

## CAASPP Institute

### Self-Assessment of Knowledge

Using the four-point rating scale below, please assess your level of knowledge for each of the nine statements below.

- 1 – Weak
- 2 – Definite Gaps
- 3 – Ok, But Not Fully Confident
- 4 – Strong and Able to Lead Others

#### ***Summative***

- I can explain the claims and the assessment targets.
- I know how to provide students with opportunities to use accessibility supports in daily classroom instruction and assessment.
- I can read and interpret Smarter Balanced results.

#### ***Interim***

- I can explain the similarities and differences between the two types of interim assessments.
- I am comfortable using the hand scoring training guides and exemplars as a tool for professional learning.
- I have deep knowledge about the interim score reports.

#### ***Formative***

- I am well-grounded in the research on effective use of Formative Assessments.
- I am knowledgeable about the resources available in the Digital Library.
- I actively seek resources from the Digital Library.
