

TOM TORLAKSON
State Superintendent
of Public Instruction

The College and Career Indicator (CCI)

TOM TORLAKSON
State Superintendent
of Public Instruction

Background

- In September 2012, California *Education Code* was amended to require the inclusion of a CCI into the high school Academic Performance Index (API).
- In 2014, the Technical Design Group (TDG) and the Public Schools Accountability Act (PSAA) Advisory Committee began discussing how to incorporate the CCI in the API.

TOM TORLAKSON
State Superintendent
of Public Instruction

Background (Cont.)

- The PSAA Advisory Committee and TDG determined that a single universal measure would not adequately determine if students were ready for postsecondary options that would also fairly compare all schools and still allow students to pursue various options to prepare for postsecondary.

TOM TORLAKSON
State Superintendent
of Public Instruction

Background (Cont.)

- As a result, the PSAA Advisory Committee and the TDG concluded that the CCI needed to contain multiple measures, which resulted in the development of the Standards Model.

TOM TORLAKSON
State Superintendent
of Public Instruction

Background (Cont.)

- To assist with the development of the CCI Standards Model and to gather input on the proposed methodology and measures, the California Department of Education (CDE):
 - Held six regional meetings
 - Held one statewide Webinar
 - Conducted a statewide survey

TOM TORLAKSON
State Superintendent
of Public Instruction

Background (Cont.)

- The CDE also contracted with the Educational Policy Improvement Center (EPIC), with Dr. David Conley as the project lead.
- The contract required EPIC to produce literature reviews on the most valid and reliable measures for determining whether students were prepared for postsecondary options.

TOM TORLAKSON
State Superintendent
of Public Instruction

Background (Cont.)

- Dr. Conley presented the final paper, with recommendations for college and career measures, to the PSAA Advisory Committee in December 2014 and to the State Board of Education (SBE) at the May 2015 SBE meeting.

TOM TORLAKSON
State Superintendent
of Public Instruction

College and Career Measures

- The Standards CCI Model currently contains the following measures:
 - AP exam results
 - Early Assessment Program (EAP) results for English language arts/literacy (ELA) and mathematics
 - a-g completion
 - Career Technical Education (CTE) pathway completion
- These measures were used for simulation purposes (See Handout 1)

TOM TORLAKSON
State Superintendent
of Public Instruction

College and Career Measures (Cont.)

- The following measures will be added by September 2016:
 - International Baccalaureate (IB)
 - Dual Enrollment
- These measures will be available in 2017 (for the 2016–17 graduation cohort):
 - State Seal of Biliteracy
 - Golden State Seal Merit Diploma

TOM TORLAKSON
State Superintendent
of Public Instruction

Formula

- Based on the benchmarks determined by the TDG and stakeholders, schools and LEAs will receive credit for students who meet specific benchmarks on college and/or career measures.
- The calculation formula is:

$$\frac{\textit{Students Who Meet the CCI Benchmark of Prepared or "Well Prepared"}}{\textit{Current Year Graduation Cohort}}$$

TOM TORLAKSON
State Superintendent
of Public Instruction

Status Cut Points

- Based on the calculation results:
 - “Very Low” Status Level was set at less than 10%
 - “High” Status Level was set at 50% or more

TOM TORLAKSON
State Superintendent
of Public Instruction

Status Cut Points (Cont.)

Status: The following table provides the proposed cut points for each status level:

Status Level	Status Cut Point
Very Low	CCI is less than 10%
Low	CCI is 10% to less than 25%
Median	CCI is 25% to less than 50%
High	CCI is 50% to less than 75%
Very High	CCI is 75% or greater

TOM TORLAKSON
 State Superintendent
 of Public Instruction

Status Cut Points (Cont.)

Percentile	% Prepared for College or Career	Status Level
5	1.9500	Very Low
10	3.4000	
15	5.3000	
20	7.7000	
25	9.9000	
25.3	10.0000	Low
30	12.6000	
35	16.7500	
40	20.3000	
45	24.6000	
45.5	25.0000	Median
50	28.2000	
55	32.0500	
60	38.0000	
65	40.9500	
70	44.0000	High
75	47.1500	
78	50.0000	
80	52.0000	
85	57.2500	
90	65.4000	Very High
95	72.5500	
96.4	75.0000	

See Handout 2

TOM TORLAKSON
State Superintendent
of Public Instruction

Change Cut Points

Change: The following table provides the proposed cut points for each change level:

Change Level	Change Cut Point
Declined Significantly	CCI declined by more than 10%
Declined	CCI declined 1% to 10%
Maintained	CCI declined or increased by less than 1%
Increased	CCI increased by 1% to less than 10%
Increased Significantly	CCI increased by 10% or more

TOM TORLAKSON
State Superintendent
of Public Instruction

Change Cut Points (Cont.)

Percentiles	% Change from Prior Year to Current Year	Change Levels
5	-16.4000	Declined Significantly
10	-11.0000	
11	-10.0000	Declined
15	-7.0000	
20	-5.2000	
25	-3.5500	
30	-2.4000	
34.2	-1.5000	
35	-1.3000	Maintained
40	-.4000	
45	.1500	
50	1.0000	
54.7	1.5000	Increased
55	1.6000	
60	2.4000	
65	3.0000	
70	4.2000	
75	5.5500	
80	6.8000	
85	9.2500	
86.9	10.0000	Increased Significantly
90	11.7000	
95	18.8500	

See Handout 3

TOM TORLAKSON
State Superintendent
of Public Instruction

Example of Performance on CCI

Example: A school with an Increase in **Change** and a Very Low **Status** would have an overall performance of **Orange** for the CCI.

Change

Level	Declined Significantly	Declined	Maintained	Increased	Increased Significantly
	by more 10%	by 1.5% to 10%	Declined or improved by less than 1.5%	by 1.5% to less than 10%	by 10% or more
Very High 75% or more	Yellow	Green	Blue	Blue	Blue
High 50% to less than 75%	Orange	Yellow	Green	Green	Blue
Median 25% to less than 50%	Orange	Orange	Yellow	Green	Green
Low 10% to less than 25%	Red	Orange	Orange	Yellow	Yellow
Very Low Less than 10%	Red	Red	Red	Orange	Grey

Status

See Handout 4

TOM TORLAKSON
 State Superintendent
 of Public Instruction

Statewide Summary Results

Type	Red	Orange	Yellow	Green	Blue
ALL DISTRICTS* (609)	101 (16.6%)	218 (35.8%)	105 (17.2%)	136 (22.3%)	49 (8%)
ALL SCHOOLS* (1,302)	179 (13.7%)	436 (33.5 %)	221 (17%)	312 (24%)	154 (11.8%)

See Handouts 5 and 6 for complete statewide district, school, and student group results.

* Alternative schools, county offices of education, and schools with less than 30 students enrolled or less than 30 in the graduation cohort were excluded from the count.

TOM TORLAKSON
State Superintendent
of Public Instruction

Discussion Questions

- Are the correct measures included in the CCI?
- Should the CCI be a state or local indicator?
- If the CCI is a state indicator, should the CCI take the place of the grade 11 Smarter Balanced state level Academic Indicator?
- Is there a way to measure whether or not grade 8 students are on track for college and career?

TOM TORLAKSON
State Superintendent
of Public Instruction

Discussion Questions (Cont.)

- Is the red performance category (i.e., less than 10%) which may trigger interventions for schools, and possibly local educational agencies (LEAs), appropriate?
- Is the green performance category, which establishes a statewide goal of 50% appropriate for all schools and LEAs at this point and time?

College and Career Indicator Standard Model

Points are awarded based on a student's highest achievement on any one measure*.

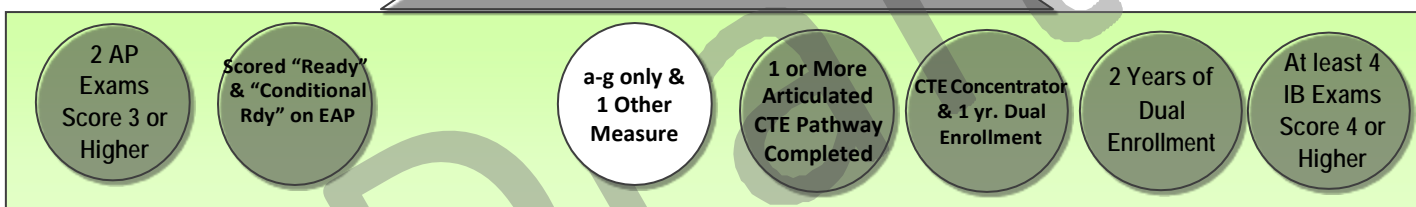

Student data from CALPADS 4-year cohort (same cohort as grad rate)

WELL PREPARED

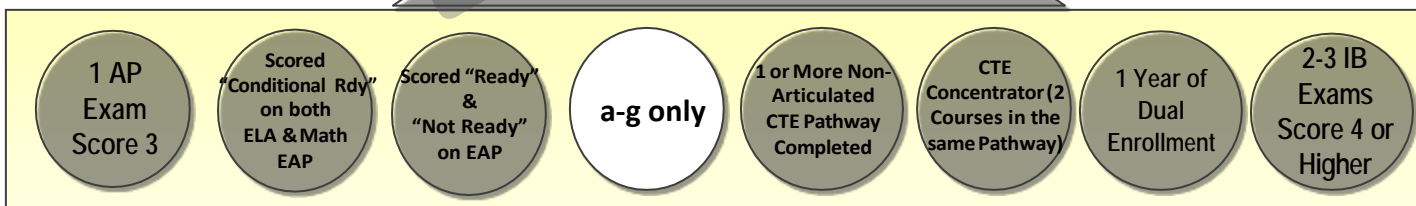

Does the student meet at least one measure above?
 If yes, the student is WELL PREPARED. If not, does the student meet any measures below?

PREPARED

Does the student meet at least one measure above?
 If yes, the student is PREPARED. If not, does the student meet any measures below?

APPROACHING PREPARED

Does the student meet at least one measure above?
 If yes, the student is APPROACHING PREPARED. If not, the student is NOT PREPARED

NOT PREPARED

**The Student Did Not Meet Any Measures Above.
 The Student is NOT PREPARED.**

* Measure: Each measure identified in this conceptual model may be a college measure, a career measure, or a combination of both.

NOTE: The following measures will be added when available:

- State Seal of Biliteracy
- Golden State Seal Merit Diploma

Possible future indicators could be: Industry Certificate and/or Career Assessment

**Distribution for Status
 College and Career Indicator**
