Introduction

This guide is designed to help educators, policymakers, and interested members of the public understand the 2008-09 Title III Accountability reports. Title III of the No Child Left Behind (NCLB) Act of 2001 provides supplemental funding to local educational agencies (LEAs) and consortia of LEAs to implement programs designed to help English learners (ELs) and immigrant students attain English proficiency and meet the state’s academic and content standards. Title III requires that each state:

- Establish English language proficiency standards
- Conduct an annual assessment of English language proficiency
- Define two annual measurable achievement objectives (AMAOs) for increasing the percentage of EL students making progress in learning English and attaining English proficiency
- Include a third AMAO relating to meeting Adequate Yearly Progress (AYP) for the EL subgroup at the LEA or consortium level
- Hold Title III funded LEAs and consortia accountable for meeting the three AMAOs (NCLB Section 3122)

Title III permits the funding of LEAs that qualify for a grant award of $10,000 or more. LEAs that do not qualify for a $10,000 grant award must form a consortium with other LEAs so that together they qualify for a grant award of at least $10,000. Title III accountability reports are prepared for each direct funded LEA or consortium funded by Title III. The results for consortium members are aggregated up to the consortium level.

Title III AMAOs

An AMAO is a performance objective, or target, that Title III subgrantees must meet each year for its ELs. All LEAs and consortia receiving a Title III-Limited English Proficient (LEP) grant are required to meet the two English language proficiency AMAOs and a third academic achievement AMAO based on AYP information. Both English language proficiency AMAOs are calculated based on data from the California English Language Development Test (CELDT).
Assessments Used to Determine the AMAOs

The CELDT is California’s state test of English language proficiency. The CELDT is required to be administered within 30 calendar days upon initially enrolling in a California public school to all students whose home language is not English. The first administration of the CELDT is used to determine if a student is fluent-English proficient or an EL. ELs are required to take the CELDT each year during the annual assessment window of July 1 to October 31, until they are reclassified as fluent-English proficient (R-FEP). Throughout this guide the 2008 Annual CELDT refers to the CELDT administered during the annual testing window of July 1 through October 31, 2008. The prior year CELDT refers to the CELDT administered during the 2007-08 school year. For some students the prior year CELDT will have been an initial test that was administered at the time the student enrolled in a California public school.

The CELDT assesses the domains of listening and speaking in kindergarten and first grade. The test for students in grades two through twelve covers four domains: listening, speaking, reading, and writing. Students receive an overall performance level score and performance level scores for each of the domains tested.

### CELDT Score Types

<table>
<thead>
<tr>
<th>K and Grade 1</th>

<td>• Writing</td>
</tr>
</tbody>
</table>

There are five performance levels on the CELDT: Beginning, Early Intermediate, Intermediate, Early Advanced, and Advanced; and four grade spans of the test (kindergarten through grade two, grades three through five, grades six through eight, and grades nine through twelve). Each grade span test includes content tailored to the appropriate grade levels and aligned with the English language development (ELD) standards. Beginning with the 2006-07 edition (Form F) of the CELDT, there is a common scale for the CELDT from kindergarten through grade twelve.

A student is defined as English proficient on the CELDT if both of the following criteria are met:

- Overall performance level of Early Advanced or Advanced and
- Each domain performance level at the Intermediate level or above
Students are considered for reclassification when they are at the English proficient level on the CELDT; however, scoring English proficient on the CELDT is not sufficient for reclassification. When reclassification decisions are made, information from the California Standards Test (CST), teacher evaluations, and parent consultation is also considered.

The third AMAO relating to meeting AYP requirements for the EL subgroup is based on data from the CST, the California Alternate Performance Assessment (CAPA), the California Modified Assessment (CMA) and/or the California High School Exit Examination (CAHSEE). For more information on AYP requirements, go to the California Department of Education (CDE) AYP Web page at http://www.cde.ca.gov/ta/ac/ay/.

Title III AMAOs for English Learners

<td>CST, CAPA, CMA, CAHSEE</td>
</tr>
</tbody>
</table>

AMAO 1 – Percent of ELs Making Annual Progress in Learning English

AMAO 1 reflects the percentage of ELs making annual progress on the CELDT. There are three ways for ELs to meet the annual growth target on the CELDT depending upon what level they were at on the prior year CELDT. ELs at the Beginning, Early Intermediate, and Intermediate levels are expected to gain one performance level. ELs at the Early Advanced or Advanced level who are not yet English proficient are expected to achieve the English proficient level on the CELDT. ELs at the English proficient level are expected to maintain that level.
## Annual Growth Target on CELDT

<table>
<thead>
<tr>
<th>Previous Year CELDT Overall Performance Level</th>

<tr>
<td>• Early Intermediate</td>
<td>• Intermediate Overall</td>
</tr>
<tr>
<td>• Intermediate</td>
<td>• Early Advanced Overall</td>
</tr>
<tr>
<td>• Early Advanced or Advanced, but not at the English proficient level. One or more domains (reading, writing, speaking, or listening) is below Intermediate.</td>
<td>• Achieve the English proficient level. (Overall proficiency level needs to remain at Early Advanced or Advanced level and all domains need to be at the Intermediate level or above.)</td>
</tr>
<tr>
<td>• Early Advanced or Advanced and at the English proficient level</td>
<td>• Maintain English proficient level</td>
</tr>
</tbody>
</table>

The percent of annual CELDT testers within each LEA or consortium that are expected to meet the annual growth target each year are shown in the graph below. The starting point was set using the 2001-02 CELDT and a process similar to setting the starting point for Title I AYP. Using this process, 51 percent of students within each LEA were expected to meet the annual growth target. Based on baseline data from 2001 and 2002 CELDT results, approximately 80 percent of LEAs would meet this target. The ending target was set at the 75th percentile of the LEA distribution. In September 2007, the State Board of Education (SBE) approved new targets for 2006-07 to 2013-14 that were aligned to the new CELDT performance level cut scores and the new common scale as shown below.

### Targets for AMAO 1

</table>
AMAO 2 – Percent of ELs
Attaining English Proficiency on CELDT

AMAO 2 measures the percent of ELs in a defined cohort at a given point in time, who have attained the English proficient level on the CELDT as defined on page 3. The cohort for AMAO 2 contains those students who could reasonably be expected to have reached English language proficiency at the time of the 2008 annual CELDT administration.

Four groups of students are combined into the AMAO 2 cohort:

- All ELs who were at the Intermediate level overall the prior year (2007-08)
- ELs at the Early Advanced or Advanced levels overall who were not English proficient the prior year (2007-08)
- ELs at the Beginning or Early Intermediate level overall in the prior year (2007-08) who were enrolled in U.S. schools between January 1, 1988 and June 30, 2004
- ELs at the Beginning or Early Intermediate level overall in the prior year (2007-08), who entered U.S. schools after June 30, 2004, and who met the English proficient level on the 2008 annual CELDT administration

The flowchart on page 6 shows the definition of the AMAO 2 cohort.
Definition of AMAO 2 Cohort

CELDT Overall Performance Level in Prior Year (2007-08)

- **Intermediate**
  - **Yes**: In AMAO 2 cohort

- **Early Advanced or Advanced**
  - Was the student at the English proficient level the prior year?
    - **Yes**: Not in cohort
    - **No**: In AMAO 2 cohort

- **Beginning or Early Intermediate**
  - Was the student first enrolled in U.S. schools between 1988 and June 30, 2004?
    - **Yes**: In AMAO 2 cohort
    - **No**: Did the student achieve the English proficient level on 2008 Annual CELDT?
      - **Yes**: In AMAO 2 cohort
      - **No**: Not in cohort
In September 2007, the SBE approved new targets for 2006-07 to 2013-14 that were aligned to the new CELDT performance level cut scores and the new common scale as shown below.

**Targets for AMAO 2**

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

**AMAO 3 – Meeting AYP Requirements for the EL Subgroup at the LEA or Consortia Level**

AMAO 3 holds the Title III LEAs and consortia accountable for meeting targets for the EL subgroup that are required of all LEAs, schools, and subgroups under NCLB. The academic achievement targets specify the percent of ELs that must score at the proficient or advanced level in English-language arts (ELA) and mathematics on state assessments used to determine AYP.

**2009 AYP Targets for the EL Subgroup**

<table>
<thead>
<tr>
<th>Type of LEA</th>
<th>Participation Rate ELA and Mathematics</th>
<th>Targets</th>
<th>Percent Proficient ELA</th>
<th>Percent Proficient Mathematics</th>
</tr>
</thead>
<tbody>
<tr>
<td>Unified districts, county offices of education, high school districts (Grades 2-8 and 9-12)</td>
<td>95.0%</td>
<td>45.0%</td>
<td>45.5%</td>
<td></td>
</tr>
<tr>
<td>Elementary districts, charter elementary schools and charter middle schools</td>
<td>95.0%</td>
<td>46.0%</td>
<td>47.5%</td>
<td></td>
</tr>
<tr>
<td>High school districts, charter high schools (Grades 9-12)</td>
<td>95.0%</td>
<td>44.5%</td>
<td>43.5%</td>
<td></td>
</tr>
<tr>
<td>Title III consortia</td>
<td>95.0%</td>
<td>45.0%</td>
<td>45.5%</td>
<td></td>
</tr>
</tbody>
</table>
In order to meet AMAO 3, the LEA or consortia must meet the 2009 AYP participation rate and percent proficient targets in ELA and mathematics for the EL subgroup.

The AYP calculations for the EL subgroup include R-FEP students who have not scored proficient or above on the CST in ELA three times after being reclassified. Refer to the 2009 Adequate Yearly Progress Report Information Guide which will be posted on the CDE AYP Web page at http://www.cde.ca.gov/ta/ac/ay/ in August 2009. This guide provides specific information on AYP requirements at the LEA level and details regarding the EL subgroup.

**Consequences of Not Meeting the AMAOs**

If a Title III LEA or consortia does not meet any one or more of the three AMAOs in any year, it must:

- Inform the parents of all ELs in the LEA or the consortia as a whole, that the AMAOs have not been met

This notification should be provided within 30 days of the public release of the Title III Accountability reports. A sample parent notification letter is available in English and Spanish on the CDE Title III Accountability Technical Assistance Web page at http://www.cde.ca.gov/sp/el/t3/acct.asp.

If a Title III funded LEA or consortia does not meet the AMAOs for two consecutive years (2007-08 and 2008-09), it must also:

- Develop an improvement plan that will ensure that the AMAOs are met

The improvement plan shall specifically address the factors that prevented the LEA or consortia from achieving the AMAOs.

Those LEAs and consortia¹ that do not meet the AMAOs for two consecutive years will be notified by the CDE and further information concerning the development of the improvement plan will be provided.

If the LEA does not meet the AMAOs for four consecutive years (2005-06, 2006-07, 2007-08, and 2008-09):

- The state shall require the LEA to modify its curriculum, program, and method of instruction

LEAs that are identified as not meeting AMAOs for four consecutive years will be notified by the CDE of further action that needs to be taken.

¹ 2006-07 was the first year that accountability was aggregated to the consortium level.
Appeals Process

If a Title III LEA or consortium believes that there has been a calculation error in the computation of AMAOs 1 and 2, they should contact the Academic Accountability Unit of the Policy and Evaluation Division (PED) regarding an appeal. Appeals of the AYP information used in AMAO 3 must be filed with the PED at the CDE. More information on AYP appeals may be found on the CDE AYP Web page at http://www.cde.ca.gov/ta/ac/ay/.

Submitting an AMAO appeal does not relieve LEAs or consortia leads of the obligation to notify parents within 30 days of the public release of the Title III Accountability Report or to take other actions as specified.
The Title III Accountability Report indicates the status of each Title III funded local educational agency (LEA) or consortium in meeting the three annual measurable achievement objectives (AMAOs).

**AMAO 1 - Percent of Students Making Annual Progress in Learning English**

Explanatory Notes for the
2008-09 Title III Accountability Report

This section describes what is contained in each item of the 2008-09 Title III Accountability Report.

AMAO 1 – Percent of Students Making Annual Progress in Learning English

AMAO 1 shows the percent of ELs in an LEA or consortia who met the annual growth target on the CELDT.

Number of 2008 Annual CELDT Takers

This is the number of ELs who took the annual CELDT during the testing window of July 1, 2008, to October 31, 2008, and whose tests were submitted to the test contractor for scoring. It does not include students who took their first CELDT as an initial test taker in 2008 or the scores of ELs whose tests were submitted late and were not available from the test publisher in March 2009.

ELs from direct-funded charter schools are removed from the results of the sponsoring district or COE because they apply for Title III funding as a separate LEA.

Number/Percent with Required Prior CELDT Scores

This is the number and the percent of 2008 annual CELDT takers that have the required prior year CELDT scores needed to compute the AMAOs.

In order to calculate the AMAOs, the following data elements are needed:

- A prior (2007-08) performance level for the overall test.
- If the prior (2007-08) performance level for the overall test is at the Early Advanced or Advanced level and the student was in grade two through grade twelve when tested, the performance level scores for the domains of listening, speaking, reading, and writing are required to determine if the student was at the English proficient level for the AMAOs. If the student was in kindergarten or first grade, the domain scores for listening and speaking are needed.

If the percent of 2008 annual CELDT takers with prior year scores is between 65 and 85 percent, the results will be flagged and should be interpreted with caution. In these LEAs and consortia, the results may have been different if a greater proportion of annual test takers had been included in the calculations.

If less than 65 percent of 2008 annual CELDT takers have the required prior CELDT scores, no values will be reported for AMAOs 1 and 2. In cases where no
values are reported, the LEA or consortia is considered to have not met AMAOs 1 and 2. State and federal laws require all ELs be tested annually on the CELDT.

**Number in Cohort Meeting Annual Growth Target**
This is the number of ELs in the AMAO 1 cohort who met the annual growth target.

**Percent Meeting AMAO 1 in LEA or Consortia**
This is the percent of ELs in the AMAO 1 cohort in this LEA or consortia who met the annual growth target. It is derived as follows:

\[
\text{Percent meeting AMAO 1} = \frac{\text{Number in cohort meeting annual growth target}}{\text{Number with required prior CELDT scores}}
\]

The final result is displayed to the tenths decimal place with the following rounding rule. If the hundredths decimal place is fifty or more, the tenths decimal place is increased by one.

**2008-09 Target**
This is the 2008-09 target for AMAO 1 for all Title III LEAs and consortia. It specifies the percent of ELs in the AMAO 1 cohort that must meet or exceed their annual growth target. The target for AMAO 1 in 2008-09 is 51.6 percent.

**Met Target for AMAO 1**
There are two possible values for meeting the target:

- “Yes” – LEA or consortia met the target for AMAO 1
- “No” – LEA or consortia did not meet the target for AMAO 1

**AMAO 2 – Percent of Students Attaining English Proficiency on CELDT**
AMAO 2 measures the percent of ELs in a defined cohort, who have attained English proficiency on the CELDT at a given point in time.

**Number of 2008 Annual CELDT Takers in Cohort**
The cohort for AMAO 2 contains those students who could reasonably be expected to have reached English language proficiency at the time of the 2008 annual CELDT administration. For more information about which students are included see page 5.
Number in Cohort Attaining English Proficient Level

This is the number of ELs in the AMAO 2 cohort that reached the English proficient level on the 2008 annual CELDT administration.

Percent Meeting AMAO 2 in LEA or Consortia

This is the percent of ELs in the AMAO 2 cohort for this LEA or consortia that reached the English proficient level in 2008.

\[
\text{Percent meeting AMAO 2} = \frac{\text{Number in cohort attaining English proficient level}}{\text{Number of annual CELDT takers in the cohort}}
\]

The final result is displayed to the tenths decimal place with the following rounding rule. If the hundredths decimal place is fifty or more, the tenths decimal place is increased by one.

2008-09 Target

This is the 2008-09 target for all Title III LEAs and consortia on AMAO 2. It specifies the percent of the cohort for AMAO 2 that must meet the English proficient level at the time of the 2008 annual CELDT administration. The target for AMAO 2 for 2008-09 is 30.6 percent.

Met Target for AMAO 2

There are two possible values for meeting the target:

- “Yes” – LEA or consortia met the target for AMAO 2
- “No” – LEA or consortia did not meet the target for AMAO 2

AMAO 3 – Adequate Yearly Progress for English Learner Subgroup at the LEA or Consortia Level

AMAO 3 measures whether the EL subgroup for the LEA or consortia met the 2009 AYP participation rate and percent proficient requirements. Refer to the 2009 Adequate Yearly Progress Report Information Guide on the CDE AYP Web page at http://www.cde.ca.gov/ta/ac/ayp/ for more specific information about the calculation of AYP.
English-Language Arts

**Met Participation Rate for English Learner Subgroup**
There are three possible values:

- “Yes” – LEA or consortia met the participation rate for the EL subgroup
- “No” – LEA or consortia did not meet the participation rate for the EL subgroup
- “--” – LEA or consortia did not meet the minimum group size for the EL subgroup and no value is reported

**Met Percent Proficient or Above for English Learner Subgroup**
There are three possible values:

- “Yes” – LEA or consortia met the percent proficient or above for the EL subgroup
- “No” – LEA or consortia did not meet the percent proficient for the EL subgroup
- “--” – LEA or consortia did not meet the minimum group size for the EL subgroup and no value is reported

**Mathematics**

**Met Participation Rate for English Learner Subgroup**
There are three possible values:

- “Yes” – LEA or consortia met the participation rate for the EL subgroup
- “No” – LEA or consortia did not meet the participation rate for the EL subgroup
- “--” – LEA or consortia did not meet the minimum group size for the EL subgroup and no value is reported

**Met Percent Proficient or Above for English Learner Subgroup**
There are three possible values:

- “Yes” – LEA or consortia met the percent proficient for the EL subgroup
• “No” – LEA or consortia did not meet the percent proficient for the EL subgroup

• “--” – LEA or consortia did not meet the minimum group size for the EL subgroup and no value is reported

Met Target for AMAO 3

There are two possible values for meeting the target:

• “Yes” – LEA or consortia received met all four components of AMAO 3. If the LEA or consortia did not meet the minimum group size and no values were reported they will be considered to have met AMAO 3

• “No” – LEA or consortia did not meet one or more of the four components of AMAO 3

Met All AMAO Criteria

Met All AMAOs

There are two possible values for met all AMAO criteria:

• “Yes” – LEA or consortia met all three AMAOs.

• “No” – LEA or consortia did not meet one or more of the three AMAOs.

Number of Consecutive Years Not Meeting AMAOs

Number of Years

The value for the number of consecutive years not meeting AMAOs will range from 0 to 6 years. LEAs or consortia that met all three AMAOs in 2008-09 will receive a value of 0. LEAs or consortia that did not meet AMAOs for 2007-08 and 2008-09 will receive a value of 2. An LEA or consortia would receive a value of 6 if they did not meet all three AMAOs for each year from 2003-04 to 2008-09.
