## Indicator Updates

### English Learner Progress Indicator

The calculation was updated to add new criteria to give additional credit for long-term English learners who increased at least one level on the California English Language Development Test (CELDT).

### College/Career Indicator (CCI)

Status will be reported for the first time in fall 2017. The CCI is calculated using the percent of graduates who meet the Prepared criteria. Detailed Reports, with student group data, will be available for the Prepared and Approaching Prepared levels. Additional information can be found on the College/Career Indicator Web page at <http://www.cde.ca.gov/ta/ac/cm/cci.asp>.

### Small School Safety Net

The safety net methodology will apply a three-by-five color grid to the Graduation Rate and Suspension Indicators if either indicator at a school or district contains less than 150 students.
