#### Table 6.A.11 Overall Theta Score Distribution for High School, All Grades

# Appendix 6.B: Raw Score, Theta, and Scale Score Distributions of Students Taking Each Test

#### Notes:

- A student with an incomplete test did not receive a score.
- When a student logged on to the test delivery system but did not answer any item, the student did not receive a score.
- When a student logged on and answered at least 1 item but fewer than 10 items, the student received the lowest obtainable scale score (such as 300 for grade three, 400 for grade four, ..., and 900 for high school grades).
- <u>Table 6.B.1</u> through <u>Table 6.B.14</u> include students who have completed testing with a valid reporting scale score.
