SELECTED CERTIFICATED SALARIES AND RELATED STATISTICS
2018-19

A Compilation of Selected Salary Statistics from

"2018-19 Salary and Benefits Schedule for the Certificated Bargaining Unit (Form J-90)"

California Department of Education

School Fiscal Services Division

SELECTED CERTIFICATED SALARIES AND RELATED STATISTICS, 2018-19

In May 2019, every California school district and county office of education was given the opportunity to complete an optional form entitled, "2018-19 Salary and Benefit Schedule for the Certificated Bargaining Unit (Form J-90)." This form requests salary schedule information, employee placement on the salary schedules by full-time equivalents, bargaining unit bonuses paid for selected services, salaries and days of service for school principals and superintendents, and health and welfare benefits by carrier with amounts paid by the district or county office per employee. This data is useful to California school districts and county offices, employee bargaining units, school consulting agencies, academic institutions and state policy makers. The California Department of Education (CDE) additionally uses this material for completing specified information required for the School Accountability Report Card (*Education Code* Section 41409.3).

Participation in this survey is voluntary and thus there is less than 100 percent reporting of all school districts and county offices. Each school district and county office of education was, however, encouraged to respond by written communications from the CDE and from School Services of California, Inc. (SSC), CDE's contracting agency for compilation of this material. Additionally, districts who had not responded and whose average daily attendance (ADA) exceeded 500 were telephoned by SSC staff a minimum of two times and encouraged to complete the survey. This report includes 828 district and county office responses.

To ensure the validity of the data, each survey was checked for reasonableness before being input into the database. After input, the data was reprinted and checked again. Finally, the printed schedule was mailed to the school district or county office for confirmation. 803 agencies, or 96.98 percent of total respondents, answered the confirmation request, and any changes were then incorporated into the final database.

We are pleased with the final response by school districts and county offices. This report is the most comprehensive certificated salary and benefit data available in the state, and includes information from 83.05 percent of school districts and county offices of education, representing 98.55 percent of the state's non-charter ADA.

The actual 2018-19 teacher salary schedules, health and welfare benefit amounts, and other selected statistics for each responding agency are available for download from the Internet at the California Department of Education web page Salary & Benefits for Certificated Personnel *http://www.cde.ca.gov/fg/fr/sa/*. This data may also be obtained from School Services of California. Any questions regarding ordering should be directed to Kathe Sadler at School Services (916) 446-7517 ext.1200. Should you have questions related to the data, please contact the California Department of Education at (916) 322-1770.

DEFINITIONS

Table I - 2018-19 Certificated Teacher Salary Profile by County and by District

This table provides summarized J-90 information by local education agency (LEA) within each county. Explanations for the columns shown in Table 1 are as follows:

Headings	Description
CO	The two-digit code specifying the county in which the districts are located. Counties are in order alphabetically and assigned a corresponding numerical code with, as an example, Alameda County = 01 and Yuba County = 58.
LEA	The name of the school district or county office of education.
Total Salary Schedule FTE	The total certificated full-time equivalent (FTE) employees that are paid on the salary schedule. One FTE represents one full-time employee; an FTE of .5 represents an employee who works 50 percent of the full-time employee's hours. This may include certificated employees such as nurses, librarians, and counselors in addition to teachers.
Lowest Sched. Salary Offered	The amount indicated is the lowest salary that would be paid to an employee from the certificated salary schedule. The amount indicated is the lowest scheduled salary only and does not include salaries for extended year, bonuses for special accomplishments such as a master's or doctorate degree, or payment for extra-curricular services such as coaching, drama, or music. For most districts, this salary is the beginning teacher salary. In order to earn this salary, the teacher may or may not be required to hold a full teaching credential.
Lowest Schedule Salary Heading	Description of the schedule salary column where the lowest salary is offered. The descriptions are coded as follows:

Salary Code	Description
<BA	Less than Bachelor's Degree
BA	Bachelor's Degree
BA NC	Bachelor's Degree Non-Credential
BA+number of units	Bachelor's Degree with specified units
BA<number of units	Bachelor's Degree with up to # of units
BA+CR	Bachelor's Degree + Credential
BA+EC	Bachelor's Degree + Emergency Credential
<BA+C	Less than Bachelor's + Credential
<BA N	Less than Bachelor's Non-Credential
BA+PM	Bachelor's Degree + Permit
BA+I	Bachelor's Degree + Intern
BASE	Base Salary
CRED	Credentialed

Salary Code	Description
CTE	Career Technical Ed
DSC	Designated Subjects Credential
EC	Emergency Credential
I	Intern
EC/I	Emergency Credential or Intern
NC	Non-Credential
PC	Pre-Credential
PM	Permit
PV	Provisional
RC	Restricted Cred
STP	Short Term Permit
SLS	Straight Line Schedule

Table I - 2018-19 Certificated Teacher Salary Profile by County and by District (continued)

Headings	Description
Average Schedule Salary Paid	The average salary that is paid to an employee on the certificated salary schedule. The average salary is determined by dividing the total salary schedule cost by the FTE. The average indicated represents scheduled salaries only and does not include salaries for extended year, bonuses for special accomplishments or payment for extra-curricular services such as coaching, drama, or music. Bonuses for master's or doctorate degrees are included only if the amounts are an integrated characteristic of a salary schedule column.
Highest Entry Level Step	The number indicated is the local agency response to a request for the "Highest entry level for an experienced teacher (indicate step)." If the report indicates "NR" in this column, the district did not respond to this question.

Headings	Description
Highest Sched. Salary Offered.	The amount that is the maximum salary that would be paid to an employee from the certificated salary schedule. The amount indicated is the highest scheduled salary only and does not include salaries for extended year, bonuses for special accomplishments or payment for extra-curricular services such as coaching, drama, or music. Bonuses for master's or doctoral degrees are included only if the amounts are an integrated characteristic of a salary schedule column
Salary at BA+60 Step 10	The amount that would be paid to an employee at step 10 with a requirement of a bachelor's degree plus an additional 60 semester units. If the district did not have a BA+60 column on its schedule, the salary reflected is that amount paid for the next lower column on the schedule. As an example, if the salary reflected characteristics of columns "BA+56" and "BA+64" this summary would reflect the salary paid at BA+56 which is the next lowest salary column. If the district does not have a step 10, step 9 is used. If an LEA has more than one instance of a BA+60, the straight BA+60 is used rather than BA+60+MA.
No. of Service Days Required	Each district was requested to respond to the question, "number of scheduled/required service days for returning teachers." The survey report indicates the district's response to that question.
2018-19 P-2 ADA	Average daily attendance (ADA) for 2018-19 regular P-2 ADA is indicated. This also includes the charter school ADA if the salary schedule includes the charter school FTE. The ADA indicator is the best measure of district student attendance. "N/A" is indicated for most county offices of education because they are funded on a different basis. County offices with ADA shown on the report have charter school FTEs included in their salary schedule.
% Chg. Salary Over 2017-18	The percentage change for the 2018-19 Salary Schedule over the 2017-18 schedule as reported by the responding district.

At the end of Table I in the Overall Totals section, statewide overall totals are reflected for the following columns, Total Salary Schedule FTE and 2018-19 P-2 ADA. The amounts representing the lowest salary offered, the highest salary offered, and the highest salary offered for a certificated employee at Step 10 (BA degree plus 60 units) for the entire state are shown at the end of Table I. The statewide averages for the average salary paid, the lowest salary offered, the highest salary offered, and the average salary offered for an employee at Step 10 with a BA degree plus 60 units, and number of service days required are reflected under "Total Statewide Averages."

Table II - 2018-19 Certificated Teacher Salary Profile by County and by District by Type

This table represents a summary of Table I organized by county. The number of responding LEAs by type is shown. Explanations for the columns shown in Table II are as follows:

Headings	Description
LEA Type	Each county's data is detailed by type (county office, elementary, high school, unified, or common administration).
Number of LEAs	The number of local educational agencies that responded to the survey is displayed by type.
Total Salary Schedule FTE	The total certificated full-time equivalent (FTE) employees summarized by type of district within each county.
Total Salary Schedule Cost	The total salaries paid certificated employees on the regular teacher salary schedule. This amount is calculated by multiplying the amount of the annual salary indicated on the salary schedule times the number of FTEs. These totals are summarized by type of district within each county.
Average Schedule Salary Paid	The average salary that is paid to an employee on the teacher salary schedule. The average salary is determined by dividing the total salary schedule cost by the FTE. This information is summarized by type of district within each county.
Highest Sched. Salary Offered	This amount represents the highest salary that is offered in the county by type of district.
Mid Point Salary Offered	This amount represents the midpoint between the highest and lowest salary offered in the county by type of district.
Lowest Sched. Salary Offered	This amount represents the lowest salary that is offered in the county by type of district

At the end of Table II under the Grand Totals section, the total number of LEAs that responded to the survey, the total salary schedule FTE, and the total salary schedule cost have been totaled by type of LEA. The highest, the lowest, and the midpoint salary offered statewide are also summarized by type of LEA. In the Total Statewide Average section, the average salary paid and the averages of the highest, midpoint, and lowest salaries offered are shown.

2018-19 CERTIFICATED TEACHER SALARY PROFILE BY COUNTY, BY DISTRICT

(1) The Lowest Scheduled Salary Offered by LEAs in 2018-19
(2) The Highest Scheduled Salary Offered by LEAs in 2018-19
(3) The Highest BA Plus 60 at Step 10 Salary Offered by LEAs in 2018-19
(4) Did Not Submit Current Year J-90
(5) Single District County - Salary Schedule Same as District
