RE: Notice of Complaint/Request for Information - CTE Truck Driving Program
TRUSD Additional Requests for Information re HCCTS' 12/20/24 Response

Dear Mr. McGuire:

As the authorizing entity for the Highlands Community Charter and Technical Schools' ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

On September 6, 2024, the District received a complaint alleging that HCCTS allows non-students to participate in the CTE Truck Driving certification courses. In our Notice of Complaint/Request for Information dated October 3, 2024, the District requested a response to multiple items by no later than 5:00 p.m. on November 1, 2024. HCCTS responded on November 1, 2024 at 3:34 p.m.

On December 2, 2024, the District sent a follow-up response to HCCTS' November 1 letter and received a further response from HCCTS with correspondence dated December 20, 2024. Outlined below are additional requests for information based on our review of HCCTS' December 20 response.

1. **CTE Truck Driving for Non-Students**

Information Request – Action Needed

- Provide a copy of Mr. Ivaniuk's work calendar with schedule of hours for the 2018-19, 2019-20, 2020-21, 2021-22 and 2022-23 school years.

- Provide documentation outlining the CTE Truck Driving class schedules (dates/times) for the 2018-19, 2019-20, 2020-21, 2021-22, and 2022-23 school years.

- While the District acknowledges HCCTS' statement that poor record keeping prevents an accurate count of non-student participation, the District requires more details regarding Mr. Ivaniuk's instruction and assessment of non-students. Please provide a more detailed response that includes the following:

    - A summary of the instances where non-students "stopped by throughout the week" for tests. As part of this summary, include information about whether non-students ever scheduled the visits in advance, how they knew when Mr. Ivaniuk would be available, whether HCCTS students were ever present during these visits, and whether the visits ever took place within Mr. Ivaniuk's HCCTS work hours.

    - Outline the support Mr. Ivaniuk provided to non-students to assist them in acquiring their license (i.e., 15 hours of "behind-the-wheel" training, study materials for road and/or written tests, instruction to prepare for the road and written tests, etc.)

    - Outline the process Mr. Ivaniuk followed when administering tests and include the approximate duration for these assessments. This outline should include information about assessments for pre-trip, general knowledge, drive/road, brake, and skills tests as described in the comments section of the student lesson documents provided by HCCTS.

2. **Data Discrepancy Between Students and Non-Students**

Information Request - Action Needed:

- HCCTS reported that the November 1 response inaccurately stated a total of 49 non-students had been served over the past 10 years. However, HCCTS acknowledges that it is unable to provide the total number of non-students served due to poor record keeping. HCCTS stated that corrective measures to improve record keeping have been put in place and that non-students will no longer be served in the CTE Truck Driving program. Please confirm that HCCTS has suspended the practice of serving non-students in all programs and courses effective January 6, 2025.

- HCCTS was able to recognize the 12 students listed on the additional documentation provided by the District in our December 2 letter, and confirmed that 10 were non-students.

3. **Partnerships**

Information Request - Action Needed:

- In the December 20 response, HCCTS states that the term "scholarship" referred to former students who graduated and returned to finish the Truck Driving Program. Please provide a more detailed explanation of this "scholarship" term and outline how the costs for the instruction, training, assessments, and materials for these former students were covered.

- HCCTS' November 1 response stated that the agreement from the Local 185 was to provide "in-kind improvements through facility repairs". The December 20 response states that HCCTS did not receive any improvements for the 2023-24 school year from the Local 185. Please provide documentation regarding the improvements and/or repairs that HCCTS received as part of the agreement with Local 185 for "free training" for the years such improvements/repairs were provided.

- HCCTS stated that there have been "no fiscal exchanges from Local 185, VOA, or the sheriff's office", but neglected to mention the fiscal exchange between HCCTS and the Sacramento Police Department. Please provide a response clarifying whether there have been any fiscal exchanges between HCCTS and the Sacramento Police Department, including all records/documentation for any such fiscal exchanges.

Within **10 calendar days** from the date of this letter, please provide a timeline for when HCCTS expects to provide the information and records responsive to this request. Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items.

Your response should be directed to the District for my attention. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Gina Carreón

Subject: Notice of Complaint/Request for Information for CTE Truck Driving Program - TRUSD Requests regarding HCCTS' 11/1/24 Response

Dear Ms. Carreon,

On December 2, 2024, HCCTS received a follow-up response from TRUSD regarding the CTE Truck Driving program. We have prepared the following letter in response.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

Volunteer Teacher
Since 2014, there has been only one truck driving teacher at the HCCTS truck driving program, Sergey Ivaniuk who confirmed that he volunteered his time to provide instruction to the non-students.

Non-Student Instructional Days
According to the information provided by Sergey Ivaniuk, Truck Driving Coordinator, in the meeting held on October 18, 2024, with the Director of Accountability and Assessment, Melissa Roberson, the direct instruction and classes for non-students were only held on the first and third Saturday of the month seasonally since 2014. Upon further investigation during the December 4, 2024 meeting between the Director of Accountability and Assessment, Melissa Roberson, Sergey Ivanyuk revealed that while the direct instruction was held on the weekends, students stopped by during the week to take tests. He also stated that he could not turn the students away. According to Sergey, there is no additional documentation regarding the non-student participation in the Truck Driving program.

Non-Student Data Discrepancy
HCCTS informed TRUSD that 49 non-students had utilized the truck driving program since 2014 because that was the information provided by Sergey Ivanyuk on October 18, 2024. As identified by TRUSD, 49 was an error since one student's name occurred on the list twice, so HCCTS should have reported 48.

Following the most recent request from TRUSD which contained an additional list of students and non-students, Sergey revealed that due to poor record keeping, he was unable to verify the total number of non-student participants who had utilized the truck driving program. He did however confirm that of the 12 names on the “Unofficial Class A Awards” document sent by TRUSD to HCCTS, 10 of them were non-students, one was a student at CICA, and one was a student at Highlands. Please see below.

Name	**Program Type**	**Status at the Time of Participation**
[redacted]	Law Enforcement	Non-Student
[redacted]	Law Enforcement	Non-Student
[redacted]	Highlands Student	Student

Francis Story	Scholarship	HCCS Alumni/ Graduate
[redacted]	Law Enforcement	Non-Student
[redacted]	Law Enforcement	Non-Student
[redacted]	Law Enforcement	Non-Student
[redacted]	Local 185	Non-Student
[redacted]	Local 185	Non-Student
[redacted]	Local 185	Non-Student
[redacted]	Law Enforcement	Non-Student
[redacted]	CICA Student	Student

As stated above, there is no additional documentation available. As a result of identifying this gap, HCCTS has taken corrective measures to improve record keeping.

Partnerships

	Agreement	**Documentation**	**Notes**
Volunteers of America (VOA)	Verbal	None	Ward Allen reached a verbal agreement, where VOA promised rent and facilities in exchange for the truck driving training of individuals from VOA who didn't have a high school diploma. As a result, our program moved to 10620 Shirra Avenue, Sacramento, CA 95655. However, a few months later, VOA demanded $110,000 for the space. We had no intention of making any payments, and since they also stopped sending us students, we decided to move.
Local 185	Verbal	Non-Executed Draft	An explanation was provided in the previous letter.
Sacramento Police Department	Verbal	None	HCCTS former Board Member, Sondra Betancourt led the efforts in this partnership.

Sheriff's Office	Verbal	None	HCCTS former Board Member, Sondra Betancourt led the efforts in this partnership.

HCCTS had no fiscal exchanges from Labor 185, VOA, or the sheriff's office. As of today, there have not been improvements for the 23-24 school year from Labor #185, and starting January 6, 202,5 HCCTS will no longer serve non-students in the CTE Truck Driving Program.

Scholarship

All the individuals that fall under this category are former students who graduated from Highlands and returned to finish the Truck Driving Program.

The information above was provided by Sergey Ivaniuk, the Truck Driving Program Coordinator, and the Truck Driving program.

RE: Notice of Complaint/Request for Information for CTE Truck Driving Program - TRUSD Requests regarding HCCTS' 11/1/24 Response

Dear Mr. McGuire:

As the authorizing entity for the Highlands Community Charter and Technical Schools' ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

On September 6, 2024, the District received a complaint alleging that HCCTS allows non-students to participate in the CTE Truck Driving certification courses. In its Notice of Complaint/Request for Information dated October 3, 2024, the District requested a response to multiple items by no later than 5:00 p.m. on November 1, 2024. HCCTS responded on November 1, 2024 at 3:34 p.m.

Outlined below is a summary of the District's findings and additional actions required based on our review of HCCTS' response.

1. CTE Truck Driving for Non-Students

TRUSD Findings

- HCCTS stated "The teacher of the truck driving program volunteered to teach them on the first and third Saturdays of the month seasonally each year." However, in the RFI CTE Truck Driving Program forms provided by HCCTS the District found only three "Lessons" that occurred on a Saturday and of those three, only one fell on the first or third Saturday.

While these forms may include notes for dates in which students did not attend class, many of the notes do indicate in-person training, specifically as seen in the comments and rating columns.

Information Request – Action Needed

- Confirm that the teacher who volunteered back in 2014 has remained with the program through 2023-24 and/or confirm that all teachers of the CTE Truck driving program that provided instruction to non-students also volunteered their time.

- Explain the discrepancies between HCCTS' assertion that trainings were conducted on the 1st and 3rd Saturday and the documentation which shows trainings mainly taking place Monday – Friday.

2. Data Discrepancy Between Students and Non-Students

TRUSD Findings

- HCCTS stated that 49 non-students in the last 10 years have utilized the truck driving facilities. However, in the 49-page response, HCCTS provided proof of 48 students, with one student listed on two pages (Celest McPeak).

- The District had been made aware of 12 additional students who participated in the CTE Truck Driving course during the 2023-24 school year, which were not included in HCCTS' response.

Information Request – Action Needed

- Please provide documentation for the additional 49th student that was missing in the November 1 response and confirm whether each of the individuals listed in the table below were students or non-students. Include in your response documentation for teacher instruction/in-person training days for the students listed below.

2. Partnerships

TRUSD Findings

- The District noted multiple categories for each non-student including "labor union", "VOA", and "Scholarship". In the November 1 response, HCCTS provided an explanation for the Local #185.

- HCCTS stated that Board Member Doyle Radford tapped the Local #185 union in early days (2014), but this union is referenced as recently as 2021.

Information Request - Action Needed

- Please provide an explanation for the labor unions identified other than Local #185. Include any documentation which reflects agreements and/or partnerships.

- Describe what each designation means, specifically what is "VOA" and what is meant by "scholarship". Include in your response, records/documentation of all moneys collected for the CTE Truck Driving program for non-student participation.

- Since Mr. Radford is no longer on the Board, please clarify your current connection to the Local #185 and outline the agreement regarding free training in return for in-kind improvements/facility repairs for the 2023-24 school year. Include in your response documentation for the improvements and/or repairs that HCCTS received during the 2023-24 school year.

Within **10 calendar days** from the date of this letter, please provide a timeline for when HCCTS expects to provide the information and records responsive to this request. Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items.

Your response should be directed to the District for my attention. Thank you for your attention to this correspondence and anticipated cooperation.

Truck Driving Overview
At HCCTS 100% of current students are enrolled in PowerSchool and participate in both a high school diploma program and in truck driving. Their progress is tracked through credits earned which is also documented in PowerSchool.

CTE Truck Driving Program
Below is a table that shows the number of students who completed the truck driving program per year for the last three school years at HCCS and CICA.

	HCCS	**CICA**
2021-2022	80	33
2022-2023	133	40
2023-2024	96	31

Truck Driving and Certificates
The goal of every HCCTS student enrolled in the truck driving program is to obtain a Class A driver's license issued by the California DMV. The class A is the primary metric used to determine student success.

As a secondary measurement, HCCTS began issuing HCCTS Truck Driving Certificates for all students who completed the truck driving program. The truck driving program started in 2014, however providing HCCTS branded truck driving certificates began at the end of the 2023-2024 school year and therefore the number of certificates issued to students does not reflect the number of graduates.

Students & Non-Students
In the last 10 years, 49 non-students have utilized the truck driving facilities.

Non-Student Participants
In 2014 when Highlands had just started, the truck driving program was new and was facing significant financial hardship. A board member at the time, Doyle Radford had a contact with a Labor Union, Local 185. He observed that members of the labor union were not working in the winter months when the weather was bad and requested that these workers utilize the truck driving facilities on weekends. The teacher of the truck driving program volunteered to teach them on the first and third Saturdays of the month seasonally each year. In exchange for this, members of the Local 185 provided in-kind improvements through facility repairs. The Sacramento Police and Sacramento County Sheriff's Office have also utilized the truck driving facilities on weekends over the last 10 years. In total, 49 non-students have used the facilities during

non-school hours since 2014. In the 2024-2025 school year no non-students have been served.

Attachments
Attached you will find PowerSchool rosters of all individuals enrolled in the program for 21-22, 22-23, and 23-24, a comprehensive list of all non-student participants.

RE: Notice of Complaint/Request for Information for CTE Truck Driving Program

Dear. Mr. McGuire:

As the authorizing entity for the Highlands Community Charter and Technical Schools' ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

On September 6, 2024, the District received a complaint alleging that HCCS allows non-students to participate in the CTE Truck Driving certification courses. The complaint alleges that the non-student participants are "friends of a former board member named Doyle Radford."

Actions Needed:

- Please respond to the allegation regarding non-students' enrollment in the CTE truck driving program.

- Provide the District with a copy of all CTE Truck Driving Certificates of course completion issued by HCCTS for the 2021-22, 2022-23, and 2023-24 years.

- Provide the District with any spreadsheets or historical documentation which delineates students verses non-students receiving CTE Truck Driving Certificates of course completions for the 2021-22, 2022-23, and 2023-24 years.

- Provide the District with rosters of all individuals enrolled in the CTE Truck Driving program for the 2021-22, 2022-23, and 2023-24 years.

The District requests that HCCTS respond to this follow-up request for information by no later than **5:00 PM on November 1, 2024.** Thank you for your attention to this correspondence and your anticipated cooperation.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Gina Carreón

Subject: HCCTS Truck Driving Program

Good day, Shari.

In regards to our conversation last week about the CTE Truck Driving program at Highlands Community Charter and Technical Schools, I was wondering if a list of names would help, along with their affiliation: Highlands student, law enforcement, or union member. Unfortunately, Only Highlands students have last names listed, along with student ID numbers. For the latter two categories, those spaces are blank.

I recently got in touch with someone who wishes to remain anonymous and they sent me the current list, titled "Unofficial Class A Awards," with a list of names, categorization/affiliation, and when the person "graduated" from the program. It is an updated list of the list I told you I saw. From this list of 31 people, it does not appear that they are all Highlands students.

Is this something that will help you in your investigation? My concern is only that Highlands will be able to manipulate the data in some way, which we have known them to do.

Thank you again for your concern to this matter.

Sincerely,
Lindsay Curtis

Highlands students have last names listed, along with student ID numbers. For the latter two categories, those spaces are blank.

I recently got in touch with someone who wishes to remain anonymous and they sent me the current list, titled "Unofficial Class A Awards," with a list of names, categorization/affiliation, and when the person "graduated" from the program. It is an updated list of the list I told you I saw. From this list of 31 people, it does not appear that they are all Highlands students.

Is this something that will help you in your investigation? My concern is only that Highlands will be able to manipulate the data in some way, which we have known them to do.

Thank you again for your concern to this matter.

Sincerely,
Lindsay Curtis

Re: Highlands Community Charter School Response to Fiscal Crisis & Management Assistance Team Report

Superintendent Martinez:

The purpose of this letter is to respond to the Fiscal Crisis & Management Assistance Team's (FCMAT) report issued on June 7, 2018 to the Highlands Community Charter School Board by Sacramento County Office of Education Superintendent Gordon.

The Highlands Community Charter School Board of Directors and its Executive Director would like to express our ongoing commitment to work in close partnership with the Twin Rivers Unified School District (TRUSD) in an open and transparent way. This will benefit each and every student and immediately address any concerns the District may have. As with every response provided to FCMAT initially, Highlands Community Charter School (Highlands) takes FCMAT's report very seriously and will continue to have a strong commitment to address these concerns to the complete satisfaction of the District.

As anticipated, FCMAT found no evidence to demonstrate that fraud or misappropriation has occurred in any area of Highlands' operations, including student enrollment, support of students with disabilities, ADA, instructional minutes and days, avoidance of standardized tests, conferrals of diplomas, charging fees, or operating multiple sites. However, FCMAT identified areas in internal policies, procedures, and practices that may need enhancements to ensure full compliance.

Highlands has prepared this formal response addressing FCMAT's recommendations and findings which will include our corrective actions taken to date and future proposed remedies.

Highlands Community Charter School's responses, adjustments or corrections to FCMAT's audit summary report recommendations found on (pg. 49) are delineated in order as presented.

- **Violation of HCCTS' charter by serving students outside the parameters listed in the charter**

  The Audit Report states that for the three school years at issue in this audit, FCMAT identified a total of 51 students over who had been admitted to the school at the age of 21, and 29 students who had been admitted holding a U.S. high school diploma, meaning that 80 students who were served by Highlands were outside the parameters listed in the Highlands charter. (Audit Report, pg. 13.) Across those same three years, Highlands' cumulative enrollment was nearly 5,663 students, meaning that those students served by Highlands that were outside the parameters of the charter represented approximately 1.4% of Highlands' cumulative enrollment over this period. Moreover, although the charter indicated that "Highlands Community Charter School shall admit all students it is legally allowed to serve, who meet the exclusive WIA agreement requirement of being age 22 or older, and who submit a timely application," (Highlands Charter, pg. 24), the charter also provides that "HCCS expects to serve a combination of youth and adult students, with the 20 to 45 year old age group making up the greatest percentage of learners." (*Id.*, pg. 47). Therefore, it is inaccurate to assert that by admitting 51 students to the charter school at age 21, HCSS was truly "serving students outside the parameters listed in the charter." If these 51 students are removed from the calculation, the number of students served by Highlands that were outside the parameters of the charter would represent approximately 0.5% of Highlands' cumulative enrollment over this period. Highlands submits that such low percentages do not constitute a "material" violation of a condition or standard of Highlands' charter.

  Even more fundamentally, the revocation provisions of Education Code section 47607 are strictly *forward*-looking, in that they specifically provide for a process by which a charter authorizer must give notice of the alleged violation of its charter, and the charter school must be given an opportunity to remedy the violation. (Ed. Code section 47607, subd. (c)-(e).) In short, under California law a charter cannot be revoked, *ex post facto*, for a violation of the charter petition that has already been

remedied at the time of proposed revocation. Therefore, even if Twin Rivers were to conclude that the provision of services to these 80 (or 29) students constituted a "material" violation of Highlands' charter, such a conclusion would only *begin* the revocation process. Since Highlands had already-- *prior* to the issuance of the Audit Report—ended its practice of serving any pupil under 22 and/or in possession of a high school diploma, Highlands' charter cannot be revoked for the historical practice, noted in the Audit Report, of admitting a small number of students under 22 years of age or in possession of a high school diploma.

- **Whether the partnership agreement was entered into with the correct entity and whether serving students outside of the terms of the petition and partnership violates the requirement for an exclusive partnership and whether that also causes violations of its petition in light of the ruling in the *Grossmont* case**

FCMAT's Assertion that Highlands Did Not Provide Instruction "Exclusively in Partnership" with WIOA

Both Education Code section 47612.1, subdivision (a) (relied upon by Highlands as an exception to the requirement of Education Code section 47612 that apportionment funding may be drawn for a pupil over 19 years of age only if that pupil is continuously enrolled in public school and makes satisfactory progress toward the award of a high school diploma) and Education Code section 47605.1, subdivision (g) (relied upon by Highlands as an exception to the geographic restrictions of Education Code section 47605, subdivision (a) restricting a charter school's choice of facilities locations to the boundaries of its authorizing district) require that any charter requiring on the exceptions in question must "provide[ ] instruction exclusively in partnership with" (among others) "[t]he federal Workforce Innovation and Opportunity Act (29 U.S.C. Sec. 3101 et seq.)" ("WIOA"). In the Audit Report, FCMAT concludes that Highlands may not have provided instruction "exclusively in partnership" with WIOA due to the fact that the partnership agreement entered into between Highlands and Greater Sacramento Urban League ("GSUL") (a WIOA provider) specified that "[s]tudents must meet following conditions for enrollment with HCCTS charter schools…[t]hey must not possess a U.S. High School Diploma [and] [t]hey must be age 22 or older." (Audit Report, pg. 15.) Specifically, the Audit Report provides that:

"FCMAT believes that HCCTS is not operating exclusively in partnership with GSUL, because it has enrolled and served

students outside the terms of the partnership agreement and is therefore not entitled to exemption from the provisions of EC 47612.1 [sic] regarding continuous enrollment and satisfactory." (Audit Report, pg. 17; see also pg. 22, incorporating by reference this analysis to the Education Code section 47605.1, subdivision (g) inquiry).

As an initial matter, Highlands notes that the inquiry under both section 47612.1, subdivision (a) and section 47605.1, subdivision is not (as FCMAT states) whether a charter school is "*operating* exclusively in partnership with" WIOA but rather whether the school "*provides instruction* exclusively in partnership with" WIOA. The difference in language, though subtle, is critical; the actual language of these statutes root the analysis in the manner of instruction provided as part of the partnership, not in any other aspect of the partnership between a charter school and a WIOA provider partner- for example, the age and diploma status of the pupils served by the charter school.

In this connection, it is worth considering that the *Grossmont Union High School District v. Julian Union School District, et al.* (San Diego Cty, 37-2015-000333720-CU-WM-CTL) ("*Grossmont*") decision (cited in the Audit Report on page 13) held that with respect to the question of whether instruction is provided in "exclusively in partnership" with WIOA "[w]hat is deemed critical in section 47605.1, subdivision (g) is the type of instruction provided, not the status of the students. Although the *Grossmont* decision is binding only on the defendants in that specific case (and not on other litigants in California generally or even San Diego County specifically, as mistakenly suggested in the Audit Report), insofar as FCMAT relied on the *Grossmont* decision to guide its analysis of whether Highlands has provided instruction "exclusively in partnership" with WIOA, it should be noted that the *Grossmont* decision actually **supports** Highlands' claim that it was providing instruction "exclusively in partnership" with WIOA. Specifically, the Audit Report does *not* find that the type of instruction provided to 21-year old students and those already possessing a high school diploma differed in any way from the instruction provided to other students at Highlands, and does not find that in providing educational services to these 80 students Highlands violated or otherwise operated outside those provisions of the Highlands-GSUL partnership agreement relating to the provision of instruction. In emphasizing the status of students (specifically their age and their possession of a high school diploma) in order to resolve the question of whether Highlands provided instruction "exclusively in partnership" with

WIOA, FCMAT has applied an interpretation of Ed. Code section 47605.1, subdivision (g) that runs directly counter to the *Grossmont* decision.

Moreover, for FCMAT's theory that a violation of any term of the charter school-WIOA provider partnership agreement means that any performance under the agreement that fails to meet any term of the agreement is not provided "in partnership" (thus compromising the "exclusive" partnership), one would have to accept a theory of contracts at variance with generally accepted contractual principles under law. For one, it is black letter law that a breach of contract, no matter how serious, does not by itself terminate, cancel or otherwise void a contract. Rather, a material breach empowers the non-breaching party to *choose* among a number of remedies, one of which is to simply ignore the breach and continue to treat the contract as binding. This makes practical sense; there are a great many "breaches" of an agreement that, although technically "in violation" of the language originally included by the parties nevertheless do not harm the non-breaching party and may even be seen as desirable by the non-breaching party. The law defers to the wishes of the non-breaching party and does not impose upon that party a remedy (for example, termination) that the party has not chosen for itself. If the non-breaching party does indeed ignore the "breach" and continue to treat the contract as binding in all respects, any subsequent contract performance, by either party, remains performance conducted pursuant to and under the terms of that contract. In a partnership agreement, that would mean all subsequent performance remains performance conducted "in partnership" unless and until the non-breaching partner seeks some other remedy.

Further, the facts are that Highlands **does** provide all of its students with instruction in partnership with WIOA. Highlands is the recipient of a WIOA Title II grant[1], which funds educational services in one or more of three core workforce areas: 1. Basic education; 2. Career technical education; and/or 3. English language development. Since the inception of Highlands, every student, **without exception,** has received educational services in one or more of those areas. SETA, for its part, is mandated by the provisions of WIOA to work with Highlands as a Title II grant recipient, in regard to such services. Highlands has also engaged with other WIOA agencies, such as Lao Family, Asian Resources and La Familia, to provide access to such educational services, in the same manner as with GSUL.

[1] It should also be noted that as a Title II grant recipient, HIGHLANDS itself is a WIOA provider.

In sum, all students at Highlands do receive educational services in partnership with a WIOA provider. To the extent that Highlands enrolled a small number of students who did not meet the specific parameters set forth in the partnership agreement between Highlands and GSUL, that does not change the nature of the services provided. GSUL could have sought an appropriate remedy by, for example, refusing to serve those pupils or seeking a termination of the agreement. GSUL did not do so, and continued to operate under the terms of the agreement (even with respect to those pupils), thereby continuing to provide instruction "exclusively in partnership" with Highlands.

FCMAT's Assertion that Highlands Did Not Enter into a Partnership with the Correct Entity

FCMAT suggests that perhaps Highlands did not enter into a partnership with the correct entity, yet also acknowledges that even the one archived CDE "Suggestions for Successful Partnerships" (the title of which clearly indicates that it is an advisory document, not a mandatory rule) it was able to find on this point does not address adult charter schools. Additionally, FCMAT notes that although the California Workforce Investment Board ("CWIB") instructed Highlands to seek an agreement with Sacramento Employment and Training Agency ("SETA"), SETA in turn directed Highlands to seek a partnership with GSUL. In short, FCMAT suggests that Highlands should have attempted to force upon SETA a partnership that SETA did not want and refuse a partnership with an entity that *did* indeed wish to enter such a partnership—a partnership that was, moreover, encouraged by SETA itself. Highlands respectfully suggests that in this regard FCMAT presents an unrealistic understanding of how lasting, successful, and universally beneficial partnerships are formed.

Moreover, it remains unclear why FCMAT believes Highlands would be required to follow the directive of SWIB that Highlands partner with SETA, yet not expected to follow (and, indeed, was expected to *ignore*) the directive of SETA that Highlands partner with a one-stop career center or American job center like GSUL.

FCMAT's Assertion that Highlands Violated its Petition by Not Specifically Stating that it Would be Operating at Particular Locations Pursuant to the Exception of Ed. Code section 47605.1, subdivision (g)

FCMAT states that Highlands may have violated its charter by failing to identify in its charter the out-of-district locations at which it was to operate, and to clearly specify that it would so operate pursuant to Education Code section 47605.1, subdivision (g). However, no provision of law requires that Highlands do so.

FCMAT cites to the *Grossmont* decision for this supposed requirement, but both the *Grossmont* decision and *Anderson Union High School District v. Shasta Secondary Home School* (2016) 4 Cal.App.5th 262 (the appellate decision on which the *Grossmont* decision was based-- see Audit Report pg. 22) concerned only the geographic restrictions on charter school *operations* and did not concern the question of what information must be included in a charter school petition. (*Anderson*, supra 4 Cal.App.5th at 283, fn. 7 ["AUHSD contends the Cottonwood Resource Center is barred because SSHS may not establish a location that is not identified in its charter. Because we have resolved the issue presented by the parties under the Charter Schools Act, we need not address this alternative contention."].)

- **Irregularities in instructional days**

  FCMAT correctly pointed out that all schedules and tracks met the instructional minutes and instructional day requirement. However, FCMAT discovered the instructional course offering Cosmetology program did not meet the instructional day requirement (Schedule K). One student failed to meet the instructional day requirement. FCMAT reported this to the Highlands' Executive Director who immediately implemented changes to correct the condition which was an administrative oversight.

  FCMAT referenced the potential error for all prior school years up to and including 2016-17 in the Cosmetology program. However, the Cosmetology program did not start until school year 2016-17.

  To ensure full compliance with all attendance accounting requirements, Highlands will work in collaboration with our independent audit firm to thoroughly review our compliance with minimum instructional minute/day requirements for the current and prior fiscal years, and we will prepare and submit any revised attendance forms required by our auditor.

- **Questionable acceptance for participation in ASAM**

FCMAT called into question whether the 70 percent threshold for Alternative Schools Accountability Model (ASAM) eligibility had been reached.

Highlands' board approved the ASAM Alternative Application on March 4, 2015 and was signed by the board president. On March 10, 2015, TRUSD Superintendent signed the application and forwarded to the California Department of Education (CDE). It was received on March 17, 2015 and approved on March 24, 2015. Subsequently, the CDE approved Highlands' new Dashboard Alternative School Status (DASS) commencing in the fall 2017 through the fall of 2019. DASS replaced ASAM effective school year 2017-18. In both application processes, Highlands, TRUSD and CDE have complied with the application data and procedural processes.

- **Inconsistent use of CASAS testing, which was the system identified as HIGHLANDS' alternative testing system in the ASAM program**

  The use of CASAS testing is a standard practice for most schools serving adults in California. Also, WIOA mandates the use of CASAS for reporting skill attainment for adult participants. FCMAT correctly reported Highlands has had inconsistent application of the test. Highlands has made a significant organizational commitment to correcting this issue. Each school year Highlands has shown substantial growth in tests administered. Over the last two school years, Highlands has hired three additional proctors and a lead proctor. Additionally, all site clerical administrative staff have been CASAS certified. These commitments will ensure compliance with DASS requirements. We welcome any input from TRUSD and will work collaboratively with TRUSD to incorporate any additional necessary changes.

- **Course outlines not approved by the HCCTS board yet used by the charter as credit toward the award of diplomas**

  Highlands' staff and administrators did report the outlines were being updated and would be presented for Board approval. Highlands is updating the course outlines as part of the process of adopting new curriculum and also updating our school wide learner outcomes as part of our Western Association of Schools and Colleges (WASC) self-study. Several outlines have been updated and were ready to go to the board for adoption in December of 2017, however, a decision was made to hold off on the adoption until needed updates pursuant to our WASC self-study were approved, which would also require further updates be completed. At the writing of this response, the expected date of our completion of the

self-study is December 2018. Our expectation is that academic outlines will be brought to the board for adoption early in the fall of 2018.

Although Highlands' course outlines have not been approved by its Board of Directors, at this time, they have been reviewed and approved by the Administration and Academic Leadership. Also, as an adult serving charter, we presently do not offer college prep A-G courses.

- **Lack of verification or data to support attainment of student skills and knowledge, and permitting subjective decisions, potentially subject to personal biases, about skills and knowledge attained**

FCMAT stated that evaluation is based upon a "variety of evaluation methods to measure whether students meet requirements; these include teacher evaluation, self-assessment, publisher tests, and samples of work such as homework or portfolio." While it is true that course completion does not include an end of course evaluation such as a standardized test for each course, this does not necessarily mean the decisions made regarding skills, knowledge, or course completion are necessarily subjective. As was explained to FCMAT, the academic courses do have formative assessments that have been aligned to the state standards for the various units of study for the academic courses. For example, the U.S. History course has several standard aligned units of study, each of which has a school wide, formative assessment tool that is used as part of the completion process. As our students are a very mobile group, the staff decided to be sure we were using a more formative assessment as part of the assessment process throughout smaller units as a basis for some of the skills assessment. In this manner, we have one form of assessment that we can use to indicate proficiency for smaller units in a course. FCMAT did not ask to see any of these assessments.

In addition, these formative assessments are only one measure of assessment. As was quoted in the course outlines, evaluation measures include a variety of measures such as projects, teacher evaluations, work samples, etc. The practice of using multiple assessment measures in a classroom is a generally accepted teaching practice. In fact, a teacher who relies solely upon a standardized test does not provide a platform for evaluating a number of common core standards such as presentation skills in the listening and speaking standards, integration of technology or demonstration of research skills. An evaluation of such skills has long been the professional purview of a course's teacher. In fact, one of the primary roles of providing instruction is to evaluate the student's proficiency and skills acquisition.

Further, the completion of a course by a standardized test is not a requirement for any school for the issuance of the course's credits. If it were, each high school and adult school across the state would be required to have every student pass a standardized course completion exam before the teacher issues credits for the course and that is clearly not the case. In fact, a survey of various local districts' course outlines will show these districts all include multiple measures in their course outlines as part of their course evaluations.

- **HIGHLANDS' use of CASAS testing results alone to determine whether a student qualified to graduate or to move to the next level of course work**

  FCMAT erroneously states that HIGHLANDS uses "HIGHLANDS test results alone to determine if a student qualified to graduate or move to the next level of course work." CASAS scores are one measurement of a student's proficiency and skills attainment; however, they are not the only measure. Using CASAS scores alone would be akin to a high school solely relying upon their results from the students' California Assessment of Student Performance and Progress (CAASP) tests to award course completion credits, a practice that is not done in any school that we are aware of. The use of CASAS scores to identify strengths, challenges and areas of need as an accountability measure is in alignment with how CAASP scores are used along with the State's accountability indicators.

  Highlands utilizes various methodologies to determine students' levels of academic success and ultimately their ability to graduate. These evaluations are based upon variety of evaluation methods to measure whether students meet requirements; these include teacher evaluation, self-assessment, publisher tests, and samples of work such as homework and formative and summative test and criteria.
  The practice of using multiple assessment measures in a classroom is a generally accepted teaching practice. In fact, a teacher who relies solely upon a standardized test does not provide a platform for evaluating a number of common core standards such as presentation skills in the listening and speaking standards, integration of technology or demonstration of research skills. An evaluation of such skills has long been the professional purview of a course's teacher. In fact, one of the primary roles of the teacher besides providing instruction, is to evaluate the student's proficiency and skills acquisition. Further, the completion of a course by a standardized test is not a requirement for any school for the issuance of the course's credits.

  While we feel that our assessment methodology is in full compliance with current guidance, we welcome any input from TRUSD and will work collaboratively with TRUSD to incorporate any necessary changes.

- **Problematic interpretation of CCR Title 5, and related granting of high school credits for GED testing to students outside the population identified in that law**

  FCMAT appears to be basing their reasoning on a statement on the California Department of Education ("CDE") website and language in the GED Program Policy Manual. The CDE statement lacks any legal authority and the GED Manual language is not relevant to the current circumstances.

  Highlands' practice of awarding specific academic class credit for students who have passed certain sections of the GED test is appropriate and not prohibited by state law. Despite FCMAT's claim that on CDE's website giving such credit is prohibited, there is no statutory authority to support this contention. Furthermore, the GED Program Policy Manual language does not specifically apply to test results and a representative of the company stated the Charter School has the discretion to award such credit. Additionally, even if giving such equivalency credit was expressly prohibited in Education Code section 51225.3, the Charter School would be exempt for the prohibition because of the Charter School waiver in section 47610.

- **Allowing a test taken in Spanish to substitute for a pre requisite in English**

  Students are awarded credits after passing either the English or Spanish version of the HiSET test with the exception of English language arts, if the test is taken in Spanish. FCMAT questioned the practice of awarding physical science course credits due to the pre-requisite of a ninth grade proficiency in English. All HiSET students are enrolled in high school. Transcripts are evaluated by Highlands' counselors and registrar. Credits are awarded from the HiSET on a case by case basis and are categorized as academic or elective as needed.

- **Conducting board votes via email in violation of the Brown Act**

  The report of voting by e-mail raises a Brown Act violation. However, the issue addressed was the "acceptance" of Linda Fowler as the LEA representative to the Board. The process of adding an authorizing district representative to the charter school's board differs from the method of electing board members in general, as an authorizer representative is appointed as per Ed Code and not elected or accepted by the charter's board. As TRUSD has the authority to appoint the

representative, Education Code Section 47604(b), any "acceptance" by the Highlands Board was not required.

Highlands has subsequently retained General Counsel, who ensures Brown Act compliance for all Highlands' board activities. Board members have also been provided with Brown Act reference materials, and may participate in yearly meetings held by CCSA and/or CSDC which feature ethics presentations, including Brown Act and conflict of interest reviews. All Board members are encouraged to participate in such presentations.

- **Conflict of interest issues involving an HCCTS board member who was also a board member of its charter authorizer. When a contract with that board member's firm came before the board, that board member failed to remove herself from the room and offered comment and information about the contract from the dais.**

When this occurred, Highlands did not have General Counsel to advise on conflict of interest issues, which it now does. Highlands view is that if any ethics violation occurred, it was as a result of Board members not fully understanding the requirements in regard to participation by Board members regarding matters in which there is an actual or potential conflict of interest. It should be noted, that there is no indication that any Board member who was in such a position, actually voted or attempted to influence Board action, and in fact, the record shows that any such member abstained from voting. The FCMAT report also notes that the Board took prompt action to void the contract from which the potential conflict arose.

With retention of General Counsel to advise on conflict matters, along with training available to Board members as discussed above, Highlands has, and will continue to be proactive to prevent any actual or potential conflicts of interest.

FCMAT also raised the issue of whether appointment of a TRUSD Board member to the Highlands Board created a conflict under Government Code section 1090, which codifies the common law doctrine of incompatible offices held by a public official, and section 1126(a), which addresses incompatible activities on part of a "local agency officer or employee". As appointment of the LEA representative lies with TRUSD, and not Highlands, these are issues which should be addressed by TRUSD. That said, if such an issue were to again arise, Highlands would make any concerns known to TRUSD. Further, it is not clear that either

code section applies to the Highlands' Board, as Highlands is a non-profit corporation.

Within the conflict of interest findings, FCMAT made reference to "undescribed litigation", as a complicating factor. The reference is incorrect, as no litigation was filed. Angelica Tellechea, doing business as LAED Consulting, claimed that following the revocation of the Highlands/LAED contract in November, 2014, she, at the request of former corporate President Mike Brunelle, continued to act on Highlands' behalf in seeking to obtain grant funding from CDE, and demanded payment for services rendered. General Counsel confirmed that written authorization, signed by Mr. Brunelle, confirming her authority to act on Highlands' behalf, was sent to CDE. Also, a second letter signed by then Vice President, Ward Allen, confirmed Tellechea's authority.

With confirmation of the authority granted to Tellechea, and after receiving the demand from Tellechea, General Counsel was authorized to negotiate a settlement, within Board set limits, with her. That settlement was reached and a release was signed by Tellechea on 9/4/15.

Going forward, Highlands will not enter into any consulting contracts or agreements that are deemed to be a real or potential violation of conflict of interest laws, and our General Counsel will ensure that all Board activities are conducted to prevent such conflicts of interest from arising.

- **Conflict of interest and payroll issues related to approval of consultant contracts to individuals who are also employees of HIGHLANDS**

  Following appointment of General Counsel, and on advice received, Highlands determined that the contracts in question were void, and did not make any payments then due under the contracts.

- **Possible violations of the Penal Code by allowing raffles to be held at the charter**

  Highlands has never sold raffle tickets. On two occasions, Highlands issued numbered tickets to students to be eligible to win attendance based prizes.

- **Questionable fiscal practices such as:**

  - **Payment of personal attorney fees for a board member from charter funds without board approval**

A demand was made for indemnity and defense of the Fair Political Practices Commission (FPPC) investigation (which is ongoing) and which included allegations of acts/omissions on board member's part as a Highlands Board member. Corporations Code § 5238 allows for indemnification of a board member. Under subdivision (f), expenses incurred may be advanced by the corporation, if the indemnitee enters into an undertaking that any expenses so advanced will be re-paid, if it is ultimately determined that the indemnitee did not qualify for indemnity under the statute.

Under subdivision (d), if the indemnitee is successful in defense of a proceeding, or part thereof, indemnity is mandatory.

Following Board authorization to make payments as allowed by subdivision (f), the board member entered into such an agreement on May 5, 2016. The agreement limits any advance payments to expenses incurred in the FPPC investigation only, and requires that board member provide copies of billings from her attorneys. Those bills were reviewed by General Counsel, and of the approximately $30,000.00 billed to board member, $14,979.03 was paid.

- **Payment of an employees' personal car repairs from charter funds and without board approval**

Highlands' board approval was not necessary due to the nature of the reimbursement; therefore, the Executive Director's approval was appropriate. The employee was receiving mileage reimbursement for normal wear and tear on her vehicle while performing her duties as a custodian servicing multiple sites. Unfortunately, the employee was using her vehicle in an extraordinary way. She was transporting tables, chairs, janitorial supplies and chemicals, and other items as deemed necessary to complete her job. Highlands was unable to provide a company vehicle. The employee's vehicle sustained significant wear and tear which was inconsistent with normal operator use. It was deemed appropriate by the Executive Director to authorize the needed repairs to ensure the school had transportation for the employee to complete her duties and operational needs.

The decision to pay for the vehicle repairs was based on prior experience authorizing expenditures as a State supervisor and training received consistent with the State Contracting Manual.

Additionally, the California Supreme Court has ruled consistently in this arena.

The California Supreme Court has held that an employer can reimburse for vehicle expenses via a lump-sum payment. Employers should be warned however that if they utilize the IRS mileage rate or a lump-sum payment, and the employee can show that the chosen method does not cover all actual expenses incurred, the employer will be liable for the difference.

- **Providing gifts to students in violation of the charter's board policy**

  Board policy 140106-VII-D states the charter may award students who have demonstrated excellence with equipment that does not exceed two hundred dollars. Examples of excellence may include perfect attendance for a set period of time, high grades, passing an industry recognized exam, etcetera. There were approximately five laptops awarded that exceeded the two hundred dollar threshold by approximately twenty dollars with tax and recycling fee included. On February 23, 2018, a letter from Highlands Executive Director to Executive Staff at TRUSD reported the incidents and no further incidents have occurred. The Executive Director informed Highlands Board of Directors of the issue and corrective actions.

  FCMAT also asserted that after their field work was competed they received information from a confidential informant that Highlands provided $500 gift cards, big screen plasma televisions and Target gift cards to students to generate attendance. This information is false and these awards never took place. Rather than expand the investigation to confirm the validity of this claim, FCMAT simply repeated the unfounded allegation as a finding in their report.

- **Implementing hiring practices in violation of the law, which allowed convicted felons to have access not only to HIGHLANDS students and staff but also to the minor children in its child development program**

  On January 23, 2018, Executive Staff at TRUSD contacted the Executive Director of Highlands regarding the background clearance process of two employees. Highlands' petition mandates compliance with Ed Code Section 45125.1 and 44237. The two identified employees were immediately placed on paid administrative leave pending investigation.

On January 30, 2018, Executive Staff from TRUSD and the Executive Director of Highlands met to discuss potential remedies to the issue. Both employees were former students and graduates of Highlands. One employee was a known felon to the Executive Director and the other was not, due to her offense occurring in another state approximately seventeen years prior. Neither employee was a Penal Code Section 290 sex offender.

After completing the investigation, both employees were terminated. Highlands established additional control measures to ensure compliance with the Ed Code. Classified staff now submits to a California and multi state live scan prior to employment. The multi-state search should ensure all convictions are reported.

FCMAT made two serious and erroneous statements within the hiring practices heading on (pg. 47). FCMAT reported through a confidential informant that a Highlands Administrator was aware of the felony conviction of the employee and was his Parole Agent. This assertion is impossible. Although, a Highlands Administrator was a Parole Agent, he retired five years prior to him becoming a parolee and had no previous relationship.

Additionally, FCMAT reported that an employee working in the Early Childhood Education program was a gang member and a convicted felon. This allegation is erroneous. The employee in question is a graduate of Highlands and is presently employed. Prior to her employment, she submitted a California and multi-state live scan on March 1, 2017 and it was forwarded to the California Teaching Commission. Her live scan reflected a misdemeanor offense and she is not a gang member.

- **Allegations of sexual harassment by HIGHLANDS administrators**

Highlands Board of Directors originally approved the sexual harassment policy on June 1, 2013. The policy was revised and re-approved on April 1, 2016. Highlands is committed to providing an unlawful harassment and sexual harassment free workplace. There are three components to this commitment. All employees receive and sign an employee handbook annually that informs them of Highlands' sexual harassment policy, additional site based sexual harassment training to all staff, and annual training facilitated through "Safe Schools" online program.

In April 2018, Executive Staff at TRUSD contacted the Executive Director at Highlands with information that a confidential informant stated an administrator was grooming the Human Resource Generalist for a sexual

relationship. On April 6, 2018, the Generalist was interviewed pertaining to the allegation. She denied ever experiencing sexual harassment or feeling groomed/manipulated by the Administrator for a sexual relationship.

Any complaint of unlawful harassment, discrimination or sexual harassment, has been actively investigated by Highlands, to include, where appropriate, retention of outside investigators. As the result of one such investigation the offending employee was terminated.

- **Use of "Confidential Informants"**

Highlands notes that on several issues, FCMAT made findings based on information received from "confidential informants." Not only are such findings troubling in the absence of any indicia of the informant's reliability, but some of these allegations had already been raised to Highlands and responded to directly with TRUSD. For example, the section on "Hiring Practices" does not reflect that Highlands worked closely with TRUSD to address the issue of employees having felony convictions, and contrary to the FCMAT report, in agreement with TRUSD's position, Highlands terminated the employees. Similarly, the reference to expensive gifts being given to students to encourage attendance, which is not true, had been addressed with TRUSD by the Executive Director.

Dr. Steven Martinez, TRUSD Superintendent:

Subject: Notice of Concern/ Request for Information - Marysville 2 Location Response from April 5, 2024

We have prepared the following report in response to the notice of concern/request for information regarding the Marysville 2 location. It also addresses questions and concerns about the HCCTS CTE program at Marysville 2, the lease, and the health and safety of our students.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org.

Thank you,

Bill McGuire
Executive Director
Highlands Community Charter and Technical Schools

Timeline Marysville 2

On May 1, 2023 the original lease with Marysville and Highlands was written and was fully executed at $2,000 per month.

CTE Programs at Marysville 2

At Highlands we currently have two CTE programs that will utilize the Marysville 2 baseball field.

1. Landscaping
2. Sports Officiating

Landscaping

Highlands Community Charter School is still in the process of creating the landscaping CTE program.

Progress has been made in the following ways:

- An Edjoin post was made on April 9, 2024 to hire a Landscaping instructor, for which only one applicant applied and was unqualified for the role
- The landscaping course description written and approved by the HCCTS board of directors in June 2024
- Through our research into the landscaping business, we have learned that landscaping jobs over $500 require students to hold a contractor's license, so our Director of CTE is looking into options for students to also obtain their contractor's license

Sports Officiating

Sports Officiating started at Highlands in 2022 under the direction of Russel Patty, who has 20 years of experience in this field. This program has historically been offered to students at our Del Paso location located at 1100 Las Palmas Avenue, Sacramento, CA 95815 which contains indoor and outdoor facilities. Students learn how to officiate the following sports: volleyball, softball, baseball, and football. Currently, 8 students enrolled in this program will finish their cohort on July 17, 2024. In August of 2024, Highlands will expand the sports officiating CTE program at the Marysville 2 location in order to attract new students and increase enrollment and CTE completion. Through this program, students are able to earn their General Sports Officiating Certificate in the sports they study at Highlands. Additionally, they are eligible to receive a certificate from the National Federation of High School Sports which includes training in different subjects such as:

- Concessions
- Sportsmanship

- Bullying
- Social Media
- Heat Illness

The program lasts ten weeks and is scheduled from Monday through Thursday. Highlands maintains excellent relationships with professional organizations connected to sports officiating. Once students complete the program, they are recruited to work for high schools, private businesses, and parks and recreation.

The Lease

The original lease agreement between Highlands Community Charter School and the City of Marysville was dated May 1, 2023. In the original deal drafted, the contracted monthly payment was listed at $5,000. However, this lease agreement was not fully executed and was renegotiated to $2,000 per month for three years with a 3% yearly increase and the option for renewal.

Typically Highlands Community Charter School will establish a lease agreement or MOU with a facility approximately three months prior to occupying a student-serving space or office space. For the health and safety of our students and staff, the HCCTS facilities and maintenance team, safety team, and IT team check the facility during the previous months before the opening to ensure that everything is set up and ready to be utilized. This is considered a common practice at HCCTS. It is not a typical business practice to lease a space more than three to six months before the opening unless the site or facility requires extensive renovation or repairs.

Student Health & Safety

Student health and wellness is a top priority at HCCTS. We ensure that all students have access to a safe learning environment, including protection from extreme weather conditions such as extreme heat, rain, or snow. While the Marysville 2 baseball field is part of the CTE program, students also have access to our Highlands classrooms located at our Marysville 1 site at 715 C Street Marysville, CA 95901.

The 2024-2025 School Year

Moving forward in the new school year, HCCTS will inform TRUSD regarding the start dates of new CTE programs and the number of students who are currently enrolled or expected to enroll in the CTE programs.

Next Steps

- Human Resouces will post the position on Indeed in an effort to attract more landscaping professionals

- Advertise the landscaping CTE program in Marysville and Yuba City
- Highlands will meet with the City of Marysville to review this contract

Attached you will find the following:

Good Morning,

Please see Scott's email below regarding the HCCTS site visit to Marysville.

Site Visits Overall

- Going well and HCCTS employees are welcoming.
- Oxnard visits went great.
- Marysville (715 C street): seemed okay and programs are very similar to Oxnard. CICA and HCCTS are both located at this site.

Dis-Enrollment Policies

- HCCTS disenrolls after a student is absent for 20 days (on the 21st day)
- CICA disenrolls if students do not complete at least 2 work assignments in a month.

Marysville (715 C St):

- Students must complete at least 2 work samples per month. If 2 samples are completed for the month, then the student is marked present for the whole month and ADA is collected. Scott continues to collect information on this policy and the flexibility of disenrolling students.

- CICA ADA seems a bit high, but you are waiting for an email from the principal to get the accurate percentage. HCCTS at the site is reporting similar ADA to Oxnard.

Marysville 2 (1431 C Street):

- You drove to the site and it was a "full blown, minor league baseball field". There were workers working on it.
- You were curious so you went online and found an article (included in the email below) which outlined that HCCS gave $25,000 to refurbish the field ($12,500 went to the Marysville Drakes to sponsor them or donate to them).

I wanted to follow up with an email based on our protocol about the HCCTS CTE site in Marysville. This is in addition to the conversation we had yesterday.

I spoke with Rich Henning and there are no students enrolled at the site. They hoped to get

programs such as landscaping and culinary at the site but that has not happened. It was a short interview.

Re: Notice of Concern and Request for Information – "Marysville 2" Location

Dear Mr. Murdock and Board Members:

As the authorizing entity for the Highlands Community Charter School ("HCCS") operated by Highlands Community Charter and Technical Schools ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCS in compliance with its approved Charter, the Memorandum of Understanding between the District and HCCS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

The District requests that HCCTS respond to the following concerns/requests for information by no later than 5:00 PM on April 5, 2024. Your responses should be directed to the District for my attention. Thank you for your attention to this correspondence and your anticipated cooperation.

Physical Address: 5115 Dudley Blvd. • McClellan, CA 95652
Mailing Address: 3222 Winona Way • North Highlands, CA 95660
(916) 566-1600 • FAX (916) 566-1784 • www.trusd.net

HCCS "Marysville 2" Site.

The "Marysville 2" HCCS site located at 1431 C Street, Marysville CA 95901 is listed in Exhibit "B" "HCCS Facilities Site List" of the recently executed/approved MOU Amendment No. 3 between the District and HCCTS regarding the operations of HCCS. In a site list provided to the District on December 29, 2023, HCCTS represented that the Marysville 2 site is for HCCS CTE programs.

However, it has come to the District's attention, following a site visit by our consultant on March 4, 2024, that the Marysville 2 site is not a facility, but rather a baseball field. When asked about the Marysville 2 sites, the Principal of the Marysville Site (located at 715 C Street, Marysville, CA 95901) indicated she was not aware of the 1431 Marysville site. After a search of public information regarding the baseball field, the District learned that HCCTS donated $25,000 to sponsor facility upgrades to the field with $12,500 going to sponsor a baseball team called the Marysville Drakes. The Marysville Drakes is a professional privately operated baseball team formed in 2022 (began playing in 2023) and is based in Marysville. https://www.marysvilledrakes.com/

Action Needed

- Respond to the District regarding the aforementioned concerns. This includes providing an explanation for the discrepancy between the information provided to the District about the Marysville 2 site location and its current use as a baseball field instead of a facility. Specifically, HCCTS needs to clarify how this site is affiliated with HCCS, detail the provision of CTE programs at the location, and identify the assigned HCCS administrator for this site.
- The District also expects HCCTS to furnish a comprehensive explanation and breakdown of the $25,000 donation. This should include clarification on how the donation, which benefited a private organization, aligns with applicable laws, particularly addressing the prohibition against the use of public funds for gifts.

Please contact Sharilyn Marshall (sharilyn.marshall@trusd.net) if you need any clarification regarding the above items requested. Thank you for your attention to this information request and for your anticipated cooperation.

Sincerely,

Steve Martinez, Ed.D.

HIGHLANDS
COMMUNITY CHARTER AND TECHNICAL SCHOOLS

April 5, 2024

Twin Rivers Unified School District

McClellan Park, CA 95652

Dr. Steven Martinez, TRUSD Superintendent:

Subject: Request for Information – Marysville 2

We have prepared the following report in response to the request for information. The report addresses questions and concerns related to the Marysville 2 location.

If you have any additional questions or concerns, please do not hesitate to contact me at 916-335-1771 or via email at murdock.smith@hccts.org.

Thank you,

MURDOCK SMITH
Executive Director
Highlands Community Charter and Technical Schools

The Marysville 2 baseball stadium is located at 1431 C Street, Marysville, CA 95901. We first sponsored it and added it to the updated site list and MOU amendment #3 because we plan to serve students at this location through a career and technical education program.

The Sponsorship

Highlands Community Charter School sponsored the baseball stadium for $25,000 in the spring/summer of 2023. The MOU was dated March 11, 2023. With the sponsorship, Highlands hoped to attract new students to our local Marysville and Yuba City campuses.

Below are the benefits of sponsorship for Highlands:

- The field name will be “It’s Never Too Late…” Field with logo graphic provided by HCCTS
- HCCTS will designate a series of home games with allowance to set up, manage, and maintain student recruitment stations
- HCCTS Graphics will be used on game programs, snack bar menus or other printed materials pertaining to Drake's home games
- Banner or painted graphic to be placed on right-center field wall with HCCTS designated logo
- Designated HCCTS Painted Graphic on a home-field dugout
- On Deck Circle Rug with HCCTS, "It's Never Too Late…” Graphic on Home and Visitors station
- 6 VIP Tickets will be made available for 2023 scheduled home games. Optional tickets for visiting tickets to all affiliate Pecos League Team games. Given a written request for those tickets five days in advance of the game desired
- Notification of the Drakes employment for team support positions for local Highlands students or students of Highlands students 16 years or older to be interviewed for potential hire
- ‘It’s Never Too Late…’ HCCTS Logo patch placed on team game day uniforms/or/game day hat.

- HCCTS Branding displayed on game day tickets

- One designated HCCTS Group Night

The Career Technical Education (CTE) Program

Highlands Community Charter School currently has an MOU with the city of Marysville. The MOU began on May 1, 2023, and allows us to lease Bryant Field for our planned CTE program. The lease is for $5,000 monthly rent.

All CTE programs at Highlands are overseen by our Director of Workforce Readiness, Lee Farrand. The CTE program also has its own principal, Elvira Harris. Both Lee Farrand and Elvira Harris are experts in workforce development and oversee the creation and implementation of all CTE programs for Highlands and CICA. The Principal for Marysville 1, Khrystsina Talstyka, has a master's degree in teaching and is an expert in language acquisition, but she has no involvement or supervision in the development or implementation of new CTE programs.

Through our educational partner feedback, students have asked for landscape design and agriculture training. Based on their requests, we plan to build a CTE program around them.

The vision for the Baseball Field CTE program was to:

- Create a landscaping CTE program
- Goal to have it available at three locations: Marysville, Grand, West Sacramento
- Complete the Qualified Applicator License (QAL)
- Train students how to use fertilizers to spray the grounds
- Incorporate food service and hospitality into the concession stands
- Parks & recreation training and employment

The CTE team has recently launched several new CTE programs. These programs took longer than expected to launch but include the following:

- A Welding program at Grand Avenue
- CNA program at Grand Avenue
- Culinary program at Oak Park and West Sacramento

The estimated start date for our landscaping program is July 2024.

Highlands is not knowledgeable, nor have a record of how the money was

allocated by the Drakes or the City of Marysville after payments were made.

We currently have a partnership agreement with the Sutter County Office of Education to provide an array of CTE programs and pathways, including but not limited to:

- Medical Assisting
- CNA
- Phlebotomy
- Cosmetology
- Dental Assistant

As part of our CTE expansion plan, we planned to include additional in Yuba/ Sutter Counties.

The MOU for the sponsorship, the lease agreement for the CTE program, and the current MOU with the Sutter County Office of Education are attached.

LEASE

This Lease ("Agreement") is made effective May 1, 2023 and is by and between the City of Marysville, a Municipal Corporation ("City") and Highlands Community Charter School ("Lessee").

Lessee has the exclusive right and obligation to manage and operate security and ushering services sufficient to control pedestrian traffic within Bryant Field and at the Property and adjacent area during all Other Reserved Events. Lessee shall obtain an approved safety plan from the City's Chief of Police and adhere to the same for Other Reserved Events (which safety plan may differ from event to event depending on the nature thereof). Lessee shall not hold Other Reserved Events of a political nature.

SECTION 3
Terms of Shared Use Lease

The City leases to Lessee on the terms and conditions set forth in this Agreement to conduct other reserved events subject to the provisions stated herein.

Lessee shall conduct all activities at the Property in compliance with all laws.

Lessee shall have the right to use and occupy the Property for Other Reserved Events in compliance with the provisions of this Section.

The City anticipates that the Marysville Drakes will reserve baseball games in the Spring and Summer of each year in addition to the baseball home games presently scheduled to be played at Bryant Field at the Property. In addition to baseball home games, the City intends to promote, sponsor and/or stage community events. With the exception of baseball home games and community events, Lessee shall have the right to book, promote, sponsor and/or stage Other Reserved Events on condition that Lessee provide City a minimum of 60 days advance notice of Lessee's proposed Other Reserved Event and obtains the City's consent to same, which consent will not be unreasonably withheld.

SECTION 4
Rent and Other Consideration

1. Rent. Lessee shall pay to City monthly Rent of $5000.00 per month payable in advance on the 1st day of each month. Rents shall commence on the 1st of the month following execution of this Agreement (the "Rent Commencement Date"). Rent shall increase 3% per year on the anniversary of the Rent Commencement Date such that the monthly Rent shall increase by 3% above the Rent in effect for the previous year. Should Lessee exercise the option to extend the term of this Agreement, the 3% annual increases shall continue through the Extended Term.

3. General Public Parking. City agrees to make available on-street and off-street parking, at City's discretion, for Other Reserved Events within a ten (10) minute walk of the Property. Lessee is solely responsible for providing adequate parking attendants at all off-street private property locations where event parking is sanctioned. Lessee shall not close, block or restrict access to any City streets absent a separate written agreement with City concerning the closure or any other restricted access or use of City streets. Except that Lessee may cause C Street to be closed between 14th Street and 16th Street for its other reserved events provided it is in compliance with the other terms and provisions of this Agreement.

4. Media Rights. Lessee has the exclusive right to all radio and television broadcast, telecast, webcast, cablecast, video on demand and all other forms of media and distribution rights for Other Reserved Events and to retain all revenues generated thereby.

5. Utilities. The cost of utility services, namely the water, sewer, gas, electric, as well as trash and recycled product removal and any other services or utilities shall be the responsibility of Lessee to the extent the same are incurred with respect to Lessee's use of the Property. The City will invoice Lessee monthly for all utilities and Lessee shall pay an invoice for the same within fifteen (15) days of receipt of such invoice.

SECTION 5
Capital Improvements, Maintenance, Repairs and Operations

1. Security/Usher Services and Traffic Control. Lessee has the exclusive right and obligation to manage and operate security and ushering services sufficient to control pedestrian traffic within Property and vehicle parking attendants during Other Reserved Events.

2. Set-up and Clean-up for Other Reserved Events. Lessee shall have the exclusive right and obligation to manage and operate the Property during Other Reserved Events and shall, at its sole expense, clean the Property and all improvements therein and keep it in orderly condition. Lessee shall comply with all applicable federal, state and local laws, codes, ordinances, and regulations, including without limitation, ADA and access laws, waste management, recycling, county health and alcoholic beverage sales/license laws.

3. Lessee is Responsible for all Aspects of Maintenance and Repair. During the term of this Agreement in addition to its obligations under paragraph 2 (Setup and Cleanup for Other Reserved Events), Lessee is responsible at its sole expense to fully and completely maintain the Property and all City-owned facilities therein. These maintenance obligations are ongoing. Lessee shall be responsible for all aspects of maintenance and repairs to include without limitation any capital repairs and major maintenance of the Property and all City-owned capital facilities therein. In addition to major maintenance of the Property and all City-owned capital facilities, Lessee shall be responsible for regular maintenance as well. These obligations include clean-up of seating and concession areas and maintenance of

seats, public laboratories and restroom facilities, regular and routine maintenance of the HVAC, plumbing, electrical, water, sewage and onsite drainage systems.

As described above, Lessee is further responsible to maintain the facilities which are the subject of this Agreement in a fully operational condition such that the structures and facilities at the Property and all City-owned capital facilities therein shall be in at least as good or better condition at the end of this Agreement than the condition of such facilities on the effective date of this Agreement. Lessee's obligations of maintenance, replacement and repair shall not take into consideration "reasonable wear and tear". To the contrary, Lessee's obligations require Lessee to maintain and repair the Property and all City-owned capital facilities at all times so as to negate the effects of "ordinary wear and tear". Without limiting the generality of the foregoing, Lessee is responsible for capital replacement and repairs of the structure, structural members, foundations, footings, roof, balconies, floors, columns, steps, ramps, doors, windows, walls, fixed stadium seats and seating areas, fixed concession areas, water and plumbing systems, electrical systems and electrical lights (including light standards and field lighting/ballasts), pipes and mains, sidewalks, fencing, parking surfaces, the scoreboard and all integral components of the foregoing and all fences and fencing. Such major maintenance and repair responsibilities Lessee apply whether the major maintenance or repair is ordinary or extraordinary, foreseen or unforeseen, necessitated by wear and tear, obsolescence, or any other cause.

4. Discretionary Improvements. Lessee has the right, at its own expense, to make alterations and improvements to the Property as are reasonably necessary or appropriate for Lessee's conduct of its business, subject to prior written approval by City and, once approved, such alterations or improvements are performed in a good and workmanlike manner by qualified personnel. Any necessary operations, maintenance and/or repairs relating to such alterations or improvements are the sole responsibility of Lessee, unless City first agrees in writing to accept responsibility. At the end of the term of this Agreement, any improvement installed by Lessee shall remain at the Property and shall be property of City. Lessee shall obtain all required City permits prior to making any improvements. Lessee shall comply with applicable general plan, zoning and other requirements of the City regarding improvements they install.

SECTION 6
Term, Termination, Default, Remedies

1. Term and Option to Extend. The Term of this Agreement shall be 3 years commencing with the Rent Commencement Date on the 1st of the month provided Lessee is not in default under the Terms of this Agreement, Lessee shall have the option to extend this Agreement for an additional 3 years by providing written notice to the City no earlier than 6 months nor later than 2 months prior to the expiration of the Original Term.

2. By Destruction. In accordance with Section 7 of this Agreement, City may terminate this Agreement.

3. Default by Lessee. It shall be a default under this Agreement if any of the following occurs:

A. Lessee fails to pay the Rent, and any other costs, surcharges or other monetary obligations as required by this Agreement; or

B. Lessee fails to observe and comply with any other term, condition, covenant or agreement to be observed and complied with by Lessee under this Agreement.

4. Remedies. As to any monetary defaults or obligation of Lessee to pay any monies to City, such default shall continue uncured for a period of three (3) days after Lessee receives notice from City, City shall be entitled to terminate this Agreement. As to any default of Lessee of a non-monetary nature, if such default continues uncured for a period of three (3) days after Lessee receives notice from City specifying the nature of the default in reasonable detail (or such period if such default cannot be reasonably cured within such 3-day period, provided Lessee commences such cure within such 3-day period and thereafter diligently pursues such to completion), City shall have the right, in addition to any other remedy available hereunder, or at law, or in equity, to terminate this Agreement. Termination of this Agreement shall not relieve Lessee of its obligation to make any monetary payment required of it pursuant to this Agreement (including the full payment of all license fees) nor shall Lessee's obligations of indemnity, insurance and other obligations which would naturally survive termination be excused. All such obligations shall continue to be binding upon Lessee until such obligations have been performed and satisfied in full.

5. Lessee's Right to Terminate for Loss of Funding Source. Lessee may, upon 90 days' notice to City, terminate this Agreement in the event they lose their funding source for their operations.

SECTION 7
Damage or Destruction

1. In the event the Property is substantially or totally damaged or destroyed so as to be unfit for occupancy or use by Lessee as contemplated, City in its sole and absolute discretion may terminate this Agreement. In the event City elects to terminate this Agreement, it may give Notice of Termination which shall be effective immediately. Whether City elects to terminate this Agreement pursuant to this section, City shall have no liability to Lessee with respect to any losses or damage occasioned by Lessee due to such termination or due to any delays occasioned by the time of repair, construction/reconstruction of the Property facilities. Lessee shall obtain business interruption insurance or take such other financial precautions as it deems necessary for any losses which might arise from the destruction or substantial destruction of the Property.

2. Restoration of the Property. For termination of this Agreement other than for damage or destruction as described in paragraph 1 above (to include expiration of this Agreement according to its terms or termination occasioned by default), Lessee will return the Property to its original or subsequently improved condition, and shall return to City all equipment and tangible personal property owned by City, if any, in good working condition, or reimburse City for reasonable cost of repairing such damage and/or replacing such personal property.

SECTION 8
Indemnity; Insurance

1. Indemnity by Lessee. Lessee shall indemnify and hold City, and its representatives officers, directors, employees and agents free and harmless from any and all claims, suits, liens, demands, damages, injuries, liabilities, losses and expenses of any kind (including reasonable attorneys' fees, expert witnesses and costs of investigation with regard to any claim, demand or action) to the extent they arise out of or are in any way connected with the performance of this Agreement by City, its agents, directors or employees or by Lessee, its agents, directors or employees whether such claims, liens, demands, losses or expenses are based upon a contract or upon a claim for personal injury, death, or property damage or upon any other legal or equitable theory whatsoever. Lessee agrees at its own expense and upon written request by City, to defend any claim, suit, action or demand brought against City on any injury, loss, or liability, actual or alleged covered herein. Notwithstanding this defense obligation, Lessee shall not be required to indemnify City from loss or liability to the extent such loss or liability arises from the sole negligence or willful misconduct of City, its agents, directors and employees, at such time that such sole negligence or willful misconduct has been finally determined by a court of competent jurisdiction. Lessee shall provide City with a defense until such determination has been made (*i.e.*, until a court of competent jurisdiction has finally determined that the loss or liability arises from the sole negligence or willful misconduct of City, Lessee shall provide a defense as to such loss or liability). Lessee's obligations of defense and indemnity arise even if the claim is frivolous or lacking in merit. The defense indemnification obligations of this Agreement are undertaken in addition to, and shall in no way be limited by, the insurance obligations contained in this Agreement. The indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Lessee or its agents under workers' compensation acts, disability benefit acts or other employment benefit acts. The Lessee shall pay all costs that may be incurred by the City in enforcing this indemnity, including reasonable attorneys' fees. Lessee's indemnity obligations survive this Agreement.

Lessee's duties to defend is separate and independent of its duty to indemnify. The duty to defend includes claims for which the City may be liable without fault of be strictly liable. The duty to defend applies regardless of whether the issues of negligence, strict liability, fault, default or other obligation on the part of the City has been determined. The duty to defend applies immediately regardless of whether the City has paid any sums or incurred any detriment arising out of or relating (directly or indirectly) to any claims.

Notwithstanding the foregoing, the City on behalf of itself reserves the right to assume the defense of any action, arbitration or proceeding against which Lessee may have an obligation to defend pursuant to this Agreement including the right to appoint counsel of its choice, without effecting Lessee's obligation to indemnify for the cost of such defense.

Lessee shall be liable to the City for any loss or damage to City property arising from or in connection with Lessee's performance hereunder.

2. Insurance Requirements.

A. Commercial General Liability. During the term of this Agreement, Lessee shall at all times maintain in full force and effect commercial general liability insurance in an amount determined as reasonably necessary from time to time by Northern California Cities Self-Insurance Fund (NCCSIF), a California joint powers agency, or City's subsequent insurance carrier. At the commencement of this Agreement, the commercial general liability insurance shall be $2,000,000 minimum combined single limit and a general aggregate limit of at least $4,000,000. The policy shall cover bodily injury, property damage, personal injury and other covered loss however occurring during the policy term. The coverage shall be primary and any insurance maintained by City shall be excess insurance only. Such insurance shall contain endorsements: (a) deleting any employee exclusion on personal injury coverage; (b) including employees as additional insureds; (c) deleting any liquor liability exclusion; (d) providing for coverage of employer's automobile non-ownership liability.

The commercial general liability insurance policy shall provide coverage on an "occurrence" basis, including products and complete operations, property damage, bodily injury and personal and advertising injury. If a general aggregate limit applies, the general aggregate limit shall apply separately to this Agreement and the Property.

B. Automobile Liability. Lessee shall, during the term of this Agreement maintain coverage for automobile liability using ISO Form CA 00 01 covering any auto (Code 1), hired (Code 8) and non-owned automobiles (Code 9), with limits of no less than $1,000,000 per accident for bodily injury and property damage.

C. Property Insurance. During the term of this Agreement Lessee shall at all times during this Agreement maintain in full force and effect property insurance, special extended coverage or all-risk coverage insurance (including, but not limited to coverage for vandalism and malicious mischief) in the amount of 100% of the full replacement value of all improvements at the Property. Such policy shall contain a replacement cost endorsement and a stipulated amount endorsement. Lessee may maintain the required coverage by means of coverage obtained by City through City's insurance carrier, which may change from time to time, for which Lessee shall reimburse City for coverage required during the Baseball Season.

D. Workers' Compensation. During the term of this Agreement Lessee shall at all times maintain in full force and effect workers' compensation insurance as required by the laws of the State of California. Lessee may be permissibly self-insured in accordance with applicable law.

E. Forms of Policies; Deductibles. All insurance policies required by this section shall provide for severability of interests; shall provide that an act or omission of one of the named or additional insureds shall not reduce or void coverage to the other named or additional insureds, shall not reduce or void coverage to the other named or additional insureds; and shall afford coverage for all claims based on acts, omissions, injury and damage, which claims occurred or arose (or the onset of which occurred or arose) in whole or in part during the policy period. All insurance policies required to be carried under this section shall be (a) written by companies rated A-VII or better in *Best's Insurance Guide* and authorized to do business in California, and (b) name City, its officers, officials, employees and volunteers as additional insureds. Any deductible amounts in excess of $5,000 under any insurance policies required to be carried by Lessee by this section shall be subject to City's prior written approval. Lessee shall be responsible for any such deductible amount, so that so far as City is concerned, it will be as if the insurance had no deductible.

Each insurance policy required above shall provide that coverage shall not be cancelled, except with no less than thirty (30) days prior notice to City.

Lessee hereby grants to City a waiver of any right to subrogation which any insurer of said Lessee may acquire against City by virtue of the payment of any loss under such insurance. Lessee agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not City has received a waiver of subrogation endorsement from the insurer.

City reserves the right to modify these insurance requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage or other special circumstances.

City, its officers, officials, employees and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the Lessee including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Lessee's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10 and CG 20 37 forms if later revisions are used).

For any claims related to this Agreement, the Lessee's insurance coverage shall be primary insurance as respect to City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by City, its officers,

officials, employees or volunteers shall be in excess of Lessee's insurance and shall not contribute to it.

F. Insurance Endorsements; Failure to Deliver. Lessee shall furnish City upon execution of this Agreement, and thereafter within 30 days prior to the expiration of each such policy, amendatory endorsements issued by the insurer carrier of each policy of insurance carried hereunder and such policy endorsement to verify the additional insured status of City. The endorsements shall expressly provide that the policy shall not be cancellable or subject to reduction of coverage or otherwise be subject to modification except after 30 days' prior written notice to City. If Lessee shall fail to procure such insurance or deliver such endorsements, City may, at its option, and in addition to City's other remedies in the event of default by Lessee under this Agreement procure the same for the account of Lessee, and the cost thereof shall be paid to City as an additional license fee. Failure to obtain and maintain the required endorsements prior to the commencement of the Baseball Season in 2020 shall not waive Lessee's obligation to provide them. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

SECTION 9
Sublicense or Assignment of Agreement

1. No assignment or sublicense. The license granted to Lessee is personal to Lessee and may not be assigned or sublicensed in whole or in part to any third party without the prior written consent of City, which City may withhold in its sole discretion.

2. No release. Regardless of City's consent, no sublicensing or assignment shall release Lessee of Lessee's obligations or alter the primary liability of Lessee to pay the Rent and all monetary obligations under this Agreement and to perform all other obligations to be performed by Lessee hereunder, to include the indemnity and insurance obligations. Consent to one assignment or sublicensing shall not be deemed consent to any subsequent assignment or sublicensing. In the event of any default an assignee of Lessee, or any successor of Lessee in the performance of any of the terms hereof, City may proceed directly against Lessee without the necessity of exhausting remedies against such assignee or successor. City may consent to subsequent sublicensing or assignment of this Agreement or amendments or modifications of this Agreement with assignees of Lessee, without notifying Lessee, or any successor of Lessee, and without obtaining its or their consent thereto, and such action shall not relieve Lessee of liability under this Agreement.

Re: Notice of Concern and Request for Information – "Marysville 2" Location

Dear Mr. Murdock and Board Members:

As the authorizing entity for the Highlands Community Charter School ("HCCS") operated by Highlands Community Charter and Technical Schools ("HCCTS"), the Twin Rivers Unified School District ("District") is required to provide oversight of HCCS in compliance with its approved Charter, the Memorandum of Understanding between the District and HCCS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

As a reminder, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District "regarding any inquiries." We believe that timely responses by HCCTS to the concerns identified in this Notice is critical to fulfilling our oversight function/responsibilities as authorizer and HCCTS' cooperation is mandated.

The District requests that HCCTS respond to the following concerns/requests for information by no later than 5:00 PM on April 5, 2024. Your responses should be directed to the District for my attention. Thank you for your attention to this correspondence and your anticipated cooperation.

Physical Address: 5115 Dudley Blvd. • McClellan, CA 95652
Mailing Address: 3222 Winona Way • North Highlands, CA 95660
(916) 566-1600 • FAX (916) 566-1784 • www.trusd.net

HCCS "Marysville 2" Site.

The "Marysville 2" HCCS site located at 1431 C Street, Marysville CA 95901 is listed in Exhibit "B" "HCCS Facilities Site List" of the recently executed/approved MOU Amendment No. 3 between the District and HCCTS regarding the operations of HCCS. In a site list provided to the District on December 29, 2023, HCCTS represented that the Marysville 2 site is for HCCS CTE programs.

However, it has come to the District's attention, following a site visit by our consultant on March 4, 2024, that the Marysville 2 site is not a facility, but rather a baseball field. When asked about the Marysville 2 sites, the Principal of the Marysville Site (located at 715 C Street, Marysville, CA 95901) indicated she was not aware of the 1431 Marysville site. After a search of public information regarding the baseball field, the District learned that HCCTS donated $25,000 to sponsor facility upgrades to the field with $12,500 going to sponsor a baseball team called the Marysville Drakes. The Marysville Drakes is a professional privately operated baseball team formed in 2022 (began playing in 2023) and is based in Marysville. https://www.marysvilledrakes.com/

Action Needed

- Respond to the District regarding the aforementioned concerns. This includes providing an explanation for the discrepancy between the information provided to the District about the Marysville 2 site location and its current use as a baseball field instead of a facility. Specifically, HCCTS needs to clarify how this site is affiliated with HCCS, detail the provision of CTE programs at the location, and identify the assigned HCCS administrator for this site.
- The District also expects HCCTS to furnish a comprehensive explanation and breakdown of the $25,000 donation. This should include clarification on how the donation, which benefited a private organization, aligns with applicable laws, particularly addressing the prohibition against the use of public funds for gifts.

Please contact Sharilyn Marshall (sharilyn.marshall@trusd.net) if you need any clarification regarding the above items requested. Thank you for your attention to this information request and for your anticipated cooperation.

RE: Notice of Concern/Request for Information – "Marysville 2" Location TRUSD Requests regarding HCCTS' Response Dated April 5, 2024

Dear. Ms. Valdivia and Board Members:

By correspondence dated March 14, 2024, the Twin Rivers Unified School District (TRUSD) sent the above-referenced Notice of Concern and Request for Information informing Highlands Community Charter and Technical Schools (HCCTS) of our concerns related to the site located at 1431 C Street, Marysville CA, 95901. We also requested information regarding a $25,000 donation HCCTS gave to sponsor the facility upgrades to the field and the privately operated Marysville Drakes baseball team.

TRUSD specifically requested that HCCTS take the following actions by no later than 5:00 PM on April 5, 2024:

- Respond to TRUSD regarding the concerns. This includes providing an explanation for the discrepancy between the information provided to TRUSD about the Marysville 2 site location and its current use as a baseball field instead of a facility. Specifically, HCCTS needs to clarify how this site is affiliated with HCCS, detail the provision of CTE programs at the

- TRUSD also expects HCCTS to furnish a comprehensive explanation and breakdown of the $25,000 donation. This should include clarification on how the donation, which benefited a private organization, aligns with applicable laws, particularly addressing the prohibition against the use of public funds for gifts.

By correspondence dated April 5, 2024, HCCTS responded to our Notice of Concern/Information Request with the attached correspondence and information enclosed.

Based on our review of the response and information provided, we have the following concerns and request additional information/explanation be provided:

1. HCCS represented that the "Marysville 2" HCCS site if for "CTE programs." However, there is no facility, but rather it is a baseball field.

   TRUSD Findings/Concerns – Action Needed:

   - Listing the Marysville 2 site as a CTE site without noting that the program has not started at this site was misleading. When identifying locations in the future, HCCTS needs to indicate whether a site has enrolled students using the site or otherwise indicate whether programs at a site has not yet begun and the anticipated start date.

   - TRUSD is concerned about the business practice of leasing the field for $5,000 per month before student enrollment has been secured and students are actually using the facilities. TRUSD requests that HCCTS address this concern and explain whether this is a regular business practice.

   - Having students enroll in July 2024 for the CTE program at a location without any in-door classrooms to accommodate them during poor weather conditions raises concern about student health and safety. TRUSD requests that HCCTS address this concern including an explanation of how students will be able to participate in the CTE program on days with bad weather conditions.

2. Comprehensive explanation and breakdown of the $25,000 donation/sponsorship.

   TRUSD Findings/Concerns – Action Needed:

   - HCCTS needs to explain how the sponsorship of a private baseball team aligns with applicable laws addressing the prohibition against the unlawful gift of public funds.

   - TRUSD questions why HCCTS did not enter into a services agreement to get the "perks" rather than giving a donation. HCCTS needs to respond to this issue.

The District requests that HCCTS respond to the above concerns by no later than **5:00 PM on July 31, 2024**. Your responses should be directed to the District for my attention.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items. Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Ryan DiGiulio

Subject: Notice of Concern/ Request for Information - Marysville 2 Location Response from April 5, 2024

We have prepared the following report in response to the notice of concern/request for information regarding the Marysville 2 location. It also addresses questions and concerns about the HCCTS CTE program at Marysville 2, the lease, and the health and safety of our students.

If you have any additional questions or concerns, please do not hesitate to contact me at 559-217-3901 or via email at bill.mcguire@hccts.org.

Timeline Marysville 2

On May 1, 2023 the original lease with Marysville and Highlands was written and was fully executed at $2,000 per month.

CTE Programs at Marysville 2

At Highlands we currently have two CTE programs that will utilize the Marysville 2 baseball field.

1. Landscaping
2. Sports Officiating

Landscaping

Highlands Community Charter School is still in the process of creating the landscaping CTE program.

Progress has been made in the following ways:

- An Edjoin post was made on April 9, 2024 to hire a Landscaping instructor, for which only one applicant applied and was unqualified for the role
- The landscaping course description written and approved by the HCCTS board of directors in June 2024
- Through our research into the landscaping business, we have learned that landscaping jobs over $500 require students to hold a contractor's license, so our Director of CTE is looking into options for students to also obtain their contractor's license

Sports Officiating

Sports Officiating started at Highlands in 2022 under the direction of Russel Patty, who has 20 years of experience in this field. This program has historically been offered to students at our Del Paso location located at 1100 Las Palmas Avenue, Sacramento, CA 95815 which contains indoor and outdoor facilities. Students learn how to officiate the following sports: volleyball, softball, baseball, and football. Currently, 8 students enrolled in this program will finish their cohort on July 17, 2024. In August of 2024, Highlands will expand the sports officiating CTE program at the Marysville 2 location in order to attract new students and increase enrollment and CTE completion. Through this program, students are able to earn their General Sports Officiating Certificate in the sports they study at Highlands. Additionally, they are eligible to receive a certificate from the National Federation of High School Sports which includes training in different subjects such as:

- Concessions
- Sportsmanship

- Bullying
- Social Media
- Heat Illness

The program lasts ten weeks and is scheduled from Monday through Thursday. Highlands maintains excellent relationships with professional organizations connected to sports officiating. Once students complete the program, they are recruited to work for high schools, private businesses, and parks and recreation.

The Lease

The original lease agreement between Highlands Community Charter School and the City of Marysville was dated May 1, 2023. In the original deal drafted, the contracted monthly payment was listed at $5,000. However, this lease agreement was not fully executed and was renegotiated to $2,000 per month for three years with a 3% yearly increase and the option for renewal.

Typically Highlands Community Charter School will establish a lease agreement or MOU with a facility approximately three months prior to occupying a student-serving space or office space. For the health and safety of our students and staff, the HCCTS facilities and maintenance team, safety team, and IT team check the facility during the previous months before the opening to ensure that everything is set up and ready to be utilized. This is considered a common practice at HCCTS. It is not a typical business practice to lease a space more than three to six months before the opening unless the site or facility requires extensive renovation or repairs.

Student Health & Safety

Student health and wellness is a top priority at HCCTS. We ensure that all students have access to a safe learning environment, including protection from extreme weather conditions such as extreme heat, rain, or snow. While the Marysville 2 baseball field is part of the CTE program, students also have access to our Highlands classrooms located at our Marysville 1 site at 715 C Street Marysville, CA 95901.

The 2024-2025 School Year

Moving forward in the new school year, HCCTS will inform TRUSD regarding the start dates of new CTE programs and the number of students who are currently enrolled or expected to enroll in the CTE programs.

Next Steps

- Human Resouces will post the position on Indeed in an effort to attract more landscaping professionals

- Advertise the landscaping CTE program in Marysville and Yuba City
- Highlands will meet with the City of Marysville to review this contract

Item #08

Date: June 20, 2023

To: Mayor and City Council

From: Dan Flores, Community Development Director
Jim Schaad, City Manager

Subject: Lease Agreement for Bryant Field

Recommendation:

Pass a Motion to approve a Lease Agreement for Bryant Field, between the City of Marysville and Highlands Community Charter School.

Background:

Highlands Community Charter School is a Public Adult Community Charter School with a strong presence in the Sacramento and San Diego Region as well as a branch located in the City of Marysville. An important component of the mission of Highlands is building legacies leading to self-sufficiency and generational change through strong community partnerships. Highlands has expressed a desire to lease Bryant Field as a training and event facility, further enhancing its partnership commitment with the City of Marysville.

Discussion and Analysis:

Highlands Community Charter School is an Adult Charter School with over 13,000 students and 30 locations throughout the State of California. Highlands has demonstrated a strong commitment and substantially invested in improving and maintaining Bryant Field. Highlands' commitment and investment have made it possible for the Marysville Drakes Baseball Team to safely play baseball on the field. The Drakes are part of a larger independent professional baseball league called the "Pecos League" with 16 teams throughout the United States including 8 teams in California. The improvements have also created a more attractive environment for other potential events at the ballpark.

Highlands recognized the benefit of training students at Bryant Field and utilizing the stadium for large events related to their school. The City created a mutually beneficial lease agreement. The lease agreement is to be effective May 1, 2023, as Highlands did some maintenance and improvements beginning on that date.

Some key terms of the lease agreement include 1) The lease is for 3 years with the option for renewal. 2) The lease rate is $2,000 per month with a 3% increase each year. 3) The Lessee (Highlands) will be solely responsible for all maintenance and City-approved improvements to the ballpark or field. 4) The Lessee is responsible for all utility expenses (water, sewer, electricity, gas) during the term of the lease. 5) The City will maintain the right to continue holding community and other reserved events at the ballpark under the terms indicated in the lease agreement. 6) All billboards, banners, and other forms of advertising including electronic billboards must be pre-approved by the City. 7) Lessee will have naming rights

LEASE

This Lease ("Agreement") is made effective May 1, 2023 and is by and between the City of Marysville, a Municipal Corporation ("City") and Highlands Community Charter School ("Lessee").

Lessee desires to lease from the City, on a shared-use basis Bryant Field pursuant to this Agreement.

3. Lessee is Responsible for all Aspects of Maintenance and Repair. During the term of this Agreement in addition to its obligations under paragraph 2 (Setup and Cleanup for Other Reserved Events), Lessee is responsible at its sole expense to fully and completely maintain the Property and all City-owned facilities therein. These maintenance obligations are ongoing. Lessee shall be responsible for all aspects of maintenance and repairs to include without limitation any capital repairs and major maintenance of the Property and all City-owned capital facilities therein. In addition to major maintenance of the Property and all City-owned capital facilities, Lessee shall be responsible for regular maintenance as well. These obligations include clean-up of seating and concession areas and maintenance of

seats, public laboratories and restroom facilities, regular and routine maintenance of the HVAC, plumbing, electrical, water, sewage and onsite drainage systems.

As described above, Lessee is further responsible to maintain the facilities which are the subject of this Agreement in a fully operational condition such that the structures and facilities at the Property and all City-owned capital facilities therein shall be in at least as good or better condition at the end of this Agreement than the condition of such facilities on the effective date of this Agreement. Lessee's obligations of maintenance, replacement and repair shall not take into consideration "reasonable wear and tear". To the contrary, Lessee's obligations require Lessee to maintain and repair the Property and all City-owned capital facilities at all times so as to negate the effects of "ordinary wear and tear". Without limiting the generality of the foregoing, Lessee is responsible for capital replacement and repairs of the structure, structural members, foundations, footings, roof, balconies, floors, columns, steps, ramps, doors, windows, walls, fixed stadium seats and seating areas, fixed concession areas, water and plumbing systems, electrical systems and electrical lights (including light standards and field lighting/ballasts), pipes and mains, sidewalks, fencing, parking surfaces, the scoreboard and all integral components of the foregoing and all fences and fencing. Such major maintenance and repair responsibilities Lessee apply whether the major maintenance or repair is ordinary or extraordinary, foreseen or unforeseen, necessitated by wear and tear, obsolescence, or any other cause.

4. Discretionary Improvements. Lessee has the right, at its own expense, to make alterations and improvements to the Property as are reasonably necessary or appropriate for Lessee's conduct of its business, subject to prior written approval by City and, once approved, such alterations or improvements are performed in a good and workmanlike manner by qualified personnel. Any necessary operations, maintenance and/or repairs relating to such alterations or improvements are the sole responsibility of Lessee, unless City first agrees in writing to accept responsibility. At the end of the term of this Agreement, any improvement installed by Lessee shall remain at the Property and shall be property of City. Lessee shall obtain all required City permits prior to making any improvements. Lessee shall comply with applicable general plan, zoning and other requirements of the City regarding improvements they install.

SECTION 6
Term, Termination, Default, Remedies

1. Term and Option to Extend. The Term of this Agreement shall be 3 years commencing with the Rent Commencement Date on the 1st of the month provided Lessee is not in default under the Terms of this Agreement, Lessee shall have the option to extend this Agreement for an additional 3 years by providing written notice to the City no earlier than 6 months nor later than 2 months prior to the expiration of the Original Term.

2. By Destruction. In accordance with Section 7 of this Agreement, City may terminate this Agreement.

3. Default by Lessee. It shall be a default under this Agreement if any of the following occurs:

A. Lessee fails to pay the Rent, and any other costs, surcharges or other monetary obligations as required by this Agreement; or

B. Lessee fails to observe and comply with any other term, condition, covenant or agreement to be observed and complied with by Lessee under this Agreement.

4. Remedies. As to any monetary defaults or obligation of Lessee to pay any monies to City, such default shall continue uncured for a period of three (3) days after Lessee receives notice from City, City shall be entitled to terminate this Agreement. As to any default of Lessee of a non-monetary nature, if such default continues uncured for a period of three (3) days after Lessee receives notice from City specifying the nature of the default in reasonable detail (or such period if such default cannot be reasonably cured within such 3-day period, provided Lessee commences such cure within such 3-day period and thereafter diligently pursues such to completion), City shall have the right, in addition to any other remedy available hereunder, or at law, or in equity, to terminate this Agreement. Termination of this Agreement shall not relieve Lessee of its obligation to make any monetary payment required of it pursuant to this Agreement (including the full payment of all license fees) nor shall Lessee's obligations of indemnity, insurance and other obligations which would naturally survive termination be excused. All such obligations shall continue to be binding upon Lessee until such obligations have been performed and satisfied in full.

5. Lessee's Right to Terminate for Loss of Funding Source. Lessee may, upon 90 days' notice to City, terminate this Agreement in the event they lose their funding source for their operations.

SECTION 7
Damage or Destruction

1. In the event the Property is substantially or totally damaged or destroyed so as to be unfit for occupancy or use by Lessee as contemplated, City in its sole and absolute discretion may terminate this Agreement. In the event City elects to terminate this Agreement, it may give Notice of Termination which shall be effective immediately. Whether City elects to terminate this Agreement pursuant to this section, City shall have no liability to Lessee with respect to any losses or damage occasioned by Lessee due to such termination or due to any delays occasioned by the time of repair, construction/reconstruction of the Property facilities. Lessee shall obtain business interruption insurance or take such other financial precautions as it deems necessary for any losses which might arise from the destruction or substantial destruction of the Property.

2. Restoration of the Property. For termination of this Agreement other than for damage or destruction as described in paragraph 1 above (to include expiration of this Agreement according to its terms or termination occasioned by default), Lessee will return the Property to its original or subsequently improved condition, and shall return to City all equipment and tangible personal property owned by City, if any, in good working condition, or reimburse City for reasonable cost of repairing such damage and/or replacing such personal property.

SECTION 8
Indemnity; Insurance

1. Indemnity by Lessee. Lessee shall indemnify and hold City, and its representatives officers, directors, employees and agents free and harmless from any and all claims, suits, liens, demands, damages, injuries, liabilities, losses and expenses of any kind (including reasonable attorneys' fees, expert witnesses and costs of investigation with regard to any claim, demand or action) to the extent they arise out of or are in any way connected with the performance of this Agreement by City, its agents, directors or employees or by Lessee, its agents, directors or employees whether such claims, liens, demands, losses or expenses are based upon a contract or upon a claim for personal injury, death, or property damage or upon any other legal or equitable theory whatsoever. Lessee agrees at its own expense and upon written request by City, to defend any claim, suit, action or demand brought against City on any injury, loss, or liability, actual or alleged covered herein. Notwithstanding this defense obligation, Lessee shall not be required to indemnify City from loss or liability to the extent such loss or liability arises from the sole negligence or willful misconduct of City, its agents, directors and employees, at such time that such sole negligence or willful misconduct has been finally determined by a court of competent jurisdiction. Lessee shall provide City with a defense until such determination has been made (*i.e.*, until a court of competent jurisdiction has finally determined that the loss or liability arises from the sole negligence or willful misconduct of City, Lessee shall provide a defense as to such loss or liability). Lessee's obligations of defense and indemnity arise even if the claim is frivolous or lacking in merit. The defense indemnification obligations of this Agreement are undertaken in addition to, and shall in no way be limited by, the insurance obligations contained in this Agreement. The indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Lessee or its agents under workers' compensation acts, disability benefit acts or other employment benefit acts. The Lessee shall pay all costs that may be incurred by the City in enforcing this indemnity, including reasonable attorneys' fees. Lessee's indemnity obligations survive this Agreement.

Lessee's duties to defend is separate and independent of its duty to indemnify. The duty to defend includes claims for which the City may be liable without fault of be strictly liable. The duty to defend applies regardless of whether the issues of negligence, strict liability, fault, default or other obligation on the part of the City has been determined. The duty to defend applies immediately regardless of whether the City has paid any sums or incurred any detriment arising out of or relating (directly or indirectly) to any claims. Notwithstanding the foregoing, the City on behalf of itself reserves the right to assume the

defense of any action, arbitration or proceeding against which Lessee may have an obligation to defend pursuant to this Agreement including the right to appoint counsel of its choice, without effecting Lessee's obligation to indemnify for the cost of such defense.

Lessee shall be liable to the City for any loss or damage to City property arising from or in connection with Lessee's performance hereunder.

2. Insurance Requirements.

A. Commercial General Liability. During the term of this Agreement, Lessee shall at all times maintain in full force and effect commercial general liability insurance in an amount determined as reasonably necessary from time to time by Northern California Cities Self-Insurance Fund (NCCSIF), a California joint powers agency, or City's subsequent insurance carrier. At the commencement of this Agreement, the commercial general liability insurance shall be $2,000,000 minimum combined single limit and a general aggregate limit of at least $4,000,000. The policy shall cover bodily injury, property damage, personal injury and other covered loss however occurring during the policy term. The coverage shall be primary and any insurance maintained by City shall be excess insurance only. Such insurance shall contain endorsements: (a) deleting any employee exclusion on personal injury coverage; (b) including employees as additional insureds; (c) deleting any liquor liability exclusion; (d) providing for coverage of employer's automobile non-ownership liability.

The commercial general liability insurance policy shall provide coverage on an "occurrence" basis, including products and complete operations, property damage, bodily injury and personal and advertising injury. If a general aggregate limit applies, the general aggregate limit shall apply separately to this Agreement and the Property.

B. Automobile Liability. Lessee shall, during the term of this Agreement maintain coverage for automobile liability using ISO Form CA 00 01 covering any auto (Code 1), hired (Code 8) and non-owned automobiles (Code 9), with limits of no less than $1,000,000 per accident for bodily injury and property damage.

C. Property Insurance. During the term of this Agreement Lessee shall at all times during this Agreement maintain in full force and effect property insurance, special extended coverage or all-risk coverage insurance (including, but not limited to coverage for vandalism and malicious mischief) in the amount of 100% of the full replacement value of all improvements at the Property. Such policy shall contain a replacement cost endorsement and a stipulated amount endorsement. Lessee may maintain the required coverage by means of coverage obtained by City through City's insurance carrier, which may change from time to time, for which Lessee shall reimburse City for coverage required during the Baseball Season.

D. Workers' Compensation. During the term of this Agreement Lessee shall at all times maintain in full force and effect workers' compensation insurance as required by the laws of the State of California. Lessee may be permissibly self-insured in accordance with applicable law.

E. Forms of Policies: Deductibles. All insurance policies required by this section shall provide for severability of interests; shall provide that an act or omission of one of the named or additional insureds shall not reduce or void coverage to the other named or additional insureds, shall not reduce or void coverage to the other named or additional insureds; and shall afford coverage for all claims based on acts, omissions, injury and damage, which claims occurred or arose (or the onset of which occurred or arose) in whole or in part during the policy period. All insurance policies required to be carried under this section shall be (a) written by companies rated A-VII or better in *Best's Insurance Guide* and authorized to do business in California, and (b) name City, its officers, officials, employees and volunteers as additional insureds. Any deductible amounts in excess of $5,000 under any insurance policies required to be carried by Lessee by this section shall be subject to City's prior written approval. Lessee shall be responsible for any such deductible amount, so that so far as City is concerned, it will be as if the insurance had no deductible.

Each insurance policy required above shall provide that coverage shall not be cancelled, except with no less than thirty (30) days prior notice to City.

Lessee hereby grants to City a waiver of any right to subrogation which any insurer of said Lessee may acquire against City by virtue of the payment of any loss under such insurance. Lessee agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not City has received a waiver of subrogation endorsement from the insurer.

City reserves the right to modify these insurance requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage or other special circumstances.

City, its officers, officials, employees and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the Lessee including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Lessee's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10 and CG 20 37 forms if later revisions are used).

For any claims related to this Agreement, the Lessee's insurance coverage shall be primary insurance as respect to City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by City, its officers,

officials, employees or volunteers shall be in excess of Lessee's insurance and shall not contribute to it.

F. Insurance Endorsements: Failure to Deliver. Lessee shall furnish City upon execution of this Agreement, and thereafter within 30 days prior to the expiration of each such policy, amendatory endorsements issued by the insurer carrier of each policy of insurance carried hereunder and such policy endorsement to verify the additional insured status of City. The endorsements shall expressly provide that the policy shall not be cancellable or subject to reduction of coverage or otherwise be subject to modification except after 30 days' prior written notice to City. If Lessee shall fail to procure such insurance or deliver such endorsements, City may, at its option, and in addition to City's other remedies in the event of default by Lessee under this Agreement procure the same for the account of Lessee, and the cost thereof shall be paid to City as an additional license fee. Failure to obtain and maintain the required endorsements prior to the commencement of the Baseball Season in 2023 shall not waive Lessee's obligation to provide them. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

SECTION 9
Sublicense or Assignment of Agreement

1. No Assignment or Sublicense. The license granted to Lessee is personal to Lessee and may not be assigned or sublicensed in whole or in part to any third party without the prior written consent of City, which City may withhold in its sole discretion.

2. No Release. Regardless of City's consent, no sublicensing or assignment shall release Lessee of Lessee's obligations or alter the primary liability of Lessee to pay the Rent and all monetary obligations under this Agreement and to perform all other obligations to be performed by Lessee hereunder, to include the indemnity and insurance obligations. Consent to one assignment or sublicensing shall not be deemed consent to any subsequent assignment or sublicensing. In the event of any default an assignee of Lessee, or any successor of Lessee in the performance of any of the terms hereof, City may proceed directly against Lessee without the necessity of exhausting remedies against such assignee or successor. City may consent to subsequent sublicensing or assignment of this Agreement or amendments or modifications of this Agreement with assignees of Lessee, without notifying Lessee, or any successor of Lessee, and without obtaining its or their consent thereto, and such action shall not relieve Lessee of liability under this Agreement.

RE: Notice of Concern/Request for Information – "Marysville 2" Location
TRUSD Reply to HCCTS' Response Dated July 23, 2024

Dear. Mr. McGuire and Board Members:

By correspondence dated March 14, 2024, the Twin Rivers Unified School District ("District") sent a Notice of Concern and Request for Information to Highlands Community Charter and Technical Schools ("HCCTS") of our concerns related to the site located at 1431 C Street, Marysville CA, 95901 ("Marysville 2"). The notice also requested information regarding a $25,000 donation HCCTS gave to sponsor the facility upgrades to the field and the privately operated Marysville Drakes baseball team.

Thereafter, by correspondence dated March 29, 2024, HCCTS replied to the above-mentioned letter of concern. On June 17, 2024, the District sent a second Notice of Concern and Request for Information. The District made the following finding:

- Listing the Marysville 2 location as a CTE site without noting that the program has not started was misleading. When identifying locations in the future, HCCTS needs to indicate whether a site has enrolled students or otherwise indicate whether programs at a site has not yet begun and the anticipated start date.

Physical Address: 5115 Dudley Blvd. • McClellan, CA 95652
Mailing Address: 3222 Winona Way • North Highlands, CA 95660
(916) 566-1600 • FAX (916) 566-1784 • www.twinriversusd.org

The June 17, 2024, Notice of Concern and Request for Information also requested that HCCTS take the following actions by no later than 5:00 PM on July 31, 2024:

- TRUSD is concerned about the business practice of leasing the field for $5,000 per month before student enrollment has been secured and students are actually using the facilities. TRUSD requests that HCCTS address this concern and explain whether this is a regular business practice.

- Having students enroll in July 2024 for the CTE program at a location without any in-door classrooms to accommodate them during poor weather conditions raises concern about student health and safety. TRUSD requests that HCCTS address this concern including an explanation of how students will be able to participate in the CTE program on days with bad weather conditions.

- HCCTS needs to explain how the sponsorship of a private baseball team aligns with applicable laws addressing the prohibition against the unlawful gift of public funds.

- TRUSD questions why HCCTS did not enter into a services agreement to get the "perks" rather than giving a donation. HCCTS needs to respond to this issue.

By correspondence dated July 23, 2024, HCCTS replied to the District's above-mentioned Second Letter of Concern and Request for Information. Based on our review of HCCTS July 23, 2024, response, the District makes the following findings/concerns and requires the following additional actions:

1. HCCTS represented that the "Marysville 2" HCCS site is for "CTE programs." However, there is no facility, but rather it is a baseball field.

   <u>District Findings – Action Needed:</u>

   - The District appreciates HCCTS' response to the District's information request and expressed willingness moving forward to inform the District regarding the start dates of new CTE programs and the number of students enrolled or expected to enroll in the CTE programs. Please direct all such communications to Sharilyn Warta (sharilyn.warta@trusd.net).

2. Comprehensive explanation and breakdown of the $25,000 donation/sponsorship.

   <u>District Findings/Concerns – Action Needed:</u>

- Even though the District requested that HCCTS respond to this request by July 31, 2024, to date we have not received any response from HCCTS. This item is not even referenced in HCCTS' latest July 23 correspondence regarding the Marysville 2 location. Therefore, with this correspondence the District reiterates its request for HCCTS to provide a comprehensive explanation and breakdown of the $25,000 donation/sponsorship.

  As you are aware, per Education Code section 47604.3, HCCTS "shall promptly respond to all reasonable inquiries" from the District and "shall consult with" the District

"regarding any inquiries." It is the District's expectation that HCCTS promptly respond to this request as required by Education Code section 47604.3.

The District requests that HCCTS respond to the above requests for information/concerns by no later than **5:00 PM on September 20, 2024**. Your responses should be directed to the District for my attention.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items. Thank you for your attention to this correspondence and anticipated cooperation.

On March 14, 2023 Highlands Community Charter School received a request for information from TRUSD. On April 5, 2023 HCCTS sent TRUSD a response with the evidence of a proposal for sponsoring the Marysville Drakes Baseball Team dated March 11, 2023. The proposal outlined the various benefits that HCCTS would gain from this sponsorship. As provided in the previous letter, Highlands received the following marketing benefits from the $25,000 sponsorship:

● HCCTS will designate a series of home games with allowance to set up, manage, and maintain student recruitment stations

● Designated HCCTS Painted Graphic on a home-field dugout

● On Deck Circle Rug with HCCTS, "It's Never Too Late…” Graphic on Home and Visitors station

The sponsorship provided to the city of Marysville is unrestricted funds. Highlands has no knowledge of how the money was spent.

CTE Programs at Marysville 2
Highlands Community Charter School signed an MOU with Marysville 2 baseball field) with the intention of creating a CTE program (landscaping) and expanding our sports officiating program to Marysville 2. Due to staffing challenges, and the inability to acquire a qualified and credentialed teacher to lead these programs, we are now meeting with the City of Marysville and resonidering this lease agreement. This consieration reflects our commitment to efficiently allocating resources and prioritizing areas that most benefit our students and the community. Our primary concern remains the best interests of our students.

RE: Notice of Concern – "Marysville 2" Location
TRUSD Reply to HCCTS Response Dated 1/14/25

Dear. Mr. McGuire:

The Twin Rivers Unified School District ("District") is the authorizing entity Highlands Community Charter and Technical Schools ("HCCTS"). As the authorizing entity the District is required to provide oversight of HCCTS regarding compliance with its approved Charter, the Memorandum of Understanding between the District and HCCTS regarding the Charter School's operations and oversight, and laws applicable to their charter school operation.

By correspondence dated March 14, 2024, the District sent a Notice of Concern and Request for Information to HCCTS regarding concerns related to the site located at 1431 C Street, Marysville CA, 95901 ("Marysville 2"). The notice also requested information regarding a $25,000 donation HCCTS gave to sponsor the facility upgrades to the field and the privately operated Marysville Drakes baseball team.

Thereafter, the District sent and received multiple communications with HCCTS regarding the items outlined in the March 14 Notice. These correspondence dates are outlined below:

- HCCTS Response dated March 29, 2024
- District Reply dated June 17, 2024
- HCCTS Response dated July 23, 2024
- District Reply dated August 15, 2024
- HCCTS Response dated September 25, 2024
- District Reply dated October 16, 2024
- HCCTS Response dated January 14, 2025

Outlined below is a summary of the District's findings based on our review of HCCTS' January 14, 2025 response.

District Findings

- The HCCTS Board approved termination of the lease for the Marysville 2 location on November 7, 2024 and notified the District of this termination on January 14, 2025. HCCTS' September 25 communication provided advanced notification (at least 30-days in advance) of the proposed facility changes. Pursuant to the Mutual Termination of Lease Agreement ("Termination Agreement") with the City of Marysville, the lease was terminated effective November 30, 2024. However, while the lease terminated November 30th the Termination Agreement in paragraph #2 specifies that the City "shall continue to receive payment equal lease payments from Lessee [HCCTS] from December 1, 2024, through April 30, 2026, in the amount of $33,639.80."

  Please respond to the District confirming our understanding that HCCTS is still paying lease payments to the City in this amount and obligated to do so through April 30, 2026.

- The Termination Agreement in paragraph #2 also provides that HCCTS "will sell certain equipment (Exhibit A) to the City of $1.00 (one dollar and no cents), with the option of having it returned if the Lessee leases the Property in the future." Per Exhibit A, HCCTS purchased the equipment listed in Exhibit A for a total "purchase cost" of: $52,494.34. Given that the equipment was relatively new (purchased in 5/23 and 9/23), selling it all to the City for the sum of $1.00 raises concern regarding HCCTS' management of its funds and resources.

  Please provide an explanation regarding why this equipment was essentially donated to the City as consideration for termination of the lease, particularly given that the Termination Agreement still requires HCCTS to make lease payments through April 30, 2026. Please also confirm that transfer/disposal of the equipment in this manner was consistent with applicable HCCTS policies.

- In the September 9 reply, HCCTS stated that the sponsorship proposal with the Marysville Drakes Baseball team, dated March 11, 2023 included various "benefits" to individuals. Most of the benefits outlined in the September 9 reply were related to recruitment and marketing opportunities. However, the additional "benefits", which were included in the proposal for VIP tickets at home games and tickets to affiliated Pecos League Team games raises additional concerns.

  Please provide a list of all the employees who received the above-referenced benefits. Include in your response the job title of each employee at the time that they received the benefit.

Please contact Sharilyn Warta (sharilyn.warta@trusd.net) if you need any clarification regarding the above items.

Thank you for your attention to this correspondence and anticipated cooperation.

Sincerely,

Ryan DiGiulio

Marysville 2 Lease Termination & Equipment

The termination agreement between HCCTS and the City of Marysville requires that HCCTS will continue to provide payments equal to the lease amount from HCCTS from December 1, 2024, through April 30, 2026, totaling $33,639.80. HCCTS confirms its commitment to meeting the financial obligations post-termination as stipulated in the agreement.

The termination agreement states: "If the Lessee leases the property again in the future, HCCTS has the option to get the equipment back. HCCTS sold it to the City for just $1.00 but it's not a permanent sale. The agreement allows HCCTS to reclaim the equipment later if the property is leased again."

If HCCTS returns to the Marysville 2 in the future, we would have the opportunity to reclaim this equipment for a CTE program. Significant time and resources were invested in this site, and HCCTS may revisit a Career and Technical Education (CTE) program there in the future based on student interest. HCCTS doesn't currently have a transfer or disposal of equipment policy.

Highlands Night at the Ballpark

On June 24, 2023, HCCTS hosted a marketing and recruiting event, "Highlands Night at the Ballpark." This was the only event held under the sponsorship agreement, and it was open to all students, staff members, and their families. Entry was free, and attendees were required to present their staff or student ID. Prior to the event, a calendar invite was sent to all employees and a flyer was distributed at each HCCTS location. According to the Google Calendar invite sent out by Doc Smith, 78 HCCTS employees responded yes. In total, approximately 250 students, staff, and their families participated in the event. Below you will find the names and titles of staff who responded yes to the calendar invite.

Report Suspicious

Hello Shari,

HCCTS employees did not use any VIP tickets. The "Highlands Night at the Ballpark" was the only event held under the sponsorship agreement.

Thank you,

The District's February 19th letter asked for a list of employees who received benefits, meaning "VIP tickets". Your response discusses an event held on June 24, 2023 and you state that this was "the only event held under the sponsorship agreement". We appreciate the information about the event, but our request was for the names and job titles of employees who used a VIP tickets since the partnership began.

This report summarizes the Highlands Community Charter School (HCCS) for the 2021-22 school year activities and includes and update on the 2022-23 school year.

NOTE: HCCS noted that there was a confusion between ADEL and EL codes which resulted in a discrepancy in percentages for data submitted on dashboards. The above percentages for HCCS came directly from HCCS.

The report will be divided into seven areas and are aligned with TRUSD board policy on charter oversight.

The Superintendent or designee shall monitor the charter school to determine whether it complies with all legal requirements applicable to charter schools, including making all reports required of charter schools in accordance with Education Code 47604.32. Any violations of law shall be reported to the Board.

The Board shall monitor each charter school to determine whether it is achieving, both school wide and for all groups of students served by the school, the measurable student outcomes set forth in the charter. PART I: COMPLIANCE WITH LEGAL REQUIREMENTS (BOARD POLICY)

Board Policy:

The Superintendent or designee shall monitor the charter school to determine whether it complies with all legal requirements applicable to charter schools, including making all reports required of charter schools in accordance with Education Code 47604.32. Any violations of law shall be reported to the Board.

HCCS states they filed all required reports with their office, and there are no known violations of law. TRUSD states that all required reports have been filed, and there are no known items to report.

PART 2: STUDENT OUTCOMES AND LCAP (BOARD POLICY)

Board Policy:

The Board shall monitor each charter school to determine whether it is achieving, both school wide and for all groups of students served by the school, the measurable student outcomes set forth in the charter. This determination shall be based on the measures specified in the approved charter and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability

There are limited ways to measure student outcomes for alternative programs as students do not take the Smarter Balanced Assessments taken in traditional K-12 schools. Data points from the most recent LCAP are included in this report.

Dashboard Alternative School Status (DASS) (2019-20 Data)
HCCS is a DASS participating school.

The 2022 California School Dashboard (Dashboard) and Graduation Rate Additional Report now include the DASS one-year graduation rates for schools identified as DASS. DASS schools are alternative schools that mainly serve "at-promise" students and have met the DASS eligibility requirements. The DASS one-year graduation rate measures the percentage of students who were enrolled in grade twelve (including early grade eleven graduates) during the 2021–22 school year and earned a standard high school diploma, special education certificate of completion, California High School Proficiency Examination (CHSPE), or an adult education diploma. These students count as graduates for the purposes of the DASS one-year graduation rate.

Please note that due to the denial of California's waiver by the U.S. Department of Education in 2022, the DASS one-year graduation rate will not be used for accountability purposes. Instead, it is provided for informational purposes only at the school-level for DASS schools. In addition, DASS one-year graduates will not be used for calculating the outcomes of the College/Career Indicator for DASS schools in future Dashboards.

PART 5: SITE VISIT OBSERVATIONS

Leadership

On Thursday January 19, 2023 Twin Rivers visited 5 sites for HCCS and CICA. The visits were lead by Von Allen, Director of Equity Initiatives, Brian Hamilton, Assistant Deputy Director and Mayra Valdivia, Assistant Deputy Director. Executive Director, Murdock Smith met up with the team at the Oak Park site. Principals from most of the sites lead the tour at their locations.

Physical Plant

The physical plants varied from business office spaces, to a converted car dealership, churches and a historical parish downtown. The Historic Oak Park site had recently received updates with renovations and fresh paint. The Florin site provided a very open floor plan while still allowing space for private meetings. The Calvary site provided plenty of space for the class, but could use some improvements to widen the narrow hallway to be ADA compliant. CICA and HCCS use shared spaces in many of the locations.

Classroom Visits

The in-person classroom visits provided a brief look at the approach to instruction for the various levels of English Learners. In most classes, students were seated in groups with others at similar EL levels. Groups are encouraged to collaborate and assist one another with work as needed. TRUSD witnessed multiple creative and interactive uses of technology such as a Jeopardy game with a focus on punctuations, American idioms, and word definitions. Student engagement were fully engaged in each classroom. The 4+ class lead by Mr. Aguirre was extremely full providing very little space to walk. Fewer tables or a bigger class would be more ideal.

Challenges

The greatest challenges for teachers is the new curriculum implementation as the learning curve is steep. For students, the greatest challenge is trying to get their basic needs met while investing in their education. As an organization, HCCS is challenged by the staffing and teacher shortage as well as finding ways to ensure students have their basic needs met so they can move from “survival to significance”.

Successes

While the new curriculum implementation is the greatest challenge for teachers, it is also the one of their greatest successes. Students are excited, making quicker progress and getting more support. For the organization, HCCS feels one of their greatest successes is to be serving a population of students that would otherwise be overlooked, which includes a 70% EL population and 34% African American student population.

PART 6 SUMMARY

Twin Rivers conducted the annual leadership meeting on November 3, 2022. Members from Highlands Community Charter School and California Innovative Career Academy were present:

- Murdoc Smith, Executive Director
- Matthew Lemos, Acting Director of Finance
- Christina Martinez, Director, CICA
- Lars Jorgensen, Chief of Staff
- Kevin Taylor, Deputy Director
- Melissa Roberson, Special Projects
- Brian Hamilton, Assistant Deputy Director
- Andrew Michaud, Principal
- Mayra Valdivia, Assistant Deputy Director

The Leadership team shared a brief overview of how the programs began in 2014-15 and how it has evolved to where it is today. The team is especially proud to be providing independent learning opportunities to a population that would otherwise be excluded because they do not have the supports they need at home.

HCCS supports academic success in a variety ways, which includes, but is not limited to high dosage tutoring (flexible hours between 6 am and 10 pm), robust cultural proficiency training for tutors, close alignment of tutors with teachers to ensure proper academic supports, and digital boot camps for students to ensure they have adequate knowledge of technology to be successful in Independent Study programs.

Other supports for students include a significant investment in a mentorship program to increase touchpoints with students and provide them with additional SEL supports. Technology assistance is provided through Chromebook and Cell Phone distribution to students as well as hands on training with "Digital Navigators" to teach students how to utilize the resources.

Leadership changes that were made in the recent past include the hiring of Matthew Lemos as Acting Director of Finance and Lars Jorgenson Chief of Staff. HCCS expects to continue expanding its sites, which aligns with their approach to ensure equity in access by providing educational opportunities in the neighborhoods they serve.

Twin Rivers continues to encourage HCCS to communicate about the plans to expand or close sites before the changes are made.

Executive Director

HIGHLANDS COMMUNITY CHARTER SCHOOL (HCCS)
Annual Oversight Report 2021-2022

Appendix C: LCAP Summary

Successes

Highlands continues to make progress in the areas of technology, academic achievement, workforce readiness, and student services. Due to the COVID-19 pandemic, there has been a suspension on data in the Dashboard. Prior to the pandemic, HCCS had red indicators in chronic absenteeism, graduation rate, and college/career.

The California Dashboard does not give accurate indicators of HCCS overall school progress because it weighs heavily on CAASPP test, which our students don't take. Instead, we provide local measures of academic performance and workforce readiness.

Academic Performance

- 7,060 total number of CASAS assessments in 2021-2022, an increase of 78% since 2020-2021. This is due to both an increase in enrollment and an increase in testing frequency to every 6-8 weeks. Additionally, during the 2020-2021 school year COVID made inperson testing impossible and new guidelines required 1-on-1 testing via Zoom ultimately limiting our testing capacity. Once inperson learning commenced, the testing doubled and we are looking to return to regular testing in future years.
- 54% of students who have both a pre- and post- CASAS test achieved a level gain. On average in pre-pandemic years, 40% of our students were improving and moving up a level during the calendar year. During the pandemic, level gains dropped but we are seeing a steady increase after in-person learning returned • 2,489 passing EL Civics assessments. EL Civics assessments are designed to teach and measure life skills and strive to be authentic replications of real-world tasks. Three annual assessments are given to students throughout the school year. Increased student participation has a positive impact on daily life as it relates to employment and interaction with civic establishments.

Workforce Readiness

- Career Technical Education has experienced over 300% growth over the course of the year. More and more students are learning about CTE opportunities through in-class presentations, appointments with counselors, and through exposure to workforce chats with the goal of increasing CTE participation to 85%.
- Three new CTE offerings were added including Multi-Craft Core Construction (MC3), Paraeducator pathway, and the introduction of internships.
- Additional CTE programs will be added in the coming year: welding, culinary, barbering, and STEM options (robotics, computer programming, electrical engineering, etc).
- Over 25 iCEV (Internet Creative Education Videos) certifications were completed online with programs such as Southwest professional communication, business office technology, personal financial literacy, anatomy and physiology, principles of construction, and more.

Student Services

- 299 students received eyeglasses through our partnerships
- 850 students visited our mobile Clothing Closet and received free and much needed clothing items which includes winter wear, interview attire, formal wear, and children's and infant's clothes.
- 1882 meals were given to students at various sites.
- 150 students received other services such as housing, delivery of technology, and more.

Identified Need

A large percentage of our students are socio-economically disadvantaged and fall into the unduplicated student's category requiring more support in their pursuit of education. In addition, 67% of our students are actively parenting, 70% of our students are women, and many of them work in addition to attending school. Without the typical in-class support in online learning during COVID, most of our students experienced a learning loss. These are the following steps HCCS is taking to address this learning loss:

Addressing Learning Loss and Supporting Students

- High-dosage tutoring services were provided to all students online resulting in 80% of graduates receiving academic support.
- Increased number of paraeducators in classrooms.
- Former paraeducators were promoted to teachers offering better representation and even bilingual support in the classroom.
- Offering more instructional minutes during the day.
- English Learner students at intermediate level now have earlier access to CTE programs.
- Adoption of supplemental literacy and advanced curriculum to provide English skill-specific content through ABC English and Burlington English

Comprehensive Support and Improvement
Highlands Community Charter School

Support for Identified Schools

Navigators, Counselors, Student Intervention Team (SIT), and The Center for Workforce Solutions will work in collaboration to meet student academic, language, cultural and social/emotional needs that may impede graduation.

- Counselors will meet with 50% of their high school student caseload once each term to monitor academic progress.
- Navigators will meet with 50% of their ELD/IHS student caseload once each term to monitor academic progress.
- Navigators will support ELD/IHS students in their native languages as needed.
- Students not meeting academic progress will be referred to the Student Intervention Team for support to meet basic and other needs including but not limited to: food & clothing distribution, expungement support, housing resources, medical and mental health resources.
- Navigators and Counselors will collaborate with students to develop a post graduation plan which may include college, vocational school, or employment.
- CTE information sessions will be offered to all students each term.
- 100% of graduating students will be referred to The Center for Workforce Solutions team for assistance with resume building, interview skills, and job placement.

The Superintendent or designee shall monitor the charter school to determine whether it complies with all legal requirements applicable to charter schools, including making all reports required of charter schools in accordance with Education Code 47604.32. Any violations of law shall be reported to the Board.

HCCS reports they filed all required reports with their office, and there are no known violations of law. TRUSD reports that all required reports have been filed, and there are no known items to report.

PART 2: STUDENT OUTCOMES AND LCAP (BOARD POLICY)

Board Policy:

The Board shall monitor each charter school to determine whether it is achieving the measurable student outcomes set forth in the charter, both school-wide and for all groups of students served by the school. This determination shall be based on the measures specified in the approved charter and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability plan (LCAP).

There are limited ways to measure student outcomes for HCCS as students do not take the Smarter Balanced Summative Assessments like traditional K-12 schools. Data points from the most recent LCAP are included in this report.

California Workforce Innovation and Opportunity Act (WIOA)

HCCS falls under the Workforce Innovation and Opportunity Act (WIOA). The California Workforce Innovation and Opportunity Act intersects with Title 3 (Postsecondary Education), Division 7 (Community Colleges), and Part 54.5 (Strong Workforce Program) of the California education code by promoting collaboration between educational institutions, workforce development agencies, and employers to provide individuals with the skills and training needed to succeed in the labor market.

While AB 1507 outlined restrictions to the geographic locations of charter schools, it did not change the geographic location exemption for charter schools operating in partnership with the Federal Workforce Innovation and Opportunity Act. This means WIOA schools may operate sites outside of the District's boundaries.

Dashboard Alternative School Status (DASS)

HCCS is one of the TRUSD independent charters that is DASS-designated.

DASS schools serve a specific population of students who may require additional educational approaches or support services. The DASS designation is intended to provide context for understanding the performance of these schools within the broader landscape of education in California. It acknowledges that these schools may have different performance metrics or expectations than traditional schools, due to the unique needs of the students they serve.

The DASS designation does not imply that the school's performance is inferior or deficient; rather, it recognizes the importance of considering the specific challenges and circumstances faced by the student population served. Using different measures, metrics, and targets, authorizers should evaluate DASS schools on outcomes under the same general categories. The measurements for each DASS school should be based on the population they serve.

The 2022 California School Dashboard (Dashboard) and Graduation Rate Additional Report now include the DASS one-year graduation rates for schools identified as DASS. DASS schools are alternative schools that mainly serve "at-promise" students and have met the DASS eligibility requirements. The DASS one-year graduation rate measures the percentage of students who were enrolled in grade twelve (including early grade eleven graduates) during the 2021–22 school year and earned a standard high school diploma, special education certificate of completion, California High School Proficiency Examination (CHSPE), or an adult education diploma. These students count as graduates for the purposes of the DASS one-year graduation rate.

Please note that due to the denial of California's waiver by the U.S. Department of Education in 2022, the DASS one-year graduation rate will not be used for accountability. Instead, it is provided for informational purposes only at the school level for DASS schools. In addition, DASS one-year graduates will not be used to calculate the outcomes of the College/Career Indicator for DASS schools in future Dashboards.

PART 3: FISCAL CONDITION (BOARD POLICY)

Board Policy

The Board shall monitor the fiscal condition of the charter school based on any financial information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, annual update of the school's LCAP, first and second interim financial reports, and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

The TRUSD Executive Director of Fiscal Services conducts a detailed review of the budget, interim reports, and audit. TRUSD's Executive Director, Fiscal Services, and Director, Special Projects do a detailed review of the LCAP. HCCS has a liability-to-asset ratio of 25.5%. Anything less than a 40% ratio is a strong indicator of fiscal solvency. HCCS ended the 2022-23 year fiscally solvent with net unrestricted assets of $25.9M. HCCS is fiscally solvent in the current and future years and has sufficient cash.

PART 5: SITE VISITS

Background

As of June 5, 2024, MOU Amendment No. 3 between Highlands Community Charter and Technical Schools and TRUSD lists 20 student sites and 1 administrative site for CICA. (See Appendix B for a list of sites).

TRUSD requires the HCCTS administration to provide prior notification before closing or opening any sites. The District will determine if the addition of a new site constitutes a material revision.

During the 2023-24 school year, TRUSD contracted services with Ryland, Strategic Business Consulting to conduct the annual oversight visits. Scott Leaman, Financial Program Consultant, Ryland, Strategic Business Consulting completed 30 site visits for HCCS facilities. The remaining facilities will be visited during the 2024-25 school year.

Summary of Visits

The onsite visits involve conversations with staff leadership, a walk of the facilities, and observations of the students and staff in their educational environment. Visitations only provide a snapshot of daily activities, and all efforts are made not to disrupt any learning. Overall, meetings with staff have been pleasant, informative, and welcoming.

Site Personnel:

- Staff at the sites appear dedicated. Based on the description of activities and observation, they are focused on students succeeding.
- All staff were welcoming and open about their program. They were excited to share their efforts and site activities.
- While some teachers hold traditional K-12 credentials, many teachers reported holding the Adult Education credential, but not a K-12 teaching credential.
- Site administrators hold a variety of degrees and credentials.

Program

- Overall, based on observation, programs consist of an English Learner Program, a High School diploma program, and Career Technical Education (CTE). There are other smaller or local programs and initiatives such as an Equity Program.
- The English Learner Program and High School Programs are taught in person under HCCS, and the I.S. online programs are under CICA. Both use a similar curriculum but are delivered in different formats.
- Many teachers and administrators cited strong curricular support through the Edmentum online high school program and “Theme Packets” that are authored by HCCTS staff. Staff also supplement their program with other resources.
- Many staff cited multiple staff development options offered by the school.
- Students in the English Learner Program are assessed throughout the year and placed in “levels” based on their proficiency. Levels 0-3 are in Independent High School (IHS), followed by a “Bridge” program, then high school.
- Grade level assignment is based on credits: ninth grade on the attainment of 50 credits, tenth is 51-149 credits and twelfth is 150-200 credits. There is no eleventh-grade offered.

Technology/Classrooms

- Almost all classrooms had a projector, strong internet service, student laptops (sometimes served by a central laptop cart), and school-issued phones.

Classrooms were equipped similarly with tables, chairs, and wall colors, no matter where they were located.

Students

- The Student Intervention Team was cited often by staff as a referral for students in need. This team was described as guiding students to available resources.
- Although not visited, the staff stated that a laundromat is available to students in Sacramento.
- Daily student attendance for in-person programs (HCCS) is logged by a “Brain” scanning program or through paper. Online programs (CICA) have an Evidence of Progress standard in order to continue attending.

The “Summary of Visits” include details for both HCCS and CICA and were taken from Ryland Strategic Business Consulting end of year memorandum to TRUSD.

- Students appeared engaged and on task during their studies.

Overarching

- In-person program ADA (HCCS) was reportedly 50%. These programs appear to have a 15-day non-attendance notification process followed by a 20-day drop process. TRUSD with support and collaboration from HCCTS is performing a detailed review of the attendance practices via an outside auditor.
- Independent Study Program ADA (CICA) is reportedly at or near 90%. These programs appear to have an “Evidence of Progress” requirement before dropping a student, or placing them on a Leave of Absence, as described by the school.

This assessment it the sole general statewide assessment of academic achievement administered at the high school level, however, it is not administered at Highland because they do not offer eleventh grade.

HCCTS’ staff and students appear focused on adult student success. None of the overarching comments should take away from the efforts observed of teachers, administrators and students supporting their educational success.

PART 6: LEADERSHIP MEETING SUMMARY

Leadership

TRUSD met with Highlands Community Charter and Technical School's leadership team on Tuesday, November 14, 2023, via zoom. Present for HCCS were the following individuals:

- Murdock Smith, Executive Director
- Mayra Valdivia, Assistant Deputy Director
- Brian Hamilton, Assistant Deputy Director
- Isa Cacho, Director of Student Services
- Lee Farrand, Director of Workforce Solutions
- Christina Martinez, Director of Independent Study
- Melissa Roberson, Academic Programs Coordinator

Enrollment

Enrollment has continued to increase at a rapid rate for HCCTS . There are over 14,000 students enrolled in HCCTS throughout the state. Part of the growth is attributed to the Workforce Innovation and Opportunity Act which allows them to expand beyond the boundaries of their local governance agency.

Goals

HCCTS has a Career Technical Education goal of enrolling 85% of the students in a CTE program. To reach this goal the organization makes it a priority to communicate with each student about their needs and areas of interest. As of the date of this leadership meeting, HCCTS has surpassed this goal with 86% of students currently enrolled in a Workforce Readiness, CTE course program or pathway.

Academic achievement is another one of the organization's goals. The adult student population has a variety of barriers that prevent them from succeeding academically so HCCTS works hard to remove the obstacles. Some of the actions HCCTS has taken to remove barriers include adopting a culturally relevant curriculum, providing an easy transition from in-person to independent study, high dosage tutoring available throughout the day and evening, and hiring a Community School Coordinator.

Changes in Leadership

Currently, HCCTS is in the middle of a reorganization with an anticipated new organizational chart that better represents the roles. Updates are expected to take place during January 2024. In addition to this major change, HCCTS promoted Christina Martinez to the Director of Independent Study for CICA.

Student Recruitment

HCCTS does conduct some of the typical recruitment activities by partnering with local agencies, but most of the students come by referral and/or word-of-mouth.

Highlands Community Charter and Technical Schools

Academics
To help students recover from the pandemic and mitigate learning loss, leadership focuses on professional development. Specifically, as it pertains to learning loss and chronic absenteeism. May and August PD was entirely focused on learning loss. A holistic approach was taken to address this issue with a focus surrounding empathy, and the ability to communicate and understand the diverse population of learners.

Other academic supports include high-dosage tutoring from 6:00 a.m. to 10:00 p.m., the Burlington English program for English Learners that helps to bring alignment across all content areas. The digital literacy boot camp continues to be a major support in the areas of academics as it removes technology barriers. The culturally relevant curriculum has also supported academic success for students.

This year HCCTS plans to increase the use of games in their homework assignments, especially for English Learners so they have fun ways to learn. They will also be expanding the use of the “Brain” application beyond collecting attendance and meeting compliance requirements to support the academic programs.

CTE Courses
This year HCCTS began to investigate a Personal Finance CTE course. While this is not officially a CTE course, it may be added shortly as they had 95 students enrolled. The highest interest appears to be in the Truck Driving CTE course which leads students to high-paying jobs and the Digital Navigator CTE courses which allow students to earn certificates from Google.

Facilities
Small upgrades such as painting, waxing floors, new carpet, and restroom upgrades have been made at various sites. As new sites are explored the organization looks for sufficient space for laundromats, exercise rooms, and spaces for student centers. We recommend that HCCTS follow the steps outlined in MOU Amendment No. 3 for opening new facilities.

Challenges and Successes Last Year
Murdock Smith cites the organization's greatest success from last year to be the strong team of leaders that have emerged over the past few years. They have made personal growth and taken ownership. The increased of diversity for principals, especially at CICA is another huge success. HCCTS desires to have staff demographics mirroring their student population. While the staff has continued to grow personally, staffing continues to be a challenge. The quick growth had made it difficult to keep up with the ever-growing needs.

ORGANIZATION

The Organization operates two schools in California. Each school is operated on the same tax identification number as the Organization. Charters were granted for each school for up to five years, with an opportunity for renewal. Charters may be revoked by the charter authorizer for material violations of the charter, failure to meet or make progress toward student outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law. As of June 30, 2023, the schools operated by the Organization were as follows:

Charter School Name	Charter Number	Sponsoring District	Charter Expiration	Grades Served	Students Served

Appendix F: Current Concerns

FINANCE

Enrollment

- Attendance is approximately half of enrollment.

Attendance

- Concerns surrounding attendance-taking procedures, accurate tracking of attendance, and proper reporting. (The District has secured an outside attendance auditor to investigate these items further.)
- "The Brain" application is used to take attendance but has not been approved.

Budget

- None

Grade Levels

- Lack of clarity regarding goals for program completion. (i.e., the length of time students are enrolled in programs.)
- The majority of students are not enrolled in a High School Diploma program, but rather in an English Learner program. However, all students are reported in grades 9, 10, and 12.

Student Code

- Enrollment and dis-enrollment data concerns for 2022-23 and 2023-24 years. (The District has secured an outside attendance auditor to investigate this item. further.)

McKinney-Vento

- Lack of clarity surrounding how McKinney-Vento funding is being spent.

ACADEMICS

Grade Placement & Transition

- Absence of 11th grade in the High School program
- Unclear transition tracking or path from grade to grade
- 9th Grade enrollment percentages have steadily increased for the last 3 years while 12th-grade enrollment has steadily decreased over the past 3 years. It is concerning that students are not progressing to the next grade levels.

Graduation Rates

- How is progress being measured?
- Extremely low graduation rates as reported to CDE on the four or five-year cohort (21-22 = 19.1% and 22-23 = 21%) and the DASS one-year metric (22-23 = 13.5% and 22-23 =22.8%).

***Current Concerns**: a summary of current concerns identified through ongoing oversight activities or complaints reported to the District.*

LCAP

- 2023-24 LCAP: The section regarding Educational Partner input requires that specific actions are provided as examples of how educational partner input was used and is reflected in the plan. No specific actions are addressed in this section.
- 2023-24 LCAP: Include required descriptions of contributing actions and how they serve unduplicated students. While there is a description of the goals and actions, they also need to be listed in this section. Include data and or research evidence to support how these actions contribute to increased services for the unduplicated population

Measurable Pupil Outcomes

- The current petition states that HCCS will "compile and provide to TRUSD an annual performance report", however, the District has not received any data from HCCS. Specifically, the District requires performance data from the Comprehensive Adult Student Assessment System (CASAS). This makes it difficult for the District to track academic progress.
    - The district is committed to working with HCCS to identify specific DASS metrics as outlined in Ed. Code, but requests that HCCS immediately begin submitting an annual performance report as outlined in the current petition.

Sub-Group Data

- What specifically is in the LCAP to support EL and McKenney Vento students?

GOVERNANCE AND OPERATIONS

Employee Complaints

- How are employees notified of the complaint process?
- Is there a consistent and acceptable system to investigate all complaints?
- The District is concerned about complaints being missed due automatic misfiling of emails into the HR spam folders. As of the date of this report, the District is aware of one such incident.

Facilities

- HCCS does not provide prior notification before sites are closed.
- HCCS does not provide appropriate, prior notification before sites are opened as required by the current MOU.
- Costly site lease payments without the presence of students. Examples include student programs in Lake Tahoe (no students enrolled), Marysville (no students enrolled), and an administrative building in a business condo in San Diego (an administration site that is not near any student sites).
- Multiple HCCTS sites are located in religious buildings. While this is not prohibited by law, it raises constitutional religious entanglement and/or endorsement issues.

Credentialing

Report Metrics and Categories

This report summarizes the results of oversight activities using the following metrics:

- **Renewal Track**: The status summarizes the charter schools standing in one of three areas (Academic, Governance and Operations, and Fiscal). There are three rankings for this criterion:
    1. **On Track**: The charter school is on track for renewal.
    2. **Progressing:** The charter school has areas that need to be addressed. If not addressed, the petition may not be renewed.
    3. **Off Track:** The charter school has significant areas of concern and may be considered for petition denial or revocation.

- **Executive Summary Categories**: These categories outline areas of strength, suggestions for improvement, recommended actions, and required actions in one of three areas (Academic, Governance and Operations, and Fiscal).

    - **Strengths:** Commendations and/or strengths noted during the oversight activities.
    - **Areas of Improvement:** Areas to consider improving or addressing. If not addressed, these may eventually move into the “Required Actions” or “Concern” categories.
    - **Required Actions**: Actions the charter is required to complete. If not addressed, these may move into the “Concern” category.
    - **Concern:** Items of concern identified during annual oversight activities. If not addressed, these items may result in a negative status change.

Unduplicated Pupil Percentage (UPP)

The Unduplicated Pupil Percentage Count (UPP) is used to calculate LCFF funding. This metric determines the percentage of students who fall into one or more of the following categories:

- **Low-Income (LI):** Students eligible for free or reduced-price meals under the National School Lunch Program (NSLP).
- **English Learners (EL):** Students who are not proficient in English and are designated as English learners.
- **Foster Youth (FY):** Students who are under the care of the state foster system.

The UPP term means that each student is only counted once, even if they fall into multiple categories. HCCS' UPP increased by 1.13% from the 2022-23 year to the 2023-24 school year.

Part 3: Student Outcomes (Education Code)

California Workforce Innovation and Opportunity Act (WIOA)

HCCS falls under the Workforce Innovation and Opportunity Act (WIOA). The California Workforce Innovation and Opportunity Act intersects with Title 3 (Postsecondary Education), Division 7 (Community Colleges), and Part 54.5 (Strong Workforce Program) of the California education code by promoting collaboration between educational institutions, workforce development agencies, and employers to provide individuals with the skills and training needed to succeed in the labor market.

While AB 1507 outlined restrictions to the geographic locations of charter schools, it did not change the geographic location exemption for charter schools operating in partnership with the Federal Workforce Innovation and Opportunity Act. This means WIOA schools may operate sites outside of the District's boundaries.

Dashboard Alternative School Status (DASS)

Until December 11, 2024, HCCS had been a DASS designated school. DASS schools serve a specific population of students who may require additional educational approaches or support services. The DASS designation is intended to provide context for understanding the performance of these schools within the broader landscape of education in California. It acknowledges that these schools may have different performance metrics or expectations than traditional schools, due to the unique needs of the students they serve.

Due to the DASS designation, there are limited ways to measure student outcomes for HCCS as students do not take the Smarter Balanced Summative Assessments like traditional K-12 schools. On November 8, 2024 TRUSD and HCCS established agreed upon alternative metrics by which to measure student progress (Education Code 47604.33(c))7)). A list of these metrics is provided in the attached appendices.

On December 11, 2024 the California Department of Education notified HCCS that the school is no longer eligible for the DASS status. This change does not affect the 2023-24 school year. Therefore, the agreed-upon DASS metrics will be included in this report.

California Schools Dashboard Performance Categories (New in 2024)

In March 2024, the California Department of Education announced the release of the "Charter School Performance Category". This is an additional criterion for determining whether to approve a charter renewal. The District must consider a charter school's placement under the performance categories based on the school's performance on the California School Dashboard.

Under this criterion, non-DASS schools are placed into one of three performance categories:

- High: A charter school in this category is eligible for a five-, six-, or seven-year renewal term. It is assumed that the petition will be renewed for these schools, although they may be denied in rare cases.
- Middle: A charter school in this category may be renewed for a five-year term. t is assumed that the petition will be renewed for these schools, although they may be denied in rare cases.
- Low: A charter school in this category may be renewed for two years only if it meets the conditions under *Education Code* Section 47607.2(a)(4). It is assumed that the petition for these schools will be denied. (Only 10.4% of schools in California fell into this category for those whose renewals are due in 2024-25.) Low-track schools may only be renewed if:
    - The school creates an improvement plan that is approved by the Board of Trustees.
    - The school provides verifiable data with compelling evidence that the school is on an upward trajectory and students are making progress.

Part 5: Site Visit Summary

Introduction

This section of the Charter School Oversight report has been created in collaboration between Ryland Strategic Business Consulting (Ryland SBC) and the Twin Rivers Unified School District (District). Ryland SBC has been contracted by the District to conduct charter oversight site visits, record observations, and create an Executive Summary for each Direct Funded ("Independent") Charter School under the District's authority.

Background

The purpose of this section of the report is to summarize the observations, notes, and recommendations from the 2024-25 leadership meeting and site visits conducted for the Highlands Community Charter School (HCCS). HCCS is managed by Highlands Community Charter and Technical Schools (HCCTS). The information provided in this section is designed to support the District's oversight responsibilities in monitoring academic performance, governance practices, facilities adequacy, and measure the charter school's performance toward goals.

Methodology

Site visits were arranged with site coordinators or district office staff. Visits took place throughout California from 2/29/2024 through 11/6/2024. Each visit was comprised of three elements: A meeting with the site leadership team, classroom visits, and a tour of the campus. Information was collected using interviews, observation, document analysis, inquiry, and research.

Leadership Meetings

The site principal or director attended every leadership meeting. Staff at the sites demonstrated dedication to the HCCS program. Observations and activity descriptions indicate a strong dedication to students. All staff members were welcoming, open, and eager to share their efforts and site activities.

Over forty leadership meetings were conducted on-site, serving as a foundation for the site visits. These meetings covered topics such as site enrollment, Average Daily Attendance (ADA), student enrollment duration, disenrollment procedures, grade levels served, specific supports for homeless students and English Learners (EL), as well as challenges and successes.

Physical Plants Summary (see Appendix for complete list)

The school sites visited were located in a variety of settings, including strip malls, churches, mosques, repurposed church schools, office buildings, repurposed traditional school sites, community centers, a college, and a baseball field. Some active religious sites rented by HCCS contained religious objects in classrooms and other areas.

Most sites consisted of two to five classrooms, with Grand Avenue, 1333 Grand Ave., Sacramento, CA 95838 being the only comprehensive site. Grand Ave housed administration, support personnel, a laundry facility for student use, a daycare, and Career Technical Education (CTE) programs.

DRAFT

Highlands Community Charter and Technical Schools

Highlands Community Charter School

The site list underwent several changes during the visitation period. Some sites were listed as open but were not (e.g., South Lake Tahoe, Old Auburn), while others closed (e.g., Lao Family Oakland). A baseball field in Marysville was listed as a site, but workers on-site reported no classes were held there. Additionally, some sites faced significant parking shortages.

Classroom Summary

With a wide variety of site settings, class configurations and layouts varied. Nearly all classrooms were equipped with a projector, strong internet service, student laptops (sometimes provided through a central laptop cart), and school-issued phones. Regardless of location, classrooms were similarly furnished with tables, chairs, and standardized paint colors.

In spaces used full-time by HCCS, posters explaining HCCTS programs were displayed, along with student work and reference materials on the walls. Teachers appeared to take pride in their classrooms, creating welcoming environments. Classrooms located on the second floor typically had elevator access.

Instructional Practices

HCCS serves students aged 22 and older who have not earned a high school diploma. Its foundational programs include an English Learner program known as Independent High School (IHS), a high school diploma completion program, and the Bridge Program, which connects the two. Additionally, Career Technical Education (CTE) programs and equity initiatives are available.

Students in the English Learner program are assessed throughout the year and placed into proficiency levels (0–3) within IHS before progressing to the Bridge program and eventually the high school diploma program. Grade-level placement is based on credits earned, with ninth grade classified as up to 50 credits, tenth grade as 51–149 credits, and twelfth grade as 150–200 credits. Notably, there is no eleventh-grade classification. To earn a high school diploma, students must complete 200 credits across 11 subject areas, including English, math, science, history, government, economics, workforce readiness, and CTE or electives.

HCCS requires students to attend class in person to earn credit. Students who do not attend for ten consecutive days are dropped from the program, as reported by site administrators. Before reaching this threshold, classroom teachers and site administrators attempt to contact students through various methods. This policy was revised in the fall of 2024, reducing the absence limit from 20 days to 10. However, there is no requirement for students to remain in class for the entire period once they have signed in, either electronically or on a physical sign-in sheet.

Instructional methods vary depending on the program. Teachers in the Independent High School (IHS) English Learner Program use diverse strategies, including modeling, direct questioning, worksheets, picture interpretation, literature, small group activities, videos, and student responses. Students appeared engaged and eager to learn. However, there was a high volume of students entering and leaving during class, indicating that many did not stay for the full session. School officials emphasized

DRAFT

that, as an adult learning institution, they could not require students to remain. Reported attendance in these classes was approximately 50% ADA.

The Bridge Program consists of required classes that prepare students for the high school diploma program. Both the Bridge and diploma programs rely on the Edmentum online curriculum. CTE classrooms were designed to replicate real-world work environments, with some students also learning at business locations. Unlike IHS and high school diploma classes, CTE courses typically had much smaller enrollments.

While some teachers hold traditional K-12 credentials, many reported holding only an Adult Education credential rather than a K-12 teaching credential. Despite this, teachers are assigning credit for high school courses. Site administrators hold a variety of degrees and credentials.

Curriculum and Content

Teachers and administrators emphasize strong curricular support from the Edmentum online high school program and custom theme packets developed by HCCS staff, supplemented with additional teacher-selected resources. ABC curriculum and Burlington Math are also available to teachers. Professional development opportunities are widely accessible to staff.

Students in IHS are assessed at least three times a year to determine their appropriate level (0–3). This process continues until they reach level 4, or Bridge. As long as they maintain enrollment, they can continue in the program. In the Bridge and high school completion programs, student progress is measured through credit completion, although no clear credit attainment rate was shared. Administrators noted that many students disenroll when they approach level 3 and/or gain enough English proficiency to secure employment.

CTE classes are available in over 30 fields, including culinary arts, early childhood education, fitness, construction, finance, truck driving, welding, barbering, beauty, and more.

School Culture

All sites were welcoming, and students remained focused on learning English, earning credits, or developing job skills. The school's motto, "It's Never Too Late," was reflected in the dedication of the adult learners observed. Students were supported by caring teachers and administrators who were enthusiastic about their programs. Both students and staff demonstrated flexibility in adapting to various classroom configurations and locations.

Support Services

Students are assessed at least three times a year to ensure they are progressing through the IHS levels. In the Bridge and high school completion programs, students are assigned a teacher who monitors their credit acquisition and attendance. Those with social needs are referred to the School Intervention Team (SIT), which connects them with social services.

Many school sites have small food pantries and/or free clothing distribution from donated goods. Some locations also feature student centers that provide additional support. Language Navigators (LN) assist

DRAFT

non-native English speakers with interpretation, while Digital Navigators (DN) help students with technology issues. The Grand Ave site offers a laundromat and childcare is available at select locations. A fitness center is accessible to students who can travel to Sacramento. Additionally, native home-language paraeducators are present in many classrooms to support students. All students receive free phones with internet and cellular service.

HCCS students are also eligible to participate in the HCCTS Equity Initiatives Program. This program aims to increase high school graduation rates among African American males, Latinx males, and women of color aged 22 and older. It provides mentorship, skill-building, networking events, and individualized career pathways to help students secure meaningful employment.

Challenges & Successes

Parking was a challenge at some sites, and many principals cited the need for additional classroom space due to increased enrollment. IHS class sizes remained an ongoing concern, and staffing shortages persisted across multiple sites with several positions remaining unfilled. Ensuring consistent student attendance was a priority, though administrators noted that social needs often impacted students' ability to attend class. Low ADA was a widespread concern among administrators.

Despite these challenges, several successes were highlighted, including increased enrollment, student enthusiasm, staff dedication, support for students seeking a high school diploma, program expansion, and the school's role in serving the immigrant community.

Findings

Commendations

- HCCS has one of the most unique charter school missions in California. Students enroll with clear goals—learning English, completing high school, or acquiring job skills.
- Staff members are dedicated, caring, and committed to meeting student needs.
- The curriculum team develops specialized instructional materials for teachers, and ongoing professional development opportunities are provided.
- Staff seemed happy to be a part of the school and its mission.

Observations

- Enrollment growth has strained HCCS systems, a challenge further compounded by its large geographic footprint across California.
- The graduation rate was 2.8% in 2023-24.
- There are multiple attendance-taking methods.
- There appears to be no expectation for students to remain in class after signing in.
- During classroom visits, less than half of the enrolled students were present.
- Students can remain enrolled by attending class once every 10 days, meaning a student could attend as few as three days per month and still be considered active.
- Some classrooms and meeting spaces contained religious symbols.

DRAFT

Highlands Community Charter and Technical Schools

Highlands Community Charter School

- Parking, classroom space, and staffing were often cited as ongoing issues.
- Despite being categorized as a high school, HCCS does not offer an 11th grade.
- During the site visits, administrators noted that many students disenroll when they approach level 3 and/or gain enough English proficiency to secure employment indicating that the program is more of an English Learning program than High School completion program.

Recommendations

- Consider reducing the number of days a student can be absent while remaining enrolled, as non-attending students place a strain on school systems, including administration, educators, and central office operations.
- A single, standardized method for taking attendance should be implemented.
- Consider recording attendance by period to ensure students are present and engaged in learning.
- Evaluate the CTE programs and/or consider strategies to increase enrollment in CTE programs.

Part 6: Leadership Meeting Summary

Leadership Present

Twin Rivers Unified School District (TRUSD) and its representatives meet with the Highlands Community Charter School's (HCCS) leadership team on Monday, September 16, 2024. Strategic Planning and Initiatives

A board retreat was recently completed to gather input on strategic planning. They have identified workforce and CTE as high priorities. No new initiatives will be started this year. HCCTS reported that facilities are being analyzed to insure they are appropriate. All enrollment was paused the prior month, and the school is evaluating their absence policy. A lottery process with be used for new enrollments. An inquiry was made concerning expulsions, and it was shared the school has a policy, but no one has been expelled.

Staff

All staff participate in professional development two times a year in the fall and spring. The content this year focused on Independent High School and level assessments along with updating pupil placement assessments. To recruit staff, the school attends multiple job fairs and other events. The school shared they pay high salaries to retain staff. All principals have been trained in restorative practices and town halls are held to co-create solutions. Collaborative circles are in place to assist with communication and practices.

Academics

Staff have been trained on level assessments and high school students are administered assessments through the Comprehensive Adult Student Assessment System (CASAS) in math and reading. The school is analyzing the Dashboard Alternative School Status (DASS) metrics as it relates to graduation rates and other achievement. The school is examining achievement in many areas including reading, EL classification, and other areas. Students with 60 credits left to graduate will become a new focus with supports to help them graduate. 5,500 students have passed the civics assessment, which is aligned with the CASAS. The collaboration with American River College is ongoing and 40 students are enrolled. They are examining English Learner supports and stated that they would like to begin using ELPAC as soon as possible. Although, the District notes that the California Department of Education declined this

DRAFT

request as the ELPC is not designed for students over 21 years of age. The school is using an MTSS approach to support students.

Operations

The school encountered accelerated growth and wants to improve their attendance rate. HCCTS stated they are working to hire additional staff and the viability of current positions are being examined. An updated planning process for the safety plan has been attained. The school is seeking feedback from students and staff.

Appendix H: HCCTS Credential Monitoring Findings – Comparative Analysis

2023-2024
TRUSD Credential Monitoring Findings Summary

10/16/2024	Highlands Community Charter and Technical Schools
Date Published	Charter Organization
Layle Bojanski	Byanca Alcazar and Nikki Madison
Report Created By	Charter Organization Contact Person

Item	2022-2023	2023-2024	Change	Notes
Vacancies	149	27	-122	While the improvement is commendable, some subject areas (notably in Exploratory CTE and Self-contained classrooms) continue to indicate shortages. Though the overall reduction is extremely positive, vacancies still require additional focus. When selecting this determination, we recommend noting the vacancy and making a recruitment plan to assure it does not reoccur in the following year.
CALPADS Errors	301	465	164	There was a notable increase in CALPADS errors this year, increasing by more than 54%. However, a few recurring data submission issues were still present, primarily around assignment coding and course alignment. While the Charter has a better understanding of how courses are assigned in CALPADS, these errors can still impact assignment monitoring. When selecting this determination, we recommend noting the nature of the error in greater detail; include the information that should have been reported, which may include the CALPADS course code and title, etc.
Local Assignment Options (LAOs)	150	39	-111	We noticed a decrease in the use of Local Assignment Option 44865 this year. When comparing the staff from one year to the next, one can conclude that a reason for this decrease is due to staff turnover and there are not as many Single or Multiple Subject credentialed employees working for the Charter.
Misassignments	210	273	63	The slight uptick in misassignments is mainly attributed to assigning teachers without non-academic (CTE) authorizations to CTE courses and assigning teachers with 30 Day Emergency Substitute Permits to vacancies. When selecting this determination, we recommend noting the misassignment and making a plan to assure it does not reoccur in the following school year.

Highlands Community Charter and Technical Schools

Highlands Community Charter School

Recommendations	
Item	**Recommendation**
Vacancies	Consider implementing a system to track vacant or open positions from the beginning of the school year and throughout. This tool can be used during assignment monitoring to identify the history of the position and enable you to provide better detail when you explain the Determination. For example, include information on whether the position became filled with a full-time teacher, if it was closed, and/or what recruitment efforts were made to fill the position for the subsequent year. As we've discussed, Vacancies will always be considered as a Misassignment.
CALPADS Errors	Providing targeted CALPADS training for your staff responsible for data input and verification would be beneficial. Implementing periodic internal audits throughout the year to catch errors before submission would also help improve overall accuracy. Specifically, use of course code 1000 should only be used in self-contained settings. Finding a more suitable course code for courses where no curriculum, instruction, assignments, exams or credit, will improve data for subsequent years. In addition, begin to transition Charter employees who are teaching non-academic (CTE) courses to apply for a CTE credential in the specific industry sector instead of having the authorization added to their Adult Education credential. Having this additional credential will not only benefit them but will also legally authorize them to instruct the Exploratory CTE course (7000) and English Learners, if applicable.
Local Assignment Options (LAO's)	For the coming year, prioritize developing pathways for current staff to obtain proper credentials. This could include professional development, credentialing assistance programs, or collaborating with local universities to create pipeline programs. The Adult Education Charter can extend credentialing flexibility under EC 44865 to holders of Single or Multiple Subjects credential so another recommendation would be to focus on recruiting and hiring these individuals. As a reminder, assignments under EC 44865 require employee consent. Please implement a practice to get employee consent for these assignments prior to the assignment start date.
Mis-assignments	Conduct regular credential audits to ensure teachers are appropriately assigned and avoid using 30-day permit holders to fill full time positions. It may also be beneficial to appoint a dedicated credentialing coordinator to monitor assignments throughout the year. Ensuring that your HR team is familiar with assignment regulations and works closely with CALPADS staff can further reduce misassignments.

Recommendations for Improvement
Early Recruitment and Staffing: Require site administrators/hiring managers to be specific with their program needs and Identify staffing needs early. Being focused and aware of staffing needs allows you to begin recruiting as soon as possible and ensures you will recruit candidates with the appropriate credentials or authorizations. Partnering with local program sponsors, teacher residency programs, and even offering incentives such as signing bonuses could help fill vacancies.
Ongoing Data Management Training: Attend refresher courses and workshops on CALPADS data entry and reporting to minimize errors. Reviews of CALPADS data, specifically reports 4.3 and 4.5, in December through February, would also help detect errors in advance.
Professional Development and Credential Support: If applicable, consider providing professional development funding or tuition assistance to current teachers interested in obtaining additional credentials. Establish clear professional growth pathways for paraeducators and substitutes to become fully credentialed teachers.
Regular Internal Monitoring: Using the CALPADS reports 4.3 and 4.5, perform mid-year credentialing audits and assignment reviews. This can ensure compliance throughout the year, allow you to correct misassignments, and prevent end-of-year surprises. Additionally, creating a tracking and communication system for misassignments can provide valuable insights for future planning.

Appendix J: HCCS Oversight Executive Summary

ACADEMICS

RENEWAL TRACK	CONCERNS	REQUIRED ACTIONS
Off Track	5	0

The charter is "off track" in the area of academics because at least one area of concern involves potential material violations.

TYPE	DESCRIPTION
STRENGTH	HCCS met or exceeded all DASS agreed upon metrics for the 2023-24 school year except the High School Bridge English Language Learner level 6 target. *(*This may be updated or removed, pending the publication of the DASS 1-Year Graduation Rates on the California Schools Dashboard.)*
STRENGTH	During the 2023-24 year, IHS level 3 English Language Learners moving to high school exceeded the target of 5% by 27.12%.
STRENGTH	During the 2023-24 year, HCCS exceeded California State targets by at least 30% for English Language Learners with a pre and post-test measurable skills gains in levels 0, 1, 2, and 3.
STRENGTH	During the 2023-24 year, the percent of HCCS 12th grade students enrolled in a CTE program exceeded the 10% target by 10%.
AREAS FOR IMPROVEMENT	The percentage of HCCS high school learners with a pre and post-test, achieving measurable skills gain at level 6 have not met California state targets for the past 3 years resulting in this DASS metric being unmet.
AREAS FOR IMPROVEMENT	During the 2024-25 site visits, HCCS administrators stated that many students disenroll when they approach level 3 and/or gain enough English proficiency to secure employment. This pattern likely negatively impacts academic achievement.
AREAS FOR IMPROVEMENT	HCCS stated that progress for students in the Bridge and high school completion programs are measured through credit completion. However, no clear credit attainment rate has been shared.
AREAS FOR IMPROVEMENT	During classroom visits, it was noted that less than half of the enrolled students were present.
AREAS FOR IMPROVEMENT	On December 11, 2024 the District received notification from the CDE stating that the Dashboard Alternative School Status for HCCS was being revoked. Beginning the 2024-25 school year, the District will follow the CDE's guidance by using the California School Dashboard and the performance category/level (when available) to monitor and evaluate each school's academic performance.
CONCERN	The 2022-23 and 2023-24 SARC for HCCS reports more than 60 classrooms with enrollment numbers higher than 100 students. Classroom spaces cannot physically accommodate this number of students at one time. Interviews with staff and observations point to students being provided with work packets and then sent home, or encourage to only attend for part of the day, as space permits. This prevents students from attending class which has a direct impact on academic achievement. Additionally, the practice may result in the violation of Education Code 47612.5 regarding the requirement for at least 80% of the instructional time offered to be at the school site. To prevent corrective actions by the District, HCCTS must

DRAFT

Highlands Community Charter and Technical Schools

Highlands Community Charter School

	take immediate action to address this concern and reduce class sizes, limiting enrollment to that which could be safely and feasibly accommodated. The District will be implementing additional oversight measures during the upcoming 2025-26 year to ensure continued compliance.
CONCERN	The attendance audit authorized by the District notes students arriving and departing continuously during classes. Interviews with staff indicated that a significant number of students simply check-in and leave class without intending to attend or they are given packets and leave to work independently at home. This practice does not align with the classroom-based instruction model as outlined in Ed. Code or the HCCTS' student handbook. Additionally, it is contradictory to HCCS petition which states "*We believe that attendance is crucial for our students' success*". The of allowing students to check in without ever intending to attend and giving packets to work independently is a high concern. To prevent corrective actions by the District, HCCS must immediately cease this practice and ensure access to classroom-based instruction for students, while complying with room capacity requirements for safety. The District will be implementing additional oversight measures during the upcoming 2025-26 year to ensure continued compliance.
CONCERN	On 08/09/23 and 3/27/24, the College Oak site was closed for staff development and Muslim holidays. Some students were provided one-day Independent Study packets. HCCTS correctly asserts that the three-day minimum requirement for Independent Study was not applicable to charter schools. While ADA earned for these students would be allowable, HCCS did not report any Independent Study ADA during the 2023-24 school year. This action has likely led to classroom ADA being incorrectly reported for the site. The District requires HCCS to take immediate actions to address and correct any ADA reporting errors.
CONCERN	The current grade levels are not aligned with the approved petition. Contradicting the petition, the program is now described as a high school program, but omits 11th grade. To-date HCCS has not submitted a Material Revision request as required by Education Code.
CONCERN	HCCS has not participated in the mandatory CAST Science test as required by law.

GOVERNANCE AND OPERATIONS

RENEWAL TRACK	CONCERNS	REQUIRED ACTIONS
Off Track	1	3

The charter is "off track" in the area of governance and operations because HCCTS has at least one area of concern involves potential material violations. (See appendix K for more details.)

TYPE	DESCRIPTION
STRENGTH	The school's motto, "It's Never Too Late," was reflected in the dedication of the adult learners observed.
STRENGTH	Both students and staff demonstrated flexibility in adapting to various classroom configurations and locations.
AREAS FOR IMPROVEMENT	Parking, classroom space, and staffing were often cited as ongoing issues.

AREAS FOR IMPROVEMENT	SARC reports were identified as an area of concern earlier in the year due to inaccurate and missing data. HCCS has corrected the reports, but should make improvements in this area to ensure accuracy of reporting. The District will include oversight activities on this item during the 2025-26 school year.
REQUIRED ACTION	The number of annual instructional minutes during the 2022-23 school year for students on Track A, attending the PM schedule was short. The attendance report stated that the minutes were short by 6,510 minutes. HCCTS believes the instructional minutes were short by 4,500. The District is concerned with the instructional minutes not meeting the requirement. HCCS must review the Track A schedule and refile for an adjustment for the shortage in instructional minutes. Additionally, as HCCTS stated in their response they must then resubmit ADA reviews to the District and the CDE by the beginning of the 2025-26 school year. HCCS should cooperate with the District during the upcoming 2025-26 school-year as additional oversight measures will be implemented.
REQUIRED ACTION	It was reported by HCCS staff that prior to 2023-24, attendance records were discarded at the end of the school year. This action is in direct contradiction to the HCCS charter petition's which affirms that HCCS will "*Maintain accurate and contemporaneous written records that document all pupil attendance and make these records available for audit and inspection.*" HCCS should cooperate with the District during the upcoming 2025-26 school-year as additional oversight measures will be implemented.
REQUIRED ACTION	Scott Leaman, TRUSD site visit contractor noted that the HCCS facility located at 1100 Fulton Avenue, #F, Sacramento CA was closed "due to sewage and other building issues." The District was not able to conduct the site visit at this location. Provide the District with an update regarding the facility issues and how students were served during the facility's closure.
CONCERN	For multiple past years, HCCS had not adopted the Comprehensive School Safety Plan (CSSP) annually by March 1st as outlined by Education Code. HCCS must update the CSSP, annually by March 1st. The current plan does not include all required elements as outlined in EC Section 32282(a)(2)(A-L). The District will include follow-up activities on this item during the oversight activities for the 2025-26 year.

HCCTS is "off track" in the area of academics because both charter schools (HCCS and CICA) have areas of concern involving potential material violations.

STRENGTH	Staff members are dedicated, caring, and committed to students.

GOVERNANCE AND OPERATIONS		
RENEWAL TRACK Off Track	CONCERNS 5	REQUIRED ACTIONS 5

HCCTS is "off track" in the area of governance and operations because at least one area of concern involve potential material violations.

TYPE	DESCRIPTION
STRENGTH	HCCTS offer a variety of social services such as food pantries, free clothing distribution, laundromat, childcare, and fitness center.
STRENGTH	Staff members are dedicated, caring, and committed to meeting student needs.
AREAS FOR IMPROVEMENT	Enrollment growth has strained HCCS' and CICA's systems. This is a challenge further compounded by its large geographic footprint across California.
AREAS FOR IMPROVEMENT	The District commends HCCTS for revising at least half of the outdated Board Policies and their work to ensure all BPs are updated by June 30, 2025. HCCTS' commitment to continue reviewing and updating BPs as needed and their plan to communicate updates is noteworthy. However, the BP revision process needs to be strictly followed. Concerns related to the revision of BP 3310 have been identified. The District will include oversight activities on this item during the 2025-26 school year.
AREAS FOR IMPROVEMENT	Several sites are located in religious buildings that display religious symbols in HCCTS classrooms. Most of the concerns have been addressed, but there are still facilities in which this issue is not resolved.
REQUIRED ACTION	The CTE Truck Driving program has allowed non-students to participate. HCCTS has stated that they have ceased this practice. HCCTS should cooperate with the District during the upcoming 2025-26 school-year as additional oversight measures will be implemented.
REQUIRED ACTION	During the 2022-23 and 2023-24 school years, HCCTS used an incorrect calendar for reporting ADA that resulted in incorrect P-2 divisors. HCCTS has stated that this has been

Highlands Community Charter and Technical Schools

Highlands Community Charter School

	addressed during the 2024-25 school year. HCCTS should cooperate with the District during the upcoming 2025-26 school-year as additional oversight measures will be implemented.
REQUIRED ACTION	The reporting structure and internal controls for attendance were identified as "inadequate" during the 2024-25 District authorized Attendance Study. This resulted in multiple errors in attendance accounting, lack of training for staff, and inconsistency in documenting and verifying attendance reporting. HCCTS has communicated that they are updating the attendance taking procedures and that they will seek approval from the District before making any changes to the attendance polices. HCCTS should cooperate with the District during the upcoming 2025-26 school-year as additional oversight measures will be implemented.
REQUIRED ACTION	Provide the District with an update regarding the plan to implement a single attendance track with all minimum number of instructional minutes met before beginning implementation for the 2025-26 school year (8/11/2025). HCCTS should cooperate with the District during the upcoming 2025-26 school-year as additional oversight measures will be implemented.
REQUIRED ACTION	During the current 2024-25 school year, HCCTS began withholding suite and building numbers when providing lists of sites/locations. The District acknowledges the current MOU Amendment No. 3 as the accurate list of approved sites minus the locations which have been closed. The District requires suite and building numbers in order to conduct proper oversight.
CONCERN	On October 3, 2024 and October 17, 2024, the HCCTS' Board of Trustees approved multiple locations for operations that were not approved by the District as outlined in the current MOU Amendment No. 3 for CICA and HCCS. This action was done without complying to the terms outlined in the agreements. The District is reviewing and will follow-up appropriately.
CONCERN	HCCTS made numerous material changes to their procedures for collecting attendance and reporting ADA, but did not obtain approval prior to implementation. The District acknowledges that HCCTS informed the District of the utilization of the "Brain" app for attendance after the implementation and that the District was notified after they ceased to use the "Brain" app. However, prior approval was never sought. This requirement is outlined in CICA's and HCCS' petitions. While HCCTS has communicated that they will seek approval from the District before making any changes to the attendance polices, the actions outlined above constitute unapproved material changes. The District will be implementing additional oversight measures during the upcoming 2025-26 year to ensure compliance.
CONCERN	HCCTS continues to have CALPADS Errors or misassignments as outlined by the Commission on Teacher Credentialing (CTC). The CDE confirmed that HCCTS is on record as a K-12 school and not an adult school. The K-12 school type and adult education teacher credentialing remains an unresolved issue despite the District's Notice of Concern. To prevent corrective actions by the District, HCCTS must comply with the CTC's guidelines to appropriately address the misassignments and begin making immediate changes. The District will be implementing additional oversight measures during the upcoming 2025-26 year to ensure continued compliance.
CONCERN	Before closing, the Marysville 2 location was identified as a baseball field, not a facility. The District is reviewing additional concerns discovered through the investigation process.

DRAFT

Highlands Community Charter and Technical Schools

CONCERN	Although there are no students in or around the area, HCCTS has secured an administrative site in San Diego, CA. Additionally, a public records search showed that this location has been advertised as office condominiums where "*you can watch a game from your balcony*", specifically referencing HCCTS' administrative suite 310 as having a "*dedicated balcony with unparalleled view of Petco Park*." The purpose for this administrative facility in San Diego is unclear.

L. 5. PRESENT AND APPROVE Issuance of a Notice of Intent to Revoke the Charter of Highlands Community Charter School of the Highlands Community Charter and Technical Schools

Quick Summary / Abstract

On June 17, 2025, the District's Board of Trustees unanimously voted to issue a Notice of Violation to Highlands Community Charter School (HCCS), operated by Highlands Community Charter and Technical Schools (HCCTS). On June 18, 2025, the District delivered the Notice of Violation to HCCTS and specifying a reasonable remedy period of up to September 26, 2025, for HCCS to provide a written response to the Notice of Violation with supporting evidence addressing each identified violation. At the conclusion of the remedy period, on September 26, 2025, HCCS provided a partial response. The response with exhibits were provided to the District on September 29, 2025. However, as explained in the Notice of Intent to Revoke, substantial evidence exists that the Charter School failed to refute and/or remedy all of the violations set forth in the Notice of Violation to the District's satisfaction.

Based upon the substantial evidence that demonstrates failure to refute and/or remedy multiple violations identified in the Notice of Violation, District staff recommends the Board approve issuance of the Notice of Intent to Revoke to HCCS pursuant to Education Code section 47607 and Title 5, section 11968.5.2 of the California Code of Regulations. Staff, with support from legal counsel, will provide a presentation on the findings of fact and recommendation.

If issued, it is anticipated that a public hearing regarding whether there is substantial evidence to revoke HCCS Charter will be held at the December 2, 2025, Board meeting, and the determination of whether to issue a Final Decision to revoke will occur at a Board meeting before December 30, 2025, or January 30, 2026, if extended by mutual agreement with HCCS.

The Superintendent recommends that the Board of Trustees approve Issuance of the Notice of Intent to Revoke the Charter of Highlands Community Charter School. Contact person: Ryan DiGiulio, Chief Business Official, ryan.digiulio@trusd.net, (916)566-1600 ext. 31203.

I. 2. PRESENT AND APPROVE Issuance of a Final Decision Declining to Revoke the Charter of Highlands Community Charter School of the Highlands Community Charter and Technical Schools.

Quick Summary / Abstract

On June 17, 2025, the District's Board of Trustees unanimously voted to issue a Notice of Violation to Highlands Community Charter School (HCCS), operated by Highlands Community Charter and Technical Schools (HCCTS). On June 18, 2025, the District delivered the Notice of Violation to HCCTS specifying a reasonable remedy period of up to September 26, 2025, for HCCS to provide a written response to the Notice of Violation with supporting evidence addressing each identified violation. At the conclusion of the remedy period, on September 26, 2025, HCCS provided a partial response. The response with exhibits were provided to the District on September 29, 2025.

Based upon the substantial evidence at that time demonstrating HCCS's failure to refute and/or remedy multiple violations identified in the Notice of Violation, District staff recommended that the Board approve issuance of the Notice of Intent to Revoke to HCCS pursuant to Education Code section 47607 and Title 5, section 11968.5.2 of the California Code of Regulations, and the Board approved issuance of the Notice of Intent to Revoke at its meeting on November 4, 2025.

On December 2, 2025, the Board of Trustees held a public hearing in compliance with Education Code section 47607(h), on the issue of whether substantial evidence exists to revoke HCCS's Charter.

A Final Decision whether to revoke or decline to revoke HCCS's Charter must be issued within sixty (60) days of holding the public hearing, as that deadline was extended by mutual agreement of the District and Charter School. Therefore, the last day to issue the Final Decision regarding HCCS's revocation is January 31, 2026. If the Board does not act to issue a Final Decision by this deadline, the revocation process is terminated and the Notice of Intent to Revoke is void.

The Superintendent recommends to approve the Issuance of a Final Decision Declining to Revoke the Charter of Highlands Community Charter School of Highlands Community Charter and Technical Schools. Contact person: Ryan DiGiulio, Chief Business Official, ryan.digiulio@trusd.net, (916)566-1600 ext. 31203.

Rationale

The Final Decision whether to revoke the Charter of HCCS is limited to a determination of whether substantial evidence supports a finding(s) that the Charter School has failed to refute or remedy the violations identified in the Notice of Violation to the District's satisfaction. Consistent with Education Code section 47607, a chartering authority shall not revoke a charter unless it makes written factual findings supported by substantial evidence, specific to the charter school, that support its findings.

Based upon District Staff's analysis of the documented measures taken by HCCTS to refute and/or

remedy the violations identified in the Notice of Revocation, District Staff have determined that all the violations identified in the Notice of Revocation have been refuted or remedied to the District's satisfaction. As a result, District Staff recommends that the Board terminate the revocation process by approving issuance of a Final Decision declining to revoke the HCCS Charter, and the District will continue to implement a heightened level of oversight over HCCS and closely monitor its progress and compliance.

On December 2, 2025, the Board of Trustees held a public hearing in compliance with Education Code section 47607(h), on the issue of whether substantial evidence exists to revoke HCCS's Charter.

During a special Board meeting on January 27, 2026, District Staff presented their analysis of the measures taken by HCCTS to refute and/or remedy the violations identified in the Notice of Revocation. While the Board thoughtfully considered Staff's analysis and recommendation regarding revocation, it ultimately did not accept Staff's recommendation and no action was effectively taken regarding HCCS's revocation.

A Final Decision to revoke HCCS's Charter must be issued within sixty (60) days of holding the public hearing, as that deadline was extended by mutual agreement of the District and Charter School. Therefore, the last day to issue the Final Decision regarding HCCS's revocation is January 31, 2026. If the Board does not act to issue a Final Decision by this deadline, the revocation process is terminated and the Notice of Intent to Revoke is void.

The Superintendent recommends that the Board adopt Resolution No. 1613 Approving a Final Decision to Revoke the Charter of Highlands Community Charter School. Contact person: Ryan DiGiulio, Chief Business Official, ryan.digiulio@trusd.net, (916)566-1600 ext. 31203.

Rationale

The Final Decision whether to revoke the Charter of HCCS is limited to a determination of whether substantial evidence supports a finding(s) that the Charter School has failed to refute or remedy the violations identified in the Notice of Violation to the District's satisfaction. Consistent with Education Code section 47607, a chartering authority shall not revoke a charter, unless it makes

written factual findings supported by substantial evidence, specific to the charter school, that support its findings.

The District requires the fully executed copies of the most recent lease agreements for all of the facilities listed, even if they are no longer in use. We understand that some of the lease may have expired and that several are no longer being used. However, we still require the lease copies to ensure we are conducting proper oversight. The list includes the site that we have been made aware of from 2023 to present. If there are any locations that HCCTS has operated at or is operating at that I have not included on the list, please be sure to include those lease copies as well. If a location is no longer in use, please send the termination documentation as well.

I. RECITALS

WHEREAS, Bethany Slavic Missionary Church is the owner of a certain real property located at 9880 Jackson Road, Sacramento, CA 95827 (the "Site" or "Premises");

WHEREAS, Bethany Slavic Missionary Church is entering into this Lease to provide for the use and occupancy of the Premises (as defined below) by HIGHLANDS,

WHEREAS, HIGHLANDS and Bethany Slavic Missionary Church desire to enter into this LEASE to document the arrangement and agreement between parties regarding HIGHLANDS' use of Bethany Slavic Missionary Church'S Site during the 2024-25 school year (hereinafter "Applicable Year"), pursuant to conditions set forth below;

NOW THEREFORE, in consideration of the covenants and agreements herein set forth, HIGHLANDS and Bethany Slavic Missionary Church hereby agree as follows:

1. Premises

The leased Premises shall be a portion of the Site, such Premises consisting of approximately 460 square feet of exclusive-use classroom and accessory space (the "**Premises**") as well as shared use of certain facilities on the Property (the "**Shared Premises**"), as those Premises and Shared Premises are more fully described on the attached **Exhibit A**. HIGHLANDS shall have access to parking spaces on site in the number and in the location specified on **Exhibit B.**

033 - 9880 Jackson Rd.pdf

A. Term. The initial term of this Lease shall be for one year (the "Initial Term") and shall commence on October 1, 2024 and terminating on June 30, 2025. HIGHLANDS shall have the option to extend the term of this Lease for a period of one (1) year (an **"Extension Option").** The Extension Options must be exercised, if at all, by written notice (**"Option Notice")** delivered by HIGHLANDS to Bethany Slavic Missionary Church not less than three (3) months prior to the then-scheduled Expiration Date. In the event the Term of this Lease shall be extended under this Section, then all of the terms, covenants and conditions of the Lease shall remain unmodified and in full force and effect, except that:

(i) The Extension Term shall commence immediately upon the expiration of the Initial Term or prior Extension Term, as applicable.

(ii) The Rent for an Extension Term shall be the Base Rent applicable at the time of exercise of an Extension Option plus 3%.

B. Joint-Use. HIGHLANDS acknowledges that its right to use the Site shall not interfere with Bethany Slavic Missionary Church'S shared use of the Site, if any. Bethany Slavic Missionary Church'S shared use of the Site, if any, shall not unreasonably interfere with HIGHLANDS' use of the Site.

C. Reversion to Bethany Slavic Missionary Church. Upon the expiration of this LEASE by its terms, the right to use and to occupy the site and its facilities, and Bethany Slavic Missionary Church equipment thereon, shall revert to Bethany Slavic Missionary Church.

D. Drill Notice. In the event that HIGHLANDS conducts a fire, earthquake or other emergency drill, HIGHLANDS shall provide Bethany Slavic Missionary Church with reasonable advance notice of the time and nature of the drill.

In the alternative, HIGHLANDS may use furnishings and equipment from Bethany Slavic Missionary Church, if available. Bethany Slavic Missionary Church agrees to maintain an inventory to account for all equipment and a sufficient budget for all repairs or maintenance to equipment and furnishings at the site that are within its care, custody or control, with Bethany Slavic Missionary Church further agreeing to repair, maintain, or replace all such equipment in keeping with its obligations to provide a safe and suitable educational environment.

If it is determined that the Site is not suitable for occupancy (due to non-functioning systems such as plumbing, electrical, HVAC/R, fire or intrusion alarms, ADA compliance, roofing or structural deficiencies, door lock keys, fire extinguishers, legal postings at entry, compliant with the Fire Code, compliant with the Building Code for an educational use, compliant with the zoning for the property, etc.) Bethany Slavic Missionary Church shall do whatever is necessary to make the space or facility safe or compliant at its sole expense.

In the event that HIGHLANDS requires Bethany Slavic Missionary Church to perform emergency or major maintenance and repairs, HIGHLANDS shall notify Bethany Slavic Missionary Church directly. An emergency repair is defined as a situation requiring immediate attention, generally characterized by a dangerous or hazardous condition. Emergency work should be of such importance that immediate action is required to prevent a safety or health hazard, or prevent significant damage to Bethany Slavic Missionary Church'S property. Bethany Slavic Missionary Church shall indemnify, defend and hold HIGHLANDS, and its agents, employees, officers and directors, harmless from and against any and all loss of rents and/or damages, liabilities, judgments, claims, expenses, penalties, and attorneys' and consultants' fees arising out of or involving any Hazardous Substance existing on the Premises prior to October 1, 2024 or that are brought to the Premises as a result of the acts or failure to act of Bethany Slavic Missionary Church. v. Hazardous Substance Condition Remediation. Bethany Slavic Missionary Church or its agent shall have a continuing right at all times during the period that improvements are being constructed or installed to enter the premises and to inspect the work, provided that such entries and inspections do not unreasonably interfere with the progress of the construction or interrupt instruction to students, and Bethany Slavic Missionary Church may require the immediate cessation of work if the construction or installation is considered to be unsafe, inadequate or placing the site at risk of physical danger or compromise. In the event Bethany Slavic Missionary Church requires the cessation of work, Bethany Slavic Missionary Church and HIGHLANDS will immediately meet to address Bethany Slavic Missionary Church'S concerns.

Without affecting any other rights or remedies, Bethany Slavic Missionary Church and HIGHLANDS each thereby releases and relieves the other and waive their entire right to recover damages against the other, for loss of or damage to its property arising out of or incident to the perils required to be insured against herein. The effect of such releases and waivers is not limited by the amount of insurance carried or required, or by any deductibles applicable hereto. The Parties agree to have their respective property damage insurance carriers waive any right to subrogation that such companies may have against Bethany Slavic Missionary Church or HIGHLANDS, as the case may be, so long as the insurance is not invalidated thereby.

Any portion of the award and/or payment that remains shall be the property of Bethany Slavic Missionary Church. The District requires the fully executed copies of the most recent lease agreements for all of the facilities listed, even if they are no longer in use. We understand that some of the lease may have expired and that several are no longer being used. However, we still require the lease copies to ensure we are conducting proper oversight. The list includes the site that we have been made aware of from 2023 to present. If there are any locations that HCCTS has operated at or is operating at that I have not included on the list, please be sure to include those lease copies as well. If a location is no longer in use, please send the termination documentation as well.

In addition, SALAM may condition its consent to any Reportable Use upon receiving such additional assurances as SALAM reasonably deems necessary to protect itself, the public, the Premises and/or the environment against damage, contamination, injury and/or liability, including, but not limited to, the installation (and removal on or before Lease expiration or termination) of protective modifications (such as concrete encasements).

i. Duty to Inform SALAM. If HIGHLANDS knows, or has reasonable cause to believe, that a Hazardous Substance has come to be located in, on, under or about the Premises, other than as previously consented to by SALAM, HIGHLANDS shall immediately give written notice of such fact to SALAM, and provide SALAM with a copy of any report, notice, claim or other documentation which it has concerning the presence of such Hazardous Substance.

v. Hazardous Substance Condition Remediation. If HIGHLANDS becomes aware of a Hazardous Substance Condition occurring during the Term of this Lease, then HIGHLANDS shall notify SALAM and SALAM shall make the investigation and remediation thereof required by the Applicable Requirements and this Lease; provided, however, that if a Hazardous Substance Condition occurs as a result of Hazardous Materials that are brought on the Premises (by a party other than HIGHLANDS) prior to September 1, 2024, then HIGHLANDS may terminate this Lease upon written notice to SALAM if such remediation will substantially impair HIGHLANDS's use of the Premises. Landlord shall not be required to keep this security deposit separate from its general funds, and Tenant shall not be entitled to interest on such deposit. If Tenant shall fully and faithfully perform every provision of this Lease to be performed by it, the security deposit or any balance thereof shall be returned to Tenant (or, at Landlord's option, to the last assignee of Tenant's interest hereunder) within ten (10) days following expiration of the Lease term. In the event of termination of Landlord's interest in this Lease, Landlord shall transfer said deposit to Landlord's successor in interest.

7. ADDITIONAL CHARGES

~~1. In addition the Minimum Rent to be paid by Tenant pursuant to Article 4, Tenant shall pay to Landlord at the time and in the manner herein specified, additional rent in an amount equal to percent (%) of the amount of Tenant's gross sales made in, upon or from the Premises during each calendar year of the Lease term, less the aggregate amount of the Minimum Rent previously paid by Tenant for said calendar year.~~

~~2. Within thirty (30) days after the end of each calendar month following commencement of rent, Tenant shall furnish to Landlord a statement in writing, certified by Tenant to be correct, showing the total gross sales made in, upon, or from the Premises during the preceding calendar month, and shall accompany each such statement with a payment to Landlord equal to said hereinabove stated percentage of the total monthly gross sales made in, upon, or from the Premises during each calendar month, less the Minimum Rent for such prior calendar month if previously paid. Said statement and payment shall be made with the succeeding month's regular rental payment. Within thirty (30) days after the end of each calendar year of the term hereof, Tenant shall furnish to Landlord a statement in writing, certified to be correct,~~

~~showing the total gross sales by month made in, upon, or from the Premises during the preceding calendar year, at which time an adjustment shall be made between Landlord and Tenant to the end that the total percentage rent paid for each such calendar year shall be a sum equal to said hereinabove stated percentage of the total gross sales made in, upon, or from the Premises during each calendar year of the term hereof, less the Minimum Rent pursuant to Article 4 for each such calendar year, if previously paid, so that the percentage rent, although payable monthly shall be computed and adjusted on an annual basis.~~

~~3. The term "gross sales" as used in this Lease shall include the entire gross receipts of every kind and nature from sales and services made in, upon, or from the Premises, whether upon credit or for cash, in every department operating in the Premises, whether operated by the Tenant or by a subtenant or subtenants, or by a concessionaire or concessionaires, excepting therefrom any rebates and/or refunds to customers and the amount of all sales tax receipts which has to be accounted for by Tenant to any government, or any governmental agency. Sales upon credit shall be deemed cash sales and shall be included in the gross sales for the period which the merchandise is delivered to the customer, whether or not title to the merchandise passes with delivery.~~

~~4. The Tenant shall keep full, complete and proper books, records and accounts of its daily gross sales, both for cash or credit, of each separate department, subtenant, and concessionaire operated at any time in the Premises. The Landlord and its agents and employees shall have the right at any and all times, during the regular business hours, to examine and inspect all of the books and records of the Tenant, including any sales tax reports pertaining to the business of the Tenant conducted in, upon or from the Premises, for the purpose of investigating and verifying the accuracy of any statement of gross sales. The Landlord may once in any calendar year cause an audit of the business of Tenant to be made by an accountant of Landlord's selection and if the statement of gross sales previously made to Landlord shall be found to be inaccurate, then and in that event, there shall be an adjustment and one party shall pay to the other on demand such sums as may be necessary to settle in full the accurate amount of said percentage rent that should have been paid for the period or periods covered by such inaccurate statement or statements. Tenant shall keep all said records for three (3) years. If said audit shall disclose an inaccuracy in favor of Tenant of greater than a two (2%) percent error with respect to the amount of gross sales reported by Tenant for the period of said report, then the Tenant shall immediately pay to Landlord the cost of such audit; otherwise, the cost of such audit shall be paid by Landlord. If such audit shall disclose any willful or substantial inaccuracies this Lease may thereupon be cancelled and terminated, at the option of the Landlord.~~

B. ADJUSTMENTS

1. In addition to the Minimum Rent provided in Article 4 hereinabove, and commencing at the same time as any rental commences under this Lease, Tenant shall pay to Landlord the following items, herein called Adjustments.

a. All real estate taxes and insurance premiums on the Premises, including land, building, and improvements thereon. Said real estate taxes shall include all real estate taxes and assessments that are levied upon and/or assessed against the Premises, including any taxes which may be levied on rents. Said insurance shall include all insurance premiums for fire, extended coverage, liability, and any other insurance that Landlord deems necessary on the Premises. Said taxes and insurance premiums for purpose of this provision shall be reasonably apportioned in accordance with the total floor area of the Premises as it relates to the total floor area of the Shopping Center which is from time to time completed as of the first day of each calendar quarter, (provided, however, that if any tenants in said building or buildings pay taxes directly to any taxing authority or carry their own insurance, as may be provided in their leases, their square footage shall not be deemed a part of the floor area).

b. That percent of the total cost of the following items as Tenant's total floor area bears to the total floor area of the Shopping Center which is from time to time completed as of the first day of each calendar quarter.

c. All real estate taxes including assessments, all insurance costs, and all costs to maintain, repair, and replace common areas, parking lots, sidewalks, driveways, and other areas used in common by the tenants of the Shopping Center.

d. All costs to supervise and administer said common areas, parking lots,

sidewalks, driveways, and other areas used in common by the tenants or occupants of the Shopping Center. Said costs shall include such fees as may be paid to a third party in connection with same and shall in any event include a fee to Landlord to supervise and administer same in an amount equal to ten (10%) percent of the total costs of (c) above.

e. Any parking charges, utilities surcharges, or any other costs levied, assessed or imposed by, or at the direction of, or resulting from statutes or regulations, or interpretations thereof, promulgated by any governmental authority in connection with the use or occupancy of the premises or the parking facilities serving the premises.

2. Upon commencement of rental Landlord shall submit to Tenant a statement of the anticipated monthly Adjustments for the period between such commencement and the following January and Tenant shall pay these Adjustments on a monthly basis concurrently with the payment of the Rent. Tenant shall continue to make said monthly payments until notified by Landlord of a change thereof. By March 1 of each year Landlord shall endeavor to give Tenant a statement showing the total Adjustments for the Shopping Center for the prior calendar year the Tenant's allocable share thereof, prorated from the commencement of rental. In the event the total of the monthly payments which Tenant has made for the prior calendar year be less than the Tenant's actual share of such Adjustments then Tenant shall pay the difference in a lump sum within ten (10) days after receipt of such statement from Landlord and shall concurrently pay the difference in monthly payments made in the then calendar year and the amount of monthly payments which are then calculated as monthly Adjustments based on the prior years' experience. Any over-payment by Tenant shall be credited toward the monthly Adjustments next coming due. The actual Adjustments for the prior year shall be used for purposes of calculating the anticipated monthly Adjustments for the then current year with actual determination of such Adjustments after each calendar year as above provided; excepting that in any year in which resurfacing is contemplated, Landlord shall be permitted to include the anticipated cost of same as part of the estimated monthly Adjustments. Even though the term has expired and Tenant has vacated the Premises, when the final determination is made of Tenant's share of said Adjustments for the year in which this Lease terminates, Tenant shall immediately pay any increase due over the estimated Adjustments previously paid and, conversely, any overpayment made shall be immediately rebated by Landlord to Tenant. Failure of Landlord to submit statements as called for herein shall not be deemed to be a waiver of Tenant's requirement to pay sums as herein provided.

8. USES PROHIBITED.

Tenant shall not do or permit anything to be done in or about the Premises nor bring or keep anything therein which is not within the permitted use of the Premises which will in any way increase the existing rate of or affect any fire or other insurance upon the Building or any of its contents, or cause a cancellation of any insurance policy covering said Building or any part thereof or any of its contents. Tenant shall not do or permit anything to be done in or about the Premises which will in any way obstruct or interfere with the rights of other tenants or occupants of the Building or injure or annoy them or use or allow the Premises to be used for any improper, immoral, unlawful or objectionable purpose; nor shall Tenant cause, maintain or permit any nuisance in, on or about the Premises. Tenant shall not commit or allow to be committed any waste in or upon the Premises.

9. COMPLIANCE WITH LAW.

Tenant shall not use the Premises, or permit anything to be done in or about the Premises, which will in any way conflict with any law, statute, ordinance or governmental rule or regulation now in force or which may hereafter be enacted or promulgated. Tenant shall, at its sole cost and expense, promptly comply with all laws, statutes, ordinances and governmental rules, regulations or requirements now in force or which may hereafter be in force and with the requirements of any board of fire underwriters or other similar bodies now or hereafter constituted relating to or affecting the condition, use or occupancy of the Premises, excluding structural changes not related to or affected by Tenant's improvements or acts. The judgement of any court of competent jurisdiction or the admission of Tenant in any action against Tenant, whether Landlord be a party thereto or not, that Tenant has violated any law, statute, ordinance or governmental rule, regulation or requirement, shall be conclusive of that fact as between the Landlord and Tenant.

10. ALTERATIONS AND ADDITIONS.

Tenant shall not make or allow to be made any alterations, additions or improvement to or of the Premises or any part thereof without first obtaining the written consent of Landlord and any alterations, additions or improvement to or of said Premises, including, but not limited to, wall covering, paneling and built-in cabinet work, but excepting movable furniture and trade fixtures, shall at once become a part of the realty and belong to the Landlord and shall be surrendered with the Premises. In the event Landlord consents to the making of any alterations, additions or improvements to the Premises by Tenant, the same shall be made by Tenant at Tenant's sole cost and expense. Upon the expiration or sooner termination of the term hereof, Tenant shall upon written demand by Landlord, given at least thirty (30) days prior to the end of the term, at Tenant's sole cost and expense, forthwith and with all due diligence, remove any alterations, additions, or improvements made by Tenant, designated by Landlord to be removed, and Tenant shall; forthwith and with all due diligence, at its sole cost and expense, repair any damage to the Premises cause by such removal.

11. REPAIRS.

A. By entry hereunder, Tenant shall be deemed to have accepted the Premises as being in good sanitary order, condition and repair. Tenant shall, at Tenant's sole cost and expense, keep the Premises and every part thereof in good condition and repair (except as hereinafter provided with respect to Landlord's obligations) including without limitation, the maintenance, replacement and repair of any storefront, doors, window casements, glazing, plumbing, pipes, electrical wiring and conduits, heating and air conditioning systems (when there is an air conditioning system). Tenant shall obtain a service contract for repairs and maintenance of said system, said maintenance contract to conform to the requirements under the warranty, if any, on said system. Tenant shall, upon the expiration or sooner termination of this Lease hereof, surrender the Premises to the Landlord in good condition, broom clean, ordinary wear and tear and damage from causes beyond the reasonable control of Tenant excepted. Any damage to adjacent premises caused by Tenant's use of the Premises shall be repaired at the sole cost and expense of Tenant.

B. Notwithstanding the provisions of Article 11A, hereinabove, Landlord shall repair and maintain the structural portions of the Buildings, including the exterior walls and roof, unless such maintenance and repairs are caused in part or in whole by the act, neglect, fault or omission of any duty by the Tenant, its agents, servants, employees, invitees, or any damage caused by breaking and entering, in which case Tenant shall pay to Landlord the actual cost of such maintenance and repairs. Landlord shall not be liable for any failure to make such repairs or to perform any maintenance unless such failure shall persist for an unreasonable time after written notice of the need of such repairs or maintenance is given to Landlord by Tenant. Except as provided in Article 25 hereof, there shall be no abatement of rent and no liability of Landlord by reason of any injury to or interference with Tenant's business arising from the making of any repairs, alterations or improvements in or to any portion of the Building or the Premises or in or to fixtures, appurtenances and equipment therein. **In the event that such repairs prevent Tenant from operating its business, rent shall be abated for the duration of said repair**. Tenant waives the right to make repairs at Landlord's expense under any law, statute or ordinance now or hereafter in effect.

12. LIENS.

Tenant shall keep the Premises and the property in which the Premises are situated free from any liens arising out of any work performed, materials furnished or obligations incurred by or on behalf of Tenant. Landlord may require, at Landlord's sole option, that Tenant shall provide to Landlord, at Tenant's sole cost and expense, a lien and completion bond in an amount equal to one and one-half (1½) times the estimated cost of any improvements, additions, or alterations in the Premises which the Tenant desires to make, to insure Landlord against any liability for mechanics' and materialmen's liens and to insure completion of work.

13. ASSIGNMENT AND SUBLETTING.

Tenant shall not either voluntarily, or by operation of law, assign, transfer, mortgage, pledge, hypothecate or encumber this Lease or any interest therein, and shall not sublet the said Premises or any part thereof, or any right or privilege appurtenant thereto, or allow any other person (the employees, agents, servants and invitees of Tenant excepted) to occupy or use the said Premises, or any portion thereof, without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld.

027 - 1120 Fulton Ave #F.pdf

A consent to one assignment, subletting, occupation or use by any other person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation or use by another person. Consent to any such assignment or subletting shall in no way relieve Tenant of any liability under this Lease. Any such assignment or subletting without such consent shall be void, and shall, at the option of the Landlord, constitute a default under the terms of this Lease.

In the event that Landlord shall consent to a sublease or assignment hereunder, Tenant shall pay Landlord reasonable fees, not to exceed FIVE HUNDRED AND NO/100THS ($500.00) DOLLARS, incurred in connection with the processing of documents necessary to giving of such consent.

14. HOLD HARMLESS.

Tenant shall indemnify and hold harmless Landlord against and from any and all claims arising from Tenant's use of the Premises or from the conduct of its business or from any activity, work, or other things done, permitted, or suffered by the Tenant in or about the Premises, and shall further indemnify and hold harmless Landlord against and from any and all claims arising from any breach or default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease, or arising from any act or negligence of the Tenant, or any officer, agent, employee, guest, or invitee of Tenant, and from all costs, attorney's fees, and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon and in case any action or proceeding be brought thereon and in case any action or proceeding be brought against Landlord by reason of such claim, Tenant upon notice from Landlord shall defend the same at Tenant's expense by counsel reasonably satisfactory to Landlord. Tenant, as a material part of the consideration to Landlord, hereby assumes all risk of damage to property or injury to persons in, upon or about the Premises, from any cause other than Landlord's negligence; and Tenant hereby waives all claims in respect thereof against Landlord. Tenant shall give prompt notice to Landlord in case of casualty or accidents in the Premises.

Landlord or its agents shall not be liable for any loss or damage to persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water or rain which may leak from any part of the Building or from the pipes, appliances or plumbing works therein or from the roof, street or subsurface or from any other place resulting from dampness or any other cause whatsoever, unless caused by or due to the negligence of Landlord, its agents, servants or employees. Landlord or its agents shall not be liable for interference with light, air, or for any latent defect in the Premises.

15. SUBROGATION.

As long as their respective insurers so permit, Landlord and Tenant hereby mutually waive their respective rights of recovery against each other for any loss insured by fire, extended coverage and other property insurance policies existing for the benefit of the respective parties. Each party shall apply to their insurers to obtain said waivers. Each party shall obtain any special endorsements, if required by their insurer to evidence compliance with the aforementioned waiver.

16. TENANT'S INSURANCE OBLIGATIONS.

A. Tenant shall, at Tenant's sole cost and expense, commencing at the date Tenant is given access to the Premises for any purpose and during the entire term hereof, procure, pay for and keep in full force and effect:

1. Tenant's Liability Insurance. Comprehensive General Liability Insurance with respect to the Premises and the operations of, on or on behalf of Tenant in, on or about the Premises, including but not limited to; personal injury, product liability (if applicable), blanket contractual, owner's protective, broad form property damage liability coverage, host liquor liability and owned and non-owned automobile liability in an amount not less than ONE MILLION AND NO/100THS ($1,000,000.00) DOLLARS combined single limit. 2. Tenant's Workers' Compensation Insurance. Workers' Compensation Coverage is required by law, together with employer liability coverage.

Such insurance shall contain: (a) no coinsurance or contribution clauses; (b) a replacement cost endorsement; and (c) deductible amounts acceptable to Landlord.

Any such insurance required by Tenant hereunder may be furnished by Tenant under any blanket policy carried by it or under a separate policy of insurance. A true and exact copy of each paid up policy evidencing such insurance or a certificate of the insurer, certifying that such policy has been issued, providing the coverage required and containing the provisions specified herein, shall be delivered to Landlord prior to the date Tenant is given the right to possession of the Premises and upon renewals, not less than thirty (30) days prior to the expiration of such coverage. Landlord may, at any time, and from time to time, inspect and/or copy any and all insurance policies required hereunder. In no event shall the limits of any policy be considered as limiting the liability of Tenant under this Lease.

Each policy evidencing insurance required to be carried by Tenant pursuant to these requirements shall contain, in form and substance satisfactory to Landlord: (a) a provision including Landlord and any other parties in interest designated by Landlord as an additional insured; (b) a waiver by Tenant's insurers of any right to subrogation against Landlord, its agents, employees and representatives which arises or might arise by any reason of any payment under such policy or by reason of any act or omission of Landlord, its agents, employees or representatives; and (c) a provision that the insurer will not cancel or materially change the coverage provided by such policy without first giving Landlord thirty (30) days prior written notice.

5. Landlord's Rights. If Tenant fails to procure, maintain and/or pay for at the time and for the duration specified in this Lease, the insurance required hereunder or fails to carry insurance required by any governmental requirements, Landlord may, (but without any obligation to do so) without notice to Tenant, perform such obligations on behalf of Tenant, and the cost thereof together with interest thereon at the rate of three (3) points over the Bank of America Prime Rate at that time, shall immediately become due and payable as additional rent to Landlord.

17. UTILITIES.

Tenant shall pay for all water, gas, heat, light, power, sewer charges, telephone service, and all other services and utilities supplied to the Premises, together with any taxes thereon. **If any such services are not separately metered to Tenant, Tenant shall pay a reasonable proportion to be determined by Landlord of all charges jointly metered with other premises.**

18. PERSONAL PROPERTY TAXES.

Tenant shall pay, or cause to be paid, before delinquency any and all taxes levied or assessed and which become payable during the term hereof upon all Tenant's leasehold improvements, equipment, furniture, fixtures, and any other personal property located in the Premises. In the event any or all of the Tenant's leasehold improvements, equipment, furniture, fixtures and other personal property shall be assessed and taxed with the real property, Tenant shall pay to Landlord its share of such taxes within ten (10) days after delivery to Tenant by Landlord of a statement in writing setting forth the amount of such taxes applicable to Tenant's property.

19. RULES AND REGULATIONS.

Tenant shall faithfully observe and comply with the rules and regulations that Landlord shall from time to time promulgate and/or modify. The rules and regulations shall be binding upon the Tenant upon delivery of a copy of them to Tenant. 21. ENTRY BY LANDLORD.

Landlord reserves, and ~~shall at any and all times have~~ **upon reasonable notice or in cases of emergency**, the right to enter the Premises to inspect the same, to submit said Premises to prospective purchasers or tenants, to post notices of non-responsibility, to repair the Premises and any portion of the Building of which the Premises are a part that Landlord may deem necessary or desirable, without abatement of rent, and may for that purpose erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed, always providing that the entrance to the Premises shall not be unreasonably blocked thereby, and further providing that the business of the Tenant shall not be interfered with unreasonably. Tenant hereby waives any claim for damages or for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises, and any other loss occasioned thereby. For each of the aforesaid purposes, Landlord shall at all times have and retain a key with which to unlock all of the doors in, upon, and about the Premises, excluding Tenant's vaults, safes and files, and Landlord shall have the right to use any and all means which Landlord may deem proper to open said doors in an emergency, in order to obtain entry to the Premises without liability to Tenant except for any failure to exercise due care for Tenant's property and any entry to the Premises obtained by Landlord by any of said means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Tenant from the Premises or any portion thereof.

22. TENANT'S DEFAULT.

The occurrence of any one or more of the following events shall constitute a default and breach of this Lease by Tenant.

A. The vacating or abandonment of the Premises by Tenant.

C. The failure by Tenant to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by the Tenant, other than described in Article 22B, above, where such failure shall continue for a period of thirty (30) days after written notice thereof by Landlord to Tenant; provided, however, that if the nature of Tenant's default is such that more than thirty (30) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commences such cure within said thirty (30) day period and thereafter diligently prosecutes such cure to completion.

D. The making by Tenant of any general assignment or general arrangement for the benefit of creditors; or the filing by or against Tenant of a petition to have Tenant adjudged a bankrupt, or a petition, or reorganization, or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Tenant, the same is dismissed within sixty (60) days); or the appointment of a trustee or a receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within thirty (30) days; or the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged within thirty (30) days.

23. REMEDIES IN DEFAULT.

In the event of any such default or breach by Tenant, Landlord may at any time thereafter, in his sole discretion, with or without notice or demand and without limiting Landlord in the exercise of a right or remedy which Landlord may have by reason of such default or breach:

A. Terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to

In such event Landlord shall be entitled to recover from Tenant all damages incurred by Landlord by reason of Tenant's default including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises; reasonable attorney's fees; the worth at the time of award by the court having jurisdiction thereof of the amount by which the unpaid rent and other charges and Adjustments called for herein for the balance of the term after the time of such award exceeds the amount of such loss for the same period that Tenant proves could be the term after the time of such award exceeds the amount of such loss for the same period that Tenant proves could be reasonably avoided; and that portion of any leasing commission paid by Landlord and applicable to the unexpired term of this Lease. Unpaid installments of rent or other sums shall bear interest from the date due at the maximum legal rate; or

B. Maintain Tenant's right to possession, in which case this Lease shall continue in effect whether or not Tenant shall have abandoned the Premises. In such event Landlord shall be entitled to enforce all of landlord's rights and remedies under this Lease, including the right to recover the rent and any other charges and Adjustments as may become due hereunder; or

C. Pursue any other remedy now or hereafter available to Landlord under the laws or judicial decisions of the State in which the Premises are located.

24. DEFAULT BY LANDLORD.

Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event later than thirty (30) days after written notice by Tenant to Landlord and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have theretofore been furnished to Tenant in writing, specifying wherein Landlord has failed to perform such obligation; provided, however, that if the nature of Landlord's obligation is such that more than thirty (30) days are required for performance then Landlord shall not be in default if Landlord commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion. In no event shall Tenant have the right to terminate this Lease as a result of Landlord's default and Tenant's remedies shall be limited to damages and/or an injunction.

25. RECONSTRUCTION.

In the event the Premises are damaged by fire or other perils covered by extended coverage insurance, Landlord agrees to forthwith repair same, and this Lease shall remain in full force and effect, except that Tenant shall be entitled to a proportionate reduction of the Minimum Rent from the date of damage and while such repairs are being made, such proportionate reduction to be based upon the extent to which the damage and making of such repairs shall reasonably interfere with the business carried on by the Tenant in the Premises. If the damage is due to the fault or neglect of Tenant or its employees, there shall be no abatement of rent.

In the event the Premises are damaged as a result of any cause other than the perils covered by fire and extended coverage insurance, then Landlord shall forthwith repair the same, provided the extent of the destruction be less than ten (10%) percent of the then full replacement cost of the Premises. In the event the destruction of the Premises is to an extent of ten (10%) percent or more of the full replacement cost then Landlord shall have the option; (a) to repair or restore such damage, this Lease continuing in full force and effect, but the Minimum Rent to be proportionately reduced as hereinabove in this Article provided; or (b) give notice to Tenant at any time within sixty (60) days after such damage, terminating this Lease as of the date specified in such notice, which date shall be no more than thirty (30) days after the giving of such notice. In the event of giving such notice, this Lease shall expire and all interest of the Tenant in the Premises shall terminate on the date so specified in such notice and the Minimum Rent, reduced by a proportionate reduction, based upon the extent, if any, to which such damage interfered with the business carried on by the Tenant in the Premises, shall be paid up to the date of said such termination. Notwithstanding anything to the contrary contained in this Article, Landlord shall not have any obligation whatsoever to repair, reconstruct or restore the Premises when the damage resulting from any casualty covered under this Article occurs during the last twenty-four (24) months of the term of this Lease or any extension thereof.

Landlord shall not be required to repair any injury or damage by fire or other cause, or to make any repairs or replacements of any leasehold improvements, fixtures, or other personal property of Tenant.

If either less than or more than 25% of the Premises are taken (and neither party elects to terminate as herein provided), the Minimum Rent thereafter to be paid shall be equitably reduced. If any part of the Shopping Center other than the Premises may be so taken or appropriated, Landlord shall within sixty (60) days of said taking have the right at its option to terminate this Lease upon written notice to Tenant. In the event of any taking or appropriation whatsoever, Landlord shall be entitled to any and all awards and/or settlements which may be given and Tenant shall have no claim against Landlord for the value of any unexpired term of this lease.

27. PARKING AND COMMON AREAS.

Landlord covenants that upon completion of the Shopping Center an area approximately equal to the common and parking areas as shown on the attached "Exhibit A" shall be at all times available for the non- exclusive use of Tenant during the full term of this Lease or any extension of the term hereof, provided that the condemnation or other taking by any public authority, or sale in lieu of condemnation, of any or all of such common and parking areas shall not constitute a violation of this covenant. Landlord reserves the right to change the entrances, exits, traffic lanes and the boundaries and locations of such parking area or areas, provided, however, that anything to the contrary notwithstanding contained in this Article, said parking area or areas shall at all times be substantially equal or equivalent to that shown on the attached "Exhibit A".

B. The Landlord shall keep said automobile parking and common areas in a neat, clean and orderly condition and shall repair any damage to the facilities thereof, but all expenses in connection with said automobile parking and common areas shall be charged and prorated in the manner as set forth in Article 7 hereof.

C. Tenant, for the use and benefit of Tenant, its agents, employees, customers, licensees and sub- tenants, shall have the non-exclusive right in common with Landlord and other present and future owners, tenants and their agents, employees, customers, licensees and sub-tenants, to use said common and parking areas during the entire term of this Lease, or any extension thereof, for ingress and egress, and automobile parking.

D. The Tenant, in the use of said common and parking areas, agrees to comply with such reasonable rules, regulations and charges for parking as the Landlord may adopt from time to time for the orderly and proper operation of said common and parking areas. Such rules may include but shall not be limited to the following; (1) The restricting of employee parking to a limited, designated area or areas; and (2) The regulation of the removal, storage and disposal of Tenant's refuse and other rubbish at the sole cost and expense of Tenant.

28. SIGNS.

The Tenant may affix and maintain upon the glass panes and supports of the show windows and within twelve (12) inches of any window and upon the exterior walls of the Premises only such signs, advertising placards, names, insignia, trademarks and descriptive materials shall have first received the written approval of the Landlord as to type, size, color, location, copy nature and display qualities. Anything to the contrary in this Lease notwithstanding, Tenant shall not affix any sign to the roof. Tenant shall, however, erect one sign on the front of the Premises not later than the date Tenant opens for business, in accordance with a design to be prepared by Tenant and approved in writing by Landlord.

29. DISPLAYS.

The Tenant may not display or sell merchandise or allow grocery carts or other similar devices within the control of Tenant to be stored or to remain outside the defined exterior walls and permanent doorways of the Premises. Tenant further agrees not to install any exterior lighting, amplifiers or similar devices or use in or about the Premises any advertising medium which may be heard or seen outside the Premises, such as flashing lights, searchlights, loudspeakers, phonographs or radio broadcasts.

30. AUCTIONS.

Tenant shall not conduct or permit to be conducted any sale by auction in, upon, or from the Premises whether said auction is voluntary, involuntary, pursuant to any assignment for the payment of creditors, or pursuant to any bankruptcy or other insolvency proceeding.

31. HOURS OF BUSINESS.

Subject to the provisions of Article 25 hereof, Tenant shall continuously, during the entire term hereof, conduct and carry on Tenant's business in the Premises and shall keep the Premises open for business and cause Tenant's business to be conducted therein during the usual business hours of each and every business day as is customary for businesses of like character in the city in which the Premises are located to be open for business; provided however, that this provision shall not apply if the Premises should be closed and the business of Tenant temporarily discontinued therein on account of strikes, lockouts, or similar causes beyond the reasonable control of Tenant. Tenant shall keep the Premises adequately stocked with merchandise, and with sufficient sales personnel to care for the patronage, and to conduct said business in accordance with sound business practice.

In the event of breach by the Tenant of any of the conditions contained in this Article, the Landlord shall have, in addition to any and all remedies herein provided, the right at its option to collect not only the Minimum Rent herein provided, but additional rent at the rate of one-thirtieth (1/30) of the Minimum Rent herein provided for each and every day that the Tenant shall fail to conduct its business as herein provided; said additional rent shall be deemed to be in lieu of any percentage rent that might have been earned during such period of the Tenant's failure to conduct its business as herein provided.

Tenant's minimum hours of operation shall be Tuesdays through Fridays 4:00 p.m. to 8:30 p.m. and Saturdays 9:00 a.m. to 5:00 p.m.

32. MERCHANTS' ASSOCIATION.

~~If either Landlord or a majority of tenants in the Shopping Center determine at any time that it is in the best interests of the Shopping Center, Tenant will become a member of, participate fully in, and remain in good standing in a non-profit Merchants' Association (the "Association") formed and organized for tenants occupying premises in the Shopping Center, and Tenant will abide by the bylaws, rules and regulations of such Association. Landlord and each member tenant shall have one (1) vote in the operation of the Association. The articles of incorporation and bylaws of the Association shall be approved by a majority vote of the Association members and shall be subject to amendment as provided in by bylaws. The objectives of the Association shall be to encourage its members to deal fairly and courteously with their customers, to encourage ethical business practices, and to assist the business of the tenants by sales promotion and centerwide advertising. Tenant agrees to pay annual dues to the Association in an amount and at the time determined by a vote of the members of the Association from time to time. Default in payment of such dues shall be deemed a default in payment of Rent hereunder.~~

33. GENERAL PROVISIONS.

A. Plats and Riders. Clauses, plats, riders and addenda, if any, affixed to this Lease are a part hereof.

B. Waiver. The waiver by Landlord of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of rent hereunder

by Landlord shall not be deemed to be a waiver of any preceding default by Tenant of any term, covenant or condition of this Lease, other than the failure of the Tenant to pay the particular rental so accepted, regardless of Landlord's knowledge of such preceding default at the time of the acceptance of such rent.

C. Joint Obligation. If there be more than one (1) Tenant, the obligations hereunder imposed shall be joint and several.

D. Marginal Headings. The marginal headings and article titles to the articles of this Lease are not a part of the Lease and shall have no effect upon the construction or interpretation of any part hereof.

E. Time. Time is of the essence of this Lease and each and all of its provisions in which performance is a factor.

F. Successors and Assigns. The covenants and conditions herein contained, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators and assigns of the parties hereto.

G. Recordation. Neither Landlord nor Tenant shall record this Lease, but a short form memorandum hereof may be recorded at the request of Landlord.

H. Quiet Possession. Upon Tenant paying the rent reserved hereunder and observing and performing all of the covenants, conditions and provisions on Tenant's part to be observed and performed hereunder, Tenant shall have quiet possession of the Premises for the entire term hereof, subject to all the provisions of this Lease.

I. Late Charges. Tenant hereby acknowledges that late payment by Tenant to Landlord of rent or other sums due hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Landlord by terms of any mortgage or trust deed covering the Premises. **Accordingly, if any installment of rent or any such due from Tenant shall not be received by Landlord or Landlord's designee within ten (10) days after written notice that said amount is past due, then Tenant shall pay to Landlord a late charge equal to the maximum amount permitted by law (and in the absence of any governing law, ten (10%) percent of such overdue amount), plus any attorneys' fees incurred by Landlord by reason of Tenant's failure to pay rent and/or other charges when due hereunder.** The parties hereby agree that such late charges represent a fair and reasonable estimate of the cost that Landlord will incur by reason of the late payment by Tenant. Acceptance of such late charges by the Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of the other rights and remedies granted hereunder.

J. Prior Agreements. This Lease contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this Lease, and no prior agreements or understanding pertaining to any such matters shall be effective for any purpose. No provision of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto or their respective successors in interest. This Lease shall not be effective or binding on any party until fully executed by both parties hereto.

K. Inability to Perform. This Lease and the obligations of the Tenant hereunder shall not be affected or impaired because the Landlord is unable to fulfill any of its obligations hereunder or is delayed in doing so, if such inability or delay is caused by reason of strike, labor troubles, acts of God, or any other cause beyond the reasonable control of the Landlord.

L. Partial Invalidity. Any provision of this Lease which shall prove to be invalid, void, or illegal shall in no way affect, impair or invalidate any other provision hereof and such other provision shall remain in full force and effect.

M. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, whenever possible, be cumulative with all other remedies at law or in equity.

N. Choice of Law. This Lease shall be governed by the laws of the State in which the Premises are located.

O. Attorneys' Fees. In the event of any action or proceeding brought by either party against the other under this Lease the prevailing party shall be entitled to recover for the fees of its attorneys in such action or proceeding, including costs of appeal, if any, in such amount as the court may adjudge reasonable as attorneys' fees. In addition, should it be necessary for Landlord to employ legal counsel to enforce any of the provisions herein contained, Tenant agrees to pay all attorneys' fees and court costs reasonably incurred.

P. Sale of Premises by Landlord. In the event of any sale of the Premises by Landlord, Landlord shall be and is hereby entirely freed and relieved of all liability under any and all of its covenants and obligations contained in or derived from this Lease arising out of any act, occurrence or omission occurring after the consummation of such sale; and the purchaser, at such sale or any subsequent sale of the Premises shall be deemed, without any further agreement between the parties or their successors in interest or between the parties and any such purchaser, to have assumed and agreed to carry out any and all of the covenants and obligations of the Landlord under this Lease.

Q. Subordination, Attornment. Upon request of the Landlord, Tenant will, in writing, subordinate its rights hereunder to the lien of any mortgage or deed of trust, to any bank, insurance company or other lending institution, now or hereafter in force against the Premises, and to all advances made or hereafter to be made upon the security thereof.

In the event any proceedings are brought for foreclosure, or in the event of the exercise of the power of sale under any mortgage or deed of trust made by the Landlord covering the Premises, the Tenant shall attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as the Landlord under this Lease. The provisions of this Article to the contrary notwithstanding, and so long as Tenant is not in default hereunder, this Lease shall remain in full force and effect for the full term hereof.

R. Notices. All notices and demands which may or are to be required or permitted to be given by either party on the other hereunder shall be in writing. All notices and demands by the Landlord to the Tenant shall be sent by United States Mail, postage prepaid, addressed to the Tenant at the Premises, and to the address herein below, or to such other place as Tenant may from time to time designate in a notice to the Landlord. All notices and demands by the Tenant to the Landlord shall be sent by United States Mail, postage prepaid, addressed to the Landlord at the address set forth herein, and to such other person or place as the Landlord may from time to time designate in a notice to the Tenant.

Any such statement may be relied upon by the prospective purchaser or encumbrances of all or any portion of the real property of which the Premises are a part.

34. BROKERS.

Tenant and Landlord represent and warrant to each other that the brokers named in the Fundamental Lease Provisions of this Lease are the only agents, brokers, finders or either parties with whom Tenant and Landlord has dealt who are or may be entitled to any commission or fee with respect to this Lease.

[X] Landlord and Tenant hereby acknowledge that TRI Commercial Real Estate Services, Inc. represents Landlord and Tenant, and Landlord and Tenant consent thereto.

35. EXCLUSIVE USE.

So long as Tenant is not in default of the terms and conditions of the Lease, Landlord agrees not to lease space in the portions of the Project owned by Landlord and during the term of the lease, including extensions thereto, to another Tenant whose primary (in excess of twenty-five (25%) of gross sales) business is as a Full Service Nail Salon.

IMPORTANT DISCLOSURES FOR SALE & LEASE TRANSACTIONS

As real estate agents, we strive to provide the highest level of professional service. We can offer valuable advice regarding the marketing of properties for sale or lease and the negotiation of successful transactions. There are, however aspects of a real estate transaction that require expertise not within the scope of our education and training. In order to fully protect your interests, we want you to know these important areas where the input of other professionals may be required.

Property Inspections by Buyers & Tenants. Buyers & tenants should have the Property inspected by experts of their choice to ensure that they are fully aware of the condition of the Property and to confirm that the Property is suitable for their intended use. Real estate agents are not qualified to provide advice on matters such as construction, design, engineering, soils, hazardous materials, energy usage or ADA compliance. Buyers & tenants also should determine, together with their legal counsel and other experts, whether any local laws or regulations (including those regarding zoning, permits, etc.) affect the intended use of the Property, as real estate agents are not qualified to evaluate such issues. Information regarding the Property has been obtained from third party sources believed to be reliable, but has not been independently verified by the real estate agents.

Hazardous Materials. Buyers & tenants should conduct appropriate inspections to determine whether any toxic or hazardous materials (e.g., asbestos, PCB transformers, hydrocarbons, mold or lead-based paint) are present on, underneath or adjacent to the Property. Real estate agents have no expertise in the detection or treatment of such materials. Sellers and landlords must disclose any information they may have regarding the presence of hazardous materials on or about the Property.

Americans with Disabilities Act (ADA). The ADA and similar state and local laws may require modifications to the Property in order to make it accessible to persons with disabilities. The parties should consult their respective attorneys and design professionals for information regarding these matters and how best to protect their interests.

Legal & Tax Consequences. Real estate transactions involve a variety of issues with legal and tax ramifications. Leases and purchase & sale agreements contain numerous provisions having potentially serious legal consequences. The parties are encouraged to consult with their own attorneys and financial professionals regarding such matters. Real estate agents are not qualified to provide legal or tax advice.

Wire Fraud Avoidance. Incidents have been reported where hackers intercept emails between buyers, sellers, escrow officers and/or real estate agents and substitute fraudulent wiring instructions. Never wire funds before calling escrow to confirm instructions. Use only a phone number previously provided in a separate communication, not a number included in the same message as wiring instructions. Confirmation and any questions should be communicated by phone, not reply email.

DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIP

(As required by the Civil Code)

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

SELLER'S AGENT

A Seller's agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller: A Fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Seller. To the Buyer and the Seller:

(a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
(b) A duty of honest and fair dealing and good faith.
(c) (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

BUYER'S AGENT

A selling agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer: A Fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Buyer. To the Buyer and the Seller:

(a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
(b) A duty of honest and fair dealing and good faith.
(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more associate licensees, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

(a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either the Seller or the Buyer.
(b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, the agent may not, without the express permission of the respective party, disclose to the other party that the Seller will accept a price less than the listing price or that the Buyer will pay a price greater than the price offered.

The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect his or her own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction. **This disclosure form includes the provisions of Sections 2079.13 to 2079.24, inclusive, of the Civil Code set forth on page 2. Read it carefully. I/WE ACKNOWLEDGE RECEIPT OF A COPY OF THIS DISCLOSURE AND THE PORTIONS OF THE CIVIL CODE PRINTED ON THE BACK (OR A SEPARATE PAGE).**

DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIP (As Required by Civil Code)

CIVIL CODE SECTIONS 2079.13-2079.24 (2079.16 APPEARS ON THE FRONT)

2079.13 As used in Sections 2079.14 to 2079.24, inclusive, the following terms have the following meanings:
(a) "Agent" means a person acting under provisions of title 9 (commencing with Section 2295) in a real property transaction, and includes a person who is licensed as a real estate broker under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code, and under whose license a listing is executed or an offer to purchase is obtained. **(b)** "Associate licensee" means a person who is licensed as a real estate broker or salesperson under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code and who is either licensed under a broker or has entered into a written contract with a broker to act as the broker's agent in connection with acts requiring a real estate license and to function under the broker's supervision in the capacity of an associate licensee. The agent in the real property transaction bears responsibility for his or her associate licensees who perform as agents of the agent. When an associate licensee owes a duty to any principal, or to any buyer or seller who is not a principal, in a real property transaction, that duty is equivalent to the duty owed to that party by the broker for whom the associate licensee functions. **(c)** "Buyer" means a transferee in a real property transaction, and includes a person who executes an offer to purchase real property from a seller through an agent, or who seeks the services of an agent in more than a casual, transitory, or preliminary manner, with the object of entering into a real property transaction. "Buyer" includes vendee or lessee. **(d)** "Dual agent" means an agent acting, either directly or through an associate licensee, as agent for both the seller and the buyer in a real property transaction. **(e)** "Listing agreement" means a contract between an owner of real property and an agent, by which the agent has been authorized to sell the real property or to find or obtain a buyer. **(f)** "Listing agent" means a person who has obtained a listing of real property to act as an agent for compensation. **(g)** "Listing price" is the amount expressed in dollars specified in the listing for which the seller is willing to sell the real property through the listing agent. **(h)** "Offering price" is the amount expressed in dollars specified in an offer to purchase for which the buyer is willing to buy the real property. **(i)** "Offer to purchase" means a written contract executed by a buyer acting through a selling agent which becomes the contract for the sale of the real property upon acceptance by the seller. **(j)** "Real property" means any estate specified by subdivision (1) or (2) of Section 761 in property which constitutes or is improved with one to four dwelling units, any leasehold in this type of property exceeding one year's duration, and mobile homes, when offered for sale or sold through an agent pursuant to the authority contained in Section 10131.6 of the Business and Professions Code. **(k)** "Real property transaction" means a transaction for the sale of real property in which an agent is employed by one or more of the principals to act in that transaction, and includes a listing or an offer to purchase. **(l)** "Sell," "sale," or "sold" refers to a transaction for the transfer of real property from the seller to the buyer, and includes exchanges of real property between the seller and buyer, transactions for the creation of a real property sales contract within the meaning of Section 2985, and transactions for the creation of a leasehold exceeding one year's duration. **(m)** "Seller" means the transferor in a real property transaction, and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which he or she is the owner from an agent on behalf of another. "Seller" includes both a vendor and a lessor. **(n)** "Selling agent" means a listing agent who acts alone, or an agent who acts in cooperation with a listing agent, and who sells or finds and obtains a buyer for the real property, or an agent who locates property for a buyer or who finds a buyer for a property for which no listing exists and presents an offer to purchase to the seller. **(o)** "Subagent" means a person to whom an agent delegates agency powers as provided in Article 5 (commencing with Section 2349) of Chapter 1 of Title 9. However, "subagent" does not include an associate licensee who is acting under the supervision of an agent in a real property transaction.

2079.14 Listing agents and selling agents shall provide the seller and buyer in a real property transaction with a copy of the disclosure form specified in Section 2079.16, and, except as provided in subdivision (c), shall obtain a signed acknowledgement of receipt from that seller or buyer, except as provided in this section or Section 2079.15, as follows: **(a)** The listing agent, if any, shall provide the disclosure form to the seller prior to entering into the listing agreement. **(b)** The selling agent shall provide the disclosure form to the seller as soon as practicable prior to presenting the seller with an offer to purchase, unless the selling agent previously provided the seller with a copy of the disclosure form pursuant to subdivision (a). **(c)** Where the selling agent does not deal on a face-to-face basis with the seller, the disclosure form prepared by the selling agent may be furnished to the seller (and acknowledgement of receipt obtained for the selling agent from the seller) by the listing agent, or the selling agent may deliver the disclosure form by certified mail addressed to the seller at his or her last known address, in which case no signed acknowledgement of receipt is required. **(d)** The selling agent shall provide the disclosure form to the buyer as soon as practicable prior to execution of the buyer's offer to purchase, except that if the offer to purchase is not prepared by the selling agent, the selling agent shall present the disclosure form to the buyer not later than the next business day after the selling agent receives the offer to purchase from the buyer.

2079.15 In any circumstance in which the seller or buyer refuses to sign an acknowledgement of receipt pursuant to Section 2079.14, the agent, or an associate licensee acting for an agent, shall set forth, sign, and date a written declaration of the facts of the refusal.

2079.16 Reproduced on Page 1 of this form.

2079.17 **(a)** As soon as practicable, the selling agent shall disclose to the buyer and seller whether the selling agent is acting in the real property transaction exclusively as the buyer's agent, exclusively as the seller's agent, or as a dual agent representing both the buyer and the seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the selling agent prior to or coincident with execution of that contract by the buyer and the seller, respectively. **(b)** As soon as practicable, the listing agent shall disclose to the seller whether the listing agent is acting in the real property transaction exclusively as the seller's agent, or as a dual agent representing both the buyer and seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the listing agent prior to or coincident with the execution of that contract by the seller.
(c) The confirmation required by subdivisions (a) and (b) shall be in the following form.

(DO NOT COMPLETE, SAMPLE ONLY) is the agent of (check one): ☐ the seller exclusively; ☐ or both the buyer and seller.
(Name of Listing Agent)

(DO NOT COMPLETE, SAMPLE ONLY) is the agent of (check one): ☐ the seller exclusively; or ☐ the seller exclusively; ☐ or both the buyer and seller.
(Name of Selling Agent if not the same as the Listing Agent)

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14.

2079.18 No selling agent in a real property transaction may act as an agent for the buyer only, when the selling agent is also acting as the listing agent in the transaction.

2079.19 The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20 Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

2079.21 A dual agent shall not disclose to the buyer that the seller is willing to sell the property at a price less than the listing price, without the express written consent of the seller. A dual agent shall not disclose to the seller that the buyer is willing to pay a price greater than the offering price, without the express written consent of the buyer. This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price.

2079.22 Nothing in this article precludes a listing agent from also being a selling agent, and the combination of these functions in one agent does not, of itself, make that agent a dual agent.

2079.23 A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship.

2079.24 Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any DREach of a fiduciary duty or a duty of disclosure.

We understand that some of the lease may have expired and that several are no longer being used. However, we still require the lease copies to ensure we are conducting proper oversight. The list includes the site that we have been made aware of from 2023 to present. If there are any locations that HCCTS has operated at or is operating at that I have not included on the list, please be sure to include those lease copies as well. If a location is no longer in use, please send the termination documentation as well.

52. Premises. The parties hereby agree that the rentable square footage of the Premises set forth in *Paragraph 1.2(a)* of the Lease shall be conclusive and binding on the parties.

53. Condition. Notwithstanding anything to the contrary set forth in *Paragraph 2.2* of the Lease, Lessor and Lessee hereby agree that Lessor makes no representation or warranty regarding the suitability of the existing utility services and systems for Lessee's proposed use. Without limiting the warranty set forth in *Paragraph 2.2* as to the existing systems in the Premises, Lessee hereby agrees and warrants that it has investigated and inspected the condition of the Premises and Project and the suitability of same for Lessee's purposes, and Lessee does hereby waive and disclaim any objection to, cause of action based upon, or claim that its obligations hereunder should be reduced or limited because of the condition of the Premises or the Project or the suitability of same for Lessee's purposes. Without limiting the generality of the foregoing, Lessee acknowledges that Lessor has not made any representations or warranties with respect to the suitability of the Premises for Lessee's uses. The taking of possession of the Premises by Lessee shall conclusively establish that the Premises and the Project were at such time in satisfactory condition. Lessee hereby waives Subsection 1 of Section 1932 and Sections 1941 and 1942 of the Civil Code of California or any successor provision of law.

54. Compliance. The first paragraph of *Paragraph 2.3* is deleted and replaced as follows:

"Lessor makes no representation or warranty that the improvements on the Premises comply with the building codes, applicable laws, covenants or restrictions of record, regulations, and ordinances ("**Applicable Requirements**"). NOTE: Lessee is responsible for determining whether or not the Applicable Requirements, and especially the zoning, are appropriate for Lessee's intended use, and acknowledges that past uses of the Premises may no longer be allowed. If the Applicable Requirements are hereafter changed so as to require during the term of this Lease the construction of an addition to or an alteration of the Premises and/or Building, the remediation of any Hazardous Substance, or the reinforcement or other physical modification of the Premises and/or Building ("**Capital Expenditure**"), Lessor and Lessee shall allocate the cost of such work as follows:"

55. Operating Expenses.

(a) *Paragraph 4.2(a)* of the Lease is hereby modified by adding the following as *Paragraphs 4.2(a)(xi) and (xii)*:

> "(xi) the cost of capital expenditures incurred to effect economies of operation of, or stability of services to, the Building and/or Project, capital expenditures required by government regulations, laws, or ordinances, including, but not limited to the Americans with Disabilities Act, and costs incurred (capital or otherwise) on a regular recurring basis every three (3) or more years for certain maintenance projects (e.g., parking lot slurry coat or replacement of lobby and elevator cab carpeting)."

034 - 8180 Industrial Pkwy.pdf

"(xii) all other costs and expenses incurred by Lessor in connection with the ownership, operation, maintenance, repair and/or management of the Premises, Project, the Common Areas, and/or the Building, including, without limitation, property management fees."

(b) The following paragraph is hereby added as *Paragraph 4.2(g)* of the Lease:

"(g) The parties acknowledge and agree that although 'Common Area Operating Expenses' contains the phrase 'Common Area' in its title, the definition of Common Area Operating Expenses shall not be affected in any manner by the same, and accordingly, notwithstanding anything to the contrary contained in the Lease, the Common Area Operating Expenses shall include costs and expenses associated with parts of the Premises, Building and Project that are not part of the 'Common Area,' as such costs and expenses are set forth in the Lease."

(c) Notwithstanding any other provisions herein, the parties acknowledge and agree that certain Common Area Operating Expenses will be allocated based on the portion of property allocated to Lessee for Lessee's use, and certain of the Common Area Operating Expenses will be allocated based on Lessee's use. Specifically, the Premises (including the designated parking area) is on land measuring approximately 66,000 square feet. Such land is part of a larger parcel measuring approximately 152,896 square feet (the "**Master Parcel**"), making Lessee's share Forty-Three and 17/100 percent (43.17%) ("**Lessee's Land Share**"). Lessee shall be responsible for Lessee's Land Share of Common Area Operating Expenses for the Master Parcel (including the Premises) attributable to (i) landscaping, (ii) general maintenance, and (iii) general property management. With respect to the real property tax bills for the Master Parcel, Lessee shall be responsible for (x) Lessee's Land Share of real property taxes and assessments related to the assessed land value, and (y) one hundred percent (100%) of real property taxes and assessments related to the assessed improvement value. Lessee shall be responsible for one hundred percent (100%) of all costs for Lessor-obtained property and liability insurance (including any additional premiums attributable to Lessee's specific use of the Premises). As of the date hereof, the estimated monthly installment of Common Area Operating Expenses shall initially be $0.17 per rentable square foot, which shall be payable at the same time as each installment of Base Rent. Lessor shall have the right to adjust such estimate as Lessor shall reasonably determine from time to time.

56. Security Deposit. The following is hereby added to the end of *Paragraph 5* of the Lease: "Lessee may not use any portion of the security deposit to satisfy any of Lessee's rental obligations hereunder, including the last month's rental payment. Failure of Lessee to pay any Rent or other charges when due constitutes a material breach of this Lease for which Lessor may re-enter and take possession of the Premises in accordance with law, notwithstanding the fact that Lessor may have possession of a security deposit. Lessee hereby waives the provisions of Section 1950.7 of the California Civil Code and all other provisions of law, now or hereafter in effect, which provide that Lessor may claim from a security deposit only those sums reasonably necessary to remedy defaults in the payment of rent, to repair damage caused by Lessee or to clean the Premises, it being agreed that Lessor may, in addition, claim those sums

specified in this Paragraph 5 above and/or those sums reasonably necessary to compensate Lessor for any other loss or damage, foreseeable or unforeseeable, caused by the acts or omissions of Lessee or any officer, employee, agent, contractor or invitee of Lessee."

57. Hazardous Substances. The following paragraph is hereby added as *Paragraph 6.2(h)* of the Lease:

"(h) Lessor and Lessee acknowledge that Lessor may become legally liable for the costs of complying with Applicable Requirements relating to Hazardous Substances which are not the responsibility of Lessor or the responsibility of Lessee, including the following: (i) Hazardous Substances present in the soil or ground water on the Building of which Lessor has no knowledge as of the effective date of this Lease; (ii) a change in laws which relate to Hazardous Substances which make that Hazardous Substances which is present at the Building as of the effective date of this Lease, whether known or unknown to Lessor, a violation of such new laws; (iii) Hazardous Substances that migrate, flow, percolate, diffuse, or in any way move on to, or under the Building after the effective date of this Lease; or (iv) Hazardous Substances present on or under the Building as a result of any discharge, dumping or spilling (whether accidental or otherwise) on the Building by other lessees of the Building or their agents, employees, contractors, or invitees, or by others. Accordingly, Lessor and Lessee agree that the cost of complying with laws relating to Hazardous Substances at the Building for which Lessor is legally liable and which are paid or incurred by Lessor shall be a Common Area Operating Expense (and Lessee shall pay Lessee's Share thereof in accordance with *Paragraph 4.2* of the Lease), unless the cost of such compliance as between Lessor and Lessee is made the responsibility of Lessee pursuant to *Paragraph 6.2* of the Lease. To the extent any such Common Area Operating Expense relating to Hazardous Substances is subsequently recovered or reimbursed through insurance or recovery from responsible third parties or other action, Lessee shall be entitled to a proportionate reimbursement to the extent it has paid its share of such Common Area Operating Expenses to which such recovery or reimbursement relates."

58. Alterations. The following paragraph is hereby added to the end of *Paragraph 7.3(b)* of the Lease:

"Notwithstanding anything to the contrary contained herein, Lessor may withhold its consent in Lessor's sole and absolute discretion with respect to any proposed Alterations or Utility Installations that affect any structural or exterior elements of the Premises, the roof or any Building systems."

59. Insurance; Subrogation. *Paragraphs 8.1 through 8.6* of the Lease are hereby deleted in in their entirety and replaced as follows:

"8.1 Lessor's Insurance. Lessor shall maintain insurance covering the Project and Lessor's ownership and operation thereof in such types and amounts as it deems necessary or desirable in its sole discretion, which may include, without limitation, liability, property damage and/or loss of rental income coverage. Such insurance shall be for the sole benefit of Lessor and under its sole control. The premiums (and any deductibles) for any such insurance shall be included in Common Area Operating Expenses.

034 - 8180 Industrial Pkwy.pdf

8.2 Lessee's Insurance Obligations. Lessee agrees that at all times Lessee shall carry and maintain, at its sole cost and expense, the following types, amounts and forms of insurance:

(a) General Liability Insurance. A broad form comprehensive general liability or commercial general liability policy covering property damage, personal injury, advertising injury and bodily injury, and including blanket contractual liability coverage for obligations under this Lease, covering the Project in an amount of not less than $1,000,000 per occurrence. Such policy shall be in the occurrence form with a per location general aggregate. Each policy shall name Lessor and any management agent from time to time designated by Lessor and any lender of Lessor as additional insureds, and shall provide that any coverage to additional insureds shall be primary; when any policy issued to Lessor provides duplicate coverage or is similar in coverage, Lessor's policy will be excess over Lessee's policies. No deductibles in excess of Five Thousand Dollars ($5,000) per occurrence shall be permitted. Lessee shall pay any deductibles. The amounts of such insurance required hereunder shall be subject to adjustment from time to time as reasonably required by Lessor.

(b) Property Insurance. An all risk policy or policies, including the Boiler and Machinery Perils and the Special Causes of Loss form of coverage ("All Risks"), including vandalism and malicious mischief, theft, sprinkler leakage (including earthquake sprinkler leakage) and water damage coverage in an amount equal to the full replacement value, new without deduction for depreciation, on an agreed amount basis (no co-insurance requirement), of all trade fixtures, furniture and equipment in the Premises, and all alterations, additions and improvements to the Premises installed by or for Lessee or provided to Lessee. Such insurance shall also include business interruption and extra expense coverage for Lessee's operations and debris removal coverage for removal of property of Lessee and Lessee's agents, employees, licensees, invitees, customers and guests which may be damaged within the Premises. Such coverage shall name the Lessor and any management agent from time to time designated by Lessor and any lender of Lessor as additional insureds and/or loss payees as its interest may appear. No deductibles in excess of Five Thousand Dollars ($5,000) shall be permitted. Lessee shall pay any deductibles.

(c) Workers' Compensation Insurance. Workers' compensation insurance, including employers' liability coverage, shall comply with applicable California law. Such insurance shall include a waiver of subrogation in favor of Lessor, if available.

(d) Evidence of Coverage. All of the policies required to be obtained by Lessee pursuant to this *Paragraph 8.2* shall be with companies and in form satisfactory to Lessor. Each insurance company providing coverage shall have a current Best's Rating of "A-/X" or better. Upon notice from Lessor, Lessee shall add Lessor and any management agent from time to time designated by Lessor and any lender of Lessor as an additional insured or loss payee, as applicable. Lessee shall provide Lessor with certificates and copies of endorsements (and upon request, policies) of insurance acceptable to Lessor issued by each of the insurance companies issuing any of the policies required pursuant to the provisions of *Paragraph 8.2*. The insurance required by *Paragraph 8.2* shall provide that such insurance shall not be altered, canceled or non-renewed until after thirty (30) days' written notice to Lessor. "Claims made"

034 - 8180 Industrial Pkwy.pdf

policies shall not be permitted. Each policy shall permit the waiver in *Paragraph 8.3* below. Evidence of insurance coverage shall be furnished to Lessor concurrently with the execution of the Lease and thereafter not fewer than fifteen (15) days prior to the expiration date of any required policy. Lessee may satisfy its insurance obligations hereunder by carrying such insurance under a so called blanket policy or policies of insurance which are acceptable to Lessor. If Lessee fails to obtain any insurance required hereby or provide evidence thereof to Lessor, Lessor may, but shall not be obligated to, and Lessee hereby appoints Lessor as its agent to, procure such insurance and bill the cost of the insurance plus a twenty percent (20%) handling charge to Lessee. Lessee shall pay such costs to Lessor as additional rent with the next monthly payment of Base Rent.

8.3 Waivers of Subrogation. Lessor waives any and all rights of recovery against Lessee for or arising out of damage to, or destruction of the Building or the Premises to the extent that Lessor's insurance policies then in force insure against such damage or destruction and permit such waiver and only to the extent of insurance proceeds actually received by Lessor for such damage or destruction. Lessee waives any and all rights of recovery against Lessor for or arising out of damage to or destruction of any property of Lessee to the extent that Lessee's insurance policies then in force or the policies required by this Lease, whichever is broader, insure against such damage or destruction."

60. Assignment and Subletting. The following language is added at the end of *Paragraph 12.2(e)* of the Lease:

"Lessor may consider all factors relating to the proposed new lessee and the Premises, including, without limitation, the fact that any new lessee may only use the Premises for the same use as the original Lessee, the financial capacity and economic condition of the proposed new lessee, the lessee mix in the Project, any adverse impact on the business of existing tenants, wear and tear on facilities, comparable type and quality of business, conformity to the use provision in the Lease, hours of operation, business plan and qualified business reputation, credit, rent payment history and experience of the proposed new lessee. In addition, Lessor's consent shall be subject to and conditioned upon compliance with reasonable standards and conditions required by Lessor, including, without limitation:

(1) Lessor's receipt from Lessee, not less than ninety (90) days prior to any proposed transfer, of a written request for Lessor's consent which request shall set forth (i) the name of the proposed assignee or sublessee, (ii) the financial details and other terms of any proposed transfer, (iii) the type and history of the performance of the business of any proposed transferee and (iv) such bank, credit, tax returns, financial and other reasonable information concerning any proposed transferee as Lessor may require.

(2) Use of a form of document approved by Lessor.

(3) Payment to Lessor of one hundred percent (100%) of any amount by which the rent and other consideration paid or to be paid to Lessee as a result of any transfer under *Paragraph 12* exceeds the rent then payable by Lessee under this Lease (or, in the case of a

034 - 8180 Industrial Pkwy.pdf

sublease or other transfer of a portion of the Premises, in excess of the rent payable by Lessee on a square footage basis under this Lease)."

61. Breach by Lessor. The following is hereby added at the end of *Paragraph 13.6(a)* of the Lease:

"If Lessor shall default in the performance of any of its obligations under this Lease (after notice and opportunity to cure as provided herein), Lessee's exclusive remedies shall be an action for specific performance or for actual damages. Lessee hereby waives the benefit of any laws granting it the right to perform Lessor's obligation, a lien upon the property of Lessor and/or upon rent due Lessor, or the right to terminate this lease or withhold rent on account of any Lessor default. Notwithstanding any contrary provision herein, Lessor shall not be liable under any circumstances for injury or damage to, or interference with, Lessee's (or any other party's) business, including but not limited to, loss of profits, loss of rents or other revenues, loss of business opportunity, loss of goodwill or loss of use or any other indirect, consequential or special damages, in each case, however occurring."

62. Estoppel Certificate. The following paragraph replaces *Paragraph 16(a)* of the Lease in its entirety:

"(a) Lessee (as the responding party to a request for an estoppel certificate, the "**Responding Party**") shall, at any time and from time to time, upon not less than ten (10) days' prior written notice from Lessor, execute, acknowledge and deliver to Lessor a statement in writing certifying the following information, (but not limited to the following information in the event further information is requested by Lessor): (a) that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as modified, is in full force and effect); (b) the dates to which the rental and other charges are paid in advance, if any; (c) the amount of Lessee's security deposit, if any; and (d) acknowledging that there are not, to Lessee's knowledge, any uncured defaults on the part of Lessor hereunder, and no events or conditions then in existence which, with the passage of time or notice or both, would constitute a default on the part of Lessor hereunder, or specifying such defaults, events or conditions, if any are claimed. It is expressly understood and agreed that any such statement may be relied upon by any prospective purchaser or encumbrancer of all or any portion of the Premises, Building and/or Project. Lessee's failure to deliver such statement within such time shall constitute (i) an admission by Lessee that all statements contained therein are true and correct, and (ii) a Breach of this Lease. Lessee hereby irrevocably appoints Lessor as Lessee's attorney-in-fact and in Lessee's name, place and stead to execute any and all documents described in this *Paragraph 16(a)* if Lessee fails to do so within the specified time period."

63. No Right to Holdover. The following is hereby added to the end of *Paragraph 26* of the Lease:

"If Lessee fails to timely and properly surrender the Premises upon the expiration or earlier termination of this Lease, Lessee agrees to indemnify, defend and hold Lessor harmless from and against all costs, damages, liabilities, losses, expenses and claims suffered or incurred

034 - 8180 Industrial Pkwy.pdf

by such holdover, including damages and costs related to any successor tenant of the Premises to whom Lessor could not deliver possession of the Premises when promised."

64. Extension Option. The following paragraph replaces *Paragraph 39* of the Lease in its entirety:

"39. Option To Extend.

(a) Option. Lessee shall have one (1) option (the "**Renewal Option**") to extend the Term of this Lease, on all the provisions contained in this Lease, except as to the Base Rent, and there shall be no further options to extend. The Renewal Option shall be for an additional five (5)-year period (the "**Option Term**") following the expiration of the initial Term. If Lessee elects to exercise the Renewal Option, the Renewal Option shall be exercised by Lessee giving written notice of its exercise of the Renewal Option (the "**Option Notice**") to Lessor at least six (6) months, but not more than twelve (12) months, before the expiration of the initial Term. If the Option Notice is not sent currently during such six (6)-month period, the Renewal Option shall be null and void, and in no event shall Lessee have any right to extend the Term.

(b) Option Personal. The Renewal Option is personal to Lessee and may not be exercised or assigned, voluntarily or involuntarily, by, or to, any person or entity other than Lessee. The Renewal Option is not assignable separate and apart from this Lease. In the event that, at the time the Renewal Option is exercisable by Lessee, this Lease has been assigned, or a sublease exists, then such Renewal Option shall be deemed null and void and Lessee, any assignee, or any sublessee, shall not have the right to exercise the Renewal Option.

(c) Effect of Default on Renewal Option. Lessee shall have no right to exercise the Renewal Option, (a) if, at the time permitted for the exercise of the Renewal Option, a Lessee default has occurred under any of the provisions of this Lease, or (b) in the event that Lessor has given to Lessee two (2) or more notices of default under this Lease during the twelve (12)-month period prior to the time that Lessee intends to exercise the Renewal Option.

(d) Base Rent During the Option Term. Lessee shall pay to Lessor, as Base Rent for the Premises during the Option Term, the Fair Market Rental Rate (as hereinafter defined), but in no event less than the Base Rent payable by Lessee for the Premises in the Lease Year before the commencement of the applicable Option Term. "**Fair Market Rental Rate**" shall mean the rate being charged to nonrenewal tenants for comparable space in similar buildings for similar uses in the vicinity of the Property, taking into consideration the size, location, proposed term of the Option Term, and any other relevant terms and conditions but excluding any so-called "tenant concessions." The term "tenant concessions" shall include, without limitation, so-called free rent, tenant improvement allowances, lease takeovers, brokerage commissions, etc. All Rent payable during the Option Term shall be payable in the same manner and under the same terms and conditions as Rent is paid during the initial Term.

(e) Fair Market Rental Rate. Lessor shall determine the Fair Market Rental Rate by using its good faith judgment. Lessor shall use commercially reasonable efforts to provide written notice of such amount within thirty (30) days (but in no event later than sixty

034 - 8180 Industrial Pkwy.pdf

(60) days) after Lessee sends the Option Notice to Lessor exercising the Renewal Option for the Option Term. Lessee shall have fifteen (15) days ("**Lessee's Review Period**") after receipt of Lessor's notice of the new rental within which to accept such rental or to reasonably object thereto in writing. If Lessee objects, Lessor and Lessee shall attempt to agree upon such Fair Market Rental Rate, using their best good faith efforts. If Lessor and Lessee fail to reach agreement within fifteen (15) days following Lessee's Review Period (the "**Outside Agreement Date**"), then each party shall place in a separate sealed envelope their final proposal as to Fair Market Rental Rate and such determination shall be submitted to arbitration in accordance with subsections (i) through (iv) below. Failure of Lessee to so elect in writing within Lessee's Review Period shall conclusively be deemed its approval of the new rental determined by Lessor. In the event that Lessor fails to timely generate the initial written notice of Lessor's opinion of the Fair Market Rental Rate which triggers the negotiation period of this provision, then Lessee may commence such negotiations by providing the initial notice, in which event Lessor shall have fifteen (15) days ("**Lessor's Review Period**") after receipt of Lessee's notice of the new rental within which to accept such rental. In the event Lessor does not affirmatively in writing consent to Lessee's proposed rental, such proposed rental shall be deemed rejected and Lessor and Lessee shall attempt in good faith to agree upon such Fair Market Rental Rate, using their best good faith efforts. If Lessor and Lessee fail to reach agreement within fifteen (15) days following Lessor's Review Period (which shall be, in such event, the "**Outside Agreement Date**" in lieu of the above definition of such date), then each party shall place in a separate sealed envelope their final proposal as to Fair Market Rental Rate and such determination shall be submitted to arbitration in accordance with subsections (i) through (iv) below.

(i) Lessor and Lessee shall meet with each other within five (5) Business Days of the Outside Agreement Date and exchange the sealed envelopes and then open such envelopes in each other's presence. If Lessor and Lessee do not mutually agree upon the Fair Market Rental Rate within one (1) Business Day of the exchange and opening of envelopes, then, within ten (10) Business Days of the exchange and opening of envelopes Lessor and Lessee shall agree upon and jointly appoint a single arbitrator who shall by profession be a real estate broker who shall have been active over the ten (10) year period ending on the date of such appointment in the leasing of commercial properties in the vicinity of the Property. Neither Lessor nor Lessee shall consult with such broker as to his or her opinion as to Fair Market Rental Rate prior to the appointment. The determination of the arbitrator shall be limited solely to the issue of whether Lessor's or Lessee's submitted Fair Market Rental Rate for the Premises is the closer to the actual Fair Market Rental Rate for the Premises as determined by the arbitrator, taking into account the requirements of this Exhibit regarding same. Such arbitrator may hold such hearings and require such briefs as the arbitrator, in his or her sole discretion, determines is necessary.

(ii) The arbitrator shall, within thirty (30) days of his or her appointment, reach a decision as to whether the parties shall use Lessor's or Lessee's submitted Fair Market Rental Rate, and shall notify Lessor and Lessee thereof. The decision of the arbitrator shall be binding upon Lessor and Lessee, except as provided below.

034 - 8180 Industrial Pkwy.pdf

(iii) If Lessor and Lessee fail to agree upon and appoint an arbitrator, then the appointment of the arbitrator shall be made by the Presiding Judge of the Sacramento Superior Court, or, if he or she refuses to act, by any judge having jurisdiction over the parties.

(iv) The cost of arbitration shall be paid by Lessor and Lessee equally.

(f) Documentation. Lessor and Lessee shall execute and deliver appropriate documentation to evidence the renewal of the Lease and the terms and conditions of the Lease during the Option Term.

65. Inability to Perform. The following paragraph is hereby added to the Lease as *Paragraph 65*:

"65. Inability to Perform. This Lease and the obligations of Lessee hereunder shall not be affected or impaired because Lessor is unable to fulfill any of its obligations hereunder or is delayed in doing so, if such inability or delay is caused by reason of any prevention, delay, stoppage due to strikes, lockouts, acts of God, or any other cause previously, or at such time, beyond the reasonable control or anticipation of Lessor (collectively, a "**Force Majeure**"), and Lessor's obligation under this Lease shall be forgiven and suspended by any such Force Majeure."

66. Survival of Obligations. The following paragraph is hereby added to the Lease as *Paragraph 66*:

"66. Survival of Obligations. Any obligations of Lessee occurring prior to the expiration or earlier termination of the Lease shall survive such expiration or earlier termination."

67. Rent Increase. The following paragraph is hereby added to the Lease as *Paragraph 67*:

"67. Base Rent Increase. Base Rent shall be increased on the first anniversary of the Commencement Date and on each anniversary during the Term thereafter by three percent (3%) per annum as reflected in the following Base Rent schedule:

Months of Term	Monthly Base Rent Per Square Foot	Monthly Base Rent
1-3	$1.93 (abated)	$9,650.00 (abated)
4-12	$1.93	$9,650.00
13-24	$1.99	$9,950.00
25-36	$2.05	$10,250.00
37-48	$2.11	$10,550.00
49-60	$2.17	$10,850.00"

034 - 8180 Industrial Pkwy.pdf

68. Confidentiality. The following paragraph is hereby added to the Lease as *Paragraph 68*:

"68. Confidentiality. Lessee acknowledges and agrees that as a material condition of this Lease, the negotiations preceding the execution of this Lease and the terms and conditions herein are confidential and are to remain strictly private to the fullest extent permitted by law. With the exception of Lessee's attorneys, accountants, tax preparers, insurers and/or lenders, and any governmental agency having jurisdiction or authority over Lessee or the Premises, Lessee shall not disclose, consent to the disclosure or otherwise disseminate the foregoing confidential information to any person or third party, including, but not limited to, any existing or prospective lessee or tenant at the Project, any real estate broker or to any other person or entity. The foregoing restriction shall survive the termination of this Lease for a period of five (5) years, and any violation of this provision shall constitute a material breach of this Lease.

2. Premises.

2.1 **Letting**. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the Premises, for the term, at the rental, and upon all of the terms, covenants and conditions set forth in this Lease. While the approximate square footage of the Premises may have been used in the marketing of the Premises for purposes of comparison, the Base Rent stated herein is NOT tied to square footage and is not subject to adjustment should the actual size be determined to be different. **NOTE: Lessee is advised to verify the actual size prior to executing this Lease.**

2.2 **Condition**. Lessor shall deliver that portion of the Premises contained within the Building ("**Unit**") to Lessee broom clean and free of debris on the Commencement Date or the Early Possession Date, whichever first occurs ("**Start Date**"), and, so long as the required service contracts described in Paragraph 7.1(b) below are obtained by Lessee and in effect within thirty days following the Start Date, warrants that the existing electrical, plumbing, fire sprinkler, lighting, heating, ventilating and air conditioning systems ("**HVAC**"), loading doors, sump pumps, if any, and all other such elements in the Unit, other than those constructed by Lessee, shall be in good operating condition on said date, that the structural elements of the roof, bearing walls and foundation of the Unit shall be free of material defects, and that the Unit does not contain hazardous levels of any mold or fungi defined as toxic under applicable state or federal law. The warranty periods shall be as follows: (i) ~~6~~ 3 months as to the HVAC systems, and (ii) 30 days as to the remaining systems and other elements of the Unit. If Lessee does not give Lessor the required notice within the appropriate warranty period, correction of any such non-compliance, malfunction or failure shall be the obligation of Lessee at Lessee's sole cost and expense (except for the repairs to the fire sprinkler systems, roof, foundations, and/or bearing walls - see Paragraph 7). Lessor also warrants, that unless otherwise specified in writing, Lessor is unaware of (i) any recorded Notices of Default affecting the Premise; (ii) any delinquent amounts due under any loan secured by the Premises; and (iii) any bankruptcy proceeding affecting the Premises.

2.3 **Compliance**. Lessor warrants that to the best of its knowledge the improvements on the Premises comply with the building codes, applicable laws, covenants or restrictions of record, regulations, and ordinances ("**Applicable Requirements**") that were in effect at the time that each improvement, or portion thereof, was constructed. Said warranty does not apply to the use to which Lessee will put the Premises, modifications which may be required by the Americans with Disabilities Act or any similar laws as a result of Lessee's use (see Paragraph 49), or to any Alterations or Utility Installations (as defined in Paragraph 7.3(a)) made or to be made by Lessee. **NOTE: Lessee is responsible for determining whether or not the Applicable Requirements, and especially the zoning are appropriate for Lessee's intended use, and acknowledges that past uses of the Premises may no longer be allowed.** If the Premises do not comply with said warranty, Lessor shall, except as otherwise provided, promptly after receipt of written notice from Lessee setting forth with specificity the nature and extent of such non-compliance, rectify the same at Lessor's expense. If Lessee does not give Lessor written notice of a non-compliance with this warranty within 6 months following the Start Date, correction of that non-compliance shall be the obligation of Lessee at Lessee's sole cost and expense. If the Applicable Requirements are hereafter changed so as to require during the term of this Lease the construction of an addition to or an alteration of the Unit, Premises and/or Building, the remediation of any Hazardous Substance, or the reinforcement or other physical modification of the Unit, Premises and/or Building ("**Capital Expenditure**"), Lessor and Lessee shall allocate the cost of such work as follows:

(a) Subject to Paragraph 2.3(c) below, if such Capital Expenditures are required as a result of the specific and unique use of the Premises by Lessee as compared with uses by tenants in general, Lessee shall be fully responsible for the cost thereof, provided, however, that if such Capital Expenditure is required during the last 2 years of this Lease and the cost thereof exceeds 6 months' Base Rent, Lessee may instead terminate this Lease unless Lessor notifies Lessee, in writing, within 10 days after receipt of Lessee's termination notice that Lessor has elected to pay the difference between the actual cost thereof and the amount equal to 6 months' Base Rent. If Lessee elects termination, Lessee shall immediately cease the use of the Premises which requires such Capital Expenditure and deliver to Lessor written notice specifying a termination date at least 90 days thereafter. Such termination date shall, however, in no event be earlier than the last day that Lessee could legally utilize the Premises without commencing such Capital Expenditure.

(b) If such Capital Expenditure is not the result of the specific and unique use of the Premises by Lessee (such as, governmentally mandated seismic modifications), then Lessor shall pay for such Capital Expenditure and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date that on which the Base Rent is due, an amount equal to 1/144th of the portion of such costs reasonably attributable to the Premises. Lessee shall pay Interest on the balance but may prepay its obligation at any time. If, however, such Capital Expenditure is required during the last 2 years of this Lease or if Lessor reasonably determines that it is not economically feasible to pay its share thereof, Lessor shall have the option to terminate this Lease upon 90 days prior written notice to Lessee unless Lessee notifies Lessor, in writing, within 10 days after receipt of Lessor's termination notice that Lessee will pay for such Capital Expenditure. If Lessor does not elect to terminate, and fails to tender its share of any such Capital Expenditure, Lessee may advance such funds and deduct same, with Interest, from Rent until Lessor's share of such costs have been fully paid. If Lessee is unable to finance Lessor's share, or if the balance of the Rent due and payable for the remainder of this Lease is not sufficient to fully reimburse Lessee on an offset basis, Lessee shall have the right to terminate this Lease upon 30 days written notice to Lessor.

(c) Notwithstanding the above, the provisions concerning Capital Expenditures are intended to apply only to non-voluntary, unexpected, and new Applicable Requirements. If the Capital Expenditures are instead triggered by Lessee as a result of an actual or proposed change in use, change in intensity of use, or modification to the Premises then, and in that event, Lessee shall either: (i) immediately cease such changed use or intensity of use and/or take such other steps as may be necessary to eliminate the requirement for such Capital Expenditure, or (ii) complete such Capital Expenditure at its own expense. Lessee shall not have any right to terminate this Lease.

2.4 **Acknowledgements**. Lessee acknowledges that: (a) it has been given an opportunity to inspect and measure the Premises, (b) it has been advised by Lessor and/or Brokers to satisfy itself with respect to the size and condition of the Premises (including but not limited to the electrical, HVAC and fire sprinkler systems, security, environmental aspects, and compliance with Applicable Requirements and the Americans with Disabilities Act), and their suitability for Lessee's intended use, (c) Lessee has made such investigation as it deems necessary with reference to such matters and assumes all responsibility therefor as the same relate to its occupancy of the Premises, (d) it is not relying on any representation as to the size of the Premises made by Brokers or Lessor, (e) the square footage of the Premises was not material to Lessee's decision to lease the Premises and pay the Rent stated herein, and (f) neither Lessor, Lessor's agents, nor Brokers have made any oral or written representations or warranties with respect to said matters other than as set forth in this Lease. In addition, Lessor acknowledges that: (i) Brokers have made no representations, promises or warranties concerning Lessee's ability to honor the Lease or suitability to occupy the Premises, and (ii) it is Lessor's sole responsibility to investigate the financial capability and/or suitability of all proposed tenants.

2.5 **Lessee as Prior Owner/Occupant**. The warranties made by Lessor in Paragraph 2 shall be of no force or effect if immediately prior to the Start Date Lessee was the owner or occupant of the Premises. In such event, Lessee shall be responsible for any necessary corrective work.

2.6 **Vehicle Parking**. Lessee shall be entitled to use the number of Parking Spaces specified in Paragraph 1.2(b) on those portions of the Common Areas designated from time to time by Lessor for parking. Lessee shall not use more parking spaces than said number. Said parking spaces shall be used for parking by vehicles no larger than full-size passenger automobiles or pick-up trucks, herein called "**Permitted Size Vehicles**;" provided, however, Lessee shall be permitted to park up to three (3) semi trucks in the parking area. Lessor may regulate the loading and unloading of vehicles by adopting Rules and Regulations as provided in

Paragraph 2.9. No vehicles other than Permitted Size Vehicles may be parked in the Common Area without the prior written permission of Lessor. In addition:

(a) Lessee shall not permit or allow any vehicles that belong to or are controlled by Lessee or Lessee's employees, suppliers, shippers, customers, contractors or invitees to be loaded, unloaded, or parked in areas other than those designated by Lessor for such activities.

(b) Lessee shall not service or store any vehicles in the Common Areas (other than light truck repair).

(c) If Lessee permits or allows any of the prohibited activities described in this Paragraph 2.6, then Lessor shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove or tow away the vehicle involved and charge the cost to Lessee, which cost shall be immediately payable upon demand by Lessor.

2.7 **Common Areas - Definition**. The term "**Common Areas**" is defined as all areas and facilities outside the Premises and within the exterior boundary line of the Project and interior utility raceways and installations within the Unit that are provided and designated by the Lessor from time to time for the general non-exclusive use of Lessor, Lessee and other tenants of the Project and their respective employees, suppliers, shippers, customers, contractors and invitees, including parking areas, loading and unloading areas, trash areas, roofs, roadways, walkways, driveways and landscaped areas.

2.8 **Common Areas - Lessee's Rights**. Lessor grants to Lessee, for the benefit of Lessee and its employees, suppliers, shippers, contractors, customers and invitees, during the term of this Lease, the non-exclusive right to use, in common with others entitled to such use, the Common Areas as they exist from time to time, subject to any rights, powers, and privileges reserved by Lessor under the terms hereof or under the terms of any rules and regulations or restrictions governing the use of the Project. Under no circumstances shall the right herein granted to use the Common Areas be deemed to include the right to store any property, temporarily or permanently, in the Common Areas. Any such storage shall be permitted only by the prior written consent of Lessor or Lessor's designated agent, which consent may be revoked at any time. In the event that any unauthorized storage shall occur, then Lessor shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove the property and charge the cost to Lessee, which cost shall be immediately payable upon demand by Lessor.

2.9 **Common Areas - Rules and Regulations**. Lessor or such other person(s) as Lessor may appoint shall have the exclusive control and management of the Common Areas and shall have the right, from time to time, to establish, modify, amend and enforce reasonable rules and regulations ("**Rules and Regulations**") for the management, safety, care, and cleanliness of the grounds, the parking and unloading of vehicles and the preservation of good order, as well as for the convenience of other occupants or tenants of the Building and the Project and their invitees. Lessee agrees to abide by and conform to all such Rules and Regulations, and shall use its best efforts to cause its employees, suppliers, shippers, customers, contractors and invitees to so abide and conform. Lessor shall not be responsible to Lessee for the non-compliance with said Rules and Regulations by other tenants of the Project.

2.10 **Common Areas - Changes**. Lessor shall have the right, in Lessor's sole discretion, from time to time:

(a) To make changes to the Common Areas, including, without limitation, changes in the location, size, shape and number of driveways, entrances, parking spaces, parking areas, loading and unloading areas, ingress, egress, direction of traffic, landscaped areas, walkways and utility raceways; provided that Lessor shall not unreasonably frustrate Lessee's uses permitted herein;

(b) To close temporarily any of the Common Areas for maintenance purposes so long as reasonable access to the Premises remains available;

(c) To designate other land outside the boundaries of the Project to be a part of the Common Areas;

(d) To add additional buildings and improvements to the Common Areas;

(e) To use the Common Areas while engaged in making additional improvements, repairs or alterations to the Project, or any portion thereof; and

(f) To do and perform such other acts and make such other changes in, to or with respect to the Common Areas and Project as Lessor may, in the exercise of sound business judgment, deem to be appropriate.

3. Term.

3.1 **Term**. The Commencement Date, Expiration Date and Original Term of this Lease are as specified in Paragraph 1.3.

3.2 **Early Possession**. Any provision herein granting Lessee Early Possession of the Premises is subject to and conditioned upon the Premises being available for such possession prior to the Commencement Date. Any grant of Early Possession only conveys a non-exclusive right to occupy the Premises. If Lessee totally or partially occupies the Premises prior to the Commencement Date, the obligation to pay Base Rent shall be abated for the period of such Early Possession. All other terms of this Lease (including but not limited to the obligations to pay Lessee's Share of Common Area Operating Expenses, Real Property Taxes and insurance premiums and to maintain the Premises) shall be in effect during such period. Any such Early Possession shall not affect the Expiration Date.

3.3 **Delay In Possession**. Lessor agrees to use its best commercially reasonable efforts to deliver possession of the Premises to Lessee by the Commencement Date. If, despite said efforts, Lessor is unable to deliver possession by such date, Lessor shall not be subject to any liability therefor, nor shall such failure affect the validity of this Lease or change the Expiration Date. Lessee shall not, however, be obligated to pay Rent or perform its other obligations until Lessor delivers possession of the Premises and any period of rent abatement that Lessee would otherwise have enjoyed shall run from the date of delivery of possession and continue for a period equal to what Lessee would otherwise have enjoyed under the terms hereof, but minus any days of delay caused by the acts or omissions of Lessee. If possession is not delivered within 60 days after the Commencement Date, as the same may be extended under the terms of any Work Letter executed by Parties, Lessee may, at its option, by notice in writing within 10 days after the end of such 60 day period, cancel this Lease, in which event the Parties shall be discharged from all obligations hereunder. If such written notice is not received by Lessor within said 10 day period, Lessee's right to cancel shall terminate. If possession of the Premises is not delivered within 120 days after the Commencement Date, this Lease shall terminate unless other agreements are reached between Lessor and Lessee, in writing.

3.4 **Lessee Compliance**. Lessor shall not be required to tender possession of the Premises to Lessee until Lessee complies with its obligation to provide evidence of insurance (Paragraph 8.5). Pending delivery of such evidence, Lessee shall be required to perform all of its obligations under this Lease from and after the Start Date, including the payment of Rent, notwithstanding Lessor's election to withhold possession pending receipt of such evidence of insurance. Further, if Lessee is required to perform any other conditions prior to or concurrent with the Start Date, the Start Date shall occur but Lessor may elect to withhold possession until such conditions are satisfied.

4. Rent.

4.1. **Rent Defined**. All monetary obligations of Lessee to Lessor under the terms of this Lease (except for the Security Deposit) are deemed to be rent ("**Rent**").

4.2 **Common Area Operating Expenses**. Lessee shall pay to Lessor during the term hereof, in addition to the Base Rent, Lessee's Share (as specified in Paragraph 1.6) of all Common Area Operating Expenses, as hereinafter defined, during each calendar year of the term of this Lease, in accordance with the following provisions:

(a) "**Common Area Operating Expenses**" are defined, for purposes of this Lease, as all costs relating to the ownership and operation of the Project, including, but not limited to, the following:

(i) The operation, repair and maintenance, in neat, clean, good order and condition , and if necessary the replacement, of the following:

(aa) The Common Areas and Common Area improvements, including parking areas, loading and unloading areas, trash areas, roadways, parkways, walkways, driveways, landscaped areas, bumpers, irrigation systems, Common Area lighting facilities, fences and gates, elevators, roofs, exterior walls of the buildings, building systems and roof drainage systems.

(bb) Exterior signs ~~and any tenant directories~~.

(cc) Any fire sprinkler systems.

(dd) All other areas and improvements that are within the exterior boundaries of the Project but outside of the Premises and/or any other space occupied by a tenant.

(ii) The cost of water, gas, electricity and telephone to service the Common Areas and any utilities not separately metered.

(iii) The cost of trash disposal, pest control services, property management, security services, owners' association dues and fees, the cost to repaint the exterior of any structures and the cost of any environmental inspections.

(iv) Reserves set aside for maintenance, repair and/or replacement of Common Area improvements and equipment.

(v) Real Property Taxes (as defined in Paragraph 10).

(vi) The cost of the premiums for the insurance maintained by Lessor pursuant to Paragraph 8.

(vii) Any deductible portion of an insured loss concerning the Building or the Common Areas.

(viii) Auditors', accountants' and attorneys' fees and costs related to the operation, maintenance, repair and replacement of the Project.

(ix) The cost of any capital improvement to the Building or the Project not covered under the provisions of Paragraph 2.3 provided; however, that Lessor shall allocate the cost of any such capital improvement over a 12 year period and Lessee shall not be required to pay more than Lessee's Share of 1/144th of the cost of such capital improvement in any given month. Lessee shall pay Interest on the unamortized balance but may prepay its obligation at any time.

(x) The cost of any other services to be provided by Lessor that are stated elsewhere in this Lease to be a Common Area Operating Expense.

(b) Any Common Area Operating Expenses and Real Property Taxes that are specifically attributable to the Unit, the Building or to any other building in the Project or to the operation, repair and maintenance thereof, shall be allocated entirely to such Unit, Building, or other building. However, any Common Area Operating Expenses and Real Property Taxes that are not specifically attributable to the Building or to any other building or to the operation, repair and maintenance thereof, shall be equitably allocated by Lessor to all buildings in the Project.

(c) The inclusion of the improvements, facilities and services set forth in Subparagraph 4.2(a) shall not be deemed to impose an obligation upon Lessor to either have said improvements or facilities or to provide those services unless the Project already has the same, Lessor already provides the services, or Lessor has agreed elsewhere in this Lease to provide the same or some of them.

(d) Lessee's Share of Common Area Operating Expenses is payable monthly on the same day as the Base Rent is due hereunder. The amount of such payments shall be based on Lessor's estimate of the annual Common Area Operating Expenses. Within 60 days after written request (but not more than once each year) Lessor shall deliver to Lessee a reasonably detailed statement showing Lessee's Share of the actual Common Area Operating Expenses for the preceding year. If Lessee's payments during such year exceed Lessee's Share, Lessor shall credit the amount of such over-payment against Lessee's future payments. If Lessee's payments during such year were less than Lessee's Share, Lessee shall pay to Lessor the amount of the deficiency within 10 days after delivery by Lessor to Lessee of the statement.

(e) Common Area Operating Expenses shall not include any expenses paid by any tenant directly to third parties, or as to which Lessor is otherwise reimbursed by any third party, other tenant, or insurance proceeds.

4.3 **Payment**. Lessee shall cause payment of Rent to be received by Lessor in lawful money of the United States, without offset or deduction (except as specifically permitted in this Lease), on or before the day on which it is due. All monetary amounts shall be rounded to the nearest whole dollar. In the event that any invoice prepared by Lessor is inaccurate such inaccuracy shall not constitute a waiver and Lessee shall be obligated to pay the amount set forth in this Lease. Rent for any period during the term hereof which is for less than one full calendar month shall be prorated based upon the actual number of days of said month. Payment of Rent shall be made to Lessor at its address stated herein or to such other persons or place as Lessor may from time to time designate in writing. Acceptance of a payment which is less than the amount then due shall not be a waiver of Lessor's rights to the balance of such Rent, regardless of Lessor's endorsement of any check so stating. In the event that any check, draft, or other instrument of payment given by Lessee to Lessor is dishonored for any reason, Lessee agrees to pay to Lessor the sum of $100 ~~-$25~~ in addition to any Late Charge and Lessor, at its option, may require all future Rent be paid by cashier's check. Payments will be applied first to accrued late charges and attorney's fees, second to accrued interest, then to Base Rent and Common Area Operating Expenses, and any remaining amount to any other outstanding charges or costs.

5. Security Deposit. Lessee shall deposit with Lessor upon execution hereof the Security Deposit as security for Lessee's faithful performance of its obligations under this Lease. If Lessee fails to pay Rent, or otherwise Defaults under this Lease, Lessor may use, apply or retain all or any portion of said Security Deposit for the payment of any amount already due Lessor, for Rents which will be due in the future, and/ or to reimburse or compensate Lessor for any liability, expense, loss or damage which Lessor may suffer or incur by reason thereof. If Lessor uses or applies all or any portion of the Security Deposit, Lessee shall within 10 days after written request therefor deposit monies with Lessor sufficient to restore said Security Deposit to the full amount required by this Lease. If the Base Rent increases during the term of this Lease, Lessee shall, upon written request from Lessor, deposit additional monies with Lessor so that the total amount of the Security Deposit shall at all times bear the same proportion to the increased Base Rent as the initial Security Deposit bore to the initial Base Rent. Should the Agreed Use be amended to accommodate a material change in the business of Lessee or to accommodate a sublessee or assignee, Lessor shall have the right to increase the Security Deposit to the extent necessary, in Lessor's reasonable judgment, to account for any increased wear and tear that the Premises may suffer as a result thereof. If a change in control of Lessee occurs during this Lease and following such change the financial condition of Lessee is, in Lessor's reasonable judgment, significantly reduced, Lessee shall deposit such additional monies with Lessor as shall be sufficient to cause the Security Deposit to be at a commercially reasonable level based on such change in financial condition. Lessor shall not be required to keep the Security Deposit separate from its general accounts. Within 90 days after the expiration or termination of this Lease, Lessor shall return that portion of the Security Deposit not used or applied by Lessor. Lessor shall upon written request provide Lessee with an accounting showing how that portion of the Security Deposit that was not returned was applied. No part of the Security Deposit shall be considered to be held in trust, to bear interest or to be prepayment for any monies to be paid by Lessee under this Lease. THE SECURITY DEPOSIT SHALL NOT BE USED BY LESSEE IN LIEU OF PAYMENT OF THE LAST MONTH'S RENT.

6. Use.

6.1 **Use**. Lessee shall use and occupy the Premises only for the Agreed Use, ~~or any other legal use which is reasonably comparable thereto,~~ and for no other purpose. Lessee shall not use or permit the use of the Premises in a manner that is unlawful, creates damage, waste or a nuisance, or that disturbs occupants of or causes damage to neighboring premises or properties. Other than guide, signal and seeing eye dogs, Lessee shall not keep or allow in the Premises any pets, animals, birds, fish, or reptiles. ~~Lessor shall not unreasonably withhold or delay its consent to any written request for a modification of the Agreed Use, so long as the same will not impair the structural integrity of the Building or the mechanical or electrical systems therein, and/or is not significantly more burdensome to the Project. If Lessor elects to withhold consent, Lessor shall within 7 days after such request give written notification of same, which notice shall include an explanation of Lessor's objections to the change in the Agreed Use.~~

6.2 **Hazardous Substances**.

(a) **Reportable Uses Require Consent**. The term "**Hazardous Substance**" as used in this Lease shall mean any product, substance, or waste whose

034 - 8180 Industrial Pkwy.pdf

presence, use, manufacture, disposal, transportation, or release, either by itself or in combination with other materials expected to be on the Premises, is either: (i) potentially injurious to the public health, safety or welfare, the environment or the Premises, (ii) regulated or monitored by any governmental authority, or (iii) a basis for potential liability of Lessor to any governmental agency or third party under any applicable statute or common law theory. Hazardous Substances shall include, but not be limited to, hydrocarbons, petroleum, gasoline, and/or crude oil or any products, by-products or fractions thereof. Lessee shall not engage in any activity in or on the Premises which constitutes a Reportable Use of Hazardous Substances without the express prior written consent of Lessor and timely compliance (at Lessee's expense) with all Applicable Requirements. "**Reportable Use**" shall mean (i) the installation or use of any above or below ground storage tank, (ii) the generation, possession, storage, use, transportation, or disposal of a Hazardous Substance that requires a permit from, or with respect to which a report, notice, registration or business plan is required to be filed with, any governmental authority, and/or (iii) the presence at the Premises of a Hazardous Substance with respect to which any Applicable Requirements requires that a notice be given to persons entering or occupying the Premises or neighboring properties. Notwithstanding the foregoing, Lessee may use any ordinary and customary materials reasonably required to be used in the normal course of the Agreed Use, ordinary office supplies (copier toner, liquid paper, glue, etc.) and common household cleaning materials, so long as such use is in compliance with all Applicable Requirements, is not a Reportable Use, and does not expose the Premises or neighboring property to any meaningful risk of contamination or damage or expose Lessor to any liability therefor. In addition, Lessor may condition its consent to any Reportable Use upon receiving such additional assurances as Lessor reasonably deems necessary to protect itself, the public, the Premises and/or the environment against damage, contamination, injury and/or liability, including, but not limited to, the installation (and removal on or before Lease expiration or termination) of protective modifications (such as concrete encasements) and/or increasing the Security Deposit.

(b) **Duty to Inform Lessor**. If Lessee knows, or has reasonable cause to believe, that a Hazardous Substance has come to be located in, on, under or about the Premises, other than as previously consented to by Lessor, Lessee shall immediately give written notice of such fact to Lessor, and provide Lessor with a copy of any report, notice, claim or other documentation which it has concerning the presence of such Hazardous Substance.

(c) **Lessee Remediation**. Lessee shall not cause or permit any Hazardous Substance to be spilled or released in, on, under, or about the Premises (including through the plumbing or sanitary sewer system) and shall promptly, at Lessee's expense, comply with all Applicable Requirements and take all investigatory and/or remedial action reasonably recommended, whether or not formally ordered or required, for the cleanup of any contamination of, and for the maintenance, security and/or monitoring of the Premises or neighboring properties, that was caused or materially contributed to by Lessee, or pertaining to or involving any Hazardous Substance brought onto the Premises during the term of this Lease, by or for Lessee, or any third party.

(d) **Lessee Indemnification**. Lessee shall indemnify, defend and hold Lessor, its agents, employees, lenders and ground lessor, if any, harmless from and against any and all loss of rents and/or damages, liabilities, judgments, claims, expenses, penalties, and attorneys' and consultants' fees arising out of or involving any Hazardous Substance brought onto the Premises by or for Lessee, or any third party (provided, however, that Lessee shall have no liability under this Lease with respect to underground migration of any Hazardous Substance under the Premises from areas outside of the Project not caused or contributed to by Lessee). Lessee's obligations shall include, but not be limited to, the effects of any contamination or injury to person, property or the environment created or suffered by Lessee, and the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease. No termination, cancellation or release agreement entered into by Lessor and Lessee shall release Lessee from its obligations under this Lease with respect to Hazardous Substances, unless specifically so agreed by Lessor in writing at the time of such agreement.

(e) **Lessor Indemnification**. Except as otherwise provided in paragraph 8.7, Lessor and its successors and assigns shall indemnify, defend, reimburse and hold Lessee, its employees and lenders, harmless from and against any and all environmental damages, including the cost of remediation, which are suffered as a direct result of Hazardous Substances on the Premises prior to Lessee taking possession or which are caused by the gross negligence or willful misconduct of Lessor, its agents or employees. Lessor's obligations, as and when required by the Applicable Requirements, shall include, but not be limited to, the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease.

(f) **Investigations and Remediations**. Lessor shall retain the responsibility and pay for any investigations or remediation measures required by governmental entities having jurisdiction with respect to the existence of Hazardous Substances on the Premises prior to the Lessee taking possession, unless such remediation measure is required as a result of Lessee's use (including "Alterations", as defined in paragraph 7.3(a) below) of the Premises, in which event Lessee shall be responsible for such payment. Lessee shall cooperate fully in any such activities at the request of Lessor, including allowing Lessor and Lessor's agents to have reasonable access to the Premises at reasonable times in order to carry out Lessor's investigative and remedial responsibilities.

(g) **Lessor Termination Option**. If a Hazardous Substance Condition (see Paragraph 9.1(e)) occurs during the term of this Lease, unless Lessee is legally responsible therefor (in which case Lessee shall make the investigation and remediation thereof required by the Applicable Requirements and this Lease shall continue in full force and effect, but subject to Lessor's rights under Paragraph 6.2(d) and Paragraph 13), Lessor may, at Lessor's option, either (i) investigate and remediate such Hazardous Substance Condition, if required, as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) if the estimated cost to remediate such condition exceeds 12 times the then monthly Base Rent or $100,000, whichever is greater, give written notice to Lessee, within 30 days after receipt by Lessor of knowledge of the occurrence of such Hazardous Substance Condition, of Lessor's desire to terminate this Lease as of the date 60 days following the date of such notice. In the event Lessor elects to give a termination notice, Lessee may, within 10 days thereafter, give written notice to Lessor of Lessee's commitment to pay the amount by which the cost of the remediation of such Hazardous Substance Condition exceeds an amount equal to 12 times the then monthly Base Rent or $100,000, whichever is greater. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days following such commitment. In such event, this Lease shall continue in full force and effect, and Lessor shall proceed to make such remediation as soon as reasonably possible after the required funds are available. If Lessee does not give such notice and provide the required funds or assurance thereof within the time provided, this Lease shall terminate as of the date specified in Lessor's notice of termination.

6.3 **Lessee's Compliance with Applicable Requirements**. Except as otherwise provided in this Lease, Lessee shall, at Lessee's sole expense, fully, diligently and in a timely manner, materially comply with all Applicable Requirements, the requirements of any applicable fire insurance underwriter or rating bureau, and the recommendations of Lessor's engineers and/or consultants which relate in any manner to the Premises, without regard to whether said Applicable Requirements are now in effect or become effective after the Start Date. Lessee shall, within 10 days after receipt of Lessor's written request, provide Lessor with copies of all permits and other documents, and other information evidencing Lessee's compliance with any Applicable Requirements specified by Lessor, and shall immediately upon receipt, notify Lessor in writing (with copies of any documents involved) of any threatened or actual claim, notice, citation, warning, complaint or report pertaining to or involving the failure of Lessee or the Premises to comply with any Applicable Requirements. Likewise, Lessee shall immediately give written notice to Lessor of: (i) any water damage to the Premises and any suspected seepage, pooling, dampness or other condition conducive to the production of mold; or (ii) any mustiness or other odors that might indicate the presence of mold in the Premises.

6.4 **Inspection; Compliance**. Lessor and Lessor's "**Lender**" (as defined in Paragraph 30) and consultants authorized by Lessor shall have the right to enter into Premises at any time, in the case of an emergency, and otherwise at reasonable times after reasonable notice, for the purpose of inspecting and/or testing the condition of the Premises and/or for verifying compliance by Lessee with this Lease. The cost of any such inspections shall be paid by Lessor, unless a violation of Applicable Requirements, or a Hazardous Substance Condition (see Paragraph 9.1) is found to exist or be imminent, or the inspection is requested or ordered by a governmental authority. In such case, Lessee shall upon request reimburse Lessor for the cost of such inspection, so long as such inspection is reasonably related to the violation or contamination. In addition, Lessee shall provide copies of all relevant material safety data sheets (**MSDS**) to Lessor within 10 days of the receipt of

034 - 8180 Industrial Pkwy.pdf

written request therefor. Lessee acknowledges that any failure on its part to allow such inspections or testing will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to allow such inspections and/or testing in a timely fashion the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for the remainder to the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to allow such inspection and/or testing. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to such failure nor prevent the exercise of any of the other rights and remedies granted hereunder.

7. Maintenance; Repairs; Utility Installations; Trade Fixtures and Alterations.

7.1 **Lessee's Obligations.**

(a) **In General.** Subject to the provisions of Paragraph 2.2 (Condition), 2.3 (Compliance), 6.3 (Lessee's Compliance with Applicable Requirements), 7.2 (Lessor's Obligations), 9 (Damage or Destruction), and 14 (Condemnation), Lessee shall, at Lessee's sole expense, keep the Premises, Utility Installations (intended for Lessee's exclusive use, no matter where located), and Alterations in good order, condition and repair (whether or not the portion of the Premises requiring repairs, or the means of repairing the same, are reasonably or readily accessible to Lessee, and whether or not the need for such repairs occurs as a result of Lessee's use, any prior use, the elements or the age of such portion of the Premises), including, but not limited to, all equipment or facilities, such as plumbing, HVAC equipment, electrical, lighting facilities, boilers, pressure vessels, fixtures, interior walls, interior surfaces of exterior walls, ceilings, floors, windows, doors, plate glass, and skylights but excluding any items which are the responsibility of Lessor pursuant to Paragraph 7.2. Lessee, in keeping the Premises in good order, condition and repair, shall exercise and perform good maintenance practices, specifically including the procurement and maintenance of the service contracts required by Paragraph 7.1(b) below. Lessee's obligations shall include restorations, replacements or renewals when necessary to keep the Premises and all improvements thereon or a part thereof in good order, condition and state of repair.

(b) **Service Contracts.** Lessee shall, at Lessee's sole expense, procure and maintain contracts, with copies to Lessor, in customary form and substance for, and with contractors specializing and experienced in the maintenance of the following equipment and improvements, if any, if and when installed on the Premises: (i) HVAC equipment, (ii) boiler and pressure vessels, and (iii) clarifiers. However, Lessor reserves the right, upon notice to Lessee, to procure and maintain any or all of such service contracts, and Lessee shall reimburse Lessor, upon demand, for the cost thereof.

(c) **Failure to Perform.** If Lessee fails to perform Lessee's obligations under this Paragraph 7.1, Lessor may enter upon the Premises after 10 days' prior written notice to Lessee (except in the case of an emergency, in which case no notice shall be required), perform such obligations on Lessee's behalf, and put the Premises in good order, condition and repair, and Lessee shall promptly pay to Lessor a sum equal to 115% of the cost thereof.

(d) **Replacement.** Subject to Lessee's indemnification of Lessor as set forth in Paragraph 8.7 below, and without relieving Lessee of liability resulting from Lessee's failure to exercise and perform good maintenance practices, if an item described in Paragraph 7.1(b) cannot be repaired other than at a cost which is in excess of 50% of the cost of replacing such item, then such item shall be replaced by Lessor, and the cost thereof shall be prorated between the Parties and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease, on the date on which Base Rent is due, an amount equal to the product of multiplying the cost of such replacement by a fraction, the numerator of which is one, and the denominator of which is 144 (ie. 1/144th of the cost per month). Lessee shall pay Interest on the unamortized balance but may prepay its obligation at any time.

7.2 **Lessor's Obligations.** Subject to the provisions of Paragraphs 2.2 (Condition), 2.3 (Compliance), 4.2 (Common Area Operating Expenses), 6 (Use), 7.1 (Lessee's Obligations), 9 (Damage or Destruction) and 14 (Condemnation), Lessor, subject to reimbursement pursuant to Paragraph 4.2, shall keep in good order, condition and repair the foundations, exterior walls, structural condition of interior bearing walls, exterior roof, fire sprinkler system, Common Area fire alarm and/or smoke detection systems, fire hydrants, parking lots, walkways, parkways, driveways, landscaping, fences, signs and utility systems serving the Common Areas and all parts thereof, as well as providing the services for which there is a Common Area Operating Expense pursuant to Paragraph 4.2. Lessor shall not be obligated to paint the exterior or interior surfaces of exterior walls nor shall Lessor be obligated to maintain, repair or replace windows, doors or plate glass of the Premises.

7.3 **Utility Installations; Trade Fixtures; Alterations.**

(a) **Definitions.** The term "**Utility Installations**" refers to all floor and window coverings, air and/or vacuum lines, power panels, electrical distribution, security and fire protection systems, communication cabling, lighting fixtures, HVAC equipment, plumbing, and fencing in or on the Premises. The term "**Trade Fixtures**" shall mean Lessee's machinery and equipment that can be removed without doing material damage to the Premises. The term "Alterations" shall mean any modification of the improvements, other than Utility Installations or Trade Fixtures, whether by addition or deletion. "**Lessee Owned Alterations and/or Utility Installations**" are defined as Alterations and/or Utility Installations made by Lessee that are not yet owned by Lessor pursuant to Paragraph 7.4(a).

(b) **Consent.** Lessee shall not make any Alterations or Utility Installations to the Premises without Lessor's prior written consent. Lessee may, however, make non-structural Alterations or Utility Installations to the interior of the Premises (excluding the roof) without such consent but upon notice to Lessor, as long as they are not visible from the outside, do not involve puncturing, relocating or removing the roof or any existing walls, will not affect the electrical, plumbing, HVAC, and/or life safety systems, do not trigger the requirement for additional modifications and/or improvements to the Premises resulting from Applicable Requirements, such as compliance with Title 24, and/or life safety systems, and the cumulative cost thereof during this Lease as extended does not exceed a sum equal to 3 month's Base Rent in the aggregate or a sum equal to one month's Base Rent in any one year. Notwithstanding the foregoing, Lessee shall not make or permit any roof penetrations and/or install anything on the roof without the prior written approval of Lessor. Lessor may, as a precondition to granting such approval, require Lessee to utilize a contractor chosen and/or approved by Lessor. Any Alterations or Utility Installations that Lessee shall desire to make and which require the consent of the Lessor shall be presented to Lessor in written form with detailed plans. Consent shall be deemed conditioned upon Lessee's: (i) acquiring all applicable governmental permits, (ii) furnishing Lessor with copies of both the permits and the plans and specifications prior to commencement of the work, and (iii) compliance with all conditions of said permits and other Applicable Requirements in a prompt and expeditious manner. Any Alterations or Utility Installations shall be performed in a workmanlike manner with good and sufficient materials. Lessee shall promptly upon completion furnish Lessor with as-built plans and specifications. For work which costs an amount in excess of one month's Base Rent, Lessor may condition its consent upon Lessee providing a lien and completion bond in an amount equal to 150% of the estimated cost of such Alteration or Utility Installation and/or upon Lessee's posting an additional Security Deposit with Lessor.

(c) **Liens; Bonds.** Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use on the Premises, which claims are or may be secured by any mechanic's or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than 10 days notice prior to the commencement of any work in, on or about the Premises, and Lessor shall have the right to post notices of non-responsibility. If Lessee shall contest the validity of any such lien, claim or demand, then Lessee shall, at its sole expense defend and protect itself, Lessor and the Premises against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof. If Lessor shall require, Lessee shall furnish a surety bond in an amount equal to 150% of the amount of such contested lien, claim or demand, indemnifying Lessor against liability for the same. If Lessor elects to participate in any such action, Lessee shall pay Lessor's attorneys' fees and costs.

7.4 **Ownership; Removal; Surrender; and Restoration.**

(a) **Ownership.** Subject to Lessor's right to require removal or elect ownership as hereinafter provided, all Alterations and Utility Installations made by Lessee shall be the property of Lessee, but considered a part of the Premises. Lessor may, at any time, elect in writing to be the owner of all or any specified part of

the Lessee Owned Alterations and Utility Installations. Unless otherwise instructed per paragraph 7.4(b) hereof, all Lessee Owned Alterations and Utility Installations shall, at the expiration or termination of this Lease, become the property of Lessor and be surrendered by Lessee with the Premises.

(b) **Removal**. By delivery to Lessee of written notice from Lessor not earlier than 90 and not later than 30 days prior to the end of the term of this Lease, Lessor may require that any or all Lessee Owned Alterations or Utility Installations be removed by the expiration or termination of this Lease. Lessor may require the removal at any time of all or any part of any Lessee Owned Alterations or Utility Installations made without the required consent.

(c) **Surrender; Restoration**. Lessee shall surrender the Premises by the Expiration Date or any earlier termination date, with all of the improvements, parts and surfaces thereof broom clean and free of debris, and in good operating order, condition and state of repair, ordinary wear and tear excepted. "Ordinary wear and tear" shall not include any damage or deterioration that would have been prevented by good maintenance practice. Notwithstanding the foregoing, if the Lessee occupies the Premises for 12 months or less, then Lessee shall surrender the Premises in the same condition as delivered to Lessee on the Start Date with NO allowance for ordinary wear and tear. Lessee shall repair any damage occasioned by the installation, maintenance or removal of Trade Fixtures, Lessee owned Alterations and/or Utility Installations, furnishings, and equipment as well as the removal of any storage tank installed by or for Lessee. Lessee shall also remove from the Premises any and all Hazardous Substances brought onto the Premises by or for Lessee, or any third party (except Hazardous Substances which were deposited via underground migration from areas outside of the Project) to the level specified in Applicable Requirements. Trade Fixtures shall remain the property of Lessee and shall be removed by Lessee. Any personal property of Lessee not removed on or before the Expiration Date or any earlier termination date shall be deemed to have been abandoned by Lessee and may be disposed of or retained by Lessor as Lessor may desire. The failure by Lessee to timely vacate the Premises pursuant to this Paragraph 7.4(c) without the express written consent of Lessor shall constitute a holdover under the provisions of Paragraph 26 below.

8. Insurance; Indemnity.

8.1 **Payment of Premiums**. The cost of the premiums for the insurance policies required to be carried by Lessor, pursuant to Paragraphs 8.2(b), 8.3(a) and 8.3(b), shall be a Common Area Operating Expense. Premiums for policy periods commencing prior to, or extending beyond, the term of this Lease shall be prorated to coincide with the corresponding Start Date or Expiration Date.

8.2 **Liability Insurance.**

(a) **Carried by Lessee**. Lessee shall obtain and keep in force a Commercial General Liability policy of insurance protecting Lessee and Lessor as an additional insured against claims for bodily injury, personal injury and property damage based upon or arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be on an occurrence basis providing single limit coverage in an amount not less than $1,000,000 per occurrence with an annual aggregate of not less than $2,000,000. Lessee shall add Lessor as an additional insured by means of an endorsement at least as broad as the Insurance Service Organization's "Additional Insured-Managers or Lessors of Premises" Endorsement. The policy shall not contain any intra-insured exclusions as between insured persons or organizations, but shall include coverage for liability assumed under this Lease as an "**insured contract**" for the performance of Lessee's indemnity obligations under this Lease. The limits of said insurance shall not, however, limit the liability of Lessee nor relieve Lessee of any obligation hereunder. Lessee shall provide an endorsement on its liability policy(ies) which provides that its insurance shall be primary to and not contributory with any similar insurance carried by Lessor, whose insurance shall be considered excess insurance only.

(b) **Carried by Lessor**. Lessor shall maintain liability insurance as described in Paragraph 8.2(a), in addition to, and not in lieu of, the insurance required to be maintained by Lessee. Lessee shall not be named as an additional insured therein.

8.3 **Property Insurance - Building, Improvements and Rental Value.**

(a) **Building and Improvements**. Lessor shall obtain and keep in force a policy or policies of insurance in the name of Lessor, with loss payable to Lessor, any ground-lessor, and to any Lender insuring loss or damage to the Premises. The amount of such insurance shall be equal to the full insurable replacement cost of the Premises, as the same shall exist from time to time, or the amount required by any Lender, but in no event more than the commercially reasonable and available insurable value thereof. Lessee Owned Alterations and Utility Installations, Trade Fixtures, and Lessee's personal property shall be insured by Lessee not by Lessor. If the coverage is available and commercially appropriate, such policy or policies shall insure against all risks of direct physical loss or damage (except the perils of flood and/or earthquake unless required by a Lender), including coverage for debris removal and the enforcement of any Applicable Requirements requiring the upgrading, demolition, reconstruction or replacement of any portion of the Premises as the result of a covered loss. Said policy or policies shall also contain an agreed valuation provision in lieu of any coinsurance clause, waiver of subrogation, and inflation guard protection causing an increase in the annual property insurance coverage amount by a factor of not less than the adjusted U.S. Department of Labor Consumer Price Index for All Urban Consumers for the city nearest to where the Premises are located. If such insurance coverage has a deductible clause, the deductible amount shall not exceed $5,000 per occurrence.

(b) **Rental Value**. Lessor shall also obtain and keep in force a policy or policies in the name of Lessor with loss payable to Lessor and any Lender, insuring the loss of the full Rent for one year with an extended period of indemnity for an additional 180 days ("Rental Value insurance"). Said insurance shall contain an agreed valuation provision in lieu of any coinsurance clause, and the amount of coverage shall be adjusted annually to reflect the projected Rent otherwise payable by Lessee, for the next 12 month period.

(c) **Adjacent Premises**. Lessee shall pay for any increase in the premiums for the property insurance of the Building and for the Common Areas or other buildings in the Project if said increase is caused by Lessee's acts, omissions, use or occupancy of the Premises.

(d) **Lessee's Improvements**. Since Lessor is the Insuring Party, Lessor shall not be required to insure Lessee Owned Alterations and Utility Installations unless the item in question has become the property of Lessor under the terms of this Lease.

8.4 **Lessee's Property; Business Interruption Insurance; Worker's Compensation Insurance.**

(a) **Property Damage**. Lessee shall obtain and maintain insurance coverage on all of Lessee's personal property, Trade Fixtures, and Lessee Owned Alterations and Utility Installations. Such insurance shall be full replacement cost coverage with a deductible of not to exceed $1,000 per occurrence. The proceeds from any such insurance shall be used by Lessee for the replacement of personal property, Trade Fixtures and Lessee Owned Alterations and Utility Installations.

(b) **Business Interruption**. Lessee shall obtain and maintain loss of income and extra expense insurance in amounts as will reimburse Lessee for direct or indirect loss of earnings attributable to all perils commonly insured against by prudent lessees in the business of Lessee or attributable to prevention of access to the Premises as a result of such perils.

(c) **Worker's Compensation Insurance**. Lessee shall obtain and maintain Worker's Compensation Insurance in such amount as may be required by Applicable Requirements. Such policy shall include a 'Waiver of Subrogation' endorsement. Lessee shall provide Lessor with a copy of such endorsement along with the certificate of insurance or copy of the policy required by paragraph 8.5.

(d) **No Representation of Adequate Coverage**. Lessor makes no representation that the limits or forms of coverage of insurance specified herein are adequate to cover Lessee's property, business operations or obligations under this Lease.

8.5 **Insurance Policies**. Insurance required herein shall be by companies maintaining during the policy term a "General Policyholders Rating" of at least A-, VII, as set forth in the most current issue of "Best's Insurance Guide", or such other rating as may be required by a Lender. Lessee shall not do or permit to be done anything which invalidates the required insurance policies. Lessee shall, prior to the Start Date, deliver to Lessor certified copies of policies of such insurance or certificates with copies of the required endorsements evidencing the existence and amounts of the required insurance. No such policy shall be cancelable or subject to modification except after 30 days prior written notice to Lessor. Lessee shall, at least 10 days prior to the expiration of such policies, furnish Lessor with evidence of

034 - 8180 Industrial Pkwy.pdf

renewals or "insurance binders" evidencing renewal thereof, or Lessor may increase his liability insurance coverage and charge the cost thereof to Lessee, which amount shall be payable by Lessee to Lessor upon demand. Such policies shall be for a term of at least one year, or the length of the remaining term of this Lease, whichever is less. If either Party shall fail to procure and maintain the insurance required to be carried by it, the other Party may, but shall not be required to, procure and maintain the same.

8.6 **Waiver of Subrogation**. Without affecting any other rights or remedies, Lessee and Lessor each hereby release and relieve the other, and waive their entire right to recover damages against the other, for loss of or damage to its property arising out of or incident to the perils required to be insured against herein. The effect of such releases and waivers is not limited by the amount of insurance carried or required, or by any deductibles applicable hereto. The Parties agree to have their respective property damage insurance carriers waive any right to subrogation that such companies may have against Lessor or Lessee, as the case may be, so long as the insurance is not invalidated thereby.

8.7 **Indemnity**. Except for Lessor's gross negligence or willful misconduct, Lessee shall indemnify, protect, defend and hold harmless the Premises, Lessor and its agents, Lessor's master or ground lessor, partners and Lenders, from and against any and all claims, loss of rents and/or damages, liens, judgments, penalties, attorneys' and consultants' fees, expenses and/or liabilities arising out of, involving, or in connection with, a Breach of the Lease by Lessee and/or the use and/or occupancy of the Premises and/or Project by Lessee and/or by Lessee's employees, contractors or invitees . If any action or proceeding is brought against Lessor by reason of any of the foregoing matters, Lessee shall upon notice defend the same at Lessee's expense by counsel reasonably satisfactory to Lessor and Lessor shall cooperate with Lessee in such defense. Lessor need not have first paid any such claim in order to be defended or indemnified.

8.8 **Exemption of Lessor and its Agents from Liability**. Notwithstanding the negligence or breach of this Lease by Lessor or its agents, neither Lessor nor its agents shall be liable under any circumstances for: (i) injury or damage to the person or goods, wares, merchandise or other property of Lessee, Lessee's employees, contractors, invitees, customers, or any other person in or about the Premises, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, indoor air quality, the presence of mold or from the breakage, leakage, obstruction or other defects of pipes, fire sprinklers, wires, appliances, plumbing, HVAC or lighting fixtures, or from any other cause, whether the said injury or damage results from conditions arising upon the Premises or upon other portions of the Building, or from other sources or places, (ii) any damages arising from any act or neglect of any other tenant of Lessor or from the failure of Lessor or its agents to enforce the provisions of any other lease in the Project, or (iii) injury to Lessee's business or for any loss of income or profit therefrom. Instead, it is intended that Lessee's sole recourse in the event of such damages or injury be to file a claim on the insurance policy(ies) that Lessee is required to maintain pursuant to the provisions of paragraph 8.

8.9 **Failure to Provide Insurance**. Lessee acknowledges that any failure on its part to obtain or maintain the insurance required herein will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, for any month or portion thereof that Lessee does not maintain the required insurance and/or does not provide Lessor with the required binders or certificates evidencing the existence of the required insurance, the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater. The parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to maintain the required insurance. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to maintain such insurance, prevent the exercise of any of the other rights and remedies granted hereunder, nor relieve Lessee of its obligation to maintain the insurance specified in this Lease.

9. Damage or Destruction.

9.1 **Definitions.**

(a) "**Premises Partial Damage**" shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations, which can reasonably be repaired in 3 months or less from the date of the damage or destruction, and the cost thereof does not exceed a sum equal to 6 month's Base Rent. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(b) "**Premises Total Destruction**" shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which cannot reasonably be repaired in 3 months or less from the date of the damage or destruction and/or the cost thereof exceeds a sum equal to 6 month's Base Rent. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(c) "**Insured Loss**" shall mean damage or destruction to improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which was caused by an event required to be covered by the insurance described in Paragraph 8.3(a), irrespective of any deductible amounts or coverage limits involved.

(d) "**Replacement Cost**" shall mean the cost to repair or rebuild the improvements owned by Lessor at the time of the occurrence to their condition existing immediately prior thereto, including demolition, debris removal and upgrading required by the operation of Applicable Requirements, and without deduction for depreciation.

(e) "**Hazardous Substance Condition**" shall mean the occurrence or discovery of a condition involving the presence of, or a contamination by, a Hazardous Substance, in, on, or under the Premises which requires restoration.

9.2 **Partial Damage - Insured Loss**. If a Premises Partial Damage that is an Insured Loss occurs, then Lessor shall, at Lessor's expense, repair such damage (but not Lessee's Trade Fixtures or Lessee Owned Alterations and Utility Installations) as soon as reasonably possible and this Lease shall continue in full force and effect; provided, however, that Lessee shall, at Lessor's election, make the repair of any damage or destruction the total cost to repair of which is $10,000 or less, and, in such event, Lessor shall make any applicable insurance proceeds available to Lessee on a reasonable basis for that purpose. Notwithstanding the foregoing, if the required insurance was not in force or the insurance proceeds are not sufficient to effect such repair, the Insuring Party shall promptly contribute the shortage in proceeds as and when required to complete said repairs. In the event, however, such shortage was due to the fact that, by reason of the unique nature of the improvements, full replacement cost insurance coverage was not commercially reasonable and available, Lessor shall have no obligation to pay for the shortage in insurance proceeds or to fully restore the unique aspects of the Premises unless Lessee provides Lessor with the funds to cover same, or adequate assurance thereof, within 10 days following receipt of written notice of such shortage and request therefor. If Lessor receives said funds or adequate assurance thereof within said 10 day period, the party responsible for making the repairs shall complete them as soon as reasonably possible and this Lease shall remain in full force and effect. If such funds or assurance are not received, Lessor may nevertheless elect by written notice to Lessee within 10 days thereafter to: (i) make such restoration and repair as is commercially reasonable with Lessor paying any shortage in proceeds, in which case this Lease shall remain in full force and effect, or (ii) have this Lease terminate 30 days thereafter. Lessee shall not be entitled to reimbursement of any funds contributed by Lessee to repair any such damage or destruction. Premises Partial Damage due to flood or earthquake shall be subject to Paragraph 9.3, notwithstanding that there may be some insurance coverage, but the net proceeds of any such insurance shall be made available for the repairs if made by either Party.

9.3 **Partial Damage - Uninsured Loss**. If a Premises Partial Damage that is not an Insured Loss occurs, unless caused by a negligent or willful act of Lessee (in which event Lessee shall make the repairs at Lessee's expense), Lessor may either: (i) repair such damage as soon as reasonably possible at Lessor's expense (subject to reimbursement pursuant to Paragraph 4.2), in which event this Lease shall continue in full force and effect, or (ii) terminate this Lease by giving written notice to Lessee within 30 days after receipt by Lessor of knowledge of the occurrence of such damage. Such termination shall be effective 60 days following the date of such

notice. In the event Lessor elects to terminate this Lease, Lessee shall have the right within 10 days after receipt of the termination notice to give written notice to Lessor of Lessee's commitment to pay for the repair of such damage without reimbursement from Lessor. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days after making such commitment. In such event this Lease shall continue in full force and effect, and Lessor shall proceed to make such repairs as soon as reasonably possible after the required funds are available. If Lessee does not make the required commitment, this Lease shall terminate as of the date specified in the termination notice.

9.4 **Total Destruction**. Notwithstanding any other provision hereof, if a Premises Total Destruction occurs, this Lease shall terminate 60 days following such Destruction. If the damage or destruction was caused by the gross negligence or willful misconduct of Lessee, Lessor shall have the right to recover Lessor's damages from Lessee, except as provided in Paragraph 8.6.

9.5 **Damage Near End of Term**. If at any time during the last 6 months of this Lease there is damage for which the cost to repair exceeds one month's Base Rent, whether or not an Insured Loss, Lessor may terminate this Lease effective 60 days following the date of occurrence of such damage by giving a written termination notice to Lessee within 30 days after the date of occurrence of such damage. Notwithstanding the foregoing, if Lessee at that time has an exercisable option to extend this Lease or to purchase the Premises, then Lessee may preserve this Lease by, (a) exercising such option and (b) providing Lessor with any shortage in insurance proceeds (or adequate assurance thereof) needed to make the repairs on or before the earlier of (i) the date which is 10 days after Lessee's receipt of Lessor's written notice purporting to terminate this Lease, or (ii) the day prior to the date upon which such option expires. If Lessee duly exercises such option during such period and provides Lessor with funds (or adequate assurance thereof) to cover any shortage in insurance proceeds, Lessor shall, at Lessor's commercially reasonable expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Lessee fails to exercise such option and provide such funds or assurance during such period, then this Lease shall terminate on the date specified in the termination notice and Lessee's option shall be extinguished.

9.6 **Abatement of Rent; Lessee's Remedies**.

(a) **Abatement**. In the event of Premises Partial Damage or Premises Total Destruction or a Hazardous Substance Condition for which Lessee is not responsible under this Lease, the Rent payable by Lessee for the period required for the repair, remediation or restoration of such damage shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired, but not to exceed the proceeds received from the Rental Value insurance. All other obligations of Lessee hereunder shall be performed by Lessee, and Lessor shall have no liability for any such damage, destruction, remediation, repair or restoration except as provided herein.

(b) **Remedies**. If Lessor is obligated to repair or restore the Premises and does not commence, in a substantial and meaningful way, such repair or restoration within 90 days after such obligation shall accrue, Lessee may, at any time prior to the commencement of such repair or restoration, give written notice to Lessor and to any Lenders of which Lessee has actual notice, of Lessee's election to terminate this Lease on a date not less than 60 days following the giving of such notice. If Lessee gives such notice and such repair or restoration is not commenced within 30 days thereafter, this Lease shall terminate as of the date specified in said notice. If the repair or restoration is commenced within such 30 days, this Lease shall continue in full force and effect. "Commence" shall mean either the unconditional authorization of the preparation of the required plans, or the beginning of the actual work on the Premises, whichever first occurs.

9.7 **Termination; Advance Payments**. Upon termination of this Lease pursuant to Paragraph 6.2(g) or Paragraph 9, an equitable adjustment shall be made concerning advance Base Rent and any other advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's Security Deposit as has not been, or is not then required to be, used by Lessor.

10. Real Property Taxes.

10.1 **Definition**. As used herein, the term "**Real Property Taxes**" shall include any form of assessment; real estate, general, special, ordinary or extraordinary, or rental levy or tax (other than inheritance, personal income or estate taxes); improvement bond; and/or license fee imposed upon or levied against any legal or equitable interest of Lessor in the Project, Lessor's right to other income therefrom, and/or Lessor's business of leasing, by any authority having the direct or indirect power to tax and where the funds are generated with reference to the Project address. The term "Real Property Taxes" shall also include any tax, fee, levy, assessment or charge, or any increase therein: (i) imposed by reason of events occurring during the term of this Lease, including but not limited to, a change in the ownership of the Project, (ii) a change in the improvements thereon, and/or (iii) levied or assessed on machinery or equipment provided by Lessor to Lessee pursuant to this Lease. In calculating Real Property Taxes for any calendar year, the Real Property Taxes for any real estate tax year shall be included in the calculation of Real Property Taxes for such calendar year based upon the number of days which such calendar year and tax year have in common.

10.2 **Payment of Taxes**. Except as otherwise provided in Paragraph 10.3, Lessor shall pay the Real Property Taxes applicable to the Project, and said payments shall be included in the calculation of Common Area Operating Expenses in accordance with the provisions of Paragraph 4.2.

10.3 **Additional Improvements**. Common Area Operating Expenses shall not include Real Property Taxes specified in the tax assessor's records and work sheets as being caused by additional improvements placed upon the Project by other lessees or by Lessor for the exclusive enjoyment of such other lessees. Notwithstanding Paragraph 10.2 hereof, Lessee shall, however, pay to Lessor at the time Common Area Operating Expenses are payable under Paragraph 4.2, the entirety of any increase in Real Property Taxes if assessed solely by reason of Alterations, Trade Fixtures or Utility Installations placed upon the Premises by Lessee or at Lessee's request or by reason of any alterations or improvements to the Premises made by Lessor subsequent to the execution of this Lease by the Parties.

10.4 **Joint Assessment**. If the Building is not separately assessed, Real Property Taxes allocated to the Building shall be an equitable proportion of the Real Property Taxes for all of the land and improvements included within the tax parcel assessed, such proportion to be determined by Lessor from the respective valuations assigned in the assessor's work sheets or such other information as may be reasonably available. Lessor's reasonable determination thereof, in good faith, shall be conclusive.

10.5 **Personal Property Taxes**. Lessee shall pay prior to delinquency all taxes assessed against and levied upon Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all personal property of Lessee contained in the Premises. When possible, Lessee shall cause its Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor. If any of Lessee's said property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee's property within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. Utilities and Services. Lessee shall pay for all water, gas, heat, light, power, telephone, trash disposal and other utilities and services supplied to the Premises, together with any taxes thereon. Notwithstanding the provisions of Paragraph 4.2, if at any time in Lessor's sole judgment, Lessor determines that Lessee is using a disproportionate amount of water, electricity or other commonly metered utilities, or that Lessee is generating such a large volume of trash as to require an increase in the size of the trash receptacle and/or an increase in the number of times per month that it is emptied, then Lessor may increase Lessee's Base Rent by an amount equal to such increased costs. There shall be no abatement of Rent and Lessor shall not be liable in any respect whatsoever for the inadequacy, stoppage, interruption or discontinuance of any utility or service due to riot, strike, labor dispute, breakdown, accident, repair or other cause beyond Lessor's reasonable control or in cooperation with governmental request or directions.

12. Assignment and Subletting.

12.1 **Lessor's Consent Required**.

034 - 8180 Industrial Pkwy.pdf

(a) Lessee shall not voluntarily or by operation of law assign, transfer, mortgage or encumber (collectively, "**assign or assignment**") or sublet all or any part of Lessee's interest in this Lease or in the Premises without Lessor's prior written consent.

(b) Unless Lessee is a corporation and its stock is publicly traded on a national stock exchange, a change in the control of Lessee shall constitute an assignment requiring consent. The transfer, on a cumulative basis, of 25% or more of the voting control of Lessee shall constitute a change in control for this purpose.

(c) The involvement of Lessee or its assets in any transaction, or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buy-out or otherwise), whether or not a formal assignment or hypothecation of this Lease or Lessee's assets occurs, which results or will result in a reduction of the Net Worth of Lessee by an amount greater than 25% of such Net Worth as it was represented at the time of the execution of this Lease or at the time of the most recent assignment to which Lessor has consented, or as it exists immediately prior to said transaction or transactions constituting such reduction, whichever was or is greater, shall be considered an assignment of this Lease to which Lessor may withhold its consent. "**Net Worth of Lessee**" shall mean the net worth of Lessee (excluding any guarantors) established under generally accepted accounting principles.

(d) An assignment or subletting without consent shall, at Lessor's option, be a Default curable after notice per Paragraph 13.1(d), or a noncurable Breach without the necessity of any notice and grace period. If Lessor elects to treat such unapproved assignment or subletting as a noncurable Breach, Lessor may either: (i) terminate this Lease, or (ii) upon 30 days written notice, increase the monthly Base Rent to 110% of the Base Rent then in effect. Further, in the event of such Breach and rental adjustment, (i) the purchase price of any option to purchase the Premises held by Lessee shall be subject to similar adjustment to 110% of the price previously in effect, and (ii) all fixed and non-fixed rental adjustments scheduled during the remainder of the Lease term shall be increased to 110% of the scheduled adjusted rent.

(e) Lessee's remedy for any breach of Paragraph 12.1 by Lessor shall be limited to compensatory damages and/or injunctive relief.

(f) Lessor may reasonably withhold consent to a proposed assignment or subletting if Lessee is in Default at the time consent is requested.

(g) Notwithstanding the foregoing, allowing a de minimis portion of the Premises, ie. 20 square feet or less, to be used by a third party vendor in connection with the installation of a vending machine or payphone shall not constitute a subletting.

12.2 **Terms and Conditions Applicable to Assignment and Subletting.**

(a) Regardless of Lessor's consent, no assignment or subletting shall : (i) be effective without the express written assumption by such assignee or sublessee of the obligations of Lessee under this Lease, (ii) release Lessee of any obligations hereunder, or (iii) alter the primary liability of Lessee for the payment of Rent or for the performance of any other obligations to be performed by Lessee.

(b) Lessor may accept Rent or performance of Lessee's obligations from any person other than Lessee pending approval or disapproval of an assignment. Neither a delay in the approval or disapproval of such assignment nor the acceptance of Rent or performance shall constitute a waiver or estoppel of Lessor's right to exercise its remedies for Lessee's Default or Breach.

(c) Lessor's consent to any assignment or subletting shall not constitute a consent to any subsequent assignment or subletting.

(d) In the event of any Default or Breach by Lessee, Lessor may proceed directly against Lessee, any Guarantors or anyone else responsible for the performance of Lessee's obligations under this Lease, including any assignee or sublessee, without first exhausting Lessor's remedies against any other person or entity responsible therefor to Lessor, or any security held by Lessor.

(e) Each request for consent to an assignment or subletting shall be in writing, accompanied by information relevant to Lessor's determination as to the financial and operational responsibility and appropriateness of the proposed assignee or sublessee, including but not limited to the intended use and/or required modification of the Premises, if any, together with a fee of $500 as consideration for Lessor's considering and processing said request. Lessee agrees to provide Lessor with such other or additional information and/or documentation as may be reasonably requested. (See also Paragraph 36)

(f) Any assignee of, or sublessee under, this Lease shall, by reason of accepting such assignment, entering into such sublease, or entering into possession of the Premises or any portion thereof, be deemed to have assumed and agreed to conform and comply with each and every term, covenant, condition and obligation herein to be observed or performed by Lessee during the term of said assignment or sublease, other than such obligations as are contrary to or inconsistent with provisions of an assignment or sublease to which Lessor has specifically consented to in writing.

(g) Lessor's consent to any assignment or subletting shall not transfer to the assignee or sublessee any Option granted to the original Lessee by this Lease unless such transfer is specifically consented to by Lessor in writing. (See Paragraph 39.2)

12.3 **Additional Terms and Conditions Applicable to Subletting.** The following terms and conditions shall apply to any subletting by Lessee of all or any part of the Premises and shall be deemed included in all subleases under this Lease whether or not expressly incorporated therein:

(a) Lessee hereby assigns and transfers to Lessor all of Lessee's interest in all Rent payable on any sublease, and Lessor may collect such Rent and apply same toward Lessee's obligations under this Lease; provided, however, that until a Breach shall occur in the performance of Lessee's obligations, Lessee may collect said Rent. In the event that the amount collected by Lessor exceeds Lessee's then outstanding obligations any such excess shall be refunded to Lessee. Lessor shall not, by reason of the foregoing or any assignment of such sublease, nor by reason of the collection of Rent, be deemed liable to the sublessee for any failure of Lessee to perform and comply with any of Lessee's obligations to such sublessee. Lessee hereby irrevocably authorizes and directs any such sublessee, upon receipt of a written notice from Lessor stating that a Breach exists in the performance of Lessee's obligations under this Lease, to pay to Lessor all Rent due and to become due under the sublease. Sublessee shall rely upon any such notice from Lessor and shall pay all Rents to Lessor without any obligation or right to inquire as to whether such Breach exists, notwithstanding any claim from Lessee to the contrary.

(b) In the event of a Breach by Lessee, Lessor may, at its option, require sublessee to attorn to Lessor, in which event Lessor shall undertake the obligations of the sublessor under such sublease from the time of the exercise of said option to the expiration of such sublease; provided, however, Lessor shall not be liable for any prepaid rents or security deposit paid by such sublessee to such sublessor or for any prior Defaults or Breaches of such sublessor.

(c) Any matter requiring the consent of the sublessor under a sublease shall also require the consent of Lessor.

(d) No sublessee shall further assign or sublet all or any part of the Premises without Lessor's prior written consent.

(e) Lessor shall deliver a copy of any notice of Default or Breach by Lessee to the sublessee, who shall have the right to cure the Default of Lessee within the grace period, if any, specified in such notice. The sublessee shall have a right of reimbursement and offset from and against Lessee for any such Defaults cured by the sublessee.

13. Default; Breach; Remedies.

13.1 **Default; Breach.** A "**Default**" is defined as a failure by the Lessee to comply with or perform any of the terms, covenants, conditions or Rules and Regulations under this Lease. A "**Breach**" is defined as the occurrence of one or more of the following Defaults, and the failure of Lessee to cure such Default within any applicable grace period:

(a) The abandonment of the Premises; or the vacating of the Premises without providing a commercially reasonable level of security, or where the coverage of the property insurance described in Paragraph 8.3 is jeopardized as a result thereof, or without providing reasonable assurances to minimize potential vandalism.

(b) The failure of Lessee to make any payment of Rent or any Security Deposit required to be made by Lessee hereunder, whether to Lessor or to a third party, when due, to provide reasonable evidence of insurance or surety bond, or to fulfill any obligation under this Lease which endangers or threatens life or

property, where such failure continues for a period of 3 business days following written notice to Lessee. THE ACCEPTANCE BY LESSOR OF A PARTIAL PAYMENT OF RENT OR SECURITY DEPOSIT SHALL NOT CONSTITUTE A WAIVER OF ANY OF LESSOR'S RIGHTS, INCLUDING LESSOR'S RIGHT TO RECOVER POSSESSION OF THE PREMISES.

(c) The failure of Lessee to allow Lessor and/or its agents access to the Premises or the commission of waste, act or acts constituting public or private nuisance, and/or an illegal activity on the Premises by Lessee, where such actions continue for a period of 3 business days following written notice to Lessee. In the event that Lessee commits waste, a nuisance or an illegal activity a second time then, the Lessor may elect to treat such conduct as a non-curable Breach rather than a Default.

(d) The failure by Lessee to provide (i) reasonable written evidence of compliance with Applicable Requirements, (ii) the service contracts, (iii) the rescission of an unauthorized assignment or subletting, (iv) an Estoppel Certificate or financial statements, (v) a requested subordination, (vi) evidence concerning any guaranty and/or Guarantor, (vii) any document requested under Paragraph 41, (viii) material safety data sheets (MSDS), or (ix) any other documentation or information which Lessor may reasonably require of Lessee under the terms of this Lease, where any such failure continues for a period of 10 days following written notice to Lessee.

(e) A Default by Lessee as to the terms, covenants, conditions or provisions of this Lease, or of the rules adopted under Paragraph 2.9 hereof, other than those described in subparagraphs 13.1(a), (b), (c) or (d), above, where such Default continues for a period of 30 days after written notice; provided, however, that if the nature of Lessee's Default is such that more than 30 days are reasonably required for its cure, then it shall not be deemed to be a Breach if Lessee commences such cure within said 30 day period and thereafter diligently prosecutes such cure to completion.

(f) The occurrence of any of the following events: (i) the making of any general arrangement or assignment for the benefit of creditors; (ii) becoming a "**debtor**" as defined in 11 U.S.C. § 101 or any successor statute thereto (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days; provided, however, in the event that any provision of this subparagraph is contrary to any applicable law, such provision shall be of no force or effect, and not affect the validity of the remaining provisions.

(g) The discovery that any financial statement of Lessee or of any Guarantor given to Lessor was materially false.

(h) If the performance of Lessee's obligations under this Lease is guaranteed: (i) the death of a Guarantor, (ii) the termination of a Guarantor's liability with respect to this Lease other than in accordance with the terms of such guaranty, (iii) a Guarantor's becoming insolvent or the subject of a bankruptcy filing, (iv) a Guarantor's refusal to honor the guaranty, or (v) a Guarantor's breach of its guaranty obligation on an anticipatory basis, and Lessee's failure, within 60 days following written notice of any such event, to provide written alternative assurance or security, which, when coupled with the then existing resources of Lessee, equals or exceeds the combined financial resources of Lessee and the Guarantors that existed at the time of execution of this Lease.

13.2 **Remedies.** If Lessee fails to perform any of its affirmative duties or obligations, within 10 days after written notice (or in case of an emergency, without notice), Lessor may, at its option, perform such duty or obligation on Lessee's behalf, including but not limited to the obtaining of reasonably required bonds, insurance policies, or governmental licenses, permits or approvals. Lessee shall pay to Lessor an amount equal to 115% of the costs and expenses incurred by Lessor in such performance upon receipt of an invoice therefor. In the event of a Breach, Lessor may, with or without further notice or demand, and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such Breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession to Lessor. In such event Lessor shall be entitled to recover from Lessee: (i) the unpaid Rent which had been earned at the time of termination; (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Lessee proves could have been reasonably avoided; (iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Lessee proves could be reasonably avoided; and (iv) any other amount necessary to compensate Lessor for all the detriment proximately caused by the Lessee's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including but not limited to the cost of recovering possession of the Premises, expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorneys' fees, and that portion of any leasing commission paid by Lessor in connection with this Lease applicable to the unexpired term of this Lease. The worth at the time of award of the amount referred to in provision (iii) of the immediately preceding sentence shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of the District within which the Premises are located at the time of award plus one percent. Efforts by Lessor to mitigate damages caused by Lessee's Breach of this Lease shall not waive Lessor's right to recover any damages to which Lessor is otherwise entitled. If termination of this Lease is obtained through the provisional remedy of unlawful detainer, Lessor shall have the right to recover in such proceeding any unpaid Rent and damages as are recoverable therein, or Lessor may reserve the right to recover all or any part thereof in a separate suit. If a notice and grace period required under Paragraph 13.1 was not previously given, a notice to pay rent or quit, or to perform or quit given to Lessee under the unlawful detainer statute shall also constitute the notice required by Paragraph 13.1. In such case, the applicable grace period required by Paragraph 13.1 and the unlawful detainer statute shall run concurrently, and the failure of Lessee to cure the Default within the greater of the two such grace periods shall constitute both an unlawful detainer and a Breach of this Lease entitling Lessor to the remedies provided for in this Lease and/or by said statute.

(b) Continue the Lease and Lessee's right to possession and recover the Rent as it becomes due, in which event Lessee may sublet or assign, subject only to reasonable limitations. Acts of maintenance, efforts to relet, and/or the appointment of a receiver to protect the Lessor's interests, shall not constitute a termination of the Lessee's right to possession.

(c) Pursue any other remedy now or hereafter available under the laws or judicial decisions of the state wherein the Premises are located. The expiration or termination of this Lease and/or the termination of Lessee's right to possession shall not relieve Lessee from liability under any indemnity provisions of this Lease as to matters occurring or accruing during the term hereof or by reason of Lessee's occupancy of the Premises.

13.3 **Inducement Recapture.** Any agreement for free or abated rent or other charges, the cost of tenant improvements for Lessee paid for or performed by Lessor, or for the giving or paying by Lessor to or for Lessee of any cash or other bonus, inducement or consideration for Lessee's entering into this Lease, all of which concessions are hereinafter referred to as "**Inducement Provisions**," shall be deemed conditioned upon Lessee's full and faithful performance of all of the terms, covenants and conditions of this Lease. Upon Breach of this Lease by Lessee, any such Inducement Provision shall automatically be deemed deleted from this Lease and of no further force or effect, and any rent, other charge, bonus, inducement or consideration theretofore abated, given or paid by Lessor under such an Inducement Provision shall be immediately due and payable by Lessee to Lessor, notwithstanding any subsequent cure of said Breach by Lessee. The acceptance by Lessor of rent or the cure of the Breach which initiated the operation of this paragraph shall not be deemed a waiver by Lessor of the provisions of this paragraph unless specifically so stated in writing by Lessor at the time of such acceptance.

13.4 **Late Charges.** Lessee hereby acknowledges that late payment by Lessee of Rent will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Lessor by any Lender. Accordingly, if any Rent shall not be received by Lessor within 5 days after such amount shall be due, then, without any requirement for notice to Lessee, Lessee shall immediately pay to Lessor a one-time late charge equal to 10% of each such overdue amount or $100, whichever is

034 - 8180 Industrial Pkwy.pdf

greater. The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Lessor will incur by reason of such late payment. Acceptance of such late charge by Lessor shall in no event constitute a waiver of Lessee's Default or Breach with respect to such overdue amount, nor prevent the exercise of any of the other rights and remedies granted hereunder. In the event that a late charge is payable hereunder, whether or not collected, for 3 consecutive installments of Base Rent, then notwithstanding any provision of this Lease to the contrary, Base Rent shall, at Lessor's option, become due and payable quarterly in advance.

13.5 **Interest**. Any monetary payment due Lessor hereunder, other than late charges, not received by Lessor, when due shall bear interest from the 31st day after it was due. The interest ("**Interest**") charged shall be computed at the rate of 10% per annum but shall not exceed the maximum rate allowed by law. Interest is payable in addition to the potential late charge provided for in Paragraph 13.4.

13.6 **Breach by Lessor**.

(a) **Notice of Breach**. Lessor shall not be deemed in breach of this Lease unless Lessor fails within a reasonable time to perform an obligation required to be performed by Lessor. For purposes of this Paragraph, a reasonable time shall in no event be less than 30 days after receipt by Lessor, and any Lender whose name and address shall have been furnished to Lessee in writing for such purpose, of written notice specifying wherein such obligation of Lessor has not been performed; provided, however, that if the nature of Lessor's obligation is such that more than 30 days are reasonably required for its performance, then Lessor shall not be in breach if performance is commenced within such 30 day period and thereafter diligently pursued to completion.

(b) **Performance by Lessee on Behalf of Lessor**. In the event that neither Lessor nor Lender cures said breach within 30 days after receipt of said notice, or if having commenced said cure they do not diligently pursue it to completion, then Lessee may elect to cure said breach at Lessee's expense and offset from Rent the actual and reasonable cost to perform such cure, provided however, that such offset shall not exceed an amount equal to the greater of one month's Base Rent or the Security Deposit, reserving Lessee's right to reimbursement from Lessor for any such expense in excess of such offset. Lessee shall document the cost of said cure and supply said documentation to Lessor.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain or sold under the threat of the exercise of said power (collectively "**Condemnation**"), this Lease shall terminate as to the part taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the floor area of the Unit, or more than 25% of the parking spaces is taken by Condemnation, Lessee may, at Lessee's option, to be exercised in writing within 10 days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within 10 days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the Base Rent shall be reduced in proportion to the reduction in utility of the Premises caused by such Condemnation. Condemnation awards and/or payments shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold, the value of the part taken, or for severance damages; provided, however, that Lessee shall be entitled to any compensation paid by the condemnor for Lessee's relocation expenses, loss of business goodwill and/or Trade Fixtures, without regard to whether or not this Lease is terminated pursuant to the provisions of this Paragraph. All Alterations and Utility Installations made to the Premises by Lessee, for purposes of Condemnation only, shall be considered the property of the Lessee and Lessee shall be entitled to any and all compensation which is payable therefor. In the event that this Lease is not terminated by reason of the Condemnation, Lessor shall repair any damage to the Premises caused by such Condemnation.

15. Brokerage Fees.

15.1 **Additional Commission**. In addition to the payments owed pursuant to Paragraph 1.10 above, Lessor agrees that: (a) if Lessee exercises any Option, (b) if Lessee or anyone affiliated with Lessee acquires from Lessor any rights to the Premises or other premises owned by Lessor and located within the Project, (c) if Lessee remains in possession of the Premises, with the consent of Lessor, after the expiration of this Lease, or (d) if Base Rent is increased, whether by agreement or operation of an escalation clause herein, then, Lessor shall pay Brokers a fee in accordance with the fee schedule of the Brokers in effect at the time the Lease was executed.

15.2 **Assumption of Obligations**. Any buyer or transferee of Lessor's interest in this Lease shall be deemed to have assumed Lessor's obligation hereunder. Brokers shall be third party beneficiaries of the provisions of Paragraphs 1.10, 15, 22 and 31. If Lessor fails to pay to Brokers any amounts due as and for brokerage fees pertaining to this Lease when due, then such amounts shall accrue interest. In addition, if Lessor fails to pay any amounts to Lessee's Broker when due, Lessee's Broker may send written notice to Lessor and Lessee of such failure and if Lessor fails to pay such amounts within 10 days after said notice, Lessee shall pay said monies to its Broker and offset such amounts against Rent. In addition, Lessee's Broker shall be deemed to be a third party beneficiary of any commission agreement entered into by and/or between Lessor and Lessor's Broker for the limited purpose of collecting any brokerage fee owed.

15.3 **Representations and Indemnities of Broker Relationships**. Lessee and Lessor each represent and warrant to the other that it has had no dealings with any person, firm, broker or finder (other than the Brokers, if any) in connection with this Lease, and that no one other than said named Brokers is entitled to any commission or finder's fee in connection herewith. Lessee and Lessor do each hereby agree to indemnify, protect, defend and hold the other harmless from and against liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying Party, including any costs, expenses, attorneys' fees reasonably incurred with respect thereto.

16. Estoppel Certificates.

(a) Each Party (as "**Responding Party**") shall within 10 days after written notice from the other Party (the "**Requesting Party**") execute, acknowledge and deliver to the Requesting Party a statement in writing in form similar to the then most current "**Estoppel Certificate**" form published BY AIR CRE, plus such additional information, confirmation and/or statements as may be reasonably requested by the Requesting Party.

(b) If the Responding Party shall fail to execute or deliver the Estoppel Certificate within such 10 day period, the Requesting Party may execute an Estoppel Certificate stating that: (i) the Lease is in full force and effect without modification except as may be represented by the Requesting Party, (ii) there are no uncured defaults in the Requesting Party's performance, and (iii) if Lessor is the Requesting Party, not more than one month's rent has been paid in advance. Prospective purchasers and encumbrancers may rely upon the Requesting Party's Estoppel Certificate, and the Responding Party shall be estopped from denying the truth of the facts contained in said Certificate. In addition, Lessee acknowledges that any failure on its part to provide such an Estoppel Certificate will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to execute and/or deliver a requested Estoppel Certificate in a timely fashion the monthly Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for remainder of the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to provide the Estoppel Certificate. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to provide the Estoppel Certificate nor prevent the exercise of any of the other rights and remedies granted hereunder.

(c) If Lessor desires to finance, refinance, or sell the Premises, or any part thereof, Lessee and all Guarantors shall within 10 days after written notice from Lessor deliver to any potential lender or purchaser designated by Lessor such financial statements as may be reasonably required by such lender or purchaser, including but not limited to Lessee's financial statements for the past 3 years. All such financial statements shall be received by Lessor and such lender or purchaser in

confidence and shall be used only for the purposes herein set forth.

17. Definition of Lessor. The term "**Lessor**" as used herein shall mean the owner or owners at the time in question of the fee title to the Premises, or, if this is a sublease, of the Lessee's interest in the prior lease. In the event of a transfer of Lessor's title or interest in the Premises or this Lease, Lessor shall deliver to the transferee or assignee (in cash or by credit) any unused Security Deposit held by Lessor. Upon such transfer or assignment and delivery of the Security Deposit, as aforesaid, the prior Lessor shall be relieved of all liability with respect to the obligations and/or covenants under this Lease thereafter to be performed by the Lessor. Subject to the foregoing, the obligations and/or covenants in this Lease to be performed by the Lessor shall be binding only upon the Lessor as hereinabove defined.

18. Severability. The invalidity of any provision of this Lease, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

19. Days. Unless otherwise specifically indicated to the contrary, the word "**days**" as used in this Lease shall mean and refer to calendar days.

20. Limitation on Liability. The obligations of Lessor under this Lease shall not constitute personal obligations of Lessor, or its partners, members, directors, officers or shareholders, and Lessee shall look to the Premises, and to no other assets of Lessor, for the satisfaction of any liability of Lessor with respect to this Lease, and shall not seek recourse against Lessor's partners, members, directors, officers or shareholders, or any of their personal assets for such satisfaction.

21. Time of Essence. Time is of the essence with respect to the performance of all obligations to be performed or observed by the Parties under this Lease.

22. No Prior or Other Agreements; Broker Disclaimer. This Lease contains all agreements between the Parties with respect to any matter mentioned herein, and no other prior or contemporaneous agreement or understanding shall be effective. Lessor and Lessee each represents and warrants to the Brokers that it has made, and is relying solely upon, its own investigation as to the nature, quality, character and financial responsibility of the other Party to this Lease and as to the use, nature, quality and character of the Premises. Brokers have no responsibility with respect thereto or with respect to any default or breach hereof by either Party.

23. Notices.

23.1 **Notice Requirements.** All notices required or permitted by this Lease or applicable law shall be in writing and may be delivered in person (by hand or by courier) or may be sent by regular, certified or registered mail or U.S. Postal Service Express Mail, with postage prepaid, or by facsimile transmission, or by email, and shall be deemed sufficiently given if served in a manner specified in this Paragraph 23. The addresses noted adjacent to a Party's signature on this Lease shall be that Party's address for delivery or mailing of notices. Either Party may by written notice to the other specify a different address for notice, except that upon Lessee's taking possession of the Premises, the Premises shall constitute Lessee's address for notice. A copy of all notices to Lessor shall be concurrently transmitted to such party or parties at such addresses as Lessor may from time to time hereafter designate in writing.

23.2 **Date of Notice.** Any notice sent by registered or certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark thereon. If sent by regular mail the notice shall be deemed given 72 hours after the same is addressed as required herein and mailed with postage prepaid. Notices delivered by United States Express Mail or overnight courier that guarantees next day delivery shall be deemed given 24 hours after delivery of the same to the Postal Service or courier. Notices delivered by hand, or transmitted by facsimile transmission or by email shall be deemed delivered upon actual receipt. If notice is received on a Saturday, Sunday or legal holiday, it shall be deemed received on the next business day.

24. Waivers.

(a) No waiver by Lessor of the Default or Breach of any term, covenant or condition hereof by Lessee, shall be deemed a waiver of any other term, covenant or condition hereof, or of any subsequent Default or Breach by Lessee of the same or of any other term, covenant or condition hereof. Lessor's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of Lessor's consent to, or approval of, any subsequent or similar act by Lessee, or be construed as the basis of an estoppel to enforce the provision or provisions of this Lease requiring such consent.

(b) The acceptance of Rent by Lessor shall not be a waiver of any Default or Breach by Lessee. Any payment by Lessee may be accepted by Lessor on account of monies or damages due Lessor, notwithstanding any qualifying statements or conditions made by Lessee in connection therewith, which such statements and/or conditions shall be of no force or effect whatsoever unless specifically agreed to in writing by Lessor at or before the time of deposit of such payment.

(c) THE PARTIES AGREE THAT THE TERMS OF THIS LEASE SHALL GOVERN WITH REGARD TO ALL MATTERS RELATED THERETO AND HEREBY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE TO THE EXTENT THAT SUCH STATUTE IS INCONSISTENT WITH THIS LEASE.

25. Disclosures Regarding The Nature of a Real Estate Agency Relationship.

(a) When entering into a discussion with a real estate agent regarding a real estate transaction, a Lessor or Lessee should from the outset understand what type of agency relationship or representation it has with the agent or agents in the transaction. Lessor and Lessee acknowledge being advised by the Brokers in this transaction, as follows:

(i) *Lessor's Agent*. A Lessor's agent under a listing agreement with the Lessor acts as the agent for the Lessor only. A Lessor's agent or subagent has the following affirmative obligations: *To the Lessor*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessor. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(ii) *Lessee's Agent*. An agent can agree to act as agent for the Lessee only. In these situations, the agent is not the Lessor's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Lessor. An agent acting only for a Lessee has the following affirmative obligations. *To the Lessee*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessee. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(iii) *Agent Representing Both Lessor and Lessee*. A real estate agent, either acting directly or through one or more associate licenses, can legally be the agent of both the Lessor and the Lessee in a transaction, but only with the knowledge and consent of both the Lessor and the Lessee. In a dual agency situation, the agent has the following affirmative obligations to both the Lessor and the Lessee: (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either Lessor or the Lessee. (b) Other duties to the Lessor and the Lessee as stated above in subparagraphs (i) or (ii). In representing both Lessor and Lessee, the agent may not without the express permission of the respective Party, disclose to the other Party that the Lessor will accept rent in an amount less than that indicated in the listing or that the Lessee is willing to pay a higher rent than that offered. The above duties of the agent in a real estate transaction do not relieve a Lessor or Lessee from the responsibility to protect their own interests. Lessor and Lessee should carefully read all agreements to assure that they adequately express their

understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

(b) Brokers have no responsibility with respect to any default or breach hereof by either Party. The Parties agree that no lawsuit or other legal proceeding involving any breach of duty, error or omission relating to this Lease may be brought against Broker more than one year after the Start Date and that the liability (including court costs and attorneys' fees), of any Broker with respect to any such lawsuit and/or legal proceeding shall not exceed the fee received by such Broker pursuant to this Lease; provided, however, that the foregoing limitation on each Broker's liability shall not be applicable to any gross negligence or willful misconduct of such Broker.

(c) Lessor and Lessee agree to identify to Brokers as "Confidential" any communication or information given Brokers that is considered by such Party to be confidential.

26. No Right To Holdover. Lessee has no right to retain possession of the Premises or any part thereof beyond the expiration or termination of this Lease. In the event that Lessee holds over, then the Base Rent shall be increased to 150% of the Base Rent applicable immediately preceding the expiration or termination. Holdover Base Rent shall be calculated on monthly basis. Nothing contained herein shall be construed as consent by Lessor to any holding over by Lessee.

27. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

28. Covenants and Conditions; Construction of Agreement. All provisions of this Lease to be observed or performed by Lessee are both covenants and conditions. In construing this Lease, all headings and titles are for the convenience of the Parties only and shall not be considered a part of this Lease. Whenever required by the context, the singular shall include the plural and vice versa. This Lease shall not be construed as if prepared by one of the Parties, but rather according to its fair meaning as a whole, as if both Parties had prepared it.

29. Binding Effect; Choice of Law. This Lease shall be binding upon the parties, their personal representatives, successors and assigns and be governed by the laws of the State in which the Premises are located. Any litigation between the Parties hereto concerning this Lease shall be initiated in the county in which the Premises are located.

30. Subordination; Attornment; Non-Disturbance.

30.1 **Subordination.** This Lease and any Option granted hereby shall be subject and subordinate to any ground lease, mortgage, deed of trust, or other hypothecation or security device (collectively, "**Security Device**"), now or hereafter placed upon the Premises, to any and all advances made on the security thereof, and to all renewals, modifications, and extensions thereof. Lessee agrees that the holders of any such Security Devices (in this Lease together referred to as "**Lender**") shall have no liability or obligation to perform any of the obligations of Lessor under this Lease. Any Lender may elect to have this Lease and/or any Option granted hereby superior to the lien of its Security Device by giving written notice thereof to Lessee, whereupon this Lease and such Options shall be deemed prior to such Security Device, notwithstanding the relative dates of the documentation or recordation thereof.

30.2 **Attornment.** In the event that Lessor transfers title to the Premises, or the Premises are acquired by another upon the foreclosure or termination of a Security Device to which this Lease is subordinated (i) Lessee shall, subject to the non-disturbance provisions of Paragraph 30.3, attorn to such new owner, and upon request, enter into a new lease, containing all of the terms and provisions of this Lease, with such new owner for the remainder of the term hereof, or, at the election of the new owner, this Lease will automatically become a new lease between Lessee and such new owner, and (ii) Lessor shall thereafter be relieved of any further obligations hereunder and such new owner shall assume all of Lessor's obligations, except that such new owner shall not: (a) be liable for any act or omission of any prior lessor or with respect to events occurring prior to acquisition of ownership; (b) be subject to any offsets or defenses which Lessee might have against any prior lessor, (c) be bound by prepayment of more than one month's rent, or (d) be liable for the return of any security deposit paid to any prior lessor which was not paid or credited to such new owner.

30.3 **Non-Disturbance.** With respect to Security Devices entered into by Lessor after the execution of this Lease, Lessee's subordination of this Lease shall be subject to receiving a commercially reasonable non-disturbance agreement (a "**Non-Disturbance Agreement**") from the Lender which Non-Disturbance Agreement provides that Lessee's possession of the Premises, and this Lease, including any options to extend the term hereof, will not be disturbed so long as Lessee is not in Breach hereof and attorns to the record owner of the Premises. Further, within 60 days after the execution of this Lease, Lessor shall, if requested by Lessee, use its commercially reasonable efforts to obtain a Non-Disturbance Agreement from the holder of any pre-existing Security Device which is secured by the Premises. In the event that Lessor is unable to provide the Non-Disturbance Agreement within said 60 days, then Lessee may, at Lessee's option, directly contact Lender and attempt to negotiate for the execution and delivery of a Non-Disturbance Agreement.

30.4 **Self-Executing.** The agreements contained in this Paragraph 30 shall be effective without the execution of any further documents; provided, however, that, upon written request from Lessor or a Lender in connection with a sale, financing or refinancing of the Premises, Lessee and Lessor shall execute such further writings as may be reasonably required to separately document any subordination, attornment and/or Non-Disturbance Agreement provided for herein.

31. Attorneys' Fees. If any Party or Broker brings an action or proceeding involving the Premises whether founded in tort, contract or equity, or to declare rights hereunder, the Prevailing Party (as hereafter defined) in any such proceeding, action, or appeal thereon, shall be entitled to reasonable attorneys' fees. Such fees may be awarded in the same suit or recovered in a separate suit, whether or not such action or proceeding is pursued to decision or judgment. The term, "**Prevailing Party**" shall include, without limitation, a Party or Broker who substantially obtains or defeats the relief sought, as the case may be, whether by compromise, settlement, judgment, or the abandonment by the other Party or Broker of its claim or defense. The attorneys' fees award shall not be computed in accordance with any court fee schedule, but shall be such as to fully reimburse all attorneys' fees reasonably incurred. In addition, Lessor shall be entitled to attorneys' fees, costs and expenses incurred in the preparation and service of notices of Default and consultations in connection therewith, whether or not a legal action is subsequently commenced in connection with such Default or resulting Breach ($200 is a reasonable minimum per occurrence for such services and consultation).

32. Lessor's Access; Showing Premises; Repairs. Lessor and Lessor's agents shall have the right to enter the Premises at any time, in the case of an emergency, and otherwise at reasonable times after reasonable prior notice for the purpose of showing the same to prospective purchasers, lenders, or tenants, and making such alterations, repairs, improvements or additions to the Premises as Lessor may deem necessary or desirable and the erecting, using and maintaining of utilities, services, pipes and conduits through the Premises and/or other premises as long as there is no material adverse effect on Lessee's use of the Premises. All such activities shall be without abatement of rent or liability to Lessee.

33. Auctions. Lessee shall not conduct, nor permit to be conducted, any auction upon the Premises without Lessor's prior written consent. Lessor shall not be obligated to exercise any standard of reasonableness in determining whether to permit an auction.

34. Signs. Lessor may place on the Premises ordinary "For Sale" signs at any time and ordinary "For Lease" signs during the last 6 months of the term hereof. Except for ordinary "For Sublease" signs which may be placed only on the Premises, Lessee shall not place any sign upon the Project without Lessor's prior written consent.

All signs must comply with all Applicable Requirements.

35. Termination; Merger. Unless specifically stated otherwise in writing by Lessor, the voluntary or other surrender of this Lease by Lessee, the mutual termination or cancellation hereof, or a termination hereof by Lessor for Breach by Lessee, shall automatically terminate any sublease or lesser estate in the Premises; provided, however, that Lessor may elect to continue any one or all existing subtenancies. Lessor's failure within 10 days following any such event to elect to the contrary by written notice to the holder of any such lesser interest, shall constitute Lessor's election to have such event constitute the termination of such interest.

36. Consents. All requests for consent shall be in writing. Except as otherwise provided herein, wherever in this Lease the consent of a Party is required to an act by or for the other Party, such consent shall not be unreasonably withheld or delayed. Lessor's actual reasonable costs and expenses (including but not limited to architects', attorneys', engineers' and other consultants' fees) incurred in the consideration of, or response to, a request by Lessee for any Lessor consent, including but not limited to consents to an assignment, a subletting or the presence or use of a Hazardous Substance, shall be paid by Lessee upon receipt of an invoice and supporting documentation therefor. Lessor's consent to any act, assignment or subletting shall not constitute an acknowledgment that no Default or Breach by Lessee of this Lease exists, nor shall such consent be deemed a waiver of any then existing Default or Breach, except as may be otherwise specifically stated in writing by Lessor at the time of such consent. The failure to specify herein any particular condition to Lessor's consent shall not preclude the imposition by Lessor at the time of consent of such further or other conditions as are then reasonable with reference to the particular matter for which consent is being given. In the event that either Party disagrees with any determination made by the other hereunder and reasonably requests the reasons for such determination, the determining party shall furnish its reasons in writing and in reasonable detail within 10 business days following such request.

37. Guarantor.

37.1 **Execution**. The Guarantors, if any, shall each execute a guaranty in the form most recently published BY AIR CRE.

37.2 **Default**. It shall constitute a Default of the Lessee if any Guarantor fails or refuses, upon request to provide: (a) evidence of the execution of the guaranty, including the authority of the party signing on Guarantor's behalf to obligate Guarantor, and in the case of a corporate Guarantor, a certified copy of a resolution of its board of directors authorizing the making of such guaranty, (b) current financial statements, (c) an Estoppel Certificate, or (d) written confirmation that the guaranty is still in effect.

38. Quiet Possession. Subject to payment by Lessee of the Rent and performance of all of the covenants, conditions and provisions on Lessee's part to be observed and performed under this Lease, Lessee shall have quiet possession and quiet enjoyment of the Premises during the term hereof.

39. Options. If Lessee is granted any option, as defined below, then the following provisions shall apply.

39.1 **Definition**. "**Option**" shall mean: (a) the right to extend or reduce the term of or renew this Lease or to extend or reduce the term of or renew any lease that Lessee has on other property of Lessor; (b) the right of first refusal or first offer to lease either the Premises or other property of Lessor; (c) the right to purchase, the right of first offer to purchase or the right of first refusal to purchase the Premises or other property of Lessor.

39.2 **Options Personal To Original Lessee**. Any Option granted to Lessee in this Lease is personal to the original Lessee, and cannot be assigned or exercised by anyone other than said original Lessee and only while the original Lessee is in full possession of the Premises and, if requested by Lessor, with Lessee certifying that Lessee has no intention of thereafter assigning or subletting.

39.3 **Multiple Options**. In the event that Lessee has any multiple Options to extend or renew this Lease, a later Option cannot be exercised unless the prior Options have been validly exercised.

39.4 **Effect of Default on Options**.

(a) Lessee shall have no right to exercise an Option: (i) during the period commencing with the giving of any notice of Default and continuing until said Default is cured, (ii) during the period of time any Rent is unpaid (without regard to whether notice thereof is given Lessee), (iii) during the time Lessee is in Breach of this Lease, or (iv) in the event that Lessee has been given 3 or more notices of separate Default, whether or not the Defaults are cured, during the 12 month period immediately preceding the exercise of the Option.

(b) The period of time within which an Option may be exercised shall not be extended or enlarged by reason of Lessee's inability to exercise an Option because of the provisions of Paragraph 39.4(a).

(c) An Option shall terminate and be of no further force or effect, notwithstanding Lessee's due and timely exercise of the Option, if, after such exercise and prior to the commencement of the extended term or completion of the purchase, (i) Lessee fails to pay Rent for a period of 30 days after such Rent becomes due (without any necessity of Lessor to give notice thereof), or (ii) if Lessee commits a Breach of this Lease.

40. Security Measures. Lessee hereby acknowledges that the Rent payable to Lessor hereunder does not include the cost of guard service or other security measures, and that Lessor shall have no obligation whatsoever to provide same. Lessee assumes all responsibility for the protection of the Premises, Lessee, its agents and invitees and their property from the acts of third parties.

41. Reservations. Lessor reserves the right: (i) to grant, without the consent or joinder of Lessee, such easements, rights and dedications that Lessor deems necessary, (ii) to cause the recordation of parcel maps and restrictions, and (iii) to create and/or install new utility raceways, so long as such easements, rights, dedications, maps, restrictions, and utility raceways do not unreasonably interfere with the use of the Premises by Lessee. Lessee agrees to sign any documents reasonably requested by Lessor to effectuate such rights.

42. Performance Under Protest. If at any time a dispute shall arise as to any amount or sum of money to be paid by one Party to the other under the provisions hereof, the Party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment and there shall survive the right on the part of said Party to institute suit for recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said Party to pay such sum or any part thereof, said Party shall be entitled to recover such sum or so much thereof as it was not legally required to pay. A Party who does not initiate suit for the recovery of sums paid "under protest" within 6 months shall be deemed to have waived its right to protest such payment.

43. Authority; Multiple Parties; Execution.

(a) If either Party hereto is a corporation, trust, limited liability company, partnership, or similar entity, each individual executing this Lease on behalf of such entity represents and warrants that he or she is duly authorized to execute and deliver this Lease on its behalf. Each Party shall, within 30 days after request, deliver to the other Party satisfactory evidence of such authority.

(b) If this Lease is executed by more than one person or entity as "Lessee", each such person or entity shall be jointly and severally liable hereunder. It is agreed that any one of the named Lessees shall be empowered to execute any amendment to this Lease, or other document ancillary thereto and bind all of the named Lessees, and Lessor may rely on the same as if all of the named Lessees had executed such document.

(c) This Lease may be executed by the Parties in counterparts, each of which shall be deemed an original and all of which together shall constitute one

and the same instrument.

44. Conflict. Any conflict between the printed provisions of this Lease and the typewritten or handwritten provisions shall be controlled by the typewritten or handwritten provisions.

45. Offer. Preparation of this Lease by either party or their agent and submission of same to the other Party shall not be deemed an offer to lease to the other Party. This Lease is not intended to be binding until executed and delivered by all Parties hereto.

46. Amendments. This Lease may be modified only in writing, signed by the Parties in interest at the time of the modification. As long as they do not materially change Lessee's obligations hereunder, Lessee agrees to make such reasonable non-monetary modifications to this Lease as may be reasonably required by a Lender in connection with the obtaining of normal financing or refinancing of the Premises.

47. Waiver of Jury Trial. THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING INVOLVING THE PROPERTY OR ARISING OUT OF THIS AGREEMENT.

48. Arbitration of Disputes. An Addendum requiring the Arbitration of all disputes between the Parties and/or Brokers arising out of this Lease ☑ is ☐ is not attached to this Lease.

49. Accessibility; Americans with Disabilities Act.

(a) The Premises:

☑ have not undergone an inspection by a Certified Access Specialist (CASp). Note: A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises met all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises did not meet all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential except as necessary to complete repairs and corrections of violations of construction related accessibility standards.

In the event that the Premises have been issued an inspection report by a CASp the Lessor shall provide a copy of the disability access inspection certificate to Lessee within 7 days of the execution of this Lease.

(b) Since compliance with the Americans with Disabilities Act (ADA) and other state and local accessibility statutes are dependent upon Lessee's specific use of the Premises, Lessor makes no warranty or representation as to whether or not the Premises comply with ADA or any similar legislation. In the event that Lessee's use of the Premises requires modifications or additions to the Premises in order to be in compliance with ADA or other accessibility statutes, Lessee agrees to make any such necessary modifications and/or additions at Lessee's expense.

LESSOR AND LESSEE HAVE CAREFULLY READ AND REVIEWED THIS LEASE AND EACH TERM AND PROVISION CONTAINED HEREIN, AND BY THE EXECUTION OF THIS LEASE SHOW THEIR INFORMED AND VOLUNTARY CONSENT THERETO. THE PARTIES HEREBY AGREE THAT, AT THE TIME THIS LEASE IS EXECUTED, THE TERMS OF THIS LEASE ARE COMMERCIALLY REASONABLE AND EFFECTUATE THE INTENT AND PURPOSE OF LESSOR AND LESSEE WITH RESPECT TO THE PREMISES.

ATTENTION: NO REPRESENTATION OR RECOMMENDATION IS MADE BY AIR CRE OR BY ANY BROKER AS TO THE LEGAL SUFFICIENCY, LEGAL EFFECT, OR TAX CONSEQUENCES OF THIS LEASE OR THE TRANSACTION TO WHICH IT RELATES. THE PARTIES ARE URGED TO:

1. SEEK ADVICE OF COUNSEL AS TO THE LEGAL AND TAX CONSEQUENCES OF THIS LEASE.

2. RETAIN APPROPRIATE CONSULTANTS TO REVIEW AND INVESTIGATE THE CONDITION OF THE PREMISES. SAID INVESTIGATION SHOULD INCLUDE BUT NOT BE LIMITED TO: THE POSSIBLE PRESENCE OF HAZARDOUS SUBSTANCES, THE ZONING OF THE PREMISES, THE STRUCTURAL INTEGRITY, THE CONDITION OF THE ROOF AND OPERATING SYSTEMS, COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT AND THE SUITABILITY OF THE PREMISES FOR LESSEE'S INTENDED USE.

WARNING: IF THE PREMISES ARE LOCATED IN A STATE OTHER THAN CALIFORNIA, CERTAIN PROVISIONS OF THE LEASE MAY NEED TO BE REVISED TO COMPLY WITH THE LAWS OF THE STATE IN WHICH THE PREMISES ARE LOCATED.

The parties hereto have executed this Lease at the place and on the dates specified above their respective signatures.

Paragraph: 50

A. **ARBITRATION OF DISPUTES:**

Except as provided in Paragraph B below, the Parties agree to resolve any and all claims, disputes or disagreements arising under this Lease, including, but not limited to any matter relating to Lessor's failure to approve an assignment, sublease or other transfer of Lessee's interest in the Lease under Paragraph 12 of this Lease, any other defaults by Lessor, or any defaults by Lessee by and through arbitration as provided below and irrevocably waive any and all rights to the contrary. The Parties agree to at all times conduct themselves in strict, full, complete and timely accordance with the terms hereof and that any attempt to circumvent the terms of this Arbitration Agreement shall be absolutely null and void and of no force or effect whatsoever.

B. **DISPUTES EXCLUDED FROM ARBITRATION:**

The following claims, disputes or disagreements under this Lease are expressly excluded from the arbitration procedures set forth herein: 1. Disputes for which a different resolution determination is specifically set forth in this Lease, 2. All claims by either party which (a) seek anything other than enforcement or determination of rights under this Lease, or (b) are primarily founded upon matters of fraud, willful misconduct, bad faith or any other allegations of tortious action, and seek the award of punitive or exemplary damages, 3. Claims relating to (a) Lessor's exercise of any unlawful detainer rights pursuant to applicable law or (b) rights or remedies used by Lessor to gain possession of the Premises or terminate Lessee's right of possession to the Premises, all of which disputes shall be resolved by suit filed in the applicable court of jurisdiction, the decision of which court shall be subject to appeal pursuant to applicable law 4. Any claim or dispute that is within the jurisdiction of the Small Claims Court and 5. All claims arising under Paragraph 39 of this Lease.

C. **APPOINTMENT OF AN ARBITRATOR:**

All disputes subject to this Arbitration Agreement, shall be determined by binding arbitration before: ☐ a retired judge of the applicable court of jurisdiction (e.g., the Superior Court of the State of California) affiliated with Judicial Arbitration & Mediation Services, Inc. ("JAMS"), ☑ the American Arbitration Association ("AAA") under its commercial arbitration rules, ☐ _____, or as may be otherwise mutually agreed by Lessor and Lessee (the "Arbitrator"). In the event that the parties elect to use an arbitrator other than one affiliated with JAMS or AAA then such arbitrator shall be obligated to comply with the Code of Ethics for Arbitrators in Commercial Disputes (see: http://www.adr.org/aaa/ShowProperty?nodeId=/UCM/ADRSTG_003867). Such arbitration shall be initiated by the Parties, or either of them, within ten (10) days after either party sends written notice (the "Arbitration Notice") of a demand to arbitrate by registered or certified mail to the other party and to the Arbitrator. The Arbitration Notice shall contain a description of the subject matter of the arbitration, the dispute with respect thereto, the amount involved, if any, and the remedy or determination sought. If the Parties have agreed to use JAMS they may agree on a retired judge from the JAMS panel. If they are unable to agree within ten days, JAMS will provide a list of three available judges and each party may strike one. The remaining judge (or if there are two, the one selected by JAMS) will serve as the Arbitrator. If the Parties have elected to utilize AAA or some other organization, the Arbitrator shall be selected in accordance with said organization's rules. In the event the Arbitrator is not selected as provided for above for any reason, the party initiating arbitration shall apply to the appropriate Court for the appointment of a qualified retired judge to act as the Arbitrator.

D. **ARBITRATION PROCEDURE:**

1. **PRE-HEARING ACTIONS**. The Arbitrator shall schedule a pre-hearing conference to resolve procedural matters, arrange for the exchange of information, obtain stipulations, and narrow the issues. The Parties will submit proposed discovery schedules to the Arbitrator at the pre-hearing conference. The scope and duration of discovery will be within the sole discretion of the Arbitrator. The Arbitrator shall have the discretion to order a pre-hearing exchange of information by the Parties, including, without limitation, production of requested documents, exchange of summaries of testimony of proposed witnesses, and examination by deposition of parties and third-party witnesses. This discretion shall be exercised in favor of discovery reasonable under the circumstances. The Arbitrator shall issue subpoenas and subpoenas duces tecum as provided for in the applicable statutory or case law (e.g., in California Code of Civil Procedure Section 1282.6).

2. **THE DECISION**. The arbitration shall be conducted in the city or county within which the Premises are located at a reasonably convenient site. Any Party may be represented by counsel or other authorized representative. In rendering a decision(s), the Arbitrator shall determine the rights and obligations of the Parties according to the substantive laws and the terms and provisions of this Lease. The Arbitrator's decision shall be based on the evidence introduced at the hearing, including all logical and reasonable inferences therefrom. The Arbitrator may make any determination and/or grant any remedy or relief that is just and equitable. The decision must be based on, and accompanied by, a written statement of decision explaining the factual and legal basis for the decision as to each of the principal controverted issues. The decision shall be conclusive and binding, and it may thereafter be confirmed as a judgment by the court of applicable jurisdiction, subject only to challenge on the grounds set forth in the applicable statutory or case law (e.g., in California Code of Civil Procedure Section 1286.2). The validity and enforceability of the Arbitrator's decision is to be determined exclusively by the court of appropriate jurisdiction pursuant to the provisions of this Lease. WHEREAS, Lessor would not execute the Lease if Guarantors did not execute and deliver to Lessor this Guaranty of Lease.

NOW THEREFORE, in consideration of the execution of said Lease by Lessor and as a material inducement to Lessor to execute said Lease, Guarantors hereby jointly, severally, unconditionally and irrevocably guarantee the prompt payment by Lessee of all rents and all other sums payable by Lessee under said Lease and the faithful and prompt performance by Lessee of each and every one of the terms, conditions and covenants of said Lease to be kept and performed by Lessee.

It is specifically agreed by Lessor and Guarantors that: (i) the terms of the foregoing Lease may be modified by agreement between Lessor and Lessee, or by a course of conduct, and (ii) said Lease may be assigned by Lessor or any assignee of Lessor without the consent of or notice to Guarantors and that this Guaranty shall guarantee the performance of said Lease as so modified.

This Guaranty shall not be released, modified or affected by the failure or delay on the part of Lessor to enforce any of the rights or remedies of the Lessor under said Lease.

No notice of default by Lessee under the Lease need be given by Lessor to Guarantors, it being specifically agreed that the guarantee of the undersigned is a continuing guarantee under which Lessor may proceed immediately against Lessee and/or against Guarantors following any breach or default by Lessee or for the enforcement of any rights which Lessor may have as against Lessee under the terms of the Lease or at law or in equity.

Lessor shall have the right to proceed against Guarantors following any breach or default by Lessee under the Lease without first proceeding against Lessee and without previous notice to or demand upon either Lessee or Guarantors.

Guarantors hereby waive (a) notice of acceptance of this Guaranty. (b) demand of payment, presentation and protest, (c) all right to assert or plead any statute of limitations relating to this Guaranty or the Lease, (d) any right to require the Lessor to proceed against the Lessee or any other Guarantor or any other person or entity liable to Lessor, (e) any right to require Lessor to apply to any default any security deposit or other security it may hold under the Lease, (f) any right to require Lessor to proceed under any other remedy Lessor may have before proceeding against Guarantors, (g) any right of subrogation that Guarantors may have against Lessee.

Guarantors do hereby subordinate all existing or future indebtedness of Lessee to Guarantors to the obligations owed to Lessor under the Lease and this Guaranty.

If a Guarantor is married, such Guarantor expressly agrees that recourse may be had against his or her separate property for all of the obligations hereunder.

The obligations of Lessee under the Lease to execute and deliver estoppel statements and financial statements, as therein provided, shall be deemed to also require the Guarantors to provide estoppel statements and financial statements to Lessor. The failure of the Guarantors to provide the same to Lessor shall constitute a default under the Lease.

The term "Lessor" refers to and means the Lessor named in the Lease and also Lessor's successors and assigns. So long as Lessor's interest in the Lease, the leased premises or the rents, issues and profits therefrom, are subject to any mortgage or deed of trust or assignment for security, no acquisition by Guarantors of the Lessor's interest shall affect the continuing obligation of Guarantors under this Guaranty which shall nevertheless continue in full force and effect for the benefit of the mortgagee, beneficiary, trustee or assignee under such mortgage, deed of trust or assignment and their successors and assigns.

The term "Lessee" refers to and means the Lessee named in the Lease and also Lessee's successors and assigns.

Any recovery by Lessor from any other guarantor or insurer shall first be credited to the portion of Lessee's indebtedness to Lessor which exceeds the maximum liability of Guarantors under this Guaranty.

No provision of this Guaranty or right of the Lessor can be waived, nor can the Guarantors be released from their obligations except in writing signed by the Lessor.

Any litigation concerning this Guaranty shall be initiated in a state court of competent jurisdiction in the county in which the leased premises are located and the Guarantors consent to the jurisdiction of such court. This Guaranty shall be governed by the laws of the State in which the leased premises are located and for the purposes of any rules regarding conflicts of law the parties shall be treated as if they were all residents or domiciles of such State.

In the event any action be brought by said Lessor against Guarantors hereunder to enforce the obligation of Guarantors hereunder, the unsuccessful party in such action shall pay to the prevailing party therein a reasonable attorney's fee. The attorney's fee award shall not be computed in accordance with any court fee schedule, but shall be such as to full reimburse all attorneys' fees reasonably incurred.

If any Guarantor is a corporation, partnership, or limited liability company, each individual executing this Guaranty on said entity's behalf represents and warrants that he or she is duly authorized to execute this Guaranty on behalf of such entity.

determined by the Arbitrator in his discretion.

Whenever a matter which has been submitted to arbitration involves a dispute as to whether or not a particular act or omission (other than a failure to pay money) constitutes a Default, the time to commence or cease such action shall be tolled from the date that the Notice of Arbitration is served through and until the date the Arbitrator renders his or her decision. Provided, however, that this provision shall NOT apply in the event that the Arbitrator determines that the Arbitration Notice was prepared in bad faith.

Whenever a dispute arises between the Parties concerning whether or not the failure to make a payment of money constitutes a default, the service of an Arbitration Notice shall NOT toll the time period in which to pay the money. The Party allegedly obligated to pay the money may, however, elect to pay the money "under protest" by accompanying said payment with a written statement setting forth the reasons for such protest. If thereafter, the Arbitrator determines that the Party who received said money was not entitled to such payment, said money shall be promptly returned to the Party who paid such money under protest together with Interest thereon as defined in Paragraph 13.5. If a Party makes a payment "under protest" but no Notice of Arbitration is filed within thirty days, then such protest shall be deemed waived. (See also Paragraph 42 or 43)

The District requires the fully executed copies of the most recent lease agreements for all of the facilities listed, even if they are no longer in use. We understand that some of the lease may have expired and that several are no longer being used. However, we still require the lease copies to ensure we are conducting proper oversight. The list includes the site that we have been made aware of from 2023 to present. If there are any locations that HCCTS has operated at or is operating at that I have not included on the list, please be sure to include those lease copies as well. If a location is no longer in use, please send the termination documentation as well.

i. Except as otherwise set forth in Section 3.C.iii., the Proportionate Share of Landlord's real property taxes, liability insurance and Common area Expenses of the Premises (collectively, the "Operating Expenses") shall comprise the Additional Rent to be paid by Tenant to the Landlord. The estimated monthly amount of Initial Estimated Operating Expenses for the first calendar year in which the Rent Commencement Date occurs is set forth in Section 1.e, which amount is subject to adjustment as set forth in this Lease. The Initial Estimated Operating Expenses for the first year is an estimate and subject to being updated with the actual Operating Expenses as described in Section 3.C. ii.

Additional Rent (CAM and Modified Full Service) Per the Proforma Expense dated March 1, 2019

ii. Subject to Section 3.C.i and Section 3.C.iii, Tenant shall pay to Landlord as the Additional Rent, Tenant's Proportionate Share of the Operating Expenses described in this Section, in the following manner:

1. Tenant shall pay monthly for Tenant's Pro Rata Share of Operating Expenses as reasonably estimated by Landlord. Any monies paid in advance to Landlord by Tenant shall not accrue interest thereon.

Sixty (60) days after the end of each quarter, Landlord shall deliver a statement to Tenant setting forth the difference between Tenant's actual Pro Rata Share of Operating Expenses (subject to Section 3.C.iii) and the total amount of the monthly payment paid by Tenant to Landlord.

Tenant shall thereafter pay to Landlord the full amount of any difference between Tenant's actual obligation over the total amount of Tenant's estimated payments within thirty (30) days after receipt of said statement; conversely, in the event Tenant's estimated payments exceeded Tenant's actual obligation, Landlord shall either refund the overpayment to Tenant or credit said overpayment against Tenant's Additional Rent obligation in the forthcoming year.

In the event this Lease expires on a date other than the end of a billing period, Tenant's obligation with respect to any amounts owed

30 Day Notice - 2325 E 12th Oakland 04.01.24.pdf

to Landlord shall survive the expiration of the Lease Term, and shall be invoiced to Tenant when the same have been accurately determined or, at Landlord's option, such amounts shall be reasonably estimated by Landlord to reflect the period of time the Lease was in effect during such billing period.

2. Any delay or failure of Landlord in (i) delivering any estimate or statement described in Section 3.C.ii.1., or (ii) computing or billing of Tenant's Pro Rata Share of Operating Expenses shall not constitute a waiver of its right to require an increase in Additional Rent, or in any way impair the continuing obligations of Tenant under this Section 3.C.

In the event of any dispute as to any Additional Rent due under this Section 3.C, Tenant and its employees, accountants, advisors, attorneys and consultants shall have the right after reasonable notice and at reasonable times to inspect Landlord's accounting records at Landlord's accounting office.

If, after such inspection, Tenant still disputes such Additional Rent, upon Tenant's written request therefor, a certification as to the proper amount of all Operating Expense charges and the amount due to or payable by Tenant shall be made by an independent certified public accountant mutually agreed to by Landlord and Tenant. If Landlord and Tenant cannot mutually agree to an independent certified public accountant, then the parties agree that Landlord shall choose an independent certified public accountant to conduct the certification as to the proper amount of

all of Tenant's Pro Rata Share of Operating Expense charges due by Tenant for the period in question; provided, however, such certified public accountant shall not be the accountant who conducted Landlord's initial calculation of all Operating Expense charges to which Tenant is now objecting. Such certification shall be final and conclusive as to all parties. If the certification reflects that Tenant has overpaid Tenant's Pro Rata Share of Operating Expense charges for the period in question, then Landlord shall credit such excess to Tenant's next payment of such charges and conversely, if Tenant has underpaid Tenant's Pro Rata Share of Operating Expense charges, Tenant shall promptly pay such additional charges to Landlord.

Tenant and Landlord shall equally share the cost of such certification and the investigation with respect thereto unless it is determined that Landlord's original statement was in error in Landlord's favor by more than ten percent (10%), in which event Landlord shall be liable for all such costs.

30 Day Notice - 2325 E 12th Oakland 04.01.24.pdf

Tenant waives the right to dispute any matter relating to the calculation of Tenant's Pro Rata Share of Operating Expense charges or Additional Rent under this Section 3.C if any claim or dispute is not asserted in writing to Landlord within ninety (90) days after delivery to Tenant of the original billing statement with respect thereto.

Notwithstanding the foregoing, Tenant shall maintain strict confidentiality of all of Landlord's accounting records and shall not disclose the same to any other person or entity except for Tenant's professional advisory representatives (such as Tenant's employees, accountants, advisors, attorneys and consultants) with a need to know such accounting information, who agree to similarly maintain the confidentiality of such financial information

The Landlord has received a property tax welfare from property taxes based on Landlord's charitable purposes (however the sublease portion of the Premise to the Tenant maybe subject to and or be exempt from some level of property tax as the Tenant is a Public Charter School) if applicable. Tenant is responsible to file annual property tax welfare exemptions on the county's deadline and notify the Landlord and show proof of filing. Landlord will work with the county to obtain any adjustments to the property tax before any credit can be given.

The Landlord will work with the owner of the Premise to obtain/ maintain the Landlord's tax exemption for the overall Premises.

Tenant shall be responsible for its Pro Rata Share of the unsecured property taxes assessed on the sublease portion of the Facility, and the parties shall work together to calculate the resulting amount of Tenant's sublease portion in the Pro Rata Share of Operating Expenses.

For the avoidance of doubt, the amount of unsecured property taxes that would be assessed on the Premises if it does not receive a tax welfare exemption shall be considered for purposes of calculating the maximum amount of Tenant's Pro-Rata Share of Operating Agreements, but Tenant shall not have any obligation to pay such amount of taxes as long as the welfare exemption is maintained. The parties further acknowledge and agree that Tenant shall not be liable for any increase in real property taxes resulting solely from (a) improvements made by Landlord or other tenants of other parts of the Facility after the Commencement Date, or (b) the sale or transfer of the Facility by Landlord or Master Landlord.

5. Security Deposit.

If Tenant is in Default, Landlord can use the Security Deposit, or any portion of it, to cure the Default or to compensate Landlord for all damage sustained by Landlord resulting from Tenant's Default. Tenant shall immediately on demand pay to Landlord a sum equal to the portion of the Security Deposit expended or applied by Landlord as provided in this Section 5 so as to maintain the Security Deposit in the sum initially deposited with Landlord. If Tenant is not in Default at the expiration or termination of this Lease, Landlord shall return the Security Deposit to Tenant within thirty (30) days of expiration or termination of this Lease. Landlord's obligations with respect to the Security Deposit are those of a debtor and not a trustee. Landlord will maintain the Security Deposit separate and apart from Landlord's general funds. If the Premises can be repaired within the sixty (60) day period, or if this Lease is not terminated in accordance with this provision, Landlord shall proceed with repairs as necessary to the extent damages are covered by insurance, subject to a proportionate reduction in the rent based on the extent to which the damage and repairs shall interfere with the business of Tenant on the Premises. EXHIBIT B

Policy Regarding the Use of Diocesan and Parish Facilities in the Diocese of Sacramento

1.0 Introduction.

1.1 The churches, schools, halls, buildings, and grounds of the parishes and diocesan facilities in the Diocese of Sacramento represent an important element of the patrimony of the Church. The People of God in the Diocese of Sacramento, over many generations, have lovingly shared their temporal resources with the Church in order to ensure that the ministry of the Church would continue to flourish, that there shall always be adequate means to provide for the pastoral care of souls, and that the Gospel may be proclaimed in full fidelity with the Truth to all people living in the territory of the Diocese. The care and stewardship over these resources is vouchsafed in the Diocesan Bishop and the pastors who collaborate in his ministry throughout the Diocese.

1.2 Church buildings and grounds are more than mere structures. They are visual and tangible symbols of the Church, the Temple of the Holy Spirit. This is particularly true of parish churches and parish facilities, for it is in the parishes that the Catholic faithful gather regularly around the altar of the Lord to celebrate the Paschal mystery of the Eucharist. Thus, mindful of centrality of the altar to the life of our parishes and our Diocese, it is a matter of considerable pastoral importance that our parish churches, halls, schools, buildings, grounds, and diocesan facilities be used at all times in a manner consistent with their sanctified nature, as visible symbols of the Church.

1.3 Therefore, the Bishop of Sacramento, consistent with his pastoral and episcopal obligation to faithfully steward the patrimony of the Church in the Diocese of Sacramento has promulgated this Policy Regarding the Use of Diocesan and Parish Facilities and directs all pastors, parochial administrators, Newman Center directors, and lay employees and volunteers responsible for the use of diocesan and parish facilities to implement and comply with this Policy.

2.0 Use of Diocesan and Parish Facilities.

2.1 Use of diocesan and parish facilities must, at all times, be consistent with, and in fidelity to, Catholic religious and moral teachings and beliefs and must respect the religious and liturgical character and nature of such facilities.

2.2 Any use of diocesan and parish facilities that is incompatible with the religious and liturgical character of diocesan and parish facilities is prohibited.

2.3 Any use of diocesan and parish facilities by an organization, group, or individual who, by word or conduct, promotes views, values, or beliefs contrary to Catholic religious and moral belief and teachings is prohibited.

029 - 800 Todhunter.pdf

2.4 No event or activity shall be permitted to occur at diocesan or parish facilities that would, directly or indirectly, advocate or otherwise promote teachings, beliefs, views, values, or conduct contrary to Catholic religious and moral teachings and beliefs or that might have propensity to cause confusion or scandal among the faithful regarding the authentic teachings and beliefs of Catholic Church.

2.5 The use of churches, oratories, and chapels must at all times be consistent with their sacred liturgical and ecclesial character according to the canons and ecclesial norms applicable to such facilities.

2.6 Pastors shall implement and apply this Policy with regard to their respective parish facilities using their best pastoral judgment and shall implement and employ appropriate procedures and measures to ensure that this Policy is uniformly and consistently applied. In the event of any ambiguity, the Bishop of Sacramento shall serve as the final arbiter as to the application of this Policy to particular facts and circumstances.

3.0 Initial Request to Use Parish or Church Facilities and Review of Such Requests.

3.1 Any individual, group, or organization requesting to use or to rent a parish or diocesan facility must, prior to consideration of their request, complete a form questionnaire regarding the nature of the event proposed to be held at the diocesan or parish facility and seeking information regarding the individual, group, or organization. The Diocese shall prepare the form questionnaire and shall provide a copy of the questionnaire in English and Spanish to each parish in a form that can be reproduced for use.

3.2 Parish groups, which have been approved by the parish pastor, and diocesan organizations, which are listed in the *Diocese of Sacramento Directory* published by the Diocese of Sacramento or the *Official Catholic Directory* published by P.J. Kenedy & Sons, shall not be required to complete a form questionnaire prior to requesting to use or rent parish or diocesan facilities.

3.3 The Pastor, in the case of parishes, or the Vicar for Temporalities, in the case of the Diocese, shall review the responses provided by applicants on the questionnaires and determine whether the event proposed would be an appropriate use of parish or diocesan facilities under this Policy and whether the applicant individual, group, or organization would be an appropriate user or renter, under the terms of this Policy, to use such facilities. Copies of these questionnaires shall be retained with the business records of the parish and/or the Diocese.

3.4 If the Pastor or Vicar for Temporalities determines that the request is not appropriate under this Policy, he shall promptly notify the applicant that the requested facilities are not available for use or rent.

3.5 If the Pastor or Vicar for Temporalities determines that the request is appropriate under this Policy, he shall cause a Facilities Use Agreement to be sent to the requesting party for execution. The Diocese shall prepare a form Facilities Use Agreement for this purpose and shall

029 - 800 Todhunter.pdf

provide a copy of the Facilities Use Agreement in English and Spanish to each parish in a form that can be reproduced for use.

This shall exclude the use, with the permission of the Bishop, of parish and diocesan facilities for worship or religious services by other Christian denominations on an ad hoc basis.

029 - 800 Todhunter.pdf

4.2.7 Promote, advance, or advocate secularism, the paring back of religious freedom rights, or the restriction of religious liberty and liberty of conscience.

4.2.8 Promote, advance, or advocate the abuse of alcohol or the use of narcotics or other controlled substances.

4.2.9 Promote, advance, or advocate violence or the use of force to resolve social, political, or religious problems.

5.0 Inappropriate Events or Activities.

5.1 Any event or activity that would, directly or indirectly, advocate or otherwise promote teachings, beliefs, views, values, or conduct contrary to Catholic religious and moral teachings and beliefs or that might have propensity to cause confusion or scandal among the faithful regarding the authentic teachings and beliefs of Catholic Church shall not be permitted at parish or diocesan facilities.

CALCULATION METHOD

Actual Expense * gross up % * # of days =Annual Expense (prorated)
(Annual Expense (prorated) - Base year amount) * Prorata % = Your Share

Note: If your lease contains an Operating Expense Cap and the Annual Expenses are greater than your CAP, we would replace the Annual Expense amount in this formula with the CAP amount.

CALCULATION METHOD

Actual Expense * gross up % * # of days =Annual Expense (prorated)

Note: If your lease contains an Operating Expense Cap and the Annual Expenses are greater than your CAP, we would replace the Annual Expense amount in this formula with the CAP amount.

2. **Premises.**

2.1 **Letting**. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the Premises, for the term, at the rental, and upon all of the terms, covenants and conditions set forth in this Lease. While the approximate square footage of the Premises may have been used in the marketing of the Premises for purposes of comparison, the Base Rent stated herein is NOT tied to square footage and is not subject to adjustment should the actual size be determined to be different. **Note: Lessee is advised to verify the actual size prior to executing this Lease.**

2.2 **Condition**. Lessor shall deliver the Premises to Lessee in a clean condition on the Commencement Date or the Early Possession Date, whichever first occurs (**"Start Date"**), and warrants that the existing electrical, plumbing, fire sprinkler, lighting, heating, ventilating and air conditioning systems (**"HVAC"**), and all other items which the Lessor is obligated to construct pursuant to the Work Letter attached hereto, if any, other than those constructed by Lessee, shall be in good operating condition on said date, that the structural elements of the roof, bearing walls and foundation of the Unit shall be free of material defects, and that the Premises do not contain hazardous levels of any mold or fungi defined as toxic under applicable state or federal law. Lessor also warrants, that unless otherwise specified in writing, Lessor is unaware of (i) any recorded Notices of Default affecting the Premise; (ii) any delinquent amounts due under any loan secured by the Premises; and (iii) any bankruptcy proceeding affecting the Premises.

2.3 **Compliance**. Lessor warrants that to the best of its knowledge the improvements on the Premises and the Common Areas comply with the building codes applicable laws, covenants or restrictions of record, regulations, and ordinances (**"Applicable Requirements"**) that were in effect at the time that each improvement, or portion thereof, was constructed. Said warranty does not apply to the use to which Lessee will put the Premises, modifications which may be required by the Americans with Disabilities Act or any similar laws as a result of Lessee's use (see Paragraph 49), or to any Alterations or Utility Installations (as defined in Paragraph 7.3(a)) made or to be made by Lessee. **NOTE: Lessee is responsible for determining whether or not the zoning and other Applicable Requirements are appropriate for Lessee's intended use, and acknowledges that past uses of the Premises may no longer be allowed.** If the Premises do not comply with said warranty, Lessor shall, except as otherwise provided, promptly after receipt of written notice from Lessee setting forth with specificity the nature and extent of such non-compliance, rectify the same. If the Applicable Requirements are hereafter changed so as to require during the term of this Lease the construction of an addition to or an alteration of the Premises, the remediation of any Hazardous Substance, or the reinforcement or other physical modification of the Premises (**"Capital Expenditure"**), Lessor and Lessee shall allocate the cost of such work as follows:

(a) Subject to Paragraph 2.3(c) below, if such Capital Expenditures are required as a result of the specific and unique use of the Premises by Lessee as compared with uses by tenants in general, Lessee shall be fully responsible for the cost thereof, provided, however that if such Capital Expenditure is required during the last 2 years of this Lease and the cost thereof exceeds 6 months' Base Rent, Lessee may instead terminate this Lease unless Lessor notifies Lessee, in writing, within 10 days after receipt of Lessee's termination notice that Lessor has elected to pay the difference between the actual cost thereof and the amount equal to 6 months' Base Rent. If Lessee elects termination, Lessee shall immediately cease the use of the Premises which requires such Capital Expenditure and deliver to Lessor written notice specifying a termination date at least 90 days thereafter. Such termination date shall, however, in no event be earlier than the last day that Lessee could legally utilize the Premises without commencing such Capital Expenditure.

(b) If such Capital Expenditure is not the result of the specific and unique use of the Premises by Lessee (such as, governmentally mandated seismic modifications), then Lessor shall pay for such Capital Expenditure and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date that on which the Base Rent is due, an amount equal to 1/144th of the portion of such costs reasonably attributable to the Premises. Lessee shall pay Interest on the balance but may prepay its obligation at any time. If, however, such Capital Expenditure is required during the last 2 years of this Lease or if Lessor reasonably determines that it is not economically feasible to pay its share thereof, Lessor shall have the option to terminate this Lease upon 90 days prior written notice to Lessee unless Lessee notifies Lessor, in writing, within 10 days after receipt of Lessor's termination notice that Lessee will pay for such Capital Expenditure. If Lessor does not elect to terminate, and fails to tender its share of any such Capital Expenditure, Lessee may advance such funds and deduct same, with Interest, from Rent until Lessor's share of such costs have been fully paid. If Lessee is unable to finance Lessor's share, or if the balance of the Rent due and payable for the remainder of this Lease is not sufficient to fully reimburse Lessee on an offset basis, Lessee shall have the right to terminate this Lease upon 30 days written notice to Lessor.

(c) Notwithstanding the above, the provisions concerning Capital Expenditures are intended to apply only to nonvoluntary, unexpected, and new Applicable Requirements. If the Capital Expenditures are instead triggered by Lessee as a result of an actual or proposed change in use, change in intensity of use, or modification to the Premises then, and in that event, Lessee shall either: (i) immediately cease such changed use or intensity of use and/or take such other steps as may be necessary to eliminate the requirement for such Capital Expenditure, or (ii) complete such Capital Expenditure at its own expense. Lessee shall not have any right to terminate this Lease.

2.4 **Acknowledgements**. Lessee acknowledges that: (a) it has been given an opportunity to inspect and measure the Premises, (b) Lessee has been advised by Lessor and/or Brokers to satisfy itself with respect to the size and condition of the Premises (including but not limited to the electrical, HVAC and fire sprinkler systems, security, environmental aspects, and compliance with Applicable Requirements), and their suitability for Lessee's intended use, (c) Lessee has made such investigation as it deems necessary with reference to such matters and assumes all responsibility therefor as the same relate to its occupancy of the Premises, (d) it is not relying on any representation as to the size of the Premises made by Brokers or Lessor, (e) the square footage of the Premises was not material to Lessee's decision to lease the Premises and pay the Rent stated herein, and (f) neither Lessor, Lessor's agents, nor Brokers have made any oral or written representations or warranties with respect to said matters other than as set forth in this Lease. In addition, Lessor acknowledges that: (i) Brokers have made no representations, promises or warranties concerning Lessee's ability to honor the Lease or suitability to occupy the Premises, and (ii) it is Lessor's sole responsibility to investigate the financial capability and/or suitability of all proposed tenants.

2.5 **Lessee as Prior Owner/Occupant**. The warranties made by Lessor in Paragraph 2 shall be of no force or effect if immediately prior to the Start Date, Lessee was the owner or occupant of the Premises. In such event, Lessee shall be responsible for any necessary corrective work.

2.6 **Vehicle Parking**. So long as Lessee is not in default, and subject to the Rules and Regulations attached hereto, and as established by Lessor from time to time, Lessee shall be entitled to rent and use the number of parking spaces specified in Paragraph 1.2(b) at the rental rate applicable from time to time for monthly parking as set by Lessor and/or its licensee.

(a) If Lessee commits, permits or allows any of the prohibited activities described in the Lease or the rules then in effect, then Lessor shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove or tow away the vehicle involved and charge the cost to Lessee, which cost shall be immediately payable upon demand by Lessor.

(b) The monthly rent per parking space specified in Paragraph 1.2(b) is subject to change upon 30 days prior written notice to Lessee. The rent for the parking is payable one month in advance prior to the first day of each calendar month.

2.7 **Common Areas - Definition**. The term **"Common Areas"** is defined as all areas and facilities outside the Premises and within the exterior boundary line of the Project and interior utility raceways and installations within the Premises that are provided and designated by the Lessor from time to time for the general nonexclusive use of Lessor, Lessee and other tenants of the Project and their respective employees, suppliers, shippers, customers, contractors and invitees, including, but not limited to, common entrances, lobbies, corridors, stairwells, public restrooms, elevators, parking areas, loading and unloading areas, trash areas, roadways, walkways, driveways and landscaped areas.

2.8 **Common Areas - Lessee's Rights**. Lessor grants to Lessee, for the benefit of Lessee and its employees, suppliers, shippers, contractors, customers and invitees, during the term of this Lease, the nonexclusive right to use, in common with others entitled to such use, the Common Areas as they exist from time to time, subject to any rights, powers, and privileges reserved by Lessor under the terms hereof or under the terms of any rules and regulations or restrictions governing the use of the Project. Under no circumstances shall the right herein granted to use the Common Areas be deemed to include the right to store any property, temporarily or permanently, in the Common Areas. Any such storage shall be permitted only by the prior written consent of Lessor or Lessor's designated agent, which consent may be revoked at any time. In the event that any

unauthorized storage shall occur then Lessor shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove the property and charge the cost to Lessee, which cost shall be immediately payable upon demand by Lessor.

2.9 **Common Areas - Rules and Regulations**. Lessor or such other person(s) as Lessor may appoint shall have the exclusive control and management of the Common Areas and shall have the right, from time to time, to adopt, modify, amend and enforce reasonable rules and regulations (**"Rules and Regulations"**) for the management, safety, care, and cleanliness of the grounds, the parking and unloading of vehicles and the preservation of good order, as well as for the convenience of other occupants or tenants of the Building and the Project and their invitees. The Lessee agrees to abide by and conform to all such Rules and Regulations, and shall use its best efforts to cause its employees, suppliers, shippers, customers, contractors and invitees to so abide and conform. Lessor shall not be responsible to Lessee for the noncompliance with said Rules and Regulations by other tenants of the Project.

2.10 **Common Areas - Changes**. Lessor shall have the right, in Lessor's sole discretion, from time to time:

(a) To make changes to the Common Areas, including, without limitation, changes in the location, size, shape and number of the lobbies, windows, stairways, air shafts, elevators, escalators, restrooms, driveways, entrances, parking spaces, parking areas, loading and unloading areas, ingress, egress, direction of traffic, landscaped areas, walkways and utility raceways;

(b) To close temporarily any of the Common Areas for maintenance purposes so long as reasonable access to the Premises remains available;

(c) To designate other land outside the boundaries of the Project to be a part of the Common Areas;

(d) To add additional buildings and improvements to the Common Areas;

(e) To use the Common Areas while engaged in making additional improvements, repairs or alterations to the Project, or any portion thereof; and

(f) To do and perform such other acts and make such other changes in, to or with respect to the Common Areas and Project as Lessor may, in the exercise of sound business judgment, deem to be appropriate.

3. **Term.**

3.1 **Term**. The Commencement Date, Expiration Date and Original Term of this Lease are as specified in Paragraph 1.3.

3.2 **Early Possession**. Any provision herein granting Lessee Early Possession of the Premises is subject to and conditioned upon the Premises being available for such possession prior to the Commencement Date. Any grant of Early Possession only conveys a non-exclusive right to occupy the Premises. If Lessee totally or partially occupies the Premises prior to the Commencement Date, the obligation to pay Base Rent shall be abated for the period of such Early Possession. All other terms of this Lease (including but not limited to the obligations to pay Lessee's Share of the Operating Expense Increase) shall be in effect during such period. Any such Early Possession shall not affect the Expiration Date.

3.3 **Delay In Possession**. Lessor agrees to use its best commercially reasonable efforts to deliver possession of the Premises to Lessee by the Commencement Date. If, despite said efforts, Lessor is unable to deliver possession by such date, Lessor shall not be subject to any liability therefor, nor shall such failure affect the validity of this Lease or change the Expiration Date. Lessee shall not, however, be obligated to pay Rent or perform its other obligations until Lessor delivers possession of the Premises and any period of rent abatement that Lessee would otherwise have enjoyed shall run from the date of delivery of possession and continue for a period equal to what Lessee would otherwise have enjoyed under the terms hereof, but minus any days of delay caused by the acts or omissions of Lessee. If possession is not delivered within 60 days after the Commencement Date, as the same may be extended under the terms of any Work Letter executed by Parties, Lessee may, at its option, by notice in writing within 10 days after the end of such 60 day period, cancel this Lease, in which event the Parties shall be discharged from all obligations hereunder. If such written notice is not received by Lessor within said 10 day period, Lessee's right to cancel shall terminate. If possession of the Premises is not delivered within 120 days after the Commencement Date, this Lease shall terminate unless other agreements are reached between Lessor and Lessee, in writing.

3.4 **Lessee Compliance**. Lessor shall not be required to deliver possession of the Premises to Lessee until Lessee complies with its obligation to provide evidence of insurance (Paragraph 8.5). Pending delivery of such evidence, Lessee shall be required to perform all of its obligations under this Lease from and after the Start Date, including the payment of Rent, notwithstanding Lessor's election to withhold possession pending receipt of such evidence of insurance. Further, if Lessee is required to perform any other conditions prior to or concurrent with the Start Date, the Start Date shall occur but Lessor may elect to withhold possession until such conditions are satisfied.

4. **Rent.**

4.1. **Rent Defined.** All monetary obligations of Lessee to Lessor under the terms of this Lease (except for the Security Deposit) are deemed to be rent (**"Rent"**).

4.2 **Operating Expense Increase.** Lessee shall pay to Lessor during the term hereof, in addition to the Base Rent, Lessee's Share of the amount by which all Operating Expenses for each Comparison Year exceeds the amount of all Operating Expenses for the Base Year, such excess being hereinafter referred to as the **"Operating Expense Increase"**, in accordance with the following provisions:

(a) **"Base Year"** is as specified in Paragraph 1.9.

(b) **"Comparison Year"** is defined as each calendar year during the term of this Lease subsequent to the Base Year; provided, however, Lessee shall have no obligation to pay a share of the Operating Expense Increase applicable to the first 12 months of the Lease Term (other than such as are mandated by a governmental authority, as to which government mandated expenses Lessee shall pay Lessee's Share, notwithstanding they occur during the first twelve (12) months). Lessee's Share of the Operating Expense Increase for the first and last Comparison Years of the Lease Term shall be prorated according to that portion of such Comparison Year as to which Lessee is responsible for a share of such increase.

(c) The following costs relating to the ownership and operation of the Project, calculated as if the Project was at least 95% occupied, are defined as **"Operating Expenses"** :

(i) Costs relating to the operation, repair, and maintenance in neat, clean, safe, good order and condition, but not the replacement (see subparagraph (g)), of the following:

(aa) The Common Areas, including their surfaces, coverings, decorative items, carpets, drapes and window coverings, and including parking areas, loading and unloading areas, trash areas, roadways, sidewalks, walkways, stairways, parkways, driveways, landscaped areas, striping, bumpers, irrigation systems, Common Area lighting facilities, building exteriors and roofs, fences and gates;

(bb) All heating, air conditioning, plumbing, electrical systems, life safety equipment, communication systems and other equipment used in common by, or for the benefit of, tenants or occupants of the Project, including elevators and escalators, tenant directories, fire detection systems including sprinkler system maintenance and repair.

(cc) All other areas and improvements that are within the exterior boundaries of the Project but outside of the Premises and/or any other space occupied by a tenant.

(ii) The cost of trash disposal, janitorial and security services, pest control services, and the costs of any environmental inspections;

(iii) The cost of any other service to be provided by Lessor that is elsewhere in this Lease stated to be an "Operating Expense";

(iv) The cost of the premiums for the insurance policies maintained by Lessor pursuant to paragraph 8 and any deductible portion of an insured loss concerning the Building or the Common Areas;

(v) The amount of the Real Property Taxes payable by Lessor pursuant to paragraph 10;

(vi) The cost of water, sewer, gas, electricity, and other publicly mandated services not separately metered;

(vii) Labor, salaries, and applicable fringe benefits and costs, materials, supplies and tools, used in maintaining and/or cleaning the Project and accounting and management fees attributable to the operation of the Project;

(viii) The cost of any capital improvement to the Building or the Project not covered under the provisions of Paragraph 2.3 provided; however, that Lessor shall allocate the cost of any such capital improvement over a 12 year period and Lessee shall not be required to pay more than Lessee's Share of 1/144th of the cost of such Capital Expenditure in any given month;

(ix) The cost to replace equipment or improvements that have a useful life for accounting purposes of 5 years or less.

(x) Reserves set aside for maintenance, repair and/or replacement of Common Area improvements and equipment.

(d) Any item of Operating Expense that is specifically attributable to the Premises, the Building or to any other building in the Project or to the operation, repair and maintenance thereof, shall be allocated entirely to such Premises, Building, or other building. However, any such item that is not specifically attributable to the Building or to any other building or to the operation, repair and maintenance thereof, shall be equitably allocated by Lessor to all buildings in the Project.

(e) The inclusion of the improvements, facilities and services set forth in Subparagraph 4.2(c) shall not be deemed to impose an obligation upon Lessor to either have said improvements or facilities or to provide those services unless the Project already has the same, Lessor already provides the services, or Lessor has agreed elsewhere in this Lease to provide the same or some of them.

(f) Lessee's Share of Operating Expense Increase is payable monthly on the same day as the Base Rent is due hereunder.

The amount of such payments shall be based on Lessor's estimate of the Operating Expense Expenses. Within 60 days after written request (but not more than once each year) Lessor shall deliver to Lessee a reasonably detailed statement showing Lessee's Share of the actual Common Area Operating Expenses for the preceding year. If Lessee's payments during such Year exceed Lessee's Share, Lessee shall credit the amount of such over-payment against Lessee's future payments. If Lessee's payments during such Year were less than Lessee's Share, Lessee shall pay to Lessor the amount of the deficiency within 10 days after delivery by Lessor to Lessee of said statement. Lessor and Lessee shall forthwith adjust between them by cash payment any balance determined to exist with respect to that portion of the last Comparison Year for which Lessee is responsible as to Operating Expense Increases, notwithstanding that the Lease term may have terminated before the end of such Comparison Year.

(g) Operating Expenses shall not include the costs of replacement for equipment or capital components such as the roof, foundations, exterior walls or a Common Area capital improvement, such as the parking lot paving, elevators, fences that have a useful life for accounting purposes of 5 years or more.

(h) Operating Expenses shall not include any expenses paid by any tenant directly to third parties, or as to which Lessor is otherwise reimbursed by any third party, other tenant, or by insurance proceeds.

4.3 **Payment.** Lessee shall cause payment of Rent to be received by Lessor in lawful money of the United States on or before the day on which it is due, without offset or deduction (except as specifically permitted in this Lease). All monetary amounts shall be rounded to the nearest whole dollar. In the event that any invoice prepared by Lessor is inaccurate such inaccuracy shall not constitute a waiver and Lessee shall be obligated to pay the amount set forth in this Lease. Rent for any period during the term hereof which is for less than one full calendar month shall be prorated based upon the actual number of days of said month. Payment of Rent shall be made to Lessor at its address stated herein or to such other persons or place as Lessor may from time to time designate in writing. Acceptance of a payment which is less than the amount then due shall not be a waiver of Lessor's rights to the balance of such Rent, regardless of Lessor's endorsement of any check so stating. In the event that any check, draft, or other instrument of payment given by Lessee to Lessor is dishonored for any reason, Lessee agrees to pay to Lessor the sum of $25 in addition to any Late Charge and Lessor, at its option, may require all future Rent be paid by cashier's check. Payments will be applied first to accrued late charges and attorney's fees, second to accrued interest, then to Base Rent and Common Area Operating Expenses, and any remaining amount to any other outstanding charges or costs.

5. **Security Deposit.** Lessee shall deposit with Lessor upon execution hereof the Security Deposit as security for Lessee's faithful performance of its obligations under this Lease. If Lessee fails to pay Rent, or otherwise Defaults under this Lease, Lessor may use, apply or retain all or any portion of said Security Deposit for the payment of any amount already due Lessor, for Rents which will be due in the future, and/ or to reimburse or compensate Lessor for any liability, expense, loss or damage which Lessor may suffer or incur by reason thereof. If Lessor uses or applies all or any portion of the Security Deposit, Lessee shall within 10 days after written request therefor deposit monies with Lessor sufficient to restore said Security Deposit to the full amount required by this Lease. If the Base Rent increases during the term of this Lease, Lessee shall, upon written request from Lessor, deposit additional monies with Lessor so that the total amount of the Security Deposit shall at all times bear the same proportion to the increased Base Rent as the initial Security Deposit bore to the initial Base Rent. Should the Agreed Use be amended to accommodate a material change in the business of Lessee or to accommodate a sublessee or assignee, Lessor shall have the right to increase the Security Deposit to the extent necessary, in Lessor's reasonable judgment, to account for any increased wear and tear that the Premises may suffer as a result thereof. If a change in control of Lessee occurs during this Lease and following such change the financial condition of Lessee is, in Lessor's reasonable judgment, significantly reduced, Lessee shall deposit such additional monies with Lessor as shall be sufficient to cause the Security Deposit to be at a commercially reasonable level based on such change in financial condition. Lessor shall not be required to keep the Security Deposit separate from its general accounts. Within 90 days after the expiration or termination of this Lease, Lessor shall return that portion of the Security Deposit not used or applied by Lessor. Lessor shall upon written request provide Lessee with an accounting showing how that portion of the Security Deposit that was not returned was applied. No part of the Security Deposit shall be considered to be held in trust, to bear interest or to be prepayment for any monies to be paid by Lessee under this Lease. THE SECURITY DEPOSIT SHALL NOT BE USED BY LESSEE IN LIEU OF PAYMENT OF THE LAST MONTH'S RENT.

6. **Use.**

6.1 **Use.** Lessee shall use and occupy the Premises only for the Agreed Use, or any other legal use which is reasonably comparable thereto, and for no other purpose. Lessee shall not use or permit the use of the Premises in a manner that is unlawful, creates damage, waste or a nuisance, or that disturbs occupants of or causes damage to neighboring premises or properties. Other than guide, signal and seeing eye dogs, Lessee shall not keep or allow in the Premises any pets, animals, birds, fish, or reptiles. Lessor shall not unreasonably withhold or delay its consent to any request for a modification of the Agreed Use, so long as the same will not impair the structural integrity of the improvements of the Building, will not adversely affect the mechanical, electrical, HVAC, and other systems of the Building, and/or will not affect the exterior appearance of the Building. If Lessor elects to withhold consent, Lessor shall within 7 days after such request give written notification of same, which notice shall include an explanation of Lessor's objections to the change in the Agreed Use.

6.2 **Hazardous Substances.**

(a) **Reportable Uses Require Consent.** The term **"Hazardous Substance"** as used in this Lease shall mean any product, substance, or waste whose presence, use, manufacture, disposal, transportation, or release, either by itself or in combination with other materials expected to be on the Premises, is either: (i) potentially injurious to the public health, safety or welfare, the environment or the Premises, (ii) regulated or monitored by any governmental authority, or (iii) a basis for potential liability of Lessor to any governmental agency or third party under any applicable statute or common law theory. Hazardous Substances shall include, but not be limited to, hydrocarbons, petroleum, gasoline, and/or crude oil or any products, byproducts or fractions thereof. Lessee shall not engage in any activity in or on the Premises which constitutes a Reportable Use of Hazardous Substances without the express prior written consent of Lessor and timely compliance (at Lessee's expense) with all Applicable Requirements. **"Reportable Use"** shall mean (i) the installation or use of any above or below ground storage tank, (ii) the generation, possession, storage, use, transportation, or disposal of a Hazardous Substance that requires a permit from, or with respect to which a report, notice, registration or business plan is required to be filed with, any governmental authority, and/or (iii) the presence at the Premises of a Hazardous Substance with respect to which any Applicable Requirements requires that a notice be given to persons entering or occupying the Premises or neighboring properties. Notwithstanding the foregoing, Lessee may use any ordinary and customary materials reasonably required to be used in the normal course of the Agreed Use such as ordinary office supplies (copier toner, liquid paper, glue, etc.) and common household cleaning materials, so long as such use is in compliance with all Applicable Requirements, is not a Reportable Use, and does not expose the Premises or neighboring property to any meaningful risk of contamination or damage or expose Lessor to any liability therefor. In addition, Lessor may condition its consent to any Reportable Use upon receiving such additional assurances as Lessor reasonably deems necessary to protect itself, the public, the Premises and/or the environment against damage, contamination, injury and/or liability, including, but not limited to, the installation (and removal on or before Lease expiration or termination) of protective modifications (such as concrete encasements) and/or increasing the Security Deposit.

(b) **Duty to Inform Lessor.** If Lessee knows, or has reasonable cause to believe, that a Hazardous Substance has come to be located in, on, under or about the Premises, other than as previously consented to by Lessor, Lessee shall immediately give written notice of such fact to Lessor, and provide Lessor with a copy of any report, notice, claim or other documentation which it has concerning the presence of such Hazardous Substance.

(c) **Lessee Remediation.** Lessee shall not cause or permit any Hazardous Substance to be spilled or released in, on, under, or about the Premises (including through the plumbing or sanitary sewer system) and shall promptly, at Lessee's expense, comply with all Applicable Requirements and take all investigatory and/or remedial action reasonably recommended, whether or not formally ordered or required, for the cleanup of any contamination of, and for the maintenance, security and/or monitoring of the Premises or neighboring properties, that was caused or materially contributed to by Lessee, or pertaining to or involving any Hazardous Substance brought onto the Premises during the term of this Lease, by or for Lessee, or any third party.

(d) **Lessee Indemnification.** Lessee shall indemnify, defend and hold Lessor, its agents, employees, lenders and ground lessor, if any, harmless from and against any and all loss of rents and/or damages, liabilities, judgments, claims, expenses, penalties, and attorneys' and consultants' fees arising out of or involving any Hazardous Substance brought onto the Premises by or for Lessee, or any third party (provided, however, that Lessee shall have no liability under this Lease with respect to underground migration of any Hazardous Substance under the Premises from areas outside of the Project not caused or contributed to by Lessee). Lessee's obligations shall include, but not be limited to, the effects of any contamination or injury to person, property or the environment created or suffered by Lessee, and the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease. No termination, cancellation or release agreement entered into by Lessor and Lessee shall release Lessee from its obligations under this Lease with respect to Hazardous Substances, unless specifically so agreed by Lessor in writing at the time of such agreement.

(e) **Lessor Indemnification.** Except as otherwise provided in paragraph 8.7, Lessor and its successors and assigns shall indemnify, defend, reimburse and hold Lessee, its employees and lenders, harmless from and against any and all environmental damages, including the cost of remediation, which result from Hazardous Substances which existed on the Premises prior to Lessee's occupancy or which are caused by the gross negligence or willful misconduct of Lessor, its agents or employees. Lessor's obligations, as and when required by the Applicable Requirements, shall include, but not be limited to, the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease.

(f) **Investigations and Remediations**. Lessor shall retain the responsibility and pay for any investigations or remediation measures required by governmental entities having jurisdiction with respect to the existence of Hazardous Substances on the Premises prior to Lessee's occupancy, unless such remediation measure is required as a result of Lessee's use (including "Alterations", as defined in paragraph 7.3(a) below) of the Premises, in which event Lessee shall be responsible for such payment. Lessee shall cooperate fully in any such activities at the request of Lessor, including allowing Lessor and Lessor's agents to have reasonable access to the Premises at reasonable times in order to carry out Lessor's investigative and remedial responsibilities.

(g) **Lessor Termination Option**. If a Hazardous Substance Condition (see Paragraph 9.1(e)) occurs during the term of this Lease, unless Lessee is legally responsible therefor (in which case Lessee shall make the investigation and remediation thereof required by the Applicable Requirements and this Lease shall continue in full force and effect, but subject to Lessor's rights under Paragraph 6.2(d) and Paragraph 13), Lessor may, at Lessor's option, either (i) investigate and remediate such Hazardous Substance Condition, if required, as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) if the estimated cost to remediate such condition exceeds 12 times the then monthly Base Rent or $100,000, whichever is greater, give written notice to Lessee, within 30 days after receipt by Lessor of knowledge of the occurrence of such Hazardous Substance Condition, of Lessor's desire to terminate this Lease as of the date 60 days following the date of such notice. In the event Lessor elects to give a termination notice, Lessee may, within 10 days thereafter, give written notice to Lessor of Lessee's commitment to pay the amount by which the cost of the remediation of such Hazardous Substance Condition exceeds an amount equal to 12 times the then monthly Base Rent or $100,000, whichever is greater. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days following such commitment. In such event, this Lease shall continue in full force and effect, and Lessor shall proceed to make such remediation as soon as reasonably possible after the required funds are available. If Lessee does not give such notice and provide the required funds or assurance thereof within the time provided, this Lease shall terminate as of the date specified in Lessor's notice of termination.

6.3 **Lessee's Compliance with Applicable Requirements**. Except as otherwise provided in this Lease, Lessee shall, at Lessee's sole expense, fully, diligently and in a timely manner, materially comply with all Applicable Requirements, the requirements of any applicable fire insurance underwriter or rating bureau, and the recommendations of Lessor's engineers and/or consultants which relate in any manner to the Premises, without regard to whether said Applicable Requirements are now in effect or become effective after the Start Date. Lessee shall, within 10 days after receipt of Lessor's written request, provide Lessor with copies of all permits and other documents, and other information evidencing Lessee's compliance with any Applicable Requirements specified by Lessor, and shall immediately upon receipt, notify Lessor in writing (with copies of any documents involved) of any threatened or actual claim, notice, citation, warning, complaint or report pertaining to or involving the failure of Lessee or the Premises to comply with any Applicable Requirements. Likewise, Lessee shall immediately give written notice to Lessor of: (i) any water damage to the Premises and any suspected seepage, pooling, dampness or other condition conducive to the production of mold; or (ii) any mustiness or other odors that might indicate the presence of mold in the Premises.

6.4 **Inspection; Compliance**. Lessor and Lessor's "**Lender**" (as defined in Paragraph 30) and consultants authorized by Lessor shall have the right to enter into Premises at any time, in the case of an emergency, and otherwise at reasonable times, after reasonable notice, for the purpose of inspecting and/or testing the condition of the Premises and/or for verifying compliance by Lessee with this Lease. The cost of any such inspections shall be paid by Lessor, unless a violation of Applicable Requirements, or a Hazardous Substance Condition (see paragraph 9.1e) is found to exist or be imminent, or the inspection is requested or ordered by a governmental authority. In such case, Lessee shall upon request reimburse Lessor for the cost of such inspection, so long as such inspection is reasonably related to the violation or contamination. In addition, Lessee shall provide copies of all relevant material safety data sheets (**MSDS**) to Lessor within 10 days of the receipt of written request therefor. Lessee acknowledges that any failure on its part to allow such inspections or testing will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to allow such inspections and/or testing in a timely fashion the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for the remainder to the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to allow such inspection and/or testing. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to such failure nor prevent the exercise of any of the other rights and remedies granted hereunder.

7. **Maintenance; Repairs; Utility Installations; Trade Fixtures and Alterations**.

7.1 **Lessee's Obligations**. Notwithstanding Lessor's obligation to keep the Premises in good condition and repair, Lessee shall be responsible for payment of the cost thereof to Lessor as additional rent for that portion of the cost of any maintenance and repair of the Premises, or any equipment (wherever located) that serves only Lessee or the Premises, to the extent such cost is attributable to abuse or misuse. In addition, Lessee rather than the Lessor shall be responsible for the cost of painting, repairing or replacing wall coverings, and to repair or replace any similar improvements within the Premises. Lessor may, at its option, upon reasonable notice, elect to have Lessee perform any particular such maintenance or repairs the cost of which is otherwise Lessee's responsibility hereunder."

7.2 **Lessor's Obligations**. Subject to the provisions of Paragraphs 2.2 (Condition), 2.3 (Compliance), 4.2 (Operating Expenses), 6 (Use), 7.1 (Lessee's Obligations), 9 (Damage or Destruction) and 14 (Condemnation), Lessor, subject to reimbursement pursuant to Paragraph 4.2, shall keep in good order, condition and repair the foundations, exterior walls, structural condition of interior bearing walls, exterior roof, fire sprinkler system, fire alarm and/or smoke detection systems, fire hydrants, and the Common Areas.

7.3 **Utility Installations; Trade Fixtures; Alterations**.

(a) **Definitions**. The term "**Utility Installations**" refers to all floor and window coverings, air lines, vacuum lines, power panels, electrical distribution, security and fire protection systems, communication cabling, lighting fixtures, HVAC equipment, and plumbing in or on the Premises. The term "**Trade Fixtures**" shall mean Lessee's machinery and equipment that can be removed without doing material damage to the Premises. The term " **Alterations**" shall mean any modification of the improvements, other than Utility Installations or Trade Fixtures, whether by addition or deletion. "**Lessee Owned Alterations and/or Utility Installations**" are defined as Alterations and/or Utility Installations made by Lessee that are not yet owned by Lessor pursuant to Paragraph 7.4(a).

(b) **Consent**. Lessee shall not make any Alterations or Utility Installations to the Premises without Lessor's prior written consent. Lessee may, however, make non-structural Alterations or Utility Installations to the interior of the Premises (excluding the roof) without such consent but upon notice to Lessor, as long as they are not visible from the outside, do not involve puncturing, relocating or removing the roof, ceilings, floors or any existing walls, will not affect the electrical, plumbing, HVAC, and/or life safety systems, do not trigger the requirement for additional modifications and/or improvements to the Premises resulting from Applicable Requirements, such as compliance with Title 24, and the cumulative cost thereof during this Lease as extended does not exceed $2000. Notwithstanding the foregoing, Lessee shall not make or permit any roof penetrations and/or install anything on the roof without the prior written approval of Lessor. Lessor may, as a precondition to granting such approval, require Lessee to utilize a contractor chosen and/or approved by Lessor. Any Alterations or Utility Installations that Lessee shall desire to make and which require the consent of the Lessor shall be presented to Lessor in written form with detailed plans. Consent shall be deemed conditioned upon Lessee's: (i) acquiring all applicable governmental permits, (ii) furnishing Lessor with copies of both the permits and the plans and specifications prior to commencement of the work, and (iii) compliance with all conditions of said permits and other Applicable Requirements in a prompt and expeditious manner. Any Alterations or Utility Installations shall be performed in a workmanlike manner with good and sufficient materials. Lessee shall promptly upon completion furnish Lessor with asbuilt plans and specifications. For work which costs an amount in excess of one month's Base Rent, Lessor may condition its consent upon Lessee providing a lien and completion bond in an amount equal to 150% of the estimated cost of such Alteration or Utility Installation and/or upon Lessee's posting an additional Security Deposit with Lessor.

(c) **Liens; Bonds**. Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use on the Premises, which claims are or may be secured by any mechanic's or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than 10 days notice prior to the commencement of any work in, on or about the Premises, and Lessor shall have the right to post notices of non-responsibility. If Lessee shall contest the validity of any such lien, claim or demand, then Lessee shall, at its sole expense defend and protect itself, Lessor and the Premises against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof. If Lessor shall require, Lessee shall furnish a surety bond in an amount equal to 150% of the amount of such contested lien, claim or demand, indemnifying Lessor against liability for the same. If Lessor elects to participate in any such action, Lessee shall pay Lessor's attorneys' fees and costs.

7.4 **Ownership; Removal; Surrender; and Restoration**.

(a) **Ownership**. Subject to Lessor's right to require removal or elect ownership as hereinafter provided, all Alterations and Utility Installations made by Lessee shall be the property of Lessee, but considered a part of the Premises. Lessor may, at any time, elect in writing to be the owner of all or any specified part of the Lessee Owned Alterations and Utility Installations. Unless otherwise instructed per paragraph 7.4(b) hereof, all Lessee Owned Alterations and Utility Installations shall, at the expiration or termination of this Lease, become the property of Lessor and be surrendered by Lessee with the Premises.

(b) **Removal.** By delivery to Lessee of written notice from Lessor ~~not earlier than 90 and not later than 30 days~~ prior to the end of the term of this Lease, Lessor may require that any or all Lessee Owned Alterations or Utility Installations be removed by the expiration or termination of this Lease. Lessor may require the removal at any time of all or any part of any Lessee Owned Alterations or Utility Installations made without the required consent.

(c) **Surrender; Restoration.** Lessee shall surrender the Premises by the Expiration Date or any earlier termination date, with all of the improvements, parts and surfaces thereof clean and free of debris, and in good operating order, condition and state of repair, ordinary wear and tear excepted. "Ordinary wear and tear" shall not include any damage or deterioration that would have been prevented by good maintenance practice. Notwithstanding the foregoing, if the Lessee occupies the Premises for 12 months or less, then Lessee shall surrender the Premises in the same condition as delivered to Lessee on the Start Date with NO allowance for ordinary wear and tear. Lessee shall repair any damage occasioned by the installation, maintenance or removal of Trade Fixtures, Lessee owned Alterations and/or Utility Installations, furnishings, and equipment as well as the removal of any storage tank installed by or for Lessee. Lessee shall also remove from the Premises any and all Hazardous Substances brought onto the Premises by or for Lessee, or any third party (except Hazardous Substances which were deposited via underground migration from areas outside of the Premises) to the level specified in Applicable Requirments. Trade Fixtures shall remain the property of Lessee and shall be removed by Lessee. Any personal property of Lessee not removed on or before the Expiration Date or any earlier termination date shall be deemed to have been abandoned by Lessee and may be disposed of or retained by Lessor as Lessor may desire. The failure by Lessee to timely vacate the Premises pursuant to this Paragraph 7.4(c) without the express written consent of Lessor shall constitute a holdover under the provisions of Paragraph 26 below.

8. **Insurance; Indemnity.**

8.1 **Insurance Premiums.** The cost of the premiums for the insurance policies maintained by Lessor pursuant to paragraph 8 are included as Operating Expenses (see paragraph 4.2 (c)(iv)). Said costs shall include increases in the premiums resulting from additional coverage related to requirements of the holder of a mortgage or deed of trust covering the Premises, Building and/or Project, increased valuation of the Premises, Building and/or Project, and/or a general premium rate increase. Said costs shall not, however, include any premium increases resulting from the nature of the occupancy of any other tenant of the Building. If the Project was not insured for the entirety of the Base Year, then the base premium shall be the lowest annual premium reasonably obtainable for the required insurance as of the Start Date, assuming the most nominal use possible of the Building and/or Project. In no event, however, shall Lessee be responsible for any portion of the premium cost attributable to liability insurance coverage in excess of $2,000,000 procured under Paragraph 8.2(b).

8.2 **Liability Insurance.**

(a) **Carried by Lessee.** Lessee shall obtain and keep in force a Commercial General Liability policy of insurance protecting Lessee and Lessor as an additional insured against claims for bodily injury, personal injury and property damage based upon or arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be on an occurrence basis providing single limit coverage in an amount not less than $1,000,000 per occurrence with an annual aggregate of not less than $2,000,000. Lessee shall add Lessor as an additional insured by means of an endorsement at least as broad as the Insurance Service Organization's "Additional Insured-Managers or Lessors of Premises" Endorsement and coverage shall also be extended to include damage caused by heat, smoke or fumes from a hostile fire. The policy shall not contain any intra-insured exclusions as between insured persons or organizations, but shall include coverage for liability assumed under this Lease as an **"insured contract"** for the performance of Lessee's indemnity obligations under this Lease. The limits of said insurance shall not, however, limit the liability of Lessee nor relieve Lessee of any obligation hereunder. Lessee shall provide an endorsement on its liability policy(ies) which provides that its insurance shall be primary to and not contributory with any similar insurance carried by Lessor, whose insurance shall be considered excess insurance only.

(b) **Carried by Lessor.** Lessor shall maintain liability insurance as described in Paragraph 8.2(a), in addition to, and not in lieu of, the insurance required to be maintained by Lessee. Lessee shall not be named as an additional insured therein.

8.3 **Property Insurance - Building, Improvements and Rental Value.**

(a) **Building and Improvements.** Lessor shall obtain and keep in force a policy or policies of insurance in the name of Lessor, with loss payable to Lessor, any ground-lessor, and to any Lender insuring loss or damage to the Building and/or Project. The amount of such insurance shall be equal to the full insurable replacement cost of the Building and/or Project, as the same shall exist from time to time, or the amount required by any Lender, but in no event more than the commercially reasonable and available insurable value thereof. Lessee Owned Alterations and Utility Installations, Trade Fixtures, and Lessee's personal property shall be insured by Lessee not by Lessor. If the coverage is available and commercially appropriate, such policy or policies shall insure against all risks of direct physical loss or damage (except the perils of flood and/or earthquake unless required by a Lender), including coverage for debris removal and the enforcement of any Applicable Requirements requiring the upgrading, demolition, reconstruction or replacement of any portion of the Premises as the result of a covered loss. Said policy or policies shall also contain an agreed valuation provision in lieu of any coinsurance clause, waiver of subrogation, and inflation guard protection causing an increase in the annual property insurance coverage amount by a factor of not less than the adjusted U.S. Department of Labor Consumer Price Index for All Urban Consumers for the city nearest to where the Premises are located. If such insurance coverage has a deductible clause, the deductible amount shall not exceed $5,000 per occurrence.

(b) **Rental Value.** Lessor shall also obtain and keep in force a policy or policies in the name of Lessor with loss payable to Lessor and any Lender, insuring the loss of the full Rent for one year with an extended period of indemnity for an additional 180 days **("Rental Value insurance").** Said insurance shall contain an agreed valuation provision in lieu of any coinsurance clause, and the amount of coverage shall be adjusted annually to reflect the projected Rent otherwise payable by Lessee, for the next 12 month period.

(c) **Adjacent Premises.** Lessee shall pay for any increase in the premiums for the property insurance of the Building and for the Common Areas or other buildings in the Project if said increase is caused by Lessee's acts, omissions, use or occupancy of the Premises.

(d) **Lessee's Improvements.** Since Lessor is the Insuring Party, Lessor shall not be required to insure Lessee Owned Alterations and Utility Installations unless the item in question has become the property of Lessor under the terms of this Lease.

8.4 **Lessee's Property; Business Interruption Insurance; Worker's Compensation Insurance.**

(a) **Property Damage.** Lessee shall obtain and maintain insurance coverage on all of Lessee's personal property, Trade Fixtures, and Lessee Owned Alterations and Utility Installations. Such insurance shall be full replacement cost coverage with a deductible of not to exceed $1,000 per occurrence. The proceeds from any such insurance shall be used by Lessee for the replacement of personal property, Trade Fixtures and Lessee Owned Alterations and Utility Installations.

(b) **Worker's Compensation Insurance.** Lessee shall obtain and maintain Worker's Compensation Insurance in such amount as may be required by Applicable Requirements. Such policy shall include a 'Waiver of Subrogation' endorsement. Lessee shall provide Lessor with a copy of such endorsement along with the certificate of insurance or copy of the policy required by paragraph 8.5.

(c) **Business Interruption.** Lessee shall obtain and maintain loss of income and extra expense insurance in amounts as will reimburse Lessee for direct or indirect loss of earnings attributable to all perils commonly insured against by prudent lessees in the business of Lessee or attributable to prevention of access to the Premises as a result of such perils.

(d) **No Representation of Adequate Coverage.** Lessor makes no representation that the limits or forms of coverage of insurance specified herein are adequate to cover Lessee's property, business operations or obligations under this Lease.

8.5 **Insurance Policies.** Insurance required herein shall be by companies maintaining during the policy term a "General Policyholders Rating" of at least A-, VII, as set forth in the most current issue of "Best's Insurance Guide", or such other rating as may be required by a Lender. Lessee shall not do or permit to be done anything which invalidates the required insurance policies. Lessee shall, prior to the Start Date, deliver to Lessor certified copies of policies of such insurance or certificates with copies of the required endorsements evidencing the existence and amounts of the required insurance. No such policy shall be cancelable or subject to modification except after 10 days prior written notice to Lessor. Lessee shall, at least 30 days prior to the expiration of such policies, furnish Lessor with evidence of renewals or "insurance binders" evidencing renewal thereof, or Lessor may increase his liability insurance coverage and charge the cost thereof to Lessee, which amount shall be payable by Lessee to Lessor upon demand. Such policies shall be for a term of at least one year, or the length of the remaining term of this Lease, whichever is less. If either Party shall fail to procure and maintain the insurance required to be carried by it, the other Party may, but shall not be required to, procure and maintain the same.

8.6 **Waiver of Subrogation.** Without affecting any other rights or remedies, Lessee and Lessor each hereby release and relieve the other, and waive their entire right to recover damages against the other, for loss of or damage to its property arising out of or incident to the perils required to be insured against herein. The effect of such releases and waivers is not limited by the amount of insurance carried or required, or by any deductibles applicable hereto. The Parties agree to have their respective property damage insurance carriers waive any right to subrogation that such companies may have against Lessor or Lessee, as the case may be, so long as the insurance is not invalidated thereby.

8.7 **Indemnity.** Except for Lessor's gross negligence or willful misconduct, Lessee shall indemnify, protect, defend and hold harmless the Premises, Lessor and its agents, Lessor's master or ground lessor, partners and Lenders, from and against any and all claims, loss of rents and/or damages, liens, judgments, penalties, attorneys' and consultants' fees, expenses and/or liabilities arising out of, involving, or in connection with, the use and/or occupancy of the Premises by Lessee. If any action or proceeding is brought against Lessor by reason of any of the foregoing matters, Lessee shall upon notice defend the same at Lessee's expense by counsel reasonably satisfactory to Lessor and Lessor shall cooperate with Lessee in such defense. Lessor need not have first paid any such claim in order to be defended or indemnified.

8.8 **Exemption of Lessor and its Agents from Liability.** Notwithstanding the negligence or breach of this Lease by Lessor or its agents, neither Lessor nor its agents shall be liable under any circumstances for: (i) injury or damage to the person or goods, wares, merchandise or other property of Lessee, Lessee's employees, contractors, invitees, customers, or any other person in or about the Premises, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, indoor air quality, the presence of mold or from the breakage, leakage, obstruction or other defects of pipes, fire sprinklers, wires, appliances, plumbing, HVAC or lighting fixtures, or from any other cause, whether the said

injury or damage results from conditions arising upon the Premises or upon other portions of the Building, or from other sources or places, (ii) any damages arising from any act or neglect of any other tenant of Lessor or from the failure of Lessor or its agents to enforce the provisions of any other lease in the Project, or (iii) injury to Lessee's business or for any loss of income or profit therefrom. Instead, it is intended that Lessee's sole recourse in the event of such damages or injury be to file a claim on the insurance policy(ies) that Lessee is required to maintain pursuant to the provisions of paragraph 8.

8.9 **Failure to Provide Insurance.** Lessee acknowledges that any failure on its part to obtain or maintain the insurance required herein will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, for any month or portion thereof that Lessee does not maintain the required insurance and/or does not provide Lessor with the required binders or certificates evidencing the existence of the required insurance, the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater. The parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to maintain the required insurance. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to maintain such insurance, prevent the exercise of any of the other rights and remedies granted hereunder, nor relieve Lessee of its obligation to maintain the insurance specified in this Lease.

9. **Damage or Destruction.**

9.1 **Definitions.**

(a) **"Premises Partial Damage"** shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations, which can reasonably be repaired in 3 months or less from the date of the damage or destruction, and the cost thereof does not exceed a sum equal to 6 month's Base Rent. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(b) **"Premises Total Destruction"** shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which cannot reasonably be repaired in 3 months or less from the date of the damage or destruction and/or the cost thereof exceeds a sum equal to 6 month's Base Rent. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(c) **"Insured Loss"** shall mean damage or destruction to improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which was caused by an event required to be covered by the insurance described in Paragraph 8.3(a), irrespective of any deductible amounts or coverage limits involved.

(d) **"Replacement Cost"** shall mean the cost to repair or rebuild the improvements owned by Lessor at the time of the occurrence to their condition existing immediately prior thereto, including demolition, debris removal and upgrading required by the operation of Applicable Requirements, and without deduction for depreciation.

(e) **"Hazardous Substance Condition"** shall mean the occurrence or discovery of a condition involving the presence of, or a contamination by, a Hazardous Substance, in, on, or under the Premises which requires restoration.

9.2 **Partial Damage - Insured Loss.** If a Premises Partial Damage that is an Insured Loss occurs, then Lessor shall, at Lessor's expense, repair such damage (but not Lessee's Trade Fixtures or Lessee Owned Alterations and Utility Installations) as soon as reasonably possible and this Lease shall continue in full force and effect; provided, however, that Lessee shall, at Lessor's election, make the repair of any damage or destruction the total cost to repair of which is $5,000 or less, and, in such event, Lessor shall make any applicable insurance proceeds available to Lessee on a reasonable basis for that purpose. Notwithstanding the foregoing, if the required insurance was not in force or the insurance proceeds are not sufficient to effect such repair, the Insuring Party shall promptly contribute the shortage in proceeds as and when required to complete said repairs. In the event, however, such shortage was due to the fact that, by reason of the unique nature of the improvements, full replacement cost insurance coverage was not commercially reasonable and available, Lessor shall have no obligation to pay for the shortage in insurance proceeds or to fully restore the unique aspects of the Premises unless Lessee provides Lessor with the funds to cover same, or adequate assurance thereof, within 10 days following receipt of written notice of such shortage and request therefor. If Lessor receives said funds or adequate assurance thereof within said 10 day period, the party responsible for making the repairs shall complete them as soon as reasonably possible and this Lease shall remain in full force and effect. If such funds or assurance are not received, Lessor may nevertheless elect by written notice to Lessee within 10 days thereafter to: (i) make such restoration and repair as is commercially reasonable with Lessor paying any shortage in proceeds, in which case this Lease shall remain in full force and effect, or (ii) have this Lease terminate 30 days thereafter. Lessee shall not be entitled to reimbursement of any funds contributed by Lessee to repair any such damage or destruction. Premises Partial Damage due to flood or earthquake shall be subject to Paragraph 9.3, notwithstanding that there may be some insurance coverage, but the net proceeds of any such insurance shall be made available for the repairs if made by either Party.

9.3 **Partial Damage - Uninsured Loss.** If a Premises Partial Damage that is not an Insured Loss occurs, unless caused by a negligent or willful act of Lessee (in which event Lessee shall make the repairs at Lessee's expense), Lessor may either: (i) repair such damage as soon as reasonably possible at Lessor's expense (subject to reimbursement pursuant to Paragraph 4.2), in which event this Lease shall continue in full force and effect, or (ii) terminate this Lease by giving written notice to Lessee within 30 days after receipt by Lessor of knowledge of the occurrence of such damage. Such termination shall be effective 60 days following the date of such notice. In the event Lessor elects to terminate this Lease, Lessee shall have the right within 10 days after receipt of the termination notice to give written notice to Lessor of Lessee's commitment to pay for the repair of such damage without reimbursement from Lessor. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days after making such commitment. In such event this Lease shall continue in full force and effect, and Lessor shall proceed to make such repairs as soon as reasonably possible after the required funds are available. If Lessee does not make the required commitment, this Lease shall terminate as of the date specified in the termination notice.

9.4 **Total Destruction.** Notwithstanding any other provision hereof, if a Premises Total Destruction occurs, this Lease shall terminate 60 days following such Destruction. If the damage or destruction was caused by the gross negligence or willful misconduct of Lessee, Lessor shall have the right to recover Lessor's damages from Lessee, except as provided in Paragraph 8.6.

9.5 **Damage Near End of Term.** If at any time during the last 6 months of this Lease there is damage for which the cost to repair exceeds one month's Base Rent, whether or not an Insured Loss, Lessor may terminate this Lease effective 60 days following the date of occurrence of such damage by giving a written termination notice to Lessee within 30 days after the date of occurrence of such damage. Notwithstanding the foregoing, if Lessee at that time has an exercisable option to extend this Lease or to purchase the Premises, then Lessee may preserve this Lease by, (a) exercising such option and (b) providing Lessor with any shortage in insurance proceeds (or adequate assurance thereof) needed to make the repairs on or before the earlier of (i) the date which is 10 days after Lessee's receipt of Lessor's written notice purporting to terminate this Lease, or (ii) the day prior to the date upon which such option expires. If Lessee duly exercises such option during such period and provides Lessor with funds (or adequate assurance thereof) to cover any shortage in insurance proceeds, Lessor shall, at Lessor's commercially reasonable expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Lessee fails to exercise such option and provide such funds or assurance during such period, then this Lease shall terminate on the date specified in the termination notice and Lessee's option shall be extinguished.

9.6 **Abatement of Rent; Lessee's Remedies.**

(a) **Abatement.** In the event of Premises Partial Damage or Premises Total Destruction or a Hazardous Substance Condition for which Lessee is not responsible under this Lease, the Rent payable by Lessee for the period required for the repair, remediation or restoration of such damage shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired, but not to exceed the proceeds received from the Rental Value insurance. All other obligations of Lessee hereunder shall be performed by Lessee, and Lessor shall have no liability for any such damage, destruction, remediation, repair or restoration except as provided herein.

(b) **Remedies.** If Lessor is obligated to repair or restore the Premises and does not commence, in a substantial and meaningful way, such repair or restoration within 90 days after such obligation shall accrue, Lessee may, at any time prior to the commencement of such repair or restoration, give written notice to Lessor and to any Lenders of which Lessee has actual notice, of Lessee's election to terminate this Lease on a date not less than 60 days following the giving of such notice. If Lessee gives such notice and such repair or restoration is not commenced within 30 days thereafter, this Lease shall terminate as of the date specified in said notice. If the repair or restoration is commenced within such 30 days, this Lease shall continue in full force and effect. "Commence" shall mean either the unconditional authorization of the preparation of the required plans, or the beginning of the actual work on the Premises, whichever first occurs.

9.7 **Termination; Advance Payments.** Upon termination of this Lease pursuant to Paragraph 6.2(g) or Paragraph 9, an equitable adjustment shall be made concerning advance Base Rent and any other advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's Security Deposit as has not been, or is not then required to be, used by Lessor.

10. **Real Property Taxes.**

10.1 **Definitions.** As used herein, the term **"Real Property Taxes"** shall include any form of assessment; real estate, general, special, ordinary or extraordinary, or rental levy or tax (other than inheritance, personal income or estate taxes); improvement bond; and/or license fee imposed upon or levied against any legal or equitable interest of Lessor in the Project, Lessor's right to other income therefrom, and/or Lessor's business of leasing, by any authority having the direct or indirect power to tax and where the funds are generated with reference to the Project address. **"Real Property Taxes"** shall also include any tax, fee, levy, assessment or charge, or any increase therein: **(i)** imposed by reason of events occurring during

the term of this Lease, including but not limited to, a change in the ownership of the Project, (ii) a change in the improvements thereon, and/or **(iii)** levied or assessed on machinery or equipment provided by Lessor to Lessee pursuant to this Lease.

10.2 **Payment of Taxes.** Except as otherwise provided in Paragraph 10.3, Lessor shall pay the Real Property Taxes applicable to the Project, and said payments shall be included in the calculation of Operating Expenses in accordance with the provisions of Paragraph 4.2.

10.3 **Additional Improvements.** Operating Expenses shall not include Real Property Taxes specified in the tax assessor's records and work sheets as being caused by additional improvements placed upon the Project by other lessees or by Lessor for the exclusive enjoyment of such other lessees. Notwithstanding Paragraph 10.2 hereof, Lessee shall, however, pay to Lessor at the time Operating Expenses are payable under Paragraph 4.2, the entirety of any increase in Real Property Taxes if assessed solely by reason of Alterations, Trade Fixtures or Utility Installations placed upon the Premises by Lessee or at Lessee's request or by reason of any alterations or improvements to the Premises made by Lessor subsequent to the execution of this Lease by the Parties.

10.4 **Joint Assessment.** If the Building is not separately assessed, Real Property Taxes allocated to the Building shall be an equitable proportion of the Real Property Taxes for all of the land and improvements included within the tax parcel assessed, such proportion to be determined by Lessor from the respective valuations assigned in the assessor's work sheets or such other information as may be reasonably available. Lessor's reasonable determination thereof, in good faith, shall be conclusive.

10.5 **Personal Property Taxes.** Lessee shall pay prior to delinquency all taxes assessed against and levied upon Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all personal property of Lessee contained in the Premises. When possible, Lessee shall cause its Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor. If any of Lessee's said property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee's property within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. **Utilities and Services.**

11.1 **Services Provided by Lessor.** Lessor shall provide heating, ventilation, air conditioning, reasonable amounts of electricity for normal lighting and office machines, water for reasonable and normal drinking and lavatory use in connection with an office, and replacement light bulbs and/or fluorescent tubes and ballasts for standard overhead fixtures. Lessor shall also provide janitorial services to the Premises and Common Areas 5 times per week, excluding Building Holidays, or pursuant to the attached janitorial schedule, if any. Lessor shall not, however, be required to provide janitorial services to kitchens or storage areas included within the Premises.

11.2 **Services Exclusive to Lessee.** Notwithstanding the provisions of paragraph 11.1, Lessee shall pay for all water, gas, light, power, telephone and other utilities and services specially or exclusively supplied and/or metered exclusively to the Premises or to Lessee, together with any taxes thereon. Notwithstanding the provisions of Paragraph 4.2(vi), if a service is deleted by Paragraph 1.13 and such service is not separately metered to the Premises, Lessee shall pay at Lessor's option, either Lessee's Share or a reasonable proportion to be determined by Lessor of all charges for such jointly metered service.

11.3 **Hours of Service.** Said services and utilities shall be provided during times set forth in Paragraph 1.12. Utilities and services required at other times shall be subject to advance request and reimbursement by Lessee to Lessor of the cost thereof.

11.4 **Excess Usage by Lessee.** Lessee shall not make connection to the utilities except by or through existing outlets and shall not install or use machinery or equipment in or about the Premises that uses excess water, lighting or power, or suffer or permit any act that causes extra burden upon the utilities or services, including but not limited to security and trash services, over standard office usage for the Project. Lessor shall require Lessee to reimburse Lessor for any excess expenses or costs that may arise out of a breach of this subparagraph by Lessee. Lessor may, in its sole discretion, install at Lessee's expense supplemental equipment and/or separate metering applicable to Lessee's excess usage or loading.

11.5 **Interruptions.** There shall be no abatement of rent and Lessor shall not be liable in any respect whatsoever for the inadequacy, stoppage, interruption or discontinuance of any utility or service due to riot, strike, labor dispute, breakdown, accident, repair or other cause beyond Lessor's reasonable control or in cooperation with governmental request or directions.

12. **Assignment and Subletting.**

12.1 **Lessor's Consent Required.**

(a) Lessee shall not voluntarily or by operation of law assign, transfer, mortgage or encumber (collectively, **"assign or assignment"**) or sublet all or any part of Lessee's interest in this Lease or in the Premises without Lessor's prior written consent.

(b) Unless Lessee is a corporation and its stock is publicly traded on a national stock exchange, a change in the control of Lessee shall constitute an assignment requiring consent. The transfer, on a cumulative basis, of 25% or more of the voting control of Lessee shall constitute a change in control for this purpose.

(c) The involvement of Lessee or its assets in any transaction, or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buyout or otherwise), whether or not a formal assignment or hypothecation of this Lease or Lessee's assets occurs, which results or will result in a reduction of the Net Worth of Lessee by an amount greater than 25% of such Net Worth as it was represented at the time of the execution of this Lease or at the time of the most recent assignment to which Lessor has consented, or as it exists immediately prior to said transaction or transactions constituting such reduction, whichever was or is greater, shall be considered an assignment of this Lease to which Lessor may withhold its consent. **"Net Worth of Lessee"** shall mean the net worth of Lessee (excluding any guarantors) established under generally accepted accounting principles.

(d) An assignment or subletting without consent shall, at Lessor's option, be a Default curable after notice per Paragraph 13.1(d), or a noncurable Breach without the necessity of any notice and grace period. If Lessor elects to treat such unapproved assignment or subletting as a noncurable Breach, Lessor may either: (i) terminate this Lease, or (ii) upon 30 days written notice, increase the monthly Base Rent to 110% of the Base Rent then in effect. Further, in the event of such Breach and rental adjustment, (i) the purchase price of any option to purchase the Premises held by Lessee shall be subject to similar adjustment to 110% of the price previously in effect, and (ii) all fixed and non-fixed rental adjustments scheduled during the remainder of the Lease term shall be increased to 110% of the scheduled adjusted rent.

(e) Lessee's remedy for any breach of Paragraph 12.1 by Lessor shall be limited to compensatory damages and/or injunctive relief.

(f) Lessor may reasonably withhold consent to a proposed assignment or subletting if Lessee is in Default at the time consent is requested.

(g) Notwithstanding the foregoing, allowing a de minimis portion of the Premises, i e. 20 square feet or less, to be used by a third party vendor in connection with the installation of a vending machine or payphone shall not constitute a subletting.

12.2 **Terms and Conditions Applicable to Assignment and Subletting.**

(a) Regardless of Lessor's consent, no assignment or subletting shall: (i) be effective without the express written assumption by such assignee or sublessee of the obligations of Lessee under this Lease, (ii) release Lessee of any obligations hereunder, or (iii) alter the primary liability of Lessee for the payment of Rent or for the performance of any other obligations to be performed by Lessee.

(b) Lessor may accept Rent or performance of Lessee's obligations from any person other than Lessee pending approval or disapproval of an assignment. Neither a delay in the approval or disapproval of such assignment nor the acceptance of Rent or performance shall constitute a waiver or estoppel of Lessor's right to exercise its remedies for Lessee's Default or Breach.

(c) Lessor's consent to any assignment or subletting shall not constitute a consent to any subsequent assignment or subletting.

(d) In the event of any Default or Breach by Lessee, Lessor may proceed directly against Lessee, any Guarantors or anyone else responsible for the performance of Lessee's obligations under this Lease, including any assignee or sublessee, without first exhausting Lessor's remedies against any other person or entity responsible therefore to Lessor, or any security held by Lessor.

(e) Each request for consent to an assignment or subletting shall be in writing, accompanied by information relevant to Lessor's determination as to the financial and operational responsibility and appropriateness of the proposed assignee or sublessee, including but not limited to the intended use and/or required modification of the Premises, if any, together with a fee of $500 as consideration for Lessor's considering and processing said request. Lessee agrees to provide Lessor with such other or additional information and/or documentation as may be reasonably requested. (See also Paragraph 36)

(f) Any assignee of, or sublessee under, this Lease shall, by reason of accepting such assignment, entering into such sublease, or entering into possession of the Premises or any portion thereof, be deemed to have assumed and agreed to conform and comply with each and every term, covenant, condition and obligation herein to be observed or performed by Lessee during the term of said assignment or sublease, other than such obligations as are contrary to or inconsistent with provisions of an assignment or sublease to which Lessor has specifically consented to in writing.

(g) Lessor's consent to any assignment or subletting shall not transfer to the assignee or sublessee any Option granted to the original Lessee by this Lease unless such transfer is specifically consented to by Lessor in writing. (See Paragraph 39.2)

12.3 **Additional Terms and Conditions Applicable to Subletting.** The following terms and conditions shall apply to any subletting by Lessee of all or any part of the Premises and shall be deemed included in all subleases under this Lease whether or not expressly incorporated therein:

(a) Lessee hereby assigns and transfers to Lessor all of Lessee's interest in all Rent payable on any sublease, and Lessor may collect such Rent and apply same toward Lessee's obligations under this Lease; provided, however, that until a Breach shall occur in the performance of Lessee's obligations, Lessee may collect said Rent. In the event that the amount collected by Lessor exceeds Lessee's then outstanding obligations any such excess shall be refunded to Lessee. Lessor shall not, by reason of the foregoing or any assignment of such sublease, nor by reason of the

collection of Rent, be deemed liable to the sublessee for any failure of Lessee to perform and comply with any of Lessee's obligations to such sublessee. Lessee hereby irrevocably authorizes and directs any such sublessee, upon receipt of a written notice from Lessor stating that a Breach exists in the performance of Lessee's obligations under this Lease, to pay to Lessor all Rent due and to become due under the sublease. Sublessee shall rely upon any such notice from Lessor and shall pay all Rents to Lessor without any obligation or right to inquire as to whether such Breach exists, notwithstanding any claim from Lessee to the contrary.

(b) In the event of a Breach by Lessee, Lessor may, at its option, require sublessee to attorn to Lessor, in which event Lessor shall undertake the obligations of the sublessor under such sublease from the time of the exercise of said option to the expiration of such sublease; provided, however, Lessor shall not be liable for any prepaid rents or security deposit paid by such sublessee to such sublessor or for any prior Defaults or Breaches of such sublessor.

(c) Any matter requiring the consent of the sublessor under a sublease shall also require the consent of Lessor.

(d) No sublessee shall further assign or sublet all or any part of the Premises without Lessor's prior written consent.

(e) Lessor shall deliver a copy of any notice of Default or Breach by Lessee to the sublessee, who shall have the right to cure the Default of Lessee within the grace period, if any, specified in such notice. The sublessee shall have a right of reimbursement and offset from and against Lessee for any such Defaults cured by the sublessee.

13. **Default; Breach; Remedies.**

13.1 **Default; Breach.** A **"Default"** is defined as a failure by the Lessee to comply with or perform any of the terms, covenants, conditions or Rules and Regulations under this Lease. A **"Breach"** is defined as the occurrence of one or more of the following Defaults, and the failure of Lessee to cure such Default within any applicable grace period:

(a) The abandonment of the Premises; or the vacating of the Premises without providing a commercially reasonable level of security, or where the coverage of the property insurance described in Paragraph 8.3 is jeopardized as a result thereof, or without providing reasonable assurances to minimize potential vandalism.

(b) The failure of Lessee to make any payment of Rent or any Security Deposit required to be made by Lessee hereunder, whether to Lessor or to a third party, when due, to provide reasonable evidence of insurance or surety bond, or to fulfill any obligation under this Lease which endangers or threatens life or property, where such failure continues for a period of 3 business days following written notice to Lessee. THE ACCEPTANCE BY LESSOR OF A PARTIAL PAYMENT OF RENT OR SECURITY DEPOSIT SHALL NOT CONSTITUTE A WAIVER OF ANY OF LESSOR'S RIGHTS, INCLUDING LESSOR'S RIGHT TO RECOVER POSSESSION OF THE PREMISES.

(c) The failure of Lessee to allow Lessor and/or its agents access to the Premises or the commission of waste, act or acts constituting public or private nuisance, and/or an illegal activity on the Premises by Lessee, where such actions continue for a period of 3 business days following written notice to Lessee. In the event that Lessee commits waste, a nuisance or an illegal activity a second time then, the Lessor may elect to treat such conduct as a non-curable Breach rather than a Default.

(d) The failure by Lessee to provide (i) reasonable written evidence of compliance with Applicable Requirements, (ii) the service contracts, (iii) the rescission of an unauthorized assignment or subletting, (iv) an Estoppel Certificate or financial statements, (v) a requested subordination, (vi) evidence concerning any guaranty and/or Guarantor, (vii) any document requested under Paragraph 41, (viii) material data safety sheets (MSDS), or (ix) any other documentation or information which Lessor may reasonably require of Lessee under the terms of this Lease, where any such failure continues for a period of 10 days following written notice to Lessee.

(e) A Default by Lessee as to the terms, covenants, conditions or provisions of this Lease, or of the rules adopted under Paragraph 2.9 hereof, other than those described in subparagraphs 13.1(a), (b) or (c), above, where such Default continues for a period of 30 days after written notice; provided, however, that if the nature of Lessee's Default is such that more than 30 days are reasonably required for its cure, then it shall not be deemed to be a Breach if Lessee commences such cure within said 30 day period and thereafter diligently prosecutes such cure to completion.

(f) The occurrence of any of the following events: (i) the making of any general arrangement or assignment for the benefit of creditors; (ii) becoming a **"debtor"** as defined in 11 U.S.C. § 101 or any successor statute thereto (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days; provided, however, in the event that any provision of this subparagraph is contrary to any applicable law, such provision shall be of no force or effect, and not affect the validity of the remaining provisions.

(g) The discovery that any financial statement of Lessee or of any Guarantor given to Lessor was materially false.

(h) If the performance of Lessee's obligations under this Lease is guaranteed: (i) the death of a Guarantor, (ii) the termination of a Guarantor's liability with respect to this Lease other than in accordance with the terms of such guaranty, (iii) a Guarantor's becoming insolvent or the subject of a bankruptcy filing, (iv) a Guarantor's refusal to honor the guaranty, or (v) a Guarantor's breach of its guaranty obligation on an anticipatory basis, and Lessee's failure, within 60 days following written notice of any such event, to provide written alternative assurance or security, which, when coupled with the then existing resources of Lessee, equals or exceeds the combined financial resources of Lessee and the Guarantors that existed at the time of execution of this Lease.

13.2 **Remedies.** If Lessee fails to perform any of its affirmative duties or obligations, within 10 days after written notice (or in case of an emergency, without notice), Lessor may, at its option, perform such duty or obligation on Lessee's behalf, including but not limited to the obtaining of reasonably required bonds, insurance policies, or governmental licenses, permits or approvals. Lessee shall pay to Lessor an amount equal to 115% of the costs and expenses incurred by Lessor in such performance upon receipt of an invoice therefor. In the event of a Breach, Lessor may, with or without further notice or demand, and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such Breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession to Lessor. In such event Lessor shall be entitled to recover from Lessee: (i) the unpaid Rent which had been earned at the time of termination; (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Lessee proves could have been reasonably avoided; (iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Lessee proves could be reasonably avoided; and (iv) any other amount necessary to compensate Lessor for all the detriment proximately caused by the Lessee's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including but not limited to the cost of recovering possession of the Premises, expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorneys' fees, and that portion of any leasing commission paid by Lessor in connection with this Lease applicable to the unexpired term of this Lease. The worth at the time of award of the amount referred to in provision (iii) of the immediately preceding sentence shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of the District within which the Premises are located at the time of award plus one percent. Efforts by Lessor to mitigate damages caused by Lessee's Breach of this Lease shall not waive Lessor's right to recover any damages to which Lessor is otherwise entitled. If termination of this Lease is obtained through the provisional remedy of unlawful detainer, Lessor shall have the right to recover in such proceeding any unpaid Rent and damages as are recoverable therein, or Lessor may reserve the right to recover all or any part thereof in a separate suit. If a notice and grace period required under Paragraph 13.1 was not previously given, a notice to pay rent or quit, or to perform or quit given to Lessee under the unlawful detainer statute shall also constitute the notice required by Paragraph 13.1. In such case, the applicable grace period required by Paragraph 13.1 and the unlawful detainer statute shall run concurrently, and the failure of Lessee to cure the Default within the greater of the two such grace periods shall constitute both an unlawful detainer and a Breach of this Lease entitling Lessor to the remedies provided for in this Lease and/or by said statute.

(b) Continue the Lease and Lessee's right to possession and recover the Rent as it becomes due, in which event Lessee may sublet or assign, subject only to reasonable limitations. Acts of maintenance, efforts to relet, and/or the appointment of a receiver to protect the Lessor's interests, shall not constitute a termination of the Lessee's right to possession.

(c) Pursue any other remedy now or hereafter available under the laws or judicial decisions of the state wherein the Premises are located. The expiration or termination of this Lease and/or the termination of Lessee's right to possession shall not relieve Lessee from liability under any indemnity provisions of this Lease as to matters occurring or accruing during the term hereof or by reason of Lessee's occupancy of the Premises.

13.3 **Inducement Recapture.** Any agreement for free or abated rent or other charges, the cost of tenant improvements for Lessee paid for or performed by Lessor, or for the giving or paying by Lessor to or for Lessee of any cash or other bonus, inducement or consideration for Lessee's entering into this Lease, all of which concessions are hereinafter referred to as **"Inducement Provisions"**, shall be deemed conditioned upon Lessee's full and faithful performance of all of the terms, covenants and conditions of this Lease. Upon Breach of this Lease by Lessee, any such Inducement Provision shall automatically be deemed deleted from this Lease and of no further force or effect, and any rent, other charge, bonus, inducement or consideration theretofore abated, given or paid by Lessor under such an Inducement Provision shall be immediately due and payable by Lessee to Lessor, notwithstanding any subsequent cure of said Breach by Lessee. The acceptance by Lessor of rent or the cure of the Breach which initiated the operation of this paragraph shall not be deemed a waiver by Lessor of the provisions of this paragraph unless specifically so stated in writing by Lessor at the time of such acceptance.

13.4 **Late Charges.** Lessee hereby acknowledges that late payment by Lessee of Rent will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and

accounting charges, and late charges which may be imposed upon Lessor by any Lender. Accordingly, if any Rent shall not be received by Lessor within 5 days after such amount shall be due, then, without any requirement for notice to Lessee, Lessee shall immediately pay to Lessor a one-time late charge equal to 10% of each such overdue amount or $100, whichever is greater. The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Lessor will incur by reason of such late payment. Acceptance of such late charge by Lessor shall in no event constitute a waiver of Lessee's Default or Breach with respect to such overdue amount, nor prevent the exercise of any of the other rights and remedies granted hereunder. In the event that a late charge is payable hereunder, whether or not collected, for 3 consecutive installments of Base Rent, then notwithstanding any provision of this Lease to the contrary, Base Rent shall, at Lessor's option, become due and payable quarterly in advance.

13.5 **Interest**. Any monetary payment due Lessor hereunder, other than late charges, not received by Lessor, when due shall bear interest from the 31st day after it was due. The interest (**"Interest"**) charged shall be computed at the rate of 10% per annum but shall not exceed the maximum rate allowed by law. Interest is payable in addition to the potential late charge provided for in Paragraph 13.4.

13.6 **Breach by Lessor.**

(a) **Notice of Breach.** Lessor shall not be deemed in breach of this Lease unless Lessor fails within a reasonable time to perform an obligation required to be performed by Lessor. For purposes of this Paragraph, a reasonable time shall in no event be less than 30 days after receipt by Lessor, and any Lender whose name and address shall have been furnished Lessee in writing for such purpose, of written notice specifying wherein such obligation of Lessor has not been performed; provided, however, that if the nature of Lessor's obligation is such that more than 30 days are reasonably required for its performance, then Lessor shall not be in breach if performance is commenced within such 30 day period and thereafter diligently pursued to completion.

(b) **Performance by Lessee on Behalf of Lessor**. In the event that neither Lessor nor Lender cures said breach within 30 days after receipt of said notice, or if having commenced said cure they do not diligently pursue it to completion, then Lessee may elect to cure said breach at Lessee's expense and offset from Rent the actual and reasonable cost to perform such cure, provided however, that such offset shall not exceed an amount equal to the greater of one month's Base Rent or the Security Deposit, reserving Lessee's right to seek reimbursement from Lessor for any such expense in excess of such offset. Lessee shall document the cost of said cure and supply said documentation to Lessor.

14. **Condemnation**. If the Premises or any portion thereof are taken under the power of eminent domain or sold under the threat of the exercise of said power (collectively **"Condemnation"**), this Lease shall terminate as to the part taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the rentable floor area of the Premises, or more than 25% of Lessee's Reserved Parking Spaces, if any, are taken by Condemnation, Lessee may, at Lessee's option, to be exercised in writing within 10 days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within 10 days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the Base Rent shall be reduced in proportion to the reduction in utility of the Premises caused by such Condemnation. Condemnation awards and/or payments shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold, the value of the part taken, or for severance damages; provided, however, that Lessee shall be entitled to any compensation paid by the condemnor for Lessee's relocation expenses, loss of business goodwill and/or Trade Fixtures, without regard to whether or not this Lease is terminated pursuant to the provisions of this Paragraph. All Alterations and Utility Installations made to the Premises by Lessee, for purposes of Condemnation only, shall be considered the property of the Lessee and Lessee shall be entitled to any and all compensation which is payable therefor. In the event that this Lease is not terminated by reason of the Condemnation, Lessor shall repair any damage to the Premises caused by such Condemnation.

15. **Brokerage Fees**.

~~15.1 **Additional Commission.** In addition to the payments owed pursuant to Paragraph 1.10 above, Lessor agrees that: (a) if Lessee exercises any Option, (b) if Lessee or anyone affiliated with Lessee acquires from Lessor any rights to the Premises or other premises owned by Lessor and located within the Project, (c) if Lessee remains in possession of the Premises, with the consent of Lessor, after the expiration of this Lease, or (d) if Base Rent is increased, whether by agreement or operation of an escalation clause herein, then, Lessor shall pay Brokers a fee in accordance with the fee schedule of the Brokers in effect at the time the Lease was executed.~~

15.2 **Assumption of Obligations**. Any buyer or transferee of Lessor's interest in this Lease shall be deemed to have assumed Lessor's obligation hereunder. Brokers shall be third party beneficiaries of the provisions of Paragraphs 1.10, 15, 22 and 31. If Lessor fails to pay to Brokers any amounts due as and for brokerage fees pertaining to this Lease when due, then such amounts shall accrue Interest. In addition, if Lessor fails to pay any amounts to Lessee's Broker when due, Lessee's Broker may send written notice to Lessor and Lessee of such failure and if Lessor fails to pay such amounts within 10 days after said notice, Lessee shall pay said monies to its Broker and offset such amounts against Rent. In addition, Lessee's Broker shall be deemed to be a third party beneficiary of any commission agreement entered into by and/or between Lessor and Lessor's Broker for the limited purpose of collecting any brokerage fee owed.

15.3 **Representations and Indemnities of Broker Relationships**. Lessee and Lessor each represent and warrant to the other that it has had no dealings with any person, firm, broker or finder (other than the Brokers, if any) in connection with this Lease, and that no one other than said named Brokers is entitled to any commission or finder's fee in connection herewith. Lessee and Lessor do each hereby agree to indemnify, protect, defend and hold the other harmless from and against liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying Party, including any costs, expenses, attorneys' fees reasonably incurred with respect thereto.

16. **Estoppel Certificates**.

(a) Each Party (as **"Responding Party"**) shall within 10 days after written notice from the other Party (the **"Requesting Party"**) execute, acknowledge and deliver to the Requesting Party a statement in writing in form similar to the then most current **"Estoppel Certificate"** form published by the AIRCommercial Real Estate Association, plus such additional information, confirmation and/or statements as may be reasonably requested by the Requesting Party.

(b) If the Responding Party shall fail to execute or deliver the Estoppel Certificate within such 10 day period, the Requesting Party may execute an Estoppel Certificate stating that: (i) the Lease is in full force and effect without modification except as may be represented by the Requesting Party, (ii) there are no uncured defaults in the Requesting Party's performance, and (iii) if Lessor is the Requesting Party, not more than one month's rent has been paid in advance. Prospective purchasers and encumbrancers may rely upon the Requesting Party's Estoppel Certificate, and the Responding Party shall be estopped from denying the truth of the facts contained in said Certificate. In addition, Lessee acknowledges that any failure on its part to provide such an Estoppel Certificate will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to execute and/or deliver a requested Estoppel Certificate in a timely fashion the monthly Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for remainder of the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to provide the Estoppel Certificate. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to provide the Estoppel Certificate nor prevent the exercise of any of the other rights and remedies granted hereunder.

(c) If Lessor desires to finance, refinance, or sell the Premises, or any part thereof, Lessee and all Guarantors shall within 10 days after written notice from Lessor deliver to any potential lender or purchaser designated by Lessor such financial statements as may be reasonably required by such lender or purchaser, including but not limited to Lessee's financial statements for the past 3 years. All such financial statements shall be received by Lessor and such lender or purchaser in confidence and shall be used only for the purposes herein set forth.

17. **Definition of Lessor**. The term **"Lessor"** as used herein shall mean the owner or owners at the time in question of the fee title to the Premises, or, if this is a sublease, of the Lessee's interest in the prior lease. In the event of a transfer of Lessor's title or interest in the Premises or this Lease, Lessor shall deliver to the transferee or assignee (in cash or by credit) any unused Security Deposit held by Lessor. Upon such transfer or assignment and delivery of the Security Deposit, as aforesaid, the prior Lessor shall be relieved of all liability with respect to the obligations and/or covenants under this Lease thereafter to be performed by the Lessor. Subject to the foregoing, the obligations and/or covenants in this Lease to be performed by the Lessor shall be binding only upon the Lessor as hereinabove defined.

18. **Severability**. The invalidity of any provision of this Lease, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

19. **Days**. Unless otherwise specifically indicated to the contrary, the word **"days"** as used in this Lease shall mean and refer to calendar days.

20. **Limitation on Liability**. The obligations of Lessor under this Lease shall not constitute personal obligations of Lessor or its partners, members, directors, officers or shareholders, and Lessee shall look to the Project, and to no other assets of Lessor, for the satisfaction of any liability of Lessor with respect to this Lease, and shall not seek recourse against Lessor's partners, members, directors, officers or shareholders, or any of their personal assets for such satisfaction.

21. **Time of Essence.** Time is of the essence with respect to the performance of all obligations to be performed or observed by the Parties under this Lease.

22. **No Prior or Other Agreements; Broker Disclaimer**. This Lease contains all agreements between the Parties with respect to any matter mentioned herein, and no other prior or contemporaneous agreement or understanding shall be effective. Lessor and Lessee each represents and warrants to the Brokers that it has made, and is relying solely upon, its own investigation as to the nature, quality, character and financial responsibility

of the other Party to this Lease and as to the use, nature, quality and character of the Premises. Brokers have no responsibility with respect thereto or with respect to any default or breach hereof by either Party.

23. **Notices.**

23.1 **Notice Requirements.** All notices required or permitted by this Lease or applicable law shall be in writing and may be delivered in person (by hand or by courier) or may be sent by regular, certified or registered mail or U.S. Postal Service Express Mail, with postage prepaid, or by facsimile transmission, or by email, and shall be deemed sufficiently given if served in a manner specified in this Paragraph 23. The addresses noted adjacent to a Party's signature on this Lease shall be that Party's address for delivery or mailing of notices. Either Party may by written notice to the other specify a different address for notice, except that upon Lessee's taking possession of the Premises, the Premises shall constitute Lessee's address for notice. A copy of all notices to Lessor shall be concurrently transmitted to such party or parties at such addresses as Lessor may from time to time hereafter designate in writing.

23.2 **Date of Notice.** Any notice sent by registered or certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark thereon. If sent by regular mail the notice shall be deemed given 72 hours after the same is addressed as required herein and mailed with postage prepaid. Notices delivered by United States Express Mail or overnight courier that guarantees next day delivery shall be deemed given 24 hours after delivery of the same to the Postal Service or courier. Notices delivered by hand, or transmitted by facsimile transmission or by email shall be deemed delivered upon actual receipt. If notice is received on a Saturday, Sunday or legal holiday, it shall be deemed received on the next business day.

24. **Waivers.**

(a) No waiver by Lessor of the Default or Breach of any term, covenant or condition hereof by Lessee, shall be deemed a waiver of any other term, covenant or condition hereof, or of any subsequent Default or Breach by Lessee of the same or of any other term, covenant or condition hereof. Lessor's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of Lessor's consent to, or approval of, any subsequent or similar act by Lessee, or be construed as the basis of an estoppel to enforce the provision or provisions of this Lease requiring such consent.

(b) The acceptance of Rent by Lessor shall not be a waiver of any Default or Breach by Lessee. Any payment by Lessee may be accepted by Lessor on account of moneys or damages due Lessor, notwithstanding any qualifying statements or conditions made by Lessee in connection therewith, which such statements and/or conditions shall be of no force or effect whatsoever unless specifically agreed to in writing by Lessor at or before the time of deposit of such payment.

(c) THE PARTIES AGREE THAT THE TERMS OF THIS LEASE SHALL GOVERN WITH REGARD TO ALL MATTERS RELATED THERETO AND HEREBY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE TO THE EXTENT THAT SUCH STATUTE IS INCONSISTENT WITH THIS LEASE.

25. **Disclosures Regarding The Nature of a Real Estate Agency Relationship.**

(a) When entering into a discussion with a real estate agent regarding a real estate transaction, a Lessor or Lessee should from the outset understand what type of agency relationship or representation it has with the agent or agents in the transaction. Lessor and Lessee acknowledge being advised by the Brokers in this transaction, as follows:

(i) Lessor's Agent. A Lessor's agent under a listing agreement with the Lessor acts as the agent for the Lessor only. A Lessor's agent or subagent has the following affirmative obligations: To the Lessor: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessor. To the Lessee and the Lessor: a. Diligent exercise of reasonable skills and care in performance of the agent's duties. b. A duty of honest and fair dealing and good faith. c. A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(ii) Lessee's Agent. An agent can agree to act as agent for the Lessee only. In these situations, the agent is not the Lessor's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Lessor. An agent acting only for a Lessee has the following affirmative obligations. To the Lessee: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessee. To the Lessee and the Lessor: a. Diligent exercise of reasonable skills and care in performance of the agent's duties. b. A duty of honest and fair dealing and good faith. c. A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(iii) Agent Representing Both Lessor and Lessee. A real estate agent, either acting directly or through one or more associate licenses, can legally be the agent of both the Lessor and the Lessee in a transaction, but only with the knowledge and consent of both the Lessor and the Lessee. In a dual agency situation, the agent has the following affirmative obligations to both the Lessor and the Lessee: a. A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either Lesser or the Lessee. b. Other duties to the Lessor and the Lessee as stated above in subparagraphs (i) or (ii). In representing both Lessor and Lessee, the agent may not without the express permission of the respective Party, disclose to the other Party that the Lessor will accept rent in an amount less than that indicated in the listing or that the Lessee is willing to pay a higher rent than that offered. The above duties of the agent in a real estate transaction do not relieve a Lessor or Lessee from the responsibility to protect their own interests. Lessor and Lessee should carefully read all agreements to assure that they adequately express their understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advise is desired, consult a competent professional.

(b) Brokers have no responsibility with respect to any default or breach hereof by either Party. The Parties agree that no lawsuit or other legal proceeding involving any breach of duty, error or omission relating to this Lease may be brought against Broker more than one year after the Start Date and that the liability (including court costs and attorneys' fees), of any Broker with respect to any such lawsuit and/or legal proceeding shall not exceed the fee received by such Broker pursuant to this Lease; provided, however, that the foregoing limitation on each Broker's liability shall not be applicable to any gross negligence or willful misconduct of such Broker.

(c) Lessor and Lessee agree to identify to Brokers as "Confidential" any communication or information given Brokers that is considered by such Party to be confidential.

26. **No Right To Holdover.** Lessee has no right to retain possession of the Premises or any part thereof beyond the expiration or termination of this Lease. In the event that Lessee holds over, then the Base Rent shall be increased to 150% of the Base Rent applicable immediately preceding the expiration or termination. Holdover Base Rent shall be calculated on a monthly basis. Nothing contained herein shall be construed as consent by Lessor to any holding over by Lessee.

27. **Cumulative Remedies.** No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

28. **Covenants and Conditions; Construction of Agreement.** All provisions of this Lease to be observed or performed by Lessee are both covenants and conditions. In construing this Lease, all headings and titles are for the convenience of the Parties only and shall not be considered a part of this Lease. Whenever required by the context, the singular shall include the plural and vice versa. This Lease shall not be construed as if prepared by one of the Parties, but rather according to its fair meaning as a whole, as if both Parties had prepared it.

29. **Binding Effect; Choice of Law.** This Lease shall be binding upon the Parties, their personal representatives, successors and assigns and be governed by the laws of the State in which the Premises are located. Any litigation between the Parties hereto concerning this Lease shall be initiated in the county in which the Premises are located.

30. **Subordination; Attornment; Non-Disturbance.**

30.1 **Subordination.** This Lease and any Option granted hereby shall be subject and subordinate to any ground lease, mortgage, deed of trust, or other hypothecation or security device (collectively, "**Security Device**"), now or hereafter placed upon the Premises, to any and all advances made on the security thereof, and to all renewals, modifications, and extensions thereof. Lessee agrees that the holders of any such Security Devices (in this Lease together referred to as "**Lender**") shall have no liability or obligation to perform any of the obligations of Lessor under this Lease. Any Lender may elect to have this Lease and/or any Option granted hereby superior to the lien of its Security Device by giving written notice thereof to Lessee, whereupon this Lease and such Options shall be deemed prior to such Security Device, notwithstanding the relative dates of the documentation or recordation thereof.

30.2 **Attornment.** In the event that Lessor transfers title to the Premises, or the Premises are acquired by another upon the foreclosure or termination of a Security Device to which this Lease is subordinated (i) Lessee shall, subject to the non-disturbance provisions of Paragraph 30.3, attorn to such new owner, and upon request, enter into a new lease, containing all of the terms and provisions of this Lease, with such new owner for the remainder of the term hereof, or, at the election of the new owner, this Lease will automatically become a new lease between Lessee and such new owner, and (ii) Lessor shall thereafter be relieved of any further obligations hereunder and such new owner shall assume all of Lessor's obligations, except that such new owner shall not: (a) be liable for any act or omission of any prior lessor or with respect to events occurring prior to acquisition of ownership; (b) be subject to any offsets or defenses which Lessee might have against any prior lessor, (c) be bound by prepayment of more than one month's rent, or (d) be liable for the return of any security deposit paid to any prior lessor which was not paid or credited to such new owner.

30.3 **Non-Disturbance.** With respect to Security Devices entered into by Lessor after the execution of this Lease, Lessee's subordination of this Lease shall be subject to receiving a commercially reasonable non-disturbance agreement (a "**Non-Disturbance Agreement**") from the Lender which Non-Disturbance Agreement provides that Lessee's possession of the Premises, and this Lease, including any options to extend

the term hereof, will not be disturbed so long as Lessee is not in Breach hereof and attorns to the record owner of the Premises. Further, within 60 days after the execution of this Lease, Lessor shall, if requested by Lessee, use its commercially reasonable efforts to obtain a Non-Disturbance Agreement from the holder of any pre-existing Security Device which is secured by the Premises. In the event that Lessor is unable to provide the Non-Disturbance Agreement within said 60 days, then Lessee may, at Lessee's option, directly contact Lender and attempt to negotiate for the execution and delivery of a Non-Disturbance Agreement.

30.4 **Self-Executing**. The agreements contained in this Paragraph 30 shall be effective without the execution of any further documents; provided, however, that, upon written request from Lessor or a Lender in connection with a sale, financing or refinancing of the Premises, Lessee and Lessor shall execute such further writings as may be reasonably required to separately document any subordination, attornment and/or Non-Disturbance Agreement provided for herein.

31. **Attorneys' Fees**. If any Party or Broker brings an action or proceeding involving the Premises whether founded in tort, contract or equity, or to declare rights hereunder, the Prevailing Party (as hereafter defined) in any such proceeding, action, or appeal thereon, shall be entitled to reasonable attorneys' fees. Such fees may be awarded in the same suit or recovered in a separate suit, whether or not such action or proceeding is pursued to decision or judgment. The term, **"Prevailing Party"** shall include, without limitation, a Party or Broker who substantially obtains or defeats the relief sought, as the case may be, whether by compromise, settlement, judgment, or the abandonment by the other Party or Broker of its claim or defense. The attorneys' fees award shall not be computed in accordance with any court fee schedule, but shall be such as to fully reimburse all attorneys' fees reasonably incurred. In addition, Lessor shall be entitled to attorneys' fees, costs and expenses incurred in the preparation and service of notices of Default and consultations in connection therewith, whether or not a legal action is subsequently commenced in connection with such Default or resulting Breach ($200 is a reasonable minimum per occurrence for such services and consultation).

32. **Lessor's Access; Showing Premises; Repairs**. Lessor and Lessor's agents shall have the right to enter the Premises at any time, in the case of an emergency, and otherwise at reasonable times after reasonable prior notice for the purpose of showing the same to prospective purchasers, lenders, or tenants, and making such alterations, repairs, improvements or additions to the Premises as Lessor may deem necessary or desirable and the erecting, using and maintaining of utilities, services, pipes and conduits through the Premises and/or other premises as long as there is no material adverse effect on Lessee's use of the Premises. All such activities shall be without abatement of rent or liability to Lessee.

33. **Auctions**. Lessee shall not conduct, nor permit to be conducted, any auction upon the Premises without Lessor's prior written consent. Lessor shall not be obligated to exercise any standard of reasonableness in determining whether to permit an auction.

34. **Signs**. Lessor may place on the Premises ordinary "For Sale" signs at any time and ordinary "For Lease" signs during the last 6 months of the term hereof. Lessor may not place any sign on the exterior of the Building that covers any of the windows of the Premises. Except for ordinary "For Sublease" signs which may be placed only on the Premises, Lessee shall not place any sign upon the Project without Lessor's prior written consent. All signs must comply with all Applicable Requirements.

35. **Termination; Merger**. Unless specifically stated otherwise in writing by Lessor, the voluntary or other surrender of this Lease by Lessee, the mutual termination or cancellation hereof, or a termination hereof by Lessor for Breach by Lessee, shall automatically terminate any sublease or lesser estate in the Premises; provided, however, that Lessor may elect to continue any one or all existing subtenancies. Lessor's failure within 10 days following any such event to elect to the contrary by written notice to the holder of any such lesser interest, shall constitute Lessor's election to have such event constitute the termination of such interest.

36. **Consents**. All requests for consent shall be in writing. Except as otherwise provided herein, wherever in this Lease the consent of a Party is required to an act by or for the other Party, such consent shall not be unreasonably withheld or delayed. Lessor's actual reasonable costs and expenses (including but not limited to architects', attorneys', engineers' and other consultants' fees) incurred in the consideration of, or response to, a request by Lessee for any Lessor consent, including but not limited to consents to an assignment, a subletting or the presence or use of a Hazardous Substance, shall be paid by Lessee upon receipt of an invoice and supporting documentation therefor. Lessor's consent to any act, assignment or subletting shall not constitute an acknowledgment that no Default or Breach by Lessee of this Lease exists, nor shall such consent be deemed a waiver of any then existing Default or Breach, except as may be otherwise specifically stated in writing by Lessor at the time of such consent. The failure to specify herein any particular condition to Lessor's consent shall not preclude the imposition by Lessor at the time of consent of such further or other conditions as are then reasonable with reference to the particular matter for which consent is being given. In the event that either Party disagrees with any determination made by the other hereunder and reasonably requests the reasons for such determination, the determining party shall furnish its reasons in writing and in reasonable detail within 10 business days following such request.

37. **Guarantor**.

37.1 **Execution**. The Guarantors, if any, shall each execute a guaranty in the form most recently published by the AIR Commercial Real Estate Association.

37.2 **Default**. It shall constitute a Default of the Lessee if any Guarantor fails or refuses, upon request to provide: (a) evidence of the execution of the guaranty, including the authority of the party signing on Guarantor's behalf to obligate Guarantor, and in the case of a corporate Guarantor, a certified copy of a resolution of its board of directors authorizing the making of such guaranty, (b) current financial statements, (c) an Estoppel Certificate, or (d) written confirmation that the guaranty is still in effect.

38. **Quiet Possession**. Subject to payment by Lessee of the Rent and performance of all of the covenants, conditions and provisions on Lessee's part to be observed and performed under this Lease, Lessee shall have quiet possession and quiet enjoyment of the Premises during the term hereof.

39. **Options**. If Lessee is granted any Option, as defined below, then the following provisions shall apply.

39.1 **Definition**. **"Option"** shall mean: (a) the right to extend or reduce the term of or renew this Lease or to extend or reduce the term of or renew any lease that Lessee has on other property of Lessor; (b) the right of first refusal or first offer to lease either the Premises or other property of Lessor; (c) the right to purchase, the right of first offer to purchase or the right of first refusal to purchase the Premises or other property of Lessor.

39.2 **Options Personal To Original Lessee**. Any Option granted to Lessee in this Lease is personal to the original Lessee, and cannot be assigned or exercised by anyone other than said original Lessee and only while the original Lessee is in full possession of the Premises and, if requested by Lessor, with Lessee certifying that Lessee has no intention of thereafter assigning or subletting.

39.3 **Multiple Options**. In the event that Lessee has any multiple Options to extend or renew this Lease, a later Option cannot be exercised unless the prior Options have been validly exercised.

39.4 **Effect of Default on Options**.

(a) Lessee shall have no right to exercise an Option: (i) during the period commencing with the giving of any notice of Default and continuing until said Default is cured, (ii) during the period of time any Rent is unpaid (without regard to whether notice thereof is given Lessee), (iii) during the time Lessee is in Breach of this Lease, or (iv) in the event that Lessee has been given 3 or more notices of separate Default, whether or not the Defaults are cured, during the 12 month period immediately preceding the exercise of the Option.

(b) The period of time within which an Option may be exercised shall not be extended or enlarged by reason of Lessee's inability to exercise an Option because of the provisions of Paragraph 39.4(a).

(c) An Option shall terminate and be of no further force or effect, notwithstanding Lessee's due and timely exercise of the Option, if, after such exercise and prior to the commencement of the extended term or completion of the purchase, (i) Lessee fails to pay Rent for a period of 30 days after such Rent becomes due (without any necessity of Lessor to give notice thereof), or (ii) if Lessee commits a Breach of this Lease.

40. **Security Measures**. Lessee hereby acknowledges that the Rent payable to Lessor hereunder does not include the cost of guard service or other security measures, and that Lessor shall have no obligation whatsoever to provide same. Lessee assumes all responsibility for the protection of the Premises, Lessee, its agents and invitees and their property from the acts of third parties. In the event, however, that Lessor should elect to provide security services, then the cost thereof shall be an Operating Expense.

41. **Reservations**.

(a) Lessor reserves the right: (i) to grant, without the consent or joinder of Lessee, such easements, rights and dedications that Lessor deems necessary, (ii) to cause the recordation of parcel maps and restrictions, (iii) to create and/or install new utility raceways, so long as such easements, rights, dedications, maps, restrictions, and utility raceways do not unreasonably interfere with the use of the Premises by Lessee. Lessor may also: change the name, address or title of the Building or Project upon at least 90 days prior written notice; provide and install, at Lessee's expense, Building standard graphics on the door of the Premises and such portions of the Common Areas as Lessor shall reasonably deem appropriate; grant to any lessee the exclusive right to conduct any business as long as such exclusive right does not conflict with any rights expressly given herein; and to place such signs, notices or displays as Lessor reasonably deems necessary or advisable upon the roof, exterior of the Building or the Project or on signs in the Common Areas. Lessee agrees to sign any documents reasonably requested by Lessor to effectuate such rights. The obstruction of Lessee's view, air, or light by any structure erected in the vicinity of the Building, whether by Lessor or third parties, shall in no way affect this Lease or impose any liability upon Lessor.

(b) Lessor also reserves the right to move Lessee to other space of comparable size in the Building or Project. Lessor must provide at least 45 days prior written notice of such move, and the new space must contain improvements of comparable quality to those contained within the Premises. Lessor shall pay the reasonable out of pocket costs that Lessee incurs with regard to such relocation, including the expenses of moving and necessary stationary revision costs. In no event, however, shall Lessor be required to pay an amount in excess of two months Base Rent. Lessee may not be relocated more than once during the term of this Lease.

(c) Lessee shall not: (i) use a representation (photographic or otherwise) of the Building or Project or their name(s) in connection with Lessee's business; or (ii) suffer or permit anyone, except in emergency, to go upon the roof of the Building.

42. **Performance Under Protest.** If at any time a dispute shall arise as to any amount or sum of money to be paid by one Party to the other under the provisions hereof, the Party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment and there shall survive the right on the part of said Party to institute suit for recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said Party to pay such sum or any part thereof, said Party shall be entitled to recover such sum or so much thereof as it was not legally required to pay. A Party who does not initiate suit for the recovery of sums paid "under protest" within 6 months shall be deemed to have waived its right to protest such payment.

43. **Authority; Multiple Parties; Execution**

(a) If either Party hereto is a corporation, trust, limited liability company, partnership, or similar entity, each individual executing this Lease on behalf of such entity represents and warrants that he or she is duly authorized to execute and deliver this Lease on its behalf. Each Party shall, within 30 days after request, deliver to the other Party satisfactory evidence of such authority.

(b) If this Lease is executed by more than one person or entity as "Lessee", each such person or entity shall be jointly and severally liable hereunder. It is agreed that any one of the named Lessees shall be empowered to execute any amendment to this Lease, or other document ancillary thereto and bind all of the named Lessees, and Lessor may rely on the same as if all of the named Lessees had executed such document.

(c) This Lease may be executed by the Parties in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

44. **Conflict.** Any conflict between the printed provisions of this Lease and the typewritten or handwritten provisions shall be controlled by the typewritten or handwritten provisions.

45. **Offer.** Preparation of this Lease by either party or their agent and submission of same to the other Party shall not be deemed an offer to lease to the other Party. This Lease is not intended to be binding until executed and delivered by all Parties hereto.

46. **Amendments.** This Lease may be modified only in writing, signed by the Parties in interest at the time of the modification. As long as they do not materially change Lessee's obligations hereunder, Lessee agrees to make such reasonable nonmonetary modifications to this Lease as may be reasonably required by a Lender in connection with the obtaining of normal financing or refinancing of the Premises.

47. **Waiver of Jury Trial. THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING INVOLVING THE PROPERTY OR ARISING OUT OF THIS AGREEMENT.**

48. **Arbitration of Disputes.** An Addendum requiring the Arbitration of all disputes between the Parties and/or Brokers arising out of this Lease ☐ is ☑ is not attached to this Lease.

49. **Accessibility; Americans with Disabilities Act.**

(a) The Premises:

☑ Have not undergone an inspection by a Certified Access Specialist (CASp). Note: A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

☐ Have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises met all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential.

☐ Have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises did not meet all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential except as necessary to complete repairs and corrections of violations of construction related accessibility standards.

In the event that the Premises have been issued an inspection report by a CASp the Lessor shall provide a copy of the disability access inspection certificate to Lessee within 7 days of the execution of this Lease.

(b) Since compliance with the Americans with Disabilities Act (ADA) and other state and local accessibility statutes are dependent upon Lessee's specific use of the Premises, Lessor makes no warranty or representation as to whether or not the Premises comply with ADA or any similar legislation. In the event that Lessee's use of the Premises requires modifications or additions to the Premises in order to be in compliance with ADA or other accessibility statutes, Lessee agrees to make any such necessary modifications and/or additions at Lessee's expense.

LESSOR AND LESSEE HAVE CAREFULLY READ AND REVIEWED THIS LEASE AND EACH TERM AND PROVISION CONTAINED HEREIN, AND BY THE EXECUTION OF THIS LEASE SHOW THEIR INFORMED AND VOLUNTARY CONSENT THERETO. THE PARTIES HEREBY AGREE THAT, AT THE TIME THIS LEASE IS EXECUTED, THE TERMS OF THIS LEASE ARE COMMERCIALLY REASONABLE AND EFFECTUATE THE INTENT AND PURPOSE OF LESSOR AND LESSEE WITH RESPECT TO THE PREMISES.

We understand that some of the lease may have expired and that several are no longer being used. However, we still require the lease copies to ensure we are conducting proper oversight. The list includes the site that we have been made aware of from 2023 to present. If there are any locations that HCCTS has operated at or is operating at that I have not included on the list, please be sure to include those lease copies as well. If a location is no longer in use, please send the termination documentation as well.

For the first calendar year after the Commencement Date Tenant shall pay as additional rent $1.30 per square foot per month, which amount may be adjusted pursuant to the terms set forth herein and is an estimate of the actual Operating Expenses.

ii. Subject to Section 3.C.i and Section 3.C.iii, Tenant shall pay to Landlord as the Additional Rent, Tenant's Proportionate Share of the Operating Expenses described in this Section, in the following manner:

1. Tenant shall pay monthly for Tenant's Pro Rata Share of Operating Expenses as reasonably estimated by Landlord. Any monies paid in advance to Landlord by Tenant shall not accrue interest thereon.

Sixty (60) days after the end of each quarter, Landlord shall deliver a statement to Tenant setting forth the difference between Tenant's actual Pro Rata Share of Operating Expenses (subject to Section 3.C.iii) and the total amount of the monthly payment paid by Tenant to Landlord. Tenant shall thereafter pay to Landlord the full amount of any difference between Tenant's actual obligation over the total amount of Tenant's estimated payments within thirty (30) days after receipt of said statement; conversely, in the event Tenant's estimated payments exceeded Tenant's actual obligation, Landlord shall either refund the overpayment to Tenant or credit said overpayment against Tenant's Additional Rent obligation in the forthcoming year. In the event this Lease expires on a date other than the end of a billing period, Tenant's obligation with respect to any amounts owed to Landlord shall survive the expiration of the Lease Term, and shall be invoiced to Tenant when the same have been accurately determined or, at Landlord's option, such amounts shall be reasonably estimated by Landlord to reflect the period of time the Lease was in effect during such billing period.

2. Any delay or failure of Landlord in (i) delivering any estimate or statement described in Section 3.C.ii.1., or (ii) computing or billing of Tenant's Pro Rata Share of Operating Expenses shall not constitute a waiver of its right to require an increase in Additional Rent, or in any way impair the continuing obligations of Tenant under this Section 3.C. In the event of any dispute as to any Additional Rent due under this Section 3.C, Tenant and its employees, accountants, advisors, attorneys and consultants shall have the right after reasonable notice and at reasonable times to inspect Landlord's accounting records at Landlord's accounting office.

If, after such inspection, Tenant still disputes such Additional Rent, upon Tenant's written request therefor, a certification as to the proper amount of all Operating Expense charges and the amount due to or payable by Tenant shall be made by an independent certified public accountant mutually agreed to by Landlord and Tenant. If Landlord and Tenant cannot mutually agree to an independent certified public accountant, then the parties agree that Landlord shall choose an independent certified public accountant to conduct the certification as to the proper amount of all of Tenant's Pro Rata Share of Operating Expense charges due by Tenant for the period in question; provided, however, such certified public accountant shall not be the accountant who conducted Landlord's initial calculation of all Operating Expense charges to which Tenant is now objecting. Such certification shall be final and conclusive as to all parties. If the certification reflects that Tenant has overpaid Tenant's Pro Rata Share of Operating Expense charges for the period in question, then Landlord shall credit such excess to Tenant's next payment of such charges and conversely, if Tenant has underpaid Tenant's Pro Rata Share of Operating Expense charges, Tenant shall promptly pay such additional charges to Landlord.

Tenant and Landlord shall equally share the cost of such certification and the investigation with respect thereto unless it is determined that Landlord's original statement was in error in Landlord's favor by more than ten percent (10%), in which event Landlord shall be liable for all such costs.

Tenant waives the right to dispute any matter relating to the calculation of Tenant's Pro Rata Share of Operating Expense charges or Additional Rent under this Section 3.C if any claim or dispute is not asserted in writing to Landlord within ninety (90) days after delivery to Tenant of the original billing statement with respect thereto. SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT AGREEMENT

This Subordination, Non-Disturbance and Attornment Agreement (the "Agreement") is made as of July 16 , 2021, by and among SELF-HELP FEDERAL CREDIT UNION, a credit union chartered under the laws of the United States (the "Lender"), LAO FAMILY COMMUNITY DEVELOPMENT INC., a California nonprofit public benefit corporation (the "Sublandlord"), and HIGHLANDS COMMUNITY CHARTER AND TECHNICAL SCHOOLS, a California nonprofit corporation (the "Subtenant").

WITNESSETH:

WHEREAS, the Lender is holder of a certain Deed of Trust with Assignment of Rents, Security Agreement and Fixture Filing (the "Deed of Trust") from Care Hurley Way LLC, a California limited liability company ("Landlord") securing one or more notes or obligations of Landlord to Lender under that certain Promissory Note and that certain Loan Agreement, by and between Landlord and the Lender, such documents evidencing a principal indebtedness of $2,565,000. The Deed of Trust has been or will be recorded in the Official Records of the County Recorder of Sacramento County, State of California, and encumbers certain property located in Sacramento County, State of California, such property being more particularly described in the Deed of Trust, which description is by this reference made a part hereof (the "Premises"); and

WHEREAS, Sublandlord is the holder of a leasehold estate under and pursuant to that certain Tenant Sub-lease Agreement dated July 15, 2021 (together with all inserts and riders thereto and all amendments, supplements, replacements and other modifications thereof, the "Master Lease") with Landlord for the Premises as more particularly described therein; and

WHEREAS, Subtenant is the holder of a leasehold estate under and pursuant to that certain Master Lease Agreement dated July 13 , 2021 (together with all inserts and riders thereto and all amendments, supplements, replacements and other modifications thereof, the "Sublease") with Landlord for the Premises as more particularly described therein; and

WHEREAS, the parties hereto desire to set forth their rights in connection with said Sublease and Deed of Trust.

NOW, THEREFORE, in consideration of the covenants hereinafter contained and intending to be legally bound hereby, the parties hereto covenant and agree as follows:

1. Sublease Subordination. The Sublease and all of the terms, covenants and provisions thereof and the entire right, title and interest of Tenant thereunder shall be and hereby are made subject and subordinate in all respects to the Deed of Trust and to the lien thereof and to all the terms, conditions and provisions thereof, and to any renewals, extensions, increases, modifications, consolidations or replacements thereof.

2. Conditional Non-Disturbance. Provided that a Termination Event (hereinafter defined) shall not have occurred, Lender shall not name Subtenant as a party defendant to any action for foreclosure or other enforcement of the Deed of Trust (unless required by law), nor shall the Sublease be terminated by Lender in connection with, or by reason of, foreclosure or other proceedings for the enforcement of the Deed of Trust, or by reason of a transfer of the Sublandlord's interest under the Sublease pursuant to the taking of a deed or assignment in lieu of foreclosure (or similar device). As used

052 - 3205 Hurley Way.pdf

herein, "Termination Event" means any default by the Subtenant under this Agreement or the Sublease that exists after the end of any applicable notice and cure period.

3. Attornment.

(a) In the event that Lender or any other person or entity shall succeed to the rights of Sublandlord under the Sublease, whether through possession or foreclosure action or delivery of a new lease or deed, then at the request of such party so succeeding to Sublandlord's rights (hereinafter sometimes called a "successor sublandlord"), Subtenant shall attorn to and recognize such successor sublandlord as its new sublandlord under the Sublease, and Subtenant shall promptly execute and deliver such instruments that such successor sublandlord may reasonably request to evidence such attornment. Subtenant hereby waives the provisions of any statute or rule of law now or hereafter in effect that may give or purport to give it any right or election to terminate or otherwise adversely affect the Sublease or the obligations of Subtenant thereunder by reason of any foreclosure or other action whatsoever in enforcement of the Deed of Trust.

(b) Upon such attornment as provided in subparagraph 3(a) above, provided a Termination Event has not occurred, the Sublease shall continue in full force and effect as, and as if it were, a direct lease between Subtenant and such successor sublandlord upon all of the terms, covenants, conditions and agreements as set forth in the Sublease, and Subtenant shall, from and after the successor sublandlord's succession to the interest of Sublandlord under the Sublease, have the same remedies against such successor sublandlord for the breach of any agreement contained in the Sublease that Subtenant might have had under the Sublease against Sublandlord if the successor sublandlord had not succeeded to the interest of Sublandlord; provided, however, that the successor sublandlord shall not be: (i) liable for any accrued obligation or previous act or omission of any prior landlord under the Sublease (including Sublandlord); (ii) subject to any credits, claims, offsets or defenses which Subtenant might have against any prior landlord (including Sublandlord) or to the payment of rent or other performance under the Sublease; (iii) required to account for any security deposit other than any security deposit actually delivered to the successor sublandlord; (iv) bound by any previous modification of the Sublease or by any previous prepayment of more than one month's rent, unless such modification or prepayment shall have been expressly approved in writing by Lender or such successor sublandlord; or (v) obligated to commence or complete any construction or to make any contribution toward construction or installation of any improvements upon the Premises required under the Sublease or any expansion or rehabilitation of existing improvements thereon.

4. Subtenant's Assurances. Subtenant shall provide Lender with prompt notice of any asserted default against Sublandlord under the Sublease. Subtenant shall not, without obtaining the prior written consent of Lender, (i) enter into any agreement amending, modifying or terminating the Sublease, (ii) prepay any of the rents, additional rents or other sums due under the Sublease for more than one (1) month in advance of the due dates thereof, (iii) voluntarily surrender the premises demised under the Sublease or terminate the Sublease without cause or shorten the term thereof, or (iv) assign the Sublease or sublet the premises demised under the Sublease or any part thereof other than pursuant to the provisions of the Sublease. Any such amendment, modification, termination, prepayment, voluntary surrender, assignment or subletting, without Lender's prior consent, shall not be binding upon Lender or any successor sublandlord.

5. Subtenant's Representations. Subtenant hereby represents and warrants to Lender that as of the date hereof (i) Subtenant is the owner and holder of the tenant's interest under the Sublease, (ii) the Sublease has not been modified or amended except for modifications and amendments previously submitted to and approved by Lender, (iii) the Sublease is in full force and effect, (iv) neither Subtenant nor Sublandlord is in default under any of the terms, covenants or provisions of the Sublease, and

052 - 3205 Hurley Way.pdf

Subtenant knows of no event which but for the passage of time or the giving of notice or both would constitute an event of default by Subtenant or Sublandlord under the Sublease, (v) neither Subtenant nor Sublandlord has commenced any action or given or received any notice for the purpose of terminating the Sublease, (vi) all rents, additional rents and other sums currently due and payable under the Sublease have been paid in full, and (vii) there are no offsets or defenses to the payment of the rents, additional rents, or other sums payable under the Sublease.

6. Payments to Lender of Payments Under the Sublease. Subtenant acknowledges that it has notice that the Sublandlord's interest under the Sublease and the rent and all other sums due thereunder have been assigned to Lender as part of the security for the indebtedness secured by the Deed of Trust. In the event that Lender notifies Subtenant of any event of default under the Deed of Trust and demands that Subtenant pay rent and all other sums due under the Sublease to Lender, Subtenant agrees that it shall pay rent and all other sums due under the Sublease directly to Lender without notice to or the consent of Sublandlord and without any obligation on the part of Subtenant to determine whether or not the Deed of Trust is in fact in default. The non-disturbance covenants of Lender provided in Paragraph 2 are subject to the undertaking by Subtenant to pay rent and all other such sums directly to Lender after Subtenant's receipt of the notice described above.

7. Estoppel Certificates. Whenever reasonably requested by Lender, Sublandlord and Subtenant from time to time shall severally execute and deliver to Lender, and without charge to Lender, an estoppel certificate setting forth such information as Lender may reasonably require to confirm the current status of the Sublease including, without limitation, a confirmation that the Sublease is and remains in full force and effect.

8. Miscellaneous.

(a) This Agreement may not be modified except by an agreement in writing signed by the parties or their respective successors in interest. This Agreement shall inure to the benefit of and be binding upon the parties hereto, their respective successors and assigns.

(b) Nothing contained in this Agreement shall in any way impair or affect the lien created by the Deed of Trust except as specifically set forth herein.

(c) Subtenant further agrees that in the event there is any inconsistency between the terms and provisions hereof and the terms and provisions of the Sublease dealing with nondisturbance, the terms and provisions hereof shall be controlling.

(d) All notices, demands or requests made pursuant to, under, or by virtue of this Agreement must be in writing sent by any overnight courier service providing dated evidence of delivery or mailed by certified or registered mail, return receipt requested to the party to whom the notice, demand or request is being made at its address set forth below:

Failure of the Subtenant to do so shall constitute a default under this Agreement and under the Sublease. CALCULATION METHOD

Actual Expense * gross up % * # of days =Annual Expense (prorated)
(Annual Expense (prorated) - Base year amount) * Prorata % = Your Share

Note: If your lease contains an Operating Expense Cap and the Annual Expenses are greater than your CAP, we would replace the Annual Expense amount in this formula with the CAP amount.

Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the Premises, for the term, at the rental, and upon all of the terms, covenants and conditions set forth in this Lease. While the approximate square footage of the Premises may have been used in the marketing of the Premises for purposes of comparison, the Base Rent stated herein is NOT tied to square footage and is not subject to adjustment should the actual size be determined to be different. **NOTE: Lessee is advised to verify the actual size prior to executing this Lease.**

or elements should malfunction or fail within the appropriate warranty period, Lessor shall, as Lessor's sole obligation with respect to such matter, except as otherwise provided in this Lease, promptly after receipt of written notice from Lessee setting forth with specificity the nature and extent of such non-compliance, malfunction or failure, rectify same at Lessor's expense. The warranty periods shall be as follows: (i) 6 months as to the HVAC systems, and (ii) 30 days as to the remaining systems and other elements of the Premises. If Lessee does not give Lessor the required notice within the appropriate warranty period, correction of any such non-compliance, malfunction or failure shall be the obligation of Lessee at Lessee's sole cost and expense (except for the repairs to the fire sprinkler systems, roof, foundations, and/or bearing walls). Lessor also warrants, that unless otherwise specified in writing, Lessor is unaware of (i) any recorded Notices of Default affecting the Premise; (ii) any delinquent amounts due under any loan secured by the Premises; and (iii) any bankruptcy proceeding affecting the Premises.

2.3 **Compliance**. Lessor warrants that to the best of its knowledge the improvements on the Premises and the Common Areas comply with the building codes, applicable laws, covenants or restrictions of record, regulations, and ordinances ("**Applicable Requirements**") that were in effect at the time that each improvement, or portion thereof, was constructed. Said warranty does not apply to the use to which Lessee will put the Premises, modifications which may be required by the Americans with Disabilities Act or any similar laws as a result of Lessee's use (see Paragraph 50), or to any Alterations or Utility Installations (as defined in Paragraph 7.3(a)) made or to be made by Lessee. **NOTE: Lessee is responsible for determining whether or not the Applicable Requirements, and especially the zoning, are appropriate for Lessee's intended use, and acknowledges that past uses of the Premises may no longer be allowed.** If the Premises do not comply with said warranty, Lessor shall, except as otherwise provided, promptly after receipt of written notice from Lessee setting forth with specificity the nature and extent of such non-compliance, rectify the same at Lessor's expense. If Lessee does not give Lessor written notice of a non-compliance with this warranty within 6 months following the Start Date, correction of that non-compliance shall be the obligation of Lessee at Lessee's sole cost and expense. If the Applicable Requirements are hereafter changed so as to require during the term of this Lease the construction of an addition to or an alteration of the Premises and/or Building, the remediation of any Hazardous Substance, or the reinforcement or other physical modification of the Premises and/or Building ("**Capital Expenditure**"), Lessor and Lessee shall allocate the cost of such work as follows:

(a) Subject to Paragraph 2.3(c) below, if such Capital Expenditures are required as a result of the specific and unique use of the Premises by Lessee as compared with uses by tenants in general, Lessee shall be fully responsible for the cost thereof, provided, however, that if such Capital Expenditure is required during the last 2 years of this Lease and the cost thereof exceeds 6 months' Base Rent, Lessee may instead terminate this Lease unless Lessor notifies Lessee, in writing, within 10 days after receipt of Lessee's termination notice that Lessor has elected to pay the difference between the actual cost thereof and the amount equal to 6 months' Base Rent. If Lessee elects termination, Lessee shall immediately cease the use of the Premises which requires such Capital Expenditure and deliver to Lessor written notice specifying a termination date at least 90 days thereafter. Such termination date shall, however, in no event be earlier than the last day that Lessee could legally utilize the Premises without commencing such Capital Expenditure.

(b) If such Capital Expenditure is not the result of the specific and unique use of the Premises by Lessee (such as, governmentally mandated seismic modifications), then Lessor shall pay for such Capital Expenditure and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date that on which the Base Rent is due, an amount equal to 1/144th of the portion of such costs reasonably attributable to the Premises. Lessee shall pay Interest on the balance but may prepay its obligation at any time. If, however, such Capital Expenditure is required during the last 2 years of this Lease or if Lessor reasonably determines that it is not economically feasible to pay its share thereof, Lessor shall have the option to terminate this Lease upon 90 days prior written notice to Lessee unless Lessee notifies Lessor, in writing, within 10 days after receipt of Lessor's termination notice that Lessee will pay for such Capital Expenditure. If Lessor does not elect to terminate, and fails to tender its share of any such Capital Expenditure, Lessee may advance such funds and deduct same, with Interest, from Rent until Lessor's share of such costs have been fully paid. If Lessee is unable to finance Lessor's share, or if the balance of the Rent due and payable for the remainder of this Lease is not sufficient to fully reimburse Lessee on an offset basis, Lessee shall have the right to terminate this Lease upon 30 days written notice to Lessor.

(c) Notwithstanding the above, the provisions concerning Capital Expenditures are intended to apply only to non-voluntary, unexpected, and new Applicable Requirements. If the Capital Expenditures are instead triggered by Lessee as a result of an actual or proposed change in use, change in intensity of use, or modification to the Premises then, and in that event, Lessee shall either: (i) immediately cease such changed use or intensity of use and/or take such other steps as may be necessary to eliminate the requirement for such Capital Expenditure, or (ii) complete such Capital Expenditure at its own expense. Lessee shall not have any right to terminate this Lease.

2.4 **Acknowledgements**. Lessee acknowledges that: (a) it has been given an opportunity to inspect and measure the Premises; (b) it has been advised by Lessor and/or Brokers to satisfy itself with respect to the size and condition of the Premises (including but not limited to the electrical, HVAC and fire sprinkler systems, security, environmental aspects, and compliance with Applicable Requirements and the Americans with Disabilities Act) and their suitability for Lessee's intended use; (c) Lessee has made such investigation as it deems necessary with reference to such matters and assumes all responsibility therefor as the same relate to its occupancy of the Premises; (d) it is not relying on any representation as to the size of the Premises made by Brokers or Lessor; (e) the square footage of the Premises was not material to Lessee's decision to lease the Premises and pay the Rent stated herein; and (f) neither Lessor, Lessor's agents, nor Brokers have made any oral or written representations or warranties with respect to said matters other than as set forth in this Lease. In addition, Lessor acknowledges that: (i) Brokers have made no representations, promises or warranties concerning Lessee's ability to honor the Lease or suitability to occupy the Premises, and (ii) it is Lessor's sole responsibility to investigate the financial capability and/or suitability of all proposed tenants.

2.5 **Lessee as Prior Owner/Occupant**. The warranties made by Lessor in Paragraph 2 shall be of no force or effect if immediately prior to the Start Date Lessee was the owner or occupant of the Premises. In such event, Lessee shall be responsible for any necessary corrective work.

2.6 **Vehicle Parking**. Lessee shall not use and shall not permit its employees to use any parking spaces in the Shopping Center except for parking by vehicles that are no larger than full-size passenger automobiles or pick-up trucks, herein called "**Permitted Size Vehicles**." Lessee shall permit its employees to only occupy those parking spaces, if any, as depicted as employee parking spaces on the Shopping Center site plan. Lessor may regulate the loading and unloading of vehicles by adopting Rules and Regulations as provided in Paragraph 2.9. No vehicles other than Permitted Size Vehicles may be parked in the Common Area without the prior written permission of Lessor. In addition:

(a) Lessee shall not permit or allow any vehicles that belong to or are controlled by Lessee or Lessee's employees, suppliers, shippers, contractors or invitees to be loaded, unloaded, or parked in areas other than those designated by Lessor for such activities.

(b) Lessee shall not service or store any vehicles in the Common Areas.

(c) If Lessee permits or allows any of the prohibited activities described in this Paragraph 2.6, then Lessor shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove or tow away the vehicle involved and charge the cost to Lessee, which cost shall be immediately payable upon demand by Lessor.

2.7 **Common Areas - Definition**. The term "**Common Areas**" is defined as all areas and facilities outside the Premises and within the exterior boundary line of the Shopping Center and interior utility raceways and installations within the Premises that are provided and designated by the Lessor from time to time for the general non-exclusive use of Lessor, Lessee and other tenants of the Shopping Center and their respective employees, suppliers, shippers, customers, contractors and invitees, including parking areas, loading and unloading areas, trash areas, roadways, walkways, driveways and landscaped areas.

2.8 **Common Areas - Lessee's Rights**. Lessor grants to Lessee, for the benefit of Lessee and its employees, suppliers, shippers, contractors, customers and invitees, during the term of this Lease, the non-exclusive right to use, in common with others entitled to such use, the Common Areas as they exist from time to time, subject to any rights, powers, and privileges reserved by Lessor under the terms hereof or under the terms of any rules and regulations or restrictions governing the use of the Shopping Center. Under no circumstances shall the right herein granted to use the Common Areas be deemed to include the right to store any property, temporarily or permanently, in the Common Areas, nor the right to display merchandise or conduct sales in the Common Areas. Any such storage, display or sales shall be permitted only by the prior written consent of Lessor or Lessor's designated agent, as exercised in Lessor's sole discretion, which consent may be revoked at any time. In the event that any unauthorized storage or displays shall occur then Lessor shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove the property and charge the cost to Lessee, which cost shall be immediately payable upon demand by Lessor.

2.9 **Common Areas - Rules and Regulations**. Lessor or such other person(s) as Lessor may appoint shall have the exclusive control and management of the Common Areas and shall have the right, from time to time, to establish, modify, amend and enforce reasonable rules and regulations ("**Rules and Regulations**") for the management, safety, care, and cleanliness of the grounds, the parking and unloading of vehicles and the preservation of good order, as well as for the convenience of other occupants or tenants of the Building and the Shopping Center and their invitees. Lessee agrees to abide by and conform to all such Rules and Regulations, and shall use its best efforts to cause its employees, suppliers, shippers, customers, contractors and invitees to so abide and conform. Lessor shall not be responsible to Lessee for the non-compliance with said Rules and Regulations by other tenants of the Shopping Center.

2.10 **Common Areas - Changes**. Lessor shall have the right, in Lessor's sole discretion, from time to time:

(a) To make changes or additions to the Common Areas, including, without limitation, changes in the location, size, shape and number of driveways, entrances, parking spaces, parking areas, loading and unloading areas, ingress, egress, direction of traffic, elevations, landscaped areas, signage, walkways and utility raceways;

(b) To use and close temporarily any of the Common Areas for the purpose of maintaining, repairing and altering the Shopping Center, so long as reasonable access to the Premises remains available, and to close temporarily any of the Common Areas to whatever extent is required in the opinion of Lessor's counsel to prevent a dedication of or the accrual of any rights of any persons or of the public to any of the Common Areas;

(c) To designate other land outside the boundaries of the Shopping Center to be a part of the Common Areas or to be entitled to use the Common Areas

on a reciprocal basis;

(d) To add additional buildings and improvements to the Common Areas; and

(e) To do and perform such other acts and make such other changes in, to or with respect to the Common Areas and Shopping Center as Lessor may, in the exercise of sound business judgment, deem to be appropriate.

2.11 **Common Areas - Promotional Events; Sidewalk Sales**. Lessor reserves the right, from time to time, in Lessor's sole discretion, to utilize portions of the Common Areas for promotional events, which may include but shall not be limited to entertainment. Lessor further reserves the right, in Lessor's sole discretion, to permit any one or more tenants of the Shopping Center to conduct the display and/or sale of merchandise from the sidewalks immediately adjacent to such tenants' respective premises.

2.12 **Common Areas - Remodeling**. At any time during the Term, Lessor may remodel or expand, in any manner, the existing Shopping Center, which work may include, without limitation, the addition of shops and/or new buildings to the Shopping Center (collectively, "**Remodeled Center**"). If Lessor deems it necessary for construction personnel to enter the Premises in order to construct the Remodeled Center, Lessor shall give Lessee no less than 60 days prior notice and Lessee shall allow such entry. Lessor shall use reasonable efforts to complete any work affecting the Premises in an efficient manner so as not to interfere unreasonably with Lessee's business. Lessee shall not be entitled to any damages for any inconvenience or any disruption to Lessee's business caused by such work; provided, however, the Base Rent paid by Lessee for the period of the inconvenience shall be abated in proportion to the degree that Lessee's use of the Premises is impaired. Lessor shall have the right to use portions of the Premises to accommodate any structures required for the Remodeled Center, provided that if as a result thereof there is a permanent decrease in the floor area of the Premises of 3% or more, there shall be a proportionate downward adjustment of Base Rent and Lessee's Share.

3. Term.

3.1 **Term**. The Commencement Date, Expiration Date and Original Term of this Lease are as specified in Paragraph 1.3.

3.2 **Early Possession**. Any provision herein granting Lessee Early Possession of the Premises is subject to and conditioned upon the Premises being available for such possession prior to the Commencement Date. Any grant of Early Possession only conveys a non-exclusive right to occupy the Premises. If an Early Possession Date has been specified in Paragraph 1.4, the Parties intend that Lessee shall have access to the Premises as of the Early Possession Date for purposes of preparing and fixturizing the Premises for the conduct of Lessee's business. If Lessee totally or partially occupies the Premises prior to the Commencement Date for any reason (and for purposes hereof, "occupancy" shall include, without limitation, Lessee's entry onto the Premises for purposes of preparing and fixturizing the Premises for business), the obligation to pay Base Rent and Percentage Rent shall be abated for the period of such early possession. All other terms of this Lease (including but not limited to Lessee's obligations to carry insurance and to maintain the Premises) shall be in effect during such period, except that Lessee's obligations to pay Lessee's Share of Common Area Operating Expenses, Real Property Taxes and insurance premiums shall only be in effect prior to the Commencement Date if Lessee has opened for business in the Premises prior to the Commencement Date. Any such Early Possession shall not affect the Expiration Date.

3.3 **Delay In Possession**. Lessor agrees to use commercially reasonable efforts to deliver exclusive possession of the Premises to Lessee by the Commencement Date. If, despite said efforts, Lessor is unable to deliver possession by such date, Lessor shall not be subject to any liability therefor, nor shall such failure affect the validity of this Lease or change the Expiration Date. Lessee shall not, however, be obligated to pay Rent or perform its other obligations until Lessor delivers possession of the Premises and any period of rent abatement that Lessee would otherwise have enjoyed shall run from the date of delivery of possession and continue for a period equal to what Lessee would otherwise have enjoyed under the terms hereof, but minus any days of delay caused by the acts or omissions of Lessee. If possession is not delivered within 60 days after the Commencement Date, as the same may be extended under the terms of any Work Letter executed by Parties, Lessee may, at its option, by notice in writing within 10 days after the end of such 60 day period, cancel this Lease, in which event the Parties shall be discharged from all obligations hereunder. If such written notice is not received by Lessor within said 10 day period, Lessee's right to cancel shall terminate. If possession of the Premises is not delivered within 120 days after the Commencement Date, this Lease shall terminate unless other agreements are reached between Lessor and Lessee, in writing.

3.4 **Lessee Compliance**. Lessor shall not be required to tender possession of the Premises to Lessee until Lessee complies with its obligation to provide evidence of insurance (Paragraph 8.5). Pending delivery of such evidence, Lessee shall be required to perform all of its obligations under this Lease from and after the Start Date, including the payment of Rent, notwithstanding Lessor's election to withhold possession pending receipt of such evidence of insurance. Further, if Lessee is required to perform any other conditions prior to or concurrent with the Start Date, the Start Date shall occur but Lessor may elect to withhold possession until such conditions are satisfied.

4. Rent.

4.1 **Rent Defined**. All monetary obligations of Lessee to Lessor under the terms of this Lease (except for the Security Deposit) are deemed to be rent ("**Rent**").

4.2 **Common Area Operating Expenses**. Lessee shall pay to Lessor during the term hereof, in addition to the Base Rent and, if applicable, Percentage Rent, Lessee's Share (as specified in Paragraph 1.7) of all Common Area Operating Expenses, as hereinafter defined, during each calendar year of the term of this Lease, in accordance with the following provisions:

(a) "Common Area Operating Expenses" are defined, for purposes of this Lease, as all costs relating to the ownership and operation of the Shopping Center, including, but not limited to, the following:

(i) Costs relating to the operation, repair and maintenance, in neat, clean, good order and condition, and replacement as reasonably necessary, of the following:

(aa) The Common Areas and Common Area improvements, including parking areas, loading and unloading areas, trash areas, roadways, parkways, walkways, driveways, landscaped areas, parking lot striping, bumpers, irrigation systems, Common Area lighting facilities, fences and gates, elevators, roofs, exterior walls of the buildings, building systems and roof drainage systems.

(bb) Exterior signs and any tenant directories.

(cc) Any fire detection and/or sprinkler systems.

(dd) Common electrical, plumbing and other utilities servicing any building in the Shopping Center and/or the Common Areas.

(ee) All other areas and improvements that are within the exterior boundaries of the Project but outside of the Premises and/or any other space occupied by a tenant.

(ii) The cost of water, gas, electricity and telephone to service the Common Areas and any utilities not separately metered.

(iii) The cost of trash disposal, pest control services, property management (including, but not be limited to, a property management fee to Lessor equal to 5% of Base Rent and Percentage Rent), security services, and the costs of any environmental inspections.

(iv) Reserves set aside for equipment, maintenance, repair and replacement of Common Areas.

(v) Real Property Taxes (as defined in Paragraph 10).

(vi) The cost of the premiums for the insurance maintained by Lessor pursuant to Paragraph 8.

(vii) Any deductible portion of an insured loss concerning the Building or the Common Areas.

(viii) Auditors', accountants' and attorneys' fees and costs related to the operation of the Shopping Center.

(ix) The cost of any capital improvement to the Building or the Shopping Center not covered under the provisions of Paragraph 2.3, provided, however, that Lessor shall allocate the cost of any such capital improvement over a 12 year period and Lessee shall not be required to pay more than Lessee's Share of 1/144th of the cost of such capital improvement in any given month. Lessee shall pay Interest on the unamortized balance but may prepay its obligation at any time.

(x) The cost of any other services to be provided by Lessor that are stated elsewhere in this Lease to be a Common Area Operating Expense.

(b) If Lessor determines that the method of proration of any item included within Common Area Operating Expenses is inequitable, Lessor may prorate such item on the basis of usage or other equitable considerations. Any Common Area Operating Expenses and Real Property Taxes that are specifically attributable to the Premises, the Building or to any other premises or building in the Shopping Center or to the operation, repair and maintenance thereof, shall be allocated entirely to such premises or building. However, any Common Area Operating Expenses and Real Property Taxes that are not specifically attributable to any premises or building or to the operation, repair and maintenance thereof, shall be equitably allocated by Lessor to all buildings in the Shopping Center.

(c) The inclusion of the improvements, facilities and services set forth in Subparagraph 4.2(a) shall not be deemed to impose an obligation upon Lessor to either have said improvements or facilities or to provide those services unless the Shopping Center already has the same, Lessor already provides the services, or Lessor has agreed elsewhere in this Lease to provide the same or some of them.

(d) Lessee's Share of Common Area Operating Expenses is payable monthly on the same day as the Base Rent is due hereunder. The amount of such payments shall be based on Lessor's estimate of the annual Common Area Operating Expenses. Within 60 days after written request (but not more than once each year) Lessor shall deliver to Lessee a reasonably detailed statement showing Lessee's Share of the actual Common Area Operating Expenses for the preceding year. If Lessee's payments during such year exceed Lessee's Share, Lessor shall credit the amount of such over-payment against Lessee's future payments. If Lessee's payments during such year were less than Lessee's Share, Lessee shall pay to Lessor the amount of the deficiency within 10 days after delivery by Lessor to Lessee of the statement.

(e) If there are one or more Major Tenants (as hereinafter defined) within the Shopping Center, then at Lessor's sole option, the amount to be reimbursed by such Major Tenants to Lessor for all or a portion of the Common Area Operating Expenses may be determined by alternative equitable methods (e.g., a Major Tenant may pay directly for its own security), and the actual amount paid by such Major Tenants shall be credited against the Common Area Operating Expenses

allocated to other tenants of the Shopping Center; provided, however, that in such event the rentable area of the buildings leased to such Major Tenants shall be excluded from the rentable area of the Shopping Center for purposes of determining Lessee's Share of Common Area Operating Expenses for those specific items, notwithstanding the percentage set forth in Paragraph 1.7. As used herein, the term "**Major Tenant**" shall mean a tenant leasing at least 15,000 square feet of rentable area within the Shopping Center.

(f) Common Area Operating Expenses shall not include any expenses paid by any tenant directly to third parties, or as to which Lessor is otherwise reimbursed by any third party, other tenant, or insurance proceeds.

4.3 **Payment**. Lessee shall cause payment of Rent to be received by Lessor in lawful money of the United States, without offset or deduction (except as specifically permitted in this Lease), on or before the day on which it is due. All monetary amounts shall be rounded to the nearest whole dollar. In the event that any invoice prepared by Lessor is inaccurate such inaccuracy shall not constitute a waiver and Lessee shall be obligated to pay the amount set forth in this Lease. Rent for any period during the term hereof which is for less than one full calendar month shall be prorated based upon the actual number of days of said month. Payment of Rent shall be made to Lessor at its address stated herein or to such other persons or place as Lessor may from time to time designate in writing. Acceptance of a payment which is less than the amount then due shall not be a waiver of Lessor's rights to the balance of such Rent, regardless of Lessor's endorsement of any check so stating. In the event that any check, draft, or other instrument of payment given by Lessee to Lessor is dishonored for any reason, Lessee agrees to pay to Lessor the sum of $25 in addition to any Late Charge and Lessor, at its option, may require all future Rent be paid by cashier's check. Payments will be applied first to accrued late charges and attorney's fees, second to accrued interest, then to Base Rent and Common Area Operating Expenses, and any remaining amount to any other outstanding charges or costs.

5. Security Deposit. Lessee shall deposit with Lessor upon execution hereof the Security Deposit as security for Lessee's faithful performance of its obligations under this Lease. If Lessee fails to pay Rent, or otherwise Defaults under this Lease, Lessor may use, apply or retain all or any portion of said Security Deposit for the payment of any amount already due Lessor, for Rents which will be due in the future, and/ or to reimburse or compensate Lessor for any liability, expense, loss or damage which Lessor may suffer or incur by reason thereof. If Lessor uses or applies all or any portion of the Security Deposit, Lessee shall within 10 days after written request therefor deposit monies with Lessor sufficient to restore said Security Deposit to the full amount required by this Lease. If the Base Rent increases during the term of this Lease, Lessee shall, upon written request from Lessor, deposit additional monies with Lessor so that the total amount of the Security Deposit shall at all times bear the same proportion to the increased Base Rent as the initial Security Deposit bore to the initial Base Rent. Should the Agreed Use be amended to accommodate a material change in the business of Lessee or to accommodate a sublessee or assignee, Lessor shall have the right to increase the Security Deposit to the extent necessary, in Lessor's reasonable judgment, to account for any increased wear and tear that the Premises may suffer as a result thereof. If a change in control of Lessee occurs during this Lease and following such change the financial condition of Lessee is, in Lessor's reasonable judgment, significantly reduced, Lessee shall deposit such additional monies with Lessor as shall be sufficient to cause the Security Deposit to be at a commercially reasonable level based on such change in financial condition. Lessor shall not be required to keep the Security Deposit separate from its general accounts. Within 90 days after the expiration or termination of this Lease, Lessor shall return that portion of the Security Deposit not used or applied by Lessor. Lessor shall upon written request provide Lessee with an accounting showing how that portion of the Security Deposit that was not returned was applied. No part of the Security Deposit shall be considered to be held in trust, to bear interest or to be prepayment for any monies to be paid by Lessee under this Lease. THE SECURITY DEPOSIT SHALL NOT BE USED BY LESSEE IN LIEU OF PAYMENT OF THE LAST MONTH'S RENT.

6. Use.

6.1 **Use**.

(a) **Agreed Use; Agreed Trade Name**. Lessee shall use and occupy the Premises only for the Agreed Use, and for no other purpose, and Lessee shall operate at the Premises only under the Agreed Trade Name and under no other trade name. Lessee shall not use or permit the use of the Premises in a manner that is unlawful, creates damage, waste or a nuisance, or that disturbs occupants of or causes damage to neighboring premises or properties. Other than guide, signal and seeing eye dogs, Lessee shall not keep or allow in the Premises any pets, animals, birds, fish, or reptiles. Lessor shall not unreasonably withhold or delay its consent to any written request for a modification of the Agreed Use, so long as the same will not impair the structural integrity of the improvement on the Premises or the mechanical or electrical systems therein, and/or is not significantly more burdensome to the Premises, and/or is not in conflict with or incompatible with the existing or proposed uses (whether or not exclusive) of other occupants of the Shopping Center. Lessor shall not unreasonably withhold or delay its consent to any written request for a modification of the Agreed Trade Name, so long as the same is not in conflict with or incompatible with the nature and character of the Shopping Center or other existing or proposed uses of other occupants of the Shopping Center. If Lessor elects to withhold consent, Lessor shall within 7 days after such request give written notification of same, which notice shall include an explanation of Lessor's objections to the change in the Agreed Use and/or Agreed Trade Name.

(b) **Continuous Operation**. Lessee shall continuously (i) operate and conduct the Agreed Use under the Agreed Trade Name within the entire Premises in a reputable manner and in conformity with industry standards of practice prevailing in the field of business among merchants engaged in the same or similar business in the city in which the Premises are located, (ii) staff the Premises with sufficient sales personnel, stock the Premises with adequate merchandise and exercise sound business practices so as to maximize Gross Sales for the benefit of Lessor. At a minimum, Lessee shall keep the Premises continuously open for business Monday through Friday from 9:00 a.m. to 6:00 p.m., Saturday from 9:00 a.m. to 6:00 p.m., and Sunday from 10:00 a.m. to 6:00 p.m. If Lessee fails to comply with the requirements of this Paragraph 6.1(b), then in addition to any and all other rights and remedies of Lessor, Lessee shall pay to Lessor an amount equal to 1/15th of the Base Rent for each day or portion thereof that Lessee fails to so comply. Such sum shall be in addition to, and not a part of, the Base Rent otherwise due under this Lease.

(c) **Violations of Exclusive Use Rights**. Lessee acknowledges that Lessor may grant, or may have previously granted, exclusive use rights to other tenants of the Shopping Center and agrees that a material consideration to Lessor in entering into this Lease is Lessee's covenant to limit its use of the Premises to the Agreed Use under the Agreed Trade Name as set forth above. Lessee's violation of exclusive use rights granted to other tenants of the Shopping Center will result in Lessor suffering irreparable harm and, therefore, in addition to all other rights and remedies available to Lessor, Lessor may seek to enjoin Lessee's breach of such covenant and Lessee shall be liable for any damages incurred or sustained by Lessor to such other tenants whose exclusive use rights are breached by Lessee. In no event shall Lessor be liable to Lessee for any failure of any other tenants of the Shopping Center to operate their businesses, or for any loss or damage that may be occasioned by or through the acts or omissions of other tenants or third parties.

(d) **Other Tenancies**. Lessor, at its sole discretion, reserves the absolute right to establish procedures to control other tenancies in the Shopping Center. Regardless of whether any specific tenants are shown on any site plan attached hereto, Lessee does not rely on that fact, nor does Lessor represent that any specific tenant or number or type of tenants shall or shall not during the Term occupy any portion of the Shopping Center, nor does Lessee rely on any other tenant operating its business in the Shopping Center at any particular time or times. Further, no conduct by any tenant, subtenant or other occupant of, or any customer of, or any supplier to or use of any portion of the Shopping Center shall constitute an eviction, constructive or otherwise, of Lessee from the Premises, and Lessee hereby waives any and all claims that it might otherwise have against Lessor by reason thereof.

6.2 **Hazardous Substances**.

(a) **Reportable Uses Require Consent**. The term "**Hazardous Substance**" as used in this Lease shall mean any product, substance, or waste whose presence, use, manufacture, disposal, transportation, or release, either by itself or in combination with other materials expected to be on the Premises, is either: (i) potentially injurious to the public health, safety or welfare, the environment or the Premises, (ii) regulated or monitored by any governmental authority, or (iii) a basis for potential liability of Lessor to any governmental agency or third party under any applicable statute or common law theory. Hazardous Substances shall include, but not be limited to, hydrocarbons, petroleum, gasoline, and/or crude oil or any products, by-products or fractions thereof. Lessee shall not engage in any activity in or on the Premises which constitutes a Reportable Use of Hazardous Substances without the express prior written consent of Lessor and timely compliance (at Lessee's expense) with all Applicable Requirements. "**Reportable Use**" shall mean (i) the installation or use of any above or below ground storage tank, (ii) the generation, possession, storage, use, transportation, or disposal of a Hazardous Substance that requires a permit from, or with respect to which a report, notice, registration or business plan is required to be filed with, any governmental authority, and/or (iii) the presence at the Premises of a Hazardous Substance with respect to which any Applicable Requirements requires that a notice be given to persons entering or occupying the Premises or neighboring properties. Notwithstanding the foregoing, Lessee may use any ordinary and customary materials reasonably required to be used in the normal course of the Agreed Use, ordinary office supplies (copier toner, liquid paper, glue, etc.) and common household cleaning materials, so long as such use is in compliance with all Applicable Requirements, is not a Reportable Use, and does not expose the Premises or neighboring property to any meaningful risk of contamination or damage or expose Lessor to any liability therefor. In addition, Lessor may condition its consent to any Reportable Use upon receiving such additional assurances as Lessor reasonably deems necessary to protect itself, the public, the Premises and/or the environment against damage, contamination, injury and/or liability, including, but not limited to, the installation (and removal on or before Lease expiration or termination) of protective modifications (such as concrete encasements) and/or increasing the Security Deposit.

(b) **Duty to Inform Lessor**. If Lessee knows, or has reasonable cause to believe, that a Hazardous Substance has come to be located in, on, under or about the Premises, other than as previously consented to by Lessor, Lessee shall immediately give written notice of such fact to Lessor, and provide Lessor with a copy of any report, notice, claim or other documentation which it has concerning the presence of such Hazardous Substance.

(c) **Lessee Remediation**. Lessee shall not cause or permit any Hazardous Substance to be spilled or released in, on, under, or about the Premises (including through the plumbing or sanitary sewer system) and shall promptly, at Lessee's expense, comply with all Applicable Requirements and take all investigatory and/or remedial action reasonably recommended, whether or not formally ordered or required, for the cleanup of any contamination of, and for the maintenance,

security and/or monitoring of the Premises or neighboring properties, that was caused or materially contributed to by Lessee, or pertaining to or involving any Hazardous Substance brought onto the Premises during the term of this Lease, by or for Lessee, or any third party.

(d) **Lessee Indemnification**. Lessee shall indemnify, defend and hold Lessor, its agents, employees, lenders and ground lessor, if any, harmless from and against any and all loss of rents and/or damages, liabilities, judgments, claims, expenses, penalties, and attorneys' and consultants' fees arising out of or involving any Hazardous Substance brought onto the Premises by or for Lessee, or any third party (provided, however, that Lessee shall have no liability under this Lease with respect to underground migration of any Hazardous Substance under the Premises from areas outside of the Shopping Center not caused or contributed to by Lessee). Lessee's obligations shall include, but not be limited to, the effects of any contamination or injury to person, property or the environment created or suffered by Lessee, and the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease. No termination, cancellation or release agreement entered into by Lessor and Lessee shall release Lessee from its obligations under this Lease with respect to Hazardous Substances, unless specifically so agreed by Lessor in writing at the time of such agreement.

(e) **Lessor Indemnification**. Except as otherwise provided in paragraph 8.7, Lessor and its successors and assigns shall indemnify, defend, reimburse and hold Lessee, its employees and lenders, harmless from and against any and all environmental damages, including the cost of remediation, which are suffered as a direct result of Hazardous Substances on the Premises prior to Lessee taking possession or which are caused by the gross negligence or willful misconduct of Lessor, its agents or employees. Lessor's obligations, as and when required by the Applicable Requirements, shall include, but not be limited to, the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease.

(f) **Investigations and Remediations**. Lessor shall retain the responsibility and pay for any investigations or remediation measures required by governmental entities having jurisdiction with respect to the existence of Hazardous Substances on the Premises prior to Lessee taking possession, unless such remediation measure is required as a result of Lessee's use (including "Alterations", as defined in paragraph 7.3(a) below) of the Premises, in which event Lessee shall be responsible for such payment. Lessee shall cooperate fully in any such activities at the request of Lessor, including allowing Lessor and Lessor's agents to have reasonable access to the Premises at reasonable times in order to carry out Lessor's investigative and remedial responsibilities.

(g) **Lessor Termination Option**. If a Hazardous Substance Condition (see Paragraph 9.1(e)) occurs during the term of this Lease, unless Lessee is legally responsible therefor (in which case Lessee shall make the investigation and remediation thereof required by the Applicable Requirements and this Lease shall continue in full force and effect, but subject to Lessor's rights under Paragraph 6.2(d) and Paragraph 13), Lessor may, at Lessor's option, either (i) investigate and remediate such Hazardous Substance Condition, if required, as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) if the estimated cost to remediate such condition exceeds 12 times the then monthly Base Rent or $100,000, whichever is greater, give written notice to Lessee, within 30 days after receipt by Lessor of knowledge of the occurrence of such Hazardous Substance Condition, of Lessor's desire to terminate this Lease as of the date 60 days following the date of such notice. In the event Lessor elects to give a termination notice, Lessee may, within 10 days thereafter, give written notice to Lessor of Lessee's commitment to pay the amount by which the cost of the remediation of such Hazardous Substance Condition exceeds an amount equal to 12 times the then monthly Base Rent or $100,000, whichever is greater. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days following such commitment. In such event, this Lease shall continue in full force and effect, and Lessor shall proceed to make such remediation as soon as reasonably possible after the required funds are available. If Lessee does not give such notice and provide the required funds or assurance thereof within the time provided, this Lease shall terminate as of the date specified in Lessor's notice of termination.

6.3 **Lessee's Compliance with Applicable Requirements**. Except as otherwise provided in this Lease, Lessee shall, at Lessee's sole expense, fully, diligently and in a timely manner, materially comply with all Applicable Requirements, the requirements of any applicable fire insurance underwriter or rating bureau, and the recommendations of Lessor's engineers and/or consultants which relate in any manner to the Premises, without regard to whether said Applicable Requirements are now in effect or become effective after the Start Date. Lessee shall, within 10 days after receipt of Lessor's written request, provide Lessor with copies of all permits and other documents, and other information evidencing Lessee's compliance with any Applicable Requirements specified by Lessor, and shall immediately upon receipt, notify Lessor in writing (with copies of any documents involved) of any threatened or actual claim, notice, citation, warning, complaint or report pertaining to or involving the failure of Lessee or the Premises to comply with any Applicable Requirements. Likewise, Lessee shall immediately give written notice to Lessor of: (i) any water damage to the Premises and any suspected seepage, pooling, dampness or other condition conducive to the production of mold; or (ii) any mustiness or other odors that might indicate the presence of mold in the Premises.

6.4 **Inspection; Compliance**. Lessor and Lessor's "**Lender**" (as defined in Paragraph 30) and consultants authorized by Lessor shall have the right to enter into Premises at any time in the case of an emergency, and otherwise at reasonable times after reasonable notice, for the purpose of inspecting and/or testing the condition of the Premises and/or for verifying compliance by Lessee with this Lease. The cost of any such inspections shall be paid by Lessor, unless a violation of Applicable Requirements, or a Hazardous Substance Condition (see Paragraph 9.1(e)) is found to exist or be imminent, or the inspection is requested or ordered by a governmental authority. In such case, Lessee shall upon request reimburse Lessor for the cost of such inspection, so long as such inspection is reasonably related to the violation or contamination. In addition, Lessee shall provide copies of all relevant material safety data sheets (**MSDS**) to Lessor within 10 days of the receipt of written request therefor. Lessee acknowledges that any failure on its part to allow such inspections or testing will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to allow such inspections and/or testing in a timely fashion the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for the remainder to the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to allow such inspection and/or testing. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to such failure nor prevent the exercise of any of the other rights and remedies granted hereunder.

7. Maintenance; Repairs; Utility Installations; Trade Fixtures and Alterations.

7.1 **Lessee's Obligations**.

(a) **In General**. Subject to the provisions of Paragraph 2.2 (Condition), 2.3 (Compliance), 6.3 (Lessee's Compliance with Applicable Requirements), 7.2 (Lessor's Obligations), 9 (Damage or Destruction), and 14 (Condemnation), Lessee shall, at Lessee's sole expense, keep the Premises, Utility Installations (intended for Lessee's exclusive use, no matter where located), and Alterations in good order, condition and repair (whether or not the portion of the Premises requiring repairs, or the means of repairing the same, are reasonably or readily accessible to Lessee, and whether or not the need for such repairs occurs as a result of Lessee's use, any prior use, the elements or the age of such portion of the Premises), including, but not limited to, all equipment or facilities, such as plumbing, HVAC equipment, electrical, lighting facilities, boilers, pressure vessels, fixtures, interior walls, interior surfaces of exterior walls, ceilings, floors, windows, doors, plate glass, and skylights but excluding any items which are the responsibility of Lessor pursuant to Paragraph 7.2. Lessee, in keeping the Premises in good order, condition and repair, shall exercise and perform good maintenance practices, specifically including the procurement and maintenance of the service contracts required by Paragraph 7.1(b) below. Lessee's obligations shall include restorations, replacements or renewals when necessary to keep the Premises and all improvements thereon or a part thereof in good order, condition and state of repair.

(b) **Service Contracts**. Lessee shall, at Lessee's sole expense, procure and maintain contracts, with copies to Lessor, in customary form and substance for, and with contractors specializing and experienced in the maintenance of the following equipment and improvements, if any, if and when installed on the Premises: (i) HVAC equipment, (ii) boiler and pressure vessels, and (iii) clarifiers. However, Lessor reserves the right, upon notice to Lessee, to procure and maintain any or all of such service contracts, and Lessee shall reimburse Lessor, upon demand, for the cost thereof.

(c) **Failure to Perform**. If Lessee fails to perform Lessee's obligations under this Paragraph 7.1, Lessor may enter upon the Premises after 10 days' prior written notice to Lessee (except in the case of an emergency, in which case no notice shall be required), perform such obligations on Lessee's behalf, and put the Premises in good order, condition and repair, and Lessee shall promptly pay to Lessor a sum equal to 115% of the cost thereof.

(d) **Replacement**. Subject to Lessee's indemnification of Lessor as set forth in Paragraph 8.7 below, and without relieving Lessee of liability resulting from Lessee's failure to exercise and perform good maintenance practices, if an item described in Paragraph 7.1(b) cannot be repaired other than at a cost which is in excess of 50% of the cost of replacing such item, then such item shall be replaced by Lessor, and the cost thereof shall be prorated between the Parties and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date on which Base Rent is due, an amount equal to the product of multiplying the cost of such replacement by a fraction, the numerator of which is one, and the denominator of which is 144 (i.e. 1/144th of the cost per month). Lessee shall pay Interest on the unamortized balance but may prepay its obligation at any time.

7.2 **Lessor's Obligations**. Subject to the provisions of Paragraphs 2.2 (Condition), 2.3 (Compliance), 4.2 (Common Area Operating Expenses), 6 (Use), 7.1 (Lessee's Obligations), 9 (Damage or Destruction) and 14 (Condemnation), Lessor, subject to reimbursement pursuant to Paragraph 4.2, shall keep in good order, condition and repair the foundations, exterior walls, structural condition of interior bearing walls, exterior roof, fire sprinkler system, Common Area fire alarm and/or smoke detection systems, fire hydrants, parking lots, walkways, parkways, driveways, landscaping, fences, signs and utility systems serving the Common Areas and all parts thereof, as well as providing the services for which there is a Common Area Operating Expense pursuant to Paragraph 4.2. Lessor shall not be obligated to paint the exterior or interior surfaces of exterior walls nor shall Lessor be obligated to maintain, repair or replace windows, doors or plate glass of the Premises.

7.3 **Utility Installations; Trade Fixtures; Alterations**.

(a) **Definitions**. The term "**Utility Installations**" refers to all floor and window coverings, air and/or vacuum lines, power panels, electrical distribution, security and fire protection systems, communication cabling, lighting fixtures, HVAC equipment, plumbing, and fencing in or on the Premises. The term "**Trade Fixtures**" shall mean Lessee's machinery and equipment that can be removed without doing material damage to the Premises. The term "**Alterations**" shall mean any

modification of the improvements, other than Utility Installations or Trade Fixtures, whether by addition or deletion. "**Lessee Owned Alterations and/or Utility Installations**" are defined as Alterations and/or Utility Installations made by Lessee that are not yet owned by Lessor pursuant to Paragraph 7.4(a).

(b) **Consent**. Lessee shall not make any Alterations or Utility Installations to the Premises without Lessor's prior written consent. Lessee may, however, make non-structural Alterations or Utility Installations to the interior of the Premises (excluding the roof) without such consent but upon notice to Lessor, as long as they are not visible from the outside, do not involve puncturing, relocating or removing the roof or any existing walls, will not affect the electrical, plumbing, HVAC, and/or life safety systems, do not trigger the requirement for additional modifications and/or improvements to the Premises resulting from Applicable Requirements, such as compliance with Title 24, and the cumulative cost thereof during this Lease as extended does not exceed a sum equal to 3 month's Base Rent in the aggregate or a sum equal to one month's Base Rent in any one year. Notwithstanding the foregoing, Lessee shall not make or permit any roof penetrations and/or install anything on the roof without the prior written approval of Lessor. Lessor may, as a precondition to granting such approval, require Lessee to utilize a contractor chosen and/or approved by Lessor. Any Alterations or Utility Installations that Lessee shall desire to make and which require the consent of the Lessor shall be presented to Lessor in written form with detailed plans. Consent shall be deemed conditioned upon Lessee's: (i) acquiring all applicable governmental permits, (ii) furnishing Lessor with copies of both the permits and the plans and specifications prior to commencement of the work, and (iii) compliance with all conditions of said permits and other Applicable Requirements in a prompt and expeditious manner. Any Alterations or Utility Installations shall be performed in a workmanlike manner with good and sufficient materials. Lessee shall promptly upon completion furnish Lessor with as-built plans and specifications. For work which costs an amount in excess of one month's Base Rent, Lessor may condition its consent upon Lessee providing a lien and completion bond in an amount equal to 150% of the estimated cost of such Alteration or Utility Installation and/or upon Lessee's posting an additional Security Deposit with Lessor.

(c) **Liens; Bonds**. Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use on the Premises, which claims are or may be secured by any mechanic's or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than 10 days notice prior to the commencement of any work in, on or about the Premises, and Lessor shall have the right to post notices of non-responsibility. If Lessee shall contest the validity of any such lien, claim or demand, then Lessee shall, at its sole expense defend and protect itself, Lessor and the Premises against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof. If Lessor shall require, Lessee shall furnish a surety bond in an amount equal to 150% of the amount of such contested lien, claim or demand, indemnifying Lessor against liability for the same. If Lessor elects to participate in any such action, Lessee shall pay Lessor's attorneys' fees and costs.

7.4 **Ownership; Removal; Surrender; and Restoration**.

(a) **Ownership**. Subject to Lessor's right to require removal or elect ownership as hereinafter provided, all Alterations and Utility Installations made by Lessee shall be the property of Lessee, but considered a part of the Premises. Lessor may, at any time, elect in writing to be the owner of all or any specified part of the Lessee Owned Alterations and Utility Installations. Unless otherwise instructed per paragraph 7.4(b) hereof, all Lessee Owned Alterations and Utility Installations shall, at the expiration or termination of this Lease, become the property of Lessor and be surrendered by Lessee with the Premises.

(b) **Removal**. By delivery to Lessee of written notice from Lessor ~~not earlier than 90 and not later than 30 days~~ prior to the end of the term of this Lease, Lessor may require that any or all Lessee Owned Alterations or Utility Installations be removed by the expiration or termination of this Lease. Lessor may require the removal at any time of all or any part of any Lessee Owned Alterations or Utility Installations made without the required consent.

(c) **Surrender; Restoration**. Lessee shall surrender the Premises by the Expiration Date or any earlier termination date, with all of the improvements, parts and surfaces thereof broom clean and free of debris, and in good operating order, condition and state of repair, ordinary wear and tear excepted. "Ordinary wear and tear" shall not include any damage or deterioration that would have been prevented by good maintenance practice. Notwithstanding the foregoing and the provisions of Paragraph 7.1(a), if the Lessee occupies the Premises for 12 months or less, then Lessee shall surrender the Premises in the same condition as delivered to Lessee on the Start Date with NO allowance for ordinary wear and tear. Lessee shall repair any damage occasioned by the installation, maintenance or removal of Trade Fixtures, Lessee owned Alterations and/or Utility Installations, furnishings, and equipment as well as the removal of any storage tank installed by or for Lessee. Lessee shall also remove from the Premises any and all Hazardous Substances brought onto the Premises by or for Lessee, or any third party (except Hazardous Substances which were deposited via underground migration from areas outside of the Premises) to the level specified in Applicable Requirements. Trade Fixtures shall remain the property of Lessee and shall be removed by Lessee. Any personal property of Lessee not removed on or before the Expiration Date or any earlier termination date shall be deemed to have been abandoned by Lessee and may be disposed of or retained by Lessor as Lessor may desire. The failure by Lessee to timely vacate the Premises pursuant to this Paragraph 7.4(c) without the express written consent of Lessor shall constitute a holdover under the provisions of Paragraph 26 below.

8. Insurance; Indemnity.

8.1 **Payment of Premiums**. The cost of the premiums for the insurance policies required to be carried by Lessor, pursuant to Paragraphs 8.2(b), 8.3(a) and 8.3(b), shall be a Common Area Operating Expense. Premiums for policy periods commencing prior to, or extending beyond, the term of this Lease shall be prorated to coincide with the corresponding Start Date or Expiration Date.

8.2 **Liability Insurance**.

(a) **Carried by Lessee**. Lessee shall obtain and keep in force a Commercial General Liability policy of insurance protecting Lessee and Lessor as an additional insured against claims for bodily injury, personal injury and property damage based upon or arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be on an occurrence basis providing single limit coverage in an amount not less than $1,000,000 per occurrence with an annual aggregate of not less than $2,000,000. Lessee shall add Lessor as an additional insured by means of an endorsement at least as broad as the Insurance Service Organization's "Additional Insured-Managers or Lessors of Premises" Endorsement. The policy shall not contain any intra-insured exclusions as between insured persons or organizations, but shall include coverage for liability assumed under this Lease as an "insured contract" for the performance of Lessee's indemnity obligations under this Lease. The limits of said insurance shall not, however, limit the liability of Lessee nor relieve Lessee of any obligation hereunder. Lessee shall provide an endorsement on its liability policy(ies) which provides that its insurance shall be primary to and not contributory with any similar insurance carried by Lessor, whose insurance shall be considered excess insurance only.

(b) **Carried by Lessor**. Lessor shall maintain liability insurance as described in Paragraph 8.2(a), in addition to, and not in lieu of, the insurance required to be maintained by Lessee. Lessee shall not be named as an additional insured therein.

8.3 **Property Insurance - Building, Improvements and Rental Value**.

(a) **Building and Improvements**. Lessor shall obtain and keep in force a policy or policies of insurance in the name of Lessor, with loss payable to Lessor, any ground-lessor, and to any Lender insuring loss or damage to the Premises. The amount of such insurance shall be equal to the full insurable replacement cost of the Premises, as the same shall exist from time to time, or the amount required by any Lender, but in no event more than the commercially reasonable and available insurable value thereof. Lessee Owned Alterations and Utility Installations, Trade Fixtures, and Lessee's personal property shall be insured by Lessee not by Lessor. If the coverage is available and commercially appropriate, such policy or policies shall insure against all risks of direct physical loss or damage (except the perils of flood and/or earthquake unless required by a Lender), including coverage for debris removal and the enforcement of any Applicable Requirements requiring the upgrading, demolition, reconstruction or replacement of any portion of the Premises as the result of a covered loss. Said policy or policies shall also contain an agreed valuation provision in lieu of any coinsurance clause, waiver of subrogation, and inflation guard protection causing an increase in the annual property insurance coverage amount by a factor of not less than the adjusted U.S. Department of Labor Consumer Price Index for All Urban Consumers for the city nearest to where the Premises are located. If such insurance coverage has a deductible clause, the deductible amount shall not exceed $5,000 per occurrence.

(b) **Rental Value**. Lessor shall also obtain and keep in force a policy or policies in the name of Lessor with loss payable to Lessor and any Lender, insuring the loss of the full Rent for one year with an extended period of indemnity for an additional 180 days ("Rental Value insurance"). Said insurance shall contain an agreed valuation provision in lieu of any coinsurance clause, and the amount of coverage shall be adjusted annually to reflect the projected Rent otherwise payable by Lessee, for the next 12 month period.

(c) **Adjacent Premises**. Lessee shall pay for any increase in the premiums for the property insurance of the Building and for the Common Areas or other buildings in the Shopping Center if said increase is caused by Lessee's acts, omissions, use or occupancy of the Premises.

(d) **Lessee's Improvements**. Since Lessor is the Insuring Party, Lessor shall not be required to insure Lessee Owned Alterations and Utility Installations unless the item in question has become the property of Lessor under the terms of this Lease.

8.4 **Lessee's Property; Business Interruption Insurance; Worker's Compensation Insurance**.

(a) **Property Damage**. Lessee shall obtain and maintain insurance coverage on all of Lessee's personal property, Trade Fixtures, and Lessee Owned Alterations and Utility Installations. Such insurance shall be full replacement cost coverage with a deductible of not to exceed $1,000 per occurrence. The proceeds from any such insurance shall be used by Lessee for the replacement of personal property, Trade Fixtures and Lessee Owned Alterations and Utility Installations.

(b) **Business Interruption**. Lessee shall obtain and maintain loss of income and extra expense insurance in amounts as will reimburse Lessee for direct or indirect loss of earnings attributable to all perils commonly insured against by prudent lessees in the business of Lessee or attributable to prevention of access to the Premises as a result of such perils.

(c) **Worker's Compensation Insurance**. Lessee shall obtain and maintain Worker's Compensation Insurance in such amount as may be required by Applicable Requirements. Such policy shall include a 'Waiver of Subrogation' endorsement. Lessee shall provide Lessor with a copy of such endorsement along with the certificate of insurance or copy of the policy required by paragraph 8.5.

(d) **No Representation of Adequate Coverage**. Lessor makes no representation that the limits or forms of coverage of insurance specified herein are

adequate to cover Lessee's property, business operations or obligations under this Lease.

8.5 **Insurance Policies**. Insurance required herein shall be by companies maintaining during the policy term a "General Policyholders Rating" of at least A-, VII, as set forth in the most current issue of "Best's Insurance Guide", or such other rating as may be required by a Lender. Lessee shall not do or permit to be done anything which invalidates the required insurance policies. Lessee shall, prior to the Start Date, deliver to Lessor certified copies of policies of such insurance or certificates with copies of the required endorsements evidencing the existence and amounts of the required insurance. No such policy shall be cancelable or subject to modification except after 30 days prior written notice to Lessor. Lessee shall, at least 10 days prior to the expiration of such policies, furnish Lessor with evidence of renewals or "insurance binders" evidencing renewal thereof, or Lessor may increase his liability insurance coverage and charge the cost thereof to Lessee, which amount shall be payable by Lessee to Lessor upon demand. Such policies shall be for a term of at least one year, or the length of the remaining term of this Lease, whichever is less. If either Party shall fail to procure and maintain the insurance required to be carried by it, the other Party may, but shall not be required to, procure and maintain the same.

8.6 **Waiver of Subrogation**. Without affecting any other rights or remedies, Lessee and Lessor each hereby release and relieve the other, and waive their entire right to recover damages against the other, for loss of or damage to its property arising out of or incident to the perils required to be insured against herein. The effect of such releases and waivers is not limited by the amount of insurance carried or required, or by any deductibles applicable hereto. The Parties agree to have their respective property damage insurance carriers waive any right to subrogation that such companies may have against Lessor or Lessee, as the case may be, so long as the insurance is not invalidated thereby.

8.7 **Indemnity**. Except for Lessor's gross negligence or willful misconduct, Lessee shall indemnify, protect, defend and hold harmless the Premises, Lessor and its agents, Lessor's master or ground lessor, partners and Lenders, from and against any and all claims, loss of rents and/or damages, liens, judgments, penalties, attorneys' and consultants' fees, expenses and/or liabilities arising out of, involving, or in connection with, a Breach of the Lease by Lessee and/or the use and/or occupancy of the Premises and/or Project by Lessee and/or by Lessee's employees, contractors or invitees. If any action or proceeding is brought against Lessor by reason of any of the foregoing matters, Lessee shall upon notice defend the same at Lessee's expense by counsel reasonably satisfactory to Lessor and Lessor shall cooperate with Lessee in such defense. Lessor need not have first paid any such claim in order to be defended or indemnified.

8.8 **Exemption of Lessor and its Agents from Liability**. Notwithstanding the negligence or breach of this Lease by Lessor or its agents, neither Lessor nor its agents shall be liable under any circumstances for: (i) injury or damage to the person or goods, wares, merchandise or other property of Lessee, Lessee's employees, contractors, invitees, customers, or any other person in or about the Premises, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, indoor air quality, the presence of mold or from the breakage, leakage, obstruction or other defects of pipes, fire sprinklers, wires, appliances, plumbing, HVAC or lighting fixtures, or from any other cause, whether the said injury or damage results from conditions arising upon the Premises or upon other portions of the building of which the Premises are a part, or from other sources or places, (ii) any damages arising from any act or neglect of any other tenant of Lessor or from the failure of Lessor or its agents to enforce the provisions of any other lease in the Shopping Center, or (iii) injury to Lessee's business or for any loss of income or profit therefrom. Instead, it is intended that Lessee's sole recourse in the event of such damages or injury be to file a claim on the insurance policy(ies) that Lessee is required to maintain pursuant to the provisions of paragraph 8.

8.9 **Failure to Provide Insurance**. Lessee acknowledges that any failure on its part to obtain or maintain the insurance required herein will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, for any month or portion thereof that Lessee does not maintain the required insurance and/or does not provide Lessor with the required binders or certificates evidencing the existence of the required insurance, the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater. The parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to maintain the required insurance. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to maintain such insurance, prevent the exercise of any of the other rights and remedies granted hereunder, nor relieve Lessee of its obligation to maintain the insurance specified in this Lease.

9. Damage or Destruction.

9.1 **Definitions**.

(a) "**Premises Partial Damage**" shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations, which can reasonably be repaired in 3 months or less from the date of the damage or destruction, and the cost thereof does not exceed a sum equal to 6 month's Base Rent. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(b) "**Premises Total Destruction**" shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which cannot reasonably be repaired in 3 months or less from the date of the damage or destruction and/or the cost thereof exceeds a sum equal to 6 month's Base Rent. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(c) "**Insured Loss**" shall mean damage or destruction to improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which was caused by an event required to be covered by the insurance described in Paragraph 8.3(a), irrespective of any deductible amounts or coverage limits involved.

(d) "**Replacement Cost**" shall mean the cost to repair or rebuild the improvements owned by Lessor at the time of the occurrence to their condition existing immediately prior thereto, including demolition, debris removal and upgrading required by the operation of Applicable Requirements, and without deduction for depreciation.

(e) "**Hazardous Substance Condition**" shall mean the occurrence or discovery of a condition involving the presence of, or a contamination by, a Hazardous Substance, in, on, or under the Premises or Common Areas which requires restoration.

9.2 **Partial Damage - Insured Loss**. If a Premises Partial Damage that is an Insured Loss occurs, then Lessor shall, at Lessor's expense, repair such damage (but not Lessee's Trade Fixtures or Lessee Owned Alterations and Utility Installations) as soon as reasonably possible and this Lease shall continue in full force and effect; provided, however, that Lessee shall, at Lessor's election, make the repair of any damage or destruction the total Replacement Cost of which is $10,000 or less, and, in such event, Lessor shall make any applicable insurance proceeds available to Lessee on a reasonable basis for that purpose. Notwithstanding the foregoing, if the required insurance was not in force or the insurance proceeds are not sufficient to effect such repair, the Insuring Party shall promptly contribute the shortage in proceeds as and when required to complete said repairs. In the event, however, such shortage was due to the fact that, by reason of the unique nature of the improvements, full Replacement Cost insurance coverage was not commercially reasonable and available, Lessor shall have no obligation to pay for the shortage in insurance proceeds or to fully restore the unique aspects of the Premises unless Lessee provides Lessor with the funds to cover same, or adequate assurance thereof, within 10 days following receipt of written notice of such shortage and request therefor. If Lessor receives said funds or adequate assurance thereof within said 10 day period, the party responsible for making the repairs shall complete them as soon as reasonably possible and this Lease shall remain in full force and effect. If such funds or assurance are not received, Lessor may nevertheless elect by written notice to Lessee within 10 days thereafter to: (i) make such restoration and repair as is commercially reasonable with Lessor paying any shortage in proceeds, in which case this Lease shall remain in full force and effect, or (ii) have this Lease terminate 30 days thereafter. Lessee shall not be entitled to reimbursement of any funds contributed by Lessee to repair any such damage or destruction. Premises Partial Damage due to flood or earthquake shall be subject to Paragraph 9.3, notwithstanding that there may be some insurance coverage, but the net proceeds of any such insurance shall be made available for the repairs if made by either Party.

9.3 **Partial Damage - Uninsured Loss**. If a Premises Partial Damage that is not an Insured Loss occurs, unless caused by a negligent or willful act of Lessee (in which event Lessee shall make the repairs at Lessee's expense), Lessor may either: (i) repair such damage as soon as reasonably possible at Lessor's expense (subject to reimbursement pursuant to Paragraph 4.2), in which event this Lease shall continue in full force and effect, or (ii) terminate this Lease by giving written notice to Lessee within 30 days after receipt by Lessor of knowledge of the occurrence of such damage. Such termination shall be effective 60 days following the date of such notice. In the event Lessor elects to terminate this Lease, Lessee shall have the right within 10 days after receipt of the termination notice to give written notice to Lessor of Lessee's commitment to pay for the repair of such damage without reimbursement from Lessor. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days after making such commitment. In such event this Lease shall continue in full force and effect, and Lessor shall proceed to make such repairs as soon as reasonably possible after the required funds are available. If Lessee does not make the required commitment, this Lease shall terminate as of the date specified in the termination notice.

9.4 **Total Destruction**. Notwithstanding any other provision hereof, if a Premises Total Destruction occurs, this Lease shall terminate 60 days following such Destruction. If the damage or destruction was caused by the gross negligence or willful misconduct of Lessee, Lessor shall have the right to recover Lessor's damages from Lessee, except as provided in Paragraph 8.6.

9.5 **Damage Near End of Term**. If at any time during the last 6 months of this Lease there is damage for which the cost to repair exceeds one month's Base Rent, whether or not an Insured Loss, Lessor may terminate this Lease effective 60 days following the date of occurrence of such damage by giving a written termination notice to Lessee within 30 days after the date of occurrence of such damage. Notwithstanding the foregoing, if Lessee at that time has an exercisable option to extend this Lease or to purchase the Premises, then Lessee may preserve this Lease by (a) exercising such option and (b) providing Lessor with any shortage in insurance proceeds (or adequate assurance thereof) needed to make the repairs on or before the earlier of (i) the date which is 10 days after Lessee's receipt of Lessor's written notice purporting to terminate this Lease, or (ii) the day prior to the date upon which such option expires. If Lessee duly exercises such option during such period and provides Lessor with funds (or adequate assurance thereof) to cover any shortage in insurance proceeds, Lessor shall, at Lessor's commercially

reasonable expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Lessee fails to exercise such option and provide such funds or assurance during such period, then this Lease shall terminate on the date specified in the termination notice and Lessee's option shall be extinguished.

9.6 **Damage to Shopping Center**. In the event of any damage or destruction to other portions of the Building or to any other buildings in the Shopping Center, whether insured or uninsured (and whether or not there is also damage or destruction to the Premises), which cannot reasonably be repaired in 6 months or less from the date of the damage or destruction, Lessor may either (i) repair such damage or destruction as soon as reasonably possible without expense to Lessee, in which event this Lease shall continue in full force and effect, or (ii) terminate this Lease by giving written notice to Lessee within 30 days after receipt by Lessor of knowledge of the occurrence of such damage or destruction. Such termination shall be effective 60 days following the date of such notice.

9.7 **Abatement of Rent; Lessee's Remedies**.

(a) **Abatement**. In the event of Premises Partial Damage or Premises Total Destruction or a Hazardous Substance Condition for which Lessee is not responsible under this Lease, the Base Rent payable by Lessee for the period required for the repair, remediation or restoration of such damage shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired, but not to exceed the proceeds received from the Rental Value Insurance. All other obligations of Lessee hereunder shall be performed by Lessee, and Lessor shall have no liability for any such damage, destruction, remediation, repair or restoration except as provided herein.

(b) **Remedies**. If Lessor shall be obligated to repair or restore the Premises and does not commence, in a substantial and meaningful way, such repair or restoration within 90 days after such obligation shall accrue, Lessee may, at any time prior to the commencement of such repair or restoration, give written notice to Lessor and to any Lenders of which Lessee has actual notice, of Lessee's election to terminate this Lease on a date not less than 60 days following the giving of such notice. If Lessee gives such notice and such repair or restoration is not commenced within 30 days thereafter, this Lease shall terminate as of the date specified in said notice. If the repair or restoration is commenced within such 30 days, this Lease shall continue in full force and effect. "Commence" shall mean either the unconditional authorization of the preparation of the required plans, or the beginning of the actual work on the Premises, whichever first occurs.

9.8 **Termination; Advance Payments**. Upon termination of this Lease pursuant to Paragraph 6.2(g) or Paragraph 9, an equitable adjustment shall be made concerning advance Base Rent and any other advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's Security Deposit as has not been, or is not then required to be, used by Lessor.

10. Real Property Taxes.

10.1 **Definition**. As used herein, the term "**Real Property Taxes**" shall include any form of assessment; real estate, general, special, ordinary or extraordinary, or rental levy or tax (other than inheritance, personal income or estate taxes); improvement bond; and/or license fee imposed upon or levied against any legal or equitable interest of Lessor in the Shopping Center, Lessor's right to other income therefrom, and/or Lessor's business of leasing, by any authority having the direct or indirect power to tax and where the funds are generated with reference to the Shopping Center address. The term "**Real Property Taxes**" shall also include any tax, fee, levy, assessment or charge, or any increase therein: (i) imposed by reason of events occurring during the term of this Lease, including but not limited to, a change in the ownership of the Shopping Center, (ii) a change in the improvements thereon, and/or (iii) levied or assessed on machinery or equipment provided by Lessor to Lessee pursuant to this Lease. In calculating Real Property Taxes for any calendar year, the Real Property Taxes for any real estate tax year shall be included in the calculation of Real Property Taxes for such calendar year based upon the number of days which such calendar year and tax year have in common.

10.2 **Payment of Taxes**. Except as otherwise provided in Paragraph 10.3, Lessor shall pay the Real Property Taxes applicable to the Shopping Center, and said payments shall be included in the calculation of Common Area Operating Expenses in accordance with the provisions of Paragraph 4.2.

10.3 **Additional Improvements**. Common Area Operating Expenses shall not include Real Property Taxes specified in the tax assessor's records and work sheets as being caused by additional improvements placed upon the Shopping Center by other lessees or by Lessor for the exclusive enjoyment of such other lessees. Notwithstanding Paragraph 10.2 hereof, Lessee shall, however, pay to Lessor at the time Common Area Operating Expenses are payable under Paragraph 4.2, the entirety of any increase in Real Property Taxes if assessed solely by reason of Alterations, Trade Fixtures or Utility Installations placed upon the Premises by Lessee or at Lessee's request, or by reason of any alterations or improvements to the Premises made by Lessor subsequent to the execution of this Lease by the Parties.

10.4 **Joint Assessment**. If the Building is not separately assessed, Real Property Taxes allocated to the Building shall be an equitable proportion of the Real Property Taxes for all of the land and improvements included within the tax parcel assessed, such proportion to be determined by Lessor from the respective valuations assigned in the assessor's work sheets or such other information as may be reasonably available. Lessor's reasonable determination thereof, in good faith, shall be conclusive.

10.5 **Personal Property Taxes**. Lessee shall pay prior to delinquency all taxes assessed against and levied upon Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all personal property of Lessee contained in the Premises. When possible, Lessee shall cause its Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor. If any of Lessee's said property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee's property within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. Utilities and Services.

11.1 Lessee shall pay for all water, gas, heat, light, power, telephone, trash disposal and other utilities and services supplied to the Premises, together with any taxes thereon. To the extent any such utilities and/or services are not separately metered, Lessee shall pay Lessee's Share thereof in accordance with Paragraph 4.2. Notwithstanding the provisions of Paragraph 4.2, if at any time in Lessor's sole judgment, Lessor determines that Lessee is using a disproportionate amount of water, electricity or other commonly metered utilities, or that Lessee is generating such a large volume of trash as to require an increase in the size of the trash receptacle and/or an increase in the number of times per month that it is emptied, then Lessor may increase Lessee's Base Rent by an amount equal to such increased costs. There shall be no abatement of Rent and Lessor shall not be liable in any respect whatsoever for the inadequacy, stoppage, interruption or discontinuance of any utility or service due to riot, strike, labor dispute, breakdown, accident, repair or other cause beyond Lessor's reasonable control or in cooperation with governmental request or directions.

11.2 Within fifteen days of Lessor's written request, Lessee agrees to deliver to Lessor such information, documents and/or authorization as Lessor needs in order for Lessor to comply with new or existing Applicable Requirements relating to commercial building energy usage, ratings, and/or the reporting thereof.

12. Assignment and Subletting.

12.1 **Lessor's Consent Required**.

(a) Lessee shall not voluntarily or by operation of law assign, transfer, mortgage or encumber (collectively, "**assign or assignment**") or sublet all or any part of Lessee's interest in this Lease or in the Premises without Lessor's prior written consent.

(b) Unless Lessee is a corporation and its stock is publicly traded on a national stock exchange, a change in the control of Lessee shall constitute an assignment requiring consent. The transfer, on a cumulative basis, of 25% or more of the voting control of Lessee shall constitute a change in control for this purpose.

(c) The involvement of Lessee or its assets in any transaction, or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buyout or otherwise), whether or not a formal assignment or hypothecation of this Lease or Lessee's assets occurs, which results or will result in a reduction of the Net Worth of Lessee by an amount greater than 25% of such Net Worth as it was represented at the time of the execution of this Lease or at the time of the most recent assignment to which Lessor has consented, or as it exists immediately prior to said transaction or transactions constituting such reduction, whichever was or is greater, shall be considered an assignment of this Lease to which Lessor may withhold its consent. "**Net Worth of Lessee**" shall mean the net worth of Lessee (excluding any guarantors) established under generally accepted accounting principles.

(d) An assignment or subletting without consent shall, at Lessor's option, be a Default curable after notice per Paragraph 13.1(d), or a noncurable Breach without the necessity of any notice and grace period. If Lessor elects to treat such unapproved assignment or subletting as a noncurable Breach, Lessor may either: (i) terminate this Lease, or (ii) upon 30 days written notice, increase the monthly Base Rent and Percentage Rent Rate to 110% of the Base Rent and Percentage Rent Rate then in effect. Further, in the event of such Breach and rental adjustment, (i) the purchase price of any option to purchase the Premises held by Lessee shall be subject to similar adjustment to 110% of the price previously in effect, and (ii) all fixed and non-fixed rental adjustments scheduled during the remainder of the Lease term shall be increased to 110% of the scheduled adjusted rent.

(e) Lessee's remedy for any breach of Paragraph 12.1 by Lessor shall be limited to compensatory damages and/or injunctive relief.

(f) Lessor may reasonably withhold consent to a proposed assignment or subletting if Lessee is in Default at the time consent is requested.

(g) Notwithstanding the foregoing, allowing a de minimis portion of the Premises, ie. 20 square feet or less, to be used by a third party vendor in connection with the installation of a vending machine or payphone shall not constitute a subletting.

12.2 **Terms and Conditions Applicable to Assignment and Subletting**.

(a) Regardless of Lessor's consent, no assignment or subletting shall : (i) be effective without the express written assumption by such assignee or sublessee of the obligations of Lessee under this Lease, (ii) release Lessee of any obligations hereunder, or (iii) alter the primary liability of Lessee for the payment of Rent or for the performance of any other obligations to be performed by Lessee.

(b) Lessor may accept Rent or performance of Lessee's obligations from any person other than Lessee pending approval or disapproval of an assignment. Neither a delay in the approval or disapproval of such assignment nor the acceptance of Rent or performance shall constitute a waiver or estoppel of Lessor's right to exercise its remedies for Lessee's Default or Breach.

(c) Lessor's consent to any assignment or subletting shall not constitute a consent to any subsequent assignment or subletting.

(d) In the event of any Default or Breach by Lessee, Lessor may proceed directly against Lessee, any Guarantors or anyone else responsible for the performance of Lessee's obligations under this Lease, including any assignee or sublessee, without first exhausting Lessor's remedies against any other person or entity responsible therefor to Lessor, or any security held by Lessor.

(e) Each request for consent to an assignment or subletting shall be in writing, accompanied by information relevant to Lessor's determination as to the financial and operational responsibility and appropriateness of the proposed assignee or sublessee, including but not limited to the intended use and/or required modification of the Premises, if any, together with a fee of $2000 ~~500~~ as consideration for Lessor's considering and processing said request. Lessee agrees to provide Lessor with such other or additional information and/or documentation as may be reasonably requested. (See also Paragraph 36)

(f) Any assignee of, or sublessee under, this Lease shall, by reason of accepting such assignment, entering into such sublease, or entering into possession of the Premises or any portion thereof, be deemed to have assumed and agreed to conform and comply with each and every term, covenant, condition and obligation herein to be observed or performed by Lessee during the term of said assignment or sublease, other than such obligations as are contrary to or inconsistent with provisions of an assignment or sublease to which Lessor has specifically consented to in writing.

(g) Lessor's consent to any assignment or subletting shall not transfer to the assignee or sublessee any Option granted to the original Lessee by this Lease unless such transfer is specifically consented to by Lessor in writing. (See Paragraph 39.2)

12.3 **Additional Terms and Conditions Applicable to Subletting**. The following terms and conditions shall apply to any subletting by Lessee of all or any part of the Premises and shall be deemed included in all subleases under this Lease whether or not expressly incorporated therein:

(a) Lessee hereby assigns and transfers to Lessor all of Lessee's interest in all Rent payable on any sublease, and Lessor may collect such Rent and apply same toward Lessee's obligations under this Lease; provided, however, that until a Breach shall occur in the performance of Lessee's obligations, Lessee may collect said Rent. In the event that the amount collected by Lessor exceeds Lessee's then outstanding obligations any such excess shall be refunded to Lessee. Lessor shall not, by reason of the foregoing or any assignment of such sublease, nor by reason of the collection of Rent, be deemed liable to the sublessee for any failure of Lessee to perform and comply with any of Lessee's obligations to such sublessee. Lessee hereby irrevocably authorizes and directs any such sublessee, upon receipt of a written notice from Lessor stating that a Breach exists in the performance of Lessee's obligations under this Lease, to pay to Lessor all Rent due and to become due under the sublease. Sublessee shall rely upon any such notice from Lessor and shall pay all Rents to Lessor without any obligation or right to inquire as to whether such Breach exists, notwithstanding any claim from Lessee to the contrary.

(b) In the event of a Breach by Lessee, Lessor may, at its option, require sublessee to attorn to Lessor, in which event Lessor shall undertake the obligations of the sublessor under such sublease from the time of the exercise of said option to the expiration of such sublease; provided, however, Lessor shall not be liable for any prepaid rents or security deposit paid by such sublessee to such sublessor or for any prior Defaults or Breaches of such sublessor.

(c) Any matter requiring the consent of the sublessor under a sublease shall also require the consent of Lessor.

(d) No sublessee shall further assign or sublet all or any part of the Premises without Lessor's prior written consent.

(e) Lessor shall deliver a copy of any notice of Default or Breach by Lessee to the sublessee, who shall have the right to cure the Default of Lessee within the grace period, if any, specified in such notice. The sublessee shall have a right of reimbursement and offset from and against Lessee for any such Defaults cured by the sublessee.

13. Default; Breach; Remedies.

13.1 **Default; Breach**. A "**Default**" is defined as a failure by the Lessee to comply with or perform any of the terms, covenants, conditions or Rules and Regulations under this Lease. A "**Breach**" is defined as the occurrence of one or more of the following Defaults, and the failure of Lessee to cure such Default within any applicable grace period:

(a) The vacating or abandonment of the Premises. Lessee shall be deemed to have vacated the Premises if Lessee ceases to continuously operate its business in the Premises for a period of 5 consecutive days.

(b) The failure of Lessee to make any payment of Rent or any Security Deposit required to be made by Lessee hereunder, whether to Lessor or to a third party, when due, to provide reasonable evidence of insurance or surety bond, or to fulfill any obligation under this Lease which endangers or threatens life or property, where such failure continues for a period of 3 business days following written notice to Lessee. THE ACCEPTANCE BY LESSOR OF A PARTIAL PAYMENT OF RENT OR SECURITY DEPOSIT SHALL NOT CONSTITUTE A WAIVER OF ANY OF LESSOR'S RIGHTS, INCLUDING LESSOR'S RIGHT TO RECOVER POSSESSION OF THE PREMISES.

(c) The failure of Lessee to allow Lessor and/or its agents access to the Premises or the commission of waste, act or acts constituting public or private nuisance, and/or an illegal activity on the Premises by Lessee, where such actions continue for a period of 3 business days following written notice to Lessee. In the event that Lessee commits waste, a nuisance or an illegal activity a second time then, the Lessor may elect to treat such conduct as a non-curable Breach rather than a Default.

(d) The failure by Lessee to provide (i) reasonable written evidence of compliance with Applicable Requirements, (ii) the service contracts, (iii) the rescission of an unauthorized assignment or subletting, (iv) an Estoppel Certificate or financial statements, (v) a requested subordination, (vi) evidence concerning any guaranty and/or Guarantor, (vii) any document requested under Paragraph 41, (viii) material safety data sheets (MSDS), or (ix) any other documentation or information which Lessor may reasonably require of Lessee under the terms of this Lease, where any such failure continues for a period of 10 days following written notice to Lessee.

(e) A Default by Lessee as to the terms, covenants, conditions or provisions of this Lease, or of the rules adopted under Paragraph 2.9 hereof, other than those described in subparagraphs 13.1(a), (b), (c) or (d), above, where such Default continues for a period of 30 days after written notice; provided, however, that if the nature of Lessee's Default is such that more than 30 days are reasonably required for its cure, then it shall not be deemed to be a Breach if Lessee commences such cure within said 30 day period and thereafter diligently prosecutes such cure to completion.

(f) The occurrence of any of the following events: (i) the making of any general arrangement or assignment for the benefit of creditors; (ii) becoming a "**debtor**" as defined in 11 U.S.C. § 101 or any successor statute thereto (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days; provided, however, in the event that any provision of this subparagraph is contrary to any applicable law, such provision shall be of no force or effect, and not affect the validity of the remaining provisions.

(g) The discovery that any financial statement of Lessee or of any Guarantor given to Lessor was materially false.

(h) If the performance of Lessee's obligations under this Lease is guaranteed: (i) the death of a Guarantor, (ii) the termination of a Guarantor's liability with respect to this Lease other than in accordance with the terms of such guaranty, (iii) a Guarantor's becoming insolvent or the subject of a bankruptcy filing, (iv) a Guarantor's refusal to honor the guaranty, or (v) a Guarantor's breach of its guaranty obligation on an anticipatory basis, and Lessee's failure, within 60 days following written notice of any such event, to provide written alternative assurance or security, which, when coupled with the then existing resources of Lessee, equals or exceeds the combined financial resources of Lessee and the Guarantors that existed at the time of execution of this Lease.

13.2 **Remedies**. If Lessee fails to perform any of its affirmative duties or obligations, within 10 days after written notice (or in case of an emergency, without notice), Lessor may, at its option, perform such duty or obligation on Lessee's behalf, including but not limited to the obtaining of reasonably required bonds, insurance policies, or governmental licenses, permits or approvals. Lessee shall pay to Lessor an amount equal to 115% of the costs and expenses incurred by Lessor in such performance upon receipt of an invoice therefor. In the event of a Breach, Lessor may, with or without further notice or demand, and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such Breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession to Lessor. In such event Lessor shall be entitled to recover from Lessee: (i) the unpaid Rent which had been earned at the time of termination; (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Lessee proves could have been reasonably avoided; (iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Lessee proves could be reasonably avoided; and (iv) any other amount necessary to compensate Lessor for all the detriment proximately caused by the Lessee's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including but not limited to the cost of recovering possession of the Premises, expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorneys' fees, and that portion of any leasing commission paid by Lessor in connection with this Lease applicable to the unexpired term of this Lease. The worth at the time of award of the amount referred to in provision (iii) of the immediately preceding sentence shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of the District within which the Premises are located at the time of award plus one percent. Efforts by Lessor to mitigate damages caused by Lessee's Breach of this Lease shall not waive Lessor's right to recover any damages to which Lessor is otherwise entitled. If termination of this Lease is obtained through the provisional remedy of unlawful detainer, Lessor shall have the right to recover in such proceeding any unpaid Rent and damages as are recoverable therein, or Lessor may reserve the right to recover all or any part thereof in a separate suit. If a notice and grace period required under Paragraph 13.1 was not previously given, a notice to pay rent or quit, or to perform or quit given to Lessee under the unlawful detainer statute shall also constitute the notice required by Paragraph 13.1. In such case, the applicable grace period required by Paragraph 13.1 and the unlawful detainer statute shall run concurrently, and the failure of Lessee to cure the Default within the greater of the two such grace periods shall constitute both an unlawful

detainer and a Breach of this Lease entitling Lessor to the remedies provided for in this Lease and/or by said statute.

(b) Continue the Lease and Lessee's right to possession and recover the Rent as it becomes due, in which event Lessee may sublet or assign, subject only to reasonable limitations. Acts of maintenance, efforts to relet, and/or the appointment of a receiver to protect the Lessor's interests, shall not constitute a termination of the Lessee's right to possession.

(c) Pursue any other remedy now or hereafter available under the laws or judicial decisions of the state wherein the Premises are located. The expiration or termination of this Lease and/or the termination of Lessee's right to possession shall not relieve Lessee from liability under any indemnity provisions of this Lease as to matters occurring or accruing during the term hereof or by reason of Lessee's occupancy of the Premises.

13.3 **Inducement Recapture.** Any agreement for free or abated rent or other charges, the cost of tenant improvements for Lessee paid for or performed by Lessor, or for the giving or paying by Lessor to or for Lessee of any cash or other bonus, inducement or consideration for Lessee's entering into this Lease, all of which concessions are hereinafter referred to as "**Inducement Provisions**," shall be deemed conditioned upon Lessee's full and faithful performance of all of the terms, covenants and conditions of this Lease. Upon Breach of this Lease by Lessee, any such Inducement Provision shall automatically be deemed deleted from this Lease and of no further force or effect, and any rent, other charge, bonus, inducement or consideration theretofore abated, given or paid by Lessor under such an Inducement Provision shall be immediately due and payable by Lessee to Lessor, notwithstanding any subsequent cure of said Breach by Lessee. The acceptance by Lessor of rent or the cure of the Breach which initiated the operation of this paragraph shall not be deemed a waiver by Lessor of the provisions of this paragraph unless specifically so stated in writing by Lessor at the time of such acceptance.

13.4 **Late Charges**. Lessee hereby acknowledges that late payment by Lessee of Rent will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Lessor by any Lender. Accordingly, if any Rent shall not be received by Lessor within 5 days after such amount shall be due, then, without any requirement for notice to Lessee, Lessee shall immediately pay to Lessor a one-time late charge equal to 10% of each such overdue amount or $100, whichever is greater. The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Lessor will incur by reason of such late payment. Acceptance of such late charge by Lessor shall in no event constitute a waiver of Lessee's Default or Breach with respect to such overdue amount, nor prevent the exercise of any of the other rights and remedies granted hereunder. In the event that a late charge is payable hereunder, whether or not collected, for 3 consecutive installments of Base Rent, then notwithstanding any provision of this Lease to the contrary, Base Rent shall, at Lessor's option, become due and payable quarterly in advance.

13.5 **Interest**. Any monetary payment due Lessor hereunder, other than late charges, not received by Lessor, when due shall bear interest from the 31st day after it was due. The interest ("**Interest**") charged shall be computed at the rate of 10% per annum but shall not exceed the maximum rate allowed by law. Interest is payable in addition to the potential late charge provided for in Paragraph 13.4.

13.6 **Breach by Lessor**.

(a) **Notice of Breach**. Lessor shall not be deemed in breach of this Lease unless Lessor fails within a reasonable time to perform an obligation required to be performed by Lessor. For purposes of this Paragraph, a reasonable time shall in no event be less than 30 days after receipt by Lessor, and any Lender whose name and address shall have been furnished to Lessee in writing for such purpose, of written notice specifying wherein such obligation of Lessor has not been performed; provided, however, that if the nature of Lessor's obligation is such that more than 30 days are reasonably required for its performance, then Lessor shall not be in breach if performance is commenced within such 30 day period and thereafter diligently pursued to completion.

(b) **Performance by Lessee on Behalf of Lessor**. In the event that neither Lessor nor Lender cures said breach within 30 days after receipt of said notice, or if having commenced said cure they do not diligently pursue it to completion, then Lessee may elect to cure said breach at Lessee's expense and offset from Rent the actual and reasonable cost to perform such cure, provided, however, that such offset shall not exceed an amount equal to the greater of one month's Base Rent or the Security Deposit, reserving Lessee's right to reimbursement from Lessor for any such expense in excess of such offset. Lessee shall document the cost of said cure and supply said documentation to Lessor.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain or sold under the threat of the exercise of said power (collectively "**Condemnation**"), this Lease shall terminate as to the part taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the floor area of the Premises, or more than 25% of the parking spaces situated within the parking area, is taken by Condemnation, Lessee may, at Lessee's option, to be exercised in writing within 10 days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within 10 days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the Base Rent shall be reduced in proportion to the reduction in utility of the Premises caused by such Condemnation. Condemnation awards and/or payments shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold, the value of the part taken, or for severance damages; provided, however, that Lessee shall be entitled to any compensation paid by the condemnor for Lessee's relocation expenses, loss of business goodwill and/or Trade Fixtures, without regard to whether or not this Lease is terminated pursuant to the provisions of this Paragraph. All Alterations and Utility Installations made to the Premises by Lessee, for purposes of Condemnation only, shall be considered the property of the Lessee and Lessee shall be entitled to any and all compensation which is payable therefor. In the event that this Lease is not terminated by reason of the Condemnation, Lessor shall repair any damage to the Premises caused by such Condemnation.

15. Brokerage Fees.

~~15.1 **Additional Commission.** In addition to the payments owed pursuant to Paragraph 1.13 above, Lessor agrees that: (a) if Lessee exercises any Option, (b) if Lessee or anyone affiliated with Lessee acquires from Lessor any rights to the Premises or other premises owned by Lessor and located within the Shopping Center, (c) if Lessee remains in possession of the Premises, with the consent of Lessor, after the expiration of this Lease, or (d) if Base Rent is increased, whether by agreement or operation of an escalation clause herein, then, Lessor shall pay Brokers a fee in accordance with the fee schedule of the Brokers in effect at the time the Lease was executed. The provisions of this paragraph are intended to supersede the provisions of any earlier agreement to the contrary.~~

15.2 **Assumption of Obligations**. Any buyer or transferee of Lessor's interest in this Lease shall be deemed to have assumed Lessor's obligation hereunder. Brokers shall be third party beneficiaries of the provisions of Paragraphs 1.13, 15, 22 and 31. If Lessor fails to pay to Brokers any amounts due as and for brokerage fees pertaining to this Lease when due, then such amounts shall accrue Interest. In addition, if Lessor fails to pay any amounts to Lessee's Broker when due, Lessee's Broker may send written notice to Lessor and Lessee of such failure and if Lessor fails to pay such amounts within 10 days after said notice, Lessee shall pay said monies to its Broker and offset such amounts against Rent. In addition, Lessee's Broker shall be deemed to be a third party beneficiary of any commission agreement entered into by and/or between Lessor and Lessor's Broker for the limited purpose of collecting any brokerage fee owed.

15.3 **Representations and Indemnities of Broker Relationships**. Lessee and Lessor each represent and warrant to the other that it has had no dealings with any person, firm, broker, agent or finder (other than the Brokers and Agents, if any) in connection with this Lease, and that no one other than said named Brokers and Agents is entitled to any commission or finder's fee in connection herewith. Lessee and Lessor do each hereby agree to indemnify, protect, defend and hold the other harmless from and against liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying Party, including any costs, expenses, attorneys' fees reasonably incurred with respect thereto.

16. Estoppel Certificates.

(a) Each Party (as "**Responding Party**") shall within 10 days after written notice from the other Party (the "**Requesting Party**") execute, acknowledge and deliver to the Requesting Party a statement in writing in form similar to the then most current "**Estoppel Certificate**" form published BY AIR CRE, plus such additional information, confirmation and/or statements as may be reasonably requested by the Requesting Party.

(b) If the Responding Party shall fail to execute or deliver the Estoppel Certificate within such 10 day period, the Requesting Party may execute an Estoppel Certificate stating that: (i) the Lease is in full force and effect without modification except as may be represented by the Requesting Party, (ii) there are no uncured defaults in the Requesting Party's performance, and (iii) if Lessor is the Requesting Party, not more than one month's rent has been paid in advance. Prospective purchasers and encumbrancers may rely upon the Requesting Party's Estoppel Certificate, and the Responding Party shall be estopped from denying the truth of the facts contained in said Certificate. In addition, Lessee acknowledges that any failure on its part to provide such an Estoppel Certificate will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to execute and/or deliver a requested Estoppel Certificate in a timely fashion the monthly Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for remainder of the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to provide the Estoppel Certificate. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to provide the Estoppel Certificate nor prevent the exercise of any of the other rights and remedies granted hereunder.

(c) If Lessor desires to finance, refinance, or sell the Premises, or any part thereof, Lessee and all Guarantors shall within 10 days after written notice from Lessor deliver to any potential lender or purchaser designated by Lessor such financial statements as may be reasonably required by such lender or purchaser, including but not limited to Lessee's financial statements for the past 3 years. All such financial statements shall be received by Lessor and such lender or purchaser in confidence and shall be used only for the purposes herein set forth.

17. Definition of Lessor. The term "**Lessor**" as used herein shall mean the owner or owners at the time in question of the fee title to the Premises, or, if this is a sublease, of the Lessee's interest in the prior lease. In the event of a transfer of Lessor's title or interest in the Premises or this Lease, Lessor shall deliver to the transferee or assignee (in cash or by credit) any unused Security Deposit held by Lessor. Upon such transfer or assignment and delivery of the Security Deposit, as aforesaid, the prior Lessor shall be relieved of all liability with respect to the obligations and/or covenants under this Lease thereafter to be performed by the Lessor. Subject to the foregoing, the obligations and/or covenants in this Lease to be performed by the Lessor shall be binding only upon the Lessor as hereinabove defined.

18. Severability. The invalidity of any provision of this Lease, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

19. Days. Unless otherwise specifically indicated to the contrary, the word "**days**" as used in this Lease shall mean and refer to calendar days.

20. Limitation on Liability. The obligations of Lessor under this Lease shall not constitute personal obligations of Lessor, or its partners, members, directors, officers or shareholders, and Lessee shall look to the Project, and to no other assets of Lessor, for the satisfaction of any liability of Lessor with respect to this Lease, and shall not seek recourse against Lessor's partners, members, directors, officers or shareholders, or any of their personal assets for such satisfaction.

21. Time of Essence. Time is of the essence with respect to the performance of all obligations to be performed or observed by the Parties under this Lease.

22. No Prior or Other Agreements; Broker Disclaimer. This Lease contains all agreements between the Parties with respect to any matter mentioned herein, and no other prior or contemporaneous agreement or understanding shall be effective. Lessor and Lessee each represents and warrants to the Brokers that it has made, and is relying solely upon, its own investigation as to the nature, quality, character and financial responsibility of the other Party to this Lease and as to the use, nature, quality and character of the Premises. Brokers have no responsibility with respect thereto or with respect to any default or breach hereof by either Party.

23. Notices.

23.1 **Notice Requirements**. All notices required or permitted by this Lease or applicable law shall be in writing and may be delivered in person (by hand or by courier) or may be sent by regular, certified or registered mail or U.S. Postal Service Express Mail, with postage prepaid, or by facsimile transmission, or by email, and shall be deemed sufficiently given if served in a manner specified in this Paragraph 23. The addresses noted adjacent to a Party's signature on this Lease shall be that Party's address for delivery or mailing of notices. Either Party may by written notice to the other specify a different address for notice, except that upon Lessee's taking possession of the Premises, the Premises shall constitute Lessee's address for notice. A copy of all notices to Lessor shall be concurrently transmitted to such party or parties at such addresses as Lessor may from time to time hereafter designate in writing.

23.2 **Date of Notice**. Any notice sent by registered or certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark thereon. If sent by regular mail the notice shall be deemed given 72 hours after the same is addressed as required herein and mailed with postage prepaid. Notices delivered by United States Express Mail or overnight courier that guarantees next day delivery shall be deemed given 24 hours after delivery of the same to the Postal Service or courier. Notices delivered by hand, or transmitted by facsimile transmission or by email shall be deemed delivered upon actual receipt. If notice is received on a Saturday, Sunday or legal holiday, it shall be deemed received on the next business day.

23.3 **Options.** Notwithstanding the foregoing, in order to exercise any Options (see paragraph 39), the Notice must be sent by Certified Mail (return receipt requested), Express Mail (signature required), courier (signature required) or some other methodology that provides a receipt establishing the date the notice was received by the Lessor.

24. Waivers.

(a) No waiver by Lessor of the Default or Breach of any term, covenant or condition hereof by Lessee, shall be deemed a waiver of any other term, covenant or condition hereof, or of any subsequent Default or Breach by Lessee of the same or of any other term, covenant or condition hereof. Lessor's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of Lessor's consent to, or approval of, any subsequent or similar act by Lessee, or be construed as the basis of an estoppel to enforce the provision or provisions of this Lease requiring such consent.

(b) The acceptance of Rent by Lessor shall not be a waiver of any Default or Breach by Lessee. Any payment by Lessee may be accepted by Lessor on account of monies or damages due Lessor, notwithstanding any qualifying statements or conditions made by Lessee in connection therewith, which such statements and/or conditions shall be of no force or effect whatsoever unless specifically agreed to in writing by Lessor at or before the time of deposit of such payment.

(c) THE PARTIES AGREE THAT THE TERMS OF THIS LEASE SHALL GOVERN WITH REGARD TO ALL MATTERS RELATED THERETO AND HEREBY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE TO THE EXTENT THAT SUCH STATUTE IS INCONSISTENT WITH THIS LEASE.

25. Disclosures Regarding The Nature of a Real Estate Agency Relationship.

(a) When entering into a discussion with a real estate agent regarding a real estate transaction, a Lessor or Lessee should from the outset understand what type of agency relationship or representation it has with the agent or agents in the transaction. Lessor and Lessee acknowledge being advised by the Brokers in this transaction, as follows:

(i) *Lessor's Agent*. A Lessor's agent under a listing agreement with the Lessor acts as the agent for the Lessor only. A Lessor's agent or subagent has the following affirmative obligations: *To the Lessor*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessor. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(ii) *Lessee's Agent*. An agent can agree to act as agent for the Lessee only. In these situations, the agent is not the Lessor's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Lessor. An agent acting only for a Lessee has the following affirmative obligations. *To the Lessee*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessee. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(iii) *Agent Representing Both Lessor and Lessee*. A real estate agent, either acting directly or through one or more associate licenses, can legally be the agent of both the Lessor and the Lessee in a transaction, but only with the knowledge and consent of both the Lessor and the Lessee. In a dual agency situation, the agent has the following affirmative obligations to both the Lessor and the Lessee: (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either Lessor or the Lessee. (b) Other duties to the Lessor and the Lessee as stated above in subparagraphs (i) or (ii). In representing both Lessor and Lessee, the agent may not, without the express permission of the respective Party, disclose to the other Party confidential information, including, but not limited to, facts relating to either Lessee's or Lessor's financial position, motivations, bargaining position, or other personal information that may impact rent, including Lessor's willingness to accept a rent less than the listing rent or Lessee's willingness to pay rent greater than the rent offered. The above duties of the agent in a real estate transaction do not relieve a Lessor or Lessee from the responsibility to protect their own interests. Lessor and Lessee should carefully read all agreements to assure that they adequately express their understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional. Both Lessor and Lessee should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

(b) Brokers have no responsibility with respect to any default or breach hereof by either Party. The Parties agree that no lawsuit or other legal proceeding involving any breach of duty, error or omission relating to this Lease may be brought against Broker more than one year after the Start Date and that the liability (including court costs and attorneys' fees), of any Broker with respect to any such lawsuit and/or legal proceeding shall not exceed the fee received by such Broker pursuant to this Lease; provided, however, that the foregoing limitation on each Broker's liability shall not be applicable to any gross negligence or willful misconduct of such Broker.

(c) Lessor and Lessee agree to identify to Brokers as "Confidential" any communication or information given Brokers that is considered by such Party to be confidential.

26. No Right To Holdover. Lessee has no right to retain possession of the Premises or any part thereof beyond the expiration or termination of this Lease. At or prior to the expiration or termination of this Lease Lessee shall deliver exclusive possession of the Premises to Lessor. For purposes of this provision and Paragraph 13.1(a), exclusive possession shall mean that Lessee shall have vacated the Premises, removed all of its personal property therefrom and that the Premises have been returned in the condition specified in this Lease. In the event that Lessee does not deliver exclusive possession to Lessor as specified above, then Lessor's damages during any holdover period shall be computed at the amount of the Rent (as defined in Paragraph 4.1) due during the last full month before the expiration or termination of this Lease (disregarding any temporary abatement of Rent that may have been in effect), but with Base Rent and Percentage Rent Rate being 150% of the Base Rent and Percentage Rent Rate payable during such last full month. Nothing contained herein shall be construed as consent by Lessor to any holding over by Lessee.

27. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

28. Covenants and Conditions; Construction of Agreement. All provisions of this Lease to be observed or performed by Lessee are both covenants and conditions. In construing this Lease, all headings and titles are for the convenience of the Parties only and shall not be considered a part of this Lease. Whenever required by the context, the singular shall include the plural and vice versa. This Lease shall not be construed as if prepared by one of the Parties, but rather according to its fair meaning as a whole, as if both Parties had prepared it.

29. Binding Effect; Choice of Law. This Lease shall be binding upon the Parties, their personal representatives, successors and assigns and be governed by the laws of the State in which the Premises are located. Any litigation between the Parties hereto concerning this Lease shall be initiated in the county in which the Premises are located. Signatures to this Lease accomplished by means of electronic signature or similar technology shall be legal and binding.

30. Subordination; Attornment; Non-Disturbance.

30.1 **Subordination**. This Lease and any Option granted hereby shall be subject and subordinate to any ground lease, mortgage, deed of trust, or other hypothecation or security device (collectively, "**Security Device**"), now or hereafter placed upon the Premises, to any and all advances made on the security thereof, and to all renewals, modifications, and extensions thereof. Lessee agrees that the holders of any such Security Devices (in this Lease together referred to as "**Lender**") shall have no liability or obligation to perform any of the obligations of Lessor under this Lease. Any Lender may elect to have this Lease and/or any Option granted hereby superior to the lien of its Security Device by giving written notice thereof to Lessee, whereupon this Lease and such Options shall be deemed prior to such Security Device, notwithstanding the relative dates of the documentation or recordation thereof.

30.2 **Attornment**. In the event that Lessor transfers title to the Premises, or the Premises are acquired by another upon the foreclosure or termination of a Security Device to which this Lease is subordinated (i) Lessee shall, subject to the non-disturbance provisions of Paragraph 30.3, attorn to such new owner, and upon request, enter into a new lease, containing all of the terms and provisions of this Lease, with such new owner for the remainder of the term hereof, or, at the election of the new owner, this Lease will automatically become a new lease between Lessee and such new owner, and (ii) Lessor shall thereafter be relieved of any further obligations hereunder and such new owner shall assume all of Lessor's obligations, except that such new owner shall not: (a) be liable for any act or omission of any prior lessor or with respect to events occurring prior to acquisition of ownership; (b) be subject to any offsets or defenses which Lessee might have against any prior lessor, (c) be bound by prepayment of more than one month's rent, or (d) be liable for the return of any security deposit paid to any prior lessor which was not paid or credited to such new owner.

30.3 **Non-Disturbance**. With respect to Security Devices entered into by Lessor after the execution of this Lease, Lessee's subordination of this Lease shall be subject to receiving a commercially reasonable non-disturbance agreement (a "**Non-Disturbance Agreement**") from the Lender which Non-Disturbance Agreement provides that Lessee's possession of the Premises, and this Lease, including any options to extend the term hereof, will not be disturbed so long as Lessee is not in Breach hereof and attorns to the record owner of the Premises. Further, within 60 days after the execution of this Lease, Lessor shall, if requested by Lessee, use its commercially reasonable efforts to obtain a Non-Disturbance Agreement from the holder of any pre-existing Security Device which is secured by the Premises. In the event that Lessor is unable to provide the Non-Disturbance Agreement within said 60 days, then Lessee may, at Lessee's option, directly contact Lender and attempt to negotiate for the execution and delivery of a Non-Disturbance Agreement.

30.4 **Self-Executing**. The agreements contained in this Paragraph 30 shall be effective without the execution of any further documents; provided, however, that, upon written request from Lessor or a Lender in connection with a sale, financing or refinancing of the Premises, Lessee and Lessor shall execute such further writings as may be reasonably required to separately document any subordination, attornment and/or Non-Disturbance Agreement provided for herein.

31. Attorneys' Fees. If any Party or Broker brings an action or proceeding involving the Premises whether founded in tort, contract or equity, or to declare rights hereunder, the Prevailing Party (as hereafter defined) in any such proceeding, action, or appeal thereon, shall be entitled to reasonable attorneys' fees. Such fees may be awarded in the same suit or recovered in a separate suit, whether or not such action or proceeding is pursued to decision or judgment. The term, "**Prevailing Party**" shall include, without limitation, a Party or Broker who substantially obtains or defeats the relief sought, as the case may be, whether by compromise, settlement, judgment, or the abandonment by the other Party or Broker of its claim or defense. The attorneys' fees award shall not be computed in accordance with any court fee schedule, but shall be such as to fully reimburse all attorneys' fees reasonably incurred. In addition, Lessor shall be entitled to attorneys' fees, costs and expenses incurred in the preparation and service of notices of Default and consultations in connection therewith, whether or not a legal action is subsequently commenced in connection with such Default or resulting Breach ($200 is a reasonable minimum per occurrence for such services and consultation).

32. Lessor's Access; Showing Premises; Repairs. Lessor and Lessor's agents shall have the right to enter the Premises at any time, in the case of an emergency, and otherwise at reasonable times after reasonable prior notice for the purpose of showing the same to prospective purchasers, lenders, or tenants, and making such alterations, repairs, improvements or additions to the Premises as Lessor may deem necessary or desirable and the erecting, using and maintaining of utilities, services, pipes and conduits through the Premises and/or other premises as long as there is no material adverse effect on Lessee's use of the Premises. All such activities shall be without abatement of rent or liability to Lessee.

33. Auctions. Lessee shall not conduct, nor permit to be conducted, any auction upon the Premises without Lessor's prior written consent, which consent shall be granted or denied at Lessor's sole discretion.

34. Signs. Lessor may place on the Premises ordinary "**For Sale**" signs at any time and ordinary "**For Lease**" signs during the last 6 months of the term hereof. All signs must comply with all Applicable Requirements. Lessee shall not place, construct, or maintain on the glass panes or supports of the show windows of the Premises, the doors, exterior walls or the roof of the Building, or anywhere else within the Shopping Center outside of the Premises, or on any interior portions of the Premises that are visible from the exterior of the Premises, any signs, advertisements, names, insignia, trademarks, descriptive material or any other items without Lessor's prior written consent, which consent shall be granted or denied at Lessor's sole discretion. Lessor shall designate the size, shape, color, design, and location of all exterior sign(s) to be installed by Lessee, and Lessee shall, at Lessee's sole cost and expense, fabricate, construct and install all such sign(s) in full compliance with Lessor's designation and in accordance with the Sign Criteria for the Shopping Center attached hereto, if any. Lessee agrees to submit plans and specifications for Lessee's sign(s) for Lessor's written approval within 30 days after the full execution hereof and to install such sign(s) prior to opening for business at the Premises. Lessor, at Lessee's cost, may remove any item placed, constructed or maintained in, upon or about the Premises or Shopping Center which does not comply with this paragraph. In the event there is a pole, pylon or monument sign for the Shopping Center, Lessor shall have the right, but not the obligation, to install lettering designating Lessee's business on such sign, at Lessee's expense, with Lessor's approval of location, size, style and color. All signs that are permanently attached to the Premises or Building shall become the property of Lessor at the expiration or earlier termination hereof; provided, however, that Lessee shall promptly remove all such signs if Lessor so elects, and Lessee shall promptly repair all damage caused by such removal. Lessee shall not place, construct or maintain in, upon or about the Premises any search lights, flashing lights, loudspeakers, phonographs or other visual or audio media.

35. Termination; Merger. Unless specifically stated otherwise in writing by Lessor, the voluntary or other surrender of this Lease by Lessee, the mutual termination or cancellation hereof, or a termination hereof by Lessor for Breach by Lessee, shall automatically terminate any sublease or lesser estate in the Premises; provided, however, that Lessor may elect to continue any one or all existing subtenancies. Lessor's failure within 10 days following any such event to elect to the contrary by written notice to the holder of any such lesser interest, shall constitute Lessor's election to have such event constitute the termination of such interest.

36. Consents. All requests for consent shall be in writing. Except as otherwise provided herein, wherever in this Lease the consent of a Party is required to an act by or for the other Party, such consent shall not be unreasonably withheld or delayed. In those express instances where consent is within the sole discretion of a party, the party shall have no obligation to adhere to a standard of reasonableness. Lessor's actual reasonable costs and expenses (including but not limited to architects', attorneys', engineers' and other consultants' fees) incurred in the consideration of, or response to, a request by Lessee for any Lessor consent, including but not limited to consents to an assignment, a subletting or the presence or use of a Hazardous Substance, shall be paid by Lessee upon receipt of an invoice and supporting documentation therefor. Lessor's consent to any act, assignment or subletting shall not constitute an acknowledgment that no Default or Breach by Lessee of this Lease exists, nor shall such consent be deemed a waiver of any then existing Default or Breach, except as may be otherwise specifically stated in writing by Lessor at the time of such consent. The failure to specify herein any particular condition to Lessor's consent shall not preclude the imposition by Lessor at the time of consent of such further or other conditions as are then reasonable with reference to the particular matter for which consent is being given. In the event that either Party disagrees with any determination made by the other hereunder and reasonably requests the reasons for such determination, the determining party shall furnish its reasons in writing and in reasonable detail within 10 business days following such request.

37. Guarantor.

37.1 **Execution**. The Guarantors, if any, shall each execute a guaranty in the form most recently published BY AIR CRE.

37.2 **Default**. It shall constitute a Default of the Lessee if any Guarantor fails or refuses, upon request to provide: (a) evidence of the execution of the guaranty, including the authority of the party signing on Guarantor's behalf to obligate Guarantor, and in the case of a corporate Guarantor, a certified copy of a resolution of its board of directors authorizing the making of such guaranty, (b) current financial statements, (c) an Estoppel Certificate, or (d) written confirmation that the guaranty is

38. Quiet Possession. Subject to payment by Lessee of the Rent and performance of all of the covenants, conditions and provisions on Lessee's part to be observed and performed under this Lease, Lessee shall have quiet possession and quiet enjoyment of the Premises during the term hereof.

39. Options. If Lessee is granted any option, as defined below, then the following provisions shall apply.

39.1 **Definition**. "**Option**" shall mean: (a) the right to extend or reduce the term of or renew this Lease or to extend or reduce the term of or renew any lease that Lessee has on other property of Lessor; (b) the right of first refusal or first offer to lease either the Premises or other property of Lessor; (c) the right to purchase, the right of first offer to purchase or the right of first refusal to purchase the Premises or other property of Lessor.

39.2 **Options Personal To Original Lessee**. Any Option granted to Lessee in this Lease is personal to the original Lessee, and cannot be assigned or exercised by anyone other than said original Lessee and only while the original Lessee is in full possession of the Premises and, if requested by Lessor, with Lessee certifying that Lessee has no intention of thereafter assigning or subletting.

39.3 **Multiple Options**. In the event that Lessee has any multiple Options to extend or renew this Lease, a later Option cannot be exercised unless the prior Options have been validly exercised.

39.4 **Effect of Default on Options**.

(a) Lessee shall have no right to exercise an Option: (i) during the period commencing with the giving of any notice of Default and continuing until said Default is cured, (ii) during the period of time any Rent is unpaid (without regard to whether notice thereof is given Lessee), (iii) during the time Lessee is in Breach of this Lease, or (iv) in the event that Lessee has been given 3 or more notices of separate Default, whether or not the Defaults are cured, during the 12 month period immediately preceding the exercise of the Option.

(b) The period of time within which an Option may be exercised shall not be extended or enlarged by reason of Lessee's inability to exercise an Option because of the provisions of Paragraph 39.4(a).

(c) An Option shall terminate and be of no further force or effect, notwithstanding Lessee's due and timely exercise of the Option, if, after such exercise and prior to the commencement of the extended term or completion of the purchase, (i) Lessee fails to pay Rent for a period of 30 days after such Rent becomes due (without any necessity of Lessor to give notice thereof), or (ii) if Lessee commits a Breach of this Lease.

40. Security Measures. Lessee hereby acknowledges that the Rent payable to Lessor hereunder does not include the cost of guard service or other security measures, and that Lessor shall have no obligation whatsoever to provide same. Lessee assumes all responsibility for the protection of the Premises, Lessee, its agents and invitees and their property from the acts of third parties. While Lessor does not assume any responsibility to provide any security measures or any liability for failure to provide security measures or for any inadequacy thereof, Lessor shall have the authority to institute or continue such security measures as Lessor in its sole discretion deems necessary or appropriate from time to time, the cost and expenses of which shall be considered Common Area Operating Expenses. To the degree directed by Lessor, Lessee shall coordinate its security measures at the Premises with the security measures instituted by Lessor, if any.

41. Reservations. Lessor reserves the right: (i) to grant, without the consent or joinder of Lessee, such easements, rights and dedications that Lessor deems necessary, (ii) to cause the recordation of parcel maps and restrictions, and (iii) to create and/or install new utility raceways, so long as such easements, rights, dedications, maps, restrictions, and utility raceways do not unreasonably interfere with the use of the Premises by Lessee. Lessee agrees to sign any documents reasonably requested by Lessor to effectuate such rights.

42. Building Planning. Lessor shall have the right at any time or times, upon giving Lessee not less than 60 days prior written notice, to provide and furnish Lessee with space of comparable visibility located elsewhere within any of the buildings within the Shopping Center and to move Lessee into such new space, provided that the usable area of such new space is not less than the usable area of the Premises and provided that all of Lessee's reasonable out-of-pocket moving expenses (including but not limited to the cost of moving Lessee's personal property, the cost of reprinting Lessee's stationery or other business materials with the new address, and the cost to relocate and reinstall tenant improvements and Lessee's telecommunications and computer equipment) shall be paid by Lessor, and provided further that Lessor shall construct at Lessor's expense such improvements to such new space as shall be necessary to place it in a condition that is substantially comparable to the Premises. Except as provided in the immediately preceding sentence, Lessor shall have no obligation to improve such space or pay any other expenses incurred by Lessee as a result of such relocation. On such relocation, the terms and conditions of this Lease shall remain in full force and effect, including but not limited to the Base Rent payable hereunder and Lessee's Share (even if the usable area of such relocated Premises is in excess of the usable area of the Premises), except that the Premises shall be in such new location. Upon Lessor's request, the Parties shall execute an amendment to this Lease in form required by Lessor confirming the relocation of the Premises to such new location. If the new space does not meet with Lessee's approval, which approval Lessee shall give or withhold in accordance with Paragraph 36, Lessee shall have the right to cancel this Lease by giving Lessor written notice thereof within 15 days of receipt of Lessor's notification of its intent to relocate Lessee. Lessee's failure to give such notice within such 15 day period shall be deemed Lessee's approval of the new space. If timely notice is given by Lessee, then this Lease shall terminate unless Lessor rescinds Lessor's prior notice of its intent to relocate Lessee within 10 days after Lessor's receipt of Lessee's notice of cancellation.

43. Performance Under Protest. If at any time a dispute shall arise as to any amount or sum of money to be paid by one Party to the other under the provisions hereof, the Party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment and there shall survive the right on the part of said Party to institute suit for recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said Party to pay such sum or any part thereof, said Party shall be entitled to recover such sum or so much thereof as it was not legally required to pay. A Party who does not initiate suit for the recovery of sums paid "under protest" within 6 months shall be deemed to have waived its right to protest such payment.

44. Authority; Multiple Parties; Execution.

(a) If either Party hereto is a corporation, trust, limited liability company, partnership, or similar entity, each individual executing this Lease on behalf of such entity represents and warrants that he or she is duly authorized to execute and deliver this Lease on its behalf. Each Party shall, within 30 days after request, deliver to the other Party satisfactory evidence of such authority.

(b) If this Lease is executed by more than one person or entity as "Lessee", each such person or entity shall be jointly and severally liable hereunder. It is agreed that any one of the named Lessees shall be empowered to execute any amendment to this Lease, or other document ancillary thereto and bind all of the named Lessees, and Lessor may rely on the same as if all of the named Lessees had executed such document.

(c) This Lease may be executed by the Parties in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

45. Conflict. Any conflict between the printed provisions of this Lease and the typewritten or handwritten provisions shall be controlled by the typewritten or handwritten provisions.

46. Offer. Preparation of this Lease by either party or their agent and submission of same to the other Party shall not be deemed an offer to lease to the other Party. This Lease is not intended to be binding until executed and delivered by all Parties hereto.

47. Amendments. This Lease may be modified only in writing, signed by the Parties in interest at the time of the modification. As long as they do not materially change Lessee's obligations hereunder, Lessee agrees to make such reasonable non-monetary modifications to this Lease as may be reasonably required by a Lender in connection with the obtaining of normal financing or refinancing of the Premises.

48. Waiver of Jury Trial. THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING INVOLVING THE PROPERTY OR ARISING OUT OF THIS AGREEMENT.

49. Arbitration of Disputes. An Addendum requiring the Arbitration of all disputes between the Parties and/or Brokers arising out of this Lease ☐ is ☑ is not attached to this Lease.

50. Accessibility; Americans with Disabilities Act.

(a) The Premises:

☑ have not undergone an inspection by a Certified Access Specialist (CASp). Note: A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises did not meet all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential except as necessary to complete repairs and corrections of violations of construction related accessibility standards.

In the event that the Premises have been issued an inspection report by a CASp the Lessor shall provide a copy of the disability access inspection certificate to Lessee within 7 days of the execution of this Lease.

(b) Since compliance with the Americans with Disabilities Act (ADA) and other state and local accessibility statutes are dependent upon Lessee's specific use of the Premises, Lessor makes no warranty or representation as to whether or not the Premises comply with ADA or any similar legislation. In the event that Lessee's use of the Premises requires modifications or additions to the Premises in order to be in compliance with ADA or other accessibility statutes, Lessee agrees to make any such necessary modifications and/or additions at Lessee's expense.

3. Possession.

3.1 **Early Possession**. Any provision herein granting Sublessee Early Possession of the Premises is subject to and conditioned upon the Premises being available for such possession prior to the Commencement Date. Any grant of Early Possession only conveys a non-exclusive right to occupy the Premises. If Sublessee totally or partially occupies the Premises prior to the Commencement Date, the obligation to pay Base Rent shall be abated for the period of such Early Possession. All other terms of this Sublease (including but not limited to the obligations to pay Sublessee's Share of Common Area Operating Expenses, Real Property Taxes and insurance premiums and to maintain the Premises) shall, however, be in effect during such period. Any such Early Possession shall not affect the Expiration Date.

3.2 **Delay in Commencement**. Sublessor agrees to use its best commercially reasonable efforts to deliver possession of the Premises by the Commencement Date. If, despite said efforts, Sublessor is unable to deliver possession as agreed, the rights and obligations of Sublessor and Sublessee shall be as set forth in Paragraph 3.3 of the Master Lease (as modified by Paragraph 6.3 of this Sublease).

3.3 **Sublessee Compliance**. Sublessor shall not be required to tender possession of the Premises to Sublessee until Sublessee complies with its obligation to provide evidence of insurance. Pending delivery of such evidence, Sublessee shall be required to perform all of its obligations under this Sublease from and after the Start Date, including the payment of Rent, notwithstanding Sublessor's election to withhold possession pending receipt of such evidence of insurance. Further, if Sublessee is required to perform any other conditions prior to or concurrent with the Start Date, the Start Date shall occur but Sublessor may elect to withhold possession until such conditions are satisfied.

4. Rent and Other Charges.

4.1 **Rent Defined**. All monetary obligations of Sublessee to Sublessor under the terms of this Sublease (except for the Security Deposit) are deemed to be rent ("**Rent**"). Rent shall be payable in lawful money of the United States to Sublessor at the address stated herein or to such other persons or at such other places as Sublessor may designate in writing.

4.2 **Utilities**. Sublessee shall pay for all water, gas, heat, light, power, telephone, trash disposal and other utilities and services supplied to the Premises, together with any taxes thereon.

5. Security Deposit. The rights and obligations of Sublessor and Sublessee as to said Security Deposit shall be as set forth in Paragraph 5 of the Master Lease (as modified by Paragraph 6.3 of this Sublease).

6. Master Lease.

6.1 Sublessor is the lessee of the Premises by virtue of the "**Master Lease**", wherein Pac West Office Equities, LP, a California limited partnership is the lessor, hereinafter the "**Master Lessor**".

6.2 This Sublease is and shall be at all times subject and subordinate to the Master Lease.

6.3 The terms, conditions and respective obligations of Sublessor and Sublessee to each other under this Sublease shall be the terms and conditions of the Master Lease except for those provisions of the Master Lease which are directly contradicted by this Sublease in which event the terms of this Sublease document shall control over the Master Lease. Therefore, for the purposes of this Sublease, wherever in the Master Lease the word "Lessor" is used it shall be deemed to mean the Sublessor herein and wherever in the Master Lease the word "Lessee" is used it shall be deemed to mean the Sublessee herein.

6.4 During the term of this Sublease and for all periods subsequent for obligations which have arisen prior to the termination of this Sublease, Sublessee does hereby expressly assume and agree to perform and comply with, for the benefit of Sublessor and Master Lessor, each and every obligation of Sublessor under the Master Lease except for the following paragraphs which are excluded therefrom: _____.

6.5 The obligations that Sublessee has assumed under paragraph 6.4 hereof are hereinafter referred to as the "**Sublessee's Assumed Obligations**". The obligations that sublessee has not assumed under paragraph 6.4 hereof are hereinafter referred to as the "**Sublessor's Remaining Obligations**".

6.6 Sublessee shall hold Sublessor free and harmless from all liability, judgments, costs, damages, claims or demands, including reasonable attorneys fees, arising out of Sublessee's failure to comply with or perform Sublessee's Assumed Obligations.

6.7 Sublessor agrees to maintain the Master Lease during the entire term of this Sublease, subject, however, to any earlier termination of the Master Lease without the fault of the Sublessor, and to comply with or perform Sublessor's Remaining Obligations and to hold Sublessee free and harmless from all liability, judgments, costs, damages, claims or demands arising out of Sublessor's failure to comply with or perform Sublessor's Remaining Obligations.

6.8 Sublessor represents to Sublessee that the Master Lease is in full force and effect and that no default exists on the part of

any Party to the Master Lease.

7. Assignment of Sublease and Default.

7.1 Sublessor hereby assigns and transfers to Master Lessor the Sublessor's interest in this Sublease, subject however to the provisions of Paragraph 8.2 hereof.

7.2 Master Lessor, by executing this document, agrees that until a Default shall occur in the performance of Sublessor's Obligations under the Master Lease, that Sublessor may receive, collect and enjoy the Rent accruing under this Sublease. However, if Sublessor shall Default in the performance of its obligations to Master Lessor then Master Lessor may, at its option, receive and collect, directly from Sublessee, all Rent owing and to be owed under this Sublease. In the event, however, that the amount collected by Master Lessor exceeds Sublessor's obligations any such excess shall be refunded to Sublessor. Master Lessor shall not, by reason of this assignment of the Sublease nor by reason of the collection of the Rent from the Sublessee, be deemed liable to Sublessee for any failure of the Sublessor to perform and comply with Sublessor's Remaining Obligations.

7.3 Sublessor hereby irrevocably authorizes and directs Sublessee upon receipt of any written notice from the Master Lessor stating that a Default exists in the performance of Sublessor's obligations under the Master Lease, to pay to Master Lessor the Rent due and to become due under the Sublease. Sublessor agrees that Sublessee shall have the right to rely upon any such statement and request from Master Lessor, and that Sublessee shall pay such Rent to Master Lessor without any obligation or right to inquire as to whether such Default exists and notwithstanding any notice from or claim from Sublessor to the contrary and Sublessor shall have no right or claim against Sublessee for any such Rent so paid by Sublessee.

7.4 No changes or modifications shall be made to this Sublease without the consent of Master Lessor.

8. Consent of Master Lessor.

8.1 In the event that the Master Lease requires that Sublessor obtain the consent of Master Lessor to any subletting by Sublessor then, this Sublease shall not be effective unless, within 10 days of the date hereof, Master Lessor signs this Sublease thereby giving its consent to this Subletting.

8.2 In the event that the obligations of the Sublessor under the Master Lease have been guaranteed by third parties, then neither this Sublease, nor the Master Lessor's consent, shall be effective unless, within 10 days of the date hereof, said guarantors sign this Sublease thereby giving their consent to this Sublease.

8.3 In the event that Master Lessor does give such consent then:

(a) Such consent shall not release Sublessor of its obligations or alter the primary liability of Sublessor to pay the Rent and perform and comply with all of the obligations of Sublessor to be performed under the Master Lease.

(b) The acceptance of Rent by Master Lessor from Sublessee or anyone else liable under the Master Lease shall not be deemed a waiver by Master Lessor of any provisions of the Master Lease.

(c) The consent to this Sublease shall not constitute a consent to any subsequent subletting or assignment.

(d) In the event of any Default of Sublessor under the Master Lease, Master Lessor may proceed directly against Sublessor, any guarantors or any one else liable under the Master Lease or this Sublease without first exhausting Master Lessor's remedies against any other person or entity liable thereon to Master Lessor.

(e) Master Lessor may consent to subsequent sublettings and assignments of the Master Lease or this Sublease or any amendments or modifications thereto without notifying Sublessor or any one else liable under the Master Lease and without obtaining their consent and such action shall not relieve such persons from liability.

(f) In the event that Sublessor shall Default in its obligations under the Master Lease, then Master Lessor, at its option and without being obligated to do so, may require Sublessee to attorn to Master Lessor in which event Master Lessor shall undertake the obligations of Sublessor under this Sublease from the time of the exercise of said option to termination of this Sublease but Master Lessor shall not be liable for any prepaid Rent nor any Security Deposit paid by Sublessee, nor shall Master Lessor be liable for any other Defaults of the Sublessor under the Sublease.

(g) Unless directly contradicted by other provisions of this Sublease, the consent of Master Lessor to this Sublease shall not constitute an agreement to allow Sublessee to exercise any options which may have been granted to Sublessor in the Master Lease (see Paragraph 39.2 of the Master Lease).

8.4 The signatures of the Master Lessor and any Guarantors of Sublessor at the end of this document shall constitute their consent to the terms of this Sublease.

8.5 Master Lessor acknowledges that, to the best of Master Lessor's knowledge, no Default presently exists under the Master Lease of obligations to be performed by Sublessor and that the Master Lease is in full force and effect.

8.6 In the event that Sublessor Defaults under its obligations to be performed under the Master Lease by Sublessor, Master Lessor agrees to deliver to Sublessee a copy of any such notice of default. Sublessee shall have the right to cure any Default of Sublessor described in any notice of default if Sublessee does so within the same number of days set forth in the notice of default given to Sublessor. If such Default is cured by Sublessee then Sublessee shall have the right of reimbursement and offset from and

against Sublessor.

9. Additional Brokers Commissions.

9.1 Sublessor agrees that if Sublessee exercises any option or right of first refusal as granted by Sublessor herein, or any option or right substantially similar thereto, either to extend the term of this Sublease, to renew this Sublease, to purchase the Premises, or to lease or purchase adjacent property which Sublessor may own or in which Sublessor has an interest, then Sublessor shall pay to Broker a fee in accordance with the schedule of Broker in effect at the time of the execution of this Sublease. Notwithstanding the foregoing, Sublessor's obligation under this Paragraph is limited to a transaction in which Sublessor is acting as a Sublessor, lessor or seller.

9.2 If a separate brokerage fee agreement is attached then Master Lessor agrees that if Sublessee shall exercise any option or right of first refusal granted to Sublessee by Master Lessor in connection with this Sublease, or any option or right substantially similar thereto, either to extend or renew the Master Lease, to purchase the Premises or any part thereof, or to lease or purchase adjacent property which Master Lessor may own or in which Master Lessor has an interest, or if Broker is the procuring cause of any other lease or sale entered into between Sublessee and Master Lessor pertaining to the Premises, any part thereof, or any adjacent property which Master Lessor owns or in which it has an interest, then as to any of said transactions, Master Lessor shall pay to Broker a fee, in cash, in accordance with the schedule attached to such brokerage fee agreement.

9.3 Any fee due from Sublessor or Master Lessor hereunder shall be due and payable upon the exercise of any option to extend or renew, upon the execution of any new lease, or, in the event of a purchase, at the close of escrow.

9.4 Any transferee of Sublessor's interest in this Sublease, or of Master Lessor's interest in the Master Lease, by accepting an assignment thereof, shall be deemed to have assumed the respective obligations of Sublessor or Master Lessor under this Paragraph 9. Broker shall be deemed to be a third-party beneficiary of this paragraph 9.

10. Representations and Indemnities of Broker Relationships. The Parties each represent and warrant to the other that it has had no dealings with any person, firm, broker, agent or finder (other than the Brokers and Agents, if any) in connection with this Sublease, and that no one other than said named Brokers and Agents is entitled to any commission or finder's fee in connection herewith. Sublessee and Sublessor do each hereby agree to indemnify, protect, defend and hold the other harmless from and against liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying Party, including any costs, expenses, attorneys' fees reasonably incurred with respect thereto.

11. Attorney's fees. If any Party or Broker brings an action or proceeding involving the Premises whether founded in tort, contract or equity, or to declare rights hereunder, the Prevailing Party (as hereafter defined) in any such proceeding, action, or appeal thereon, shall be entitled to reasonable attorneys' fees. Such fees may be awarded in the same suit or recovered in a separate suit, whether or not such action or proceeding is pursued to decision or judgment. The term, "**Prevailing Party**" shall include, without limitation, a Party or Broker who substantially obtains or defeats the relief sought, as the case may be, whether by compromise, settlement, judgment, or the abandonment by the other Party or Broker of its claim or defense. The attorneys' fees award shall not be computed in accordance with any court fee schedule, but shall be such as to fully reimburse all attorneys' fees reasonably incurred. In addition, Sublessor shall be entitled to attorneys' fees, costs and expenses incurred in the preparation and service of notices of Default and consultations in connection therewith, whether or not a legal action is subsequently commenced in connection with such Default or resulting Breach ($200 is a reasonable minimum per occurrence for such services and consultation).

12. No Prior or Other Agreements; Broker Disclaimer. This Sublease contains all agreements between the Parties with respect to any matter mentioned herein, and no other prior or contemporaneous agreement or understanding shall be effective. Sublessor and Sublessee each represents and warrants to the Brokers that it has made, and is relying solely upon, its own investigation as to the nature, quality, character and financial responsibility of the other Party to this Sublease and as to the use, nature, quality and character of the Premises. Brokers have no responsibility with respect thereto or with respect to any default or breach hereof by either Party. The liability (including court costs and attorneys' fees), of any Broker with respect to negotiation, execution, delivery or performance by either Sublessor or Sublessee under this Sublease or any amendment or modification hereto shall be limited to an amount up to the fee received by such Broker pursuant to this Sublease; provided, however, that the foregoing limitation on each Broker's liability shall not be applicable to any gross negligence or willful misconduct of such Broker. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIP

(As required by the Civil Code)

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

SELLER'S AGENT

A Seller's agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller: A fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Seller.

To the Buyer and the Seller:

(a) Diligent exercise of reasonable skill and care in performance of the agent's duties.

(b) A duty of honest and fair dealing and good faith.

(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties.

An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

BUYER'S AGENT

A Buyer's agent can, with a Buyer's consent, agree to act as agent for the Buyer only. This includes a Buyer's agent under a buyer-broker representation agreement with the Buyer. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer: A fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Buyer.

To the Buyer and the Seller:

(a) Diligent exercise of reasonable skill and care in performance of the agent's duties.

(b) A duty of honest and fair dealing and good faith.

(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties.

An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more salesperson and broker associates, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

(a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either the Seller or the Buyer.

(b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, a dual agent may not, without the express permission of the respective party, disclose to the other party confidential information, including, but not limited to, facts relating to either the Buyer's or Seller's financial position, motivations, bargaining position, or other personal information that may impact price, including the Seller's willingness to accept a price less than the listing price or the Buyer's willingness to pay a price greater than the price offered.

SELLER AND BUYER RESPONSIBILITIES

Either the purchase agreement or a separate document will contain a confirmation of which agent is representing you and whether that agent is representing you exclusively in the transaction or acting as a dual agent. Please pay attention to that confirmation to make sure it accurately reflects your understanding of your agent's role. The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect their own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional. If you are a Buyer, you have the duty to exercise reasonable care to protect yourself, including as to those facts about the property which are known to you or within your diligent attention and observation. Both Sellers and Buyers should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with

DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIP
CIVIL CODE SECTIONS 2079.13 THROUGH 2079.24 (2079.16 APPEARS ON THE FRONT)

2079.13. As used in this section and Sections 2079.7 and 2079.14 to 2079.24, inclusive, the following terms have the following meanings:
(a) "Agent" means a person acting under provisions of Title 9 (commencing with Section 2295) in a real property transaction, and includes a person who is licensed as a real estate broker under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code, and under whose license a listing is executed or an offer to purchase is obtained. The agent in the real property transaction bears responsibility for that agent's salespersons or broker associates who perform as agents of the agent. When a salesperson or broker associate owes a duty to any principal, or to any buyer or seller who is not a principal, in a real property transaction, that duty is equivalent to the duty owed to that party by the broker for whom the salesperson or broker associate functions. **(b)** "Buyer" means a transferee in a real property transaction, and includes a person who executes an offer to purchase real property from a seller through an agent, or who seeks the services of an agent in more than a casual, transitory, or preliminary manner, with the object of entering into a real property transaction. "Buyer" includes vendee or lessee of real property.
(c) "Commercial real property" means all real property in the state, except (1) single-family residential real property, (2) dwelling units made subject to Chapter 2 (commencing with Section 1940) of Title 5, (3) a mobile home, as defined in Section 798.3, (4) vacant land, or (5) a recreational vehicle, as defined in Section 799.29. **(d)** "Dual agent" means an agent acting, either directly or through a salesperson or broker associate, as agent for both the seller and the buyer in a real property transaction. **(e)** "Listing agreement" means a written contract between a seller of real property and an agent, by which the agent has been authorized to sell the real property or to find or obtain a buyer, including rendering other services for which a real estate license is required to the seller pursuant to the terms of the agreement. **(f)** "Seller's agent" means a person who has obtained a listing of real property to act as an agent for compensation. **(g)** "Listing price" is the amount expressed in dollars specified in the listing for which the seller is willing to sell the real property through the seller's agent. **(h)** "Offering price" is the amount expressed in dollars specified in an offer to purchase for which the buyer is willing to buy the real property. **(i)** "Offer to purchase" means a written contract executed by a buyer acting through a buyer's agent that becomes the contract for the sale of the real property upon acceptance by the seller. **(j)** "Real property" means any estate specified by subdivision (1) or (2) of Section 761 in property, and includes (1) single-family residential property, (2) multi-unit residential property with more than four dwelling units, (3) commercial real property, (4) vacant land, (5) a ground lease coupled with improvements, or (6) a manufactured home as defined in Section 18007 of the Health and Safety Code, or a mobile home as defined in Section 18008 of the Health and Safety Code, when offered for sale or sold through an agent pursuant to the authority contained in Section 10131.6 of the Business and Professions Code. **(k)** "Real property transaction" means a transaction for the sale of real property in which an agent is retained by a buyer, seller, or both a buyer and seller to act in that transaction, and includes a listing or an offer to purchase. **(l)** "Single-family residential property" or "single-family residential real property" means any of the following: (1) Real property improved with one to four dwelling units, including a leasehold exceeding one year's duration. (2) A unit in a residential stock cooperative, condominium, or planned unit development. (3) A mobilehome or manufactured home when offered for sale or sold through a real estate broker pursuant to Section 10131.6 of the Business and Professions Code. **(m)** "Sell," "sale," or "sold" refers to a transaction for the transfer of real property from the seller to the buyer and includes exchanges of real property between the seller and buyer, transactions for the creation of a real property sales contract within the meaning of Section 2985, and transactions for the creation of a leasehold exceeding one year's duration. **(n)** "Seller" means the transferor in a real property transaction and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which they are the owner from an agent on behalf of another. "Seller" includes both a vendor and a lessor of real property. **(o)** "Buyer's agent" means an agent who represents a buyer in a real property transaction. **(p)** "buyer-broker representation agreement" means a written contract between a buyer of real property and a buyer's agent by which the buyer's agent has been authorized by the buyer to provide services set forth in subdivision (a) of Section 10131 of the Business and Professions Code for or on behalf of the buyer for which a real estate license is required pursuant to the terms of the contract.

2079.14. **(a)** A copy of the disclosure form specified in Section 2079.16 shall be provided in a real property transaction as follows: **(1)** The seller's agent, if any, shall provide the disclosure form to the seller before entering into the listing agreement. **(2)** The buyer's agent shall provide the disclosure form to the buyer as soon as practicable before execution of a buyer-broker representation agreement and execution of the buyer's offer to purchase. If the offer to purchase is not prepared by the buyer's agent, the buyer's agent shall present the disclosure form to the buyer not later than the next business day after receiving the offer to purchase from the buyer. **(b)** The agent providing the disclosure form specified in Section 2079.16 shall obtain a signed acknowledgment of receipt from the buyer or seller except as provided in Section 2079.15.

2079.15. In any circumstance in which the seller or buyer refuses to sign an acknowledgment of receipt pursuant to Section 2079.14, the agent shall set forth, sign, and date a written declaration of the facts of the refusal.

2079.17(a) As soon as practicable, the buyer's agent shall disclose to the buyer and seller whether the agent is acting in the real property transaction as the buyer's agent, or as a dual agent representing both the buyer and the seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the buyer's agent prior to or coincident with execution of that contract by the buyer and the seller, respectively. **(b)** As soon as practicable, the seller's agent shall disclose to the seller whether the seller's agent is acting in the real property transaction as the seller's agent, or as a dual agent representing both the buyer and seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the seller's agent prior to or coincident with the execution of that contract by the seller.

(C) CONFIRMATION: The following agency relationships are confirmed for this transaction.

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14. An agent's duty to provide disclosure and confirmation of representation in this section may be performed by a real estate salesperson or broker associate affiliated with that broker.

2079.18 (Repealed pursuant to AB-1289, 2017-18 California Legislative session)

2079.19 The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20 Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

2079.21 (a) A dual agent may not, without the express permission of the seller, disclose to the buyer any confidential information obtained from the seller. **(b)** A dual agent may not, without the express permission of the buyer, disclose to the seller any confidential information obtained from the buyer. **(c)** "Confidential information" means facts relating to the client's financial position, motivations, bargaining position, or other personal information that may impact price, such as the seller is willing to accept a price less than the listing price or the buyer is willing to pay a price greater than the price offered. **(d)** This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price.

2079.22 Nothing in this article precludes a seller's agent from also being a buyer's agent. If a seller or buyer in a transaction chooses to not be represented by an agent, that does not, of itself, make that agent a dual agent.

2079.23 (a) A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship. **(b)** A lender or an auction company retained by a lender to control aspects of a transaction of real property subject to this part, including validating the sales price, shall not require, as a condition of receiving the lender's approval of the transaction, the homeowner or listing agent to defend or indemnify the lender or auction company from any liability alleged to result from the actions of the lender or auction company. Any clause, provision, covenant, or agreement purporting to impose an obligation to defend or indemnify a lender or an auction company in violation of this subdivision is against public policy, void, and unenforceable.

2079.24 Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any breach of a fiduciary duty or a duty of disclosure.

Hello Shari,

We have gathered all the lease agreements for HCCTS facilities that you requested. This may require multiple emails.
Please see the attachments below.

Thank you,

The District requires the fully executed copies of the most recent lease agreements for all of the facilities listed, even if they are no longer in use. We understand that some of the lease may have expired and that several are no longer being used. However, we still require the lease copies to ensure we are conducting proper oversight. The list includes the site that we have been made aware of from 2023 to present. If there are any locations that HCCTS has operated at or is operating at that I have not included on the list, please be sure

to include those lease copies as well. If a location is no longer in use, please send the termination documentation as well.

Hi Mayra,

I want to follow up on our recent conversations regarding our agreement with HCCTS. I know in our last conversation you mentioned some options that could work for clients. Since we are in October and I imagine you all are still working through things I have decided we need to go in a different direction,

According to our most recent contract we need to provide a 30 day notice to end our agreement with HCCTS. Please accept this email as our 30 day notice. Our finance team will follow up with any outstanding items. We also have some equipment that likely belongs to HCCTS and we can work with you on returning that property.

We appreciate the partnership with HCCTS and value the opportunities you have provided for so many of our clients. We hope you all the best as you continue to build HCCTS and continue your mission.

Sincerely,

Scott
