**A message from current SBE
Student Member, Vanessa Ejike:**

Serving as the SBE Student Board Member has been nothing short of exhilarating. I have been able to bring my peers' perspectives to the State Board and advocate for what is in the best interest of all students. If you care about making change and amplifying student voices, do not miss this once-in-a-lifetime opportunity to apply. Your voice and your vote are your power!

The California State Board of Education is the policy making body for academic standards, curriculum, instructional materials, assessments and accountability. The student appointed to the State Board of Education will:

- Serve from August 1, 2026 through July 31, 2027 and attend all SBE meetings during that time.
- Vote on educational policies vital to California's students and schools.
