2. Explain why identified expenses are unique or exceptional and warrant consideration as mitigating circumstances.

Butterfield Charter is seeking a 60% funding determination for a two year based upon the funding determination calculation form. Butterfield is in the process of expanding services with additional instructors and instructional resources to meet the increased student need. This approval will allow Butterfield Charter High School to expand its' facilities and program offerings.

3. Provide any other explanation that will assist the CDE and ACCS in making a decision on an appropriate funding determination.

Butterfield Charter is seeking a 60% funding determination for a minimum two year period after which point will return in future years with full funding based upon funding determination guidelines.
Based upon your review and approval the district is prepared to expand the facilities of the charter school while allowing additional students to access educational services provided by the charter school.
