Accessing the Digital Library

To access the Digital Library, go to <http://www.caaspp.org> and select the green button labeled “Smarter Balanced Digital Library.”

The screenshot shows the CAASPP portal homepage. At the top left is the CAASPP logo with the text "California Assessment of Student Performance and Progress". To the right is a "Contact Us" link. Below the logo is a navigation bar with the following items: Home, About, Test Administration, TA Resources, Training, FAQs, Calendar, and System Status. A large banner image shows a group of children looking at a computer screen. To the right of the banner is an "Important" section with a list of links: System Status Alert, Known Issues Log, and Register for a Pretest Workshop. Below the banner is a grid of green buttons for various services: Test Operations Management System (TOMS), Test Administrator Interface, Practice & Training Tests, Smarter Balanced Digital Library (highlighted with a red box), Secure Browsers, Online Reporting System (including Completion Status), Security and Test Administration Incident Reporting System (STAIRS), and Smarter Balanced Interim Assessments.
