¹ Pursuant to California *Education Code* Section 42127, the county superintendent of schools shall provide a list to the State Superintendent of Public Instruction (SSPI) by October 22nd of school district budgets that may be disapproved. In addition, by November 8th, the county superintendent shall either approve or disapprove all school district budgets and submit a report to the SSPI identifying all school district budgets that have been disapproved and any requests for waiver of a budget review committee (BRC). The report shall also include a copy of the written correspondence to the district indicating the reasons for any disapproval or potential disapproval and recommendations regarding revisions to the budget.

² If waiver of the BRC is requested, please submit a Request for Waiver of BRC form by November 8th. The form is available at <http://www.cde.ca.gov/fg/fi/ft/>. If the budget is disapproved solely due to an unapproved Local Control Accountability Plan, a BRC will not be conducted (no waiver needed).
