

Appeal to the State Board of Education

Table 2. Written Submission by the Petitioner Detailing How the County Board of Education Abused its Discretion

Instructions: The State Board of Education (SBE) requests the petitioner or its designee to complete the below table when submitting an appeal for the establishment or renewal of a charter school petition to the SBE after county denial, pursuant to *Education Code* sections 47605(k)(2)(A) and 47607.5, respectively. Additional sheets may be attached. Note, the process for the review of an appeal of an SBE-authorized charter school or a school lacking an independent county board of education is different; this table does not apply.
