How to Start a Practice Test

2. Select the **Practice & Training Tests** button.

3. Select the **Student Interface Practice and Training Tests** button.

4. Select the **Sign In** button to sign into the test as a guest.

5. Select either grade five, eight, or high school from the **Grade** drop down menu.

6. Select the California Science Test (CAST) practice test.

   - Assessments are identified by name of test, grade, and content area. Additionally, they are color coded pink.

7. Select any test settings as needed.

   - The practice tests are ideal for teaching students how to use the available supports.

8. Select the **Select** button.

9. Review the test settings and select the **Yes** button if correct.

   - You will see the Sound and Video Playback Check.

10. Select the **Play** button.

11. Select either the **I Could Play the Video and Sound** or **I Could Not Play the Video and Sound** button, depending on which option applies.

12. Review instructions and select the **Begin Test Now** button.

13. Start answering test questions.

   - For information on scoring go to the Scoring Guides for CAASPP: CAST, Smarter Balanced, and CAA at [https://www.caaspp.org/ta-resources/practice-training.html](https://www.caaspp.org/ta-resources/practice-training.html).
