Revision of the Annual Update Template and Instructions for the 2021–22 Local Control and Accountability Plan Year

California Department of Education
October 27, 2020

Session Goals

Our goal for today is to:

- Present the Draft Annual Update for the 2019–2020 Local Control and Accountability Plan (LCAP) and Annual Update for the 2020–21 Learning Continuity and Attendance Plan (Learning Continuity Plan)
 - The initial draft of the Template and Instructions is available at <https://drive.google.com/drive/folders/1cIKYm3hJNTA2DrQp5rqZFXUb5CUB4Q-R?usp=sharing>
- Provide time to obtain stakeholder feedback

Background (1)

Senate Bill 820 requires:

- Local educational agencies (LEAs) complete an Annual Update for the 2019–2020 LCAP and the 2020–21 Learning Continuity Plan
- The Superintendent of Public Instruction, in consultation with the executive director of the State Board of Education (SBE) revise the template for the annual update before January 31, 2021

Background (2)

- SB 98 removed the requirement for LEAs to adopt an LCAP for the 2020–21 school year and instead required LEAs to adopt a Learning Continuity Plan.
- SB 820 requires the Superintendent of Public Instruction, in consultation with the executive director of the SBE, to revise the template for the annual update to the LCAP before January 31, 2021 to include both the Learning Continuity Plan and the LCAP adopted for the 2019–2020 school year.
- Feedback on the template and instructions may be emailed to LCFF@cde.ca.gov throughout the revision process.

Purpose of the Annual Update

- The purpose of the Annual Update is to assess the implementation of the actions within the plan and the impact these actions have had on student outcomes in the prior year
 - This assessment includes a review of state and local data and stakeholder input and a review of the funding used to implement the actions in the plan
- The Annual Update is not intended to be an auditing or accounting document

Initial Approach

- Combines the 2019–2020 Annual Update Template adopted by the SBE at its January 2020 meeting with an initial draft of an Annual Update for the Learning Continuity Plan
 - SB 820 requires that the actions and expenditures from both plans be included in the Annual Update
- From your vantage point within the education system, what makes sense to include? What makes sense to remove? How can we balance the needs of LEAs and the needs of stakeholders?
