Letters of Recommendation

Please enclose (or have sent to the State Board of Education) two letters of recommendation. If you are employed by a local educational agency, the employer letter must come from the agency's chief administrative officer (typically the superintendent or Director) and must (1) recognize the additional workload you would experience if appointed, and (2) acknowledge that the state will not provide reimbursement for the cost of any substitute personnel that may be needed either because of an interview (to which you may have been invited in connection with the selection process) or, if appointed, because of your service on the advisory body.

All required application materials, including letters of recommendation, must be received by 5:00 p.m. on Monday, December 3, 2018, or they may not be considered.
