

CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PROGRAM REQUIREMENTS – FOR NON-IT SERVICES ONLY

(Revised March 2016)

Please read the requirements and instructions carefully before you begin. These instructions contain information about the DVBE program requirements, bidder responsibilities, and the DVBE Bid Incentive. Bidders are responsible for thorough review and compliance with these instructions.

AUTHORITY

The Disabled Veteran Business Enterprise (DVBE) Participation Goal Program for State contracts is established in Public Contract Code (PCC), §10115 et seq., Military and Veterans Code (MVC), §999 et seq., and California Code of Regulations (CCR), Title 2, §1896.61 et seq.

DVBE PARTICIPATION

The minimum DVBE participation percentage (goal) is 3% for this solicitation unless another percentage is specified in the solicitation.

DVBE INCENTIVE

A DVBE incentive will be given to bidders who provide DVBE participation, unless stated elsewhere in the solicitation that the DVBE incentive has been waived.

INTRODUCTION

The bidder must complete the identified form(s) and fully document that the mandatory minimum percent of DVBE participation will be met in order to comply with this solicitation's DVBE program requirements or the bid may be considered non-responsive.

Information submitted by the bidder to comply with this solicitation's DVBE requirements will be verified by the State. If evidence of an alleged violation is found during the verification process, the State shall initiate an investigation, in accordance with the requirements of the PCC §10115, et seq., and MVC §999 et seq., and follow the investigatory procedures required by the 2 CCR §1896.91. Contractors found to be in violation of these provisions may be subject to suspension from doing business with the State of California, contract termination, civil penalties and loss of State certifications.

Only State of California, Office of Small Business and DVBE Services (OSDS), certified DVBEs (hereafter called "DVBE") who will perform a commercially useful function (CUF) shall be used to satisfy the DVBE requirements. The term "DVBE contractor, subcontractor or supplier" means any person or entity that satisfies the ownership (or management) and control requirements of §1896.81, is certified in accordance with §1896.84, and provides services or goods that contribute to the fulfillment of the contract requirements by performing a commercially useful function. Bidders must verify each DVBE subcontractor's certification with OSDS to ensure DVBE participation eligibility prior to submitting bids.

COMMERCIALLY USEFUL FUNCTION

As defined in MVC §999 (B), a person or an entity is deemed to perform a "commercially useful function" if a person or entity does all of the following:

- Is responsible for the execution of a distinct element of the work of the contract.
- Carries out the obligation by actually performing, managing, or supervising the work involved.
- Performs work that is normal for its business services and functions.
- Is responsible, with respect to products, inventories, materials, and supplies required for the contract, for negotiating price, determining quality and quantity, ordering, installing, if applicable, and making payment.
- Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices.

A contractor, subcontractor, or supplier will not be considered to perform a "commercially useful function" if the contractor's, subcontractor's, or supplier's role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of disabled veteran business enterprise participation.

DVBE PROGRAM REQUIREMENTS

To meet the DVBE program requirements, bidders must complete and fully document compliance with the following:

DVBE Participation Commitment

Bidders must commit to meet or exceed the DVBE participation requirement in this solicitation by either Method A1 (bidder is a California certified DVBE) or A2 (bidder is not a California certified DVBE). Bidders must document DVBE participation commitment by completing and submitting all forms and documentation necessary to support meeting CUF. Forms include the Bidder Declaration (GSPD-05-105 form) and the DVBE Declarations form (Std. 843) located elsewhere in the solicitation, the Confirmation Letter as described below, and any other requested documentation.

Failure to complete and submit the required form(s) as instructed shall render the bid nonresponsive.

At the State's option prior to award of the contract, a written confirmation from each DVBE subcontractor identified on the Bidder Declaration must be provided. As directed by the State, the written confirmation must be signed by the bidder and/or the DVBE subcontractor(s). The written confirmation may request information that includes but is not limited to the DVBE scope of work, work to be performed by the DVBE, term of intended subcontract with the DVBE, anticipated dates the DVBE will perform required work, rate and conditions of payment, and total amount to be paid to the DVBE. If further verification is necessary, the State will obtain additional information to verify compliance with the above requirements.

Method A1. Certified DVBE Bidder:

- a. Commit to perform the participation goal percentage, a minimum of three percent of the contract bid amount with its own resources or in combination with another DVBE(s).
- b. Document DVBE participation on the Bidder Declaration GSPD-05-105 form. Question 1b for the Prime and then any subcontractors (any person, firm, corporation that will participate in fulfilling any part of the contract).
- c. Submit a written Confirmation Letter from each DVBE subcontractor identified on the Bidder Declaration. The written confirmation must include the solicitation number and be signed by the Bidder and the DVBE subcontractor(s). The written confirmation shall include, but is not limited to the work to be performed by the DVBE. Failure to submit signed confirmations with the bid may render the bid non-responsive. If further verification is necessary, the State will obtain additional information to verify compliance with the above requirements.
- d. Submit a completed Std. 843 DVBE Declarations form for all DVBE participants (prime and sub).

Method A2. Non-DVBE Bidder:

- a. Commit to using DVBE(s) to perform the participation goal percentage, a minimum of three percent of the contract bid amount.
- b. Document DVBE participation on the Bidder Declaration GSPD-05-105 form.
- c. Submit a written Confirmation Letter from each DVBE subcontractor identified on the Bidder Declaration. The written confirmation must include the solicitation number and be signed by the Bidder and the DVBE subcontractor(s). The written confirmation shall include, but is not limited to the work to be performed by the DVBE. Failure to submit signed confirmations with the bid may render the bid non-responsive. If further verification is necessary, the State will obtain additional information to verify compliance with the above requirements. The awarding

department contracting official named in the solicitation may contact each listed DVBE, by mail, fax or telephone, for verification of the bidder's submitted DVBE information. When requested, the document must be submitted to the address or facsimile number specified and within the timeframe identified in the notification.

- d. Submit a completed Std. 843 DVBE Declarations form for all DVBE participants.

DVBE BID INCENTIVE

Unless stated elsewhere in the solicitation that the DVBE incentive has been waived, in accordance with Section 999.5(a) of the MVC an incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the State shall apply an incentive to bids that propose California certified DVBE participation as identified on the Bidder Declaration GSPD-05-105 form (located elsewhere within the solicitation document) and confirmed by the State. The incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. Unless a table that replaces the one below has been expressly established elsewhere within the solicitation, the following percentages will apply for awards based on low price.

- a. Confirmed DVBE Participation of: 5% or Over
 - i. DVBE Incentive: 5%
- b. Confirmed DVBE Participation of: 4% to 4.99% inclusive
 - i. DVBE Incentive: 4%
- c. Confirmed DVBE Participation of: 3% to 3.99 inclusive
 - i. DVBE Incentive: 3%

As applicable:

- a. Awards based on low price - the net bid price of responsive bids will be reduced (for evaluation purposes only) by the amount of DVBE incentive as applied to the lowest responsive net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the incentive will be California certified small businesses. The incentive adjustment for awards

based on low price cannot exceed 5% or \$100,000, whichever is less, of the #1 ranked net bid price. When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed \$100,000.

- b. Awards based on highest score - the solicitation shall include an individual requirement that identifies incentive points for DVBE participation.
- c. A DVBE Business Utilization Plan (BUP) does not qualify a firm for a DVBE incentive – Bidders with a BUP, must submit a Bidders Declaration (GSPD-05-105 form) to confirm the DVBE participation for an element of work on this solicitation in order to claim a DVBE incentive(s).
