How to Start a Training Test

2. Select the Practice & Training Tests button.

3. Select the Student Interface Practice and Training Tests button.

4. Select the Sign In button to sign into the test as a guest.

5. Select either grade five, eight, or high school from the Grade drop down menu.

6. Select the California Science Test (CAST) training test.

7. Assessments are identified by name of test, grade, and content area. Additionally, they are color coded gold.

8. Select any test settings as needed.

9. The training tests are ideal for teaching students how to use the available supports.

10. Select the Select button.

11. Review the test settings and select the Yes button if correct.

You will see the Sound and Video Playback Check.

12. Select the Play button.

13. Select either the I Could Play the Video and Sound or I Could Not Play the Video and Sound button, depending on which option applies.

14. Review instructions and select the Begin Test Now button.

15. Start answering test questions.

Training tests are not scored and no scoring guides are available.
