

**Early Learning Quality Improvement System (EL QIS)
Advisory Committee**

Purpose:

The purpose of the Early Learning Quality Improvement System is to improve outcomes for children and reduce California’s school readiness gap by improving the quality of our early learning and care programs.

Model for Early Learning Quality Improvement System

Child Outcomes	=	Program Process + Quality	Program Structural Quality
-----------------------	----------	--------------------------------------	---------------------------------------

EL QIS Advisory Committee Structure and Process:

- *Review and approve 2009 meeting dates*
- *Review, discuss, and provide input for 2-Year work plan*
- *Review, discuss, and provide input on Subcommittee structure and process*
