

English Learner Students on the California School Dashboard

The California School Dashboard (Dashboard) reports on English learner (EL) student progress on all state measures. However, students included in the EL student group vary by state measure. The graphic below displays which students are incorporated in the EL student group for each state measure.

Students Who Are Incorporated in the EL Student Group by State Measure

Chronic Absenteeism

Students who were reported as an EL student at any time, at the school or district level, during the current academic year

College/Career

Students who were reported as an EL student at any time during the last four or five years in high school

English Language Arts (ELA) and Mathematics (Math)

Students who were reported as an EL student at any time during the academic year, including students who were reclassified as fluent within the past four years

ELA Growth and Math Growth

Students who were reported as an EL student at any time during the academic year, including students who were reclassified as fluent within the past four years

English Learner Progress

Summative English Language Proficiency Assessments for California (ELPAC) and Summative Alternate ELPAC test takers

Graduation Rate

Students who were reported as an EL student at any time during the last four or five years in high school

Science

Students who were reported as an EL student at any time during the academic year, including students who were reclassified as fluent within the past four years

Suspension Rate

Students who were reported as an EL student at any time, at the school or district level, during the current academic year
