- What suggestions do you have to improve the Statement of Model Practices?
- Can you recommend additional model practices to include in the Statement and are there any additional resources to support them?
- Are there local educational agencies that you feel have exemplary LCAP goals, actions, or services relative to this priority? If you aren't aware of any now, please feel free to send your suggestions to lcff@cde.ca.gov.
- Are there other suggestions that don't fit one of these three categories?
