### What does my child's score mean?

Anita recently took the Initial ELPAC, which identifies students who need help learning English. Based on the results, Anita has **novice** English skills and needs help using English in school. Anita will take the Summative ELPAC this spring, which measures the student's progress in developing English skills. If you have questions about your child's ELPAC results, please contact your child's school for more information.

### Why do we administer the Initial ELPAC?

Identifying students who need help learning English is important so students get the support they need to do well in school, while receiving instruction in all school subjects.
