

## Appendix 12

This document was provided, as is, to the California Department of Education (CDE) by **Intuit** for the draft of the Personal Finance Curriculum Guide. Minor formatting changes may have occurred during document remediation. For more information regarding the content of this material, please contact the Curriculum Frameworks and Instructional Resources Division by email at [CFIRD@cde.ca.gov](mailto:CFIRD@cde.ca.gov).

# Professional Development Offerings for Educators

## FREE Financial Literacy Professional Development Offerings for Educators

Intuit for Education provides free, flexible professional development and a supportive educator network. Our programs, created by teachers for teachers, build your content knowledge and instructional expertise.

### On-Demand & Live Professional Development

Get practical, hands-on training to build confidence in the classroom.

#### Available Now:

- Getting Started: Discover what Intuit for Education offers and how it fits your classroom.
- Resource Deep Dives: Become familiar with our courses, calculators, simulations, and games.
- Try-It Teach-Its: Experience tools as your students would with quick, ready-to-use activities.

#### Coming Soon: On-Demand Learning: Access flexible, bite-sized lessons, each under 15 minutes, 24/7.

Our three structured pathways guide you from getting started to full classroom implementation:

- Explore: Discover tools that align with your teaching style.
- Prepare: Get practical training with deep dives into lessons and simulations.
- Apply: Learn how to build and adapt complete lessons and units.

### Live Financial Literacy Professional Development

Bring financial literacy to life with interactive professional development sessions.

- **Live Virtual Professional Development:**  
45-minute sessions for groups of 15 or more educators.
- **In-Person Professional Development:**  
1-2 hour sessions for groups of 20 or more educators.

Each session is interactive, practical, and tailored to your team's needs. Topics include platform tours, hands-on simulations, and cross-curricular integration.

### A Community of Support

- Connect with Peers: Join our **Facebook community** to exchange strategies and connect with fellow educators year-round.

### Ready to get started?

Find all your free professional development resources in one centralized place. Access our professional development website or **scan the QR code** to get started.

For district leaders interested in live professional development, please email **Stepan Mekhitarian** at [stepan\\_mekhitarian@intuit.com](mailto:stepan_mekhitarian@intuit.com).
