Estoy escribiendo esta carta para expresar mi apoyo a T.I.M.E. Community Schools y su compromiso de traer una escuela charter de alta calidad a la comunidad de Montebello.

La misión y la visión de TCS se alinean con mis valores, ya que será una escuela con un sólido programa académico, educación técnica profesional y brindará a mi hijo muchas oportunidades a través de pasantías y actividades comunitarias. Creo que TCS será un beneficio para la comunidad de Montebello y espero firmemente que el Comité de Educación de Los Angeles apruebe con un voto de aprobación para aprobar la petición constitutiva de TCS.

Los padres merecen la elección de la escuela y estoy feliz de que T.I.M.E Community Schools brinden una nueva oportunidad educativa a nuestra comunidad para que cada niño tenga la oportunidad de tener éxito.

Dear Superintendent Duardo and LACOE Board Members:

I am writing this letter to express my support of T.I.M.E. Community Schools and its commitment to bring a high quality charter school to the Montebello community.

TCS' mission and vision align with my values, as it will be a school that has a strong academic program, career technical education, and will provide my child many opportunities via internships and community outreach. I believe that TCS will be an asset to the Montebello community and I strongly hope the board will vote yes to approve TCS' charter petition.

Parents deserve school choice and I am happy that T.I.M.E Community Schools is a bringing a new educational opportunity to our community so that every child has the opportunity to succeed.

Sincerely,
