sharilyn Warta from the District emailed Melissa Roberson at HCCTS requesting clarification regarding discrepancies between the 2023-24 and 2024-25 enrollment reports and the sites that were listed in the reports. While Ms. Roberson has indicated that she will follow-up with us about this, the District is including that request as part of this Notice of Concern/Request for information.

1. **CICA Sites from 10/3/24 Board Presentation (Slides #11 & 12)**

Action Needed:

- Explain the discrepancies between the CICA sites listed in the MOU Amendment No 3 and the six (6) locations that HCCTS stated are currently being used for CICA. Include in your explanation the reason(s) that HCCTS enrolled CICA students at these locations without a material revision request or advanced notification to the District of this material change to the charter.

2. **CTE Programs from 10/3/24 Board Presentation (Slide #13)**

Action Needed:

- Explain the discrepancies between the sites listed in the MOU Amendment No 3 and the three (3) locations that HCCTS stated are currently being used for CTE. Include in your explanation the reason(s) that HCCTS is operating at locations that are not listed in the MOU Amendment No. 3 and for which the District has no knowledge.

3. **Enrollment Reports**

Action Needed:

- Explain the discrepancies between the sites listed in the 2023-24 and 2024-25 enrollment reports and the approved sites listed in the MOU Amendment No 3.
- Provide a list of addresses for each site listed in the enrollment reports.
- Submit an updated enrollment report for CICA for the 2023-24 school year and include a breakdown by site.

The District requests that HCCTS respond to the items listed above by no later than 5:00 PM on November 14, 2024. Your response should be directed to the District for my attention.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Ryan DiGiulio
Chief Business Official, Twin Rivers Unified School District

Board Meeting Minutes

DATE & TIME: **Thursday, October 17, 2024 at 2:00 PM**
LOCATION: 1333 Grand Avenue, Building A2, Sacramento, CA 95838

Page

A. CALL TO ORDER AND ROLL CALL

Corporate President Ernie Daniels called the meeting to order at 2:00 pm.

Present: Ernie Daniels, Sharon Rocco, Matt Powers, Mellonie Yang, Mary DeChance, Mike Reid

Absent: Sonja Cameron, Rickey Jones

B. ADOPTION OF THE AGENDA

A motion was made to adopt the agenda and to move the second consent agenda item to action item #4.

Moved by: Mike Reid
Seconded by: Mary DeChance

Aye Ernie Daniels, Sharon Rocco, Matt Powers,

Mellonie Yang, Mary DeChance, and Mike Reid

Carried 6-0

C. FLAG SALUTE

Led by Mary DeChance.

D. HEARING OF PARTIES DESIRING TO ADDRESS THE BOARD

There were no comments addressed to the Board.

E. ACTION ITEMS

1. **Contract Approval** 6

A motion was made to approve the RPC and Create Neptune contracts. 6

Moved by: Mike Reid
Seconded by: Sharon Rocco

Aye	Ernie Daniels, Sharon Rocco, Matt Powers, Mellonie Yang, Mary DeChance, and Mike Reid

Carried 6-0

2. **2024-25 Salary Schedule** 7 - 10

No motion was made. 7 - 10

Aye	Ernie Daniels, Sharon Rocco, Mellonie Yang, Mary DeChance, and Mike Reid
Abstain	Matt Powers

Void 5-0

3. **Revision of Bylaws** 11

A motion was made to approve the revision of Bylaws as it pertains to the Conflict of Interest Code. 11

Moved by: Mike Reid

Seconded by: Mellonie Yang

Aye Ernie Daniels, Sharon Rocco, Matt Powers, Mellonie Yang, Mary DeChance, and Mike Reid

Carried 6-0

4. Adoption of Job Descriptions 12 - 13

DASS Coordinator

A motion was made to adopt the job description. 12 - 13

Moved by: Mike Reid
Seconded by: Mary DeChance

Aye Ernie Daniels, Sharon Rocco, Matt Powers, Mellonie Yang, Mary DeChance, and Mike Reid

Carried 6-0

F. CONSENT AGENDA ITEMS

The Board approved the consent agenda items.

A motion was made to approve the consent agenda.

Moved by: Matt Powers
Seconded by: Ernie Daniels

Aye Ernie Daniels, Sharon Rocco, Matt Powers, Mellonie Yang, Mary DeChance, and Mike Reid

Carried 6-0

1. Adoption of Minutes 14 - 18

Regular Board Meeting - Oct 03 2024 - Minutes - Html -
Added on October 16, 2024.

2. Adoption of Board Policies 19 - 29

5145.71 BP Title IX Sex Discrimination and Sex-Based Harassment Complaint Procedures

H. INFORMATION FOR DISCUSSION

1. **Enrollment Update** 71 - 77
Chief Business Official (CBO) Matthew Lemos provided the Board with an update on the Census Day Enrollment Report.

2. **HR Update** 78 - 90
Director of HR Jasmine Gibbs presented an HR update to the Board.

3. **WASC Update** 91 - 99
Director of Accountability & Assessment Melissa Roberson updated the Board with a WASC update.

4. **CTE Update** 100 - 131
Director of CTE Lee Farrand provided the Board with a CTE

report.

5. 2025 Board Meeting Calendar

   The Board discussed the changes they would like to propose for the 2025 Board Meeting Calendar.

6. **Organizational Chart Update** 132 - 138

   Deputy Directors and CBO provided the Board with an update on the organizational chart.

I. BOARD COMMENTS

The Board concluded by expressing appreciation for all the presentations. Board President Ernie Daniels highlighted Mellanie Yang for her hard work and dedication.

J. OPPORTUNITY FOR THE PUBLIC TO ADDRESS THE BOARD ON CLOSED SESSION ITEMS

No public comments were made regarding the closed session.

K. CLOSED SESSION

Corporate President Ernie Daniels recessed the open session at 3:47 PM.

1. Conference With Legal Counsel - Anticipated Litigation (Gov. Code Section 54956.9(d)(2).)([1 matter])

L. ANNOUNCEMENT OF ACTION(S) TAKEN DURING CLOSED SESSION

Corporate President Ernie Daniels announced at 4:30 PM that no action was taken during the closed session.

M. NEXT MEETING: November 7, 2024 at 2:00 pm

N. ADJOURNMENT

The Board meeting was adjourned at 4:30 pm.

Ernie Daniels

Board Chair

Meeting ID: 865 7344 7851

DATE & TIME: **Thursday, November 7, 2024 at 2:00 PM**
LOCATION: 1333 Grand Avenue, Building A2, Sacramento, CA 95838

A. CALL TO ORDER AND ROLL CALL

B. ADOPTION OF THE AGENDA

C. FLAG SALUTE

D. HEARING OF PARTIES DESIRING TO ADDRESS THE BOARD

Anyone may address the Board regarding any item within the Board's subject matter jurisdiction. At this point on the agenda, an opportunity is provided for any individual or representative of a group to make statements to the Board regarding any item not listed on the agenda. These presentations are limited to 3 minutes, and the allotted time will not exceed (30) thirty minutes.

E. ACTION ITEMS

1. Contract Approval
   Request the Board to approve contracts over $100,000. The Executive

Director recommends approval. Updated on November 6, 2024.

2. 2024-25 Salary Schedule
Request the Board to approve the 2024-25 Salary Schedule. The Executive Director recommends approval.

F. CONSENT AGENDA ITEMS

All matters listed under the consent agenda are considered by the Board to be routine and will be approved/enacted by the Board in one motion in the form listed below. Unless specifically requested by a Board member for further discussion or to be removed from the agenda, there will be no discussion of these items prior to the Board voting on them. The Executive Director recommends approval of all consent agenda items.

1. Adoption of Minutes
Copies of the minutes of each regular or special meeting of the Board of Directors shall be distributed to Board members with the agenda for the next regular meeting, or as soon as reasonably possible.

Regular Board Meeting - Oct 17 2024 - Minutes - Html

2. Adoption/Elimination of Job Descriptions
The Executive Director has reviewed and recommended the following job descriptions for approval.

Chief of Staff - Remove

Compliance Officer - Remove

Senior Director of Alumni Relations - Remove

3. Adoption of Board Policies
The first reading of these policies was presented to the Board at the previous board meeting.

4119.12 BP Title IX Sex Discrimination and Sex-Based Harassment Complaint Procedures

Report Suspicious

Hi Shari,

We will work on this and get back to you as soon as possible.

Thank you,
Melissa

On Tue, Sep 17, 2024, 4:00 PM Sharilyn.Warta <Sharilyn.Warta@trusd.net> wrote:

> Good Afternoon,
>
> I had a nice weekend. I hope you got some time off to enjoy the lovely weather.
>
> Thank you for sending the Enrollment Reports. We are having difficulty identifying some of the sites because names on the enrollment reports are different than the names provided to us in the MOU and updated site list.
>
> I saved the monthly reports you sent and the 24-25 site list in a single document and attached it. Each tab has a column titled TRUSD notes, which require further clarification. For example:
>
> - The CICA tabs list "Asher" as one of the sites with enrollments, but according to the MOU and the most recent site list CICA does not have any programs at the Asher site.
> - On multiple tabs, "Federico" is listed, but we do not have any record of a site by that name.
> - On multiple tabs enrollment is listed as "Mixed", but we need to know which sites.
> - On the Master Site list tab there are several sites without any students enrolled, but we had information that classes had started.

Requested Action:

- If possible, please provide the enrollment reports from the attendance tracking application instead of excel format. The reports should include the site's name instead.

Required Action:

- Provide us with clarification for each of the TRUSD notes included in the attached workbook.
- Be sure to use the names of each site as they were provided to us in the MOU and Site List. This should clear up any confusion in the future.
- Finally, please provide us with the address to the "Federico" site so we can cross reference it with our current list of sites.

Please do not hesitate to contact me if you have any questions. We are requesting a timely response on or before **October 25, 2024.**

Thank you.

Subject: Request for Information - Enrollment Reports Response from September 19, 2024

Dear Ms. Warta,

We have prepared the following response to the request for information regarding the enrollment reports dated September 19, 2024. It also includes clarifications about the TRUSD notes.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

Clarification for TRUSD notes

On July 1, 2024, we expanded our contract with Charter Impact. HCCTS is working with Charter Impact to improve our enrollment, attendance, and data tracking system. As part of this process, several site names have been changed to include the name of the street on which the sites are located.

On October 18, 2024, HCCTS provided TRUSD with the updated site list for 2024-2025 year. On the list is a section named "External CTE Site List" which includes all of our partnerships with external programs.

The following external CTE programs are partner sites only: Asher, Mixed, and Federico. Both Highlands and CICA students have access to these partner programs.

Site Name/ Address	Notes
Asher 1215 Howe Ave., Sacramento, CA 95834	External CTE site serves both HCCS and CICA
Auburn Blv. 4441 Auburn Blvd, Sacramento, CA 95841	Previously Auburn
Old Auburn 7817 Old Auburn Road, Citrus Heights, CA 95610	Previously Auburn 2
CapMall 555 Capitol Mall, Sacramento, CA 95814	Capitol Mall serves both HCCS and CICA as part of the Equity Initiative program
Las Palmas Ave. 1100 Las Palmas Avenue, Sacramento, CA 95815	Previously Del Paso (Calvary Christian), serves both HCCS and CICA
Marysville Blvd. 3730 Marysville Blvd., Sacramento, CA 95838	Previously Del Paso 2 This is a CICA site
Fair Oaks 2 6110 Fair Oaks Blvd, Carmichael, CA 95608	Closing location This location served HCCS and CICA
Federico	External CTE Partner Site. This site

1515 Sports Drive, Sacramento, CA 95834	serves both HCCS and CICA
Florin Rd. 3801 Florin Road, Sacramento, CA 95823	Previously Florin
Folsom 2 9555 Folsom Blvd, Sacramento, CA 95827	Relocating Location This site served both HCCS and CICA
Howe Ave 1111 Howe Avenue, Sacramento, CA 95825	Previously Howe Avenue
Industrial Pkwy 8180 Industrial Pkwy, Sacramento, CA 95824	Previously Industrial
Jackson Rd. 9880 Jackson Road, Sacramento, CA 95827	Previously Jackson (Bethany)
Grand Ave. 1333 Grand Avenue, Sacramento, CA 95838	Previously Main Campus
Marconi Ave. 3727 Marconi Ave, Sacramento, CA 95821	This site is closed. We no longer have students enrolled at this site
C St. 715 C Street, Marysville, CA 95901	Previously Marysville
MIXED CTE 5950 Florin Rd., Sacramento, CA 95823	External CTE Partner Site. This site serves both HCCS and CICA
Hayes Ave. 431 Hayes Avenue, Sacramento, CA 95838	Previously Norwood This site serves both HCCS and CICA
33rd St. 2520 33rd St, Sacramento, CA 95817	Previously Oak Park This site serves both HCCS and CICA

Rosemont (Women's Shelter, address withheld)	No Change
College Oak Dr. 4541 College Oak Drive, Sacramento, CA 95841	(Previously SALAM) College Oak Dr. is no longer a CICA site
SHRA 30 Seavey Circle, Sacramento, CA 95818	Seavey Circle (Previously SHRA – Marina Vista) External CTE site. This site serves both HCCS and CICA
Todhunter Ave. 800 Todhunter Avenue, West Sacramento, CA 95605	Previously West Sac

HCCTS Board of Directors received a new Board Policy on Opening and Closing sites as a 1st reading on November 7, 2024. This Policy is set for final approval on December 5, 2024, and is attached.

HIGHLANDS
COMMUNITY CHARTER AND TECHNICAL SCHOOLS

7150.5 BP School Site Opening and Closure Policy

Board Policy

Highlands Community Charter and Technical Schools (HCCTS) establishes this policy to guide the opening and closure of school sites, ensuring that these decisions are made responsibly, transparently, and in compliance with applicable laws. This policy provides criteria and procedures for both opening and closing school sites.

Purpose

To outline the standards and steps for evaluating and implementing the opening and closure of HCCTS school sites, prioritizing the educational needs of students, staff well-being, community impact, and operational stability.

Scope

This policy applies to all school sites operated by HCCTS and authorized by the Twin Rivers Unified School District (TRUSD).

Criteria for Site Opening

HCCTS may consider opening a new school site under the following conditions:

- **Community Demand**: The identified need within the community for adult education services, supported by demographic data or community requests.
- **Strategic Alignment**: The new site aligns with HCCTS' mission and goals to expand access to high-quality education for adult learners.
- **Financial Feasibility**: Sufficient funding and resources are available to establish and operate the site sustainably.
- **Facility Suitability**: The potential site meets the safety, accessibility, and compliance standards required for educational facilities.
- **Workforce Readiness**: Availability of qualified staff to support educational and operational needs at the new site.

Criteria for Site Closure

HCCTS may consider closing a school site under one or more of the following conditions:

- **Enrollment Decline**: Persistent decline of at least 20% in enrollment over three consecutive years.
- **Fiscal Constraints**: Inability to meet financial obligations associated with the site.

- **Facility Condition**: Structural issues or safety hazards that impair the ability to operate safely.
- **Educational Adequacy**: Limitations in space or resources that prevent maintaining educational standards.
- **Community Needs**: Demographic changes leading to low site utilization.
- **Property Agreement**: Expiration of lease or property agreements that cannot be renewed.

Facilities Locations

If Charter School seeks to establish operations at one or more additional location(s) or move any of its existing location(s), including satellite facilities or resource centers, the Charter School must first submit a written request to the District for approval of the change(s). The written request should include relevant background information regarding the proposed change(s), including, lease agreements, budgetary documentation, and a description of the operations to be established at the location(s), in order for the District to determine whether the proposed change(s) constitutes a material revision requiring District Board approval.

Compliance

This policy will adhere to relevant legal requirements, including:

- California Education Code: Adherence to state guidelines for school site operations.
- TRUSD and HCCTS Policies: Alignment with district and school standards for site management.
- Charter School Law: Compliance with charter-specific regulations, including required notifications and transition processes.
- HCCTS will provide TRUSD with a Notice of New, Closed, or Combined Site within 10 working days after HCCTS Board approval.
- Combining or replacing sites would not constitute a material revision to the charter petition.

Approved:

Subject: Notice of Concern/Request for Information - HCCTS Board Presentation held on October 3, 2024 - Site Location Discrepancies

Dear Mr. DiGiulio,

On October 16, 2024, HCCTS received a notice of concern and request for information regarding the site locations presented to the HCCTS Board of Directors held on October 3, 2024. We have prepared the following letter in response to the notice of concern.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

HCCTS Board Meeting
On October 3, 2024, HCCTS Associate Deputy Director Christina Martinez presented to the HCCTS Board of Directors an HCCTS Locations Approval presentation, which included sites and locations for Highlands and CICA. Within the presentation there were errors. In response to the errors, the sites were presented to the HCCTS board of directors on October 17, 2024, for approval once again.

HCCTS Locations
Attached is an updated site list for HCCS & CICA. We acknowledge that sites, naming conventions, openings, and closings have been the source of confusion and we are working to improve the communication with TRUSD regarding all sites in the future.

RE: Notice of Concern/Request for Information 10/3/24 Board Presentation - Site Location Discrepancies, TRUSD Reply to HCCTS Response dated 11/14/24

Dear. Mr. McGuire:

As the authorizing entity for the Highlands Community Charter School ("HCCS" or "Charter School") and California Innovative Career Academy (CICA) operated by Highlands Community Charter and Technical Schools ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS' compliance with its approved Charter, the Memorandum of Understanding between the District and HCCS regarding the Charter School's operations and oversight, and laws applicable to the Charter School's operation.

On October 3, 2024 the District sent a Notice of Concern/Request for Information regarding the October 3, 2024, HCCTS Board meeting a presentation entitled "2024-25 HCCTS Locations Approval". HCCTS responded to the District Notice on November 14, 2024

The District requests additional information in order to make a determination on the site list discrepancies outlined in the above-mentioned Notice.

In the November 14 letter HCCTS classified five CTE sites for HCCS and CICA as "Internal" CTE Sites and five as "External" CTE sites. The District is seeking information and a response regarding the new classification of "internal" and "external". Additionally, the District requires a response from HCCTS regarding these changes being made without complying with the current terms of the MOU Amendment No. 3, which states "*If the Charter School seeks to establish operations at one or more additional locations(s) or move any of its existing location(s), including satellite facilities or resource centers, the Charter School must first submit a written request to the District for approval of the change(s). The written request should include relevant background information regarding the*

Physical Address: 5115 Dudley Blvd. • McClellan, CA 95652
Mailing Address: 3222 Winona Way • North Highlands, CA 95660
(916) 566-1600 • FAX (916) 566-1784 • www.trusd.net

proposed change(s), including, lease agreements, budgetary documentation, and a description of the operations to be established at the location(s), in order for the District to determine whether the proposed change(s) constitutes a material revision requiring District Board approval."

1. **New Classification of "Internal" and "External" Sites**

   Action Needed:

   - Provide additional information about each "internal" and "external" location including:
     - The name of the partner
     - The number of students served
     - What part of the program occurs at each location
     - The first date that students were served (by program and location)
     - Copies of all agreements between HCCTS and the "partner".

2. **Violation of MOU Terms**

   Action Needed:

   - A response regarding the implementation of location changes without complying to the current terms of the MOU Amendment No. 3.

Within 10 calendar days from the date of this letter, please outline a timeline for when HCCTS expects to provide the information and records responsive tot his request. Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items.

Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Ryan DiGiulio
Chief Business Official, Twin Rivers Unified School District

Subject: NOC/RFI - 10/3/24 Board Presentation - Site Location Discrepancies, TRUSD Reply to HCCTS Response dated 11/14/24

Dear Mr. DiGiulio,

On January 22, 2025, HCCTS received a follow-up request for information regarding CTE internal and external programs. In response, we prepared the following letter.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

HCCTS has two types of CTE sites:

- Internal CTE sites (without a partner)
- External CTE sites (with a partner)

All internal and external CTE programs are available to HCCS and CICA students.

Internal CTE
Internal CTE programs are developed and managed directly by HCCTS and our employees to meet the specific needs and goals of our students.

Internal CTE	**The first date the students were served**	***Number of HCCTS students served**
Digital Navigator 1333 Grand Avenue, Sacramento, CA 95838	09/01/2020	6369
Early Childhood Education 1333 Grand Avenue, Sacramento, CA 95838	02/20/2016	218
Group Fitness Instructor 1333 Grand Avenue, Sacramento, CA 95838	01/01/2018	168
Personal Finance 1333 Grand Avenue, Sacramento, CA 95838	09/19/2022	486

Sports Officiating 1100 Las Palmas Avenue, Sacramento, CA 95815	09/19/2022	38
Truck Driving 8180 Industrial Pkwy, Sacramento, CA 95824	08/16/2014	573
Welding 1333 Grand Avenue, Sacramento, CA 95838	07/17/2023	38
Culinary 2520 33rd St, Sacramento, CA 95817	03/04/2024	29
MC3 (Construction) 1333 Grand Avenue, Sacramento, CA 95838	09/16/2021	68

*This figure includes all students at HCCS and CICA students who have been served since the program started.

External CTE
External CTE programs are developed by outside entities with a curriculum they already created, and was designed for their own students. HCCTS partners with these organizations to provide our students with additional opportunities for success. The external programs are outlined below.

External CTE And Address	Partner Name	The first date the students were served	*Number of HCCTS students served
Unitek 4330 Watt Ave., Sacramento, CA 95660	Unitek College, LLC	07/28/2023	98
Mixed 5950 Florin Rd., Sacramento, CA 95823	Mixed Institute of Cosmetology & Barber	08/16/2021	68
Federico 1515 Sports Drive, Sacramento 95834	Federico Beauty Institute	01/13/2023	58
Asher 1215 Howe Ave., Sacramento, CA 95834	Asher College	01/01/2020	625
**Advance Beauty College 10121 Westminster Ave., Garden Grove, CA 92843	Advance Beauty College, Inc.	02/23/2023	46

*This figure includes all students at HCCS and CICA who have been served since the CTE program started.

**Located in Southern California and is accessible to students in person in the LA region

On October 21, 2024, I sent TRUSD the 2024-2025 updated site list. This was a comprehensive list of all HCCTS sites including internal and external CTE sites.

HCCTS is in the process of reviewing the HCCS & CICA charter petitions and is continuing to work on the process of drafting the material revision for the HCCTS locations. HCCTS is committed to adhering to the TRUSD/ HCCTS MOU Amendment No. 3 executed on January 11, 2024.

Attached are copies of the agreements between HCCTS and the CTE partners and the 2024-2025 updated site list.

Subject: Notice of Material Revision

Dear Ryan DiGiulio,

On October 17, 2024, the HCCTS Board of Directors approved the revised SY 2024-2025 site list. The approved locations have been renamed and reorganized to better demonstrate their location by using the street, avenue, etc. name if possible.

This letter serves as a notice of material revision for both HCCS and CICA for adding the following locations:

Folsom Blvd. | 10017 and 10013 Folsom Blvd, Sacramento, CA 95827 *(new additional building)*
Peacekeeper Way | 3237 Peacekeeper Way, McClellan, CA 95652 *(New)*

And closing the locations listed below:

El Camino | 4813 El Camino Avenue, Carmichael, CA 95608 *(Administrative Office)*
Fair Oaks 2 | 6110 Fair Oaks Blvd, Carmichael, CA 95608 *(HCCS & CICA)*
Folsom 2 | 9555 Folsom Blvd, Sacramento, CA 95827 *(HCCS & CICA)*
Marysville 2 | 1431 C St, Marysville, CA 95901 *(It's Never Too Late Stadium - CTE)*
S. Lake Tahoe | 1041 Lyons Avenue, South Lake Tahoe, CA 96150 *(HCCS & CICA)*

The current location count is as follows:

HCCS Locations- 24
CICA Locations – 6

HCCS & CICA Locations – 13
Total Resource Centers – 43

External CTE Locations – 5
Total Instructional Locations – 48

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

BILL MCGUIRE

MEMORANDUM OF UNDERSTANDING
BETWEEN
HIGHLANDS COMMUNITY CHARTER SCHOOL
AND
ADVANCE BEAUTY COLLEGE, INC

THIS MEMORANDUM OF UNDERSTANDING (hereinafter "MOU") is made and entered into as of this 1st day of September, 2022 (the "Effective Date"), by and between Highlands Community Charter School, a California public charter school (hereinafter "HIGHLANDS") and Advance Beauty College, Inc., a Private Post-Secondary school organized and existing under the laws of the State of California (hereinafter "Landlord").

I. RECITALS

WHEREAS, Landlord is the owner of a certain real property and its main facilities are located at 10121 Westminster Avenue, Garden Grove, CA 92843 (the "Site").

WHEREAS, HIGHLANDS and Landlord desire to enter into this MOU to document the arrangement and agreement between parties regarding HIGHLANDS' use of Landlord Site during the 2022-23 school years (hereinafter "Applicable Years"), pursuant to conditions set forth below;

NOW THEREFORE, in consideration of the covenants and agreements herein set forth, HIGHLANDS and Landlord hereby agrees as follows:

1. General Information.

A. Both HIGHLANDS and Landlord agree not to discriminate in the selection or acceptance of any student pursuant to this MOU because of race, color, national origin, religion, sex, sexual orientation, handicap, age, veterans status, medical condition (cancer-related) as defined in section 12926 of the California Government Code, ancestry, or marital status, or citizenship, within the limits imposed by law or corporation policy.

B. Each student participating under the terms of this MOU shall be enrolled at HIGHLANDS for academic credit and/or English Language Development.

C. Each student will be subject to policies, rules, and regulations of HIGHLANDS while attending classes at the Site.

2. Use of the Site.

Landlord hereby grants to HIGHLANDS, on the terms and conditions set for the herein, use of the Site for the sole purpose of operating an English Language Development and/or High School Diploma and Career Technical Education programs. HIGHLANDS' use of the Site shall comply with all Landlord policies and regulations and/or practices applicable and maintaining all licenses and/or permits necessary, if any, for conducting a California public charter school. HIGHLANDS further agrees to comply with all applicable ordinances, statues, and regulations related to its use of the site and conducting charter school activities.

A. Term. HIGHLANDS' use of the Site shall be for the 2022-23 school years commencing on September 1, 2022 and terminating on June 30, 2023. No later than 30 days prior to the expiration of the contract, if neither party provides written documentation to terminate then the contract will remain in effect under the provisions previously stated.

B. Joint-Use. HIGHLANDS acknowledges that its right to use the Site shall not interfere with Landlord shared use of the Site, if any. Landlord shared use of the Site, if any, shall not unreasonably interfere with the HIGHLANDS' use of the Site.

C. Reversion to Landlord. Upon the expiration of this MOU by its terms, the right to use and to occupy the site and its facilities, and Landlord equipment thereon, shall revert to Landlord.

D. Drill Notice. In the event that HIGHLANDS conducts a fire, earthquake or other emergency drill, HIGHLANDS shall request approval from the Landlord with reasonable advance notice of the time and nature of the drill.

E. Furnishings and Equipment. HIGHLANDS, at its sole cost and expense, shall be responsible for providing and maintaining in good repair and operating condition all equipment and materials (other than buildings) to furnish and equip the facilities for classroom instruction and operation of a charter school. In the alternative, HIGHLANDS may use furnishings and equipment from Landlord, if available. The use of furnishings is subject to Landlord's prior approval which may require a reimbursement. Upon completion of equipment conducted by Landlord, HIGHLANDS agrees to maintain an inventory to account for all equipment and a sufficient budget for all repairs or maintenance to equipment and furnishings at the site that are within its care, custody or control, with HIGHLANDS further agreeing to repair, maintain, or replace all such equipment or furnishings in keeping with its obligations to provide a safe and suitable educational environment.

F. Acknowledgement of Suitability, Compliance and Waiver. By executing this MOU, HIGHLANDS and Landlord agree to conduct an inspection of the site to determine that the Site is safe, adequate, and appropriate, to conduct operations.

3. Facilities Use.

Landlord agrees to provide space to the Tenant as described in section 2 at a charge of $7,500 per month for 2,500 square feet until either party shall terminate this MOU by giving a written notice of intention to terminate at least (30) days prior to the date of termination.

4. Maintenance and Operations.

The ongoing operations and maintenance of the Site and its facilities shall remain the responsibility of Landlord. Landlord will provide custodial services for the restrooms and classroom areas. Custodial services shall take place two times each week. Custodian will replenish toilet paper and paper towels in restrooms, in addition to ensuring that restrooms are clean.

A. Major Maintenance and Emergency Repair. In the event that HIGHLANDS requires Landlord to perform emergency or major maintenance and repairs, HIGHLANDS shall notify Landlord directly. An emergency repair is defined as a situation requiring immediate attention, generally characterized by a dangerous or hazardous condition. Emergency work should be of such importance that immediate action is required to prevent a safety or health hazard, or prevent significant damage to Landlord property. Landlord reserves the right to implement a process for submission of maintenance /repair requests.

5. Installation of Improvements by HIGHLANDS.

HIGHLANDS shall not construct or install any improvements on the site or otherwise alter the site without Landlord prior written consent. Landlord approval of any improvements, including the work schedule, work hours, and modifications, shall be at Landlord's reasonable discretion. All contractors retained by HIGHLANDS with respect to the construction or installation of improvements shall be fully licensed and bonded as required by law and must maintain levels of casualty, liability and workers' compensation insurance and performance and payment bonds consistent with Landlord construction requirements. The construction or installation of improvements shall be performed in a sound and workmanlike manner, in compliance with all laws applicable including, but not limited to building codes, fingerprinting requirements and prevailing wage laws. Landlord or its agent shall have a continuing right at all times during the period that improvements are being constructed or installed to enter the premises and to inspect the work, provided that such entries and inspections do not unreasonably interfere with the progress of the construction or interrupt instruction to students, and LANDLORD may require the immediate cessation of work if the

construction or installation is considered to be unsafe, inadequate or placing the site at risk of physical danger or compromise. In the event Landlord requires the cessation of work, Landlord and HIGHLANDS will immediately meet to address Landlord concerns. No construction or installation will resume until Landlord concerns are adequately addressed.

6. Provision of Facilities.

The facilities to be provided to HIGHLANDS during the Applicable Year shall be accessible to the Parties no later than September 30, 2022.

7. Security System/Keys.

HIGHLANDS shall be provided access by key or code to all classroom space and all monitored security systems ("Security Systems") provided at the site for the three rooms it rents. HIGHLANDS recognizes that the Security Systems currently provided at the site may include a separate intrusion alarm system, security camera system, and/or site visits/monitoring by a private security patrol.

8. Condition of Property.

HIGHLANDS, at its sole cost and expense, shall comply with all applicable laws, regulations, rules and orders with respect to its shared use and occupancy of the site, including, without limitation, those relating to health, safety, noise, environmental protection, waste disposal, and water and air quality. Notwithstanding the above, HIGHLANDS shall not be responsible for any conditions that existed prior to HIGHLANDS' occupancy of the site, so long as such conditions are not exacerbated by HIGHLANDS' negligence or willful misconduct. Landlord shall remain responsible for compliance with ADA, FEHA, and other applicable building code standards regarding access for any existing compliance issue prior to the date of executions of this MOU. HIGHLANDS shall only assume responsibility for compliance with ADA and FEHA access rights to the extent of (1) they are required by HIGHLANDS' use of the Site or (2) any modifications or improvements made by HIGHLANDS. Should any modifications or improvements made by HIGHLANDS change or affect the character of any existing improvements, HIGHLANDS, shall be responsible for bringing said existing improvements into compliance with ADA, FEHA, and other applicable building codes standards. HIGHLANDS shall comply with all licensing, payment and performance bond and prevailing wage laws with respect to all modifications. Should any discharge, leakage, spillage, emission, or pollutions of any type occur upon or from the portions of the site as a result of HIGHLANDS' occupancy thereof, HIGHLANDS, at its sole cost and expense, shall be obligated to clean all

the property affected, including, if applicable, any properties in the vicinity of the site, to the satisfaction of Landlord and any governmental agencies having jurisdiction over the site or any other properties affected by the discharge, leakage, spillage, emission, or pollution. If HIGHLANDS fails to take steps to clean the site or otherwise fails to comply with any requirements regarding the clean up or amelioration of any discharge, leakage, spillage, emission, or pollution of any type, Landlord reserves the right to take over the clean-up and to take all necessary steps to recoup any and all costs associated therewith from HIGHLANDS, which takeover shall not occur unreasonably.

9. Title to Property.

The Parties acknowledge that title to the site and all improvements are held by Landlord, and shall remain in procession of Landlord at all times.

10. Surrender of Premises.

Upon the expiration of this MOU, or any extension thereof, or termination of this MOU, HIGHLANDS shall peaceably vacate the site and any and all improvements located thereon and deliver up to Landlord in substantially the same condition as existing on the date of commencement of this MOU, reasonable wear and tear, damage by the elements, fire, earthquake, flood, or public calamity excepted. HIGHLANDS shall be financially responsible for any needed repairs to the site due to the HIGHLANDS' acts or omissions, minus normal wear and tear, after vacating the site.

11. Insurance.

HIGHLANDS will procure and maintain Commercial General Liability coverage including bodily injury and property damage liability arising out of the use and occupancy of the premise of no less than $1,000,000 per occurrence and $5,000,000 in the aggregate. HIGHLANDS' insurance shall be secondary unless the claim, injury, or loss is at the active negligence of HIGHLANDS. Landlord insurance shall be primary. HIGHLANDS shall procure and maintain insurance for their personal property.

12. Indemnification.

With the exception of any liability, claims or damages caused solely by the active negligence or willful misconduct of HIGHLANDS, Landlord shall indemnify, hold harmless, and defend HIGHLANDS, its trustees, officers, employees and agents against any and all claims, demands, actions,

causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and costs, including legal costs, attorney's fees and expert witness fees, whether or not suit is actually filed, and/or any judgement rendered against HIGHLANDS, its trustees, officers, employees and agents, that may be asserted or claimed by any person, firm or entity for any injury, death or damage to any person or property occurring in, on or about the site after the Effective Date, HIGHLANDS from, or in connection with, the Landlord use of the site or from the conduct of its business, including conduct of its board of directors, administrators, employees, agents, representatives, volunteers, subcontractors, invitees, successors and/or assigns or from any activity, work, or other things done, permitted or suffered by Landlord, in or about the site; Landlord obligation to defend HIGHLANDS and other indemnities identified herein is not contingent upon there being an acknowledgement or determination of the merit of any claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and/or costs. With the exception of any liability, claims or damages caused solely by the active negligence or willful misconduct of Landlord, HIGHLANDS, shall indemnify, hold harmless, and defend Landlord, its trustees, officers, employees and agents against any and all claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and costs, including legal costs, attorney's fees and expert witness fees, whether or not suit is actually filed, and/or any judgement rendered against Landlord, its trustees, officers, employees and agents, that may be asserted or claimed by any person, firm or entity for any injury, death or damage to any person or property occurring in, on or about the site after the Effective Date, Landlord from, or in connection with, the HIGHLANDS' use of the site or from the conduct of its business, including conduct of its board of directors, administrators, employees, agents, representatives, volunteers, subcontractors, invitees, successors and/or assigns or from any activity, work, or other things done, permitted or suffered by HIGHLANDS, in or about the site; HIGHLANDS' obligation to defend Landlord and other indemnities identified herein is not contingent upon there being an acknowledgement or determination of the merit of any claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and/or costs.

13. Placement of Signs.

HIGHLANDS may display banners and/or signs on the street of the site that promote HIGHLANDS' classes offered. The cost of banners and/or signage will be at the sole expense of HIGHLANDS. HIGHLANDS will not remove, block, obscure or deface any signs posted on premises.

14. Access to Inspection.

HIGHLANDS shall permit Landlord, its agents, representatives or employees, to use the classroom and adjoining rooms during the hours the space is not in use by HIGHLANDS. Further, HIGHLANDS shall permit Landlord to enter upon the site for the purpose of inspecting same, to make repairs, alterations, or additions to any portion of the site, in the event of emergencies, if there is an imminent threat to the health or safety of occupants, or if access is for the purposes of meeting Landlord oversight obligations. Landlord shall attempt to give reasonable notice where practicable but shall not be obligated to do so.

15. Termination.

The parties understand that implementation of this MOU is dependent on the parties good faith and effort to work together to provide services effectively. In the event that it becomes necessary for a party to cease being a party to this MOU, said party shall notify the other parties, in writing, thirty (30) days in advance of that intention.

16. Taxes.

Landlord shall be solely liable for any and all taxes which may be levied or assessed upon the personal property, furnishings or fixtures of Landlord located at the site.

17. Notice.

Any notice required or permitted to be given under this MOU shall be deemed to have been given, served and received if given in writing and personally delivered or either deposited in the United States mail, registered or certificated mail, postage prepaid, return receipt required, or sent by overnight delivery service or via email, addressed as follows:

HIGHLANDS: Murdock Smith
Highlands Community Charter School
1333 Grand Ave.
Sacramento, California 95838
Attention: Executive Director
Murdock.smith@hccts.org

Landlord: Tam Nguyen
Advance Beauty College, Inc.
10121 Westminster Avenue

Garden Grove, CA 92843
tam@advancebeautycollege.com

Any notice personally given or sent via email shall be effective upon receipt. Any notice sent by overnight delivery service shall be effective the next business day following delivery thereof to the overnight delivery service. Any notice given by mail shall be effective three (3) days after deposit in the United States mail.

18. Subcontract, Assignment and Subletting.

Neither Party shall assign its rights, duties or privileges under this MOU, nor shall a Party attempt to confer any of its rights, duties or privileges under this MOU (including that of sublease) on any third party, without the written consent of the other Party.

19. Independent Status.

This MOU is by and between two independent entities and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture, or association.

20. California Law.

This MOU shall be construed in accordance with and governed by the laws and decisions of the State of California.

21. Waiver.

The waiver by and any Party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, condition, or any subsequent breach of the same or any other term, covenant, or condition herein contained.

22. Successors and Assigns.

This MOU shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, legal representatives, successors, and assigns.

23. Counterparts.

This MOU and all amendments and supplements to it may be executed in counterparts, and all counterparts together shall be construed as one document.

24. Captions.

The captions contained in this MOU are for convenience only and shall not in any way affect the meaning or interpretation hereof nor serve as evidence of the interpretation hereof, or of the intention of the parties hereto.

25. Recitals and Exhibits.

The Recitals and each exhibit attached hereto are incorporated herein by reference.

26. Email Signatures.

This MOU may be executed and transmitted to any other party via email, which email shall be deemed to be, and utilized in all respects as, an original, wet-inked document.

27. Dispute Resolution.

In the event of any dispute between HIGHLANDS and Landlord regarding this MOU, including alleged violation, misrepresentation or misapplication of this MOU, the complaining party shall prepare a written statement of the dispute which shall be simultaneously submitted to the Landlords CEO and HIGHLANDS' Executive Director. The CEO and the Executive Director shall meet and confer within five (5) business days from the date of receipts of the written statement and attempt to resolve the dispute. In the event the matter is not resolved, the parties shall identify two members of their respective governing boards who shall meet with the CEO and the Executive Director within ten (10) business day s and attempt to resolve the dispute. If this meeting fails to resolve the dispute, either party may, within five (5) business days following the meeting, submit the matter to a mutually agreeable mediator, for the finale determination in accordance with any procedure determined and prescribed by the mediator. If the parties are unable to agree to a mediator, they will request that the mediation service appoint a mediator. If neither party submits the matter to mediation the determination of HIGHLANDS shall control. The Parties may thereafter exercise any right or remedy at law or in equity.

IN WITNESS WHEREOF, the Parties hereto have executed this MOU on the Effective Date.

TRAINING AGREEMENT BETWEEN ASHER COLLEGE AND HIGHLANDS COMMUNITY CHARTER SCHOOL

THIS AGREEMENT ("Agreement") is made this 22nd day ofAugust, 2016 (the "Effective Date"), by and between ASHER College, a Private Post-Secondary school organized and existing under the laws of the State of California (hereinafter referred to as "ASHER") and Highlands Community Charter School, a California non-profit public charter school (hereinafter referred to as the "Charter School").

I. RECITALS

WHEREAS, ASHER is the owner of certain real property and its main facilities are located at 1215 Howe Ave Sacramento CA 95825;

WHEREAS, ASHER and the Charter School desire to enter into this Agreement to document the arrangement between the parties regarding the Charter School's use of the ASHER Site during the 2016-17 school year ("Applicable Year"), pursuant to the conditions set forth below;

NOW THEREFORE, in consideration of the covenants and agreements hereinafter set forth, the Parties agree as follows:

Section 1. Use of the Site. ASHER hereby grants to the Charter School, on the terms and conditions set forth herein, use of the Site for the sole purpose of participating in the programs described in Section 2.. The Charter School's use of the Site shall comply with all ASHER policies and regulations and/or practices applicable to the ASHER facilities. ASHER shall be solely responsible for obtaining and maintaining all licenses and/or permits necessary, if any, for conducting a California Private Post-Secondary School. The Charter School further agrees to comply with all applicable ordinances, statutes, and regulations related to its use of the Site and conducting charter school activities.

A. Term. The Charter School's use of the Site shall be for the 2016-17 school year commencing on August 22nd, 2016 and terminating upon the successful completion of all students enrolled before July 1st, 2017 . This Agreement will automatically renew for an additional School year terms unless either party terminates the Agreement per Section 7 of this Agreement.

B. Joint-Use. The Charter School acknowledges that its right to use the Site shall not interfere with ASHER's shared use of the Site. ASHER's shared use of the Site shall not unreasonably interfere with the Charter School's use of the Site.

C. Reversion to ASHER. Upon the expiration of this Agreement by its terms, the right to use and to occupy the Site and its facilities, and ASHER equipment thereon, shall revert to ASHER.

D. Acknowledgement of Suitability, Compliance and Waiver. By executing this Agreement, the Charter School and ASHER ·agree to conduct an inspection of the Site to determine that. The Site is safe, adequate, and appropriate, to conduct operations. If it is determined that the site is not suitable for occupancy (due to non-functioning systems such as plumbing, electrical, HVAC/R, fire or intrusion alarms, ADA compliance, roofing or structural deficiencies, door lock

keys, fire extinguishers, legal postings at entry, etc.) ASHER shall do whatever is necessary to make the space or facility safe or compliant at its sole expense.

Section 2. Financial/Recordkeeping Obligations

A. Asher Agrees to Provide Attendance Records utilizing Asher's electronic Attendance record keeping systems.

B. Monthly Asher will Invoice Charter School for each properly registered student who attended classes at Asher for any portion of the previous month. Invoices are due upon receipt and will be paid within 30 days.

C. Programs:

Program	Estimated time to complete	Monthly Charge	Total Max Charge	Non Refundable	Books & Vouchers	
PC Technician	5 Months / 150 days	$1,000	$ 5,000	$0	Included	
Medical Office Administration	4 Months / 120 days	$1,000	$ 4,000	$0	Included	
Office Administration	4.25 Months	$1,000.0	$ 4,250	$0	Included	
Typing - **Added** to above programs	.25 Month - 7 days	one time charge of $200	$200	0	Included	

D. Refunds: Refunds for Students who do not complete the Programs will be prorated based on calendar time attended/ Estimated Time to Complete.

Refund Example: Student X enrolled in the PC Technician Program and Typing. The first day of attendance at ASHER was August 22nd and the last date of attendance was October 31st. Total calendar days attended is 71. Therefore the Max earned by ASHER would be 71/157 x ($5000+$200) = $2351.59. If Charter School had paid more than $2351.59 then a refund would be due. Otherwise the final invoice would be adjusted to reflect the Max charge earned by ASHER

Section 3. Maintenance and Operations. The ongoing operations and maintenance of the Site and its facilities shall remain the responsibility of ASHER; ASHER will provide its own janitorial service and/or janitorial staff.

Section 4. Title to Property. The Parties acknowledge that title to the Site and all improvements are held by ASHER, and shall remain in possession of ASHER at all times.

Section 5. Insurance. The Charter School will procure and maintain Commercial General Liability coverage including bodily injury and property damage liability arising out of the use and occupancy of the premise for Charter School Students and employees of no less than

$1,000,000 per occurrence and $3, 000,000 in the aggregate. The Charter School's insurance shall be primary unless the claim, injury, or loss is at the active negligence of ASHER. ASHER shall be named as additional insured.

ASHER will procure and maintain property coverage for the premise and building at full replacement cost. ASHER's insurance shall be primary. The Charter School shall procure and maintain insurance for their personal property.

Section 6. Indemnification. With the exception of any liability, claims or damages caused solely by the active negligence or willful misconduct of ASHER, the Charter School shall indemnify, hold harmless, and defend ASHER, its trustees, officers, employees and agents against any and all claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and costs, including legal costs, attorney's fees and expert witness fees, whether or not suit is actually filed, and/or any judgment rendered against ASHER, its trustees, officers, employees and agents, that may be asserted or claimed by any person, firm or entity for any injury, death or damage to any person or property occurring in, on or about the Site after the Effective Date, arising from, or in connection with, the Charter School's use of the Site or from the conduct of its business, including conduct of its board of directors, administrators, employees, agents, representatives, volunteers, subcontractors, invitees, successors and/or assigns or from any activity, work, or other things done, permitted or suffered by the Charter School in or about the Site; the Charter School's obligation to defend ASHER and other indemnities identified herein is not contingent upon there being an acknowledgement or determination of the merit of any claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and/or costs. With the exception of any liability, claims or damages caused solely by the active negligence or willful misconduct of the Charter School, ASHER shall indemnify, hold harmless, and defend the Charter School, its trustees, officers, employees and agents against any and all claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and costs, including legal costs, attorney's fees and expert witness fees, whether or not suit is actually filed, and/or any judgment rendered against the Charter School, its trustees, officers, employees and agents, that may be asserted or claimed by any person, firm or entity for any injury, death or damage to any person or property occurring in, on or about the Site after the Effective Date, arising from, or in connection with, ASHER's use of the Site or from the conduct of its business, including conduct of its board of directors, administrators, employees, agents, representatives, volunteers, subcontractors, invitees, successors and/or assigns or from any activity, work, or other things done, permitted or suffered by the ASHER in or about the Site; ASHER's obligation to defend the Charter School and other indemnities identified herein is not contingent upon there being an acknowledgement or determination of the merit of any claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and/or costs.

Section 7. Termination. This Agreement may be terminated without further liability by either party upon prior written notice for the following:

A. By the Charter School for any reason, or for no reason, by giving thirty (30) days' notice of its intention to terminate to ASHER.

B. By the Charter School, upon mutual agreement between ASHER and the Charter School, if the Site is so damaged, destroyed or otherwise impaired as to hinder the ASHER's effective use of the premises at any time up to thirty (30) days after the date of damage, destruction or impairment. In the event the Site is so damaged, destroyed or otherwise impaired as to hinder the ASHER effective use of the premises, ASHER will make a good faith effort to provide other facilities, if available, but shall have no obligation to provide substitute facilities.

C. By ASHER for a material failure by the Charter School to observe or perform any of the provisions of this Agreement where such failure shall continue for a period of thirty (30) days after notice thereof from ASHER to the Charter School; provided, however, that if the nature of the Charter School's default is such that more than thirty (30) days are reasonably required for its cure, then the Charter School shall not be deemed to be in default if the Charter School commences such cure within said thirty (30) days period and prosecutes such cure to completion by a mutually agreed upon date certain.

D. By ASHER in the event the Charter School files for bankruptcy or ceases operation, effective immediately upon the date of filing for bankruptcy or ceasing operations. "Ceasing operations" shall be defined as voluntary surrender or revocation of the Charter.

Section 8. Taxes. ASHER shall be solely liable for any and all taxes which may be levied or assessed upon the personal property, furnishings or fixtures of ASHER located at the Site or used by the Charter School.

Section 9. Notice. Any notice required or permitted to be given under this Agreement shall be deemed to have been given, served and received if given in writing and personally delivered or either deposited in the United States mail, registered or certified mail, postage prepaid, return receipt required, or sent by overnight delivery service or facsimile transmission, addressed as follows:

To Charter School:

Murdock Smith, Executive Director/CEO
Highlands Community Charter School
1333 Grand Ave.
Sacramento, CA 95838
Fax: (916) 471-0552

To ASHER:

David Vice, CEO
Asher College
1215 Howe Ave
Sacramento, Ca 95825

Any notice personally given or sent by facsimile transmission shall be effective upon receipt. Any notice sent by overnight delivery service shall be effective the business day next following delivery thereof to the overnight delivery service. Any notice given by mail shall be effective three (3) days after deposit in the United States mail.

Section 10. Subcontract, Assignment and Subletting. Neither Party shall assign its rights, duties or privileges under this Agreement, nor shall a Party attempt to confer any of its rights, duties or privileges under this Agreement (including that of sublease) on any third party, without the written consent of the other Party.

Section 11. Independent Status. This Agreement is by and between two independent entities and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture, or association.

Section 12. Entire Agreement of Parties. This Agreement, together with its attachments, constitutes the entire agreement between the Parties and supersedes all prior discussions; negotiations and agreements, whether oral or written. In the event of a conflict between this Agreement and the Charter, this Agreement shall control. This Agreement may be amended or modified only by a written instrument executed by the Parties.

Section 13. California Law. This Agreement shall be governed by and the rights, duties and obligations of the Parties shall be determined and enforced in accordance with the laws of the State of California. The Parties further agree that any action or proceeding brought to enforce the terms and conditions of this Agreement shall be maintained in Sacramento County, California.

Section 14. Waiver. The waiver by any Party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, condition, or any subsequent breach of the same or any other term, covenant, or condition herein contained.

Section 15. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, legal representatives, successors, and assigns.

Section 16. Counterparts. This Agreement and all amendments and supplements to it may be executed in counterparts, and all counterparts together shall be construed as one document.

Section 17. Captions. The captions contained in this Agreement are for convenience only and shall not in any way affect the meaning or interpretation hereof nor serve as evidence of the interpretation hereof, or of the intention of the parties hereto.

Section 18. Severability. Should any provision of this Agreement be determined to be invalid, illegal or unenforceable in any respect, such provision shall be severed and the remaining provisions shall continue as valid, legal and enforceable.

Section 19. Recitals and Exhibits. The Recitals and each exhibit attached hereto are incorporated herein by reference.

Section 20. Facsimile Signatures. This Agreement may be executed and transmitted to any other party by facsimile, which facsimile shall be deemed to be, and utilized in all respects as, an original, wet-inked document.

Section 21. Dispute Resolution. In the event of any dispute between the Charter School and the ASHER regarding this Agreement, including alleged violation, misrepresentation or misapplication of this Agreement, the complaining party shall prepare a written statement of the dispute which shall be simultaneously submitted to the ASHER Executive Director and the Charter School's Principal. The Executive Director and the Principal shall meet and confer within five (5) business days from the date of receipt of the written statement and attempt to resolve the dispute. In the event the matter is not resolved, the parties shall identify two members of their respective governing boards who shall meet with the Executive Director and Principal within ten (10) business days and attempt to resolve the dispute. If this meeting fails to resolve the dispute, either party may, within five (5) business days following the meeting, submit the matter to a mutually agreeable mediator, for final determination in accordance with any procedure determined and prescribed by the mediator. If the parties are unable to agree to a mediator, they will request that the mediation service appoint a mediator. If neither party submits the matter to mediation the determination of the ASHER shall control. The Parties may thereafter exercise any right or remedy at law or in equity.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the Effective Date.

MEMORANDUM OF UNDERSTANDING BETWEEN
HIGHLANDS COMMUNITY CHARTER AND TECHNICAL SCHOOLS
AND FEDERICO BEAUTY INTSTITUTE

THIS MEMORANDUM OF UNDERSTANDING (hereinafter "MOU") is made and entered into as of this 13th day of January, 2023 (the "Effective Date"), by and between Highlands Community Charter and Technical Schools, a California public charter school (hereinafter "HIGHLANDS") and Federico Beauty Institute, a Private Post-Secondary school organized and existing under the laws of the State of California (hereinafter "FEDERICO").

RECITALS

WHEREAS, HIGHLANDS and FEDERICO desire to enter into this MOU to document the arrangement and agreement between parties regarding educational services provided to HIGHLANDS's students by FEDERICO during the 2023 school year (hereinafter "Applicable Years"), pursuant to conditions set forth below;

NOW THEREFORE, in consideration of the covenants and agreements herein set forth, HIGHLANDS and FEDERICO hereby agrees as follows:

AGREEMENT

1. General Information.

   A. Both HIGHLANDS and FEDERICO agree not to discriminate in the selection or acceptance of any Student pursuant to this Agreement because of race, color, national origin, religion, sex, sexual orientation, handicap, age, veterans status, medical condition (cancer-related) as defined in section 12926 of the California Government Code, ancestry, or marital status, or citizenship, within the limits imposed by law or corporation policy.

   B. Each student participating under the terms of this Agreement shall be enrolled at HIGHLANDS for academic credit.

   C. Each student will be subject to policies, rules, and regulations of HIGHLANDS and FEDERICO while attending classes at FEDERICO.

2. Student Qualifications.

Students must meet the following conditions for enrollment with HIGHLANDS:

   A. They must not possess a U.S. High School Diploma

B. They must be age 22 or older (per the definition of non-youth in the Workforce Investment and Opportunity Act).

3. Term. The term of this MOU shall be for five months commencing on January 15th, 2023 and ending on June 15th, 2023. Within 30 days of expiration of the MOU, if neither party provides written documentation to terminate then the contract will remain in effect under the provisions previously stated.

4. Financial/Recordkeeping Obligations. FEDERICO will invoice HIGLANDS at the end of each month for all charges incurred that month. The first month of a class start's bill will include the application fee, student insurance, STRF, and technology fee in addition to monthly tuition and any/all kit costs incurred. Months 2 until completion billing will include monthly tuition and all kit costs incurred that month. FEDERICO will provide an attendance report for each student at the end of each month and include with the invoice. The invoice shall be compared to attendance records submitted by FEDERICO and paid within 30 days of receipt and approval of invoice. In the event a student is dis-enrolled from FEDERICO, FEDERICO shall provide a refund to HIGHLANDS utilizing the refund policy calculation (see Exhibit A) applicable to all FEDERICO students.

Course	Tuition	Application	Insurance	STRF	Supplies	Textbook	Technology	Uniforms	Total
Cosmetology	$15,250.00	$75.00	$10.00	$45.00	$2,065.69	$550.00	$100.00	$26.94	$18,122.63
Barber	$15,250.00	$75.00	$10.00	$45.50	$2,242.62	$575.00	$100.00	$26.94	$18,325.06
Esthetics	$9,000.00	$75.00	$10.00	$26.00	$1,404.06	$400.00	$50.00	$26.94	$10,992.00
Barber Transfer	$3050.00	$75.00	$10.00	$10.00	$713.08 - $1653.74*	$375.00	$25.00	$26.94	$4285.02 - $5,225.68

*Barber Transfer supplies to be purchased dependent upon supplies needed by student. Kit price will be determined at enrollment based upon supplies already owned by the student.

5. Marketing. HIGHLANDS and FEDERICO will make available space on each other's website to proudly display the partnership between the two organizations. Logos shared on each other's site will contain links connecting viewers to the website page chosen by HIGHLANDS and FEDERICO.

6. Indemnification. With the exception of any liability, claims or damages caused solely by the active negligence or willful misconduct of HIGHLANDS, FEDERICO, shall indemnify, hold harmless, and defend HIGHLANDS, its trustees, officers, employees and agents against any and all claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and costs, including legal costs, attorney's fees and expert witness fees, whether or not suit is actually filed, and/or any judgement rendered against HIGHLANDS, its trustees, officers, employees and agents, that may be asserted or claimed by any person, firm or entity for any injury, death or damage to any person or property occurring in, on or about the site after the Effective Date, HIGHLANDS from, or in connection with, the FEDERICO' use of the site or from the conduct of its business, including conduct of its board of directors, administrators, employees, agents, representatives, volunteers, subcontractors, invitees, successors and/or assigns or from any activity, work, or other things done, permitted or suffered by FEDERICO, in or about the site; FEDERICO' obligation to defend HIGHLANDS and other indemnities identified herein is not contingent upon there being an acknowledgement or determination of the merit of any claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and/or costs. With the exception of any liability, claims or damages caused solely by the active negligence or willful misconduct of FEDERICO, HIGHLANDS, shall indemnify, hold harmless, and defend FEDERICO, its trustees, officers, employees and agents against any and all claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and costs, including legal costs, attorney's fees and expert witness fees, whether or not suit is actually filed, and/or any judgement rendered against FEDERICO, its trustees, officers, employees and agents, that may be asserted or claimed by any person, firm or entity for any injury, death or damage to any person or property occurring in, on or about the site after the Effective Date, FEDERICO from, or in connection with, the HIGHLANDS' use of the site or from the conduct of its business, including conduct of its board of directors, administrators, employees, agents, representatives, volunteers, subcontractors, invitees, successors and/or assigns or from any activity, work, or other things done, permitted or suffered by HIGHLANDS, in or about the site; HIGHLANDS' obligation to defend FEDERICO and other indemnities identified herein is not contingent upon there being an acknowledgement or determination of the merit of any claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and/or costs.

7. Termination. The parties understand that implementation of this MOU is dependent on the parties good faith and effort to work together to provide services effectively. In the event that it becomes necessary for a party to cease being a party to this MOU, said party shall notify the other parties, in writing, thirty (30) days in advance of that intention.

8. Notice. Any notice required or permitted to be given under this MOU shall be deemed to have been given, served and received if given in writing and personally delivered or either deposited in the United States mail, registered or certificated mail, postage prepaid, return receipt required, or sent by overnight delivery service or via email, addressed as follows:

HIGHLANDS:
Murdock Smith
Highlands Community Charter and Technical Schools
1333 Grand Ave.
Sacramento, California 95838
Attention: Executive Director

FEDERICO:
Jeremy Federico
Federico Beauty Institute
1515 Sports Drive
Sacramento, CA 95834
Attention: President

Any notice personally given or sent via email shall be effective upon receipt. Any notice sent by overnight delivery service shall be effective the next business day following delivery thereof to the overnight delivery service. Any notice given by mail shall be effective three (3) days after deposit in the United States mail.

9. Subcontract, Assignment and Subletting. Neither Party shall assign its rights, duties or privileges under this MOU, nor shall a Party attempt to confer any of its rights, duties or privileges under this MOU (including that of sublease) on any third party, without the written consent of the other Party.

10. Independent Status. This MOU is by and between two independent entities and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture, or association.

11. Entire Agreement of Parties. This MOU contains the entire agreement between the parties and supersedes all prior discussions, negotiations and agreements, whether oral or written. There are no promises, terms, conditions or obligations, oral or written, between or among the Parties relating to the subject matter of this MOU that are not fully expressed in this MOU. This MOU may not be modified, changed, supplemented or terminated, nor may any obligations under this MOU be waived, except by written instrument signed by the party to be otherwise expressly permitted in this MOU.

12. California Law. This MOU shall be construed in accordance with and governed by the laws and decisions of the State of California.

13. Waiver. The waiver by and any Party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, condition, or any subsequent breach of the same or any other term, covenant, or condition herein contained.

14. Successors and Assigns. This MOU shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, legal representatives, successors, and assigns.

15. Counterparts. This MOU and all amendments and supplements to it may be executed in counterparts, and all counterparts together shall be construed as one document.

16. Captions. The captions contained in this MOU are for convenience only and shall not in any way affect the meaning or interpretation thereof nor serve as evidence of the interpretation hereof, or of the intention of the parties hereto.

17. Severability. Should any provision of this MOU be determined to be invalid, illegal or unenforceable in any respect, such provision shall be severed and the remaining provisions shall continue as valid, legal and enforceable.

18. Recitals and Exhibits. The Recitals and each exhibit attached hereto are incorporated herein by reference.

19. Email Signatures. This MOU may be executed and transmitted to any other party via email, which email shall be deemed to be, and utilized in all respects as an original, wet-inked document.

20. Dispute Resolution. In the event of any dispute between HIGHLANDS and FEDERICO regarding this MOU, including alleged violation, misrepresentation or misapplication of this MOU, the complaining party shall prepare a written statement of the dispute which shall be simultaneously submitted to the FEDERICO' and HIGHLANDS' Executive Directors. The Executive Directors shall meet and confer within five (5) business days from the date of receipts of the written statement and attempt to resolve the dispute. In the event the matter is not resolved, the parties shall identify two members of their respective governing boards who shall meet with the Executive Directors within ten (10) business days and attempt to resolve the dispute. If this meeting fails to resolve the dispute, either party may, within five (5) business days following the meeting, submit the matter to a mutually agreeable mediator, for the finale determination in accordance with any procedure determined and prescribed by the mediator. If the parties are unable to agree to a mediator, they will request that the mediation service appoint a mediator. If neither party submits the matter to mediation the determination of HIGHLANDS shall control. The Parties may thereafter exercise any right or remedy at law or in equity.

IN WITNESS WHEREOF, the Parties hereto have executed this MOU on the Effective Date.

MEMORANDUM OF UNDERSTANDING BETWEEN
HIGHLANDS COMMUNITY CHARTER AND TECHNICAL SCHOOLS
AND MIXED INSTITUTE OF COSMETOLOGY & BARBER

THIS MEMORANDUM OF UNDERSTANDING (hereinafter "MOU") is made and entered into as of this 1st day of June 22nd, 2022 (the "Effective Date"), by and between Highlands Community Charter and Technical Schools, a California public charter school (hereinafter "HIGHLANDS") and MIXED Institute of Cosmetology & Barber, a Private Post-Secondary school organized and existing under the laws of the State of California (hereinafter "MIXED Institute").

RECITALS

WHEREAS, HIGHLANDS and MIXED Institute desire to enter into this MOU to document the arrangement and agreement between parties regarding educational services provided to HIGHLANDS's students by MIXED Institute during the 2022-23 school years (hereinafter "Applicable Years"), pursuant to conditions set forth below;

NOW THEREFORE, in consideration of the covenants and agreements herein set forth, HIGHLANDS and MIXED Institute hereby agrees as follows:

AGREEMENT

1. General Information.

   A. Both HIGHLANDS and MIXED Institute agree not to discriminate in the selection or acceptance of any Student pursuant to this Agreement because of race, color, national origin, religion, sex, sexual orientation, handicap, age, veterans status, medical condition (cancer-related) as defined in section 12926 of the California Government Code, ancestry, or marital status, or citizenship, within the limits imposed by law or corporation policy.

   B. Each student participating under the terms of this Agreement shall be enrolled at HIGHLANDS for academic credit and/or English Language Development.

   C. Each student will be subject to policies, rules, and regulations of HIGHLANDS and MIXED Institute while attending classes at MIXED Institute.

2. Student Qualifications.

Students must meet the following conditions for enrollment with HIGHLANDS:

   A. They must not possess a U.S. High School Diploma

B. They must be age 22 or older (per the definition of non-youth in the Workforce Investment and Opportunity Act)

3. Term. The term of this MOU shall be for one year, commencing on June 22, 2022 and ending on June 30, 2023. Within 30 days of expiration of the MOU, if neither party provides written documentation to terminate then the contract will remain in effect under the provisions previously stated.

4. Financial/Recordkeeping Obligations. Within the first two weeks of each class start, HIGHLANDS will purchase classroom book sets and tool kits at a combined cost of $1,993 per each properly enrolled student in the cosmetology program, $1,988 per each properly enrolled student in the Barbering program, and $916.50 per each properly enrolled student in the manicuring program. If the student prefers, they may purchase their own set of books and tool kits directly from MIXED Institute. MIXED Institute will notify HIGHLANDS and submit an invoice for all books and supplies required by HIGHLANDS's students upon enrollment into the program. MIXED Institute agrees to maintain attendance records and report on a weekly basis to HIGHLANDS. In the event that a student misses an excess of 16 hours in a week, MIXED Institute shall notify HIGHLANDS in writing to develop a plan for the student to succeed. MIXED Institute shall prepare a monthly invoice in the amount of $1973 per each student properly enrolled and attending the **cosmetology** program, $1973 per each student properly enrolled and attending the **Barbering** program, and $495 per each student properly enrolled and attending the manicuring program, for the educational services provided. This invoice shall be compared to submitted attendance records submitted by MIXED Institute and paid within 30 days of receipt and approval of invoice. In the event a student is dis-enrolled from MIXED Institute, MIXED Institute shall provide a refund to HIGHLANDS utilizing the refund policy calculation (see Exhibit A) applicable to all MIXED Institute students.

Program	Duration	Monthly Charge	Tuition	Start-up Fees*	Total Max Charge	List Price
Cosmetology	1000 Clocked Hours	$1,973	$13,811	$1,993	$15,803	$16,803
Barbering	1000 Clocked Hours	$1,973	$13,811	$1,988	$15,799	$16,798
Manicuring	400 Clocked Hours	$495	$1,980	$916.50	$2,904.50	$3,116.50

*Start-up Fees include Books, kit and registration fee.

5. Instruction. All curricula for classes taught for HIGHLANDS' students must be approved by appropriate HIGHLANDS' staff. Any and all staff teaching HIGHLANDS' students must meet with HIGHLANDS' Credentialing Specialist or designee prior to classroom instruction to ensure proper credentialing is in place. HIGHLANDS will participate in the evaluation process for all teachers. HIGHLANDS' executive staff reserves the right for final approval of hiring and disciplinary process of all staff.

6. Marketing. HIGHLANDS and MIXED Institute will make available space on each other's website to proudly display the partnership between the two organizations. Logos shared on each other's site will contain links connecting viewers to the website page chosen by HIGHLANDS and MIXED Institute.

7. Indemnification. With the exception of any liability, claims or damages caused solely by the active negligence or willful misconduct of HIGHLANDS, MIXED Institute, shall indemnify, hold harmless, and defend HIGHLANDS, its trustees, officers, employees and agents against any and all claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and costs, including legal costs, attorney's fees and expert witness fees, whether or not suit is actually filed, and/or any judgment rendered against HIGHLANDS, its trustees, officers, employees and agents, that may be asserted or claimed by any person, firm or entity for any injury, death or damage to any person or property occurring in, on or about the site after the Effective Date, HIGHLANDS from, or in connection with, the MIXED Institute' use of the site or from the conduct of its business, including conduct of its board of directors, administrators, employees, agents, representatives, volunteers, subcontractors, invitees, successors and/or assigns or from any activity, work, or other things done, permitted or suffered by MIXED Institute, in or about the site; MIXED Institute' obligation to defend HIGHLANDS and other indemnities identified herein is not contingent upon there being an acknowledgement or determination of the merit of any claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and/or costs. With the exception of any liability, claims or damages caused solely by the active negligence or willful misconduct of MIXED Institute, HIGHLANDS, shall indemnify, hold harmless, and defend MIXED Institute, its trustees, officers, employees and agents against any and all claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and costs, including legal costs, attorney's fees and expert witness fees, whether or not suit is actually filed, and/or any judgment rendered against MIXED Institute, its trustees, officers, employees and agents, that may be asserted or claimed by any person, firm or entity for any injury, death or damage to any person or property occurring in, on or about the site after the Effective Date, MIXED Institute from, or in connection with, the HIGHLANDS' use of the site or from the conduct of its business, including conduct of its board of directors, administrators, employees, agents, representatives, volunteers, subcontractors, invitees, successors and/or assigns or from any activity, work, or other things done, permitted or suffered by HIGHLANDS, in or about the site; HIGHLANDS' obligation to defend MIXED Institute and other indemnities identified herein is not contingent upon there being an acknowledgement or determination of the merit of any claims,

demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and/or costs.

8. Termination. The parties understand that implementation of this MOU is dependent on the parties' good faith and effort to work together to provide services effectively. In the event that it becomes necessary for a party to cease being a party to this MOU, said party shall notify the other parties, in writing, thirty (30) days in advance of that intention.

9. Notice. Any notice required or permitted to be given under this MOU shall be deemed to have been given, served and received if given in writing and personally delivered or either deposited in the United States mail, registered or certificated mail, postage prepaid, return receipt required, or sent by overnight delivery service or via email, addressed as follows:

HIGHLANDS:
Murdock Smith
Highlands Community Charter and Technical Schools
1333 Grand Ave.
Sacramento, California 95838
Attention: Executive Director

MIXED Institute:
MIXED INSTITUTE of COSMETOLOGY & BARBER
5950 Florin Road Ste. #103
Sacramento Ca. 95823
916-421-5950
Attention: Robert Brown/CEO

Any notice personally given or sent via email shall be effective upon receipt. Any notice sent by overnight delivery service shall be effective the next business day following delivery thereof to the overnight delivery service. Any notice given by mail shall be effective three (3) days after deposit in the United States mail.

10. Subcontract, Assignment and Subletting. Neither Party shall assign its rights, duties or privileges under this MOU, nor shall a Party attempt to confer any of its rights, duties or privileges under this MOU (including that of sublease) on any third party, without the written consent of the other Party.

11. Independent Status. This MOU is by and between two independent entities and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture, or association.

12. Entire Agreement of Parties. This MOU contains the entire agreement between the parties and supersedes all prior discussions, negotiations and agreements, whether oral or written. There are no promises, terms, conditions or obligations, oral or written, between or among the Parties relating to the subject matter of this MOU that are not fully expressed in this MOU. This MOU may not be modified, changed, supplemented or terminated, nor may any obligations under this MOU be waived, except by written instrument signed by the party to be otherwise expressly permitted in this MOU.

13. California Law. This MOU shall be construed in accordance with and governed by the laws and decisions of the State of California.

14. Waiver. The waiver by and any Party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, condition, or any subsequent breach of the same or any other term, covenant, or condition herein contained.

15. Successors and Assigns. This MOU shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, legal representatives, successors, and assigns.

16. Counterparts. This MOU and all amendments and supplements to it may be executed in counterparts, and all counterparts together shall be construed as one document.

17. Captions. The captions contained in this MOU are for convenience only and shall not in any way affect the meaning or interpretation thereof nor serve as evidence of the interpretation hereof, or of the intention of the parties hereto.

18. Severability. Should any provision of this MOU be determined to be invalid, illegal or unenforceable in any respect, such provision shall be severed and the remaining provisions shall continue as valid, legal and enforceable.

19. Recitals and Exhibits. The Recitals and each exhibit attached hereto are incorporated herein by reference.

20. Email Signatures. This MOU may be executed and transmitted to any other party via email, which email shall be deemed to be, and utilized in all respects as an original, wet-inked document.

21. Dispute Resolution. In the event of any dispute between HIGHLANDS and MIXED regarding this MOU, including alleged violation, misrepresentation or misapplication of this MOU, the complaining party shall prepare a written statement of the dispute which shall be simultaneously submitted to the MIXED Institute' and HIGHLANDS' Executive Directors. The Executive Directors shall meet and confer within five (5) business days from the date of receipts of the written statement and attempt to resolve the dispute. In the event the matter is not resolved, the parties shall identify two members of their respective governing boards who shall meet with the Executive Directors within ten (10) business days and attempt to resolve the dispute. If this meeting fails to resolve the dispute, either party may, within five (5) business days following the meeting, submit the matter to a mutually agreeable mediator, for the final determination in accordance with any procedure determined and prescribed by the mediator. If the parties are unable to agree to a mediator, they will request that the mediation service appoint a mediator. If neither party submits the matter to mediation the determination of HIGHLANDS shall control. The Parties may thereafter exercise any right or remedy at law or in equity.

IN WITNESS WHEREOF, the Parties hereto have executed this MOU on the Effective Date.

MEMORANDUM OF UNDERSTANDING BETWEEN
UNITEK LEARNING AND HIGHLANDS COMMUNITY CHARTER SCHOOLS

This Agreement is entered into by and between Unitek College, LLC (College) and Highlands Community Charter Schools (Highlands), hereinafter collectively the Parties, and shall become effective as of the date of the last signature (Effective Date). Parties enter this Agreement to provide educational opportunities for qualified Highlands students (Participants).

ACADEMIC TERMS AND CONDITIONS

1. **College Degree or Certificate Programs**
    a. Highlands Participants shall have the opportunity to apply for admission to College's academic programs offered under this Agreement. Programs available, academic requirements, tuition and fees, and minimum enrollment requirements are in the attached **Program Information Addendums.**

2. **Responsibilities of the Parties**
    a. **Collaboration**: Parties agree to collaborate in good faith all aspects of this Agreement. Each Party shall identify and designate primary contacts with the appropriate authority to execute actions under this Agreement. All primary contacts are listed in the attached **Primary Contact Addendum.**

    b. **Educational Programs Content and Faculty**: Throughout the entirety of this Agreement, College shall have full programmatic control as required by its accreditors. By signing the agreement Highlands attests that its Credentialing Specialist has reviewed College program content and faculty qualifications to ensure alignment between Highlands' requirements and College program including Participant receipt of a high school diploma prior to any externship placement required for successful completion of Medical Assisting program.

    c. **Program Promotion and Marketing**: Parties agree to collaborate in good faith and promote the program subject to the limitations identified in the **Marketing** section of this Agreement. Highlands will assist College in facilitating promotional events including, but not limited to, information sessions, workshops, seminars/speakers, webinars, lunch-and-learns. Parties also agree to collaborate on the creation of print and digital marketing materials.

    d. **Participant Eligibility**: Highlands shall identify and refer only prospective Participants that meet all College's minimum requirements for each program and must agree to:
        i. Ensure Participants sign attestations stating that eligibility for this program is conditional on the non-acceptance Title IV Federal Financial aid during their

enrollment; any application for such aid will immediately make a Participant ineligible for enrollment in College.

ii. Sign a FERPA release authorizing the release of confidential student information as described in section j. of this agreement.

iii. Provide to College a copy of each Participants high school diploma prior to any externship placement required for successful completion of Program.

e. **Admissions**: Parties agree not to discriminate in the selection or acceptance of any Participant pursuant to this Agreement because of race, color, national origin, religion, sex, sexual orientation, handicap, age, veteran status, medical condition (cancer-related) as defined in section 12926 of the California Government Code, ancestry, or marital status, or applicable legal residence requirements, within the limits imposed by law or corporation policy. College shall review the applications of prospective Participants and have sole authority to make admissions decisions in accordance with its standard admissions policies.

f. **General Participant Requirements**: Upon admission, Participants become College's students and are subject to all academic and conduct policies in the College catalog and student handbooks. Participants must adhere to attendance requirements and must remain in good academic standing to continue in their respective programs.

g. **Student Services**: College shall provide equitable student services including academic support, technical support, and career services to help maximize the opportunity for Participant success.

h. **Reasonable Accommodations**: Participants with disabilities may, with appropriate medical documentation, apply for reasonable accommodations with the College even if they already have accommodations or an Individualized Education Program (IEP) with Highlands. Each request shall be considered on a case by case as well as a class by class or clinical/externship location basis in accordance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973.

i. **Vaccination Requirements (External Clinical Sites if Applicable)**: Parties understand that Participants may need to attend externships or clinical rotations at healthcare facilities with specific vaccination requirements. Participants who do not meet all vaccination requirements may not be able to be placed at a clinical site and may be unable to complete program requirements. Clinical sites maintain the discretion to determine if they can reasonably accommodate Participants who request medical or religious accommodations against specific vaccinations and may deny requests to student guests that may be granted to their employees.

j. **Background Check Requirements**: College may conduct a criminal background check on Participants prior to clinical placement. Parties understand that ANY criminal background may result in a denial of placement by a clinical partner and may make a

Participant ineligible for licensure or for specific jobs at the discretion of the prospective employer even if such criminal records have been expunged, suspended, or resolved via other methods of deferred adjudication.

k. **Participant Privacy & Release Requirements**: Parties understand that College may only share limited information (e.g., name, address, telephone number) on its students under the Family Educational Rights and Privacy Act (FERPA) unless student authorizes College to share confidential academic data via a signed release. For this Agreement to function as intended and to freely share information on Participant progress, Highlands agrees that as a condition of eligibility and in exchange for the opportunity to participate in the programmatic offerings of this Agreement, Participants must authorize the release of their confidential student information to Highlands using a release that will be provided as part of the application process.

l. **Participant Progress Data**: To facilitate the management and operation of this Agreement College will share relevant student information with Highlands, including, but not limited to:
    i. Upon enrollment College will share Participant's:
        1. College ID number
        2. College e-mail address
    ii. College will share the following as needed:
        1. Disciplinary or code of conduct issues
        2. Academic progress
        3. Voluntary or involuntary withdrawals

m. **Externship and Clinical Placements**: College shall make all decisions regarding Participant assignments to externship and clinical sites or telehealth rotations.

n. **Orientation and Training of Participants and College Staff**: Parties will collaborate to develop an orientation, tracking and verification process for onboarding staff and Participants regarding externship safety and administrative policies.

o. **Payment of Tuition and Fees**: College shall send Highlands a roster of fully enrolled Participants at the start of each term with payment schedule identified in the **Program Information Addendum** below. The failure to pay according to the payment schedule may result in the withdrawal of active Participants, delay or cancellation of future Participant enrollment, and the termination of this Agreement.

p. **Participant Withdrawals:** If a Participant withdraws voluntarily or is withdrawn involuntarily based on College policy, Highlands will not be responsible for future monthly payments per the payment schedule in the **Program Information Addendum**.

q. **Proprietary Rights:** College shall retain all rights, title, and interest (including all copyright, patent, and other proprietary rights) in and to its academic materials.

College is the intellectual property holder and there is no license granted to Highlands for any academic content.

MARKETING AND PROMOTION

3. **Program Publicity:** Parties recognize that recruiting students for higher education programs is subject to significant regulatory and accreditation marketing restrictions whether made verbally or in writing. College will be responsible for direct student marketing and will provide dedicated expertise for the promotional strategy while working in collaboration with Highlands in good faith to execute the program's marketing strategy. Additionally, Parties agree to the following:

   a. **Guarantees:** No prospective Participant shall be guaranteed enrollment, ability to achieve licensure upon completion of a program, a specific salary or salary range, or specific employment in connection with the promotion of any academic offering.

   b. **Truthfulness and Accuracy:** All representations regarding the available programs, academic offerings, eligibility for licensure, salary potential, and future job prospects must be truthful and represent the experience of the typical student.

   c. **Collaboration on Marketing Collateral:** Parties agree that all promotional materials require the prior written approval of College prior to use including, but not limited to:
      i. Websites
      ii. Web pages
      iii. Digital ads (banners, pop-ups, flyers, etc.)
      iv. Social media posts
      v. Videos
      vi. Promotional e-mails
      vii. Newsletters
      viii. Blogs
      ix. Press releases
      x. Content marketing (Quora, Medium, etc.)
      xi. Flyers
      xii. Signage
      xiii. Direct mail
      xiv. Digital information boards
      xv. Events
      xvi. White Papers
      xvii. Grant Proposals
      xviii. Public Relations

   d. **Intellectual Property:** Neither Party shall use the other Party's trademarks or logos without the prior written consent of the other Party as to each such use. Any use of

the other Party's trademarks or logos shall be subject to the other party's written guidelines and instructions.

STANDARD TERMS AND CONDITIONS

4. **Term:** This Agreement has an initial term of two (2) years from the Effective Date and automatically renews for subsequent two (2) year terms unless terminated by either Party upon written notice of at least ninety (90) days.

5. **Termination for Cause:** Either party may terminate this Agreement immediately upon written notice to the other party if the other party is in material breach of any of its obligations under this Agreement, and such breach remains uncured for a period of thirty (30) following receipt of written notice of such breach. For the purposes of this clause, a material breach shall include, but not be limited to, any breach of the confidentiality provisions of this Agreement, failure to make any payment when due, or failure to perform any material obligation under this Agreement. Upon termination of this Agreement for cause, the non-breaching party shall be entitled to any remedies available at law or in equity, including but not limited to damages for any losses incurred as a result of the breach. Termination of this Agreement for cause shall not relieve the breaching party of any liability or obligation incurred prior to the effective date of termination.

   In the event this Agreement is terminated early, Parties agree to collaborate with each other and any relevant regulatory or accreditation body on a teach-out to minimize the impact of enrolled Participants. Teach-out may include completion of the term on campus, a nearby location, the online modality, or a hybrid model. Students that have not yet started the program will be considered canceled and no payment or teaching shall occur.

6. **Regulatory or Accreditation Termination:** The Agreement may be terminated upon written notice by College with no penalty or cost for any of the following:
   a. If an accreditor or a regulatory body determines that the program should cease operation.
   b. Agreement is prohibited by law or regulation.

   If terminated for any of the above reasons, Parties will collaborate and work with the appropriate accreditation or regulatory bodies to determine if teach-out options or term completion options exist for Participants to minimize impact on educational progression.

7. **Obligations Upon Termination**: Upon termination of this Agreement, either Party shall, at the request of the other Party, return any document, material, database, equipment, or software containing confidential information to the other party. If, for any reason, such document, material, database, equipment, or software cannot be returned, either party shall destroy all the confidential information belonging to the other party and delete such confidential information from any memory devices. Unless required by law, neither Party shall

be permitted to continue using the confidential information in any way after the termination of this Agreement.

8. **Force Majeure:** In the event Parties are unable to support or continue the programs listed in this Agreement due to causes beyond their control, including, but not limited to: acts of God; war; acts of the government; fires; floods; epidemics; quarantine restrictions; strikes, labor disputes or work stoppages; transportation contingency; and freight embargoes; other catastrophes or any similar occurrences beyond either Party's reasonable control, the Parties agree to work together to create a reasonable alternative or pause the program until conditions permit resumption.

9. **Relationship of Parties:** The relationship established under this Agreement shall be that of contractors and neither party shall be, nor hold itself out to the public as being, an employee, or agent of the other. Neither party shall have authority to contract for or bind the other in any manner.

10. **Mutual Indemnity:** The Parties agree to indemnify and hold each other harmless from any and all claims, damages, liabilities, costs, and expenses arising out of or in connection with the performance of this Agreement, except for claims arising out of the gross negligence or willful misconduct of the indemnified Party. Each Party shall promptly notify the other Party of any claim or demand that it becomes aware of that may give rise to indemnification hereunder. The Parties agree to cooperate with each other in the defense of any such claim or demand. This mutual indemnification obligation shall survive the termination or expiration of this Agreement.

11. **Assignment:** Neither Party shall assign its rights or delegate its obligations hereunder without the prior written consent of the other Party, which consent shall not be unreasonably withheld, provided that either Party may assign this Agreement in the event that any third-Party merges with such Party or acquires all or substantially all of such Party's assets used in connection with this Agreement.

12. **Waiver:** The failure of a Party to insist upon strict adherence to any term of this Agreement on any occasion will not be considered a waiver or deprive that Party of the right thereafter to insist upon strict adherence to that term or any other term of this Agreement. Any waiver must be in writing and agreed upon by both Parties.

13. **Severability:** If any part of this Agreement is found invalid or unenforceable, that part will be amended by the Parties to achieve as nearly as possible the same effect as the original provision and the remainder of this Agreement will remain in full force and effect.

14. **Modification of Agreement**: No addition or modification of this Agreement will be effective or binding on either Party unless reduced to writing and executed by the authorized representatives of each of the Parties.

15. **Notice**: Any notice required or permitted to be given under this MOU shall be deemed to have been given, served and received if given in writing and personally delivered or either deposited in the United States mail, registered or certificated mail, postage prepaid, return receipt required, or sent by overnight delivery service or via email to the Legal Contacts listed in **Addendum 1: Primary Contacts**.

16. **Governing Law**: This Agreement shall be governed and construed by the laws of the State of California without regard to any choice of law provisions.

17. **Dispute Resolution**: Any dispute, controversy, or claim arising out of or relating to this Agreement or its breach, including any question regarding its existence, validity, or termination, shall be finally resolved by arbitration in accordance with the JAMS Streamlined Arbitration Rules and Procedures in effect at the time of the arbitration, and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. The arbitration shall be conducted before one (1) arbitrator, who shall be selected by mutual agreement of the Parties or, failing such agreement, by JAMS in accordance with its rules. The place of arbitration shall be Orange County, California. Each Party shall be responsible for its own costs and expenses, including legal fees, incurred in connection with the arbitration. The arbitrator shall have no authority to award punitive or exemplary damages. The Parties agree to keep the arbitration proceedings and award confidential, except as may be necessary to enforce the award or as required by law. This arbitration clause shall survive the termination or expiration of this Agreement.

18. **Prior Agreements and Complete Agreement**: This Agreement contains the final, complete, and exclusive statement of the agreement between the parties with respect to the transactions contemplated hereby and supersedes all prior and contemporaneous agreements, representations, understandings, negotiations, and discussions between the parties, whether oral or written. All Addendums referred to in this Agreement and attached hereto shall be deemed and construed as part of this Agreement and for all purposes all such Addendums are hereby specifically incorporated herein by reference.

19. **Proper Authority**: Each party expressly acknowledges that it is authorized to enter into this agreement, and to bind such party, and such party's permitted successors and assigns, in the terms of this agreement. Each party expressly acknowledges that all corporate or other business enterprise formalities and consents have been obtained. Each party further acknowledges that this agreement does not conflict with or constitute a violation of any other agreement whether oral or written.

20. **Execution**: This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by electronic signature or other electronic means, and such signatures or means shall be deemed original signatures for all purposes. The Parties agree that the electronic signatures or means used to execute this Agreement shall have the same legal force and effect as handwritten signatures or original

documents. The Parties acknowledge and agree that the use of electronic signatures or means is a convenient means of executing this Agreement and that it does not diminish the legal validity or enforceability of this Agreement.

By their signature below, each of the following parties represent that they have the authority to execute this Agreement and to bind the party on whose behalf their execution is made.

ADDENDUM 2: PROGRAM INFORMATION

Program	Duration	Highlands Tuition	Fees/Books/Equipment	Total per Participant
Medical Assisting	9-10 months	$12,298	$1,036	$13,344.50

I. MEDICAL ASSISTING PROGRAM

1. Delivery Model: Hybrid, Blended Learning Model
2. Locations: Campus, remote, and externship sites
3. Projected Annual enrollment: 60
4. Program includes 600 hours of classroom education and 160 externship hours for successful completion. College must receive a verified copy of each Participants high school diploma prior to any externship placement as required by the Accrediting Commission of Careers Schools and Colleges (ACCSC).
5. Applicable Student Catalog: https://www.unitekcollege.edu/catalog/california-catalog/

II. Tuition and Fees (books, equipment, etc.)

1. At least seven (7) days prior to the start of each term, Highlands will purchase all required textbooks and equipment required by the program for each enrolled Participant. College will not sell books or equipment directly to any Participant.
2. College shall bill Highlands on the last day of each month based on the number of Participants enrolled at any time in the prior month with payment due within seven (7) days of receipt. Payments shall be allocated as follows:

Date	Payment Schedule
Month 1	12% of Highlands tuition
Month 2	11% of Highlands tuition
Month 3	11% of Highlands tuition
Month 4	11% of Highlands tuition
Month 5	11% of Highlands tuition
Month 6	11% of Highlands tuition
Month 7	11% of Highlands tuition
Month 8	11% of Highlands tuition
Month 9	11% of Highlands tuition

Subject: Site Discrepancies

Dear Ms. Warta,

On January 22, 2025, HCCTS received a letter of concern from TRUSD regarding site discrepancies.

On February 27, 2025, I presented the site list comparison document at the quarterly meeting with you and Ryan DiGiulio at TRUSD. This document includes student-occupied sites, physical addresses of HCCTS locations, the specific programs available at each site, lease agreement dates, and other relevant details.

We acknowledge the site errors in our previous MOUs and we have addressed all of them in the attached correspondence below.

If you have any additional concerns, please do not hesitate to contact me.

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

COMMUNITY CHARTER AND TECHNICAL SCHOOLS

April 21, 2025

Shari Warta
Project Manager
Twin Rivers Unified School District
5115 Dudley Blvd
McClellan Park, CA 95652

Subject: Peacekeeper Site Updates

Dear Ms. Warta,

On February 27, 2025, I met with you and the following attendees during the TRUSD/ HCCTS quarterly meeting:

- Sharilyn Warta, Project Manager
- Ryan DiGiulio, Chief Business Official
- Mayra Valdivia, Deputy Director
- Melissa Roberson, Director of Accountability

During this meeting, we discussed the situation at HCCS regarding our locations at McClellan Park and our move to Peacekeeper. I explained that the relocation from the McClellan 1 and McClellan 2 locations was necessary due to the expiration of our lease agreements, as Cal Fire was set to take over the previous space. MP Holdings LLC, the lessor, informed HCCTS of another available facility at 3237 Peacekeeper Way, Suite 202 McClellan Park, CA 95652, that we could utilize to accommodate our staff and students.

HCCTS requests TRUSD to approve the following:

- The temporary relocation of students from McClellan 1 & 2 to a new location located at 3237 Peacekeeper Way, Suite 204a McClellan Park, CA 95652
- The permanent relocation of students from McClellan 1 & 2 to 3237 Peacekeeper Way, Suite 202 McClellan Park, CA 95652

HCCTS requests TRUSD to determine if these relocations constitute a material revision to the charter. If so, HCCTS will work in collaboration with YM&C to draft the material revisions and send them to you for your consideration.

Attached below are the 30-day notices regarding McClellan 1 and McClellan 2 and the floor plan of the temporary space at the Peacekeeper site.

If you have any additional concerns, please do not hesitate to contact me.

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

NOTICE OF TERMINATION OF TENANCY

TO: Rich Henning
133 Grand Ave.
Sacramento, CA 95838

AND ALL OTHER PERSONS OR ENTITIES IN POSSESSION

NOTICE IS HEREBY GIVEN that your tenancy on the premises located at 3202 Palm Ave. Bldg. 826, Sacramento, California 95652is terminated at the end of the thirty (30) day period following service of this Notice on you, or April 18, 2025, (date at least 30 days after notice is served), whichever is later. You must vacate the premises on or before that date or you will be guilty of unlawful detention of the premises.

This Notice is given pursuant to the provisions of section 1946 of the California Civil Code.

If you fail to deliver up possession of the premises within the 30-day period, legal proceedings will commence against you to recover possession and to recover a judgment for treble damages for each day you hold possession beyond the 30-day period.

Rent in the amount of $1,824.00 is due and payable for the period April 1, 2025, through April 18, 2025.

State law permits former tenants to reclaim abandoned personal property left at the former address of the tenant, subject to certain conditions. You may or may not be able to reclaim property without incurring additional costs, depending on the cost of storing the property and the length of time before it is reclaimed. In general, these costs will be lower the sooner you contact your former landlord after being notified that property belonging to you was left behind after you moved out.

Dated: March 17, 2025

RE: 30 Day Termination Notice
Building 242, 5411 Luce Ave., McClellan CA

Dear Mr. Henning:

In accordance with the lease agreement for the above referenced location, please accept this letter as Landlords 30 Day Notice to Terminate per Section 25. Please ensure the building area is fully vacated by April 16, 2025.

You are a valued tenant in the Park and we look forward to future discussions.

Best,

Jennifer Lewis

RE: Notice of Concern/Request for Information - Site Location Discrepancies
TRUSD Reply to HCCTS' 02/27/25 Response

Dear. Mr. McGuire:

As the authorizing entity for the Highlands Community Charter School ("HCCS") and California Innovative Career Academy ("CICA") operated by Highlands Community Charter and Technical Schools ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS' compliance with the approved HCCS and CICA Charters, the Memorandum of Understanding between the District and HCCTS regarding each Charter School's operations and oversight, and laws applicable to charter schools.

On October 3, 2024 the District sent a Notice of Concern/Request for Information regarding the October 3, 2024, HCCTS Board meeting a presentation entitled "2024-25 HCCTS Locations Approval". HCCTS responded to the District Notice on November 14, 2024. On January 22, 2025 the District replied to HCCTS' November 14 response.

HCCTS responded to the District's Reply during a meeting with the District on February 27, 2025, followed by email communication on that same date. Outlined below are the District's findings and additional actions required based on our analysis of HCCTS' past communications regarding this matter.

MOU Amendment No. 3 Discrepancies (Students Not Present Sites)

- HCCTS states that MOU Amendment No. 3 executed on January 11, 2024 ("MOU Amendment No. 3"), has incorrect information due to inadvertent data entry errors made by HCCTS staff at the time the amendment was drafted. Specifically, HCCTS represents that the following sites are non-student sites and that MOU Amendment No. 3 does not accurately reflect which charter schools operate at each site.

Physical Address: 5115 Dudley Blvd. • McClellan, CA 95652
Mailing Address: 3222 Winona Way • North Highlands, CA 95660
(916) 566-1600 • FAX (916) 566-1784 • www.trusd.net

Address	HCCTS Response
24th St. (Previously 24th (St. Anne's)), 7720 24th Street, Sacramento, CA 95832	*HCCTS represents that they made a data entry error and that location should have been identified as a HCCS only site since no CICA students utilize this site.*
Hurley Way (Previously Hurley), 3205 Hurley Way, Sacramento, CA 95864	*HCCTS represents that they made a data entry error and that location should have been identified as a HCCS only site since no CICA students utilize this site.*
Rosemont (Saint John's), 8401 Jackson Road, Sacramento, CA 95826	*HCCTS represents that they made a data entry error and that location should have been identified as a CICA only site since no HCCS students utilize this site.*
Florin Rd, 3801 Florin Road, Suite 107, Sacramento, CA 95823	*HCCTS represents that they made a data entry error and that location should have been identified as a CICA only site since no HCCS students utilize this site.*
Hillsdale Blvd. (Previously Hillsdale), 5655 Hillsdale Blvd, Sacramento, CA 95842	*HCCTS represents that they made a data entry error and that location should have been identified as a HCCS only site since no CICA students utilize this site.*
O Street, 1326 O Street, Sacramento CA 95814	*HCCTS represents that they made a data entry error and that location should have been identified as a CICA only site since no HCCS students utilize this site.*
Bruceville Rd. (Previously North Laguna 2), 8211 Bruceville Rd, #115 and #125 Sacramento, CA 95823	*HCCTS represents that they made a data entry error and that location should have been identified as a HCCS only site since no CICA students utilize this site.*

District Findings:

- The District does not dispute the possibility that mistakes were been made by HCCTS when submitting the site/location lists for CICA and HCCS.
- The District finds that HCCTS neglected to communicate the errors that were made until these discrepancies were identified by the District through multiple communications.
- Since the errors made regarding the seven (7) above-listed sites pertain to locations where students are not present, the District has determined that it is not necessary for HCCTS to submit a Material Revision request to address these changes. However, the District has determined that an amendment to MOU Amendment No. 3 will be needed to address these discrepancies.

Action Required:

- HCCTS needs to cooperate with the District in the amendment process and ensure that all sites/locations are accurate.

Address Correction

- HCCTS communicated that the College Oak (SALAM) street number of 4545 College Oak Drive is incorrect in the MOU Amendment NO 3 and explained that the lease lists 4541 College Oak Drive.

District Findings:

- The District does not dispute the possibility that mistakes were been made by HCCTS when submitting the site/location lists for CICA and HCCS.
- The District finds that HCCTS neglected to communicate the errors that were made until these discrepancies were identified by the District through multiple communications.
- The District has determined that an amendment to MOU Amendment No. 3 will be needed to address this error.

Action Required:

- HCCTS needs to cooperate with the District in the amendment process and ensure that all sites/locations and addresses are accurate.

Closed Locations

- HCCTS has communicated that the following either (8) locations have been closed:

1. 12th Street, 701 12th Street, Suite 203, Sacramento CA 95814
2. ARI Elder Creek (ARI South) 6270 Elder Creek Road, Sacramento, CA 95824
3. ARI Sunrise (ARI North), 5750 Sunrise Blvd., #100 Citrus Heights, CA 95610
4. Bowling ,7171 Bowling Dr., #1120, Sacramento CA 95823
5. Lao Family – Oakland 2, 8480 Edes Ave., Oakland, CA 94621
6. Lao Family – Oakland, 2325 East 12th St., Oakland, CA 94601
7. Marysville 2, 1431 C St., Marysville, CA 95901
8. S. Lake Tahoe, 1041 Lyon Ave, South Lake Tahoe, CA 96150

District Findings:

- The above-listed locations were included in MOU Amendment No. 3 for CICA and/or HCCS and have been closed as outlined in past correspondence from HCCTS.

- No further action is required for the above-mentioned eight (8) locations.

MOU Amendment No. 3 Discrepancies (Students Present Sites)

- HCCTS states that MOU Amendment No. 3 has incorrect information due to inadvertent data entry errors made by HCCTS staff at the time the amendment was drafted. Specifically, HCCTS represents that the following sites are student sites, but the MOU Amendment No. 3 does not accurately reflect which charter schools operate at each site.

Address	HCCTS Response

33rd St. (Previously Oak Park), 2520 33rd St, Sacramento, CA 95817	HCCTS represents that they made a data entry error and that this location should also reflect students present for CICA, not just HCCS.
Hayes Ave. (Previously Norwood), 431 Hayes Avenue, Sacramento, CA 95838	HCCTS represents that they made a data entry error and that this location should also reflect students present for CICA, not just HCCS.
Howe Ave., 1111 Howe Avenue, Sacramento, CA 95825	HCCTS represents that they made a data entry error and that this location should also reflect students present for CICA, not just HCCS.
Old Auburn Rd. (Previously Old Auburn), 7817 Old Auburn Road, Citrus Heights, CA 95610	HCCTS represents that they made a data entry error and that this location should also reflect students present for CICA, not just HCCS.
Fair Oaks Blvd. (23X Studio and Wellness Center) (Previously Fair Oaks), 2310 Fair Oaks Blvd, Sacramento, CA 95825	This address is listed as an "Internal CTE Site", which HCCTS has indicated may be used by both CICA and HCCS students. This location is approved for HCCS students only.
Folsom Blvd., 10017 Folsom Blvd, Sacramento, CA 95827	HCCTS represents that they made a data entry error and that this location should also reflect students present for CICA, not just HCCS.
Marysville Blvd., (Previously Del Paso 2), 3730 Marysville Blvd., Sacramento CA 95838	HCCTS represents that they made a data entry error and that location should have been identified as a CICA only site since no HCCS students utilize this site.
SHRA – Marina Vista, 30 Seavey Circle, Sacramento, CA 95818	HCCTS represents that they made a data entry error and that location should have been identified as a CICA only site since no HCCS students utilize this site.

District Findings:

- The District does not dispute the possibility that mistakes were been made by HCCTS when submitting the site/location lists for CICA and HCCS.
- The District finds that HCCTS neglected to communicate the errors that were made until these discrepancies were identified by the District through multiple communications.
- Since the errors made regarding the eight (8) above-listed sites pertain to locations where students are present, the District requires evidence that the facilities were secured for the programs prior to January 2024.

Action Required:

- For the CICA sites excluded from MOU Amendment No. 3 where HCCTS represents students are present, provide fully executed copies of the lease agreement which lists CICA or HCCTS as the lessee. The District will review the documentation to see if the lease pre-dates the January 2024 MOU Amendment No. 3. Please note that lease agreements listing HCCS as the lessee for CICA sites will not be acceptable as that excludes CICA.

Non-Student Sites/Location Discrepancies

- HCCTS represents that the following sites are non-student sites and are utilized for both HCCS and CICA.
    - **9th Ave.** (Previously San Diego) 406 9th Avenue, Suite 310, San Diego, CA 92101
    - **American River Dr.** (Previously American River) 3600 American River Dr., # 280, Sacramento, CA 95864
    - **Arden Way** (Warehouse/Receiving) (Previously Arden) 901 Arden Way, Sacramento, CA 95815
    - **Boxwood St. (23X Studio) (Previously Arden 2)** 2260 Boxwood Street, Sacramento, CA 95815
    - **Capitol Mall,** 555 Capitol Mall, # 1275,725, 735, 550 Sacramento, CA 95814
    - **Edison Ave.,** 2300 Edison Ave., Sacramento CA 95821

District Findings:

- The District finds that the six (6) above- listed locations were not included in the MOU Amendment No. 3 for both CICA and HCCS.
- While the addition of a non-student site does not necessarily require a Material Revision of the HCCS or CICS Charter(s), MOU Amendment No. 3 clearly states "*If Charter School seeks to establish operations at one or more additional locations(s) or move any of its existing location(s), including satellite facilities or resource centers, the Charter School must first submit a written request to the District for approval of the change(s). The written request should include relevant background information regarding the proposed change(s)...*" This is necessary for the District to determine "*whether the proposed change(s) constitutes a material revision requiring District Board approval.*"
- The District finds that HCCTS did not comply with this MOU Amendment No. 3 requirement.

Action Required:

- To prevent further corrective actions, the District requires that HCCTS submit a written request for approval of the above-listed non-student site changes, including relevant background information regarding the changes, lease agreements, budgetary documentation, and a description of the operations established at the locations. Consistent with MOU Amendment No. 3, the District will review the documentation to determine whether a Material Revision is required in order to approve these changes.

External CTE Programs: No Facility Use

- HCCTS represents that the following locations are "External CTE sites" where HCCTS partners with outside organizations at the partner's locations to provide CTE programs for HCCS and CICA students. These External CTE locations/partners include:
    - **Federico Beauty Institute** - 1515 Sports Drive, Sacramento 95834
    - **Mixed Institute of Cosmetology & Barber** - 5950 Florin Rd., Sacramento, CA 95823
    - **Unitek College** - 4330 Watt Ave., Sacramento, CA 95660

District Findings:

- **Federico Beauty Institute**
  - The MOU is between HCCTS and the Federico Beauty Institute.
  - The MOU has no mention of any facility use. It states that the purpose of the MOU is to document the arrangement and agreement between parties regarding ***educational services*** provided to HIGHLANDS' students by FEDERIC…
  - The MOU is missing the date of Murdock Smith's signature.

- **Mixed Institute of Cosmetology & Barber**
  - The MOU is between HCCTS and the MIXED Institute.
  - The MOU has no mention of any facility use. It states that the parties desire to enter into the MOU to document the arrangement between the parties regarding "educational services provided to Highlands' students…"

- **Unitek College**
  - The MOU is between HCCS and Unitek, which excludes CICA.
  - The MOU says it is effective as of the dates of the last signature, but HCCTS did not provide the District with a fully executive copy of the MOU as it is missing one of the dates for a signatory.
  - The MOU does not mention any facility use which the District takes this to mean it is an arrangement for educational services only.

Action Required:

- **Federico Beauty Institute**
  - HCCTS should remove this as a site and transfer the enrollment of students from this location to the appropriate, approved location corresponding with each student's teacher of record.
  - HCCTS should provide the District with a response outlining which location(s) student enrollments were transferred to and evidence that this transfer corresponds with each student's teacher of record.
  - HCCTS should provide a copy of the fully executed MOU, which includes the date with Mr. Smith's signature.

- **Mixed Institute of Cosmetology & Barber**
  - HCCTS should remove this as a site and transfer the enrollment of students from this location to the appropriate, approved location corresponding with each student's teacher of record.
  - HCCTS should provide the District with a response outlining which location(s) student enrollments were transferred to and evidence that this transfer corresponds with each student's teacher of record.

- **Unitek College**
  - HCCTS should remove this as a site and transfer the enrollment of students from this location to the appropriate, approved location corresponding with each student's teacher of record.

- HCCTS should provide the District with a response outlining which location(s) student enrollments were transferred to and evidence that this transfer corresponds with each student's teacher of record.
- The MOU should be updated to include CICA students as the current agreement is with HCCS, excluding CICA.
- Provide the District with a fully executive copy of the MOU.

External CTE Programs: Facility Use Agreement

- HCCTS represents that the following locations are "External CTE sites" where HCCTS partners with outside organizations at the partner's locations to provide CTE programs for HCCS and CICA students. These External CTE locations/partners include:
  - **Asher College** - 1215 Howe Ave., # 101, Sacramento, CA 95834
  - **Advance Beauty College** - 10121 Westminster Ave., Garden Grove, CA 92843

District Findings:

- **Asher College**
  - The MOU is between Highlands Community Charter School and the Landlord. This excludes operations for CICA at the location.
  - The District has reviewed the Enrollment Reports for CICA for the 2024-25 school year and found evidence that CICA students are enrolled at the 1215 Howe Avenue location.
  - MOU Amendment No. 3 clearly states "*If Charter School seeks to establish operations at one or more additional locations(s) or move any of its existing location(s), including satellite facilities or resource centers, the Charter School must first submit a written request to the District for approval of the change(s). The written request should include relevant background information regarding the proposed change(s)...*" This is necessary for the District to determine "*whether the proposed change(s) constitutes a material revision requiring District Board approval.*"
  - The District finds that HCCTS did not comply with the terms of MOU Amendment No. 3.

- **Advance Beauty College**
  - The MOU is between Highlands Community Charter School and the Landlord. This excludes operations for CICA at the location.
  - The District has reviewed the Enrollment Reports for CICA for the 2024-25 school year and noted that there are currently no CICA students enrolled at the "Westminster" location. Therefore, CICA has not violated the terms of the MOU Amendment No. 3 for this location.
  - The District finds that this location does not fit the description provided by HCCTS for "External CTE" programs. The MOU states that use of the property is for *"...sole purpose of operating an English Language Development and/or High School Diploma and Career Technical Education programs"*. The District interprets this to mean that HCCTS is providing instruction at the location and that it is therefore not an "External" program.

Action Required:

- **Asher College**
  - To prevent further corrective actions, the District requires that HCCTS submit a written request, including relevant background information regarding the changes, lease agreements, budgetary documentation, and a description of the operations established at the locations. Consistent with MOU Amendment No. 3, the District will review the documentation to determine whether a Material Revision is required in order to approve these changes.
  - HCCTS should remove this location as a "External CTE" program for two reasons:
    - HCCTS states that External CTE programs are available to both CICA and HCCS students. This location is not approved for CICA.
    - The MOU states that the Charter school has agreed to a "joint-use" agreement which indicates that HCCTS is providing instruction at the location and therefore excludes the location as an "External" program.

- **Advance Beauty College**
  - If HCCTS desires to add this as a location for CICA, HCCTS must follow the terms of the MOU and submit *a written request to the District for approval of the change(s). The written request should include relevant background information regarding the proposed change(s)...*" This is necessary for the District to determine "*whether the proposed change(s) constitutes a material revision requiring District Board approval.*"
  - HCCTS should remove this location as a "External CTE" program for two reasons:
    - HCCTS states that External CTE programs are available to both CICA and HCCS students. This location is not approved for CICA.
    - HCCTS is providing instruction at the location and therefore excludes the location as an "External" program.

Combined Folsom Locations

- HCCTS represents that they added a location at 10013 Folsom Blvd, Sacramento CA and "combined" this new facility with the existing facility at 10017 Folsom Blvd., Sacramento CA when the Folsom 2 location at 9555 Folsom Blvd, Sacramento, CA 95827 was closed.
- HCCTS enrollment reports show that students are present at this site used for both HCCS' and CICA's education program operations.

District Findings:

- The District finds that this change in location was no approved prior to establishment of operations.
- While the expansion to a building on the same lot as an existing, approved site does not necessarily require a Material Revision, MOU Amendment No. 3 clearly states: "*If Charter School seeks to establish operations at one or more additional locations(s) or move any of its existing location(s), including satellite facilities or resource centers, the Charter School must first submit a written request to the District for approval of the change(s). The written request should include relevant background information*

regarding the proposed change(s)..." This is necessary for the District to determine "*whether the proposed change(s) constitutes a material revision requiring District Board approval.*"

- The District finds that HCCTS did not comply with the terms of MOU Amendment No. 3.

Action Required:

- To prevent further corrective actions, the District requires that HCCTS submit a written request for approval of the above-listed change, including relevant background information regarding the change, lease agreements, budgetary documentation, and a description of the operations established at the location(s). Consistent with MOU Amendment No. 3, the District will review the documentation to determine whether a Material Revision is required in order to approve these changes.

Combined Locations at Same Address

- HCCTS indicated that they are combining the two Auburn locations at 4441 Auburn Blvd., Sacramento CA into a single location.
- HCCTS indicated that they are combining the locations at 555 Capitol Mall, Sacramento, CA into a single location.
- HCCTS indicated that they are combining the locations at 8211 Bruceville Road, Sacramento, CA into a single location.
- HCCTS indicated that they are combining the locations at 5655 Hillsdale, Blvd., Sacramento CA into a single location.

District Findings:

- The District will allow the above-listed changes since it is our understanding that these are not new sites, but combining multiple suites and/or building numbers at the same physical address.
- This change will need to be reflected/clarified as part of the future Amendment to the MOU.
- No immediate further action required at this time.

Combined Fulton Ave. Locations

- HCCTS represents that they wish to combine the location at 1100 Fulton Ave., Sacramento CA with the location at 1050 Fulton Ave., Sacramento CA into a single site.

District Findings:

- While these two sites are located very close to each other, they are not on the same property or in the same building.

Action Required:

- HCCTS needs to submit a written request for approval of this change, including relevant background information regarding the changes, lease agreements, budgetary

documentation, and a description of the operations established at the combined site. Consistent with MOU Amendment No. 3, the District will review the documentation to determine whether a Material Revision is required in order to approve these changes.

Combined Edison Avenue with Fair Oaks Blvd.

- HCCTS indicates they wish to combine the Edison (St. Matthew's) location at 2300 Edison Ave., Sacramento, CA with the Fair Oaks location at 2310 Fair Oaks Blvd., Sacramento, CA 95821.

District Findings:

- According to an online map search, these two addresses are approximately 4 miles apart.
- The District does not agree with this change and will keep the addresses separate.

Action Required:

- HCCTS should not combine the two sites in any documentation or communications.
- HCCTS should update this change with the HCCTS Board of Trustees to ensure the Board has up-to-date and accurate information regarding the sites that HCCTS oversees.

"Replacement" Sites – McClellan and McClellan 2 Sites

- HCCS has ceased operations at 3144 Palm St., McClellan Park, CA 95652 and has relocated to 3237 Peacekeeper Way, McClellan Park, CA 95652.
- HCCTS has stated that they do not consider this a "new" location as the lessor, McClellan Park would not renew the lease.
- HCCTS represents that the change does not require the organization to follow the process outlined in MOU Amendment No. 3 to add a facility as they consider this a "replacement" facility.
- Similarly, HCCTS has stated that the McClellan Park lessors are not renewing the lease at 5411 Luce Ave., McClellan Park, CA 95652 and that the organization is planning to relocate this site to another location (not yet determined/identified). HCCTS represents that they will also consider this change a "replacement" facility.

District Findings:

- The MOU Amendment No. 3 includes both of the following HCCS sites:
  - **McClellan** - 3144 Palm Street, Building 826, McClellan Park, CA 95652
  - **McClellan 2** - 5411 Luce Ave, Unit 242, McClellan, CA 95652
- The District finds that the change to the 3237 Peacekeeper Way, McClellan Park, CA 95652. location was not approved prior to establishment of operations.
- The term "replacement" facility is not used in Education Code or the MOU Amendment No. 3.
- The situation described by HCCTS is addressed in the MOU Amendment No. 3 by the following statement: "If Charter School seeks to establish operations at one or more additional locations(s) or move any of its existing location(s), including satellite facilities or resource centers, the Charter School must first submit a written request to the District for approval of the change(s). The written request should include relevant background information regarding the proposed change(s), including, lease agreements, budgetary

documentation, and a description of the operations to be established at the location(s)." This is necessary for the District to determine "whether the proposed change(s) constitutes a material revision requiring District Board approval."
The MOU Amendment No. 3 obligations referenced above, expressly applies to a situation where HCCTS is moving any of its existing location(s).

- The District finds that HCCTS did not comply with this the terms of MOU Amendment No. 3 requirements when establishing operations at the 3237 Peacekeeper Way site.

Action Required:

- To prevent further corrective actions, the District requires that HCCTS submit a written request for approval of the 3237 Peacekeeper Way, McClellan Park location, including relevant background information regarding the changes, lease agreements, budgetary documentation, and a description of the operations established at the location. Consistent with MOU Amendment No. 3, the District will review the documentation to determine whether a Material Revision is required in order to approve this change.
- Comply with the terms of the MOU Amendment No. 3 regarding moving the current McClellan 2/Luce Ave. site to any new location, including the referenced new Peacekeeper location.

Proposed for Closing

HCCTS has indicated that the following locations are "proposed" for closing.

1. El Camino, 4813 El Camino Ave., Suites A and B, Carmichael, CA 95608
2. Fair Oaks 2, 6110 Fair Oaks Blvd., Unit A, Carmichael CA 95608

Action Required:

- Please inform the District at least 30-days before the final date of operations.
- As part of this communication to the District, HCCTS should indicate why it is closing the location and describe where (what other HCCS location) students enrolled at the sites to be closed will now be housed/enrolled and include information about how students will be accommodated at that existing site(s).
- Provide Board agenda/minutes indicating the closure were approved by the HCCTS Board.

Please provide the information and records responsive to this request by **5:00 PM on Friday, May 23, 2025**. Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items.

Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Ryan DiGiulio
Chief Business Official, Twin Rivers Unified School District

Report Suspicious

Hello Kate,

The State Controller's Office does not grant extensions for charter school audits. The extension must be obtained through the chartering entity (sponsoring school district).

Is Twin Rivers Unified School District approving the extension request for Highlands Community Charter and Technical Schools?

Let us know if you have any questions.

Subject: HCCTS Audit Extension Request

Dear Kate Ingersoll,

Due to the number of active audit engagements and requests being fielded by our office we would like for formally request a 30-day extension to our December 15th deadline for the submission of our 2023-2024 audit report. We will continue to work with our Independent audit firm, Edie Bailly, to ensure the timeliness of this report.

Thank you for your consideration.

Sincerely,

Matthew Lemos, Chief Business Official

Kate,

I met with our audit team at Edie Bailly, and they informed me they are done re-reviewing our FY23 data and are still about 2 weeks out from having our FY24 report ready. I would like to request an extension until February 15th to ensure they have the bandwidth to complete the report properly. I can also write an additional letter if needed.

My goal is to have this completed by 1/31/25 and will keep pushing on the team to reach this goal.

I appreciate the consideration.

Report Suspicious

Kate,

I spoke with the senior auditor on the engagement last night; he informed me that due to unforeseen turnover at their national office, it had been delayed until next week. I have been and will continue to check in with them daily for any updates, but the promise given to me was next Friday at the latest.

Kate,

I spoke with our independent auditors last night, and they confirmed the final report was under review by their national office, but they would not commit to delivery by Friday. I reiterated the urgent need to complete this process and will keep you up to date on any information received.

Kate,

I met with our audit team at Edie Bailly, and they informed me they are done re-reviewing our FY23 data and are still about 2 weeks out from having our FY24 report ready. I would like to request an extension until February 15th to ensure they have the bandwidth to complete the report properly. I can also write an additional letter if needed.

My goal is to have this completed by 1/31/25 and will keep pushing on the team to reach this goal.

I appreciate the consideration.

Hello Kate,

The State Controller's Office does not grant extensions for charter school audits. The extension must be obtained through the chartering entity (sponsoring school district).

Is Twin Rivers Unified School District approving the extension request for Highlands Community Charter and Technical Schools?

Let us know if you have any questions.

Report Suspicious

Hello,

@Matthew Lemos thank you for adding me to the update.

As previously mentioned by Matthew, our target was to have a draft by today (2/28), and unfortunately, we will not meet that deadline. The Highlands team has provided us with all of our final requests; however it has taken more time that anticipated to finalize everything on our end. For a realistic timeline, we can expect to have a draft Tuesday or Wednesday next week and final issuance shortly after that.

I appreciate all of your patience and consideration as we work to finalize the report. If anything is

needed please do not hesitate to reach out.

Best,

Jonathan Clement, CPA

Report Suspicious

Kate,

I hope this finds you well!

In wanting to keep you updated regarding the 23-24 audit status, the process has taken longer than expected, which is on our end, and Highland has been doing everything they can to assists us during this process. With all the additional external reviews that are still on-going for HCCTS, we are required to consider the impact these reviews have and consult with our National Office and we are working to navigate that process as efficiently as possible. Thank you for your patience with the delay on the audit and we expect to have this completed before the end of the month.

If there are any questions or if anything is needed, please do not hesitate to reach out.

RE: Request for Information – Independent Financial Audit Report

Dear Mr. McGuire:

The Twin Rivers Unified School District ("District") is the authorizing entity for the Highlands Community Charter School ("HCCS") and California Innovative Career Academy ("CICA") operated by Highlands Community Charter and Technical Schools ("HCCTS"). As the authorizing entity the District is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

California Education Code 47605 (m) states a charter school shall transmit a copy of its annual, independent financial audit report for the preceding fiscal year, as described in subparagraph (I) of paragraph (5) of subdivision (c), to its chartering authority, the Controller, the county superintendent of schools of the county in which the charter school is sited, unless the county board of education of the county in which the charter school is sited is the chartering authority, and the department by December 15 of each year.

HCCTS requested an extension to the above-mentioned December 15 deadline, which was granted with an updated deadline of January 15, 2025. HCCTS failed to meet the January 15 deadline and requested multiple extensions with the most recent request for an extension to the "end of the month", which the District interprets this to mean March 31, 2025. The District notes the extenuating circumstances, involving multiple audits, which are undoubtably impacting this report and therefore grants this extension request.

Please note any further extensions will not be granted as the report will be more than three (3) months overdue.

Action Required

- HCCTS must submit their annual independent financial audit report for June 30, 2024 by no later than March 31, 2025 to Twin Rivers Unified School District, the State Controller, and the Sacramento County Office of Education.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Ryan DiGiulio

RE: Notice of Concern– 2023-24 Independent Financial Audit Report

Dear. Mr. McGuire:

The Twin Rivers Unified School District ("District") is the authorizing entity for the Highlands Community Charter School ("HCCS") and California Innovative Career Academy ("CICA") operated by Highlands Community Charter and Technical Schools ("HCCTS"). As the authorizing entity the District is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

On March 19, 2025 the District sent a request for information regarding the 2023-24 independent financial audit report. California Education Code 47605 (m) states a charter school shall transmit a copy of its annual, independent financial audit report for the preceding fiscal year, as described in subparagraph (I) of paragraph (5) of subdivision (c), to its chartering authority, the Controller, the county superintendent of schools of the county in which the charter school is sited, unless the county board of education of the county in which the charter school is sited is the chartering authority, and the department by December 15 of each year.

HCCTS requested an extension to the above-mentioned December 15 deadline, which was granted with an updated deadline of January 15, 2025. HCCTS failed to meet the January 15 deadline and requested multiple extensions with the most recent request for an extension to March 31, 2025. In the District's March 19 letter, HCCTS was notified that any additional extensions would not be granted.

Physical Address: 5115 Dudley Blvd. • McClellan, CA 95652
Mailing Address: 3222 Winona Way • North Highlands, CA 95660
(916) 566-1600 • FAX (916) 566-1784 • www.trusd.net

As of the date of this letter, the District has not received the 2023-24 independent financial report. HCCTS must comply with the action outlined below to prevent further, corrective actions.

Action Required

- HCCTS must submit their annual independent financial audit report for June 30, 2024 by no later than April 18, 2025 to Twin Rivers Unified School District, the State Controller, and the Sacramento County Office of Education.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Ryan DiGiulio
Chief Business Official, Twin Rivers Unified School District

Subject: RE: HCCTS - ADA Corrections 22-23
Date: Thursday, April 17, 2025 11:15:44 AM
Attachments: image001.png

Hello Matthew,

TRUSD has CICA & HCC's 22-23 P-2 Corrections for AN R3 to certify and move forward to SCOE and then CDE.

I have agreed the CDE PADC to the Attendance Summary reports. Additionally for CICA, I have confirmed the ADA reduction for the Independent Study ratio excess. All items agree to supporting reports. TRUSD will move both CICA & HCC's 22-23 P-2 Corrections for AN R3 forward to SCOE.

I know CDE does not require a P1 ADA revision but what about PAnnual for 22-23?

When should we except the 23-24 ADA revisions and also 24-25's P2 ADA. Thank you.

Subject: NOC - 2023-24 Independent Financial Audit Report

Dear Mr. DiGiulio,

On April 7, 2025, HCCTS received a notice of concern regarding the independent financial audit report for the 2023-24 school year.
HCCTS is fully committed to completing and submitting the audit report as quickly as possible.

In March 2025, the State Controller's Office began a review of Eide Bailly's 2022-23 HCCTS Audit, and for this reason, HCCTS's independent financial audit report was paused.

In April 2025, Eide Bailly resumed the final review of workpapers and the final drafting of the report following the recommendations of the State Controller's Office and the State Auditor's Office.

Based on Eide Bailly's timeline, a final draft will be available by the end of next week, with final review and approvals completed during the week of April 28th. Upon receipt of the final draft, we will submit it to TRUSD no later than May 5, 2025.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

RE: Notice of Concern– 2023-24 Independent Financial Audit Report, May Extension

Dear. Mr. McGuire:

The Twin Rivers Unified School District ("District") is the authorizing entity for the Highlands Community Charter School ("HCCS") and California Innovative Career Academy ("CICA") operated by Highlands Community Charter and Technical Schools ("HCCTS"). As the authorizing entity the District is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

On March 19, 2025 the District sent a request for information regarding the 2023-24 independent financial audit report. California Education Code 47605 (m) states a charter school shall transmit a copy of its annual, independent financial audit report for the preceding fiscal year, as described in subparagraph (I) of paragraph (5) of subdivision (c), to its chartering authority, the Controller, the county superintendent of schools of the county in which the charter school is sited, unless the county board of education of the county in which the charter school is sited is the chartering authority, and the department by December 15 of each year.

HCCTS requested an extension to the above-mentioned December 15 deadline, which was granted with an updated deadline of January 15, 2025. HCCTS failed to meet the January 15 deadline and requested multiple extensions with the most recent request for an extension to March 31, 2025.

Physical Address: 5115 Dudley Blvd. • McClellan, CA 95652
Mailing Address: 3222 Winona Way • North Highlands, CA 95660
(916) 566-1600 • FAX (916) 566-1784 • www.trusd.net

When HCCTS missed the March 31 deadline, the District sent a follow-up Notice of Concern dated April 7, 2025, which outlined a deadline of April 18, 2025. On April 21, 2025 HCCTS sent the enclosed letter which provided an update on the progress made towards finalizing the 2023-24 audit report. In the April 21 letter, HCCTS explained that in March the State Controller's Office began a review of Eide Bailly's 2022-23 HCCTS Audit, which resulted in a pause of progress. HCCTS explained that Eide Bailly resumed the review in April and informed the District that the final draft would be submitted to the District no later than May 5, 2025.

The District appreciates the update and the summary of actions taken by Eide Bailly and the State Controller's Office. Considering that the HCCS is waiting on an auditor the District agrees to further extend the deadline to May 5, 2025.

Action Required

- HCCTS must submit their annual independent financial audit report for June 30, 2024 by no later than May 5, 2025 to Twin Rivers Unified School District, the State Controller, and the Sacramento County Office of Education.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Ryan DiGiulio
Chief Business Official, Twin Rivers Unified School District

Hello Kate,

Thank you for your quick response! Another question, do you know if the reason for the delay is due to the auditor and/or HCCTS? In an email from Matthew Lemos on February 21, he states there was unforeseen turnover at the national office and the audit was delayed for a week. Just wanted to find out if that is still the same reason their audit report is delayed.

Kate,

I spoke with the senior auditor on the engagement last night; he informed me that due to unforeseen turnover at their national office, it had been delayed until next week. I have been and will continue to check in with them daily for any updates, but the promise given to me was next Friday at the latest.

Subject: RE: [EXTERNAL] FW: HCCTS Audit Extension Request

Hello Kate,

The State Controller's Office does not grant extensions for charter school audits. The extension must be obtained through the chartering entity (sponsoring school district).

Is Twin Rivers Unified School District approving the extension request for Highlands Community Charter and Technical Schools?

Let us know if you have any questions.

Thank you,

Subject: CALPADS Reporting Errors 2023-24 TRUSD Reply to February 27, 2025 Response

Dear Ms. Carreon,

On March 24, 2025, HCCTS received a follow-up letter from TRUSD regarding CALPADS reporting errors and the two proposed options for our school type to be selected: change the school type to Adult Education, keep the adult education credentials, and receive adult education funding or keep the traditional K-12 school type, change the credential type to single subject or multi-subject teaching credentials for all teachers, and continue to receive K-12 funding.

HCCTS is a K-12 adult-serving charter school. HCCTS leadership is actively working on the process for our teachers to obtain single-subject or multiple-subject credentials. We are also hiring new teachers who currently hold the appropriate credentials required for K-12 adult-serving schools.

On April 3, 2025, HCCTS presented to the Board of Directors the academic calendar for the 2025-2026 school year. In the proposed calendar, the school will not be in session in July, allowing HCCTS teachers to initiate this process as soon as possible before the start of the 2025-2026 academic year.

HCCTS teachers are currently submitting their official transcripts to the credentialing team at HCCTS for review and evaluation. All teachers are required to submit transcripts by April 11, 2025. HCCTS will utilize the May professional development days on May 5-6, 2025, to make progress on teacher credentialing requirements for a K-12 Adult-serving charter school.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Re: CALPADS Reporting Errors 2023-24
TRUSD Reply to February 27, 2025 Response

As the authorizing entity for the Highlands Community Charter School ("HCCS") and the California Innovative Career Academy ("CICA") operated by Highlands Community Charter and Technical Schools' ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS regarding compliance with the approved Charters, the Memorandum of Understanding between the District and HCCTS regarding each Charter School's operations and oversight, and compliance with laws applicable to charter schools.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this letter is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

By email correspondence from the Commission on Teacher Credentialing ("CTC") Assignment Monitoring Program dated December 23, 2024, the District was notified that all HCCTS' exceptions identified as CALPADS reporting errors for the 2023-24 monitoring cycle would be reflected as *Misassigned* in the final data reported to the California Department of Education ("CDE"). On January 17, 2025 the District sent a notice to HCCTS outlining two options for your consideration to address CALPADS reporting errors and ensure educator assignments are reported correctly in CALPADS.

During a meeting between HCCTS and the District on February 27, 2025, HCCTS provided an 8-page response to the District's January 17 letter. Included in HCCTS' February 27 response was an email from Nancy Mora, Credential Technician, San Diego County Office of Education ("SDCOE") in which Ms. Mora stated that "single subject and multiple subject credentials: do not authorize teaching in an adult setting". The District has followed-up with the CTC and requested clarification surrounding HCCTS' credential reporting and the guidance HCCTS received from the SDCOE. Enclosed with this letter is CTC's response dated March 11, 2025, which specifically states that Ms. Mora's statement was not accurate.

While the District respects Ms. Mora's interpretation as a representative of the SDCOE, we defer to the CTC as the authority to make the final determination on credential monitoring outcomes.

On March 17, 2025 the District received a similar communication from HCCTS restating the information which was previously communicated regarding Ms. Mora from SDCOE.

As outlined in CTC's communication, HCCTS is out of compliance for both HCCS and CICA because the schools are on record with the California Department of Education ("CDE") as a traditional, K-12 school, which does not authorize an adult education teaching credential to be the teacher of record in a general education K-12 assignment. If a plan to address the compliance errors is not put into place, it may negatively impact HCCS' and CICA's standing with the District, potentially resulting in the need to take more elevated actions by the District which may include issuance of a Notice of Violation. Based on guidance we have received from the CTC, the District reiterates that we believe HCCTS should no longer continue staffing courses listed in CALPADS as traditional K-12 with adult education credential holders. As the Monitoring Authority, we request that you consider one of the options outlined below to address the CALPADS reporting errors and ensure educator assignments are reported correctly in CALPADS:

Option #1: Change the school type to Adult Education and adopt a traditional Adult Education Center program. This recommendation will allow HCCTS to retain many of its adult education teachers as long as they are assigned to courses their credential authorizes them to teach. The Charter School would also not be subject to the same monitoring process through CalSAAS.

Option #2: Keep the K-12 Traditional school type and ensure teaching staff are appropriately credentialed for the courses assigned. Options to correct a misassignment include: removing the educator from the assignment and replacing with an individual who is legally authorized, or have the educator apply for a document that authorizes the assignment, or legally authorize them via a Local Assignment Option, if applicable. This recommendation will require HCCTS to staff with fully credentialed teachers as very few of its teachers hold teaching credentials that authorize K-12 public school instruction.

Alternatively, HCCTS needs to provide the District with legal verification from CTC confirming that HCCTS' may continue staffing courses listed in CALPADS as traditional K-12 with adult education credential holders.

Information Request – Action Needed

- Provide a response indicating which of the above options, or other course of action HCCTS intends to implement and HCCTS' plan outlining actionable steps and implementation timelines.

Within ten (**10) calendar days** from the date of this letter, please provide a timeline for when HCCTS expects to provide the information responsive to this request. Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above.

Sincerely,

Gina Carreón
Chief Human Resources Official, Twin Rivers Unified School District.

Subject: Notice of Concern/ Request for Information - Teacher Credentialing, Misassignments, Budget Reporting, and Academic Concerns TRUSD Requests regarding HCCTS' Response Dated October 24, 2024

Dear Ms. Carreon,

On February 28, 2025, HCCTS sent a letter to TRUSD to reaffirm our unique role as a K-12-funded and adult-serving institution. In our response, we provided supporting evidence that HCCTS continues to follow the teacher credentialing guidelines established by the San Diego County Office of Education (SDCOE) and the California Commission on Teacher Credentialing (CTC).

In the correspondence from Ms. Nancy Mora at SDCOE, it was clarified that HCCTS teachers must have adult education credentials. Single-subject credentials do not authorize teachers at HCCTS to teach adult students in a K-12 school. HCCTS requires all teachers to obtain the appropriate adult education teaching credentials as recommended by SDCOE and CTC.

HCCTS complies with AB 1374, and any future changes in the law-related credentialing will be met with full collaboration.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

Commission on Teacher Credentialing

651 Bannon St., Suite 601 Sacramento, CA 95811 www.ctc.ca.gov
Certification Division

DATE: March 10, 2025

TO: Dr. Steven Martinez
Superintendent, Twin Rivers Unified School District

SUBJECT: Certificated Educator Assignment Expectations

Employers have a legal obligation to appropriately assign educators in certificated positions. Pursuant to Education Code §44830, "*The governing board of a school district shall employ for positions requiring certification qualifications, only persons who possess the qualifications for those positions prescribed by law.*" Education Code §47605 provides that teachers in charter schools must hold the Commission-issued document required for the teacher's certificated assignment, and the documents must be maintained on file at the charter school as they are subject to periodic inspection by the school's chartering authority. Education Code §44258.9 provides that assignments at a charter school are monitored by the school's chartering authority. Therefore, Twin Rivers Unified School District is the entity responsible for monitoring certificated educator assignments at Highlands Community Charter, California Innovative Career Academy, and nine other charter schools. Twin Rivers Unified School District's statutory responsibilities related to certificated educator assignments, include:

- Annually monitor educator assignments in the California Statewide Assignment Accountability System (CalSAAS)
- Year-round assignment review to assure any misassignments are corrected within 30 calendar days of identification
- Provide assistance and training to charter schools to ensure employees have appropriate credentials for their certificated positions
- Address complaints related to certificated educator misassignments

The California Department of Education (CDE) website confirms that Highlands Community Charter and California Innovative Career Academy are on record as K-12 public schools. A general education course in a K-12 school requires the educator to hold a Single Subject teaching credential, or comparable document, with an authorization that aligns with the content area. A K-12 assignment in which the educator teaches all or most subjects to the same group of students requires a Multiple Subject teaching credential. A Designated Subjects Adult Education teaching credential issued by the Commission does *not* authorize providing instruction in a K-12 setting, rather it authorizes the holder to provide instruction in the subject area on the credential in courses limited to adult education programs.

Data resulting from assignment monitoring within CalSAAS for the 2023-24 school year have identified misassigned educators at charter schools under Twin Rivers' authority, who do not hold a teaching credential legally authorizing them to provide instruction in the program in

which they were reported. Twin Rivers Unified School District must address these identified misassignments by ensuring that the educator is not serving in the same assignment for the 2024-25 school year. Options to correct a misassignment include: removing the educator from the assignment and replacing with an individual who is legally authorized, or have the educator apply for a document that authorizes the assignment, or legally authorize them via a Local Assignment Option, if applicable. Twin Rivers may contact the credential analyst at Sacramento County Office of Education for guidance related to appropriately assigning educators.

Report Suspicious

Good Morning Gina Carreón,

The credential required for a certificated educator assignment is dependent on the setting, subject area, and student population. Credentials issued by the Commission are designed for specific settings, for example general education, career technical education or vocational, special education, child development, adult education, etc.

- A currently issued **Single Subject** teaching credential authorizes the holder to teach the subject listed on their document in departmentalized classes in grades 12 and below, including preschool, and in classes organized primarily for adults.
- A currently issued **Multiple Subject** teaching credential authorizes the holder to teach all subjects in a self-contained class in grades 12 and below, including preschool, and in classes organized primarily for adults.
- A currently issued **Designated Subjects Adult Education** teaching credential authorizes the holder to teach the subject area listed on the document in classes organized for adults. This credential does not authorize the holder to teach general education K-12 classes.

The email from San Diego County Office of Education states that "single subject and multiple subject credentials: do not authorize teaching in an adult setting". However, that is not accurate. While the credential was not designed *only* for providing instruction in an adult setting like the Designated Subjects Adult Education teaching credential, both the Multiple Subject and Single Subject teaching credentials authorize teaching in classes for adults in the respective classroom settings as provided above. This is clarified on the Adult Education webpage on the Commission's public website.

Additionally, the email provides that the holder of a preliminary Adult Education teaching credential with Elementary and Secondary Basic Skills (ESBS) authorization is authorized to teach Math in an adult setting. However, this document authorizes the holder to teach elementary/remedial level arithmetic and reading (content designed for grades 1-8), individual high school learning lab/GED/contract class settings, and citizenship, in an adult class. It does not authorize teaching specific subject area courses, such as a higher level math class. This information can be found on the Adult Education FAQs webpage on the Commission's public website.

Both Highlands Community Charter and California Innovative Career Academy have been reporting to the California Department of Education (CDE) that the schools are traditional, K-12 schools, serving students in grades K-12. Therefore, the monitoring of certificated educator assignments reported in CALPADS for these two schools have been assessed in accordance with the requirements for all other K-12 public schools. An Adult Education teaching credential does not authorize the holder to be the teacher of record in a general education K-12 assignment, as was reported in CALPADS. The finalized assignment data submitted to CDE reflects that all assignments reported by the LEA and Twin Rivers Unified as "CALPADS Error" are instead reflected as misassignments in the final data.

Thank you,

Assignment Monitoring Program

Subject: CalSAAS Assignment Monitoring Data for Twin Rivers Unified

You don't often get email from gina.carreon@trusd.net. Learn why this is important

Good morning,

On December 23, 2024 the District received an email from COEassignment@ctc.ca.gov regarding "CalSAAS Assignment Monitoring Data for Twin Rivers Unified" specifically relating to Highlands Community Charter and Technical Schools (HCCTS). This email essentially notified us that all exceptions identified as CALPADS reporting errors for the 2023-24 monitoring cycle will be reflected as Misassigned in the final data reported to the California Department of Education.

To follow-up with the CTC's December 23 email, we contacted HCCTS informing them that we are requiring them to address these errors. HCCTS is disputing the information provided in the your December 23 email. In their response, HCCTS sent us the enclosed letter and supporting documentation. It includes an email which HCCTS says was from Nancy Mora, Credentials Technician from San Diego County Office of Education. Ms. Mora provided guidance and included the CL-697B which contains an overview of AB 1374 regarding requirements for Adult Education Teaching Credentials.

Given the conflicting information provided to the District from HCCTS and Ms. Mora's interpretation of AB 1374, we are emailing to see if the CTC has any different guidance than originally provided on December 2023. We defer to the CTC as the authority to make the final determination on monitoring outcomes. This email is simply to confirm that all exceptions identified as CALPADS reporting errors for the 2023-24 monitoring cycle will still be reflected as misassignments.

Sincerely,

Gina Carreón

Subject: CalSAAS Assignment Monitoring Data for Twin Rivers Unified
Date: Thursday, March 6, 2025 8:17:50 AM
Attachments: 2025.02.27 HCCTS [redacted] Response Letter.pdf
[redacted]

Good morning,

On December 23, 2024 the District received an email from COEassignment@ctc.ca.gov regarding "CalSAAS Assignment Monitoring Data for Twin Rivers Unified" specifically relating to Highlands Community Charter and Technical Schools (HCCTS). This email essentially notified us that all exceptions identified as CALPADS reporting errors for the 2023-24 monitoring cycle will be reflected as Misassigned in the final data reported to the California Department of Education.

To follow-up with the CTC's December 23 email, we contacted HCCTS informing them that we are requiring them to address these errors. HCCTS is disputing the information provided in the your December 23 email. In their response, HCCTS sent us the enclosed letter and supporting documentation. It includes an email which HCCTS says was from Nancy Mora, Credentials Technician from San Diego County Office of Education. Ms. Mora provided guidance and included the CL-697B which contains an overview of AB 1374 regarding requirements for Adult Education Teaching Credentials.

Given the conflicting information provided to the District from HCCTS and Ms. Mora's interpretation of AB 1374, we are emailing to see if the CTC has any different guidance than originally provided on December 2023. We defer to the CTC as the authority to make the final determination on monitoring outcomes. This email is simply to confirm that all exceptions identified as CALPADS reporting errors for the 2023-24 monitoring cycle will still be reflected as misassignments.

Sincerely,

Gina Carreón

Subject: HCCTS CALPADS Reporting Errors 2023-24

Dear Ms. Carreon,

On January 17, 2024, HCCTS received a letter from TRUSD regarding CALPADS errors for the 2023-2024 school year, along with two proposed options for our consideration: to change the school type to Adult Education and adopt a traditional Adult Education Center program or keep the K-12 Traditional school type.

HCCTS is categorically unique. While most schools fall under one category of traditional K-12 or Adult Education, HCCTS is definitively both. HCCTS is a K-12 school that serves adult students 22 years old and older. HCCTS will continue serving adult students as outlined in the HCCS and CICA charter petitions which were approved by TRUSD.

As it pertains to teacher credentialing, HCCTS has followed the recommendations of the San Diego County Office of Education (SDCOE) and the California Commission of Teaching Credentialing (CTC).

On October 20, 2023, Nancy Mora at SDCOE sent an email to the former Executive Director of HCCTS, Murdock Smith stating that:

- Single-subject and multiple-subject credentials do not authorize teaching in an adult setting
- Adult education credentials authorize the holder to teach the subjects named on the credential in courses primarily for adults (not authorized to teach K-12)

Ms. Mora provided HCCTS with the California Commission on Teacher Credentialing requirements including the CL-697B which contains an overview of AB 1374 regarding requirements for Adult Education Teaching Credentials. As a result of this communication, HCCTS took the following actions:

- All new HCCTS teachers were required to obtain an Adult Education Teaching Credential
- All current HCCTS teachers with a sigle or multi-subject credential were required to obtain an adult education teaching credential
- HCCTS stopped reimbursing teachers for single-subject teaching credentials

HCCTS is and continues to be in compliance with AB 1374. Currently, the request by TRUSD is in direct contrast with SDCOE and CTC's requirements. If the CTC requirements for teacher credentialing change, HCCTS will comply with any new legislation that we might receive.

Attached you will find the email correspondence and the CL-697B leaflet.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

Good afternoon Doc,

It was a pleasure speaking with you today about your adult education credential educators. To clarify authorizations here is a summary:

- single subject and multiple subject credentials: do not authorize teaching in an adult setting
- adult education credentials: authorize the holder to teach the subjects named on the credential in courses primarily for adults (not authorized to teach K-12)

One of the academic subjects that can be verified and listed on an adult education credential, and that most of the HCCTS candidates have, is Elementary and Secondary Basic Skills (ESBS). That subject authorizes the candidate to teach basic K-8 education, arithmetic, reading, GED, citizenship to adults.

Based on the conversation held with your reviewer and educator, it is possible that a confusion/breakdown in language or terminology caused the concern. Mr. Cooc holds a preliminary AE:ESBS (along with Social Science and English) credential so he is authorized to teach math in an adult setting.

I've attached the CTC's CL-697B leaflet, which outlines the requirements and authorizations for an adult education credential, for your reference.

Please do not hesitate to contact me if you have additional questions.

Happy Friday!

Nancy Mora

DESIGNATED SUBJECTS ADULT EDUCATION TEACHING CREDENTIALS

Introduction:

Based on AB 1374, effective January 1, 2011, Designated Subjects Adult Education Teaching Credentials may be issued to individuals who meet the requirements for either the preliminary or clear credential as outlined below. All applications must be submitted for processing through a Commission-approved program sponsor accredited under the adult education program standards approved in November 2010. The option of submitting applications through an employing school district will no longer be available for adult education credential applications with a requested issue date of January 1, 2011 or later. See the Commission website for a list of Commission-approved program sponsors.

Authorization:

The Preliminary or Clear Designated Subjects Adult Education Teaching Credential authorizes the holder to teach the subjects named on the credential in courses organized primarily for adults. In addition, the holder may serve as a substitute in courses organized primarily for adults for not more than 30 days for any one teacher during the school year. Designated Subjects Adult Education Teaching Credentials are issued to individuals who meet the requirements listed below and are recommended by a Commission-approved program sponsor.

Requirements for the Preliminary Credential:

1. Three years of experience and/or education directly related to each subject to be named on the credential. (see Terms and Definitions for information regarding the experience requirement for general subjects or the Appendix section ACADEMIC SUBJECTS THAT MAY BE LISTED ON A CREDENTIAL for information regarding the education requirement for academic subjects)
2. High school diploma requirement by one of the following methods:
   a. High school diploma
   b. Diploma based on passage of the GED Test
   c. Foreign equivalent of a high school diploma
3. Satisfy the basic skills requirement. See Commission program leaflet CL-667, entitled Basic Skills Requirement for additional information. Applicants for the Adult Credential in general subjects (see Appendix) are exempt from the basic skills requirement.
4. Verification, signed by the Commission-approved program sponsor, that the applicant has been apprised of the requirements for both the preliminary and clear credentials, including the requirements of the program of personalized preparation
5. Completed application (form 41-4)

6. Completed Live Scan receipt (41-LS), verifying fingerprints have been taken and fees have been paid, unless fingerprint clearance is already on file at the Commission
7. Application processing fee
8. Recommendation by a Commission-approved program sponsor

Requirements for the Clear Credential:

Individuals must satisfy all of the following requirements:

1. Possess a valid California Preliminary Designated Subjects Adult Education Teaching Credential (three-year or five-year)
2. Commission-approved program of personalized preparation
3. Two years of successful teaching on the basis of the Preliminary Designated Subjects Adult Education Teaching Credential in the subject(s) listed on the credential. This is defined as teaching of a minimum of one course in each of four terms within the three-year period of validity of the preliminary adult education teaching credential
4. U.S. Constitution requirement by one of the following methods:

a. Complete a course (at least two semester units or three quarter units) in the provisions and principles of the U.S. Constitution. Submit a photocopy of the course description for evaluation purposes.

b. Pass an examination in the provisions and principles of the U.S. Constitution given by a regionally-accredited college or university

5. Health education, including, but not limited to, the study of nutrition; the physiological and sociological effects of abuse of alcohol, narcotics, and drugs, and the use of tobacco. This requirement must also include training in cardiopulmonary resuscitation (CPR) that covers infant, child, and adult CPR skills.
6. Computer-based technology, including the uses of technology in educational settings
7. Completed application (form 41-4)
8. Application processing fee
9. Recommendation by a Commission-approved program sponsor

Terms and Definitions

Experience: Per Title 5, Section 80034(n), "experience" as it applies to Designated Subjects Adult Education Teaching Credentials means full-time or part-time experience directly related to the subject to be named on the credential.

Experience may be paid or not paid. No more than one year of experience shall apply toward meeting designated subjects credential requirements during any twelve calendar month period. 1000 clock hours shall be the minimum required for each year of experience. Part-time experience may be cumulated to equate to the required 1000 clock hours of experience.

Verification of experience means written confirmation of the applicant's qualifying experience, signed by the applicant's past or present employer(s) on company letterhead that attests to and/or includes all of the following:

1. Employer's name, address, and telephone number
2. The working relationship of the person signing the verification to the applicant
3. Beginning and ending dates of employment
4. Complete description of duties
5. A statement as to whether or not the employment was full-time (If employment was less than full-time, an accounting of the number of hours the applicant was employed is required.)

If the applicant was self-employed or if the applicant's experience was avocational, verification shall include a statement, signed by the applicant under penalty of perjury, detailing the information described in 1–5 above, and must be further substantiated, in writing, by other person(s) having first-hand knowledge of the applicant's self-employment or avocation, such as the applicant's accountant, major supplier of goods, or major user of goods or services.

Applicants for the Three-Year Preliminary Adult Education Teaching Credential in a general subjects area must have at least one year of actual work experience directly related to the subject to be named on the credential. At least one year of the required work experience must be within the last five years, or two years within the last ten years, immediately preceding the issuance of the preliminary credential.

One year of teaching experience earned while holding a general education teaching credential may be accepted toward the three years of experience required to qualify for the Three-Year Preliminary Adult Education Teaching Credential in a general subjects area. Also, an advanced industry certificate may be accepted for one year of the three years of experience required to qualify for the Three-Year Preliminary Adult Education Teaching Credential in a general subjects area, as determined by a Commission-approved program sponsor.

Completion of forty-eight (48) semester units of postsecondary vocational training related to the industry sector(s) named on the credential may be substituted for a maximum of two of the three years of required work experience. The course work must be verified by official transcript and may be made on a pro rata basis up to the two-year maximum.

Transition from Full-Time/Part-Time Credentials

Holders of Life or Clear Designated Subjects Adult Education Teaching Credentials issued under previous regulations may choose to either maintain their documents or transition to adult education credentials issued under the provisions of AB 1374. Due to significant changes to the program standards and structure, the holder of a Life or Clear Designated Subjects Adult Education Teaching Credential issued under previous regulations may not qualify initially for the Clear Adult Education Teaching Credential under the new program standards and may be required to first obtain the Three-Year Preliminary Adult Education Teaching Credential.

Holders of Five-Year Preliminary (Full-Time or Part-Time) Adult Education Teaching Credentials seeking to reactivate their credential must qualify for an adult education credential issued under the provisions of AB 1374 and should contact a Commission-approved program sponsor for assistance.

Reference:

Title 5, California Code of Regulations, Sections 80034, 80034.5, 80036, 80036.1, 80036.2, 80036.3, 80036.5, 80040.2, 80040.2.5, 80040.2.7, and 80567

Appendix

GENERAL SUBJECTS (NON-ACADEMIC) THAT MAY BE LISTED ON A CREDENTIAL

The program sponsor may only recommend for Designated Subjects Adult Education Teaching Credentials in subjects that fall within the categories below. Requested subjects that do not appear below will be placed within an existing subject area, where appropriate. Additional subjects may be added in time to accommodate new or emerging subjects.

Personal Development: General Subject To Be Named On The Credential

Art – includes the subject areas: Adaptive Art and Crafts (Adults with Disabilities), Arts and Crafts, Creative Arts (Older Adults), Decorative Arts, Interior Design, Performing Arts (Older Adults)

Health and Safety– includes the subject areas: Adaptive Physical Education (Adults with Disabilities), Cardiopulmonary Resuscitation, First Aid, Environmental Safety, Health Education, Health (Older Adults), Health (Adults with Disabilities), Physical Fitness (Older Adults), Nutrition, Physical Fitness/Conditioning, Safety (Older Adults), Safety Education

Family Education– includes the subject areas: Adaptive Computer Technology (Adults with Disabilities), Childbirth Education, Communication Skills, Clothing Construction, Dietetics/Food Management, Food Preparation, Family Management, Home Management, Human Development, Interior Design, Nutrition, Parent Education, Public Affairs, Self-Maintenance (Older Adults), Self-Maintenance (Adults with Disabilities)

Financial Literacy– includes the subject areas: Consumer Education Retirement Planning

Career Technical Education: General Subject To Be Named On The Credential

Agriculture and Natural Resources– includes the subject areas: Agriculture

Arts, Media, and Entertainment– includes the subject areas: Commercial Photography

Building and Construction Trades

Business and Finance– includes the subject areas: Bookkeeping and Accounting, Business Management, Financial Services, Information Processing/Keyboarding, Office Occupations, Small Business Ownership/Management

Education, Child Development, and Family Services– includes the subject areas: American Sign Language, Career Development, Language Interpreter

Energy, Environment, and Utilities

Engineering and Architecture

Fashion and Interior Design

Health Science and Medical Technology– includes the subject areas: Health Occupations, Nursing

Hospitality, Tourism, and Recreation

Information and Communication Technologies– includes the subject areas: Computer Applications, Computer Programming, Computer Systems Operations, Computer Technology

Manufacturing and Product Development– includes the subject areas: Electronics Technology, Industrial Technology, Marine Technology

Marketing, Sales, and Service– includes the subject areas: Marketing, Small Business, Ownership/Management

Public Service– includes the subject areas: Cosmetology, Court Reporting, Law Enforcement Occupations

Transportation- includes the subject areas: Aeronautics

ACADEMIC SUBJECTS THAT MAY BE LISTED ON A CREDENTIAL

The program sponsor may only recommend for Designated Subjects Adult Education Teaching Credentials in the academic subject areas below:

English as a Second Language*

* Credential holder must possess a bachelor's degree or higher completed at a regionally-accredited college or university to include a degree major, certificate, or completion of 20 semester units or 10 upper division semester units in one or any combination of the following:

Teaching English as a Second Language (TESL)

Teaching English to Speakers of Other Languages (TESOL)

Second Language Acquisition

Language other than English

Linguistics

Bilingual/Bicultural studies

Elementary and Secondary Basic Skills-(includes basic education in grades 1–8)†: Arithmetic, Reading, Individualized high school learning lab/G.E.D./contract class settings, Citizenship

† Credential holder must possess a bachelor's degree or higher completed at a regionally-accredited college or university and completion of 20 semester units with at least 3 units in four of the following six areas:

English

Mathematics

Science

Social Sciences

Fine Arts

Language other than English

Languages Other than English (specify)**

English**

Fine Arts**

Life Science, including General Science**

Mathematics**

Physical Science, incl. General Science**

Social Sciences**

** Credential holder in these areas must possess have a bachelor's or higher degree completed at a regionally-accredited college or university and completion of 20 semester units or 10 upper division semester units in the subject to be taught.

Re: Highlands Community Charter and Technical Schools CALPADS Reporting Errors 2023-24

As the authorizing entity for the Highlands Community Charter and Technical Schools' ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this letter is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

By email correspondence from the Commission on Teacher Credentialing ("CTC") Assignment Monitoring Program dated December 23, 2024, the District was notified that all HCCTS' exceptions identified as CALPADS reporting errors for the 2023-24 monitoring cycle will be reflected as *Misassigned* in the final data reported to the California Department of Education ("CDE").

The CDE confirmed that HCCTS is on record as a K-12 school, not an adult school as indicated in the comments of the exceptions. Almost 90% of the exceptions determined as *CALPADS Errors* in 2023-24 had an educator in the assignment that held only an Adult Education Teaching credential, and no other teaching credential that authorizes serving as the Teacher of Record in a K-12 public school. The CTC also notes that most of the educators with assignments determined as *CALPADS Errors* this monitoring cycle were identified as either *CALPADS Errors* or *Misassigned* in the prior cycle. This indicates that assignments continue to be reported inaccurately in CALPADS.

As a result, we believe HCCTS should no longer continue staffing courses listed in CALPADS as traditional K-12 with adult education credential holders, and as the Monitoring Authority, the District presents the following options for your consideration to address CALPADS reporting errors and ensure educator assignments are reported correctly in CALPADS:

Option #1: Change the school type to Adult Education and adopt a traditional Adult Education Center program. This recommendation will allow HCCTS to retain many of its adult education teachers as long as they are assigned to courses their credential authorizes them to teach. The Charter would also not be subject to the same monitoring process through CalSAAS.

Option #2: Keep the K-12 Traditional school type and ensure staff are appropriately credentialed for the courses assigned. This recommendation will require HCCTS to staff with fully credentialed teachers as very few of its teachers hold teaching credentials that authorize K-12 public school instruction.

Information Request – Action Needed

Please provide a response indicating which of the above options, or other course of action HCCTS intends to implement and the plan outlining actionable steps and implementation timelines.

Within ten **(10) calendar days** from the date of this letter, please provide a timeline for when HCCTS expects to provide the information responsive to this request. Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above.

Sincerely,

Gina Carreón

Please take care when clicking links or opening attachments.
Report Suspicious

Good Afternoon Dr. Steven Martinez and Layle Bojanski,

You are being contacted as you are either the CalSAAS Designee or District Superintendent for Twin Rivers Unified School District. Assignment monitoring in the California Statewide Assignment Accountability System (CalSAAS) uses educator assignment data reported to the California Department of Education (CDE) in CALPADS, and checks for the appropriate credential required to teach the content in a K-12 setting. It is expected that a local educational agency (LEA) and its monitoring authority take necessary steps to ensure educator assignments are reported accurately in CALPADS, and any reporting errors are addressed. The number of exceptions associated to Twin Rivers Unified in CalSAAS determined to be CALPADS reporting errors has increased significantly from the 2022-23 monitoring cycle and the 2023-24 monitoring cycle. *CALPADS Errors* for Twin Rivers Unified in 2022-23: 465, and in 2023-24: 528.

A large number of these *CALPADS Errors* are from one school: Highlands Community Charter. Pursuant to Education Code §44258.9, the entity responsible for monitoring certificated educator assignments for a charter school is the school's chartering authority. As such, Twin Rivers Unified is the monitoring authority for Highlands Community Charter. In reviewing the monitoring outcomes resulting from the 2023-24 school year, it was identified that the number of assignments at Highlands Community Charter determined as CALPADS reporting errors also increased significantly from the prior monitoring cycle. *CALPADS Errors* for Highlands Community Charter in 2022-23: 199, and in 2023-24: 252. CalSAAS users for the school have indicated in the comments of the exceptions that Highlands Community Charter is an adult school, however the California Department of Education has confirmed that the school is on record as a K-12 school. Almost 90% of the exceptions determined as *CALPADS Errors* in 2023-24 had an educator in the assignment that held only an Adult Education Teaching credential, and no other teaching credential that authorizes serving as the Teacher of Record in a K-12 public school. Additionally, most of the educators with assignments determined as *CALPADS Errors* this monitoring cycle were identified with either a *CALPADS Error* or *Misassignment* in the prior cycle. Based on the information provided in the system by CalSAAS users for Highlands Community Charter and Twin Rivers Unified, it appears the reporting errors were identified in past monitoring cycles, yet assignments continued to be reported inaccurately in CALPADS the following year.

While the monitoring authority of an LEA is responsible for identifying misassignments during the monitoring cycle in CalSAAS, pursuant to Education Code §44258.9(e)(5), the Commission on Teacher Credentialing has the authority to make final determinations on monitoring outcomes. Therefore, this email serves as notice that all exceptions identified as CALPADS reporting errors for the 2023-24 monitoring cycle will be reflected as *Misassigned* in the final data reported to CDE. The changes are now reflected in the reports available in the system to CalSAAS users.

Please reach out to CDE with questions related to reporting requirements for this school, and ensure accuracy in CALPADS reporting for the 2024-25 Fall 2 census data.

FINDINGS AND RECOMMENDATIONS 48

INTRODUCTION

This study, "Highlands Community Charter and Technical Schools Student Attendance Review," was commissioned by Twin Rivers Unified School District, the Local Education Agency with oversight responsibility for the charter and its schools. The review was conducted between May and November, 2024.

This report is divided into four sections.

The "Purpose and Scope of Study" begins on page 2.

The "Background" section, including the history of Highlands Community Charter and Technical Schools and its two schools, Highlands Community Charter School and California Innovative Career Academy, begins on page 4. This section includes the background of the organization, its organizational structure and programs, previous and current concerns about the organization, and its procedures for recording and reporting student attendance.

The "Overview of Observations and Findings" section begins on page 24, and reviews practices versus procedures in student attendance, and issues raised through this review. It includes some suggestions that do not raise to the level of a finding.

The "Findings and Recommendations" section begins on page 48.

Dennis Snelling, CFE, Consultant, Retired Associate Superintendent-Business Services
Rocklin, California

PURPOSE AND SCOPE OF STUDY

Twin Rivers Unified School District (TRUSD) is the Local Educational Agency (LEA) authorized to provide oversight of two charter schools, Highlands Community Charter School (HCCS) and California Innovative Career Academy (CICA). Both HCCS and CICA are charter schools operated by Highlands Community Charter and Technical Schools (HCCTS), a non-profit public benefit corporation. TRUSD became aware of attendance and enrollment-related complaints and concerns directed at HCCTS in public meetings and reported in media outlets. Because TRUSD has oversight responsibility over HCCTS, the charter school was notified on February 23, 2024 that a review of enrollment and attendance practices would be conducted by a consultant.

Twin Rivers Unified School District contracted with Dennis Snelling (Consultant) on April 16, 2024 to conduct a study encompassing both HCCS and CICA.

Twin Rivers Unified School District retained the Consultant as an independent contractor to provide professional services on behalf of the district at HCCTS, HCCS and CICA as follows:

Evaluate attendance practices for charter schools Highlands Community Charter School (HCCS) and California Innovative Career Academy (CICA) and review substantiation for attendance apportionment claimed by the charters from the state of California. Evaluate enrollment and attendance practices for the charter schools (HCCS/CICA) to determine if enrollment/attendance demonstrates that students who drop, dis-enroll, or are absent agree to the enrollment and attendance records.

Evaluate instructional day school calendars offered for the charter schools (HCCS/CICA).

Evaluate instructional minutes offered by the charter schools (HCCS/CICA).

Evaluate pupil-to-teacher ratios for the charter schools (HCCS/CICA).

Evaluate Independent Study student work product for the charter schools (HCCS/CICA) and confirm that student work product samples represent attendance claimed and that student engagement records are maintained.

Review and evaluate internal controls for the taking and reporting of student attendance for the charter schools (HCCS/CICA).

Meet with appropriate current and former district/charter school staff, as needed, to assess attendance practices and related concerns.

Review and consider any studies, reports, evaluations, or audits related to charter school (HCCS/CICA) attendance as necessary.

Communicate findings and recommendations regarding attendance practices, policies and procedures for the charter schools (HCCS/CICA), including a report listing any findings and/or recommendations.

BACKGROUND

History of Highlands Community Charter and Technical Schools (HCCTS)

Highlands Community Charter and Technical Schools is a California non-profit public benefit corporation incorporated on February 6, 2013 and registered with the California Secretary of State as a domestic nonprofit corporation on May 21, 2013. HCCTS first opened Highlands Community Charter School for the 2014-15 school year, and later opened California Innovative Career Academy for the 2019-20 school year. HCCTS is responsible for all aspects of both charter schools' management.

HCCTS and its two schools operate at more than fifty locations in California, renting classroom and office space mostly in or around Sacramento. There are also a handful of locations in the East Bay and Southern California. Some sites provide direct educational services to students while others house administrative functions only. Some locations serve partnerships with outside vendors that provide Career and Technical Education (CTE) programs. Both HCCS and CICA operate under HCCTS' tax identification number and have reported significant enrollment gains every year of operation, gains that accelerated markedly beginning in 2022-23.

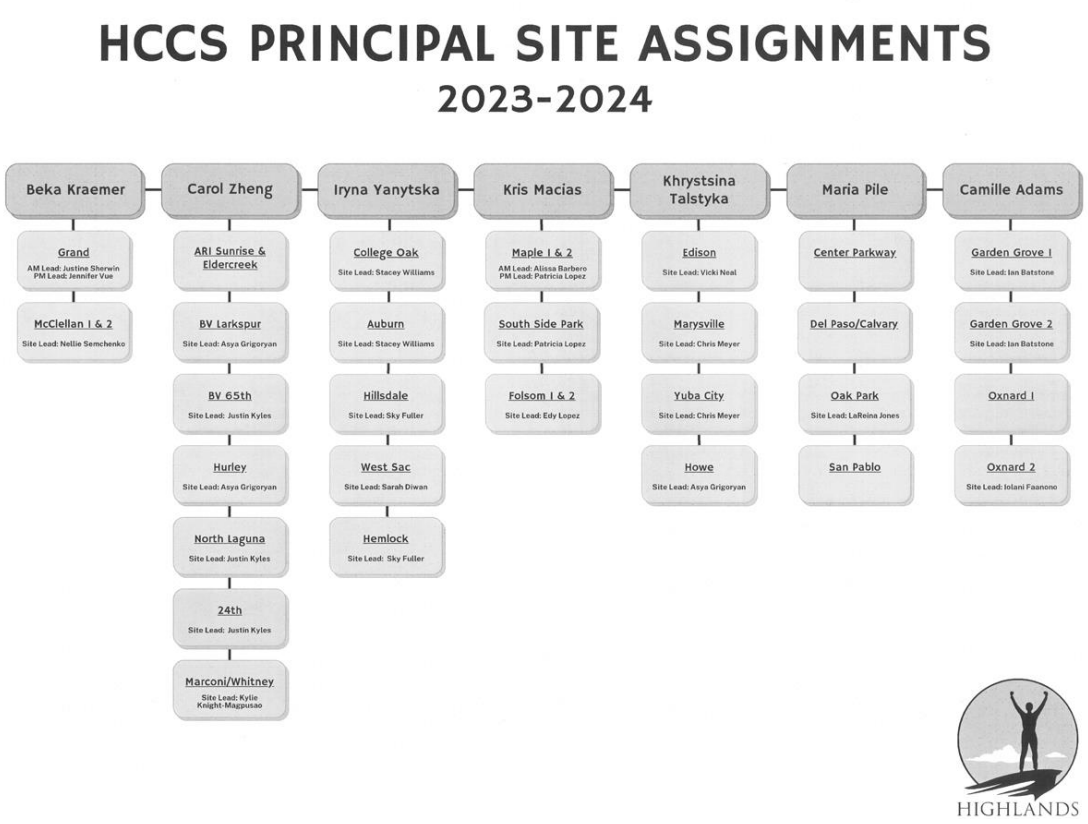
The purpose of HCCTS is to serve the unserved by providing education leading to a high school diploma for adult students age 22 or older, along with elective courses leading to a Certificate of Completion in one of the organization's CTE tracks, providing students the necessary tools to obtain a livable wage job and a future for themselves and their family. HCCTS states that it also offers students additional courses and time beyond the required schedules listed in its Schedule of Instructional Time. Its Motto is "It's Never Too Late!"

HCCTS is overseen by a Board of Directors. At the beginning of the 2024-25 school year, the board members included:

Corporate President: Ernie Daniels
Vice President: Sharon Rocco
Corporate Secretary: Matt Powers
Corporate Treasurer: Sonja Cameron
Board Member: Mary DeChance
Board Member: Rick Jones
Board Member: Mike Reid
Board Member: Mellonie Yang

Administrative Leadership of HCCTS was headed for nine years by Executive Director Murdock Smith. Smith took a leave of absence in May 2024, prior to this study, and Mayra Valdivia was appointed Interim Executive Director. Murdock Smith retired in July 2024 and Bill McGuire, retired Deputy Superintendent of Administrative Services at Twin Rivers Unified, was hired at the HCCTS Board meeting of July 11, 2024 to serve as Executive Director for the period July 24, 2024 to December 31, 2024, with an option to extend an additional six months. Natasha Lutsik serves as Assistant to the Board of Directors.

The table below provides an overview of HCCS Principal Assignments:



California Education Code Sections 47600-47664, also known as the Charter Schools Act of 1992, granted significant guidance for charter schools but did not fully describe the existence of adult-serving charter schools. The legislature later clarified its desire for charter schools to serve adults, provided they do so in a specified form of partnership per California Education Code 47612.1. Based on the terms of the partnership agreements between Highlands Community Charter and Technical Schools and vendors providing Workforce Investment Act services (now known as the Workforce Innovation and Opportunities Act), all students enrolled in HCCS must be ineligible to qualify for youth services, must be 22 years of age or older, and must be served by HCCTS exclusively through one of those partnership agreements. HCCTS enrolls students in its two schools in grades 9, 10, and 12, which are not subject to standardized testing. No students are assigned to Grade 11, which is subject to testing.

HCCTS exclusively enrolls students 22 years of age and older who have not earned a U.S. high school diploma. The program HCCTS operates exhibits many of the characteristics of an Adult Education program—including use of Comprehensive Adult Student Assessment Systems (CASAS) testing. Nevertheless it serves its students by applying aspects of the traditional K-12 educational system, such as utilizing the Local Control Funding Formula (LCFF), the Local Control Accountability Plan (LCAP), and Independent Study.

Audits

An independent audit of HCCTS is conducted annually, as required by California Education Code 41020, and encompasses both HCCS and CICA. Audits for 2021-22 and 2022-23 were reviewed as part of this study. The 2023-24 audit was not finalized at the time this study concluded.

The 2021-22 audit, conducted by Baker Tilly, reported no findings, recommendations or questioned costs.

The 2022-23 audit, conducted by Eide Bailly, noted a missed reporting of right-of-use lease assets and lease liabilities that resulted in the auditor adjusting the financial statements. The auditor recommended that HCCTS evaluate its internal control structure and make changes that would prevent—or detect and correct—misstatements on a timely basis.

That audit also reported an error in the determination of the number of unduplicated students, with HCCS over claiming 20 students and CICA over claiming one student. The audit report findings identified the organization's failure to update the "1.18—FRPM/English Learner/Foster Youth—Student List" CALPADS Report. The finding stated: *the Organization has a policy that allows a ten day grace period before the student's new status is put in effect, and when the "1.18 – FRPM/English Learner/Foster Youth – Student List" was amended the Organization only updated pupils who changed to free and reduced, which did not take into consideration the pupils who changed their status to paid*. The recommendation was that HCCTS ensure that the classification of Free and Reduced students is updated throughout the year.

Since the 2023-24 audit was not yet available at the conclusion of this study, it is unknown whether the prior year audit findings were corrected and the recommendations adopted.

Neither the 2021-22 nor 2022-23 audits reported attendance-related findings or recommendations.

Twin Rivers Unified School District (TRUSD) Oversight

The Charter Schools Act of 1992 was enacted "to provide opportunities for teachers, parents, pupils, and community members to establish and maintain schools that operate independently from the existing school district structure." Charter schools are part of the public school system but differ from traditional public schools because they are exempt from many state laws relating to specific educational programs. Specific goals and operating procedures are detailed in an agreement, or charter petition, between the authorizing agency and the charter school organizers. Charter schools may elect to operate as corporations organized under the Nonprofit Public Benefit Corporation Law of the Internal Revenue Code [26 U.S.C. Section 501(c)(3)].

Although charter schools may offer a more flexible school governance model, accountability for student achievement and fiscal management is similar to that of traditional public schools. The charter authorizing agency is responsible for adequate and appropriate oversight of the

charter. The authorizer may be a school district, county office of education, or the California State Board of Education. Education Code sections 47604.32 and 47604.33 set forth the chartering authority's duties and the charter's financial reporting obligations.

Charters may be revoked by the charter authorizer, in this case TRUSD, for material violations of the charter, failure to meet or make progress toward student outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

The TRUSD provides statutory oversight of HCCS and CICA, and receives one percent of the charter's LCFF revenue for that purpose. The following table presents oversight fees collected by TRUSD from 2020-21 through 2023-24:

	2020-21	**2021-22**	**2022-23**	**2023-24**
CICA	$ 30,130	$ 157,712	$ 443,043	$ 502,791
HCCS	335,873	380,503	727,169	1,012,539
Total	$ 366,003	$ 538,215	$ 1,170,212	$ 1,515,330

In addition Twin Rivers charges the charter schools two percent for facilities use, which in 2023-24 totaled $2,025,078 for HCCS, and $1,005,582 for CICA.

California Education Code 47604.32 documents an authorizer's oversight responsibilities to include providing a district contact person, visiting each charter school at least annually, ensuring that each charter school under its authority complies with all reports required of charter schools by law, including the local control and accountability plan and annual update to the local control and accountability plan required pursuant to Section 47606.5, monitoring the fiscal condition of each charter school under its authority, and providing timely notification to the department if any of the following circumstances occur or will occur with regard to a charter school for which it is the chartering authority:

(A) A renewal of the charter is granted or denied.

(B) The charter is revoked.

(C) The charter school will cease operation for any reason.

HCCTS' charter school petition includes provisions for an annual performance report to the district, which is to include data on its staff, policies, admissions practices, disputes and complaints, and student outcomes using test data. The petition also allows TRUSD to conduct an annual review of all HCCS programs offered and their effectiveness in improving student achievement.

History of Highlands Community Charter School (HCCS)

HCCTS submitted a petition to TRUSD on September 19, 2013 to establish the Highlands Community Charter School (HCCS). The charter school petition was approved by the TRUSD governing board on March 4, 2014 for the term of July 1, 2014 to June 30, 2019. HCCS was subsequently issued Charter Number 1674 by the California Department of Education (CDE). HCCTS and TRUSD entered into an MOU on June 17, 2014, defining oversight duties and obligations of and between the parties. This MOU was updated twice, the last time in January 2024. (MOU Amendment No. 3).

A charter renewal petition was submitted to TRUSD on January 14, 2019, covering the term of July 1, 2019 to June 30, 2024, which was approved by TRUSD on March 5, 2019.

On September 21, 2021, HCCTS and TRUSD entered into a Memorandum of Understanding, amending the renewal petition by extending the length of the agreement to June 30, 2026, as required by the California Legislature. (HCCS Charter Amendment No. 1).

On October 17, 2023, HCCTS and TRUSD entered into a Memorandum of Understanding, again amending the renewal petition by extending the length of the agreement to June 30, 2027, as required by the California Legislature. (HCCS Charter Amendment No. 2).

The school offers one of three placement options: International High School (IHS), Bridge, and Traditional High School (HS). Students who have emigrated from around the world transition to high school completion programs, attending alongside native English speakers. All programs are tuition free and offered exclusively to students aged 22 years and older who do not yet possess a U.S. High School Diploma. Students must also sign up for free Workforce Innovation and Opportunity Act (WIOA) services from CalJOBS.

Originally, HCCS students learning English were enrolled in Adult Elementary Education as Grades 1 or 2, with a focus on English Language Development (ELD). According to the school's Student Accountability Report Card (SARC), this practice changed beginning in 2020-21, when English language learners were enrolled in the IHS program in Grades 9 or 10, with funding rates and annual instructional minutes adjusted to reflect the new designation.

Differences in Elementary vs. High School apportionment per Average Daily Attendance (ADA) and annual required instructional minutes in 2020-21:

	Grades 1-2	Grades 9-12
LCFF Grade Span	$ 7,702	$ 9,329
LCFF Grade Span Adj	801	243
Adjusted Base Grants	$ 8,503	$ 9,572
Mandate Block Grant	$ 16.86	$ 46.87
Required Instructional Minutes	50,400	64,800

HCCS operates a classroom-based program for its adult students lacking a U.S. high school diploma, and/or seeking the opportunity to obtain certifications through various CTE courses offered by the charter school.

As a classroom-based instruction charter school, HCCS is required to ensure students are under the immediate supervision and control of an employee of the charter school who possesses a valid teaching certification in accordance with Education Code 47605.4.

HCCS is required to offer at least 80 percent of its instructional time at the school site (Title 5, California Code of Regulations 11963(b)).

The charter school must require its pupils to be in attendance at the charter school site at least 80 percent of the minimum instructional time required, pursuant to Education Code 47612.5(a)(1).

Education Code 47612(d) requires that charter schools operate no more than five tracks, operate each track for a minimum of 175 days, and each track must offer no less than fifty-five percent of its schooldays each year before April 15. No pupil may generate more than one unit of ADA per day. HCCS operates three tracks, A, B & C, with different starting dates but the same ending date, at the end of June.

The stated mission of HCCS: *We are a diverse community for social justice, serving the unserved, providing access to education, technology, communication, and employment for 21st-century achievers. Through community partnerships, we will build new legacies leading to self-sufficiency and generational change.*

HCCS served 12,112 students in 2022-23, defined as any student attending at least one day from the beginning of the school year to P-2, generating 4,455 ADA as reported to the State. HCCS served 18,106 students in 2023-24, generating 5,923 ADA as reported to the State. Serving 5,994 more students in 2023-24 generated 1,468 additional ADA for HCCS compared to 2022-23.

Below are tables of historical enrollment, based on the HCCS School Accountability Report Card (SARC), and P-2 ADA from State Funding Exhibits:

	2018-19	2019-20	2020-21	2021-22	2022-23
Grade 1	1,608	2,264	N/A	N/A	N/A
Grade 2	88	58	N/A	N/A	N/A
Grade 9	N/A	N/A	2,719	3,103	6,251
Grade 10	N/A	N/A	70	43	27
Grade 12	338	321	436	605	469
Total	2,034	2,643	3,225	3,751	6,749

P-2 ADA (State Funding Exhibits)

2019-20	2020-21	2021-22	2022-23	2023-24
2,001.33	2,549.52	2,647.10	4,455.40	5,923.20

According to the school's 2020-21 SARC, 86% of students were designated as either Grades 9 or 10. By 2022-23, students in grades 9 and 10 had risen to 93% of total enrollment and overall student enrollment had more than doubled. The number of students designated as Grade 12 increased from 436 in 2020-21 to 469 in 2022-23. During the same time period, students designated as either Grade 9 or 10 increased from 2,789 to 6,278.

Equity Initiatives Program

All HCCS students are eligible for participation in the HCCTS Equity Initiatives Program. This program's mission is to increase High School graduation rates of African American Males, Latin X Males, and Women of Color who are 22 years of age and older through use of mentors, skill-building, networking events, and individual-specific career pathways to fulfill the goal of qualifying students for meaningful employment.

Western Association of Schools and Colleges (WASC) Accreditation

The school earned its most recent Western Association of Schools and Colleges (WASC) accreditation on May 8, 2023, which reaffirmed the June 17, 2022 mid-cycle evaluation of its Six-Year Accreditation Status, originally awarded through June 30, 2025. Another visit to determine the next accreditation cycle was conducted in October 2024.

In the accreditation letter dated May 3, 2019, the WASC mid-cycle visit was to determine that the school had:

- Addressed the critical areas for follow-up through the school-wide action plan
- Made appropriate progress on the implementation of the schoolwide action plan
- Improved student achievement relative to the schoolwide learner outcomes and the academic standards.

History of California Innovative Career Academy (CICA)

HCCTS submitted a charter school petition on April 9, 2019 to TRUSD to establish California Innovative Career Academy (CICA) as a separate charter school for the term July 1, 2019 to June 30, 2024. The petition was approved by the TRUSD governing board on June 25, 2019. CICA was subsequently issued Charter Number 2072 by the CDE, and opened on August 12, 2019.

On September 21, 2021, HCCTS and TRUSD entered into a Memorandum of Understanding, amending the petition by extending the length of the agreement with CICA to June 30, 2026, as required by the California Legislature. (CICA Charter Amendment No. 1).

On October 17, 2023, HCCTS and TRUSD entered into a Memorandum of Understanding, again amending the petition by extending the length of the agreement to June 30, 2027, as required by the California Legislature. (CICA Charter Amendment No. 2).

HCCTS and TRUSD entered into a Memorandum of Understanding, defining oversight duties and obligations of and between the parties, which was amended in January 2024. (CICA Charter Amendment No. 3)

CICA operates as a non-classroom based charter school, with instruction delivered via Independent Study (IS). As with HCCS, students are enrolled in Grades 9, 10 or 12 and designated as either in IHS (International High School), Bridge, or High School and, as with HCCS, are assigned to one of three attendance tracks depending on the student's date of enrollment, with all of the tracks sharing the same end date.

Student assignments, and progress, are dictated through an IS Master Agreement, which is to be signed digitally by both the teacher and student prior to the student's first day of enrollment. Students are also assessed for digital literacy in order to ensure the student understands the use of technology required to participate effectively in the Independent Study program. Much of the instruction is provided through on-line curriculum vendors such as Burlington English and Edmentum. At the IHS level, the school offers students the opportunity twice per week to meet in a classroom setting, either in-person or via teleconferencing. Students may also meet with their instructor during weekly office hours. Bridge and High School students generally are assigned one unit of study at a time, with a new IS Master Agreement generated for each unit, which usually lasts four to five weeks. Bridge and High School students generally meet with their supervising teacher on a weekly basis.

Teachers collect and grade coursework, and upload two work samples for students at the end of each learning period. These are stored along with the IS Master Agreement in an app developed in-house in 2022 called "The Brain."

CICA served 5,128 students in 2022-23, defined as any student attending at least one day from the beginning of the school year to P-2, generating 2,737 ADA as reported to the State. CICA served 4,364 students in 2023-24, generating 2,867 ADA as reported to the State. Serving 764 fewer students in 2023-24, CICA reported 130 additional ADA compared to 2022-23.

Shown below is a table of historical enrollment, based on the CICA School Accountability Report Card (SARC), and P-2 ADA from State Funding Exhibits; Note—CICA reports Grades 9 and 10 combined:

	2019-20	2020-21	2021-22	2022-23
Grade 1	28	N/A	N/A	N/A
Grade 2	1	N/A	N/A	N/A
Grade 9 & 10	N/A	5	284	1,542
Grade 12	140	358	499	660
Total	169	363	780	2,202

P-2 ADA (State Funding Exhibits)

2019-20	2020-21	2021-22	2022-23	2023-24
234.29	234.29	1,102.39	2,727.20	2,867.30

CICA's Mission statement:

"We are a diverse community for social justice, serving the unserved, providing access to education, technology, communication, and employment for 21st century achievers. Through community partnerships, we will build new legacies leading to self-sufficiency and generational change.

California Innovative Career Academy students will:

1. Demonstrate measurable achievements each term through assessment.

2. Make progress toward their career goals.

3. Use technology to communicate for personal and academic use.

CICA is proud of our Vision "to eradicate educational inequality."'

Western Association of Schools and Colleges (WASC) Accreditation

The school received its accreditation from the Western Association of Schools and Colleges (WASC) on February 8, 2021, awarded through June 30, 2024. On February 7, 2024, CICA was granted a Six-Year Accreditation through June 30, 2030, with a mid-cycle visit to occur during the 2026-27 school year.

Previous Concerns Brought Forward About HCCTS

In 2018, concerns regarding HCCTS operations were brought to the attention of the Sacramento County Office of Education (SCOE) because of the following:

• The unique nature of Highlands Community Charter School

• The significant increases in student enrollment

• Reports of efforts to eliminate services to specific grades and students with special needs

• Reports of misreporting of average daily attendance (ADA)

• Reports of mischaracterization of attendance and instructional minutes

• Reports of HCCS charging fees

• Concerns regarding operation of locations outside of the district's boundaries

As a result, the Sacramento County Office of Education requested that the Fiscal Crisis and Management Assistance Team (FCMAT) provide for the assignment of professionals to conduct an AB 139 extraordinary audit to examine specific aspects of alleged fraud, misappropriation of funds or other illegal fiscal practices that may have occurred. The FCMAT report did not include CICA since it did not exist at that time.

Although the FCMAT audit did not uncover any intentional fraud or misappropriation of funds by HCCS, there were several "potentially unlawful" practices noted in the report that required correction, and potentially merited sanctions. Material weaknesses were noted, as were

deficiencies in the charter's internal controls and "a control environment that increased the probability of fraud and abuse." (Letter from Sacramento County Office of Education Superintendent of Schools David W. Gordon to HCCTS Board President Ernie Daniels, dated June 7, 2018.)

Upon completion of the study, FCMAT's attendance-related findings included:

- Serving students under age 22 or already possessing a high school diploma in violation of the charter petition, the partnership agreement, and gift of public fund laws
- Serving and collecting apportionment for certain students over age 19 when HCCS may not have qualified for the WIOA statutory exemption
- The Manicure and Cosmetology Program failed to meet the minimum day instructional minutes requirement
- Concerns regarding operation of locations outside of the district's boundaries

The FCMAT report also reviewed potential areas of concern including personnel issues, course offerings, student assessment, improper awarding of credits toward high school graduation, conflicts of interest, unauthorized gifts to students to generate attendance, possible gifts of public funds, and Brown Act violations.

Status of FCMAT Study Attendance Findings at Time of Current Study

- Because the charter schools operate state-wide, there are no issues related to boundaries that limit student enrollment to a particular county or one that is adjoining. The only limitation would be to out of state or out of country residents.
- There was no evidence found that students under age 22 are being served by either HCCS or CICA.
- All HCCTS programs and locations have been corrected to fall under the same published calendar and bell schedule, which comply with requirements for minimum day, length of school day, and annual minutes, although there are not separate calendars published for each track.

Two of the issues in the letter from the Sacramento County Office of Education, "Reports of misreporting of average daily attendance" and "Reports of mischaracterization of attendance and instructional minutes," are addressed later in this report, as is Internal Controls.

Media Coverage

During 2023 and 2024, a Sacramento television station aired a series of reports detailing complaints from current and former HCCTS employees who alleged improper practices related to student enrollment and attendance, lack of appropriate credentials on the part of teachers, excessive class sizes, employee intimidation and retaliation, lack of controls and accountability, conflict of interest, and issues related to the quality of education being offered, among other complaints.

State Audit

On May 14, 2024, the California Legislature directed the California State Auditor to conduct an audit of TRUSD and HCCTS programs and oversight. According to the State, the audit, 2024-106, will provide independently developed and verified information related to Twin Rivers Unified School District (TRUSD), Highlands Community Charter and Technical Schools, and the oversight provided for their various educational programs. A report is scheduled for release in Summer 2025.

According to the California State Auditor, the audit's scope will include, but not be limited to, the following activities:

1) Review and evaluate the laws, rules, and regulations significant to the audit objectives.

2) Review whether Highlands Community Charter School's (HCCS) and California Innovative Career Academy's (CICA) policies and procedures related to calculating enrollment and average daily attendance (ADA) are adequate and align with state law. Perform the following:

- ***Verify the accuracy of HCCS's and CICA's documentation for the past three years related to ADA and enrollment, including for students enrolled in independent study, English Language Development courses, or in courses not leading to a high school diploma. Verify the accuracy of documentation of independent study policies, including the calculation of the time value of student work products and synchronous instruction. Identify the number of students who received a high school diploma or an industry certification.***
- ***To the extent that HCCS's and CICA's reported ADA and student enrollment numbers are inaccurate, determine the reasons for these inaccuracies and calculate the cost of any disallowed funding related to their ADAs.***

3) Review and evaluate HCCS's and CICA's policies and procedures for ensuring that all instructors are appropriately credentialed for their assignments. Perform the following:

- ***Determine the number of credentialed instructors by type of credential.***
- ***For a judgmentally selected number of instructors, including instructors on a local assignment option and those holding a Career Technical Education or adult education credential, verify whether each instructor had appropriate credentials and complied with other applicable requirements.***
- ***Based on the results of the review in Objective 3(b), identify whether instructors who lacked appropriate credentials taught students and calculate the cost of any disallowed funding related to their ADAs.***
- ***Determine whether HCCS and CICA accurately reported to the State any instances of teacher misassignment data.***

4) Evaluate HCCS's and CICA's processes for ensuring that student-to-teacher ratios for both classroom-based and independent study courses comply with state

requirements and their processes for ensuring students' access to adequate instructional materials and technology. Perform the following:

- ***For a judgmentally selected number of courses, determine whether the associated student-to-teacher ratios meet state requirements and were accurately reported to applicable parties, and whether students in these courses had access to adequate instructional materials and technology.***
- ***To the extent that ratios at CICA or in any other course do not meet state requirements, calculate any changes to their funding determination.***

5) To the extent possible, evaluate HCCS's and CICA's employment policies and determine whether they adequately promote fair hiring practices, including protecting against nepotism and conflicts of interest, ensuring employees' qualifications, and guarding against whistleblower retaliation. For a judgmentally selected number of employees and consultants from the past three years, including executives, review qualifications and determine whether the schools hired any employees or consultants because of nepotism or for any other reason resulting in an unqualified employee's hire and whether the selected employees', executives', and consultants' compensation aligns with compensation for such employees in similar districts.

6) Review financial information from HCCS and CICA and determine whether their budgeting and expenditures—including expenditures for housing, employee travel, marketing and recruitment, and political contributions—are appropriate and align with applicable requirements, similar institutions, and best practices.

7) Review the charter governing HCCS and CICA and determine whether the schools failed to comply with or violated their charter or applicable state law by serving students not covered by the charter.

8) Assess TRUSD's processes for ensuring that charter schools, including HCCS and CICA, meet the requirements of the Education Code. Determine the extent of TRUSD's oversight efforts of HCCS and CICA since 2018 and the cost of this oversight, and review whether TRUSD has responded appropriately to information regarding alleged violations at HCCS and CICA.

9) Survey current and former students and employees to gain perspective on the quality of the learning experience at HCCS and CICA, the frequency of student attendance, student work products and course workload, the schools' marketing strategies, any action taken toward whistleblowers, and other areas pertaining to HCCS's and CICA's responsibilities for achieving educational outcomes in compliance with state law.

10) Review and assess any other issues that are significant to the audit.

HCCTS Organization and School Structure

The Consultant met with HCCTS administrators in May 2024 and scheduled one-to-one meetings with HCCS and CICA teachers and para-educators, in order to understand practices related to attendance, as well as the organizational structure and operation of the schools. The Consultant also met with TRUSD administrators and reviewed attendance-related complaints registered with TRUSD about HCCTS.

In all, seventy-three teachers and sixteen para-educators, representing six locations chosen by the Consultant for size and program offerings, were interviewed, along with six charter school principals. These interviews took place between June 7 and June 25, 2024, and between August 19 and August 23, 2024. Additional meetings with HCCTS Administrators and TRUSD Administrative staff were held in August, September, and October 2024.

HCCS operates as a single charter school spread across multiple locations, with principals given responsibility for multiple sites. Each site also has a "lead" teacher. After an initial evaluation, students are assigned to one of three grade designations. Levels "zero" through "three" are classified as ninth grade, with the literacy level of students ranging from those who are illiterate in their own language and have never before attended school, to those with previous education and some proficiency in English. Level "zero" also includes a level "0.5" at some locations, as an intermediate step for students between levels zero and one. Collectively, this is labeled "International High School" or IHS. Most IHS teachers are assigned to a single level, although most classrooms ultimately include students who move through multiple levels during the school year, resulting in what might be best described as a "combination class" as found in a traditional elementary school. The main purpose of IHS is for students to become proficient in reading and writing English. Those that do so move on to the next levels.

The next designation is "Bridge," where specific high school level courses are taught while students' English language skills continue to strengthen. It is classified as tenth grade, serving levels 4 through 6, with one teacher providing instruction to all three levels in one class.

The High School program, or twelfth grade, provides instruction intended to result in students earning a diploma. There may be students assigned to multiple teachers based on courses, somewhat similar to a traditional high school schedule and setting. There is no limit to the number of years a student is allowed to move through various levels to graduation. HCCS contracts with trade schools for some Career Technical Education (CTE) offerings, including Cosmo Beauty Academy for cosmetology training, and Asher College, which offers certifications in A+ Information Technology, Medical Office Administration, and Office Administration. HCCS also offers some in-house CTE programs.

Students at all levels are enrolled in one of three tracks, "A," "B," or "C," which are essentially tied to their enrollment date. Because there is continuous enrollment and all tracks operate until the end of June, ending on the same date, they operate for a significantly different number of days and it is unclear why they do so outside of maximizing ADA, with nearly all classrooms including students enrolled in each of the three tracks.

Attendance Calendars and Classroom Schedules

From the California Department of Education Web Site:

School Calendar

For the purpose of attendance accounting, the attendance school calendar begins either the week of July 1, or the first week that students are scheduled to attend. It is common for charter schools to operate a five-day school week, however charter schools have the option to operate up to a six or seven-day school week (Sunday-Saturday). If the charter school offers classes on the weekend, it is counted as another instructional day and would be included in their divisor when calculating their ADA. Each school month consists of four full school weeks. Winter break may be included or excluded when configuring the school months for ADA reporting. A school month for the purpose of attendance accounting differs from a normal calendar month.

Reporting Deadlines

Attendance is reported based on full school months as of the cutoff date for each reporting period.

- *The First Principal attendance period, designated P-1, is the attendance count for all full school months during the period from July 1 through the last school month that ends on or before December 31 of the FY, and is used by the California Department of Education (CDE) to compute the P-1 Apportionment on or before February 20.*

- *The Second Principal attendance period, designated P-2, is the attendance count for all full school months during the period from July 1 through the last school month that ends on or before April 15 of the FY, and is used by the CDE to compute the P-2 Apportionment on or before June 25.*

- *The annual attendance period, designated Annual, is the attendance count for all full school months during the period from July 1 through June 30 of the FY, and is used by the CDE in combination with P-2 ADA to compute the Annual Apportionment processed at the P-1 Apportionment in the subsequent FY.*

Average Daily Attendance (ADA) is calculated three times per year, with the average attendance for each of the three tracks offered by HCCS summed separately. For 2022-23 and 2023-24, the Date Range and Days of Instruction reported at P-2 for both HCCS and CICA, and the published bell schedule, as provided by HCCTS, are shown on the next page:

FINAL REPORT-HCCTS STUDENT ATTENDANCE REVIEW

Year	Track	P-2 Date Range	Days at P2	Days Annual
2022-2023	A	8/15/22-4/13/23	155	201
2022-2023	B	8/29/22-4/13/23	145	191
2022-2023	C	9/12/22-4/13/23	136	182

Year	Track	P-2 Date Range	Days at P2	Days Annual
2023-2024	A	7/10/23-3/22/24	164	224
2023-2024	B	8/14/23-3/29/24	146	201
2023-2024	C	9/11/23-4/12/24	137	182

AM - M,Tu,W,F		
Period 1	8:30 a.m. - 10:43 a.m.	133
Period 2	10:47 a.m. - 1:00 p.m.	133
Lunch	1:00 p.m. - 1:30 p.m.	0
Period 3	1:30 p.m. - 3:43 p.m.	133
	Total minutes:	399

PM SCHEDULE A - M,Tu,W,F (USE PM SCHED. B FOR Ths)		
Period 5	3:00 p.m. - 5:25 p.m.	145
Break	5:25 p.m. - 5:35 p.m.	10
Period 6	5:35 p.m. - 8:00 p.m.	145
	Total minutes:	290

AM - Th		
Period 1	8:30 a.m. - 10:10 a.m.	100
Period 2	10:15 a.m. - 11:55 a.m.	100
Lunch	11:55 a.m. - 12:25 p.m.	0
Period 3	12:25 p.m. - 2:05 p.m.	100
	Total minutes:	300

PM SCHEDULE B - M,Tu,W,Th,F		
Period 5	4:30 p.m. - 6:25 p.m.	145
Break	6:25 p.m. - 6:35 p.m.	10
Period 6	6:35 p.m. - 9:30 p.m.	145
	Total minutes:	290

AFT - M,T,W,F (USE AM Th SCHED. OR PM SCHED. B FOR Ths)		
Period 3	12:00 p.m. - 2:13 p.m.	133
Period 4	2:17 p.m. - 4:30 p.m.	133
Lunch	4:30 p.m. - 5 p.m.	0
Period 5	5:00 p.m. - 7:13 p.m.	133
	Total minutes:	399

PM SCHEDULE C - M,Tu,W,Th,F		
Period 5	5:00 p.m. - 6:55 p.m.	145
Break	6:55 p.m. - 7:05 p.m.	10
Period 6	7:05 p.m. - 10:00 p.m.	145
	Total minutes:	290

(The PM Schedule B and C individual calculations for Periods 5 and 6 are incorrect, although the total minutes for both schedules is accurate.)

Students attending school in July 2022 were not claimed for ADA or instructional minutes. Beginning in July 2023, those students attending what had previously been considered a "Summer School" session, were counted for both.

Based on information provided by HCCTS, one day per week has a shorter instructional day to allow for staff meetings and professional development. Those days are shown under the heading "Short Days." The annual minutes calculation for Tracks A, B, & C for 2022-23 and 2023-24 are the same for all grades:

2022-23	Full Days	Minutes	Short Days	Minutes	Total Days	Total Minutes	Excess Days	Excess Minutes	Meets Requirements
Track A	159	399	42	300	201	76,041	26	11,241	Yes
Track A (PM)	201	290	N/A	N/A	201	58,290	26	(6,510)	No
Track B	151	399	40	300	191	72,249	16	7,449	Yes
Track C	144	399	38	300	182	68,856	7	4,056	Yes

2023-24	Full Days	Minutes	Short Days	Minutes	Total Days	Total Minutes	Excess Days	Excess Minutes	Meets Requirements
Track A	178	399	46	300	224	84,822	49	20,022	Yes
Track A (PM)	224	290	N/A	N/A	224	64,960	49	160	Yes
Track B	159	399	42	300	201	76,041	26	11,241	Yes
Track C	144	399	38	300	182	68,856	7	4,056	Yes

The minimum required annual instructional minutes for Grades 9-12 is 64,800. Therefore all tracks met the requirement for both the AM and PM schedules in 2023-24. According to HCCTS, all students on the PM Schedule are enrolled in Track A (PM). As shown in the table above, the Track A (PM) calculation for 2022-23 is short of the required minutes by 6,510. The minimum number of required instructional days is 175, which is met by all tracks in both years.

State Apportionment for school districts and charters is primarily based on attendance calculated at P-2. The third period, which is usually called P-Annual, but also sometimes referred to as P-3, reflects student attendance for the full year. Given that HCCS and CICA do not fall under compulsory attendance laws as all students are at least 22 years of age, and many of those adult students have children that end their school year in late spring, HCCS and CICA typically see a dip in attendance towards the end of the year since their school calendars run to the end of June, resulting in the Annual ADA for the school year decreasing from P-2.

Enrollment in 2022-23 was roughly two-thirds minority and two-thirds female. There are additional services provided to students at some locations, including a food bank, clothes closet, child care, and laundry. HCCS charter school principals are not assigned to a single site, but rather serve several locations and rotate their visitations. (The reporting structure as provided by HCCTS is included on the page five of this report.) For CICA, charter school principals are assigned a grade level and manage all locations for that grade level.

Reported Procedures for Classroom Attendance-HCCS

According to Section 22 of MOU Amendment No. 3 with TRUSD, "*Subject to District approval, the Charter School will establish and maintain an attendance reporting system to record and account for the Charter School's ADA, as defined in Title V California Code of Regulations section 11960*."

Highlands has utilized PowerSchool as its Student Information System (SIS) since 2016-17. Student attendance for HCCS is to be entered daily by the teacher.

Attendance is documented in two ways, electronically and manually. The electronic method is accomplished through a dedicated software application or "app," developed specifically for HCCTS by an employee of the charter school. This app is called "The Brain." The manual method of documenting attendance is recorded concurrently with manual sign-in registers created and maintained by the teacher.

The Brain was initially introduced for sharing school events and pushing announcements to students through the app. Among other services, the Brain app provides access to Bus Passes, translated support chat, Class chat, learning layers to identify speech, a student and staff directory, contact with a dedicated support team, a support ticketing system, housing, employment, classroom management, events and announcements, and push notifications in student's language. It can be targeted to specific students.

The following represents an implementation timeline provided by HCCTS concerning the roll-out of major updates to the Brain app relating to student attendance:

- Student attendance check-in was added for HCCS in March 2022, utilizing a QR code scanned by the student through the Brain app uploaded on their cell phone.
- In June 2022, teachers interested in using the app for attendance purposes were provided training.
- In September 2022, Attendance check-in stations were mounted on classroom walls.
- In October 2022, CICA was added to the process, with the Learning Report activated in the app for beta testing.
- In January 2023, the app was rolled out for all teachers' use in administering attendance.
- In May 2023, the app was updated.
- Adjustments to attendance logs were implemented in July 2023.
- A mobile phone version was rolled out in August 2023. At that point, Near Field Communication (NFC) functionality was developed, and mandatory training held for teachers. Classroom teachers retained the option to use either the QR code or the NFC.
- In February 2024, NFC station trainings were initiated. By April, Tap Attendance stations were rolled out to classrooms. Teachers had the option of creating additional NFC stations within their classroom, although nearly all maintained the single station

mounted on the classroom wall. The tap stations were intended to increase the speed and efficiency of the app for attendance check-ins. However, several small issues were encountered such as those described below.

- In July 2024, several issues were addressed in an update, including alphabetizing the student roster for teachers when they accessed the app for attendance, and linking student name and ID number. Section filters were added to help teachers organize class rosters, and a pop-up prompting teachers to submit absences was introduced. An "outbox" was also added, showing teachers what had been submitted and their position in the queue in PowerSchool, which helps teachers know the status of their submission if it did not upload immediately, as opposed to waiting for hours without knowing whether the submission had failed or was waiting to be processed.

It is possible for tracking to be utilized to require students to sign out of class, but that feature is not currently activated, since students are only required to sign in, not out of class. There is also a geo-tracking feature, although according to interviews of teachers and administrators it is not used for attendance.

There is a planned implementation incorporating Artificial Intelligence, which will be called "Brain AI" and include a knowledge base—i.e. student handbook, evacuation manuals, etc. The plan is that students will be able to ask the app a question and AI will provide the answer in the appropriate document in their language.

The Brain app has become a major source of recording and accounting for student attendance, in addition to resources which it connects to students.

Reported Classroom Attendance Check-In Procedure and Upload to PowerSchool

Using the Brain app, students check into class by tapping their phone against an NFC tag posted on the classroom wall. Per HCCS Attendance Procedures, students are required to do the following:

1. Students open the Brain app on their school-issued cell phone or personal device.

2. Students are provided a unique code connected to their student ID account.

3. Classrooms are equipped with an NFC chip that allows students to scan or tap their phone to record attendance into the Brain app. (For students without a phone, teachers can scan them in using a QR code)

4. Both students and teachers receive a confirmation that students have checked in to their class.

5. In the Brain app, teachers review an inbox of daily attendance logs to review, which shows all students who checked into classes.

6. Teachers select logs to submit to PowerSchool and can confirm attendance with a single click.

7. Teachers may remove logs if any record is inaccurate.

8. The teacher receives a confirmation that PowerSchool accepted the attendance.

The Brain app digitally records the following attendance information:

- Student Name and ID #
- Date & Time (when the attendance log was created)
- Course & Section #
- Attendance Code (absent, present)
- Attendance Method (student scan or manual)
- Teacher Name (who verifies and submits the attendance)
- Date and Time (the attendance log was submitted to PowerSchool)

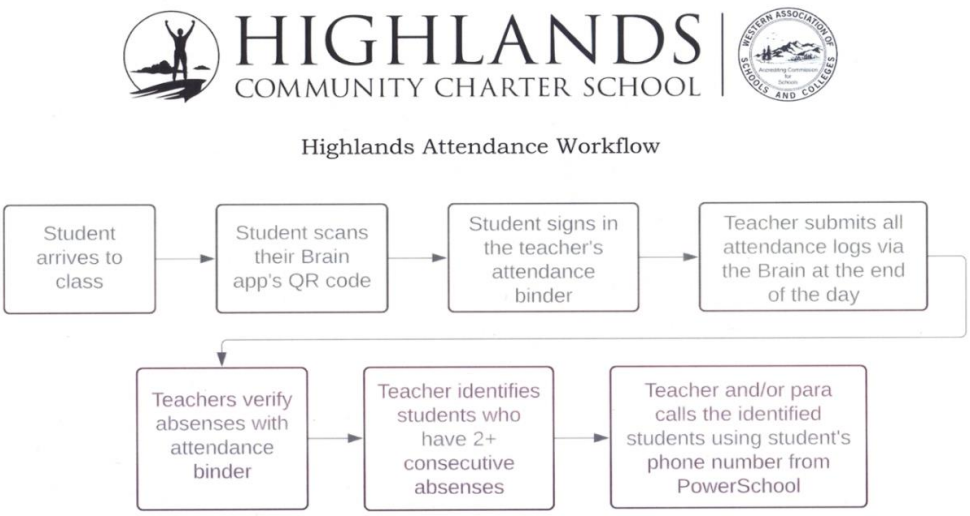
To prevent students from scanning in other students, the codes for each student expire and regenerate every two minutes. This is designed to discourage a student from using screenshots of their friends' or relatives' codes and scanning them for attendance. According to the HCCTS Coordinator of Innovative Learning, who developed the app in-house, implementation of additional security features, such as face recognition, is in process.

Teachers also maintain manual attendance binders, primarily as a back-up system. In addition to tapping the NFC tag, student attendance is recorded by pen and paper on a student roster located in the classroom and signed by each student. Teachers are to reconcile this manual record with the Brain app before sending attendance for that day to PowerSchool. These binders are maintained for the entire school year, but according to interviews, prior to 2023-24 were discarded at end of year.

According to HCCTS Administrators, during 2022-23 and 2023-24 the Brain app was not used for attendance purposes at contracted CTE sites, such as Asher. In those settings, the Brain app was used for non-attendance purposes and all attendance was input directly into PowerSchool.

The stated attendance goal for HCCS in its last petition (2019) was 67%. (Pg. 52, Charter Renewal Petition for Highland Community Charter School). According to information provided by HCCTS, the daily attendance rate (number of students attending any portion of a scheduled school day) was 55.24% as of P-2 in 2022-23, and 47.95% as of P-2 in 2023-24.

The attendance flowchart provided by HCCTS is shown on the next page:



According to attendance procedures furnished to the Consultant, HCCS attendance includes the following expectations of teachers and para-educators:

Student Absences

Students at Highlands are 22 years of age or older, meaning that their attendance in class is non-compulsory. Despite this, our teachers and paraeducators are expected to follow up with their students when they have been absent for more than two consecutive days. Teachers and paraeducators are able to access students' provided phone numbers via our Student Information System, PowerSchool.

During the study, it was not evident that there is consistent contact of students after two consecutive absences, as stated in the Attendance Procedure. One explanation for this procedure not being followed may be the large class sizes discussed later in this report.

In-Person/Zoom Meetings

The Consultant completed a series of interviews with HCCTS administrative staff as well as teachers, para-educators and principals in order to review policies, procedures, practices, controls, addressing of complaints, and compliance with regulations related to student attendance reporting. Administrative meetings were held that included Interim Executive Director (Mayra Valdivia), new Executive Director (Bill McGuire), Director of Executive Services (Natasha Lutsik), Chief Fiscal Officer (Matthew Lemos), Deputy Director (Brian Hamilton), Director of Instruction and Professional Development (Andrew Michaud), Director of Independent Study (Christina Martinez), Special Projects Coordinator (Sascha Hayes), Data Reporting and Analysis Manager (Mark Lutgen), Coordinator of Innovative Learning Products (Dr. Bobby Valentine), Director of Student Engagement (Mike Roessler), Chief Technology Officer (Vireak Chheng), and members of the Eide Bailly LLP independent audit firm that conducted the required annual audits of charter operations in 2022-23 and 2023-24.

Between June 7 and June 25, 2024, the Consultant conducted one-to-one in-person interviews with seventy-three HCCS/CICA teachers and six principals, and visited numerous classrooms at six locations. Between August 19 and August 23, Consultant conducted further one-to-one in-person interviews of sixteen para-educators at three sites.

The Consultant also met with an independent contractor hired by TRUSD to visit all sites and classrooms between Spring and Fall of 2024, in fulfillment of TRUSD oversight responsibilities.

OVERVIEW OF OBSERVATIONS AND FINDINGS

Observation of HCCS Attendance Procedures

Students arrive at class and sign in using two methods. One, they sign a manual register, often a printed out roster. Secondly, if students have access to the Brain app on either their phone or one issued by Highlands, they tap their phone to a contactless NFC reader mounted onto the classroom wall, which electronically records their attendance.

(Photo of TAP station in classroom)

In classes with larger enrollment, and especially those consisting of students with rudimentary English-language skills, para-professionals often assist students to ensure they properly check in through both methods.

At the end of each day, teachers review the Brain app in their phone, checking student attendance recorded against the manual register. Once teachers have confirmed attendance in the app, it is uploaded by the teacher to PowerSchool via the teacher's unique identifier code. In some cases, para-educators assist teachers in reconciling the two attendance records—without entering any data into PowerSchool—but ultimately teachers perform the final reconciliation of attendance.

Attendance is directly entered by the teacher for any student failing to tap their phone and appearing only on the sign-in sheet—some teachers do so in the Brain app and some into PowerSchool using an attendance code "P" for present. Some students who are not as familiar with technology, or those who have not yet downloaded the app or received a Highlands-issued phone, might only be recorded on the manual register. There is a "digital boot camp" for new students, training them in use of the technology, but some students are not literate even in their own language when they first enroll.

Some teachers utilize pre-printed class rosters for student sign-in sheets, while others use sign-in sheets of their own design. Some also maintain additional attendance registers electronically, in addition to using the Brain app and sign-in sheets. In larger classes (in March 2024, fourteen class rosters exceeded 200 students, and more than fifty percent of classes had 100 or more students enrolled), teachers indicated that if they did not personally recall seeing the student, they check with the para-professional to ensure that the student was physically in the classroom at some point before marking them present.

Students who were not present are marked "A" in PowerSchool by the teacher to signify an absence.

According to HCCTS administrators, teachers can make corrections in the Brain app before uploading. Once a student's attendance is uploaded into PowerSchool, it cannot be changed without obtaining approval from the technology department, as PowerSchool requires an Administrative clearance.

If a student is marked neither present nor absent, the student's attendance that day remains "null," which if not corrected will calculate as a day of attendance in PowerSchool. Such "nulls" are reviewed by Administrative staff at the Grand Avenue location, which then notifies any teacher who should review and correct attendance for that student. Nulls are most common with new students, who may start attending a class before appearing on the roster. The teacher reviews and records the appropriate missing attendance in PowerSchool for those students once they appear on the roll. Although nulls are counted as present in PowerSchool, they are removed in a PowerSchool query when reporting ADA. However, this renders attendance summary reports generated by PowerSchool inaccurate, and they are not reviewed or utilized by HCCTS staff.

Internal Controls

According to the Association of Certified Fraud Examiners (ACFE), The Committee of Sponsoring Organizations of the Treadway Commission (COSO) defines an internal control as, *"a process, effected by an entity's board of directors, management, and other personnel, designed to provide reasonable assurance regarding the achievement of objectives relating to operations, reporting, and compliance."*

Internal control is referred to as a process because it permeates an organization's operating activities and is an integral part of basic management activities. Internal control provides reasonable—not absolute— assurance because the possibilities of human failure, collusion, and management override of controls make this process imperfect. An internal control can comprise multiple processes. These processes might be in the form of documented policies or procedures or a written communication from management. Processes might also come in the form of actual activities, such as planning or checking. When internal controls are embedded in multiple processes, they are likely to be much more effective

Even though an internal control system is ultimately the responsibility of management, everyone within the organization can play a part in helping ensure that a control is working effectively. This can be achieved if people are familiar with the organization's objectives and have aligned their specific objectives accordingly. One individual's objectives might vary from another's due to their differing roles and responsibilities. Even though their specific objectives are not the same, they should still align with the organization's objectives. Management sets the tone for the organization and should ensure that all employees are aware of the importance of internal controls and have a clear understanding of management's expectations regarding standards of conduct.

State of Records at HCCTS

The Consultant found the charter's recordkeeping process sometimes confusing, lacking centralized responsibility or internal controls regarding enrollment and attendance accounting. As a result, requests for information sometimes resulted in delayed or confused responses. This did not seem to be the result of malfeasance or resistance, but more a lack of systems, a lack of defined responsibilities within the organization, and a lacking of understanding the purpose of requests.

Based on the findings and experience of the Consultant as described in this report, there are underlying internal control issues that contribute significantly to the attendance accounting issues noted in this report. While there are written procedures and expectations, they are often divorced from actual practice and do not seem to be consistently reviewed for compliance.

According to Administrative staff, teachers are able to change attendance in the Brain app, but interviews revealed that teachers vary in understanding their ability and/or authority to make corrections of student attendance. Some teachers by-pass the Brain app and enter attendance directly into PowerSchool. While principals are nominally tasked with instructing new

teachers in attendance rules and procedures, and videos are provided, based on the results of this study such training is not detailed and consistent.

There has also been a constant shift in internal attendance rules and requirements, most commonly over the past two years as a result of nearly monthly updates to the Brain app, which was developed in-house and instituted for a variety of purposes, including the taking of attendance.

This has also resulted in wide variations in attendance recording practices by teachers. While as of the date of this report the app seems to be functioning as intended, the complicated aspect of student attendance and lack of centralized training and oversight has resulted in teachers sometimes using the two systems distinctly from each other, with little consistency in implementation. While this inconsistency does not appear to be the cause of incorrect attendance reporting, such a result remains a possibility that contributes to diminishing confidence that ADA is being recorded correctly.

With a lack of centralized responsibility, many functions such as training teachers and para-educators, and evaluating the effectiveness of changes in attendance process and procedures, are less effective than they could be. Again this is not a matter of lack of responsiveness on the part of the charter school, rather it seems to be the result of a lack of coherent and consistent systems and clear command structure, analogous to the proverbial "building the plane while flying it," a scenario voiced by several of those interviewed and that seemed, in part, to become more evident as a result of the organization's rapid post-COVID growth.

Attendance Concerns

Although the Brain app is not formally regarded as the final record of attendance, its use in gathering attendance data and its interface with PowerSchool suggests that communication and interaction with the charter authorizer regarding its implementation and use prior to deployment represents a best practice. For instance, an upcoming update may contain some Artificial Intelligence (A.I.) features. On July 9, 2024, TRUSD and HCCTS staff met and agreed that HCCTS would create a binder containing standardized operating procedures in using the Brain app for attendance, which was to be completed by August 19, 2024. Then HCCTS was to contact their auditors and have them review and make recommendations. After that, the attendance system documentation would be sent to TRUSD for consideration. (Letter from HCCTS Executive Director Bill McGuire to TRUSD, July 16, 2024). As of the finalizing of this report, this new procedure is being developed.

In addition to students utilizing the Brain app to check into class, all HCCS students are required to sign in on a manual register, which is then verified against the electronic sign-in sheet to ensure attendance is accurate. There are students who lack a phone or the app and can only sign in manually until they qualify for a HCCTS issued phone, or successfully download the app to their own cell phone. As a result, the manual registers are an integral part of attendance documentation and those documents should be maintained for three years after the

end of the school year to which they apply. However, based on interviews, records for 2022-23 were disposed of at the end of that school year. The Consultant recommended that HCCTS implement a policy specific to the retention of manual attendance sign-in sheets beginning with 2023-24, in accordance with California Code of Regulations, Title 5, sections 16020-16030.

During interviews, most HCCS teachers reported regular instances of students either scanning in or signing into class and then immediately leaving. Some reported one to two students doing this per day, others reported several or more exhibiting the same behavior. Those teachers with large rosters, primarily in the Level 0-3 classrooms, reported the most difficulty preventing this, or indicated they were under the impression they were powerless to do anything about it. According to teachers interviewed, those students are counted as present in most cases. Some teachers indicated they did not allow students to simply sign in and leave, responding by changing attendance in the system to absent. Other teachers required students to stay for a minimum period of time in order for them to be marked present. Some provided homework packets and gave them attendance credit when work was turned in, pointing to the difficulty many students have with work schedules and parental responsibilities. Some teachers, noting they are "at will" employees, expressed helplessness in addressing the issue, explaining they have been instructed in the past that if a student appears even for one minute, they are considered present and are to be marked as such.

Of the forty-one HCCS teachers interviewed, 60% indicated that they see students regularly sign in and leave immediately, or leave after being given a homework packet. The remainder require that students attend, generally for a half-hour to an hour, in order to receive attendance credit. Since the students are adults and do not fall under compulsory attendance laws, there is no matter of, or recordkeeping for, truancy. Even if marking students present who have no intention of attending class is technically an allowable practice, it raises the issue of quality of education and whether some students are treating HCCS as if it is an Independent Study program. Student attendance also directly correlates to student expectations and academic success, so not tracking this seems a lost opportunity to evaluate program effectiveness and integrity.

It is not clear that teachers have been effectively trained to understand the differences and implications of a student being marked present versus having an excused absence, in which case work can be assigned and returned later for academic credit. Students also gain or maintain public benefits or meet legal requirements for programs when marked present. There is definite inconsistency in understanding attendance policies and what can and cannot be done in the software system. The practice of allowing students to "drive-by" is a matter of concern for teachers. It also seems to be in conflict with state guidance to auditors and the charter's published expectations for students.

Teachers receive notification in the Brain app of the student sign-in and the location where it occurred. Several reported that students sometimes sign in at other sites, as the Brain app does not prohibit it. HCCTS administrators indicated that this was allowed in the software because of events or orientations being held at an alternate location that qualified for student

attendance. However, several teachers indicated their suspicion that some students are taking advantage and signing in for themselves or for others at another location without attending class. Others reported instances of students bringing an absent spouse's phone to class and tapping their attendance. The current security in the Brain app, including a limited time to complete the sign-in process, does not prevent this. If caught, according to those interviewed, attendance was changed in most cases.

Several teachers reported that with the June 2024 update of the Brain app, they could no longer see where a student signed in if they did so at another site, while others said the information was there but they had to dig for it. Some teachers indicated that because of this they do not upload attendance from the Brain app, but instead input attendance manually into PowerSchool.

(During interviews conducted in August 2024, the consensus of those interviewed was that for the 2024-25 school year, students caught scanning in or signing in for others were at risk of being expelled. Students were also required to physically attend for at least a minimum amount of time, although not for the entire class schedule. It is not clear that at that stage all teachers were applying this new rule across the board, and staff indicated inconsistent messaging from administrators in this regard.)

During on-site in-person interviews, teachers stated they do not mark any student present they or their para-educator have not seen, and none reported pressure to fabricate attendance, or inappropriate pressure to improve it.

ADA records were reviewed for each student, provided by HCCTS from PowerSchool via query and used to document ADA for state reporting. Each student who attended prior to P-2 was listed by track, Student ID# and #ADA generated. There were no instances found of students enrolled and earning ADA on multiple tracks, or earning more than one ADA in one year at HCCS or CICA for 2022-23 or 2023-24. The ADA reported for each track matched the P-2 ADA reported to the State.

Enrollment and Class Sizes

During site visits, it was observed that some HCCS classrooms were almost entirely full, with some students standing along the walls of the classroom, and students constantly arrive and depart during the class period. By the afternoon, the classrooms were almost completely empty.

Further inquiry revealed some class rosters nearing four hundred students. Many of these classes see new students enroll nearly every day. Since new students are not enrolling from another school, and a student arriving in May is placed in class the same as a student who began in August, issues arise for teachers attempting to create a coherent and continuous course of instruction throughout the year. Much work ultimately is provided through online software, such as Burlington English, with students progressing at varying rates.

In addition, while sites have lead teachers, principals are responsible for multiple locations and there often is no administrator on site.

HCCS Principals provided class level enrollment information for a sampling of school sites selected by the Consultant at the end of May/early June 2024. One site had four classes with rosters of more than 200 students, with the highest at 334. Five of six classes had more than 90 students attending at some point during the day, with two classes hosting 192 and 210 students on average for the last two weeks of May.

Another site with eight classes had seven with rosters exceeding 200 students, five of those having more than 100 students attending on average at some point during the day.

A third site with four classrooms had three classes with rosters ranging between 180 and 221 students, and daily attendance averaging between 91 and 121 for those three classes.

Of the forty-one HCCS teachers interviewed, thirty reported rosters of 100 or more students. Ten had rosters of 200 or more. Smaller class sizes were observed at the high school level, while large rosters were the norm at Levels zero through three.

As a result, it was decided to review class sizes for all of HCCS during 2022-23 and 2023-24.

The information received from HCCTS for HCCS enrollment in response to that request revealed seventeen classes in March 2023 with rosters of 150 or more students, including one class with 481 students, and ten exceeding 200 students. In March 2024, twenty-four class rosters exceeded 150 students, including one with 420 students. Enrollment in fourteen classes exceeded 200.

Most teachers assigned to Levels 0-3 reported rarely seeing more than half of their students on a given day, who they indicated often treat HCCS almost as if it were CICA, without having to report for a Zoom or in-person session with a teacher once or twice per week as required by that school. A review of 74 classrooms during March 2023 revealed 45 in which teachers saw less than half of their students on average. Of the 8,352 students on rosters that month, an average of 4,307, or 51.57%, attended on any given day.

Of the 98 classes surveyed in March 2024, 77 recorded attendance that on average represented less than half of the number of students on the roster. Of the 12,239 students on rosters, an average of 5,626, or 45.97%, attended on any given day that month.

These large class sizes have clearly been common for the past two years. As previously described, one teacher had a roster of nearly 500 students at one point before the class was split. Classes of these sizes call into question the ability of teachers to accurately take roll—an issue that the Brain app attempts to address—as well as the ability to provide adequate instruction. It is unclear that the class-sizes listed in the SARC reflect actual class sizes. In interviewing 36 HCCS teachers with classes at Levels 0-3 or Bridge, the average size of the roster in June 2024 was 169 students, with the average number attending at some point during the day at 68. Enrollment and class sizes in the SARC should also be reviewed in light of the number of students attending during the year and P-2 ADA generated in relationship to the

number reported each year on the October census date. Below is the table of class sizes for March 2023 and March 2024 based on information provided by HCCTS:

Table of Class Sizes—HCCS

	March 2023	March 2024
# Classes	74	98
Classes 0-49	10	13
Classes 50-99	35	30
Classes 100-149	12	31
Classes 150-199	7	10
Classes 200 +	10	14
Enrollment	8,352	12,239
ADA	4,307	5,626
Avg Class Enrollment	112.86	124.89
Avg Class Attendance	58.20	57.41
Attendance Rate	51.57%	45.97%

Observations of classrooms during this study indicate that the larger classes lack physical capacity for that many students at one time. Para-educators, teachers and principals were asked about procedures when more students show up than can be accommodated in the physical space. The answers varied by site. In some cases, students are told to wait until a spot opens up. In other instances, students arriving when class is full are given homework packets and sent home to work online in Edmentum, Burlington English, or Google Classroom. Sometimes classes are split and a para-educator assists students working online, with the teacher floating between the classroom and the overflow.

In all instances it was reported that students do not attend the entire day, most often attending for two to three hours at most.

Despite the student handbook declaring, “Students are expected to be in school daily and stay for the entire time of your program of study,” in practice there is no expectation of students doing so and in most instances none do. Students tend to arrive and leave in “shifts.” It is unlikely to find a single student attending an entire scheduled day. Teachers repeatedly spoke about students having work schedules or family commitments that made such full-day attendance impossible, so they did not press the issue. With just under 48% of students recorded as present on an average day for the 2023-24 school year, and students often attending in “shifts,” actual attendance in a classroom at any one time, based on observations of classrooms during this study, is almost certainly less than 48%.

Because is it impossible for students in most Level 0-3 classes to attend a full instructional day should they all arrive, it is not possible to affirm that HCCS offers the required instructional minutes in a manner that meets state requirements to qualify for ADA.

The inability for many students to attend full days in person also calls into question whether HCCS meets the audit guide standard of offering at least 80 percent of instructional time at the

school site, as required in Section BB, sub-sections 1b and 1d of the 2023-24 Audit Guide, and of requiring them to physically attend for that 80% minimum of instructional time. The splitting of classrooms when too many students are present also raises the question of whether in those instances a para-educator is effectively supervising the class, instead of the certificated instructor.

Among those interviewed, teacher experience at HCCS ranges from a few months to several years. Approximately half of the teachers interviewed had three or more years of experience at HCCS, while approximately sixty percent possessed overall teaching experience, including at other educational institutions, of three or more years. Roughly twenty-five percent had one year or less of teaching experience at HCCS, and about fifteen percent had one year or less of overall experience, inclusive of time spent at other educational institutions.

Calendar and P-2 Reporting

HCCTS provided the Consultant a work paper outlining its methodology for reporting P-2 and Annual ADA to the State after implementing the attendance function of the Brain app. In this paper, it is stated that:

"HCCTS opted to utilize direct PowerSchool SQL queries for extracting attendance data instead of relying on standard PowerSchool reports due to a limitation caused by how PowerSchool captures attendance data and how attendance is synced with the Brain. Specifically, PowerSchool interprets any attendance records not explicitly entered by a teacher as 'Present.'

"This default behavior creates a risk of overreporting ADA, as students with unknown attendance statuses may incorrectly appear as present. To ensure that ADA is calculated based only on verify (sic) *attendance records, HCCTS requires that all data used in reporting must reflect attendance status actively entered by the teacher. By directly querying the database, we eliminate the risk of including unverified or inferred attendance data. This approach aligns with our commitment to accuracy and compliance, as it prevents our school from claiming ADA for students whose attendance status is uncertain due to this limitation.*

"This method has been consistently validated through external audits and considered to be a reliable mechanism for producing ADA reports."

While a list of all ADA by student, pulled from the PowerSchool query, is supplied to TRUSD by HCCTS, it is unclear that this change to utilizing a query in the attendance reporting procedure was communicated to TRUSD for review and approval.

Additionally, as noted earlier in this report, CDE requirements for calendars are that they begin with the first week of instruction and consist of four full school weeks—they are not the same as calendar months. In discussion with HCCTS staff, it appears that instead of using an attendance school calendar as required by the State Department of Education, the charter school used incorrect calendars for purposes of reporting ADA. While this does not impact the

calculation of annual ADA, it did result in erroneous divisors being used to calculate P-2 ADA for both HCCS and CICA in 2022-23 and 2023-24.

The divisors as reported by HCCTS for HCCS and CICA in 2022-23 were 155 days for Track A, 145 days for Track B, and 136 days for Track C, with the final full school month before P-2 ending on April 13 for all tracks.

However, based on the start days for each track, the number of days at P-2 (excluding Winter Break, as was done in 2023-24) should have been 151 for Track A, 131 for Track B and 132 for Track C, with the final school months before P-2 ending on April 7 for Tracks A and C, and on March 24 for Track B. (Note: If Winter Break is included, the days should have been 141 for Track A, 131 for Track B and 122 for Track C, with P-2 ending on March 24 for Tracks A & C, and on April 7 for Track B.)

Random sampling of twenty CICA students in 2022-23 (see page 45) resulted in an over reporting of 0.14 ADA to the State (10.74 ADA vs 10.88 ADA). Including Winter Break resulted in a sampling error of 10.46 vs. 10.88 ADA.

The divisors as reported by HCCTS (with Winter Break excluded) for CICA in 2023-24 were 174 days for Track A, 156 days for Track B, and 137 days for Track C, with the final full school month before P-2 ending on April 5 for Track A, and April 12 for Tracks B and C. It is noted that the provided calendar also excludes Thanksgiving Break, which is not allowed.

However, based on the start days for each track, (with Winter Break excluded and Thanksgiving Break included) as the number of days at P-2 should have been 169 for Track A, 151 for Track B and 132 for Track C, with the final school months before P-2 ending on March 29 for Track A, and on April 5 for Tracks B and C.

During sampling it became clear that a divisor of 179 was used in reporting Track A P-2 for CICA to the State, a divisor of 156 was used for Track B, and of 137 for Track C. As a result, it is possible the end dates for P-2, as was the case in 2022-23, were not adjusted, with April 12 as the last student attendance day before P-2 being used for all tracks. Using this methodology matches all tracks to the number of days used as the P-2 divisor for 2023-24.

Random sampling of twenty CICA students in 2023-24 (see pages 46-47) resulted in an under reporting of 0.24 ADA to the State for these twenty students (14.37 ADA vs 14.13 ADA). Since the same issues regarding the exclusion of Thanksgiving Break and its impact on the attendance calendar apply to HCCS, and all ADA for individual students was inaccurate, support for P-2 ADA reported to the State could not be validated for either HCCS or CICA in 2022-23 or 2023-24. Attendance Calendars need to be corrected for both years and P-2 ADA re-run for both schools.

Following is a comparison of the calendars used for CICA to calculate P-2 divisors versus the calendars that should have been used. For 2022-23, the left column represents the Academic Calendar as used, with common end dates for each track, and for 2023-24 the CICA Attendance calendar with both Thanksgiving Break and Winter Break excluded. The right column for both charts displays the calendar (excluding Winter Break) that should have been

used per CDE guidelines. The same attendance calendar was apparently used in 2022-23 for both CICA and HCCS.

Note--CICA Calendar incorrectly excludes Thanksgiving Week

The HCCS attendance calendar for 2023-24 included Winter Break, but also incorrectly excluded Thanksgiving Break. The following is a summarized difference between the P-2 divisors for HCCS per the calendar provided, and the divisors per a calendar created per CDE instructions, also including Winter Break, and properly including Thanksgiving Break:

	HCCS Calendar	CDE Calendar
Track A	164	179
Track B	146	141
Track C	137	122

HCCS Questioned ADA—College Oak Holiday Closure

On August 9, 2023 and March 27, 2024, the College Oak location, which is a local mosque, was closed—on August 9 due to staff development and on March 27 due to Muslim holidays. Some teachers taught those days at another location and some students opted to attend at the alternative location. However, a number of students were provided with Short-term Independent Study assignments. Although it may be possible that an alternative classroom setting was available for students on those days, making the short-term IS assignment voluntary as is required, for the 2023-24 school year Short-term Independent Study had to be offered for a minimum of three days. Since it was offered only for one day, it appears that those days of attendance are not eligible for claiming apportionment funding.

In addition, on August 9, 2023, based on information provided by HCCTS, only 21 students appeared in person at another location, while 523 opted for short-term Independent Study, making it difficult to claim that another location was available for students if they did not want to participate in Short-Term IS.

On March 27, 2024, 737 Track A students, 103 Track B students and 842 Track C students opted to attend in person at another location.

For August 9, 2023, the questioned number of days of apportionment, representing days claimed for Short-term IS, for Track A is 523—Tracks B and C had not yet begun their year.

For March 27, 2024, the questioned number of days of apportionment for Track A is 218, for Track B, 40 and for Track C, 246.

The questioned P-2 ADA for Track A for both days results in a decrease of 4.26 ADA, a decrease of 0.26 ADA for Track B and a decrease of 1.79 ADA for Track C, resulting in a total ADA decrease of 6.31 ADA.

At a 2023-24 funding rate of $12,015 per ADA for Grades 9-12 plus a grade span adjustment of $312 per ADA, for a total of $12,327 per ADA, the total questioned costs amount to $77,783.

CICA School Structure

Similar to HCCS, CICA operates as a single school, spread across multiple locations. But unlike HCCS, Principals are assigned to administer specific levels (IHS, Bridge, HS). They are responsible for all locations for the level they are assigned.

As with HCCS, the school is divided into three "grade-level" designations. Levels zero through three represent ninth grade and students range in education from those who are illiterate in their own language and may have never attended school, to students with some education background and some proficiency in the English language.

The next level is "Bridge," in which specific courses are taught, representing tenth grade, and serving as a qualifier to the High School program, or twelfth grade, from which students can earn their diploma.

Students at the "Bridge" level or at the High School level may also be attending CTE courses. CTE instructors are to provide attendance to the Independent Study teacher in order to mark attendance for the students in those courses, in addition to their regular Independent Study work.

As with HCCS, beginning in 2020-21, students who were English Learners were transferred from an Adult Elementary Education program to an International High School (IHS) program, with a resulting change in grade designation and funding from Grades 1 and 2 to Grades 9 and 10. According to CICA's Student Accountability Report Card, students enrolled in IHS in 2020-21 represented just above one percent of students enrolled as of the census date. By 2022-23, 70 percent of the students enrolled in the Independent Study School were IHS or Bridge students, designated as either Grade 9 or 10. This coincided with major expansion in CICA's total enrollment, from 363 to 2,202.

According to CICA's SARC report, in fiscal year 2019-20, 29 of 169 students as of the census date were either Grades 1 or 2. In 2020-21, students enrolled as either Grade 9 or 10 (the previous Grade 1 and 2 designation) had dropped to 5 of 363 students. By 2021-22, the number of Grade 9 and 10 students had risen to 284 of 780. By 2022-23, 1,542 of 2,202 students enrolled were Grades 9 and 10.

Classroom Attendance Procedures-CICA

The Consultant conducted in-person one-to-one interviews with 31 CICA teachers representing three locations between June 7 and June 13, 2024.

According to those interviewed, enrolling students attend a centralized orientation during which they are trained in the use of technology employed by CICA—called Digital Literacy Training—and are provided an Independent Study Master Agreement, which they sign digitally. Once this process is completed, the teacher is notified and receives a copy of the IS Master Agreement in English through the Brain app. At that point the teacher digitally signs and the student is enrolled.

There is a Compliance Team that reviews CICA paperwork. The following is an explanation provided by CICA administration of the team's role, process and procedures:

"Not really involved in the enrollment process. We are responsible for the monthly checks on teacher rosters as part of the IS check in process to see if the teachers roster or students courses has been updated and we track that accordingly. The teacher is informed by a counselor when they have a new student and when the student is going through the orientation process they sign the Master Agreement in the Brain as part of the onboarding process. The compliance team is responsible for verifying that the Master Agreement has been signed and accurate, the Learning Report and work samples have been submitted and accurate, and that attendance has been submitted for the student. Attendance is audited by [the Academic Services Generalist], *who acts as an attendance clerk for one of his responsibilities. He runs attendance audits in PowerSchool to make sure the attendance being captured in the Brain is synching up with PowerSchool based on the information submitted through the Brain by the teacher."*

New IS Master Agreements for continuing students are digitally signed by each student prior to commencement of the next unit of study, or the school year, as appropriate.

IHS Students (Levels 0 to 3) and Bridge students are expected to attend, either via Zoom or in person, synchronous instruction through two-hour classroom sessions twice per week—this was changed in Spring 2024 from four sessions per week. In addition, they are assigned homework which must be submitted according to deadlines set by the teacher. Some teachers assign work daily, most online through Google Classroom or Edmentum. Burlington English is utilized for students learning English.

At the HS level, students work through individual units of study at their own pace, although they must be completed in a specific period of time, (i.e. five weeks). Students must demonstrate a minimum amount of progress each week in order to earn apportionment credit. New IS Master Agreements are completed for each individual unit of study.

Many teachers also provide office hours or schedule periodic meetings with each student.

Students are marked present or absent for the sessions offered twice per week, with apportionment credit for the remaining days dependent on work being turned in by the student.

High school level students generally meet with their teacher once per week for an hour, since they are more able to work independently.

Students who have not submitted their assignments are first contacted by the teacher. If this does not result in contact, the teacher may request contact through the Intervention team, which will assign a para-educator with knowledge of the language and culture of the student in question to make contact. If that contact is unsuccessful in achieving re-engagement, the student is sent a letter warning them that they will be dis-enrolled within a certain period of

time—this is referred to as a "Leave of Absence" or "LOA." Most teachers interviewed reported multiple instances of students being placed on LOA during the year.

According to the CICA Tiered Re-Engagement Strategy, teachers are instructed to review their rosters at the end of each learning period (twenty-day school month) to determine if any students need to be referred for LOA. The majority of teachers during interviews indicated having at least one student currently being evaluated for potential LOA.

At the high school level, it is expected that a student missing more than three assignments will also meet with a counselor, rather than having a para-educator reach out to them. High School teachers are expected to make contact with each student at least once per week.

Teachers maintain student engagement logs in various ways. Generally, contact is documented through the twice-weekly classroom sessions. Other significant contacts are recorded in PowerSchool. Some teachers maintain a log of their own making, documenting other types of student contact.

At the end of each twenty-day school month—or learning period—the teacher submits apportionment credit as well as two work samples for each student via the Brain app to the Compliance Team.

According to the IS Master Agreement, the following is to take place when a student misses assignments:

Board Policies: We understand for students in all grade levels and programs, the maximum length of time that may elapse between the time an assignment is made and the date by which the student must complete the assigned work shall be 20 school days. After 2 missed assignments or when a student's educational progress falls below satisfactory levels, an evaluation will be made, to determine whether it is in the best interests of the student to remain in independent study. A student's progress falls below satisfactory levels as determined by the Highlands Community Charter and Technical Schools' Multi-tiered Systems of Support ("MTSS") procedures which considers ALL of the following indicators:

- *i. The student's achievement and engagement in the independent study program, as indicated by the student's performance on applicable student-level measures of student achievement and student engagement set forth in Education Code Section 52060(d) paragraphs (4) and (5).*
- *ii. The completion of assignments, assessments, or other indicators that evidence that the student is working on assignments.*
- *iii. Learning required concepts, as determined by the supervising teacher.*
- *iv. Progressing toward successful completion of the course of study or individual course, as determined by the supervising teacher*

It is unclear whether the LOA process, which is not mentioned in the IS Master Agreement, complies with Board Policy and the IS Master Agreement.

Shown below is a CICA student re-engagement schedule:

CICA Tiered/Student Re-engagement 23-24

Below are the Principals' expectations for teachers. Expectations are shared wi
teachers during teacher onboarding and again during their one-on-one check-in
Teachers and Principals review how to complete log entries in PowerSchool to docume
student interactions and concerns and needed student support and outreach.

High school:

Teacher Communication
You should be communicating with your students on a weekly basis. (Via Phone call, text, email.) If you have a student who needs a resource, you will need to communicate that with your counselor. 24-48 hour response time via email. No need to *reply all* to emails sent to all staff.

Log Entries/Leave of Absence
At the end of each week please input log entries for your students for the following reasons: • Missed their student/teacher meeting • Not making adequate progress • Not communicating If a student continuously does not make meetings, does not communicate with you, and does not make academic progress they will need to be placed on a leave of absence. Before placing a student on a leave of absence you will need to communicate that with them. At the end of each learning period you will take a deep dive into your roster and determine if any student needs to be placed on a leave of absence. We can not continue to hold students who are not making progress. If you place a student on an LOA please make sure credits earned are up to date in PS.

The same IS Master Agreement is used for IHS, Bridge and HS levels, despite the fact that student contact is handled differently in each setting. For example, at the High School level, students meet with the teacher once-per-week. Generally there appears to be no consistent, daily contact as required in the IS Master Agreement, which states:

Reporting: We understand that students are required to report to their teacher(s) as scheduled to submit assignments and for reporting his or her progress as follows: Manner: through online messages, email, phone or in-person; Frequency: at least once per school day, M-F; Time: 8:00 a.m.-5:00 p.m.; Place: virtually or in-person.

During interviews it could not be determined that this process is being consistently followed by teachers, and there does not appear to be a centralized format for an "engagement log" of student contacts. Some teachers keep personal logs of contact, while others post "important" contacts into PowerSchool. Some teachers indicated they contact students per the IS Master Agreement, some do not, emphasizing the twice-per-week classroom sessions. Some teachers indicated they post student contacts into PowerSchool, and others do not. Many teachers were unfamiliar with the term "engagement log," thinking it had to do with synchronous instruction.

CICA Attendance Concerns

The Consultant was unable to determine who records student apportionment credit for assigned work. Samples are submitted to a Compliance Team, but some teachers interviewed appeared to be defining student attendance credit as confirmed by the uploaded work samples, and others seemed to be referring to the daily, weekly or monthly assignments.

It also could not be determined how non-apportionment for students is recorded, since during 2023-24 apportionment credit was pre-populated in the attendance system. Attendance statistics provided by HCCTS for CICA showed all sites at virtually 100 percent, and student sampling likewise showed evidence of all students earning full apportionment credit. The Director of Independent Study indicated that students who attend only once or twice are removed from the system, and any days they attended are not claimed as ADA by the charter school. The high attendance rate was attributed to the intervention process.

Due to a lack of training, there appears to be a lack of consistency on the part of many teachers regarding how attendance is earned by a student in Independent Study. In some instances, teachers mark only the synchronous attendance credit, the implication being that they understand the Compliance Team makes the determination of other attendance credit based on student work. Other teachers interviewed admitted not understanding how to mark attendance for Independent Study students beyond the synchronized learning sessions. Again, the pre-populating of apportionment credit creates the possibility of over-reporting ADA.

It is unclear that all teachers understand that work must be assigned for each school day, with the teacher determining how much work that represents for each individual student.

In addition, based on the interviews and lack of supportive documentation of adequate training, the available information presented is characteristic of there being no consistent procedures for CTE teachers to provide attendance to the Independent Study teacher for applicable students.

No interviewees indicated they were forced to change attendance or banked work to improve attendance.

ADA records for all students for which ADA was claimed at P-2, provided by HCCTS from PowerSchool and used to document ADA for state reporting, were reviewed. Each student was listed by Student ID# and #ADA generated. There were no instances of students enrolled and earning ADA on multiple tracks, or earning more than one ADA in one year at CICA for either 2022-23 or 2023-24.

Other Concerns

During this study, based on interviews, available documentation, and the absence of clear and reinforced policies and procedures, the evidence indicates that reviewing the IS Master Agreement with the student lies mostly with the Compliance Team rather than the teacher. This may be to ease the burden on teaching staff and streamline the enrollment process, but

seems at odds with Education Code 51747(2), which includes the provisions regarding satisfactory student progress as judged by the supervising teacher, which it would seem needs to be explained to the student by that teacher:

> *(2) Satisfactory educational progress shall be determined based on all of the following indicators:*
>
> > *(A) The pupil's achievement and engagement in the independent study program, as indicated by the pupil's performance on applicable pupil-level measures of pupil achievement and pupil engagement set forth in paragraphs (4) and (5) of subdivision (d) of Section 52060.*
> >
> > *(B) The completion of assignments, assessments, or other indicators that evidence that the pupil is working on assignments.*
> >
> > *(C) Learning required concepts, as determined by the supervising teacher.*
> >
> > *(D) Progressing toward successful completion of the course of study or individual course, as determined by the supervising teacher.*

During discussions with HCCTS administrators, it was discovered that IS Master Agreements are not presented to the student in their native language, but that communication about the IS Master Agreement is accomplished through Google Translate.

It cannot be confirmed that interventions as delineated in the IS Master Agreement are truly in place, especially when it comes to students who may intermittently miss assignments or are not attending synchronized learning regularly.

The IS Master Agreement and Board Policy were not in alignment regarding the number of assignments that could be missed. Board Policy states that evaluation of student appropriateness for remaining in Independent Study is triggered in part by the student failing to complete three assignments (HCCTS Board Policy 6158, 2a—Update July 2023), while the IS Master Agreement states that the evaluation will be undertaken after two missed assignments (IS Master Agreement-7/10/2023-7/1/2024). This discrepancy should be corrected.

Enrollment and Class Sizes

Enrollment is continuous, as evidenced by the annual October census counts in the SARC versus the number of students attending at least one day and the P-2 ADA generated. Among CICA teachers interviewed, class sizes varied between fifteen and forty students, with the majority landing somewhere in the twenties. Of the thirty-one teachers interviewed, eight had a class roster of twenty or fewer students, four had between twenty-one and twenty-five students, nine had between twenty-six and thirty, nine had between thirty-one and thirty-nine, and one had forty students. The average was twenty-three.

Among those interviewed, teaching experience at CICA ranged from seven instructors who had been teaching for three months or less, another nine who had been at CICA for less than a year, eleven who had taught at CICA for one to two years, and four who had been teaching

there for three to five years. Since CICA was completing its fifth year in existence in June 2024, no teachers had spent five plus years at the charter school.

Overall teaching experience included slightly more than twenty percent (seven of thirty-one), with less than one year total experience. Nearly half, fifteen of thirty-one, had between one and two years of experience. Five teachers had three to five years and four had more than five years of experience.

Since all students are age twenty-two or older, class-size ratios for Non-Classroom Based programs do not apply to CICA.

CICA Attendance Testing

Sample testing and examination of results are intended to provide reasonable but not absolute assurance regarding whether enrollment and attendance reported by CICA meets standards of legality and accuracy. The purpose of sampling attendance is to provide insight into attendance and enrollment reporting. Selections made were analyzed and compared to board policies, state requirements and best practices.

Attendance testing was first conducted for CICA. Twenty students from 2022-23 and twenty students from 2023-24 were randomly selected by the Consultant, for a total of forty students. Attendance was reviewed and reconciled against what was reported by CICA to the State.

Students were selected from a total population of all students, provided by HCCTS and identified only by ID number that included the ADA calculated for those students as part of the P-2 ADA reported.

The twenty students selected at random for testing from 2022-23 attendance records were represented by fifty-eight different IS Master Agreements and nineteen different teachers.

The twenty students selected at random for testing from 2023-24 attendance records were represented by forty-eight different IS Master Agreements and twenty-six different teachers.

The first column of the tables on the next pages represents ADA reported by CICA to the State at P-2 based on that student's attendance. The second ADA column represents the attendance calendar submitted by CICA. For 2022-23, that calendar was the same as the Academic calendar, with all tracks having the same ending date at P-2. For 2023-24 that calendar excluded Thanksgiving Break and Winter Break, as previously discussed. For Track A, the attendance did not match the ADA reported at P-2 because of the incorrect divisor of 179 being used. The third column represents the ADA that should have been reported at P-2 based on the attendance calendar per CDE guidelines. The "Att Beg" and "Contract" indicate the first day of attendance and the date the IS Master Agreement was signed by both the teacher and student. The "samples" column indicates whether that student's work samples were retained, with "X" indicating they were.

Adherence to proper Attendance Reporting was measured against the following criteria:

1) Student Residence Within California
2) Student Aged 22 or Older
3) Master Agreement for Each Student
4) Sample Work on File for Each Student
5) Attendance Reported Only On or After Date of Teacher and Student Having Signed Master Agreement
6) Student's P-2 ADA Matches Report to State
7) Student Taught by Certificated Teacher
8) Verification That All Attendance Was Reported on one of the Charter's Schooldays
9) That No Student Generated More Than One Day of Attendance For Each Day
10) Whether Students Appear to be Engaged in Instruction Exclusively to Learn English

- 20 of 20 students met Criteria 1, Student Residence Within California
- 20 of 20 students met Criteria 2, Student Aged 22 or Older
- 20 of 20 students met Criteria 3, Master Agreement for Each Student
- 20 of 20 students met Criteria 4, Sample Work on File for Each Student
- 20 of 20 students met Criteria 5, Attendance Reported Only on or After Date of Teacher and Student Having Signed Master Agreement
- Only 2 of 20 students met Criteria 6, Student's P-2 ADA Matches Report to State (matches only those with 100 percent apportionment credit)
- Only 18 of 20 students met Criteria 7, Student Taught By Properly Credentialed Teacher
- 20 of 20 students met Criteria 8, All Attendance Was Reported on One of the Charter's Schooldays
- 20 of 20 students met Criteria 9, No Student Generated More Than One Day of Attendance for each Calendar Day.
- 8 of 20 students according to Criteria 10 appear to be engaged in instruction almost exclusively devoted to learning English. This is based on the class offering listed in the Master Contract and a review of sample work.

One student, Student 11, was credited with 1.0 ADA in the PowerSchool query. However, there were two days of absence prior to P-2 not reflected in the query calculation provided to the Consultant. Accordingly, that student's ADA was over reported by two days.

Because of the deficiencies discussed earlier regarding class sizes and instructional minutes, and the same attendance calendar issues that caused inaccurate ADA for CICA, in consultation with TRUSD it was determined that no individual student testing of attendance would be conducted for HCCS, since the same inaccuracies would result. The deficiencies in HCCS' instructional minutes offered should be reviewed in light of the charter, and ADA re-run for 2022-23 and 2023-24 with the correct calendar, as noted in the Findings and Recommendations section of this report. Once this is complete, it is recommended that testing of HCCS attendance be undertaken.

A list of findings and recommendations begins on the next page.

FINDINGS AND RECOMMENDATIONS

Finding 1: Attendance Calendar (HCCS and CICA)

Both HCCS and CICA used a calendar for purposes of reporting ADA to the State that resulted in incorrect P-2 divisors for both schools in 2022-23 and 2023-24. The ADA reported to the State for both years could not be verified.

Recommendation: HCCTS should use twenty-day calendar months as required of charter schools by the California Department of Education in order to utilize the correct divisors in calculating P-2. HCCTS should recalculate P-2 with the correct divisors for both 2022-23 and 2023-24 and revise their P-2 reports for HCCS and CICA to both TRUSD and the State.

Finding 2: Class Sizes (HCCS)

In reviewing class-sizes for HCCS, seventeen classes had rosters of 150 or more students in March 2023 and twenty-four classes had rosters of 150 or more in March 2024. Classroom spaces cannot physically accommodate that number of students at one time, and interviews and observation point to students being provided work packets and sent home, or encouraged to attend only part of the day as space permits. This means it is possible HCCS is not offering the scheduled instructional minutes, or meeting the obligation of offering at least 80 percent of instructional time at the school site, or requiring students to physically attend for 80 percent of the time.

Recommendation: HCCS should review class sizes and ensure students are being offered appropriate class time in order to claim ADA. It is further recommended that TRUSD review this discrepancy with HCCTS to determine whether this represents a violation of the charter petition or MOU.

Finding 3: Student Attendance (HCCS)

During interviews with teachers and personal observations of classrooms, it was noted that students arrive and depart continuously during classes. Interviews indicated that a significant number of students simply check in and leave class without intending to attend, or are given packets and leave to work independently at home.

Recommendation: HCCS should review this practice, which is in conflict with its student handbook and the charter petition. It is further recommended that TRUSD review this discrepancy with HCCTS to determine whether this represents a violation of the charter petition or MOU.

Finding 4: Student Attendance (HCCS)

On August 9, 2023 and March 27, 2024, the College Oak site, located within a local mosque, was closed for staff development and Muslim holidays. Some students were provided one-day Independent Study packets. On June 29, 2024, SB 153 was signed into law and ended the

requirement for a minimum of three days for short-term Independent Study. On August 2, 2024, the California Department of Education released a letter confirming this change and indicated it was effective beginning with the 2024-25 school year. Since the three day minimum was in effect during the 2023-24 school year, ADA earned for these students is not allowable.

Recommendation: Short-term Independent study policies should be reviewed and revised as necessary. Revised 2023-24 P-2 and P-Annual reports should be prepared for HCCS, removing the days inappropriately claimed for each track.

Finding 5: Annual Instructional Minutes (HCCS)

The number of annual instructional minutes required at the high school level is 64,800. In 2022-23, while the "A" Track for students attending the PM schedule met the required days of instruction, the annual instructional minutes calculation was only 58,290, which is 6,510 minutes short of the number of minutes required.

Recommendation: HCCTS needs to review this finding with its auditor and TRUSD to determine whether an adjustment to ADA for 2022-23 should be filed and whether it would apply only to PM Track A or all grade levels served by HCCS. If an adjustment to all grade levels is required, that may represent an ADA reduction of 10.05% (58,290 divided by 64,800 equals 89.95%).

Finding 6: Retention of Records (HCCS)

Records documenting student attendance are required to be retained for three years after the end of the applicable school year per CCR Title 5, Sections 16020-16030. In addition to electronically scanning their attendance, students sign a manual register in the classroom. According to interviews, prior to 2023-24, these records were discarded at the end of the school year.

Recommendation: Manual sign-in student attendance registers should be maintained for three years after the end of the applicable school year.

Finding 7: Teacher of Record – Credentials (CICA)

According to "Maximizing ADA & Maintaining Compliance With Independent Study," published in 2020 by the California Association of School Business Officials (CASBO), one of the requirements for receiving apportionment for Independent Study is, "*A credentialed teacher assigned overall responsibility of the pupil's independent study (i.e. supervising teacher).*"

In addition, the IS Agreement must include, *"Dated signature of the pupil, parent/guardian, supervising teacher, and other persons responsible. (5 CCR Section 11702)"*

CASBO further states on Page 2.5:

The supervising teacher:

• *Must be certificated teacher employed by school district or county office claiming apportionment attendance (Education Code Section 51747.5 (a).*

During sampling of 2022-23 CICA ADA, two students were under IS Master Agreements signed by teachers who, according to the California Commission on Teacher Credentialing (CTC) website possessed only Certificates of Clearance. One student had 14 days of attendance claimed at P-2, while the other had 101 days claimed at P-2 under the IS Master Agreement in question. The teacher in the second instance received a certification on June 6, 2023; therefore, days reported between that date and the end of the school year may be claimed for Annual ADA.

During 2023-24, one student was under an IS Master Agreement in 2023-24 signed by a teacher who according to the CTC website possessed only a 30-day Substitute Teaching Permit. It is not clear whether this permit was valid at the time of the IS Master Agreement being signed. This potentially means some days were claimed for apportionment that should not have been.

Recommendation: HCCTS should ensure that all IS Master Agreements are signed by a properly credentialed supervising teacher. The P-2 and Annual reports should be revised to delete any ineligible days of apportionment. It is further recommended that TRUSD review this issue with HCCTS to determine whether this represents a violation of the charter petition or MOU.

Finding 8: Student Attendance Records (CICA)

During 2022-23 and 2023-24, students were pre-marked for attendance apportionment for Independent Study, with the teacher tasked with changing the mark to non-apportionment if work was not turned in on time. Interviews with teachers indicated a lack of understanding on the part of many regarding responsibilities for determining student attendance in Long-Term Independent Study. It is not clear that all teachers understand the relationship between work product assigned and turned in and attendance, or the use of teacher judgement in determining the time value of assignments. From the teachers' perspective, there seemed to be a reliance on the Compliance Team checking for work samples as validation for attendance. This creates the possibility of over-claiming ADA.

Recommendation: While administration indicated that the practice of pre-populating attendance has been changed for 2024-25, this has not been tested and verified. TRUSD should verify with HCCTS that this practice has changed. Teachers should be trained in taking attendance, and instructions for determining time and attendance value of work product created and enforced.

Finding 9: Independent Study Master Agreements (CICA)

IS Master Agreements are reviewed with students during intake, with few teachers reviewing the IS Master Agreement and course expectations with the student prior to their signing it. Further, IS Master Agreements are provided to students in English only, even to those with little or no English skills, with Google Translate being used to facilitate the process.

Recommendation: IS Master Agreements should be made available to English learners in their own language, as well as in English. Teachers should be expected to review the IS Master Agreement with the student to ensure they understand expectations and are capable of performing in Independent Study before both sign the IS Master Agreement. Students should be

required to demonstrate appropriate English proficiency prior to entering into the IS Master Agreement.

Finding 10: Independent Study Master Agreements (CICA)

The IS Master Agreement indicates that students are required to report to their teacher through online messages, email, phone or in-person at least once per school day. The results of this study indicate this is not happening.

Recommendation: Student engagement as defined by the IS Master Agreement should be followed and enforced.

Finding 11: Independent Study Master Agreements (CICA)

Board Policy states that evaluation of student appropriateness for remaining in Independent Study is triggered in part by the student failing to complete three assignments. (BP 6158, 2a—Update July 2023) However, the Master Agreement states that the evaluation will be undertaken after two missed assignments. (Master Agreement-7/10/2023-7/1/2024, Board Policies section.)

Recommendation: Master Agreements should be revised to agree with Board Policy.

Finding 12: Independent Study Master Agreements (CICA)

During the sampling of attendance for the 2022-23 school year of twenty students, fifteen had Master Agreements with durations of July 11, 2022 to July 1, 2023. For the 2023-24 school year, all twenty sampled students signed agreements with durations of July 10, 2023 to July 1, 2024. Each school year ends on June 30. Master Agreements cannot have a duration longer than one school year.

Recommendation: Independent Study Master Agreements should be revised going forward to ensure that none have a duration longer than one school year.

Finding 13: Student Engagement Logs (CICA)

Student engagement logs are not being maintained by teachers in accordance with the Master Agreement and the State Audit Guide.

Recommendation: Student engagement logs should be maintained centrally and reflect contact with students as required by the State Audit Guide.

Finding 14: Change in Attendance Procedures (HCCTS)

Unlike Traditional K-12 school districts, Student Attendance processes and procedures are approved by the authorizing LEA rather than the California Department of Education. During 2022-23 and 2023-24, HCCS made numerous material changes to their procedures for collecting attendance and reporting ADA, particularly involving the “Brain” app, but did not inform TRUSD.

Recommendation: There is evidence of communication that HCCTS intends to inform TRUSD of changes in attendance policies and procedures moving forward and that there will be an agreed-upon process for doing so. In the future, any change in attendance software, process or procedure should be approved by TRUSD prior to implementation.

Finding 15: Internal Controls (HCCTS)

The reporting structure and internal controls around attendance were inadequate during the timeframe of the study. This resulted in multiple errors in attendance accounting, lack of training of teachers and staff, and inconsistency in documenting and verifying attendance reporting.

Recommendation: HCCTS should assign an employee to be responsible charter-wide for ensuring and enforcing attendance rules and procedures, and provide them with resources to ensure accurate reporting and coordination of training teachers and principals.

Finding 16: Attendance Calendar (HCCTS)

Students are enrolled in one of three tracks depending on start dates in July, August or September. However, these tracks are not exclusive to certain classrooms, and it appears that the reason for this is to maximize ADA for students who start in later tracks. There is no separate class or curriculum for these students, who are integrated into existing classrooms.

Recommendation: All students should be enrolled in one track, unless there are separate classrooms for tracks, and separate calendars are created. One option would be to place IHS in the longer year of Track A, Bridge in Track B and HS in Track C.

Finding 17: Student Attendance (HCCTS)

Teachers in the CTE program are to report student attendance to the supervising teachers in the CICA program, who then are to include that attendance in the student's record in PowerSchool. During interviews it was disclosed that this is often not happening, unless prompted by the CICA teacher.

Recommendation: It is recommended that HCCTS review expectations with CTE teachers and ensure that student attendance is being reported properly and promptly to the appropriate CICA teacher.

Finding 18: Board Policies (HCCTS)

At the time of the beginning of this study, nearly all board policies had not been updated since 2017. Administration began the process of reviewing and updating policies after this was suggested at the initial entrance meeting.

Recommendation: Review existing board policies and update as needed. Board policies should include a date of Board approval.

Finding 19: School Accountability Report Card (HCCTS)

There appear to be inconsistencies in enrollment and class sizes posted in the 2022-23 School Accountability Report Card (SARC), especially for HCCS.

Recommendation: The SARC should be reviewed for accuracy and compared to class rosters and reported attendance.

Finding 20: Charter School and Charter Authorizer Oversight Responsibilities (HCCTS and TRUSD)

Considering the unique nature of the programs and complexity of reporting requirements for HCCTS, additional oversight measures should be considered above the minimum Education Code requirements and those in the current MOU.

Recommendation: It is recommended that TRUSD thoroughly review the annual audit, the annual SARC, all ADA reporting documentation, student attendance calendars and class schedules, class sizes, IS Master Agreement templates, teacher credentials, and any and all procedural and internal control changes made by HCCTS as it relates to HCCS and CICA student attendance.

Executive Summary

Attendance Integrity

TRUSD's findings confirmed there was no evidence of fraudulent attendance reporting at HCCTS as outlined on page 29: "*During on-site in-person interviews, teachers stated they do not mark any student present they or their para-educator have not seen, and none reported pressure to fabricate attendance, or inappropriate pressure to improve it"*. Interviews conducted by Dennis Snelling with teachers, paraeducators, and staff revealed no reports of pressure to fabricate or manipulate attendance records. Furthermore, there was no evidence that any student received more than one ADA (Average Daily Attendance) per year at HCCS or CICA.

Significant Findings

The report identified several areas where HCCTS needs improvement. Staff require training on attendance-taking and accountability procedures, and the organization lacks strong, centralized attendance policies. There are inconsistencies in independent study procedures and Master Agreements, along with errors in instructional minutes calculations, which resulted in one track at HCCS failing to meet the minimum required instructional minutes. Additionally, the use of improper attendance month calendars led to inaccurate ADA calculations.

Next Steps

HCCTS is fully committed to addressing all the findings and recommendations in the TRUSD Forensic Attendance Audit. New systems and procedures have been established to ensure compliance with all California Education Code, Title 5 regulations, and TRUSD oversight recommendations for attendance accounting for students enrolled in HCCS and CICA. An Attendance team has been established to facilitate accurate attendance accounting and accountability with HCCTS. HCCTS will complete the required steps for approval of our new attendance Standard Operating Procedures (SOP) by the end of this fiscal year as required by TRUSD.

HCCTS issues with some assertions in the TRUSD Attendance Audit

Despite providing evidence to the contrary, HCCTS found that several assertions in the final report remained unchanged. Notably, HCCTS had previously informed TRUSD about using "the Brain App" as an attendance tool.

Documentation providing this was presented in a 2022-2023 report drafted by TRUSD and sent to HCCTS. However, the TRUSD Attendance Audit lacks acknowledgment that this information was provided. For additional clarification, “the Brain App” as an attendance tool was discontinued on December 2, 2024.

You may find the comprehensive Student Attendance Review here.

Highlands Community Charter and Technical Schools Findings

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
1	HCCTS should use the twenty-day calendar months as required of charter schools by the ED Code in order to utilize the correct divisors in calculating P-2. HCCTS should recalculate P-2 with the correct divisors for both 22-23 and 23-24 and revise their P-2 reviews for HCCTS to both TRUSD and the State.	In the 2024-2025 school year HCCTS contracted with Charter Impact to assist in getting 20-day calendars set up correctly in PowerSchool to ensure correct divisors in calculating ADA for P-2. Effective October 2024 HCCTS began using a 20-day calendar as required by Ed Code. This has been corrected for the 24-25 school year and will be accurate for all school years moving forward. HCCTS will correct the divisors based on a 20-day calendar for 22-23 and will resubmit reviews to both TRUSD and CDE by March 15, 2025.	HCCTS will continue to use the 20-day calendar months as required for charter schools by Ed Code in order to calculate accurate ADA.	HCCTS will continue to use the 20-day calendar months as required for charter schools by Ed Code in order to calculate accurate ADA.
9	IS Master Agreements should be made available to English learners in their own language, as well as in	None.	In the 24-25 school year HCCTS will create translated Master	HCCTS will implement the translated Master Agreements in the 25-26

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
	English. Teachers should be expected to review the IS Master Agreement with the student to ensure they understand expectations and are capable of performing in Independent Study before both sign the IS Master Agreement. Students should be required to demonstrate appropriate English proficiency prior to entering into the IS Master Agreement.		agreements available in the 5 most spoken languages: Spanish Dari/ Farsi Russian Ukrainian Pashto HCCTS will implement the translated Master Agreements in the 25-26 school year and identify if adding more languages is necessary.	school year and identify if adding more languages is necessary.
11	Master Agreements should be revised to agree with Board Policy.	HCCTS is reviewing the Independent Study Master Agreements with legal counsel.	HCCTS Leadership will revise Board Policy 6158 to agree with the Master Agreement.	Master Agreements will be implemented in the 2025-2026 school year.
14	There is evidence of communication that HCCTS intends to inform TRUSD of changes in attendance policies and procedures moving forward and that there will be an agreed-upon process for doing so. In the future, any change in attendance software, process or procedure should be approved by TRUSD prior to implementation.	Unlike traditional K-12 school districts, Student Attendance processes and procedures are approved by the authorizing LEA rather than the California Department of Education. During the 2022-23 and 2023-24, HCCS made numerous changes to the	HCCTS will seek approval from TRUSD before making any changes to the attendance policies.	HCCTS will seek approval from TRUSD before making any changes to the attendance policies.

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
		procedures for collecting attendance reviewing and has informed TRUSD of these changes. Within the 2022-2023 TRUSD annual oversight review for HCCS, there is the following paragraph: *"This year HCCTS plans to increase the use of games in their homework assignments, especially for English Learners so they have fun ways to learn. They will also be expanding the use of the "Brain" application beyond collecting attendance and meeting compliance requirements to support the academic programs."*		
15	HCCTS should assign an employee to be responsible charter-wide for ensuring and enforcing attendance rules and procedures, and provide them with resources to ensure accurate reviewing and coordination of training teachers and Principals.	HCCTS has a board-approved job description for the Director of Attendance and Admissions position. HCCTS has filled this position. HCCTS is	1. The Director of Attendance will monitor the storage of the teacher's attendance for 3 years. 2. The Director of Attendance will ensure	HCCTS will have the Director of Attendance continue monitoring teacher attendance storage for three years, conduct regular audits to ensure no blanks in

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
		currently interviewing for Attendance technicians and specialists.	there are regular audits of the attendance to make sure there are no blanks in PS. 3. The Director of Attendance will present new policies regarding attendance to teachers or those affected. The CBO will bring forth any new attendance policy changes and notify TRUSD if adopted.	PowerSchool, and present new attendance policies to teachers, with any adopted changes being communicated to TRUSD by the CBO.
18	Review existing board policies and update as needed. Board policies should include a date of Board approval.	1. HCCTS utilizes board management Diligent Community software to enhance public transparency and engagement and ensure that staff have access to final drafts with approval dates from the board. 2. Leadership has reviewed all board agendas and minutes. To date, HCCTS has revised 38 policies and removed 4 policies. The remaining 41 will be revised by June	1. Ongoing Review: Continue reviewing and updating existing board policies 2. Completion Timeline: Complete the review and update of all existing board policies by June 30, 2025. 3. Communication Plan: Once updated, communicate the revised policies to relevant staff and educational partners, emphasizing any major changes.	

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
		30, 2025, to ensure comprehensive and accurate collection and tracking of all board policies. 3. HCCTS continues to identify needs for additional policy development. 4. All board policies have been reviewed to ensure that all approval dates are included.		
20	**It is recommended that TRUSD thoroughly review the annual audit, the annual SARC, all ADA reviewing documentation, student attendance calendars and class schedules, class sizes, IS Master Agreement templates, teacher credentials, and any and all procedural and internal control changes made by HCCTS as it relates to HCCTS student attendance.*	Leadership at HCCTS is in regular communication with TRUSD to ensure all oversight concerns are received and responded to. HCCTS' Chief Business Official meets regularly with TRUSD Executive Director of Fiscal Services of TRUSD regarding budgets, fiscal reviewing, and oversight fees. The Director of Accountability and Assessment	HCCTS will continue to communicate with TRUSD and provide all the information requested and needed regarding SARCs, attendance calendars, class sizes, ADA reviewing, Independent Study compliance, teacher credentialing, and attendance SOPs.	HCCTS will continue to communicate with TRUSD and provide all the information requested and needed regarding SARCs, attendance calendars, class sizes, ADA reviewing, Independent Study compliance, teacher credentialing, and attendance SOPs.

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
		communicates with TRUSD regarding annual audits, LCAPs, updated policies, and enrollment reviews, and provides additional documentation needed for TRUSD oversight.		

**These findings are intended for TRUSD.*

Highlands Community Charter School Findings

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
2	HCCS should review class sizes and ensure students are being offered appropriate class time in order to claim ADA. **It is further recommended that TRUSD review this discrepancy with HCCTS to determine whether this represents a violation of the charter petition or MOU.*	HCCTS has contracted with a vendor to measure the classrooms and determine classroom capacities. HCCTS has drafted a classroom capacity policy. Building/Room Capacity is ready to be stored within PS once HCCS has that information.	HCCTS provides appropriate instructional minutes in order to claim ADA. Legal will review and provide feedback on the classroom capacity policy draft. The policy will be piloted and implemented by the end of the 2025-2026 school year. It will be adopted by June 30, 2025.	HCCS will implement the class size policy that was approved by the Board in 2024-2025.
3	A significant number of students simply check and leave without intending to attend. HCCS should address that. It is in conflict with its student handbook and the charter petition. **It is further recommended that TRUSD review this discrepancy with HCCTS to determine whether this represents a violation of the charter petition or MOU.*	HCCS has drafted a new bell schedule that is proposed for the 2025-2026 school year with only one track. HCCS is currently drafting a new attendance standard operating procedure that outlines student attendance.	HCCS will create an updated bell schedule with five periods. Teachers will take attendance for every period to better track when students are present and when students are absent. Associate Deputy Directors will present the new bell schedule to the HCCTS board for discussion in February 2025. HCCS will draft an attendance standard operating procedure where students must attend a	HCCS will ensure students attend a minimum percentage of offered minutes.

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
			minimum percentage of offered minutes to generate ADA. HCCTS will update the Student Handbook HCCTS will update all the attendance policies.	
4	Short-term IS policies should be reviewed and revised as necessary. Revised 2023-24 P-2 and P-Annual reviews should be prepared for HCCS, removing the days inappropriately claimed for each track.	The three-day minimum requirement for Independent Study does not apply to charter schools as they are exempt through Edc. code 47610. HCCS is exempt from Ed Code AB 130 section 53. Therefore there is no reason to revise it.	HCCS is currently reviewing short-term Independent Study policies with legal counsel.	HCCS is not offering Independent Study for classroom-based instruction.
5	The annual instructional minutes calculation was 4,500 minutes short of the number of minutes required. HCCS needs to review this finding with its auditor and TRUSD to determine whether an adjustment to ADA for 22-23 should be filed and whether it would apply only	None.	HCCS will review the Track A PM average daily attendance and refile it for an adjustment if calculations confirm that Track A PM was short on instructional minutes. HCCS will then resubmit ADA reviews to TRUSD and CDE by the beginning of the 2025–2026 school year. 4,500 is the correct deficit. The	None.

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
	to PM Track A or all grade levels served by HCCS. If an adjustment to all grade levels is required, that may represent an ADA.		document incorrectly suggests 6,510 minutes. HCCS will be able to factor this into the P2 adjustments above. HCCS will apply the reduction to ONLY night-time track A students unless otherwise directed.	
6	Manual sign-in student attendance registers should be maintained for three years after the end of the applicable school year.	On 11/21/24 the Associate Deputy Director overseeing Academics shared with teachers and paraeducators the paper attendance storage expectations: 1. Paper attendance rosters/ sign-in sheets will be used for every period and stored in the classroom. 2. Teachers will not destroy or dispose of any student attendance records. 3. Every year HCCS will collect all attendance records and store them for three years.	1. Training and Expectations: HCCS will provide clear training for all teachers and relevant staff on proper storage and retention of attendance registers for three years, emphasizing compliance with policy and timelines. Additionally, teachers will be given a written guide or checklist detailing acceptable storage practices (e.g., secure, dry, and accessible spaces). 2. Audits: The Attendance Director will conduct twice-a-year audits of classrooms to verify that attendance records are stored correctly and securely. 3. Alternative Storage	HCCS will implement a comprehensive plan to ensure proper storage and retention of attendance records. This includes training teachers and staff on storage practices, conducting bi-annual audits by the Attendance Director, providing alternative storage options for teachers with limited space, and onboarding new teachers on record-keeping procedures. Additionally, all training will require staff confirmation through signed acknowledgment.

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
			Options: Teachers lacking adequate storage space will coordinate with the Attendance Director to transfer their attendance registers to a centralized storage location maintained by the Attendance Department. 4. All new teachers will be onboarded on the process of maintaining their attendance records and where to store them for their class. 5. All training sessions will be accompanied by a confirmation of training for each staff member which must be signed.	
7	HCCS should ensure that all IS Master Agreements are signed by a properly credentialed supervising teacher. The P-2 and Annual reviews should be revised to delete any ineligible days of apportionment. It is further recommended that TRUSD review this issue with HCCTS	HCCS is not currently doing short-term independent study and will not do it for the 2024-2025 school year. It will only be implemented in the future if TRUSD approves the plan. Legal counsel is reviewing all independent study materials	Review the HCCS P2 short-term Independent Study average daily attendance and make adjustments for days of apportionment that are ineligible due to an improperly credentialed supervising teacher.	HCCS is not implementing short-term Independent Study in the seat-based school for the 2025-2026 school year.

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
	to determine whether this represents a violation of the charter petition or MOU.	and policies.	Resubmit adjusted reviews to CDE and TRUSD. Review the Charter Petition and Memorandum of Understanding with leadership and TRUSD to determine if this represents a violation of the Charter Petition or Memorandum of Understanding.	
8	Teachers should be trained in taking attendance, and instructions for determining time and attendance value of work product created and enforced.	The Associate Deputy Director overseeing Academics sent an email with the video training for teachers on how to print rosters. 2024-2025 Bell Schedule Video: How teachers can print roster reviews for each period	1. The Director of Instruction and Professional Learning will schedule a training that will be recorded for current teachers regarding attendance 2. The Director of Instruction and Professional Learning will ensure that all new teachers have been trained on how to take attendance during their onboarding process. 3. The Director of Instruction and Professional Learning will coordinate with the Director of Attendance to flag any teachers who are not taking attendance correctly repeatedly and provide more	HCCS will ensure all teachers are continuing to receive training on proper attendance procedures.

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
			training for those teachers and additional support as needed. 4. All training sessions will be accompanied by a confirmation of training for each staff member. 5. Additional training will be provided/facilitated by the teacher's supervising Principal.	
10	Student engagement as defined by the IS Master Agreement should be followed and enforced.	HCCTS is reviewing the Independent Study Master Agreements with legal counsel.	HCCS will not offer Independent Study in the remainder of the 2024-2025 school year.	HCCS will not offer Independent Study in the 2025-2026 school year.
16	All students should be enrolled in one track unless there are separate classrooms for tracks, and separate calendars are created. One option would be to place IHS in the longer year of Track A, Bridge in Track B, and HS in Track C.	None.	For the 2024-2025 school year, no action will be taken.	HCCS will implement a single attendance track beginning in the 2025-2026 school year. This track will begin on 8/11 to align with the start of the Twin Rivers school year. All tracks will meet the minimum number of instructional minutes as outlined in Education Code 47612.5.

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
17	It is recommended that HCCS review expectations with CTE teachers and ensure that student attendance is being reviewed properly and promptly to the appropriate HCCS teacher.	All internal CTE teachers have been trained on entering daily attendance.	The Associate Deputy Director will ensure that: 1. All external CTE teachers will be trained on entering daily attendance. 2. Teachers will complete a summative assessment to show understanding after training. 3. All CTE teachers will be held accountable for daily attendance. 4. CTE teachers not entering daily attendance will be subject to corrective action. The Director of Attendance and Admissions will ensure that: 1. All daily, weekly, monthly, and quarterly attendance reviews are overseen. 2. Weekly attendance audits across sites for all teachers are coordinated. 3. Attendance policies are regularly updated. 4. The attendance specialists	HCCS will implement the process of training CTE teachers on daily attendance procedures, attendance reviewing, and audits.

Finding Number	TRUSD Recommendation	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
			and the attendance technician leads are trained.	
19	The SARC should be reviewed for accuracy and compared to class rosters and reviewed attendance.	The HCCS SARC was approved by the Board on January 23, 2024. The HCCS SARC contains all required school data as well as additional information regarding class sizes and graduation rates.	None.	The 2025-26 HCCS SARC will contain all required information, it will be both accurate and complete.

**These findings are intended for TRUSD.*

California Innovative Career Academy Findings

2	HCCS should review class sizes and ensure students are being offered appropriate class time in order to claim ADA. **It is further recommended that TRUSD review this discrepancy with HCCTS to determine whether this represents a violation of the charter petition or MOU.*	**HCCS**	HCCTS has contracted with a vendor to measure the classrooms and determine classroom capacities. HCCTS has drafted a classroom capacity policy. Building/Room Capacity is ready to be stored within PS once HCCTS has that information.	HCCTS provides appropriate instructional minutes in order to claim ADA. Legal will review and provide feedback on the classroom capacity policy draft. The policy will be piloted and implemented by the end of the 2025-2026 school year. It will be adopted by June 30, 2025.	HCCS will implement the class size policy that was approved by the Board in 2024-2025.
3	A significant number of students simply check and leave without intending to attend. HCCS should address that. It is in conflict with its student handbook and the charter petition. **It is further recommended that TRUSD review this discrepancy with HCCTS*	**HCCS**	HCCS has drafted a new bell schedule that is proposed for the 2025-2026 school year with only one track. HCCS is currently drafting a new attendance SOP that outlines student attendance.	HCCS will create an updated bell schedule with five periods. Teachers will take attendance for every period to better track when students are present and when students are absent.	HCCS will ensure students attend a minimum percentage of offered minutes.

Finding Number	TRUSD Recommendation	School	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
	to determine whether this represents a violation of the charter petition or MOU.			ADDs will present the new bell schedule to the HCCTS board for discussion in February 2025 HCCS will draft an attendance SOP where students must attend a minimum percentage of offered minutes to generate ADA. HCCTS will update the Student Handbook HCCTS will update all the attendance policies	
4	Short-term IS policies should be reviewed and revised as necessary. Revised 2023-24 P-2 and P-Annual reviews should be prepared for HCCS, removing the days inappropriately claimed for each track.	**HCCS**	The three-day minimum requirement for Independent Study does not apply to charter schools as they are exempt through Edc. code 47610. HCCS is exempt from Ed Code AB 130 section 53.	HCCS is currently reviewing our HCCS short-term independent Study policies with legal counsel.	HCCS is not offering Independent Study for classroom-based instruction.

Finding Number	TRUSD Recommendation	School	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
			Therefore there is no reason to revise it.		
5	The annual instructional minutes calculation was 4,500 minutes short of the number of minutes required. HCCS needs to review this finding with its auditor and TRUSD to determine whether an adjustment to ADA for 22-23 should be filed and whether it would apply only to PM Track A or all grade levels served by HCCS. If an adjustment to all grade levels is required, that may represent an ADA.	**HCCS**	None.	HCCS will review the Track A PM ADA and refile it for an adjustment if calculations confirm that Track A PM was short on instructional minutes. HCCS will then resubmit ADA reviews to TRUSD and CDE by the beginning of the 2025–2026 school year. 4,500 is the correct deficit. The document incorrectly suggests 6,510 minutes. HCCS will be able to factor this into the P2 adjustments above and will apply the reduction to ONLY night-time track A students unless otherwise directed.	None.

Finding Number	TRUSD Recommendation	School	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
6	Manual sign-in student attendance registers should be maintained for three years after the end of the applicable school year.	**HCCS**	On November 21, 2024, the Associate Deputy Director overseeing Academics shared with teachers and paraeducators the paper attendance storage expectations: 1. Paper attendance rosters/ sign-in sheets will be used for every period and stored in the classroom. 2. Teachers will not destroy or dispose of any student attendance records. 3. Every year HCCS will collect all attendance records and store them for three years.	1. Training and Expectations: HCCS will provide clear training for all teachers and relevant staff on proper storage and retention of attendance registers for three years, emphasizing compliance with policy and timelines. Additionally, teachers will be given a written guide or checklist detailing acceptable storage practices (e.g., secure, dry, and accessible spaces). 2. Audits: The Attendance Director will conduct twice-a-year audits of classrooms to verify that attendance records are stored correctly and securely.3. Alternative Storage Options: Teachers lacking adequate storage space will coordinate with the Attendance Director to transfer their attendance	HCCS will implement a comprehensive plan to ensure proper storage and retention of attendance records. This includes training teachers and staff on storage practices, conducting bi-annual audits by the Attendance Director, providing alternative storage options for teachers with limited space, and onboarding new teachers on record-keeping procedures. Additionally, all training will require staff confirmation through signed acknowledgment.

Finding Number	TRUSD Recommendation	School	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
				registers to a centralized storage location maintained by the Attendance Department. 4. All new teachers will be onboarded on the process of maintaining their attendance records and where to store them for their class. 5. All training sessions will be accompanied by a confirmation of training for each staff member which must be signed.	
7	HCCS should ensure that all IS Master Agreements are signed by a properly credentialed supervising teacher. The P-2 and Annual reviews should be revised to delete any ineligible days of apportionment. **It is further recommended that TRUSD review this issue with HCCTS to determine whether this*	**HCCS**	HCCS is not currently doing short-term independent study and will not do it for the 2024-2025 school year. It will only be implemented in the future if TRUSD approves the plan. Legal counsel is reviewing all independent study materials and policies.	Review the HCCS P2 short-term Independent Study ADA and make adjustments for days of apportionment that are ineligible due to an improperly credentialed supervising teacher. Resubmit adjusted reviews to CDE and TRUSD. Review Charter Petition	HCCS is not implementing short-term Independent Study in the seat-based school for the 2025-2026 school year.

Finding Number	TRUSD Recommendation	School	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
	represents a violation of the charter petition or MOU.			and MOU with leadership and TRUSD to determine if this represents a violation of the charter petition or MOU.	
7	CICA should ensure that all IS Master Agreements are signed by a properly credentialed supervising teacher. The P-2 and Annual reviews should be revised to delete any ineligible days of apportionment. It is further recommended that TRUSD review this issue with HCCTS to determine whether this represents a violation of the charter petition or MOU.	**CICA**	CICA has given credentialing access to the Special Projects Coordinator as part of the CICA Independent Study compliance.	Review the CICA P2 short-term Independent Study ADA and make adjustments for days of apportionment that are ineligible due to an improperly credentialed supervising teacher. Resubmit adjusted reviews to CDE and TRUSD. Review Charter Petition and MOU with leadership and TRUSD to determine if this represents a violation of the charter petition or MOU.	1. The training recorded for current teachers regarding attendance will be available in Google Classroom anytime for all teachers. 2. The Director of CICA will continue to ensure that all new teachers have been trained on how to take attendance during their onboarding process. 3. The Director of CICA will coordinate with the Director of Attendance to flag any teachers that are not taking attendance correctly repeatedly and provide more training for those teachers and additional support as needed.

Finding Number	TRUSD Recommendation	School	Actions Taken	Action plan 2024-2025	Action plan 2025-2026
8	Teachers should be trained in taking attendance, and instructions for determining time and attendance value of work product created and enforced.	**HCCS**	The Associate Deputy Director overseeing Academics sent an email with the video training for teachers on how to print rosters. 2024-2025 Bell Schedule Video: How teachers can print roster reviews for each period.	1. The Director of Instruction and Professional Learning will schedule a training that will be recorded for current teachers regarding attendance 2. The Director of Instruction and Professional Learning will ensure that all new teachers have been trained on how to take attendance during their onboarding process. 3. The Director of Instruction and Professional Learning will coordinate with the Director of Attendance to flag any teachers who are not taking attendance correctly repeatedly and provide more training for those teachers and additional support as needed. 4. All training sessions will be accompanied by a confirmation of training	HCCS will ensure all teachers are continuing to receive training on proper attendance procedures.

			pertains to class size data.		
20	**It is recommended that TRUSD thoroughly review the annual audit, the annual SARC, all ADA reviewing documentation, student attendance calendars and class schedules, class sizes, IS Master Agreement templates, teacher credentials, and any and all procedural and internal control changes made by HCCTS as it relates to HCCS and CICA student attendance.*	**HCCTS**	Leadership at HCCTS is in regular communication with TRUSD to ensure all oversight concerns are received and responded to. HCCTS' CBO meets regularly with the TRUSD Executive Director of Fiscal Services of TRUSD regarding budgets, fiscal reviewing, and oversight fees. The Director of Accountability and Assessment communicates with TRUSD regarding annual audits, LCAPs, updated policies, and enrollment reviews, and provide additional documentation needed for TRUSD oversight.	HCCTS will continue to communicate with TRUSD and provide all the information requested and needed regarding SARCs, attendance calendars, class sizes, ADA reviewing, Independent Study compliance, teacher credentialing, and attendance SOPs.	HCCTS will continue to communicate with TRUSD and provide all the information requested and needed regarding SARCs, attendance calendars, class sizes, average daily attendance reviewing, Independent Study compliance, teacher credentialing, and attendance SOPs.

**These findings are intended for TRUSD.*

HCCTS Attendance Standard Operating Procedures (SOP)s

Between August 2024 and January 2025, HCCTS has drafted new attendance policies and procedures. These procedures have been aligned with state requirements and all recommendations have been built into the new attendance processes. The drafts of the attendance SOPS for HCCS and CICA will be sent to Dennis Snelling, HCCTS external Auditors, and legal counsel. Once approved by HCCTS' external auditor and corrections have been made, HCCTS will submit them to the HCCTS Board of Directors for approval. Once approved by the HCCTS board, they will be sent to TRUSD. During the remainder of the 2024-2025 school year, entering daily attendance and following the new attendance protocols will be the primary areas of focus.

Good Afternoon,

I hope you are doing well. I need additional information regarding the class size information you've shared.

Could you please help me with the following questions:

- What site had 194 students assigned to a class?
- What were the two other sites with enrollment of 105, 92, and 121 (please list a site by each number)

Thank you.

Subject: Concern Noted in Visit Overview Sheet

Shari,

I visited two sites yesterday and noted a concern on our Visit Overview Sheet. When inquiring about enrollment for the classes, one of the teachers was assigned 194 students. This is for an ESL class in a standard size classroom. Only 32 students were present but I felt this number was excessive. Other classes at the two sites had an enrollment of 105, 92, and 121. I asked the new principal about this and he said he has frozen enrollment at the site and is in the process of disenrolling students that don't attend.

We have observed high enrollments in classes at Highlands but this was the largest I have seen. I also know about half the students are reported as ADA (or in their vernacular "students that attend") but the class of 194 seemed like an incident that needed to be noted as a concern.

Feel free to contact me if you have any questions

I don't see that TRUSD has received HCC & CICA's monthly student enrollment counts. We now need August through December and then each month thereafter per the MOU.

Each charter is different but attached is what Gateway CC is sending TRUSD if you are looking for an example. It is a report that was already going to their Board each month.

Hi Kate,

I do apologize for the delay; our data team is compiling the reports to get us all caught up. We will have 2 different formats for you to choose from.

I will reach out as soon as they are complete.

image003.png
image004.png
image005.png

Good Morning,

Scott Leaman sent a email with updates regarding his site visits to HCCTS schools. I've outlined his report in bullet points (see below):

SITE VISIT OVERVIEW:

- Visited 10 sites (17% of the sites) as of 3/16
- Scott is on track to visit 50% of the sites by the end of the school year.
- Sites have some items in common, but also individualized to the students they support.

PROGRAMS/GRADE LEVELS

- Majority of programs are ESL (which they label Independent High School or IHS)
- Students assessed on a level from 0-3 on English proficiency and placed in classes accordingly.
- Grade level assignments based on credits earned
    - 0-50 Credits = 9th grade
    - 21-149 Credits = 10th Grade
    - 150-200 Credits = 12th Grade ***(NOTE: A small number of 10th grade students and very few 12th grade students enrolled at sites visited so far)***
- Classrooms are well supported and students use their district issued phones frequently.

ATTENDANCE:

- Students need to attend class once every 20 days to stay enrolled
- If absent for 20 days a letter is sent giving a time period to return to class or be dropped
- Scott has observed a discrepancy between enrollment and attendance (which may be explained by the average ADA of 50%)

SITE USE:

- Many sites are "***not being used***" as they are going to be used for "growth in the future".
- Many principals state the need for ***space as a challenge***.

Executive Director's Message

This year's School Accountability Report Card (SARC) comes at a pivotal moment for Highlands Community Charter and Technical Schools (HCCTS). Oversight agencies have identified areas for improvement in reporting practices and data transparency, and we welcome this opportunity to refine our systems and deepen accountability. We see these challenges not as setbacks but as opportunities to demonstrate our growth and reaffirm our commitment to integrity, without compromising the student-centered mission that defines our schools.

The SARC has been required for LEAs since 1988. In all my years in public education, I have not encountered a formal review of a SARC by the California Department of Education (CDE). Despite this unprecedented review, we have approached this year's SARC as an opportunity to set a new standard. The 2023–24 SARC reflects what I believe to be a fully compliant document, demonstrating enhanced data reporting, clearer narratives, and transparent explanations for areas we are improving. This effort represents a cross-departmental commitment to align our processes with expectations while preserving the integrity of our unique program model.

HCCTS serves adults aged 22 and older who do not yet possess a U.S. high school diploma. To meet the diverse needs of our community, HCCTS operates two schools, HCCS and California Innovative Career Academy (CICA) through a number of resource centers across the region. These sites, which support HCCS' seat-based programs, reflect our commitment to accessibility and equity. The site list on the following pages is current for the 2024–2025 academic year. While many of the mandated charts and tables required by CDE are not applicable to our schools, as they were designed for traditional K–12 programs, we remain committed to compliance where possible. However, compliance alone is not the measure of our success. Our focus remains on student outcomes, represented by the high standards, rigorous programs, and holistic support services highlighted in this report.

HCCS is more than a school - it is a testament to resilience, opportunity, and transformation. Our students, many of whom have faced barriers to education, embody what is possible when schools meet learners where they are and support them relentlessly as they pursue their educational goals.

Bill McGuire

Highlands' Mission:
"We are a diverse community for social justice, serving the underserved, providing access to education, technology, communication, and employment for 21st century achievers. Through community partnerships, we will build new legacies leading to self-sufficiency and generational change."

Student Learning Outcomes:
At Highlands Community Charter School, students will: 1. Demonstrate measurable achievements each term through assessment. 2. Make progress toward their career goals. 3. Use technology to communicate for personal and academic use.

Meeting the Needs of English Learners Through Equitable Access

Prior to November 2020, HCCTS classified English Learner Development (ELD) students as 1st and 2nd graders to align instruction with language acquisition needs.

However, this classification unintentionally limited access to core graduation requirements and Career Technical Education (CTE) programs, creating inequities between native speakers and non-native speakers.

To address these barriers and promote equity, HCCTS submitted a growth application in November 2020 to reclassify all students as 9th–12th graders. This change ensures that:

- IHS students earn high school credits aligned with graduation requirements.
- Students have access to CTE programs, career pathways, and postsecondary preparation opportunities. IHS students have appropriate access to some programs based on language acquisition.
- All students are treated as high school learners, reflecting HCCTS' commitment to equity and educational access.

HCCTS remains dedicated to serving English Learners through targeted academic support, personalized instruction, and comprehensive services that honor the diverse needs of its adult learner population.

Table 5: Student Enrollment by Student Group (School Year 2023–24)

**ADEL not counted by CDE here.*
***ADEL per EL Funding Eligible on CalPADS 1.17 report.*

HCCS serves adult learners aged 22 years and older through its WASC-accredited, K–12 charter school program, offering high school diplomas and a standards-aligned curriculum. While our internal data indicates that 98.4% of our students are English Learners, the California Department of Education (CDE) reports this figure as 0.0% due to classification rules used in state-level accountability measures.

Specifically, California's Longitudinal Pupil Achievement Data System (CALPADS) excludes students aged 22 and older from the English Learner (EL) count used for certain reporting purposes. Instead, they are classified as Adult English Learners (ADEL). This exclusion reflects a technical classification, not the actual language acquisition needs of our students or the services we provide.

To ensure compliance and transparency, HCCS follows all CDE reporting requirements while also maintaining internal data systems to monitor and support the language development needs of our students. Our commitment to serving English Learners is demonstrated through targeted instructional programs, workforce development partnerships, and personalized support services.

We encourage educational partners to view both sets of data—state-reported and internally tracked—as complementary, reflecting HCCS' unique mission and our unwavering dedication to equity, access, and opportunity for all students.

Table 5A: HCCS 3-Year Demographic Highlights

*Entire table - data provided by the LEA **(DPL)***

By Census Day:

Demographic Trends Reflect Global Commitment to Equity

HCCS stands as a beacon of opportunity for students from around the world, providing high-quality, WASC-accredited K–12 education to adult learners seeking a second chance at academic and economic success.

The data above highlights the top 10 birth countries of our students on Census Day for the 2023–24 school year, when students from 89 different countries were enrolled. Over the course of the year, HCCS proudly served students from more than 100 countries. This table reflects more than just numbers—it tells a story of resilience, migration, and transformation.

The shifts in demographics mirror global events, including refugee resettlements, humanitarian crises, and economic migration, positioning HCCS as a critical resource for immigrant and refugee populations. Many of these students have faced displacement, systemic barriers, and linguistic challenges, yet they find a path forward through our innovative programs, targeted support systems, and commitment to equity.

This data underscores HCCS' role as a lifeline for underserved communities, demonstrating our ability to adapt to evolving needs while staying grounded in our mission to eradicate educational inequality and equip students with tools for long-term success.

[3]Numbers in this table are a snapshot taken on Census day. At the time of this snapshot, some students were registered but not yet enrolled in a course.

Expanding Access Across Communities to Meet Demand
HCCS is committed to expanding access to education through community-based learning centers that reduce geographic barriers and meet students where they are. The table above provides a point-in-time snapshot of 2023–24 enrollment by site, based on reporting methods aligned with our authorizing district (TRUSD).

Note on Methodology:
Enrollment counts reflect monthly reporting practices and assign students with multiple site enrollments to one site at random for data consistency. This approach captures site-level trends while accounting for student mobility within HCCS' network of over 40 locations at the time of snapshot.

High-demand sites such as College Oak Dr. (1,259), Grand Ave. (913), Marconi (904), and Edison (873) illustrate areas where enrollment consistently exceeds capacity, highlighting the need for strategic resource planning to address class sizes and maintain personalized learning environments.

This data also reflects HCCS' role in serving students with nontraditional schedules and varied educational pathways, including credit recovery, English language development, and high school diploma programs. The concentration of students in 9th grade underscores HCCS' focus on providing on-ramps to success for students with interrupted education histories.

As HCCS continues to grow, it remains committed to scaling resources, expanding capacity, and enhancing programs to sustain its mission to eradicate educational inequality and meet the evolving needs of its diverse student population.

Table 5C: Average Daily Attendance by Year and Period

*Entire table - data provided by the LEA **(DPL)***

Grades 9-12	P1 July-January	P2 July-April	P3 Annual
2022-2023	**4,105.8**	**4,455.4**	**4,488.7**
2023-2024	**5,583.6**	**5,736.2**	**5,870.0**

Expanding Access, Embracing Flexibility
HCCS is committed to expanding access to education for underserved learners who face barriers to academic and economic mobility. Our Average Daily Attendance (ADA)

reflects the growing demand for flexible learning pathways designed to support students balancing work, family responsibilities, and life circumstances.

While traditional attendance metrics often measure daily participation, HCCS recognizes that persistence and progress are equally important indicators of student success. Research suggests that students balancing work and family responsibilities often follow nontraditional attendance patterns, a trend observed in community colleges and adult-serving programs nationwide.

Our program is intentionally designed to accommodate nontraditional schedules to serve nontraditional students in the true spirit of charter schools, ensuring students remain engaged and supported even when life circumstances require intermittent attendance patterns.

To address the unique needs of our students, HCCS provides:

- **Academic Support Services**, including a Career Success Center, ELD Navigators, and CTE programs.
- **Student Support Services**, such as homeless services, play care, a clothing closet, a food pantry, and Civics 101: Rights and Responsibilities classes.

HCCS is proud of its commitment to access and equity, continually enhancing programs and services to support engagement and success. As we grow, we remain focused on our vision to eradicate educational inequality and create lasting opportunities for those we serve.

Table 5D: Percentage of Enrolled Students Actively Parenting or Pregnant (School Year 2023–24)

*Entire table - data provided by the LEA **(DPL)***

Pregnant and/or Actively Parenting*	Previously Parenting*/ Not a Parent	% of Census Day Parenting/Pregnant
6,418	2,651	70.80%

**Actively Parenting refers to students whose child/children are minors and/or are still dependent on parents. Previously Parenting refers to students whose children are all adults and not dependents.*

Supporting Learners and Families Beyond Traditional Barriers

HCCS' serves a diverse student population, including a significant percentage of actively parenting or pregnant students. This demographic underscores the importance of HCCS' innovative programs and flexible learning models, designed to address the challenges faced by adult learners.

State-Level Reporting Limitations

To report students who are actively parenting and/or pregnant to the CDE via CalPADS, students must be enrolled in Cal-Learn. Cal-Learn is a statewide program for pregnant and parenting teens in the California Work and Responsibility to Kids (CalWORKs) program. However, Cal-Learn requires participants to be under the age of 19. As an adult-serving charter school, no HCCTS students are eligible for this program, which prevents this critical data point from being reflected in statewide reporting.

Commitment to Equity and Access
HCCS' student-centered approach addresses the unique barriers faced by parenting students, including access to resources, flexible schedules, and comprehensive support services. These efforts align with the principles of the Dashboard Alternative School Status (DASS) model, which HCCS operated under during the 2023–24 school year, highlighting its mission to empower underserved communities.

The inclusion of this table demonstrates transparency and provides a more accurate depiction of the students served by HCCS. By fostering resilience and opportunity, the school equips students with the tools they need to balance their educational aspirations with their family responsibilities.

A. Conditions of Learning

State Priority: Basic (Priority 1)

Table 6: Teacher Preparation and Placement (School Year 2020–21)

Entire table - data provided by the CDE ***(DPC)***

Authorization/ Assignment	School Number	School Percent	TRUSD Number	TRUSD Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	10.9	16.22	1,191.7	82.68	228,366.1	83.12

Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	28.1	29.52	122	8.09	14,938.3	5.38
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	10.8	11.34	110.30	7.32	11,746.9	4.23
Unknown/Incomplete/NA	43.2	45.29	113.00	7.5	14,303.8	5.15
Total Teaching Positions	95.4	100	1,508.1	100	277,698	100

Tables 6-8: Building Capacity While Navigating Reporting Limitations
HCCS remains committed to providing high-quality instruction through a qualified and supported teaching staff. Over the past three years, HCCS has demonstrated consistent growth in the number of fully credentialed teachers while also navigating evolving reporting standards and data system limitations that impact how credentials are classified.

Methodology
The data in Tables 6–8 is based on Full-Time Equivalent (FTE) status, where 1 FTE equals one full-time staff member, or the combined time of part-time staff equivalent to a full-time position.

- An assignment is defined as the position held by an educator based on setting, subject, and grade level.
- An authorization is defined as the services an educator is certified to provide.

Commitment to Compliance and Transparency
Since 2015–16, HCCS has partnered with the San Diego County Office of Education (SDCOE) to support teachers in earning adult education teaching credentials, often reimbursing costs upon successful program completion.

HCCS has proactively implemented:

- Internal audits and executive reviews of credentialing practices.
- Detailed narrative submissions to explain assignments flagged by CALSAAS, despite system limitations.
- Collaboration with state agencies to resolve discrepancies and advocate for accurate reporting tools for nontraditional program models.

HCCS views this process as an opportunity for growth and will continue to collaborate with state and local authorities to meet evolving reporting standards while maintaining its mission to eradicate educational inequality and support student success through a highly qualified teaching staff.

Table 9: Teachers Without Credentials and Misassignments
(considered "ineffective" under ESSA)
*Entire table - data provided by the CDE **(DPC)***

Authorization/Assignment	2020–21 Number	2021–22 Number	2022–23 Number
Permits and Waivers	0.0	0.0	0.0
Misassignments	7.7	2.1	28.1
Vacant Positions	0.0	0.0	0.0
Total Teachers Without Credentials and Misassignments	7.7	2.1	28.1

Table 10: Credentialed Teachers Assigned Out-of-Field
(considered "out-of-field" under ESSA)
*Entire table - data provided by the CDE **(DPC)***

Indicator	2020–21 Number	2021–22 Number	2022–23 Number
Credentialed Teachers Authorized on a Permit or Waiver	4.0	0.0	0.0
Local Assignment Options	0.0	6.6	10.8
Total Out-of-Field Teachers	4.0	6.6	10.8

Table 11: Class Assignments
Entire table - data provided by the CDE ***(DPC)***

Indicator	2020–21 Percent	2021–22 Percent	2022–23 Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.0	0.0	0.0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	19.2	12.7	15.8

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

Tables 9–11: Prioritizing Credentialing Compliance Amid Reporting Challenges
HCCS is committed to providing high-quality instruction through a qualified and supported teaching staff. As a charter school serving a nontraditional student population, HCCS continues to prioritize compliance with credentialing standards while adapting to reporting frameworks that do not always capture the flexibility required to meet student needs. As part of HCCTS, HCCS benefits from centralized policies and resources while operating with flexible staffing structures designed to meet the needs of its nontraditional learners.

Methodology
The data in Tables 9–11 is based on Full-Time Equivalent (FTE) status, where 1 FTE equals one full-time staff member, or the combined time of part-time staff equivalent to a full-time position.

- FTE counts do not reflect individual headcounts but instead capture teaching assignments, including multiple subjects or split roles.
- An assignment is defined as the position held by an educator based on setting, subject, and grade level.
- An authorization is defined as the services an educator is certified to provide.

Credentialing and Assignment Trends
HCCS continues to demonstrate growth in staffing while addressing compliance challenges tied to CALSAAS reporting limitations.

- *Misassignments and Out-of-Field Classifications:*
  The 28.4% flagged as without credentials or misassigned and 37.1% flagged as out-of-field reflect reporting limitations, not actual deficiencies. These classifications arise from data mismatches and system constraints that do not fully account for alternative credentialing pathways aligned with HCCS' unique model.
- *Permits and Waivers:*
  HCCS reports zero teachers using permits or waivers, demonstrating a commitment to permanent credentialing solutions rather than temporary workarounds.
- *Growth and Staffing Trends:*
  HCCS' FTE data shows steady growth, reflecting an expansion of access and programming while maintaining a focus on teacher quality. The totals include

multiple subject assignments and flexible roles, which are necessary to meet the needs of HCCS' diverse student population.

Commitment to Compliance and Transparency
Since 2015–16, HCCTS has partnered with the San Diego County Office of Education (SDCOE) to support teachers in earning adult education teaching credentials, often reimbursing costs upon successful program completion.

HCCTS has implemented:

- Regular audits and credential reviews to verify compliance.
- Detailed reporting to explain assignments flagged by CALSAAS, despite limitations in the system's ability to capture nontraditional assignments.
- Collaborations with regulatory bodies to develop better frameworks for alternative program models and flexible staffing structures.

Looking Ahead
HCCS views this process as an opportunity for growth and is dedicated to refining its credentialing systems, expanding support for educators, and aligning with evolving reporting requirements. HCCS remains focused on maintaining high-quality instruction and eradicating educational inequality for its students.

Table 12: Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2024–25)

*Entire table – data provided by the LEA **(DPL)***

Textbooks and Instructional Materials
Year and month in which data were collected: December 2024

History-Social Science	Book/Resource	Publisher	Adoption
The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%	Edmentum	Edmentum, Inc.	2023

Providing Rigorous, Accessible, and Flexible Instructional Materials
HCCS is committed to ensuring that all students have access to high-quality, standards-aligned instructional materials that support academic achievement and career readiness. Instructional resources are selected to meet the diverse needs of adult learners, including English learners, refugees, and those pursuing career-technical education pathways.

HCCS also recognizes the importance of digital access in supporting its flexible learning environment. In addition to tangible textbooks, HCCS provides technology-integrated platforms such as Edmentum and Burlington English, ensuring students can access materials anytime and anywhere to accommodate independent study and remote learning needs.

The most recent review, conducted in December 2024, confirmed that all students have access to current and appropriate instructional materials, whether through physical resources or digital platforms, aligned with state standards and 21st-century learning goals.

Table 13: School Facility Conditions and Planned Improvements

Narrative provided by the LEA ***(DPL)***

HCCS is committed to ensuring that facilities remain safe, clean, and functional through daily cleaning protocols and preventive maintenance programs.

Facilities are inspected annually using the Facility Inspection Tool (FIT), with evaluations conducted by third-party inspectors to maintain objectivity.

Planned Improvements
HCCS implements targeted repairs and capital improvement plans based on the FIT evaluations to resolve deficiencies and upgrade facilities as needed.

Looking Ahead
HCCS will continue to prioritize site improvements and monitor progress through regular evaluations and strategic investments in safe and equitable learning environments.

Old Auburn Rd. (Previously Auburn 2)
Old Auburn Rd. does not yet have a FIT report for the 2023–24 school year because the site was furnished in mid-April, with classes commencing on April 22, 2024. Since all other FIT inspections were completed in March, this site was not included in the scheduled evaluations for the year.

Summary of Overall Ratings and Improvement Measures
Facility evaluations for the 2023–24 school year show:

- Approximately 50% of sites rated Good, reflecting safe and functional environments.
- Approximately 50% of sites rated Fair, indicating minor deficiencies that do not impact safety but require upgrades and repairs.

Addressing Challenges
HCCS operates facilities directly within local communities, prioritizing accessibility and equity. Some facilities reflect the economic challenges of the neighborhoods served, but HCCS has implemented:

- Maintenance plans to resolve minor deficiencies.
- Capital improvements to modernize facilities over time.

Site Selection for Evaluations
Only student-serving facilities were included in the evaluations, while administrative and operational sites were excluded in alignment with compliance standards.

Looking Ahead
HCCS remains committed to transparency, accountability, and continuous improvements to meet high standards for learning environments.

B. Pupil Outcomes

State Priority: Pupil Achievement (Priority 4)

Assessment Practices Aligned with HCCS' Mission and Model

HCCS is committed to providing meaningful assessments that accurately measure student progress and support college and career readiness. As a charter school serving students aged 22 and older, HCCS recognizes the importance of using assessments designed to reflect the academic and workforce preparation needs of its unique student population.

Meeting the Needs of Adult Learners

Traditional K–12 assessments, such as the California Assessment of Student Performance and Progress (CAASPP), were developed for younger student populations and are not aligned with the educational goals of HCCS students, many of whom are pursuing high school diplomas while balancing work and family responsibilities.

Under its Dashboard Alternative School Status (DASS) during the 2023-2024 academic year and in compliance with its WIOA partnership, HCCS administered the Comprehensive Adult Student Assessment System (CASAS). This assessment system is:

- State-approved and widely used by WIOA-aligned programs and adult-serving charter schools.
- Focused on literacy, mathematics, and career readiness, ensuring alignment with HCCS' mission to prepare students for employment and economic mobility.
- Designed to measure growth over time, providing actionable data that informs instructional support and program improvements.

Maintaining Accountability and Transparency

HCCS values accountability and transparency in its assessment practices. CASAS data is collected, reported, and used to:

- Track student progress and academic growth.
- Support workforce readiness and postsecondary transitions.
- Demonstrate compliance with state and federal reporting requirements.

Looking Ahead

HCCS remains committed to:

- Providing assessments that reflect the realities and needs of its student population.
- Meeting compliance standards of our WIOA partnerships.
- Using CASAS data to improve programs and outcomes for its students.

Strengthening Career Pathways for Workforce Readiness
HCCS is committed to preparing students for career success through Career Technical Education (CTE) programs that align with industry standards and address regional workforce needs.

Commitment to Program Quality
While HCCS recognizes the value of expanding career opportunities, its current priority is to strengthen the quality and structure of existing programs. Moving forward, HCCS is focused on:

- Developing internships, capstone courses, and certification options in every pathway.
- Ensuring all programs meet the expectations for high-quality CTE pathways that lead to sustainable employment.
- Improving program design, student engagement, and completion rates through data-driven decisions and industry partnerships.

Looking Ahead
HCCS is committed to:

- Enhancing program quality before pursuing future expansion.
- Creating accountability systems to monitor program effectiveness and student success.
- Aligning programs with workforce needs and certification standards to build clear pathways to employment and career growth.

Table 22: Career Technical Education (CTE) Participation (School Year 2023–24)

*Entire table - data provided by the CDE **(DPC)***

Measure	CTE Program Participation
Number of Pupils Participating in CTE	4,949
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	48.40%
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	–

Clarifying CTE Participation Data

HCCS is committed to providing career-focused pathways that prepare students for employment, certifications, and postsecondary opportunities. However, HCCS recognizes the limitations in its current CTE reporting processes, which impact the accuracy of participation data.

Historical Coding Practices

HCCS previously classified all elective courses as CTE electives in CALPADS after shifting its elective offerings to focus exclusively on workforce development. While this approach aligned with the school's mission to promote career readiness, it also resulted in inflated participation numbers that do not accurately reflect formal CTE pathway enrollment or certification completion rates.

Methodology

The data for Table 22 is provided by the California Department of Education (CDE) and reflects CTE participation as reported through CALPADS. These figures are calculated based on course codes associated with CTE programs and may include all courses classified as CTE, including elective classes.

The formula for calculating the percent of pupils that completed a CTE program and graduated is:

(The unduplicated count of pupils that completed one or more CTE programs and graduated)
÷
(The total number of pupils that are CTE participants that graduated)

This methodology provides a broad measure of CTE engagement but may not fully align with program-specific data due to classification and reporting practices.

Moving Forward with Accountability

HCCS is committed to improving data integrity and reporting accuracy by:

- Reviewing course coding practices to distinguish CTE electives from formal pathway participation.
- Strengthening internal data management systems to track program enrollment, progress, and outcomes more effectively.
- Collaborating with the data team and CTE leadership to ensure alignment between CALPADS coding and actual program participation.

Looking Ahead
HCCS acknowledges the need for greater transparency and accountability in its CTE reporting. The school is taking proactive steps to:

- Establish clearer metrics for measuring participation, completion rates, and certification outcomes.
- Ensure data accuracy through systematic tracking and validation processes.
- Maintain compliance with state reporting standards while reflecting the true scope and impact of its CTE programs.

Table 23: Course Enrollment/Completion of University of California (UC) and/or California State University (CSU) Admission Requirements

Entire table - data provided by the CDE ***(DPC)***

UC/CSU Course Measure	Percent
2023–24 Pupils Enrolled in Courses Required for UC/CSU Admission	0.0
2022–23 Graduates Who Completed All Courses Required for UC/CSU Admission	0.0

Providing Multiple Pathways to Postsecondary Success
HCCS is committed to offering diverse pathways to postsecondary success, including opportunities for career certification, college readiness, and workforce preparation.

Focus on Career and Workforce Development
HCCS primarily focuses on career and technical education programs that align with workforce demands, offering certifications and skill-based training that support immediate employment and economic mobility. While these pathways meet the needs of HCCS' adult learner population, they may not fully align with A–G coursework requirements established for UC/CSU admission.

Addressing Data Limitations and Program Design
HCCS recognizes that the state-reported data reflects low participation rates in UC/CSU-aligned coursework. Factors contributing to these numbers include:

- A historical emphasis on workforce preparation over traditional academic pathways.
- Course coding inconsistencies in CALPADS, which may exclude some eligible courses from state counts.
- The unique needs of HCCS' adult learners, who often pursue career certifications or technical programs rather than 4-year college pathways.

Commitment to Equity and Improvement
HCCS is committed to:

- Evaluating course offerings to identify opportunities for expanding A–G alignment where appropriate.
- Ensuring accurate data reporting through improved CALPADS coding practices.
- Providing guidance and counseling to support students in exploring college pathways while maintaining strong career-focused options.

Looking Ahead
HCCS will continue to prioritize access and equity, ensuring all students—whether

pursuing college or career pathways—have access to high-quality programs that support long-term success.

State Priority: Other Pupil Outcomes (Priority 8)

Table 24: California Physical Fitness Test Results (School Year 2023–24)

Entire table - data provided by the LEA ***(DPL) – No students from HCCS tested in 2023-24***

Percentage of Students Participating in each of the five Fitness Components

Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5	-	-	-	-	-
7	-	-	-	-	-
9	-	-	-	-	-

Program Relevance and Alignment

HCCS offers a flexible, career-focused curriculum tailored to meet the unique needs of its adult learner population. While physical education is an integral part of traditional K–12 programs, it is not included as a graduation requirement at HCCS due to the school's focus on workforce development, academic completion, and career technical education pathways.

As such, HCCS does not administer the California Physical Fitness Test and has excluded Table 24 from this report to maintain alignment with its program structure and educational priorities.

C. Engagement

State Priority: Parental Involvement (Priority 3)

Table 25: Opportunities for Student Involvement (School Year 2024–25)

Narrative provided by the LEA ***(DPL)***

HCCS recognizes the importance of building strong connections with students and the broader community to create sustainable pathways to education, employment, and personal growth. As an adult-serving school focused on equity and inclusion, we extend opportunities for involvement beyond traditional models of parental engagement.

Through our Equity Initiatives, we intentionally address systemic inequities impacting African American and LatinX students, who face disproportionate barriers in education, employment, and incarceration. Our triad model—a teacher, counselor, and mentor—ensures students receive comprehensive support to overcome challenges and achieve success.

With over 70% of our students actively parenting or expecting, HCCS prioritizes generational change by breaking cycles of poverty and incarceration. We focus on providing access to education, workforce development, and social-emotional resources that empower students to create brighter futures for themselves, their families, and their communities.

HCCS actively partners with WIOA, local employers, and community organizations to expand career pathways and support services. We welcome mentorship, advisory roles, and collaborative programs that help students meet their personal and professional goals.

Committed to transforming lives and strengthening communities, HCCS equips students with the tools to overcome barriers and build long-term success.

State Priority: Pupil Engagement (Priority 5)

Table 26: Graduation Rate and Dropout Rate (Four-Year Cohort Rates)

Entire table - data provided by the CDE ***(DPC)***

Indicator	School 2021–22	School 2022–23	School 2023–24	TRUSD 2021–22	TRUSD 2022–23	TRUSD 2023–24	State 2021–22	State 2022–23	State 2023–24
Graduation Rate	11.5	10.1	2.5	67.6	71.8	29.8	87	86.2	86.4
Dropout Rate	88.5	89.9	97.3	27.8	23.8	68.2	7.8	8.2	8.9

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Reflecting Progress and Commitment
At Highlands Community Charter School (HCCS), we recognize that the Four-Year Cohort Rate is an essential accountability measure required by the California Department of Education (CDE). This measure tracks the percentage of first-time grade 9 students who graduate with a regular high school diploma within four years, adjusted for transfers, emigration, and other factors.

While the Four-Year Cohort Rate provides valuable insights, it is important to note that this metric does not fully capture the complexity of our student population. Many HCCS students enter with significant credit deficiencies, interrupted educational histories, or life circumstances that extend the time needed to complete their education. Despite these challenges, HCCS remains dedicated to offering flexible pathways and robust support systems to help students achieve their academic goals.

Strategies for Improvement
To address the barriers reflected in the Four-Year Cohort Rate, HCCS is implementing the following strategies:

- **Expanding Academic Support**: Offering targeted interventions such as tutoring, credit recovery programs, and academic advising.
- **Strengthening Data Integrity**: Collaborating with CDE to ensure accurate cohort tracking and reporting.
- **Enhancing Accessibility**: Providing flexible schedules, online learning options, and resources tailored to adult learners.

HCCS is committed to continuous improvement and transparency, leveraging these insights to refine programs and better serve our students.

Table 27: Graduation Rate by Student Group (Four-Year Cohort Rate) (School Year 2023–24)

Entire table - data provided by the CDE ***(DPC)***

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	3,631	90	2.5
Female	2,383	60	2.5
Male	1,247	30	2.4

Table 27A: One-Year Long-Term Graduation Rates (School Year 2023–24)

Entire table - data provided by the LEA ***(DPL)***

Group	Graduating Class of 2023-24
	HCCTS
All Students	68.20%
Black or African American	53.10%
American Indian or Alaska Native	--
Asian	81.60%
Filipino	--
Hispanic or Latino	59.80%
Native Hawaiian/Pacific Islander	71.40%
White	79.50%
Two or More Races	75.00%
Socioeconomically Disadvantaged	67.50%
English Learners	79.50%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Equity in Outcomes

HCCS is proud to serve a diverse population, including students from historically underserved communities. The Graduation Rate by Student Group highlights both the achievements and challenges faced by different demographic groups within the Class of 2023–24.

This data reflects the complexities of providing equitable access to education for all learners. Students in certain demographic groups often face additional barriers, such as language acquisition challenges, socioeconomic disadvantages, and limited prior access to quality education. These factors can significantly impact graduation rates.

A Commitment to Equity

To address disparities and foster equity, HCCS is focused on:

- **Culturally Responsive Support Services**: Expanding access to bilingual counselors, ELD Navigators, and other resources tailored to specific student needs.
- **Targeted Outreach**: Engaging communities and families to increase awareness of available programs and support systems.
- **Ongoing Professional Development**: Equipping educators with tools and training to better address the unique challenges faced by our diverse student body.

HCCS remains committed to bridging gaps in achievement and providing every student with the opportunity to succeed, regardless of their background or circumstances.

Table 28: Chronic Absenteeism by Student Group (School Year 2023–24)

Entire table - data provided by the CDE ***(DPC)***

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment[1]	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	21,007	16,398	15,215	92.8
Female	11,738	9,348	8,679	92.8
Male	9,256	7,040	6,528	92.7
Non-Binary	--	--	--	--
American Indian or Alaska Native	29	23	21	91.3
Asian	4,548	3,671	3,315	90.3
Black or African American	326	214	204	95.3
Filipino	--	--	--	--
Hispanic or Latino	4,353	2,961	2,866	96.8
Native Hawaiian or Pacific Islander	93	80	74	92.5
Two or More Races	1,139	934	877	93.9
White	10,434	8,450	7,797	92.3
English Learners*	225	144	140	97.2
Foster Youth	-	-	-	-
Homeless	1,585	1,433	1,297	90.5
Socioeconomically Disadvantaged	19,952	16,029	14,865	92.7
Students Receiving Migrant Education Services	--	--	--	--
Students with Disabilities	--	--	--	--

**English Learner data is inclusive only of students with an EL status prior to their time with HCCTS and does not represent HCCTS EL status.*

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: This count is based on the Cumulative Enrollment, excluding students expected to attend fewer than 31 instructional days or those enrolled but never attended. Only students meeting these criteria are considered eligible for chronic absenteeism calculations.

Understanding Chronic Absenteeism Data

Chronic absenteeism is a critical measure of student engagement and attendance patterns. HCCS is committed to monitoring attendance trends and implementing support strategies to address barriers that impact consistent participation.

Clarifying English Learner (EL) Data
While the CDE-reported data provides a general overview, the English Learner (EL) percentages are underreported due to CALPADS classification rules, which exclude Adult English Learners (ADEL) from state-reported counts. English Learner data is inclusive only of students with an EL status prior to their time with HCCS and does not represent HCCS EL status.

Next Steps
HCCS is actively working to provide updated internal EL data (98.4% of all students) to present a more accurate picture of absenteeism among multilingual learners and guide targeted interventions to support attendance. The EL data above is inclusive of students with EL status prior to HCCS.

State Priority: School Climate (Priority 6)

Table 29: Suspensions and Expulsions

Entire table - data provided by the CDE ***(DPC)***

Rate	School 2021–22	School 2022–23	School 2023–24	TRUSD 2021–22	TRUSD 2022–23	TRUSD 2023–24	State 2021–22	State 2022–23	State 2023–24
Suspensions	--	--	--	5.3	5.32	3.87	3.17	3.6	3.28
Expulsions	--	--	--	0.01	0.18	0.12	0.07	0.08	0.07

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

HCCS is committed to removing barriers to education and creating an inclusive, supportive environment where students can thrive. Rather than relying on suspensions or expulsions, HCCS prioritizes intervention strategies, counseling services, and personalized support plans to address challenges and promote positive behavior. This approach reflects HCCS' dedication to equity, second chances, and empowering students to achieve their academic and personal goals without fear of exclusion.

Table 30: Suspensions and Expulsions by Student Group (School Year 2023–24)

Entire table - data provided by the CDE ***(DPC)***

Student Group	Suspensions Rate	Expulsions Rate

Students Receiving Migrant Education Services	--	--
Students with Disabilities	--	--

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Table 31: School Safety Plan (School Year 2024–25)

Narrative provided by the LEA ***(DPL)***

In response to a California Department of Education (CDE) review, HCCS received a finding suggesting the need for a separate Comprehensive School Safety Plan (CSSP) for each individual site. After consulting with legal counsel, HCCS has confirmed that state requirements mandate a single CSSP per school, encompassing all associated resource centers. The HCCS CSSP has been carefully designed to address safety, security, and emergency preparedness across all student-serving locations, ensuring compliance and alignment with the unique needs of our school's multi-site structure.

Highlands Community Charter School (HCCS) maintains a Comprehensive School Safety Plan (CSSP) designed to prevent, prepare for, and respond to emergencies, including bomb threats, evacuation drills, and campus lockdowns.

HCCS is committed to providing a safe and secure learning environment through proactive planning and annual staff training. All staff members participate in mandatory safety training, including Active Shooter Response, Workplace Violence Prevention, Sexual Harassment Awareness, and Fire Drills to ensure preparedness.

In the 2023–24 school year, HCCS implemented the Brain App emergency management application, enabling real-time alerts via phone, text, and email. Staff members were trained in the system's use and provided a quick-reference guide for emergencies.

HCCS remains focused on enhancing campus safety protocols and regularly updating procedures to meet evolving needs and best practices for school safety.

D. Other SARC Information

**Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.*

Table 35A: Average Class Size and Class Size Distribution by Location (School Year 2021–22)

Entire table - data provided by the LEA ***(DPL)***

Some of the data presented in Tables 35A, 36A, and 37A reflects corrections to errors identified in CALPADS reporting. While the data in Tables 35, 36, and 37 from the California Department of Education (CDE) may not fully align, year-over-year improvements demonstrate significant progress in our reporting processes. These refinements highlight HCCTS' commitment to accuracy and transparency as we continue to enhance our data systems.

Tables 35–37: Providing Accurate Data on Class Sizes
HCCS serves a large and diverse student population across multiple sites, which adds complexity to class size reporting compared to traditional schools. While CDE-reported class size data provides a general overview, it does not fully capture the variability in site-specific data, attendance patterns, or multi-site operations.

To improve transparency and relevance, HCCS has:

- Added Tables 35A, 36A, & 37A in the main SARC report with year-over-year class size data that provides greater granularity and site-level insights.

Methodology for Class Size Data
Class sizes reported by HCCS were determined based on the number of students enrolled in classes categorized under relevant groupings on Census Day, with attendance recorded at least once within 30 calendar days of the Census Day for each respective reporting year. Additional groupings were included to ensure greater

accuracy and granularity in site-level reporting. Please refer to the following list for information on class groupings:

H.S. English
English – Level A, B, C

I.H.S. English
English for Work and Life - Levels 0/1, 2/3.
Advanced English for Work and Life.

U.S. History and Geography
World History, Culture, and Geography

Addressing Class Size Challenges

HCCS recognizes that class sizes, particularly in high-demand areas, can be larger than ideal. Several factors contribute to this:

1. Attendance Patterns – Many HCCS students balance work, family, and life responsibilities, resulting in irregular attendance. Class size figures often reflect enrollment numbers rather than daily attendance, giving the impression of larger classes than those physically present.
2. High-Demand Sites – HCCS prioritizes equitable access to education by offering instruction close to students' communities. However, high enrollment demand in some locations has outpaced growth planning, leading to larger class sizes in select areas.
3. Growth and Planning Efforts – HCCS has taken proactive steps to address class size challenges, including:
    - Pausing enrollment in impacted areas.
    - Implementing new attendance and disenrollment policies to balance class sizes.
    - Developing an Attendance Standard Operating Procedure (SOP) to track engagement and distribute resources more effectively.
    - Utilizing the lottery procedure outlined in our charter.

Commitment to Improvement

HCCS remains committed to:

- Expanding capacity in high-demand areas through strategic planning.
- Improving attendance systems to track engagement and balance classroom resources.
- Reporting data transparently while focusing on quality improvement across sites.

Table 38: Ratio of Pupils to Academic Counselor (School Year 2023–24)

*Entire table - data provided by the CDE **(DPC)***

Title	Ratio
Pupils to Academic Counselor*	18,138

**One full-time equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.*

Table 38A: Ratio of Pupils to Academic Counselor (School Year 2023–24)

*Entire table - data provided by the LEA **(DPL)***

Title	Ratio
Pupils to Academic Counselor*	33

**One full-time equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.*

Clarifying Counselor Assignments

While the California Department of Education's (CDE) data reflects the total number of students enrolled, HCCS assigns academic counselors exclusively to high school students, ensuring targeted support for their academic and career planning. International High School (IHS) students receive dedicated support from ELD Navigators, who provide guidance tailored to their unique needs. To present an accurate picture of counseling resources, HCCS has calculated its own ratios based on high school student assignments, specifically including only 10th and 12th-grade students, as all 9th graders are supported by navigators rather than counselors.

Table 39: Student Support Services Staff (School Year 2023–24)

*Entire table - data provided by the CDE **(DPC)***

*** "Other" category is for all other student support services staff positions not listed.*

Table 39A: Student Support Services Staff (School Year 2023–24)

*Entire table – data provided by the LEA **(DPL)***

Due to an error in CALPADS reporting, the CDE-provided data for student support services staff does not accurately reflect the staffing levels at HCCS. To ensure transparency and accuracy, the following table presents corrected census day data for the 2023–24 school year. This updated information underscores HCCTS' commitment to improving data reporting processes and providing an accurate picture of the resources available to support our students.

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	11.36
Library Media Teacher (Librarian)	-
Library Media Services Staff (Paraprofessional)	118.94
Psychologist	-

Note: Cells with N/A values do not require data.

Table 41: Types of Services Funded (Fiscal Year 2023–24)

Narrative provided by the LEA ***(DPL)***

Innovative Support for Student Success
HCCTS is dedicated to creating a learning environment that meets the unique needs of its diverse student population. Recognizing that the majority of our students (71.2%) are actively parenting, HCCTS provides targeted resources and innovative solutions to support academic achievement alongside family responsibilities.

Technology for Accessibility and Advancement
Since August 2020, HCCTS has distributed over 14,286 smartphones to students, ensuring they have access to digital resources. In 2023, HCCTS adopted the Google Pixel Fold as a next-generation solution, combining the functionality of smartphones, Chromebooks, and hotspots into one advanced device. The Pixel Fold offers a large, pocket-sized folding screen, dual-screen translation capabilities, and reliable connectivity, empowering students to access remote learning, digital coursework, and communication tools seamlessly. Since December 2023, HCCTS has distributed over 6,231 Pixel Folds, representing a commitment to bridging the digital divide.

Holistic Student and Family Support
Beyond technology, HCCTS provides comprehensive services designed to remove barriers to education. These include free play care for students with young children, access to food pantries and clothing closets, homeless services, and Civics 101 classes. These programs demonstrate HCCTS' commitment to addressing both academic and personal needs, ensuring every student has the stability and support necessary to thrive.

Multilingual Support and Testing Access
As HCCTS' population of English Learners continues to grow, the school has expanded language services to ensure equitable access to testing and resources. Proctors fluent in top languages spoken by HCCTS students – including English, Spanish, Farsi, Urdu, Pashto, and Russian – facilitate accurate and inclusive assessments, allowing students to demonstrate their true capabilities in a supportive environment.

Data-Driven Adaptation and Sustainability
HCCTS regularly collects feedback from students and staff to refine and expand services, ensuring alignment with evolving community needs. The transition to the Pixel Fold also reflects HCCTS' commitment to sustainability, reducing waste and maximizing impact with fewer devices.

Fostering Collaboration Through Partnerships
HCCTS works closely with community partners to secure innovative resources and provide services tailored to its students' unique challenges. These partnerships amplify HCCTS' ability to address barriers and promote long-term success for students and their families.

Measuring Impact
Since implementing these initiatives, HCCTS has observed tangible benefits, including increased attendance and engagement rates. These outcomes demonstrate the effectiveness of HCCTS' holistic approach and its unwavering commitment to eradicating educational inequality.

Table 42: Teacher and Administrative Salaries (Fiscal Year 2022–23)
Entire table - data provided by the CDE ***(DPC)***

Category	TRUSD Amount	State Average For Districts In Same Category
Beginning Teacher Salary	59,128	56,572.74

Science	-
Social Science	-
Total AP Courses Offered*	-

**Where there are student course enrollments of at least one student.*

HCCS does not offer Advanced Placement (AP) courses due to its focus on serving adult learners who require flexible, career-focused, and skills-based pathways to high school completion and workforce readiness.

Instead, HCCS prioritizes Career Technical Education (CTE) programs and industry-recognized certifications that align with students' career goals and provide practical skills for employment and advancement.

This approach reflects HCCS' commitment to meeting the unique needs of its diverse student population through accessible, relevant, and outcomes-driven education.

Table 44: Professional Development

Measure	2022–23	2023–24	2024–25
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

Recognizing the importance of staff development and teacher training, Highlands Community Charter School honors its staff by providing numerous professional growth/orientation opportunities throughout the year. We give our teachers weekly opportunities to use additional out-of-class time for lesson planning, grading, and preparation.

Additionally, we offer monthly workshops, trainings, and collaborative opportunities for each of our employees schoolwide within their departments. Some of these include the following:

- During five Teacher Work Days/Non-Student Days, Highlands provides a full day of school-wide staff professional development, offering sessions addressing such topics as identifying and metabolizing collective trauma, CPR training, sexual harassment training, Safeschools Trainings, K12 Swift Alert Solutions training, etc.
- Highlands offers monthly curriculum/instructional professional development sessions that are hosted by our instructional and curriculum teams, addressing such topics as curricular strategies, materials and assessments, application of technology in the classroom, social-emotional learning, etc.

- In addition, Highlands is committed to providing full-time certificated teachers with funding designated to support their participation in the pursuit of additional training, advanced degrees or designations, continuing coursework at the college or university level, or attendance at educational workshops and/or conferences, contingent upon annual budget allocations. Our teachers have attended California Association for Bilingual Education (CABE), California Teachers of English to Speakers of Other Languages (CATESOL), CASAS Institute, and Workforce Investment Opportunity Act (WIOA) conferences.

McClellan Park, CA 95652

Subject: NOC/RFI - CTE Truck Driving Program
TRUSD Additional Requests for Information re HCCTS' 12/20/24 Response

Dear Ms. Carreon,

On February 3, 2025, HCCTS received a notice of concern/request for information from TRUSD regarding the CTE Truck Driving Program.

On December 16, 2024, the HCCTS HR Department, in collaboration with Pat Keller, a private investigator contracted by HCCTS, began investigating the HCCTS Truck Driving Program. As part of this investigation, Jasmine Gibbs, the Director of HR, together with Mr. Keller conducted interviews with HCCTS truck driving employees, former HCCTS students, employees from Local 185 Union, the Sacramento Police Department, and others.

On March 27, 2025, HCCTS completed the investigation and prepared the following letter in response.

If you would like to discuss the report in greater detail or have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

1. **CTE Truck Driving for Non-Students**

Work Calendars
Attached you will find Mr. Ivaniuk's employment contracts, which show time and days worked for the 2018-19, 2019-20, 2020-21, 2021-22, and 2022-23 school years.

Class Schedules
Attached you will find the HCCTS bell schedules for the 2018-2019, 2019-20, 2020-21, 2021-22, and 2022-23 school years. The bell schedules utilized in the 2014-17 school years were the same ones utilized for the following two years, 2017-18 and 2018-19.

Non-Student Schedules
During the first two meetings with Sergey Ivanyuk, Truck Driving Program Coordinator, he stated that the non-students would attend class on weekends and they would stop by during the week to take tests. After further investigation, it was discovered that non-students attended the truck driving classes any time during the day. In the interview with Sergeant Nicholas Fox of the Sacramento Police Department held on February 5, 2025, he stated that: "At some point, they were told they could only come in the mornings between 6:00 AM and 8:00 AM". Mr. Fox was unaware of any officers attending the HCCTS Truck Driving Program on the weekends. Due to the number of inconsistencies in interviews and documentation, we are unable to verify the schedules of non-students.

Sergey Ivanyuk is the person responsible for managing the program and creating and keeping all of the administrative records. During the investigation, he provided many documents that were inaccurate, including data discrepancies that cannot be verified.

In response to the following requests:

> A summary of the instances where non-students "stopped by throughout the week" for tests. As part of this summary, include information about whether non-students ever scheduled the visits in advance, how they knew when Mr. Ivaniuk would be available, whether HCCTS students were ever present during these visits, and whether the visits ever took place within Mr. Ivaniuk's HCCTS work hours. **HCCTS does not have this information.**
>
> *Outline the support Mr. Ivaniuk provided to non-students to assist them in*

acquiring their license (i.e., 15 hours of "behind-the-wheel" training, study materials for road and/or written tests, instruction to prepare for the road and written tests, etc). **HCCTS does not have this information.**

Outline the process Mr. Ivaniuk followed when administering tests and include the approximate duration for these assessments. This outline should include information about assessments for pre-trip, general knowledge, drive/road, brake, and skills tests as described in the comments section of the student lesson documents provided by HCCTS. **HCCTS does not have this information.**

2. Data Discrepancies Between Students and Non-Students

On January 14, 2025, HCCTS Leadership submitted a written directive to Sergey Ivanyuk, the Truck Driving Program Coordinator, to stop serving non-students in the Truck Driving Program. While HCCTS reported the discontinuation of serving non-students effective January 6, 2025, it wasn't until January 14, 2025, that HCCTS stopped the participation of all non-students in all its programs and is only serving enrolled HCCTS students, to the best of my knowledge.

3. Partnerships and Scholarships

HCCTS alumni enrolled in the truck driving program through the Doc Smith Legacy Foundation Scholarship Program (DSLF). To start the process, alumni would submit an application to the foundation, and it would be reviewed by Mike Reid (former HCCTS Chief Operations Officer), current President of the Doc Smith Legacy Foundation and HCCTS Board member, as well as Murdock Smith (former HCCTS Executive Director). If the scholarship application was approved by Mike Reid and Doc Smith, then the DSLF agreed to cover the tuition expenses for the student. Two HCCTS alumni students were granted scholarships to attend the Truck Driving program. According to a statement by Mike Reid via email on March 13, 2025, a transfer of $3800 was made from DSLF to HCCTS for these alumni students. During an interview with Lee Farrand, Director of CTE, she stated: "To my knowledge, no money has ever been exchanged for those students."

According to our financial records and Matthew Lemos, HCCTS Chief Business Official, one fiscal exchange occurred between the DSLF and HCCTS, and it was not related to scholarships.

Partnerships and Local Union 185

On February 25, 2025, in a phone interview with Doyle Radford Jr, the Business Manager at Local 185 Union, the following work was provided to

HCCTS by Local 185 in the 2019-2020 school year:

- Pre-apprentice work, including parking lot slurry and stripping
- The Northern California Construction Training (NCCT) provided demolition work
- Over the last few years, Local 185 purchased some delineators and about $800 in tools that they donated to the HCCTS Truck Driving Program

The union then stopped providing labor to HCCTS over liability concerns in the event someone may be injured.

Please note the distinction between Doyle Radford Senior and Doyle Radford Junior. Doyle Radford Sr was a former HCCTS board member from May 8, 2014 to July 13, 2023. Doyle Radford Jr is a business manager at Local 185 and Doyle Radford Senior's son.

Partnerships and Sacramento Police Department and Sacramento County Sheriff's Office

During the investigation process, Sergey Ivanuyk, the Truck Driving Program Coordinator, stated that no fiscal exchanges occurred between HCCTS and the Police Department or the Sacramento Sheriff's Office. On February 5, 2025, in the phone interview with Sergeant Nicholas Fox from the Sacramento Police Department (SPD), Mr. Fox confirmed that nobody from the SPD paid any money to HCCTS or any HCCTS employees for the driving instructions. The following Sacramento Police Officers attended the training:

- Nicholas Fox
- Andrew Ryan
- Brock O'Shaunessy
- Tyler Curtis
- Fredrick Osmond
- Steve Colombo (Discontinued on January 10, 2025)
- Amber Hickey
- Alexis Grove: He was attending the program when the directive to stop was given

Following the review of canceled DMV checks, the investigator was able to locate a $98.00 check that had been used by Amber Hickey, a Sacramento Police Department officer, in April 2024 for her Commercial Licence Permit. A review of the DOT medical payment records showed that in July 2022, HCCTS paid for a Sacramento Sheriff's deputy's DOT medical and urine test (in the amount of $167. Sergey Ivaniuk, Truck Driving Program Coordinator, admitted he would have been the one that issued the DMV check to her and then stated: " I don't know what happened, but we never covered them."

Ivanyuk continued to say he never gave checks to law enforcement and then said, “I don’t recall why I did it. But yes. That’s me. I did it.”

The investigation into the truck driving program will conclude with disciplinary action. HCCTS has had a new MOU to be provided to the sheriff’s office and police department as other government agencies to provide services in which liability and compensation issues are resolved.

Highland Community Charter School **Adopted:**

Job Description: CTE TEACHER - HEAVY-DUTY TRUCK, BUS, OSHA FORKLIFT

BASIC FUNCTION

Under direction of the Principal and Coordinator of Career and Technical Education, the Teacher will instruct and provide related services to adult students attending the HCCS Heavy-Duty Truck Driving, Bus and OSHA Forklift program.

MAJOR DUTIES AND RESPONSIBILITIES (may include, but not limited to the following)

- Provides learning experiences in the correct operation of heavy-duty trucks, buses, and forklifts utilizing the course of study adopted by the Board of Directors.
- In keeping with HCCS and State of California guidelines, conducts hands-on training with large and small groups and individual adult learners.
- Adapts training methods to the needs of adult learners with diverse cultural backgrounds and varying intellectual abilities and attitudes.
- Develops and uses a variety of instructional materials suitable for verbal, visual, and hands-on instruction of adult learners with a wide range of mental, physical, and emotional maturities.
- Establishes and maintains standards of student behavior needed to achieve effective participation in all activities.
- Evaluates achievement of students and keeps appropriate records.
- Identifies students' needs and cooperates with other professional staff members in assessing and helping students solve health, attitude and learning problems.
- Maintains professional competence through participation in in-service education activities provided by the district and/or self-selected professional growth activities.
- Prepares materials for classroom use.
- May select and requisition books, instructional materials and supplies.
- Enters attendance in a timely manner and maintains other accounting records and business services as required.
- Attends staff meetings and participates in faculty committees as needed.
- Participates in curriculum and other development of CTE programs within the school and or outside sources.
- Performs other related duties as required.

QUALIFICATIONS

Ability to:

(Consideration will be given to reasonable accommodation for the following physical requirements):

- Sufficient vision to read printed materials.
- Sufficient hearing to conduct in person and telephone conversations.
- Ability to speak in an understandable voice with sufficient volume to be heard in normal conversational distance, on the telephone, and when addressing large and small groups.
- Skill in working with adult learners.
- Sufficient mobility to move about the school from one site to another.
- Ability to maintain open communication and encourage questions and problem solving.
- Ability to establish and maintain cooperative working relationships.

Highland Community Charter School

Adopted:

EXPERIENCE & EDUCATION

Current Class “A” and Class B driver’s license
Three years of driving experience as a Class “A” Driver

CREDENTIAL

Teachers must have an appropriate California teaching credential to teach primarily adults the designated trade, technical, or vocational subject assigned to them, which may include, but is not limited to, an appropriate Career Technical Education credential, Adult Career Technical Education credential, Vocational credential, or Adult Vocational credential. Per California Education Code Section 47605(l), as a noncore, non-college preparatory instructor, flexibility may be given regarding credentialing.

WORKING CONDITIONS

Environment:

The work environment characteristics described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. This position will include office and school environments.

Physical Abilities:
The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. The employee must be able to;

- Ability to perform the various physical tasks included in the instructional program;
- Hearing and vision, with correction, within normal range;
- Sufficient stamina to remain active and energetic throughout the training day;
- Ability to lift/carry/move equipment and furniture up to 50 lbs. in weight;
- Freedom from any disability that would limit or impair performance of the teaching duties and responsibilities required of this position.

Hazards:

None identified.

AT-WILL EMPLOYMENT AGREEMENT
Between
HIGHLANDS COMMUNITY CHARTER SCHOOL & Sergey Ivanyuk

THIS EMPLOYMENT AGREEMENT ("Agreement") is entered into by and between the above-named employee ("Employee") and the Governing Board ("Board") of Highlands Community Charter School ("HCCS"), a California public charter school approved by the Twin Rivers Unified School District ("District"). The Board desires to hire employees who will assist HCCS in implementing its purposes, policies, and procedures, and in achieving the goals and meeting the requirements of HCCS's charter. The parties recognize that HCCS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992.

WHEREAS, HCCS and the Employee wish to enter into an employment relationship under the conditions set forth herein, the parties hereby agree as follows:

A. STATUTORY PROVISIONS RELATING TO CHARTER SCHOOL EMPLOYMENT

1. HCCS has been established pursuant to the Charter Schools Act of 1992, Education Code section 47600, *et seq.*, and duly approved by the District, according to the laws of the State of California.

2. Pursuant to Education Code section 47604, HCCS has elected to be formed and to operate as a nonprofit public benefit corporation pursuant to the Non-profit Public Benefit Corporation Law of California (Part 2, commencing with section 5110 *et seq.* of the Corporations Code). As such, HCCS is considered a separate legal entity from the District, which granted the charter. The District shall not be liable for any debts and obligations of HCCS, and the employee signing below expressly recognizes that he/she is being employed by HCCS and not the District.

3. Pursuant to Education Code section 47610, HCCS must comply with all of the provisions set forth in its operative charter, but is otherwise exempt from the laws governing school districts except as specified in Education Code section 47610.

4. HCCS shall be deemed the exclusive public school employer of the employees at HCCS for purposes of Government Code section 3540.1.

B. EMPLOYMENT TERMS AND CONDITIONS

1. **Duties**

The Employee shall work in the position of CTE CTC Teacher at Highlands. The Employee will perform such duties as HCCS may reasonably assign and the Employee will abide by all HCCS policies and procedures as adopted and amended from time to time. The Employee further agrees to abide by the provisions of HCCS's charter. A copy of the job description for the above position is attached hereto and incorporated by reference herein. These duties may be amended from time to time in the sole discretion of HCCS.

2. **Work Schedule**: 2018 - 19 School Year

The minimum on-site obligations for this position shall generally be Monday through Friday, 8 hours a day 230 calendar, row D. Step 11. While the Employee shall be available on-site during this time period, the duties of this exempt position may require work on weekends, as well as before and after the regular work year or hours of the work day. Workdays on which the Employee is expected to be on-site shall be consistent with the applicable calendar of workdays for this position. The current year schedule is attached hereto and incorporated by reference herein. The Employee will not render services in person or by electronic means, paid or otherwise, for any other person or entity during contracted work hours with HCCS.

3. **Compensation**

The annual compensation for this position shall be $78,052, to be paid twice monthly, subject to all regular withholdings. The Employee's compensation may be prorated depending on whether the Employee remains employed, or in active work status, for the entire year. As an exempt employee, the Employee shall not be eligible to earn overtime.

4. **Employee Benefits**

The Employee shall be entitled to participate in designated employee benefit programs and plans established by HCCS (subject to program and eligibility requirements) for the benefit of its employees, which from time to time may be modified by HCCS in its sole discretion.

5. **Performance Evaluation**

The Employee shall receive periodic performance reviews conducted by his/her supervisor. At a minimum, performance evaluations will be conducted annually, on or about the anniversary date of employment with HCCS. The frequency of performance evaluations may vary depending upon length of service, job position, past performance, changes in job duties, or recurring performance problems. Failure to evaluate the Employee shall not prevent HCCS from disciplining or dismissing the Employee at-will in accordance with this Agreement.

6. **Employee Rights**

Employment rights and benefits for employment at HCCS shall only be as specified in this Agreement, HCCS's charter, the Charter Schools Act, and HCCS's Employee Handbook, which HCCS may amend and modify from time to time. Employment rights and benefits may be affected by other applicable agreements or directives or advisories from the California Department of Education or the State Board of Education. During the term of this Agreement, the Employee shall not acquire or accrue tenure, or any employment rights with HCCS.

7. **Licensure**

The Employee understands that employment is contingent upon verification and maintenance of any applicable licensure and/or credentials.

8. **Child Abuse and Neglect Reporting**

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his/her professional capacity or within the scope of his/her employment whom he/she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident. By executing this Agreement, the Employee acknowledges he/she is a child care custodian and is certifying that he/she has knowledge of California Penal Code section 11166 and will comply with its provisions.

9. **Fingerprinting/TB Clearance**

Fingerprint clearance for the Employee will be acquired through submitting the Employee's fingerprints to the California Department of Justice. The Employee will be required to assume the cost of all fees related to the fingerprinting process. The Employee will be required to submit evidence from a licensed physician and/or licensed entity that the Employee was found to be free from tuberculosis risk factors, or active tuberculosis if risk factors were identified. Both clearances must be in place prior to the first day of service.

10. **Conflicts of Interest**

The Employee understands that, while employed at HCCS, he/she will have access to confidential and proprietary information. The Employee therefore shall not maintain employment or contracts for employment, or engage in any consultant or independent contractor relationship, with any other agency or school that will in any way conflict with his/her employment with HCCS.

11. **Outside Professional Activities**

Upon obtaining prior written approval of the Executive Director, the Employee may undertake for consideration outside professional activities, including consulting, speaking, and writing. The outside activities shall not occur during regular work hours. HCCS shall in no way be responsible for any expenses attendant to the performance of such outside activities.

C. EMPLOYMENT AT-WILL

HCCS may terminate this Agreement and the Employee's employment at any time with or without cause, with or without advance notice, and at HCCS's sole and unreviewable discretion. Either party may immediately terminate this Agreement and the Employee's employment upon written notice to the other party.

The Employee also may be demoted or disciplined and the terms of his/her employment may be altered at any time, with or without cause, at the discretion of HCCS. No one other than the Board has the authority to alter this arrangement, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to the terms of this Agreement, and any such agreement must be in writing and must be signed by the Board and by the affected employee and must specifically state the intention to alter this "at-will" relationship.

In the event of charter revocation or non-renewal, all contractual obligations under this Agreement cease immediately upon the effective date of revocation or non-renewal.

D. GENERAL PROVISIONS

1. Waiver of Breach

The waiver by either party, or the failure of either party to claim a breach of any provision of this Agreement, will not operate or be construed as a waiver of any subsequent breach.

2. Assignment

The rights and obligations of the respective parties under the Agreement will inure to the benefit of and will be binding upon the heirs, legal representatives, successors and assigns of the parties hereto; provided, however, that this Agreement will not be assignable by either party without prior written consent of the other party.

3. Governing Law

This Agreement will be governed by, construed, and enforced in accordance with the laws of the State of California.

4. Partial Invalidity

If any provision of this Agreement is found to be invalid or unenforceable by any court, the remaining provisions hereof will remain in effect unless such partial invalidity or unenforceability would defeat an essential business purpose of the Agreement.

E. ACCEPTANCE OF EMPLOYMENT

By signing below, the Employee declares as follows:

1. I have read this Agreement and accept employment with HCCS on the terms specified herein.

2. All information I have provided to HCCS related to my employment is true and accurate.

3. A copy of the job description is attached hereto.

4. This is the entire agreement between HCCS and me regarding the terms and conditions of my employment. This is a final and complete agreement and there are no other agreements, oral or written, express or implied, concerning the subject matter of this Agreement.

AT-WILL EMPLOYMENT AGREEMENT
Between
HIGHLANDS COMMUNITY CHARTER SCHOOL & SERGEY IVANYUK

THIS EMPLOYMENT AGREEMENT ("Agreement") is entered into by and between the above named employee ("Employee") and the Governing Board ("Board") of HIGHLANDS COMMUNITY CHARTER SCHOOL ("HCCS"), a California public charter school approved by the Sacramento County Office of Education ("County"). The Board desires to hire employees who will assist HCCS in achieving the goals and meeting the requirements of HCCS's charter. The parties recognize that HCCS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992. The Board desires to engage the services of the Employee for purposes of assisting HCCS in implementing its purposes, policies, and procedures.

WHEREAS, HCCS and the Employee wish to enter into an employment relationship under the conditions set forth herein, the parties hereby agree as follows:

A. STATUTORY PROVISIONS RELATING TO CHARTER SCHOOL EMPLOYMENT

1. HCCS has been established and operates pursuant to the Charter Schools Act of 1992, as amended, Education Code section 47600, *et seq*. HCCS has been sponsored by the District. A copy of the HCCS charter is available for review and copying in the School office.

2. HCCS is considered a separate legal entity from Twin Rivers Unified School District (TRUSD) that granted the charter. The EMPLOYEE signing below expressly recognizes that he/she is being employed by HCCS and not TRUSD. The decision to employ the EMPLOYEE under this Agreement is subject to approval by the Board of HCCS.

3. Pursuant to Education Code section 47610, the School must comply with all of the provisions set forth in its charter, but is otherwise exempt from the laws governing school districts, except as specified in Education Code section 47610. The parties recognize that HCCS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992.

4. HCCS shall be deemed the exclusive public school employer of the employees at the School for purposes of Government Code section 3540.1.

B. EMPLOYMENT TERMS AND CONDITIONS

1. **Duties**

Employee shall work in the position of [CTE Teacher]. Employee will perform such duties as HCCS may reasonably assign and Employee will abide by all HCCS's policies and procedures as adopted and amended from time to time. Employee further agrees to abide by HCCS's charter. A copy of the job description for the above position is attached hereto and incorporated by reference

herein. These duties may be amended from time to time in the sole discretion of HCCS.

2. **Work Schedule**

The Employee is (X) Full-time - 230 DAYS ( ) Part-time and works the following schedule which may be amended at the discretion of the Charter School administration: MONDAY THROUGH FRIDAY 8:00 AM TO 4:30 PM/AS ASSIGNED.

The Employee agrees that he/she shall at all times faithfully, industriously, and to the best of his/her ability perform all of the duties that may be required of the Employee pursuant to the express and implicit terms of this Agreement and the job specification. The Employee understands that in light of the Charter School's size and limitations on availability of funds and personnel, the Charter School must be flexible and the school administration may at times make assignments that are in addition to those expressly described in this Agreement and the job specification.

3. **Compensation**

The Employee will receive a gross base salary of [$55,682.0] per year, to be paid monthly, from which the Board shall withhold all statutory and other authorized deductions. Based upon the annual performance of the Employee documented in the performance evaluation, as well as the financial stability of the School, the Employee may be eligible, on an annual basis, to receive additional compensation in the form of a salary increase or bonus from the Board.

4. **Employee Benefits**

The Employee shall be entitled to all health and welfare benefits granted to other employees of HCCS in the same classification, workday, and work year as described in the HCCS Employee Handbook. Benefit levels may change without notice during the contract term as determined by the HCCS Board of Directors.

5. **Employee Rights**

Employment rights and benefits for employment at HCCS shall only be as specified in this Agreement, HCCS's charter, the Charter Schools Act and HCCS's Employee Handbook, which from time to time may be amended and modified by HCCS. In the event there is a conflict between this Agreement and HCCS's Employee Handbook, this Agreement shall control. Employment rights and benefits may be affected by other applicable agreements or directives or advisories from the California Department of Education or the State Board of Education. During the term of this Agreement, Employee shall not acquire or accrue tenure, or any employment rights with HCCS.

7. **Fingerprinting/TB Clearance**

Fingerprint clearance for Employee will be acquired through submitting the Employee's fingerprints to the California Department of Justice. Employee will be required to assume the cost of all fees related to the fingerprinting process. Employee will be required to submit evidence from a licensed physician and/or licensed entity that he/she was found to be free from active tuberculosis. Both clearances need to be in place prior to the first day of service.

9. **Confidentiality**

Employee acknowledges that during the engagement he/she will have access to and become acquainted with various trade secrets, inventions, innovations, processes, information, records and specifications owned or licensed by HCCS and/or used by HCCS in connection with the operation of its business including, without limitation, HCCS's business and product processes, methods, pupil/personnel record information, accounts and procedures. Employee further acknowledges his/her legal duty to maintain the confidentiality of such information and to not misappropriate such information for personal gain.

10. **Conflicts of Interest**

The Employee understands that, while employed at HCCS, he/she will have access to confidential and proprietary information. The Employee therefore shall not maintain employment or contracts for employment, or engage in any consultant or independent contractor relationship, with any other agency or school that will in any way conflict with his/her employment with HCCS.

C. EMPLOYMENT AT-WILL

HCCS may terminate this Agreement and Employee's employment at any time with or without cause, with or without advance notice, at HCCS's sole and unreviewable discretion. Either party may immediately terminate this Agreement and Employee's employment upon written notice to the other party.

Employee also may be demoted or disciplined and the terms of his or her employment may be altered at any time, with or without cause, at the discretion of HCCS. No one other than the Board of HCCS has the authority to alter this arrangement, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to the term of this Agreement, and any such agreement must be in writing and must be signed by the Board of HCCS and by the affected employee and must specifically state the intention to alter this "at-will" relationship.

In the event of charter revocation or non-renewal, all contractual obligations under this Agreement cease immediately upon the effective date of revocation or non-renewal.

D. GENERAL PROVISIONS

1. **Waiver of Breach**

The waiver by either party, or the failure of either party to claim a breach of any provision of this Agreement, will not operate or be construed as a waiver of any subsequent breach.

2. **Assignment**

The rights and obligations of the respective parties under the Agreement will inure to the benefit of and will be binding upon the heirs, legal representatives, successors and assigns of the parties hereto; provided, however, that this Agreement will not be assignable by either party without prior written consent of the other party.

3. **Governing Law**

This Agreement will be governed by, construed, and enforced in accordance with the laws of the State of California.

4. **Partial Invalidity**

If any provision of this Agreement is found to be invalid or unenforceable by any court, the remaining provisions hereof will remain in effect unless such partial invalidity or unenforceability would defeat an essential business purpose of the Agreement.

E. ACCEPTANCE OF EMPLOYMENT

By signing below, the Employee declares as follows:

1. I have read this Agreement and accept employment with HCCS on the terms specified herein.

2. All information I have provided to HCCS related to my employment is true and accurate.

3. A copy of the job description is attached hereto.

4. This is the entire agreement between HCCS and me regarding the terms and conditions of my employment. This is a final and complete agreement and there are no other agreements, oral or written, express or implied, concerning the subject matter of this Agreement.

[MURDOCK SMITH, EXECUTIVE DIRECTOR]

This Employment Agreement is subject to ratification and approval by the Governing Board of HCCS.

AT-WILL EMPLOYMENT AGREEMENT
Between
HIGHLANDS COMMUNITY CHARTER SCHOOL & Sergey Ivanyuk

THIS EMPLOYMENT AGREEMENT ("Agreement") is entered into by and between the above named employee ("Employee") and the Governing Board ("Board") of Highlands Community Charter School ("HCCS"), a California public charter school approved by the Twin Rivers Unified School District ("District"). The Board desires to hire employees who will assist HCCS in achieving the goals and meeting the requirements of HCCS's charter, as well as assisting HCCS in implementing its purposes, policies, and procedures. The parties recognize that HCCS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992. .

WHEREAS, HCCS and the Employee wish to enter into an employment relationship under the conditions set forth herein, the parties hereby agree as follows:

A. STATUTORY PROVISIONS RELATING TO CHARTER SCHOOL EMPLOYMENT

1. HCCS has been established and operates pursuant to the Charter Schools Act of 1992, Education Code section 47600, *et seq.*, and has been duly approved by the District, according to the laws of the State of California.

2. Pursuant to Education Code section 47604, HCCS has elected to be formed and operate as a non-profit public benefit corporation pursuant to the Non-profit Public Benefit Corporation Law of California (Part 2, commencing with section 5110 *et seq.* of the Corporations Code). As such, HCCS is considered a separate legal entity from the District, which granted the charter. The District shall not be liable for any debts and obligations of HCCS, and the employee signing below expressly recognizes that he/she is being employed by HCCS and not the District.

3. Pursuant to Education Code section 47610, the School must comply with all of the provisions set forth in its charter, but is otherwise exempt from the laws governing school districts, except as specified in Education Code section 47610.

4. HCCS shall be deemed the exclusive public school employer of the employees at the School for purposes of Government Code section 3540.1.

B. EMPLOYMENT TERMS AND CONDITIONS

1. **Duties**

The Employee shall work in the position of [CTE Teacher]. The Employee will perform such duties as HCCS may reasonably assign and the Employee will abide by all HCCS's policies and procedures as adopted and amended from time to time. The Employee further agrees to abide by HCCS's charter. A copy of the job description for the above position is attached hereto and incorporated by reference herein. The Employee understands that in light of the HCCS's size and limitations on availability of funds and personnel, HCCS must be flexible and administration may at times make assignments that are in addition to those

expressly described in this Agreement and the job specification. Accordingly, the Employee's duties may be amended from time to time in the sole discretion of HCCS.

2. **Work Schedule**

The work schedule for 2017-2018, this positon shall be full-time Monday- Friday 8:00 am to 4:30 pm, 230 works schedule step 1 row B starting on July 10, 2017 and ending June 29, 2018. While the Employee shall be available on-site during this time period, the duties of this exempt position may require work on weekends, as well as before and after the regular work year or hours of the work day. Workdays on which the Employee is expected to be on-site shall be consistent with the applicable calendar of workdays for this position. The current year schedule is attached hereto and incorporated by reference herein. The Employee will not render services in person or by electronic means, paid or otherwise, for any other person or entity during contracted work hours with HCCS.

3. **Compensation**

The Employee will receive a gross base salary of $55,684.00 per year, to be paid monthly, from which the Board shall withhold all statutory and other authorized deductions. The Employee's compensation may be prorated depending on whether the Employee remains employed, or in active work status, for the entire year. As an exempt employee, the Employee shall not be eligible to earn overtime.

4. **Employee Benefits**

The Employee shall be entitled to all health and welfare benefits granted to other employees of HCCS in the same classification, workday, and work year as described in the HCCS Employee Handbook. Benefit levels may change without notice during the contract term as determined by the HCCS Board of Directors.

5. **Performance Evaulation**

The Employee shall receive periodic performance reviews conducted by his/her supervisor. At a minimum, performance evaluations will be conducted annually. The frequency of performance evaluations may vary depending upon length of service, job position, past performance, changes in job duties, or recurring performance problems. Failure to evaluate the Employee shall not prevent HCCS from disciplining or dismissing the Employee at-will in accordance with this Agreement.

6. **Employee Rights**

Employment rights and benefits for employment at HCCS shall only be as specified in this Agreement, HCCS's charter, the Charter Schools Act, and

modified by HCCS. Employment rights and benefits may be affected by other applicable agreements or directives or advisories from the California Department of Education or the State Board of Education. During the term of this Agreement, Employee shall not acquire or accrue tenure, or any employment rights with HCCS.

7. **Licensure**

The Employee understands that employment is contingent upon verification and maintenance of any applicable licensure and/or credentials.

8. **Child Abuse and Neglect Reporting**

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his/her professional capacity or within the scope of his/her employment whom he/she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident. By executing this Agreement, the Employee acknowledges he/she is a child care custodian and is certifying that he/she has knowledge of California Penal Code section 11166 and will comply with its provisions.

9. **Fingerprinting/TB Clearance**

Fingerprint clearance for the Employee will be acquired through submitting the Employee's fingerprints to the California Department of Justice. The Employee will be required to assume the cost of all fees related to the fingerprinting process. The Employee will be required to submit evidence from a licensed physician and/or licensed entity that he/she presents no risk factors for tuberculosis, or if risk factors were identified, the Employee was found to be free from active tuberculosis. Both clearances must be in place prior to the first day of service.

10. **Confidentiality**

The Employee acknowledges that during the engagement he/she will have access to and become acquainted with various trade secrets, inventions, innovations, processes, information, records and specifications owned or licensed by HCCS and/or used by HCCS in connection with the operation of its business including, without limitation, HCCS's business and product processes, methods, pupil/personnel record information, accounts and procedures. The Employee further acknowledges his/her legal duty to maintain the confidentiality of such information and to not misappropriate such information for personal gain.

11. **Conflicts of Interest**

The Employee understands that, while employed at HCCS, he/she will have access to confidential and proprietary information. The Employee therefore shall

not maintain employment or contracts for employment, or engage in any consultant or independent contractor relationship, with any other agency or school that will in any way conflict with his/her employment with HCCS.

12. **Outside Professional Activities**

Upon obtaining prior written approval of the Executive Director, the Employee may undertake for consideration outside professional activities, including consulting, speaking, and writing. The outside activities shall not occur during regular work hours. HCCS shall in no way be responsible for any expenses attendant to the performance of such outside activities.

C. EMPLOYMENT AT-WILL

HCCS may terminate this Agreement and the Employee's employment at any time with or without cause, with or without advance notice, at HCCS's sole and unreviewable discretion. Either party may immediately terminate this Agreement and the Employee's employment upon written notice to the other party.

The Employee also may be demoted or disciplined and the terms of his or her employment may be altered at any time, with or without cause, at the discretion of HCCS. No one other than the Board has the authority to alter this arrangement, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to the term of this Agreement, and any such agreement must be in writing and must be signed by the Board and by the affected employee and must specifically state the intention to alter this "at-will" relationship.

Nothing in any manual of handbook (including the HCCS Employee Handbook), HCCS policy, whether written or oral, or practice of HCCS, shall provide Employee with any right or benefit which in any way limits, HCCS rights and authority as set out in this section. To the extent that a conflict is claimed to exist, this section controls.

In the event of charter revocation or non-renewal, all contractual obligations under this Agreement cease immediately upon the effective date of revocation or non-renewal.

D. GENERAL PROVISIONS

1. **Waiver of Breach**

The waiver by either party, or the failure of either party to claim a breach of any provision of this Agreement, will not operate or be construed as a waiver of any subsequent breach.

2. **Assignment**

The rights and obligations of the respective parties under the Agreement will inure to the benefit of and will be binding upon the heirs, legal representatives, successors and assigns of the parties hereto; provided, however, that this Agreement will not be assignable by either party without prior written consent of

the other party.

3. **Governing Law**

This Agreement will be governed by, construed, and enforced in accordance with the laws of the State of California.

4. **Partial Invalidity**

If any provision of this Agreement is found to be invalid or unenforceable by any court, the remaining provisions hereof will remain in effect unless such partial invalidity or unenforceability would defeat an essential business purpose of the Agreement.

E. ACCEPTANCE OF EMPLOYMENT

By signing below, the Employee declares as follows:

1. I have read this Agreement and accept employment with HCCS on the terms specified herein.

2. All information I have provided to HCCS related to my employment is true and accurate.

3. A copy of the job description is attached hereto.

4. This is the entire agreement between HCCS and me regarding the terms and conditions of my employment. This is a final and complete agreement and there are no other agreements, oral or written, express or implied, concerning the subject matter of this Agreement.

HIGHLANDS
COMMUNITY CHARTER SCHOOL

MEMORANDUM

To: Sergey Ivanyuk — Via: Hand Delivery

From: Murdock Smith, Executive Director
Highlands Community Charter School

Please Sign and Return By
May 26,2017
To Veronica King.

Date: May 15, 2017

Subject: **Notice of Reasonable Assurance**

Highlands Community Charter School (Highlands) hereby notifies you that you have reasonable assurance of returning to work in the 2017-2018 school year as a CTE Instructor. Your return date will depend on your teaching calendar. During the regular recess periods for your position, there will be no need for your services, unless you are notified in writing.

As a reminder, all positions are employed on an at-will basis with Highlands unless otherwise expressly stated by agreement. As such, employment may be terminated at any time, with or without cause or advance notice by the employee or Highlands. As you are employed in an at-will position, receipt of this notice shall not alter or impair in any way the at-will nature of your employment with Highlands.

Nevertheless, Highlands is required by the Unemployment Insurance Code to inform you that you may file an unemployment insurance claim. If you choose to file a claim, your entitlement to benefits will be determined by the Employment Development Department and not by Highlands.

If you are not offered an opportunity to perform services in the next academic term, you may be entitled to unemployment insurance benefits, retroactive to the date you filed an initial claim, subject to the following conditions: 1) you are otherwise eligible for benefits; 2) you filed a claim for each week benefits are claimed; and 3) if a claim for retroactive benefits is made within thirty (30) days after the start of the next academic year.

Please feel free to contact me should you have any questions.

Murdock Smith, Executive Director
Highlands Community Charter School

Employee Signature

This form needs to be returned to this office by June 1, 2017 or we will assume you are not planning to return to Highlands for the 2017 – 18 school year.

AT-WILL EMPLOYMENT AGREEMENT
Between
HIGHLANDS COMMUNITY CHARTER SCHOOL & SERGEY IVANYUK

THIS EMPLOYMENT AGREEMENT ("Agreement") is entered into by and between the above named employee ("Employee") and the Governing Board ("Board") of HIGHLANDS COMMUNITY CHARTER SCHOOL ("HCCS"), a California public charter school approved by the Sacramento County Office of Education ("County"). The Board desires to hire employees who will assist HCCS in achieving the goals and meeting the requirements of HCCS's charter. The parties recognize that HCCS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992. The Board desires to engage the services of the Employee for purposes of assisting HCCS in implementing its purposes, policies, and procedures.

WHEREAS, HCCS and the Employee wish to enter into an employment relationship under the conditions set forth herein, the parties hereby agree as follows:

A. STATUTORY PROVISIONS RELATING TO CHARTER SCHOOL EMPLOYMENT

1. HCCS has been established and operates pursuant to the Charter Schools Act of 1992, as amended, Education Code section 47600, *et seq*. HCCS has been sponsored by the District. A copy of the HCCS charter is available for review and copying in the School office.

2. HCCS is considered a separate legal entity from Twin Rivers Unified School District (TRUSD) that granted the charter. The EMPLOYEE signing below expressly recognizes that he/she is being employed by HCCS and not TRUSD. The decision to employ the EMPLOYEE under this Agreement is subject to approval by the Board of HCCS.

3. Pursuant to Education Code section 47610, the School must comply with all of the provisions set forth in its charter, but is otherwise exempt from the laws governing school districts, except as specified in Education Code section 47610. The parties recognize that HCCS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992.

4. HCCS shall be deemed the exclusive public school employer of the employees at the School for purposes of Government Code section 3540.1.

B. EMPLOYMENT TERMS AND CONDITIONS

1. **Duties**

Employee shall work in the position of [Para Educator]. Employee will perform such duties as HCCS may reasonably assign and Employee will abide by all HCCS's policies and procedures as adopted and amended from time to time. Employee further agrees to abide by HCCS's charter. A copy of the job description for the above position is attached hereto and incorporated by reference

herein. These duties may be amended from time to time in the sole discretion of HCCS.

2. **Work Schedule**

The Employee is (X) Full-time - 230 DAYS ( ) Part-time and works the following schedule which may be amended at the discretion of the Charter School administration: MONDAY THROUGH FRIDAY 8:00 AM TO 4:30 PM/AS ASSIGNED.

The Employee agrees that he/she shall at all times faithfully, industriously, and to the best of his/her ability perform all of the duties that may be required of the Employee pursuant to the express and implicit terms of this Agreement and the job specification. The Employee understands that in light of the Charter School's size and limitations on availability of funds and personnel, the Charter School must be flexible and the school administration may at times make assignments that are in addition to those expressly described in this Agreement and the job specification.

3. **Compensation**

The Employee will receive a gross base salary of [$55,682.0] per year, to be paid monthly, from which the Board shall withhold all statutory and other authorized deductions. Based upon the annual performance of the Employee documented in the performance evaluation, as well as the financial stability of the School, the Employee may be eligible, on an annual basis, to receive additional compensation in the form of a salary increase or bonus from the Board.

4. **Employee Benefits**

The Employee shall be entitled to all health and welfare benefits granted to other employees of HCCS in the same classification, workday, and work year as described in the HCCS Employee Handbook. Benefit levels may change without notice during the contract term as determined by the HCCS Board of Directors.

5. **Employee Rights**

Employment rights and benefits for employment at HCCS shall only be as specified in this Agreement, HCCS's charter, the Charter Schools Act and HCCS's Employee Handbook, which from time to time may be amended and modified by HCCS. In the event there is a conflict between this Agreement and HCCS's Employee Handbook, this Agreement shall control. Employment rights and benefits may be affected by other applicable agreements or directives or advisories from the California Department of Education or the State Board of Education. During the term of this Agreement, Employee shall not acquire or accrue tenure, or any employment rights with HCCS.

7. **Fingerprinting/TB Clearance**

Fingerprint clearance for Employee will be acquired through submitting the Employee's fingerprints to the California Department of Justice. Employee will be required to assume the cost of all fees related to the fingerprinting process. Employee will be required to submit evidence from a licensed physician and/or licensed entity that he/she was found to be free from active tuberculosis. Both clearances need to be in place prior to the first day of service.

9. **Confidentiality**

Employee acknowledges that during the engagement he/she will have access to and become acquainted with various trade secrets, inventions, innovations, processes, information, records and specifications owned or licensed by HCCS and/or used by HCCS in connection with the operation of its business including, without limitation, HCCS's business and product processes, methods, pupil/personnel record information, accounts and procedures. Employee further acknowledges his/her legal duty to maintain the confidentiality of such information and to not misappropriate such information for personal gain.

10. **Conflicts of Interest**

The Employee understands that, while employed at HCCS, he/she will have access to confidential and proprietary information. The Employee therefore shall not maintain employment or contracts for employment, or engage in any consultant or independent contractor relationship, with any other agency or school that will in any way conflict with his/her employment with HCCS.

C. EMPLOYMENT AT-WILL

HCCS may terminate this Agreement and Employee's employment at any time with or without cause, with or without advance notice, at HCCS's sole and unreviewable discretion. Either party may immediately terminate this Agreement and Employee's employment upon written notice to the other party.

Employee also may be demoted or disciplined and the terms of his or her employment may be altered at any time, with or without cause, at the discretion of HCCS. No one other than the Board of HCCS has the authority to alter this arrangement, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to the term of this Agreement, and any such agreement must be in writing and must be signed by the Board of HCCS and by the affected employee and must specifically state the intention to alter this "at-will" relationship.

In the event of charter revocation or non-renewal, all contractual obligations under this Agreement cease immediately upon the effective date of revocation or non-renewal.

D. GENERAL PROVISIONS

1. **Waiver of Breach**

The waiver by either party, or the failure of either party to claim a breach of any provision of this Agreement, will not operate or be construed as a waiver of any subsequent breach.

2. **Assignment**

The rights and obligations of the respective parties under the Agreement will inure to the benefit of and will be binding upon the heirs, legal representatives, successors and assigns of the parties hereto; provided, however, that this Agreement will not be assignable by either party without prior written consent of the other party.

3. **Governing Law**

This Agreement will be governed by, construed, and enforced in accordance with the laws of the State of California.

4. **Partial Invalidity**

If any provision of this Agreement is found to be invalid or unenforceable by any court, the remaining provisions hereof will remain in effect unless such partial invalidity or unenforceability would defeat an essential business purpose of the Agreement.

E. ACCEPTANCE OF EMPLOYMENT

By signing below, the Employee declares as follows:

1. I have read this Agreement and accept employment with HCCS on the terms specified herein.

2. All information I have provided to HCCS related to my employment is true and accurate.

3. A copy of the job description is attached hereto.

4. This is the entire agreement between HCCS and me regarding the terms and conditions of my employment. This is a final and complete agreement and there are no other agreements, oral or written, express or implied, concerning the subject matter of this Agreement.

[MURDOCK SMITH, EXECUTIVE DIRECTOR]

This Employment Agreement is subject to ratification and approval by the Governing Board of HCCS.

AT-WILL EMPLOYMENT AGREEMENT
Between
HIGHLANDS COMMUNITY CHARTER SCHOOL & SERGEY IVANYUK

THIS EMPLOYMENT AGREEMENT ("Agreement") is entered into by and between the above named employee ("Employee") and the Governing Board ("Board") of HIGHLANDS COMMUNITY CHARTER SCHOOL ("HCCS"), a California public charter school approved by the Sacramento County Office of Education ("County"). The Board desires to hire employees who will assist HCCS in achieving the goals and meeting the requirements of HCCS's charter. The parties recognize that HCCS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992. The Board desires to engage the services of the Employee for purposes of assisting HCCS in implementing its purposes, policies, and procedures.

WHEREAS, HCCS and the Employee wish to enter into an employment relationship under the conditions set forth herein, the parties hereby agree as follows:

A. STATUTORY PROVISIONS RELATING TO CHARTER SCHOOL EMPLOYMENT

1. HCCS has been established and operates pursuant to the Charter Schools Act of 1992, as amended, Education Code section 47600, *et seq*. HCCS has been sponsored by the District. A copy of the HCCS charter is available for review and copying in the School office.

2. HCCS is considered a separate legal entity from Twin Rivers Unified School District (TRUSD) that granted the charter. The EMPLOYEE signing below expressly recognizes that he/she is being employed by HCCS and not TRUSD. The decision to employ the EMPLOYEE under this Agreement is subject to approval by the Board of HCCS.

3. Pursuant to Education Code section 47610, the School must comply with all of the provisions set forth in its charter, but is otherwise exempt from the laws governing school districts, except as specified in Education Code section 47610. The parties recognize that HCCS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992.

4. HCCS shall be deemed the exclusive public school employer of the employees at the School for purposes of Government Code section 3540.1.

B. EMPLOYMENT TERMS AND CONDITIONS

1. **Duties**

Employee shall work in the position of [TEACHER]. Employee will perform such duties as HCCS may reasonably assign and Employee will abide by all HCCS's policies and procedures as adopted and amended from time to time. Employee further agrees to abide by HCCS's charter. A copy of the job description for the above position is attached hereto and incorporated by reference

herein. These duties may be amended from time to time in the sole discretion of HCCS.

2. **Work Schedule**

The Employee is (X) Full-time - 230 DAYS ( ) Part-time and works the following schedule which may be amended at the discretion of the Charter School administration: MONDAY THROUGH FRIDAY 8:00 AM TO 4:30 PM/AS ASSIGNED.

The Employee agrees that he/she shall at all times faithfully, industriously, and to the best of his/her ability perform all of the duties that may be required of the Employee pursuant to the express and implicit terms of this Agreement and the job specification. The Employee understands that in light of the Charter School's size and limitations on availability of funds and personnel, the Charter School must be flexible and the school administration may at times make assignments that are in addition to those expressly described in this Agreement and the job specification.

3. **Compensation**

The Employee will receive a gross base salary of $[55,682.00] per year, to be paid monthly, from which the Board shall withhold all statutory and other authorized deductions. Based upon the annual performance of the Employee documented in the performance evaluation, as well as the financial stability of the School, the Employee may be eligible, on an annual basis, to receive additional compensation in the form of a salary increase or bonus from the Board.

4. **Employee Benefits**

The Employee shall be entitled to all health and welfare benefits granted to other employees of HCCS in the same classification, workday, and work year as described in the HCCS Employee Handbook. Benefit levels may change without notice during the contract term as determined by the HCCS Board of Directors.

5. **Employee Rights**

Employment rights and benefits for employment at HCCS shall only be as specified in this Agreement, HCCS's charter, the Charter Schools Act and HCCS's Employee Handbook, which from time to time may be amended and modified by HCCS. In the event there is a conflict between this Agreement and HCCS's Employee Handbook, this Agreement shall control. Employment rights and benefits may be affected by other applicable agreements or directives or advisories from the California Department of Education or the State Board of Education. During the term of this Agreement, Employee shall not acquire or accrue tenure, or any employment rights with HCCS.

7. **Fingerprinting/TB Clearance**

Fingerprint clearance for Employee will be acquired through submitting the Employee's fingerprints to the California Department of Justice. Employee will be required to assume the cost of all fees related to the fingerprinting process. Employee will be required to submit evidence from a licensed physician and/or licensed entity that he/she was found to be free from active tuberculosis. Both clearances need to be in place prior to the first day of service.

9. **Confidentiality**

Employee acknowledges that during the engagement he/she will have access to and become acquainted with various trade secrets, inventions, innovations, processes, information, records and specifications owned or licensed by HCCS and/or used by HCCS in connection with the operation of its business including, without limitation, HCCS's business and product processes, methods, pupil/personnel record information, accounts and procedures. Employee further acknowledges his/her legal duty to maintain the confidentiality of such information and to not misappropriate such information for personal gain.

10. **Conflicts of Interest**

The Employee understands that, while employed at HCCS, he/she will have access to confidential and proprietary information. The Employee therefore shall not maintain employment or contracts for employment, or engage in any consultant or independent contractor relationship, with any other agency or school that will in any way conflict with his/her employment with HCCS.

C. EMPLOYMENT AT-WILL

HCCS may terminate this Agreement and Employee's employment at any time with or without cause, with or without advance notice, at HCCS's sole and unreviewable discretion. Either party may immediately terminate this Agreement and Employee's employment upon written notice to the other party.

Employee also may be demoted or disciplined and the terms of his or her employment may be altered at any time, with or without cause, at the discretion of HCCS. No one other than the Board of HCCS has the authority to alter this arrangement, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to the term of this Agreement, and any such agreement must be in writing and must be signed by the Board of HCCS and by the affected employee and must specifically state the intention to alter this "at-will" relationship.

In the event of charter revocation or non-renewal, all contractual obligations under this Agreement cease immediately upon the effective date of revocation or non-renewal.

D. GENERAL PROVISIONS

1. **Waiver of Breach**

The waiver by either party, or the failure of either party to claim a breach of any provision of this Agreement, will not operate or be construed as a waiver of any subsequent breach.

2. **Assignment**

The rights and obligations of the respective parties under the Agreement will inure to the benefit of and will be binding upon the heirs, legal representatives, successors and assigns of the parties hereto; provided, however, that this Agreement will not be assignable by either party without prior written consent of the other party.

3. **Governing Law**

This Agreement will be governed by, construed, and enforced in accordance with the laws of the State of California.

4. **Partial Invalidity**

If any provision of this Agreement is found to be invalid or unenforceable by any court, the remaining provisions hereof will remain in effect unless such partial invalidity or unenforceability would defeat an essential business purpose of the Agreement.

E. ACCEPTANCE OF EMPLOYMENT

By signing below, the Employee declares as follows:

1. I have read this Agreement and accept employment with HCCS on the terms specified herein.

2. All information I have provided to HCCS related to my employment is true and accurate.

3. A copy of the job description is attached hereto.

4. This is the entire agreement between HCCS and me regarding the terms and conditions of my employment. This is a final and complete agreement and there are no other agreements, oral or written, express or implied, concerning the subject matter of this Agreement.

MEMORANDUM

TO: **Sergey Ivanyuk**
Classified Staff

Via: Hand Delivery or Certified Mail

FROM: **Murdock Smith**
Executive Director

DATE: **May 13, 2016**

SUBJECT: Notification of Reasonable Assurance

Highlands Community Charter School hereby notifies you that you have reasonable assurance of returning to work in the next school year, which begins on July 01, 2016, after the summer recess period. You also have reasonable assurance of returning to work in your usual capacity at the close of all holiday and recess periods during the year. During the recess periods, your services will not be needed unless you are notified in writing.

We are required by the Unemployment Insurance (UI) Code to inform you that you may file a UI claim. If you choose to file a claim, your entitlement to benefits will be determined by the Employment Development Department (EDD) and not by the school or its unemployment claims administrator. If after the summer recess period, you are not offered an opportunity to perform services in the next academic year/term, you may be entitled to UI benefits retroactive to the date you filed an initial claim, if you file a claim for retroactive benefits within 30 days after the start of the next academic year/term, if you filed a claim for each week benefits are claimed, and if you are otherwise eligible.

CLASSIFIED FIXED TERM EMPLOYMENT AGREEMENT

Between

HIGHLANDS COMMUNITY CHARTER SCHOOL

And

Sergey Ivanyuk

Hire Date: August 4, 2014

Status: Regular

This EMPLOYMENT AGREEMENT is entered into this 10th day of June 2015, by and between the Board of Directors of Highlands Community Charter School (hereinafter referred to as the "HCCTS"), and Sergey Ivanyuk (hereinafter referred to as the "EMPLOYEE"). HCCTS and EMPLOYEE are collectively referred to as the "parties."

HCCTS desires to employ EMPLOYEE as an Instructional Para – CTE (Truck Driving) at HCCTS under the following terms and conditions:

1. **RECITALS:**

   a. HCCTS has been established and operates pursuant to The Charter Schools Act of 1992, Education Code section 47600, et seq. HCCTS was approved by the Governing Board of the Paradise Unified School District in July 2005. A copy of HCCTS's charter is available for review.

   b. HCCTS is considered a separate legal entity from Twin Rivers Unified School District (TRUSD) that granted the charter. The EMPLOYEE signing below expressly recognizes that he/she is being employed by HCCTS and not TRUSD. The decision to employ EMPLOYEE under this Agreement is subject to approval by the Board of Directors of HCCTS.

   c. Pursuant to Education Code section 47610, HCCTS must comply with all of the provisions set forth in its charter, but is otherwise exempt from the laws governing school districts, except as specified in Education Code section 47610. The parties recognize that HCCTS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992.

   d. HCCTS desires to hire EMPLOYEE to assist HCCTS in achieving the goals and meeting the requirements of the School's charter.

2. **TERM:**

This AGREEMENT shall commence on July 1, 2015 and shall end on June 30, 2016.

The term of this AGREEMENT is subject to the provisions of Section 7 regarding termination.

3. **EMPLOYMENT TERMS:**

a. Position: Instructional Para – CTE (Truck Driving)

A copy of the job specification for the position of Instructional Para – CTE (Truck Driving) is available from the School Secretary. These duties may be amended from time to time in the sole discretion of HCCTS.

b. (X) Full-time – 200 Days – Monday through Friday, 8:20 a.m. until 4:50 p.m./As assigned.

c. The EMPLOYEE agrees that he/she shall at all times faithfully, industriously, and to the best of his/her ability perform all of the duties that may be required of the EMPLOYEE pursuant to the express and implicit terms of this AGREEMENT and the job specification. The EMPLOYEE understands that in light of HCCTS's size and limitations on availability of funds and personnel, HCCTS must be flexible and HCCTS may at times make assignments that are in addition to those expressly described in this AGREEMENT and the job specification.

4. **COMPENSATION AND BENEFITS:**

a. **Wages:** Compensation shall be $23.68 per hour less statutory and other authorized deductions.

b. **Benefits:** The EMPLOYEE shall be entitled to all health and welfare benefits granted to other employees of HCCTS in the same classification, workday, and work year. Benefit levels may change without notice during the contract term as determined by the Board of Directors of HCCTS.

5. **CONDITIONS OF EMPLOYMENT:**

a. **General Laws:** This EMPLOYMENT AGREEMENT is subject to all applicable laws of the United States, the State of California and to the lawful rules and regulations of the California State Board of Education and the rules, regulations and policies of HCCTS and the Board of Directors of HCCTS. Said laws, rules and regulations may change from time to time without notice to the EMPLOYEE and are hereby made a part of the terms and conditions of this contract as though herein set forth.

6. **EVALUATION:**

The Principal or designee of HCCTS shall evaluate and assess in writing the

performance of the EMPLOYEE as specified in HCCTS personnel policies. A failure to evaluate the EMPLOYEE shall not prevent HCCTS from dismissing the EMPLOYEE in accordance with this AGREEMENT.

7. **TERMINATION OF AGREEMENT/EMPLOYMENT:**

This AGREEMENT may be terminated by:

a. **Mutual Agreement of the Parties:** This AGREEMENT may be terminated at any time by mutual consent, for cause, of the HCCTS Board of Directors and the EMPLOYEE upon written AGREEMENT.

b. **Termination For Cause:** The EMPLOYEE may be terminated by the Board of Directors of HCCTS, at any time for cause. "Cause" shall include, but is not limited to, breach of this AGREEMENT or the EMPLOYEE'S failure to perform his/her duties as set forth in this AGREEMENT, as defined by law, or as specified in the above mentioned and incorporated by reference job specification. HCCTS shall not terminate this AGREEMENT pursuant to this paragraph until a written statement of the grounds of termination has first been served upon the EMPLOYEE. The EMPLOYEE shall have the right to a representative of his/her choice, at his/her expense, at a conference with the Board of Directors of HCCTS to review the recommendation for discipline or termination. The conference with the Board of Directors of HCCTS shall be the EMPLOYEE's exclusive right to any hearing otherwise required by law and may occur before or after the termination depending upon the circumstances.

c. **Early Termination Without Cause:** The Board of Directors of HCCTS may also unilaterally and with or without cause terminate this AGREEMENT by providing the EMPLOYEE notice of termination and the remainder of his/her salary for the term of this AGREEMENT or the equivalent in salary representative of a period of one (1) calendar month(s) following the effective date of termination, whichever is less.

d. **Death or Incapacitation of EMPLOYEE:** The death of the EMPLOYEE shall terminate this AGREEMENT and all rights entitled under this AGREEMENT. In the event that the EMPLOYEE becomes incapacitated to the extent that, in the judgment of HCCTS, the EMPLOYEE may no longer perform the essential functions of his/her job as set forth in the above referenced and incorporated job specifications, HCCTS may terminate this AGREEMENT.

8. **NONRENEWAL OF CONTRACT:**

The Board of Directors of HCCTS may, with or without cause, and solely within its discretion, decide not to offer future employment contracts to the EMPLOYEE.

9. **OUTSIDE PROFESSIONAL ACTIVITIES:**

By prior approval of HCCTS Principal, the EMPLOYEE may undertake for consideration outside professional activities, including consulting, speaking, and writing. The outside activities shall not occur during regular work hours. HCCTS shall in no way be responsible for any expenses attendant to the performance of such outside activities.

10. DUTY TO REPORT KNOWN OR REASONABLY SUSPECTED CHILD ABUSE:

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

For purposes of California Penal Code section 11166, a "child care custodian" includes:

a. any person employed as a teacher, a teacher's aide, a teacher's assistant, or an instructional aide by any public or private school who has been trained in the duties imposed by California Penal Code section 11166;

b. a classified employee of any public school who has been trained in the duties imposed by California Penal Code section 11166; or

c. administrative officers, supervisors of child welfare and attendance, or certificated pupil personnel employees of any public or private school.

By executing this AGREEMENT, EMPLOYEE is certifying that he/she has knowledge of California Penal Code section 11166 and will comply with its provisions.

11. GENERAL PROVISIONS:

a. **Governing Law:** This AGREEMENT and the rights and obligations of the parties shall be governed by and construed in accordance with the laws of the State of California.

b. **Entire Agreement:** This AGREEMENT contains all the understandings and agreements between the parties. There are no oral understandings, terms, or conditions, and neither party has relied upon any representations, express or implied, not contained in the AGREEMENT.

c. **Modifications:** Any modifications or amendments of any of the terms and conditions of this AGREEMENT must be made in writing and expressly agreed to by the Board of Directors of HCCTS and the employee.

d. **Assignment:** The EMPLOYEE may not assign or transfer any rights or duties assumed under this AGREEMENT.

e. **Severability:** If any provision of this AGREEMENT is held to be invalid or unenforceable by a court of competent jurisdiction, the remaining provisions of the AGREEMENT shall continue in full force and effect.

12. ACCEPTANCE OF EMPLOYMENT:

By signing below, the EMPLOYEE declares as follows:

1. I have read this AGREEMENT and accept employment with HCCTS on the terms specified herein.

2. All information I have provided to HCCTS related to my employment is true and accurate.

3. A copy of the job specification and the school charter are available from the School Secretary.

4. This is the entire AGREEMENT between HCCTS and myself regarding the terms and conditions of my employment. This is a final and complete AGREEMENT and there are no other agreements, oral or written, express or implied, concerning the subject matter of this AGREEMENT.

CLASSIFIED FIXED TERM EMPLOYMENT AGREEMENT

Between

HIGHLANDS COMMUNITY CHARTER SCHOOL

And

Sergey Ivanyuk

Hire Date: August 11, 2014 Status: Probationary

This EMPLOYMENT AGREEMENT is entered into this eleventh day of August 2014, by and between the Board of Directors of Highlands Community Charter School (hereinafter referred to as the "HCCS"), and Sergey Ivanyuk (hereinafter referred to as the "EMPLOYEE"). HCCS and EMPLOYEE are collectively referred to as the "parties."

HCCS desires to employ EMPLOYEE as an Instructional Paraeducator at HCCS under the following terms and conditions:

1. RECITALS:

a. HCCS has been established and operates pursuant to Charter Schools Act of 1992, Education Code section 47600, et seq. HCCS was approved by the Governing Board of the Paradise Unified School District in July 2005. A copy of HCCS's charter is available for review.

b. HCCS is considered a separate legal entity from Twin Rivers Unified School District (TRUSD) that granted the charter. The EMPLOYEE signing below expressly recognizes that he/she is being employed by HCCS and not TRUSD. The decision to employ EMPLOYEE under this Agreement is subject to approval by the Board of Directors of HCCS.

c. Pursuant to Education Code section 47610, HCCS must comply with all of the provisions set forth in its charter, but is otherwise exempt from the laws governing school districts, except as specified in Education Code section 47610. The parties recognize that HCCS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992.

d. HCCS desires to hire EMPLOYEE to assist HCCS in achieving the goals and meeting the requirements of the School's charter.

2. **TERM:**

This AGREEMENT shall commence on August 11, 2014 and shall end on June 1, 2015.

The term of this AGREEMENT is subject to the provisions of Section 7 regarding termination.

3. **EMPLOYMENT TERMS:**

a. Position: Instructional Paraeducator – CTE (Truck Driving)

A copy of the job specification for the position of Instructional Paraeducator is available from the School Secretary. These duties may be amended from time to time in the sole discretion of HCCS.

b. (X) Full-time – 200 Day

c. The EMPLOYEE agrees that he/she shall at all times faithfully, industriously, and to the best of his/her ability perform all of the duties that may be required of the EMPLOYEE pursuant to the express and implicit terms of this AGREEMENT and the job specification. The EMPLOYEE understands that in light of HCCS's size and limitations on availability of funds and personnel, HCCS must be flexible and HCCS may at times make assignments that are in addition to those expressly described in this AGREEMENT and the job specification.

4. **COMPENSATION AND BENEFITS:**

a. **Wages:** Compensation shall be $23.68 hour less statutory and other authorized deductions.

b. **Benefits:** The EMPLOYEE shall be entitled to all health and welfare benefits granted to other employees of HCCS in the same classification, workday, and work year. Benefit levels may change without notice during the contract term as determined by the Board of Directors of HCCS.

5. **CONDITIONS OF EMPLOYMENT:**

a. **General Laws:** This EMPLOYMENT AGREEMENT is subject to all applicable laws of the United States, the State of California and to the lawful rules and regulations of the California State Board of Education and the rules, regulations and policies of HCCS and the Board of Directors of HCCS. Said laws, rules and regulations may change from time to time without notice to the EMPLOYEE and are hereby made a part of the terms and conditions of this contract as though herein set forth.

6. **EVALUATION:**

The Principal or designee of HCCS shall evaluate and assess in writing the performance of the EMPLOYEE as specified in HCCS personnel policies. A failure to evaluate the EMPLOYEE shall not prevent HCCS from dismissing the EMPLOYEE in accordance with this AGREEMENT.

7. **TERMINATION OF AGREEMENT/EMPLOYMENT:**

This AGREEMENT may be terminated by:

a. **Mutual Agreement of the Parties:** This AGREEMENT may be terminated at any time by mutual consent, for cause, of the HCCS Board of Directors and the EMPLOYEE upon written AGREEMENT.

b. **Termination For Cause:** The EMPLOYEE may be terminated by the Board of Directors of HCCS, at any time for cause. "Cause" shall include, but is not limited to, breach of this AGREEMENT or the EMPLOYEE'S failure to perform his/her duties as set forth in this AGREEMENT, as defined by law, or as specified in the above mentioned and incorporated by reference job specification. HCCS shall not terminate this AGREEMENT pursuant to this paragraph until a written statement of the grounds of termination has first been served upon the EMPLOYEE. The EMPLOYEE shall have the right to a representative of his/her choice, at his/her expense, at a conference with the Board of Directors of HCCS to review the recommendation for discipline or termination. The conference with the Board of Directors of HCCS shall be the EMPLOYEE's exclusive right to any hearing otherwise required by law and may occur before or after the termination depending upon the circumstances.

c. **Early Termination Without Cause:** The Board of Directors of HCCS may also unilaterally and with or without cause terminate this AGREEMENT by providing the EMPLOYEE notice of termination and the remainder of his/her salary for the term of this AGREEMENT or the equivalent in salary representative of a period of one (1) calendar month(s) following the effective date of termination, whichever is less.

d. **Death or Incapacitation of EMPLOYEE:** The death of the EMPLOYEE shall terminate this AGREEMENT and all rights entitled under this AGREEMENT. In the event that the EMPLOYEE becomes incapacitated to the extent that, in the judgment of HCCS, the EMPLOYEE may no longer perform the essential functions of his/her job as set forth in the above referenced and incorporated job specifications, HCCS may terminate this AGREEMENT.

e. **Probationary Period:** Highlands Community Charter School and the employee agree to a 1-year probationary period beginning on the first date of hire.

1. As a new employee, you shall be on probation for a period of 1 year commencing on your first day of work. Your conversion to "permanent status" shall be primarily conditioned and dependent upon your satisfactory service and performance of the work assigned to you and is within the exclusive discretion of the Board of Directors and its designees to determine whether or not such service is satisfactorily performed and on your having passed probation.
2. HCCS likewise reserves the rights to terminate your probationary employment even prior to the expiration of your probation period, for any of the just and authorized causes provided by existing law or for having failed to satisfactorily meet and comply with the standards associated with dependability, trustworthiness, efficiency, initiative, attitude towards work/the public/the company, its officers and co-employees, cooperation, student/vendor response, judgment, punctuality, quality/quantity of work, educability, articulateness or professionalism.
3. The employee is required to comply with all the existing rules, regulations and policies of HCCS as well as those which may hereafter be issued, including but not limited to those governing order and discipline, honesty, safety and security, work assignments, and standard operating procedures, use of HCCS properties and access to matters of confidentiality, and such other rules deemed necessary in the conduct of business.
4. The employee will be provided with a written evaluation of job performance upon completion of the probationary period.

8. NONRENEWAL OF CONTRACT:

The Board of Directors of HCCS may, with or without cause, and solely within its discretion, decide not to offer future employment contracts to the EMPLOYEE.

9. OUTSIDE PROFESSIONAL ACTIVITIES:

By prior approval of HCCS Principal, the EMPLOYEE may undertake for consideration outside professional activities, including consulting, speaking, and writing. The outside activities shall not occur during regular work hours. HCCS shall in no way be responsible for any expenses attendant to the performance of such outside activities.

10. DUTY TO REPORT KNOWN OR REASONABLY SUSPECTED CHILD ABUSE:

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

For purposes of California Penal Code section 11166, a "child care custodian" includes:

a. any person employed as a teacher, a teacher's aide, a teacher's assistant, or an instructional aide by any public or private school who has been trained in the duties imposed by California Penal Code section 11166;

b. a classified employee of any public school who has been trained in the duties imposed by California Penal Code section 11166; or

c. administrative officers, supervisors of child welfare and attendance, or certificated pupil personnel employees of any public or private school.

By executing this AGREEMENT, EMPLOYEE is certifying that he/she has knowledge of California Penal Code section 11166 and will comply with its provisions.

11. GENERAL PROVISIONS:

a. **Governing Law:** This AGREEMENT and the rights and obligations of the parties shall be governed by and construed in accordance with the laws of the State of California.

b. **Entire Agreement:** This AGREEMENT contains all the understandings and agreements between the parties. There are no oral understandings, terms, or conditions, and neither party has relied upon any representations, express or implied, not contained in the AGREEMENT.

c. **Modifications:** Any modifications or amendments of any of the terms and conditions of this AGREEMENT must be made in writing and expressly agreed to by the Board of Directors of HCCS and the employee.

d. **Assignment:** The EMPLOYEE may not assign or transfer any rights or duties assumed under this AGREEMENT.

e. **Severability:** If any provision of this AGREEMENT is held to be invalid or unenforceable by a court of competent jurisdiction, the remaining provisions of the AGREEMENT shall continue in full force and effect.

12. ACCEPTANCE OF EMPLOYMENT:

By signing below, the EMPLOYEE declares as follows:

1. I have read this AGREEMENT and accept employment with HCCS on the terms specified herein.

2. All information I have provided to HCCS related to my employment is true and accurate.

3. A copy of the job specification and the school charter are available from the School Secretary.

4. This is the entire AGREEMENT between HCCS and myself regarding the terms and conditions of my employment. This is a final and complete AGREEMENT and there are no other agreements, oral or written, express or implied, concerning the subject matter of this AGREEMENT.

HIGHLANDS
COMMUNITY CHARTER SCHOOL

MEMORANDUM OF UNDERSTANDING

PARTIES: This Memorandum of Understanding (M.O.U.) is entered into between Highlands Community Charter School (HCCS) and **Sergey Ivanyuk**

PURPOSE: The purpose of this M.O.U. is to enable HCCS and **Sergey Ivanyuk** to provide instructional leadership and serve as a support for teachers and paraeducators, in order that they may assist in the building of positive, productive school environments, under the guidance of the Director of Instruction and Professional Learning and the Director of Curriculum and Program Development. Lead teachers are professionals who have demonstrated excellent teaching and leadership skills. They draw upon their teaching experience to serve as expert resources, mentors, or counselors for teachers and paraeducators and provide input and assistance in the forming of a student-centered learning environment that meets and exceeds the State Core Curriculum Content Standards, following the approved curricula and directives of the school.

AUTHORITY: This M.O.U. is entered into by and between the parties in exercise of the authority set forth in the **Lead Teacher Job Classification and Description.**

TERM: This M.O.U. shall become effective upon the date of execution by both the parties and shall continue for the full period of the **2021-2022 academic year.**

NON-DISCRIMINATION:

As applicable, both **Sergey Ivanyuk** and HCCS agree not to discriminate in the selection, acceptance, or treatment of any student or representative of either party pursuant to this M.O.U. because of race, color, national origin, religion, sex, sexual orientation, handicap, age, veteran's status, medical condition as defined in Section 12926 of the California Government Code, ancestry, marital status, or citizenship, within the limits imposed by law or other requirements of this M.O.U.

SCOPE OF SERVICES:

A. HCCS shall **pay a $2500 stipend bi-annually as an additional duty extension to a teacher's basic job description, provided in their original Employment Agreement. This compensation is in addition to the teacher's basic salary as outlined in their Employment Agreement**.

B. The **Lead Teacher, Sergey Ivanyuk,** shall provide the following services to Highlands Community Charter School:

1. Promote high standards and expectations for all students and staff for academic performance and responsibility for behavior. Assist with various academic projects, measurable outcomes, and compliance reporting for the purposes of promoting the overall objectives of the school.
2. Assist in the development and implementation of standards based curriculum by:
    a. Assist in the curriculum norming of new teachers as directed by the Academic Program Coordinators.
    b. Assist the Academic Program Coordinators with content and departmentally aligned planning and development of standards-based teaching materials to deliver curriculum both virtually and in the classroom.
    c. Develop and lead curriculum development activities and teams.
    d. Collaborate with other Lead Teachers to develop relevant cross-curricular materials.
3. Assist in the development and implementation of staff professional development by:
    a. Assist in the orientation of new teachers as directed by the Academic Program Coordinators.
    b. Assist the Academic Program Coordinators with content and departmentally aligned planning and development of standards-based instruction, plans and strategies to deliver instruction both virtually and in the classroom.
    c. Develop and lead professional development activities and teams.
    d. Collaborate with other Lead Teachers to develop relevant cross-curricular professional development.
    e. Organize and coordinate opportunities for peer observations.

TERMINATION/SUSPENSION:

This M.O.U. may be terminated without cause by either party upon thirty (30) days prior written notice to the other party. When required by law, this M.O.U. may be immediately suspended by either party upon notice to the other party; any such suspension shall not extend the term of this M.O.U.

FINANCIAL OBLIGATIONS:

Under the terms of this agreement, HCCS agrees to pay Sergey Ivanyuk a $2500 bi-annual stipend, totaling $5000 for the entire academic year, to be paid in December and in July:

ENTIRE AGREEMENT:

This M.O.U. represents the entire and integrated agreement between HCCS and **Sergey Ivanyuk,** and supersedes all prior negotiations, representations, or agreements, either written or oral, with respect to the subject matter of this M.O.U. This M.O.U. may not be modified, changed, supplemented or terminated, nor may any obligations under this M.O.U. be waived or amended, except by written instrument signed by the duly authorized representatives of HCCS.

SEVERABILITY:

Should any term or provision of this M.O.U. be determined to be illegal or in conflict with any law of the State of California, the validity of the remaining portions or provisions shall not be affected thereby, and each term or provision of this M.O.U. shall be valid and enforced as written to the full extent permitted by law.

CALIFORNIA LAW:

This M.O.U. shall be constructed in accordance with and governed by the laws and decisions of the County of Sacramento and the State of California.

REPRESENTATION OF AUTHORITY:

The undersigned hereby represent and warrant that they are authorized by the respective parties to execute this M.O.U.

IN WITNESS WHEREOF, HCCS and **Sergey Ivanyuk** have executed this M.O.U. as of the date first above written.

HIGHLANDS
COMMUNITY CHARTER SCHOOL

AT-WILL EMPLOYMENT AGREEMENT
Between
HIGHLANDS COMMUNITY CHARTER SCHOOL & SERGEY IVANYUK

THIS EMPLOYMENT AGREEMENT ("Agreement") is entered into by and between the above-named employee ("Employee") and the Governing Board ("Board") of Highlands Community Charter School ("HCCS"), a California public charter school approved by the Twin Rivers Unified School District ("TRUSD"). The Board desires to hire employees who will assist HCCS in implementing its purposes, policies, and procedures, and in achieving the goals and meeting the requirements of HCCS's charter. The parties recognize that HCCS is not governed by the provisions of the California Education Code, except as expressly set forth in the Charter Schools Act of 1992.

WHEREAS, HCCS and the Employee wish to enter into an employment relationship under the conditions set forth herein, the parties hereby agree as follows:

A. STATUTORY PROVISIONS RELATING TO CHARTER SCHOOL EMPLOYMENT

1. HCCS operates a charter school which has been established pursuant to the Charter Schools Act of 1992, Education Code section 47600, *et seq.*, and which has been duly approved by TRUSD, according to the laws of the State of California.

2. Pursuant to Education Code section 47604, HCCS has elected to be formed and to operate as a nonprofit public benefit corporation pursuant to the Non-profit Public Benefit Corporation Law of California (Part 2, commencing with section 5110 *et seq.* of the Corporations Code). As such, HCCS is considered a separate legal entity from TRUSD, which granted the charter. TRUSD shall not be liable for any debts and obligations of HCCS and the employee signing below expressly recognizes that he/she is being employed by HCCS and not TRUSD.

3. Pursuant to Education Code section 47610, HCCS must comply with all of the provisions set forth in its operative charter, but is otherwise exempt from the laws governing school districts except as specified in Education Code section 47610.

YM&C YOUNG, MINNEY & CORR, LLP
CHAMPIONS OF OUTSTANDING CHOICES IN PUBLIC EDUCATION FOR ALL CHILDREN
WWW.MYCHARTERLAW.COM
©2019 LAW OFFICES OF YOUNG, MINNEY & CORR, LLP.

4. HCCS shall be deemed the exclusive public school employer of the employees at HCCS for purposes of Government Code section 3540.1.

B. EMPLOYMENT TERMS AND CONDITIONS

1. **Duties**

The Employee shall work in the position of **CTE Teacher.** The Employee will perform such duties as HCCS may reasonably assign and the Employee will abide by all HCCS policies and procedures as adopted and amended from time to time. The Employee further agrees to abide by the provisions of HCCS's charter. A copy of the job description for the above position is attached hereto and incorporated by reference herein. These duties may be amended from time to time at the sole discretion of HCCS.

2. **Work Schedule**

The minimum on-site obligations for the 2019-2020 school year shall be **1 FTE, on a 210 Calendar, Full Time, Monday through Friday, 8:00 a.m. to 5:00 p.m.** Additionally, the employee shall work a Summer Session, with an **additional 20 days of service, Full Time, Monday through Friday, 8:00 a.m. to 5:00 p.m.** While the Employee shall be available on-site during this time period, the duties of this **exempt** position may require work on weekends, as well as before and after the regular work year or hours of the work day. Workdays on which the Employee is expected to be on-site shall be consistent with the applicable calendar of workdays for this position. The current year schedule is attached hereto and incorporated by reference herein. The Employee will not render services in person or by electronic means, paid or otherwise, for any other person or entity during contracted work hours with HCCS.

3. **Compensation**

The annual compensation for this position shall be **$71,265** on a **210 teacher salary schedule, Column D, Step 11,** to be paid twice monthly, subject to all regular withholdings. During Summer Session, the Employee shall be paid at a daily rate of **$339.36**. Total annual compensation, including Summer Session shall be **$78,052,** subject to all regular withholdings.

The Employee's compensation may be prorated depending on whether the Employee remains employed, or in active work status, for the entire year. As an exempt employee, the Employee shall not be eligible to earn overtime.

4. **Employee Benefits**

The Employee shall be entitled to participate in designated employee benefit programs

YM&C YOUNG, MINNEY & CORR, LLP
CHAMPIONS OF OUTSTANDING CHOICES IN PUBLIC EDUCATION FOR ALL CHILDREN
WWW.MYCHARTERLAW.COM
©2019 LAW OFFICES OF YOUNG, MINNEY & CORR, LLP.

and plans established by HCCS (subject to program and eligibility requirements) for the benefit of its employees, which from time to time may be modified by HCCS in its sole discretion.

5. **Performance Evaluation**

The Employee shall receive periodic performance reviews conducted by his/her supervisor. At a minimum, performance evaluations will be conducted annually, on or about the anniversary date of employment with HCCS. The frequency of performance evaluations may vary depending upon length of service, job position, past performance, changes in job duties, or recurring performance problems. Failure to evaluate the Employee shall not prevent HCCS from disciplining or dismissing the Employee at-will in accordance with this Agreement.

6. **Professional Development**

The Employee shall attend all mandatory professional development meetings and staff meetings unless an emergency situation prevents attendance. Failure to do so may result in disciplinary action up to and including termination.

6. **Employee Rights**

Employment rights and benefits for employment at HCCS shall only be as specified in this Agreement, HCCS's charter, the Charter Schools Act, and HCCS's Employee Handbook, which HCCS may amend and modify from time to time. Employment rights and benefits may be affected by other applicable agreements or directives or advisories from the California Department of Education or the State Board of Education. During the term of this Agreement, the Employee shall not acquire or accrue tenure, or any employment rights with HCCS.

7. **Licensure**

The Employee understands that employment is contingent upon verification and maintenance of any applicable licensure and/or credentials.

8. **Child Abuse and Neglect Reporting**

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his/her professional capacity or within the scope of his/her employment whom he/she knows or reasonably suspects has been the victim

YM&C YOUNG, MINNEY & CORR, LLP
CHAMPIONS OF OUTSTANDING CHOICES IN PUBLIC EDUCATION FOR ALL CHILDREN
WWW.MYCHARTERLAW.COM

of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident. By executing this Agreement, the Employee acknowledges he/she is a child care custodian and is certifying that he/she has knowledge of California Penal Code section 11166 and will comply with its provisions.

9. **Fingerprinting/TB Clearance**

Fingerprint clearance for the Employee will be acquired through submitting the Employee's fingerprints to the California Department of Justice. The Employee will be required to assume the cost of all fees related to the fingerprinting process. The Employee will be required to submit evidence from a licensed physician and/or licensed entity that the Employee was found to be free from tuberculosis risk factors, or active tuberculosis if risk factors were identified. Both clearances must be in place prior to the first day of service.

10. **Conflicts of Interest**

The Employee understands that, while employed at HCCS, he/she will have access to confidential and proprietary information. The Employee therefore shall not maintain employment or contracts for employment, or engage in any consultant or independent contractor relationship, with any other agency or school that will in any way conflict with his/her employment with HCCS.

11. **Outside Professional Activities**

Upon obtaining prior written approval of the Executive Director, the Employee may undertake for consideration outside professional activities, including consulting, speaking, and writing. The outside activities shall not occur during regular work hours. HCCS shall in no way be responsible for any expenses attendant to the performance of such outside activities.

C. EMPLOYMENT AT-WILL

HCCS may terminate this Agreement and the Employee's employment at any time with or without cause, with or without advance notice, and at HCCS's sole and unreviewable discretion. Either party may immediately terminate this Agreement and the Employee's employment upon written notice to the other party.

The Employee also may be demoted or disciplined and the terms of his/her employment may be altered at any time, with or without cause, at the discretion of HCCS. No one other than

YM&C YOUNG, MINNEY & CORR, LLP
CHAMPIONS OF OUTSTANDING CHOICES IN PUBLIC EDUCATION FOR ALL CHILDREN

the Board has the authority to alter this arrangement, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to the terms of this Agreement, and any such agreement must be in writing and must be signed by the Board and by the affected employee and must specifically state the intention to alter this "at-will" relationship.

In the event of charter revocation or non-renewal, all contractual obligations under this Agreement cease immediately upon the effective date of revocation or non-renewal.

D. GENERAL PROVISIONS

1. Waiver of Breach

The waiver by either party, or the failure of either party to claim a breach of any provision of this Agreement, will not operate or be construed as a waiver of any subsequent breach.

2. Assignment

The rights and obligations of the respective parties under the Agreement will inure to the benefit of and will be binding upon the heirs, legal representatives, successors and assigns of the parties hereto; provided, however, that this Agreement will not be assignable by either party without prior written consent of the other party.

3. Governing Law

This Agreement will be governed by, construed, and enforced in accordance with the laws of the State of California.

4. Partial Invalidity

If any provision of this Agreement is found to be invalid or unenforceable by any court, the remaining provisions hereof will remain in effect unless such partial invalidity or unenforceability would defeat an essential business purpose of the Agreement.

E. ACCEPTANCE OF EMPLOYMENT

By signing below, the Employee declares as follows:

1. I have read this Agreement and accept employment with HCCS on the terms specified herein.

HIGHLANDS
COMMUNITY CHARTER AND TECHNICAL SCHOOLS

Job Classification:	Certificated
Position Title:	CTE Teacher
Work Calendar:	209 Days
Exempt/Non-Exempt Designation:	Exempt or Non-Exempt
Funding Source:	General Fund
Pay Type:	Salary or Hourly
Pay Schedule:	$70,429 - $103,221 (7 Steps)
Pay Method:	Semi-Monthly

Summary of the Position:
Under direction of the Director of Workforce Solutions, or their appointed designee, the CTE Teacher will instruct in one or more core academic or work based subject areas and provide related services to students. Candidates must have a strong desire to work with students to help them achieve their academic, personal, and professional goals. Position requires standards-based lesson plans and curriculum planning with a team; participation in site, and professional development meetings; developing and implementing lessons; keeping accurate records and grades; and, attendance at some after-school meetings/events.

Essential Duties and Responsibilities:

- Compile, administer, and grade examinations, or assign this work to others
- Evaluate and grade students' class work, assignments, and papers
- Maintain timely student attendance records, grades, and other required records
- Initiate, facilitate, and moderate classroom discussions
- Plan, evaluate, and revise curricula, course content, and course materials and methods of instruction
- Prepare course materials such as syllabi, homework assignments, and handouts
- Keep abreast of developments in the career field by reading current literature, talking with colleagues, and participating in professional development and conferences.
- Perform community outreach to gain stakeholder feedback and promote the teacher's class and school, ensuring that the teacher to student ratio remains at industry standard
- Advise and assist students
- Participate in campus and community events
- Collaborate with colleagues to address teaching and research issues
- Advise students on academic progress
- Serve on academic or administrative committees that deal with institutional policies, departmental matters, and academic issues
- Act as advisers to student organizations
- Participate in and attend regular professional development
- Participate in student recruitment, registration, and placement activities
- Adapt training methods to the needs of learners with diverse cultural backgrounds

and varying intellectual abilities and attitudes

- Develop and use a variety of instructional materials suitable for verbal, visual, and hands-on instruction of all learners
- Establish and maintain standards of student behavior needed to achieve effective participation in all activities
- Identifies students' needs and cooperates with other professional staff members in assessing and helping students solve health, attitude and learning problems
- Perform community outreach to gain stakeholder feedback and promote the teacher's class and school, ensuring that the teacher to student ratio remains at industry standard
- Maintains professional competence through participation in in-service education activities provided HCCS and/or self-selected professional growth activities
- Perform additional job duties as it relates to student success and the overall objectives of the program as assigned

Education and Training:

- Any combination of education and/or experience working in Adult Education related activities or an education setting is preferred; previous industry experience is desirable.

Experience/Minimum Qualifications:

- High school diploma
- three years of work experience directly related to the industry sector, defined as 1,000 hours
- Possess or qualify for a Career Technical Education (CTE) teaching credential, or Adult Education Elementary and Secondary Basic Skills teaching credential, or a Multiple Subject credential, or any Single Subject credential
- The ability to communicate with a diverse group of people on a daily basis
- Possession of a valid California driver's license

Physical Requirements:

- Mobility: frequent use of keyboard; frequent sitting at desk and in meetings for long periods of time; occasionally reaching and twisting to reach equipment surrounding desk; occasional walking, standing, bending, stooping, and squatting; occasional pushing, pulling or lifting up to twenty (25) pounds
- Vision: constant use of overall vision; frequent computer use; occasional color and depth vision
- Dexterity: frequent repetitive motion; frequent writing and typing; frequent grasping, holding and reaching; frequent operation of office equipment, computers and clerical supplies
- Hearing/Talking: frequent hearing and talking in person and on the phone
- Emotional/Psychological: frequent public and/or coworker contact; ability to remain calm in emergency situations; occasionally works alone
- Driving: ability to use fine and gross motor coordination for driving

Typical Working Conditions:

- Work is typically performed in an indoor office environment. Occasional work is performed outside in various types of weather
- Potential exposure to noise, moisture, dust, vibrations, heat and cold
- Designated positions may require travel to and from off-site locations throughout the school

All job descriptions are meant as a guideline. Actual job duties can be revised with or without written notification and are subject to change.

Please attach appropriate salary schedule and work calendar to this job description. All three documents should be given to employee at the time of notice of employment with a copy of training schedule and the current adopted Employee Handbook.

RE: Notice of Complaint/Request for Information - CTE Truck Driving Program
TRUSD Additional Requests for Information re HCCTS' 12/20/24 Response

Dear Mr. McGuire:

As the authorizing entity for the Highlands Community Charter and Technical Schools' ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

On September 6, 2024, the District received a complaint alleging that HCCTS allows non-students to participate in the CTE Truck Driving certification courses. In our Notice of Complaint/Request for Information dated October 3, 2024, the District requested a response to multiple items by no later than 5:00 p.m. on November 1, 2024. HCCTS responded on November 1, 2024 at 3:34 p.m.

On December 2, 2024, the District sent a follow-up response to HCCTS' November 1 letter and received a further response from HCCTS with correspondence dated December 20, 2024. Outlined below are additional requests for information based on our review of HCCTS' December 20 response.

1. **CTE Truck Driving for Non-Students**

Information Request – Action Needed

- Provide a copy of Mr. Ivaniuk's work calendar with schedule of hours for the 2018-19, 2019-20, 2020-21, 2021-22 and 2022-23 school years.

- Provide documentation outlining the CTE Truck Driving class schedules (dates/times) for the 2018-19, 2019-20, 2020-21, 2021-22, and 2022-23 school years.

- While the District acknowledges HCCTS' statement that poor record keeping prevents an accurate count of non-student participation, the District requires more details regarding Mr. Ivaniuk's instruction and assessment of non-students. Please provide a more detailed response that includes the following:

    - A summary of the instances where non-students "stopped by throughout the week" for tests. As part of this summary, include information about whether non-students ever scheduled the visits in advance, how they knew when Mr. Ivaniuk would be available, whether HCCTS students were ever present during these visits, and whether the visits ever took place within Mr. Ivaniuk's HCCTS work hours.

    - Outline the support Mr. Ivaniuk provided to non-students to assist them in acquiring their license (i.e., 15 hours of "behind-the-wheel" training, study materials for road and/or written tests, instruction to prepare for the road and written tests, etc.)

    - Outline the process Mr. Ivaniuk followed when administering tests and include the approximate duration for these assessments. This outline should include information about assessments for pre-trip, general knowledge, drive/road, brake, and skills tests as described in the comments section of the student lesson documents provided by HCCTS.

2. **Data Discrepancy Between Students and Non-Students**

Information Request - Action Needed:

- HCCTS reported that the November 1 response inaccurately stated a total of 49 non-students had been served over the past 10 years. However, HCCTS acknowledges that it is unable to provide the total number of non-students served due to poor record keeping. HCCTS stated that corrective measures to improve record keeping have been put in place and that non-students will no longer be served in the CTE Truck Driving program. Please confirm that HCCTS has suspended the practice of serving non-students in all programs and courses effective January 6, 2025.

- HCCTS was able to recognize the 12 students listed on the additional documentation provided by the District in our December 2 letter, and confirmed that 10 were non-students.

3. **Partnerships**

Information Request - Action Needed:

- In the December 20 response, HCCTS states that the term "scholarship" referred to former students who graduated and returned to finish the Truck Driving Program. Please provide a more detailed explanation of this "scholarship" term and outline how the costs for the instruction, training, assessments, and materials for these former students were covered.

- HCCTS' November 1 response stated that the agreement from the Local 185 was to provide "in-kind improvements through facility repairs". The December 20 response states that HCCTS did not receive any improvements for the 2023-24 school year from the Local 185. Please provide documentation regarding the improvements and/or repairs that HCCTS received as part of the agreement with Local 185 for "free training" for the years such improvements/repairs were provided.

- HCCTS stated that there have been "no fiscal exchanges from Local 185, VOA, or the sheriff's office", but neglected to mention the fiscal exchange between HCCTS and the Sacramento Police Department. Please provide a response clarifying whether there have been any fiscal exchanges between HCCTS and the Sacramento Police Department, including all records/documentation for any such fiscal exchanges.

Within **10 calendar days** from the date of this letter, please provide a timeline for when HCCTS expects to provide the information and records responsive to this request. Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items.

Your response should be directed to the District for my attention. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Gina Carreón

Subject: Notice of Complaint/Request for Information for CTE Truck Driving Program - TRUSD Requests regarding HCCTS' 11/1/24 Response

Dear Ms. Carreon,

On December 2, 2024, HCCTS received a follow-up response from TRUSD regarding the CTE Truck Driving program. We have prepared the following letter in response.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

Volunteer Teacher
Since 2014, there has been only one truck driving teacher at the HCCTS truck driving program, Sergey Ivaniuk who confirmed that he volunteered his time to provide instruction to the non-students.

Non-Student Instructional Days
According to the information provided by Sergey Ivaniuk, Truck Driving Coordinator, in the meeting held on October 18, 2024, with the Director of Accountability and Assessment, Melissa Roberson, the direct instruction and classes for non-students were only held on the first and third Saturday of the month seasonally since 2014. Upon further investigation during the December 4, 2024 meeting between the Director of Accountability and Assessment, Melissa Roberson, Sergey Ivanyuk revealed that while the direct instruction was held on the weekends, students stopped by during the week to take tests. He also stated that he could not turn the students away. According to Sergey, there is no additional documentation regarding the non-student participation in the Truck Driving program.

Non-Student Data Discrepancy
HCCTS informed TRUSD that 49 non-students had utilized the truck driving program since 2014 because that was the information provided by Sergey Ivanyuk on October 18, 2024. As identified by TRUSD, 49 was an error since one student's name occurred on the list twice, so HCCTS should have reported 48.

Following the most recent request from TRUSD which contained an additional list of students and non-students, Sergey revealed that due to poor record keeping, he was unable to verify the total number of non-student participants who had utilized the truck driving program. He did however confirm that of the 12 names on the “Unofficial Class A Awards” document sent by TRUSD to HCCTS, 10 of them were non-students, one was a student at CICA, and one was a student at Highlands. Please see below.

Name	**Program Type**	**Status at the Time of Participation**
[redacted]	Law Enforcement	Non-Student
[redacted]	Law Enforcement	Non-Student
[redacted]	Highlands Student	Student

[redacted]	Scholarship	HCCS Alumni/ Graduate
[redacted]	Law Enforcement	Non-Student
[redacted]	Law Enforcement	Non-Student
[redacted]	Law Enforcement	Non-Student
[redacted]	Local 185	Non-Student
[redacted]	Local 185	Non-Student
[redacted]	Local 185	Non-Student
[redacted]	Law Enforcement	Non-Student
[redacted]	CICA Student	Student

As stated above, there is no additional documentation available. As a result of identifying this gap, HCCTS has taken corrective measures to improve record keeping.

Partnerships

	Agreement	**Documentation**	**Notes**
Volunteers of America (VOA)	Verbal	None	Ward Allen reached a verbal agreement, where VOA promised rent and facilities in exchange for the truck driving training of individuals from VOA who didn't have a high school diploma. As a result, our program moved to 10620 Shirra Avenue, Sacramento, CA 95655. However, a few months later, VOA demanded $110,000 for the space. We had no intention of making any payments, and since they also stopped sending us students, we decided to move.
Local 185	Verbal	Non-Executed Draft	An explanation was provided in the previous letter.
Sacramento Police Department	Verbal	None	HCCTS former Board Member, Sondra Betancourt led the efforts in this partnership.

Sheriff's Office	Verbal	None	HCCTS former Board Member, Sondra Betancourt led the efforts in this partnership.

HCCTS had no fiscal exchanges from Labor 185, VOA, or the sheriff's office. As of today, there have not been improvements for the 23-24 school year from Labor #185, and starting January 6, 202,5 HCCTS will no longer serve non-students in the CTE Truck Driving Program.

Scholarship

All the individuals that fall under this category are former students who graduated from Highlands and returned to finish the Truck Driving Program.

The information above was provided by Sergey Ivaniuk, the Truck Driving Program Coordinator, and the Truck Driving program.

RE: Notice of Complaint/Request for Information for CTE Truck Driving Program - TRUSD Requests regarding HCCTS' 11/1/24 Response

Dear Mr. McGuire:

As the authorizing entity for the Highlands Community Charter and Technical Schools' ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

On September 6, 2024, the District received a complaint alleging that HCCTS allows non-students to participate in the CTE Truck Driving certification courses. In its Notice of Complaint/Request for Information dated October 3, 2024, the District requested a response to multiple items by no later than 5:00 p.m. on November 1, 2024. HCCTS responded on November 1, 2024 at 3:34 p.m.

Outlined below is a summary of the District's findings and additional actions required based on our review of HCCTS' response.

1. CTE Truck Driving for Non-Students

TRUSD Findings

- HCCTS stated "The teacher of the truck driving program volunteered to teach them on the first and third Saturdays of the month seasonally each year." However, in the RFI CTE Truck Driving Program forms provided by HCCTS the District found only three "Lessons" that occurred on a Saturday and of those three, only one fell on the first or third Saturday.

While these forms may include notes for dates in which students did not attend class, many of the notes do indicate in-person training, specifically as seen in the comments and rating columns.

Information Request – Action Needed

- Confirm that the teacher who volunteered back in 2014 has remained with the program through 2023-24 and/or confirm that all teachers of the CTE Truck driving program that provided instruction to non-students also volunteered their time.

- Explain the discrepancies between HCCTS' assertion that trainings were conducted on the 1st and 3rd Saturday and the documentation which shows trainings mainly taking place Monday – Friday.

2. Data Discrepancy Between Students and Non-Students

TRUSD Findings

- HCCTS stated that 49 non-students in the last 10 years have utilized the truck driving facilities. However, in the 49-page response, HCCTS provided proof of 48 students, with one student listed on two pages (Celest McPeak).

- The District had been made aware of 12 additional students who participated in the CTE Truck Driving course during the 2023-24 school year, which were not included in HCCTS' response.

Information Request – Action Needed

- Please provide documentation for the additional 49th student that was missing in the November 1 response and confirm whether each of the individuals listed in the table below were students or non-students. Include in your response documentation for teacher instruction/in-person training days for the students listed below.

Unofficial Class A Awards				
SID#	**Name**	**School**	**Start Date**	**Grad Date**
	[redacted]	Law Enforcement	8/8/22	6/12/23
		Law Enforcement		7/28/23
		HCCS		8/16/23
		Scholarship	7/3/14	8/18/23
		Law Enforcement		1/17/24
		Law Enforcement		1/18/24
		Law Enforcement		1/19/24
		Local 185		1/24/24
		Local 185		2/29/24
		Local 186		3/28/24
		Law Enforcement		4/25/24
		CICA		6/25/24

2. Partnerships

TRUSD Findings

- The District noted multiple categories for each non-student including "labor union", "VOA", and "Scholarship". In the November 1 response, HCCTS provided an explanation for the Local #185.

- HCCTS stated that Board Member Doyle Radford tapped the Local #185 union in early days (2014), but this union is referenced as recently as 2021.

Information Request - Action Needed

- Please provide an explanation for the labor unions identified other than Local #185. Include any documentation which reflects agreements and/or partnerships.

- Describe what each designation means, specifically what is "VOA" and what is meant by "scholarship". Include in your response, records/documentation of all moneys collected for the CTE Truck Driving program for non-student participation.

- Since Mr. Radford is no longer on the Board, please clarify your current connection to the Local #185 and outline the agreement regarding free training in return for in-kind improvements/facility repairs for the 2023-24 school year. Include in your response documentation for the improvements and/or repairs that HCCTS received during the 2023-24 school year.

Within **10 calendar days** from the date of this letter, please provide a timeline for when HCCTS expects to provide the information and records responsive to this request. Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items.

Your response should be directed to the District for my attention. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Gina Carreón

Subject: Notice of Complaint/Request for Information for CTE Truck Driving Program

Dear Ms. Carreon,

On October 3, 2024, HCCTS received a notice of complaint and request for information regarding the CTE Truck Driving Program. We have prepared the following response to the complaint.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

Truck Driving Overview
At HCCTS 100% of current students are enrolled in PowerSchool and participate in both a high school diploma program and in truck driving. Their progress is tracked through credits earned which is also documented in PowerSchool.

CTE Truck Driving Program
Below is a table that shows the number of students who completed the truck driving program per year for the last three school years at HCCS and CICA.

	HCCS	**CICA**
2021-2022	80	33
2022-2023	133	40
2023-2024	96	31

Truck Driving and Certificates
The goal of every HCCTS student enrolled in the truck driving program is to obtain a Class A driver's license issued by the California DMV. The class A is the primary metric used to determine student success.

As a secondary measurement, HCCTS began issuing HCCTS Truck Driving Certificates for all students who completed the truck driving program. The truck driving program started in 2014, however providing HCCTS branded truck driving certificates began at the end of the 2023-2024 school year and therefore the number of certificates issued to students does not reflect the number of graduates.

Students & Non-Students
In the last 10 years, 49 non-students have utilized the truck driving facilities.

Non-Student Participants
In 2014 when Highlands had just started, the truck driving program was new and was facing significant financial hardship. A board member at the time, Doyle Radford had a contact with a Labor Union, Local 185. He observed that members of the labor union were not working in the winter months when the weather was bad and requested that these workers utilize the truck driving facilities on weekends. The teacher of the truck driving program volunteered to teach them on the first and third Saturdays of the month seasonally each year. In exchange for this, members of the Local 185 provided in-kind improvements through facility repairs. The Sacramento Police and Sacramento County Sheriff's Office have also utilized the truck driving facilities on weekends over the last 10 years. In total, 49 non-students have used the facilities during

non-school hours since 2014. In the 2024-2025 school year no non-students have been served.

Attachments
Attached you will find PowerSchool rosters of all individuals enrolled in the program for 21-22, 22-23, and 23-24, a comprehensive list of all non-student participants.

RE: Notice of Complaint/Request for Information for CTE Truck Driving Program

Dear. Mr. McGuire:

As the authorizing entity for the Highlands Community Charter and Technical Schools' ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

On September 6, 2024, the District received a complaint alleging that HCCS allows non-students to participate in the CTE Truck Driving certification courses. The complaint alleges that the non-student participants are "friends of a former board member named Doyle Radford."

Actions Needed:

- Please respond to the allegation regarding non-students' enrollment in the CTE truck driving program.

- Provide the District with a copy of all CTE Truck Driving Certificates of course completion issued by HCCTS for the 2021-22, 2022-23, and 2023-24 years.

- Provide the District with any spreadsheets or historical documentation which delineates students verses non-students receiving CTE Truck Driving Certificates of course completions for the 2021-22, 2022-23, and 2023-24 years.

- Provide the District with rosters of all individuals enrolled in the CTE Truck Driving program for the 2021-22, 2022-23, and 2023-24 years.

The District requests that HCCTS respond to this follow-up request for information by no later than **5:00 PM on November 1, 2024.** Thank you for your attention to this correspondence and your anticipated cooperation.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Gina Carreón

Subject: HCCTS Truck Driving Program

Good day, Shari.

In regards to our conversation last week about the CTE Truck Driving program at Highlands Community Charter and Technical Schools, I was wondering if a list of names would help, along with their affiliation: Highlands student, law enforcement, or union member. Unfortunately, Only Highlands students have last names listed, along with student ID numbers. For the latter two categories, those spaces are blank.

I recently got in touch with someone who wishes to remain anonymous and they sent me the current list, titled "Unofficial Class A Awards," with a list of names, categorization/affiliation, and when the person "graduated" from the program. It is an updated list of the list I told you I saw. From this list of 31 people, it does not appear that they are all Highlands students.

Is this something that will help you in your investigation? My concern is only that Highlands will be able to manipulate the data in some way, which we have known them to do.

Thank you again for your concern to this matter.

Sincerely,
Lindsay Curtis

McClellan, CA 95652

Re: Highlands Community Charter School Response to Fiscal Crisis & Management Assistance Team Report

Superintendent Martinez:

The purpose of this letter is to respond to the Fiscal Crisis & Management Assistance Team's (FCMAT) report issued on June 7, 2018 to the Highlands Community Charter School Board by Sacramento County Office of Education Superintendent Gordon.

The Highlands Community Charter School Board of Directors and its Executive Director would like to express our ongoing commitment to work in close partnership with the Twin Rivers Unified School District (TRUSD) in an open and transparent way. This will benefit each and every student and immediately address any concerns the District may have. As with every response provided to FCMAT initially, Highlands Community Charter School (Highlands) takes FCMAT's report very seriously and will continue to have a strong commitment to address these concerns to the complete satisfaction of the District.

As anticipated, FCMAT found no evidence to demonstrate that fraud or misappropriation has occurred in any area of Highlands' operations, including student enrollment, support of students with disabilities, ADA, instructional minutes and days, avoidance of standardized tests, conferrals of diplomas, charging fees, or operating multiple sites. However, FCMAT identified areas in internal policies, procedures, and practices that may need enhancements to ensure full compliance.

Highlands has prepared this formal response addressing FCMAT's recommendations and findings which will include our corrective actions taken to date and future proposed remedies.

Highlands Community Charter School's responses, adjustments or corrections to FCMAT's audit summary report recommendations found on (pg. 49) are delineated in order as presented.

- **Violation of HCCTS' charter by serving students outside the parameters listed in the charter**

  The Audit Report states that for the three school years at issue in this audit, FCMAT identified a total of 51 students over who had been admitted to the school at the age of 21, and 29 students who had been admitted holding a U.S. high school diploma, meaning that 80 students who were served by Highlands were outside the parameters listed in the Highlands charter. (Audit Report, pg. 13.) Across those same three years, Highlands' cumulative enrollment was nearly 5,663 students, meaning that those students served by Highlands that were outside the parameters of the charter represented approximately 1.4% of Highlands' cumulative enrollment over this period. Moreover, although the charter indicated that "Highlands Community Charter School shall admit all students it is legally allowed to serve, who meet the exclusive WIA agreement requirement of being age 22 or older, and who submit a timely application," (Highlands Charter, pg. 24), the charter also provides that "HCCS expects to serve a combination of youth and adult students, with the 20 to 45 year old age group making up the greatest percentage of learners." (*Id.*, pg. 47). Therefore, it is inaccurate to assert that by admitting 51 students to the charter school at age 21, HCSS was truly "serving students outside the parameters listed in the charter." If these 51 students are removed from the calculation, the number of students served by Highlands that were outside the parameters of the charter would represent approximately 0.5% of Highlands' cumulative enrollment over this period. Highlands submits that such low percentages do not constitute a "material" violation of a condition or standard of Highlands' charter.

  Even more fundamentally, the revocation provisions of Education Code section 47607 are strictly *forward*-looking, in that they specifically provide for a process by which a charter authorizer must give notice of the alleged violation of its charter, and the charter school must be given an opportunity to remedy the violation. (Ed. Code section 47607, subd. (c)-(e).) In short, under California law a charter cannot be revoked, *ex post facto*, for a violation of the charter petition that has already been

remedied at the time of proposed revocation. Therefore, even if Twin Rivers were to conclude that the provision of services to these 80 (or 29) students constituted a "material" violation of Highlands' charter, such a conclusion would only *begin* the revocation process. Since Highlands had already-- *prior* to the issuance of the Audit Report—ended its practice of serving any pupil under 22 and/or in possession of a high school diploma, Highlands' charter cannot be revoked for the historical practice, noted in the Audit Report, of admitting a small number of students under 22 years of age or in possession of a high school diploma.

- **Whether the partnership agreement was entered into with the correct entity and whether serving students outside of the terms of the petition and partnership violates the requirement for an exclusive partnership and whether that also causes violations of its petition in light of the ruling in the *Grossmont* case**

FCMAT's Assertion that Highlands Did Not Provide Instruction "Exclusively in Partnership" with WIOA

Both Education Code section 47612.1, subdivision (a) (relied upon by Highlands as an exception to the requirement of Education Code section 47612 that apportionment funding may be drawn for a pupil over 19 years of age only if that pupil is continuously enrolled in public school and makes satisfactory progress toward the award of a high school diploma) and Education Code section 47605.1, subdivision (g) (relied upon by Highlands as an exception to the geographic restrictions of Education Code section 47605, subdivision (a) restricting a charter school's choice of facilities locations to the boundaries of its authorizing district) require that any charter requiring on the exceptions in question must "provide[ ] instruction exclusively in partnership with" (among others) "[t]he federal Workforce Innovation and Opportunity Act (29 U.S.C. Sec. 3101 et seq.)" ("WIOA"). In the Audit Report, FCMAT concludes that Highlands may not have provided instruction "exclusively in partnership" with WIOA due to the fact that the partnership agreement entered into between Highlands and Greater Sacramento Urban League ("GSUL") (a WIOA provider) specified that "[s]tudents must meet following conditions for enrollment with HCCTS charter schools…[t]hey must not possess a U.S. High School Diploma [and] [t]hey must be age 22 or older." (Audit Report, pg. 15.) Specifically, the Audit Report provides that:

"FCMAT believes that HCCTS is not operating exclusively in partnership with GSUL, because it has enrolled and served

students outside the terms of the partnership agreement and is therefore not entitled to exemption from the provisions of EC 47612.1 [sic] regarding continuous enrollment and satisfactory." (Audit Report, pg. 17; see also pg. 22, incorporating by reference this analysis to the Education Code section 47605.1, subdivision (g) inquiry).

As an initial matter, Highlands notes that the inquiry under both section 47612.1, subdivision (a) and section 47605.1, subdivision is not (as FCMAT states) whether a charter school is "*operating* exclusively in partnership with" WIOA but rather whether the school "*provides instruction* exclusively in partnership with" WIOA. The difference in language, though subtle, is critical; the actual language of these statutes root the analysis in the manner of instruction provided as part of the partnership, not in any other aspect of the partnership between a charter school and a WIOA provider partner- for example, the age and diploma status of the pupils served by the charter school.

In this connection, it is worth considering that the *Grossmont Union High School District v. Julian Union School District, et al.* (San Diego Cty, 37-2015-000333720-CU-WM-CTL) ("*Grossmont*") decision (cited in the Audit Report on page 13) held that with respect to the question of whether instruction is provided in "exclusively in partnership" with WIOA "[w]hat is deemed critical in section 47605.1, subdivision (g) is the type of instruction provided, not the status of the students. Although the *Grossmont* decision is binding only on the defendants in that specific case (and not on other litigants in California generally or even San Diego County specifically, as mistakenly suggested in the Audit Report), insofar as FCMAT relied on the *Grossmont* decision to guide its analysis of whether Highlands has provided instruction "exclusively in partnership" with WIOA, it should be noted that the *Grossmont* decision actually **supports** Highlands' claim that it was providing instruction "exclusively in partnership" with WIOA. Specifically, the Audit Report does *not* find that the type of instruction provided to 21-year old students and those already possessing a high school diploma differed in any way from the instruction provided to other students at Highlands, and does not find that in providing educational services to these 80 students Highlands violated or otherwise operated outside those provisions of the Highlands-GSUL partnership agreement relating to the provision of instruction. In emphasizing the status of students (specifically their age and their possession of a high school diploma) in order to resolve the question of whether Highlands provided instruction "exclusively in partnership" with

WIOA, FCMAT has applied an interpretation of Ed. Code section 47605.1, subdivision (g) that runs directly counter to the *Grossmont* decision.

Moreover, for FCMAT's theory that a violation of any term of the charter school-WIOA provider partnership agreement means that any performance under the agreement that fails to meet any term of the agreement is not provided "in partnership" (thus compromising the "exclusive" partnership), one would have to accept a theory of contracts at variance with generally accepted contractual principles under law. For one, it is black letter law that a breach of contract, no matter how serious, does not by itself terminate, cancel or otherwise void a contract. Rather, a material breach empowers the non-breaching party to *choose* among a number of remedies, one of which is to simply ignore the breach and continue to treat the contract as binding. This makes practical sense; there are a great many "breaches" of an agreement that, although technically "in violation" of the language originally included by the parties nevertheless do not harm the non-breaching party and may even be seen as desirable by the non-breaching party. The law defers to the wishes of the non-breaching party and does not impose upon that party a remedy (for example, termination) that the party has not chosen for itself. If the non-breaching party does indeed ignore the "breach" and continue to treat the contract as binding in all respects, any subsequent contract performance, by either party, remains performance conducted pursuant to and under the terms of that contract. In a partnership agreement, that would mean all subsequent performance remains performance conducted "in partnership" unless and until the non-breaching partner seeks some other remedy.

Further, the facts are that Highlands **does** provide all of its students with instruction in partnership with WIOA. Highlands is the recipient of a WIOA Title II grant[1], which funds educational services in one or more of three core workforce areas: 1. Basic education; 2. Career technical education; and/or 3. English language development. Since the inception of Highlands, every student, **without exception,** has received educational services in one or more of those areas. SETA, for its part, is mandated by the provisions of WIOA to work with Highlands as a Title II grant recipient, in regard to such services. Highlands has also engaged with other WIOA agencies, such as Lao Family, Asian Resources and La Familia, to provide access to such educational services, in the same manner as with GSUL.

[1] It should also be noted that as a Title II grant recipient, HIGHLANDS itself is a WIOA provider.

In sum, all students at Highlands do receive educational services in partnership with a WIOA provider. To the extent that Highlands enrolled a small number of students who did not meet the specific parameters set forth in the partnership agreement between Highlands and GSUL, that does not change the nature of the services provided. GSUL could have sought an appropriate remedy by, for example, refusing to serve those pupils or seeking a termination of the agreement. GSUL did not do so, and continued to operate under the terms of the agreement (even with respect to those pupils), thereby continuing to provide instruction "exclusively in partnership" with Highlands.

FCMAT's Assertion that Highlands Did Not Enter into a Partnership with the Correct Entity

FCMAT suggests that perhaps Highlands did not enter into a partnership with the correct entity, yet also acknowledges that even the one archived CDE "Suggestions for Successful Partnerships" (the title of which clearly indicates that it is an advisory document, not a mandatory rule) it was able to find on this point does not address adult charter schools. Additionally, FCMAT notes that although the California Workforce Investment Board ("CWIB") instructed Highlands to seek an agreement with Sacramento Employment and Training Agency ("SETA"), SETA in turn directed Highlands to seek a partnership with GSUL. In short, FCMAT suggests that Highlands should have attempted to force upon SETA a partnership that SETA did not want and refuse a partnership with an entity that *did* indeed wish to enter such a partnership—a partnership that was, moreover, encouraged by SETA itself. Highlands respectfully suggests that in this regard FCMAT presents an unrealistic understanding of how lasting, successful, and universally beneficial partnerships are formed.

Moreover, it remains unclear why FCMAT believes Highlands would be required to follow the directive of SWIB that Highlands partner with SETA, yet not expected to follow (and, indeed, was expected to *ignore*) the directive of SETA that Highlands partner with a one-stop career center or American job center like GSUL.

FCMAT's Assertion that Highlands Violated its Petition by Not Specifically Stating that it Would be Operating at Particular Locations Pursuant to the Exception of Ed. Code section 47605.1, subdivision (g)

FCMAT states that Highlands may have violated its charter by failing to identify in its charter the out-of-district locations at which it was to operate, and to clearly specify that it would so operate pursuant to Education Code section 47605.1, subdivision (g). However, no provision of law requires that Highlands do so.

FCMAT cites to the *Grossmont* decision for this supposed requirement, but both the *Grossmont* decision and *Anderson Union High School District v. Shasta Secondary Home School* (2016) 4 Cal.App.5th 262 (the appellate decision on which the *Grossmont* decision was based-- see Audit Report pg. 22) concerned only the geographic restrictions on charter school *operations* and did not concern the question of what information must be included in a charter school petition. (*Anderson*, supra 4 Cal.App.5th at 283, fn. 7 ["AUHSD contends the Cottonwood Resource Center is barred because SSHS may not establish a location that is not identified in its charter. Because we have resolved the issue presented by the parties under the Charter Schools Act, we need not address this alternative contention."].)

- **Irregularities in instructional days**

  FCMAT correctly pointed out that all schedules and tracks met the instructional minutes and instructional day requirement. However, FCMAT discovered the instructional course offering Cosmetology program did not meet the instructional day requirement (Schedule K). One student failed to meet the instructional day requirement. FCMAT reported this to the Highlands' Executive Director who immediately implemented changes to correct the condition which was an administrative oversight.

  FCMAT referenced the potential error for all prior school years up to and including 2016-17 in the Cosmetology program. However, the Cosmetology program did not start until school year 2016-17.

  To ensure full compliance with all attendance accounting requirements, Highlands will work in collaboration with our independent audit firm to thoroughly review our compliance with minimum instructional minute/day requirements for the current and prior fiscal years, and we will prepare and submit any revised attendance forms required by our auditor.

- **Questionable acceptance for participation in ASAM**

FCMAT called into question whether the 70 percent threshold for Alternative Schools Accountability Model (ASAM) eligibility had been reached.

Highlands' board approved the ASAM Alternative Application on March 4, 2015 and was signed by the board president. On March 10, 2015, TRUSD Superintendent signed the application and forwarded to the California Department of Education (CDE). It was received on March 17, 2015 and approved on March 24, 2015. Subsequently, the CDE approved Highlands' new Dashboard Alternative School Status (DASS) commencing in the fall 2017 through the fall of 2019. DASS replaced ASAM effective school year 2017-18. In both application processes, Highlands, TRUSD and CDE have complied with the application data and procedural processes.

- **Inconsistent use of CASAS testing, which was the system identified as HIGHLANDS' alternative testing system in the ASAM program**

  The use of CASAS testing is a standard practice for most schools serving adults in California. Also, WIOA mandates the use of CASAS for reporting skill attainment for adult participants. FCMAT correctly reported Highlands has had inconsistent application of the test. Highlands has made a significant organizational commitment to correcting this issue. Each school year Highlands has shown substantial growth in tests administered. Over the last two school years, Highlands has hired three additional proctors and a lead proctor. Additionally, all site clerical administrative staff have been CASAS certified. These commitments will ensure compliance with DASS requirements. We welcome any input from TRUSD and will work collaboratively with TRUSD to incorporate any additional necessary changes.

- **Course outlines not approved by the HCCTS board yet used by the charter as credit toward the award of diplomas**

  Highlands' staff and administrators did report the outlines were being updated and would be presented for Board approval. Highlands is updating the course outlines as part of the process of adopting new curriculum and also updating our school wide learner outcomes as part of our Western Association of Schools and Colleges (WASC) self-study. Several outlines have been updated and were ready to go to the board for adoption in December of 2017, however, a decision was made to hold off on the adoption until needed updates pursuant to our WASC self-study were approved, which would also require further updates be completed. At the writing of this response, the expected date of our completion of the

self-study is December 2018. Our expectation is that academic outlines will be brought to the board for adoption early in the fall of 2018.

Although Highlands' course outlines have not been approved by its Board of Directors, at this time, they have been reviewed and approved by the Administration and Academic Leadership. Also, as an adult serving charter, we presently do not offer college prep A-G courses.

- **Lack of verification or data to support attainment of student skills and knowledge, and permitting subjective decisions, potentially subject to personal biases, about skills and knowledge attained**

FCMAT stated that evaluation is based upon a "variety of evaluation methods to measure whether students meet requirements; these include teacher evaluation, self-assessment, publisher tests, and samples of work such as homework or portfolio." While it is true that course completion does not include an end of course evaluation such as a standardized test for each course, this does not necessarily mean the decisions made regarding skills, knowledge, or course completion are necessarily subjective. As was explained to FCMAT, the academic courses do have formative assessments that have been aligned to the state standards for the various units of study for the academic courses. For example, the U.S. History course has several standard aligned units of study, each of which has a school wide, formative assessment tool that is used as part of the completion process. As our students are a very mobile group, the staff decided to be sure we were using a more formative assessment as part of the assessment process throughout smaller units as a basis for some of the skills assessment. In this manner, we have one form of assessment that we can use to indicate proficiency for smaller units in a course. FCMAT did not ask to see any of these assessments.

In addition, these formative assessments are only one measure of assessment. As was quoted in the course outlines, evaluation measures include a variety of measures such as projects, teacher evaluations, work samples, etc. The practice of using multiple assessment measures in a classroom is a generally accepted teaching practice. In fact, a teacher who relies solely upon a standardized test does not provide a platform for evaluating a number of common core standards such as presentation skills in the listening and speaking standards, integration of technology or demonstration of research skills. An evaluation of such skills has long been the professional purview of a course's teacher. In fact, one of the primary roles of providing instruction is to evaluate the student's proficiency and skills acquisition.

Further, the completion of a course by a standardized test is not a requirement for any school for the issuance of the course's credits. If it were, each high school and adult school across the state would be required to have every student pass a standardized course completion exam before the teacher issues credits for the course and that is clearly not the case. In fact, a survey of various local districts' course outlines will show these districts all include multiple measures in their course outlines as part of their course evaluations.

- **HIGHLANDS' use of CASAS testing results alone to determine whether a student qualified to graduate or to move to the next level of course work**

  FCMAT erroneously states that HIGHLANDS uses "HIGHLANDS test results alone to determine if a student qualified to graduate or move to the next level of course work." CASAS scores are one measurement of a student's proficiency and skills attainment; however, they are not the only measure. Using CASAS scores alone would be akin to a high school solely relying upon their results from the students' California Assessment of Student Performance and Progress (CAASP) tests to award course completion credits, a practice that is not done in any school that we are aware of. The use of CASAS scores to identify strengths, challenges and areas of need as an accountability measure is in alignment with how CAASP scores are used along with the State's accountability indicators.

  Highlands utilizes various methodologies to determine students' levels of academic success and ultimately their ability to graduate. These evaluations are based upon variety of evaluation methods to measure whether students meet requirements; these include teacher evaluation, self-assessment, publisher tests, and samples of work such as homework and formative and summative test and criteria.
  The practice of using multiple assessment measures in a classroom is a generally accepted teaching practice. In fact, a teacher who relies solely upon a standardized test does not provide a platform for evaluating a number of common core standards such as presentation skills in the listening and speaking standards, integration of technology or demonstration of research skills. An evaluation of such skills has long been the professional purview of a course's teacher. In fact, one of the primary roles of the teacher besides providing instruction, is to evaluate the student's proficiency and skills acquisition. Further, the completion of a course by a standardized test is not a requirement for any school for the issuance of the course's credits.

  While we feel that our assessment methodology is in full compliance with current guidance, we welcome any input from TRUSD and will work collaboratively with TRUSD to incorporate any necessary changes.

- **Problematic interpretation of CCR Title 5, and related granting of high school credits for GED testing to students outside the population identified in that law**

  FCMAT appears to be basing their reasoning on a statement on the California Department of Education ("CDE") website and language in the GED Program Policy Manual. The CDE statement lacks any legal authority and the GED Manual language is not relevant to the current circumstances.

  Highlands' practice of awarding specific academic class credit for students who have passed certain sections of the GED test is appropriate and not prohibited by state law. Despite FCMAT's claim that on CDE's website giving such credit is prohibited, there is no statutory authority to support this contention. Furthermore, the GED Program Policy Manual language does not specifically apply to test results and a representative of the company stated the Charter School has the discretion to award such credit. Additionally, even if giving such equivalency credit was expressly prohibited in Education Code section 51225.3, the Charter School would be exempt for the prohibition because of the Charter School waiver in section 47610.

- **Allowing a test taken in Spanish to substitute for a pre requisite in English**

  Students are awarded credits after passing either the English or Spanish version of the HiSET test with the exception of English language arts, if the test is taken in Spanish. FCMAT questioned the practice of awarding physical science course credits due to the pre-requisite of a ninth grade proficiency in English. All HiSET students are enrolled in high school. Transcripts are evaluated by Highlands' counselors and registrar. Credits are awarded from the HiSET on a case by case basis and are categorized as academic or elective as needed.

- **Conducting board votes via email in violation of the Brown Act**

  The report of voting by e-mail raises a Brown Act violation. However, the issue addressed was the "acceptance" of Linda Fowler as the LEA representative to the Board. The process of adding an authorizing district representative to the charter school's board differs from the method of electing board members in general, as an authorizer representative is appointed as per Ed Code and not elected or accepted by the charter's board. As TRUSD has the authority to appoint the

representative, Education Code Section 47604(b), any "acceptance" by the Highlands Board was not required.

Highlands has subsequently retained General Counsel, who ensures Brown Act compliance for all Highlands' board activities. Board members have also been provided with Brown Act reference materials, and may participate in yearly meetings held by CCSA and/or CSDC which feature ethics presentations, including Brown Act and conflict of interest reviews. All Board members are encouraged to participate in such presentations.

- **Conflict of interest issues involving an HCCTS board member who was also a board member of its charter authorizer. When a contract with that board member's firm came before the board, that board member failed to remove herself from the room and offered comment and information about the contract from the dais.**

When this occurred, Highlands did not have General Counsel to advise on conflict of interest issues, which it now does. Highlands view is that if any ethics violation occurred, it was as a result of Board members not fully understanding the requirements in regard to participation by Board members regarding matters in which there is an actual or potential conflict of interest. It should be noted, that there is no indication that any Board member who was in such a position, actually voted or attempted to influence Board action, and in fact, the record shows that any such member abstained from voting. The FCMAT report also notes that the Board took prompt action to void the contract from which the potential conflict arose.

With retention of General Counsel to advise on conflict matters, along with training available to Board members as discussed above, Highlands has, and will continue to be proactive to prevent any actual or potential conflicts of interest.

FCMAT also raised the issue of whether appointment of a TRUSD Board member to the Highlands Board created a conflict under Government Code section 1090, which codifies the common law doctrine of incompatible offices held by a public official, and section 1126(a), which addresses incompatible activities on part of a "local agency officer or employee". As appointment of the LEA representative lies with TRUSD, and not Highlands, these are issues which should be addressed by TRUSD. That said, if such an issue were to again arise, Highlands would make any concerns known to TRUSD. Further, it is not clear that either

code section applies to the Highlands' Board, as Highlands is a non-profit corporation.

Within the conflict of interest findings, FCMAT made reference to "undescribed litigation", as a complicating factor. The reference is incorrect, as no litigation was filed. Angelica Tellechea, doing business as LAED Consulting, claimed that following the revocation of the Highlands/LAED contract in November, 2014, she, at the request of former corporate President Mike Brunelle, continued to act on Highlands' behalf in seeking to obtain grant funding from CDE, and demanded payment for services rendered. General Counsel confirmed that written authorization, signed by Mr. Brunelle, confirming her authority to act on Highlands' behalf, was sent to CDE. Also, a second letter signed by then Vice President, Ward Allen, confirmed Tellechea's authority.

With confirmation of the authority granted to Tellechea, and after receiving the demand from Tellechea, General Counsel was authorized to negotiate a settlement, within Board set limits, with her. That settlement was reached and a release was signed by Tellechea on 9/4/15.

Going forward, Highlands will not enter into any consulting contracts or agreements that are deemed to be a real or potential violation of conflict of interest laws, and our General Counsel will ensure that all Board activities are conducted to prevent such conflicts of interest from arising.

- **Conflict of interest and payroll issues related to approval of consultant contracts to individuals who are also employees of HIGHLANDS**

  Following appointment of General Counsel, and on advice received, Highlands determined that the contracts in question were void, and did not make any payments then due under the contracts.

- **Possible violations of the Penal Code by allowing raffles to be held at the charter**

  Highlands has never sold raffle tickets. On two occasions, Highlands issued numbered tickets to students to be eligible to win attendance based prizes.

- **Questionable fiscal practices such as:**

  - **Payment of personal attorney fees for a board member from charter funds without board approval**

A demand was made for indemnity and defense of the Fair Political Practices Commission (FPPC) investigation (which is ongoing) and which included allegations of acts/omissions on board member's part as a Highlands Board member. Corporations Code § 5238 allows for indemnification of a board member. Under subdivision (f), expenses incurred may be advanced by the corporation, if the indemnitee enters into an undertaking that any expenses so advanced will be re-paid, if it is ultimately determined that the indemnitee did not qualify for indemnity under the statute.

Under subdivision (d), if the indemnitee is successful in defense of a proceeding, or part thereof, indemnity is mandatory.

Following Board authorization to make payments as allowed by subdivision (f), the board member entered into such an agreement on May 5, 2016. The agreement limits any advance payments to expenses incurred in the FPPC investigation only, and requires that board member provide copies of billings from her attorneys. Those bills were reviewed by General Counsel, and of the approximately $30,000.00 billed to board member, $14,979.03 was paid.

- **Payment of an employees' personal car repairs from charter funds and without board approval**

Highlands' board approval was not necessary due to the nature of the reimbursement; therefore, the Executive Director's approval was appropriate. The employee was receiving mileage reimbursement for normal wear and tear on her vehicle while performing her duties as a custodian servicing multiple sites. Unfortunately, the employee was using her vehicle in an extraordinary way. She was transporting tables, chairs, janitorial supplies and chemicals, and other items as deemed necessary to complete her job. Highlands was unable to provide a company vehicle. The employee's vehicle sustained significant wear and tear which was inconsistent with normal operator use. It was deemed appropriate by the Executive Director to authorize the needed repairs to ensure the school had transportation for the employee to complete her duties and operational needs.

The decision to pay for the vehicle repairs was based on prior experience authorizing expenditures as a State supervisor and training received consistent with the State Contracting Manual.

Additionally, the California Supreme Court has ruled consistently in this arena.

The California Supreme Court has held that an employer can reimburse for vehicle expenses via a lump-sum payment. Employers should be warned however that if they utilize the IRS mileage rate or a lump-sum payment, and the employee can show that the chosen method does not cover all actual expenses incurred, the employer will be liable for the difference.

- **Providing gifts to students in violation of the charter's board policy**

  Board policy 140106-VII-D states the charter may award students who have demonstrated excellence with equipment that does not exceed two hundred dollars. Examples of excellence may include perfect attendance for a set period of time, high grades, passing an industry recognized exam, etcetera. There were approximately five laptops awarded that exceeded the two hundred dollar threshold by approximately twenty dollars with tax and recycling fee included. On February 23, 2018, a letter from Highlands Executive Director to Executive Staff at TRUSD reported the incidents and no further incidents have occurred. The Executive Director informed Highlands Board of Directors of the issue and corrective actions.

  FCMAT also asserted that after their field work was competed they received information from a confidential informant that Highlands provided $500 gift cards, big screen plasma televisions and Target gift cards to students to generate attendance. This information is false and these awards never took place. Rather than expand the investigation to confirm the validity of this claim, FCMAT simply repeated the unfounded allegation as a finding in their report.

- **Implementing hiring practices in violation of the law, which allowed convicted felons to have access not only to HIGHLANDS students and staff but also to the minor children in its child development program**

  On January 23, 2018, Executive Staff at TRUSD contacted the Executive Director of Highlands regarding the background clearance process of two employees. Highlands' petition mandates compliance with Ed Code Section 45125.1 and 44237. The two identified employees were immediately placed on paid administrative leave pending investigation.

On January 30, 2018, Executive Staff from TRUSD and the Executive Director of Highlands met to discuss potential remedies to the issue. Both employees were former students and graduates of Highlands. One employee was a known felon to the Executive Director and the other was not, due to her offense occurring in another state approximately seventeen years prior. Neither employee was a Penal Code Section 290 sex offender.

After completing the investigation, both employees were terminated. Highlands established additional control measures to ensure compliance with the Ed Code. Classified staff now submits to a California and multi state live scan prior to employment. The multi-state search should ensure all convictions are reported.

FCMAT made two serious and erroneous statements within the hiring practices heading on (pg. 47). FCMAT reported through a confidential informant that a Highlands Administrator was aware of the felony conviction of the employee and was his Parole Agent. This assertion is impossible. Although, a Highlands Administrator was a Parole Agent, he retired five years prior to him becoming a parolee and had no previous relationship.

Additionally, FCMAT reported that an employee working in the Early Childhood Education program was a gang member and a convicted felon. This allegation is erroneous. The employee in question is a graduate of Highlands and is presently employed. Prior to her employment, she submitted a California and multi-state live scan on March 1, 2017 and it was forwarded to the California Teaching Commission. Her live scan reflected a misdemeanor offense and she is not a gang member.

- **Allegations of sexual harassment by HIGHLANDS administrators**

Highlands Board of Directors originally approved the sexual harassment policy on June 1, 2013. The policy was revised and re-approved on April 1, 2016. Highlands is committed to providing an unlawful harassment and sexual harassment free workplace. There are three components to this commitment. All employees receive and sign an employee handbook annually that informs them of Highlands' sexual harassment policy, additional site based sexual harassment training to all staff, and annual training facilitated through "Safe Schools" online program.

In April 2018, Executive Staff at TRUSD contacted the Executive Director at Highlands with information that a confidential informant stated an administrator was grooming the Human Resource Generalist for a sexual

relationship. On April 6, 2018, the Generalist was interviewed pertaining to the allegation. She denied ever experiencing sexual harassment or feeling groomed/manipulated by the Administrator for a sexual relationship.

Any complaint of unlawful harassment, discrimination or sexual harassment, has been actively investigated by Highlands, to include, where appropriate, retention of outside investigators. As the result of one such investigation the offending employee was terminated.

- **Use of "Confidential Informants"**

Highlands notes that on several issues, FCMAT made findings based on information received from "confidential informants." Not only are such findings troubling in the absence of any indicia of the informant's reliability, but some of these allegations had already been raised to Highlands and responded to directly with TRUSD. For example, the section on "Hiring Practices" does not reflect that Highlands worked closely with TRUSD to address the issue of employees having felony convictions, and contrary to the FCMAT report, in agreement with TRUSD's position, Highlands terminated the employees. Similarly, the reference to expensive gifts being given to students to encourage attendance, which is not true, had been addressed with TRUSD by the Executive Director.

HIGHLANDS
COMMUNITY CHARTER SCHOOL

Highlands appreciates the opportunity to respond the FCMAT audit. The successful partnership between Highlands and the Twin Rivers Unified School District in providing outstanding educational services to the community is essential. With that responsibility, I will endeavor to provide these services with great respect to that responsibility.

Should you have any questions or concerns, please do not hesitate to contact me at erniedaniels7@gmail.com.

Dr. Steven Martinez, Superintendent
Twin Rivers Unified School District
5115 Dudley Blvd
McClellan Park, CA 95652

Dr. Steven Martinez, TRUSD Superintendent:

Subject: Notice of Concern/ Request for Information - Marysville 2 Location Response from April 5, 2024

We have prepared the following report in response to the notice of concern/request for information regarding the Marysville 2 location. It also addresses questions and concerns about the HCCTS CTE program at Marysville 2, the lease, and the health and safety of our students.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org.

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

Timeline Marysville 2

On May 1, 2023 the original lease with Marysville and Highlands was written and was fully executed at $2,000 per month.

CTE Programs at Marysville 2

At Highlands we currently have two CTE programs that will utilize the Marysville 2 baseball field.

1. Landscaping
2. Sports Officiating

Landscaping

Highlands Community Charter School is still in the process of creating the landscaping CTE program.

Progress has been made in the following ways:

- An Edjoin post was made on April 9, 2024 to hire a Landscaping instructor, for which only one applicant applied and was unqualified for the role
- The landscaping course description written and approved by the HCCTS board of directors in June 2024
- Through our research into the landscaping business, we have learned that landscaping jobs over $500 require students to hold a contractor's license, so our Director of CTE is looking into options for students to also obtain their contractor's license

Sports Officiating

Sports Officiating started at Highlands in 2022 under the direction of Russel Patty, who has 20 years of experience in this field. This program has historically been offered to students at our Del Paso location located at 1100 Las Palmas Avenue, Sacramento, CA 95815 which contains indoor and outdoor facilities. Students learn how to officiate the following sports: volleyball, softball, baseball, and football. Currently, 8 students enrolled in this program will finish their cohort on July 17, 2024. In August of 2024, Highlands will expand the sports officiating CTE program at the Marysville 2 location in order to attract new students and increase enrollment and CTE completion. Through this program, students are able to earn their General Sports Officiating Certificate in the sports they study at Highlands. Additionally, they are eligible to receive a certificate from the National Federation of High School Sports which includes training in different subjects such as:

- Concessions
- Sportsmanship

- Bullying
- Social Media
- Heat Illness

The program lasts ten weeks and is scheduled from Monday through Thursday. Highlands maintains excellent relationships with professional organizations connected to sports officiating. Once students complete the program, they are recruited to work for high schools, private businesses, and parks and recreation.

The Lease

The original lease agreement between Highlands Community Charter School and the City of Marysville was dated May 1, 2023. In the original deal drafted, the contracted monthly payment was listed at $5,000. However, this lease agreement was not fully executed and was renegotiated to $2,000 per month for three years with a 3% yearly increase and the option for renewal.

Typically Highlands Community Charter School will establish a lease agreement or MOU with a facility approximately three months prior to occupying a student-serving space or office space. For the health and safety of our students and staff, the HCCTS facilities and maintenance team, safety team, and IT team check the facility during the previous months before the opening to ensure that everything is set up and ready to be utilized. This is considered a common practice at HCCTS. It is not a typical business practice to lease a space more than three to six months before the opening unless the site or facility requires extensive renovation or repairs.

Student Health & Safety

Student health and wellness is a top priority at HCCTS. We ensure that all students have access to a safe learning environment, including protection from extreme weather conditions such as extreme heat, rain, or snow. While the Marysville 2 baseball field is part of the CTE program, students also have access to our Highlands classrooms located at our Marysville 1 site at 715 C Street Marysville, CA 95901.

The 2024-2025 School Year

Moving forward in the new school year, HCCTS will inform TRUSD regarding the start dates of new CTE programs and the number of students who are currently enrolled or expected to enroll in the CTE programs.

Next Steps

- Human Resouces will post the position on Indeed in an effort to attract more landscaping professionals

- Advertise the landscaping CTE program in Marysville and Yuba City
- Highlands will meet with the City of Marysville to review this contract

Attachments

Attached you will find the following:

- The fully executed lease agreement which shows $2,000 per month
- A list of payments from Highlands to the City of Marysville which shows the $2,000 payments
- The CTE Course Outline for Landscaping
- The CTE Course Outline for Sports Officiating

Subject: Notice of Material Revision

Dear Ryan DiGiulio,

On October 17, 2024, the HCCTS Board of Directors approved the revised SY 2024-2025 site list. The approved locations have been renamed and reorganized to better demonstrate their location by using the street, avenue, etc. name if possible.

This letter serves as a notice of material revision for both HCCS and CICA for adding the following locations:

Folsom Blvd. | 10017 and 10013 Folsom Blvd, Sacramento, CA 95827 *(new additional building)*
Peacekeeper Way | 3237 Peacekeeper Way, McClellan, CA 95652 *(New)*

And closing the locations listed below:

El Camino | 4813 El Camino Avenue, Carmichael, CA 95608 *(Administrative Office)*
Fair Oaks 2 | 6110 Fair Oaks Blvd, Carmichael, CA 95608 *(HCCS & CICA)*
Folsom 2 | 9555 Folsom Blvd, Sacramento, CA 95827 *(HCCS & CICA)*
Marysville 2 | 1431 C St, Marysville, CA 95901 *(It's Never Too Late Stadium - CTE)*
S. Lake Tahoe | 1041 Lyons Avenue, South Lake Tahoe, CA 96150 *(HCCS & CICA)*

The current location count is as follows:

HCCS Locations- 24
CICA Locations – 6

HCCS & CICA Locations – 13
Total Resource Centers – 43

External CTE Locations – 5
Total Instructional Locations – 48

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

BILL MCGUIRE
Executive Director
Highlands Community Charter and Technical Schools

Exhibit G

Fiscal Mismanagement: Marysville 2 Location

HCCTS Marysville 2
Timeline of Events

Date	Topic	Notes
March 5, 2024	TRUSD Internal Email	Scott Leaman, TRUSD Site visit contractor notified the District that the Marysville 2 location at 1431 C Street, Marysville CA was a baseball field. He provided additional information about the site based on an online records search.
March 6, 2024	TRUSD Internal Email	Mr. Leaman notified the District that the contact person for the Marysville 2 location stated that there were not students enrolled.
March 14, 2024	TRUSD Issued a Notice of Concern	The District notified HCCTS of this concern. The letter required HCCTS to provide a response and supporting documentation.
April 5, 2024	HCCTS Replied to the Districts March 14 Notice of Concern	HCCTS provided a 31-page response outlining the purpose for the sponsorship of the baseball field and describing the CTE program that had been planned for the location. It included a copy of the lease agreement.
June 17, 2024	TRUSD Issued a Notice of Concern/Request for Information responding to HCCTS' April 5 letter.	The District outlined additional concerns and required HCCTS to provide a response to the concerns as well as documentation to support their response.
July 23, 2024	HCCTS Responded to the District's June 17 Notice of Concern	HCCTS provided a 30-page response and included the fully executed copy of the lease agreement, a list of payments to the City of Marysville, and information regarding the CTE courses that were planned for the location.
August 15, 2024	TRUSD Issued a Notice of Concern/Request for Information responding to HCCTS' July 12 letter.	The District outlined additional concerns and required HCCTS to provide more information and supporting documentation related to the concerns.
September 24, 2024	TRUSD Emailed HCCTS Regarding Failure to Respond	TRUSD sent an email to HCCTS notifying them that they had failed to respond by the September 20, 2024 deadline. TRUSD outlined a new deadline of October 7, 2024.
September 25, 2024	HCCTS responded on 9/25 with a letter dated 9/24.	HCCTS outlined the sponsorship benefits and provided additional information about the CTE programs.
October 1, 2024	TRUSD responded to HCCTS' September 25 letter.	The District requested that HCCTS provide an update regarding HCCTS future plans for the location.
January 14, 2025	HCCTS sent a Letter to TRUSD	HCCTS provided an update to the District and included a copy of the termination agreement,

		which included the requirement for HCCTS to continue to make equal lease payments from December 1, 2024 thorough April 30, 2026 in the amount of $33,639.80
February 19, 2025	TRUSD issued a Notice of Concern	TRUSD listed multiple concerns and required additional actions.
February 20, 2025	HCCTS Email responding to the District's February 19 Notice.	HCCTS stated they would respond to the District's notice by April 25, 2025.
February 21, 2025	TRUSD provided an email response to HCCTS' February 20 email	The District disagreed with HCCTS April 25 response timeline and required a response by March 24, 2025 instead.
March 21, 2025	HCCTS sent a Letter responding to the District's February 19 Notice	HCCTS' responses included information about the termination agreement and HCCTS employees who participated in a special event at the Marysville 2 baseball field,
March 24, 2025	The District emailed HCCTS	The District requested clarification regard the VIP tickets mentioned in past correspondence.
March 25, 2025	HCCTS Responded to the District's March 24 email.	HCCTS stated that their employees did not use any of the VIP tickets.

image003.png
image001.png
image004.png

Good Morning,

Please see Scott's email below regarding the HCCTS site visit to Marysville.

Site Visits Overall

- Going well and HCCTS employees are welcoming.
- Oxnard visits went great.
- Marysville (715 C street): seemed okay and programs are very similar to Oxnard. CICA and HCCTS are both located at this site.

Dis-Enrollment Policies

- HCCTS disenrolls after a student is absent for 20 days (on the 21st day)
- CICA disenrolls if students do not complete at least 2 work assignments in a month.

Marysville (715 C St):

- Students must complete at least 2 work samples per month. If 2 samples are completed for the month, then the student is marked present for the whole month and ADA is collected. Scott continues to collect information on this policy and the flexibility of disenrolling students.

- CICA ADA seems a bit high, but you are waiting for an email from the principal to get the accurate percentage. HCCTS at the site is reporting similar ADA to Oxnard.

Marysville 2 (1431 C Street):

- You drove to the site and it was a "full blown, minor league baseball field". There were workers working on it.
- You were curious so you went online and found an article (included in the email below) which outlined that HCCS gave $25,000 to refurbish the field ($12,500 went to the Marysville Drakes to sponsor them or donate to them).

RE: Update to HCCTS Marysville 2 Locations

Good Morning,

Scott spoke with Rich Henning, the contact person at the HCCTS Marysville 2 location (baseball field). Scott said: *"I spoke with Rich Henning and there are no students enrolled at the site. They hoped to get programs such as landscaping and culinary at the site but that has not happened. It was a short interview."*

Subject: CTE site in Marysville

Caution: This Message Is From an External Sender Report Suspicious
Please take care when clicking links or opening attachments.

I wanted to follow up with an email based on our protocol about the HCCTS CTE site in Marysville. This is in addition to the conversation we had yesterday.

I spoke with Rich Henning and there are no students enrolled at the site. They hoped to get

programs such as landscaping and culinary at the site but that has not happened. It was a short interview.

Thank you!!

Re: Notice of Concern and Request for Information – "Marysville 2" Location

Dear Mr. Murdock and Board Members:

As the authorizing entity for the Highlands Community Charter School ("HCCS") operated by Highlands Community Charter and Technical Schools ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCS in compliance with its approved Charter, the Memorandum of Understanding between the District and HCCS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

The District requests that HCCTS respond to the following concerns/requests for information by no later than 5:00 PM on April 5, 2024. Your responses should be directed to the District for my attention. Thank you for your attention to this correspondence and your anticipated cooperation.

Physical Address: 5115 Dudley Blvd. • McClellan, CA 95652
Mailing Address: 3222 Winona Way • North Highlands, CA 95660
(916) 566-1600 • FAX (916) 566-1784 • www.trusd.net

HCCS "Marysville 2" Site.

The "Marysville 2" HCCS site located at 1431 C Street, Marysville CA 95901 is listed in Exhibit "B" "HCCS Facilities Site List" of the recently executed/approved MOU Amendment No. 3 between the District and HCCTS regarding the operations of HCCS. In a site list provided to the District on December 29, 2023, HCCTS represented that the Marysville 2 site is for HCCS CTE programs.

However, it has come to the District's attention, following a site visit by our consultant on March 4, 2024, that the Marysville 2 site is not a facility, but rather a baseball field. When asked about the Marysville 2 sites, the Principal of the Marysville Site (located at 715 C Street, Marysville, CA 95901) indicated she was not aware of the 1431 Marysville site. After a search of public information regarding the baseball field, the District learned that HCCTS donated $25,000 to sponsor facility upgrades to the field with $12,500 going to sponsor a baseball team called the Marysville Drakes. The Marysville Drakes is a professional privately operated baseball team formed in 2022 (began playing in 2023) and is based in Marysville. https://www.marysvilledrakes.com/

Action Needed

- Respond to the District regarding the aforementioned concerns. This includes providing an explanation for the discrepancy between the information provided to the District about the Marysville 2 site location and its current use as a baseball field instead of a facility. Specifically, HCCTS needs to clarify how this site is affiliated with HCCS, detail the provision of CTE programs at the location, and identify the assigned HCCS administrator for this site.
- The District also expects HCCTS to furnish a comprehensive explanation and breakdown of the $25,000 donation. This should include clarification on how the donation, which benefited a private organization, aligns with applicable laws, particularly addressing the prohibition against the use of public funds for gifts.

Please contact Sharilyn Marshall (sharilyn.marshall@trusd.net) if you need any clarification regarding the above items requested. Thank you for your attention to this information request and for your anticipated cooperation.

Sincerely,

Steve Martinez, Ed.D.
Superintendent, Twin Rivers Unified

HIGHLANDS
COMMUNITY CHARTER AND TECHNICAL SCHOOLS

April 5, 2024

Dr. Steven Martinez, Superintendent
Twin Rivers Unified School District
5115 Dudley Blvd
McClellan Park, CA 95652

Dr. Steven Martinez, TRUSD Superintendent:

Subject: Request for Information – Marysville 2

We have prepared the following report in response to the request for information. The report addresses questions and concerns related to the Marysville 2 location.

If you have any additional questions or concerns, please do not hesitate to contact me at 916-335-1771 or via email at murdock.smith@hccts.org.

Thank you,

MURDOCK SMITH
Executive Director
Highlands Community Charter and Technical Schools

The Marysville 2 baseball stadium is located at 1431 C Street, Marysville, CA 95901. We first sponsored it and added it to the updated site list and MOU amendment #3 because we plan to serve students at this location through a career and technical education program.

The Sponsorship

Highlands Community Charter School sponsored the baseball stadium for $25,000 in the spring/summer of 2023. The MOU was dated March 11, 2023. With the sponsorship, Highlands hoped to attract new students to our local Marysville and Yuba City campuses.

Below are the benefits of sponsorship for Highlands:

- The field name will be “It’s Never Too Late…” Field with logo graphic provided by HCCTS
- HCCTS will designate a series of home games with allowance to set up, manage, and maintain student recruitment stations
- HCCTS Graphics will be used on game programs, snack bar menus or other printed materials pertaining to Drake's home games
- Banner or painted graphic to be placed on right-center field wall with HCCTS designated logo
- Designated HCCTS Painted Graphic on a home-field dugout
- On Deck Circle Rug with HCCTS, "It's Never Too Late…” Graphic on Home and Visitors station
- 6 VIP Tickets will be made available for 2023 scheduled home games. Optional tickets for visiting tickets to all affiliate Pecos League Team games. Given a written request for those tickets five days in advance of the game desired
- Notification of the Drakes employment for team support positions for local Highlands students or students of Highlands students 16 years or older to be interviewed for potential hire
- ‘It’s Never Too Late…’ HCCTS Logo patch placed on team game day uniforms/or/game day hat.

- HCCTS Branding displayed on game day tickets

- One designated HCCTS Group Night

The Career Technical Education (CTE) Program

Highlands Community Charter School currently has an MOU with the city of Marysville. The MOU began on May 1, 2023, and allows us to lease Bryant Field for our planned CTE program. The lease is for $5,000 monthly rent.

All CTE programs at Highlands are overseen by our Director of Workforce Readiness, Lee Farrand. The CTE program also has its own principal, Elvira Harris. Both Lee Farrand and Elvira Harris are experts in workforce development and oversee the creation and implementation of all CTE programs for Highlands and CICA. The Principal for Marysville 1, Khrystsina Talstyka, has a master's degree in teaching and is an expert in language acquisition, but she has no involvement or supervision in the development or implementation of new CTE programs.

Through our educational partner feedback, students have asked for landscape design and agriculture training. Based on their requests, we plan to build a CTE program around them.

The vision for the Baseball Field CTE program was to:

- Create a landscaping CTE program
- Goal to have it available at three locations: Marysville, Grand, West Sacramento
- Complete the Qualified Applicator License (QAL)
- Train students how to use fertilizers to spray the grounds
- Incorporate food service and hospitality into the concession stands
- Parks & recreation training and employment

The CTE team has recently launched several new CTE programs. These programs took longer than expected to launch but include the following:

- A Welding program at Grand Avenue
- CNA program at Grand Avenue
- Culinary program at Oak Park and West Sacramento

The estimated start date for our landscaping program is July 2024.

Highlands is not knowledgeable, nor have a record of how the money was

allocated by the Drakes or the City of Marysville after payments were made.

We currently have a partnership agreement with the Sutter County Office of Education to provide an array of CTE programs and pathways, including but not limited to:

- Medical Assisting
- CNA
- Phlebotomy
- Cosmetology
- Dental Assistant

As part of our CTE expansion plan, we planned to include additional in Yuba/ Sutter Counties.

The MOU for the sponsorship, the lease agreement for the CTE program, and the current MOU with the Sutter County Office of Education are attached.

LEASE

This Lease ("Agreement") is made effective May 1, 2023 and is by and between the City of Marysville, a Municipal Corporation ("City") and Highlands Community Charter School ("Lessee").

RECITALS

The City owns a facility commonly known as Bryant Field ("Bryant Field") which is located on real property ("Property") at 1431 C Street in the City of Marysville, Yuba County, California and designated as Assessor's Parcel Number 09-144-01.

Lessee desires to lease from the City, on a shared-use basis Bryant Field pursuant to this Agreement.

IN WITNESS WHEREOF, the parties agree as follows:

SECTION 1
Incorporation of Recitals

The foregoing recitals are not merely recitals but are contractual in nature and are incorporated into this Agreement.

SECTION 2
Definitions

In addition to the terms defined elsewhere in this Agreement, the following terms shall be defined as follows:

1. Rent - means the Rent as specified in Section 4 of this Agreement as well as other monetary obligations of the Lessee pursuant to this Agreement.

2. City - means City of Marysville.

3. Lessee - means Highlands Community Charter School.

4. Baseball Games - means all baseball games played at Bryant Field involving the Marysville League Drakes as a participant, including without limitation, all pre-season games, exhibition games, regular season games, post-season "playoff" games, and "all-star" games involving the Marysville Drakes as well as practice days reserved by the Marysville Drakes.

5. The Marysville Drakes - means the Baseball Club known by such name and sponsored by the Pecos League of Professional Baseball Clubs LLC.

6. Community Events - means any and all events promoted, sponsored and/or staged by City or on behalf of City.

7. Other Reserved Events - means an organized activity on a designated date(s), whether open to the public or reserved for private gatherings, other than baseball home games, or community events, which is booked, promoted, sponsored or staged by Lessee, including without limitation, concerts or other live and film performances or presentations festivals, fairs, tournaments, rallies and exhibitions as approved in advance by the City. Lessee has the exclusive right and obligation to manage and operate security and ushering services sufficient to control pedestrian traffic within Bryant Field and at the Property and adjacent area during all Other Reserved Events. Lessee shall obtain an approved safety plan from the City's Chief of Police and adhere to the same for Other Reserved Events (which safety plan may differ from event to event depending on the nature thereof). Lessee shall not hold Other Reserved Events of a political nature.

SECTION 3
Terms of Shared Use Lease

The City leases to Lessee on the terms and conditions set forth in this Agreement to conduct other reserved events subject to the provisions stated herein.

Lessee shall conduct all activities at the Property in compliance with all laws.

Lessee shall have the right to use and occupy the Property for Other Reserved Events in compliance with the provisions of this Section.

The City anticipates that the Marysville Drakes will reserve baseball games in the Spring and Summer of each year in addition to the baseball home games presently scheduled to be played at Bryant Field at the Property. In addition to baseball home games, the City intends to promote, sponsor and/or stage community events. With the exception of baseball home games and community events, Lessee shall have the right to book, promote, sponsor and/or stage Other Reserved Events on condition that Lessee provide City a minimum of 60 days advance notice of Lessee's proposed Other Reserved Event and obtains the City's consent to same, which consent will not be unreasonably withheld.

SECTION 4
Rent and Other Consideration

1. Rent. Lessee shall pay to City monthly Rent of $5000.00 per month payable in advance on the 1st day of each month. Rents shall commence on the 1st of the month following execution of this Agreement (the "Rent Commencement Date"). Rent shall increase 3% per year on the anniversary of the Rent Commencement Date such that the monthly Rent shall increase by 3% above the Rent in effect for the previous year. Should Lessee exercise the option to extend the term of this Agreement, the 3% annual increases shall continue through the Extended Term.

2. Ticket Sales and Pricing. In its sole discretion, Lessee shall set ticket prices and admission fees for Other Reserved Events.

3. General Public Parking. City agrees to make available on-street and off-street parking, at City's discretion, for Other Reserved Events within a ten (10) minute walk of the Property. Lessee is solely responsible for providing adequate parking attendants at all off-street private property locations where event parking is sanctioned. Lessee shall not close, block or restrict access to any City streets absent a separate written agreement with City concerning the closure or any other restricted access or use of City streets. Except that Lessee may cause C Street to be closed between 14th Street and 16th Street for its other reserved events provided it is in compliance with the other terms and provisions of this Agreement.

4. Media Rights. Lessee has the exclusive right to all radio and television broadcast, telecast, webcast, cablecast, video on demand and all other forms of media and distribution rights for Other Reserved Events and to retain all revenues generated thereby.

5. Utilities. The cost of utility services, namely the water, sewer, gas, electric, as well as trash and recycled product removal and any other services or utilities shall be the responsibility of Lessee to the extent the same are incurred with respect to Lessee's use of the Property. The City will invoice Lessee monthly for all utilities and Lessee shall pay an invoice for the same within fifteen (15) days of receipt of such invoice.

SECTION 5
Capital Improvements, Maintenance, Repairs and Operations

1. Security/Usher Services and Traffic Control. Lessee has the exclusive right and obligation to manage and operate security and ushering services sufficient to control pedestrian traffic within Property and vehicle parking attendants during Other Reserved Events.

2. Set-up and Clean-up for Other Reserved Events. Lessee shall have the exclusive right and obligation to manage and operate the Property during Other Reserved Events and shall, at its sole expense, clean the Property and all improvements therein and keep it in orderly condition. Lessee shall comply with all applicable federal, state and local laws, codes, ordinances, and regulations, including without limitation, ADA and access laws, waste management, recycling, county health and alcoholic beverage sales/license laws.

3. Lessee is Responsible for all Aspects of Maintenance and Repair. During the term of this Agreement in addition to its obligations under paragraph 2 (Setup and Cleanup for Other Reserved Events), Lessee is responsible at its sole expense to fully and completely maintain the Property and all City-owned facilities therein. These maintenance obligations are ongoing. Lessee shall be responsible for all aspects of maintenance and repairs to include without limitation any capital repairs and major maintenance of the Property and all City-owned capital facilities therein. In addition to major maintenance of the Property and all City-owned capital facilities, Lessee shall be responsible for regular maintenance as well. These obligations include clean-up of seating and concession areas and maintenance of

seats, public laboratories and restroom facilities, regular and routine maintenance of the HVAC, plumbing, electrical, water, sewage and onsite drainage systems.

As described above, Lessee is further responsible to maintain the facilities which are the subject of this Agreement in a fully operational condition such that the structures and facilities at the Property and all City-owned capital facilities therein shall be in at least as good or better condition at the end of this Agreement than the condition of such facilities on the effective date of this Agreement. Lessee's obligations of maintenance, replacement and repair shall not take into consideration "reasonable wear and tear". To the contrary, Lessee's obligations require Lessee to maintain and repair the Property and all City-owned capital facilities at all times so as to negate the effects of "ordinary wear and tear". Without limiting the generality of the foregoing, Lessee is responsible for capital replacement and repairs of the structure, structural members, foundations, footings, roof, balconies, floors, columns, steps, ramps, doors, windows, walls, fixed stadium seats and seating areas, fixed concession areas, water and plumbing systems, electrical systems and electrical lights (including light standards and field lighting/ballasts), pipes and mains, sidewalks, fencing, parking surfaces, the scoreboard and all integral components of the foregoing and all fences and fencing. Such major maintenance and repair responsibilities Lessee apply whether the major maintenance or repair is ordinary or extraordinary, foreseen or unforeseen, necessitated by wear and tear, obsolescence, or any other cause.

4. Discretionary Improvements. Lessee has the right, at its own expense, to make alterations and improvements to the Property as are reasonably necessary or appropriate for Lessee's conduct of its business, subject to prior written approval by City and, once approved, such alterations or improvements are performed in a good and workmanlike manner by qualified personnel. Any necessary operations, maintenance and/or repairs relating to such alterations or improvements are the sole responsibility of Lessee, unless City first agrees in writing to accept responsibility. At the end of the term of this Agreement, any improvement installed by Lessee shall remain at the Property and shall be property of City. Lessee shall obtain all required City permits prior to making any improvements. Lessee shall comply with applicable general plan, zoning and other requirements of the City regarding improvements they install.

SECTION 6
Term, Termination, Default, Remedies

1. Term and Option to Extend. The Term of this Agreement shall be 3 years commencing with the Rent Commencement Date on the 1st of the month provided Lessee is not in default under the Terms of this Agreement, Lessee shall have the option to extend this Agreement for an additional 3 years by providing written notice to the City no earlier than 6 months nor later than 2 months prior to the expiration of the Original Term.

2. By Destruction. In accordance with Section 7 of this Agreement, City may terminate this Agreement.

3. Default by Lessee. It shall be a default under this Agreement if any of the following occurs:

A. Lessee fails to pay the Rent, and any other costs, surcharges or other monetary obligations as required by this Agreement; or

B. Lessee fails to observe and comply with any other term, condition, covenant or agreement to be observed and complied with by Lessee under this Agreement.

4. Remedies. As to any monetary defaults or obligation of Lessee to pay any monies to City, such default shall continue uncured for a period of three (3) days after Lessee receives notice from City, City shall be entitled to terminate this Agreement. As to any default of Lessee of a non-monetary nature, if such default continues uncured for a period of three (3) days after Lessee receives notice from City specifying the nature of the default in reasonable detail (or such period if such default cannot be reasonably cured within such 3-day period, provided Lessee commences such cure within such 3-day period and thereafter diligently pursues such to completion), City shall have the right, in addition to any other remedy available hereunder, or at law, or in equity, to terminate this Agreement. Termination of this Agreement shall not relieve Lessee of its obligation to make any monetary payment required of it pursuant to this Agreement (including the full payment of all license fees) nor shall Lessee's obligations of indemnity, insurance and other obligations which would naturally survive termination be excused. All such obligations shall continue to be binding upon Lessee until such obligations have been performed and satisfied in full.

5. Lessee's Right to Terminate for Loss of Funding Source. Lessee may, upon 90 days' notice to City, terminate this Agreement in the event they lose their funding source for their operations.

SECTION 7
Damage or Destruction

1. In the event the Property is substantially or totally damaged or destroyed so as to be unfit for occupancy or use by Lessee as contemplated, City in its sole and absolute discretion may terminate this Agreement. In the event City elects to terminate this Agreement, it may give Notice of Termination which shall be effective immediately. Whether City elects to terminate this Agreement pursuant to this section, City shall have no liability to Lessee with respect to any losses or damage occasioned by Lessee due to such termination or due to any delays occasioned by the time of repair, construction/reconstruction of the Property facilities. Lessee shall obtain business interruption insurance or take such other financial precautions as it deems necessary for any losses which might arise from the destruction or substantial destruction of the Property.

2. Restoration of the Property. For termination of this Agreement other than for damage or destruction as described in paragraph 1 above (to include expiration of this Agreement according to its terms or termination occasioned by default), Lessee will return the Property to its original or subsequently improved condition, and shall return to City all equipment and tangible personal property owned by City, if any, in good working condition, or reimburse City for reasonable cost of repairing such damage and/or replacing such personal property.

SECTION 8
Indemnity; Insurance

1. Indemnity by Lessee. Lessee shall indemnify and hold City, and its representatives officers, directors, employees and agents free and harmless from any and all claims, suits, liens, demands, damages, injuries, liabilities, losses and expenses of any kind (including reasonable attorneys' fees, expert witnesses and costs of investigation with regard to any claim, demand or action) to the extent they arise out of or are in any way connected with the performance of this Agreement by City, its agents, directors or employees or by Lessee, its agents, directors or employees whether such claims, liens, demands, losses or expenses are based upon a contract or upon a claim for personal injury, death, or property damage or upon any other legal or equitable theory whatsoever. Lessee agrees at its own expense and upon written request by City, to defend any claim, suit, action or demand brought against City on any injury, loss, or liability, actual or alleged covered herein. Notwithstanding this defense obligation, Lessee shall not be required to indemnify City from loss or liability to the extent such loss or liability arises from the sole negligence or willful misconduct of City, its agents, directors and employees, at such time that such sole negligence or willful misconduct has been finally determined by a court of competent jurisdiction. Lessee shall provide City with a defense until such determination has been made (*i.e.*, until a court of competent jurisdiction has finally determined that the loss or liability arises from the sole negligence or willful misconduct of City, Lessee shall provide a defense as to such loss or liability). Lessee's obligations of defense and indemnity arise even if the claim is frivolous or lacking in merit. The defense indemnification obligations of this Agreement are undertaken in addition to, and shall in no way be limited by, the insurance obligations contained in this Agreement. The indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Lessee or its agents under workers' compensation acts, disability benefit acts or other employment benefit acts. The Lessee shall pay all costs that may be incurred by the City in enforcing this indemnity, including reasonable attorneys' fees. Lessee's indemnity obligations survive this Agreement.

Lessee's duties to defend is separate and independent of its duty to indemnify. The duty to defend includes claims for which the City may be liable without fault of be strictly liable. The duty to defend applies regardless of whether the issues of negligence, strict liability, fault, default or other obligation on the part of the City has been determined. The duty to defend applies immediately regardless of whether the City has paid any sums or incurred any detriment arising out of or relating (directly or indirectly) to any claims.

Notwithstanding the foregoing, the City on behalf of itself reserves the right to assume the defense of any action, arbitration or proceeding against which Lessee may have an obligation to defend pursuant to this Agreement including the right to appoint counsel of its choice, without effecting Lessee's obligation to indemnify for the cost of such defense.

Lessee shall be liable to the City for any loss or damage to City property arising from or in connection with Lessee's performance hereunder.

2. Insurance Requirements.

A. Commercial General Liability. During the term of this Agreement, Lessee shall at all times maintain in full force and effect commercial general liability insurance in an amount determined as reasonably necessary from time to time by Northern California Cities Self-Insurance Fund (NCCSIF), a California joint powers agency, or City's subsequent insurance carrier. At the commencement of this Agreement, the commercial general liability insurance shall be $2,000,000 minimum combined single limit and a general aggregate limit of at least $4,000,000. The policy shall cover bodily injury, property damage, personal injury and other covered loss however occurring during the policy term. The coverage shall be primary and any insurance maintained by City shall be excess insurance only. Such insurance shall contain endorsements: (a) deleting any employee exclusion on personal injury coverage; (b) including employees as additional insureds; (c) deleting any liquor liability exclusion; (d) providing for coverage of employer's automobile non-ownership liability.

The commercial general liability insurance policy shall provide coverage on an "occurrence" basis, including products and complete operations, property damage, bodily injury and personal and advertising injury. If a general aggregate limit applies, the general aggregate limit shall apply separately to this Agreement and the Property.

B. Automobile Liability. Lessee shall, during the term of this Agreement maintain coverage for automobile liability using ISO Form CA 00 01 covering any auto (Code 1), hired (Code 8) and non-owned automobiles (Code 9), with limits of no less than $1,000,000 per accident for bodily injury and property damage.

C. Property Insurance. During the term of this Agreement Lessee shall at all times during this Agreement maintain in full force and effect property insurance, special extended coverage or all-risk coverage insurance (including, but not limited to coverage for vandalism and malicious mischief) in the amount of 100% of the full replacement value of all improvements at the Property. Such policy shall contain a replacement cost endorsement and a stipulated amount endorsement. Lessee may maintain the required coverage by means of coverage obtained by City through City's insurance carrier, which may change from time to time, for which Lessee shall reimburse City for coverage required during the Baseball Season.

D. Workers' Compensation. During the term of this Agreement Lessee shall at all times maintain in full force and effect workers' compensation insurance as required by the laws of the State of California. Lessee may be permissibly self-insured in accordance with applicable law.

E. Forms of Policies; Deductibles. All insurance policies required by this section shall provide for severability of interests; shall provide that an act or omission of one of the named or additional insureds shall not reduce or void coverage to the other named or additional insureds, shall not reduce or void coverage to the other named or additional insureds; and shall afford coverage for all claims based on acts, omissions, injury and damage, which claims occurred or arose (or the onset of which occurred or arose) in whole or in part during the policy period. All insurance policies required to be carried under this section shall be (a) written by companies rated A-VII or better in *Best's Insurance Guide* and authorized to do business in California, and (b) name City, its officers, officials, employees and volunteers as additional insureds. Any deductible amounts in excess of $5,000 under any insurance policies required to be carried by Lessee by this section shall be subject to City's prior written approval. Lessee shall be responsible for any such deductible amount, so that so far as City is concerned, it will be as if the insurance had no deductible.

Each insurance policy required above shall provide that coverage shall not be cancelled, except with no less than thirty (30) days prior notice to City.

Lessee hereby grants to City a waiver of any right to subrogation which any insurer of said Lessee may acquire against City by virtue of the payment of any loss under such insurance. Lessee agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not City has received a waiver of subrogation endorsement from the insurer.

City reserves the right to modify these insurance requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage or other special circumstances.

City, its officers, officials, employees and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the Lessee including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Lessee's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10 and CG 20 37 forms if later revisions are used).

For any claims related to this Agreement, the Lessee's insurance coverage shall be primary insurance as respect to City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by City, its officers,

officials, employees or volunteers shall be in excess of Lessee's insurance and shall not contribute to it.

F. Insurance Endorsements; Failure to Deliver. Lessee shall furnish City upon execution of this Agreement, and thereafter within 30 days prior to the expiration of each such policy, amendatory endorsements issued by the insurer carrier of each policy of insurance carried hereunder and such policy endorsement to verify the additional insured status of City. The endorsements shall expressly provide that the policy shall not be cancellable or subject to reduction of coverage or otherwise be subject to modification except after 30 days' prior written notice to City. If Lessee shall fail to procure such insurance or deliver such endorsements, City may, at its option, and in addition to City's other remedies in the event of default by Lessee under this Agreement procure the same for the account of Lessee, and the cost thereof shall be paid to City as an additional license fee. Failure to obtain and maintain the required endorsements prior to the commencement of the Baseball Season in 2020 shall not waive Lessee's obligation to provide them. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

SECTION 9
Sublicense or Assignment of Agreement

1. No assignment or sublicense. The license granted to Lessee is personal to Lessee and may not be assigned or sublicensed in whole or in part to any third party without the prior written consent of City, which City may withhold in its sole discretion.

2. No release. Regardless of City's consent, no sublicensing or assignment shall release Lessee of Lessee's obligations or alter the primary liability of Lessee to pay the Rent and all monetary obligations under this Agreement and to perform all other obligations to be performed by Lessee hereunder, to include the indemnity and insurance obligations. Consent to one assignment or sublicensing shall not be deemed consent to any subsequent assignment or sublicensing. In the event of any default an assignee of Lessee, or any successor of Lessee in the performance of any of the terms hereof, City may proceed directly against Lessee without the necessity of exhausting remedies against such assignee or successor. City may consent to subsequent sublicensing or assignment of this Agreement or amendments or modifications of this Agreement with assignees of Lessee, without notifying Lessee, or any successor of Lessee, and without obtaining its or their consent thereto, and such action shall not relieve Lessee of liability under this Agreement.

SECTION 10
Additional Agreements

1. Hazardous Materials. For purposes of this paragraph "Hazardous Materials" shall mean any substances or materials classified as hazardous materials, hazardous substances, hazardous waste or toxic waste under any federal, state or local statute, regulation or ordinance, including by not limited to any petroleum products and agricultural chemicals

used as pesticides or herbicides. Lessee shall not, and shall not permit any third party to, transport onto, store on or use on the Property any Hazardous Materials. Lessee shall not release or allow any third party to release any Hazardous Materials on any portion of Property. Lessee, at Lessee's sold expense, shall conduct any and all investigation, clean-up and/or eliminate any and all Hazardous Materials released in violation of this paragraph 2.

2. Security. Lessee shall provide reasonable security personnel for Other Reserved Events and related operations conducted at the Property, and any other activities permitted by this Agreement.

3. Community Events. From time to time, as stated herein, City has the right to schedule City sponsored community events.

4. Additional Obligations of Lessee.

A. Lessee shall keep and maintain a valid business license issued by City during the term of this Agreement. Lessee must secure such permits, variances and licenses as may be necessary or desirable to operate its business as contemplated in this Agreement at its sole expense and obligation.

B. Lessee shall pay any possessory interest tax levied against the Property by the Assessor of Yuba County. Any taxes owing as a result of the private or commercial use of the Property are the sole expense of Lessee, including any subsequent taxes, levies or increases to existing taxes to which Lessee or its affiliates would be subject.

C. Lessee shall abide by all local ordinances, rules and regulations, and all State laws, pertaining to the operation of a baseball facility open to members of the public, including, but not limited to all such ordinances, rules, regulations and laws pertaining to health, fire, safety, the sale of food and beverages, and alcohol sales and consumption.

D. Cooperation to Protect Surrounding Neighborhood. Lessee agrees to cooperate with City to insure that Property is used in such a manner as not to produce undue annoyance to persons living in the neighborhood surrounding the Property. Measures to be taken may include, but are not limited to, noise restrictions, hours during which the Property may not be used, crowd controls, parking restrictions, and related matters.

E. Access by City. Authorized personnel from City shall have reasonable access to the Property at all times during the term of this Agreement to ensure compliance with all the provisions of this Agreement. Such access does not provide the right to interfere with the on-going business operations of Lessee.

SECTION 11
NAMING RIGHTS

1. For the Term of this Agreement, Lessee shall have the right to name the stadium at the Property to include signage associated with such naming rights as approved in writing in advance by the City.

   The name selected by Lessee shall be subject to the City's approval, which approval shall not be unreasonably withheld, provided however, that "Bryant Field" must remain as part of the name selected by Lessee.

2. Future Departure of Marysville Drakes. In the event the Marysville Drakes cease to utilize the property to conduct baseball games in the future, Lessee shall have a first right to negotiate for a substitute baseball team. In the even the Drakes decline to enter into a license agreement to hold baseball games at Bryant Field, the City shall provide written notice to Lessee. Lessee shall, within fifteen (15) days of the date of such notice, advise the City in writing if it intends to negotiate to have a substitute baseball team hold baseball games at the Property. Should Lessee advise the City of such intention, the parties agree to negotiate in good faith to reach an agreement for a substitute team to hold baseball games at the Property. The name of any successor team shall be "the Marysville Gold Sox" unless the City consents to a different name.

SECTION 12
MISCELLANEOUS

1. Rent Payable in United States Money. Rent and all other sums payable under this Agreement must be paid in lawful money of the United States of America,

2. No Partnership or Other Legal Entity Formed. By virtue of this Agreement no partnership, joint venture, or other legal entity is formed between the parties and neither becomes the guarantor or obligator of any debt, liability or obligation of the other.

3. Lessee's Employees No employee, agent, contractor, or other person to the employ of one party shall be deemed to be in the employ of the other party.

4. No Independent Contractor. Neither City, nor Lessee, shall be independent contractors of one another pursuant to the terms of this Agreement.

5. No Liens or Encumbrances.

A. Lessee shall not permit to be enforced against the Property or any part of them, any mechanic's, materialmen's, contractor's or subcontractor's lien arising from any work of improvement, however it may arise. Lessee shall defend and indemnify City against all liability and loss of any type arising out of work performed at the Property by Lessee, together with reasonable attorneys' fees and all costs and expenses incurred by city in negotiation, settling defending or otherwise protecting against such claims in the event of the breach by Lessee of the duty to defend or indemnify City.

B. If Lessee does not protect the Property from a lien or liens as provided in paragraph A, and a final judgment has been rendered against Lessee by a court of competent jurisdiction for the foreclosure for a mechanic's, materialman's, contractor's or subcontractor's lien claim, and if Lessee fails to stay the execution of the judgment by lawful means or to pay the judgment, City shall have the right, but not the duty, to pay or otherwise discharge, stay, or prevent the execution of any such judgment or lien or both. Lessee shall reimburse City for all sums paid by City under this paragraph, together with all City's reasonable attorneys' fees and costs, plus interest on those sums, fees and costs at the rate of 10% per year from the date of payment until the date of reimbursement.

6. Integrated Agreement; Amendments. This Agreement covers all matters concerning the use and occupancy of the Property by Lessee. All prior understandings, whether written or oral, shall be of no further force or effect. All amendments hereto shall be in writing, signed by both parties.

7. Notices. Notices to either party, and correspondence between them, shall be made by personal delivery, fax, overnight delivery (Federal Express or equivalent), or registered U.S. Mail.

To the extent a time limit is prescribed for the giving of any notice, such notice shall be deemed given:

A. Upon personal delivery.

B. Upon the sending of fax; provided another copy is provided by another method described above on the same day as the fax is sent.

C. At the time shown as the time received by the overnight delivery service or the U.S. Postal Service.

The addresses, phone numbers and fax numbers of the parties are as follows. A party will promptly notify the other in writing of any changes.

8. Authority. Each party represents that the person signing this Agreement on its behalf has been duly authorized to do so in accordance with all applicable laws pertaining thereto and that the signature of such person is to be construed as legally binding the party to the terms and conditions of this Agreement.

9. Binding on Heirs, Successors, and Assigns. This Agreement, and each term and condition of it, shall be binding on the heirs, successors, and assigns of the parties. Nothing in this subparagraph permits Lessee to assign or sublet all or any rights under this Agreement.

10. Modification; Waiver. Changes or modifications to this Agreement may be made by mutual written agreement of the parties. No change or modification shall be effective unless in a writing executed by the parties. No waiver shall be deemed given unless in writing, and one waiver shall not constitute a subsequent waiver.

11. Provisions are Covenants and Conditions. All provisions, whether covenants or conditions, on the part of Lessee shall be deemed to be both covenants and conditions.

12. Nuisance. Lessee shall not commit or permit the maintenance or commission of any nuisance within the Property.

13. Captions. The captions of the various sections or paragraphs of this Agreement are for convenience and ease of reference only and do not define, limit, augment or describe the scope, content or intent of this Agreement or of any part of this Agreement.

14. Number and Gender. The singular number includes the plural whenever the context so requires. The neuter gender includes the feminine and masculine, the masculine includes the feminine and neuter and the feminine includes the neuter and the masculine, and each includes corporation, partnership or other legal entity when the context so requires.

15. Severability. The unenforceability, invalidity or illegality of any provision shall not render the other provisions unenforceable, invalid or illegal.

16. Exclusive Representative. The parties agree that they shall each designate exclusive representatives for purposes of ongoing communications concerning this Agreement. Each party agrees that it shall not communicate with other persons concerning the subject matter of this Agreement except with the designated representatives of each party. In that regard the designated representative(s) for Lessee shall be Mike Reid, the designated representative for City shall be Dan Flores, Community Development Director. Either party may change its designated representative(s) by giving notice to the other party pursuant to Section 13 subdivision 7 of this Agreement.

17. Governing Law and Attorneys' Fees. This Agreement shall be governed and construed in accordance with the laws of the State of California. If this Agreement gives rise to a dispute, lawsuit or other legal proceeding between the parties hereto, the prevailing party shall be entitled to recover its court costs and reasonable attorneys', expert fees in addition to any other relief to which such party may be entitled.

18. Authority. Each individual executing this Agreement on behalf of Lessee represents and warrants that he is duly authorized to execute and deliver this Agreement on behalf of Lessee.

19. Time is of the Essence. Time is of the essence in performance of this Agreement.

20. No Third-Party Beneficiaries. Except as specifically provided in this Agreement, nothing in this Agreement is intended to create any third-party benefit.

21. Severability. If any provision of this Agreement or the application of any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable to any extent, the remaining provisions of this Agreement and the application of it will remain in full force and will not be affected, impaired or invalidated.

22. Identification of Lessee's Owners. Concomitantly with execution of this Agreement, Lessee shall provide City with a list setting forth the identity of every person, firm or other entity holding an ownership interest in Lessee.

23. Signage. The use of digital or electronic billboard signage is not currently permitted at the Property. The City reserves the right (assuming it acquires the rights to do so) to locate a digital/electronic billboard on the back of the scoreboard (or other appropriate location outside of Bryant Field on the Property).

    Lessee shall not erect any billboards or signage on the outside of the stadium at Bryant Field absent the City's advance written consent to do so.

24. Recorded Memorandum. Following execution of this Lease, the City shall cause a memorandum thereof in the form shown on attached Exhibit A to be recorded with the official records of the County of Yuba.

25. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together, when signed by all the parties hereto, shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Agreement, effective on the date set forth below.

MEMORANDUM OF LEASE

THIS MEMORANDUM OF LEASE ("Memorandum") dated as of _____ is entered into between the City of Marysville ("City") and Highlands Community Charter School ("Lessee")

RECITALS

A. On or about May 1, 2023, City and Lessee entered into that certain Lease, pursuant to which City leased to Tenant and Tenant leased from Landlord, on a shared possession basis, real property, more particularly described as 1431 C Street in the City of Marysville, Yuba County, California and designated as Assessor's Parcel Number 09-144-01 ("Premises").

B. City and Lessee desire to execute this Memorandum to provide constructed notice of Tenant's rights under the Lease to all third parties.

NOW THEREFORE FOR GOOD AND VALUABLE CONSIDERATION the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. Term. City leases to Lessee for a term of three (3) years, with a three (3) year option to extend.

2. Lease Terms. The Lease of the Premises to Lessee is pursuant to the Lease which is incorporated in this Memorandum by reference.

3. Assignment. Lessee's rights and obligations under the Lease shall not be assigned without City's prior written consent, and any assignment without this consent shall be void.

4. Successors and assigns. This Memorandum and the Lease shall bind and inure to the benefit of the parties and their respective heirs, successors and assigns, subject, however, to the provisions of the Lease on assignment.

EXHIBIT A

5. Governing Law. This Memorandum and the Lease are governed by California law.

MEMORANDUM OF UNDERSTANDING BETWEEN

HIGHLANDS COMMUNITY CHARTER AND TECHNICAL SCHOOLS

AND SUTTER COUNTY SCHOOLS OFFICE OF EDUCATION (Sutter County One-Stop/Sutter County Adult Education)

THIS MEMORANDUM OF UNDERSTANDING (hereinafter "MOU") is made and entered into as of this 1st day of April, 2023 (the "Effective Date"), by and between Highlands Community Charter and Technical Schools, a California public charter school (hereinafter "HIGHLANDS") and Sutter County Schools Office of Education its Sutter County One Stop and Sutter County Adult Education Career and Technical Education Programs, Post-Secondary school organized and existing under the laws of the State of California

RECITALS

WHEREAS, HIGHLANDS and Sutter County Schools-Sutter County One Stop and Sutter County Adult Education desire to enter into this MOU to document the arrangement and agreement between parties regarding educational services provided to HIGHLANDS's students by Sutter County Schools the Sutter County One Stop and Sutter County Adult Education during the 2023-24 school years (hereinafter "Applicable Years"), pursuant to conditions set forth below;

NOW THEREFORE, in consideration of the covenants and agreements herein set forth, HIGHLANDS and Sutter County Schools- Sutter County One Stop and Sutter County Adult Education hereby agrees as follows:

AGREEMENT

1. General Information.

   A. Both HIGHLANDS and Sutter County Schools- Sutter County One Stop and Sutter County Adult Education agree not to discriminate in the selection or acceptance of any Student pursuant to this Agreement because of race, color, national origin, religion, sex, sexual orientation, handicap, age, veterans status, medical condition (cancer-related) as defined in section 12926 of the California Government Code, ancestry, or marital status, or citizenship, within the limits imposed by law or corporation policy.

   B. Each student participating under the terms of this Agreement shall be enrolled at HIGHLANDS for academic credit.

   C. Each student will be subject to policies, rules, and regulations of HIGHLANDS and Sutter County Schools- Sutter County One Stop and Sutter County Adult Education while attending classes at Sutter County Schools Programs.

2. Student Qualifications. Students must meet the following conditions for enrollment with HIGHLANDS:

A. They must not possess a U.S. High School Diploma

B. They must be age 22 or older (per the definition of non-youth in the Workforce Investment and Opportunity Act)

3. Term. The term of this MOU shall be for one year, commencing on April 1st 2023 and ending on June 30, 2024. Within 30 days of expiration of the MOU, if neither party provides written documentation to terminate then the contract will remain in effect under the provisions previously stated.

4. Financial/Recordkeeping Obligations. Within the first two weeks of each class start, HIGHLANDS will pay all tuition fees associated with the class offering from Sutter County Schools-Sutter County One Stop and the Sutter County Adult Education Program. Included in this will be any additional kit, supplies, tools or paraphernalia to ensure a student's success and equity in completing the program. Fee table attached.

Program	Duration	Monthly Charge	Tuition	Start-up Fees*	Total Max Charge
CNA	180 Hours	$950	$950	N/A	$950
Medical Assistant	900 Hours	$1,556	$14,000	$470	$14,470
Medical Assistant w/Laptop	900 Hours	$1,556	$14,000	$650	$14,650
Dental Assistant	500 Hours	$950	$3,800	N/A	$3,800
Phlebotomy Technician I	165 Hours	$1,350	$2,700	N/A	$2,700
Cosmetology	1000 Hours	$1,200	$12,000	$2,000	$14,000

*Start-up Fees include Books, kit and registration fee (Non-refundable).

5. Instruction. All curricula for classes taught for HIGHLANDS' students must be approved by appropriate HIGHLANDS' staff. Any and all staff teaching HIGHLANDS' students must meet with HIGHLANDS' Credentialing Specialist or designee prior to

classroom instruction to ensure proper credentialing is in place. HIGHLANDS will participate in the evaluation process for all teachers. HIGHLANDS' executive staff reserves the right for final approval of hiring and disciplinary process of all staff.

6. Marketing. HIGHLANDS and Sutter County Schools- Sutter County One Stop and Sutter County Adult Education program will make available space on each other's website to proudly display the partnership between the two organizations. Logos shared on each other's site will contain links connecting viewers to the website page chosen by HIGHLANDS and Sutter County Schools.

7. Indemnification. With the exception of any liability, claims or damages caused solely by the active negligence or willful misconduct of HIGHLANDS, Sutter County Schools-Sutter County One Stop and Sutter County Schools Adult Education, shall indemnify, hold harmless, and defend HIGHLANDS, its trustees, officers, employees and agents against any and all claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and costs, including legal costs, attorney's fees and expert witness fees, whether or not suit is actually filed, and/or any judgement rendered against HIGHLANDS, its trustees, officers, employees and agents, that may be asserted or claimed by any person, firm or entity for any injury, death or damage to any person or property occurring in, on or about the site after the Effective Date, HIGHLANDS from, or in connection with, the Sutter County School's- Sutter County One Stop and Sutter County Adult Education programs use of the site or from the conduct of its business, including conduct of its board of directors, administrators, employees, agents, representatives, volunteers, subcontractors, invitees, successors and/or assigns or from any activity, work, or other things done, permitted or suffered by Sutter County School's- Sutter County One Stop and Sutter County Adult Education, in or about the site; Sutter County School's- Sutter County One Stop and Sutter County Adult Education obligation to defend HIGHLANDS and other indemnities identified herein is not contingent upon there being an acknowledgement or determination of the merit of any claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and/or costs. With the exception of any liability, claims or damages caused solely by the active negligence or willful misconduct of Sutter County School's- Sutter County One Stop and Sutter County Adult Education, HIGHLANDS, shall indemnify, hold harmless, and defend Sutter County School's-Sutter County One Stop and Sutter County Adult Education, its trustees, officers, employees and agents against any and all claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and costs, including legal costs, attorney's fees and expert witness fees, whether or not suit is actually filed, and/or any judgement rendered against Sutter County School's- Sutter County One Stop and Sutter County Adult Education, its trustees, officers, employees and agents, that may be asserted or claimed by any person, firm or entity for any injury, death or damage to any person or property occurring in, on or about the site after the Effective Date, Sutter County School's- Sutter County One Stop and Sutter County Adult Education from, or in connection with, the HIGHLANDS' use of the site or from the conduct of its business, including conduct of its board of directors, administrators, employees, agents, representatives, volunteers, subcontractors, invitees, successors and/or assigns or from any activity, work, or other things done,

permitted or suffered by HIGHLANDS, in or about the site; HIGHLANDS' obligation to defend Sutter County School's- Sutter County One Stop and Sutter County Adult Education and other indemnities identified herein is not contingent upon there being an acknowledgement or determination of the merit of any claims, demands, actions, causes of action, suits, losses, liability, expenses, penalties, obligations, errors, omissions and/or costs.

8. Termination. The parties understand that implementation of this MOU is dependent on the parties' good faith and effort to work together to provide services effectively. In the event that it becomes necessary for a party to cease being a party to this MOU, said party shall notify the other parties, in writing, thirty (30) days in advance of that intention.

9. Notice. Any notice required or permitted to be given under this MOU shall be deemed to have been given, served and received if given in writing and personally delivered or either deposited in the United States mail, registered or certificated mail, postage prepaid, return receipt required, or sent by overnight delivery service or via email, addressed as follows:

HIGHLANDS:
Murdock Smith
Highlands Community Charter and Technical Schools
1333 Grand Ave.
Sacramento, California 95838
Attention: Executive Director

Sutter County School's-
Sutter County One Stop and
Sutter County Adult Education:
Tom Reusser, Superintendent
970 Klamath Ln, Yuba City, CA 95993
Attention: Programs Director, Lorilee Niesen

Any notice personally given or sent via email shall be effective upon receipt. Any notice sent by overnight delivery service shall be effective the next business day following delivery thereof to the overnight delivery service. Any notice given by mail shall be effective three (3) days after deposit in the United States mail.

10. Subcontract, Assignment and Subletting. Neither Party shall assign its rights, duties or privileges under this MOU, nor shall a Party attempt to confer any of its rights, duties or privileges under this MOU (including that of sublease) on any third party, without the written consent of the other Party.

11. Independent Status. This MOU is by and between two independent entities and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture, or association.

12. Entire Agreement of Parties. This MOU contains the entire agreement between the parties and supersedes all prior discussions, negotiations and agreements, whether oral or written. There are no promises, terms, conditions or obligations, oral or written, between or among the Parties relating to the subject matter of this MOU that are not fully expressed in this MOU. This MOU may not be modified, changed, supplemented or terminated, nor may any obligations under this MOU be waived, except by written instrument signed by the party to be otherwise expressly permitted in this MOU.

13. California Law. This MOU shall be construed in accordance with and governed by the laws and decisions of the State of California.

14. Waiver. The waiver by and any Party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, condition, or any subsequent breach of the same or any other term, covenant, or condition herein contained.

15. Successors and Assigns. This MOU shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, legal representatives, successors, and assigns.

16. Counterparts. This MOU and all amendments and supplements to it may be executed in counterparts, and all counterparts together shall be construed as one document.

17. Captions. The captions contained in this MOU are for convenience only and shall not in any way affect the meaning or interpretation thereof nor serve as evidence of the interpretation hereof, or of the intention of the parties hereto.

18. Severability. Should any provision of this MOU be determined to be invalid, illegal or unenforceable in any respect, such provision shall be severed and the remaining provisions shall continue as valid, legal and enforceable.

19. Recitals and Exhibits. The Recitals and each exhibit attached hereto are incorporated herein by reference.

20. Email Signatures. This MOU may be executed and transmitted to any other party via email, which email shall be deemed to be, and utilized in all respects as an original, wet-inked document.
