

**SELECTED CERTIFICATED SALARIES AND RELATED STATISTICS  
1999-00**

*A Compilation of Selected Salary Statistics from  
"1999-00 Salary and Benefits Schedule for the Certificated Bargaining Unit (Form  
J-90)"*

California Department of Education  
School Fiscal Services Division

## SELECTED CERTIFICATED SALARIES AND RELATED STATISTICS, 1999-00

In May 2000, every California school district and county office of education was given the opportunity to complete an optional form entitled, "1999-00 Salary and Benefit Schedule for the Certificated Bargaining Unit (Form J-90)." This form requests salary schedule information, employee placement on the salary schedules by full -time equivalents, bargaining unit bonuses paid for selected services, salaries and days of service for school principals and superintendents, and health and welfare benefits by carrier with amounts paid by the district or county office per employee. This data is useful to California school districts and county offices, employee bargaining units, school consulting agencies, academic institutions and state policy makers. The California Department of Education (CDE) additionally uses this material for completing specified information required for the School Accountability Report Card ( *Education Code* Section 41409.3).

Participation in this survey is voluntary and thus there is less than 100 percent reporting of all school districts and county offices. Each school district and county office of education was, however, encouraged to respond by written communications from the CDE and from School Services of California, Inc. (SSC), CDE's contracting agency for compilation of this material. Additionally, districts who had not responded and whose average daily attendance (ADA) exceeded 1,000 were telephoned by SSC a minimum of two times and encouraged to complete the survey. This report includes 882 district and county office responses.

To ensure the validity of the data, each survey was checked for reasonableness before being input into the database. After input, the data was reprinted and checked again. Finally, the printed schedule was mailed to the school district or county office for confirmation. Over 845 agencies, or 96 percent of total respondents, answered the confirmation request, and any changes were then incorporated into the final database.

We are pleased with the final response by school districts and county offices. This report is the most comprehensive certificated salary and benefit data available in the state, and includes information from 85 percent of school districts and county offices of education representing 97 percent of the state's ADA.

The actual 1999 -00 teacher salary schedules, health and welfare benefit amounts, and other selected statistics for each responding agency are available for downloading from the Internet at the California Department of Education Web site <http://www.cde.ca.gov/fg/fr/sa/>. This data may also be purchased from School Services of California. Any questions regarding ordering should be directed to Kathe Carter at School Services (916) 446 -7517 ext.120. Should you have questions related to the data, please contact the California Department of Education at (916) 322-1770.

## DEFINITIONS

### Table I - 1999-00 Certificated Teacher Salary Profile by County and by District

This table provides summarized J -90 information by local education agency (LEA) within each county. Explanations for the columns shown in Table 1 are as follows:

<b>Headings</b>	<b>Description</b>																																										
<b>CO</b>	The two -digit code specifying the county in which the districts are located. Counties are in order alphabetically and assigned a corresponding numerical code with, as an example, Alameda County = 01 and Yuba County = 58.																																										
<b>District Name</b>	The name of the school district or county office of education.																																										
<b>Total Salary Schedule F-T-E</b>	The total certificated full -time equivalent (FTE) employees that are paid on the salary schedule. One FTE represents one full -time employee; an FTE of .5 represents an employee who works 50 percent of the full -time employee's hours. The FTE with '*' next to it means it may or may not include charter school FTE. This may include certificated employees such as nurses, librarians and counselors in addition to teachers.																																										
<b>Lowest Schedule Salary Offered</b>	The amount indicated is the lowest salary that would be paid to an employee from the certificated salary schedule. The amount indicated is the lowest scheduled salary only and does not include salaries for extended year, bonuses for special accomplishments such as a master's or doctorate degree, or payment for extra -curricular services such as coaching, drama or music. For most districts, this salary is the beginning teacher salary.																																										
<b>Lowest Schedule Salary Desc.</b>	Description of the schedule salary column where the lowest salary is offered. The descriptions are coded as follows:																																										
<table border="0"> <tr> <td>&lt;BA</td> <td>=</td> <td>Less than Bachelor Degree</td> <td>CC</td> <td>=</td> <td>Clear Credential</td> </tr> <tr> <td>BA</td> <td>=</td> <td>Bachelor Degree</td> <td>EC</td> <td>=</td> <td>Emergency Credential</td> </tr> <tr> <td>BA+ number of units</td> <td>=</td> <td>Bachelor Degree + &lt;number of units&gt;</td> <td>I</td> <td>=</td> <td>Intern</td> </tr> <tr> <td>BA&lt; number of units</td> <td>=</td> <td>Bachelor Degree &lt;less than number of units&gt;</td> <td>NC</td> <td>=</td> <td>No Clear Credential</td> </tr> <tr> <td>BA+CR</td> <td>=</td> <td>Bachelor Degree + Credential</td> <td>ROP</td> <td>=</td> <td>Regional Occupational Programs</td> </tr> <tr> <td>BA+PC</td> <td>=</td> <td>Bachelor Degree + Pre-credential</td> <td>YR00</td> <td>=</td> <td>First Year Teachers</td> </tr> <tr> <td>BASE</td> <td>=</td> <td>Base Salary</td> <td>SPED</td> <td>=</td> <td>Special Education</td> </tr> </table>	<BA	=	Less than Bachelor Degree	CC	=	Clear Credential	BA	=	Bachelor Degree	EC	=	Emergency Credential	BA+ number of units	=	Bachelor Degree + <number of units>	I	=	Intern	BA< number of units	=	Bachelor Degree <less than number of units>	NC	=	No Clear Credential	BA+CR	=	Bachelor Degree + Credential	ROP	=	Regional Occupational Programs	BA+PC	=	Bachelor Degree + Pre-credential	YR00	=	First Year Teachers	BASE	=	Base Salary	SPED	=	Special Education	
<BA	=	Less than Bachelor Degree	CC	=	Clear Credential																																						
BA	=	Bachelor Degree	EC	=	Emergency Credential																																						
BA+ number of units	=	Bachelor Degree + <number of units>	I	=	Intern																																						
BA< number of units	=	Bachelor Degree <less than number of units>	NC	=	No Clear Credential																																						
BA+CR	=	Bachelor Degree + Credential	ROP	=	Regional Occupational Programs																																						
BA+PC	=	Bachelor Degree + Pre-credential	YR00	=	First Year Teachers																																						
BASE	=	Base Salary	SPED	=	Special Education																																						

<b>Average Schedule Salary Paid</b>	The average salary that is paid to an employee on the certificated salary schedule. The average salary is determined by dividing the total salary schedule cost by the FTE. The average indicated represents scheduled salaries only and does not include salaries for extended year, bonuses for special accomplishments or payment for extra-curricular services such as coaching, drama or music. Bonuses for master's or doctorate degrees are included only if the amounts are an integrated characteristic of a salary schedule column.
<b>Highest Entry Level Step</b>	The number indicated is the local agency response to a request for the "Highest entry level for an experienced teacher (indicate step)." If the report indicates "NR" in this column, the district did not respond to this question.
<b>Highest Schedule Salary Offered</b>	The amount that is the maximum salary that would be paid to an employee from the certificated salary schedule. The amount indicated is the highest scheduled salary only and does not include salaries for extended year, bonuses for special accomplishments or payment for extra-curricular services such as coaching, drama or music. Bonuses for master's or doctoral degrees are included only if the amounts are an integrated characteristic of a salary schedule column.
<b>Salary at Bchlr + 60 Step 10 Offered</b>	The amount that would be paid to an employee at step 10 with a requirement of a bachelor's degree plus an additional 60 semester units. If the district did not have a BA + 60 column on its schedule, the salary reflected is that amount paid for the next lower column on the schedule. As an example, if the salary schedule reflected characteristics of columns "BA + 56" and "BA + 64" this summary would reflect the salary paid at BA + 56, which is the next lowest salary column.
<b>No. of Service Days Required</b>	Each district was requested to respond to the question, "number of scheduled/required service days for returning teachers." The survey report indicates the district's response to that question.
<b>1999-00 P-2 ADA</b>	Revenue limit average daily attendance (ADA) for 1999-00 regular P -2 ADA is indicated. This also excludes charter school ADA. The ADA indicator is the best measure of district student attendance. "N/A" is indicated for county offices of education because they are funded on a different basis.
<b>% Chg. Salary Over 1998-99</b>	The percentage change for the 1999-00 Salary Schedule over the 1998-99 schedule as reported by the responding district.

At the end of Table I in the Overall Totals section, statewide overall totals are reflected for the following columns, Total Salary Schedule F-T-E, and 1999-00 P-2 ADA. The amounts representing the lowest schedule salary offered, the highest schedule salary offered, and the highest salary offered for a certificated employee at Step 10 (BA degree plus 60 units) for the entire state are shown at the end of Table I. The statewide averages for the average schedule salary paid, the lowest schedule salary offered, the highest schedule salary offered, and the average salary offered for an employee at Step 10 with a BA degree plus 60 units, and number of service days required are reflected under "Total Statewide Averages."

**Table II - 1999-00 Certificated Teacher Salary Profile by County and by District by Type**

This table represents a summary of Table I organized by county. The number of responding LEAs by type is shown. Explanations for the columns shown in Table II are as follows:

<b>Headings</b>	<b>Description</b>
<b>County</b>	Each county's data is detailed by type (county office, elementary, high school, unified, or common administration).
<b>Number of LEAs</b>	The number of local educational agencies that responded to the survey is displayed by type.
<b>Total Salary Schedule FTE</b>	The total certificated full -time equivalent (FTE) employees summarized by type of district within each county.
<b>Total Salary Schedule Cost</b>	The total salaries paid certificated employees on the regular teacher salary schedule. This amount is calculated by multiplying the amount of the annual salary indicated on the salary schedule times the number of FTEs. These totals are summarized by type of district within each county.
<b>Average Schedule Salary Paid</b>	The average salary that is paid to an employee on the teacher salary schedule. The average salary is determined by dividing the total salary schedule cost by the FTE. This information is summarized by type of district within each county.
<b>Highest Schedule Salary Offered</b>	This amount represents the highest salary that is offered in the county by type of district.
<b>Mid Point Salary Offered</b>	This amount represents the midpoint between the highest and lowest salary offered in the county by type of district.
<b>Lowest Schedule Salary Offered</b>	This amount represents the lowest salary that is offered in the county by type of district.

At the end of Table II under the Grand Totals section, the total number of LEAs that responded to the survey, the total salary schedule FTE, and the total salary schedule cost have been totaled by type of LEA. The highest, the lowest, and the midpoint salary offered statewide are also summarized by type of LEA. In the Total Statewide Average section, the average schedule salary paid and the averages of the highest, midpoint and lowest salaries offered are shown.
