

2019-2020 STUDENT MEMBER APPLICATION FORM

CALIFORNIA STATE BOARD OF EDUCATION

Last name

First name

Every summer, the Governor appoints one incoming high school senior to serve on the State Board of Education (SBE) for a one-year term. The student member functions as a regular voting member of the SBE. This packet explains the application and selection processes, and contains a copy of the application. Please feel free to copy and distribute it to any student who might be interested.

About the 2019-2020 Student Member

Eligibility

Any student who is a California resident, enrolled in a California public high school, and who will be enrolled in good standing in the twelfth grade in the 2019-2020 school year may apply.

Term of Office

The Student Member will serve a one-year term from August 1, 2019 through July 31, 2020.

Time Requirements

The estimated time commitment required for the Student Member will be at least two consecutive school days every other month to attend regular State Board meetings, usually in Sacramento; a one-day orientation; sufficient time to study the agenda materials in advance of the meeting, which may include consultation with board staff for background information related to agenda issues; additional time for handling other Board-related business; and time to attend selected advisory group meetings, student meetings, workshops, and conferences.

Expenses Paid

All transportation costs will be paid by the SBE. Lodging and meal costs will be paid in the amount allowed by state regulations. Additionally, the State Board's Student Member receives a \$100 stipend for each day's service on official business.

Selection and Appointment Process

Initial Screening

Immediately after the application deadline, an Ad-Hoc SBE Screening Committee will consider all applications received and select 12 semifinalists from among the applicants. The committee will review each application holistically, selecting 12 semi finalists who reflect the best cross-section of the many outstanding students who apply. The decision of the Ad-Hoc Screening Committee is final. Applicants will neither receive evaluations nor will their application materials be returned.

Presentation and Selection of Candidates

California Education Code Section 33000.5(e)(4) requires that school district governing board student members select six of the 12 students for further consideration by the SBE. The SBE has utilized the annual Student Advisory Board on Education (SABE) conference to perform this function. SABE is sponsored by the California Association of Student Councils (CASC) and provides a four-day forum for students to meet in small groups to develop proposals that address education issues of concern to California public school students. These proposals are presented to the SBE at its November board meeting.

The 12 semifinalists will attend the 2018 SABE Conference*, to be held in Sacramento on November 5 – November 8, 2018. The semifinalists will participate in SABE activities as regular attendees. In addition, the semifinalists will make individual presentations to all other SABE participants about their interest in, and qualifications for, the student member position. Following a secret ballot by the SABE participants, six candidates will be selected from the 12 semifinalists for further consideration by the SBE's Screening Committee. The decision of the SABE participants (determined by secret ballot) is final.

Interview

Each of the final six candidates will be interviewed by the SBE Screening Committee. The Screening Committee will recommend three finalists to the SBE. Following the Board's vote to select three nominees, the names of the three finalists will be forwarded to the Governor. The State Board's recommendations to the Governor are final. Interviews and the selection of the three finalists are expected to take place prior to and at the State Board's November 8-9, 2018 meeting.

Appointment

Representatives of the Governor will interview the three finalists in the late spring or summer of 2018. Following the interviews, one of the finalists will be appointed by the Governor to be the 2019-2020 Student Member. Final Candidates may also be required to complete an additional application, as required by the Governor's Office.

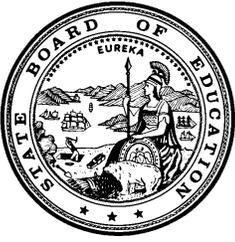

*SABE Conference fees and travel expenses, as well as travel expenses related to any subsequent interviews, will be paid by the SBE.

Statement of Understanding

I have read the information about the 2019-2020 Student Member and the description of the selection process for the 2019-2020 Student Member, both of which appear above. I understand and agree to participate in the selection process. If successful in the selection process and later appointed by the Governor to the position of Student Member, I will pledge an oath of allegiance to the state, and will perform the responsibilities of the Student Member to the best of my ability.

About the State Board of Education

The State Board of Education was established first by statute in 1852, then by amendment to the California Constitution in 1884. Both the Constitution and statutes set forth the State Board's duties. The State Superintendent of Public Instruction is the secretary and executive officer of the State Board. The State Board is composed of 11 members appointed by the Governor. Ten members serve four-year, staggered terms. The eleventh member is the Student Member who serves a one-year term.

The State Board's constitutional duties include: (1) appointment of one deputy and three associate superintendents of the California Department of Education (CDE), based upon the State Superintendent's nominations, and (2) adoption of textbooks for use in grades one through eight.

The State Board's statutory duties include (partial listing): (1) acting as the governing and policy determining body of the CDE; (2) adopting regulations that govern the public schools that are consistent with the laws of the state; (3) adopting statewide curriculum frameworks in the core subjects of reading/language arts, mathematics, history-social science, and science, as well as the subjects of foreign language, health, physical education, and visual and performing arts covering kindergarten through grade twelve; (4) adopting instructional materials in the core subjects (and in foreign language, health, and visual and performing arts) for kindergarten and grades one through eight; (5) approving statewide academic content and student performance standards; (6) adopting assessments for the California Assessment of Student Performance and Progress, the English Language Proficiency Assessments for California, the physical performance test, and others; (7) approving waivers requested by school districts of particular sections of the Education Code; (8) approving school district reorganizations; (9) adopting the state framework for local implementation of the Local Control Funding Formula, Local Control and Accountability Plans, and the California School Dashboard; (10) approving the distribution of certain state and federal funds; (11) establishing policy and approving plans for complying with the federal Elementary and Secondary Education Act of 1965, and other federal laws, as required; and (12) approving petitions to establish charter schools.

Application Questionnaires
