Interim Assessment Administration Resources

These resources support the Smarter Balanced Interim Assessments. Do not use the manual, scoring guide, or Classroom Activities when administering the Smarter Balanced Summative Assessments.

Interim Assessment Viewing System
Select this button to access the interim assessments for professional development and/or training purposes.

Test Operations Management System (TOMS)
Select this button to view student test settings, including accommodations, before interim testing begins.

Test Administrator Interface
Select this button to access the Test Administrator Interface.

Online Reporting System (including Completion Status)
Select this button to access the system that will allow you to see the completion status for students taking the interim assessments.

Hand Scoring Training Guides and Exemplars
Select this button to access the interim assessment hand scoring training guides and exemplars. Upon selecting this button, select the (Help) link in the top right corner and then the (Training) tab.

Interim Assessment Hand Scoring System
Select this button to access the system that will allow you to score student responses to interim assessment items that require handscoring.

Administration and Registration Tools (ART)
Select this button to set up user accounts for the Digital Library and the Interim Assessment Reporting System. (LEA CAASPP Coordinator and site coordinator access only.)

Interim Assessment Reporting System
Select this button to access interim assessment student results.

TOM TORLAKSON
State Superintendent
of Public Instruction

Interim Assessment Highlights, cont.

- Hand scoring resources
 - Training Guides
 - Exemplars
 - Prep Sets
 - Check Sets
 - Answer Keys
- Accessibility supports

TOM TORLAKSON
State Superintendent
of Public Instruction
