**Section VI. Mitigating Circumstances (Complete lines 1-3 and attach any supporting documentation)**

1. Explain why the charter school did not meet the criteria for the funding level requested. Include specific measures or actions taken by the charter school to comply.

Community Montessori received \$750,000.00 from a PPP loan in May 2020. The loan was forgiven in August 2021 and thus the Federal income for Community Montessori is inflated in the FY 21/22 school year by the \$750,000.00 as a result of the accounting treatment for a forgiven loan. The forgiveness of the loan is a non-cash transaction. The cash was received in May 2020, not the year under review. PPP guidelines were specific about what those funds could be used for. Per the loan paperwork "the funds will be used to retain workers and maintain payroll or make mortgage payments, lease payments and utility payments". One time instructional purchases were not a choice. Community Montessori also received a transfer in of \$58,733.22 from the closed Home Office of the corporation. This is a result of capitalized assets still on the books being reclassified to Community Montessori as they are the new owner/user of these assets. If you back out these additional onetime revenues Community Montessori would meet the

40%-80% thresholds. The percent spent on certificated employee salaries/benefits would be in excess of 40% threshold and the percent spent on instruction and related services would be in excess of 81% qualifying Community Montessori for one hundred percent funding.

3. Provide any other pertinent information that may assist the CDE and ACCS in conducting a detailed review or develop a reasonable basis for a recommendation.
