Glossary of Terms

California English Language Development Standards (CA ELD Standards) – The California English Language Development Standards (CA ELD Standards) amplify the California State Standards for English Language Arts and Literacy in History/Social Studies, Science, and Technical Subjects (ELA/Literacy). The CA ELD Standards, when used in tandem with state content standards, assist English learner students to build English proficiency, refine the academic use of English, and provide students access to subject area content.

English Language Development (ELD) – English language development (ELD) instruction is designed to enable English learner students to attain proficiency in English and to develop the skills and confidence in listening, speaking, reading, and writing that are the foundation of achievement inside and outside the classroom.

English Language Development (ELD) Standards – see “California English Language Development Standards (CA ELD Standards)”

English Language Proficiency Assessments for California (ELPAC) – The ELPAC is the required state test for English language proficiency (ELP) that must be given to students whose primary language is a language other than English.

English Learner (EL) - An English learner is a student who enrolls in a California school beginning in any grade level, transitional kindergarten through grade twelve, has a language other than English identified on the Home Language Survey, and upon assessment, obtained a level of English proficiency that indicates programs and services are necessary. Students identified as English learners receive programs and services until they meet the reclassification criteria pursuant to *Education Code (EC)* Section 313.

Fluent English Proficient – See “Reclassified Fluent English Proficient”

Individualized Education Program (IEP) – An Individualized Education Program (IEP) is an individualized document designed for each public school child who receives special education and related services. The IEP creates an opportunity for teachers, parents, school administrators, related services personnel, and students (when appropriate) to work together to improve educational results for children with disabilities.

Reclassification – Reclassification is the process whereby a student is reclassified from English learner (EL) status to Fluent English Proficient (RFEP) status. Reclassification can take place at any time during the academic year, immediately upon the student meeting all the criteria.

Reclassified Fluent English Proficient (RFEP) Student – A reclassified fluent English proficient student is a former EL student who has met the four criteria specified in California *EC* Section 313(f).
