

How to Start a Training Test for the Speaking Domain

- 1 Navigate to <https://www.elpac.org/>.
- 2 Select the **Practice & Training Tests** button on the left side of the screen.
- 3 Select the **Student Interface Practice and Training Tests** option.
- 4 Select the **Sign In** button.
- 5 Select a grade from the **Grade** drop-down menu.
- 6 Select the **ELPAC Training Test** for the Speaking domain, at the bottom of the page.

Practice & Training Tests

i *Assessments are identified by name of test, grade, and domain. In addition, they are color coded.*

7 Select any test settings, as needed.

i *The training tests are ideal for teaching students how to use available resources.*

8 Select the **Select** button.

9 Complete audio and video checks. For the audio playback check, select either the **I heard the sound** or **I did not hear the sound** button, depending on which option applies.

For the recording device check, select either the **I heard my recording** or **I did not hear my recording** button, depending on which option applies.

10 Select the **Continue** button.

11 Select the **Begin Test Now** button.

12 Start answering test questions.

i *Training tests are not scored and no scoring guides are available.*
