<u>Region</u>	<u>Address of Facility</u>	<u>Description</u>	<u>District(s) in which located</u>	<u>Year Region Established</u>	<u># of Students</u>	<u>Need for the Waiver</u>
South Bay	5305 Sweetwater Road, Bonita CA 91902	Church facility rented two days per week; year to year lease of \$1,240 per month.	Sweetwater High/South Bay	2010	51 students enrolled in school reside within district boundaries; 41 of the 104 students who use center reside within district; 63 students who use the center reside outside districts' boundaries	Location is used to provide special education, EL, and intervention services. In addition, testing, wet labs, small group instruction, and parent meetings are conducted. Failure to offer these services would put students at a disadvantage for receiving a free and appropriate education as many do not have transportation for longer distances. Employees whose duties include instruction would need to be terminated. Currently seeking SELPA approval which adds an extra hurdle to the transition plan. School enrolls 45 students from within Sweetwater District and 6 from South Bay; not enough to support a separate charter school. 40% of students enrolled in this region have never attended a district school.
