Except as provided in paragraph (2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that public school.
 - *EC* Section 47605(d)(2)(A) – A charter school shall admit all pupils who wish to attend the school; and

- *EC* Section 47605(d)(2)(B) – if the number of pupils who wish to attend the charter school exceeds the charter school’s capacity, attendance, except for existing pupils of the charter school, shall be determined by a public random drawing. Preference shall be extended to pupils currently attending the charter school and pupils who reside in the school district except as provided for in Section 47614.5. Preferences, including, but not limited to, siblings of pupils admitted or attending the charter school and children of the charter school’s teachers, staff, and founders identified in the initial charter, may also be permitted by the chartering authority on an individual charter school basis. Priority order for any preference shall be determined in the charter petition in accordance with all of the following:
 - (i) Each type of preference shall be approved by the chartering authority at a public hearing.
 - (ii) Preferences shall be consistent with federal law, the California Constitution, and Section 200.
 - (iii) Preferences shall not result in limiting enrollment access for pupils with disabilities, academically low-achieving pupils, English learners, neglected or delinquent pupils, homeless pupils, or pupils who are economically disadvantaged, as determined by eligibility for any free or reduced-price meal program, foster youth, or pupils based on nationality, race, ethnicity, or sexual orientation.
 - (iv) In accordance with Section 49011, preferences shall not require mandatory parental volunteer as a criterion for admission or continued enrollment.

Specific Sub-grant Conditions

- Auditable records will be maintained on file for five years following the grant closing date.
- All non-federal entities expending \$500,000 or more in combined federal funds (e.g., PCSGP and Title I funds, or American Recovery and Reinvestment Act [ARRA] funds) in a single year are required by federal law to obtain and submit a Single Audit to the Federal Audit Clearinghouse.
- Grant recipients will access the Federal Audit Clearinghouse Web page to submit their Single Audit. The Web page is available at <https://harvester.census.gov/facweb/>.
- The CDE will verify that the grant recipient’s school has an enrollment of at least 50 students at one point in time within the first calendar year of operation based on the effective date the charter school is open and available to serve students. Depending on the date the charter school opened to serve students, grant recipients may provide the CDE with either a copy of an online CDE DataQuest certified enrollment report, a copy of an aggregate school-level California

Longitudinal Pupil Achievement Data System (CALPADS) Operational Data Store (ODS) enrollment report, or a signed letter from the charter authorizer that confirms enrollment.

- If the school does not reach the minimum enrollment required during the grant project period, grant disbursements may be withheld until the enrollment requirement has been met. If the school does not reach the minimum requirement by the end of the grant project period, the CDE may invoice the school for grant payments issued to date. If the grant recipient is concerned that the school will not meet the enrollment requirements, in lieu of meeting this requirement the CDE will consider a budget report submitted by the grantee that attests to the sustainability of the school beyond the duration of the grant.
