

Fiber Infrastructure Upgrade

Summary

SCH Number	2022110511
Public Agency	California Department of Education
Document Title	Fiber Infrastructure Upgrade
Document Type	NOE - Notice of Exemption
Received	11/22/2022
Posted	11/22/2022
Document Description	The project will identify, and correct problems associated with the originally installed fiber optic telecommunication cable within the California School for the Deaf and the California School for the Blind at the Fremont campus. The construction would fix some concrete patches (e.g., correcting walkways to American Disabilities Act standards for slope/cross slope); repair any penetrations through fire rated walls; and to verify structural attachments of the network cabinets to walls. Plans will be updated and submitted to the Department of State Architect for review and subsequent approval.

Notice of Exemption

Exempt Status

Categorical Exemption

Type, Section or Code

Class 1, CEQA Guidelines Section 15301 - Existing Facilities

Reasons for Exemption

This exemption allows for repair and minor alterations to existing facilities involving negligible or no expansion of use. The State confirms that no exceptions apply that would preclude the use of an exemption for this project.
