

## Program Narrative

A written narrative must be provided for all application questions noted below:

- A. Preschool Program Quality (A1-A5)
- B. Family Engagement (B1)
- C. Family Education (C1)
- D. Health and Social Services (D1)
- E. Program Accountability (E1-E3)
- F. Staffing (F1-F3)
- G. Program Operations (G1-G2)

Written responses must be completed in accordance with the Scoring Rubric and information described in this section of the application. Additional detailed instructions are provided in the application. As agencies complete the written program description, the following requirements must be noted:

- Information in the application must be relevant and unique to the program administered to be administered by the applicant.
- Applicants will be required to describe the program that that agency will implement. Any application containing false or misleading information is cause for disqualification.
- An application that is plagiarized in any part or form from another application will automatically be rejected. Agencies cannot submit an application where the text has been copied from another agency's previous or current application, whether another agency voluntarily or involuntarily provided the information.
- Each individual question must be completed following the format requirement provided below:
  - All Program Narrative responses must align with the Scoring Rubric.
  - Program Narrative responses shall be limited to the identified page restrictions for each answer. An individual question may require an entire page or a partial page response. If a question is completed without using the whole page, the remaining page space cannot be used to expand on a different question. Note: The ELCD instructs readers to NOT consider portions of a response that exceeds the stated limit for each question.

- Applicants must use 8-½ x 11-inch white paper; single-sided only.
- All margins must be a minimum of one-half inch from the edge of the paper.
- Only standard 12-point font (e.g., Arial or Times New Roman) must be used that does not exceed six lines per inch. Do not use a compressed, narrow, or script font.
- Each response must include a header with the following information:
  - Legal name of agency
  - Page numbers
  - Title of Program Narrative Section and Item number (e.g., Preschool Program Quality – A1, Preschool Program Quality – A4, Program Accountability – E3, etc.). Each response belongs under their respective titles and is page limited as per the Scoring Rubric instructions.
