Section VI. Mitigating Circumstances (Complete lines 1-3 and attach any supporting documentation)

1. Explain why the charter school did not meet the criteria for the funding level requested. Include specific measures or actions taken by the charter school to comply.

District salary schedules & benefits packages for certificated and classified staff were not competitive with the surrounding area. The lower costs related to salaries and benefits impacted the percentage spent on certificated employee salaries and benefits. This is also impacted our percentage spent on instruction and related services.

Chawanakee has taken specific measures to remedy this by negotiating with Chawanakee Teachers Association and revising the salary schedule and benefits package. This has resulted in increasing teacher pay to rates between 8-16%, that are competitive with local area districts.

2. List and explain the mitigating circumstance(s) to be considered by the CDE and ACCS.

Our charter has taken specific measures to remedy this by revision our salary schedule and benefits package. This has resulted in increasing our teacher pay to rates that are competitive with our local area and an 8-16% increase to all employee units.

Mitigating circumstances will include regular review of our salary schedule and benefits package.
