

The **California Subject Matter Project (CSMP)** presents

# LeadLearn2016

**Professional Learning. Facilitated Collaboration.  
Focused on Student Learning and Literacy.**

The **LeadLearn2016** forum will highlight how strategic teacher leadership development can support and expand schoolwide and districtwide reform efforts, improve instruction, student learning, and literacy.

***LeadLearn2016 will focus on:***

- Sustainable and effective school and district instructional leadership programs
- Job-embedded professional learning communities
- Curriculum, instruction, and assessments aligned with Standards and Frameworks

***Conference registration:***

- \$385 / person for individual registrations
- \$350 / person for school or district teams of three (3) or more members
- **Space is limited**; Registration closes September 15, 2016

October 4-5, 2016  
UCLA Luskin Conference Center
