Agenda

- Overview of the California Workforce Pathways Joint Advisory Committee
- Development of the Guiding Policy Principles to Support K–14+ Pathways
- Guiding Policy Principles to Support K–14+ Pathways

California Workforce Pathways Joint Advisory Committee

California *Education Code* 12053 establishes an advisory committee to help aid the planning and coordination of vocational education and training programs, known today as career technical education (CTE) programs. The Committee is composed of an equal number of members from the SBE and the Board of Governors (BOG) of the California Community Colleges.

California Workforce Pathways Joint Advisory Committee (2)

Guiding Policy Principles to Support K–14+ Pathways ⁽¹⁾

Development of the Guiding Policy Principles

From December 2017 to March 2018, the Committee synthesized information that had been presented to create the *Guiding Policy Principles to Support K–14+ Pathways* document. During these meetings Committee members also reviewed, discussed, and provided clarity on specific elements.

During the March and May 2018 meetings, the Joint Committee approved the document and requested feedback from the public.
