

# Foster Data Match Process

## 1. Data Integrity Pre-Check

## 2. Data Match Process in CALPADS

CALPADS = California Longitudinal Pupil Achievement and Data System

CDSS = California Department of Social Services

LCFF = Local Control Funding Formula

## Descriptive text for Flowchart:

The following steps are descriptive text for the flowchart in the above page.

Weekly Placement and Enrollment files from CDCC uploaded to CALPADS

- Do both CDSS files include a Client ID?

### Data Integrity Pre-Check:

- A) If No – Exclude from the Match Process
- B) If Yes – Does CDSS Name and Birthdate match CALPADS?
- C) If No – Exclude from Match Process

### Data Match Process in CALPADS:

- D) If Yes – Is there an overlap in School Enrollment Start and End Dates?
- E) If Yes – Matched Record
- F) If No- Is there a match in residence address Zip Codes?
- G) If No- Un-Matched Record

**Note:** Only Student records meeting the LCFF definition of Foster are received from CDSS.
