Basis for Recommendation

Yuba City Charter School began in the fall of 2000 and has operated as a site based charter school generating classroom based ADA through the end of FY 2011–12. For the FY 2012–13, the charter school's ADA population included 47 (or 31% of the charter's total ADA) nonclassroom based ADA. Since this was the first year that the charter school operated with over 20 percent nonclassroom based ADA, it was not aware of the CDE filing requirements and deadlines for obtaining a funding determination until it was too late and after the filing deadline for the FY 2012–13 reporting cycle. The CDE informed the charter to file a retroactive request in FY 2013-14 reporting cycle.
