How to View Test Results for Student Groups

1 Navigate to https://caaspp-elpac.cde.ca.gov/.

2 Select the **English Language Proficiency** tile.

3 Select the **Initial ELPAC** tile.

Initial ELPAC

Initial English Language Proficiency
Assessments for California

4 A **Keyword Search** box is also available, which allows you to search for an entity by county-district-school code, zip code, or key word.
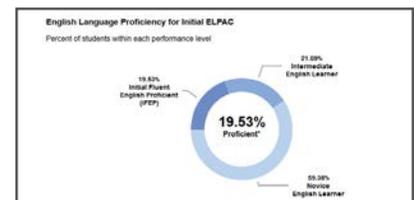

Type a School, District, County, ZIP...

5 In the **Report Options** section, select the student group for which you want to view data.

6 Select the **Apply Filters** button.

Report Options

Year:	Grade:	Student Group:	
2018–19	All Grades	All Students (Default)	Apply Filters

i *This will update all results on the page. Data displayed pertains only to the students in the student group selected.*

i *Graphs are available that show the percentage of students within each proficiency level. The number shown inside each graph represents the percentage of students who are Initial Fluent English Proficient (IFEP).*

English Language Proficiency for Initial ELPAC

Percent of students within each performance level

19.53% Proficient

7 Select the **View Detailed Test Results** button.

8 Select the triangle next to the student group name to expand specific sets of results.

i *Data Detail* includes the following:

- *Number of Students and Mean Scale Scores: Provides the number of students enrolled, tested, and with scores; and the mean scale score.*
- *Number and Percentage of Students at Each Performance Level: Provides the percentage of students in each proficiency level for the overall score, oral language score, and written language score.*
