Title 5, Section 11517.5 of the California Code of Regulations specifies that each local educational agency (LEA) shall receive an Apportionment Information Report that shall include the number of pupils assessed with the CELDT as indicated by the number of answer documents submitted to and scored by the test contractor for each administration (July 1 through June 30). The superintendent of each school district must certify the accuracy of the apportionment information and submit the certified report to the California Department of Education, postmarked by December 31. If postmarked after December 31, the Apportionment Information Report must be accompanied by the State Testing Apportionment Information Report Waiver request as provided by California Education Code (EC) Section 33050. The amount of funding to be apportioned to the school district for the tests shall be calculated by multiplying the amount per administration established by the State Board of Education (SBE) to enable school districts to meet the requirement of EC Section 60851 by the number of pupils in the school district assessed with the CELDT during the previous fiscal year. Apportionment payments will be processed upon receipt of certified reports. Return the form by U.S. mail to the address above. Faxed reports will not be processed for payment. Keep a copy for your records.
