Resources for the California Alternate Assessment

Eligible pupils shall have any instructional supports and/or accommodations, including the language of instruction, used in the pupil's daily instruction in accordance with the pupil's IEP.

Administration of the California Alternate Assessments (CAAs) to eligible pupils shall be one-on-one (test examiner to pupil) according to the CAASPP manual. Depending upon the pupil's disability or needs, the CAAs may or may not include the student's independent use of the testing interface or, for science, student's independent response(s) to the embedded performance task.
