Scheduling Information for Mediation of State Complaint

In order to schedule your mediation, the Office of Administrative Hearings (OAH) will need the information requested on this form. Once the parties have completed and submitted both the Request for Mediation and the Scheduling Information forms to the California Department of Education (CDE), the CDE will forward this information to the OAH. The OAH will then issue a notice and schedule the mediation on the date requested by the parties. Mediations will be held by videoconference. Information on how to participate in the videoconference mediation will also be provided by the OAH.

In order to receive electronic copies of documents from the OAH, you may select Secure E-file as your preferred method of service, but you must comply with the process described on OAH's website at: <https://www.dgs.ca.gov/OAH/Services/Page-Content/Office-of-Administrative-Hearings-Services-List-Folder/OAH-Secure-e-File-Information>.

Local Educational Agency (LEA) Information
