

California Practitioners Advisory Group (CPAG) Meeting—Item 3

Review Example of Top-Level
Data Display for the Local
Control Funding Formula
Evaluation Rubrics

TOM TORLAKSON
State Superintendent
of Public Instruction

Discussion Questions

1. Are there changes you would like to recommend to the Performance Categories (i.e., Red, Orange, Yellow, Green or Blue) for any of the indicators (e.g., change an orange box to yellow)?
 - Graduation Rate Indicator
 - Academic Indicator
 - Suspension Rate Indicator
 - English Learner Indicator (ELI)
 - College and Career Indicator (CCI)

TOM TORLAKSON
State Superintendent
of Public Instruction

Discussion Questions (Cont.)

2. Are there recommended changes to the colors associated with the Performance Categories (e.g., replace blue with purple, etc.)?
3. What, if any, descriptors should be associated with the Performance Categories (e.g., blue could be described as “excellent”, “outstanding”, “exemplary”, etc.)

TOM TORLAKSON
State Superintendent
of Public Instruction

Discussion Questions (Cont.)

4. What information should be included in the top-level Web page?
 - Performance Categories Descriptors
 - Use of Colors
 - Types of student group reports
5. Are there specific recommendations for the design of the Web page?
