The California Way

An opportunity to grow from:

- Fixed to growth mindset
- Compliance to capacity building
- Silos to systems thinking
Purpose (1)

- ESSA, Section 1003 provides resources and assistance to LEAs to locally develop and implement a plan to improve student outcomes in schools that meet the criteria for CSI.
- School planning and LEA support and assistance for each school receiving comprehensive support is incorporated into the LCAP and school planning processes.
Purpose (2)

Consistent with the System of Support’s focus on increasing the capacity of LEAs to meet the needs of all students, the Budget Act of 2018 appropriated ESSA, Section 1003 funding to COEs for the purpose of supporting the statewide system of technical assistance and support for LEAs in their county that serve schools meeting the criteria for CSI.
School Eligibility for CSI

Which schools are eligible for CSI?
• Two groups of schools are eligible for CSI:
  – All high schools with graduation rates below 67 percent
  – Not less than the lowest-performing five percent of Title 1 schools

How often is school eligibility for CSI determined?
• Once every three years
  – School eligibility for CSI was first determined based on 2018 California School Dashboard results
State CSI Planning Requirements

- In California, federal CSI planning requirements are met through the use of the new SPSA Template (as codified in California Education Code Section 64001 at https://bit.ly/2G9Fn1a) and the CSI prompts in the Plan Summary of the Approved LCAP Template 2019.

- Templates and instructions for the LCAP and SPSA are located at https://www.cde.ca.gov/re/lc/.

- CSI requirements and information are located at https://www.cde.ca.gov/sp/sw/t1/csi.asp.
