**Re: Russian River Charter High School Non-Classroom Based Funding
Determination for 2007-08**

To Whom It May Concern:

Our office serves as legal counsel for Russian River Charter School ("RRCHS"). RRCHS is currently facing an audit exception from the 2007-08 academic year which it has appealed to the Education Audit Appeals Panel.

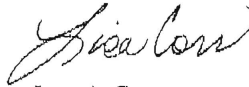

In accordance with discussions with Arlene Matsuura in the School Fiscal Services Division of the California Department of Education, we are hereby submitting the attached funding determination for 2007-08 in an attempt to resolve the audit exception without further litigation. RRCHS has filled out the funding determination form used for 2007-08 and has populated the form with data as though it had submitted the form prior to the 2007-08 academic year.
