

# How to Start a Training Test

1. Navigate to [www.caaspp.org](http://www.caaspp.org).
2. Select the **Practice and Training Tests** button.

3. Select the **Student Interface Practice and Training Test** button.
4. Select the **Sign In** button to sign into the test as a guest.
5. Select either grade five, eight, or high school from the **Grade** drop down menu to access the CAST Training Test.
6. Select the **Yes** button.
7. Select the CAST Training test.

**i** Assessments are color coded and the CAST Training test is Orange.

8. Select any test settings as needed.

**i** The training tests are ideal for teaching students how to use the available supports.

9. Select the **Select** button.
10. Review the test settings.
11. Select the **Yes** button if the test settings are correct.
12. Select the **Begin Test Now** button.

**i** If the test selected has items that require audio, you will see the **Audio Playback Check**.

**Choose Settings:**  
Review the following test settings. You can change the options, if necessary.

**CAST Grades 5, 8 and HS Training Test**
