Dear Ms. Russell:

Ingenium Schools has been awarded a charter by Los Angeles Unified School District to operate Ingenium Charter Middle School (ICMS). Our plan has been to move the ICS sixth grade to the middle school and operate ICS as a K-5 school.

CDE staff has informed us that reducing the school by one grade level will require a material revision to the original charter. The purpose of the attached Material Revision to the ICS charter petition is to secure SBE approval of our elimination of sixth grade at ICS.

We are looking forward to the CDE Charter Schools Division's review of our Material Revision.

Sincerely,
