#### Section VI. Mitigating Circumstances (Complete lines 1-3 and attach any supporting documentation)

1. Explain why the charter school did not meet the criteria for the funding level requested. Include specific measures or actions taken by the charter school to comply.

The charter did not meet criteria 2: the percent spent on Instruction and Instruction-Related Services to Total Revenues is at 63.22%; below the 80%. Ultimately this criteria was not met due to the COVID-19 pandemic and its restrictions. In 2021-22, the P2 ADA for Nonclassroom-based ADA was 65.6 compared to Classroom-based ADA of 66.33; thus, in-person instruction related expenditures were not maximized during the pandemic when many students were enrolled in Independent Studies. Additionally, field trips to enhance student learning, including guest speakers, presenters, and college tours, were not utilized due to COVID restrictions. With a county-wide substitute shortage, Northwest Prep was limited in their ability to provide substitutes to support ongoing staff professional development during school hours. The charter school is currently reviewing and monitoring Instruction and Instruction-Related Services to ensure these expenditure account for 80% or more of total revenues.

2. List and explain the mitigating circumstance(s) to be considered by the CDE and ACCS.

The Piner-Olivet Union School District, including Northwest Prep Charter, was impacted by the COVID-19 pandemic. In 2020-21, school closure meant that Northwest Prep Charter had instructional supplies/materials that had not been fully utilized and therefore, had to be used in 2021-22 when school reopened in May of 2021. With the many COVID regulations and restrictions, instruction related expenditures were not maximized in 2021-22. These expenditures would have certainly placed Instructional related expensed over 80%.
