Note: When program offices use separate instruments for on-site and online cycles, the instrument title specifies on-site or online. When the instrument title has no such designation, the program uses the same instrument for both cycles. Whenever a program conducts an “online review during an on-site review,” the program must use the “on-site” program instrument for that on-site cycle. The comments at the top of the schedule indicate which program instruments will be reviewed online during an on-site review.

Note: When program offices use separate instruments for on-site and online cycles, the instrument title specifies on-site or online. When the instrument title has no such designation, the program uses the same instrument for both cycles. Whenever a program conducts an “online review during an on-site review,” the program must use the “on-site” program instrument for that on-site cycle. The comments at the top of the schedule indicate which program instruments will be reviewed online during an on-site review.
